Leaders in Cattle Industry From Many States to Attend Fair at Marfa Oct. 7-9

MARFA, Sept. 28.—(T-PN).—The tenth annual Highland Fair will be held here October 7, 8, 9, and is expected to be the biggest event in the Highland country for the several years.

Cattle ranges and cattle prices are their best since 1929. Fair entertainment includes a rodeo, dances, forty train car load ball game, a Texas intersectional ball game.

The Highland Feeder sale, most important event of its kind in the United States, already has twice as many buyers coming than last year. Buyers from every feeder state in the Union will be present.

Highland cattle in the past extended at the Highland Fair have had winners in the National finished beef cattle shows. Saturday, the last day of the fair, promises to offer the most entertainment for visitors. There will be horse races in the morning and a circus in the afternoon, a ball game at Martin Field at 1 o'clock between Sul Ross and Texas A. & I. Kings-ley.

Following the game the fair will be closed with a dance at Paisano Hotel.

Marfa citizens are going to see all fair visitors are provided accommodations and that have a good time.

ATTENDING BIG SHOWS

Joe Nichols and daughter, Bill Vaughan left Thursday morning for Fort Worth to attend Fiesta, and Dallas to visit the American exposition. They also visit in Bonham and Mission before returning home latter part of next week.

FINED IN ASSAULT CASE

A jury case heard before the Peace Fred Yeates, H. Haley, constable of precinct 1, was found guilty on a charge of "assault on person with intent to injure." L. H. Lemons plaintiff. A verdict of guilty returned, and a fine of \$5 and assessed defendant.

The jury was composed of the following: C. F. Stavley, Sims, Anderson, Clyde Morris, B. H. Ford, John Nichols, and Lynn Grell.

Own Team Humbles Rotary 'No Sox' Benefit Game Played Last Saturday

As good as a circus. "Never laughed so much in all my life." "I make a motion that the game be repeated when those old fellows get the kinks out of their backs and muscles."

These remarks indicated the consensus of public opinion at the ball game last Saturday between the Rotarians and a town team, at Legion Park.

While the crowd attending was very large, those who were hand are telling their friends that they missed.

No world series was as serious this game. A good brand of ball was played, and the spectators got their money's worth.

The game went seven innings, the town team nosing out the Rotary "No Sox," 11 to 7. But the latter claim the Towners rang in a bunch of pros on them, and are stinging out a yelp for a return game to be played as soon as the aching joints recuperate.

A protest was made against the umpire, Al Creigh, who overruled protests of Newton's claims to strikes, ruling that a strike was when a batter swung in an attempt to knock the ball out of play.

Nine Additions During Revival; Closes Sunday

Good attendance was maintained during the second week of the Baptist meeting being held here, and much interest is being manifested at both the 10:30 a. m. service and the service at 7:45.

Unusually fine, though forceful messages are being delivered at the evangelistic services in the evening by the Rev. D. C. Bandy, pastor of the church.

A real feature of the meeting is the song services under the direction of F. E. Kidd. Of pleasing personality, and possessed of a direct voice, his influence has had a direct effect on the success of the revival.

To date there have been nine additions to the local congregation—five by letter and four are candidates for baptism.

The meeting will continue through this week, with two services daily and will close Sunday evening.

MEXICAN WARD SCHOOL PTA ELECTS OFFICERS

At a recent meeting held at the Mexican school a Parent-Teacher association was formed with a good membership. Officers for the year were elected as follows: Sra. Eluteria Moreno, president; Sra. Eva Hernandez, vice president; Sra. T. Rebecca Flores, treasurer; Sra. Hermenia Valadez, secretary; Simon Lopez, was elected master of ceremonies and M. D. Ochoa, reporter.

The association will meet once a month to discuss subjects pertaining to their school. Its next meeting will be held Wednesday, October 6.

BREAKS LEG

Joe Vasquez, employed at the Kerr hotel, suffered a fracture of the right leg, just above the ankle last Friday night. Scuffling with other Mexicans he was knocked off the walk, and several of the others who were playing, fell on top of him.

Williams, in the center garden, loomed up like a professional and gobbled up everything that came his way.

"Darn lawyers," said John L. "I'd struck out 40 men if Al had called them right."

"What are we playing for?" said Andy, in response to a question. "To build a fence around the cemetery so no one can get out."

Sidelights
McKnight in deep right, muffed skyscraper, lost and ball, and looking for it like it was a heavy prospect when 3 runs crossed the platter.

Baze made a Ty Cobb slide in second, and is now waiting on the bank patrons standing up.

Score by Innings

	R	H	E
Rotarians	120	103	0-7 6 xxx
Towners	103	231	1-11 10 xxx

P. S. Errors not marked, as score keeper had but one pencil, and was taking no chances.

Bell Test Drilling In White Lime at Five Hundred Ft.

Favorable reports continue to come from the test oil well being drilled by the D. & S. Drilling Company on the Sam Bell ranch in eastern Terrell. The well is located in survey 68. On Tuesday of this week the drill reached the 500-foot level, where it encountered a white lime formation. To date the formation was such that progress was somewhat retarded. Geological reports on this particular area are very favorable and the drillers are optimistic about the outcome.

Leasing has been dormant the past week, only one transaction being placed on record at the office of the county clerk here, that of F. C. Bates and wife, Alice Bates, an oil, gas and mineral lease to Beaver Motor Co., covering 40 acres in survey 25, blk. 2.

LOIS TAYLOR IMPROVED

Reports received Wednesday from a Del Rio hospital, where Miss Lois Taylor is recuperating from a recent attack of pneumonia, were that she some better, but will have to remain in the hospital for several more weeks, until her right lung clears up. Her mother, Mrs. N. J. Taylor, of San Antonio, is still with her. Her many Sanderson friends trust she will soon be able to return home.

Plan Construction Salt and Chlorine Plant at Corpus

Corpus Christi, Sept. 29.—Construction in the next few months of salt and chlorine units to augment the present chemical of the Southern Alkali Corporation at this place will give the vast wool and mohair producing section of West and Southwest Texas a more convenient Gulf Coast outlet and will expedite connections with waterways leading to the Eastern seaboard, according to recent announcement of the Alkali corporation.

South and West Texas highway leaders, with announcement of plans for the new plants, have begun pushing negotiations for providing new highways to the wool producing area and to facilitate the trucking of range products to the seacoast at Corpus Christi.

The manufacturers of salt at Corpus Christi will fill the need of truckers for "pay loads" from the seaport after delivering their wool there. Instead of returning to West Texas empty, truckers will be able to haul a load of salt on the return trip.

This new service will bring West Texas closer to the coast and will eliminate approximately 150 miles of travel on each trip of trucks hauling wool. A freight saving of approximately 7 cents a mile, or about \$15 per trip, will be effected through elimination of travel to ports farther from the West Texas sector which have been able to provide salt in the past.

Present highway development efforts are being centered on the route designated as Highway 173, which would pass through Hon-do, Devine and Jourdan on to Pleasanton, where it would connect with Highway 9, leading into Corpus Christi. This route will result in a round-trip saving of approximately 80 miles under the present highway routings from that sector to Corpus Christi.

MOVE TO NEW HOME

Mr. and Mrs. C. L. Surratt and son moved into their recently completed home, located in the west part of town. The home is of stucco construction.

Ed Chastain and family will move into their new home the latter part of this week. This home is constructed of native adobe with stucco finish, and is located in North Sanderson.

Both homes are of latest types, and modern in every respect.

Plan School Pilgrimage to Exposition

L. A. Woods, State Superintendent of Public Instruction, visited the Pan American Exposition in Dallas last week, with members of his staff, and joined with Exposition officials in outlining plans to bring 500,000 Texas school children to the World's Fair before its close October 31. Railroads are running scores of special trains for school children and the movement will also be by automobile and bus.

"The public schools of Texas should make the Pan American Exposition a field event this year," Superintendent Woods (right) tells Assistant Director General Frank N. Watson.

PRESIDING ELDER WILL HOLD LAST CONFERENCE

Dr. Walter L. Barr, presiding elder of the El Paso District, will preach at the Methodist church Sunday night at 7:30. At the close of the service will be held the last quarterly conference of the present year. A full attendance is desired, as officials are elected for the following year.

Shipments Taper Off in County; Prices Are Good

While livestock shipment for the past week from this place were not as heavy as in preceding weeks, shippers are still active and late deliveries are now being made.

Johnnie Cox, who recently leased the Mrs. Lillian F. Manning ranch in the Bullis Gap section, this week finished driving some 1500 mixed lambs to the ranch. The lambs were purchased from Clyde Higgins at a reported price of \$4.50 a head.

The market is still steady and good prices are being paid for all classes of livestock. Reports from the Chicago market Monday were that the high peak—a new 18-year top of \$19.60 a hundredweight was paid for cattle on that market on that day.

Shearing is at its height here and the wool crop is reputed to be the best in many years. No sales were reported in this immediate section the past week.

Shipments from here were as follows:

W. H. Cummins, buyer for the Central Pig & Lamb Co., shipped 12 cars of lambs from here Sunday, consigned to Marceline, Mo. From Longfellow Russell Menzies shipped 10 cars of lambs on Monday, to Bovina, Texas.

Sul Ross Lobos In Curtain Rising Game Tomorrow

Alpine, Sept. 28.—The Sul Ross Lobos will see action next Saturday, Oct. 2, at 3:30, against either the already scheduled Kelly Field Flyers or the challenging B team. The game will prepare the Lobos for their first conference game with the invading Javelinas the following Saturday.

Since the opponent has not been determined for tomorrow, Coach Graves has not announced his starting lineup, but it is probable that every man on the squad will play.

Admission will be 40c if the Kelly Field team plays, and 25c if the Varsity tangles with the B Team.

RELIEF CASHIER

Miss Betty Bassett of Dryden is now acting as cashier at the local office of the Community Public Service Co. Miss Bassett will be with the company until Miss Lois Taylor, regular cashier, is able to resume her duties.

BOY TO BECKETTS

Mr. and Mrs. Terry Beckett are the parents of a son, born Sunday, Sept. 26. The young man weighed 8 pounds and is named Terry Derl. Mr. Beckett is the T. & N. O. section foreman at Emerson, 8 miles west of here.

VISITED EXPOSITIONS

Mr. and Mrs. Ervin Grigsby returned home Monday from Fort Worth and Dallas where they motored last week to attend the Frontier Fiesta and the Pan American exposition. Enroute home they visited in Sterling City and in McCamey with relatives.

Week End Rains Here Estimated at One Inch; Flood Rains North and East

Know Texas

Denton.—Any man owning 275 acres of land worth about \$18.70 an acre can consider himself an average Texas farmer. The 137,600,000 acres devoted to farming in this state are divided into over 501,000 farms, which range in size from tiny patches to tracts covering thousands of acres. The average farm, valued by the 1935 census at \$5,137, is worth almost exactly the same amount as in 1910. Between that time and the present the highest value was in 1920, when Mr. Average Farmer was worth \$8,486.

Texas Middletowns

Although Texas has not worked out a sociological Middletown, it has several geographical ones. Fort Worth is located almost exactly midway between the Atlantic and the Pacific Oceans. The actual center of Texas is slightly northeast of Brady, and the center of gravity of population is about four counties east of there, near McGregor.

Earrings to Spare

Texas beauties could deck out very sumptuously with precious gems even if all imports of jewelry into the state were suddenly discontinued. Although only about 20 per cent of the known metals in Texas are commercially exploited, stones which are available include agate, amethyst, onyx, jasper, opal, serpentine, topaz and turquoise. Pearls have also been discovered in the San Saba river. These raw materials, combined with the 376 jewelry factories now operating in Texas and valued at nearly twelve million dollars, could be turned into a considerable supply all on their own.

ANOTHER NEW TRUCK

Milam Northcut, local truckster has purchased another 1½-ton Ford V-8 truck to replace one wrecked several weeks ago. The purchase was made through the Ferguson Motor Co., local dealer.

Okay for Grazing Capacity Set For Terrell County

The Terrell county agricultural committee met Wednesday and made final adjustment of grazing capacity on all ranches entered in the range conservation program.

An average of 19 acres per animal unit (5 sheep, 5 goats, 1 horse or 1 cow) for the county has been allowed. This figure meets the approval of the State committee and gives Terrell county a total of 58,730 animal units on which a total of \$88,095 can be earned in carrying out the different range-building practices.

Terrell county inspection papers were among the first to reach the State committee and be approved in Washington. The fine work of the range inspectors and the county committee greatly facilitated in handling these papers.

Reports covering the completed jobs will be sent in next. When any rancher completes all the practices for the year's program he should notify the county agent's office so that the compliance report can be sent to the state office.

The range program for 1938 has been announced, but no particulars are available at present.

DAVISES HAVE DAUGHTER

A daughter was born to Mr. and Mrs. Harry Davis on Monday night, Sept. 27, at their home here.

It's not how much ability you have, but how you use it that counts.

Last Friday and Saturday most of Terrell county received from one inch to more than three inches of rain that fell during both days. Ranchmen from every section of the county report plenty of rain, the dry, parched ranges being soaked, and all the surface tanks being filled, insuring good winter grass and weeds.

The rain was heavier north of here and traffic on the Sanderson-Fort Stockton highway was delayed for several hours due to swelling draws. The flood waters running down Big Canyon, in the north part of the county, delayed traffic until Saturday morning, and ranchers in that section of the county were waterbound for several hours.

In town the precipitation was estimated at more than one inch and was of benefit to lawns, trees and plants, and settled the heavy dust prevalent here for several weeks.

HAS MINOR OPERATION

Harry Goode is home from San Antonio where he spent the past week, and while there underwent an operation for an infection of the chin. His condition is much improved.

STAVLEYS BUILDING HOME

C. M. Breeding, local contractor, started work on a new home for C. F. Stavley and family on Wednesday of this week. The home will be of frame-stucco and modern in design. It is being erected in the east part of town.

RETURNS TO STOCKTON

Mrs. Robert Lewis of Pecos, who had been relief cashier at the local office of the Community Public Service Co., left Thursday for Fort Stockton, where she will do relief work in the company's office in that city.

ANOTHER NEW TRUCK

Milam Northcut, local truckster has purchased another 1½-ton Ford V-8 truck to replace one wrecked several weeks ago. The purchase was made through the Ferguson Motor Co., local dealer.

ANOTHER NEW TRUCK

Milam Northcut, local truckster has purchased another 1½-ton Ford V-8 truck to replace one wrecked several weeks ago. The purchase was made through the Ferguson Motor Co., local dealer.

AN APPLE A DAY MAY KEEP THE DOCTOR AWAY.

But an onion a day will keep everyone away!

One would be hard put these days to find a suitable name for a high school or college football team. They've about used up all the birds, beasts and reptiles with innumerable duplications. The lowly skunk is about the only zoological specimen slighted.

Commenting on a comment in this column, Bro. Bennett of the Alpine Avalanche, with malice aforethought, stated: "But, speaking of careless handlers of the truth, we wouldn't classify Pat as a rank amateur." We "rare up" to chronicle that that remark has all the signs, brands, and earmarks of a dirty crack. Veracity has, is, and will be our goal.

Our idea of a figurehead is the Secretary of Labor, Madame Perkins. Labor organizations ignore her completely. Recently the A. F. of L. cancelled a speaking engagement of Madame. To deny a woman the privilege of talking is a crowning insult to the species.

History does repeat. Nearly 50 years ago the national question of the day was, "What became of Charley Ross?" Today we're repeating the question in regard to the kidnapping of a wealthy Chicagoan.

Plan School Pilgrimage to Exposition

L. A. Woods, State Superintendent of Public Instruction, visited the Pan American Exposition in Dallas last week, with members of his staff, and joined with Exposition officials in outlining plans to bring 500,000 Texas school children to the World's Fair before its close October 31. Railroads are running scores of special trains for school children and the movement will also be by automobile and bus.

"The public schools of Texas should make the Pan American Exposition a field event this year," Superintendent Woods (right) tells Assistant Director General Frank N. Watson.

Balmorhea

A paved road between Balmorhea and Pecos is at last a reality according to the Madera Valley News. This road project has long been sought by residents of the Toyah Valley, as it facilitates to a great extent travel between the valley and the county seat and other towns.

McCamey

The News reported a big increase in McCamey scholastics in its last issue—a big increase over last year. According to the News there are now 842 pupils in the McCamey school, divided as follows: In the elementary school 480 are enrolled; 337 in the junior and senior high schools, and 25 in the negro school.

Pecos

Last week's issue of the Pecos Enterprise looked like a prosperity issue with such headlines as, "Ranchers Face the Best Outlook in Years," "Building on the Increase," "Fame of Pecos Cantaloupes Spreading; Demand is in Excess of Supply," etc., ad lib. No, it was a special edition—just an ordinary everyweek run of the paper and, best of all, literally crammed with advertisements.

Monahans

On Monday of last week, work on the new \$40,000 building to house the telephone company was started, records the News. It will be of modern brick construction, with many labor-saving facilities and improvements, and a "lift the receiver" system will be installed. This up-and-at-'em town is making a bid to locate the county seat of Ward County inside its limits. A petition with the required number of signers is now in the hands of the county judge, and a battle royal is in the offing.

Marfa

The Big Bend Sentinel, in last week's issue, reported additional rain in the Highlands. The area is in fine condition, bespeaking an auspicious opening for the Highland Fair, date for which are October 7, 8, and 9.

Fort Stockton

Pecos county will be represented at the Harvest Festival in El Paso, Sept. 30 to Oct. 3, according to the Pioneer. This move is being sponsored by the Lions club. Exhibits will consist of agricultural products, and informative literature as to production and the potential development in Pecos County.

Alpine

The Alpine-Ft. Stockton route, Highway 67, with the completion of approximately 20 miles—from the junction of Highway 90 to the Pecos county line—will have an all-weather route. The present work of grading, placing drainage structures, installing concrete culverts and bridges, will be completed within 30 days, according to the contractor.

Ozona

Sheep, goats, wool and mohair certainly have risen from their lowly estate of 50 years ago, and are welcomed in every cattle country as a sure-fire "money crop." The Ozona Stockman last week reported that deposits of the Ozona National Bank recently reached its highest in history—the total being \$1,106,622.30. The Texas Almanac's figures for Crockett county in 1936 were cattle, 17,722, sheep and lambs 352,652.

Are you in search of beauty? See our ad.—Kerr Mercantile Co.

RATTLE OF THE RAIL

W. B. Shine of San Antonio, division storekeeper, made a trip over the division this week, taking annual inventory.

Car Inspector Mayfield, who had been at Valentine for several years, has moved to Del Rio.

Fireman C. Lovett of El Paso is working on extra board here.

Engineer M. C. West has been assigned to a switch engine in the El Paso yards.

Fireman H. R. Locke is taking layoff and will visit the exposition in Dallas.

Engineer C. Gillespie was down from El Paso a trip on passenger this week.

Conductor W. A. Hoover has recently returned from a visit to points in the North, and has resumed his passenger run between Sanderson and San Antonio.

B. S. Hollimon, superintendent, made trip over this division this week.

A special carrying a CCC unit passed through Monday, destined for Bastrop, Texas.

Conductor J. Qualtrough was from El Paso recently.

ESTRAY NOTICE

The State of Texas)
County of Terrell.)
Taken up by Roy Barksdale and Estrayed before the Honorable Fred Yeates, Justice of the Peace Precinct No. One, Terrell County.

One brown smutty mare about the age of four (4) years, about fourteen (14) hands high, with sorrel horse coat about one and one-half (1½) years old, with no firebrands. Appraised at Sixty-five and no-100 (\$65) Dollars.

The owner of said stock is requested to come forward, prove property, pay charges, and take the same away, or it will be dealt with as the law directs.

Given under my hand and seal of office, this 10th day of September, 1937.

D. L. DUKE, Clerk,
County Court, Terrell County, Texas.

That the royalty and mineral interests owned by the unknown heirs of G. T. Jessup and owned by such unknown persons who are the unknown heirs of G. T. Jessup, being:

An undivided one-thirty-second (1-32) interest in and to all of the oil, gas and other minerals in and under and that may be produced from the following described lands situated in Pecos County, Texas, to-wit:

Being all of the East one-half (E 1-2) together with the North ninety-two (N. 92) acres of the West one-half (W. 1-2) of Section No. three (3) in blk. No. 193 of the Texas & Mexico Railroad company's lands, situated in Pecos County, Texas, containing 412 acres, more or less.

Together with the right of ingress and egress at all times for the purpose of mining, drilling and exploring said lands for oil, gas and other minerals, and removing the same therefrom.

And said above described lands being now under an oil and gas lease originally executed in favor of C. E. Reilly and now held by him, it is understood and agreed that this sale is made subject to said lease, but covers and includes one-fourth of all the oil royalty and gas rental or royalty due and to be paid under the terms of said lease.

It is agreed and understood and agreed that one-fourth of the money rentals which may be paid to extend the term within which a well may be begun under the

Carroll and husband, Henry Carroll, J. E. Evans, Della Evans Williams and husband, Britt Williams, Mae Evans, a feme sole, Buck Evans and Myrtle Evans, a Minor, Sybil Evans, a Minor, Elizabeth Evans, a Minor, and Edwina Evans, a Minor, by and through their next friend, J. E. Evans, are plaintiffs, and H. D. Leffel, F. J. Rosenburg, N. B. Vivion, S. G. Bentley, J. L. Crane, National Bond & Investment Co., a corporation, and the unknown heirs of G. T. Jessup, deceased, are defendants.

The nature of the plaintiffs' demand being as follows, to-wit: The nature of the suit being to remove as cloud on plaintiffs' title the royalty and mineral conveyance executed by George W. Fay, as Attorney in Fact for T. J. D. Wiley, and M. E. Wiley, to N. B. Vivion on the 12th day of Nov. 1928, purporting to convey the following described minerals and royalty interests, to-wit:

1-256 of half of royalty interest in and to all of the oil, gas and other minerals in and under, and that may be produced from the following described lands situated in Pecos and Terrell Counties, Texas, to-wit:

Tex. Pac. Coal & Oil Co., it is understood and agreed that this sale is made subject to said lease, but covers and includes 1-256 of half of all the oil royalty and gas rental or royalty due and to be paid under the terms of said lease.

For the reason that said George W. Fay had no authority to make such conveyance, and as to the remaining defendants the nature of the suit is to partition between plaintiffs and defendants their respective royalty and mineral interests in and under the following described lands and premises lying in Pecos and Terrell Counties, Texas, to-wit:

Ed Robbins came in the first of the week from his home in Alexander, Ill., and is now employed at Frank's Super Service Station. Ed is a brother of Mrs. Weigand and of Irvin Robbins.

Wilson Banner and son, Cy, were in town Tuesday from the Banner ranch on the Pecos. They reported that a good rain fell on their place last week end.

Plaintiffs also allege that the royalty and mineral interests owned by plaintiffs and defendants are incapable of fair and equitable division and that they should be sold, and further, that the estimated value of all of such royalty and mineral interests is \$1000.00.

Plaintiffs further prayed for such other legal and equitable relief to which they may be entitled, and costs.

Herein fail not, and have you before said Court on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Fort Stockton, Texas, this, the 30th day of September, A. D. 1937.

(Seal) J. H. DYCHE,
Clerk, District Court,
Pecos County, Texas.

By JOSEPHINE BUCHANAN,
304c Deputy.

PECOS MAN BITTEN BY RATTLESNAKE

Kyle Biggs, states the Enterprise last week stated, went dove hunting. A rattler sank its fangs into his leg. First aid was given on the spot, and a hunt for the snake launched. When found it had curled up and died. Biggs was ill for about an hour, but was on the job as postal clerk next morning, ok, right side up.

NOTICE FOR BIDS

Notice is hereby given that the Commissioners' Court of Terrell County, Texas, will, on the 11th day of October, 1937, receive sealed bids and proposals for the construction of a concrete reservoir to be erected upon the court house grounds in Sanderson, Tex.

NOTICE FOR BIDS

NOTICE is hereby given that on the 11th day of October, 1937, at 11 o'clock, a. m., at its regular meeting place in the Courthouse in Sanderson, Texas, the Commissioners' Court of Terrell County, Texas, will receive bids for the following equipment, to be purchased by said County on said date:

One Master Diesel Tandem Drive Motor Grader equipped with 6½ H. P. Diesel Power Unit, with single (4) 12-75-24 Low Pressure Ground Grip pneumatic Rear Tires, with puncture proof Tubes; equipped with 12 foot x ¾ Oil Mix 23 inch width Moldboard, Two 2 foot extension complete with blades, with wide 80-in. tread front axle and leaning front wheels and with 36 inch x 6 inch Ground Grip Pneumatic front tires with puncture proof Tubes, with open type steel cab, safety glass windshield, one with curtains, upholstered seat, with "V" type 11 tooth 46 inch swath Scarifier; Fully HYDRAULIC Power Control for, blade lift, circle reverse, side shift, scarifier, leaning front wheels and HYDRAULIC steering. Machine to be lettered TERRELL COUNTY PRECINCT NO. 2 on both sides of cab is desired.

Two Diesel No. 10 AUTO PATROL, Tandem Drive Model; Powered with 44 H. P. Caterpillar Full Diesel engine equipped with 12 inch Moldboard; 7.00-20 Rib tread pneumatic tires on rear (rear tires equipped with puncture proof tubes and equipped with auxiliary wheel brakes).

It is the intention of said Court to issue time, interest bearing warrants for the purchase price of said road machinery; said warrants to aggregate not to exceed \$15,000.00, to mature serially, having a maximum maturity date of 1948, and will bear interest from date at the rate of not to exceed Five (5%) per cent per annum.

The Commissioners' Court reserves the right to reject any and all bids. All bids shall be accompanied by a certified check in the sum of five (5%) per cent of the amount of the bids.

G. J. HENSHAW County Judge,
2913 Terrell County Texas.

It Happened in Sanderson. TEN YEARS AGO

This Week—Remember??

(From Times, Sept. 30, 1927)
Mrs. Max Bogusch was hostess to the Saturday Night club at her home last Saturday.

At a district meeting of county and district clerks, held in Del Rio last Friday, Mrs. Luella Lemons, county and district clerk of this county, was elected secretary for the coming year.

The W. M. U. held its monthly social meeting at the home of Mrs. C. D. Strange Monday.

Mr. and Mrs. Frank Cochran returned home from a motor trip through Florida Thursday.

A large crew is at work digging ditches for the water pipe line.

Born to Mr. and Mrs. Joe Kerr, in El Paso, on Sept. 27, a son.

Mr. and Mrs. H. O. Metcalf of Marfa were guests of Mr. and Mrs. Clyde Griffith last Friday.

Mr. and Mrs. C. R. Maley of Houston visited Mrs. James Kerr for several days last week.

If fire should strike your property tonight would you be properly prepared? Insure today.

SOCIETY
and HOME

WOMEN'S INTERESTS

CLUBS AND
CHURCHES

LADY CIRCLES
MEETINGS

Presbyterian Auxiliary had fine attendance Monday at Mrs. W. McCue's home. Mrs. McCue, C. P. Peavy, D. A. Pollard and C. M. Breeding. Mrs. Robert Duncan was winner of the high score prize, and Mrs. Max Bogusch winner of the second high score prize.

Methodist Society held social meeting of the Missionary Society of the Methodist church was held last week at the home of Mrs. Bustin Canon. The room where the meeting was held was lovely with floral decoration of orchids, dahlias, and white queen's wreath.

METHODIST SOCIETY
HOLD SOCIAL MEETING

The September social meeting of the Missionary Society of the Methodist church was held last week at the home of Mrs. Bustin Canon. The room where the meeting was held was lovely with floral decoration of orchids, dahlias, and white queen's wreath.

The meeting was opened by all singing "Sweet Hour of Prayer," followed by prayer in which Mrs. S. M. Mims led the group.

Mrs. C. J. Watts, program leader was assisted by Mesdames Clyde Higgins, Jennie Freeman, and S. H. Underwood. The topic, which was "Christian Missions and Their Social Leaven" was interestingly carried out.

A short business session, conducted by Mrs. Canon was held at the close of the program, feature being a beautiful vocal solo, "The Ninety and Nine," by Mrs. P. P. Courtney, with Miss Margaret Mims accompanying.

The hostess served a delectable refreshment course consisting of crackers, potato chips, Coconut macaroons, and iced tea, to the following members and guests: Mesdames Clyde Higgins, E. McSparran, H. Newton, John Neal, Ben F. Anderson, C. H. White, Lee Grigsby, Jennie Freeman, S. M. Mims, S. H. Underwood, J. C. Kern, P. P. Courtney, Gayle Mussey, C. J. Watts, W. J. Newman, Miss Margaret Mims. Mrs. G. R. Collier was a guest.

See our announcement on page 3, for beauty aids—the famous Belcano line.—Kerr Mercantile Company.

Mrs. J. W. McKee left Monday for San Antonio where she visited this week with her daughter, Mrs. T. Maxey Hart and sons.

Mrs. A. E. Creigh left Tuesday morning for San Antonio where she spent several days this week visiting friends.

Mr. and Mrs. Col Coates were visitors in San Angelo this week.

IS HOSTESS AT
LUNCHEON-BRIDGE

On last Thursday, at her home, Mrs. C. P. Peavy was hostess to members of the Tuesday Club when she entertained with a luncheon, followed by bridge.

Floral decorations were roses and queen's wreath.

At one o'clock the hostess served a luncheon consisting of tomato cocktail, spiced meat loaf with corn, hot buttered rolls, bread and butter pickles, chocolate ice box cake with whipped cream, and punch to the following members: Mesdames W. A. Banner, Bustin Canon, B. Carson, P. E. Dishman, Robert Duncan, Walter Grigsby, John Harrison, Mary Lou Kellar, Lee McCue, C. M. Breeding, Austin Nance, Mark Carruthers, Jim Nance, D. A. Pollard, Hugh Rose, J. C. Kern.

At the close of several tables of bridge the high score prize was awarded to Mrs. Austin Nance, and second high score prize to Mrs. Mark Carruthers.

Mr. and Mrs. W. R. Edwards spent Sunday and Monday here visiting in the home of their son, Buster Edwards. They were enroute to their home in Sierra Blanca from Del Rio, where Mrs. Edwards was taken for medical treatment. With them were their daughter, Mrs. Roy Turner, and grandson, Pat Turner, who reside in Fresno, California.

Mr. and Mrs. Lee Grigsby have returned from McCamey where they visited in the home of their son, Lee Roy Grigsby.

Mr. and Mrs. Herman Halsell left last Thursday for Los Angeles for a visit with his mother, Mrs. J. D. Halsell and other relatives.

Mr. and Mrs. John Carruthers and daughter, Miss Eva, visited in Del Rio over the week end.

Churches

"God's Country
And the Woman"
In Technicolor

A brilliant picturization of James Oliver Curwood's novel, "God's Country and the Woman," dealing with a feud between lumber companies in the deep Northwest, will come to the Princess Theatre next Wednesday and Thursday, October 6 and 7, with Geo. Brent and Beverley Roberts in the leading roles.

The dramatic romance of this story is heightened by the fact that the scenes—almost all of them being in the open—were photographed in natural colors. The stars are supported by such outstanding players as Barton MacLane, Robt. Barrat, El Brendel, Allen Hale, Billy Bevan and Joseph King. Hundreds of lumberjacks appear in the scenes.

Brent is first seen as a rich idler who make a casual visit to the woods where his brothers has a vast tract of lumber—and is attempting by crooked methods to injure the business of a rival lumber company managed by a girl, Miss Roberts.

Discovering the trickery of his brother, Brent denounces him and is about to go back to the city when his brother has him shanghaied and returned to the deep woods where the lusty melodrama of love and hate runs its furious course.

There are fights galore between the steel muscled lumbermen of the two camps. There are thrilling scenes of a runaway log train and the blasting of a log jam—there are glamorous love scenes—stirring action throughout.

Mr. and Mrs. W. T. Shurley of Uvalde were visitors in the ranch home of Mr. and Mrs. Joe F. Brown this week. Mr. Shurley is a brother of Mrs. Brown.

Mrs. J. L. Osgood, who visited with relatives in Houston for the past week returned home Wednesday night.

Dr. and Mrs. G. R. Collier will leave this afternoon for San Antonio where they will visit their daughter. From there they will go to Dallas accompanied by their son, Robert, who will enter the Baylor School of Dentistry. They plan to return the latter part of next week.

"Slim" is Story of
Wire Stringers—
Coming Monday

A class of American workers whose trade has never before been touched by movies, are depicted for your entertainment on next Monday night, October 4, at the Princess Theatre, in a melodrama, "Slim."

Henry Fonda, borrowed from another studio for this one picture, has the title role of "Slim," a farm lad who, fascinated by the work of the wire-gang crossing his father's land, becomes one of them, with the aid of "Red," a jovial and gallant wire-stringer—portrayed by Pat O'Brien.

They are both in love with Cally, a hospital nurse, played by the lovely Margaret Lindsay. But there's no enmity between them; they're great pals and comrades, each willing to offer his life to save the other's—and that's what it comes to in the end.

The picture has what is described as breath-taking scenes, with the high tension gang building towers 100 feet high, scrambling up and down them, stringing wires across them, in the face of sand storms and blizzards. It's no easy life that these linesmen lead.

One of the pals of the two boys is Stuart Erwin who never fails to win laughs. The boss of the gang is J. Farrell McDonald, and these are surrounded by a fine supporting cast.

Several crews of real experts—loaned by contractors building the transmission wires connecting the famed Boulder Dam to the city of Los Angeles, gives authenticity to the principal scenes.

LOST—Plain black purse containing a small amount of money and keys. Finder keep money and return purse to Sanderson Times office. Itp

Mrs. G. W. Collier, who spent several weeks here visiting in the home of her son, Dr. G. R. Collier, left for Houston Wednesday.

Widow Wears the Ring
A widow continues to wear the wedding ring during her lifetime unless she becomes engaged to marry a second time. Following the announcement of her engagement, she ceases to wear the wedding ring.

"Forlorn River"
Makes Smash Hit
Drama of West

Some of the finest action pictures of wild horses in their native haunts ever caught by the motion picture camera form some of the high spots in "Forlorn River," the action-cramped story of the West which comes to the Princess Theatre tonight and Saturday, October 1 and 2.

These scenes are calculated to satisfy the most rabid horse lover and to more than please the casual film goer who likes novelty, action and a robust story. An excellent story from the pen of Zane Grey—a competent cast of players headed by Buster Crabbe, Sid Saylor, June Martel and Harvey Stephens, round out a fine evening's entertainment.

The story deals with the depredations of a band of desperados headed by Stephens, who determine to outwit an army buyer of the Remount service and steal the horses consigned to the government. How they do this and how they are frustrated, by Crabbe and his friend, Saylor, forms the thrilling story.

Considerable comedy is supplied by Chester Conklin, who is remembered by older film goers as the walrus mustachioed comedian who was Charlie Chaplin's partner in many of the latter's early pictures.

Romance is supplied by June Martel and John Patterson, the latter a newcomer to pictures, recently "discovered."

Johnnie Whistler, who had been engaged in the barber business in Hebronville for the past two years, returned to Sanderson the first of the week and is now working at the Yeates barber shop. Mrs. Whistler is visiting relatives near Rocksprings and will join Mr. Whistler here later.

Mr. and Mrs. Dave McLymont were visitors in Odessa Sunday and Monday. Their son, Vance, accompanied them home, but returned to Odessa Monday night.

Send Your Student Children the

HOME PAPER

Sanderson has over thirty-one boys and girls attend institutions of higher learning in four States. Though far away all their interests—in home, in town, and in their friends. General happenings will interest them. So, we can think of no better thing to send them than the Home Town Paper. It'll be a treat—as good as a letter when parents forget to write.

WHAT STUDENTS TELL US:

"We enjoy letters from the folks but, boy, what a scramble when — gets his Times on Monday morning!"

"Yes, I get a little homesick occasionally, but when the old home paper comes, do I perk up!"

"Don't know who's sending me the paper, but I can't be thankful enough. I read it, find out all's well at home, and I'm content."

"It's when you're a long way from home, parents and friends that you enjoy the paper."

LEARNING IDEALS OF GOOD SPORTSMANSHIP

There is no phase of school life which has greater possibilities for teaching sportsmanship than does football. The Interscholastic League football code makes this statement clear:

"The football code means to play the game in the spirit of fairness and clean sportsmanship; to observe all rules and not attempt to hold, 'beat the ball,' or coach from the sidelines, because it can be done without the knowledge of the referee, or to resort to trickery in equipping or preparing players. It means to accept decisions of officials without protest; to treat your opponents as your guests, and to put clean play and real sportsmanship above victories. It means the ability to win without boasting and to lose without grudge. Victory is no great matter. The important thing in sport is the manly striving to excel and the good feeling it fosters between those who play fair and have no excuse when they lose."—From the Interscholastic League Bulletin.

GO TO MARFA

Next Friday night when the Eagles go to Marfa, they will not only be going to play their first conference game, but will be going to the site of the Highland Fair, and to a featured football game between Sul Ross and Texas A. & L.

Those of you who have already seen this fair in other years know what a good time to expect. But you haven't seen anything yet until you see the new and improved Eagles tackle the Marfa Shorthorns. The game between the Eagles and Marfa is scheduled for Friday night, Oct. 8, and the Sul Ross-Texas A. & L. tilt will be played the following afternoon.

SHOP WORK CLUB BEGUN

Five boys reported to the shop work club conducted by Mr. Caraway. They are Angel Coronado, Manuel Ochoas, William McPhee, Theo McDonald and Hilario Carrasco.

The boys are busy collecting tools for use on the project. They began their first project Monday. It was composed of dimensions and the study of materials that will be used in the projects. More boys are expected to join this club later.

"Cultivated mind is the guardian genius of Democracy, and while guided and controlled by virtue, the noblest attribute of man. It is the only dictator that freemen acknowledge, and the only security which freemen desire."—Mitsubou B. Lamar.

Thirty-one Exes Of Sanderson Hi Attend Colleges

Bertha Mae O'Bryant

A total of thirty-one Sanderson high school ex-students have left in the past two weeks to enter college. Sanderson is represented in universities and colleges in four states.

These students are attending the following colleges: J. R. Black, National School for Engineers, Calif.; Pete Deaton, a Los Angeles business college; Melven Pollard, Edward Downie, Henry and Bill Goldwire, Jack Hayre, Texas University; Billy and Mary Ferguson, Roy Deaton, Dorothy Lewellen and Albert Appel are attending the University of San Antonio. Anna Lee Allen is enrolled in Abilene Christian College for her second year's work. James Allen is also enrolled in that institution. Leo Daniels is attending Baylor Medical College, Dallas; Jack Bogusch is attending Schreiner Institute. Jack Shelton, Cy Mussey and Elton Halley are in John Tarleton College. Nelle Lea is enrolled at Lady of the Lake College, San Antonio; Florence Hurst and sister, Mildred will enter Brigham Young University in Utah; Bill Lemons, Jr., is again attending Texas Tech, and St. Mary's University, San Antonio, will have Robert Kerr, Joe Kerr, Jr., and Bernard Kerr. Lloyd Gant, class of '36, is enrolled at Texas University.

HIGH SCHOOL HAD TWO ASSEMBLIES IN A ROW

Oh, boy! was the high school lucky last week! It got to attend assembly twice in succession. Tuesdays are regular days, but on account of a special program Wednesday was included.

At assembly Tuesday we sang several songs, led by Miss Taylor. On Wednesday we were favored by Mr. Kidd, singer, who is participating in the revival at the Baptist church. The high school enjoyed the assemblies very much, and hope to have many more of like nature.

Club Meets And Fills Vacancies

The first meeting of the Home Makers club was held in the banquet hall on Friday morning, Sept. 24, at 8:30 o'clock. Fifteen members attended. Officers were elected to fill places left vacant last spring. Pauline Bell was elected vice president, and Bernice Harris treasurer. The president of the Home Makers club was elected last spring. This was Mary Bess Hardgrave, a sophomore.

Club colors of gold and black were decided upon at this meeting. Miss Mauryne Lindley, the Home Economics teachers, is the club's sponsor. The club has already completed one project when they served the banquet for the Rotarians and teachers a few weeks ago.

Ticket Sales for Fort Davis Game

(Omitted Last Week)

The results of the ticket sale for the Fort Davis game here on Friday, Sept. 17, were encouraging. A total of \$18.85 was received from the sales before the game. The sales by classes were as follows: Seniors \$4.30, Tenth Grade \$3.05, Ninth \$4.35, Eighth \$7.15. The total tickets sold last year before the first game was \$45.50. The total gate receipts for the Fort Davis game on September 17th was \$47.30.

Dramatic Club Enrolls Twenty

The Dramatic Club of Sanderson high school met for its first meeting on September 16. There were twenty members present at this meeting. This was a larger number than could be handled in the club and a number of the Freshmen and Sophomores were asked to drop out. The club now has about twenty members. It is interesting to know that there are fifteen boys in the Dramatic Club while there were but three last year. The sponsor, Miss Mauryne Lindley, has divided the club into three groups, and they are now working on 1-act plays. They expect to have a successful year and have some good plays in store for us.

SCHOOL BOILER TESTED

The school boiler was repaired and tested last week by T. R. Arrington in preparation for the time, not long off, when heat will be needed for the school. Under the new boiler inspection law such repairs and tests are compulsory. The one heating plant, serving both the high school and grammar school buildings is in excellent condition for the winter, according to Mr. Arrington.

Teacher—Why are you tardy so much, Johnny?
Pupil—Because I have to pass a sign every morning which says, "School—Slow."

Teacher—Why are you tardy so much, Johnny?
Pupil—Because I have to pass a sign every morning which says, "School—Slow."

About One-Half of Teachers Join Retirement Plan

About one-half of the teachers in the Sanderson schools have indicated their intentions of not joining the plan for the retirement of Teachers in Texas. Those who do not desire to join this plan have signed applications to be exempt. Those who enter the plan must pay a membership of \$1.00 and also pay 5% of their salary into a retirement fund. All teachers who enter the teaching profession for the first time next year, September 1938, must join the retirement plan. Teachers already in the field have the option of not joining.

Faculty Members Join State Ass'n

The majority of teachers in Terrell county have joined the Texas State Teachers Association for another year. Only two teachers in the Sanderson and Dryden schools were not enrolled. Last year the membership in the association was one hundred percent. The teachers who have enrolled this year are A. B. Caraway, A. P. Dawson, Sammie R. Johnson, R. D. Holt, Grace Hyde, Margaret Lattimore, Una Lee, Mauryne Lindley, Onie May, Bernice Morgan, Hazel Owen, Duane Smith, Louise Taylor, Reba Taylor, Marjorie Thornton, and Vera Wade.

The State Teachers' annual convention is to be held in Houston at Thanksgiving. The Trans-Pecos division of the association hold an annual meeting in Alpine each spring.

P-T. A. MEETING

The second regular meeting of the Sanderson Parent-Teacher Association will be held Thursday, Oct. 7, at 7:30 in the high school auditorium. The program will be in charge of the local Boy Scout troop, who will present lessons on "Safety," the theme of the program.

The public is invited and urged to be present. Let us support our P-T. A. by being present at its regular meetings.

Drums Ordered For Girls' Corps

Ten high school girls recently ordered drums to equip a drum corps which will soon be started under direction of Mr. Pickard, bandmaster. Those who have ordered are Helen Turner, Elizabeth Brown, Marjorie Canon, Laverne Halley, Lillian Harrell, Adelaide Bosworth, Margaret Gregory, Edith Walsh, Martha Bassett, and Vivian Earwood. Those who already have drums are Mary Beth Banner, Mary Bess Hardgrave and Mary Cook.

Extra Teachers For Ward School

The Sanderson school board recently decided to add two more teachers to the Mexican school in order to give children in that school an opportunity of attending all day. Four teachers are already employed in the school. Enrollment in this school has reached almost 300, with 122 in the 1st grade alone.

The C. A. C. hall is being rented for the school term to accommodate the increased enrollment.

Report Cards to Parents to Show Pupil's Progress

Reports will be sent to parents of all pupils in the Sanderson elementary schools at the end of each month, and to parents of the high school pupils at the end of each six weeks. The reports show the success of the pupils. This card is an important link of cooperation between the home and the school. Such reports are a challenge to the pupil, to the teacher and to the parent. The report card is not a matter of form, but is the record of your child in school.

Mrs. M. A. Taylor, president of the Texas Congress of Parents & Teachers, suggests that the first duty of parents is to be certain that they understand what the card reports, and the second duty is to receive the report in the proper frame of mind, while the third duty is to take enough interest to determine that some improvement shall be made in the right way.

The parents' attitude should not be one of scolding or threats, but should be such that the child will be inspired to succeed in school.

The report card is really the teacher's attempt to develop the pupil in mental, physical and moral lines. The teachers have not yet complained that parents take too much interest in cooperating with them in developing the individual pupil to the greatest possible extent, or in making the school more effective. Unless the home and the school cooperate to the fullest there will be a handicap in the work and purpose of the school in developing and broadening the pupil.

EAGLES TO PLAY GAME WITH GRANDFALLS HIGH

The Sanderson Eagles will go to Grandfalls tomorrow, October 2, for a practice tilt in football. The coaches expect to take about 20 boys on this trip. Grandfalls has won two games this season, having defeated Toyah and Andrews. The school plays Class C football, according to reports.

Rings, Invitations Ordered By Class

Senior rings and invitations were discussed at a senior class meeting last Tuesday. It was decided that rings and invitations be ordered from the Star Engraving Co., Houston.

The senior rings for '38 will be oval-shaped with the school mascot—an eagle—engraved on the oval set in the ring. Prices range from \$7.75 to \$10.50.

The invitations will be of folder type, with an etching of the Big Bend park on the folder.

Wristlets and belt buckles will be given as prizes for an early deposit of one dollar each before October 15th.

Sixteen members of the senior class attended the meeting.

V. A. Johnson was the salesman who represented the engraving company and made the sale. The school has purchased from the Texas company for a number of years.

SCHOOLS JOIN LEAGUE

These Sanderson schools have joined the Interscholastic League for the year: Sanderson High School, Sanderson Ward School, and Sanderson Grammar School. Membership fees have been paid for basketball this year. This gives the school the right to enter any event.

The students are already at work on some of the events. They are as follows: One-act play, debate, declamation, typewriting, and spelling.

The secret of happiness is not doing what one likes to do, but in liking what one likes to do.

Eagles Point for Marfa in First Conference Tilt

In practice this week the Sanderson Eagles have been concentrating on blocking and tackling, and show a 100% improvement over the form displayed in their tilt with the Marfa Shorthorns.

The squad is working hard to be in shape to take Marfa. Coach Smith and Caraway have been putting them through scrimmage each day. On Thursday of last week the first string team played a town team. Some ex-Eagles on the town team were Richard Halley, Jesse Lochausen, Bill Smith, Prince Dishman. Coach Smith played in the backfield. The Eagles won, 13 to 7.

The Eagles have several new players, being Jimmy Cook, who will take an end position, and Lynn Haynes, who will fill a position in the backfield.

After the Fort Davis game the Eagles lost Houston Chandler and Albert Weigand. They have been replaced and the team is as strong as ever.

The first conference game for the Eagles will be played at Marfa, during the Highland Fair, on Friday night, October 8th.

Last week Fort Davis defeated Marfa to the tune of 13 to 2.

First Picnic for Senior Students

"Nothing like a good beginning," so sayeth the seniors. We began our social activities of the year with a picnic, which was given by our room mother last Friday afternoon. We especially want to thank Mrs. Goodykoontz not only for having the picnic idea, but also for carrying it out. It rained, but in spite of dampness everyone had a good time, and ate to his heart's content.

Present were Bennie Mussey, Helen Turner, Rosa Mae Clark, Bertha Mae O'Bryant, Elizabeth Brown, Emma Fay Harris, Mildred Fawcett, Ethel Laura Nance, Miss Mauryne Lindley, Mrs. Clark, Prince Dishman, Albert Weigand, Allen Hardgrave, Bert Herbert, Troy Druce, Wesley Lochausen, Jimmy Goodykoontz, John Glen, Wilburn Short, Mr. Caraway, Mr. Pickard, and the hostess, Mrs. Goodykoontz.

Current Comment

Support our football team! Get out there and show some spirit and they'll reward you.

The Freshmen think that "buckit" spells bucket.

It would be a national calamity if Mr. Smith didn't have a daily quarrel with Miss Knolle.

The third graders are really practical. They have started a farm project and the children have planted beans, radishes and spinach.

Wesley Lochausen got a special invitation to read his history lesson the other day.

"It ain't the individual or the army as a whole, but the everlasting team work of every blooming soul..."

ENTERTAINED

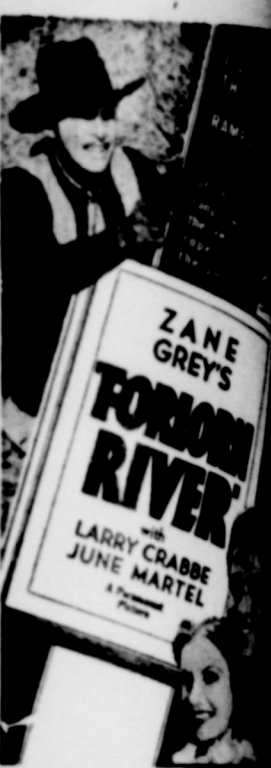

The mothers of the third grade were honored with a tea given by Miss Sammie Johnson, on Wednesday, at 3:30. Punch and cookies were served, and favors were little flowers made by the children of the grade.

Present were Mrs. Cox, room mother, and Mesdames Jessup, Griffith, Harrison, Holt, Yeates, Allen, Gilbert, McSparran and Northcut.

ATTRACTIONS AT THE PRINCESS THEATRE

FIRST SHOW STARTS Monday Night, 6:00, AM Other Nights at 7:00

"SLIM"

—with— PAT O'BRIEN HENRY FONDA

Depicting the life and work of hardy crew, seldom mentioned in fiction, and for the first time seen in pictures—the wire stringers.

WEDNESDAY & THURSDAY OCTOBER 6 & 7

LOVE BLAZES NEW TRAIL

with GEORGE ROBERTS BEVERLY BREWSTER

James Oliver Currier in his masterly story of a girl in love with a villain.

A POEM

The late Dan McGugin, long time athletic director of Sanderson University, it is said by "The Timer" in the Atlanta Journal loved and used this poem with his boys:

Dear Lord in the battle that goes on through life, I ask but a field that is fair, The chance that if equal with me, in the strife— The chance but to do and dare.

And if I should win, may I win by the code, With my faith and courage high;

And if I should fail, may I fail by the road, And cheer as the winners go on— School Executive
