Del Rio and Eagle Pass Men Out for Representative of 87th District Special Election to Be Held Feb. 6

An announcement was made last week by Cal Huffman, managing editor of the Eagle Pass Guide, Alford, rancher of Del Rio, also made an announcement for election to the representative of the 87th district vacant by the resignation of Stanford Payne, who held a position with the Department of Health.

Allred has ordered a special election to be held on February 6 to fill the vacancy. In his statement, Huffman is saying he will cooperate in the Big Bend and for better schools is known throughout the area as a leader in civic affairs for the past 20 years. Huffman was born and raised in Eagle Pass section, and has resided in Del Rio for 16 years. For 10 years he has been engaged in business administration.

Mr. Cauthorn is quoted as saying: "I feel that I am interested in the disqualification, though naturally interested in the ranching people. I will do everything in my power to look after the interests of the district."

Cash Prize at Special Election Now \$105

Blazar was the loser of the special election. He was not present nor did he vote at the matinee on Tuesday night. This sum was carried over until next week's special election and augmented by the weekly pot of \$15, making a total of \$105 to be awarded to the winner.

Following persons' names were announced for passes and were to be awarded on Tuesday night: Cherry Harrell Wright. The award will be made on the next Monday night.

Huffman, Candidate for Rep. of 87th District, Has Record of Public Service

Cal Huffman, candidate for representative of the 87th district, to succeed Stanford Payne, who resigned last week, is a visitor in Sanderson to announce his candidacy for the representative of Terrell county. Huffman, although only 29 years of age, has an impressive record of public service that he hopes to continue if chosen by the voters of the 87th district to represent them in the State assembly.

In the past six years Huffman has held the position of managing editor of the Eagle Pass Guide at Eagle Pass and of the Quegado for the new irrigation project in Maverick county. Huffman has held many offices of public service, such as vice president of the Chamber of Commerce, president of the Bachelors Social Club, chairman of the Canal Committee, director of the National Traffic Commission, and other offices of lesser importance.

As editor of his paper, he has taken an interest in sports as well as in the promotion of public life. Huffman is one of the sponsors of the Terrell County Basketball League and has been an organizer of the Maverick County Basketball League in its second year of existence. Huffman was born in Del

Latest Model Ice Cream Maker at Curry Pharmacy

A step forward was the installation this week of a Mills Ice Cream Freezer by the City Pharmacy. This innovation enables the management to turn out ice cream daily, fresh and crisp.

The machine is the latest idea in ice cream manufacture, and every operation may be watched by the customers. It is the first machine of its kind to be installed in this section of Texas. Several different flavors are now being turned out daily at the Curry Pharmacy. This new super-creamed ice cream is frozen daily, guaranteeing tastiness and freshness, and it has that home-made flavor. In an interview Mr. Curry stated, "Only the purest and freshest of ingredients are used—fresh cream, milk, sugar and eggs, and all combine to make a balanced ration, packed full of energy, rich in vitamins, and a 14% butter fat content."

The installation of this freezer places Mr. Curry in position to take care of orders for parties, be they large or small, and he is anxious to receive orders of this kind.

We call the reader's attention to Mr. Curry's announcement on page four of this issue.

Must Have New Receipt to Vote in Special Election

Those wishing to vote in the special election on February 6th, called by Governor Allred to elect a representative for the 87th district, made vacant by the resignation of Stanford Payne, will be required to have a 1936 poll tax receipt, it was announced. The deadline in which to obtain this receipt is January 31, 1937.

To date payments of poll taxes in this county have lagged, and, up until Tuesday of this week, only 180 receipts have been issued. Those eligible to vote are urged to pay their poll tax at once and avoid a last minute rush, and be sure of having a voice in the coming special election.

AND A GIRL
Mr. and Mrs. W. R. "Son" Turner are the parents of a daughter born at their home in this city on Saturday night, Jan. 16th. Both mother and baby are reported doing nicely.

ATTENDS INAUGURAL BALL
Mrs. W. J. Ferguson and Mrs. Joe Pennington motored to San Antonio Tuesday, where they were joined by Billie and Mary Ferguson, students at the Westmoreland college, and from that city went to Austin for the Governor's inaugural ball that evening. They returned home Thursday night.

CANDIDATE HERE
Albert Cauthorn of Del Rio was a visitor in Sanderson this week in the interest of his candidacy as representative of the 87th Legislative District, a post made vacant by the recent resignation of Stanford Payne.

RELIEF OPERATOR
W. B. Vincent is acting as relief operator on the third truck at the T. & N. O. depot during the absence of Operator Campbell, who is on the sick list, and went to El Paso last week to recuperate from an attack of the flu.

HOME FROM HOSPITAL
H. D. "Boomer" Williams was able to return to his home here Monday afternoon from the Peter Hospital, Marfa, where he had been since December 31, recovering from injuries sustained when he fell beneath the wheels of his train at Valentine. Mr. Williams' right arm was crushed, necessitating amputation 5 inches below the shoulder. In a few days he will leave for Houston to receive medical treatment at the S. P. hospital.

HENRY TAKEN FOR RIDE
Henry Ford, manufacturer of the cars bearing his name, was taken for a ride in Detroit last Monday. But it was a sort of triumphal outing. He was the passenger and his son, Edsel, driver of the 25,000,000th Ford rolled from the final assembly line.

"Outside the fact that he is 4 years older, a little grayer about the temples there is not a thing to worry about."

GOODE TEST NEARS 8,000
The M. H. Goode No. 1 in northeast Terrell county was reported making hole steadily and on Wednesday afternoon a depth of 7,993 feet had been reached, in sandy shale, it was reported. Rainbows in the bailing raise hopes the bit is nearing the Ordovician stratum, where the oil strike is expected.

TIRE PRICES HIKED
Akron, O.—Four major rubber companies announced increases of six per cent in the retail prices of tires on Monday of this week.

Ten births were chronicled on page one of last week's Pecos Enterprise. Ho hum! The town, about as well known as any in Texas, lays claim to many a tridition, one being that the first rodeo was staged on the alkali expanses of its town streets and, of course, there are many others. Maybe it's so, maybe it isn't. But one thing we defy anyone to deny them in the face of this increase in population is the right and title to their slogan: "The City of Team Work."

Wonder who's responsible for the phrase "Wise as an owl?" The other day, while admiring a caged specimen of the "Who-o-o-o" family, we glanced at its eyes and their expression was as dumb as an oyster. It must be his silence that inspired the axiom, for he never opened his mouth the entire time we gaped.

An elderly couple appeared before a New York judge last week. He was asking divorce on the ground that his mate had not been divorced from a former husband. Questioning the pair, the husband said they had been married 25 years; she said 30. He stated they had 10 children; she countered by saying thirteen. The judge after a lecture on the subject of "There's no fool like an old fool," sent them home to improve their arithmetic.

"Texas Parents will Rear Their Children," was the title of an article sent the Times this week by the Texas Press Association. Just wonder what in heck they think we were going to do with them—take 'em out in the back yard and knock 'em in the head at birth!

A woman in Washington is being hailed as a heroine by the press of the nation simply because, on finding a rattlesnake in her coal bucket, did not scream, but nonchalantly tossed it into the fire. Poof! Before we recognize her bravery we'll have to see how she'll come out with a mouse.

A special election coming up on Feb. 6. To vote in that election you must have a new tax receipt. There's only ten days left to secure this credential. Hurry, so you will not have to sit on the sidelines and watch your patriotic neighbors trek to the polls and vote for the good of the country.

High School Gagers Capture Trophy in Consolation at Ozona Tournament

Regular Term of District Court to Convene Monday

A very light docket faces the regular January term of district court, scheduled to convene in Sanderson next Monday, Jan. 25. The grand jurors have been summoned for appearance at ten o'clock Monday morning, and the petit jurors will report for service Thursday morning.

Civil cases docketed for trial at the current term are as follows: Babe Winn vs Sam Ogle and John D. Ogle, suit on notes and foreclosure of deed of trust. Toots Dunnigan Larson vs. Louie Larson, suit for divorce. Raymond R. Brooks vs. Mildred Young Brooks, suit for divorce. Ralph H. Jones vs. Dortha Black Jones, suit for divorce. Jose Olivares vs. Amelia Barron Olivares, suit for divorce.

On the criminal docket the following cases, which had been continued from last term: State of Texas vs. Bessie Sharp, charged on two counts with administering poison with intent to kill. State of Texas vs. Enrique Cervantes and Ruel Espinosa, both charged with receiving and concealing stolen property. State of Texas vs. Lee I. Starling, S. H. Mead, L. H. Bowie, Wm. Vick, A. P. Garber, the indictment charging them with felony theft and swindling.

State of Texas vs. Maurecio Sanchez, charged with assault with intent to murder. State of Texas vs. W. L. Bridges, charged with felony theft.

HOSPITABLE OZONANS
Aside from play in the tournament, the most talked of item was the hospitality of the Ozona people, students, citizens and officials. As usual the trophies were beautiful and numerous, one cup for the champions, one for runnerup, a cup for winner in the consolation bracket, and one for runner-up, and footballs for members of the all-tournament teams.

As it customary at these tournaments, mythical all-star first and second teams were selected. The teams selected were as follows: First Team—Reeves, McCamey, and Reynolds, McCamey, forwards; McDaniel, Del Rio, center; Bradley, Del Rio, and Leach McCamey, guards. Second Team—Whitney of Big Lake, and Boyd of Mertzon, forwards; Sadler of McCamey, center; Appel of Sanderson, and Myers of Grandfalls, guards.

ASSUMES MANAGEMENT OF INTERSTATE LUNCHROOM
Mrs. F. M. Weigand has again resumed management of the local Interstate Lunchroom, following several months leave of absence. Mrs. Weigand took charge on last Friday.

E. L. McElroy has been acting as manager during Mrs. Weigand's absence. He and his family have gone to Del Rio where they will make their home.

CONTRACTS MOHAIR
The Sanderson Wool Commission company this week contracted its spring clip of mohair at 60 cents for the grown, and 70 cents for the kid hair. Amount of the clip is not known at this time as shearing will not begin for another month in this section.

The above prices are consistent with those being offered and contracted for in other sections of the county.

RELIEF OPERATOR
W. B. Vincent is acting as relief operator on the third truck at the T. & N. O. depot during the absence of Operator Campbell, who is on the sick list, and went to El Paso last week to recuperate from an attack of the flu.

James V. Allred who, on Tuesday embarked on another 2 years as governor of the greatest state in the Union. In his speech Governor Allred quoted from the Texas Constitution and said: "Today you and I stand pledged by the faith of the people to the preservation of our form of government. The aim of that government should be to secure the maximum of human happiness for 6,000,000 people."

Birthday Ball by Local Legion Post Will Be Held 29th

At a regular meeting, held last Thursday night at the courthouse, the Clarence Hallie Mulkey Post No. 160, American Legion, donated \$25 to further Boy Scout work in Sanderson and Terrell County. For several years past the post has been interested in the Scout movement here and has helped finance several projects of the local troop, and made possible their attendance at several summer camps for Scouts.

At this same meeting the members passed a resolution to charge a general admission of 25 cents to the President's birthday ball, which they are sponsoring, to be held at the C. A. C. hall next Friday night, Jan. 29. Regarding this P. J. Holman, post commander, stated: "The Legion is making this charge for this one dance for, as every one knows, a percentage of the proceeds will go to the Warm Springs Foundation, an institution whose goal is to stamp out infantile paralysis, and it is the desire of the local post to send in a nice sum for this worthwhile project."

It was the post's regular meeting date, and a large attendance was on hand.

To Austin in the Interest of B. R. T.

W. H. Savage returned from Austin Sunday, where he went in the interest of legislation favorable to the Brotherhood of Railroad Trainmen, a measure affecting railroads that probably will receive the attention of the solons at the regular session recently convened.

Mr. Savage reached Austin in time to attend the inauguration of Bill McCraw, attorney general, being one of a delegation of 100 invited to this particular function.

Column Right

The American Legion post will hold a President's birthday dance next Friday, the 29th. The regular date, of course, is the 30th, but two reasons are given for the hike. One is all worthwhile orchestras are engaged for Saturday night, and Legion members engaged the San Angelo Hot Shots, enroute to Fort Stockton where they play on Saturday night. In Sanderson the law says no dancing after the going strikes midnight Saturday. An admission charge will be made to the hall next Friday, to which there should be no objection, as the dance is a benefit, part of the money going to Georgia Warm Springs Foundation where thousands of little sufferers from infantile paralysis are being cared for, with the ultimate goal of forever stamping out this disease. In fact it should be the patriotic duty of every citizen to contribute to such a worthwhile cause if you never dance a step.

IRAAN—A tentative highway construction program in Pecos county for 1937 assures an all-paved highway from San Antonio to El Paso, through Fort Stockton, according to the Herald. The latest actual contract to paved 12 miles of the O. S. T. near Bakersville, provides an all-paved highway through Pecos county.

IRAAN—Baseball is in the air in this city. Last week Dr. Jas. C. Sharp, manager of the Iraan Oilers, called a meeting to perfect plans for the organization of a winning team. All players are expected to be signed up and actual practice started withing the next 30 days.

ALPINE—According to the Alpine Avalanche, highway 90, now undergoing such improvements as erection of new bridges, culverts, grading, etc., is scheduled for work during 1937 that will close the only gap between San Antonio and El Paso. Completion of the work will make 90 one of the most desirable coast to coast routes in the Southwest.

MARFA—A fire of unknown origin destroyed the Palace theatre and the community house on Jan 7, according to the Big Bend Sentinel. The fire, which occurred at midnight was well under way before discovered, and for a while threatened an entire business block. Several firemen received minor injuries fighting the blaze. Both building will be rebuilt, it was stated.

FLORESVILLE—A meeting of onion growers of Wilson county has been called for this week by Henry Wallace, secretary of agriculture. The object of the session is to discuss regulating and handling this important crop, under provisions of the AAA, according to the Chronicle-Journal. The onion crop has grown to giant proportions in that section and last year marketing conditions caused considerable financial loss to farmers.

FORT STOCKTON—The deposits of the Pecos County State Bank have increased 58% during the past year, according to the Pioneer. This year the total was \$539,117.66, as compared with \$340,058.54 a year ago. The increase, it was stated, was due to a \$24,000 increase in bonds, and \$165,000 cash on hand and due from approved agents.

OZONA—A spurt in wool contracting was reported in the columns of the Stockman last week, with the reported purchase of approximately 500,000 pounds of 8-months wool at 35 cents a pound. The pool it was stated, was made up by ranchers of Crockett and Val Verde counties ranchmen.

PECOS—At a recent meeting of the directors of the Red Bluff Water Control project, a bid of a Dallas firm was considered lowest for construction of a transmission line from the powerhouse at the dam to farm homes in the vicinity affected by the dam. The directors submitted the bid to officials of WPA with recommendation it be accepted, according to the Pecos Enterprise.

CARRIZO SPRINGS—At a recent meeting of the commissioners' court, bids for the erection of a new jail were canvassed, that of W. R. Lynch being lowest for the construction work being lowest, and that of the Southern Prison Supply Co. of San Antonio lowest for steel, according to the Javelin.

RATTLE OF THE RAIL

The thirteenth train crew has been placed in service on the Valentine-Sanderson division.

Due to a layoff of three months due to illness, the passenger run of Engineer P. A. Baner between El Paso and Sanderson has been assigned to Engineer R. Kunz who had been passenger engineer on the run between Sanderson and Del Rio.

Engineer W. C. Barksdale of El Paso and firemen L. T. Calk and Carl Lovett have been assigned to a regular freight run out of Sanderson.

T. S. Stewart, trainmaster, was here from El Paso Wednesday.

Fireman J. H. Harris of Del Rio has been assigned to a yard engine at El Paso.

Fireman J. F. Reininger made a passenger trip to El Paso Wednesday, and returned on No. 6 Thursday.

J. E. Marshall, water service foreman, was here from San Antonio recently.

L. B. McDonald, general manager, Houston, made a trip over the division the first of the week.

Engineer H. Newton has returned to work after a layoff on account of illness.

Billie Goldwire visited in Austin this week with his brother, Henry, who is a student at the University. Billie also attended the inaugural ball in that city on Tuesday evening.

Mr. and Mrs. D. L. Duke and children spent the week end in San Antonio visiting with his mother, Mrs. M. E. Duke.

Mrs. Alex Mitchell returned to San Antonio last Saturday after spending the past week at her home here. Mrs. Mitchell is undergoing a special treatment and diet at the Nix Hospital in San Antonio, and is much improved in health.

Mrs. Fayette Wise of Alpine is visiting here with her nephew, "Son" Turner and family.

Clyde Morris was a business visitor in Pecos Wednesday.

Steel will cost \$9,950, and construction work \$13,650.

PECOS—Five new building are under construction at Pecos, according to the Enterprise. One of the new building is a commodious store erected by the J. C. Penney Co., to house a business that in five years has outgrown the quarters in which it was launced.

SABINAL—Application for the improvement of 50 blocks of city streets here has been approved, says the Sentinel. The work involves an expenditure of \$13,000 and will employ 30 men for five months.

CARRIZO SPRINGS—At a recent meeting of the commissioners' court, bids for the erection of a new jail were canvassed, that of W. R. Lynch being lowest for the construction work being lowest, and that of the Southern Prison Supply Co. of San Antonio lowest for steel, according to the Javelin.

Assert Big Trucks Get Most Benefit From Highway and At Minimum Cost

Houston, Texas. — Propounding the query: "Who Pays for Texas Highways?" the Texas Railroads answered the question with a series of figures, allocating the costs of the existing highway system and showing the sources of the three-quarters of a billions dollars to date.

Contrary to what is perhaps the popular impression, it is shown that the general taxpayer, whether he owns a car or not, is or should be as vitally interested in the highways as in any other of the public services for which he pays. His share in the cost of the highway system, paid through ad valorem taxes, has been to date \$281,000,000, or 33% of the total, while of course if he is a car owner, he has paid his share of the \$202,000,000 in motor car license fees and the \$176,000,000 of gasoline tax, and finally, a part of the \$91,000,000 of federal aid which Texas has received for its road program.

Big trucks, engaged in inter-city freight transport, are shown to have paid a relatively insignificant part of the total cost of the highway system, though their use of the roadways has tremendously enhanced the cost both of construction and maintenance. Actual count shows, according to the summary as issued, that there are but 36,000 trucks, each registered in the state for a gross weight, vehicle and load, of 8,000 pounds or more. These large trucks, representing 23% of all vehicles on the state's highways, have paid toward the highway system \$14,500,000 in license fees and \$11,200,000 in gasoline taxes, a total of \$25,700,000, or 3 1/2% of the total cost of the system.

Yet, the statement continues, these large trucks add tremendously to the cost of highway construction and maintenance. Two feet wider than passenger cars and small trucks, they require 4 feet of additional road width, representing about 25% increase in paving cost for this item alone. Their weight is such as to make it necessary to build thicker pavements, this factor adding from 35 per cent to 60% to the cost. Wider and heavier bridges and increased maintenance costs are shown to swell the total highway cost requirements to almost double that required for small trucks and for passenger cars.

Any addition to the load limit or the size and speed of these larger trucks will, it is asserted, further increase the burden of the costs for highway building, with the owner of the small truck or passenger car and the payer of ad valorem taxes having to pay a greatly disproportionate share for the sole benefit of a small fraction of the total number of motor vehicles on the highways.

Dr. and Mrs. W. H. Doty left Wednesday for San Antonio and will spend the remainder of this week visiting in the home of their son, Henry Doty.

Webb Townsend left Wednesday for San Antonio to attend to business matters in that city.

C. J. Watts and daughter, Miss Floy, visited in Del Rio Sunday with Mrs. Watts who is recuperating from a recent operation. Mrs. Watts, who was able to leave the hospital last Sunday, is now at the home of Mr. Watts' aunt, Mrs. James Wallen, in Del Rio. She hopes to be able to return to her home here soon.

The First Envelopes

A HUNDRED years ago, the business of posting letters was an expensive and difficult job. In the first place, there was no such thing as an adhesive postage stamp. And even worse, there was no such thing as a modern envelope. In those days, when travel was slow and hazardous, relatively few people ever had occasion to write letters. The few who did, wrote their messages on one side of the note paper only, and carefully wrapped it up so that none of the writing showed. Then they either paid the postman directly, or sent it postage collect. The reason envelopes were so seldom used was because an extra charge was made for any paper, no matter how small, when wrapped up in another.

A few wrappers that might be called envelopes had been used in France early in the Seventeenth century, and a few were sold in England as early as 1830. But the first American to manufacture envelopes was named Pierson, who in 1839 began to sell them in his Fulton Street Stationer's shop in New York City.

The United States mail service has come a long way since those early times. The pony express, which numbered Buffalo Bill among its brave riders, was a thrilling if brief interlude. The first time mail was carried on a railroad train marked the beginning of a new era in communication. And the way that our modernized Uncle Sam delivers literally billions of pieces of mail annually with efficiency and speed is a tribute to our unexcelled arm of government.

Survey Reveals Mountain Sheep in Trans-Pecos Region Are Increasing

Mountain sheep, numbering less than a hundred in the Trans-Pecos country six years ago, have shown a remarkable increase under the protection of the State Game department, with the result that there are approximately 300 head of these animals in the area now, according to a recent estimate made by State Game Warden Ray Williams, Alpine.

These wily animals range in the foothills of the Guadalupe, Delaware, Diablo and Beech mountains north of Van Horn mostly. Mr. Williams stated, with a few to be found in the Eagle mountains of Hudspeth and Culbertson counties. A few have drifted as far south as the Rim country in Presidio county, southwest of Marfa, where one or more is seen occasionally.

Nature has endowed these animals with a peculiar instinct, Mr. Williams says, making it extremely difficult for them to be seen in the white hill country where they usually range. A mountain sheep will "turn tail" when alarmed and stand motionless. Its color blends with that of the surrounding terrain in such manner that, with its head not visible, it requires the eye of a practiced hunter to pick them out.

The ram of the species grow to huge proportions, Mr. Williams says. He killed one not long ago, through permission of the game department, to be mounted and displayed in the San Angelo museum, which weighed around 200 pounds, the average size of the male sheep. This ram, estimated by the rings on its horns to be 4 and one-half years old, had horns measuring 33 inches in length and 16 3/4 inches in circumference at the base of the skull.

There is no open season on mountain sheep which are found only in the western portion of the Trans-Pecos area.—Sul Ross Skyline.

CARD OF THANKS

We take this means of expressing to the good people of Sanderson our sincere thanks and appreciation for the many comforting expressions of sympathy and condolence tendered us upon the death of our beloved husband and father. Our burden was heavy to bear, and it was largely due to the many words of helpful consideration that we were able to bear up under the burden of our grief.

The profuse and beautiful floral offerings were a tribute to the memory of our departed loved one which eased our burden and made us realize that the deepest friendship thus evidenced came from your hearts and expressed your truest sentiments in a most beautiful and convincing manner.

May God in His all-wise and beneficent wisdom remember each of you and reward you for the help rendered us in our time of sorrow and suffering.

Mrs. V. A. Brown, Mr. and Mrs. Joe F. Brown, Mrs. Elizabeth Crawford, Mr. and Mrs. J. T. Davenport, Mr. and Mrs. H. G. Franks, Mr. and Mrs. Bozarth Brown.

ATTEND CHAPTER MEETING

Miss Lee, Mrs. Black, Miss Taylor and Mrs. Ulbricht attended the second meeting of the Beta Iota Chapter of the Delta Kappa Gamma fraternity in Alpine last Saturday night, which was held at Kokernot lodge. After a business meeting an interesting program was given in which current Broadway plays "Idiots Delight" and "Winter Set" were reviewed.

IN MEMORY—S. S. DAGGETT

(His Wife)

I cannot say, and I will not say That he is dead. He is just away. With a cheery smile and a wave of the hand, He has wandered into an unknown land,

And left us dreaming how very fair It needs must be, since he lingers there.

And you—oh, you, who the wildest yearn For the old-time step and a glad return,

Think of him faring on, as dear In the love of There as the love of Here.

Think of him as the same, I say He is not dead—he is just away. —Poem by J. Whitcomb Riley

Mr. and Mrs. J. C. Mitchell motored to San Antonio last Friday and visited with their son-in-law and daughter, Mr. and Mrs. Fred Hoey. They returned home Tuesday of this week.

MISS ECKHART WEDS MR. THOMAS LEWIS

Miss Sylvia J. Eckhart, daughter of Mr. and Mrs. W. W. Eckhart of San Antonio, became the bride of Mr. Thomas F. Lewis, son of Mr. and Mrs. Robert W. Lewis, of El Paso at a ceremony solemnized at 3 p. m. Sunday in Austin Park Christian church.

Baskets of flowers against a background of ferns and palms formed the decorative theme, and the Rev. Ray Miller was officiant. Mrs. Karl Wyler played the wedding march from Lohengrin as the procession came to the altar and Mendelssohn's wedding march as a recessional.

Miss Marjorie Tupper sang "O, Promise Me" and "I Love You Truly" before the ceremony. Miss Alice Shields was matron of honor and Miss Margaret Outlaw was bridesmaid.

Mr. Thompson Stanfield was best man, and John Welch usher.

Following the wedding a reception was held in the home of Mr. and Mrs. E. L. Howard where flowers and candle light formed the effective setting. Misses Arabelle Whisner and Leona Nations assisted in serving.

The bride, who has lived in El Paso for two and one-half years, received her nurse's training at Hotel Dieu. For the past 4 months she has been nursing in the Baptist Sanatorium.

Mr. Lewis, with his father, owns a taxi service. He and his bride will make their home in El Paso.

—El Paso Times.

Miss Eckhart is well and favorably known in Sanderson and prior to leaving for El Paso had worked at various places and studied nursing under Dr. Doty.

CULTURE CLUB ELECTS OFFICERS

Mrs. W. E. Lea and Mrs. D. A. Pollard were co-hostesses for the Culture club on Friday of last week, when the meeting was held in the home of Mrs. Lea.

The report of the nominating committee was accepted and the following officers will take up their duties in September, 1937:

Mrs. Joe E. Brown, president; Mrs. W. H. Doty, vice president; Mrs. H. C. Goldwire, recording secretary; Mrs. J. H. Loehausen, corresponding secretary; Mrs. Ira Deaton, treasurer; Mrs. A. F. Buchanan, critic; Mrs. W. H. Savage, parliamentary; Mrs. W. E. Lea, reporter and historian.

Mrs. F. S. Garrison and Mrs. Odie Wickliffe are newly-elected members of the club.

Mrs. J. V. McCall and Mrs. D. A. Pollard reported on the Christmas booklet. Mrs. A. F. Buchanan, as chairman of Legislation, gave her report.

The executive board suggested that each member join the Red Cross, and the club voted favorably on the recommendation. Mrs. Lea has charge of this welfare feature of the club's work.

The program was led by Mrs. High Rose and was chiefly on

recent books describing negro life in North and South Carolina.

Mrs. A. E. Creigh reviewed the book "Black April."

Mrs. H. C. Goldwire reviewed "In Abraham's Bosom."

Mrs. John Nichols gave a travelogue through the Carolinas, and Mrs. Rose read a paper on the power of the southern press.

Nelle Lea, Sammie Carter and Dorothy Lwelen gave song and dance numbers in keeping with the program.

The club guests for the afternoon were Mrs. Mary Lou Kellar, and Mrs. Everett Townsend.

The hostesses served a delectable plate lunch.

ENTERTAINS CLUB MEMBERS AND GUESTS

Mrs. Jim Kerr entertained the Wednesday Bridge club and several guests at her home on Wednesday afternoon of this week. Prizes for the afternoon went to Mrs. Max Bogusch for high score and to Mrs. Bustin Canon for the second high score.

Refreshments of chicken salad, pecan kisses and coffee were enjoyed by Mesdames Max Bogusch, Bustin Canon, A. E. Creigh, John Green, Clyde Griffith, L. A. Lowe, Tol Murrah, C. V. McKnight, G. R. Collier, Sims Wilkinson, J. W. McKee, Hugh Rose and Joe Kerr.

Mrs. Joe Pennington arrived last Thursday from her home in Douglas, Ariz., for a visit here with friends.

Current Comment

Mid-term exams are here, and don't say you dread 'em. Just say they are easy, because the teachers will get tired of hearing the same old thing.

Are you entering the Amateur Hour? If you are, just know that you are going to win, and you will.

The Dabblers Club is working right along. You can see Jimmy Goodykoontz up there in the Jr. business room every Thursday afternoon.

The girls are going to type against Marathon today! I say girls because I don't know of any boys who have been energetic enough to type fast and enter the contest.

I see three little sophomore girls really hanging together these days. We wonder if they are organizing a secret society.

Calling all students! Don't forget play practice, volleyball, the choral club, and newspaper assignments. And above all, don't forget to study for the mid-term exams.

Of course Jimmy says to read a good mystery thriller the night before exams; but but I'd advise you not to do that if I were you.

Mr. Caraway isn't going to know anything when the mid-term exams come along! That's so he won't have any hard feelings.

Key Thumping Contest Today

This afternoon at four o'clock a Sanderson typewriting team will meet representatives from Marathon in a practice contest.

This afternoon, also, the Marathon and Sanderson girls' volleyball teams will meet in a game that was postponed from last Friday.

Eleven girls have been practicing for this contest. They are: Ethel Laura Nance, Juanita Sibley, Maria Bustamente, Margaret Mims, Bertha Mae O'Bryant, Helen Turner, Bennie Mussey, Martha Bassett, Vaunceil Henderson, Ethel Breg, Marjorie Canon. A typewriting team will be selected from this group.

PROGRAM POSTPONED

The high school amateur program originally scheduled for assembly Tuesday a. m. was postponed until next Tuesday, Jan. 26. The postponement was made to allow time for the pupils to enter. Everyone is cordially invited to attend the amateur hour, at 9 o'clock.

Terrell-Brewster Counties to Hold Dual Meeting

For the first time in history the Terrell county schools will participate in a bi-county Interscholastic League meet to be held in Marathon Friday, March 19. The plans for such a meet took definite shape last Saturday at a meeting of representatives of the Marathon, Alpine and Sanderson school in Marathon. Supt. R. D. Holt and Mr. Bernie Morgan represented this school.

Regulations governing this bi-county meet were decided upon at the Saturday meeting. It was agreed that the meet this year would be held in Marathon March 19, but that it would be held in Sanderson next year, and in Alpine the following year if the organization is continued. Tennis eliminations and finals will be held in Marathon March 13, the Saturday before the regular meet.

The representatives agreed that the positions or directors of the various events would be divided among the member schools. Supt. C. G. Matthews was elected director-general. Sanderson will appoint the directors in essay writing, spelling, extemporaneous speaking, story telling, music memory and typewriting, while the other two school would appoint directors for those events which they drew. All directors must be appointed before Feb. 1. All debate entries are to be in by February first.

Out-of-county judges will be secured to judge the speaking and other important contests.

A trophy will be presented the school winning the greatest number of points in the meet, the trophy to be purchased from funds paid in equally by the member schools. Individual awards will be given winners in all events. Winners of first and second places will represent their school in the district meet.

Honor Roll

(Due to an error last week the grammar grades honor roll is being published again).

1st Grade—Edward Chastain, Bobby Dyal, Bruce Brown, Clyde Frost.

2nd Grade—Mary Alice Allen, Betty Jo Kerr, Bennye Gilbert, Roy Davis Holt.

3rd Grade—Rose Nell Wickliffe, Allister Dishman, Joan Anderson, Tom Hill, Bill Savage, Earl Pierson and Billy Dyal.

4th Grade—David Duke, Mary Nell Higgins, James Kerr, Shirley Newman, Harold Surratt, Frank Stavley.

5th Grade—Bill Cochran, Margaret Ruth Yeates, James House, Edna Mae McAdams, and M. G. Northcut.

6th Grade—Janel Ulbricht and Billy Jo Corder.

7th Grade—Mack Mims, Doris Cochran, Joyce Yeates, Martin Bodkin, Helen Ruth Harrell, Bernice Harris, Pauline Bell.

VOLLEYBALL TEAM MATCH GAME WITH FT. STOCKTON

A letter received by the Sanderson volleyball coach from the coach at Fort Stockton informs the Sanderson volleyball girls that a game is desired between the two teams as soon as schedules permit.

After the game with Marathon today a match will be arranged with the Fort Stockton girls.

FROM THE SECOND GRADE

Earline Cox has the flu. We hope she will soon be back to her class.

The class has been studying about polar bears.

The second grade boys are really learning to play ball.

We are going to finish another reader this week.

Charles, J. M., and William have made their teeth so much prettier. They wash them twice a day.

We are weaving some little rugs out of pretty paper.

Another Trophy Added to Eagles' Fine Collection

The Eagles returned from the Ozona basketball tournament with their first trophy of the year—a cup for runnerup in the consolation matches. On Friday night the home team met McCamey, the tournament winner, and were defeated 26 to 12. This was the third defeated the Eagles suffered at the hands of McCamey this year.

Advancing to the consolation bracket the Eagles took revenge for the McCamey defeat on Christoval, beating them by a score of 52 to 13. This was the worst defeat of the tournament. Every member of the Eagle squad got a chance to play in this game.

Three hours later the Eagles whipped a strong Eldorado quint in consolation play, but they were turned back by Grandfalls 35-18. A game between the coaches was staged Saturday afternoon in which Coach Smith took part being a member of the winning five.

Boys who made the trip were Pat Harris, Jack Bogusch, Albert Appel, Albert Weigand, Pat Sullivan, Bob Lea, Troy Druse, Joe Kerr and Leto Fierro. Appel was given a guard position on the all-tournament second team.

The Eagles will play in Del Rio Saturday night against the strong Del Rio quint. The boys from the border were runners-up at Ozona and were beaten by only one point by McCamey.

There will also be a game here Friday night, either with Marfa or Grandfalls.

The Snooper

No one has been reviewing recently, so if any studying is done for the mid-term exams it will be at the last minute.

The Amateur program was put off until next week. Surely Sanderson high has enough talent to get up a good amateur program. Do you part, Seniors!

Some teachers don't even read the school paper. The teachers are always emphasizing school spirit, but maybe the teachers also need a little coaching on this subject.

It's too bad that James Allen's invisible ink doesn't have a way of reappearing, or that he can't remember what was on the tip of his tongue. Miss Martin always remembers what she puts in her grade book, so watch out!

Although nearly twenty senior rings were ordered, there will not be more than 12 seniors graduate in May, 1937, and maybe less.

It seems that Pat Sullivan wanted a doll with three curls on top of its head for Christmas. I have noticed lately that Nelle Lea is wearing three curls on top of her head, even tho Christmas is over.

Prince Dishman has played volleyball a few times with the girls, and he is nearly as good a player as Mr. Hensley. Three cheers for you, Prince.

Al ———, Sa ———, Ne ———! That is the most dramatic triangle in high school.

Ethel Lee Riley is beginning to be a frequent entertainer in her home lately (maybe).

Ruth Murrach has a very familiar little wooden dog on the collar of her dress named Ri ——. Some one asked her where she got it. Talebearers are as bad as talemakers! P. S. Good advice!

Final Exams For First Semester Began Yesterday

Final examinations for the first semester of school began yesterday afternoon at one o'clock. The examination schedule runs in the regular class schedule and the examination are 90 minutes long. Examinations will be given all day today and grades will be handed out next Tuesday. The second semester of school begins Monday morning.

Yesterday afternoon examinations were given first and second period classes. The first period at one o'clock and the second period examination beginning at 2:30 o'clock. This morning at 9 o'clock the third period examination will be given and at 10:30 the fourth period class will be given its examination.

This afternoon's schedule will include the fifth and sixth period classes meeting examinations at 1 and 2:30 o'clock.

Students will remain in the examination room the full 90 minutes and are expected to be in the study hall when not in examinations.

Horse Patrol Is Leading Contest

At the weekly boy scout meeting held Tuesday night, the Horse Patrol was announced leading in the point system contest, having 106 points. The contest began on Jan. 5 and will continue through February 23. The contest has for its purpose increasing the membership of the scout organization and to stimulate interest in the work the boys are doing.

The points are based on handicraft contributions, hiking, attendance, patrol room appearance, uniform, relics, special contests, and for tests passed.

The standing of the other patrols are Panther Patrol 35 points, Eagle Patrol 24 points, and the Wolf Patrol 23 points.

First Grade

Carrie Marie Turner has a new baby sister.

Ann Mims made a trip to Houston a few days ago.

The class drew pictures of the bare trees on the school grounds last week.

Last week the first grade helped the second and third grades to give a program for the P. T. A. study course group.

Bobby Dyal has the flu; we are missing him very much.

The class is now studying the Ralston food health unit. Each pupil expects to win the "Find the Bottom" cereal bowl which is given by the company to the successful ones in the contest.

Willie Grigsby's grandmother, Mrs. Lee Grigsby, visited the class Tuesday morning.

Marathon Girls Play Here Today

Dorothy Lewellen
The Sanderson volleyball girls were all set for a game with the sextette from Marathon last Friday, but because of illness among the Marathon volleyballists, the game was postponed until today Friday, Jan. 22.

A captain for the Eagles has not been selected to date, but Mrs. Ulbricht, the coach, will choose a leader before the game. A new captain is chosen for each game to give each girl a chance to act as leader of the squad.

The girls have been practicing hard each afternoon, playing the boys' basketball team.

Let everyone attend the game this afternoon and encourage the girls.

Grammar School In Amateur Hour

An amateur program for the grammar school was held Tuesday Jan. 12, in the auditorium as an assembly program. The entries were divided into two divisions, boys and girls, with 6 girls and 5 boys entered.

The winners were Yvonne Oberling in the girls' division, who sang and tapped to "Oh, My Goodness," and James and Weldon Blackwelder and Dan Murrach in the boys' division, who staged a prize fight. Prizes were pound boxes of candy.

Events entered were singing, tap dancing, chalk sketches, instrumental solos, and boxing. The winners were decided by the applause for their act.

The Civics class of high school visited the county clerk's office Tuesday morning. The students under supervision of Mr. Hensley found many interesting things. They had the privilege of seeing the books in which records of different court cases are kept, deeds and the index books.

The class found that the index books were more important than any other because they save the trouble of looking in 39 different volumes for a certain thing.
