Wells Well Under Way for T.A. Lamb Auction Oct. 3

SOBRIETY SHOW NIGHT OF OCTOBER THIRD

A variety of entertainments promised to young and old at the school auditorium on the evening of Oct. 3 after the Parent-Teacher Association has staged their annual auction in the afternoon. The proceeds are to be used for the making of a new playground. The evening's fun, activity and entertainment will be in charge of planning and execution. Fun, music, comedy, stunts will be featured. Pupils of all ages, mothers, fathers, mothers—these are the actors on the stage. The most handsomely furnished prizes—to be a surprise. Admission charge will be in the school auditorium at 7:30 p. m.

Si Says

Paul Patterson, who has had a wet dream of more old ponies than any other man here in Montana and Mexico, is up over the news-writer's constant misuse of that word. "They're allus," "writin' about Hitler's or 'his' morale." "A moral" is a feed bag that fits horse's nose and them fellers that are allus on a morale on Hitler or a Mussolini—why, writin' fellers don't know from tails' about a

Yulick agrees with me, too. He says any one on Benito, shore backward.

Selective Service Office Open Only In Afternoons

Announcement has been made from the Terrell County Selective Service Board that future office hours will be from 1 o'clock until 5 o'clock each afternoon with the exception of Saturday when the office will not be opened.

In the past the office has been kept open each day from 8 o'clock in the morning until 5 o'clock in the afternoon. Registrants will find it necessary to make their calls at the office during the afternoons and days other than Saturday.

With this announcement also came an urgent appeal from General J. Watt Page, State Selective Service Director, for all Texas registrants to: "Consult your doctor and your dentist to correct any remediable physical defects before you are called for examination by your local board."

Calling to attention that statistics compiled by National Selective Service Headquarters show a high rate of rejections of registrants for remediable physical disabilities, General Page suggested that registrants awaiting call for military training should endeavor to fit themselves for acceptance not only as a patriotic duty in a period of national emergency, but also in the interest of public health as well as for their own personal well being.

"Many of the men rejected by local boards," the Director said, "are turned down because of defects which are remediable. If registrants will consult their personal physicians and dentists before they are examined by local board physicians they will have an opportunity to learn of their disabilities and have them corrected."

Even though registrants are convinced that they will not be called by local boards for examination in the near future, General Page pointed out that correction of their ailments now will go a long way toward improving their own lives and bettering the general health of this State.

Personal physicians and dentists should be consulted by registrants, he advised, because they are in an excellent position to recommend the proper course of treatment and to advise the men where they should go for medical or dental treatment.

INTERNATIONAL COWBOY'S ASSN. TO MEET OCT. 9-11

Announcement made by Sloan Matthews, West Texas wagon boss for the International Cowboy's Association of the 80's and 90's, stated that the association members will meet in San Antonio October 9, 10 and 11.

He says, "many of the big boys from over the U. S. will come to our state," and he expressed a desire that all of the 200 members in West Texas know about the meeting and plan to be on hand for the affair.

Average length of life has increased 35 to 57 years. Uncle Yulick says they have to live that much longer these days in order to die even! He says the doctors have hopes of prolongin' the average life span another ten years and he bets the Instalment People are back of the whole durn scheme.

An expert told Uncle Yulick that a scarcity of everything is what is causin' the rise in prices and Uncle Yulick told him that the rise in prices is what is causin' a scarcity of everything at his house!

SALE TO BE HELD ON SCHOOL GROUND AT 4:30

Plans for the Lamb Auction are rapidly taking shape with lambs being donated by ranchmen, according to the soliciting committee composed of C. V. McKnight, R. E. Corder, and A. F. Buchanan at Dryden.

The auction, which will be held on the school ground at 4:30 o'clock, Friday, October 3, apparently is going to be one of the most successful events that the Parent-Teacher Association has ever sponsored. Patrons and friends of the schools are uniting in an effort to make the sale "pay out," and lambs for the sale, as well as home made candies, and other necessary items are being donated freely. Ranchmen or others who have not yet donated their lamb, or lambs, are requested to leave them with C. V. McKnight before 4:30 October 3—the day of the auction. Persons at or near Dryden who wish to donate are instructed to see A. F. Buchanan who will see that the lambs or other items are properly cared for.

Persons coming to the sale are also urged to come prepared to remain for the supper served in the home economics room at 6 o'clock, consisting of a plate lunch at a very nominal fee—or the regular festival food—hamburgers. Topping the afternoon and evening's fun, the program arranged in the auditorium, starting at 7:30 o'clock, will furnish variety of entertainment that will please anyone.

If you have other plans for that day, October 3, it is suggested that they be changed so you will not have to miss the most interesting and entertaining evening of the year. Auctioneers at the sale will surprise you—the supper will be of the best—and the entertainment offered in the auditorium will be interesting, educational and amusing—to say nothing of the prize for the best actors which will knock your props out from under you.

The following jingle was contributed as an indication of the time and thought interested parties are putting into making the Auction a success:

Mary had a little lamb
She auctioned him away—
If you will come and play
with us
You will enjoy the day.

One Cent Nuisance Tax To Become Effective Oct. 1st

A tax, Wednesday, October 1, known as the "Nuisance Tax" goes into effect—one cent tax will be added on numerous articles, some heretofore carrying a tax.

Admission for children for picture shows, not taxed heretofore, will carry a one cent tax on and after October 1. The admission here has been a dime, but on and after Wednesday, October 1 the price of admission for children coming under the dime head, will be eleven cents; one cent going to the new tax.

Only the 10-cent admission is included in this new tax. The show has been collecting a War Tax for some time on other admissions. Tax on these does not increase. Only the 10-cent admissions are affected.

TO CALIFORNIA

Jesse Lochausen, son of Mr. and Mrs. J. H. Lochausen, left Wednesday for Visalia, Calif., where he will enter training as an aviation cadet.

Mr. and Mrs. O. H. McAdams were Del Rio visitors Wednesday.

TERRELL COUNTY TEACHERS HONORED WITH BARBECUE

About seventy guests were present Saturday night for the barbecue given for the Terrell County teachers and members of the Board of Trustees by members of the Sanderson Rotary Club.

The barbecue was held at the James Kerr windmill west of town, and proved to be one of the most pleasant entertainments ever given for the teachers and trustees. Guests started gathering at 6 o'clock and by 6:30 the feast was spread before them. Tender barbecue, with beans, potato chips, coffee, cakes, and the pickles and other trimmings that go with a barbecue feast, were available in quantity. The windmill is situated atop a hill and a pleasant breeze was blowing. Good water and shrubbery and other growth cultivated at the mill made it an ideal place for such an outing. Music was furnished by a local group during the meal.

After the feast, John T. Williams, president of the local Rotary Club, acted as toastmaster, having the guests arise and introduce the one sitting at their right. Following the introduction of guests O. H. McAdams extended a welcome to Sanderson and Terrell County to new teachers as well as old, and expressed the willingness of Sanderson Rotary Club members, as well as patrons of the school, to work with the faculty and make their stay here as pleasant as possible.

Short remarks were made by several others after which the crowd started mingling and becoming better acquainted.

Aid to Dependent Children Program Begins October 11

The State Department of Public Welfare announced today that it would start accepting applications for aid to dependent children at its local offices throughout the State beginning Saturday, October 11. Although this date represents the opening of the program, it is not mandatory that any apply on October 11, as arrangements will be made to accept applications on subsequent intake days, which will be announced for each locality.

Parents or relatives of dependent children should call at the State Department's local office in the county in which they reside and talk with the worker who will be prepared to explain the eligibility requirements and assist in filing the application. It will not be necessary that the children be brought to the office as the local worker will later make a visit to the home at which time the children may be seen.

For a child to be eligible for aid to dependent children under the laws of Texas, the child:

- (1) Must be a citizen of the United States.
- (2) Must have resided in Texas at least one year preceding the date of application; or must have been born within the state within one year preceding the date of application provided the child's mother has resided in Texas at least one year preceding the child's birth.
- (3) Must be under the age of fourteen.
- (4) Must be deprived of parental support or care, by reason one of the following factors: (a) death of parent, (b) continued absence from home on the part of a parent, (c) physical or mental incapacity of a parent.
- (5) Must be living with his father, mother, grandfather, grandmother, brother, sister, step-father, step-mother, step-brother, step-sister, uncle or aunt in a place of residence maintained by one or more

(continued to page 4)

Mrs. Ruth Smith and Homer Parker Wedding Thursday

The wedding ceremony uniting Mrs. Ruth W. Smith and Homer W. Parker was read Thursday night of last week by Mrs. Mabel Yeates, Justice of the Peace, in her home. Present for the ceremony were Miss Betty Smith, Miss Minnie King, Mal Russell and Jerry Threehouse.

Mrs. Parker has been in charge of the local office of the Terrell County Agricultural Conservation Association for the past 8 months, replacing Mrs. Seth R. Davenport who resigned at that time. Mr. Parker has been in the barber business here for the past three and a half years, and at present has the S. P. Barber Shop in the G. J. Henshaw Building.

EAGLES SHOW UP WELL IN FIRST GAME WITH FORT HANCOCK

The Sanderson Eagles made a fine showing in the game with Fort Hancock Saturday afternoon when they downed the visitors by a score of 32 to 0 on the new field west of town.

Speaking well for Coach Bodie Hunter and Assistant Coach Bruce Thornton was the splendid interference run by the boys and the gains made over the equally heavy Fort Hancock boys. Bill Cochran and Joe Bean did well on the receiving end of passes tossed by Ross Stavley, who also did a swell job of taking the ball down the field. Sam Bell and Curtis Litton also showed up well in the backfield, with credit going to the entire team for the manner in which the visiting boys were stopped in their efforts to go through the line with the ball and in their efforts to make tackles.

Total first downs for the Eagles was 14 as compared to 3 for Fort Hancock; they gained 256 yards from scrimmage to 60½ by the visitors, and made 6 penetrations to no penetrations by their opponents. Curtis Litton, Sam Bell, Joe Bean and Bill Cochran carried the ball over for touchdowns.

Due credit for the large crowd must go to members of the high school classes who pushed the ticket sales, with the juniors running up the highest total sales, \$27.50. Next came the seniors with total sales amounting to \$13.25; the eighth grade with \$6.75; sophomores, \$4.50, and the freshmen \$4.00. Total sales by classes amounted to \$56.00. Receipts at the gate amounted to \$20.85 and other ticket sales of \$1.25 brought the total receipts to \$78.10. Expenses for the game were: Fort Hancock, \$50.00; officials, \$26.00, and tickets, \$3.65—a total of \$79.63 making a deficit of \$1.55.

Starting line-up was: Left end, Joe Bean; left tackle, Bill Davis; left guard, Harold Haynes; center, Don Allen; right guard, Pablo Perez; right tackle, James McDonald; right end, James Mansfield; quarter back, Ross Stavley; full back, Sam Bell; left half, Bill Cochran; and right half, Curtis Litton. Substitutes were: Dewain Hill, David Duke, Edward Kerr, Theron Horton and Eldridge Murray.

Harold Haynes, left guard, will be out of the running for a while as result of a broken arm. Last school term he fell from a fence and broke his arm which was re-fractured in the game Saturday. It is hoped that it will heal rapidly and he will be able to be back in there before the end of the season.

HAS PNEUMONIA

Word has been received by friends that Dr. William Aston is confined to a hospital in San Antonio with pneumonia.

Mrs. J. W. Leatherwood and Mrs. Val Glenn and daughter visited in Eden and San Angelo during last week-end.

AUTO OWNERS MUST HAVE TITLE CERTIFICATES JAN. 1

Information has been received by Tax Collector J. S. Nance to the effect that all owners of motor vehicles must have certificate of title before January 1, 1942, or leave their automobiles in the garage unless they want to violate the law.

No vehicle can be lawfully operated upon the highways after that date and no motor vehicle can be registered after that date unless the owner has a certificate of title which must be presented to the tax collector at the time of registration. Special attention was called to the fact that persons would not be permitted to file an application for title and register his vehicle at the same time. They must have the certificate with them before the registration can be made. And at the same time of filing the application for certificate of title the person filing must present to the tax collector ample evidence of ownership for the vehicle or application will not be accepted. A bill of sale to the vehicle or a 1941 license record will be proof enough, according to information from the office.

Persons who have not obtained certificate of title to their automobiles are urged to do so at once and not be caught in the last minute rush or have to do without the use of their auto until the certificate is obtained.

Dates Given When Operator's License Must Be Renewed

For the purpose of expediting the renewal of Texas operator's licenses, provision has been made whereby they shall expire and be subject to renewal according to numbers. The numbers on the licenses, printed in red ink, are divided into four groups with one group expiring and becoming renewable at a time.

The first group, beginning with number 1 and including 450,000 will expire December 31, 1941, and these licenses may be renewed on or after October 1, 1941, must be renewed by the time the old licenses expire, or December 31, 1941.

The second group, bearing serial numbers from 450,001 to 900,000, expire March 31, 1942, and may be renewed on or after January 1, 1942.

Those bearing numbers from 900,001 to 1,350,000 make up the third group and will expire June 30, 1942. They may be renewed on or after April 1, 1942.

Licenses bearing serial numbers from 1,350,001 and upward, including all numbers issued on or before September 30, 1941, will expire November 1, 1942. These may be renewed on or after July 1, 1942.

Person holding driver's license should check the serial number of their license and take note of the expiration date and when it can be renewed. Renewals will be issued by the Highway Patrol who visit Sanderson each Friday afternoon from 1 until 1:30 in an office at the courthouse. No announcement has been made as to whether more frequent visits will be made for renewing the licenses.

Persons who fail to make application for renewal of license at the proper time may be required to take an examination as required for original operator's license before they can obtain them. All license issued on and after October 1, 1941, will expire two years from date of issuance.

Mrs. Joe Kerr and son, Joe Jr., returned Monday from several days in San Antonio where they went to take Campbell Kerr, another son, for the opening of the fall session at St. Mary's University. He will be a freshman there this term.

Board Directors Community Library Meet Wednesday

Members of the Board of Directors of the Terrell County School and Community Library met Wednesday afternoon at 4:15 o'clock at the library with Mrs. R. E. Corder, chairman, presiding. Mrs. Corder asked representatives from each club and organization to give a detailed report at the next meeting to be held at 4:30 p. m., October 29, at the same place.

The treasurer's report showed a balance of \$62.50 with which the book selection committee may purchase new books. The board expressed appreciation for the \$5.70 contributed by the Delphian Society through Mrs. Ira Deaton, president of the Culture Club.

Members of the clubs and organizations are asked to make suggestions as to the books they would like to select by handing short reviews of these books to Mrs. R. E. Corder or Mrs. W. H. Savage.

The Junior Woman's Club was given the responsibility of securing current magazines and will appreciate all contributions of magazines suitable for school use. Miss Armenta Ragsdale was elected treasurer to replace Mrs. Ted Baker.

During the summer an average of 66 books were checked out each week, totaling approximately 1,000 read during the 14 summer weeks.

A rising vote of thanks was given by the directors to Mrs. R. D. Holt in expression of their appreciation for the very efficient manner in which books were catalogued and arranged conforming with standard rules, and also for aiding in keeping the library open to the public three hours Thursday of each week during the summer.

Board of Director members present were: Mrs. R. E. Corder, chairman, Parent-Teacher Association representative, Superintendent R. D. Holt, secretary; Miss Armenta Ragsdale, treasurer and Junior Woman's Club representative; C. P. Peavy, American Legion, Mrs. W. H. Savage, American Legion Auxiliary; A. E. Creigh Jr., Rotary Club; Mrs. John W. Byrd, Home Demonstration Club; Mrs. H. E. Ezelle, publicity; Miss Margaret Kinkler, librarian; and Principal Duane E. Smith.

The library is open on school days from 8:30 each morning until 4:30 in the afternoon. Miss Kinkler will be glad to check out books to the public at any time during these hours.

HI-WAY CAFE IS BOUGHT BY MRS. M. J. MANSFIELD

Mrs. Mary J. Mansfield took over the management of the Hi-Way Cafe, effective Monday, which she purchased from Mrs. Olene Turner.

Mrs. Turner bought the cafe from Mrs. Mansfield a little more than a year ago and has operated it since that time. Mrs. Mansfield had operated the cafe for some time before selling to Mrs. Turner, and invites her friends and former patrons to again visit her at her old place of business.

Mrs. Turner has made no announcement as to future business plans.

ATTEND COFFEE

Mrs. Jack W. McKee, Mrs. Ira Deaton, Mrs. Joe F. Brown, Mrs. O. H. McAdams, and Mrs. H. E. Ezelle represented the Sanderson Culture Club at a coffee held Tuesday morning in Fort Stockton at the Community Hall when the City Federation of Woman's Clubs of Fort Stockton honored Mrs. J. W. Walker of Plainview. Mrs. Walker is president of the Texas Federation of Woman's Clubs and is making her official visit to the Eighth District of the Federation at this time.

It Happened in Sanderson TEN YEARS AGO This Week—Remember?

September 25, 1931

Mrs. Grover King and daughter, who have been visiting her sister, Mrs. C. B. Cochran, returned Thursday to their home in Albuquerque, New Mexico.

Mr. and Mrs. Tol Murrah and son made a business trip to Del Rio over the week-end.

Father Sage Says: You can't listen when another man refutes your argument because "you have heard all that before." And that may be true, too.

Town Talk—The next time a traveling pedler knocks at your door, ask him; if he will take your butter, chickens, eggs, potatoes and other farm products; ask him, if when your neighbor gets ready to build a new road or bridge over the slough, is he willing to donate a few dollars to the cause? Tell him of a poor family down the road who would be thankful if he would donate a few provisions. Ask him if he will contribute to an enterprise just starting. If he agrees to all these things, pat-

ronize him. Your home merchant will do this and much more.—Ex.

Stock News—Fifteen cars of sheep were shipped out of here Tuesday morning to Pauls Valley, Okla. They were purchased from local ranchmen and will be fed.

George Geaslin shipped 460 lambs to Fort Worth market Saturday night.

Monte Corder sold 1200 lambs on Monday, September 21, to local buyers.

Rattle of the Rail—Engineer S. E. Peterson has been laying off for several trips from injuries received from a spider.

WITH OUR NEIGHBORS

The Santa Anna News—A Coleman dry goods store will keep a sharp lookout for crickets, following their experience of the early part of this week. A customer bought a dress and left it for alterations. When the dress was ready for the customer, it was put into a box and laid back for the customer.

When the latter came for the dress it was discovered that the crickets had found the costume and had damaged it beyond repair.

The Sabel Sentinel — Mr. and Mrs. Herman Schultz, who spent Sunday night with Mrs. Schultz' parents, Mr. and Mrs. Ernest Brunt enroute home from a trip through the North West declared nothing they saw would compare in beauty with parts of Texas.

The trip took them through the West, along the coast drive of California into Oregon and on to Washington. When they returned and came through the Davis Mountains in the vicinity of Alpine they declared that to be the most beautiful of all the sights seen on the trip. Due to the recent rains all the countryside resembled a well-kept golf course and the Schultz declared that the beauty of the North West could not compare with spots in Texas.

Sketch in Menard News—One reason why many people object to stretching our hands across-the-sea policy is the increased danger this involves of Uncle Sam getting his leg pulled.

The Alpine Avalanche — A slow rain which started here early Wednesday morning and continued steadily nearly all morning with some moisture coming later in the day at intervals, totaled 117 inches of precipitation, according to the records at Sul Ross college.

The rains of this week are reported to have been general all over the Highland area of Texas. Streams and draws in the south part of the county were reported running full and traffic delayed at times.

Rains falling here since last mid-week have totaled nearly two inches of moisture and brought the year's total up to 23.70 inches to Wednesday, inclusive. More moisture came yesterday, the total up to press time not having been ascertained.

The Winters Enterprise — A total of 165 bales of cotton had been ginned in Winters when a survey was taken of the seven operating gins here late yesterday afternoon.

The ginning season here has just begun and it is expected to be one of the best Winters has had in several years.

The State Observer—Following suggestion of Governor Coke R. Stevenson, the Texas Legislature hurried through its special session and went home

before two weeks were up, having enacted the road bond servicing bill, the business for which the session was called. Final technicalities of signing the bill were completed last Friday.

Many quarters considered the session an extraordinarily harmonious gathering of lawmakers. To many, it seemed that the members of the legislature had accepted the Governor's challenge to prove that "Democracy can work" in short order.

While not the shortest special session on record, it was among the shortest; two during Ross Sterling's administration lasted ten or less days. One during Pat Neff's administration lasted one day—but the Legislators did nothing.

As finally enacted the bond servicing bill does this:

First, it allocates one cent of the state 4-cent gasoline tax to the payment of debts incurred by counties in constructing roads which later become a part of the state highway system. This is a re-enactment of a policy initiated in 1932.

Second, it divides the surplus created in this fund—the difference between the income derived from the one cent and the amount needed to service bonds—50-50 between the Highway Department and the counties.

For the biennium just past, counties got all this surplus, and it was insisted on the Senate

that the surplus go to the Highway Department in toto, that led to the deadlock and consequent failure of the regular session to enact a road bond servicing law.

Third, it changes slightly the law in effect during the past biennium, as to the manner in which counties may spend their share of the surplus. The new law makes mandatory that the counties spend the money (1) to service local debts incurred for rights-of-way; (2) to service all other local debts. If any then remains, it may be used as the county commissioners see fit in the construction of lateral, or farm-to-market roads. The counties may call upon the State Highway Department for supervision of construction. Under the old law the only mandatory use was servicing right-of-way debts.

The Brackett News-Mail — With some mohair reported as being sold at 55 cents, the ranching industry began to look for better prices of the staple last week. Some 150,000 pounds of grown hair was bought recently in Lampasas County by Clyde Young of Winslow & Co. Small sales with a top of 57c are said to have been made.

The Monahans American—T. & P. Officer Spence arrested four suspicious men on railroad

property this week, they were later released with orders to leave town.

Officer Spence stated, according to Jailer Clay Ezell, that the time of allowing men to travel on freight trains because they were broke and looking for work is over, with industry needing men and the recruiting service open and asking for men, no excuses will be accepted and men found trespassing on trains or railroad property will be promptly arrested.

The Texas Mohair Weekly—Work on the city hall and fire station is progressing very satisfactorily, and the walls are up to the second story, with concrete columns and beams being poured. Rain each day during the past week has slowed things up a bit, but not enough to keep men from working many minutes each day.

G. C. Dawson of Deming, N. M., spent last week visiting in the home of his brother, Mr. and Mrs. Ben F. Dawson.

Mr. and Mrs. H. W. Fahrenthold and son, Paul David, of Houston, are here visiting in the home of Mr. and Mrs. D. B. Herbert.

SOME PEOPLE NEVER LEARN... but most of them do!

There are always a few "smart alecks" who want to stand up and rock the boat. But most people try to keep out of trouble.

The same sort of thing happens in the retailing of beer. The great majority of beer retail establishments are clean, law-abiding and wholesome. But occasionally you may find a "smart aleck" retailer who violates the law or permits anti-social conditions.

We of the brewing industry want these anti-social retailers wiped out! Because they imperil your right to drink good beer...and our right to make it.

We want to protect the benefits that beer has brought to Texas—employment for 31,165 persons since legalization, an annual payroll of \$22,076,182 and taxes of \$2,273,968.64 paid to the state last year.

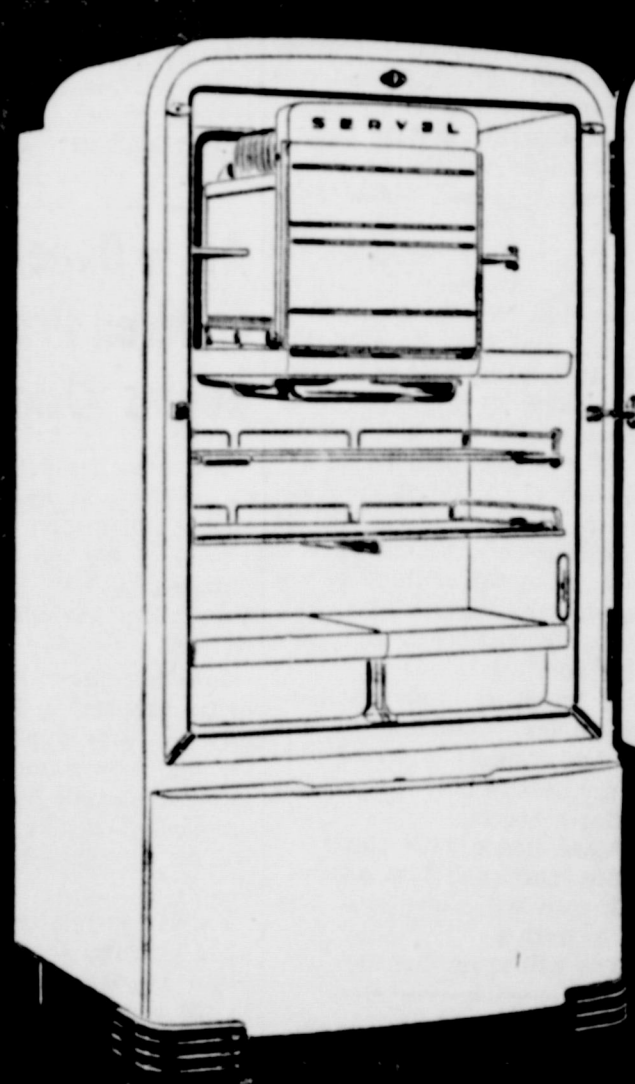

This state, too, has an important stake in Beer's purchases from over 100 industries supplying the brewing industry with materials, equipment and services.

You can help us in our public-spirited program by (1) patronizing only reputable and legal beer establishments and (2) by reporting any irregularities you may see to the proper authorities.

BEER...a beverage of moderation

The EAGLE NEWS

EDITED BY THE STUDENTS OF SANDERSON HIGH SCHOOL

SNOOPER

HEARS NOTHING SEES NOTHING TELLS ALL

The Snooper has been noticing that Jame House is making eyes at a certain girl.

James Kerr is seen quite often with an eighth grade girl.

Janice White and Loyd Deaton seemed to enjoy lunch the other day.

Clara Alice, who is the cutest boy in the Junior Class?

Who was it that Marybelle was rooting for at the game Saturday? It couldn't have been Ross Stavley, could it?

Roy Thompson, why were you having such a good time Saturday night?

Could it have been because Mickey was teaching you to dance?

By the way, Betty Frazor, who was the cute boy you were with Saturday evening?

Come on, James Albert, make up your mind which girl you want.

What senior boys and junior girls went Dove hunting Sunday evening?

A certain group of students went to the show Sunday night and sat in the balcony.

Ross Stavley, there are people wondering how you managed for the knot on your head. Did you really get it at the ball game?

Wilma Lois seems to enjoy meeting the trains these days.

We know that Ray Phillips doesn't like school enough to attend after he graduated. It must have been Patty.

Miss Featherstone has a new name — Number 19. After her successful tackle of the Fort Hancock boy Saturday afternoon the students gave her an honorary position on the team.

Snooper and all the little

Snoops want the Sanderson Eagles to know how proud of them we are. Let's keep up the good work, boys.

James O'Connor and Marshall Cooke are among the best of salesmen. James sold the most tickets for the Fort Hancock game, with Marshall running a close second.

The Juniors got off to a good start with ticket sales, but don't Juniors, there are three more games that we must sell the most tickets before we really get that picnic.

We wonder what has happened to all those spoons and hearts that the girls were wearing last year. Perhaps the girls aren't wearing their hearts in their sleeves this year.

CAN U IMAGINE?

Billie Jo and Marybelle switching everyone's black and orange streamers Saturday?

J. D. Vincent almost falling off a truck in his excitement when the Eagles made their first touchdown?

Mickey Corder looking downhearted when anyone mentions the Navy.

Edward Kerr, Roy Tompson, and James O'Connor following two carloads of girls Sunday afternoon?

Miss Featherstone playing tackle for the Eagles?

What the Junior girls will do without the Seniors?

Betty Frazor liking one senior ring better than another?

LITTLE STORIES

By WILL E. JAMES

TEAMWORK

Webster says: "1. Teamwork, Work done by a team, as distinguished from personal labor. 2. The joint work of a team of athletes or laborers, as distinguished from their individual efforts; as, the football eleven did excellent teamwork."

Teamwork may be applied, not necessarily to football, but to any group, although nothing works so well in football, as teamwork.

It may be applied to service clubs, to PTA's or any group working for the betterment of one's community.

In Saturday's football game, which opened the season on the local gridiron, and was the Sanderson Eagles' first appearance, there was teamwork a plenty.

Football fans, and supporters of the game, if they thought at all, could not help but notice the "excellent teamwork" displayed by the Eagles, and naturally give the coach credit for the fine showing. Of course, individuals of the team should be given proper credit for the apt response to the coach's teaching, for without the leadership of a level-headed, far-seeing coach, the team perhaps would not have had the chance to show

the public how readily it could carry out his orders and execute the plans and plays devised.

Let us pause just a moment to give a word of praise to the opposing team from Fort Hancock. The boys are good sports, clean players and good losers, which oftentimes is better than poor winners. The game, however showed that the F. H. boys didn't click as they would have if there had been more teamwork. Better luck next time, boys, your play last Saturday showed you deserved a better score. But remember teamwork works wonders on the gridiron.

Teamwork and precision work hand in hand, and good results are bound to follow. Doing the right thing at the right time, on the part of every member of the eleven, is teamwork.

In other words, the organization known as the Sanderson High School Eagles, clicked. And when a team clicks, it proves that the skill practice is dominated by a coach who knows his business, and that such knowledge diffused is good seed which has fallen upon fertile ground, taken root and has and is producing four-fold.

It takes brains even to play football, if it is good football.

Nice work, boys, keep it up. You've a winning combination for sure.

It wouldn't be fair nor honest to give the entire credit for the excellent win Saturday to the Eagles and their coaches alone.

Honors must be shared with the school band and the Pep Squad girls who did yeoman work in furnishing and encouraging the boys with good music and splendid enthusiasm, and to the nice attendance of fans goes a portion of the good

things. Without good music, a Pep Squad without equal, and a sizable crowd of backers to cheer, no team can play its best because all these things are the very salt of the affair. Their presence and enthusiasm naturally spur the home boys to do their darndest, which they did. And how!

The wave of enthusiasm started with the Pep Rally Friday night. The band played and the Pep Squad girls performed, football boys made short enthusiastic pep talks, the superintendent, the coaches, regular and assistant, added fuel to the fire of enthusiasm started; cars honked approval. The fact that the lights on the corner went out didn't dampen the affair. It was a great rally, in fact, a grand one.

Crowds lined the streets. Vigilant officers took care of traffic at the Kerr Mercantile Co. corner. Everyone was in good spirits and anxious to cooperate in the rally. None got nasty when stopped, but all seemed in good humor and eager to lend encouragement to the boys in the season's first, but 'tis hoped not the last rally.

Get-togethers such as that of Friday night make for good will and friendliness. Let's have more of them, and in other ways. It is our school, our football team, our pep squad and our band. Let's see that they

grow and go places. Get behind them and stay there throughout the season, and at all times.

In trying to be complimentary to the school, the superintendent, the teachers, the Eagles and their coaches, the band, the Pep Squad, and Sanderson fans in general, words fall me, and I fall back upon the Frenchman, who, on visiting Niagra Falls, exclaimed when he viewed the grandeur for the first time:

"Grand, glorious, magnificent, damed magnificent!"

A correction— In last week's issue, a headline stated "five games in Sanderson," which is an error, there will be but four including Saturday's game. You will notice in the schedule of games the word "Sanderson" is on the end of five lines, and in writing the head those lines were counted, hence the headline.

Three games remain to be played on the home field: Alpine here on October 25, Marfa, November 1st, and Rankin, Nov. 7th.

The October 10 game between Fabens and Sanderson is to be played at Fabens.

No doubt a large number of local fans will arrange to accompany the Eagles to Fabens on October 10th. Watch for further announcement.

Chevrolet alone of all low-priced cars has "Leader Line" Styling, swank fender caps and Body by Fisher.

DESIGNED TO LEAD IN PERFORMANCE

Chevrolet alone combines a powerful Valve-in-Head "Victory" Engine, Safe-T-Special Hydraulic Brakes, Utilized Knee-Action Ride, and Vacuum-Power Shift at no extra cost.

DESIGNED TO LEAD IN ECONOMY

Chevrolet is the most economical of all largest-selling low-priced cars from the standpoint of gas, oil, tires and upkeep.

IT PAYS TO BUY THE LEADER AND GET THE LEADING BUY

McKNIGHT MOTOR COMPANY

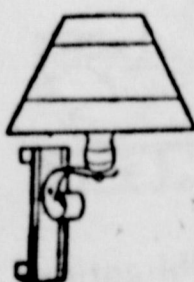

Does your child SQUINT?

When you find your child squinting and groaning over his homework, maybe the best thing you can give him is better light. You may not realize that the lighting in your home is unsafe for young eyes. Yet science has discovered that one out of every five school children suffers from defective vision. A child can "see to read"—and yet be risking a serious case of eyestrain.

TWO WAYS TO PROTECT YOUNG EYES

Put an I.E.S. study lamp on the table where the children do their homework. Or use a pin-to-wall lamp if the study table is against a wall. Both are scientifically designed to give enough light and the right kind of light for safe seeing.

Woman's Missionary Society Meets With Miss Kate Frazier

The Woman's Society of Christian Service of the Methodist Church met with Miss Kate Frazier as hostess Monday in the home of Mrs. J. Y. Bowman.

Mrs. John Deaton, assisted by Mrs. A. B. Gates, led a brief devotional in which Mrs. A. J. Horton gave the scripture reading; Mrs. H. E. Ezelle a meditation on the presence of Jesus of Nazareth in the every day walks of life on earth. Mrs. Clyde Higgins discussed projects in which the women of the church can be of service in this time of chaos.

During the business session the topic, "Christianity and Democracy," was chosen for the fall study beginning September 29.

The hostess served iced punch and sunshine cake to the following: Mesdames Bustin Canon, John Neal, A. J. Horton, Jennie Freeman, B. F. Anderson, A. B. Gates, John Deaton, Eugene McSparren, Gayle Mussey, Pat Beard, Clyde Higgins, Sam Underwood, C. H. White, J. R. Blackwelder, J. Y. Bowman, H. E. Ezelle and Eliza Wade, and the Rev. J. Y. Bowman.

Mrs. Horace Fletcher left Sunday for El Paso where she is visiting with her parents, Mr. and Mrs. S. C. Bodkin.

Mr. and Mrs. M. L. Kennedy and son, Johnny, of Tucson, Ariz., spent the week-end with the former's parents, Mr. and Mrs. L. O. Kennedy.

Mr. and Mrs. Lloyd Ford were visitors in Lamesa during the past week-end.

Woman's Auxiliary Meets in Home Mrs. John Nichols

The Woman's Auxiliary to the Presbyterian Church met for its regular monthly inspirational meeting in the home of Mrs. John F. Nichols Monday afternoon with Mrs. Earl Pierson as co-hostess.

The annual Loyalty Day program was led by Mrs. J. D. Nichols, assisted by Mrs. C. L. Sims and Mrs. Jack W. McKee. The worship period was conducted by Mrs. J. T. Dillard on another of the "Women Chosen of God," Mary of Bethany.

Synodical and Presbyterian Home Missions were stressed by the secretary of that cause, Mrs. W. H. Savage, when she conducted an oral quiz on the subject. Miss Jewel Pitts, who lived for ten years in the Presbyterian Home at Itasca, led an interesting discussion on the life in the home.

Members present for this interesting meeting were: Mesdames R. D. Holt, J. H. Lochausen, John W. Byrd, C. L. Sims, Seth Davenport, J. D. Nichols, W. H. Jordan, W. E. Lea, Jack W. McKee, W. H. Savage, Earl Pierson, M. J. Shurley, J. T. Dillard, Joe F. Brown, Lee McCue, W. C. Vaughan, and Miss Clara Shurley, Mrs. America Scott of Dallas and Miss Jewel Pitts were guests.

Mrs. Nichols and Mrs. Pierson served a delectable salad plate to their guests.

Mrs. A. D. Brown, Mrs. O. H. McAdams and Miss Ella Savage attended a school of instruction for members of the Woman's Missionary Society of the Baptist Church held in Fort Stockton Tuesday.

Business Meeting Held Thursday By Junior Woman's Club

A called business meeting of the Junior Woman's Club was held Thursday evening, September 18, in the home of Mrs. J. M. Hayre for the purpose of discussing selection of topic for study during the coming year.

Present for the meeting were Mesdames Wallace Henshaw, C. F. Pickard, James Caroline, Jack Hayre, Roy Deaton, Robert Deaton, W. A. Matthews, James Daniels, Bill Vaughan, and Misses Una Lee, Myrtle Harrell, and Armenta Ragsdale.

The regular meeting and first social will be held in the home of Miss Myrtle Harrell October 9, at 7:30 p. m. with Miss Ragsdale as co-hostess.

Sanderson Culture Club Meets With Mrs. Hugh Rose

The Sanderson Culture Club met at the home of Mrs. Hugh Rose, Thursday, September 18, with "Comparative Citizenship" as the subject for the month.

Definitions of Communism, Fascism, Nazism, and Democracy were given by Mrs. J. H. Lochausen, a n d "Political Guide," by Dorothy Thompson was reviewed by Mrs. W. H. Savage. The American's Creed was then given in unison led by Mrs. W. E. Lea, leader of the program.

After the program a business session was held during which time a bulletin from Mrs. J. C. Cunningham, district president, was read. Mrs. Ira Deaton was appointed chairman of Defense, and an invitation from the Fort Stockton Federated Clubs inviting club members to attend a coffee in honor of Mrs. J. W. Walker of Plainview, State Federated Club president Monday, September 22, was read. Several members indicated they would attend. A year's subscription to the Reader's Digest, printed in Spanish, was made to a woman professor in Brazil as a good will gesture by the club.

Committees were appointed to plan for the Davis Mountain Federated Club Meeting which will be held in Sanderson the latter part of November.

The hostess served a delicious salad plate, cookies, coffee and tea to the following: Mesdames T. R. Arrington, A. D. Brown, A. F. Buchanan, H. E. Ezelle, W. E. Lea, J. R. Link, J. H. Lochausen, O. H. McAdams, J. W. McKee, Tol Murrah, W. H. Savage, J. W. Sessoms, and Ira Deaton.

Tuesday Bridge Club Is Entertained By Mrs. John Harrison

Mrs. John Harrison entertained the Tuesday Bridge Club members and guests Tuesday at their ranch home with a 1 o'clock luncheon and bridge games during the afternoon.

Mrs. R. D. Holt was winner of the high score prize and Mrs. Bustin Canon won second high score prize.

Those present were Mesdames Lee McCue, J. S. Nance, D. M. Wells, Steve Stumberg, James Caroline, Bill Jordan, Jack Deaton, Tol Murrah, J. R. Link, C. P. Peavy, R. D. Holt, and Bustin Canon. Mrs. Robert Gatlin was a tea guest.

Word from Mrs. Toots Larson, who is in Hot Springs, Ark., where she accompanied Mrs. H. L. Wilson and son, Lowell, after they figured in an automobile accident here several days ago, states that Mrs. Wilson has developed a very serious nervous condition and that she will remain on duty with her for several days longer.

NOTICE TO BIDDERS

The Terrell County Commissioner's Court will receive bids until 10 a. m. Monday, October 13, 1941, on two coats of paint to be applied on outside woodwork of courthouse, walls and woodwork of both halls, interior of sheriff and clerk's offices, and ceiling in District Courtroom. Paint to be Sherwin-Williams best quality or its equivalent. Bids on outside painting and inside painting to be made separately.

By order Commissioner's Court, Terrell County, Texas.
D. L. DUKE,
County Clerk.

Rattle of the Rail

M. L. Tuberville, division car foreman was here from San Antonio Wednesday.

Fireman J. L. Schwalbe went to Houston Monday for temporary service there.

Engineer D. Newton has returned from Houston hospital where he went for treatment.

Engineer C. A. Bennett returned Wednesday from a visit to Del Rio.

AID TO DEPENDENT

(Continued from Page one)

such relatives as his or her home.

(6) Must be in need. This is defined as not having sufficient income or other resources to provide a reasonable subsistence compatible with health and decency.

The Department called particular attention to item 4 in explaining that the program was not designated to provide for all needy children but only those whose need is due to their being deprived of parental care and support by virtue of one or more of the specified reasons. The Department gave the following explanation of some of these reasons.

Death of a parent is interpreted literally, except that it cannot be said that a child is deprived of parental support if the surviving parent has remarried and the child has one natural parent and one step-parent.

Continued absence from home is interpreted to include absence that might be due to imprisonment, desertion or abandonment, or divorce.

The physical or mental incapacity of a parent is interpreted to mean an incapacity that restricts the occupational activity of a parent to such an extent that the parent is unable to provide support. The parent's condition must be of such chronic nature that it can reasonably be anticipated to incapacitate the parent for a period of at least six months.

The Constitution of Texas, Article III, Section 51D, restricts payments in such a way that no more than \$16.00 can be given for one child in an eligible fami-

ly, and no more than \$24.00 can be given for two or more children in an eligible family. The constitution amendment also restricts the total expenditure of state funds for the ADC program to no more than \$1,500,000 yearly, which means that the total amount available, including federal matching funds, can not exceed \$3,000,000 yearly.
