LOWEST CRIME

In spite of drastic legislation recently passed by some states, making kidnaping a capital offense and punishable by death, the "racket" continues to flourish.

The more this column thinks of present-day crime, the more does the plan of Gen. Smedley Butler appeal.

Well, we're glad to see Sanderson showing evidences of life. Legion field is being put in shape for the baseball season.

It looks as if Uncle Sam is going to have to swallow a bitter pill, not to cure himself, but the militant, arrogant Japanese Empire.

School Board Holds Its Regular Monthly Meeting

NEW MEMBER IS INDUCTED; ASK BIDS ON SCHOOL BUS ROUTE BETWEEN DRYDEN AND SANDERSON

A meeting was held Tuesday morning in the office of Supt. B. J. Brannan at the high school by the members of the school board.

At this time officers of the board were elected as follows: E. W. Hardgrave, president, and W. H. Savage, secretary.

The trustees at this time ordered that a call for bids, to select some one to drive the school bus from Dryden to Sanderson for the next two years, be published in the Sanderson Times.

Mr. Eugene Peoples, who has been driving the school bus for the past two years, will leave shortly after the close of the school year for Valentine, to make his home.

Following the above business, the board adjourned.

Mrs. Druse Winner Of First \$15 Prize

With the inauguration of "Money Night" at the Princess theatre, a large crowd was present at the theatre on Monday of this week to see the picture "Let's Be Ritzy."

The lucky number Monday night was 538, held by Mrs. W. M. Druse, who was present and received the cash prize.

On next Monday night another award of \$15 will be made, and all patrons of the Princess are asked to be sure and save their coupons, and be on hand that night, as the one whose number and name is drawn must be present, and also must produce the duplicate coupon.

There are no conditions attached to winning this liberal prize, aside from that of being present and holding the duplicate of the number drawn. All coupons are good until the end of the eight weeks during which the prizes will be given.

Injured By Hail

J. C. Hunt, of the B. & B. department of the T. & N. O., was here this week on his monthly inspection trip. While nearing Dryden Tuesday afternoon, on a hand car, he ran into a heavy hail storm and before he could seek shelter was hit several times, one large hailstone causing quite a lump, while another cut a gash on his hand.

Chester Smith, Dryden, In Commissioners' Race In Precinct Number 2

Chester Smith, Dryden merchant, and resident, places his name before the voters of precinct No. 2 this week as a candidate for Commissioner. Mr. Smith has been a resident of Terrell county for several years and was engaged in the mercantile business here for several years before moving to Dryden where he is engaged in a similar business.

Mr. Smith has always taken an active part in community affairs, serving to the best interests of his community.

He asks that the voters of Precinct No. 2, Dryden, carefully consider his candidacy, and that any support given him will be appreciated. If elected to the office of county commissioner Mr. Smith states that he will perform the duties of that office to the best of his ability.

M. R. Lattimore Places Name in Race for Sheriff Assessor and Collector

M. R. Lattimore, for 6 years a resident of this county, throws his hat into the political ring this week when he announces through the columns of the Times his candidacy for the office of sheriff, assessor and tax collector.

Mr. Lattimore is well and favorably known to all the citizens of the county, and in placing his candidacy before the voters he states that he has no campaign promises to make, but that he wants and needs the office and should the voters of Terrell county see fit to elect him he will look after the many duties of the office to the best of his ability, and will appreciate any support that may be given him.

Youth Accidentally Shoots Self in Arm

Jimmy Cook, son of Sheriff and Mrs. Lee A. Cook, accidentally shot himself in the left arm Monday afternoon with a .22 calibre rifle.

Jimmy had been out horseback riding and hunting in the F. H. Young pasture west of town. In replacing the rifle in its scabbard, the trigger, in some way was thrown open, and when he started to mount his horse the gun discharged, the bullet passing through the fleshy part of the arm.

Jimmy hurried to town where the wound had prompt medical attention and an antitoxin serum administered as a precaution against lockjaw. The youngster is getting on nicely, attending school, and will soon be a k.

Field Day Events to Held By Students

As a fitting climax to the closing of the school term, which is drawing near, students of the Sanderson high school will desport themselves in an interesting program of field day events, on the high school campus, and in the auditorium. The program will start today (Friday) at 7 a. m. and will last through the biggest part of the morning.

The various events scheduled for competition are as follows:

Literary—Typing, essay writing, declamation, and debate. Musical—Vocal solos, instrumental solos, instrumental duets and quartets. Athletics—Playground ball, with first and second teams competing; girls' volleyball, both first and second teams; tennis for girls and boys, in both singles and doubles; 100-yd. dash, broad jump, high jump, shot-put, and chinning the bar.

The test for supremacy will be the closing event—a tug-of-war between the opposing sides. In the first tug-of-war there will be no weight limit, in the second contest no student weighing over 120 lbs. will be allowed to enter.

Much enthusiasm prevails among the students and each side is entering wholeheartedly into each and every event.

Seniors Have "Kid Day"

The members of the senior class of the Sanderson high school turned back the pages of Time Thursday and once more were kids. Each student came to school dressed as kids and really one would have thought that it was the first day for some. It was hinted that one or two of the girls had their dolls along, while the boys—well, they were just tiny kids, too.

At noon the class enjoyed a picnic lunch under the trees at the W. J. Ferguson home.

"Listening In On the Campus" Proves Enjoyable Comedy-Drama

The annual Senior play given last Thursday evening at the high school auditorium, was witnessed by one of the largest attendance of patrons and visitors to be gathered in some time.

The play this year was a college drama "Listening In On the Campus," presented in three acts, and was directed by Miss Mildred Williams, assisted by Mrs. Kenderick Harrell.

Between the acts several numbers were given, the first being the song "My Fraternity Pin," by the Seniors. A farm dance skit with Mary Ferguson, Joe Kerr, Jr., Jimmy Wilkinson, Campbell Kerr, Lloyd Utterback, Bobby Mason and Al Creigh, Jr., taking part, was well presented by this talented group of dancers.

The plot of the play revolved around the disappearance of a famous jewel known as the Emperor's Emerald. It's less caused much concern in the Theta Phi House. The drama was generously interspersed with humor, making a well balanced play, and in the gradual unraveling of the mystery of the jewel's whereabouts, histrionic ability was displayed by every member of the cast.

The following students took part in the presentation of this very entertaining play:

Mary Arrington, Beatrice Nichols, Thelma St. Clair, Mary Jane Carlson, Bernice Nichols, Ellen Appel, Dorothy Sullivan, J. R. Black, Jr., Hollis Haley, Benoit Carpenter, Richard Haley, Florence Thompson, Herbert Brown, A. C. Claffelter, Elly Ferguson, Felipe Escamilla, William Rodriguez, Eugene Litton, Mabelle Schupbach, Lucille Blount, Mildred Underwood, Lillian Halley, and Betty Barrett.

TEACHERS SECURED FOR VACATION BIBLE SCHOOL

Plans are going ahead nicely for the Daily Vacation Bible School which will begin May 21, and last through June 1. Parents are urged to see that their children take advantage of this unusual time for their spiritual training. Ages 4 to 12. Some teachers secured are Mrs. Roy Morris and Mrs. J. W. McKee for the juniors; Mrs. Jno. V. McCall and Mrs. C. J. Watts for the primaries; Mrs. T. M. Taylor and Mrs. Gayle Muzzy for the beginners. Other helpers and leaders will be announced later. A manual training teacher for juniors is needed. Who will volunteer?

BANK CLOSING AT NOON

For the past two weeks or more the Sanderson State Bank has been closing its doors during the noon hour—from 12 to 1. The closing of the bank at this hour was at the request of the insurance company with which the bank is insured, as during that time only one man is left at the bank, and the majority of our citizens are at home for the noonday meal. It is simply a measure of safety on the part of the insurance company. With this exception the banking hours will be the same as formerly—from 9 a. m. to 12, and from 1 p. m. to 4.

Last of School Nights Sunday

School Night will be observed on Sunday night, May 6, at the Church of Christ in this city with Bro. L. N. Moody of Ozona preaching. The girls' glee club of the high school will render several songs. This will be the last of a series of "School Night," for this term of school which started several months ago, held on the first Sunday night of the month at a different church.

Monte Wallace was in town Wednesday afternoon from the Downie ranch and reported that a good rain fell there Monday night and Tuesday afternoon which amounted to 1 1/2 inches.

Dr. J. L. Adams, Pioneer Physician Buried at Comstock

WAS PRACTICING PHYSICIAN IN SOUTH TEXAS NEARLY A HALF CENTURY. MRS. ELMO TAYLOR IS A DAUGHTER

Funeral services were held from the home of Mrs. Tom Herring in Comstock Tuesday afternoon for Dr. John Lewis Adams, 64, who died Monday afternoon in Del Rio.

Dr. Adams, who was the father of Mrs. Elmo Taylor of this city, was a frequent visitor in Sanderson, and was well and favorably known by many of our people.

For many years Dr. Adams was the only physician serving the Comstock, Juno and Ozona communities and section west. Although he had retired to his ranch, need of a physician in that section forced him to resume his practice in 1912.

Dr. Adams was born in Joplin, Mo., the son of Mr. and Mrs. John Lewis Adams, Sr. He attended public school in Joplin, the University of Arkansas and graduated from the School of Medicine in Birmingham. He was married to Miss Nancy Keltus, daughter of Dr. and Mrs. Wm. K. Keltus, in Oklahoma 46 years ago, bringing his bride to this section. Mrs. Adams died in Fort Stockton in 1912. He remarried in 1914 to Mrs. Viola Earnwood of this section, who died in 1924.

Survivors of Dr. Adams are three daughters, Mrs. Elmo Taylor of Sanderson, Mrs. Tom Herring of Comstock, and Mrs. Winnie Rhodes of Del Rio; a daughter-in-law, Mrs. W. L. Adams of Del Rio; eight grandchildren, Elmo and Leurline Taylor of Sanderson, Clayton and Ruth McDaniel of Comstock, Leon, Beverly and Stephen Schaubert of Carlsbad, N. M., and W. L. Adams, Jr., of Del Rio.

P. T. A. Installs Officers for 1934-35

The regular meeting of the Sanderson Parent-Teacher association was held on Thursday afternoon, May 3, at 4 o'clock, in the high school auditorium.

The subject for discussion at this meeting was "Mother's Day," and Mrs. Joe Nichols was the leader.

During the preliminaries the Sanderson high school band played several selections under the direction of Mr. C. C. Cammack. Mrs. H. R. Lawrence led the assembly in prayer, and Miss Louise Noble led the assembly singing.

During the business session officers for the new year were installed. These officers, elected at the March meeting of the association are as follows: Mrs. D. L. Duke, president; Mrs. W. E. Grigsby, first vice president; Mrs. M. E. McSparren, second vice president; Mrs. Clyde Higgins, third vice president; Mrs. A. D. Brown, secretary; Mrs. Sam Harrell, treasurer; Miss Corinne Fox, parliamentarian; and Miss Dorothy Lovell, pianist.

The children of the first and second grades gave a May-pole dance under the direction of Miss Lorine Barker and Mrs. Adkins.

On the main program of the afternoon Mrs. A. D. Brown talked on "School Education," and the glee club sang, under the leadership of Miss Noble.

Anna Lee Allen gave a tribute to "Mother."

Mr. Jason Morgan gave the report of the room attendance.

This was the last meeting of the association for the current school year.

D. M. F. C. to Meet

The Davis Mountains Federation of clubs will hold their semi-annual meeting at Fort Davis on Saturday, May 12th. Miss Minnie Fisher Cunningham, associate editor of the Extension Service News, A. & M., will be one of the principal speakers.

Ranchers Optimistic Over Showers of the Past Few Weeks

"A shower a week, makes the livestock sleek." This seems to be the motto of our old friend, J. Pluvius, whom the Greeks, before they got into the restaurant racket, credited our rainfall. While this particular good has not been over-generous, he has not been entirely stingy, and at least one shower a week has been his program for the past month.

Slightly heavier was the shower which fell here Tuesday evening, of longer duration, and the one that done the most good to date.

Wednesday morning, every creek in the vicinity of Sanderson had the appearance of a babbling brook; cattlemen, sheepmen, and ranchers in general are smiling, broadly, over the fact that it hasn't forgot how to rain, not yet.

Reports reaching the Times from different sections of the country are to the effect that heavy rains fell in Alpine and on the ranges north and east of that city, noticeably heavier towards the east. Ranchers in this section report all surface tanks filled and the various creeks running big.

At Dryden the rain was accompanied by hail Tuesday afternoon, but no damage reported. At the Dan Ross ranch on Crow Nest, so severe was the hail that the roof of the ranch house was beaten in and all vegetation stripped. Fully one inch of rain fell in the Dryden section Tuesday afternoon and night, it was reported.

Horton Haley, in from his ranch south of Dryden, reported a good rain in that section, lasting well over four hours, the precipitation being slow, and would be of great help to the range.

All ranches north of here received good rains Monday night as well as Tuesday, and should put this section of the country in good shape.

Examines Children's Eyes

Dr. J. A. Swindell, optometrist, who has been in Sanderson for the past ten days, has been busy this week examining the eyes of the children in our public schools. He completed his examinations Wednesday and has mailed reports of his findings to the parents.

Dr. Swindell is an optometrist of note and had practiced in Greenville for a number of years. He is now in this section of the state looking for a permanent location, and came here from Fort Stockton.

Visitors From Fort Stockton

Guests of Mr. and Mrs. A. F. Thrift this week are her mother, Mrs. R. W. E. Hirst, her brother and wife, Mr. and Mrs. Tom Hirst, all of Fort Stockton. They motored over Wednesday and plan to return home today.

Civil Cases Heard In Justice Court

Justice of the Peace R. L. Henry held justice court here Monday at which time several civil cases were scheduled to be heard.

In a civil suit, styled John Harrison vs. John Martin, the plaintiff suing for the value of a mule in the sum of \$100, drew quite a large crowd and many witnesses were summoned. The following were selected as jurors: J. D. Nichols, Ruel Adams, Gerald Grigsby, "Andy" Anderson, Rufe Murrab and Ray Caldwell. After all evidence was heard the jury, after deliberating several hours, rendered a verdict in favor of the plaintiff, John Harrison, in the sum of \$10.00 Harrison was represented by Hon. Walter F. Jones of Del Rio, while Hon. A. E. Creigh, Jr., of this city, represented Martin.

The civil case of Sid Martin vs. H. C. Goldwire, in a suit for commission, has been set for trial May 15. Attorneys in this case are Julian LaCrosse of Del Rio, representing Martin, and A. E. Creigh, representing Goldwire.

A WORTHWHILE MOVE

The local American Legion Post should have the wholehearted cooperation of every influential group in Sanderson in their effort to carry on Scout work at the close of the current school term. Rightly the organization claims that without direction of their activities during the vacation period, these fine boys, the nation's future leaders, if you please, will be turned loose on the streets, aimless in their quest for amusements. And the Times does not hesitate to state that such a condition oftentimes leads them into lanes where might be encountered diversions of questionable nature. One thing is certain: youth will not remain idle. And another thing, they would rather indulge in clean, moral activity than otherwise. That the youth of the land have gone to the dogs is the height of calumny. If the efforts of the Legionnaires in Sanderson are successful, it will mean a lot for these youngsters. The suggestion that Duane Smith, a teacher in our schools, be retained for the summer to lead in Scout work, is wise. Many towns select a business man for this important work, and very often his business needs his attention when the Scouts need his aid, naturally, a substitute is called in. Mr. Smith, we understand, will be able to give full time to the work, on salary, with sanction of the board of school trustees. There should be no demur from the tax payers—it's money just as wisely spent as that for book learning, the courses taught will fit them for leadership in after life, teach them to be helpful, resourceful, independent. The Scout course is one you'll never find between the pages of a book.

THE REASON FOR FINANCIAL EXHIBITS

Judging by the number of investigations that are being made of the expenditures of our state and national officials there is a need for the development of an informed and intelligent citizenship.

The state law requires or permits county clerks, city clerks and other official tax-spending bodies to publish a statement of all claims authorized and ordered paid. The purpose of the law is to acquaint the interested citizens with the expenditures of the various units, to advise them as to just how and for what the tax money is being spent.

It was one of the wisest laws ever enacted from the standpoint of safeguarding public funds and insuring them against waste, extravagance

and misuse. When the controlling body knows that it must account publicly for every cent it spends and that every citizen is to be given the opportunity of scrutinizing every item of expenditure, there is a natural tendency to be careful and cautious in the appropriation of funds.

Without reflection upon anyone, we undertake to say that many unwise expenditures would not have been made had the governing bodies known that the full glare of publicity would be turned upon their monthly claims.

A newspaper is somewhat handicapped in advocating an extension of this policy to all tax spending bodies for the reason that it might be a beneficiary of the policy, for the published exhibit of claims is paid matter, and at least one newspaper, eligible to publish items of legal nature, will receive the business. At that amount of the cost is, the Times thinks, but a small insurance premium for the protection given.

WHAT GREAT MEN SAID ABOUT WORK

- Work is alone noble.—Carlyle.
- We live not to ourselves—our work is life.—Bailey.
- Better to wear out than to rust out.—Bishop Cumberland.
- Get work. Be sure it is better than what you work to get.—Mrs. E. Browning.
- Unless a man work he cannot find out what he is able to do.—Hammerston.
- It is far better to give work which is above the men than to educate the men to be above their work.—Ruskin.
- No work is overwork; the minds prey on itself, the most unwholesome of food.—Charles Lamb.
- It is not work which kills men, it is worry. Work is healthy; you could hardly put more on a man than he can bear. Worry is rust upon the blade. It is not the revolution that destroys the machinery, but the friction.—Henry Ward Beecher.

Many country newspapers in the 4-page class since early 1933, are now blossoming forth with extra pages—some to six, others to eight. All signs of prosperity may fail, but there is no delusion when the editor adds two or four pages. We venture that there isn't an editor in the country who does not take pride in each and every issue of his particular paper, and given half a chance will "strut his stuff" to the limit. Shine on, prosperity, and we don't give a darn if you sunburn us a little bit.

Dr. and Mrs. E. K. Halbert and sons returned Sunday from Fort Worth and Dallas where they spent the past week. They report a wonderful trip, and Dr. Halbert stated that much good was gleaned from the State Dental Association meeting, which he attended in Ft. Worth.

NOTICE

Notice is hereby given that the Trustees of Common School District No. 1, Terrell County, will receive bids for the transportation of school children from Dryden Community to Sanderson school for the 1934-1935 term, including children living along Highway No. 3 between Dryden to Sanderson, Texas. The mode of transportation shall be by Motor Bus, which shall be required to leave some designated place in Dryden at a designated time, to arrive at the various schools in Sanderson at a given time, and to return the children to Dryden at a given time each school day during said term.

All persons desiring to bid for the transportation of said children shall deliver his sealed bid to W. H. Savage, Secretary, School Board, Sanderson, Texas, or mail the same so that it will reach him at or before 2:00 o'clock, p. m., May 17th, 1934, when said bids will be opened and considered by the Board. The Board reserves the right to reject any or all of said bids, as in their discretion seems proper.

By order of the School Trustees this 1st day of May, A. D. 1934. 82c W. H. SAVAGE, Secretary.

Capt. Odneal Dies At Ft. Worth Home

WELL KNOWN PEACE OFFICER OF SOUTHWEST DIES BY OWN HAND IN FORT WORTH. ILL HEALTH GIVEN AS REASON

A shock to his many friends and acquaintances was the report of the death of Harry Odneal, Ranger captain, by his own hand, in his home at Fort Worth. Following is the Associated Press account of the tragedy:

Fort Worth, April 28.—Capt. Harry Odneal, 45, head of the Texas Ranger force in this district and a peace officer for 26 years, took his life at his home here today.

He shot himself with an old single action revolver which he carried during his early days as a peace officer in the then lawless Big Bend country. Funeral services were held Sunday at the First Baptist church in Sherman.

The ranger was recently granted a sixty day furlough because of ill health. He went into the bathroom of his home shortly after arising at 7 a. m. Saturday, and a few minutes later his wife heard a shot.

The career of Capt. Odneal as a peace officer began in Grayson county, where he became a deputy sheriff at the age of 19. Later he ranged in Pecos county, but soon returned to the law enforcement ranks as deputy sheriff at Fort Stockton.

As a ranger sergeant under Capt. Monroe Fox he participated in the cleaning up of the Big Bend country. He was stationed in the Ranger oil field during the boom days.

In March, 1933, he was assigned to Fort Worth to succeed Tom Hickman as head of the Rangers in this section. Ranger Leon Hanna will be in charge of the headquarters here until a permanent appointment is made by Governor Ferguson.

Captain Odneal is survived by his wife, three daughters, Misses Margaret, Vivian and Ada Odneal. Although Capt. Odneal seldom spoke of the "old days" tradition has it that 16 Mexican bandits were killed in one fight in which he participated.

Harry Odneal was known as one of the most effective peace officers in West Texas. In the boom days of the Big Ylake oil fields he was employed by the late Levi Smith as special officer of the company at a salary said to be \$500 a month. Later when McCamey was opened, he was the law in that town. He helped build the first hotel, the McCamey Hotel, in that city, and while he was an officer there kept out undesirables. There were no bad crimes. When McCamey settled down to the life of a quiet town he moved to his home in Fort Stockton, once the residence of Ira G. Yates. There he lived for some

time, ran for sheriff and polled a large vote.

A few years ago Mr. Odneal went to Fort Worth. The doctor told him he was not a well man, that he had better let his wife drive when on the road, that he might fall dead at the wheel.

His health has not been the best since that time and despite best efforts to care for himself, he seemed to fail to improve. He worked at his job strenuously.

Mr. and Mrs. Joe F. Brown, Mrs. M. J. Shurley and Miss Clara were among the Sanderson visitors that attended the historical pageant presented in Alpine last Saturday evening.

Mrs. W. H. Savage and son, Mmes. D. L. Duke, R. S. Wilkinson, Earl Adkins and Miss Eva Jo Stanley, made up a party that motored to Alpine last Saturday to see the historical pageant.

ASK THAT ARRANGEMENTS BE MADE TO CARRY ACTIVITIES THROUGH SUMMER UNDER EFFICIENT LEADERSHIP

The following letter, addressed to the members of the Sanderson school board, by the local American Legion Post, is self-explanatory:

"In explanation of this letter, permit me to say that with the assistance of Professor Brannan and Professor Duane Smith, the Clarence Hallie Mulkey Post No. 160, American Legion, has assisted the Boy Scouts of Sanderson to re-charter their Scout organization, and have contributed financially to assist them in re-establishing their Scout organization. This far Professor Brannan and Professor Smith have made it possible for the Scout boys to use basement rooms in the old school building, and these rooms have been fitted up by the boys into most presentable Scout quarters. The boys have taken a keen interest in their Scout work, and at the time we address this communication to you Professor Smith has forty-two splendid young boys, divided into approximately four patrols, under his personal direction as their Scoutmaster. They have been and are now conducting Courts of Honor and we safely state that at no time have the boys shown a greater interest in the work than at present.

Airdome Chatter

(By The Old Man)

Well, folks, the stage is all set and we are ready to give each and every one of you a hearty welcome when you come to our rodeo today and Saturday. We have left nothing undone to mar your pleasure and are glad to have you as our guests at this time. We want each and everyone to feel at home, to inspect our port and get acquainted with the personnel and really see what a good thing you have here.

Several ships stopped here last Saturday for refueling on their way to the Johnson ranch. We hope that soon air traffic will pick up.

We still have hopes of completing the hangar floor and hope that soon we can announce through this column that work has started on same. We already have a concrete floor 60 by 66 feet where the dances will be held during the rodeo. When the entire floor is put in there will be a space of 66 by 120 feet concrete which will provide an ideal place for a tennis and basketball court.

Completes School Census

Mrs. Theresa Dawson, who for the past month has been taking the scholastic census for Terrell county, has completed her work and this week announced to a Times reporter that there are now 641 children of school age in the county. This is an increase of ten over the past year.

Mr. and Mrs. A. M. McCright arrived Tuesday afternoon from their home in Anson, Texas, to visit their sons, E. H. and Jack McCright and families. They were accompanied here by Mrs. Jack McCright and her brother, Joe Hill. Mr. and Mrs. A. M. McCright and Joe Hill plan to return to the respective homes today, Friday.

A GOOD PICTURE PROGRAM AND A CHANCE TO WIN THE WEEKLY PRIZE OF \$15 TO BE GIVEN AWAY FREE.

Monday night, besides being money night, when some lucky person will win \$15, will afford entertainment you'll enjoy, when you see Lee Tracy, human dynamo, in action as a reporter for a world-wide news agency. The picture will show you scenes from the frozen wastes of the far North to sunny European villas. It's a Universal picture, and open with Tracy rushing from New York to Loon Lake, Canada, in an airplane to get the story of the crash of a disabled dirigible. He gets his story to tell the world, and immediately starts a trip to Europe, leaving a trail of high-powered action in his wake.

This picture, with Gloria Stuart and Roger Pryor will be seen Monday, May 7, at the Princess.
