Know Texas

Denton.—Those who see Texas in the future as a great manufacturing state could well consider the potentialities of the woolen industry.

Leading the entire union in the production of wool, this state has to ship the whole output to New England for manufacturing and marketing. The price Texas pays annually to get its wool in marketable condition is \$750,000.

A large increase in wool production over the past 20 years has made the need for home factories more evident each year. From 1,808,000 in 1910, the number of sheep raised in Texas has grown to 7,026,000 in 1935. This means that about six times as much wool is produced today as at that time.

The industry is highly concentrated in the Edwards plateau region, extending west of Austin and beyond the Pecos. Only a few other sections, including the plains, north central Texas and small portions of east Texas are engaged in sheep raising.

Increase in quantity has been accompanied by an increase in quality of Texas sheep. The fine Rambouillet variety are principally raised in the Edwards plateau section today, and in north and east Texas are a few Shropshire and Hampshire-down breeds. These three have entirely replaced the Merinos brought in by the Mexicans in the early years of Texas history.

Good Rains Fall At Right Time; Cover Wide Area

A nice shower last Friday evening, augmented by a rain estimated at from one-half to one inch Monday night, has brought broad smiles to ranchers' faces, and, falling, at exactly the right season, will be of untold benefit to the ranges in this area.

Reports over a wide area indicate that precipitations have been general the past ten days, some sections reporting as much as two inches. Ranchers reporting rain in their sections were Roy Barksdale, south of Dryden, one-half inch; W. J. Banner, 2 inches, and Bustin Canon, one inch or more.

The rainfall was heavier north of here, and traffic on the dirt road gaps between Pecos, Fort Stockton to Sanderson was held up Monday night.

No official figures can be given on the amount of rain here, as the gadget on the official gauge at the Kerr Mercantile was stolen according to Observer Grigsby.

Crusade Move to Be Observed by Local Methodists

The Methodist Episcopal Church, South, is engaged during the years 1937-38 in a world-wide spiritual and financial movement known as the Bishops' Crusade, the observance of which in the local Methodist church will occur April 23-25.

On Friday, April 23, at 7:15, there will be a missionary party and covered dish supper at the ranch home of Mrs. H. C. Goldwire. A feature of the program at this time will be the broadcast from Nashville over radio station WOA at 8:30. Mrs. Lowe will have charge of the supper and Miss McWhorter of the entertainment.

The theme of the Crusade will be carried out in both morning and evening services Sunday. At 7:45 there will be a special service consisting of a talk, a solo by Mrs. Lemons, and a play, "The Bishops' Crusade," the characters in which are Miss Lucile McWhorter, Betty Bassett and Mack Wims. It is hoped that our people will join heartily in all these programs commemorating the sailing of our first missionaries.

The public is cordially invited.

Schauers to Take Charge of Ranch By Court Order

Charlie Schauers, who has been making his home in Del Rio, was in Sanderson Saturday visiting with friends, and getting ready to re-possess his ranch, lost some eighteen months ago thru foreclosure. On an appeal to the federal court the first of the year, a decision was handed down giving Mr. Schauers possession of his ranch and the parties in possession were given until May 1 to vacate the premises.

Possession and ownership of this ranch, consisting of 17,000 acres, and located north of Dryden, has been the subject of litigation for some time.

While the high school class (in the foreground), pursues its lesson under the direction of the expert teacher at the blackboard, the Teachers College class (background) observes the methods used and makes notes on the response of the younger students. The picture is a perfect illustration of the advanced methods now used in training Texas teachers.

VISITING MINISTER WILL PREACH AT LOCAL CHURCH

J. H. Killian, minister of the Church of Christ at Alpine, will be in Sanderson Sunday, April 25, and will preach at the Church of Christ at 11 a. m. and at 3 p. m. Basket dinner will be spread at the courthouse lawn.

The local congregation invites everyone to attend these services, and enjoy the basket dinner.

JEFF VAUGHN IN ACCIDENT

Jeff Vaughn suffered a painful accident Monday afternoon when he fell from a 7-foot scaffolding at his ranch and bruised his knee in the fall. He is confined to the Peterson hospital for treatment. Water has been drained from the knee-cap.—Big Bend Sentinel.

Pecos Co. Murder Case Reversed By Appeals Court

Austin.—The court of criminal appeals in a decision that was handed down Wednesday, April 14, reversed and remanded the case of Thomas John Elsmore, convicted in Pecos county of the murder of Bynum Shaw, March 17, 1936, and sentenced to twenty-five years.

The case was reversed because the trial judge declined to instruct the jury on the law of murder without malice.

DOLLING UP

Besides the usual spring painting and tidying up, the service stations of the Loma Alta and F. M. Weigand each installed two of the latest electric pumps. The new pumps are neat and unobtrusive, and indicate the amount of gas put in each car, and give the price, even to fractions of a gallon, saving the attendants possible headaches.

Dunning Family In Serious Wreck Last Wednesday

Word was received here the first of the week by O. H. McAdams that Mr. and Mrs. Douglas Dunning and daughter were injured in an automobile accident on Wednesday last week. Mrs. Dunning and daughter sustained minor injuries, but Mr. Dunning, a son of W. H. Dunning, conductor on the T. & N. O., suffered injuries from which he is not expected to recover, according to the message from his father.

Extent of his injuries the letter stated were a fractured skull, a bladder puncture, three fractured vertebrae, and severe cuts and bruises.

The accident occurred near Liberty, Texas, and the injured were rushed to a hospital in that city, where Mr. Dunning now hovers between life and death.

Another son, W. H. Jr., died a little over a month ago at Odessa, Texas, from a heart attack.

A message to Mr. McAdams yesterday morning stated that Mr. Dunning died Wednesday afternoon, and that funeral services were to be held this morning at 10 o'clock, in San Antonio.

BREWSTER SHERIFF VISITS

Elmer Taylor, sheriff of Brewster county, and daughter, Miss Rheba were visitors in Sanderson last Saturday morning.

Range Program Gets Under Way First of the Week

Although all information necessary to completely inspect a ranch and inform a rancher what he will be able to earn under the range conservation program has not been received, R. E. Corder and E. McSparran, range inspectors, started work Monday. They will appraise the ranch as to the grazing capacity, inspect water holes and find out what practices the rancher will use under the program, but will not be able to inform the rancher what he will earn until the necessary information is received from state headquarters. This information has been expected by Ernest Williams county agent, for the past week, but has not arrived.

As the inspectors will receive only a flat salary per day, and will not be allowed mileage for use of their cars, it is hoped the ranchmen will help them out by taking them over their ranches in their own car and, if possible, see them in town when inspection is wanted.

Roger Rose, who ranches six-teen miles east of here, probably will be the first Terrell county rancher to complete work under the program. He finished grubbing about 800 acres of lechuguilla last week at a cost of 50c an acre, the amount the government will pay for this work, and is starting on another pasture of the same size. This cost figure is interesting in that many ranchers estimated the grubbing would cost from 75c to \$1.50 per acre.

SELLS INTEREST IN CAFE

A deal was consummated the first of the week whereby Mr. and Mrs. H. G. Holt became sole owners of the Buffet Cafe, through purchase of the interest of Felix Holt and wife, who left Wednesday for Houston, their home, and where Mr. Holt will engage in the used car business.

Column Right

Ladies, don't forget the Thrift Cooking School, this p. m., at 2:30 in the Princess theatre. The reports from nearby towns give the demonstrator, Mrs. McHenry high rating as an economist. You see, her racket is Foods and Budgets, and not Fools and Blunders. The words "Thrift" and "Scotch" are synonymous. So the lesson this afternoon will have a distinct Scotch flavor (not the bottle variety), and you will be shown how to have plenty to eat while balancing, or overbalancing, the family budget. It will be demonstrated how a cut of meat from around the horns can be prepared so you'll think it was tenderloin, if you didn't know better. How the children's pet goat or lamb can be served so that the kids will not mourn its demise. Ham, prepared in style that even an orthodox Jew couldn't resist. And then, the leftovers! You'll learn how to perform miracles with these, and it will be ample ground for divorce if hubby dares to call it hash. You'll get hints on how to save money by quantity buying, which means that the family larder will always be full, and the budget—it will accumulate until a dray horse couldn't budge it. Then there will be refreshments, so you won't be hungry when you get home and will not have to cook supper for the family. And that item is another score for the budget. In the course of time there'll be enough money to throw bigger and better parties, and the old family chariot won't need a garage.

Another highlight, we are informed is an entertainment program by utility employes, featuring a tap dance by the manager, Clyde Morris provided his wooden soled shoes arrive in time.

Seriously, every housewife in Sanderson should attend, especially those owning electric refrigerators, or those contemplating purchase of one. Mrs. McHenry is an expert on their uses and advantages, and one of the leading home economists of the country.

President Roosevelt tossed out the first baseball to start the major league season, for the Washington nine. F. D. R. has been pitching to the Supreme Court nine for several years now, and those old codgers have slammed his curves all over the lot—the NRA screwball, the AAA knuckle ball, etc. This year he developed the Social Security twister and the Old Age Insurance upshoot, but on the first tryout in the minor federal court in Boston the rookies on that bench hit for extra bases every time they came to bat. What the Supreme Court won't do to those laws! The Supreme Court issue looks like the ninth inning, three on a base, two out and the score tied, with the rosters pretty evenly divided. If the President has a smoke ball in reserve he'd better use it.

The infallible sign of spring in Sanderson, more reliable than groundhogs, robins and alligators, is the appearance of old "LOM" the ice company's jassack. He, or she, made its 1937 debut Monday morning. LOM is short for "Last of the Mohicans."

Women's main excuse for refusing invitations to casual functions, civic and otherwise, is "I haven't a thing to wear." In that case they should stay in the bath tub and refuse to answer the door when the Fuller brush salesman knocks.

"Wally's Pet Dog Dies," was a headline in last week's papers. And yesterday we read that the Duke of Windsor played a round of golf with visiting friends.

"The beautiful victim," is the way newspapers have described every woman slain or manhandled for years. A chance for some one to become famous by going out and slaying a homely female.

An agitator of the human race is Mr. Leon Trotsky. At sunrise in some lonely place He should be shotky!

Baptist Church is Dedicated

Last Sunday was a day of re-joicing and fellowship for members of the Sanderson Baptist church and their friends who joined them in an all-day meeting, the highlight of which was the dedication of their house of worship, cleared of debt, after a valiant fight began in 1928, when the present building was erected.

The ceremonies began at the Sunday school hour at 10 o'clock, followed by a sermon by the Rev. J. A. Kidd of Alpine, district and associational missionary.

At one o'clock the members and friends adjourned to the lawn at the courthouse where a basket lunch was enjoyed and a social period spent in reminiscence.

Dedication services began at 3 o'clock, with congregational singing, led by O. H. McAdams; History of the Church, by J. R. Black; Recognition of Outstanding Service, by D. L. Duke; a Scripture reading by Rev. S. M. Mims, Methodist pastor; Dedication prayer, by Rev. J. A. Kidd, district missionary; special music, Sermon and dedication, by Rev. Ira Harrison of Ft. Worth.

The closing services of the day were at the church where Rev. Kidd delivered the final sermon.

A Brief History
The Sanderson Baptist church was organized by the Rev. C. H. Wray, on Feb. 4, 1904, with three members at the morning service, Mr. and Mrs. Y. C. Slover and Fred Savage. At the night service Mrs. M. Boozer was received by baptism, truly a humble, though brave start. The first services were held in the town's first schoolhouse, then located on the site where the Church of Christ now stands.

At the first revival the membership was augmented by 21 members, 13 by baptism and experience, 8 by letter and restoration.

A second revival in which Rev. Wray was assisted by Rev. J. W. Saffie, resulted in no gain in the membership, but resulted in the organization of the church's most important auxiliary, a Sunday school.

In August, 1905, Bro. Wray resigned the pastorate, and in was not until 1908 that his place was filled, the Rev. J. J. Maurer answering the call and serving until October, 1909.

Erect First House of Worship
With a congregation of something like 40, need of a house of worship was felt, and in May of 1908 plans were made for the erection of a frame building. The records indicate that this work received several setbacks, and it was not until 1912 that the goal of this struggling congregation was realized and the building erected on the lot across the street, south of the present building.

After the resignation of Rev. Maurer, several pastor served the church on a part-time basis, the first of these being the Rev. L. R. Byrd who, however, resigned in 1911. He was succeeded by the Rev. M. S. Osborne, who in 1913 was given an indefinite leave of absence on account of ill health.

The Rev. J. E. Burrill was pastor for the better part of 1914, resigning in October of that year, and was succeeded by the Rev. E. C. Rubottom on Oct. 18, 1914, who served the church exactly 1 year.

The church, evidently, was pastorless for the next 3 years but the congregation carried on.

On April 11, 1920, the building was sold, netting the congregation \$800, which was placed in the bank on interest as a nucleus for a fund to erect an adequate house of worship. On Nov. 21, 1921, the congregation called Rev. D. E. Adams as pastor, and the members, soon thereafter, voted for a full-time pastor. Rev. Adams resigned in May, 1927. His successor was the Rev. I. E. Owen.

Erect Modern Building
In 1927 the mist began to clear and a committee on finances was appointed, and the goal was a new, substantial house of worship which was completed the following year and the first services in the present building were held on Sunday, Sept. 3, 1928, the Rev. S. F. Marsh, then of Marfa, conducting both morning and night services. Rev. Owen resigned in February, 1928.

The next call was to Rev. Ira Harrison, who accepted in 1929, and remained as pastor for a little over three years, until Nov. 1932.

The next pastor of record was Rev. J. F. Green, from March 26, 1933, to June 1, 1934.

On August 19, 1934, the Rev. Philip Brown, of Bedias was called to the pastorate. He resigned on September 1, 1936. It was during Rev. Brown's pastorate that the Laymen planned and erected a parsonage on the lot behind the church.

Church Debt Paid Off
The present pastor, the Rev. D. C. Bandy took over his ministerial duties on December 8, 1935. Immediately preceding his arrival two of the church's most loyal and consistent members, Mr. and Mrs. A. D. Brown, by an liberal contribution wiped out of the church's outstanding debt, \$1,250.

The above history is brief and, in many details, incomplete, but reading between the lines one can visualize the struggles encountered, the hardships suffered, and at the same time get an idea of how sweet the victory must have been in the end. Small wonder that last Sunday was a day of rejoicing, a day of thanksgiving, when the result of their labors was dedicated wholly to Him whom they serve within its walls. All faiths rejoice with them and congratulate them on achieving a goal that 33 years ago was merely a dream.

Of the charter members of the church, only one has lived to see a feeble start end in glorious victory.

For years the church has had a resident pastor on full-time, supplying adequate salary and living quarters; the finances of the church are in excellent shape; and that pioneer membership of but three or four has been augmented until the present enrollment is more than 100.

Ozona—
In last week's issue the Ozona Stockman reported the organization of a livestock protective association, to secure the services of a sheriff's deputy to cope with rustlers in Crockett county. Supporting fees will be charged the members at the rate of \$1.00 per month for each one thousand head of sheep, and \$3.00 for each 1,000 head of cattle. Wayne West was elected president of the association.

Marfa—
According to the Big Bend Sentinel the city is now undergoing a "mild building boom" at present, with several new homes being erected and many repairs and additions being made on the present buildings. As an incentive for beautifying home premises the city has made a special water rate during the summer months.

Fort Stockton—
The last scholastic census of the Fort Stockton independent school district shows an increase of 32 in the English schools, according to the Pioneer. Total enrollment is now 1211.

Brackettville—
Intensive trading in the spring lamb crop was reported by the New-Mail in its last issue. It stated that during the past week over 5,000 head had been sold at an average price of \$4.

Alpine—
The sale of the last of government-owned land in the Ft. Davis area was reported by the Avalanche last week. There were eight lots of approximately ten acres each, the appraised value of each lot ranging from \$70 to \$120. All were sold, netting the government \$785.

Iran—
A golf club was organized in Iran recently, states the Herald, and "cow pasture pool" will be among the diversions of the inhabitants of the oil town. "Doc" James Sharp, formerly of Sanderson, was elected vice president of the club.

Floresville—
A survey by the U. S. Department of Agriculture shows 2,400 acres in Wilson county planted to onions this year, according to the Chronicle-Journal. These figures show a decrease of 1,000 acres over that of last year, but the yield is expected to be much larger.

Pecos—
Postal receipts, considered a reliable barometer of business conditions, showed a 12% gain in Pecos this year over the same period a year ago. Total receipts of the Pecos post office for the first three months of 1937 were \$6,301.02, a gain of \$842.43 over postal revenues for the year 1936, according to Postmaster M. W. Collier.

Balmorhea—
Since organization of the new school board, the members have had several meetings, laying plans for the erection of a new school building, sorely needed in the Toyah Valley, according to the News. Tentative plans call for a bond issue of from \$65,000 to \$70,000, with which to erect a one-story structure of brick construction, with plenty of floor space. Recent consolidation of school districts has made this move imperative.

Services Held for A. K. Perry, 37, in Ozona Tuesday

Funeral services were held from the home of Mr. and Mrs. Charlie Coates in Ozona Tuesday afternoon at four o'clock for A. K. Perry, 37, whose death occurred last Saturday morning in Long Beach, California. The Rev. Slatter, pastor of the Methodist church conducted the services, and interment was in Ozona cemetery under direction of the Joe Oberkamp funeral home.

A. K. Perry was born August 7, at Prairie Hill, Texas, and was a son of Mr. and Mrs. A. A. Perry who ranch in Pecos county. His childhood days were spent in Ozona, but when a young man he moved to South Carolina with his parents. He saw service during the World War with the artillery corps.

On April 11, 1936 he was united in marriage to Miss Lillian Anderson at Long Beach. At the time of his death, which resulted from injuries sustained when he fell from a steel building under construction, he was employed by the Weisbord Steel Construction Corporation of Long Beach.

He is survived by the widow, Mrs. Lillian Perry of Long Beach, his mother and father, Mr. and Mrs. A. A. Perry; 2 sisters, Mrs. Collins Coates and Mrs. Ford Coates, all of Fort Stockton; three nieces, Mrs. Buck Pyle of this city, Mrs. G. L. Coates of Martinez, Calif.; Miss Doris Coates of Fort Stockton; three nephews, P. C. Coates, Jr., and Billy Coates of Fort Stockton, and Joe Perry of Ozona.

Active pallbearers were Fleet Coates, Bud Coates, Roscoe Coates, Joe North and Pete North of Ozona; P. C. Coates, Jr., and H. Q. Lyles of Fort Stockton, and Tip Frazier of Sanderson.

ELECTED DELEGATES
Rev. J. V. McCall, Presbyterian pastor, and R. S. Wilkinson, elder, were elected delegates to the general assembly of Presbyterian churches at the Western Texas Presbyterian convention held in Edinburg last week. The general assembly sessions will open in Montreat, N. C. May 20, and both plan to attend the meeting.

This is quite an honor for Sanderson, as it is seldom that two delegates are chosen from the same town and, too, there is such a large membership in this district. A total of eight delegates were selected from this district.

ON HONOR ROLL AT ACC
Among the students making the mid-semester honor roll at Abilene Christian college was that of Anna Lee Allen, who earned honor grades in Education. Miss Allen is the daughter of Mr. and Mrs. R. N. Allen, and graduated from the Sanderson high school last year.

Mrs. Clyde Griffith was a visitor in San Antonio for several days this week.

R. H. Lewellen went to San Antonio last Friday, and returned home Saturday, driving a new Dodge sedan.

Mr. and Mrs. Joe Kerr and children went to San Antonio last Friday. Mrs. Kerr and children returning Sunday. Mr. Kerr remained in that city for medical treatment.

Mrs. Mary Lou Kellar left last Saturday for San Antonio where she is visiting in the home of her daughter, Mrs. A. A. Jenschke.

Mrs. Mata Wheeler returned to her ranch near Rocksprings Monday after a visit of several weeks in Sanderson with her sister-in-law, Mrs. Grace Wheeler.

J. W. Daniels and son, Leo, left for Austin Monday afternoon, becalled to that city on account of the illness of another son, James.

Mr. and Mrs. J. E. Dishman of Bryan, are visiting in the home of their son, P. E. Dishman.

Mrs. C. H. White left the first of the week for San Antonio and is visiting her daughter, Mrs. Jeff Pugh, this week.

Mrs. R. B. Dyer and Mrs. Annie Nance returned from San Antonio last Saturday, where they had been for the past several weeks, and where Mrs. Dyer had been under the care of an eye specialist.

Mrs. Drew Patten and son, Charles Downie of Harlingen, and Tom Patten of Ballinger were business visitors in Sanderson last Saturday.

1937 Ford V-8

● If you think that "all low-price cars cost about the same" — forget it! They don't.

Ford makes a car — a 60-horsepower economy Ford V-8 — that sells from 30 to 60 dollars under the prices asked for any other car of comparable size. **The lowest Ford prices in years!**

Check delivered prices in your town and see for yourself.

● Of course, first cost doesn't prove "low cost" — you must consider operating cost also.

The "60" has definitely established itself as the most economical car in Ford history. Ford cars have been famous for economy for 34 years, so that means something!

Owners who have driven it thousands of miles report that the Ford "60" averages between 22 and 27 miles on a gallon of gasoline.

You can prove those figures — on the open road — in a car provided by the nearest Ford dealer.

● When you've finished your personal check-up, ask yourself:
"Do I want to save money the day I buy my car and every mile I drive it?"
"Do I want a safe, roomy, comfortable car of advanced design — created from the finest materials to the highest precision standards?"

There's only one answer, of course — the 1937 Ford V-8.

Ford V-8 \$529 at Dealers' Factory. Price includes transportation charge, title and federal tax etc.

This price is for the 60-horsepower V-8 equipped with front and rear bumpers, spare tire, horn, windshield wiper, gun rack, glove compartment, and ash tray.

\$25 A MONTH, after usual down-payment, buys any Ford V-8 Car, from any Ford dealer, anywhere in the U. S. — through Authorized Ford Finance Plans of Universal Credit Co.

CLUB HAS MEETING

Club had one of its meetings last Friday, when Mrs. J. W. Brown and Mrs. J. W. McAdams, R. H. Lewellen, D. C. Bandy and Miss Una Lee.

a Royal service program, on the subject "The French." Assisting on the program were Mesdames Ira Deaton, J. L. Newton, O. H. McAdams, R. H. Lewellen, D. C. Bandy and Miss Una Lee.

PUPILS PRESENTED IN ANNUAL RECITAL

Last Thursday evening at the high school auditorium Miss Myrtle Harrell, teacher of music, presented her pupils in an annual recital.

The program opened with three numbers by pre-school children: "Tiny Tin Soldiers," "An Old Folk Song," and rhythm band numbers.

The program was very entertaining, and each one on the program showed that they had been well trained during the year.

Thrilling Drama Are Highlights Of Color Picture

The flaming romance of a love-lily fugitive fleeing from strife torn Spain, "Wings of the Morning," 20 Century-Fox release showing at the Princess Theatre tonight and Saturday, April 23 and 24, introduces a new and exciting screen personality in Annabella, starred with Henry Fonda and Leslie Banks in the film, which presents the world-famous tenor, John McCormack.

Brought to the screen in all the lifelike beauty of technicolor, "Wings of the Morning" provides a thrilling mixture of drama, of spectacle and surprise, including the changing of the Guard at the Buckingham Palace, home of the English kings, and the most sensational derby ever run, with the noted jockey, Steve Donahue riding his most thrilling race.

Breathtaking in its sweeping drama, the film acquires a new beauty and dimension through its natural, perfected technicolor, so lifelike and beautiful.

Annabella, a brilliant new star as different and alluring as her unusual name, first appears in the prologue as Marie, a gypsy princess. She marries Leslie Banks, the Earl of Clontarf, who dies on the hunting field five months later.

Modern times bring us Annabella as Marie, the great-granddaughter, fleeing from the revolution in Spain to quieter Ireland where she can have her horse, "Wings of the Morning," trained for the English Derby.

Kerry Gilfallen, a young Irish trainer, played by Henry Fonda, also has a derby candidate, but he falls in love with Marie, and agrees to train "Wings" for the big race.

When her jockey breaks his leg Kerry even arranges for his own jockey, Steve Donahue to ride Marie's horse, although he knows that victory for Marie may mean defeat not only for his own horse but also for his love for Marie.

Derby Day brings not only the most sensational derby ever run, but the harrowing realization that the curse of the gypsies may still have a last paralyzing influence on the lives of those involved.

Sanderson Girl is Admitted to List Of Texas Poets

Mrs. M. G. Slaughter, a former Sanderson girl, daughter of Mr. and Mrs. John Trotter of this city, writes, this week, a letter teeming with justifiable pride that she has at last achieved a cherished ambition, in that her literary efforts have been recognized and she has been admitted into the ranks of Texas poets.

"My poems have been accepted," she writes, "and I am now recognized as a Texas poet. My biography has been requested and will be published with my poems in a leather-bound book with biographies and poems of other Texas poets.

Mrs. Slaughter states that she is a member of the Sanderson Culture Club, and owes her success to the Texas Federation of Women's Clubs.

Mrs. Slaughter continues: "I started poetry writing while a sophomore in Ozona high school. After graduation I returned to the ranch and forgot all about poetry until I became a Federated club member in 1935.

The Times joins friends in Sanderson in congratulating Mrs. Slaughter on her success in this field.

Tyrone Power is Acclaimed New Screen Sensation

Darryl F. Zanuck, 20 Century-Fox production chief, in assigning to Tyrone the leading male role in "Lloyd's of London," the screen triumph that comes to the Princess Theatre next Wednesday and Thursday, April 28 and 29, gave that young man one of the most coveted characterizations of the year.

"Lloyds of London" finds Tyrone in the role of Jonathan Blake who carves a brilliant career for himself in the great international insurance firm whose fortunes he brings to its greatest peak.

The romance, however, is ill-starred from the beginning, and it is not until the thrilling climax culminating in Admiral Lord Nelson's thrilling victory at the Battle of Trafalgar, that the couple find the path to happiness.

Set against the turbulent canvass of the beginnings of British supremacy of the seas, the romance serves to focus into a single stirring kaleidoscope the birth of the empire and the growth of the world's most extraordinary and exciting business organization.

An integral part of the fortunes of Great Britain, Lloyds of London found her early struggles closely bound up with marine policies, and Jonathan Blake, innovated the now famous procedure of insuring everything and anything.

The impressive cast includes Sir Guy Standing, C. Aubrey Smith and Virginia Field.

Courthouse in Irion County to Be Auctioned Off

Mertzon, April 14.—Source of almost as many argumentative words as the President's Supreme Court plan, the tiny courthouse building, located at Sherwood, is about to write finis to its physical history. The commissioners, in session at Mertzon recently, voted to put the old building on the block and authorized County Judge R. J. Atkinson to advertise for bids to be received at ten o'clock Tuesday, April 27.

Vacated last September when Mertzon became the county seat by more than a two-thirds majority vote, the 37-year-old structure sits in its surrounding of trees like a mother hen whose last chick has left the nest.

County officials moved with the people's vote in September from the Sherwood building to temporary quarters in Mertzon.

Mrs. W. H. Doty left for Del Rio Saturday, and from there will go to San Antonio where she plans to make her home for the time being.

Mrs. Charlie Gregory and her daughter have returned from Del Rio where they had been for the past two months during the last illness of Mrs. Gregory's mother, Mrs. M. E. Shely. Mrs. Gregory will remain on the ranch, while Margaret will stay in town for the remainder of the school year, with Mr. and Mrs. John Whistler.

Current Comment

We think that our school is just the finest in the world and if you came Tuesday morning, we hope you agree.

Advice: If you empty the pencil sharpener before attempting to sharpen your pencil you won't have a broken lead.

The second year Spanish class was very surprised to learn they had never learned their a-b-c's in Spanish.

Mr. Caraway is stumped! He has found a geometry problem he can't solve. Mr. Holt is working on it now.

I see that the world champion typist of 1936 says that the way to double your speed is to slow down. Wonder if our typists could use this advice?

Can't the Junior-Senior banquet food committee have any privacy?

There is no lead in a lead-pencil.

Mr. Dyer says he is tired of seeing the same faces in the typing room every afternoon. Won't some one say hello to him?

You pity the senior, and they are busy during their last year in school. But you never think of the poor juniors.

Ask Sammie how she felt in assembly Tuesday morning. It had a little to do with the third grade.

The face seems familiar. Why, of course, it's Margaret Gregory. She will be accompanist for the choral club. Welcome home!

DRAMATIC CLUB

Next Tuesday at assembly hour the dramatic club will present "Bargain Sale," a one-act play, the scene being a fitting room of a department store. The cast is: Mary Bess Hardgrave, Marjorie Canon, Vivian Earwood, and Adair Edmiston. Miss McWhorter is the club sponsor.

Three Students To Regional Meet

Three students from the local high school will represent Sanderson at the regional meet which begins tonight in Alpine, continuing through tomorrow. They are as follows:

Mildred Hurst, shorthand contest, scheduled for 10 a. m.
Vaunceil Henderson, typewriting. Contests to be held at 8 a. m. Wilburn Short, track. Preliminaries in track will be held at 9 a. m. at Jackson field; final on the field at 2 p. m.

Region 8 is composed of Districts 29 to 32, inclusive.

The Snooper
Hears Nothing Sees Nothing Tells All!

Some students are really getting down to work since there is but one more six weeks exam before the verdict. "Will I pass or fail?"

We still have an editor-in-chief and by the end of the year Vaunceil will be an old hand at it.

A few students did not receive the stenography report cards because of back typewriting fees. The ones really interested in their grades will pay up.

Quite a commotion in the hall Tuesday at noon, when three boys with straw hats on passed thru the building. The victims were from Philadelphia. We now know where "Li'l Abner" originated.

Bert Herbert said he blused for the first time Sunday, in the presence of Miss Edmiston.

Mildred Hurst was first to lose her senior play book. But she recovered it again.

At assembly Tuesday Sammie Carter conducted the third grade to the auditorium. We wonder if that's her goal.

Miss Martin turned over a bottle of ink last week, so all the economical seniors rushed in and filled their fountain pens with the spilled ink. Boy, whatta class!

Joe Kerr and Jack Bogusch really had a hard problem to solve; they were trying to put the settee on the stage for play practice.

Four dignified seniors went kodaking this week, and all they forgot to take along was some kodak films.

It's hard to believe but Sanderson high school had two assemblies in one week. This is only the beginning of catching up with

SENIOR PHOTOS

DOROTHY LEWELLEN—was born July 12, 1919, in Decatur, Ill. She has attended school in Sanderson all her life. She was in grammar school 7 years and in high school 4 years. Some of her activities are basketball, volleyball, Newspaper club, Choral club. She plans to attend Baylor University, Waco, and intends to be either a nurse or a radio pianist.

MILDRED HURST—was born in El Paso June 20th, 1921. She is 15 years of age. She began school in Sanderson grammar school, attending it for 5 years. She has been in high school here for the past four years. Activities in which she participated in are volleyball, pep squad, Newspaper club and debate.

She intends to attend the Brigham Young University at Provo, Utah, and wants to be either a private secretary or commercial teacher.

programs we have missed. Playing marbles at school in the morning seems to be a great deal of pleasure to Albert Weigand.

Adair Edmiston and Mary Beth Banner were really tickled Tuesday at noon.

This week our representatives go to regional and we are all wishing them the best of luck.

Miss Margaret Gregory has re-enrolled in high school.

First Grade

Noel Sturman and Edw. Chastain found a baby sparrow last week. The class had the bird one afternoon for a nature study lesson. They made an interesting story about the baby bird which is now printed on the chart, and the also had hectograph copies in script to take home.

Joe Mussey, Francis Jean Bodkin, Billy Carter and Anne Mims were absent part of the week. Several pupils are doing lovely original written work.

Carrie Mae Turner went to Alpine Sunday to visit her grandmother.

Anne Mims, Carolyn Courtney and Carrie Turner brought flowers this week.

FIFTH GRADE PROGRAM

"Little Miss Wait-a-Minute" was presented by the fifth grade in chapel program on April 14.

TEXAS HISTORY CLASS PRESENTS ASSEMBLY APR. 21

Wednesday, April 21, San Jacinto Day, a Texas program was presented by the Texas History class. Colored slides of life on the border of Texas and of Fort Davis were shown. James Allen read the explanation of the pictures and Pat Harris operated the electric projector. Concluding the showing of the pictures Troy Shrove explained the origin of the song "The Eyes of Texas," and the general assembly of both schools sang the traditional Texas songs under direction of Miss McWhorter. Miss Louise Taylor accompanied at the piano.

Choral Program Greatly Enjoyed

The Sunshine Girls, choral club sponsored by Miss McWhorter, presented a program, "The Hit Parade," Tuesday morning. Margaret Ann Gregory served as the announcer. Popular songs were supplemented with semi-classical songs from other countries.

The program included the following popular numbers: "When My Dream Boat Comes Home," "The Night is Young," "Moonlight and Shadows," "In the Chapel in the Moonlight," "Dark Eyes," "Cellito Lindo," "Serenade in the Night," "South Sea Island Magic," "Italian Street Song," "Indian Love Call" and the World is Waiting for the Sunrise, theme song of the club.

Seniors Are Busy On Annual Play

Practice on the senior class play has been under way for some of the past two weeks. The industrious seniors are now wading thru the second act at present, and are practicing every morning, afternoon and sometimes at night.

Even tho the players have to be hunted up for their cues, even tho the sponsor has to tear James away from his girl friend, even tho the time out is called to stop the terrible noise in the wings, the play goes on.

Date of presentation has not yet been set, but watch for it. Miss Martin is directing.

School Thanked For Its Donation

As a receipt of the \$5.87, Sanderson's contribution to the New London school memorial fund, a personal letter was received from Gov. James V. Allred early this week. The letter follows:

"My dear friends: In behalf of the New London School Memorial Committee, I want to thank you for your contribution to the memorial fund for victims of the New London school disaster. It will ever be a consolation to the grief stricken parents and friends to know of the sympathy that you have expressed by your contribution. In their behalf allow me to thank you. Sincerely, James V. Allred, Governor of Texas."

H. E. NEWS

The final judging of garments made by the first and second year home economics classes will be made tomorrow in Alpine. The H. E. department of Sul Ross college will make the decisions.

These garments are judged to determine who will attend the rally to be held in Fort Worth on April 29, 30 and May 1.

Sanderson is entering 2 clothing projects, 2 food problems, and 2 child development problems.
