C. ROBERTS DIES IN HIGHWAY ACCIDENT

SANDERSON SEEN AS IMPORTANT GATE FOR EAST-WEST TRAVEL

J. H. Shepard in El Paso Times

I think some one has said you can gather knowledge from stones and trees and brooks. Yes, and you can gain knowledge from some things as unromantic as a hotel register.

The register of the Kerr Hotel, Sanderson, Tex. reveals that during the year just passed folks from every state in the Union and from foreign countries spent one or more nights in Sanderson at that hotel.

The record follows: There were 3 cars from California, 22 from New York, 20 from Missouri, 10 from Arizona, 10 from Pennsylvania, 3 from Tennessee, 3 from North Dakota, 2 from South Dakota, 7 from the state of Washington, 6 from Washington, D. C. There were 14 from Ohio, 5 from New Jersey, 25 from Illinois, 12 from Colorado, 7 from Michigan, 9 from New Mexico, 3 from Oregon, 5 from Kansas, 6 from Iowa, from W. Virginia, 3 from Kentucky, 2 from Rhode Island, 2 from Virginia, 6 from Indiana, 4 from Nebraska, 2 from Mississippi, 2 from Delaware, 5 from Minnesota, 4 from Maryland, 5 from Montana, 4 from Wisconsin, from Alabama, 8 from Oklahoma, 6 from Utah, 15 from Florida, from New Hampshire, 5 from Louisiana, 3 from Massachusetts, from Wyoming, 2 from Arkansas, 4 from Connecticut, 2 from Maine, and 2 from Georgia.

There were 2 cars from England, Hawaii, France, Switzerland, and Austria; 3 cars from India, Italy and Cuba; 4 from Canada, 1 from Germany, and 10 from Mexico, D. F. And the Army and Navy came in for 5 cars.

According to J. W. Downum, proprietor of the Kerr Hotel, each of these cars carried from one to five or more persons.

The register also reveals the return in general business conditions. Tourist travel was nearly 100 per cent greater in 1935 than in 1934. However this was entirely due to better conditions, as Mr. and Mrs. Downum pointed out, but partially to a better and safer highway between San Antonio and Sanderson, a distance of 287 miles. In 1934 and previous years there were numerous highwater hazards along this route together with some unimproved stretches. These hazards have all been removed, or soon will be; rivers and canyons have been bridged and the dirt stretches paved, making Highway 90, the Border Route, one of the safe highways, the year around in that part of Texas.

When the few miles between Del Rio and Marfa and the long stretch of about 75 miles between Marfa and Van Horn is paved, there will then be a hard surfaced road all the way from San Antonio to El Paso, via Sanderson, into Arizona and California.

The Sanderson area is about as famous for its fine sheep and goats as the Big Bend country is for its fine cattle. Six hundred and eighty-seven carloads of live stock were shipped from Sanderson in 1934, three-fourths of them being sheep. Figures for 1935 are not yet tabulated but I was told there would be as many as during 1934.

One hundred and fifty thousand pounds of mohair were shipped from Sanderson and 1,491,947 pounds of wool. The figures in this and the above paragraph are for rail shipments only. Large shipments have been made by truck.

Sanderson is 2772 feet high and is literally surrounded by low-lifted hills and broken mesas. Talk about your Rose Bowl and Sun Bowl, man-made affairs, here is a natural bowl in which you could put one-third the state of Rhode Island.

Sanderson has an equable climate, good schools, good water and a half dozen churches.

Friday, Jan. 31, is the last day you can pay your poll tax.

NOTICE TO CANDIDATES

The Times has adopted the iron-clad policy this year of accepting no candidate's announcement unless accompanied by the required amount. The announcement fees are the same as they always have been: District and State, \$15; County, \$10; and Precinct \$5. And please do not ask for credit, because no special favors will be shown, and there will be no deviation from this rule. All printing pertaining to campaign matter will come under the same cash regulations.

Court Favors the Fee System of Paying Salaries

The regular monthly session of the County Commissioners was held Monday, with all members of the court present.

The question of the advisability of placing county and precinct officers on a salary basis, or retaining the present fee system of paying salaries was brought up for consideration, and after general discussion, pro and con, it was unanimously voted by the court to retain the fee system. The wording of the new constitutional amendment left this matter wholly in the hands of the commissioners in counties of less than 20,000 population, according to the federal census of 1930.

At this time the court heard complaints from about 15 women, members of the Centennial Beautification club, in regard to enforcement of the stock law in effect in the town of Sanderson. They were promised the cooperation of the court.

Routine business was also disposed of at this session, after which the court adjourned.

First of the 400

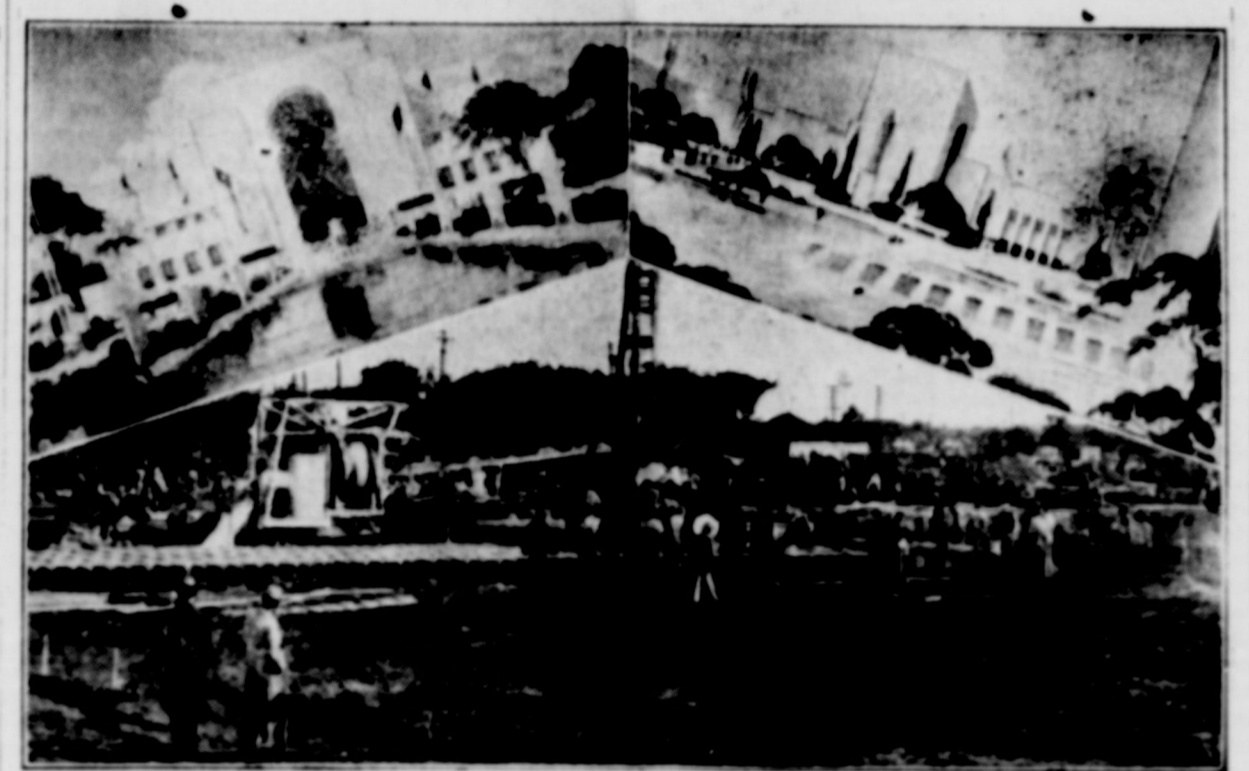

From more than 400 Texas girls Miss Carolyn Durban who lives in Dallas, was chosen chief of the Rangerettes, official hostesses for the Texas Centennial exposition, which opens in Dallas June 6. She will assist in choosing and training 25 more girls of the Southwest who will wear cowgirl hostess costumes from June to Dec.

PRESIDING ELDER WILL PREACH HERE SUNDAY

Dr. Walter D. Barr, the new presiding elder of the El Paso District in the Methodist church, will preach at both morning and evening services in Sanderson at Dryden Saturday night at 7:15. Dr. Barr comes to this district after a splendid record of service at Central Church, Phoenix, Ariz. Those who are not worshipping elsewhere are invited to hear him next Sunday.

What \$10,000,000 Will Do Before June 6

Here are two extremes—below the Texas Centennial Exposition grounds in Dallas as it looks today; above, artists' conceptions of the Petroleum Products building, right, and the Administration building, left, both permanent structures costing together approximately \$625,000, which will arise on this rough site. Exposition heads are rushing work on projects which call for the expenditure of \$10,000,000 before the opening date of the Exposition, June 6, 1936.

AMERICAN LEGION POST PLAN COMMUNITY HALL; GOLF LINKS

If present plans, made at the regular meeting of the Clarence Hallie Mulkey Post No. 160, American Legion, last Thursday night are carried out, this progressive organization will give Sanderson and Terrell county a lasting memorial, and one of which the entire community will be proud.

The Post went on record at this meeting to build a community hall for Sanderson and Terrell county, the plan meeting the approval of the veterans and, under the leadership of Ben Gilbert, post commander, a committee is now scouting for a suitable site on which to build the hall.

This is a worthwhile project and should receive 100 per cent cooperation from our citizens in order that the move may be put over. The proposed plans is for a hall that will be a credit to the community, and one that will not only serve present needs, but the future needs as well.

Tentative plans of the veterans are not only for a hall, but if the acreage can be secured they will install a golf course, and a place where all classes of athletic events and public gatherings can be held.

The Post reported that a nice sum was netted from the dances which it sponsored during the holidays.

Worthwhile community projects sponsored by the local post recently were organization of the Boy Scouts troop, financing a scout leader during the summer, and making it possible for the boy scouts to attend camp last summer.

The Times is heartily in sympathy with the post's latest move, and pledges every help possible to help this laudable program to its final consummation.

Beauty Shop Here Gets High Rating

Mrs. Maude Jennings, inspector for the Texas State Board of Hair Dressers and Cosmetologists, was in Sanderson Wednesday and made an official inspection of Lucile's Beauty Shop.

Mrs. Jennings was not only the shop but it two operators, Mesdames Lucile M. Garrison and Grace Wheeler, a high rating, and stated they were complying with the State laws in every respect. She complimented Mrs. Garrison on her well-equipped shop, and stated that the beauty patrons of Sanderson were fortunate in having such a good shop.

Mrs. Jennings' headquarters are in El Paso.

Mexico, D. F. (formerly Mexico City), was built on land that was at one time a lake bottom.

NOTICE TO SUBSCRIBERS

Notices were mailed last week to all subscribers in arrears to the Sanderson Times. We wish to impress the importance of giving this matter immediate attention. We cannot carry subscribers indefinitely for more than one reason. If in arrears and can pay just now, we will expect at least an expression from you in the matter. We are willing to cooperate with you, and if you want the paper, but are unable to pay right now, won't you please call and let us know.

It cost money to publish a paper. There are paper bills, salaries and other expenses of the office which must be met, and subscriptions help take care of these expenses.

May we expect your cooperation. Thank you.

Remodeling P. O. Adding 200 Boxes

Extensive improvements are under way this week at the local post office, and when completed will be convenient, modern, and ample to care for the large volume of business, according to the Postmaster, Clyde Griffith.

The partition in front has been moved toward the entrance several feet, leaving ample room for patrons, and giving the postmaster and clerks more space in their section. To the left, as one enters, the money orders, parcel post and general delivery windows have been installed.

On the east side of the building a partition has been built, and about 200 new boxes have been installed there. These boxes are the combination lock style, and replace boxes that were opened by means of keys.

C. M. Breeding, local contractor, is doing the work, and when completed and painted the Sanderson post office will be up-to-date in every respect.

V. BUCHANAN INJURED

Vernon Buchanan sustained a painfully bruised right cheek and cuts on his left hand when he accidentally fell off a truck last Tuesday afternoon. Vernon had gone to Fort Stockton to get a load of gasoline for the Loma Alta tourist camp and his truck was being load when another truck drove up. Thinking there was no room for the other truck to drive in he went to get off his truck to move it and simply stepped off into space.

Two Residents Taken to Del Rio For Operations

Miss Thomasine St. Clair, the daughter of Mr. and Mrs. Cliff St. Clair underwent an operation for appendicitis at the Williams sanitarium last Thursday afternoon. Miss St. Clair is reported to be doing fine, and was able to be removed from the sanitarium to the Henson hotel on Tuesday of this week.

W. C. Durbon, an employe in the car department of the T. & N. O., was rushed to Del Rio late Thursday afternoon where he underwent an emergency operation for appendicitis. While still at the Williams sanitarium in Del Rio, Mr. Durbon condition is much improved and it thought he will soon be able to return to his home in this city.

Expo's Manager

William A. Webb, Dallas, was named general manager of the Texas Centennial exposition, to open in Dallas June 6. A veteran railroadman, one of Mr. Webb's accomplishments was rebuilding and remodeling the great South Australia railroad, a \$70,000,000 project. He was recommended for the task which he finished in 1931, by the U. S. Dept. of Stat.

ILLINOIS VISTORS HERE

Mr. and Mrs. Walter Stapleton and daughter, and Mr. and Mrs. Earl Meckelston of Alexander, Ill. arrived in Sanderson last Saturday for a visit with Mr. and Mrs. Frank Weigand and son, Albert. Mrs. Stapleton and Mrs. Weigand are sisters. The visitors state they are enjoying their visit very much and like this country fine.

Brother Riding With Him Asleep at Time Unable to Furnish Details

THIS WEEK IN Texas History

- Jan. 16 to Jan. 21
- 1821—On Jan. 17 Austin Moses received notice of the confirmation of his grant to found the first colony in Texas, but he did not live to carry out his plans.
 - 1836—A second loan, \$50,000 cash, was negotiated by the Texas commissioners to the U. S. These funds enabled Texas agents to purchase supplies and keep the army together at a critical time.
 - 1847—On Jan. 18th the first authentic information of the capture of the Santa Fe expedition was received in the Texas capital.
 - 1844—President Sam Houston sent to the Congress of Texas his secret annexation message on Jan. 20.
 - 1874—E. J. Davis, after near-conflict, vacated the office of Governor of Texas for Richard Coke on Jan. 17.

Claude Roberts, 29, truck operator, died early Sunday morning after being seriously injured when his truck overturned a few miles east of Langtry. Claude, with his brother, Amy, were enroute to Camp Woods when the accident occurred.

Just how the accident occurred is not definitely known, as Amy was asleep at the time. He was of the opinion that the truck came into the guard rail of a culvert, tearing six post down and turning over. The truck was badly damaged.

After the truck turned over Amy, who was not hurt, crawled out and found his brother lying beside the road unconscious, his skull crushed. He died about an hour later, while enroute to the Williams sanitarium in Del Rio.

Funeral services for Claude were held in Del Rio Monday afternoon at 2 o'clock from the Doran funeral home, with the Rev. L. B. Gilbert, Baptist minister officiating. Interment was made in the Westlawn cemetery under the direction of the Doran funeral home.

The son of Mr. and Mrs. Jess Roberts, Claude Roberts was born in Vance, Edwards county, Texas, July 3, 1906. Most of his life was spent near there, the family moving to Sanderson nine years ago. He was married to Miss Dorothy Ogle of this city about seven years ago, and the couple, with their three children have been making their home near the Dryden airport for several years.

He was well known and liked here and had a host of friends who regret to learn of his untimely death and extend sympathy to the bereaved loved ones.

Survivors are his widow, Mrs. Dorothy Ogle Roberts, a daughter Mary Beth; two sons, Jimmy and Tommy; his parents, Mr. and Mrs. Jess Roberts; four brothers, Sid, Orvy, Amy and Elmo; three sisters, Mrs. Bart Caldwell, Mrs. Jessa Belle O'Bryant and Cleo Roberts.

Local Farm Loan Officers for New Year Are Chosen

The Sanderson National Farm Loan Association held its annual stockholders' meeting on Tuesday at the office of Joe Kerr, with the following members in attendance: Joe Kerr, G. J. Henshaw, Landon Rose, J. C. Mitchell, C. H. Arvin, John Nichols, Frank K. Harrell and Joe F. Brown.

The following were re-elected to serve on the board of directors for the year: Joe Kerr, G. J. Henshaw, Rufe Murrah, J. C. Mitchell and Albert Appel.

Following the meeting of the stockholders the directors met and re-elected the following officers: G. J. Henshaw, president; Albert Appel, vice president; Alfred E. Creigh, Jr., secretary-treasurer.

The association has a total loan of \$62,000.00 in this county.

Announces For County Judge of Terrell County

I take this manner, at the request of friends and well wishers, to announce myself as a candidate for the office of County Judge, subject to the coming primary.

I have lived in this community for the past twelve years, being employed as bookkeeper for various firms in this city, also have served three years as Justice of the Peace of Precinct No. 1, and feel that I am qualified for the office.

I wish to express my thanks and appreciation to the voters and others of Terrell county, for the honors and confidence in the past they have entrusted in me. If, by your vote, you honor me with the office of county judge I assure you that no outside interests will deter me from giving my entire time and attention to the business of the taxpayer of Terrell county.

Respectfully,
R. L. HENRY,

Don't forget to pay your poll tax!

Payment of Poll Taxes Lagging in Terrell County

Only thirteen days remain in which to pay your poll tax. Friday, January 31, is the last day.

Reports from the office of the tax collector are that payments of the tax are lagging in Terrell county. Usually, in election years there are around 800 poll tax receipts issued in this county. Up to noon Thursday 144 poll taxes had been paid and four exemption certificates issued.

Those entitled to exemption certificates have until January 31 to secure these exemptions. Without these certificates you will not be allowed to vote in any elections held this year.

The rules governing exemptions apply to those voters who were not 21 years of age on or before January 1 of the year for which the levy was made, and those who moved to this state after said Jan. 1. These persons are required to obtain exemption certificates, for which there is no charge.

Persons who are now twenty-one years of age and those who will become twenty-one years of age during the poll tax year should obtain exemption certificates before February 1.

Unless applications increase in the next thirteen days quite a number of votes will go begging in the 1936 elections.

EYE SPECIALIST HERE

Dr. Fred Baker, San Angelo eye specialist arrived Thursday and will remain in Sanderson, at the Kerr Hotel, through today—Friday, where he is prepared to test and fit glasses for those who may need his services.

So elaborate were some of the designs and decorations on the covers of early European Bibles that it required more than five years to paint a single cover.

Nobody's Business

By JULIAN CAPERS, Jr.

Austin.—Lobbyists and members of the legislature who have been in Austin lately are agreed that the called session will be at work at its gigantic task of raising revenue early in February, despite conflicting rumors of indefinite postponement.

Another source of considerable state revenue was bottled up last weekend when attorneys for the group of chain store organizations obtained in district court at Dallas an injunction against collection of the chain store tax.

Two developments of first importance in Texas occupied attention of observers here last week. First, and most important because of its possible political implications, was the supreme court decision invalidating the AAA.

A second development—a 5 to 15 cent increase in the posted price of crude oil—brought rejoicing to many sections, notably East Texas.

Politicians in Austin are gravely concerned over the growing strength of the Townsend old-age pension plan. Considered about dead a year ago, the aged Californian's scheme to pay everybody over 65 \$200 a month, has shown a remarkable comeback throughout the nation, and Texas is no exception.

Gov. Allred once more laid rumors that he is "lukewarm" to the New Deal when he was paid the high honor of being invited to deliver the Jackson day address last week at Nashville, near the Her-

Ford Will Have Centennial Expo Largest Exhibit

Dallas, Jan. 16.—The Ford Motor Company will enter the Texas Centennial Exposition when it opens here in June with a building and exhibit investment of \$2,250,000.

The plans for a \$1,200,000 Ford building for the Exposition have been drawn by Albert Kahn, architect of New York.

The Ford exhibit will feature a display of raw materials used in the manufacture of their cars, including cotton, mohair, wool, soy beans, hides, resin and rice.

"When I first saw those nine old gentlemen in their black robes I was pretty much impressed," he said. "But do you know, I later found out that they don't sleep in those robes at all. They take 'em off and don a nightshirt or a suit of pajamas just like any other ordinary men."

Your Health

Austin.—This is the season of the year when influenza, or "flu" is most prevalent, according to Dr. John W. Brown, state health officer. Colds, grippe, influenza, whatever you call them, are believed to be spread from person to person through discharges from the nose and throat.

Influenza is highly infectious. Practically everybody is susceptible to it. No matter how many times you have had the disease you may contract it again.

Keep fit by drinking plenty of water, by eating simple nourishing food, by some exercise out of doors every day, by dressing according to the weather, by having plenty of sleep in a well ventilated room, and by keeping the bowels regulated.

Disastrous results may ensue if influenza cases are allowed to get about too soon. Persons convalescing from influenza are particularly susceptible to other infections.

Mr. and Mrs. W. M. Mallory was a visitor in San Antonio for several days this week.

Mr. and Mrs. Weldon Cox have returned from Fort Worth where they visited with relatives.

Mr. and Mrs. J. R. Blackwelder and son, Weldon, motored to Fort Stockton Wednesday afternoon, Mrs. Blackwelder going to that city to have some dental work done.

Mr. and Mrs. C. R. Hoover of Del Rio spent Sunday here visiting with F. S. Garrison.

Mr. and Mrs. Noble Latson and Mrs. Kendrick Harrell were visitors in McCamey this week.

MOTHER! don't experiment with your Child's Cold

VICKS VAPORUB

Often, "mere colds" have serious consequences. It is dangerous to neglect a cold—equally dangerous to experiment with half-way measures.

Feel safe! Use Vicks VapoRub—the proved external method of treating colds. No risks of constant internal "dosing", which so often upsets delicate digestions and lowers resistance when most needed.

DOUBLE DIRECT ACTION

Just rubbed on at bedtime, VapoRub fights a cold direct—two ways at once—by stimulation and inhalation. This combined poultice-vapor action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion. Often by morning the worst of the cold is over.
