QUASH

Much paint is being smeared around town. House's Grocery and Border Service Station have been retouching their respective places of business. Sinclair Service Station has been painting also, getting ready for the long-expected 1934 Chevrolet. It is hoped that many others follow this example.

Three more victories for the girls and two more for the boys. What a fighting bunch of basketball players we have! Coach Smith is to be congratulated on his splendid work. With your support these teams can go far. Back them to the limit—win or lose.

As a courtesy to the Spanish speaking people of Sanderson, the Times is this week starting a "News of the week" column for them. They will make their announcements in Spanish each week.

We are also offering to our readers a bargain in subscription rates. We are now able to serve a greater number of people in a bigger way and as we want the Times in every home in Terrell County we have placed the subscription price in reach of everyone.

Sanderson may again have an airport. Should the county lease the property needed, the CWA plans to build a modern field near here.

Old Rifle Found Near Here Recently

Herman Pauli, manager of the Cowboy Cafe, has an old rifle adorning one section of his cafe that is causing much comment and is bringing back memories to many old-timers of this section of the country.

It is an old 44 Winchester rifle, the type used fifty and sixty years ago. Evidently the gun has been exposed to the elements for years as all the wood work is badly corroded and rust covers the barrel and mechanism so badly, the opening of it is an impossibility.

The rifle was found in a canyon near here recently and as it was cocked, with the shell ejector half open, we wonder what tale it could unfold if it were only able to talk. Maybe someone was stopped in the act of reloading by an enemy bullet, or perhaps the gun jammed during combat and was thrown aside. Who knows, maybe some cattle rustler of olden days, hotly pursued by a posse, had to discard it in flight due to its jamming or—who knows?

CWA WORKERS ARE IMPROVING COUNTY ROADS

Highways North And East Are Being Put In Good Shape

Marked improvement can be seen on highways in Terrell county here of late due to the splendid work done by CWA workers. One crew is now working on the Sheffield highway leading north while another is re-finishing the State highway No. 3 east of Sanderson.

The Dryden-Sheffield highway is the scene of much activity as new battle guards are being installed, and a new road is under construction connecting Pumpville with this highway.

The local administrator for the Cival Works Administration states there are now 50 CWA workers, comprising a weekly payroll of approximately \$500.00.

Mrs. Clyde Deaton and children, from Del Rio, are visiting her mother, Mrs. W. R. Ellis.

Eagles Win The Stockton-Alpine Games This Week

The Sanderson boys took the Stockton team into camp Tuesday night at Fort Stockton to the tune of 27 to 21.

The game was thrilling from start to finish with the Stockton boys leading at the end of the first quarter by a score of 9 to 3, but at the end of the first half the score stood in Sanderson's favor, 18 to 10. At the final whistle, the Sanderson boys had piled up the score of 27 to 21 against the Fort Stockton team.

The starting line-up for Sanderson was as follows: Litton and Newton, forwards; Utterback, center; Halley and Mussey, guards; Shelton was substituted for Litton at the end of the first half. Shelton went to center and Utterback to forward.

Newton won the scoring honors with 17 points. Shelton, playing his first game of the season, looked good at center. Mussey and Utterback guarded effectively, Utterback did well at passing, winning second place in scoring honors.

The Sanderson Eagles motored to Alpine last Friday and played the Alpine Bucks. The game was exciting from start to finish with the Eagles winning 25-22.

Sanderson took a seven point lead in the first few minutes of play and held it until the second quarter. Alpine scored 9 points the first half and Sanderson 12.

Sanderson chalked up 12 points in the third period to Alpine 3.

In the final period Alpine "got hot" to score 10 points while Sanderson failed to tally.

Newton, Mussey and Utterback were outstanding players for Sanderson while Fowlkes was Alpine's main threat.

Mrs. T. J. Morris Dies In Uvalde

A stroke of paralysis which she suffered Monday night of last week, about an hour after she had returned from a trip to points in West Texas to visit her children, proved fatal to Mrs. T. J. Morris of North Uvalde. Death occurred Friday night. She did not regain consciousness after the stroke of paralysis.

Mrs. Morris, whose maiden name was Kennedy, was born in Tennessee August 25, 1866. In 1872, her family moved to Texas, settling at Austin. She was married to Thomas J. Morris December 19, 1883. To this union seven children were born, six of whom survive.

Mrs. Morris united with the Baptist Church at the age of 14 years and had been a member since. Mr. and Mrs. Morris lived for some time at San Angelo, moved to Reagan Wells in 1917, where they followed the ranching business. They came to Uvalde five years ago. Mr. Morris died July 19, 1931.

The funeral services were conducted at the residence at North Uvalde Saturday afternoon by the Rev. W. A. Corkern, pastor of the First Baptist Church. Interment was in the Uvalde cemetery with Carl Vess Co. in charge of the arrangements. Pall bearers were: B. B. Treadwell, D. W. Price, W. F. Griffin, Boyd Barber, Charles Avree and Lee W. Graves.

The six surviving children are: Blocker Morris and Mrs. N. E. Davenport of Uvalde, C. B. Morris of Los Angeles, Cal., L. R. Morris of Sonora, R. D. Morris of Sanderson and Mrs. J. E. Robbins of Camp Wood. Eight grand children, one brother and three sisters also survive. The brother is Jim Kennedy of San Angelo, and the sisters are Mrs. H. O. Word of Johnson City, Mrs. H. O. Howard of San Angelo and Mrs. Odous Carrell of Temple. —Uvalde Leader News.

SITE SELECTED FOR MUNICIPAL AIRPORT HERE

CWA To Erect Port To Be Maintained By County

H. G. Cox, state airport engineer, was in Sanderson Monday looking over sites for an airport location. Mr. Cox selected, and has forwarded to CWA headquarters in Austin with his recommendation, the old landing field one mile northwest of here. This field was formerly used by the government as a flying field but later moved to Dryden.

According to Mr. Cox, the airport will be erected by the Cival Works Administration at a cost of approximately \$9,000.00. Labor will be furnished by CWA also and if plans materialize, this will mean several weeks work for a large number of local men.

It is planned to build a modern airport, large landing field with two runways, each 3000 feet in length, long enough to facilitate the handling of the larger type of planes.

The field will be erected by CWA but will be operated and maintained by the county as a municipal field.

Miss Ailene Haass Receives Injuries In Auto Accident

Miss Ailene Haass, of this city, and a companion, Leo Holland, of Sonora, received injuries when the car they were riding in early Tuesday evening struck the concrete posts on a dip about one mile west of this city. Blinding lights from an approaching car was given as the cause of the accident. The car, a Model A Ford sedan, was badly damaged.

Miss Haass suffered a badly bruised and cut right knee and several of her teeth were broken. Mr. Holland's injuries were only of a minor nature, his left hand being cut.

The injured parties were brought to town and Miss Haass was taken to the office of Dr. Halbert, dentist, where X-Ray pictures revealed the extent of her injuries.

Reports Thursday from her bedside were that she is getting along nicely but will be confined to her bed for several days.

BOYS BASKETBALL TEAM TO PLAY IRAN FRIDAY

The Sanderson boy's basketball team will play the Iran High School at McCamey today, Friday, at 3:30 p. m. According to Coach Smith, Iran has a very hard fighting, aggressive team and an exciting game is predicted.

Fort Stockton, McCamey, Hobbs, New Mex., and San Angelo are the favorites in this tournament.

Mr. and Mrs. Jim Mitchell were in town Monday from their ranch in the North part of the county.

Ranger Jim Rooney of Sheffield was a business visitor in the city Monday.

Basketball Girls Victorious In San Antonio Games

A victory over Incarnate Word sandwiched between two victories over the Harlandale girls of San Antonio was the diet of the Sanderson High School girls over the past week end. Heralded before the games as just "a team from the West Texas town of Sanderson", the local girls were dubbed as a group of sharp-shooting specialist after being seen in action. Miss Jo Bailey Brite, Coach of the Squaws, said she believed the Sanderson sextet would compare favorably with the best girl team in San Antonio.

The local girls were handicapped by playing three-court basketball, after practicing on two-court most of the season. On the other hand, this is the first year in some time that Harlandale has had a girls' team. These girls spend a large part of the time set aside for physical education on playground ball and volleyball.

The first game on Friday night against Harlandale started slow. Sanderson led at the quarter, although the score had been tied at 4-all earlier in the game. In the second quarter, Underwood went in for Nichols, who was temporarily ill. Underwood scored no points during the game, but fed the ball to Halley to help her amass a total of 25 points. Stavley substituted for Halley, managed to ring up three points in the latter part of the game to make the final score; Sanderson 33—Harlandale 11. Nichols scored 5 points in the first quarter.

Saturday morning at 10:30 the Eagles played the girls from Incarnate Word. They were fresh after a good night's rest and played a much faster game than in their initial start. They piled up a good lead before Nichols fouled out. Frequent substitution were made during the entire game. Sanderson won 35-22. Nichols (15), Halley (13), Underwood (7), Stavley (9).

The strain of the road trip and playing three games in two days was beginning to show in the third game. The game was slow and offered few thrills for the spectators. Sanderson followed a slow but sure lead, leading at the end of the third quarter 31-9. No substitution had been made until this time. At the beginning of the third quarter Underwood and Stavley went in at forward and Thompson as guard. The final score was 33-17.

Individual score was: Nichols, 18; Halley, 13; Underwood, 1; Stavley, 1.

Nine girls made the trip and each played a part of every game. Beside those already mentioned, were Sullivan and Appel, centers, and Carter and Billings, guards. Mr. Williams, Coach of Emerson Junior High School in San Antonio, officiated the three games.

The girls were entertained in the homes of the San Antonio team. The fans as well as the opposing team were good sports and offered every possible courtesy to the Sanderson team, as their guests.

Special Ranger Archie Miller, of Del Rio, was in attendance at Court here Thursday.

COURT TO BE IN SESSION TWO WEEKS DUE TO HEAVY CRIMINAL-CIVIL DOCKET

BESSIE SHARP INDICTED ON TWO COUNTS

Grand Jury Returns Two More Indictments Against Her

Two more indictments were returned by the Terrell County Grand Jury this week against Bessie Sharp, who in 1931 was indicted for the murder of her husband, W. Telefus Sharp.

The nature of the two indictments charge that she attempted to poison her husband on two different times, once by placing strychnine in coca and another time by placing strychnine in castor oil.

Mrs. Sharp is now in the State Hospital in San Antonio after being paroled to that institution after being given a pen sentence of two years at a trial in Fort Stockton this past August.

On May 3rd, her husband, W. Telefus Sharp, died a horrible death here after being brought into town to the home of his parents, Mr. and Mrs. Harry Sharp, from the Big Canyon Ranch, where he was employed. Soon after his death, Mrs. Sharp was arrested and at the July term of Court the Grand Jury indicted her charging her with the murder. Her alleged cowboy lover, Willie Burleson, who was arrested at the same time in connection with the case, has never been indicted and is now out on bond.

The case has attracted State wide attention and at the January 1932 term of court it was transferred to Del Rio for trial. At the trial there she was not convicted due to a hung jury and the case was transferred to Fort Stockton.

The case has been one of a great legal battle with both the defense and State putting up an array of legal talent.

HENSHAW CASE SET FOR TRIAL ON WEDNESDAY

Special Venire Of 72 Men Summoned For Jury

The case of Wallace Henshaw, Jr., who was indicted and charged with murder, by the Grand Jury which was in session this week, has been set to come up for trial next Wednesday morning.

A special venire of 72 men are being summoned for selection for jury service.

Henshaw is charged with the murder of Tom Mansfield who died last August 13, in Del Rio after being rushed to that city for treatment for gunshot wound which he received the night before. The shooting occurred at the home of Mrs. Lucille Mason, beauty shop proprietor, where a party was held. Henshaw has been out on bond set at an examining trial held after the death of Mansfield.

W. W. Wolff, of McCamey, was a visitor here this week. Mr. Wolff has sold several cars of pipe to ranchmen in the Bullis Gap country.

Hal Rowlett, who is attending John Tarleton College at Stephenville came in Thursday. Hal has completed enough credits at school that he will not have to return until the six-week's summer term to complete this year's work.

Many Civil Cases Are Disposed of This Week

The regular term of District Court convened in this city Monday morning with District Judge Brian Montague presiding and District Attorney Julian LaCrosse and Mrs. Belle Sutherland, Court Reporter, all of Del Rio in attendance. Sheriff Lee Cook and District Clerk F. L. Burnside completed the personnel.

The following were empaneled on the grand jury Monday: Clyde Griffith, foreman, E. W. Hardgrave, C. H. Arvin, Irs Deaton, R. L. Doak, Charlie Gregory, Tip Frazier, M. H. Goode, Jr., Bustin Canon, Denny Sullivan, J. D. Nichols and Albert Appel. The jury recessed Wednesday morning until Friday, February 2nd, after bringing in five indictments.

The indictments returned were two counts against Bessie Sharp, and one against Wallace Henshaw for the murder of Tom Mansfield. Two indictments were returned against Kyle Smith for burglary and felony theft.

Tuesday and Wednesday were devoted to civil cases with the following cases being disposed of: Luella Kemper, independent executrix, vs E. P. Peoples et al, suit on notes and foreclosures of vendor lien, continued. Mutual Building and Loan Association vs P. F. Robertson, et al, suit to foreclose liens, continued.

C. F. Haass vs Texas and New Orleans Railroad Co., suit for personal damages, continued until July 16, 1934. Eva Stansell, guardian estate J. Calvin Stansell vs F. B. Swift et al, suits for restraining foreclosure, on dismissal of defendant's cross action, this case was dismissed for lack of prosecution and costs taxed against plaintiff.

Change of name of Charles Levi Nutt by Iva Loreine Chandler, (next of friend) granted. Cora B. Bassett et als vs A. T. Folsom et als, suit to try title as well as for damages, judgement for plaintiff. Ex-Parte Marven Joe B. rfield, suit for adoption of minor: W. J. Ferguson appointed to make investigation relative to adoption as provided by law.

In the case of Ex-Parte Jack Harrell Sharp, upon hearing the minor was found to be a dependent child and the petitioners, Mr. and Mrs. Harry Q. Sharp, were given custody of the child. In the case of adoption, Joe Nichols was appointed as a suitable person to make an investigation and report as contemplated by law upon suitability of proposed adoption parties. This case will come up next Friday.

The John Martin case was set for hearing Thursday morning and at 1:30 when court went into session the case was continued by agreement pending the performance of agreement made by the State and the defense. Martin is indicted on two counts, theft of cattle and theft of cattle and altering and defacing of brand. Judge C. R. Sutton, of Marfa, presided at this case, as Judge Montague was disqualified.

Thursday afternoon Court was recessed until Monday morning and soon afterwards all attaches here left for their homes in Del Rio.

Judge C. R. Sutton, of Marfa, was a visitor in the city Thursday having come down to sit as special judge in the John Martin case, Judge Montague being disqualified.

R. N. Gatlin, Dryden ranchman, was a business visitor in the city Thursday.

Mrs. Pat Snoddy and daughter came in Sunday from their home in El Paso for a visit with Mrs. Snoddy's parents, Mr. and Mrs. E. B. Litton.

TEXAS' FUTURE IS INDUSTRIAL

(Editorial in Dallas News)

The springing up of many small, depression-born factories in Texas is a development that must receive the encouragement of all who are interested in the material progress of this State. These industries are not of great consequence now—here a tiny canning plant and there a garment factory in a 50x100-foot loft—but the old saying about great oaks and little acorns must not be forgotten. Texas must also lend itself more earnestly than ever before to the establishment of initially large enterprises, both by the erection of new and the relocation of old plants as soon as business conditions again make available capital for this kind of investment.

Texasans have for many years been enthusiastic advocates of the up-building of manufacturing industries in their State but they have always had the easy feeling that, failing in their industrial enterprise, they could fall back upon the sweep of agricultural development to bring increasing population and wealth. Texas is not at the end of its agricultural development for there are still millions of acres of fertile, unplowed lands. Yet, with a world choked with nearly everything that the farmer produces and with the growing menace to our export markets resulting from the spirit of nationalism and commercial isolation throughout the world, it is doubtful if the next ten or fifteen years will witness such agricultural expansion as has taken place during the last two decades.

There is a great field left, and to some extent it exists, regardless of whatever unfortunate international developments take place. It is the field discovered by the figures showing that the State produces only a small part of its consumption needs. This is not advocating artificial stimulation of a Texas market for Texas goods, but an orderly economic development that will be favorably enough to Texas without artificial stimulus.

DRYDEN LOCALS

Mrs. P. A. Wyatt Correspondent

The Ladies of the Missionary Society wish to thank all who helped with the food sale held here Saturday. About twenty dollars was cleared. This will be given to help pay the debt on the Methodist Parsonage in Sanderson.

The people of Dryden regret very much that Mr. and Mrs. W. A. Latimer are moving to Langtry. They have been here nearly twelve years and have made a host of friends. Perhaps they will be visiting in Dryden often since they are not going so far away.

A forty-two party and handkerchief shower was given Monday night at the Community House in honor of Mr. and Mrs. Latimer. An enjoyable evening was spent by the following friends: Mr. and Mrs. W. A. Latimer, Mr. and Mrs. J. M. Bassett, Mr. and Mrs. A. F. Buchanan, Mr. and Mrs. Millard Holmes, Mr. and Mrs. H. Richardson, Mr. and Mrs. and Mrs. Chester Smith, Mr. and Mrs. P. A. Wyatt, Mesdames F. B. Carter, Manly Holmes, Billy Smith.

Rev. T. M. Taylor and daughters, Misses Frances and Geneva, were visitors in Dryden Monday afternoon.

Jack Smith, who has been visiting in El Paso, returned home Monday.

Mrs. Clara Tate is here from Jackson, Miss., visiting her daughter, Mrs. Mabel Miller, and family.

WMS TO GIVE PLAY

The public is invited to a play entitled "Ava" being given by the Missionary Society of the Baptist Church at 7:30 Saturday, Jan. 27th. This is a story of how God called Ann and Adoniam Judson to leave all they counted dear to themselves and follow the Savior in humble service for Him in India. One may see the Glory and Blessing that followed their decision and how God used them and is still using the memory of them today.

W. L. Barler, of the Customs Department at Del Rio, was in attendance at District Court this week.

Judge James Cornell arrived Wednesday night from San Angelo to attend court. Judge Cornell is attorney for John Martin whose case went to trial Thursday.

Mr. and Mrs. C. F. Cox, Sr., were in the city Tuesday enroute to their ranch near Longfellow following a business trip to Del Rio.

E. H. McCright was a business visitor in Del Rio Tuesday.

Train Collision At Fort Stockton Kills Rancher

M. C. Bursleson, Pumpville rancher, was killed last Thursday morning at the Fifth Street grade crossing at Fort Stockton when the Santa Fe train crashed into the cab of the truck he was driving and carried it almost a hundred yards before stopping. A Fort Stockton physician pronounced his death due to a piece of glass which was forced through his left eye and pierced his brain, the other injuries being of minor extent.

Witnesses who viewed the accident were of conflicting opinion as to who was at fault. The victim was driving west and started over the crossing when the train struck his truck, hitting it directly in the left door and severing it from the trailer. The train was traveling at a fairly fast pace and some say a whistle warning was given while others claim they did not hear any such sound.

Bursleson had ranched in the Pumpville section for sometime and at the time of his death was trucking. The remains were taken to Sonora where burial took place last Friday.

He is survived by his wife and six children.

HOLDING B. T. S. CLASS

Mrs. James N. Easterwood, of Abilene, is here this week teaching the Baptist B.T.S. class. She was sent here by the state B.Y.P.U. secretary, Gardner, and is conducting a very interesting study. Mrs. Underwood is the guest of Mr. and Mrs. O. H. McAdams during her stay in Sanderson.

D. H. Cunningham and Joe Wilson were in town Tuesday from the Cunningham ranch north of Dryden.

Mr. and Mrs. Doc Turk were visitors in the city on Tuesday and Wednesday of this week from their ranch north of Dryden.

Attorney and Mrs. Walter F. Jones were visitors in the city the first of the week from their home in Del Rio. Mr. Jones was here on legal business connected with District Court.

District Attorney Julian LaCrosse, of Del Rio, was in the city this week looking after his duties connected with District Court.

Ranger Charlie Miller, of Kerrville, was in attendance at District Court here this week.

Fred Holland, of the Ranger force, with headquarters in Austin, was a business visitor in the city the first of the week.

"The Last Trail" Has Early Premiere

George O'Brien comes to the Princess Theatre Friday and Saturday, January 26 and 27th, in his latest Zane Grey story for Fox Film, "The Last Trail." It is scheduled to remain for an engagement of 2 days.

The story concerns itself with a group of racketeers from the big city who try to muscle in on a new racket. They have abandoned beer-runnng for cattle rustling, and make an attempt to transplant their hijacking methods from the canyons of the metropolis to the canyons of the primitive West. They encounter a new type of opposition in this new territory—the opposition of men more dangerous and daring than they ever dreamed of themselves.

"The Last Trail" is said to be a film that combines the sophistication of the East with the simple openness of the West. It depicts a new and different kind of winning of the West. With the attempt to introduce new methods of doing "business" among the cattle raisers, the story combines adventure, comedy and romance.

Claire Trevor, the young stage star who will be remembered for her recent screen debut opposite George O'Brien in "Life in the Raw" has the leading feminine role again in this one. Her rise among the newer players on the Fox Film roster has been a rapid one, and she holds great promise for a brilliant future as a leading lady of the films. The comedy of "The Last Trail" is in the hands of El Brendel, Matt McHugh and Lucille LaVerne.

Hon. Brian Montague, Judge of the 62nd Judicial District, was here this week from Del Rio presiding over District Court that is now in session here.

W. Van Sickle, of Alpine, was here this week having several cases in District Court that has been in session here this week.

Miss Mozelle Chenault returned Sunday from Dillsworth and Luling, Texas, where she has been visiting relatives, and has resumed her duties as governess at the Charlie Gregory ranch.

A large crowd of our citizens went to Fort Stockton Tuesday afternoon to witness the basketball game that was played between the High School teams of that city and this. The Sanderson High School band accompanied the boys on the trip.

IF YOU GET UP NIGHTS USE BUCHU AND GIN Make This 25c Test.

It is as valuable to the bladder as castor oil to the bowels. Drives out impurities and excess acids which cause the irritation resulting in getting up nights, burning, frequent desire, leg pains and backache. On account of the alcohol use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this cleansing. "Bohman Drug Store, says BUKETS is a best seller."

I now have a good line of guaranteed shoes that I can order to your measure; also boots.

TWO DANCES TO BE GIVEN COMING WEEK

Two dances are to be given this coming week, one to be held on the night of Tuesday, January 30th and the other on Saturday, February 3.

The dance to be given Tuesday night is being sponsored by the Rotary Club and the American Legion and is to be given in honor of the birthday of President Roosevelt. In addition to dancing there will be a nation-wide NBC hook-up. Funds from the dance will go to endow the Warm Springs Foundation in support of a world center for the study and development of methods of treatment for Infantile Paralysis. The dance is to be at the Masonic Hall.

The February 3rd dance is the regular monthly dance that is given by the local American Legion Post. It will be given at the C. A. C. hall. Bud Marshall's Varsity Orchestra will furnish the music for both dances.

J. E. Yates, of Alpine, was a business visitor in the city last Friday and Saturday.

How to Stop a Cold Quick as You Caught It

Take 2 Bayer Aspirin Tablets. Drink full glass of water. Repeat treatment in 2 hours.

Almost Instant Relief in This Way

The simple method pictured above is the way doctors throughout the world now treat colds.

It is recognized as the QUICKEST, safest, surest way to treat a cold. For it will check an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, see that you get

the real BAYER Aspirin Tablets. They dissolve almost instantly. And thus work almost instantly when you take them. And for a gargle. Genuine BAYER Aspirin Tablets dissolve so completely, they leave no irritating particles. Get a box of 12 tablets or bottle of 24 or 100 at any drug store.

AIRDROME NEWS

(By Radio Doc)

The weather has continued foggy, and the weather men balmy. This is not conducive to much flying.

The construction work at the port progresses in spite of continued inclement weather. A new room, for housing generating equipment, has been added to the old power house. That is, to say, the walls are up and a cement roof poured. The floor should be laid soon, and the plaster and stucco work is but a matter of small moment to such a one as Mr. Breeding.

Mr. Pitt and Mr. Claunch, civil service, from Fort Clark, have been masters and have mastered the work of rebuilding the hangar. New walls and roof, cement curbs around walls garages and storehouse and every minute's work is complete and excellent. These gentlemen have worked quietly and most efficiently for a month and have performed a very good job, well indeed.

Two more new arrivals were welcomed to the field last weekend. Sgt. Richardson returned from Johnson's ranch bringing two kid goats. Now when the Corporal gets his ring-tailed-stemwinder, there will be a completely stocked menagerie for the edification of the thrill-seeking public. Just another attraction added to the many services of the airport.

Mr. Jimmie Skinner arrived some time, taking the place of Jack Bell in the radio station. Everyone misses Jack, but it is certainly a break to get Jimmie to replace him. This is a fair exchange as one could expect. Jimmie has not assumed his ethereal duties as yet, but as soon as the construction work is well enough completed to spare his expert services, he will ornament the station with his august presence. Yep—that's right, Jimmie Skinner—adonis to you, gels.

This office (ahem) wonders how the labor would ever be accomplished at the drome were it not for Miller and the weather men. This is the unconquerable trio of the labor battalion. If they could sing as they work there would be no need for radios this side of Marfa or Del Rio. Miller and Lamontagne started for Fort Clark, Monday. Their intentions were to mark emergency landing fields enroute and bring back some coal and other merchandise. Miller sez the coal is absolutely necessary and indispensable. When his friends from town come out to wash, they must have hot water and current to iron with.

Then, the third and biggest half of the three, Mooney, is the cement throwingest boss outside the air corps.

Advance information has it that a flight of ships, flown by student pilots, will be by during the first ships and total number, is not available at this time, but definite information will be published when received. A group of this sort furnish an interesting spectacle to the air minded and usually these fledglings can really fly and treat the observers to an exhibition of skill in handling the stick.

Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that castor is the best laxative for every body. Some is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on castor for its laxative action. It has the average person's bowels as regular as clockwork in a few weeks' time.

You can always get Dr. Caldwell's Syrup Pepsin at any drugstore, ready for use. Member N. R. A.

broadcast listeners in this section find a flock of radio bugs sliding down their antennae, they might watch in Homer's direction and see if the flight is from there. But Homer shows promise of constructing and operating a real "Ham" station. Power to you, 'fallar', you'll need it.

Enlisted men of the army figure in a tentative plan proposed in Congress. It is suggested that kidnapers who are convicted of having killed their victims, shall be executed by a firing squad of twelve enlisted men. Wonder how many changes in personnel this will effect. Some fathers would say, "the enlisted man gets all the breaks."

Some dealers are erecting beer signs at \$100 each. We have seen some very good walking beer signs, which cost only two-bits a bottle. Only some didn't walk very straight.

A great deal of interest has been evidenced in this amateur radio. It is really one of the most fascinating pastimes one, any age and any connection, might select. Communicating with operators in all parts of the world, listening to programs from foreign countries, and talking to friends near and far. The operators at the port would be pleased and happy to talk it over with anyone caring to ask.

Mr. and Mrs. Waterman visited for awhile Wednesday afternoon. Mr. Waterman represents the radio division of the Department of Commerce Airway Service.

Very glad to have you call, and come back again.

We will be with you again next week at this same time. Turn the dial to the same place. Yours--

WORLD'S DAY OF PRAYER TO BE OBSERVED

The World's Day of Prayer falls this year on February 16, (first Friday in Lent), and will be observed by the Women's Missionary Societies of Sanderson in a union meeting at the Methodist Church.

This world-wide Day of Prayer began in 1927 and last year more than 50 countries kept the day together. The day begins in New Zealand and the Fiji Islands and finally ends in the evening in Hawaii.

The object of the day is to pray for world peace and the breaking down of race prejudice.

Further announcement of the time of the program will be announced later.

To The People of Sanderson: Dear Friends and Christian People of this town:

I just want to let you know that I have been here this week conducting services every night with very good attendance and many persons have made profession of faith every night and we all are enjoying a very nice time.

Rev. Taylor of the Methodist Church was there one night and Rev. McCall of the Presbyterian Church, and the Mexican people were very happy that these brethren came to see them. Nothing is more needed here and nothing will accomplish for the good of this town as the conversion of the Mexican people. The religion will bring both sections of the town in harmony and fellowship.

I have been coming here once a month, for nearly 3 months, but I would like to come more often and give more attention to the work. In

order to attend this Missionary work, I have to depend on the people of this community as the little that I am receiving from the Board of Missions do not help me to attend the needs of my family and the traveling expenses. The Mexican people who attend the church are poor people and they cannot help very much though they are doing what they can. If any feel interested in this Missionary work pray for us and if you can give any help toward this work in order that I may come more often you can see me, or Rev. Taylor or Rev. McCall.

I am Yours in His Big Work, Rev. Constantino Gonzalez
