WEEKLY PUBLICATION  
Published every Friday in Sanderson, Texas.

VOLUME 26

SANDERSON, TEXAS, FRIDAY, JANUARY 19, 1934.

No. 45

## QUASH

Hereafter the editor will devote this column to "Quash". Quash will give you its opinion on different subjects and events of interest and might even go so far as to give you its opinion of you, but in the event it does, it will all be in fun and Quash sincerely hopes you will not be offended.

It is pleasing to note the radical change in expressions about town. People have lost that "Depression Look" on their face and have replaced it with Smiles. Work is now a pleasure.

As you will note in another column, the Sanderson State Bank states that 1933 deposits increased over 1932 by approximately 40 percent. That is evidence enough, we all know business is on the uptrend.

W. J. Ferguson, local Ford dealer, who has just enjoyed a busy 1933, reports another big increase in business and is confident that 1934 will be a prosperous year for everyone.

Sanderson has two basketball teams it can well be proud of. Both the boys' and girls' teams have done well so far and are worthy of your heartiest support.

Many people motored out to witness the big fire at the Goode well, northeast of Sanderson. It took four days of fighting and 80,000 gallons of water to extinguish the blaze.

Jan. 20th, the President's 52nd birthday will be observed nationwide. The local Masonic order has donated the Masonic hall for the local ball. Proceeds will go to the Warm Springs Foundation, to be used in the national fight against infantile paralysis. This is a tremendously valuable and much needed institution waging a national crusade against a scourge which physically handicaps, every year, thousands of American children.

## Man Sent From This County To Pen, Pardon

Ivey Rankin Bostick, who was sentenced from this county at the July 1931 term of District Court to two years in the pen, this week received a conditional pardon from Gov. Miriam A. Ferguson, according to newspaper reports.

Bostick, who had many aliases, was arrested at Leakey, Texas, after he and a companion by the name of Claude Elliot, had stolen a Chevrolet sedan from Seth Breeding in this city on the night of February 22, 1931. He was also tried at Victoria in May, 1931, for theft of a car and was given a pen sentence there.

While under arrest here and confined in jail, Bostick refused to break jail when Elliot and Hopmeyer, two other prisoners, overpowered Deputy Sheriff W. D. Hunter and locked him in a cell, taking the keys to the jail and Mr. Hunter's gun and car and escaped only to be caught just west of Marathon. At that time the two jail breakers claimed that Bostick planned the jail break but refused to go at the last moment.

Bozarth Brown and Ben. F. "Andy" Anderson were Del Rio visitors Monday and Tuesday of this week.

John Tyler came in Thursday from San Antonio for a visit with his father A. N. Tyler and with his sister, Mrs. O. H. McAdams.

John Stovell of Marathon was a business visitor in the city Thursday.

Mr. and Mrs. Rob Doak came in Tuesday from Alpine where they have been making their home.

Hal J. Rowlett was a business visitor in Del Rio Monday and Tuesday of this week.

Mesdames Luella Lemons and Grace Wheeler and son came in Tuesday from their ranch.

## Young Ranchman Accidentally Shot Through The Leg

Everett Townsend, young rancher, who is ranching north of Dryden, was brought to this city late Sunday afternoon suffering from a gunshot wound in the right leg.

Townsend, accompanied by E. P. Cole of Del Rio, was returning from that city when, in some unknown manner, a 45 calibre pistol was discharged. The bullet entered just above the knee of the right leg, ranged downward, passing out below the knee and lodged in the left leg.

The youth, accompanied by his brother, Webb, who also ranches near Dryden, and his sister, Mrs. Pat Rose, of Del Rio, was taken to San Antonio Tuesday morning for Medical Treatment.

Reports Wednesday were that gangrene had set in and that an immediate operation was necessary but he was resting fairly well.

## LEEPER CASES ARE CONTINUED TO JULY TERM

Cotton Chopper Swindle Trial At Fort Davis On July 11

Fort Davis.—The "cotton chopper" cases against L. W. Leeper were continued by Judge C. R. Sutton in district court here recently to the July term here, and set for 10 a.m. July 11, on motion of District Attorney Roy Priest of Rankin. The continuance was by agreement of attorneys. Leeper, against whom six indictments were returned in this county two years ago, was in court. The indictments charged swindle and theft in stock selling in a "cotton chopper" proposition, and the complaint was made by a well known rancher who claimed that he "got hooked" for \$50,000, a part of which was later recovered, it is understood. There have been numerous cases against Leeper on this proposition in Trans-Pecos courts. Some are pending at Alpine.

Leeper has six indictments against him in this county but has never been arrested. It is not thought that he will stand trial here any time soon.

He recently surrendered to Pecos county officers and was acquitted at his trial which was recently held in Fort Stockton.

## Cagers Triumphant In Week End Games

Sanderson fans had the opportunity of seeing three games of basketball for the price of one on last Friday night when the teams of McCamey, Presidio and Marathon met the local High School cagers.

The Sanderson "B" club literally swept the Marathon cagers off the floor in the opening game played at 6:30. By 7:30 most of the crowd had arrived to watch the girls tangle with the McCamey girls. Sanderson won easily after a late start, 27 to 12. The highly touted Presidio team was off form after a long trip, and lost the third game of the night 52-19.

Saturday morning at 10:30 the Sanderson girls again defeated McCamey this time 33 to 8. In the four games played between the two teams, the Sanderson girls have never scored less than 27 points. The points scored were 27, 28, 33 and 33. McCamey won one of the games, Sanderson three.

Saturday night Presidio played a much better game and pushed Sanderson at times only to lose by a score of 49-36. It is regretted that only a small crowd who saw this second game really know the real strength of the Presidio club.

Scores of last week's games: Marathon 21, Sanderson "B" 58; McCamey 12, Sanderson 27 (girls); Presidio 19, Sanderson 52; McCamey 8, Sanderson 33 (girls); Presidio 36, Sanderson 49.

John Green officiated at the five games.

## REGULAR TERM OF DISTRICT COURT TO CONVENE HERE MONDAY FOR TWO WEEKS

The regular term of District Court for the 63rd Judicial District, will convene in this city Monday with Judge Brian Montague on the bench and District Attorney Julian La-Crosse and Mrs. Belle Sutherland, Court Reporter, all from Del Rio, in attendance together with Sheriff Lee Cook and District Clerk F. L. Burnside of this city completing the personnel.

There are really enough cases on the docket that will take up the full two weeks term should they be tried at this time. Several cases have been continued from the past term while quite a few new cases are on file.

Cases on the civil docket according to the records in the District Clerk's office are as follows:

Luella Kemper, independent executrix, vs E. P. Peeples et al, suit on notes and foreclosures of vendor lien; Mutual Building and Loan Association vs P. F. Robertson et al, suit to foreclose liens; C. F. Haas vs Texas and New Orleans Railroad Co., suit for personal damages.

Catarina Dias Olivas vs Manuel Olivas, suit for divorce; Ex Parte Jack Harrell Sharp he declared a "dependent" child; Eva Stansell, guardian estate J. Calvin Stansell, incompetent, vs F. B. Swift et als, suit for restraining foreclosure; Cora B. Rossett et al vs A. T. Folsom et al to try title as well as for damages.

Change of name of Charles Levi Nutt by Iva Loreine Chandler (next of friend), suit to change name of minor; Eva A. Stansell vs J. Calvin Stansell, suit for annulment of marriage; Ex Parte Marven Joe Barfield suit for adoption of minor.

All criminal cases revealed on the docket are cases that have been con-

tinued from time to time for various reasons. These cases are:

State of Texas vs Florencia Hernandez and Eubjio Renteria indicted for burglary. This indictment was returned at the January 1929 term and has been continued from time to time after the above parties had already received a suspended sentence on another charge.

State of Texas vs Clint Roberts, indicted for forgery of deed.

State of Texas vs John Martin. There are two cases here and have been continued from time to time. Martin is charged with theft of cattle and altering and defacing of brand and another charge of theft of cattle.

Grand jurors who have been summoned to appear Monday are as follows: A. Appel, C. H. Arvin, Bustin Canon, J. M. Corder, Ira Deaton, G. A. Deere, R. L. Doak, Robert Duncan, Tip Frazier, M. H. Goode, Jr., Charlie Gregory, Clyde Griffith, E. W. Hardgrave, R. H. Murrah, J. D. Nichols and Denny Sullivan.

Peit jurors summoned for the first week of court are:

L. H. Hicks, L. H. Lemons, A. J. Ivy, Milton Smith, L. R. Roberts, Chester Smith, M. G. Northcut, Lynn Harrell, A. F. Thrift, W. O. Prentiss, H. C. Presley, W. A. Banner, Chas. Callahan, James F. House, D. Schooley, Lee Merck.

E. H. McCright, Hugh Rose, Walter Grigsby, O. J. James, Johnnie Ereg, Gene Thorne, H. C. Goldwire, Roy Harrell, E. M. Taylor, R. B. Moxey, J. D. Harrison, Wallace Henshaw, Sr., A. F. Buchanan, Fred Garrison, O. T. Schupbach, C. M. Bredding, Joe F. Brown, B. F. Dawson, D. Bosworth and C. W. Martin.

## Sanitation Work To Be Financed By C. W. A. Funds

Howell A. Smith, of the State Department of Health at Austin, addressed a gathering of citizens here Wednesday night at the High School in the interest of Sanitation work that is now being carried out by the Department through C. W. A. funds.

L. P. McKinney was appointed as sanitary supervisor, and several ladies of the town will soon make a house to house canvass in the interest of the work. The city of Dryden will also be included in the sanitation work that will be carried on.

Under the National Industrial Recovery Act, \$20,000,000.00 was made available to Texas, part of which will be used in sanitary work throughout the State. This county fund will be administered by the local relief director and should be the means of putting thousands to work at once.

At present the work here will consist of installation of pit type privies and sanitation of water supplies. Under the present arrangement labor for this work will be furnished free and it is expected that many will take advantage of this liberal offer to put their premises in a sanitary condition.

In speaking in regard to a similar program, Surgeon General Cummings, United States Public Health Service, said, "With such appropriations available, in no way could they be more useful to this and future generations than in the construction and installation of adequate and safe water supplies and sewage disposal systems."

Mrs. H. R. Laurence returned home last Friday afternoon from Austin where she has been visiting her daughter, Mrs. Albert Becker. Mrs. Becker returned home with her mother and will visit here for some time.

Mr. and Mrs. M. H. Goode, Sr., returned Monday to their ranch on the Pecos after spending the past week here visiting their daughter, Mrs. E. McSparren and family.

## Manley Holmes Is Claimant To Strip In Pecos

Survey is scheduled to have been completed by A. N. Lea of Fort Stockton, Pecos county surveyor, of a tract in Pecos county about two miles southeast of oil production in the Yates pool, pursuant to the filing of an application by Manley Holmes with a view to purchase.

The land is alleged to be unsurveyed school land. It is described in the application as being bounded on the north by Fred Turner, Jr., survey 6, on the south and east by J. M. Holmes surveys and on the west by sections 1, 2 and 3, block 178, T. C. Ry. Co. survey. Lea, in his citation to interested parties, fixed Jan. 4 as the date for the beginning of the survey at the northeast corner of section 35, block 178, C. Ry. Co. survey.

Should the land be vacant, the act of the legislature of May 29, 1931, provides that if the area should be in the enclosure of another person claiming it in good faith or occupied as a home by another, such holder or occupant shall have a preference right for a period of 60 days after service of the citation to have the land surveyed on his own application to the surveyor and on the return of the sum advanced by the first application for citation and thereupon fix his right to purchase. —San Angelo Standard-Times.

Mr. and Mrs. T. D. Moore and children returned Monday from Del Rio and Temple where they were called this past week by the serious illness of Mr. Moore's mother, Mrs. J. B. Moore.

A total of 2433 Dallas county farm women, not members of home demonstration clubs, were given help last year in living at home, making clothing and beautifying their homes through the efforts of the Dallas County Home Demonstration Council.

Miss Grace Billing attended the funeral of Patrick Shaw which was held in Del Rio Monday afternoon.

## President's Ball To Be Held Here Tuesday, Jan. 30

A nation-wide celebration of President Roosevelt's birthday will be observed here in the form of a dance given under the auspices of the Rotary Club and the American Legion. The dance will be held in the Masonic hall, January 30, the President's 52nd birthday.

Funds realized from the dance will go to the Warm Springs Foundation, established by the President to carry on a national fight against infantile paralysis, it was announced by Al Creigh, chairman of the Committee.

An excellent orchestra has been engaged for the ball and everyone is anticipating a wonderful time. Dancing will commence at 9 p.m.

Radio broadcasting companies will have all wires cleared for one hour, starting at 11.15, on the night of the 29th, this will be climaxed by an address by the President.

## Texas G. O. P. Must Put On Primary Vote

AUSTIN, Jan. 12. (AP)—Texas Republicans will be put to the trouble and expense of holding primaries next July to nominate their candidates for state offices. The law directs that every political party whose candidate for governor receives 100,000 votes in the last preceding general election shall nominate through a primary.

The Republicans did not nominate in a primary last time, because in 1930, William E. Talbot of Dallas, the Republican nominee for governor did not get 100,000 votes in his campaign against R. S. Sterling, Democrat.

However, in 1932, Orville Bullington of Wichita Falls, who was nominated in a state convention, obtained 317,807 votes, to Mrs. Ferguson's 528,986 votes. Bullington was nominated in an outburst of enthusiasm in the convention at Dallas. He placed himself to strict enforcement of the state prohibition laws in event he were the nominee. He made an exhaustive campaign, speaking in almost every section of Texas.

His big vote merely saddled on the Republicans a primary which they do not relish. Of course, there are not 300,000 Republicans in Texas, a majority of those voters who preferred Bullington having been Democrats who did not want Mrs. Ferguson.

## Adjustment Farm Debt Committee Is Organized

The County Farm Debt Adjustment Committee, recently appointed by Gov. Miriam A. Ferguson for Terrell County, held an organization meeting in Sanderson recently.

The following officers were elected: chairman, James Kerr; vice-chairman, Frank K. Harrell; secretary, Alfred E. Creigh; and Albert Appel and Rufe Murrah complete the personnel of the Committee. The function of such committees already appointed in several counties of the State is set forth in the Governor's letter of appointment, part of which is as follows:

"It is our thought that such committee will serve as a material assistance to both debtor and creditor in an effort to arrive at a friendly, sensible and fair solution of the debt problems, and that such efforts will tend to conciliate many problems of the type which have heretofore resulted in unnecessary foreclosures. It is likewise hoped and expected that these voluntary committees will serve in the future as a basis of developing harmony between contending interests in various localities of the State."

"Boog" Barnett, of Alpine, spent several days in the city this week looking for cattle to buy.

## GAS WELL ON M. H. GOODE RANCH BURNS

Mid-Kansas No. 1 Goode Flares When Being Gauged

Late Saturday afternoon the fire was extinguished at the Mid-Kansas Oil and Gas Co.'s No. 1 M. H. Goode well that had become ignited early Wednesday morning while a periodical gauge was being taken. The gas became ignited, it is thought, from a spark caused by rocks striking the steel derrick when they were hurled from the hole.

Sills beneath the steel derrick burned and the tower toppled a mass of twisted wreckage, knocking off the master gage. Water was pumped into the cellar in the first attempt; to stop the fire. Over 80,000 gallons of water was consumed before the flame was finally extinguished.

No. 1 Goode struck a gaudy 6,500,000 cubic feet of dry sweet gas on Friday, February 13, 1931 at 5,606 feet and showed no change as it deepened to 6,126 feet, where it was shut in. The well is located in the eastern part of this county and about 33 miles south and slightly east of the Yates field in Pecos county.

The striking of gas aroused hopes that oil production might extend that distance since there are a series of fields northwest from Yates through Crane, Upton, Ward, Winkler, Ector and Andrews counties into New Mexico.

Mid-Kansas retains the block on which it's Goode well is located and may deepen the gasser or do further exploration before the leases expire.

## Langtry Youth Killed By Gun Accident

Funeral services were held in Del Rio Monday, afternoon for Patrick Oliver Shaw, 17, son of Mr. and Mrs. Simon Shaw of Langtry.

Young Shaw died in a sanitarium in del Rio Saturday afternoon after being rushed to that city from his home in Langtry.

He was shot through the head by a bullet from a .22 calibre rifle when he stumbled and fell while enroute to his traps one mile from his home in Langtry.

Shaw was well known here among our high school students and just recently was here with the basketball team from that city. His father is a well known railroad man.

Surviving the youth are: his parents, Mr. and Mrs. Simon Shaw, Jr., one sister, Dorothy; three brothers, Harold, Simon III, and Robert, all of Langtry; grandparents, Mr. and Mrs. Simon Shaw, Sr., of San Antonio; and maternal Great-grandmother, Mrs. August Douglas, of Abilene.

## Basketball Girls Leave For San Antonio

The members of the High School girl's basketball team left here this morning for San Antonio where they the to play a series of games in that city.

Tonight and Saturday night they will play the Harlindale High School girls and sometime during the day Saturday they will play Incarnate Word College.

The following girls will make the trip: Beatrice Nichols, Lillian Halley, Dorothy Sullivan, Ellen Appel, Sammie Carter, Grace Billings, Mildred Underwood and Floreine Thompson.

Mrs. J. D. Nichols and Coach Duane Smith and Jason Morgan are accompanying the girls.

Mr. and Mrs. F. W. Smith are new arrivals in the city having come in the past week from Luling, Texas. Mr. and Mrs. Smith will in the future be associated with this paper.

John Crow, State Livestock Sanitary Inspector, returned Wednesday afternoon from Alpine, Marfa and Fort Davis, where he has been inspecting the heavy shipment of livestock that has gone out of that country this week.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon calling the attention of the management to the article in question.

No good work is ever lost.—Max-Muller.

Sanderson is proud of her public schools and their faculty. Supt. B. J. Brannan and his corps of teachers are doing their part in the upbuilding of our schools and for the education of our youths.

Just this past week—for the third time in succession—our schools have been admitted to the Southern Association of Colleges and Secondary Schools. This standard of excellence should be a mark of pride with all of our citizens of Sanderson and Terrell County.

Show your pride in this and your interest in our schools by visiting them often and see what the youths of our county are being taught and the many advantages they have.

All together let's BOOST our schools.

All indications point to the fact that the Sanderson High School will this year have champion basket ball teams judging by the scores and victories that our boys and girls are piling up.

Coach Smith has done splendid work in athletics and has developed some good material.

Support our teams, back them, attend the home games and if possible go with them to the other towns and by all means lets have a good representation at that district tournament that is soon to be held.

Come on folks get behind our basketball teams and Coach Smith and show them we are for them and are backing them.

Only a few more days left in in which to pay that poll tax and thus be able to have a say in who is to be our next state as well as county officials. This is one duty that every voter in Sanderson and Terrell county should not shirk.

Go now and pay that poll tax before it is too late.

The weather has been the subject for the beginning of many a conversation and many a romance.

To discuss Texas weather in this column would indeed be an unwise thing for that is something that one cannot predict unless they are a newcomer or—

Just the same, right now Terrell County could stand a little damp weather either in the form of a good rain or a wet snow.

This week old man Winter has made another attempt to lay his icy hand on this section and we have again experienced some cold and almost freezing temperature, after enjoying almost summer weather during the biggest part of November and December.

It is to be hoped that soon we will be visited by a good rain.

Texas Industrial Activities

In November Texas brought in 562 out of the 945 producing oil wells in the Nation. The proportion in production was even more notable, initial reduction for the United States totaling 2,972,054 barrels and for Texas 2,757,187 barrels.

Construction of a \$250,000 brewery at El Paso is to be started by Mexican capitalists, according to El Paso dispatches. Harry Mitchell Brewing Co., is another El Paso brewery chartered with \$150,000 capital to manufacture non-intoxicating beverages.

The heaviest single shipment of machinery ever handled by American railroads recently was received at Texas City—a 424,000 pound steel still for installation in the Pan-American refinery under construction in that city. Gross weight of the shipment, moved on two specially constructed cars, was 632,000 pounds.

Food products manufactured in Sherman include peanut butter, pickles, relishes, mustard, rolled oats candy, flour, corn meal, shortening, salad oil, potato chips, cheese, powdered milk and other milk products. None of the smaller cities of Texas has a more diversified industrial output than the Grayson County capital.

Texas cotton mills consumed 3,969 bales of cotton in November, 1933, as compared with 4,704 bales in the same month of 1932 and produced 6,970,000 yards of cloth against 4,304,000. Better still was the comparative showing on sales—5,000,000 yards against 2,909,000—and best of all was the unfilled against 7,329,000. The figures are from the University Bureau of Business Research.

Texas has an industrial payroll of \$136,000,000. New England, of approximately the same size and population, has an industrial payroll of \$1,100,000,000.

Texas shipped dressed turkeys to twenty-three of the forty-eight States during the Thanksgiving and Christmas seasons. Turkey slaughtering and dressing is a seasonal industry that gives employment to hundreds of workers during the brief six weeks that the season lasts. Some efforts have been made to make the turkey a year-round fowl, but it has so far made little headway.

ANNOUNCEMENT

Latest in x-ray equipment now in operation. For particulars see Dr. Halbert or your medical doctor.

E. K. HALBERT DENTIST

TEN YEARS AGO THIS WEEK

Jim Henshaw purchased the Royal Tailor Shop from his brother, G. J. Henshaw, this week and took charge of it on the Fifteenth.

Mr. Joe Nichols, who was for a number of years connected with the Bassett Mercantile Co., at Dryden, recently purchased R. D. Eldridge's interest in the Smith and Eldridge Grocery and took charge this week.

Mr. and Mrs. John F. Nichols arrived in Sanderson Wednesday morning and immediately left for the ranch. They will be at home to their many friends at the Riverside ranch.

Mrs. F. B. Carter was hostess to the Wednesday Bridge club this past week at the Kerr Hotel.

Dryden news reports the following: Mr. and Mrs. M. H. Goode were in town, Messrs. Nell and Elsie Chandler were Del Rio visitors this week, Mr. and Mrs. Doc Turk were in from the ranch Thursday.

Among the social events recorded for a future date was a Benefit "Tacky" party to have been held at the Princess Theater under the auspices of the Parent-Teachers Association for the benefit of school athletics.

WHY IS IT?

ON TEXAS FARMS

By W. H. DARROW Extension Service Editor

A lesson in heredity was pointed out the other day by George Kemp, Ballinger dairyman in conversation with the county agent. He exhibited two half sister heifers. One with her second calf sired by the herd bull was giving 40 pounds of milk daily; the other, by the same mother, but sired by a scrub that broke in was barely giving enough milk for her calf.

The best turkey Miss Lillie Young has been able to get in New York this season was Texas canned turkey sent her by her mother in Jackson county. It was put up on shares with Mrs. A. E. Wilson of the Friendship Home Demonstration Club.

Reports received by the county agent in Kaufman county from 71 of the 116 boys enrolled in 4-H club work last year show that a total of \$332.10 was made by these boys as return on labor and investment in a variety of better farming demonstrations.

From a garden 100x50 feet, Nellie Maude Bennett, garden demonstrator in the Sandia Girls' 4-H Club in Jim Wells County, produced 293 pounds of vegetables valued at \$54.35. The garden cost \$8.50 in cash.

Texas accounts for 1-3 of the U. S. cotton production, 1-33 of its textiles.

Here's Quickest, Simplest Way to Stop a Cold

- 1. Take 2 Bayer Aspirin Tablets.
- 2. Drink full glass of water. Repeat treatment in 2 hours.
- 3. If throat is sore, crush Aspirin Tablets in a half glass of water and gargle according to directions in box.

Almost Instant Relief

in this Way

The simple method pictured above is the way doctors throughout the world now treat colds.

It is recognized as the QUICKEST, safest, surest way to treat a cold. For it will check an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, see that you get the real BAYER Aspirin Tablets. They dissolve almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine BAYER Aspirin Tablets dissolve so completely they leave no irritating particles. Get a box of 12 tablets or a bottle of 24 or 100 at any drug store.

## METHODIST

The past week has brought to the parsonage two most interesting groups of workers. First, the local board of Christian Education, now well organized and functioning with keen interest. All that is needed to put over the program in a large way is adequate building facilities.

Second, the Woman's Missionary Society, well attended, a great spirit of enthusiasm and such a fine responsive spirit.

Sunday, January 21, Sunday School 10 a. m., Intermediates sponsoring the worship program.

Preaching 11 a. m. Subject: "Christian Loyalty vs Self-Opinionated Attitudes."

Young people's meeting 6:30 p. m. Savell Sharp leader. We are glad to note a renewed interest in this department.

Preaching 7:30. Mrs. O'Connor, musician.

A cordial welcome extended to all by the Pastor and people.

T. M. Taylor, Minister.

## BAPTIST

Sunday, January 21

Sunday School at 10:00 a. m. Mr. Ruel Adams, Superintendent.

Preaching at 11:00 a. m., by the Pastor.

Baptist Training Service will meet at 6:15 p. m.

Preaching at 7:30 p. m. by the Pastor.

Monday, January 22, W. M. S. will meet at Mrs. W. M. Dyal's home at 2:30 p. m. The Royal Service programme will be rendered.

Beginning next Monday night at 7:30 p. m. a Baptist training service Revival will be held at the Baptist Church to continue for one week.

All of our people are urged to attend this revival. The senior B. T. S. manual will be taught. All the Baptist churches in the Pecos Valley Association will take part in this revival.

You are cordially welcome to attend all of our services.

J. F. Green, Pastor.

## PRESBYTERIAN

Sunday School at 9:45 a. m., Sims Wilkinson, Superintendent.

Preaching at 11 a. m. and 7:30 p. m.

Young People's meeting at 4:30 p. m., Raymond Thrift will lead.

The Auxiliary meets Monday at 2 p. m. in the home of Mrs. S. S. Daggett.

The Juniors meet Tuesday at 4:10 with John Fisher Charlton.

Prayer meeting at 7:30 p. m. Wednesday.

Choir practice at 7:30 p. m. Thursday.

January is Home Mission month and this week (Jan. 21-28) is self denial week for Home Missions. This will be observed in the Sunday School, the Young People's Society, the Auxiliary and by the whole church. You are asked to study, pray and give to Home Missions.

John V. McCall, Pastor.

## CATHOLIC

Mass every morning at 7:30.

First Mass every Sunday at 7:30 a. m.

Second Mass at 9 o'clock.

Rev. John M. Bertrant, Rector.

## CHURCH OF CHRIST

Sunday: 10 a. m. Bible Class.

11 a. m. Sermon.

11:45 a. m. Communion.

6:30 p. m. Young People's meeting.

Tuesday: 2:30 p. m. Ladies' Bible Class.

Wednesday: 7:30 p. m. Mid-week Bible class.

Visitors are always welcome to each and all of these services.

Buy handkerchiefs with what it saves

It isn't necessary to pay 50¢ or more to get quality in a handkerchief. Listerine Tooth Paste, made by the makers of Listerine, comes to you in a large tube at 25¢. Note how it cleans, brightens and protects your teeth. More over it saves you approximately \$3 a year over 50¢ handkerchiefs. But things you need with their saving—handkerchiefs are merely a suggestion. Listerine Tooth Paste Co.

**LISTERINE TOOTH PASTE 25¢**

# SOCIETY

## WOMEN'S MISSIONARY SOCIETY MEET

The Women's Missionary Society of the Methodist Church met Monday afternoon at the home of Rev. and Mrs. T. M. Taylor. Most of the afternoon was taken up for the installation of officers for the ensuing year.

Rev. Taylor officiated at the installation of the following officers: Mesdames B. J. Brannan, president; J. L. Osgood, vice-pres.; F. S. Garrison, treasurer; Annie Ware, assistants; C. J. Watts, correspondence secretary; H. C. Goldwire, recording secretary.

The following members were present: Mesdames A. P. Utterback, B. J. Brannan, Clyde Higgins, DeWitt Snead, L. A. Lowe, Lillian Neal, M. R. Lattimore, Sam Underwood, C. W. Barker, J. E. Landers, F. S. Garrison, C. J. Watts, H. C. Goldwire. At the completion of business Mrs. Taylor passed a very delightful fruit basket.

## MR. AND MRS. M. HOLMES ENTERTAIN WITH BRIDGE

Mr. and Mrs. Millard Holmes entertained the members of the Dryden Night Bridge Club at their ranch home last Saturday night.

The following were guests at this lovely affair: Mr. and Mrs. John Harrison, Mr. and Mrs. R. C. Kessler, Mr. and Mrs. Jess Haley and Mrs. A. F. Buchanan.

Refreshments of stuffed tomato salad, potato chips, bread and butter sandwiches, fruit cake and hot chocolate were served.

Mrs. John Harrison was the winner of the ladies' high score prize and Mr. Jess Haley was winner of the men's prize.

## WEDNESDAY CLUB MEETS WITH MRS. JIM KERR

Mrs. Jim Kerr was hostess to the members of the Wednesday afternoon Contract Bridge Club this week.

After several games were played and upon addition of scores, Mrs. Clyde Griffith was found to have made high score and Mrs. Will Savage second high.

Refreshments consisting of chicken salad, pecan macaroons and coffee were served to the following members and guests: Mesdames A. E. Creigh, Jr., Bustin Canon, S. S. Daggett, J. C. Green, L. A. Lowe, Clyde Griffith, C. V. McKnight, Tol Murrish, C. P. Peavey, Will Savage, D. A. Pollard, and Max Bogusch.—Reported.

Mrs. M. A. Dittmar returned to her home in Corpus Christi last Saturday after spending two weeks here visiting her sister, Mrs. James Kerr and family.

Mr. and Mrs. Edgar Garvey and daughters motored out from their home in San Antonio last Friday and spent the week end visiting Mrs. Garvey's parents, Mr. and Mrs. R. L. Doak and family. They returned home on Sunday.

Mrs. E. F. McElroy, of Tulsa, Oklahoma, arrived last Friday for a visit with her parents, Mr. and Mrs. C. H. White and other relatives here.

## A BIT OF PHILOSOPHY

By E. V. WHITE, DEAN Texas State College For Women (CIA)

Stand on your feet, and you will not get down in the mouth.

The weak do not recover from attending college.

Big words often express small ideas.

## Philo Vance Returns With William Powell Again Playing Role

Who killed Archer Coe?

That is the most baffling question that Philo Vance, the famous and debonair detective character created by S. S. Van Dine, and impersonated by William Powell in the Warner Bros. picture, "The Kennel Murder Case," which comes to the Princess Theatre on Friday and Saturday, January 19 and 20th, ever has been called upon to answer.

Archer Coe is found dead in his bed room with a revolver in his hand and not a sign of a struggle and with the door locked. He has a bullet in his brain and a scalp abrasion.

The police consider it a case of suicide until Philo Vance walks into the scene and through a series of deductions, proves that it is a murder and not a suicide and then proceeds to discover the murderer.

Not only is "The Kennel Murder Case" one of the most mysterious of all of Van Dine's stories in which seven persons are found to have both a motive for the crime and an opportunity to have committed it, but it carries a strange love tangle which is eventually unraveled by Vance.

The picture has a strong cast in support of Powell and includes such noted players as Mary Astor, Eugene Pallette, Ralph Morgan, Helen Vinson, Jack La Rue, Paul Cavanaugh, Robert Barrat, Arthur Hohl, and Henry O'Neill.

## RATTLE OF THE RAIL

J. C. Harris, master mechanic and W. R. Mann, asst.-supt., held classes of instructions here Monday and Tuesday, the same classes also being held two days at Del Rio.

Engineer C. Gillespie has been assigned to a freight run at El Paso.

Engineer P. A. Banes has been assigned to a passenger run between El Paso and Sanderston vacated by F. Hathaway who bid in a switch engine at El Paso.

Fireman M. I. Taylor of Del Rio made a business trip to El Paso Tuesday.

Fireman C. C. Crownover returned Wednesday from a visit to El Paso.

M. L. Turbeville, division car foreman from San Antonio, was a recent visitor here.

The supply train from Houston made a trip over the division this week.

Engineer L. Robey, of El Paso, is working on the Del Rio extra board.

Engineer P. Kleid of Del Rio has resumed work after a brief illness.

A. D. Mims, asst. general manager of Houston, made a trip over the division the early part of the week.

S. E. Peterson and wife and daughter, Elisa, have recently returned from a visit to relatives in Las Vegas, New Mexico.

**RECIPES AND MENUS**  
By Department of Home Economics Texas State College for Women (CIA)

Cheese resembles milk in nutritive value. It is one of the oldest of milk products. Some cheese is made of skim milk, some from whole milk and some from double cream. Since some of the water is removed in the manufacturing process, cheese is a more highly concentrated food than milk.

American cheese is a good source of protein and fat. Because of this it should be used as a substitute for meat, not in addition to meat. Cheese is usually less expensive than meat and should be used more extensively in our menus to reduce our food costs. Contrary to some theories, cheese is a highly digestible food. When eaten in addition to an adequate meal it may seem to cause digestive disturbances, but if served as part of the meal, there should be no digestive troubles.

One of the problems of using cheese is to find attractive ways of serving it. It may be served either raw or cooked. When it is cooked, it should be cooked at a low temperature and not too long, else it will curdle or string. In combination with crisp vegetables or fruits it makes a very satisfying meal.

Breakfast: Tomato juice, bran flakes, cream, bacon, waffles, syrup, coffee.

Dinner: Oyster rarebit on toast, baked onions, buttered peas, celery curls, toast strips, graham cracker, ice-box cake, coffee.

Supper: Ham Mousse, French fried potatoes, lettuce salad, rolls, lemon ice.

Breakfast: Pineapple-orange sections, cooked cereal, toast, sausage, coffee.

Luncheon: Cheese fritters, syrup, eggs baked in tomato, frozen fruit salad, tea.

Dinner: Maryland chicken, mashed potatoes, gravy, biscuit, creamed string beans, pear salad, pumpkin pie, coffee.

Cheese Balls: 1 c bread crumbs, 3-4 c grated cheese, 1-3 c butter, 1-8 t cayenne, 1-2 t salt, 2 eggs, beaten. Combine all but eggs in a bowl, mixing well. Add beaten eggs and mix again. Make into balls the size of large walnuts. Fry in deep fat about two minutes.

Cheese Fritters: Add 1-2 to 3-4 c grated cheese to any fritter recipe, omitting other fat. Serve with a fruit sauce.

Oyster Rarebit: 1 c oysters, 1 T butter, 1-4 t salt, 1-2 lb cheese cut in pieces, 2 eggs. Clean, parboil, and drain oysters, reserving the liquor. Melt butter, add cheese and seasonings. As cheese melts add gradually the liquor and eggs slightly beaten. As soon as mixture is

smooth, add soft part of oysters. Serve on bread toasted on one side, rarebit being poured on untoasted side.

Cheese Noodles: 4 T butter, 4 T grated cheese, 1 c milk, 1 T flour, 1 egg. Make a white sauce of the above ingredients, adding the cheese just before removing from fire. Place cooked noodles and the sauce in layers in a baking dish. Bake in a slow oven about 15 minutes.

R. M. Gatlin was a business visitor in the city Monday from his ranch near Dryden.

Mr. and Mrs. Charlie Turk were in town this week from their ranch north of Dryden.

C. V. McKnight was a business visitor in El Paso Monday.

## Science says Today use a LIQUID Laxative

If you want to GET RID of Constipation worries—

Any hospital offers evidence of the harm done by harsh laxatives that drain the system, weaken the bowel muscles, and in some cases even affect the liver and kidneys.

A doctor will tell you that the wisest choice of laxatives is a common cause of chronic constipation. Fortunately, the public is fast returning to the use of laxatives in liquid form.

A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to take "a double dose" a day or two later.

In buying any laxative, always read the label. Not the claims, but the contents. If it contains one doubtful drug, don't take it.

Dr. Caldwell's Syrup Pepsin is a prescriptive preparation in which there are no mineral drugs. Its ingredients are on the label. By using

it, you avoid danger of bowel strain. You can keep the bowels regular, and comfortable; you can make constipated spells as rare as colds.

## The liquid test:

This test has proved to many men and women that their trouble was not "weak bowels," but strong cathartics.

First. Select a good liquid laxative. 2. Take the dose you find is suited to your system. 3. Gradually reduce the dose until bowels are moving regularly without any need of stimulation.

Dr. Caldwell's Syrup Pepsin has the highest concentration of liquid laxatives, and is generally used. It contains no mineral, a natural laxative which is perfectly safe for the youngest child. Your druggist has Dr. Caldwell's Syrup Pepsin.

**AIRDROME NEWS**

(By Diogenes)

The Airport was inspected by Captain Giles. Seemed to pass all right. The Captain is a regular fellow, and complimented the personnel upon the workmanship and serviceability of the port in general.

Sgt. Richardson made a trip to Del Rio, and in returning decided it was time to lay in a supply of chow. Now his larder has the appearance of a commissary. But the business in hand was consummated satisfactorily, and all is well.

Lt. Foster and Major Weaver, reserve corps, spent Friday night and Saturday at the port. Friday evening they were honored guests at the dance given in Dryden.

Mr. Breeding, the contractor responsible for the good work on the new buildings, enjoyed (we hope), his first airplane ride at the port Saturday afternoon. It is not for us to state the results, and it might not be wise to interrogate him upon the subject. But if he flies as he plays bridge, he is a real bird.

During Saturday, also, practically everyone at the port was treated to a ride in an airplane, and air of excitement was distinctly noticeable all during the day, especially when Mrs. LaMontagne came back from her jaunt. And does she like to stunt. Mrs. Mooney flew over toward the river and it might be she...

Old Man Miller returned from Fort Clark, where he had gone to renew his contract with the govern-

**Piano Bargain**

We are informed by a customer in this community that they are unable to complete payments on a grand piano they purchased from us some months ago and they ask us to take back the piano. Rather than incur the expense of returning this beautiful instrument, we prefer to transfer this account to some one who will complete the payments. As approximately 50% of the payments have been made, this represents a rare opportunity to some one who is willing to put about \$6.00 a month in an instrument of this character. The piano is an apartment model, small size, brown mahogany, and is like new and will give new piano guarantee to party who takes over the account. We also have a beautiful studio model piano at a bargain price of \$91.00 in a small upright, also a slightly used large size Steinway grand at a handsome reduction. Wire, write or phone, H. J. Pierce, Credit Department, San Antonio Music Co., 314 W. Commerce, San Antonio, Texas.

**GET UP NIGHTS?**

USE BUCHU AND GIN  
Make This 25c Test

It is as valuable to the bladder as castor oil to the bowels. Drives out impurities and excess acids which cause the irritation resulting in getting up night, burning, frequent desire, leg pains and backaches. On account of the alcohol use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this cleansing. "Bohman Drug Store says BUKETS is a best seller."

I now have a good line of guaranteed shoes that I can order to your measure; also boots.

Bring me that old pair today for repair.

**J. R. Blackwelder**  
SAME OLD FELLOW

**Don't neglect Colds**

Colds in chest or throat may become serious. Ease them in 5 minutes with **Musterole**, the "counter-irritant"! Applied once every hour for five hours, it should bring relief. Used by millions for 25 years. Recommended by doctors and nurses.

ment. Miller came in some time Thursday night or Friday morning. Neither the time or the condition will be vouched for.

One might ask Cpl. LaMontagne what time weather messages should be sent on the morning after the night before.

Prodding the nearly non-existing memory, it is ascertained that Mrs. Richardson Betty Anne Biggs, and Mr. James also had their first airplane ride over the week end.

Mr. Shelton brought his family Sunday to visit with the Mooney's and we all enjoyed a very pleasant visit with them. Visitors are welcome and appreciated at the port. Better trot out sometime.

This hair curling business must be pretty good pickings. Might try it sometime. Monty and Biddy seem to go pretty degularly, and it seems one might reap a bountiful reward from learning the business. This should be classed with the other necessities of life.

Ritters are yet in our hair, and we apologize for not mentioning the fact that Miss Dorothy Salyards was with them (Ritters, not the hair.) Please forgive this slight Dorothy, but your presence was unnoted. You see, you are so unobtrusive that discreet enquires were necessary to ascertain this fact. We're sorry.

Sgt. Richardson left Thursday for Johnson's Ranch, where it is hoped radio communications will be established.

Watch for the next spasm.

Dr. and Mrs. James C. Sharp left Tuesday, accompanied by Miss Oleta DuBois, for San Antonio where Dr. Sharp will attend three days Post-Graduate Instruction of the International Post Graduate Medical Assembly of the Southwest Texas District Medical Association. Dr. Sharp will return to this city Friday night.

There are men who could neither be distressed nor won into sacrifice of their duty; but this stern virtue is the growth of few soils, and in the main it will be found that a power over his will.—Hamilton, The power over a man's support is a Federalist, page LXXIII.

Mr. and Mrs. F. L. Burnside were Del Rio business visitors on Monday and Tuesday of this week.

**STOCK NEWS**

Heavy shipment of cattle, mostly calves, have been going out of this section of the country and the Big Bend this week. Buyers have been very active and the majority of the livestock being shipped out is being consigned to the feed pens at Monteca, Calif., and some are being shipped to feed pens in the east.

This past week Clyde Higgins sold to R. J. Ridley 759 lambs. These lambs averaged 68 pounds and brought 5 cents.

Among the shippers from the Big Bend this past week were: Gage Estate Marathon Combs Cattle Co., Alpine, Mimms Ranch, Marfa, Joe Epsy, Fort Davis. About 20 cars of cattle, mostly calves, being shipped.

R. J. Ridley consigned to feed pens at Waterville and Pettysville, Ohio, last Saturday 2,380 lambs that he purchased from Gatlin and Harrison.

B. Garson from Dryden also shipped out 903 head of lambs to Hollis Nutt at Huldale, Texas.

Wednesday night Alexander Mitchell shipped, from here, five cars of calves to J. M. Miller, Elmdale, Kansas.

Mr. and Mrs. Pat Rose and Mrs. Rose's father, Henry Townsend, all of Del Rio, arrived here Monday to be with their brother and son, Everett, who was injured by a gunshot wound Sunday afternoon.

Mrs. Rose went with her brother to San Antonio while Mr. Rose and Mr. Townsend returned Tuesday to their Del Rio home.

**CHILD BREAKS NOSE**

Harry Stavley Brown, oldest son of Mrs. Francis Mansfield, suffered a broken nose Monday afternoon while playing at the grammar school.

The child had gone to school for the afternoon with Frank and Ross Stavley, and was sliding down the concrete bannisters in front of the building when he accidentally fell striking the ground on his face breaking his nose.

The child was rushed home and his injuries were dressed by Dr. W. H. Doty. He is getting along fine.

Howell A. Smith, of the State Health Department at Austin, was a visitor in the city Wednesday and Thursday of this week discussing the C. W. A. sanitation program that is being done through the Department.

**MOTHER OF R. D. MORRIS DIES**

R. D. Morris was called to Uvalde last Wednesday night to the bedside of his mother, Mrs. T. J. Morris of that city, who had a stroke of paralysis and who passed away Friday night, Jan. 12, at 9:20 p.m.

This news came as a shock to Mr. Morris as his mother and two brothers, Blocker, of Uvalde, and Carl, of Los Angeles, California, had been out here visiting and had just left Sunday, Jan. 7.

A full account of the death of Mrs. Morris will be published in next weeks paper.

Mrs. Joe Nance returned the past week from a visit in Bryon with her daughter, Mrs. Prince Dishman.
