Court Approves Assessor's Report And Set Tax Rate

Approval of the tax assessor's rolls for the year 1937 was made at the regular monthly meeting of the county commissioners held here Monday.

The rolls show that the total property valuation in Terrell county for 1937 is \$4,133,746. Total county and state taxes to be collected amounts to \$81,832.38. Taxes to be collected for school purposes totals \$30,684.64. Poll taxes to be collected, reverting to the state is in the amount of \$804; the county's share of poll taxes to be collected is \$134.

Stock rendered on the rolls for taxation amounted to 358,000, which included sheep, goats, cattle and other livestock.

The tax rate for the county this year has been fixed at \$1.57 on the \$100 valuation, and the state's rate is 49 cents on the \$100 valuation, making the total rate \$2.06 on the \$100 valuation.

Other business disposed of by the court was allowing all current bills and ordering same paid.

The court considered purchasing road machinery for Precincts 2, 3, and 4, tentatively purchasing two caterpillars and one Galion. A considerable saving will be made by paying cash for this machinery, and the W. K. Ewing Company of San Antonio will handle the warrants at a low rate of interest over a period of ten years.

Commissioners present were W. J. Banner, No. 1, C. Smith, No. 2, J. C. Mitchell, No. 3, and D. H. Cunningham, No. 4.

Committee Chairmen Appointed at First Regular Meeting of the P.-T. A.

The Sanderson Parent-Teacher Association held its first regular meeting Thursday, Sept. 9. During the meeting of the executive board the following business was transacted:

Mrs. Odie Wickliffe was elected to take Mrs. E. J. Chastain's place at secretary. Mrs. J. H. Lochausen was elected to take the place of Mrs. Lewis Lemons, as treasurer.

The following chairmen and assistants will carry out the program for the coming year: Program: Mrs. Clyde Higgins, Mrs. Ervin Grigsby and Mrs. C. L. Surratt.

Membership: Mrs. Bustin Cannon, Mrs. Chester Smith, Miss Louise Taylor and room Mothers.

Finance and Budget: Mrs. J. L. Osgood, Mrs. Ben Gilbert, Mrs. Tip Frazier, Mrs. A. Billings, Mr. W. H. Savage, Mr. C. V. McKnight and Mr. R. D. Holt.

Publications and Magazines: Mrs. D. L. Duke, Mrs. A. F. Buchanan, Mrs. R. E. Corder; Health: Mrs. W. H. Savage, Mrs. Paul Courtney, Mrs. John Harrison, Miss Margaret Lattimore; Publicity: Maurine Lindley, Marjorie Mixon, Vera Wade; Hospitality: Mrs. O. H. McAdams, Mrs. Ernest Jessup, and Mrs. A. D. Brown; Resolutions: Mrs. A. D. Brown; Parliamentarian: Mrs. Alfred E. Creigh, Jr.; Pianist, Margaret Gregory.

The following were appointed as Room Mothers: First grade, Mrs. C. P. Peavy; 2nd grade, Mrs. E. J. Chastain; 3rd grade, Mrs. Hugh Cox; 4th grade, Mrs. Gerald Grigsby; 5th grade, Mrs. C. L. Surratt; 6th grade, Mrs. Jim Nance; 7th grade, Mrs. R. H. Lewellen; 8th grade, Mrs. C. B. Cochran; 9th grade, Mrs. Rufe Murray; 10th grade, Mrs. J. R. Godykoontz.

After the business meeting of the executive board, the regular P. T. A. assembly was held in the high school auditorium. Miss Louise Taylor led the group in several songs after which Mrs. Higgins had charge of the following program:

Approaching School, Mrs. S. M. Mims; Reading, Mary Ferguson; A Child's Impression of Her First Day at School, Elizabeth Brown; A Father's Impression of the First Day at School, Mr. R. N. Allen; A Teacher's Impression of the First Day at School, Mrs. R. D. Holt.

Following the program all were invited into the banquet room, where the Hospitality Committee was in charge of a tea given in honor of the faculty members.

Favorable Report From Test Well Boosts Leasings

Favorable reports continue to come from the test oil well being drilled in the eastern part of the county on the Sam Bell ranch.

The well is now drilling at below 200 feet. A black shale formation was encountered at the 150-foot level. The test is being put down by the D. & S. Drilling company of Tulsa, Okla., and is located in survey 68, block D-7.

At a depth of 20 feet a pocket of gas and a showing of oil was encountered in a black shale formation. Black shale at this shallow depth is a cause for optimism to those who are making the test. The contract calls for a depth of 4,000 feet.

Assignments and leases filed for record at the clerk's office this week are as follows:

Assignment of oil and gas lease, Marion Briggs et ux to Albert Herrmann, 40 acres out of survey 17, block D-5.

Assignment of oil and gas lease, Fred S. O'Neil to R. H. Ossenbeck, 30 acres out of survey 46, block D-6.

Assignment of oil and gas lease, Jessie McPhee Briggs to L. H. Robinson, 20 acres in survey 20, block D-5.

Assignment of oil and gas lease, Fred S. O'Neil to Julia A. Pierson, 5 acres out of survey 3, in block D-6.

Assignment of oil and gas lease, A. C. Smith to L. R. Harboch, Sr., et al, 40 acres out of survey 51, block D-6.

Oil, gas and all other mineral lease, A. F. Luse to Alexander Reeve, 20 acres, survey 8, blk 153.

Assignment of oil and gas lease, Fred S. O'Neil to Mary F. and William W. Baxter, 5 acres out of survey 49, block D-6.

Assignment, Chas. E. Detweiler to E. R. Hill, 40 acres out of survey 38, block D-7.

Oil and gas lease, E. C. Jolly & R. A. Roberts to Chas. E. Detweiler, 600 acres out of survey 68, block D-7.

Feeder Sale Event Set for Friday October 8

Marfa, Sept. 15.—(T-P N).—The tenth annual Highland Fair to be held in Marfa October 7, 8, and 9, will be bigger and better than ever, according to George Jones, president of the Fair Association.

The best calf crop in several years in conjunction with the best range and best prices since the depression has given cattlemen their old confidence and they plan to put the fair over in style.

Indications from the corn belt assure the Highland Feeder Sale of the largest attendance of buyers in its history.

As usual a free barbecue will be given both Thursday and Friday.

The fair will start at 9 o'clock Thursday morning, with a colorful street parade led by the Highland Queen and all her attendants. Most of Thursday will be given over to a true western rodeo, open to the world. A dance will be held Thursday night.

Friday will be featured with the rodeo finals and the famous Highland Feeder Sale. There will be dancing Friday night.

Sul Ross College will play the Texas A. & I. Kingsville, Saturday afternoon in a football game. The fair will be closed with a big dance Saturday night.

Marfa is prepared to take care of the biggest crowd in the history of the Highland Fair this year.

Large Audiences Hear Lecturer on Foreign Missions

Large and appreciative audiences have been in attendance this week at the Presbyterian church to hear Dr. Egbert W. Smith, field secretary of Foreign Missions of the Presbyterian church. Dr. Smith has been delivering interesting and worthwhile messages on the various countries he has visited. His message Monday night was on China and drew more favorable comment and was enjoyed by those present.

Dr. Smith, whose headquarters are in Nashville, Tenn., is a world traveler, having visited Africa, Brazil, China, Japan and other countries.

He left Thursday morning for Uvalde where he will deliver a like series of addresses.

Revival Meeting Starts at Baptist Church Sunday

Sunday, Sept. 19, marks the beginning of a two weeks meeting, to be held at the Sanderson Baptist church. The pastor, the Rev. D. C. Bandy, will do the preaching. The singing will be under the direction of S. E. Kidd Jr. of Memphis, Tenn. Mr. Kidd was a schoolmate of the pastor in Southwestern Theological Seminary, Fort Worth. He has been leading in the singing in revival meetings during the summer months, before resuming his studies in Fort Worth.

Each person in Sanderson, it was announced, has a special invitation to come, sing, pray, worship and work with the Baptist brethren during this meeting.

Two services will be held daily—at 10:30 a. m., and 7:45 p. m.

AGEE ACQUITTED

Cole Agee, well known to many Sanderson people, was acquitted in district court at Roswell Wednesday of a murder charge growing out of the fatal shooting of W. Gilbert August 17. The jury deliberated 6 hours.

DAUGHTER TO LAMBERTS

Mr. and Mrs. Carl Lambert are the parents of a daughter, Joan Faye Lambert, born on Monday, September 13. Both mother and baby are doing fine.

CONSTITUTION DAY

Acting Gov. Woodul declared September 17 as Constitution Day in Texas.

P. Will Place Two Streamlined Trains in Service

The Southern Pacific Lines will place two streamlined high speed passenger trains in service between Houston and Dallas on Sept. 19, according to announcement made by H. M. Lull, executive president. The trains consist of eight cars, consisting of baggage car, one chair car, one parlor car, and one lounge will be powered by steam streamlined locomotives constructed in the shops of the company at Houston, the first of this modern type of engine to be built in the South.

The twin streamlined trains, which are constructed of the best and most durable material, especially designed for safe luxurious train travel at high speed, will take over the name of the presently operated Sunbeam, which was established between Houston and Dallas in 1918. Northbound the train will leave Houston at 4 p. m., arriving Dallas at 8:45 a. m. Southbound, it will leave Dallas at 9 p. m. and arrive in Houston at 3 p. m. The schedules have been arranged to effect the most desirable connections with other trains arriving in and departing from Houston and Dallas.

The new streamlined trains will substitute added passenger service on the S. P. Lines between Houston and Dallas, as the presently operated Sunbeam, with the inauguration of the streamlined trains, will be designated as the "Sunbeam" and operate on the following schedule: Northbound, leave Houston 9 a. m. and arrive Dallas 3 p. m.; southbound, leave Dallas 9:45 a. m. and arrive in Houston at 3:45 a. m.

Lamb Deliveries, Shipments, Near End in Section

Delivery and shipments of lambs continue out of here with the peak about reached. Splendid rains in some sections of the county has started winter weeds and put the ranges in better shape than insuring better conditions for fall and early winter.

Johnnie Cox has leased the Mrs. Lillian F. Manning ranch in Bullis Gap and bought some of the stock on the ranch. He purchased 1500 mixed lambs from Clyde Higgins at \$4.50 a head and has placed them on this ranch.

John Whistler purchased from Bart Caldwell 500 head of goats and this week moved them to the Worthington ranch south of Marathon. He also plans to put some sheep on this ranch. His son, Clyde, will be associated with him in the business.

Shipments from here this week included:

Sept. 9—R. J. Ridley, 7 cars of lambs to Bellecenter, Ohio. O. W. Adams, 2 cars to Kansas City.

Sept. 10—S. S. Boyer, 2 cars of lambs to the Ft. Worth market.

Sept. 12—L. W. Cummings, 10 cars of lambs to Jefferson City, Mo. These lambs were purchased from Ben Gilgbrt, who ranches in the north part of the county.

COTTON PICKERS THROUGH

Last Sunday afternoon four truckloads of Mexican cotton pickers and several individual cars of families passed through here, enroute to El Paso and vicinity where they will pick cotton. The group camped west of town, resuming their journey early Monday morning.

MOTHER ILL

Rev. D. C. Bandy, pastor of the Baptist church, left last Friday to be at the bedside of his mother who is seriously ill. A message to Mrs. Bandy Tuesday stated he would be home in time to occupy his pulpit Sunday, but that his mother, who is suffering from a heart ailment, was still in a critical condition.

Eagles Play First Game Today; Ft. Davis are Rivals

The 1937 football season will be ushered in today at 3:00 p. m., when the Eagle of Sanderson high school clash with the Fort Davis Mountaineers at American Legion Park.

The Eagles, while light, have plenty of fight, and should give a good account of themselves this afternoon. Our people, all of them, should be on the sidelines, at least for encouragement.

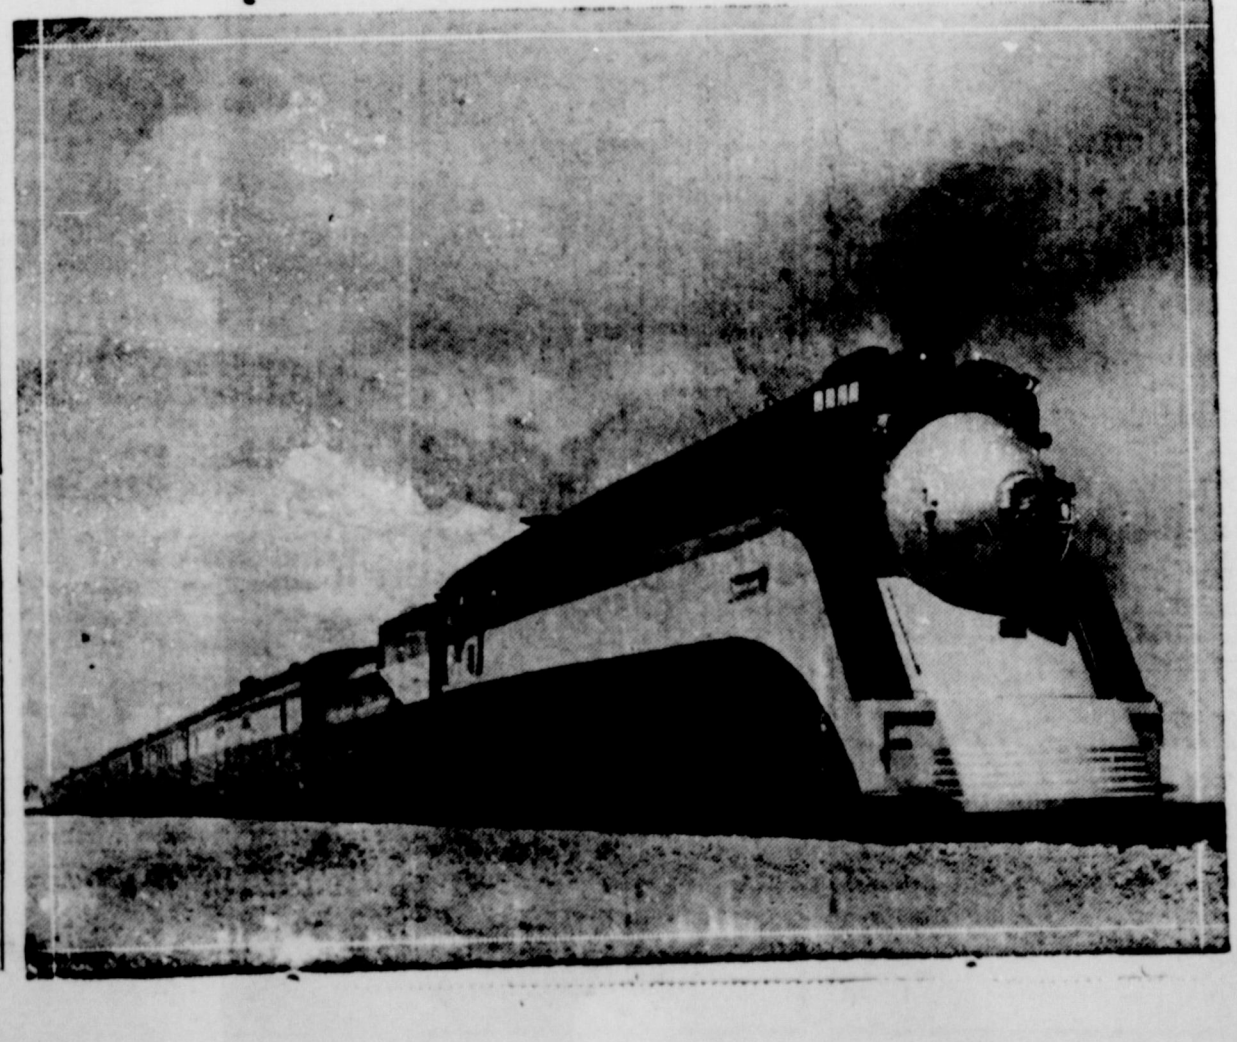

The probable starting lineup is as follows:

H. Chandler center, R. Lochausen left tackle, John Glenn right tackle, H. Lewellen right guard, Hicks Canon or Bobbie Allen at left guard, Troy Druse right end, K. Litton left end, W. Dishman left half, W. C. Davis right half, Albert Weigand fullback, and W. Short quarterback.

A fair list of reserves for both line and backfield is available.

We were unable to get a line on the Mountaineers, the rumor being that they have an inexperienced and light team. Today's game will have no bearing on the league standing of either team.

Streamlined Trains of S. P. Lines For Service Between Houston and Dallas

There are so many "foreigners" taking part in Spain's civil war that they have a hard time recognizing each other. The other day two small forces met, engaged in a battle royal, and both sides were nearly wiped out before they found out they were on the same side. Reminds us of the Chink in Juarez during the Madero uprising. Homeward bound he ran into an armed squad. They asked him to "Vive," and he shouted "Vive Madero." They happened to be Carranzists, and beat the Chink half to death. Limping onward, he met another group and was again challenged. "Vive Carranza," he yelled. They happened to be Madero forces. Again he was mauled. Just before he reached his humble shack he was challenged once more. In weak tones he said, "You Vive first."

Since our old friend Bennett perpetrator of the Avalanche at Alpine changed the name of his col'm, looks as if he's trying to give Ananias a run for his money.

More "expert" opinion This time from L. P. Ayres, economist—whatever the heck that is, who says farmers are better off than industrialists. Chances are he doesn't know a farm from a golf course. Farmers lead a dog's life. In early spring they borrow money for items incidental to planting a crop. They're afraid there will not be enough rain to start the crop growing; if it does grow there's scared to death of hail and various and sundry bugs, grasshoppers, etc. If they dodge these crop-destroying pests, the chances are that the bottom falls out of the market. How they live to a ripe old age is beyond our ken.

One college boy has his dad "up in the air," so to speak. On arriving at school last week, he wrote a brief letter, and wound up by saying, "Had to write a check on you, today. Good-bye. Will write more later."

Now that the beauties of the different states, and "Miss America" have been chosen we hope the gals will go home and put on their clothes.

The rain last Saturday was due to the fact that it was the writer's natal anniversary. It was also the date of Mrs. Wallace Henshaw, Jr.'s coming out party, and the combination clicked. Old J. Pluvius, god of moisture, sailed over the town with his watering-can upside down, and a nice rain, a little over a half inch was the result. It wiped the frown from the ranchers' faces, replacing it with smiles from ear to ear. We think we're entitled to a standing vote of thanks.

Food expert states that proper diet will keep one from having the jitters, and banish fear entirely. Maybe so, maybe so. But eating more often than not makes us miserable and sluggish. On the other hand, consider drinking. One or two good shots of Mexican tequila, takes fear out of our system entirely. And two more on top of that will make us take on Italy, Germany and Russia single-handed.

"Every dog has his day." It is now that time of year when the side line coaches bloom in all their glory.

And talking of football. Our boys play their first game today. Let's be on hand—all of us. The team is light, but scrappy. For gosh sakes, don't stay away because you've a hunch they'll lose. Get the spirit of the immortal Decatur: "The Eagles—our boys; in their games with other teams may they screech, scratch and claw their way to victory; but win or lose, our boys."

"Detroit softball team wins world series flag." Each member of the team was presented a powder puff and a fur-lined brassier.

The anvil chorus of the pep squad for the next two or more months: "Hold that line!"

Monahans—

A watermelon weighing forty-two pounds is on display at the Northside hospital, the News reports. The watermelon, which measures 40 inches in diameter, and is 48 inches long, was grown on the hospital grounds, the News further states.

Marfa—

A contract has been let by the Marfa city commission to the Central Power and Light Company of Marfa to install 41 new street lights to cover the entire residential district of the town, the Big Bend Sentinel reports.

Pecos—

Capt. Bill Roberts of the State Highway Patrol was advised that the Federal Communication Commission had granted a permit for the construction of a short wave police radio broadcasting station in Pecos, the Enterprise reports. It will be a 500-watt station with call letters KSPT.

Uvalde—

The Uvalde Leader-News reported in last week's issue that an unusual era of building and improving is underway in and around Uvalde, with the program including business as well as residential property being built or improved.

Miss Pearl Howell left Thursday for San Antonio where she will spend the remainder of the week visiting her sister Miss Nacena Howell.

Mr. and Mrs. Jeff Sessions have returned from a visit with relatives in North Carolina.

In exchanges received by the Times they report an increase in enrollment of their schools, many of them being crowded.

ESTRAY NOTICE

The State of Texas)
County of Terrell)

Taken up by Roy Barkdale and Estrayed before the Honorable Fred Yeates, Justice of the Peace Precinct No. One, Terrell County:

One brown smutty mare about the age of four (4) years, about fourteen (14) hands high, with sorrel horse coat about one and one-half (1½) years old, with no firebrands. Appraised at Sixty-five and no-100 (\$65) Dollars.

The owner of said stock is requested to come forward, prove property, pay charges, and take the same away, or it will be dealt with as the law directs.

Given under my hand and seal of office, this the 10th day of September, 1937.

Know Texas

(T. S. C. W. Feature Service)

Denton.—First in size and second in sweetness—that's Texas' place, since it ranks second in the United States in the production of honey. In the section around Uvalde from one to two million pounds of honey are brought to market annually. One reason for the successful production of honey in this state is that the climate with a long summer season is particularly well adapted. Another factor is the abundance of cotton blossoms, which are better than any other flowers in making honey.

GOOD BRAIN—GOOD BITE
"Most active and intelligent flea in the world" is the title belonging to the West Texas sand flea. Trainers in circuses and in side shows in the northern states send messengers all the way down here to get this particular kind of flea, because they say it takes a shorter time to teach them tricks and they are longer lived. Those who have come in contact with the insect may wish to give it another title—the hardest biter.

COMMON CLAY
Texas clays are used in everything from pottery making to road building. Commercial refractory clays are sold for the manufacture of fibre brick, terra cotta, floor tiles and art pottery. Coarser clays yield the common red-pressed brick, drain tile and earthenware. Two other products are kaolin, utilized in the making of fine pottery, and earth for the deodorizing of oils. Many of the ordinary clays are used extensively for road building.

Local Company Offering Washers On Easy Terms

On page three housewives of Sanderson will find an important message from the Community Public Service Co., regarding the 3-zone Easy washing machine. The new machine embodies many innovations designed to take the drudgery out of washing, with a threefold result. First, whiter clothes; second, less wear on clothing while washing, and third, big savings in time, money and worry. Best of all the price of the machines are the lowest in history, on terms that are lower than the cost of sending out the average family washing. Clyde Morris, local manager, will be glad to demonstrate the labor and money saving points in this modern washer.

SHARPS VISIT
Dr. and Mrs. James C. Sharp and son were visitors in Sanderson for several hours last Saturday. They were enroute to Sonora, the doctor being a witness in a case being tried there. After the first of October Dr. and Mrs. Sharp will make their home in Corpus Christi where he will practice medicine. Since their visit here in the early part of August they had been visiting relatives in Eldorado, Ark., in Oklahoma and in Shreveport, La.

MISS TAYLOR ILL
Miss Lois Taylor, cashier at the local office of the Community Public Service Co., who has been ill for the past two weeks, was taken to Del Rio last Saturday for medical treatment. She is at the Williams Sanitarium, suffering from pneumonia in her right lung. Her mother, Mrs. N. J. Taylor came from her home in San Antonio to be with her. Accompanying her to Del Rio were Mr. and Mrs. Sam Harrell, Mrs. Ira Deaton and son, Roy. Reports from her bedside are that she is improved.

The Train of the Future
Southern Pacific's New Streamlined Air-Conditioned Wonder Train Between HOUSTON-DALLAS
As Southern Pacific's new streamliner Sunbeam whisks away with the smoothness of a cloud, beginning September 19 for its regular daily trip between Houston and Dallas, the flashing streak of black, orange and crimson will bring fame to the Southwest and Southern Pacific—and revolutionize modern railroading!
This wonder train is moulded into one sleek unit from the specially built locomotive to the windowed curve of the observation. The Streamliner sits low on the rails.
Inside a revelation of rich beauty and artistic design greets you. There are harmonious colors with contrasting upholstery; color schemes that vary from car to car. Restrooms are large and comfortably furnished. All chairs are cushioned with soft sponge rubber, covered with thick mohair. Chairs in Chair Cars are designed to face the windows if desired. Parlor Car and Observation have movable settees and chairs. The Dining Car (low priced "meals Select," a la Carte and Tray Service) is beautifully carpeted and flower-decked, lending atmosphere for perfect enjoyment of a delicious meal. All linen, silver and glassware are custom-made, bearing the SUNBEAM crest. Completely air-conditioned. Radio in all cars except the Diner.
NO EXTRA FARE!
Our lowest one-way and round-trip fares are good on the new Sunbeam.
FIRST TRIP SEPT. 19.
Commencing on this date, the new streamliner Sunbeam will offer daily service on the following schedule:
Northbound
Lv. Houston 4:00 P.M.
Ar. Dallas 8:45 P.M.
Southbound
Lv. Dallas 4:15 P.M.
Ar. Houston 9:00 P.M.
All seats in Chair Cars or Parlor Car must be reserved in advance. (Parlor Car charge, \$1.00 each). Only First Class Tickets honored in Parlor Cars no additional charge for seats in Chair Cars.
Try this wonder train on your next trip to Dallas or Houston.

SOCIETY and HOME

WOMEN'S INTERESTS

CLUBS AND CHURCHES

WOMEN'S SOCIETIES HAVE MEETINGS

W. H. Savage was hostess to the Presbyterian auxiliary and to the members of the Methodist and Baptist missionary societies.

After a short business session a brief program on "Enlarged Horizons," with talks by J. H. Loehausen and Mrs. Grigsby, Mrs. S. M. Mims prayer, closing this part of program.

Dr. Egbert W. Smith, the secretary of foreign missions of the Presbyterian church, was introduced by the president, Mrs. Grigsby. Dr. Smith addressed the group on "The Bible and How It Should Affect Daily Living—guiding our lives, preaching and praying."

Savage served punch and cakes to about thirty-six ladies who lingered and visited informally.

H. C. Goldwire, accompanied by her house guest, Miss Rollins, and her son, Bill, returned to Austin where Mrs. Goldwire visited for several days. Bill will remain there school.

Marvin Kelly returned from a visit with home in Rochelle, Texas.

MRS. R. D. HOLT HOSTESS TO CLUB

Queen's wreath and zinnias were the floral decorations used through the living room Wednesday afternoon when Mrs. R. D. Holt was hostess to the members of her bridge club and several guests.

Mrs. C. M. Breeding was winner of the high score prize, and Mrs. Bustin Canon held the second high score. Attractive bath towels were the prizes given.

Mrs. Holt served lovely refreshments consisting of frozen fruit salad, smacks, olives, peaches with marshmallows, blarney stones and iced fruit punch to Mesdames Bustin Canon, A. E. Creigh, W. H. Savage, Jim Kerr, Clyde Griffith, J. C. Green, G. R. Collier, Tol Murrah, Jim Nance, W. A. Banner, Austin Nance, C. M. Breeding, Mary Lou Kellar, John Harrison, J. C. Kern, and Lee McCue.

Mr. and Mrs. H. D. Williams returned last Friday from a month's vacation trip that included a visit in Denver, Colo., and on the West Coast. Enroute they visited in Douglas, Arizona with Mr. and Mrs. Henry Alcorn.

Mrs. D. A. Pollard and son, Melven, left Monday for Austin, where Melven will enroll at the University for the new term. Mrs. Pollard return home Wednesday.

"Wild and Woolly" With Mischievous Jane as the Star

A wild buckaroo out where the West begins, "Ginger" Jane Withers begins where the Wild West leaves off in the grandest comedy "Wild and Woolly," which comes to the Princess Theatre tonight and Saturday. Riding on runaway trains, getting her gun-toting grandpop, Walter Brennan, into a duel, scaring the wits out of tenderfoot pals in a graveyard at midnight, chasing city gangsters on a careening stagecoach, and roping young lovers into romance, Jane makes Buffalo Bill seem like a softie.

The picture is replete with the Withers diet of mischief and thrills, liberally sprinkled with pepper and ginger. "Wild and Woolly" is Jane's latest comedy, and easily her best.

Mrs. A. J. Horton arrived Sunday from her home in Quitman, Texas, for a visit with her daughter, Mrs. J. W. Downum, at the Kerr Hotel.

Mrs. R. H. Martin of Del Rio visited in Sanderson this week with her daughters, Mrs. Fred Turner and Mrs. Clyde Kelso.

PROPOSED STATE OF TEXAS BUILDING AT WORLD FAIR

The Texas Planning Board has recommended to the Legislature that Texas be represented at the Golden Gate International Exposition at San Francisco and at the New York World's Fair in 1939 by a replica of the historic Alamo in which 7,000 feet of sound and color film depicting Texas

as it is today would be shown in an air-conditioned auditorium seating 500. The cost of the Exhibits will not exceed \$225,000. The above drawing is an artist's conception of how the proposed Texas building will look in a World Fair Setting.

News Scoop Jars Halls Of Justice In Dramatic Film

The strangest case that ever rocked a hall of justice—the most human story of the year—these phrases aptly fit "One Mile From Heaven," which shows at the Princess Monday, September 20.

It is the story of two mothers fighting desperately for the same child. Dramatically it presents the question of who has the greater right—the one who had brought the little girl into the world, but thought her dead in a car crash, and who, after several years, found her hopes renewed—or the one who nursed the child back to health, nurtured her and guarded her, and came to love her as her own.

In this entangling situation is a girl reporter, Claire Trevor, assigned to track down the biggest news scoop of the year, yet to do so would blast the lives of three innocent people. The climax leaves one breathless.

Mrs. Jim Kerr and sons, Robert and Bernard, left Thursday for San Antonio where the boys will resume their studies at St. Mary's University. Mrs. Kerr will spend the remainder of the week there visiting relatives.

Personal Mention

Mrs. W. E. Lea and daughter, Miss Nelle, left Sunday for San Antonio where Nelle will enter Our Lady of the Lake college for the school year.

Mr. and Mrs. M. H. Goode, Sr., were in town several days this week from their ranch near Dryden. Mr. Goode has not been well and was here for medical treatment.

Mrs. Joe Kerr and son, Joe Jr., left Thursday for San Antonio where Joe will enter St. Mary's University. Mrs. Kerr will return home the latter part of the week.

Little Miss Dorothy Jean Jenschke arrived Wednesday from her home in San Antonio for a visit with her grandmother, Mrs. Mary Lou Kellar, and other relatives.

Miss Frank Blow of Houston, Texas, arrived Tuesday and has assumed her duties as governess at the Tol Murrah ranch.

Mrs. Annie McLymont spent Thursday in Del Rio visiting her brother, Dr. H. B. Ross and other relatives.

Mrs. Hugh Rose and daughter have returned from Del Rio where they have been visiting relatives and friends.

Picture of Rival Papers Features Two Favorites

A powerful story of a newspaperman who placed principles ahead of life itself, only to have his own daughter undo his work, brings Fred MacMurray, Frances Farmer, Charles Ruggles and Lloyd Nolan to the screen next Wednesday and Thursday at the Princess—Sept. 22 and 23, in the dynamic "Exclusive."

The story concerns the efforts of a corrupt politician, played by Nolan, to wreak vengeance on a reform newspaper by establishing his own scandal sheet, which he used for blackmail purposes. He tries to lure MacMurray and Ruggles away from the reform paper with tempting salaries but they remain loyal to the paper they helped build.

A highly dramatic moment arrives when Ruggles is forced to write the story of the suicide of a merchant over an article his daughter had written for the other paper. Still sticking to his principles of clean journalism he is forced to begin his story with the dramatic sentence: "My daughter killed a man."

"Exclusive" is accurate in every phase of newspaperdom, due largely to the fact that it is from the pen of J. C. Moffitt, former motion picture critic on the Kansas City "Star."

Mr. and Mrs. C. P. Peavy and daughter, Nancy Ann, left Saturday for Dallas where they spent this week. Mr. Peavy is on his vacation from duties in the office of Joe Kerr.

Mr. and Mrs. Jake Yoas were Del Rio visitors Thursday. Mr. Yoas going down to have treatment for an injured knee.

Mrs. Grace Wheeler and son, Edward William, and her mother, Mrs. Luella Lemons, spent Saturday night and Sunday as guests of Mrs. Mata Wheeler at her ranch near Rocksprings.

Miss Ruth Murrah returned the past week from San Angelo where she spent two weeks visiting Mr. and Mrs. Bob Weatherby.

Miss Billie Lee Bell of Valentine, enroute to Belton, where she is a student at Baylor College, visited here Saturday with Mrs. J. C. Green.

Mrs. S. S. Daggett who spent the summer in San Antonio, El Paso and points in California, returned home Wednesday morning.

Churches

PRESBYTERIAN CHURCH
Sunday school 10 a. m.
Preaching by the pastor 11 a. m.
Young people's vesper program at 7 p. m.

Rally day and Promotion day in the Sunday school comes on September 26. Let every parent and child who is a member of this church or congregation, be present Sunday week and get a good start for the fall work.

The pastor will attend Presbytery which meets in Beeville on the 21st. He will return Friday.
JOHN V. McCALL, Pastor.

BAPTIST CHURCH
Sunday school at 10 a. m.

Communion, 11:45 a. m.
Prayer service, Wednesday at 7:45 p. m.

Mrs. Cam Longley, who had been in San Antonio for several months undergoing medical treatment, returned Sunday to her ranch home near Pumpville. Her daughter, Mrs. Calvert Curry, who spent the past week with her has returned home also.

Mr. and Mrs. O. C. Humphries and Mr. and Mrs. Gordon Humphries of Robstown, enroute to points in New Mexico, Arizona, and Colorado, spent Tuesday in Sanderson visiting in the home of Mr. and Mrs. Fred Talbot.

Mrs. E. J. Fawcett, who had been visiting in Sanderson with her son, A. L. Fawcett and family, returned Thursday to her home in Comstock. Her son accompanied her home and will remain there for several days visiting relatives and friends, and to enjoy fishing and hunting.

Mr. and Mrs. Malone Mitchell left Wednesday by motor for Dallas where they will attend the Pan American Exposition. They plan to go on a trip to St. Louis before returning home.

Alfred E. Creigh, Jr., was a business visitor in Dallas for several days this week.

Howard Black left Sunday for San Antonio and spent this week there visiting friends.

Jimmy Cook left the latter part of last week for San Marcos, and will resume his studies at the San Marcos Military Academy.

Bill Dyal, who is now making his home in Lafayette, La., spent Wednesday here visiting friends. Bill came out to Del Rio to see his sister-in-law, Miss Lois Taylor, who is ill at a hospital in that city.

Al Kinsey of Alpine was a visitor in Sanderson last Saturday. Al says he should be given credit for the nice rain that fell here that afternoon, as it had rained every place he had been that week. Come back, Al, we are glad to have you and if you are the cause of the rain so much the better.

GOODBYE FOREVER TO WASHDAY DRUDGERY!

Here's the washer you've always wanted!

FIRST TIME UNDER \$100 for a real 3-ZONE TURBOLATOR EASY WASHER

NOW ONLY \$54⁹⁵

Terms as low as \$5.00 down . . . \$2.97 monthly

WHAT 3-ZONE WASHING MEANS TO YOU

- Cleaner, whiter clothes—made possible only by a thorough tub-thru action that washes all the clothes all the time.
- Less wear on clothes because entire load receives equal washing action. No need to over-wash part of clothes in order to get the rest clean.
- Important savings in the cost of a 100% efficient washer!

This is your chance to own a new 3-zone Turbolator EASY Washer at an unheard-of price. The Turbolator principle has been tried and proven in over 100,000 homes. Now it can do your washing, save your time and labor, and clothes. You'll always be proud of it.

The Eagle News consists of the interests of the student body and the teachers of Sanderson high school. This paper is edited and written by the members of Sanderson High.

The members of the staff wish to make an appeal for the cooperation of all members of both schools as well as the rest of the people of Sanderson. If anyone has an article that he or she thinks will be of any interest to the members of this school we will be more than glad to give it our careful consideration.

An attempt is being made to carry on the Eagle News in the same manner that it was last year. So, come on and support your school paper.

Currene Comment

Are we really going to have an annual? Well, it all depends on just how many copies you buy. Listen to the pep squad every afternoon and you'll know how to root for it.

We are wondering about Mr. Caraway. If you don't know — he forgot one of his classes! And some of the absent-minded seniors did too.

Physical Education is coming along nicely. The girls learned to serve Tuesday.

Helen Turner wants to know where the girl lives whose mother owns a tourist camp.

Jack Dawson thinks that crepe de chine comes from China.

We wonder why Jimmy Goodykoontz is always looking for something easy. Now he wants to send the American History work-books back. That's okay.

Seniors! Don't let the Freshmen get the honors at that picnic again this year. Start now by selling a large quantity of tickets.

PHYSICAL EDUCATION
The girls of the Physical Education class have ordered gymnasium suits for work in the gym. We have been learning how to march and have correct posture. We are planning to have a good volleyball team this year. The team has been practicing after school several afternoons a week.

"Education is a debt due from present to future generations."

Drive is Started For High School's First Yearbook

By Bertha Mae O'Bryant
This year the students of Sanderson high school are planning to edit a yearbook. The seniors, who are at the head of this project, have been working on it during the summer. Jimmy Goodykoontz is editor-in-chief, and Troy Druse business manager. Other officers will be elected soon.

Before the annual can be started there must be at least a hundred subscriptions. The plan is to use glazed paper and a leather cover. The annual, which will consist of forty-eight pages, will have pictures of the students, the faculty, the school board, football team, the different clubs, and the school building. The high school students will design the yearbook and send it to Austin for publication. The cost of each annual or yearbook is \$2.50, of which amount \$1.50 must be paid now and the balance at a later date.

A school annual is a valuable reminder of school days in years after school life is completed.

Enrollment Gets Boost; Many New Students Transfer

By Vaunceil Hendersen
There are many new students in the high school and grammar school this year. They come from various schools and are in different grades.

W. C. Davis, a senior, comes from Langtry. Maxine Holmes, classified as a sophomore, comes from Sheffield. Winno Jean Holmes, a seventh grader, Laverne, a third grader, and Giles Collins, a sixth grader, are also from Sheffield. Johnny Glenn, from Dallas, is a junior. Irene Knolle, a junior, is from Somerset. Williams McPhee is a transfer from Corpus Christi. Katherine O'Conner is again enrolled in Sanderson after having attended school in Del Rio last year.

These new students in the Sanderson schools, along with any others whose names are not mentioned, are welcome.

New Teacher in Mexican School

Mrs. Alice Cain began work in the Mexican school on Tuesday morning as teacher in the third and fifth grades. She takes the place of Miss Hazel Bruton, who resigned Sunday to accept a position as second grade teacher in the Odessa school system at a considerable raise in salary. Mrs. Cain comes to Sanderson from Barstow. She holds a bachelor and master of arts degree from Sul Ross Teachers College, and she has had a number of years of successful teaching experience to her credit.

DAILY FLAG RAISING BY BOY SCOUTS THIS YEAR

The Boy Scout troop is now in charge of the raising and lowering of the flag near the high school building each day. Earl Hurst had the assignment the first week of school and John Hardgrave has just completed this duty for the second school week. The senior class of '37 made possible the flag pole which is now in use daily. This class donated the sum of \$25 for the erection of the flag pole.

The scholastic census taken last March shows 712 pupils of school age in Terrell County.

Band Has Twenty-seven Members— Goal is to Enroll Forty by Christmas

By Vivian Earwood
The senior band of Sanderson high school at present includes twenty-seven pupils. We are all very interested in the S. H. S. band and are striving to reach a goal so high as to have forty instruments by Christmas. A well balanced band would have two flutes, seven B-flat clarinets, one alto clarinet, one bass clarinet, one bassoon, three saxophones (two alto and one tenor), five cornets, two alto horns, 2 French horns, five trombones, two bass horns, one tympani, and three drums (bass and 2 snare drums).

High school students now taking band are as follows: Joyce Yeates, Ross Underwood, Katherine O'Conner, Julian O'Bryant, Wilton Murray, Reginald Monroe, Mack Mims, Margaret Mims, Wesley Lochausen, Robt. Lo-

ausen, Harry Lewellen, David Allen, Bert Herbert, Mary Beth Banner, Mary Cook, Al Creigh, Allen Hardgrave, Martha Bassett, and others.

There are also several prospects for a girls' drum corps. They are as follows: Lillian Harrell, Helen Turner, Maxine Claffelter, Mary Cook, Elizabeth Brown, Marjorie Canon, Mary Bess Hardgrave, Ethel Lee Riley, Laverne Halley, Emma Faye Harris, and Ethel Laura Nance.

In addition to the regular senior band there is a junior band which has an opportunity of developing into a real band before the end of the year.

Grammar school pupils who are now playing in the senior band are Billy Savage, W. T. Frazier, Edward Kerr, James Kerr, Harold Surratt and Duane Hill.

Ferguson Motor Co. Donates Book Covers for School

The pupils of the Sanderson and Dryden schools this year are furnished book covers free of charge. This is made possible through the courtesy of the Ferguson Motor Co. Some four thousand book covers have already been distributed to the pupils in the three schools in Sanderson and in the Dryden school. The book covers are manufactured by the Walraven Book Cover Co., of Dallas. It is a state law that pupils cover all state adopted and state owned textbooks, and thus the services of the Ferguson Motor Co. in furnishing covers are helpful in meeting these requirements. We appreciate this favor greatly.

Dr. Egbert Smith, Noted Traveler, Talks at Chapel

Dr. Egbert E. Smith, missionary and world traveler, was the assembly speaker for both high school and elementary grades on last Tuesday morning. In an interesting manner the speaker told of the customs in some of the countries where he had visited and carried on his work as missionary. It is of interest to Texans to know that Dr. Smith was born in Greensboro, N. C., and was the boyhood chum of Sidney Porter (O. Henry), who is now recognized as one of the great writers of American literature. Dr. Smith's brother, Alphonso Smith, has written a book dealing with O. Henry and his work in literature.

Eagles' Football Schedule for 1937

September 17 (Today)—Eagles vs. Ft Davis High School here.
Oct. 8—Eagles vs. Marfa Shorthorns, at Marfa.
October 23—Eagles vs. Ft. Davis (return game), here.
October 29—Eagles vs. the McCamey Badgers, here.
Nov. 5—Eagles vs. Marfa (Conference game), here.
Nov. 11—Eagles vs. Alpine Bucks (Conference game), here.
Other games are to be matched for the open dates on the Eagles' schedule, so that there will be some eight or nine games played during the season. Kermit and Grandfalls both are trying to get games with Sanderson and arrangements will likely be made at an early date to complete the schedule.

Seniors Organize For Year's Work

The senior class had its first meeting Tuesday afternoon to select officers.

Prince Dishman was elected president of the senior class. Bertha Mae O'Bryant was elected vice president. Vaunceil Hendersen was elected secretary and treasurer, and Albert Weigand was elected reporter. The class sponsor for the year is Maurine Lindley.

The members of the senior class for 1937-38 are:

Jimmy Goodykoontz, W. C. Davis, Troy Druse, Holden Murrar, Wesley Lochausen, Houston Chandler, Allen Hardgrave, Bert Herbert, Albert Weigand, Vaunceil Hendersen, Rosa Mae Clark, Helen Turner, Bennie Mussey, Bertha Mae O'Bryant, Mildred Fawcett.

The seniors took a final vote on the annual and decided that one would be sponsored by the senior class with the cooperation of the rest of the school.

A minor discussion was held regarding class rings and it was decided that the class would consider the samples of the Star Engraving Company.

Thirty in Hight School Pep Squad

By Bennie Mussey
The pep squad of Sanderson high school met Tuesday afternoon, and there were approximately 30 girls present. Seven girls were nominated to tryout for leaders, three leaders to be selected from this group. The nominees were: Mary Bess Hardgrave, Helen Turner, Ethel Laura Nance, Bernice Harris, Mary Beth Banner, Marjorie Canon, and Martha Bassett.

Miss Lindley and Miss Johnson are sponsors of the pep squad. All the girls will not be in uniform today, but will give a drill at the football game this afternoon. Also the colors will be dropped from an airplane. After the pep squad is organized there will be drills in town.

"The hope of America is in those young eyes and intelligent faces. Give the man education. Don't leave them money, and they will take care of all the country's problems."—Henry Ford.

The investment which a community makes in public schools pays big dividends.

Rotary to Banquet Faculty Members

By Helen Ruth Harrell
"School days, school days, Dear old golden rule days—"

Such will be the gay occasion when both old and new school-mates again report for classes in the "Little Red School House" Saturday evening at eight o'clock. This is an annual event given by the Rotary Club, honoring the faculty members of the Sanderson schools.

Again the Home Economics girls will have charge of the banquet and will apply the proceeds toward sending girls to the Home Economics State Rally next spring.

HIGH SCHOOL IS GIVEN TWO JOBS UNDER N. Y. A.

Terrell County was recently awarded two National Youth Administration jobs, both of which were in turn given to Sanderson high school. This means that two pupils in high school will be given an opportunity of working for the school in some kind of clerical work. The maximum amount paid to such students is \$6.00 per month, or twenty hours at the rate of 30 cents an hour. Students interested should apply at the superintendent's office for such work.

Highlights On School Calendar For Current Year

By John Glenn
The events listed on the calendar of the Sanderson high school for the next few weeks are as follows:

September 17—There will be a program for Constitution Day.

September 17—There will be a football game with Fort Davis here at home. We want everybody to come, for our boys need your support.

September 21—We will have an assembly program, which will include the following:

Mary Ferguson will give a reading on a football game. The pep squad will give a few of its songs.

D. L. Duke will sing.

October 1—The end of the first month of school.

October 8—Football: Sanderson vs. Marfa, at Marfa.

October 23—Football: Sanderson vs. Fort Davis at Ft. Davis.

Oct. 29—Football: McCamey vs. Sanderson, at Sanderson. It also marks the end of the second month of school.

High school assembly will be held each Tuesday morning, beginning at 8:55.

Grammar school assembly will be held every Wednesday morning at 8:55.

S. H. S. SENIOR CLASS OF '38 HAS SIXTEEN MEMBERS

By Bennie Mussey
There are sixteen members of the senior class of 1937-38. They are Houston Chandler, Rosa Mae Clark, Prince Dishman, Troy Druse, Mildred Fawcett, Jimmy Goodykoontz, Allen Hardgrave, Vaunceil Hendersen, Bert Herbert, Wesley Lochausen, Holden Murrar, Bennie Mussey, Bertha Mae O'Bryant, Helen Turner, Albert Weigand, and W. C. Davis, a new member of the senior class, who has transferred from Langtry.

Your local high school now has twenty-six and one-half credits of affiliation. Only sixteen are required for graduation from high school.

Some sixteen hundred textbooks have been received in your public schools this summer. Good Books are good friends.

Twenty-Two In Scrap for Berth On Grid Squad

By John Glenn-Wilburn Short
These boys will be fighting for the Sanderson Eagles, so get behind them and help them along.

The following will probably be the starting lineup with Fort Davis this afternoon:

Name & Pos	Wt.
H. Chandler, center	160
R. Lochausen, left tackle	150
John Glenn, right tackle	168
H. Lewellen, right guard	135
H. Canon, left guard	150
Bobbie Allen, left guard	135
Troy Druse, right end	150
K. Litton, left end	122
W. Dishman, left half	122
W. C. Davis, right half	140
Albert Weigand, fullback	145
W. Short, quarterback	142

The following boys are reserve linemen, averaging from 130 to 150 pounds: Cyle Earwood, B. F. Davis, Malcolm Davis, Jack Turner, Julian O'Bryant, R. Chandler, David Allen and Jack Dawson.

We have two reserve backs: Charlie Morris and Tom Billings.

Only eight lettermen are on the squad from last year's team. These are Druse, Short, R. Chandler, H. Chandler, Lochausen, Canon, Allen and Billings.

W. C. Davis, one of our new backfield men, came to us from Langtry, Texas. We also have John Glenn, from Dallas Tech High School in Dallas, who is in the starting lineup.

Duane Smith, who is now in his sixth season as football coach in Sanderson high school, again is head coach, and is ably assisted by A. B. Caraway.

Football District Divided Into Two Parts by Officials

The executive committee of football district 8B last spring divided the district into two parts. This was done without the knowledge of Sanderson officials but, due to the fact that the Sanderson Eagles have a much lighter schedule to play now, there is no objection to the new setup. Under the new plan Marfa and Alpine and Sanderson were placed in the southern part of the district and play each other for the championship of their half of the district. The schools which compete in the other part of the district are Fort Stockton, McCamey, Iraan and Big Lake. The winners in each half of the district play each other for the championship of the district. Under the new plan Sanderson plays only two league games, unless the Eagles are fortunate enough to win both games and thus be eligible to play the winner of the northern part of the district.

Objectives For a Greater School During 1937-38

1. Every parent, every teacher, every pupil taking an active interest in the school work.
2. Vocational guidance—a definite attempt is being made by the school in regular courses and in certain activities to get pupils interested in the preparation for some vocation or definite life work.
3. Wide range of activities both in school, music, speaking, athletics, etc.
4. A school yearbook—in which will be shown the activities of the pupils and the school in general a record which will become more valuable with time.
5. A certificate of award with

the letter "S" to each pupil represents the high school for season in any activity.

6. A broader physical education and health program in line with the requirements of the State Department of Education. Probably high school physical education will be affiliated with the requirements of the State Department of Education.

7. A school band of sixty capable of entering contests with other school bands.

8. A musical program beginning in the first grade with school music in the first grade and going on through high school with an opportunity offered to take part in some musical work either vocal or instrumental.

9. A successful and well-organized Bi-county Inter-school League meet when Sanderson entertains Alpine and Marfa here next spring.
