Parents and Teachers Hold Three-Day Convention

MORE THAN FIFTY OFFICERS
AND DELEGATES ATTEND
THREE-DAY SESSIONS

Marfa Host in 1935

Visitors High in Praise of Local
Organization's Well Planned
Program and Hospitality

The sixth annual conference of the 15th District, Congress of Parents and Teachers convened in Sanderson this week, the session opening Tuesday afternoon and closing Thursday at noon. More than fifty delegates from West Texas counties were in attendance, in addition to many officers from all over the district.

Many outstanding speakers were present as well as prominent State officials, and visitors.

On Tuesday afternoon the session was taken up in registrations and meetings of the different boards. Mrs. E. H. Marek, first vice president, Texas Congress of Parents and Teachers, gave reports on the Congress resolutions, revisions and policies. Mrs. J. V. McCall gave a reading, "Every Child."

At the Wednesday morning session Mrs. Marek conducted a drill on Parliamentary Procedure. Mrs. A. P. Utterback, chairman of the Endowment fund, gave a report at this time.

In the afternoon, Supt. R. H. Blackman of the McCamey schools, gave a very interesting address on "Community Standards Necessary for Adequate Education." Mr. Blackman, in his talk, told of the tax situation and how levied for school purposes, and brought out many good points and thoughts to the conference. Other business of the afternoon included reports from the various councils and local associations.

Memorial Service
At the opening of the afternoon session a very impressive memorial service under the direction of Mrs. J. W. McKee of this city was given. In the center of the back stage was a huge grandfather clock, representing Time. Through the clock step-children of all nationalities, showing that the association was taking care of all children, regardless of race or color.

At the night session all State and District officers and local presidents were seated on the platform. Several numbers by the high school band were enjoyed, and the girls' glee club, under the direction of Miss Noble, sang the song, "Parent-Teacher." Invocation was given by Dr. McCall.

Two Noted Educators Speak

The convention at this time was addressed by two outstanding educators, each leaving good thoughts with an appreciative and attentive audience.

Rabbi Joseph M. Roth, an instructor in the School of Mines, El Paso, was the first to address the gathering. Taking as his subject, "Community Influence on the Spiritual and Ethical Life of the Child," Rabbi Roth handled the topic in a very methodical and inspiring way. He stressed the fact that the home was the center of community life, and that it was there that the child was trained in character; how to live, and that the home was where the child should be trained and prepared to take his place in the community. He also stressed that the spiritual life of the child should not be neglected and that this training was obtained not only in the home but in the church. That the community life, its social features and modes of entertainment should not be neglected, and that it was the duty of everyone to see that these influences outside of the home were of the best.

Dr. Lucinda L. Templin, Principal, Radford Schools for Girls, El Paso, brought a most inspiring as well as helpful message on "The New Ideal in Education." She is a woman of pleasing personality and voice, and held her listeners spell-bound throughout the entire address.

Dr. Templin stated that in the

new ideal for education there has never been a time when education was so much discussed by people who knew nothing about it as now. She said there are more people interested in discussing education than in acquiring it, and pointed out that there is a great difference between education and schooling—that education should go on after school days.

In discussing the new ideal in education, Dr. Templin stated that during the past 20 years there has been a constant succession of new schools, of schools closing their doors, and constant criticism of existing educational aims and ideals.

"In the future our education will be to train our youth to be good citizens, or for social usefulness; teach them to be good parents; to operate a home economically and efficiently; to help the youth of today to understand that education is an opportunity and responsibility; to respect the principles of authority in government; to teach women to think for themselves and to think clearly; to be prepared to be financially independent; to make the best use of leisure; to be socially useful, intelligent voter, interested in civil welfare."

Thursday morning the session was mostly devoted to the hearing of reports from the various committees. Mrs. Joseph B. Woolfolk, of Pecos, addressed the delegates on "Humane Education." A play, entitled "A Typical Parent-Teacher Meeting," presented by members of the Pecos-Crane council, was thoroughly enjoyed. Marfa was awarded the conference for 1935.

"The Child and His Community" was the general theme of the conference. A banner with the words in gold on a blue background was suspended back of the stage with this wording: "The Love of Childhood is the Common Tie Which Should Unite Us in Holiest Purpose." The national banner and emblem were also prominently displayed. Lovely decorations of pot plants and ferns adorned the stage. The wonderful exhibits of school work, posters, and year books, and publicity books, were praised by all present.

It would be impossible to give proper credit to all who had a part in this conference. Suffice to say that there was nothing left undone by every citizen of this city to add to the pleasure and comfort of all guests. The whole town responded nobly, the faculty, the entire student body of the school, the boy and girl scouts, all members of the local organization and others who are not members, all vied in dispensing courtesies and a hospitality that is hoped will be long remembered by all who attended this conference.

The following list of visitors, both officers and delegates attending the 15th District convention of Parent-Teachers, as taken from the register at the school building, follows:

Plans Complete for Dryden's Rodeo

The people of Sanderson and surrounding counties are reminded that they have an urgent, pressing invitation to the big rodeo and barbecue scheduled for May 4 and 5th, at Dryden. The rodeo events will be held on the spacious field of the airport, and the dancing each night will be on a specially built concrete platform, 40x60 feet. Music will be furnished by the Seven Madcaps, an orchestra from Fort Clark.

Sergeant Richardson, station at Dryden, reports that many improvements are being made around the airport, and this will be an opportunity to not only enjoy two days of carefree diversion, but to inspect the station, the radio station, and maybe take a shashay in one of the planes.

Sponsors of the rodeo are Jess Haley and Charlie Turk, who will be glad to furnish any information if you address them at Dryden.

John Tyler Shot to Death at Alpine

John Tyler of this city was shot and killed in an Alpine cafe last Sunday morning, and Jack West, 45, Brewster county rancher, surrendered to officers following the shooting.

News reports state that West entered the cafe where Tyler was eating breakfast and, according to witnesses, said as he approached Tyler, "I thought I told you never to come back here again."

To this, testimony brought out, Tyler made no reply. West then pulled out a pistol and fired four times, all bullets striking Tyler, who slumped to the floor. Friends removed him to a hospital where he died two hours later.

Examining trial for West was held in Alpine Monday and his bond was set at \$5000, which had not been made late Wednesday evening.

West has lived in Alpine for more than 20 years and operates a small ranch six miles west of that city.

Young People to Attend Rally

Mrs. W. H. Savage will chaperon members of the Young People's Society of the Presbyterian church to Del Rio on Saturday to attend a District Rally. Cars will leave Sanderson at 6 a. m.

ERIC ANDERSON SEEKS ELECTION AS COMMISSIONER NO. 2

Eric Anderson, popular young business man of Dryden in Precinct 2, has authorized the Times to present his name as a candidate for Commissioner of that precinct.

Mr. Anderson has been a resident of this county for the past five years or more, coming from Ozona, and was engaged in the ranching business for a number of years, being employed as foreman on the Charlie Schauers ranch.

He asks careful consideration of his candidacy by the voters of Precinct 2, stating he will appreciate any support or influence they can give him in the coming election.

Mr. and Mrs. Malone Mitchell spent several days in town this week from their ranch.

Rites for Pioneer Held Here Friday

Funeral services were held here last Friday afternoon for Paul Tarver, pioneer resident of this county, who died suddenly Thursday afternoon. R. N. Allen of the Church of Christ, held the services at the graveside.

Mr. Tarver was at the home of Jim Boden, playing the violin, when he complained of feeling bad. Getting up from his chair he walked over to the bed and layed down. Death struck him and he passed away before medical aid reached him.

Born in Coffeyville, Upshur county, Tex., January 22, 1873, he spent his entire life in Texas. He moved to McCulloch county in 1875, with his parents, and there grew to manhood. The family moved from Brady to Pecos county in 1900 and he has resided in Pecos and Terrell counties ever since. For a number of years he drove the stage from Free to Sanderson. His parents, Mr. and Mrs. James Lafayette Tarver, were pioneer Texans. For the past few years Mr. Tarver had been making his home here with Mr. and Mrs. Rufus McDonald.

Survivors include one brother: Jim Tarver of Ft. Stockton; two sisters, Mrs. R. P. Simpson of Seagraves, Texas, and Mrs. Lucinda Allen, Casabel, Ariz. None of these were able to reach here in time for the funeral.

Active pall bearers were E. W. Hardgrave, Fred Talbot, Hugh Ruston, Jesse McDonald, Rufus McDonald and John Nichols.

Seniors to Present Annual Play 26th

The annual senior play will be presented next Thursday, April 26, at the high school auditorium, at 8 p. m. Miss Mildred Williams is directing the play this year.

Preceding the play a fifteen-minute musical program will be given by the high school band under the direction of Mr. C. C. Cammack.

The play, which is a typical school college comedy is in three acts. The plot revolves around the disappearance of a famous jewel known as the Emperor's Emerald, and causes much concern in the Theta Phi House, especially since it is surmised that a band of college youths is guilty of the theft. The advent of a young woman who, after an automobile accident, fails to remember her identity, adds to the excitement, especially after the loss of a string of pearls and, to the consternation of all, the gay little Irish maid proves to be the accomplice of the thief, and the mysterious visitor, a detective. To this excitement is added the thrill of a football victory as told over the radio, the "companionate engagement" of Theodora and Hal, whose purpose is to bring Bettina to terms, and which proves to be an engagement that reacts upon the parties involved, and the happy ending of a romance began eleven years ago, all of which may happen these days on any campus of a co-educational institution.

The following students will take part in the play: Mary Arrington, Beatrice Nichols, Thomasine St. Clair, Mary Jane Carson, Lucille Blount, Bernice Nichols, Ellen Appel, Dorothy Sullivan, J. R. Black, Jr., Hollis Haley, Benoit Carpenter, Richard Haley, Florine Thompson, Maybelle Schupbach, A. C. Clatfelter, Jr., Herbert Brown, Billy Ferguson, Eugene Litton, Mildred Underwood, Felipe Escamilla, and William Rodriguez.

On Honor Roll
Marybelle O'Bryant of Sanderson, student of Westmoorland college in San Antonio, is listed on the "B" honor roll of the school for the third period, according to announcement made by Dean G. D. Pickens. She is a members of the Freshman class.

John Tyler Laid to Rest in Home Town

Funeral services were held in Sabinal Monday afternoon at four o'clock, at the home of Mrs. H. G. Peters, for John Tyler, 26, whose death occurred in Alpine Sunday morning. Rev. Clements of the Baptist church of that city, held the services.

John William Tyler was born in Sabinal, Texas, December 5, 1908, and most of his life was spent in that city. For the past 9 years he had more or less made his home in Sanderson. He was a likeable young man, made many friends and his untimely death is regretted by all.

He is survived by his father, A. N. Tyler of this city; one brother, Hal Tyler of San Antonio, and four sisters: Mrs. O. H. McAdams of this city, Mrs. David Crews and Mrs. H. G. Peters of Sabinal, and Mrs. N. S. Jones of Lou, Texas, all of whom were present at the funeral. He also has a host of other relatives and friends, who mourn his passing.

The beautiful floral offerings and the large gathering of friends attested the high esteem and regard in which the deceased was held.

The Times joins the many friends of the family in this city in extending heartfelt sympathy to the bereaved loved ones in the loss of their dear one.

LEE COOK SEEKING ANOTHER TERM AS TERRELL'S SHERIFF

Lee Cook, who has held the office of sheriff and tax collector of this county since 1930, asks, through the column of the Times that the voters consider his candidacy for re-election to that office.

Needless for the Times to say anything introducing Mr. Cook to our readers. He has been a resident of the county for many years, and is well and favorably known, in this section of West Texas.

During his tenure of office, Mr. Cook has made an enviable record as a peace officer, striving at all times to enforce the law without fear or impartiality. His years of familiarity with the duties of the office, and the general satisfaction he has given, certainly qualifies him to handle the job in a business-like manner.

Following is Mr. Cook's appeal to the voters of Terrell county:

To the Citizens of Terrell County:

I hereby announce my candidacy for re-election to the office of sheriff and tax collector and assessor.

During my tenure of office I have received the most hearty cooperation of the citizens of this county for which I am very grateful indeed, and without which no officer could hope for success in this line of duty.

We are known as a community of peaceful and law-abiding citizens and may this condition continue. I assure you that if honored with re-election I shall continue to do my very best to enforce the law in the future, as I have endeavored to do in the past.

I shall sincerely appreciate your vote, friendship and good will in the coming election.

Yours very truly,
LEE A. COOK.

ROTARY CLUB ELECTS

At the regular weekly meeting of the Sanderson Rotary Club, held last Wednesday at the Kerr Hotel, the following officers were elected for the ensuing club year:

Lynn Harrell, president; W. J. Ferguson, vice president; L. M. Baze, secretary; Jim Kerr, secretary; Dr. James C. Sharp, sergeant-at-arms; Judge G. J. Henshaw and C. J. Watts, directors.

The new officers will be installed July first.

Mrs. Elmer Schwalbe spent last Saturday and Sunday in Langtry visiting with her parents, Mr. and Mrs. A. Billings.

It Happened in Sanderson TEN YEARS AGO THIS WEEK Do You Remember?

Born to Mr. and Mrs. Carl Cochran, Tuesday, April 15, a girl.

Mrs. W.C. Cargile and baby came in the first of the week from Uvalde where they had been visiting relatives for the past few months.

Jesus Vidal of the Southern Pacific company repaired the county jail this week, fixing up several of the doors and locks. The commissioners, after inspecting the work, decided they now had an escape-proof bastle.

W. A. Oatman of Alpine has been awarded the contract to build a modern concrete garage for Jimmy Keefer in connection with his filling station here.

The contestants of the Sanderson high school left Friday morning for Alpine to enter the district interscholastic meet.

The baseball game with Marathon this week was a thriller from the start. First one team took the lead only to be passed by the other. At the last half of the ninth the score stood 15-11. By some means Minton reached third, and Duke, with his wrecking club, clouted the pill to deep center, and it was all over but the shouting. Sanderson 16, Marathon 15.

Chevrolet Names 100-Car Salesman

Detroit.—Checks totaling \$73,650 are being mailed this week to nearly 982 Chevrolet salesmen all over the United States, who qualified for membership in the Chevrolet 100-Car club by their automobile sales performance in 1933. The announcement was made today by William E. Holler, general sales manager of the Chevrolet Motor company.

Mr. Holler also announced the national officers of the club, selection of whom is made each year on the basis of new car sales. These officers are president, G. L. Carlat of Chicago, 391 new cars; vice president, Wesley Perry, Pittston, Pa., 285 new cars; secretary, A. H. Cooper, Chicago, 281 new cars, and S. M. Strott, Chicago, treasurer, 243 new cars. All three Chicago men are connected with the same dealership, Nelson Chevrolet Sales.

Besides the cash award of \$75.00 and a parchment scroll recording the award, each member of the club receives Chevrolet's gold 100-Car pin, while repeaters, who already own the pin, receive an additional diamond thereon for every year in which they make the club.

Since Chevrolet has led the entire industry in sales for five of the last seven years, membership in this honor roster is a coveted distinction identifying its holder as a leader in the world's greatest retail selling organization.

Joe Matthews visited with relatives and friends in Fort Stockton Sunday afternoon.

Charlie Schauers was in town last Saturday from his ranch north of Dryden. Mr. Schauers had a quantity of dead wool that he was trying to dispose of.

Sanderson Trims Mexican Team in Season's Opener

Baseball had its formal opening last Sunday when a picked town team tangled with the Mexican team last Sunday at Legion Park. To limber up the muscles, the old soup bones, and to see if the Charley horses were behaving the old-timers took on the high school team Saturday, taking them six innings to make a single hit. However, old J. Pluvius with his watering can intervened before they gave out completely, and the game was called, the town team leading, 3 to 2.

The game Sunday was better and was featured by a brace of home runs, one by Buchanan, another by Anderson, and Buchanan's work on the mound. He held the sons of Montezuma hitless for six innings, and turned thirteen of them back via the strike-out route.

A fair size saw the game Sunday, the gate taking in about enough for a couple of new baseballs.

Here's the dope:

First Inning

Postos fanned. Louis rolled out to first. Salvas whiffed.

Robertson slammed one down the third base line for for two bases. Stirman missed three. Robertson and Bodkin tried the squeeze play, but it went haywire. "Shorty" was tagged at the plate. Bodkin out, short to first.

Second Inning

Satello popped to left. Ben struck out. Guenero dribble to first was booted by Anderson. He stole second and died there when Ochoa went out short to first.

Lopez safe on short's error. Anderson hit to short who tagged second. Lopez out. Nance singled thru short, but was doubled when Bogusch hit to short—short to second to first.

Third Inning

Perez swung at three, missed. Suano out, short to first. Postos fanned again.

Lea swung at three and sat down. Buchanan's long fly to left hopped the fence for a round trip. Robertson, walked, stole second. Stirman out, short to first. Ochoa dropped Bodkin's fly, Robertson went to the look-in station. Bodkin stole second and he and Robertson tallied when Louis booted Lopez's grounder. Lopez went to third as the result of wild throwing, and came home on a passed ball. Anderson popped out to pitcher.

Fourth Inning

Louis got a free pass, stole second while Salvas popped to first. Andy gave Satello a new life when he erred on his grounder. Louis tried to pilfer third, but Bodkin nailed him. Ben rolled a teaser to short, which couldn't be fielded in time to cut him off at first. With two on Guenero rolled one to Buchanan—out at first.

Nance out, short to first. Bogusch swung like a brand new gate but that was all. Lea singled to the right garden, but was left on base when Buchanan miss triplets.

Fifth Inning

Ochoa struck out. Perez ditto, and Suano rolled out to Anderson. Robertson flew out to shortstop. Stirman out, short to first. Bodkin's foul fly was taken by catcher.

Sixth Inning

Postos fanned again. Mexico got the first hit of the game when Louis slammed one down the first base line. Salvas out on roller to first. Louis going to second. Ben fanned.

Lopez out on fly to pitcher. Anderson hit long fly to left that hopped over for the circuit. Nance punctured the air. Bogusch drew a pass; Louis booted Lea grounder, Buchanan's grounder to short forced Lea at second.

Seventh Inning

It was lucky seventh for the Mexican lads. Ben rolled out, pitcher to first. Guenero walked got second on passed ball. Ochoa doubled to

right and scored him, and Ochoa also counted when Perez drove one to deep center. Suano fanned.

Robertson out on dribbler to first. Stirman's drive was too hot for Guenero to handle. Bodkin was hit by pitched ball. Lopez called out on strikes. Error by Guenero of Anderson's grounder loaded the bases. Nance hit to third, who tagged the base, forcing Bodkin.

Eighth Inning

Louis and Salvas tied when they missed three apiece. Satello doubled to deep center, and was left as Ben failed to hit three.

Bogusch walked. Lea's fly was taken by second. Buchanan swung wildly at three. Robertson out on roller to first.

Ninth Inning

Guenero singled to right. A long fly to left by Ochoa fell in Nance's pocket. Perez hit to Robertson and Guenero was forced out at second. Suano had the honor of the last strike out.

The box score:

"Somewhere in Sonora" Is Western Filled With Action and Thrills

One of the fastest moving, thrilling western pictures that has come to the screen in many a month will be seen at the Princess theatre next Friday and Saturday, April 27 & 28.

"Somewhere in Sonora," produced by Len Schlesinger, and released by Warner Bros., brings to us John Wayne and his wonder horse Duke, who proves as good an actor as any human member of the cast.

The picture contains a rodeo with none of the exciting details missing, and is topped by a stage coach race in which one of the stages loses a wheel while going at breakneck speed.

In this incident which forms the starting point of the story, John Wayne is accused of causing the accident, and escapes across the border into Mexico on a search for his employer's son thought to be mixed up with a bandit gang.

His initiation into this gang provides some exciting examples of fast shooting and knife throwing. The picture is so crammed with action and suspense that it is one of the most enjoyable of the current day western thrillers.

Don't miss "Somewhere in Sonora," at the Princess, April 27 & 28.

FROM THE AIRDROME

(By The Old Man)

You should see the radio towers, two expert painters are now applying orange and black paint to them. That is what doesn't stick on the men. They claim that this is what they did for a living before coming into the service, probably so, but nobody would ever take these two boys to be painters after seeing them in action. The work will be finished soon, so what's the difference.

Word has been received that there will be at least ten large commercial airplanes on hand for the rodeo on May 4 and 5. Each will bring passengers to the show. We might be able to chisel a free ride after we see what the riders and ropers can do. Those who would care for a hop shall have it. Just let us know your wants.

We regret that the rodeo will be during school. However, it is not believed that the children care much for this kind of sport. Guess its just as well that they will be in school on the big day, Friday, and those who care to may come on Saturday.

We are all glad to see Bro. Taylor back home again and looking his old self once more.

Constance entertained the young bunch Saturday evening. Games were played after which refreshments were served. All seemed to have had a good time from the noise they made.

Nobody wants his picture taken while he is eating. While you are eating you want to act human.

There ought to be a school in which women are taught to be reasonably selfish.

A great many people today feel they have grown broad-minded, when they have only grown cheap.

It has been said that if some children were given something lasting to their seat of learning much better results would be had. It has also been said that were some of the grownups who act like small children given some of the same to their seat of knowledge, they would act different when dealing with men.

We need a doctor. Don't all come at once.

NOTICE

Bring your dead wool to me, cash paid and at top prices. LOUIS WILSON.

Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the right dose of a properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It gently helps the average person's bowels back to regularity.

You can always get Dr. Caldwell's Syrup Pepsin at any drug store, ready for use. Member N. R. A.
