J. NEAL RETIRED AFTER 37 YEARS OF RAILROADING

John Neal who started his railroading career in February, 1902, at Beaumont for the Gulf-

JOHN NEAL

Beaumont and Kansas City Railroad, was recently retired after 37½ years of continuous service. This road was later absorbed by the Gulf-Colorado and Santa Fe.

Mr. Neal remained with that line until 1907 at which time he moved to El Paso where he was connected with the El Paso and Southwestern. In May, 1915 he went to work for the GH&SA, now the T&NO railway. He was transferred to Sanderson in 1919 and remained here with the road until the time of his recent retirement in August. During this time Mr. Neal was employed as chief car inspector, which title he held at the time of his retirement.

Although Mr. Neal has retired from actual service, he remains a railroader in the fullest, expressing his appreciation of the courteous manner in which the T&NO deal with their employees. He also stated that although his services with the railroad were over he will remain a booster for the T&NO, remarking, "It's the best road with which I've ever been connected."

Plans Made for Second Annual Local Basketball Tourney

Plans are now under way to hold the second annual "Mix-up" local basketball tournament in the Sanderson High School immediately preceding the Christmas holidays. The tournament last season aroused considerable interest in Sanderson both among players and spectators. A total of 49 players entered the tournament last year nine teams being represented. Any one living in Sanderson is eligible to enter. The members of the winning team are given awards, which were gold basketballs last year. This tournament gives both high school players and those in town a chance to play.

The term "Mix-Up" is used because teams are determined by drawing and no one knows in advance upon which team he plays.

Mrs. C. P. Peavy Entertains the Wednesday Club

Wednesday afternoon Mrs. C. P. Peavy entertained the Wednesday Bridge Club in her home with the Hallowe'en motif predominating in the flowers, tallies and refreshments.

At bridge, Mrs. Russell Dyer won high score prize and Mrs. D. M. Wells was winner of second high prize.

The hostess served a plate lunch to the following Mesdames D. M. Wells, Russell Dyer, John Harrison, Mary Lou Kellar, Lee McCue, Jim Nance, Hugh Rose, Max Bogusch, A. E. Creigh, Jr., R. D. Holt, Tol Murrah and R. S. Wilkinson.

Date Set for Trial of C. A. McMahon

Murder and kidnapping indictments were returned Friday of last week against C. A. McMahon, 31 year old commercial sailor, by a grand jury in special session of Sixty-third District Court before Judge Brian Montague.

The indictments grew out of the death of Pete Radich who was killed when he jumped from a truck which had been commandeered by McMahon in efforts to elude local officers after they had been called to Dryden to quell a disturbance.

TROOP COMMITTEE MEETING HELD WED. AFTERNOON

At a meeting of the Sanderson Scout Troop committee Wednesday afternoon with Malcolm Rogers, assistant Scout executive with headquarters in San Angelo, in charge, two assistant scoutmasters were named to aid with the local work.

D. L. Duke and the Rev. Taft Holloway were named to assist Scoutmaster Duane E. Smith and they will have charge of the regular work while Scoutmaster will have charge of the older boys who will be in the Senior Scout Patrol which will be organized for the older Sanderson Scouts. Mr. Smith will retain the title of Group Scoutmaster and will have charge of all activities, but such activities as are carried out by the younger will be supervised by the two assistants.

Scoutmaster Smith states that Scouting is progressing nicely and that with the aid of Mr. Duke and the Rev. Mr. Holloway much more work can be done in the future. He also stated that the present merit badge counselor set-up as instituted last year has been very satisfactory both in aiding the Scouts to become better acquainted with the different business men in town and the men with the boys and the work they are doing.

Duties of the troop committee-men were also designated at this meeting for the purpose of assisting the Scoutmasters in the expansion program of Scouting in Sanderson. Each member of the local committee will automatically become a member of the Permian Basin District Committee. Local committeemen Organization, Al Creigh, Jr.; leadership training, O. H. McDams; Advancement, R. D. Holt; camping and activities, O. T. Sudduth; health and safety, Dr. J. C. Kern; and finance, L. M. Baze.

Plans for the annual Boy Scout sustaining membership fund were also discussed and will probably be conducted sometime during the first part of next month. At this time a campaign will be made to raise funds for retaining the connections with the Concho Valley Council which are necessary for the direction of the Scouting activities.

Football Boys Honored With Mexican Supper

The Sanderson football boys were entertained Wednesday night at 7:30 in the home of Mrs. C. P. Stavley with a Mexican supper. Those assisting Mrs. Stavley were Mrs. H. E. Fletcher, Mrs. Francis Mansfield, Mrs. O. T. Schupbach and Mrs. W. E. Stavley.

The school colors, orange and black were carried out in the decorations favors and refreshments.

Those who enjoyed the occasion were the football boys, Coach Duane E. Smith and assistant coach, A. B. Caraway.

Frank Warren reports the sale from the Circle DQ ranch 45 head of steer calves which averaged 470 pounds. Sale was made Thursday at a consideration of \$75 cents.

ERECTION OF TOURIST COURTS BEGUN MONDAY

Work was started Monday by Jack Wise, San Antonio contractor, on the construction of a 12 cabin tourist courts for C. V. McKnight.

The courts are being erected just west of the McKnight Motor Company and will extend to the back of the lot and then to the east forming an "L" at the side and to the back of the present company building.

The cabins are to be frame stucco, with both the outside and the inside receiving the stucco. They will be modern in every respect, with hot and cold water heated by gas, and a shower in each of them. Floors are to be of concrete but will be covered with rugs according to Mr. McKnight. He stated that the courts would probably be finished by the middle of December.

Joe Oberkampff received the contract for the installation of gas and fixtures and Lee McCue received the contract for the plumbing. The electrical work has not been let as yet, Mr. McKnight stated.

Complete construction of the courts, which will include an office building besides the 12 cabins, will cost approximately \$17,500, Mr. McKnight said.

Miss Nell Rogers Weds Roy Deaton In Harper Saturday

The Presbyterian Church of Harper was the scene of a beautiful wedding Saturday evening when Miss Nell Rogers became the bride of Roy Deaton of Sanderson. The bride is the daughter of Mr. and Mrs. Joe Rogers, prominent ranch people of Harper and the groom is the son of Mr. and Mrs. Ira Deaton of this place.

Miss Viola Hudson of San Antonio sang "Because" nuptial music and the wedding march was played by Miss Lois Stevenson. The single ring ceremony was read by the Rev. Tom Bradley. The altar was banked with ferns and white chrysanthemums and the bridal aisle was marked by white satin ribbons and clusters of white chrysanthemums. The scene was lighted by a myraid of tall white tapers in wrought iron candelabra.

The bride given in marriage by her father, wore a gown of pastel blue taffeta designed with a high neck line, fitted bodice and leg-of-mutton sleeves. Her finger-tip veil was held to her cap, with a halo of white lilies of the valley and white roses. She carried a bouquet of white roses and lilies of the valley tied with loops of white satin. Her only jewelry was a gold bracelet, a gift from her father to her mother 30 years ago. Mrs. Royce E. Buster of Junction, sister of the bride attended the bride as matron of honor. She wore a gown of gold taffeta designed with basque waist, leg-of-mutton sleeves, full skirt falling into a short train, and carried rose and (Continued to back page)

Mrs. John V. McCall Honored with Tea Thursday Evening

One of the most delightful social events of the fall season was the fine arts program and the "Do You Remember?" tea given

MRS. JOHN V. McCALL

by the Sanderson Culture Club on Thursday of last week, Oct. 12, in the home of Mrs. W. H. Savage honoring Mrs. John V. McCall, whom the club deeply regrets to lose as a member as she will soon move from Sanderson.

Mrs. Savage, Mrs. Ira Deaton, president of the club, and Mrs. Joe F. Brown, chairman of the fine arts committee, received the guests among whom were members of the Sanderson Junior Culture Club. A profusion of dahlias and fall flowers was used to decorate the spacious living room of the Savage home.

Each person came attired in the oldest dress she could find, the oldest of the lot being a Civil War "calico" which was worn by Mrs. Landon Rose. Many wedding gowns in evidence although not all were worn by the original wearer for obvious reasons.

After arrival of the guests they were entertained with the following program: "Long Long Ago" was sung by the group; saxophone solo, "When you and I Were Young, Maggie" by Bill Savage; readings, "The Minuet" and "Men's Wicked Ways" by Mrs. J. H. Loehausen; vocal duet, (Continued to Page 4)

Oct. 27 Date Set For Sanderson Rotary Banquet

At the regular luncheon hour of the Sanderson Rotary Club Wednesday it was decided that the annual Rotary Club banquet would be held Friday evening of next week.

L. M. Baze, G. J. Henshaw and O. H. McDams were appointed as a committee to make arrangements, etc., and a program committee was named by President W. J. Ferguson. Those named on this committee were Mrs. Al Creigh, Jr., Mrs. J. C. Kern and Mrs. Duane E. Smith. Judge R. S. Wilkinson and the Rev. Taft Holloway were named to assist them on the committee work in any manner that was needed.

Frank Jansa, formerly of Sanderson and now of Worcester, Mass., and his sister, Mrs. Fred Frizzell of Kerrville, were visitors in Sanderson Tuesday and Wednesday with Mrs. Luella Lemons and other friends.

SON TO DEATONS

Mr. and Mrs. Pete Deaton announce the arrival Tuesday of a 7½ pound son. The young man has been named Douglas Darryl and both he and the mother are doing fine.

Committee Named at Mass Meeting to Collect Funds; Proposed Equipment to Cost Approximately \$1,800.00

At a well attended mass meeting of the public to discuss ways and means of raising funds for purchase of fire fighting equipment for Sanderson Tuesday night, it was voted unanimously to name a committee to contact citizens and request a donation of 1% of the taxable valuation of

their improved real property for the purpose.

Judge G. J. Henshaw was in charge of the meeting and explained to the assembly of public spirited citizens the plan as it had been proposed by the Sanderson Rotary Club and asked for introduction of other plans if any were at hand. He explained that by 1% of their taxable property meant that if their home, no matter what the cost of construction, was rendered at \$500 for taxation on the tax rolls, then the owner would be requested to pay into the fund in the amount of 1% of that amount which would be \$5.00.

W. J. Ferguson, president of the Rotary Club, explained that the purchase of a truck with a water tank and booster pump would mean a saving of about \$200 yearly for persons who were paying fire insurance premiums. He also explained that if Sanderson were to have a large fire that the 15% good fire record discount would be lost and that in all probability Sanderson would be penalized the 15%. It was also pointed out that in such case five years would be required to remove this penalty if the fire record was good.

A committee of six was named to contact property owners of Sanderson and give them the opportunity to do their part in furnishing protection of their own home by paying the 1% of the rendered valuation of their property as outlined in the above paragraph. Committee men named were O. T. Sudduth, chairman; W. H. Savage, E. L. Williams, Al Creigh, Jr., Pablo Ochoa and M. G. Bustos.

This committee will meet Friday afternoon at 4 o'clock at the courthouse to discuss the best manner in which the collection of the donations may be carried on. Every property owner in Sanderson will be offered an opportunity to do their part within the next few days and members of the committee urge each and every citizen who wishes to help with this worthy cause to make such a task lighter by either calling on one of the members and paying their donations or mailing a check to the Sanderson Times office made out to the Sanderson Fire Department. If persons wish to learn the amount of the donation requested they can find out from any member of the committee or call the Times office. It can also be found out at the office of Judge R. S. Wilkinson.

Committee members also wish to point out that anyone who is not a property owner may contribute to the cause and the contribution will be greatly appreciated. The first donation was made by Mrs. Fred Jansa Frizzell. The money was paid by her brother, Joe Jansa. Second donation honors went to Judge R. S. Wilkinson so far as we are able to learn Thursday afternoon. Several other residents have tried to make their contributions previous to Thursday but no list had been made of the property valuations and the amount asked of them was not known. They can make their contributions now to any member of the committee, however.

It is proposed that a new truck will be purchased with the money and a tank of either 500 or 600 gallon capacity will be built on the truck with a booster pump capable of throwing water over a three-story building. The entire equipment will cost approximately \$1,800 and a place for storing the truck will have to be built and a fire siren purchased. Total outlay should not exceed \$2,500 and will furnish equipment for Sanderson that will enable a volunteer fire department to cope with any fire that might start.

NEW PLYMOUTH ON DISPLAY

Frank Weigand announces in this week's issue of the Times that he has on display at the Frank's Super Service a new 1940 Plymouth which features the "Luxury Ride."

The new Plymouth has a 117-inch wheel base, allowing for a longer and wider body. Running boards are optional on all styles and is equipped with the new "Sealed Beam" headlamps. Mr. Weigand invites the public to stop by for a "luxury ride" in this new and bigger Plymouth.

HIGH SCHOOL HONOR ROLL IS ANNOUNCED

The honor roll for the first six-weeks period in the Sanderson High Schools shows that a total of 18 pupils made an average of A and 16 made an average of B. On the honor roll list there were six seniors, six juniors, two from the ninth grade, and two from the seventh and eighth each. Girls led the boys by a ratio of about four to one on the scholastic list.

The honor roll list in full follows:

Church of Christ Meeting Continues With Much Interest

Large crowds and increased interest indicate the success of the revival meeting now in progress at the local Church of Christ.

Preaching is being done by Evangelist A. G. Hobbs, Jr. of Monahans, and he has announced the following subjects to be discussed: Friday, at the 7:30 o'clock evening service, "The New Birth," at the evening service Saturday the subject will be "Called and Sent Preachers," and "Building by the Divine Pattern" will be the subject for Sunday evening. Monday evening he will discuss "How can I know that I am a child of God," with other subjects for discussion to be announced later.

Special services will be held Wednesday afternoon at 3 o'clock for the ladies and a special service the 28th for the young people will be held at 10 a. m.

W. S. Boyett, local minister, states that the public is cordially invited to attend any and all of these services.

Miss Pauline McWilliams was a visitor in McCamey the past week-end with her parents.

Defeat Wildcats Afternoon

Sanderson Eagles left Friday afternoon of last week on the longest trips that has been made in the history of Sanderson football squad to Fabens Wildcats on their Saturday afternoon after the first game ever to be played between those two teams. Sanderson took the honors by a score of 8-6.

Sanderson scored in the first minutes of the game with a field goal by Louhausen to Litton. For the extra point a kick by Basset to Litton failed. The next play of the Sanderson kicked off and the team returned the kickoff to Litton. Sanderson blocked a punt and took the ball into their territory. The team lost on downs and another punt by Fabens was partially blocked which failed to get out and one which added another point to Sanderson's score. In the same quarter Sanderson ran 67 yards for a touchdown but the play was called on field in motion penalty.

Teams played on even during the second half, threatening once and once again. The Eagles had strong defensive ball games holding Fabens to a total of 38 yards while Sanderson piled up 88 yards on the field and almost as much in the back field.

Lineup for the Eagles was: quarterback, Theo McDougall; Wilton Murray, I. G. Allen, C. Campbell Kerr, Malcolm Davis, R. T. Kenyon, R. E. R. Loehausen, Burleson, R. H. Basset, Stavley, F. B. These men finished the game with substitutes used.

Eagles will go to Big Lake where they will tangle with the team.

In El Paso the Eagles had a game between Al and El Paso which was won by El Paso by a score of 14-13.

R. S. Wilkinson and Burleson accompanied the Fabens furnishing transportation for a part of the trip.

**It Happened in Sanderson
TEN YEARS AGO**
This Week—Remember?

Oct. 18 1929

Mr and Mrs. J. C. Green and son spent the week-end in San Antonio visiting their daughter and sister, Miss Willie Mae.

Mrs. T. R. Arrington has been appointed chairman of the Red Cross Christmas seal sale for Terrell County.

A. D. Brown attended the meeting of the Sheep and Goat Raisers Executive Committee in Fort Stockton last week.

J. W. Carruthers came in a few days ago from Del Rio and will spend about two weeks on his ranch near Sanderson while doing some repair work on the water system.

Two issues were up before the voters in the election—one to levy a road tax of 15c on the \$100 valuation of all taxable property in Terrell County; the other was to issue bonds for the building of a new school house. The proposals received the endorsement of those who went to the polls.

**WITH OUR
NEIGHBORS**

Fort Stockton Pioneer—Fall weather was ushered into the Trans-Pecos Sunday afternoon with a series of small twisters which struck in a number of parts of the Pecos County in addition to the town of Crane, and did considerable damage to buildings and crops causing slight injury to a number of people, but causing no fatalities.

Big Bend Sentinel—A reduction in fire insurance key rate from 47 cents to 34 cents was the pleasant news received by Marfa people this week as a feature of "Fire Prevention Week," nationally observed period devoted to emphasis on the need of preventing conflagrations.

Balmorhea Texan—The First Cavalry Division's Maneuvers in the Balmorhea area are under full headway today, with the arrival of the 82nd Field Artillery from Fort Bliss and the 5th and 12th Cavalry regiments from Forts Clark, Brown and Ringgold on this date bringing the number of men on maneuvers in this area close to the 5,700 mark.

Monahans News—A man identified as Robert Drake Taylor, believed to be on of the old Irish O'Malley gang of Chicago, was

arrested Sunday in Wink after a fight arising out of a dice game argument.

Alpine Avalanche—Somewhere in the Big Ben National park which is now in the stages of promotion, the federal government is planning to establish a living shrine to the glory of the Texas longhorns behind whose thundering hoofs three-quarters of a century ago hardy pioneers rode to civilize the west.

Ozona Stockman—A new drive against livestock thefts in Crockett County and nearby territory was launched this week when the Commissioners Court and a group of ranchers cooperating employed a special officer to work on livestock theft cases and to keep close watch to prevent thefts.

The paper says they kicked a Ben Gitlow outta the American Communist Party. This Ben Gitlow'd have to get very low, indeed, to get lower than that organization is.

With apologies to the song writin' fellers and "The Little Man who Wasn't There" we wish to sing a revised version known as "The Little Man Who Wasn't All There."

FIRST VERSE

The little man he wasn't all there—

He teamed up with the Russian Bear—

He called the bear his help one day

Now who will drive the bear away?

Get away, get away, You're spoilin' little Adolf's play.

He's the sourest Kraut aroun', So why do you want to gulp him down?

SECOND VERSE

The little man was not all there;

So now he's there—inside the bear.

He wasn't there in a thinkin' way

That's why he's in the bear today.

Get away, get away, Right there's where let's let him stay.

Now since the bear damb Adolf ate,

Maybe he'll go home and hibernate.

What Paducah is to Irvin Cobb, Gallipolis was to Odd McIntyre. France is to Charles Boyer. It's the small town that produced genius. For Charles is a small-town boy who made good in the big

big world. His story reads like one of Horatio Alger's.

Boyer, who is co-starred with Irene Dunne in Universal's "When Tomorrow Comes," which opens at the Princess Theatre Wednesday, was born August 28, 1899, in Figeac, a 6,000 population town in the Department of Lot. He is the son of a well-to-do dealer in farm machinery. Before he was eight years old, young Charles showed a penchant for the dramatic, which his father encouraged by turning over to the youthful Thespian the granary of his barn for use as a theatre. Charles wrote his own plays and induced the other youngsters of the neighborhood to appear in them with him. Later during the war, Charles gave a series of benefit performances to aid wounded soldiers.

When he was 16 in Paris, he saw Lucien Guitry in "Samson." So impressed was he that he resolved to make the theatre his life work. After his schooling he continued on the stage, presently taking the leading role in the play, "L'Insoumise," which had been especially written for him. A successful stage career opened immediately and he toured Egypt, Turkey and Roumania.

In 1920 he made his first screen appearance and when talking pictures arrived, Charles was one of the first French actors to respond to their call.

Later Hollywood sent for him to play in the leading roles in French versions of American pictures. He set about learning the English language and in six months spoke it so well that he was cast with Ruth Chatterton and Ralph Bellamy in "The Magnificent Lie." Later he made the "Red Headed Woman," with Jean Harlow and "The Man from Yesterday," with Claudette Colbert.

His climb to popularity was not an over-night one. He made "Private Worlds," "Breaker of Hearts" and "Shanghai," before doing "Garden of Allah." History is Made at Night," "Conquest," "Tovarich," "Algiers," and "Love Affair," with Irene Dunne confirmed his stardom.

1940 Chevrolets Make Their Bow

Three series of passenger cars, re-designed in the new "Royal Clipper" styling, and embodying numerous mechanical improvements to assure greater safety and comfort as well as finer performance, comprise Chevrolet's new line for 1940, introduced today. All series are much larger, overall length being increased 4 1/2 inches. The new exclusive vacuum power shift (lower left) is now regular equipment on all models of all series at no extra cost. Special De Luxe series, the Sport Sedan of all series is shown at center. Lower right, the 1940 Chevrolet six-cylinder valve-in-head engine, which has been improved for smoother, quieter operation, and extremely long life.

**'Goodbye Mr. Chips'
To Show Mon. Tues.**

Robert Donat, who gave the screen one of its finest performances as the idealistic doctor of "The Citadel," once again reveals his consummate artistry and acting skill in "Goodbye Mr. Chips," filmization of the celebrated James Hilton novel, which is currently on view at the Princess Theatre Monday and Tuesday.

The story of Mr. Chips is the story of the education of youth the world over. Donat plays the kindly schoolmaster who comes to a large English school as a young man and passes his entire life there. He becomes the ideal of boys in his care, and when these boys grow up they send their sons back to Mr. Chips. He meets and falls in love with a young and beautiful girl and when she ultimately dies the tragedy leaves Chips with a great human understanding and compassion.

To the difficult role of Mr. Chips Robert Donat brings forth a sincere acting talent which marks him as one of the outstanding actors on the screen today. Playing four different stages in the life of the genial schoolmaster, from youth to old age, Donat makes him at once a human, breathing man, eccentric at times, but always understandable and lovable, and a symbol of the great profession of teaching. It is a performance which will live in the memory

of screengoers for some time to come.

Although "Goodbye Mr. Chips" is dominated by Donat's powerful characterization, tremendous appeal is offered in the role of his wife, played by Greer Garson, who has never been seen on the screen but whose work here insures her of stardom in the near future. Lovely to look at, Miss Garson gives a warmth and intimacy to the role of the young girl whose life is cut off all too soon which will make her scenes with Donat among those which stand out with clarity and power. Not to be overlooked in a cast

which includes some 2,000 English boys, is little Terry Kilburn, child actor discovery of "Lord Jeff" and "A Christmas Carol," who offers all his childish appeal to the part of Peter Cooley in the new offering.

The varied episodes of the story have been deftly woven together in the deft hands of Director Sam Wood, whose contribution to the success of "Goodbye Mr. Chips" is a large one. Among the thrilling moments of the story are the rescue of the heroine from a peak in the Tyrolean Alps, a spectacular air raid during the World War and a great ball in Vienna of the old days. Cricket and football matches add interest and fast action.

Motor Vehicle Transfer Laws

The recent Texas Legislature passed a law which requires the owner of every motor vehicle to secure a certificate of title to same before it can be sold, mortgaged, or transferred in any manner.

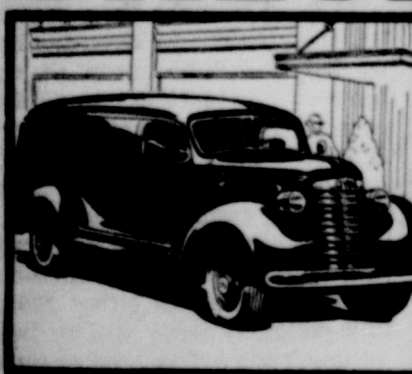

A certificate of title may be secured from the offices of county tax collectors for a fee of 25 cents, and must be in the possession of a car or truck before same can be transferred.

A car already in the possession of the owner is not covered by the new law until such time as it may be offered for sale or trade-in. At that time you must secure such certificate of title, as provided by state law. Proper blanks are obtainable at this office, and we stand ready to assist you in a better understanding of this new law, which was passed with the aim of reducing theft of cars and protecting the rights of owners.

the state. During the preceding year no turkeys were distributed because the crop would not justify it.

Successful live trapping of antelopes in West Texas was reported. It was the first antelope trapping program ever attempted in Texas. Thirty-three of the wiry animals were trapped, placed in padded crates and transported to areas in West Texas. The program, to be resumed within a few weeks, ultimately will result in the establishment of about 15 seed herds in West Texas, the report says.

Production of nine State fish hatcheries was stepped up 20.7 per cent during the year, and construction of a tenth hatchery at Natalia in Medina County, was virtually completed. Six months after work on the Natalia hatchery was started fish were being produced in 13 ponds. The report says. When completed the hatchery will consist of 42 ponds.

A total of 3,429,592 fish were produced at the other nine hatcheries an increase of 360,887 over the previous year's total of 3,068,705. All of the fish were of fingerling size when released, except 175,000 black bass fry which were placed in suitable waters, and approximately 88 per cent of the fish distributed went to public lakes and streams. The Lake Dallas hatchery led in production with a total of 740,046 fish.

The report points out that 1,758,247 fish, slightly over half the number produced at the hatcheries, were rescued from drying up streams or other suitable waters and placed in favorable lakes or streams during the year.

The state-wide game management project has stimulated "unprecedented" interest many landowner groups having offered to finance necessary work on their lands. In Polk County for instance, one group has put up \$5,000 for use in an experimental demonstration project of which is to increase quail. Many similar instances could be cited.

TAKE THE START

More than 2,000 years ago a wise old Chinese philosopher wrote the following proverb:
"A JOURNEY OF 1,000 MILES BEGINS WITH A SINGLE STEP."
The passing of many centuries has not dimmed the wisdom which these few words suggest. If one wants to succeed in anything, the thing to do is to take the first step.
For many the first step toward financial success has been a bank account. This friendly, helpful bank cordially invites you to open your business.

THE SANDERSON STATE BANK
MEMBER FEDERAL DEPOSIT INSURANCE CORP.

The report says the number of hunters and fishermen who bought licenses increased during the year, but pointed out that Texas, although first in wildlife resources, remained 23rd among the states in the amount of money spent for wildlife conservation and restoration activities.

Progress in game restoration by the use of scientific methods continues in Texas. During the past three months, nineteen game restoration areas have been constructed by game managers and other specialists of the Texas Game, Fish and Oyster Commission. These areas are intended for the restoration of quail, turkey, beaver, and muskrat.

Areas which will be utilized to add to the supply of deer, turkey geese and antelope will be set up within the next two months in various parts of the state, it was announced by the Executive secretary of the Game Department. In addition, the state-wide quail project with which the Game Department hopes to increase the crop of bobwhites three to four hundred per cent in some areas is going forward. The department has two specialists in the field who are working with the ten regional game managers and biologists in securing sites for the building of areas in which quail can be produced.

That deer judiciously planted will do much to increase the big game supply of the state is evidenced by a report from Brown County received from the game department recently. In February five years ago, there were delivered to John McInnes of Byrds, Texas, four doe deer, and one buck. All four of the does have each dropped nine fawns since that time and indications are that this small planting is doing much to populate Brown County with deer.

Duck hunters who have planted any kind of wild duck food in the past five years in order to improve conditions for waterfowl are being requested to get in touch with local game officials or the Austin office of the Game, Fish and Oyster Commission. The purpose of the request is to provide a record of what grows and what doesn't grow in every part of the state.

The division of wildlife restoration is making a survey of duck management practices so that in the future recommendations can be made on the basis of experience. The trial and error method is commonly used by sportsmen and many ideal experiments are thus made available for observation.

Game managers or biologists of the Department will inspect sites that have been planted with duck foods and judge the value of the many species that are being sold to Texas sportsmen. Because of unwise plantings considerable sums are wasted each year whereas wise plantings would have improved conditions for ducks.

Already biologists of the Game Department have accumulated considerable information on the use of native plants as duck food plantings. As the completion of this study sportsmen will be able to obtain accurate recommendations for improving their lakes and marshes for waterfowl.

ROGERS WEDS—

(Continued from Page one)

Diego chrysanthemums tied with satin ribbon of rose and gold. Mrs. Bob Rogers and Miss Francis Floyd were brides maids and wore duplicated gowns of white taffeta fashioned with sweetheart necklines and puffed sleeves with circular skirts attached to fitted bodices. The attendants carried bouquets of dusty pink and rose chrysanthemums tied with gold and pink streamers.

Jack Deaton of Fort Stockton, brother of the groom, was best man and Phil Rogers and James F. Wittenburg Jr. from A. and M. College were attendants.

The bride's mother wore a gown of blue lace taffeta and her flowers were pink gladioli in a shoulder bouquet. A gown of azure blue was worn by Mrs. Deaton and her corsage was of pink gladioli.

After the ceremony a reception was held at the home of the brides parents. The table laid with a lace cloth, was decorated with white blossoms on a reflector and white tapers in candelabra centered the table. The three-tiered bride's cake which was beautifully embossed with white sugar spun flowers was served by Miss Frances Floyd and the punch was poured by Mrs. Bob Rogers.

The bride's traveling costume was a green woolen dress with a cowl neck line, flared skirt and fitted jacket. Her hat was of green felt and other accessories were green suede, with flowers consisting of white gladioli and lilies of the valley arranged in a shoulder bouquet.

The bride attended Sul Ross College and is a member of Sachers Club. Mr. Deaton attended Texas Tech, University of San Antonio, and Sul Ross College.

After a honeymoon trip to Monterey, Mr. and Mrs. Deaton will make their home on the ranch near Sanderson where he will be associated in the ranching business with his father.

Out-of-town guests in attendance at the wedding were Savel Lee Sharp of Sonora, Mr. and Mrs. James F. Wittenburg of Rocksprings, Mr. and Mrs. Brown of Kerrville, Mr. and Mrs. Jack Deaton of Fort Stockton, and Mr. and Mrs. Cecil Cedars of Austin.

Rev. and Mrs. J. Y. Bowman left Tuesday for El Paso where they will attend Conference of the Methodist Churches. They expect to be gone about a week.

Mrs. Nell Cook and son B. F. left Thursday for Del Rio where B. F. will receive medical attention.

in Poland where divergent columns moving to a common point, enveloped large Polish forces and gained control of the country. What is interesting in the German manoeuvre is the confirmation it gives of the Molke theory that certainty of success lies in envelopment even when entire nations are at war. By insisting upon his troops being taught to use the rifle and not taught merely the technique of trench warfare. General Pershing was preparing for a campaign of movement in which envelopment would have played its important part. To a small extent he used this principle when breaking through the German lines in the Argonne, the St. Mihiel and on the Meuse.

General Pershing realized, as do the German General Staff and General Gamelin now, that direct frontal attack is a slow and costly business, especially in these times of rapid fire artillery and machine guns. It is this realization that is responsible for the caution with which Gamelin is feeling out the Germans on the Western Front, and for the confidence of the Germans who remember the loss of half a million men in a frontal attack on Verdun, and who feel that the Siegfried line is a barrier that to cut will take time and heavy losses.

LADIES ATTEND TEA IN MARATHON WEDNESDAY
A tea and art exhibit was given by the Marathon Study Club at the club house in Marathon Wednesday afternoon. Those who attended from Sanderson were Mesdames Ira Deaton, O. H. McAdams, J. H. Lochausen, H. E. Ezelle, W. H. Savage, Joe F. Brown, and H. C. Goldwire representing the Senior Culture Club and Misses Beatrice Nichols, Mildred Underwood, Myrtle Harrell and Mrs. W. H. Mrs. E. L. Williams Hostess to Junior Woman's Club

The Junior Woman's Club met Thursday evening, October 12, in the home of Mrs. E. L. Williams with Mrs. Roscoe Morgan as co-hostess.

The president, Miss Beatrice Nichols, presided at a short business session. Roll call was answered by each member naming a famous artist.

The program subject for the evening was "Oil Paint and Modeling Clay." Miss Vaunceil Henderson, program leader, reviewed the book "Oil Paint and Grease Paint," an autobiography by Laura Knight. Mrs. Denny Sullivan reviewed "Heads and Tails" by Malvina Hoffman also an autobiography.

Miss Myrtle Harrell gave a brief parliamentary drill on the main motion.

At the close of the program two waffle irons were carried in to the living room and the air was soon filled with the aroma of delicious brownies which were being baked by the hostesses. These were topped with ice cream and served with hot coffee to the following: Mrs. Herman Ezelle, club contact chairman and club members, Mesdames W. H. Goldwire, W. C. Vaughan, Denny Sullivan, Paul King, Wallace Henshaw, D. M. Wells, J. C. Kern and Misses Myrtle Harrell, Una Lee, Margaret Lattimore, Beatrice Nichols, Vaunceil Henderson, Mildred Underwood and Betty Bassett.

The next meeting will be on November 9 in the home of Miss Betty Bassett with Miss Beatrice Nichols as co-hostess.

The Presbyterian Auxiliary Enjoys All Day Meeting

Mrs. John Harrison's spacious living room made a lovely setting for the spend-the-day meeting of the Presbyterian Auxiliary on Monday.

Mrs. R. D. Holt was in charge and after she gave a spiritual devotional showed by chart the work of the auxiliary from the planning done in headquarters at Moutreat, North Carolina down to the efforts in the smallest circle. Each officer checked her duties, and was urged to keep them checked up month by month, and to feel that she held the most important office in the Auxiliary.

An abundant and delicious covered dish luncheon was served at noon. In the afternoon Mrs. John Nichols was in charge. She, with Mesdames W. E. Grigsby, Elton Secrest, D. A. Pollard and J. V. McCall reviewed the home missions study book, "Chapels."

Coffee and cake were served before the meeting was adjourned. The following members enjoyed this happy and profitable day: Mesdames R. D. Holt, N. E. Charlton, Joe F. Brown, W. E. Grigsby, Henry Goldwire, J. H. Lochausen, J. W. McKee, John V. McCall, Joe Nichols, John Nichols, Tol Murrach, D. A. Pollard, W. H. Savage, Elton Secrest, R. S. Wilkinson, D. M. Wells, Miss Beatrice Nichols and the hostess, Mrs. Harrison.

"Love's Old Sweet Song," Misses Mary Bess Hardgrave and Roberta Lochausen; flute solo, "The Old Refrain," Miss Edna Mae McAdams; and a vocal solo, "Little Old Lady," by Miss Mary Arrington.

Following the program several members modeled various garments of sixty and seventy years ago and like garments of the present day, and needless to say, the contrast was great. After the "style show" guests were served by two charter members of the club, Mrs. A. D. Brown serving the cake and Mrs. Jack W. McKee pouring.

As the date of this enjoyable affair fell upon Columbus Day the centerpiece on the dining table was a ship bearing the name of one of the ships of Columbus, the Pinta, while another, the Niña, graced the buffet. New Plymouth For 1940 Features "Luxury Ride"

Completely new from bumper to bumper is this 1940 Plymouth just announced, presenting a new concept of size and luxury obtainable in cars for the lowest price field. As these pictures show, stronger "eye appeal" is a feature of the new design, while the new 117-inch wheelbase permits a longer, wider, lower body containing much more passenger room. All passengers sit farther forward for a new kind of "luxury ride", gained by redistributing weight.

Running boards are optional on all body. Other Plymouth highlights this year: improved post gearshift standard on "Roadking" and Deluxe; much better vision through larger windows; new "Sealed Beam" headlamps; design transmission and clutch for quick shifting, and big Floating Power engine with parts Superfinished for greater smoothness. life. Shown above is the "Roadking" 2-Door.
