Stockton Rodeo Draws 3,000 To See State's Best Ropers and Riders

Man Right

P. A. T.

Fort Stockton.—A crowd estimated at 3,000 persons braved a chill drizzling rain to see the second day's program of the American Legion post's rodeo and race meet, during which some of the country's best rodeo performers and the fastest range horses vied for honors and the liberal cash prizes.

Highlights of the celebration were matched roping contests between some of the best ropers in the United States. One of these was a match between Maynard Gaynor and Howard Westfall and a five steer contest between Gaynor and Bob Crosby. Against Westfall Gaynor was an easy winner, tying his calf in 15.1 seconds. Gaynor also won the special event against Crosby also, tying his five steers in an average time of 20 1-5 seconds, while Crosby's average time was 24 4-5 seconds. Crosby of Roswell and Jake McClure of Lovington, N. M., topped the field in team steer roping with a time of 16 4-5 seconds. Charlie Jones of Van Horn and McClure were second.

Earl Sellers Wins
Earl Sellers of Del Rio won the calf roping contest with a time of 16 seconds against 16.4 for Ernest Acton, San Angelo and 17.1 for McClure. For the two days, however, McClure's total time was 37.1 and Alan Holder of Midland was second with 38.1, while Acton who entered only one day's competition, however, had the lowest total of 37 seconds for both days.

In steer riding Max Thomas of Del Rio was first, Ernie Barnett of Del Rio, second, and Lawrence Wooten of Fort Stockton, third. Bronc riding honors went to "Horse" McMillan, Wooten second and Pete Wilson third.

In the matched horse races Black Streak, owned by Raymond Barker, beat Oscar Schnaubert's point horse in a 300-yard race for a \$300 purse; Doggie Boy, owned by Wayne Locklear of Kent, lost a \$50 purse to George Brown's sorrel stud from Buenavista in another 300-yard event; and Jack Henderson's entry, Red, lost to Susie, entered by Ford Armstrong of Imperial, in a 600-yard dash for \$400.

SUNDAY, MAY 12, IS HER DAY

If I were hanged on the highest hill,
Mother o' mine, O mother o' mine!
I know whose love would follow me still,
Mother o' mine, O mother o' mine!

If I were drowned in the deepest sea,
Mother o' mine, O mother o' mine!
I know whose tears would come down to me,
Mother o' mine, O mother o' mine!

If I were damned of body and soul,
I know whose prayers would make me whole,
Mother o' mine, O mother o' mine!

Commencement Exercises at High School Sunday Marks Closing Term

Beautification Meeting To Be Held This P. M.

A meeting will be held at the court house this afternoon (Friday) for the purpose of organizing to beautify the highway route through this county. The meeting will be held at 2:30 p. m., and Mrs. C. E. Casebier of Fort Stockton will be present and assist in perfecting the organization.

Mrs. James Kerr, who has been appointed general chairman for Terrell county urges that as many women as possible be present at this afternoon's meeting, as she is anxious to get the beautification program under way so that it may be completed in time for the Centennial celebration in 1936.

This organization will be one of many already organized in practically every county in Texas and which has the endorsement not only of the highway commission, but of the Women's Federated Clubs and the state officers.

It is hoped that a large number of our citizens will attend this meeting and that Sanderson and Terrell county will get the program under way at once, so that our highway through the county will be made attractive to the many tourists who will pass this way during the Centennial.

Commencement season at Sanderson high school will begin on Sunday morning, May 12, when the Rev. Philip Brown, pastor of the First Baptist church, will deliver the baccalaureate sermon at 11 o'clock, in the high school auditorium. Members of the 1935 senior class and their parents will sit in a reserved section of the auditorium.

Seventh grade and senior class graduation exercises will be conducted Thursday evening, May 16 at eight o'clock, in the high school auditorium. At that time diplomas of graduation will be awarded members of the seventh grade, and the senior class.

H. O. Metcalf of Marfa will deliver the commencement address. Final examinations will begin Monday morning at nine o'clock, and will continue through Wednesday afternoon. Report cards will be delivered Friday morning at nine o'clock.

The program for the baccalaureate service Sunday morning is as follows:

Prelude—Mrs. Sims Wilkinson, Elmo Low.

Processional—Mrs. Wilkinson.

Invocation—Rev. S. M. Mims.

Hymn, "Send Out Thy Light"—Mixed Choir.

Scripture Reading—Dr. McCall.

Sermon—Rev. Philip Brown.

Hymn, "The Lord is My Shepherd"—Mixed Choir.

Benediction—Dr. J. V. McCall.

Recessional—Mrs. Wilkinson.

The graduation program for next Thursday night will include special music by Mary Arrington and Beatrice Nichols; invocation by Dr. J. V. McCall, and professional music by Mrs. Wilkinson. Mr. Metcalf will deliver the graduation address.

CHAIN LETTERS

Received a chain letter yet? The chain letter craze reached this city and Dryden full force the first of the week and every day that is all one can hear or get through the mail. Some letters ask for a quarter, others for a dollar, but the majority are for a dime.

The plan of the letters is so arranged that the recipient of each letter would send a dime to the top name in a list of six, adding his own name at the bottom and remailing the list to five other people. The letter goes on until each name of the five is in turn advanced gradually to the top, when it is removed and its possessor sent a dime.

Several here have already received dimes.

High Court Rules Against Railroad Retirement Act

Washington, May 6.—The entire railroad retirement act, affecting more than 1,000,000 employees, was held unconstitutional today by the supreme court.

The decision read by Justice Roberts, upheld the lower court ruling which declared the act invalid.

The court's ruling was directed especially at the section of the act which made it apply to all employees of interstate carriers, including employees not directly engaged in interstate commerce.

Justice Roberts said the invalid features of the act could not be separated and it was necessary to declare the whole act invalid.

He said the law, in addition, was not regulation of interstate commerce, and invalid also for that reason.

Housing programs of which so much has been said, will never be completely successful until everybody has a house in which anybody else will be glad to live.

Latta Case Moved To Mason Co. On Change of Venue

Trial of the Lawrence Latta murder case, which was scheduled to start in Bandera on Monday of this week, was shifted to Mason county after Judge Lee Wallace of the 38th district court granted a change of venue.

Latta, who formerly ranched in this county, is accused of murdering his wife, Mrs. Estelle Calk Latta, in an apartment house on North Main street in Del Rio, on March 8, 1932.

The case was first taken to Uvalde on a change of venue from Del Rio. On February 20, 1933, a jury in Uvalde found Latta guilty of murder without malice and fixed the penalty at two years imprisonment. The case was appealed and remanded to Uvalde for re-trial. Another change of venue was granted, the case going to Bandera, where a jury failed to reach a verdict, 11 voting for conviction, 1 for acquittal.

The case will be tried in Mason next September before Judge Lamar Thaxton.

Good Prices Paid For Mohair Sold By Del Rio Men

Del Rio, May 6.—First sale of mohair in Del Rio in 18 months brought the highest price paid this season in the state in the sale of 825,000 pounds at 26 cents a pound for grown hair, and 36c a pound for kid hair, according to announcement Monday from the Producers Wool and Mohair Co., and the Del Rio Wool and Mohair Co.

William Cheshire, representing Collins & Aiken of Bristol, R. I., bought the accumulation.

Producers Wool and Mohair company sold 500,000 pounds and the Del Rio Wool and Mohair company sold 325,000 pounds, C. B. "Dutch" Wardlaw and Geo. E. O'Neil, managers of the two companies, announced.

800,000 Pounds Left
The sale leaves an accumulation of 600,000 pounds in the Producers' warehouse and 200,000 in the Del Rio Wool and Mohair company's warehouse.

A like price was paid to L. Schwartz and company of Uvalde for 200,000 pounds of mohair, Cheshire making this purchase, also.

Last fall the two Del Rio warehouses declined an offer of 16c and 26c for the accumulations.

PROPOSE CHANGE IN AGE LIMIT SCHOOL ATHLETICS

At a meeting held in Austin the past week, attended by heads of Texas high schools and directors of the Interscholastic League, it was decided to change the age limit for students competing for athletic honors. The present age limit is 20 years, this to be reduced to 18. Reason advanced was that the average graduating age is 17 1/2 years, and that many students are kept out of school one or more years in order to mature physically and be better prepared for competition in the various events.

Bond is Fixed For Pair Charged With Wool Theft

Harvey Anderson, 21, and Buck Anderson, 24, both of San Angelo, were each placed under \$300 bond to await the action of the grand jury which meets here in July, after being charged with the theft of between 300 and 400 pounds of wool from Tip Frazier, Terrell county rancher.

The examining trial for the two men was held before Justice of the Peace R. L. Henry. The men were arrested in San Angelo last week and were returned to this county by Sheriff Lee Cook.

Up until Thursday neither of the men had furnished bond.

A DIPLOMAT SELECTS BEAUTY

Denton.—Whether it's diplomatic for a diplomat to choose beauty is undecided, but Ruth Bryan Owen, daughter of the famous commoner, exemplifies her ideas of beauty in her choice of girls from Texas State College for Women (CIA). The eight beauties pictured above were selected from a group of 32 nominated from a student body of 1800 for

the distinction, and were introduced at the senior formal prom, outstanding social event of the year honoring graduating seniors. Miss Bernice Neeson, of Beaumont, a winsome brunette of the patrician type, was selected most beautiful of the group. She is a senior majoring in costume design. Miss Mary Jane Long of Commerce was also chosen from

the senior class. Junior beauties are Miss Dorris Garrett, Abilene, and Miss Virginia Henderson, Denton; Miss Bernice Howard, Wharton, and Miss Mary Alice Morris, McKinney, were selected from the sophomore class. Freshman beauties are Misses Louise Richards, of Gainesville and Elizabeth Leach, of Irving.

O. K. Road Show Has 3 High Class Entertainment Features; Here 15-16

Out of one of the most popular novels the producers of "Little Women" have wrought another marvelous screen play, "Laddie." So glowing with life and romance and drama, so filled with vital warmth and charm, that it ranks with the sound camera's best.

This delightful picture has been selected by the OK theatre group as its feature road show, to be presented in Sanderson at the Princess theatre next Wednesday and Thursday, May 15 and 16.

Perfect balance is the keynote of the cast which translates to terms of life the world-famous story that Mrs. Stratton-Porter penned, and which is said to have 40,000,000 readers. In the title role is John Beal, who repeats the great success he won in "The Little Minister." For the heroine there is Floria Stuart acting the "Princess" role, lending grace and beauty to one of the most famous feminine characters in all fiction. These featured stars are ably supported by a cast enacting roles to which their personality is adapted.

On the same program will be something new in the way of pictures. The picture is entitled "La Cucaracha," made in Mexico and one of the first showing of a new method which presents the film in what is scientifically known as three dimensions. This novelty film had long runs in the principal cities of the North.

The third treat on this program is the Rimaac Rhumba band, dispensing red-hot rhythm. So, if its entertainment you want DO NOT miss the Princess program next Wednesday and Thursday—May 15 and 16.

W. C. T. U. TO MEET

The Women's Christian Temperance Union will meet Tuesday at 3 p. m. in the Methodist church. All members are urged to be present and new members are invited to join. Mrs. J. W. McKee is in charge of the program.

Mr. and Mrs. Doc Turk were visitors in Fort Stockton last week end, going over to attend the 2-day rodeo.

Helpful Household Hints

By BETTY WEBSTER

Some times it's hard to find a novel finish for Betsy Ann's new frock isn't it? It is monotonous to have each one look just like every other one, but you want something simple and easily made and effective trimming is not always at hand. Even for your own dresses you often long for a new, fresh touch.

I know that feeling only too well. So I am constantly on the alert for any new trimming. The cleverest effect I have noticed recently was achieved by the collar and cuff on the wee frock of a little friend of mine. Her mother told me that two handkerchiefs (blue and white borders, in this instance) about seven inches square, were the material used. One made the cuffs, the other the collar.

How They Were Cut To make them a strip about an inch wide is cut from the center of each handkerchief leaving four pieces, each three by seven inches. Two of these are used for the collar, being sewed on the neckband so that the ends meet in the center back and center front. The other two pieces make the cuffs. These are sewed to the bottoms of the sleeves and turned back.

Handkerchiefs may be found in any color combinations you might want and in a number of materials—so that this finish may be used on almost any type of dress, for grownups as well as little sisters.

DO YOU KNOW THAT:

- Cake may be removed easily from the tin in which it has been cooked if the pan is placed on a damp cloth for a few minutes?
Raspberry preserves and chopped almonds make delicious filling for cakes, tarts or cookies?
Boiled or mayonnaise dressing may be tinted with catsup or ground sweet pepper to carry out a red or green color scheme?
A little garlic added to pimiento cheese gives a new "European" taste to sandwiches or celery filled with the mixture?
Vaseline rubbed on scuffed satin footwear will hold down the frayed threads and renew the slippers?

RECIPES

- Rhubarb Pie—The Crust One and one-half cups of flour, sifted with 1/2 teaspoon of salt. One-half cup of lard, very cold, cut thoroughly into dry ingredients. Three tablespoons ice water. Roll on floured board. To Make the Filling Wash six large stalks of rhubarb and cut into small pieces. Mix with one and one-half cups of sugar, one tablespoon of flour, and a half teaspoon of salt. Put into pan lined with pie crust and cover with crust. Bake in a medium hot oven for about thirty-five minutes.

"The Thin Man" Presents Baffling Murder Mystery

If you enjoy sitting on the edge of your chair, and if you enjoy being left completely in the dark while trying to solve a most baffling murder mystery, don't fail to see the new Metro-Goldwyn Mayer-Cosmopolitan picture, entitled "The Thin Man," which will be shown at the Princess Theatre next Monday night, May 13.

Alexander Wolcott declared "The Thin Man" to be the best detective story ever written by an American author, and Sinclair Lewis described it as the most breathless of all of Dashiell Hammett's stories. This reviewer agrees with both of these learned literary men. "The Thin Man" is the story of Nick Charles, an ex-detective who is Sherlock Holmes, S. S. Van Dine, and all the other crack detectives rolled into one.

It tells of three murders which involved Charles, against his will, with the unusual Wynant family. His method of solving the crimes provides one of the most exciting and unusual climaxes of all detective pictures.

William Powell plays the role of Nick Charles, and surpasses all his earlier detective portrayals. Myrna Loy appears as his happy-go-lucky wife, Nora, and Maureen O'Sullivan carries off honors with her successful handling of the part of Dorothy Wynant. Minna Gombell, more often seen in comedy parts, appears in a tense emotional role in this picture, and Nat Pendleton, always a gangster heretofore, becomes a bewildered detective lieutenant.

Richard Haley, who underwent an operation for the removal of his appendix in Del Rio 2 weeks ago, returned home Thursday, looking fit. "Rico" said he regretted to leave so many pretty nurses, but glad to be back home.
