Governor Guest Of Local Club

At their regular luncheon meeting which was held on Wednesday of this week the local Rotary Club had as their guest their District Governor Dean Bowden of Silver City, N. M. The meeting, which was held at the Kerr Hotel, was a delightful affair with all members present to enjoy the program and Dean Bowden's address. Special solo numbers were given by "Stump" Duke.

In a well given address and to the point Mr. Bowden spoke on the subject, "Governmental Revolution and the Relationship of Rotary Clubs to this Revolution." His address was well given, plainly spoken and left with the local members several worthwhile ideas on this

Mrs. Davis continues her education

You know Mrs. Davis-the little bride. Two weeks before her marriage she graduated from college with high honors. But in one respect her education had been neglected.

Yesterday, for instance, she picked up the telephone and called the grocer. "I would like," she said politely, "to have some things sent up. A bag of flour-three packages of breakfast food—one can of baking-powder--six bottles of ginger ale-a pound of coffee—a package of—what's that? Oh. Why, I'm sure I don't know what brand. Just any kind, I guess!"

No wonder the storekeeper interrupted her. He gets few orders like that nowadays. For wise housewives buy things by NAME. Not merely groceries, but kitchenware and piecegoods and household appliances; shoes and shirts and garden seeds all the thousand and one things they need.

Mrs. Davis will complete her education. She will learn to study the advertisements in the newspaper, and to keep herself informed as to qualities and prices. She will take her place alongside thousands of other women as the efficient purchasing agent of her home.

Read the advertising columns of this paper regularly. They are your guide-posts to safe buying.
