SANDERSON HAS MANY VISITORS FOR BIG RODEO

Large Number Out Of Town People Attend Annual Affair

It is estimated that approximately 100 people were in town Thursday and Friday of last week to attend the big annual rodeo and barbecue staged by Tip Frazier and Halley under the auspices of the local American Legion post. Many visitors arrived a day or two before the opening date and stayed until Saturday morning.

Hotel and tourist camps were filled each night and business houses were benefitted by the two day affair. Crowds lined the sidewalks early Thursday morning to witness the parade and the Court House was the scene of a happily gathered when the opening barbecue dinner was served at 2 o'clock at the rodeo grounds.

A good roping and riding was witnessed by the contestants with no casualties although several riders took nasty spills. Herman Chandler carried off the honors in the bronc riding contest. Wade Harrell in second place. Allen Holder of Rankin won first money for calf roping on the first day. Tom Taylor, Cline, second, and Howard Westfall, Ft. Stockton, third.

Steer roping, Earl Sellers, Tom Taylor 7.1; Walter Babb, second; Allen Holder 8.9; Howard Westfall 10.2; Tom Taylor 12.2. In the second day calf roping Allen Holder again won first money, 19. Fred Barrett, of Del Rio, second, taking his calf in 21 seconds and Jack Sellers, also of Del Rio, was third and winner, his time being 22.5.

Second day goat roping first prize went to Walter Babb, time 3.6; Jack Sellers second, time 11; and Howard Westfall, third, time 12.2. Mrs. Grace Turk was awarded the prize that was offered the second time for the best looking and best dressed cowgirl in the parade.

Local Postage Lower Beginning July 1

WASHINGTON, June 17. (AP)—A drop in the local postage rate from 2 cents will go into effect on July 1. The change recently enacted also gives the President authority to make a general reduction in postal rates if he finds business conditions warrant that action. The drop in the local rate will be watched by officials to see what effect it has on postal revenues. It may be applied generally.

BRIDGE TO BE OPEN 24 HOURS DURING JUBILEE

Del Rio And Villa Acuna To Join In Big Celebration

DEL RIO, Texas, June 22—The international bridge over the Rio Grande between Del Rio and Villa Acuna, Mexico, will be thrown open for 24-hour service during three days of Del Rio's big Golden Jubilee to be staged July 1 to 6, inclusive.

The bridge will be opened all night July 2, 3 and 4. Sunday July 2, is the date set for the bull fight in Villa Acuna. Main Street in Del Rio will be the midway for J. Geo. Loos carnival attractions every night of the Jubilee. Other features of the big celebration—boat races on Devil's River lake, bathing girl revue at the new municipal plunge, bull fight, baseball games, street dancing, old timers reunion and probably a rodeo—have their own spot on the official program and none of the events conflicts with other entertainment.

Del Rio and Villa Acuna citizens have put forth their best efforts to make this Golden Jubilee one long to be remembered in Southwest Texas. Del Rio has not staged such a fiesta in many years, and the border city extends a hearty invitation to everyone to join in the riotous revelry.

Second Half 1932 Tax Payments Are Delinquent July 1

Local taxpayers who took advantage of the split tax payment last November have only one more week or until June 30th, in which to pay the last half of their taxes before they are delinquent, W. D. Hunter, deputy tax collector stated this week.

"The law recently passed reducing the penalty and remitting the interest on all delinquent taxes does not in any way have bearing on the second half of 1932 taxes," Mr. Hunter states. "The second half becomes delinquent July 1, 1932, and 10 per cent penalty and six per cent interest from the date of delinquency until paid, is added.

"The penalty is reduced and the interest remitted on delinquent taxes if paid in the manner and time prescribed by the act. That is, all interest and penalties that have accrued on all ad valorem and poll taxes that were delinquent on or before February 1, 1933, due to the State, any county, common school district, road district, water improvement district and other defined subdivisions of the State are released provided they are paid on or before September 30. Paid on or before that date, a penalty of one per cent is added. If paid between October 1 and December 31, two per cent is added. Paid between January 1 and March 31, four per cent is added; between April 1 and June 30, 1934, six per cent is added. On July 1, 1934, the old law goes back into effect.

"Any one desiring to pay at one time all the delinquent taxes for any one year shall have the right to pay the same under the provisions of this bill without at the same time paying any other taxes that may be then delinquent upon the same property.

There remains about 50 per cent of the taxes to be collected in this county for 1932.

Mrs. George Geaslin and children of Van Horn are visiting her parents, Mr. and Mrs. Manley Holmes at the ranch.

Mrs. Lucile Mason and son, Bobby left Saturday for Houston, Texas, where they are visiting her sister, Mrs. "Doc" Matheny.

J. W. Downum was a business visitor in San Antonio several days this week.

Dials Weather at 'Worlds Fair'

Make your own favorite variety of weather, is the invitation extended from the World's Fair "Garden of Comfort" by Grace Anderson to those who plan to visit A Century of Progress Exposition, the gates of which recently were thrown open at Chicago.

Some of the wonders of modern science—weather manufacturing equipment which enables mankind to live indoors in practically any part of the world in ideal climate regardless of outside conditions—are being presented in the "Garden of Comfort," which was constructed by American Radiator & Standard Sanitary Corporation.

Indoor weather making plants and equipment which will provide weather similar to the best brands

offered by Florida and California and will maintain it the year-round in homes or the largest of buildings is being presented. These machines will cool in summer, heat in winter regulate humidity, that notorious enemy of human comfort, and purify and circulate the air.

One of the scientific marvels is a machine that uses only steam and city tap water for cooling. Another is a conditioning unit which utilizes the principle of the gun silencer to keep outside noise from entering rooms.

Such scientific and engineering wonders as those in the "Garden of Comfort," coupled with many natural wonders and collections, will make this "World's Fair" the greatest educational exposition ever seen in the United States, educators say.

Enlisted Men's Barracks At Dryden Airport Are Completed And Accepted

The new barracks for enlisted men at the Dryden Airport, the contract for which was let to the San Antonio firm of Chamberlain and Strain on February 24th of this year, were completed this past week and on Monday of this week accepted.

The following officers from the 8th Air Corp Area at Fort Sam Houston were out Monday and accepted the barracks: Capt. W. M. Allison, Quartermaster, 8th Corp Area; Lt. Thad V. Foster and Sgt. Rhinehart. E. P. Strain, a member of the firm of Chamberlain & Strain was also out. S. G. Garrett, of San Antonio, has been the field representative in charge of the construction.

Drug Store Sale Announced; Deal Closed Thursday

Floyd Kennedy, proprietor of the Sunshine Pharmacy, announced that a deal was closed Thursday of this week involving the sale of his drug store and fountain to T. D. Snead, San Angelo and Woodin Gardner of Robert Lee, Texas. The new proprietors took charge of the store immediately after the sale. A shipment of new supplies and stock has been ordered, they announce.

Mr. Kennedy has accepted a position with Yoakum Bros. Cigar Co. and expects to leave within a few days for Reading, Pa., he announces.

He has made this his home for the past eighteen months during which time he made many friends who will sincerely regret to see him leave.

H. D. Johnson is now employed at the Interstate lunch room and will be happy to see his friends there.

Mr. and Mrs. Locke and children have moved into a Johnson apartment.

The new barracks which cost approximately \$17,000, were constructed of brick, hollow tile and stucco and consist of 4 complete four-room apartments with basement and steam heating plant. The interior construction of the apartments is modern in every detail.

Enlisted personnel of the Dryden Airport at present is Sgt. H. M. McCabe, Corp. L. J. LaMontagne, and Privs. H. M. Moss, H. M. Moon, Jack Bell and Carl Jacobs.

A dance was given at the airport last Monday night in celebration of the completion of the new quarters. Music for the dance was furnished by the Rhythm Kings and a large crowd was present.

LOCAL P. T. A. MAINTAINS HIGH 1932-33 RATING

Mrs. A. P. Utterback has been informed by Mrs. Jno. M. Fouts, of Dallas, Texas, State Chairman of Standards for P. T. A. that Sanderson has successfully maintained a standard of efficiency for 1932-33 and has been accorded for the second time the rating of a Standard Association. This standard of efficiency was first reached in 1931-32 during Mrs. Utterback's first term of office.

The officers and Executive Board who have served so faithfully with Mrs. Utterback during these two years are: Mesdames Joe Nichols, R. A. Hurst, E. W. Hardgrave, A. F. Thrift, J. H. Loehausen, H. D. Johnson, W. E. Lea, Max Bogusch, O. H. McAdams, John V. McCall, Alfred E. Creigh, Jr., L. M. Baze, Miss Melburn Glass and Mr. B. J. Brannan.

The Certificate of Standards for 1931-32 has been placed in the Sanderson High School. The Certificate for 1932-33 will be awarded at the State Convention at Sherman, Texas, during the fall meeting.

Chemicals May Take Place of Branding Iron

AMARILLO, June 17. (AP)—A chemical which tests have proved will successfully replace hot irons in branding cattle, and without damage to hides, has been discovered by O. M. Franklin of Amarillo. Franklin claims the more humane methods of branding has been tested over a period of several years, and the brands first applied have not become effaced on either horses or cattle.

The same branding iron can be used, but instead of applying it white hot so it will burn through the hair and skin of the animal, it is dipped into the new fluid and applied cold. The chemical gradually eats away the hair and leaves its imprint on the hide without pain. It is visible soon after being applied and eventually leaves a permanent white mark on the skin, Franklin said.

Franklin said the new method leaves a brand without making a sore or searing so deeply the hide will break in tanning as often results from branding with hot irons. The animals lose less weight during the branding operation because they are not treated so roughly.

The hot iron has been the range method of branding since the cattle business began in the United States and Mexico. It was intended as a protection against rustlers. Thieves, operating trucks, probably steal as many cattle today as the old-time rustlers did when they picked up mavericks and altered brands. The protection offered by a brand is still essential.

ALLRED TELLS HOW BEER MAY BE LEGALIZED

AUSTIN, June 17.—(INS)—How and when Texas counties and cities and precincts may decide for themselves whether they want 3.2 beer after next August 6 was outlined today in an opinion by Attorney General James V. Allred.

The opinion interpreted a bill passed by the last legislature which provides for the regulation of beer and when the people approve a constitutional amendment August 26 to legalize the brew.

The beer bill retains the local option system in effect prior to state-wide prohibition and several questions arose as a result of this feature. The bill provided that political subdivisions which were dry under local option must remain dry until the people vote wet.

The principle holdings of the attorney general were:

1. A dry precinct or city in a county which votes wet, stays dry until a majority of the voters of that city or precinct vote wet in a special election.
2. A wet precinct or city in a dry county stays dry until the county votes wet.

Commissioners courts may order wet or dry elections with or without a petition from the voters. Commissioners must order an election if 10 per cent of the voters, or as many as 500, regardless of percentage, ask it. They may order the elections between July 1 and August 26, but don't have to. They must order elections after August 26 if the people ask it.

Thomason Says Bureau Favors The Proposal

By Bob Jackson
WASHINGTON, June 17.—Permanent rectification of the Rio Grande may be accomplished under the terms of the public works act, and the project is now on the list of those to be considered by the administrator of the act, according to Congressman, R. E. Thomason of the sixteenth Texas district.

Mr. Thomason conferred with Lewis Douglas of Arizona, director of the budget, about the project and was told that the Bureau of Budgets had been favorably impressed with the merits of the Rio Grande believed it worthy of inclusion in the emergency construction program. He said that he had done what he could to see that it would not be overlooked and he assured Mr. Thomason that it was at present on the list which the administrator is considering.

Changes in the channel of the Rio Grande and floods in its valley have been common occurrences for years and plans for a permanent rectification program have long been discussed by this country and Mexico. Titles to valuable property in the city of El Paso have been jeopardized by virtue of the fact that the river has changed its course and it has been difficult to trace the boundary.

Congressman Thomason, who was of El Paso and the border Country elected to Congress, has pointed out that the Rio Grande problem is one of the greatest that the city of El Paso and the border Country generally have to face. He has devoted a great deal of time to work upon the matter ever since he came to Congress.

The International Boundary Commission has been working on the problem for years and last Winter succeeded in negotiating a treaty between this country and Mexico providing for the rectification. The Senate ratified the treaty in the special session of Congress this Spring.

The American share of the work to be done in providing a permanent channel and adequate safeguards against floods will entail an expenditure of about \$5,000,000 at this time, Congressman Thomason said.

The flood control project at Brownsville is also included in the recommendation. Budget Director Douglas told Mr. Thomason.

HIGHWAY CONTRACTOR DIES

MARBLE FALLS, Texas, June 20.—Fred P. Holt, 44, well known contractor of Austin for three years who completed Highway 66, now designated as Federal Highway No. 281, through here, died in Austin Saturday. He is survived by his widow, three children all of Austin, and one brother, M. L. Holt of Ft. Worth. Funeral services were held in Ft. orth, Sunday under the auspices of the masons.

Mr. Holt was well and favorably known here. During the years of 1924-25 and 26 he was a resident of this city and was the first contractor on the U. S. 90, State Highway No. 3 through this county, he being the contractor that built the highway from the county line west toward this city. Later he did contract work on the Highway east of Dryden. His many friends in this city regret to learn of his death.

Getting Back To Normal

Getting the world back to normal, the objective toward which economists, scientists and statesmen are driving, is going to prove to be a task worthy of their best efforts and a real test of their mettle, it seems. With Europe a seething hotbed of jealousy, national hatreds and distrust and, as a result, closer to war than at any time since 1913, according to writers on international affairs, the task of the high-powered thinkers is going to be difficult, to say the least.

In this country there has been so much of graft and corruption in high places; so many rosy-hued, unreliable promises made by designing politicians and their henchmen; so many false leaders to spring up during the past few years that the American people have almost reached a stage of unbelieving indifference toward any new plans advanced by the country's "best minds" for bringing to a close our still present depression.

That this attitude of indifference and lack of faith on the part of the masses will have a hindering effect on the President's reconstruction program goes without saying, but there are still millions of unemployed in the United States and, as some writer recently pointed out, it is hard for the hungry man, walking the streets, unable to secure employment, to develop an optimistic state of mind.

That an era of gradual resumption of business, increased demand and prices for raw materials and commodities and general industrial activity is slowly spreading over the country is daily becoming more evident, however, and with it will come revived faith in our government.

Advertising Builds Business

It has often been said, and truly, that a town is judged by its newspaper. The hometown paper is like a mirror, it reflects the characteristics of the town it serves. If a town is wide-awake and progressive its newspaper bears witness to that fact. If it is in the nonprogressive class a glance at the pages of its newspaper suffices to inform the outside reader of its condition.

A town whose merchants do not use space in the home paper to advertise goods they have to sell is automatically classified. It is not a progressive town.

Consistent, specific advertising is the greatest known stimulus to the sale of merchandise. The up-to-date merchant who makes a regular practice of going through his stock of goods, picking out certain articles each week to be offered to his buying public in the columns of his local newspaper, gets the cream of the trade in his town. Customers attracted to his store by the advertised bargains often make other purchases before leaving.

It is the advertised article that attracts. No matter how well stocked a merchant's shelves may be he cannot expect to sell his goods until he "tells the world" what he has for sale and at what price.

THE STATE OF TEXAS.

To The Sheriff Or Any Constable Of Terrell County, Texas-Greetings.

You are hereby commanded to summons William L. Hoffman, who is a non-resident of this State, and or whose residence is unknown, to appear at the next regular term of the District Court of Terrell County, Texas, to be held at the Court House thereof, in the town of Sanderson, on the second Monday in July, A. THE STATE OF TEXAS.

To the Sheriff or any Constable of Terrell County, Greeting:

YOU ARE HEREBY COMMANDED to summon Ruby Presley a Non-Resident of this State, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Terrell County, Texas, to be held at the Court House thereof, in Sanderson, Texas, on the second Monday in July A. D. 1933, the same being the 10th day of July A. D. 1933, then and there to answer a petition filed in said Court on the 7th day of June A. D. 1933, in a suit, numbered on the docket of said Court as No. 1888, wherein H. C. Presley is Plaintiff, and Ruby Presley is Defendant, and said petition alleging that said Plaintiff is now and has been for more than (12) months an actual bona fide inhabitant of the State of Texas, and has resided in said Terrell County, Texas, continuously for at least six (6) months next preceeding the filing of this suit; that said Defendant is a non-resident of this State, and whose last known address was in the State of Oklahoma; that on or about the 8th day of October, 1927, in Stephens County, Texas, Plaintiff and Defendant were lawfully married, and that they continued to live together as husband and wife until on or about the 27th day of June, 1930, when by reason of the cruel and harsh treatment and improper conduct of Defendant toward Plaintiff, he was forced and compelled to abandon her, since which time they have not lived together as husband and wife; Plaintiff alleges that during the time he and Defendant lived together as aforesaid, he was kind and affectionate toward her and always provided for her support and maintenance, but Defendant unkind and unaffectionate toward him, and the obligations of her marital vows, on or about one year prior to the time of their said separation, began a course of unkind, harsh, cruel and tyrannical treatment towards Plaintiff, which continued until Plaintiff was forced and compelled to abandon Defendant, as aforesaid; that Defendant often cursed and abused Plaintiff without any cause or provocation on the part of Plaintiff, and applied to him the vilest and most opprobrious epithets; that on divers times, Defendant, without any cause or provocation on the part of Plaintiff, would go into a stage of fitfulness, nagging at, and expressing a displeasure with every thing Plaintiff would do or say which continued to get worse until on or about said 27th day of June, 1930 when she became enraged and cursed and abused Plaintiff and struck at him with a butcher knife and continued to try to cut him until he grabbed her and held her until she dropped said knife. Plaintiff alleges that Defendant's action and conduct toward him generally are such as to render their further living together as husband and wife insupportable, that her nature and conduct toward him specially are such that it would be unsafe for him to live in the same house with her in that he is afraid that she would do him great bodily injury or possibly take his life, the premises considered.

Wherefore, Plaintiff prays the Court that Defendant be cited as the law directs, to appear and answer therein and for judgment dissolving the marriage relations, for costs of suit, special and general relief, in law and in equity as he may be justly entitled to.

Herein Fail Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Sanderson, Texas, this 7th day of June A. D. 1933.

GRIGSBY—GLASS

Announcements were received in this city Wednesday of the wedding of Miss Melburn Glass of Sterling City, Texas, and Mr. William Ervin Grigsby of this city on Sunday, June 18th at the home of the bride's parents, Mr. and Mrs. J. L. Glass in Sterling City.

For the past three years the bride has taught in the Public Schools of this city and has endeared herself not only to the pupils but to many others beside.

The groom is the son of Mr. and Mrs. Lee Grigsby, prominent and pioneer citizens of this city. He is an employee of the Kerr Mercantile Company in the office department.

Following a wedding trip of several weeks which will be spent in Hot Springs, Ark., the young couple will return to this city to make their home.

The Times joins with their many friends in extending congratulations and best wishes for a long and happy married life.

MITCHELL—HILL

A pretty home wedding was solemnized last Thursday morning, June 15th in Llano, when Rev. F. V. McFatrige of the Baptist Church in

Miss Mary Alice Happle had as her guests over the week end Misses Dorothy Morgan and Velma Cheney of Yuma, Ariz., who are students at the Sul Ross College in Alpine this summer.

Preceding the ceremony, Miss Elsie Jordan sang, "Because", accompanied on the piano by Miss Fay Bell Atkinson. Mrs. F. V. McFatrige played the wedding march.

Immediately following the wedding, a breakfast was served to the wedding party by Mrs. Fishback.

Miss Hill is the attractive daughter of Mrs. Leola Hill, of Chilton, Texas, and a niece of Mrs. Gayle Mussey of this city. She is well and favorably known in this city having attended and graduated from the High School here several years ago.

Mr. Mitchell, the son of Mr. and Mrs. Alexander Mitchell, prominent well-to-do and pioneer residents of this county, is a young ranchman, having a ranch near the "41" ranch in this county. He too is a graduate of our High School.

Following a short wedding trip to Corpus Christi the young couple returned to their ranch home Tuesday and are now receiving the congratulations of their many friends.

BIRTHDAY PARTY

Robert Johnson entertained a number of his friends with a birthday party on the lawn of Mrs. Garrison's last Thursday evening, June 15th from 7 to 8 p. m.

The guests were afforded much merriment when they were given the thrill of fishing in a grassy pond for favors.

The cake with its 10 pink candles and its fortunes revealing articles combined with its many happy wishes for the host was a source of much pleasure.

The host received many little gifts from his friends. Each one separate being a joyful remembrance.

Mrs. J. E. Landers and son, J. E., "Pinky", were Fort Stockton visitors Sunday with relatives. Accompanying them home was Miss Ina Edwards, Mrs. Landers' niece who will visit here for awhile.

John Waller and James Barber of the same party were guests of Mrs. Jesse Lochausen Friday night.

Mrs. Arthur Locke and sons have returned from a visit in Sabinal with relatives.

Get Rid of Malaria!

Banish Chills and Fever!

To conquer Malaria, you must do two things: (1) Destroy the infection in the blood. (2) Build up the blood to overcome the effects and to fortify against further attack. There is one medicine that does these two things and that is Grove's Tasteless Chill Tonic! The tasteless quinine in Grove's Tasteless Chill Tonic destroys the malarial infection in the blood while the iron builds up the blood. Thousands of people have conquered Malaria with the aid of Grove's Tasteless Chill Tonic. In addition to being a noted remedy for Malaria, it is also an excellent tonic of general use. Grove's Tasteless Chill Tonic is pleasant to take and contains nothing harmful. Even children like it and they can take it safely. For sale by all stores.

A COMPANY THIRTY YEARS OLD

Last Friday the Ford Motor Company completed 30 years of automobile making.

It is also my fortieth year at the same job. I made my first engine in 1893, and it still runs. This is the engine that won the Selden Patent Suit—which took the motor car out of the exclusive class, and opened the automobile industry to hundreds of manufacturers who started during the last 30 years.

Some of the men who began with me that June day in 1903, are working here yet. All of the principles we laid down then, are still operative; we find that they have great survival value for the future. To date they have produced and sold over 21,000,000 Ford cars.

Although we created the automobile market we have never thought it was good for anyone to monopolize it. We have always believed that before business could be good for one, it must be good for all. Our discoveries and improvements have always been open to other manufacturers without patent restrictions.

Of course, there is one thing we cannot share—everyone must get it for himself—and that is experience. Money could duplicate our buildings and machines, but it cannot duplicate 40 years of experience. And it is experience that makes a motor car.

But the past does not especially concern me; it has all been a preparation for the future. For myself, I feel that I have just been gathering the tools to do something worth while, and that my real task is still ahead.

Great changes are upon the world. Those who built truly on principle will survive—their service will carry over. Business integrity and commodity honor will be fully justified. And newer and better ways of living will appear.

That is the outlook for this young thirty-year old Company of ours.

THE STATE OF TEXAS,

To the Sheriff or any Constable of Terrell County, Greeting:

YOU ARE HEREBY COMMANDED to summon Benjamin L. Sawin, whose residence is unknown to Plaintiff, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Terrell County, to be holden at the Court House thereof, in Sanderson, Texas, on the second Monday in July A. D. 1933, the same being the 10th day of July A. D. 1933, then and there to answer a petition filed in said Court on the 6th day of June A. D. 1933, in a suit numbered on the docket of said Court as No. 1886, wherein Helen Cornett Sawin is Plaintiff, and Benjamin L. Sawin is Defendant, and said petition alleging that Plaintiff is now and has been for a period of Twelve Months prior to the exhibiting of her petition in said Court an actual bona fide inhabitant of the State of Texas; and has resided in Terrell County, Texas, at least six months next preceding the filing of this suit; that the residence of Defendant is to Plaintiff unknown; that on or about the 21st day of September, 1929, in Presidio County, Texas, Plaintiff and Defendant were lawfully married; that they continued to live together as husband and wife until March 30th, 1930, at which time Defendant, without any cause or reason or provocation on the part of Plaintiff, with the intention of permanently abandoning Plaintiff, abandoned and deserted Plaintiff, and has continued to remain away from Plaintiff and since which time Defendant has not contributed to the support and maintenance of Plaintiff since said 30th day of March, 1930, and since which date they have not lived together and or co-habited together as man and wife.

Plaintiff alleges that during the time she and Defendant lived together as husband and wife, she was kind and affectionate to him, and maintained the home and looked after his comforts as a dutiful wife, but that Defendant unmindful of the duties and obligations of his marriage vows, was unkind, harsh and cruel toward Plaintiff.

Plaintiff alleges that on the 27th day of June 1930 there was Born to the Union of Plaintiff and Defendant a son, whose name is Benjamin Lewis Sawin; that Defendant has never contributed to the support and or maintenance of said child; that she is the proper person to have the custody, care and education of said Child, and for which she prays Judgment of the Court; that the marriage relations still exist.

Wherefore, Plaintiff prays the Court that Defendant be cited as required by law, to appear and answer this suit, and for judgment dissolving the marriage relations; for the custody of said Child, Costs of suits, general and special relief. Herein Fail Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Sanderson, Texas, this the 6th day of June, A. D. 1933.

THE STATE OF TEXAS,

To the Sheriff or any Constable of Terrell County, Greeting:

YOU ARE HEREBY COMMANDED to summon Essie Carpenter, whose residence is unknown to Plaintiff, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Terrell County, to be holden at the Court House thereof, in Sanderson, Texas, on the second Monday in July A. D. 1933, the same being the 10th day of July A. D. 1933, then and there to answer a petition filed in said Court on the 6th day of June, A. D. 1933, in a suit numbered on the docket of said Court as No. 1887, wherein Gordon W. Carpenter is Plaintiff, and Essie Carpenter is Defendant, and said petition alleging that Plaintiff is now and has been for a period of more than Twelve (12) Months prior to the exhibiting of his petition herein, an actual bona fide inhabitant of the State of Texas, and that he has resided in said Terrell County, Texas, continuously for at least six (6)

Months next preceding the filing of this suit and that the residence of Defendant is to Plaintiff unknown; that on or about the 15th day of May 1927, Plaintiff was legally married to Defendant at Merzon, Texas, and that they continued to live together as husband and wife until on or about the 19th day of February 1931, when by reason of the cruel, harsh treatment and the improper conduct of Defendant towards Plaintiff, he was forced and compelled to permanently abandon her since which time they have not lived together as husband and wife; Plaintiff alleges that during the time they lived together, as aforesaid, he was kind and affectionate to her and always provided for her support and maintenance, but Defendant, unmindful of the duties and obligations of her Marital vows about two years prior to the time of their separation, began a course of unkind, harsh, cruel and tyrannical treatment towards Plaintiff, which continued until Plaintiff was forced and compelled to abandon her, as aforesaid; that Defendant often cursed and abused Plaintiff without any cause or provocation on the part of Plaintiff; that on or about the 10th day of February, 1931, at their home in Sanderson, Texas, Defendant cursed and abused Plaintiff, struck him with her fist and threw a chair at him; threatened to do him bodily injury, using the vilest language in the presence of their children thus making it imperative for the safety of himself and decency towards his children, to abandon Defendant as aforesaid.

Plaintiff alleges that Defendant's actions and conduct toward him generally are of such a nature as to render their further living together as husband and wife insupportable.

Wherefore, Plaintiff prays the Court that Defendant be cited as required by law, to appear and answer herein, and for Judgement dissolving the marriage relations, for cost of suit, and other relief special and general in law and in equity that he may be justly entitled to.

Herein Fail Not, and have you before said Court, at its aforesaid next regular term, this writ, with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Sanderson, Texas, this the 6th day of June A. D. 1933.

Texas Railroads Win Rate Reduction Plea

AUSTIN, June 17.—In the battle to regain business lost to trucks the railroads Friday obtained the Railroad Commission's approval of an application making material reductions in carload minimums and rates on lard, lard substitutes, goldfied cottonseed oil, vegetables, cooking and salad oil.

The rate reduction is around 30 per cent and the carlot minimum is cut from 24,000 to 10,000 pounds.

Not all of the lines participate in these reductions, exception being the Rock Island, Frisco, Santa Fe, T. & N. O. and Wichita Valley roads. On others the pickup service is also accorded and the Texas Electric adds delivery service the new rates.

L. H. Lemons, assistant cashier at the Sanderson State Bank, is on his vacation this week which he is spending in El Paso, Texas and in Tucson, Ariz., with relatives.

Mr. and Mrs. McClerken, who were employed at the Dryden airport have returned to their home in San Antonio.

Miss Maurine Johnson has returned to San Antonio where she will join a party of friends who are going on a fishing trip down in Mexico.

Miss Johnnie Duke returned Sunday night to her home in El Paso after a week's visit with Mr. and Mrs. D. L. Duke and family.
