SANDERSON High School Splendid Since 1930

To be a member of the Association of Colleges and Secondary Schools, each school must file an application for membership. Sanderson High School for the year 1941-42 will teach 175 days and also, that we have 100 pupils enrolled in the upper grades of high school, and 36 in the lower grades. There are ten high school teachers, and a number of pupils in the school is 98. The report shows that the school has done a great deal of work; that by act- ing the library has 2986 books, five sheets in the form and all phases of work must be reported. The report is sent to the committee of the Southern Association. If a school meets the requirements; then it is given membership, usually in January. The Sanderson High School has been a member of the Southern Association since 1930. There are high schools in Texas that are members of this association.

E. Gray Entertained at Party

E. Gray entertained at a party at her home last afternoon. The living room was decorated with flowers. The party was a success. Mrs. Gray won second high score in the contest. The following list of names were present: Jack Laughlin, Roy Paul Collins, P. P. Richard Haley, Sam Conway Pickard and work.

PARENT-TEACHER BOARD MEETING 15th DISTRICT

"The outlook for a successful and enjoyable year in Parent-Teacher activity in this district is most gratifying" stated Mrs. L. P. Bloodworth, president of the 15th district of Texas Congress of Parents and Teachers, Monday, following the first meeting of the Board of Managers of the district in the home of Mrs. J. H. Clark of Fort Davis. Twenty-two of the twenty-seven board members were present, assembling from twelve communities.

Mrs. W. F. Martin, of Humble, Texas, state vice president, was guest speaker—bringing inspiration and enthusiasm to her listeners. An ardent club woman, Mrs. Martin has served as an organizer of elementary and high school units, serving each as president officer, was president of the Harris County Council, vice president of the 11th district prior to her election to state vice presidency. She is active in the D.A.R., in the Methodist church, in civic affairs, and is chairman of the Humble Red Cross group. This summer she devoted 500 hours to the Red Cross, making more than 600 pairs of boys' trousers.

Plans for the year were formulated at the board meeting, each officer and committee chairman explaining the duties of her office, and the manner in which local units may co-operate toward local and district success.

Attending the meeting were: president, Mrs. L. P. Bloodworth, El Paso; vice presidents, Mmes. C. L. Holley, Van Horn; John R. Beacom, Kermit; L. C. Pope, Alpine; J. H. Clark, Fort Davis; W. A. Kay, Fort Stockton; Wynne Hamilton, Sargosa; recording secretary, Mrs. E. B. Piapp, El Paso; corresponding secretary, Mrs. John R. Dalby, El Paso; parliamentary, Mrs. J. M. Floyd, Alpine; publicity Mrs. A. McDonald, El Paso; parent education, Mrs. Lois Huffaker, El Paso; endowment fund, Mrs. O. Milby Sierra Blanco; life membership, Mrs. C. H. Slaton, Marfa; visual education, Mrs. H. D. Price, Van Horn; health, Mrs. Arthur N. Alkire, Fort Davis; Spanish-speaking, Manuel Roasles, El Paso; music, Mrs. C. C. Methodist Ladies Attend Meeting At Fort Stockton

The third quarter zone meeting of the Woman's Society of Christian Service was held at Fort Stockton on Friday of last week at the Methodist church. A program on the "Value of Silence" began at 10 a. m. At noon a picnic lunch was served at the Rooney Park. After lunch all returned to the church where the program was completed.

Those attending from Sanderson were: Mesdames Clyde Higgins, J. Y. Bowman, Pat Beard, A. B. Gates and H. E. Eselle and Miss Kate Franier.

Helpers Needed For Completion of Red Cross Sewing Work

Mrs. W. E. Lea, chairman of the British Relief Work of the local chapter of the American Red Cross, has announced that workers are needed to complete the sewing and making up of the balance of the material on hand.

Mrs. Lea stated that the supplies on hand should be made into clothing and that the work should be complete before the winter months when they may be called on for additional work. She asked that volunteers please report to her if they are willing to aid in this worthy cause.

The knitting quota has been met; the balance of the work is strictly sewing of materials at present. These completed garments will be kept on hand by the local chapter until they are needed and then shipped to where necessary.

Baker-Dodd Nuptials At Home Wedding In Del Rio Monday

Miss Emogene Baker, daughter of Mr. and Mrs. Will Baker, became the bride of Lieut. Doyle Wilson Dodd Monday morning at 7 o'clock in a beautiful wedding in the home of Mrs. J. A. Russell, 109 West Second St. The Rev. F. C. Ruffe, rector of St. James' Episcopal Church, read the marriage rites.

Mrs. Russell received the wedding guests in the reception hall, where potted palm decorations were set off by lovely fan-shaped arrangement of gladioli, mums and asters in tones of yellow and gold.

Decorating the piano in the living room was a Madonna of blush asters and blue delphinium on a reflector. White gladioli and white mums against magnolia leaves adorned the organ.

The improvised altar was placed before a background of English ivy. Tall white floor standards held fan-shaped arrangements of white gladioli, white double larkspur and mums, tied with white satin, the white satin pillow placed between the standards. Arrangements of similar flowers completed the decorations.

Miss Marion Russell played Chopin's Prelude in A as the prenuptial music and also played the wedding marches. She wore black sheer and her flowers were blush pink asters.

The bride, who descended the ivy-twined stair with her father, was lovely in a tailored suit of pigeon blue, blue accessories and a feathered toque of fuchsia, rose and blue. She wore a shoulder bouquet of deep red rosebuds and stephanotis.

Her maid of honor was Miss Mary Dodd, sister of the groom. She wore a nut brown tailored frock with gold trim and her accessories were brown. Her shoulder bouquet was of Picardy-toned cabbasonian.

The groom was attended by James Baker, uncle of the bride. Immediately after the ceremony the couple left on a wedding trip. They will be at home in Macon, Ga., Lt. Dodd's new station where he was transferred recently from Fort Benning.

Lt. Dodd is the son of Mr. and Mrs. A. A. Dodd and was reared in Del Rio. He is a graduate of A. & M. College. Mrs. Dodd was reared here and on her parents' ranch in the Devil's River country. She graduated from the Del Rio High School and last year attended Texas State College for Women at Denton.

At the wedding Mrs. A. A. Dodd wore blue sheer with gardenias and Mrs. Baker, mother of the bride, wore black with gardenias—Del Rio News-Herald

Billie Gildea of Los Angeles, Calif., stopped here Friday for a short visit with his cousin, Mrs. W. E. Lea. He was enroute to San Antonio.

INDUCTEES ARE ADVISED TO TRAVEL LIGHT

Selective Service registrants enroute to Army induction centers should "travel light," taking nothing but essentials so as to avoid inconvenience to themselves and to the armed forces, General J. Watt Page, State Selective Service director, cautioned today.

One small bag should be sufficient to carry the things a selectee needs until he is given his equipment by the Army, the Director said.

"If you wish to take a small bag with a few clean clothes, a few handkerchiefs, socks, soap, and other necessary toilet articles. These are not essential for you will be issued necessary equipment by the Army, but they may come in handy should there be any delay in your induction."

"Leave jewelry, large sums of money, and other valuables at home, for they may be easily lost. If possible, take a little spending money for such needs you may have before your first pay-day. Take some postal cards or stationery and stamps, a fountain pen, and an inexpensive watch if you have them."

Selectees were warned by General Page to leave automobiles and motorcycles at home. Commanding officers will tell the men on their posts if they have these vehicles and the soldiers then will have an opportunity to get them from their homes, he pointed out.

Unnecessary articles taken to induction centers must be returned to his home by selectee at his own expense or otherwise disposed of. General Page said.

Funeral Services Held Sept. 25 For Luisa M. Rodriguez

Mrs. Guillermo Rodriguez, 21 and bride of six months, died Tuesday of last week in Fort Stockton after undergoing an operation there. The body was returned to Sanderson in a Joe Oberkamp casket coach.

Funeral services were held Wednesday afternoon at 4:30 o'clock at the home of her parents, Mr. and Mrs. Jose Maldono, with the Rev. N. Femenia, pastor of the local Catholic Church, in charge.

Deceased is survived by her husband, 4 brothers, Lorenzo, Valentin, Augustin, and Jose Maldonado Jr.; and two sisters, Delfina and Mariana Maldonado. All are of Sanderson.

Rally Day Observed At Presbyterian Church Sunday

Once each year the Presbyterian Church sponsors one Sunday known as Rally Day. It is a time when a special effort is put forth to revive and create interest in the Sunday School. Sunday, September 28th, was the day set aside for that special occasion in the Sanderson Presbyterian Church. Mrs. W. C. Vaughan served as leader of the program with other members of the Sunday School responding in song and readings.

This particular day was also promotion day in the Sunday School. Promotion certificates were awarded Jackie Savage, Marylyn Courtney and Ernestine Jessup.

W. J. Ferguson went to San Antonio Monday for Mrs. Ferguson, who has been there for the past several weeks for medical attention. Their daughter, Miss Mary, returned with them and will remain with her mother while she is recuperating. Her condition is much improved and she is able to be up and about.

Dr. and Mrs. William Aston returned the first of the week from San Antonio where he has been in a hospital there.

Defense Speaker

Senator Tom Connally of Texas, above, will deliver the principal address for National Defense Day at the State Fair of Texas on Sunday, October 12. Senator Connally will come from Washington for the event, which is to be the greatest patriotic demonstration ever held in the Southwest. Ceremonies will begin at 3 p. m. in the huge Cotton Bowl and more than 50,000 persons are expected to hear the address. Every civic and patriotic organization, including American Legion, Veterans of Foreign Wars, Texas Defense Guard and others, will participate. Many organizations will send representatives from every section of the state.

LICENSES TO BE RENEWED NUMERICALLY

Austin. — Nearly half the people in Texas started a stampede for new drivers licenses October 1st.

There's really no need to get in a hurry about it, State Police Director Homer Garrison explained today. From October 1 until December 31, old licenses numbered from 1 to 450,000 will be renewed.

From January 1, 1942, until March 31, those numbered from 450,001 to 900,000 will be renewed.

Those numbered from 900,001 to 1,350,000 will be renewed between April 1 and June 30.

Any license numbered from 1,350,001 upward will be renewed between July 1 and November 1.

Here's the procedure for getting your new license: Obtain an application form from any Highway Patrolman or Drivers License Examiner, or by writing directly to the Department of Public Safety in Austin. The forms also will be available from police and sheriff departments, banks, and other public places.

Either print in ink or use a typewriter to fill out application, enclose a 50-cent money order or cashier's check with it, and mail it directly to the Department of Public Safety, Austin. The new license, good for two years, will be mailed to you from Austin.

Persons renewing license will not have to take an examination unless they have a record of traffic violation or collisions.

But if you fail to renew your license in the stipulated time, you will be liable both to arrest for driving without a license and an examination.

Wednesday Club Entertain By Mrs. W. H. Savage

Fall flowers decorated the entertaining rooms when Mrs. W. H. Savage was hostess to the Wednesday Bridge Club at her bibles and motorcycles at home, two tables of bridge.

When the scores were tallied Mrs. Max Bogusch won high score prize and Mrs. J. R. Link was awarded second high score prize.

A salad plate, apple pie and coffee were served to Mesdames R. D. Holt, Max Bogusch, James Kerr, C. P. Peavy, Tol Murrah, J. R. Link, Hugh Rose and D. M. Wells.

Mrs. James Caroline returned home Saturday after spending several days visiting in Pecos.

International Fair Scheduled For Oct. 22-26

Featuring the first annual Camp Meeting, Show, and Races of the American Quarter Horse Association, Eagle Pass on Texas-Mexican border is arranging an impressive program for its Second International Fair and Livestock Exposition this year.

The Second International Fair will be held in Historic Fort Duncan Park at Eagle Pass during a five-day period, from October 22 to 26.

As was the case in the First International Fair last year, the motif for the exhibits and entertainment will be international in aspect, bringing together the best livestock, agricultural and industrial products of Southwest Texas and Northern Mexico and the outstanding riders, ropers and entertainers of two nations.

Exhibit and Entry applications are coming in with every mail to the International Fair Association at Eagle Pass, giving rise to confident prediction that this year's Fair will be larger, more varied, and better attended than last years which set a record in this respect.

There will be three days of rodeo, staged by Earl and Jack Sellers of Del Rio. The toughest riders and ropers and the prettiest cowgirls of the Southwest will take part in the contests. Many of these have achieved national renown in Madison Square Garden contests at New York.

There will be five days of horse racing, at the rate of six races a day climaxed on the final day with the Eagle Pass Derby for a purse of \$200. Each of the races will have a substantial purse, and some of the best registered quarter horses of the country have already been entered for competition.

Mexico's participation in the International Fair will be highlighted by a grand bullfight in the Piedras Negras arena, Sunday afternoon, October 26. Arrangements are now in process to bring Conchita Cintron, world famous bullfighter, to head an imposing cast of performers. Miss Cintron, besides being a beautiful and young senorita, recently with a writeup in Colliers magazine, is a skillful horse woman. Riding aspirited white stallion, she is the modern Joan of Arc whose handling of the sword and cape is a marvel of daring accuracy.

Presbyterians Have Picnic At C. C. Mitchell Home

The spacious lawn of the C. C. Mitchell Ranch Home was the setting for a delightful occasion when some sixty friends and members of the Presbyterian Church gathered there Friday evening to enjoy the fellowship of one another and to partake of the bountiful supply of food that had been prepared by the women.

As guests arrived they were asked to register. And as soon as all had assembled guests were invited to serve themselves to frijoles, sandwiches, potato chips, vegetable salad, fruit salad, cookies, hot cocoa, coffee.

During the remainder of the evening games of various nature were enjoyed by the children, while the older ones found pleasure in the fellowship of one another.

Those attending the picnic were grateful to Mr. and Mrs. Mitchell and family for their gracious hospitality, and to Mrs. W. C. Vaughan and Mrs. John F. Nichols for their untiring efforts as a committee in sponsoring the occasion.

Son to Haleys

Word has been received here that Mr. and Mrs. Elton Halley, Jr. are the parents of a son born September 21 in Stevenville, Texas, and weighed 8 pounds, 15 ounces. Paternal grandparents are Mr. and Mrs. E. P. Halley of this city.

TEXAS QUAIL CROP BEST IN SEVERAL YEARS

Austin—Here's a little secret that the Executive Secretary of the Game Department doesn't want anybody to know anything about, except the People of Texas:

The Lone Star State, he avers, has one of the best quail crops in years, and scattergun addicts are going to have plenty of fun when they take their dogs into the fields this season.

It's a little early to begin talking about quail populations and quail shooting, for the season doesn't open until December 1st, but that is the very reason he brought the subject up today, the Executive Secretary said.

For the dove hunters are in the fields blasting away, and it is not infrequent at all for them to flush a husky covey of quail, or even some small ones, and the Game Department head warned sportsmen to lay off quail until it is legal to shoot them. The season, he repeated, opens December 1st. It will continue thru January 16, 1942.

Several things have contributed to this year's good quail population. Heading the list is the excellent rainfall that fell almost all over the State in the early months of the year. The rainfall stimulated an abundant growth of quail food plants, and other plants that quail use for cover or shelter. It also provided plenty of drinking water for the birds.

Game managers and field biologists of the Game Department have been at work for months fencing off rather small areas in farmlands or cattle ranges—areas which were ploughed and planted to vegetation that would offer both food and cover for quail. If these steps hadn't been taken, officials pointed out, quail would probably have disappeared entirely from regions where now they are fairly plentiful.

Young Woman's Circle Meets With Mrs. Elmer Schwalbe

The young Woman's Circle of the Methodist Church met in the home of Mrs. Elmer Schwalbe Wednesday afternoon.

A very interesting program was led by Mrs. J. A. Oberling.

Mrs. J. L. Schwalbe is a new member in the circle.

A delicious plate was served to the following members: Mrs. Ted Attaway, Mrs. George Insall, Mrs. Lewis Wotten, Mrs. Oberling, Mrs. J. Y. Bowman, Mrs. Robert Denton, Mrs. Elmer Schwalbe, hostess, and a guest, Mrs. Erba Kimbrough of Waco, Texas.

Life of Apostle Peter Topic For Bible Study

The first Bible study this year for the women of the Presbyterian Auxiliary was held Monday afternoon in the home of Mrs. J. H. Lochausen, with Mrs. Lochausen serving as leader of the study. Those present were: Mrs. John W. Byrd, Mrs. Joe D. Nichols, Mrs. R. D. Holt, Miss Clara Shurley, Mrs. Earl Pierson, Mrs. W. H. Savage, Mrs. John F. Nichols, Mrs. J. W. Mckee, Mrs. C. L. Sims, Mrs. W. E. Grigsby, and the hostess, Mrs. Lochausen.

The course of study for this year is based on the life of the Apostle Peter, and it is divided into six lessons. The next lesson will be Monday afternoon, October 6th, at 3 o'clock at the home of Mrs. Lochausen. Books for the study may be obtained from Mrs. Joe D. Nichols, secretary of literature.

Mr. and Mrs. Horace Fletcher left Thursday night for Los Angeles, Calif., to visit with relatives.

Mrs. Lou Duncan of Vernon is here visiting in the home of her daughter, Mrs. James Caroline, and Mr. Caroline.

Mr. and Mrs. Russell Dyer have returned from several months visit with relatives in Laredo.

Capt. W. L. Barler, U. S. Customs officer, was a Del Rio visitor Sunday.

Stock News—J. Taylor, who ranches near Comstock, is moving several thousand head of sheep to this county. He will pasture 1,000 head on the G. J. Henshaw ranch and the balance will be placed on the ranch of his son, Elmo Taylor, who ranches near Dryden.

Range conditions throughout the county are not as good as

they were even a month ago. The several hot days experienced the first of September, together with the fact that there has been no rain since the early part of August, is causing the range to become dry and water scarce. It is hoped that soon Terrell County and surrounding territory will be blessed with a good rain.

WITH OUR NEIGHBORS

The Monahans News—City prisoners are working out their fines these days instead of; laying them out, according to the local police department which has charge of the project.

Clean-up work in the streets and alleys and other odd jobs are done by the prisoners under the watchful eye of a member of the constabulary. Pay is graduated up or down from the base of 45 cents an hour, depending on the enthusiasm shown for the job.

The Iraan Herald—V. E. Smith, conservationist, and director of the refuge in this locality covering 500 sections in Pecos and Terrell Counties announced Wednesday that ranch land of Leo Richardson had been placed in the refuge and that laws regarding the refuge became effective on the Richardson ranch Wednesday night.

Announcement of the wildlife conservation program was made two weeks ago. At that time it was that the 500 sections specified under the program by the Pittman-Robertson Act had been secured, but on final check-up, twenty-five sections were

lacking. With the signing of the Richardson Ranch, the block is completed and unbroken, Smith announced.

The Brackett News-Mail—Rain again visited this immediate section the past week when on September 17th, a total of .79 of an inch of rain was recorded here in Brackettville. This rain was reported to have been quite general. This .79 of an inch added to the 3.46 inches received recently, gives us a total of 4.25 up to the 17th.

The Big Bend Sentinel—Rain-fall within the last week as gauged at Fort D. A. Russell, has brought the year's total to 19.85 inches, which is .72 of an inch more than fell in 1940.

The 19.85-inch record brings the 1941 precipitation to a point that make it not all unlikely that the year will be marked down as one in which the largest amount of rain was recorded. Record of rainfall are available from 1929 and the greatest amount that fell in any one year was 23.38 inches. That was in 1935.

The Fort D. A. Russell records show that 2.72 inches of rain has fallen in September, through Tuesday, September 23. The minimum temperature of the month was reached Tuesday night when the mercury dropped to fifty-two degrees.

Marathon News, in Alpine Avalanche—Dr. G. W. Worthington was called early Monday morning to the depot where a fireman had fallen from the top of an engine. Nothing serious just a sprained ankle. The fireman boarded the 4:30 train for Sanderson.

EAGLE NEWS— HOMEMAKING

By MABEL NORTINGTON
We, the H.E. girls met Friday to organize a unit of the Homemaking Club under the direction of Miss Willms. We discussed the purposes of a club and began preparation for program for our Year Books. In our opinion the purposes of a club are to enable one to take responsibility, to get acquainted with people, and to provide entertainment.

Maurine Frazier gave a talk on "Why We Should Go to the Rally." Two of the reasons she gave were that one gets to see new people and new things.

The club officers were elected as follows:

Virginia Stansell, president.
Debby Nunn, vice president.
Maurine Cox, secretary-treasurer.

Mabel Northington, reporter.
Maurine Frazier, chairman Program Committee.

Mary Nell Higgins and Eloise Calzada, Program Committee.
Then, Miss Willms read "A Girl's Creed." This creed was written by Grace Noll Crowell for the Future Homemakers of Texas.

A Girl's Creed
"I believe that the home is the woman's natural environment. I believe that there is much art in making a barren house into a glistening, comfortable home as there is in writing a poem or in painting a picture.

"I believe that there is dignity and beauty in service, that as a career for women, homemaking offers greater opportunity for leisure, for growth of mind and spirit, for exercise of body than any other occupation. I believe that the one who has the intelligence to keep her horse in order is wise enough to be a force in any community.

"It is my desire to be one of the countless women of the world to make life sweeter and better because I have lived and done my work well."

OFFICIAL LIST OF SENIORS

There are nineteen students who expect to be candidates for graduation in the Sanderson High School in May, 1942.

There are eight girls and eleven boys in the class. Those who are accredited seniors, those having twelve or more units are as follows:

Patty Billings, Anita Cardinas, Vima Cash, Billie Jo Corder, Loyd Deaton, Dewain Hill, Mary Belle Hollebeke, Theron Horton, Earl McDonald, James McDonald, Mabel Northington, Pablo Perez, C'aries Rogers, Simon Shaw, and Ross Stavley.

Conditional seniors, those having as many as eleven units

but not the required twelve, are as follows:

Sam Bell, Adeline McConaughy, Lois Bea Osgood, J. D. Vincent.

THE HOMEMAKING CLUB

Each of the three Homemaking classes has its own club. We meet in our classes. Each club has its own officers, but there will be one big club of the three classes. After each club is organized, we will give a party for the club once a month in the homes of different members. In this way the students will learn to entertain. In our club meetings the pupils will learn how to do and make things. Miss Willms has charge of the club work.

VOLLEY BALL

The volley ball club meets in the gymnasium every Monday and Thursday for practice. There are 20 girls coming out at present, but we would like to have more out for practice.

MISS HELEN B. ODOM

Miss Helen B. Odom's home is in Fort Stockton, Texas. She teaches the sixth grade in grammar school. She attended college at State University, Southern Methodist University, and Sul Ross college.

Miss Odom likes vivid colors, especially red. Her favorite food is T-Bone steak and fudge candy. She also enjoys drinking coffee. Her hobby is collecting war maps and pictures of notable people of the times. She has collected poems, heads, and unusual books. Miss Odom says she finds Sanderson "chock full of friendly people."

CHORAL CLUB

The Choral Club for 1941-42 was organized with 38 members, and with Miss Helen Simpson as sponsor. The club officers are: Billie Jo Corder, president; Betty Smith, vice president; Margaret Ruth Yeates, secretary-treasurer. The club meets on Tuesday and Thursday mornings at 8:30 and on Wednesday afternoons after school. The girls are now learning "Pale Moon," and during the year will learn a large selection of songs, both classical

and semi-classical. The uniforms have not been definitely decided on. The girls hope to make several trips during the year. Miss Simpson invites all high school girls to join the Choral Club.

H. E. CLUB ORGANIZED

The Eighth Grade H. E. class organized and elected officers last week. They are: Betty Jo Kerr, president; Doris McSparrow, vice president; Ruth Ann Robertson, secretary; Doris Lee Cooke, reporter; Earline Cox, Treasurer; Mary Alice Allen, parliamentarian; Mary Jean Ogle, Wellma Jean Northcut, Melva Stout, Grace Ramier, and Lupe Nevarez, program committee; Dorothy Stansell, Manuella Flores, Joyce Myers, and Wanda Lee Lansford, year book committee.

The program committee is busy making program plans for the year. Suggestions for programs were made by members of the club.

The club members also discussed why high school girls should be members of a club. The reasons given were:

Learn to conduct a meeting; learn to be on program; learn how to get along with others.

Virginia Wallace has withdrawn from school.

Mr. and Mrs. M. H. Goode Jr. were in town this week from their home on the Pecos to visit their children, who live with their grandparents, Mr. and Mrs. W. E. Lea, and attend school here. Mr. and Mrs. Goode recently moved here from Millet, Texas.

Mrs. Claud Lacy and Mr. Underwood of Ballinger were weekend guests of Mrs. Lacy's uncle, W. E. Lea. They were accompanied home by Mrs. A. Scott who has been visiting her brother, Mr. Lea, for a week.

Mrs. J. C. Green has returned home from an extended visit in the home of her son, Mr. and Mrs. J. C. Green Jr. of Laredo.

DANCER ROMERO GOES JITTERBUG IN 'DANCE HALL'

Dance perfectionist Cesar Romero, who is rated as the leading exponent of the ballroom art in Hollywood, will be shown as a jitterbug in his latest picture for 20th Century-Fox, "Dance Hall," which come to the Princess Theatre Monday and Tuesday.

Cesar has had extensive practice in the art of dancing, and is especially expert in the rhumba, tango and waltz. He is not, however, contemptuous of "rug cutting." It is, he says, much more difficult than other forms of ballroom dancing and to his way of thinking it is a distinct and valuable addition to the art of Terpsichore.

The jitterbug technique was not hard for Cesar to master, but in order to make sure he was letter perfect, he enlisted aid of national champions Jewel McGowan and Dean Collins. They found that Cesar had deserved his rating as Hollywood's most adept dancer, and

Theron Horton was seen with Maurine Frazier Friday night, and since then he's been calling her "Tricky." We wonder why? We wonder if Betty, J. D., Dick, Margaret, Ruth, Maurine Cox, and Theron do understand Spanish. They were seen at the Spanish show Sunday night.

James Albert and Dick Hill are still fussing over Margaret Ruth. Boy, wouldn't she be in a mess if each decided to take half of her? Ross, Dan, Theron, and James Albert kidnapped Kat Nance and Mickey Corder Tuesday after band practice. The rest of you girls better watch out.

Captain Duke and Corporal Theron Horton of the Texas Defense Guard were heard talking the other day:

Captain Duke: "Corporal Horton, when cleaning your rifle, what is the first thing you should do?"

Corporal Horton: "Look at the serial number and make sure it is yours."

Ginger is stepping out on us. What does Marshall think of Robert, Ginger?

Dorothy Stansell, why are you holding out on us? We all think Gene Earwood is cute, too.

What do you think of courting on week days, Sam?

What did you think of the dance, Ross, purty good, huh?

1, 2, 3, 4. Who do we appreciate? Sam, Sam, Sam, was saying Saturday by what girl—M?

Seems that James A. is very happy for some reason. You guess. Let the Snooper rest.

It looks as if Miss Kinkler and Miss Nixon have found out how to take longer steps. Dear Snooper:

How can I make Virginia Stansell leave all the boys alone that flock around her, and talk to me?

Marshall Cooke.

Start a fight, be a hero, and carry her away on your beautiful white horse.—Snooper.

Dear Snooper: How can we rake up courage to ask girls for dates?

Curtis Litton, Glen Babb, Bill Sturman.

Dear Curtis, Glen, and Bill: If you are old enough to have dates, which I doubt, then you should know how to ask for them.—Snooper.

Dear Snooper: I am writing you this letter for I do so need your advice. Janice White will not go with me. Oh, what shall I do?

Roy Thompson.

Dear Roy: Have you ever thought about getting another girl?—Snooper.

The students of the S. H. S. being happy all at once?

The teachers getting mail every day?

Marshall Cooke without Ginger?

James House with a blonde? James O' Connor chasing his shoe up and down the aisle in first period English?

Kathryn Nell Nance giving up James Albert for a certain brown eyed Junior?

Billie Jo Corder's taking Coach Smith's place for all of fourth period?

Dan Murrah being serious about a blonde?

AN OPEN LETTER

Library Road,
Read-a-book-towin, Texas,
September 30, 1941.

DEAR READERS:

I am happy to know that some of you are enjoying the new books in the library, but I haven't heard enough of you asking for books. Maybe if you knew something of what is between the covers, you would want to read them.

Let's take the book, "Chad Hanna" by Walter D. Edmonds. It is the story of an orphan boy who ran away to become a horse boy on the Erie Canal. You will share the adventures with Chad as he gets mixed up in a circus if you will read this book.

If you want to relive the "old South," be sure to read Laura Krey's "And Tell of Time. Cavin Darcy leaves Georgia and brings his new bride to Texas. Together they share the "after the war" years in this fast moving story.

Boys, if you want thrills and adventures, find it in the exciting story of the thrills and dangers of ten of the world's most dangerous occupations and of the brave men who fill them. It is John Floherty's "Men Without Fear." He tells of the bravery of another group of men—the United States Coast Guard—in his "Sons of the Hurricane." Read both of them!

You will want to read Mary King's "Quince Bolliver" for it is a story of the Texas oil fields, and of a girl who grows up in the shadows of the oil derricks.

All of you must get acquainted with Jody Baxter. Who is he? Why, he's in the same class with Huck Finn and Tom Sawyer. If you read Marjorie Kinnan Rawlings' novel, which is placed in Florida, you will know him and love him as his father did. It is "The Yearling," so don't forget to ask for it.

Well, dear Readers, that is all for today, but where I live you will find many, many interesting books.

Sincerely yours,
A. BOOKWORM

FASHION FADS

By LOIS BEA OSGOOD

This year the rage seems to be Broom-stick skirts. They are made in all colors and the brighter the colors the prettier the skirt. These skirts originated from the Hopie Indians, which proves that Hollywood does not always set the style.

Girls, if you don't have any Baby-Doll shoes it is time that you get some for they are the latest thing in shoes.

Oh, yes! I read in an exclusive magazine the other day that bright finger nail polish is out of style. So girls, let's us tone down our polish. We might have to do without polish if someone doesn't put Hitler out of circulation.

Take heed of the fads girls and next week there will be some more hints.

LIFE OF A SENIOR

By LOIS BEA OSGOOD

A little over sixteen years ago, June 5, 1925, Miss Margaret Vima Cash was born in Del Rio, Texas. She lived on a ranch about fourteen miles west of Langtry until she moved to Dryden in 1939. She went to school in Pumpville through the seventh grade, then, went her freshman year in Langtry, and was a sophomore when she enrolled in school here.

This year Miss Cash is taking English, Home Economics, Book-keeping, and Civics, of which her favorite is Bookkeeping. The clubs in which she participates, are: Choral Club, H. E. Club, and Pep Squad. Blue is her favorite color. Her hobby is collecting songs and her favorite is "Maria Elen." She says it is perfect accompaniment for waltzing.

In foods she says there's nothing like good old fried chicken and pineapple cake. "Gone With the Wind" is her favorite book.

She says there's nothing like playing a good game of ping-pong and sitting in a good picture show, especially when James Stewart or Betty Grable are playing.

After she is graduated she plans to be a beauty operator and attend a beauty college.

Gosh! I forgot to tell you that her favorite by-word is 'Oh, Gosh!'

LITTLE STORIES

By WILL E. JAMES

WE STAND CORRECTED

In Little Stories of September 19 under the heading of "Keep to the Right!" we stated "In any walk of life the admonition, "Keep to the Right" should never be disregarded."

P. H. Underwood of Houston who is spending several weeks in Sanderson, says that that is wrong. "There are times when a fellow is required to keep to the left."

He says, and he's right, come to think of it, "when a pedestrian is walking along a highway, he supposed to walk facing oncoming cars, and to do this, he must walk on the left side of the road." This is correct, for you see signs along most highways "Walk to the Left," or words of similar effect.

This is exception No 1 to the admonition of keeping to the right. There may be others, but at the time the article was written the writer never even thought of the exception mentioned until attention was called to it by Mr. Underwood, which goes to show that Little Stories has one observant reader at least.

Reading exchange papers from other towns, one cannot but notice the news items concerning rain. In this portion of West Texas this is classed as the dry season. Weather conditions are changing and a once dry West Texas is becoming an ex-

ceptionally wet West Texas, all over.

All around Sanderson hillsides are green and the valleys are covered with weeds and growths of ocatillo and other desert flora.

Little Stories has been assured that usually at this time of year growths are dead and so thinly leaved as to exposed the bare ground for several yards on either side of the highway.

Rain and plenty of it is the cause of so luxuriant a growth

in the valleys and on the hillsides.

All of which points to the fact that the lack of water in plenty is instrumental in keeping this country from the title of "the garden spot of West Texas."

Already it is classed as an exceptionally good stock country. And as dry as it usually is, what could one expect if the countryside was well and bountifully watered?

'Underground' Hits Peak of Excitement

The pioneering Warner Bros. are at it again with their powerful drama of war-time Europe. It is called "Underground," and is scheduled to open at the Princess Theatre on Wednesday and Thursday.

It is the studio's feeling that the daring and, highly dramatic nature of the story well interlaced with a tender love story and described as "more of the nature of 'Foreign Correspondent' and 'Night Train' than our own Confessions of a Nazi Spy," demanded extreme realism in casting.

THANKS—

I wish to thank the citizens of this community for the friendship and co-operation the have shown me since I have been in Sanderson. I have enjoyed my short stay here and regret having to leave the many friends and acquaintances which I have made. I sincerely hope the good fellowship extended to me will be given to the men who remain here after I have departed, for I am sure they will appreciate it as greatly as I have.

Yours truly,
GERALD R. THREEHOUSE,

For 1942—a Beautiful New

FORD

"6" OR "8"

IN THESE UNUSUAL TIMES we invite you to inspect an unusual new car—new in its beauty, its comfort, its choice of two fine 90 horsepower engines, 6 cylinders or 8.

See it and you sense at once that here is new style that will stay good for years. On a lower, wider chassis, we have designed new long, low, wide and modern lines.

Interior treatment is entirely fresh, distinctive, pleasing. The beauty of this Ford will more than hold its own in any company.

Inside, the car is big—wide across the seats, generous in knee-room, leg-room, elbow-room. On the road this year you find the "new Ford ride" still further advanced in its softness, quietness, steadiness and all-round comfort.

At the wheel, you will find driving easier than ever. Steering, gear-shifting, action of the big and new hydraulic brakes have all been made smoother and easier.

In quality, the car is sound to the last detail. Defense requirements have all been met without a single reduction in the basic and lasting goodness of the Ford mechanically. Some new materials have replaced old ones, usually at a greater cost to us, but in every case the new is equal to or better than the old.

If your family needs a new car, go see and drive this Ford. For what it is today and for what it will be through the years ahead, we believe that you will find it more and better transportation for your money than you have ever found before.
