NUMBER 34

DUCK QUEST OPENS HUNTING SEASON

Eagles and Bucks Deadlock In Game Last Saturday, 6-6

Long Pass By Alpine Snatches Victory From Locals

The Sanderson Eagles invaded Alpine last Saturday where they encountered the Bucks of that city. Their plans for a menu of "venison" was frustrated, for while they showed one little bite of that juicy morsel the Bucks retaliated by pawing out a handful of tail feathers from the local flock.

The main reason was that Alpine showed a decided improvement over the form in the early spring especially in their aerial attack, which accounted for their score in the final period, when a toss from the 25 yard line caught the Eagles flat-footed, and the Alpine receiver caught the ball in the end zone with the closest of the opposition ten feet away.

And then defeat for the Eagles was staved off with only two inches to spare, as the place kick for extra point hit the cross bar exactly in the center.

Over-confidence on the part of the Eagles might have something to do with the score, or it might have been the absence of Newton from the quarterback position. Twice the Eagles had Alpine backed against their own goal posts, but the extra punch was lacking to push the oval across.

Mussey Stars

Honors of the day were easily taken by Capt. Mussey of the Eagle squad. He got away for several long runs, one for 50 yards and our line touchdown. On defense, the work of Litton and R. Haley stood out. Twice when a Buck player got into the open and it looked like curdles for the Eagles, these boys materialized from thin air and brought them to earth.

For Alpine the work of Roberto, a hefty son of Montezuma, was outstanding. This swarthy son from the regions of Manana land surely dealt the Eagles misery after the first quarter, running wild behind some pretty interference on the part of Alpine's line. In the second quarter he made five first down in a row, taking the ball from Alpine's 30-yard stripe to Sanderson's 25 yard line. Sanderson kicked to Alpine's 10 yard line, and was returned to the

(See FOOTBALL Last Page)

Mr. and Mrs. Jim Kerr and sons, and Mrs. Joe Kerr left Sunday morning for San Antonio where they were called on account of the death of their brother, John Kerr, which occurred in that city Saturday night. They returned home Tuesday night.

Heads Texas OES

Mrs. Mattie Mitchell of San Antonio, who has been elected Grand Matron of the Order of Eastern Star, Grand Chapter of Texas. To be awarded this honor it is necessary to pass through four years of holding our other elective offices immediately under Grand Matron. (Texas News Photos.)

Legion Post Dance Friday Night, 9th

Next Friday evening, Nov. 9, at the C. A. C. hall here, the Clarence Hallie Mulkey Post No. 160, American Legion, music to be furnished by Cuco and his Seven Aces, an orchestra from Del Rio. An admission of \$1.50 will be charged those who dance, and the dancing will commence at 9 p. m. and last until 1:00 a. m.

Annual Carnival of P-T A. Is Success

A large crowd was in attendance Wednesday evening at the annual Halloween carnival, sponsored by the Parent-Teacher association, at the Grammar school building, and a nice sum was realized.

Many attractive booths were arranged and one of the most clever was the Baxter's Mammoth Museum, while the Room of Horror brought forth thrills to the old as well as the young. Many young people as well as the older ones had the fortune told while the homemade candy, popcorn and hamburger stands were well patronized. Many of the youngsters caught many prizes when they fished in the pond while the doll rack furnished amusements for others.

The carnival closed with a negro wedding which was the main feature of the evening. The "wedding" which was staged in the Grammar school auditorium, was witnessed by a crowded house, with Mrs. D. A. Pollard taking the part of the bride, and Judge G. J. Henshaw as the groom. Others taking part were Mr. and Mrs. D. L. Duke and children, Mrs. John Nichols, J. R. Black, Sr., L. H. Lemons, L. M. Baze, Elmo Low, Melvin Pollard, Mrs. J. H. Lochausen, Fred Talbot, Junior Lemons, Misses Myrtle Harrell, Phyllis Matlock, Gail Heatley, Dorothy Wilson, Mary Baskin, and Al Creigh, Jimmy Wilkinson, Margaret Arrington, and Roberta Lochausen.

The carnival opened with a big parade which was headed by members of the band and the grammar school, students dressed in various costumes taking part.

PEP SQUAD ACCOMPANIED FOOTBALL TEAM TO ALPINE

Pressing the school bus into service last Friday gave many of the students an opportunity to see the game between the Bucks and the Eagles last Friday afternoon. On arriving in the city they formed an impromptu pep squad, and made just about as much noise of the neat-uniformed and well-trained squad from Alpine High.

EAGLES ARE RESTING

The Sanderson Eagles whose record for the season include two wins and three ties, will rest this week, as no game was scheduled. It will be a two week rest unless a game is matched for the 10th, an open date. On the 16th a return game with Alpine is scheduled here.

S. M. U. Ponies Do Stuff in New York; Beat Fordham 26 to 14

The Southern Methodist University Mustangs are shown here ripping through the line of the Fordham Rams at the Polo Grounds in New York. Robert Finley, wry sophomore back on the Dallas team, is shown with the ball at the extreme left of the picture. The Methodists won 26 to 14 with the regulars in the game about half the time. They surprised the Rams by carrying the ball instead of putting on the famous S. M. U. aerial circus. (Texas News Photos.)

Three Youths Taken Into Custody Here Turned Over to San Antonio Officers

Three youths giving their names as Victor Parker, Martin Butler and Louise Geyer and claiming San Antonio as their homes, were lodged in county jail here Tuesday night after being caught at Marathon by Deputy Sheriff Price Rackley who had been notified by local officers to be on the watch for them.

The youths, driving a tan-colored Ford V8 sedan drove up to the Texas filling station here, got ten gallons of gas, then called for some oil, and when N. E. Charlton, in charge of the station went inside for the oil the boys drove off without paying for the oil. Charlton notified the sheriff's office, who in turn notified the Marathon officers, who apprehended the youths, but only after they had shot off two tires and pierced the radiator with bullets. Sheriff Lee Cook brought the lads back to Sanderson and placed them in jail. Investigation brought out the fact that the car was allegedly stolen in San Antonio Monday night, and officers from that city arrived Wednesday night and took the boys to San Antonio where they will face charges of car theft. It was the opinion of officers that the trio may be implicated in a highjacking affair that occurred in San Antonio early Monday night.

The boys claimed they had money enough to pay for the gas bought here but were saving it.

Jackpot at Princess Has Grown to \$75

For the fourth consecutive time the \$15 cash prize awarded each Monday night at the Princess theatre has gone over, the persons whose name were called not being present at the time. This amount—\$69—will be added to the \$15 prize next Monday night, bringing the total now in the pot to \$75—a nice hand-out for anyone, and maybe some one will be lucky this Monday night. But don't forget, you must be in the house when your name is drawn.

R. E. Thomason Makes Short Visit

Congressman R. E. Thomason of El Paso was a visitor in Sanderson for a short time Thursday afternoon enroute to San Antonio in company with Luke C. Brite and other prominent Marfaites, where they will go into a huddle with Secretary of War Dern, in a plea to have soldiers returned to Fort D. A. Russell, at Marfa, the fine barracks at that place being vacant for nearly a year when the cavalry unit was ordered to Kentucky.

Congressman Thomason, in spite of the urgency of his mission, took time out here to visit with Sanderson friends. Though classed with politicians, Thomason is far from being such, in the common acceptance of the word. In season and out he is accessible to his constituents, and every request from his district receives his personal attention.

Bridges at Lozier and Palma Finished

The highway bridges over Lozier and Palma canyons, located in the eastern part of the county, were opened to traffic last Friday, and all road work will be completed by Friday of this week, it was reported.

The contract for these bridges were awarded last February to L. E. Witham of Wichita Falls, Texas, who sub-let the contract to the Turner Construction company. The amount of the bid was \$117,006.00.

Lozier Canyon bridge is 800 feet long and the highest place is 32 ft. It is a mammoth structure and, its completion gives Terrell county an all-weather highway route between here and San Antonio. The Palma Canyon bridge, while not so high, is also a large structure and it, too, provides for high water.

Plans for blacktopping the road, and widening it have already been approved and bids for this work are expected to be called for in the near future.

**Roster of Officials
In General Election**

Next Tuesday, Nov. 6, will be general election day, and the following judges were appointed at the February term of the commissioners' court to serve in the several precincts:

Precinct One—W. J. Ferguson, O. H. McAdams, J. D. Nichols, and R. H. Murrah.

Precinct Two—Dryden—Chester Smith and Webb Townsend.

Precinct Three—Albert Appel and Cecil Arvin.

Precinct Four, Independence—D. H. Cunningham and L. H. Hicks.

The ballots this year contain full state tickets of four parties: Democrat, Republican Socialist and Communist, with an independent column, and a blank column for write-in candidates.

As the election of the complete Democratic ticket is practically assured in Texas, the only controversial matter on the ballots is the proposed amendments to the State Constitution. There are eight of these amendments to be voted upon, and each voter should read and give serious consideration to them before voting.

In this county the polls will open at eight o'clock a. m. and close at seven o'clock, p. m.

CATTLE BUYING PROGRAM ENDS; BUYING SHEEP, GOATS

The Government sheep and goat buying program continues in this county with a total of 52,844 sheep being purchased up Thursday afternoon of this week. Of this number purchased only 4,534 have been accepted the balance being condemned. A total of 8,941 goats have been purchased with 733 of this number being accepted.

The cattle buying program was closed on Wednesday of last week with a total of 6,067 head being purchased and \$79,266.00 being the price received for them.

Deer Season Nov. 1 To 16th, Then Bear and Quail

Last Friday, October 26, marked the opening of the season for the hunting of migratory waterfowls under the new game laws, which permits the killing of such fowl only on Friday, Saturday and Sunday of each week, and the season will close on December 30. This period is in effect throughout the United States.

Every hunter of migratory waterfowls over 16 year of age is now required to have in his possession a federal migratory bird hunting stamp, which may be purchased at the post office in all county seat towns, and must be attached to the hunting license. These stamps cost \$1.00 each and the proceeds from their sale will be used in a contemplated program of waterfowl restoration.

The stamp does not exempt the hunter of migratory waterfowl from complying with the state laws and federal regulations. It must be carried on the person of those hunting waterfowl and must be exhibited for inspection upon request of any officer or employe of the U. S. Department of Agriculture, or any officer of a state or local government authorized to enforce the game laws.

Thursday of this week marked the opening of the deer season for this section and which will close on November 16th. During this time only one white-tailed deer may be killed.

NEW DRESS SHOP OPENED AT FORT STOCKTON

A new dress shop for women of the Trans-Pecos has been opened in Fort Stockton by Mrs. Georgia Mae Livingston. The shop is located one block east of the Rooney hotel, and features a variety of distinctive styles in ladies' wear. Gifts will be offered in the holiday season.

Permanent Houses For Big Bend CCC

Work on permanent winter quarters for the CCC unit in the Big Bend park was started Monday of last week, with some ten or twelve buildings to be erected, according to the Alpine Avalanche.

The buildings to be erected will be approximately 40x100 feet, and it will require some six weeks to bring them to completion, according to the Avalanche. Six carloads of lumber were shipped to Marathon to be used in the construction work, and was hauled to the site in CCC trucks.

The "Drouth Relief" group now stationed at the camp will occupy the buildings when completed, and the buildings will be located in the "Basin," site of the present temporary camp.

Major Booth is in charge of construction; Mark W. Maddox of El Paso is superintendent and carpenter foremen are E. J. Wood of Fort Davis, T. R. Knight of Alpine, and Walter Fulcher of Terlingua. Thirty two Brewster county men are employed on the job.

"Square Deal" Asked By Goat Men in Government's New Deal

By B. M. HALBERT

The government, in buying surplus cattle and sheep in the drouth stricken states, surely saved the day for the cattlemen and sheepmen for many of them were at their row's end. On the other hand, the government made a misdeal—in the buying of Angora goats. None can deny that. Our sheep and goats were listed at the same time—the number of ewes and nannies each ranchman wanted to sell. The sheep were bought first—100 per cent of the number listed. Then an order came to buy 70 per cent of the goats the ranchmen had listed. Before you could "bat your eyes" the percentage on goats was cut to 64. How was that done, Mr. Barnes?

A poor mother with two apples has to cut them in half to give each of her four children a square deal. But it seems our government has all kinds of "apples" for the cow and

sheep man. After Secretary Wallace told the committee of cattlemen at Chicago he could not buy any more cattle because he was out of funds, dug up other millions and is going ahead buying more cattle and sheep... which was the thing to do.

Then why is the goat man in the same drouth-stricken country left out in the cold? Mr. Barnes or Secretary Wallace should answer.

The reason the goat man and his goats have been knocked all along the line is because he has not had a representative to stand up for his rights and business. When price fixing was done at Denver (\$2 for sheep, ewes one year old and up, and \$1.40 for "female Angora goats," one year old and older) the man who wrote this didn't have enough goat knowledge to know that we call them does and nannies.

Some said sheep and goats were entering this drouth relief on equal

terms. There is no sale or demand for "mutton goats," while sheep "muttons" are like the farmers' cotton—can be sold any old day if the other fellow's price is taken.

President Kincaid has had a heavy load to carry as president of the Sheep and Goat Raisers' Association. He boosted the price from \$1 to \$1.40 for our goats at the Denver meeting. He had to put the mutton sheep first in asking that our mutton goats be bought and he was voted down.

I am a goat man. I own five ewes to one doe (or shall I say "female Angora goats"). There are millions of sheep in this country. They have a rating and standing no man can destroy. Angora goats number only a few millions in the United States, 80 per cent in West Texas, and have been built up in the last forty years. They can be destroyed by discrimination. (Turn to SQUARE DEAL, Page 4)

Sweetheart

Miss Elaine Cross, Baylor University student, was chosen as Baylor's Homecoming Sweetheart for the game between Baylor and Texas A. and M. last Saturday. Miss Cross' home is at Gatesville, Texas. (Texas News Photos.)

SOCIETY and HOME

WOMEN'S INTERESTS

CLUBS AND CHURCHES

Dames at Princess Tonight Season's Big Musical Treat

Warner Bros. created the motion picture musical. It is natural therefore, that the same producers should have created "Dames" the most spectacular and certainly the most gorgeous entertainment of its kind ever filmed. It overtops even their own "42nd Street," "Wonder Bar," and "20 Million Sweethearts."

"Dames" is more than a musical; it is the most lavishly staged spectacle imaginable. It is more than a musical spectacle; it is a miracle of camera mechanics and stage mechanism. It has a real plot; more beautiful girls and highly trained dancers than has ever been gathered in any one motion picture; it has 6 new hits; it has 6 of the screen's leading stars. It is, undoubtedly, one of the finest pieces of entertainment ever brought to the Princess theatre.

The love interest is furnished by Baby Keeler and Dick Powell, who act as well as they sing and dance. Make a date with the "DAMES."

FOR RENT - 3-room furnished house with bath. - See Mrs. Earle Person.

SPECIALS FOR SCHOOL CHILDREN ONLY HAMBURGERS - - - 05c PLATE LUNCHES - - - 25c

ATHLETIC PARTY ENJOYED BY YOUNG FOLKS

Jesse and Wesley Loehausen were hosts to the young people of the Presbyterian church and some of their friends Saturday evening for an athletic party. Indoor golf, football and baseball proved fine forms of entertainment and the games were most exciting.

HONOR GUESTS AT BIRTHDAY DINNER

Mrs. Malone Mitchell and Mr. Keith Mitchell were named honorees at a delightful informal affair that was held Tuesday evening at the ranch home of Mr. and Mrs. Malone Mitchell, the occasion being their birthdays. A sumptuous dinner of fruit cocktail, combination salad, baked chicken with dressing, creamed potatoes, lima beans, cranberry sauce, apricot whip and cake was served, after which the evening was spent in dancing, bridge and forty-two.

INTERMEDIATE CLASS B. T. S. HAS PARTY

On Tuesday evening of this week, at the Sanderson Baptist church, the members of the Intermediate B. T. S. class enjoyed a Halloween party in the basement of the church. Those present to enjoy the social meeting were Sammie Carter, Grace Marie Billings, Lois Taylor, Dorothy Lewellen, Elizabeth Brown, Zada Van-Cleve, Ruth Newton, Thelma Haley, Ethel Laura Nance, Pat Sullivan, Bobby Lea, Jimmy Goodykoontz, Jimmy Cook, Howard Black, Troy Druse, Stokes Sharp and Elmo Taylor.

HALLOWEEN THEATRE PARTY FOR SENIORS

The members of the senior class and invited friends enjoyed a Halloween and theatre party last Saturday night. After attending the Princess theatre the members and their guests went to the home of Mrs. L. A. Lowe where they were entertained. Upon arriving at the home, which was beautiful in its various Halloween decorations, they were ushered into the "den" to learn of their fortune which was ably given by Mrs. S. H. Underwood. They then went into the living room and there searched for their tally cards to play Bunco. Miss Mildred Underwood and Nelson Billings were the winners of the Bunco prizes given.

HOSTS AT HALLOWEEN BRIDGE PARTY

Mr. and Mrs. L. A. Lowe were hosts at a Halloween bridge party at their home Wednesday evening, following the carnival given at the Grammar school building. Following the playing of several tables of bridge scores were added, with the ladies' high score prize being won by Mrs. C. M. Breeding. The men's high score prize went to Clyde Griffith, while Mrs. C. P. Peavey was the winner of the cut prize. Refreshments of cashew nuts, pumpkin pie garnished with whipped cream and squashed nuts, coffee and tea were served to Mr. and Mrs. Sims Wilkinson, Mr. and Mrs. S. S. Daggett, Mr. and Mrs. Walter Grigsby, Mr. and Mrs. Lee McCue, Mr. and Mrs. Mae Lester, Mr. and Mrs. C. P. Peavy, Mr. and Mrs. A. E. Creigh, Jr., Mr. and Mrs. Max Bogusch, Mr. and Mrs. Clyde Griffith, Mr. and Mrs. D. A. Pollard, Mrs. Russell Dyer, Misses Corinne Fox and Eva Chaffin, Messrs. Jason Morgan, Lynn Harrell and the host and hostess, Mr. and Mrs. L. A. Lowe.

H. E. Class Presents Playlet at Chapel

The girls of the second year Home Economics class presented a play "Making a Pumpkin Pie," for the chapel program on Wednesday, Oct. 31. Miss Phyllis Matlock directed the play. The cast was as follows:

Sammie Carter - As "Aunt Em," who finds difficulty in finding a cook who can make good pumpkin pies. Grace Billings - As "Grandma," who does not have a great deal of faith in modern girls as cooks or home-makers. Eugene Banner - As "Bob," the nephew who finds the right girl to help Aunt Em and Grandma. Dorothy Lewellen - As a Swedish girl who applies for the position of cook. Mildred Hurst - As "Dora," another applicant for the place. Mildred Underwood - As the college girl who has been studying Home Economics and who saves Aunt Em's reputation as a cook as well as proving herself the right girl for Nephew Bob's fiancee. Following the play Nell Lea read "Who's Afraid?"

Jack Cooper Stars In Princess Picture

Jackie Cooper is the star of a brand new kind of "western" picture, "Lone Cowboy" suggested by Will James' famous book. It will be shown at the Princess theatre Monday night, November 5. It is a story written and directed by Paul Sloane, of a wide-eyed, eager kid from the tenements of Chicago, who wanders over the wild expansive plains of Nevada with a cold-eyed killer. In addition to Jackie, the Paramount picture has a supporting cast headed by Lala Lee, Addison Richards, John Wray and Calvin Gordon. The screen play was written by Agnes Brand Leahy and Bobby Vernon.

Hints for the Household

By BETTY WEBSTER

Armistice Day, November 11th, is recognized almost everywhere whether as a holiday or by a few minutes of silence in the middle of the day. It is a day, of course, when things military take first place and offers a splendid opportunity for a patriotic performance. Often the reserve units can organize some sort of a celebration or the local Red Cross or the Boy and Girl Scouts might take the initiative.

DO YOU KNOW THAT - A little cheese cooked with your scrambled eggs makes a tasty dish? A tablespoon of corn syrup in the fudge will insure its smoothness? An easy cocktail is made by covering a few shrimp with chili sauce and squeezing a few drops of lemon juice over all?

Onion and celery salt are almost indispensable seasonings as they can be used to flavor meats, vegetables and salads.

A bit of sage seasons a meat loaf delightfully? Lemon will usually remove stains from enamel when other agents fail? A little salt or vinegar put in water when boiling eggs will prevent cracked eggs from running out of the shells?

A few drops of almond extract greatly improves the flavor of your canned peaches? One-half teaspoonful each of vanilla and orange extracts make an unusual and delicious flavoring for a plain cake?

A little mustard rubbed over ham before baking improves its flavor?

RECIPES Pickled Red Cabbage Select a good firm cabbage, if possible, after the frost has touched

Remove the outer leaves, cut in half and shave as for cole slaw. Then place in a colander and cover with salt and place a weight on top to press out the liquor. Let drain for three days adding more salt each day.

Scald one quart of cider vinegar; add to it one ounce of cloves, a little mace, on ounce of allspice and one dozen pepper-corns. Put the cabbage in a crock and cover with the hot spiced vinegar.

This will be ready for use in a week and is tempting served with cold meats.

Spanish Cream

Soak a half box (2 tablespoons) gelatine in one quart of milk for an hour; add the yolks of three eggs beaten light with one cup of sugar. Cook the mixture until it thickens, stirring frequently. Beat whites of three eggs stiff and add to mixture when removed from the stove; then flavor with one teaspoon of orange extract. Serve hot or cold with whipped cream.

CARD OF THANKS

We wish to thank the many kind friends and neighbors for their help and thoughtfulness extended to us at the death of our mother and grandmother. - Mr. and Mrs. E. P. Halley and Family.

Mr. and Mrs. Dick Hill and Mr. and Mrs. Ben Gilbert were in town over the week end, having come in to attend the funeral of the infant son of Mr. and Mrs. Austin Nance, which was held Monday.

Clyde Deaton was a business visitor in Van Horn the first of the week.

CARD OF THANKS

We wish to thank the many kind friends and neighbors for the help extended us, the words of consolation and the beautiful flowers given at the death of our son. Mr. and Mrs. Austin Nance.

Mr. and Mrs. Bozarth Brown spent the week end in San Angelo visiting relatives and friends.

J. M. Lackey, Pecos county ranchman, was a visitor in the city Wednesday.

Mr. and Mrs. H. G. Holt left Tuesday morning on a ten-day pleasure trip that will take them to Houston, Galveston and Beaumont.

Mrs. Berry Wilson and son of Del Rio visited in Sanderson the first of the week with her parents, Mr. and Mrs. W. E. Stirman.

BRAND NEW EYES! Don't let improper light damage them. HAPPY little fellow! He probably has perfect eyesight today... as most babies do. Yet he has only a sixty per cent chance of avoiding eye trouble by college age, if his is an average case! The new Science of Seeing has revealed startling facts about eyes and seeing. We know now that our eyes, accustomed for centuries to generous outdoor light, are almost universally deprived of enough light indoors. Is it any wonder that 95 per cent of all people over sixty have defective eyesight? The kindly service of the eye specialist does much to alleviate eye trouble. But prevention is equally important... and adequate light for all reading or close work is one of the first essentials. Here is an easy rule you can put into effect now. Make sure that every member of your family has his own reading lamp... equipped with at least one 100 watt lamp, two 60's, or three 40's... according to the number of sockets. If you will telephone us, we will gladly send a representative to make further suggestions on how lighting in your home may be improved. There is no charge for this service.

Football—

(Continued from page 1)

30 yard line. Alpine made 5 over tackle. A long end run set them back a yard. A jab at the line was good for a foot, and the ball went to the Eagles. Two yards were made over tackle and Halley made first down. Mussey made another first down, placing the ball on Alpine's 15-yard stripe. In four tries the ball lacked inches of being a first down, and the ball went over.

Alpine made a yard thru the line, failed at center, and then kicked to Sharp, who brought the ball up to the Eagles' 35. A fumble on next play was recovered by R. Deaton. A completed pass was called back and Sanderson drew a 5-yr. penalty. Halley circled end for 5 yards the play was called back and another penalty against the Eagles. An attempted pass was smothered and Halley punted on next play and Alpine's fumble was recovered by Litton, on the Bucks' 28 yard line. In four tries the Eagles failed for a first down and the ball went over.

The second quarter started with the ball in Alpine's possession. On the first play Roberto made a yard, then his interference began clicking, and he rolled up five first down before he was stopped on the Eagles' 28 yard line. Here the Bucks tried a lateral and lost 5 yards, then R. Halley broke thru and threw the ball toter for 4 more. A long pass was floored and the ball went over.

Fifty Yards for Marker

Halley took the ball and in three tries made it first down on the 50-yard line. Mussey on next play attempted a wide end run, but seeing the opposition waiting, cut back over his right tackle and streaked 50 yards for a touchdown. Try for point was just a little wide.

Here is where it became apparent that the customers were witnessing some of the gol-awful officiating in many moons. After this touchdown they had to go into a huddle with the rule book to find out where the ball should be placed for the try for point.

Alpine returned the kickoff to the 32 yard line. An end run netted 5 yards for Alpine, and on third down they kicked. Mussey made 25 on a sweeping end run. Sullivan fumbled the snapback, but made a yard. Litton received a pass from Halley for six yards. Halley made two more on a buck, and Mussey made it first down. Halley's end run was good for 6; Sharp picked up three more, and Halley made it first down on the Buck's 7-yr. line. Mussey failed to gain; Halley hit a brick wall also, and then completed a pass to Sharp one yard from the goal line, but part of his clothes blowing in the breeze was caught by an Alpine man and he was down a foot from victory as the whistle ended the half.

Long Pass for Buck's Tally

The third quarter was a bitter feud, the Eagles trying to hold their lead and the Bucks making a desperate effort to reach the promised land. Sanderson's line held like a stone wall, and the deadly tackling of Lochausen, R. Halley and Litton eased the situation for Eagle rooters more than once. It made the Bucks quit the natural habitat and take to the air and in the third period they placed the ball on the Eagle's one-yard line, only to be held for downs. What a whale of a game the Eagles were playing! But the fleet Bucks would not be denied and in the middle of the fourth quarter had by two passes worked the pigskin to Sanderson's 23-yard line, and a final lob from this point over the goal line was completed for 6 points. The try for point from placement struck the crossbar between the posts, and was no good by two inches.

Sanderson was in possession of the ball on the Buck's 45 yd line as the game ended.

In the game Sanderson attempted four passes, completed three: one was intercepted. Alpine attempted five passes, completing three, one for a touchdown. Two were incomplete. The Eagles penetrated the Bucks' 20-yard line 4 times, while the Bucks played in the Eagles' front yard three times.

HUSKY THROATS

Overtaxed by speaking, singing, smoking
VICK'S
Cough Drops

Mr. and Mrs. A. M. McCright arrived Wednesday from their home in Anson, Texas, for a visit of several days in Sanderson with their sons, E. H. and Jack McCright.

Lemons for Rheumatism Bring Joyous Relief

Want to be rid of rheumatism or muscle pain? Want to feel good, pain free and enjoy life again? Well, just try this...
He is survived by five sons, namely, O. T. and O. E. Schupbach of this city; Ralph and Jim Schupbach of El Freida, Arizona; Carl Schupbach of Somerton, Arizona, and thirteen grandchildren.

OUR DEAR MOTHER

Mrs. A. M. Booe, aged 69 years, 10 months and 16 days, was fatally injured on October 15th when she was struck by a car on Highway 64, 9 miles east of Wynne, Ark. The car was driven by two Catholic priests, one of Wynne and the other of Ft. Smith, Ark. Mrs. Booe was rushed to Wynne for medical treatment, but only lived two hours after the accident, being conscious to the last, even though her body was badly mangled.

Mrs. Booe was born in Indiana, November 29, 1864, and moved to Arkansas when she was four years old, spending the remainder of her life in that state. She united with the Methodist church when a young woman, and lived a faithful and fruitful Christian life. Scattering sunshine wherever she went, and always lending a helping hand to those in sickness and distress, she was loved by all who knew her.

On Thursday, November 18th, at 11 o'clock, funeral services were conducted from the church. The body was laid to rest in the Union Grove cemetery—a sweet place to rest, as the cemetery is hid in a grove of beautiful oak trees alongside a quiet country road.

Let us not think of death as a horror, but as a peaceful sleep in the arms of our Savior, for we know our mother had a reward awaiting her in that great city not made by hands. The florals were beautiful. What can express our love and sympathy better than flowers—our last earthly tribute to departed loved ones?

Call not back the dead departed. Anchored safe where storms are over.

On the borderland we left her. Soon to meet, to part no more.

She is survived by her husband, A. M. Booe, of Wynne; one sister, Mrs. Lue Crouch of Lexia, Ark.; four daughters: Mrs. D. H. McCall of Athens, O.; Mrs. A. I. Jeffers of Wynne; Mrs. E. M. Reeves of El Paso, Tex.; Mrs. E. P. Halley of Sanderson, and several grandchildren.—Contributed.

RATTLE OF THE RAIL

Engineer C. H. Morris is now on extra board at Del Rio.

Engineer W. L. Ervin returned Tuesday from a visit to El Paso.

The eighth engineer has been added on the Sanderson-Valentine district.

Fireman H. C. Crabtree has been assigned to a freight run here.

Fireman C. H. Broadhead has been assigned to a yard engine at El Paso.

Fireman M. S. Wright made a visit to Del Rio Sunday.

J. C. Harris, master mechanic, was here from El Paso Sunday.

Fireman C. Tribble has been assigned to a freight run in Del Rio.

Fireman J. M. Maddux of El Paso made a visit to Houston this week.

Miss Kate Frazier returned the latter part of last week from Douglas, Arizona, where she visited Mr. and Mrs. J. F. Parker.

S. L. Eldridge arrived the latter part of last week from Sabinal and spent this week in Sanderson looking after business interests.

Mr. and Mrs. Clyde Griffith and son spent Sunday as guests of Mr. and Mrs. Doc Turk at their ranch north of Dryden.

Father of Sanderson Men Dies in Calif.

W. M. Schupbach, a former resident of Sanderson, died last Wednesday at the Old Soldiers' Home in Sawtelle, Calif., where he had been living for a number of years. At his request he was buried in the cemetery adjacent to the home, with full military honors. The services were held on Monday of this week.

Mr. Schupbach, who was 87 years of age, was born in Missouri, and came to Texas when a very young man. At Gonzales, Tex., in 1874, he was united in marriage to Miss Mary Callison of that city. Mrs. Schupbach died June 4, 1930.

Mr. Schupbach came to Terrell county in 1899 and engaged in the ranching business for many years. In 1920 he left here, going to Somerton, Ariz., where he lived with a son, Carl, for some time before going to the Old Soldiers' Home at Sawtelle.

He is survived by five sons, namely, O. T. and O. E. Schupbach of this city; Ralph and Jim Schupbach of El Freida, Arizona; Carl Schupbach of Somerton, Arizona, and thirteen grandchildren.

Sees No Cause For Worry On Part of The Stockmen Regarding Future Beef Supply

By J. A. McNAUGHTON

Los Angeles.—There is no reason for alarm on the part of consumers as to future meat supplies, despite heavy inroads into our flocks and herds because of drought and the sale of millions of animals to the federal relief agencies. In fact, those in the trade look for heavier supplies of lamb and beef than usual during the next sixty days because of liquidation forced by shortage of feed and water in a large portion of our livestock producing areas.

Students of livestock conditions as a whole do not look for any sharp upward swing in livestock prices for some months to come, although the feeling is quite general that we have started on a period of rising commodity prices and probably the fact that there has been vast reduction in beef and sheep numbers will accentuate that advance, but not to the point that it need cause concern to meat consumers.

The livestock industry is looking ahead with a greater feeling of confidence than has been evident for some years. Stockmen as a whole are the last to wish to see meat prices go so high as to place meat in the luxury class. They want to retain their outlets and the good will of the consumer. All that the stockmen want is a fair return on their products. This they have not had for several years and all they hope for in the future is just that. It is believed that with the reduction in available numbers to be marketed during the next two or three years supply and demand will automatically raise prices to a degree that will yield the producer a profit on his labor, experience and investment.

This writer does not in any sense minimize the seriousness of the drought situation as it affects many, many western stockmen, yet I cannot help but feel that the industry as a whole will be benefited by the reduction in numbers, the culling out of nondescript breeding and the vast improvement in the quality of the beef herds that seems to be a certainty.

Mrs. S. E. Peterson and daughter, Miss Elisa Jean, came in Wednesday from their home in Del Rio and will spend the remainder of the week here with their husband and father, S. E. Peterson, T. & N. O. engineer on the west end division.

Interest Good At Revival Services

The revival meeting now in progress at the Church of Christ is being well attended and attention is the very best. Several have responded to the gospel invitation. Evangelist Claud McClung of Ft. Worth is doing the preaching, is bringing some very helpful messages, holding two services daily, at 10 a. m. and 7:30 p. m. According to present plans the meeting will continue through Sunday, and a cordial invitation is extended the public to attend the services.

AIRPORT CHATTER

By THE OLD MAN

It was noted in the last issue of this paper that some of the readers agreed with the editor that our school team needs new uniforms, but to date there seems no effort is being made to secure the material and unless we get something started to raise the necessary cash at once there will no need to worry, as the season will soon be over. Why can't the school purchase the suits or furnish the necessary funds, with the understanding that the public will refund the money, say in 6 months? This would give the writer and the rest of the community time to organize ways and means of raising money that is needed now.

Capt. Foster, Control Officer, was through this station Saturday as a passenger. He had a movie cameraman, who will shoot the Big Bend country before returning. Cameras were installed in the plane, and were so numerous that from a distance they looked like bristling machine guns. We were informed that their arrangement will permit them to take pictures of the surrounding country and at the same time include the ship, pilot and passengers in the same scene. These pictures will be shown on the screen some time soon.

Have you seen these new commercial planes that have been coming our way for the past month? They are the very latest thing in air travel. Each has room for twelve passengers, one radio operator and two pilots, with room for tons of baggage. These large planes belong to the Pan-American Airways, and do duty between Brownsville and the different South American countries. This station will be one of their regular stops on the route.

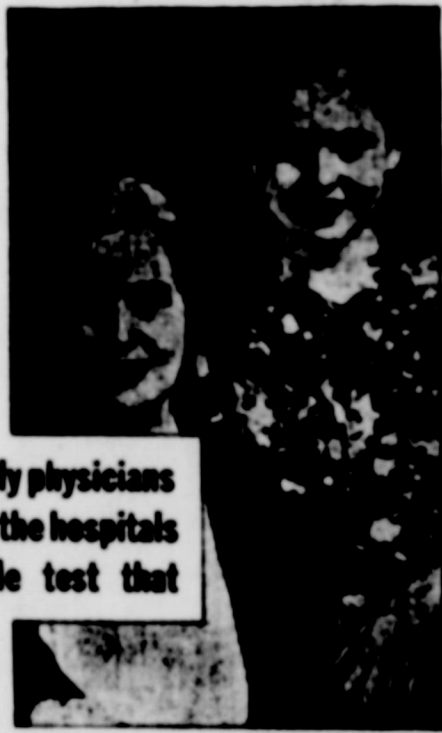

The writer is still looking for a leather jacket, and will pay the finder \$7 if it is returned to the airport.

As a rule one would think that a milk maid would be a young lady; but out our way it's not the case... Anyone desiring to know the new way to prepare pastry, the kind that vanishes, should make inquiries... Big news... next week that should be of interest to all our readers... Where have the promoters of this show we were going to have gone? The pictures are still available, and should be shown... Two of the personnel have their personal belongings packed and are ready to go. The question is: where and when will we go?

Mr. and Mrs. Buster Edwards and children left the first of the week for Deming, N. Mex., where Mr. Edwards will enter the employ of Dick Norris.

Joe Kerr returned Tuesday night from San Antonio where he had been the past week, due to the illness and death of his brother, John.

LUCKY GIRL

MRS. STRONG AND DAUGHTER, NANCY

Her mother felt that family physicians and child specialists, and the hospitals must be right. A simple test that proves they are.

If anyone in your family is occasionally sluggish or constipated; especially any child, you should know this medical truth:

You cannot get safe relief with any medicine if you cannot regulate the dose. And to regulate dosage, you should have a liquid laxative. With a liquid laxative, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition.

Why Doctors Use Liquid Laxatives

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of natural laxative elements like senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves, not make matters worse.

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative containing herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drugstore. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better than you have in a long time.

If you will risk sixty cents to discover the natural, comfortable action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

Mrs. Lloyd Mitchell returned to her home in Marfa Sunday after spending the week end in Sanderson with Mr. Mitchell. She was accompanied by little Betty Ann Parry who visited her grandparents, Mr. and Mrs. Ben Pruett, in that city this week.

"Square Deal"

(Continued from page 1)

inating prices on them and their product, mohair. Sheep and cattle are collateral for a loan anywhere at any bank, but the government and banks do not look upon goats as collateral.

Judge Johnson called for all goatmen to meet in Rocksprings and protest because the government wasn't buying "mutton goats." A committee was appointed to meet with the executive committee of the Sheep and Goat Raisers' Association at Mason. They did—and got up on the horse behind the association president.

When they met with President Kincaid and government men in San Angelo, Mr. Kincaid asked that our "mutton sheep and goats" be purchased. He was voted down on the same request in Denver.

Goat men should have gotten on their own horse—or burro—and asked that mutton sheep be passed up in the government buying, and the chevons or "mutton goats" be bought, as they were overstocking the goatman's range just as old ewes were overstocking the sheepman's range.

The goatmen must get out and fight for their part of the "apples" the government is handing around to the cowman, sheepman, farmer, cotton raiser, corn, wheat and hog men.

Goat men and their goats have been at the little end of very government and commercial deal long enough.

Don't you think so, Mr. Vice President Garner?

The Sheep and Goat Raisers' Association was organized by a bunch of goat men at Del Rio for the needs of the goat men at that time. We took the sheep men in as a sidekick. In naming the organization we split. Some thought the goat should come first; others the sheep. I was called to take the chair by the late J. B. Murrah, who wanted "goat" first. A vote was demanded and a tie resulted. I, a "dyed-in-mohair" man cast the deciding vote and put the "sheep" first in the organization's name. I say today that was right.

We are living in the United States of America, not England, where all goes to the first born. The goat man should have his share of the "apple" handed out by our "Uncle Samuel," who is now President Franklin D. Roosevelt—the "Daddy" of the "New Deal."
