NUMBER 10

## FUNERAL SERVICES FOR MRS. S. A. DARR HELD WEDNESDAY

Funeral services were held Wednesday morning at 10 o'clock from the First Baptist Church for Mrs. S. A. Darr, 63, who died in a Del Rio hospital Monday after a long illness. The Rev. James O. Todd, local pastor, was in charge.

Interment was in the Cedar Grove Cemetery with Oberkamp Funeral Directors in charge of arrangements.

She was born July 31, 1887, at Maysville, Indian Territory in Oklahoma, and was married to Samuel A. Darr December 4, 1895, in Christian County, Mo. She had resided in Del Rio for 27 years before the family moved to Sanderson seven years ago, having made her home here since that time.

Survivors include the husband; 2 sons, H. F. Darr of Marfa, and Chester A. Darr of Sanderson; one daughter, Mrs. C. E. Keene of San Antonio; three grandchildren; her mother, Mrs. A. Perry, Mineola, and six sisters.

Those here for the services were Mr. and Mrs. H. F. Darr and two children of Marfa. Cpl. and Mrs. C. E. Keene and daughter of San Antonio, and a sister, Mrs. G. P. Snyder of Mineola.

Pallbearers were J. S. Nance, M. G. Northcut, Willis Harrell, Johnny Whistler, Lynn Harrell, and R. V. Roney.

## NEW DECORATIONS

The Princess Theatre has added to the appearance of their building and to the lobby by putting on a new coat of paint and laying a new carpet on the floor. Lighter colors have brightened the interior and a fire zone has been painted on the curb at the front. Patrons should realize that this zone is required by state law and parking is strictly prohibited so that in case of fire ample room will be available in front of the theatre.

## JAMIE ALLEN IMPROVED

Mr. and Mrs. R. N. Allen were called to San Antonio Thursday of last week because of the serious illness of their grandson, Jamie Allen, son of Mr. and Mrs. James Allen. They returned Monday and stated that the child, who had been suffering from sleeping sickness, was much improved after sleeping eight days.

## ARE STATIONED

Auxiliaries Hazel Lemons and Edna Tisdale have been stationed at Orangeburg, New York, with a hospital unit, according to information received here. These two ladies are the only women from Terrell County who have volunteered their services for the Woman's Army Auxiliary Corps.

Mr. and Mrs. C. V. McKnight visited here the first of the week with Mr. and Mrs. Jimmie Hanson.

Mrs. C. E. (Mom) Clymer returned Wednesday from several days visit in San Antonio.

After the ceremony, a reception was held at the home of the bride's grandmother, Mrs. George L. Houston, on Lajara. Arrangements of yellow calla lilies and tulips decorated the reception rooms. Beneath the glass top of the table holding the wedding cake on the glassed-in porch was a bouquet of white roses. The two-tiered cake was embossed with white spun sugar roses.

Arranged in a semicircle in the garden, hurricane lamps and calla lilies formed the background for the receiving line composed of the bride and bridegroom, their parents, their grandmothers, Mesdames Houston and Emma C. Gregory, and the bridesmaids.

Assisting in serving were Mrs. Frank Winslow of Houston, aunt of the bride, and Mrs. Edwin Meredith Sykes.

Misses Jane Ball and Dorothy Hilker were in charge of the bride's book.

When Mr. and Mrs. Downie left later for a trip to Monterey, Mexico, the bride traveled in a gray dressmaker suit, a frilly white blouse, gray felt hat and British tan accessories.

Her corsage was of white butterfly orchids.—San Antonio Express.

## BOND QUOTA FOR MAY ANNOUNCED

The bond quota for Terrell County for this month has been set at \$13,890 according to announcement by Judge R. S. Wilkinson.

This is a slight increase over what the majority of quotas have been in the past few months, but it is felt that it will be met by the residents of the county. Since the heavy quota for the Second War Loan was met last month, all persons are urged to buy as many bonds as possible so the burden of the quota will be evenly distributed.

## RATIONING At A Glance

Mr. and Mrs. C. V. McKnight visited here the first of the week with Mr. and Mrs. Jimmie Hanson.

Mrs. C. E. (Mom) Clymer returned Wednesday from several days visit in San Antonio.

## Alice H. Evans Becomes Bride of Walter G. Downie

The First Presbyterian Church was the scene of a beautiful wedding Wednesday evening when Miss Alice Houston Evans, daughter of Mr. and Mrs. George Noyes Evans, became the bride of Walter G. Downie, son of Mrs. Edward Downie of this city. Dr. Patrick D. Miller officiated at the ceremony.

Masses of Southern smilax formed the background for myriads of white tapers in tall candelabra, and lovely arrangements of white calla lilies. At the base of the Resurrection window was a hedge of calla lilies. Bordering the center aisle of the church were tall mahogany standards holding large white cathedral candles, and tied to the standards with bows of white satin ribbon were clusters of calla lilies.

The vested choir, led by Betty Longaker Wilson, entered first, singing a hymn. Eunice Schilling was at the organ.

The ushers were Noyes Evans Jr. of Uvalde, H. A. Smith of San Antonio, Al Creigh Jr., and Al Creigh III, both of Sanderson.

Miss Eloise Seeligen was maid of honor and Misses Mary Jane Liles of this city and Emily Ann Kennard of Gonzales were the bridesmaids. They wore white faille taffeta gowns with long fitted bodices and full skirts with brief trains. They wore long white gloves and their petal-shaped caps were of fresh white carnation petals. Their bouquets were clusters of white magnolias. The flower girl, Annabell Ellen Sweeney, wore a white mouseline de soie frock appliqued with lace flowers and carried a nosegay of illusion and stephanotis, from which she scattered rose petals in the pathway of the bride. Her bonnet was also of the sheer white material.

Best man was Jack Downie, brother of the bridegroom.

Entering with her father, the bride was lovely in her gown of white bridal illusion, fashioned with an off-the-shoulder yoke with high neckline and applied around the edge, down the length of the long shirred sleeves and on the shirred bodice with designs of real lace. The bouffant skirt of four layers of the illusion extended into a long train. It was worn over white satin trimmed with the same lace which had adorned her mother's wedding slip. The long full veil of the illusion was caught to a crown of seed pearls and she carried a bouquet of white butterfly orchids and stephanotis set into a puff of the illusion. Garland of the stephanotis reached to the hem of her skirt.

After the ceremony, a reception was held at the home of the bride's grandmother, Mrs. George L. Houston, on Lajara. Arrangements of yellow calla lilies and tulips decorated the reception rooms. Beneath the glass top of the table holding the wedding cake on the glassed-in porch was a bouquet of white roses. The two-tiered cake was embossed with white spun sugar roses.

Arranged in a semicircle in the garden, hurricane lamps and calla lilies formed the background for the receiving line composed of the bride and bridegroom, their parents, their grandmothers, Mesdames Houston and Emma C. Gregory, and the bridesmaids.

## VICTORY PROGRAM TO BE HELD MAY 12

Terrell County residents will be privileged to be present at a grammar school operetta Wednesday evening, May 12, at 8:30 o'clock.

The operetta titled, "Molly Be Jolly", will be held in the high school auditorium and admission to the victory program will be the purchase of a war stamp or bond.

The public is cordially invited to be present for an evening of entertainment.

## GRADUATES

From Fort Knox, Ky., comes the information that Cpl. Jose L. Falcon, Sanderson, has been graduated from the Armored Force School Tank Department. During this course Cpl. Falcon was trained to keep the big General Sherman's, General Grants, and their little brothers, the light tanks, roaring into combat.

## QUALIFIED

Pvt. Gabriel Falcon, Sanderson, has qualified with the 30 caliber rifle on the known-distance range at Camp Roberts, Calif., according to information received from that place. Pvt. Falcon is receiving his basic training in the 76th Infantry Training Battalion.

## TO RECEIVE DEGREE

Miss Elizabeth Brown, daughter of Mr. and Mrs. A. D. Brown of Sanderson, is one of the 266 students at Baylor University, Waco, who are candidates for degrees at the universities commencement exercises to be held May 9. Miss Brown is a candidate for the degree of bachelor of business administration.

Ben Gilbert, of San Angelo, visited the past week-end with Mr. and Mrs. Jimmie Hanson.

## Texas Pilot Tells Of Battle With Axis Plane in Africa

Santa Ana, Calif.—A wild, hedge-hopping air battle fought for miles only 50 feet over the scrubby Tunisian desert between an American Lightning and a Nazi Messerschmitt was described here by the victor, Lieutenant Robert E. Eubank of Mabank, Texas, now assigned to a nearby air field.

"We were patrolling over the field near the Tunisian border," Lieutenant Eubank said, "when the controller below told us three ME 109's were headed our way. I started down into a cloud. When I came out there was an enemy in front of me. I opened fire and the bullets ripped through his plane."

The enemy fighter "peeled off" as though to make a forced landing, the 24-year-old Texan said. He followed it down.

Suddenly the controller called, "Look out! There's another on your tail!"

"I was pretty near the ground," Lieutenant Eubank recalled, "and I figured the only way to shake him was to circle a little mountain to my left. He started to follow me, then changed his mind and headed for home."

"I swung around the mountain, and began chasing him. I hugged the earth, never more than 30 feet above it, so he didn't see me until we topped a little ridge."

"I let go with both guns. He exploded in mid-air about 50 feet off the desert. The explosion created a huge fire and I had to fly through it."

Lieutenant Eubank, trained in the AAF West Coast Training Center, graduating from Luke Field, Ariz., a week after Pearl Harbor, is the son of Mr. and Mrs. Henry Eubank of Mabank. He downed three planes during the five months in North Africa.

## SUFFERS STROKE

Mrs. M. H. Goode Sr. suffered a light stroke of paralysis Thursday morning at her ranch home. Her left side is affected although she is reported to be getting along as well as might be expected.

## ON FURLOUGH

Pfc. Wilton Dishman arrived Sunday from Camp Rucker, Ala., for a visit with his parents, Mr. and Mrs. P. E. Dishman. He is on a fifteen day furlough.

Mrs. H. G. Holt went to Brownwood Monday to be at the bedside of Mr. Holt's mother who is critically ill. Mr. Holt was already with her.

## MEN 17 AND OVER 38 WANTED FOR COAST GUARD DUTY

The United States Coast Guard recruiting office at 217, post office building, Lubbock, has announced that men who are 17 years of age or who are over 38 years of age are wanted for service in the Coast Guard.

Men who have passed their 17th birthday but who are not 18 should write this office for parent consent papers, sending in their name, date of birth, and parents name in full. Men over 38 will be required to present birth certificates.

This offer is open for a short time, according to the information received, and persons interested should write for appointment for interview and physical examination date.

## Home Dem. Club Studies Preserving of Vegetables By Drying

Drying vegetables was the demonstration given by Miss Mamie Pryor at the regular monthly meeting of the Ranch Home Demonstration Club held April 30th in the home of Mrs. C. C. Mitchell.

The meeting was called to order by the vice-president followed by the club collect and a sing-song. Mrs. Appel Jr. gave an interesting educational talk and Mrs. Joe Brown led an instructive program on out-door living rooms assisted by Mrs. Appel Jr.

Among the business conducted the vice-president announced the district meeting to be held at Monahans on May 4th and urged all who could to attend. The members were urged to turn in all waste kitchen fats to Cooke's Market, and the Red Cross chairman reported 150 articles completed during April and ready to be turned in to the Red Cross. The members decided to meet Thursday, May 20th at 9:30 a. m. in the home of Mrs. C. C. Mitchell for a day of Red Cross sewing. Every one was urged to bring their own scissors, thimble, and needles. It is hoped that every one will come so that as much work as possible can be done. The next meeting will be held June 1st at 10:30 a. m. in the home of Mrs. John W. Byrd.

Because of the shortage of food Miss Pryor urged that everyone not only raise as much food as possible but to conserve it also. Due to the shortage of canning material such as pressure cookers, it is urged that conserving be done by drying. Practically all vegetables as well as fruits can be dried and do not lose any of their food value in the process. Miss Pryor demonstrated how to dry vegetables and had on display a drying rack for home drying as well as green beans, english peas, corn, and greens that had been dried at home. These vegetables were soaked in water during the meeting so that the members could see how they looked when they were ready to be cooked. Drying vegetables is a safe way to preserve them as there is no danger of food poisoning as in the case of improperly canned foods. Anyone desiring material or information on drying vegetables should contact members of the demonstration club.

The following members were present:

Mesdames John W. Byrd, H. C. Goldwire, Miller Robinson, Joe F. Brown, Albert Appel Jr., N. M. Mitchell, M. E. Mitchell, Ed. Conner, W. E. Lea, Gay Franks, and Misses Mamie Pryor and Mabel Lanum.

T. R. Kuykendall returned Wednesday from San Antonio where he has been for medical treatment for the past several weeks.

Mr. and Mrs. C. R. Cooke was called to Boerne because of the illness of her mother.

The 1943 Victory Home conserves food by producing its own supply of vegetables. Whether you live in town or on a farm, the Home Victory Garden will insure a healthful diet of vegetables full of vitamins and minerals.

Heavy scrap from America's farms is still vitally necessary to beat the enemy. Now that good weather makes it easy to locate scrap iron, every farm can help supply the materials that make guns and ammunition.

# How well do you know your War Bonds?

<p><b>1. Q.</b> How many people own War Bonds—          .....500,000? .....1,000,000?          .....50,000,000?</p>  <p><b>A.</b> More than 50,000,000 patriotic Americans—men of our fighting forces as well as civilians—have made their personal declaration of war against the Axis by buying War Bonds. Never before in history have so many people had a financial stake in their Government</p>	<p><b>2. Q.</b> Why are War Bonds the world's safest investment for your money?</p>  <p><b>A.</b> A War Bond is a "promise to pay" backed by the strongest government in the world. You can't get any better security! You can't lose your money. It can't be stolen. Even if the Bonds are lost or destroyed, you get every penny back. For every Bond is registered at the Treasury Department!</p>	<p><b>3. Q.</b> If you put \$3 into War Bonds, how much do you get back—          .....\$3.00? .....\$3.50? .....\$4.00?</p>  <p><b>A.</b> For every \$3 you put into War Bonds you get \$4 back when the bonds mature! And how those extra dollars mount up! Look at this:          You buy a War Bond today at \$18.75. In 10 years you get \$25.00. You buy a War Bond today at \$37.50. In 10 years you get \$50.00. You buy a War Bond today at \$75.00. In 10 years you get \$100.00.</p>
<p><b>4. Q.</b> Why does Uncle Sam want you to put money into War Bonds—          .....to pay for equipping our fighting forces?          .....to help keep prices down?          .....to give you extra money after the war?</p>  <p><b>A.</b> Check all three! The money you lend in War Bonds works hard—for the government and you! It helps pay for victory, helps keep prices down. And it comes back with interest!</p>	<p><b>5. Q.</b> How does buying War Bonds keep prices down?</p>  <p><b>A.</b> Right now, when our country's busy making war goods, lots of peacetime goods are scarce. There are fewer things to buy with your money. If people start bidding against each other to buy scarce goods, prices naturally go up. But if you buy War Bonds instead of Scarce goods, you help keep prices down where they belong.</p>	<p><b>6. Q.</b> Why will money you put in War Bonds be especially valuable to you after the war?</p>  <p><b>A.</b> After the war there'll be more of the things you want to spend your money for. Your money will go further. And you'll have more to spend—with all the extra interest your War Bonds give you!</p>
<p><b>7. Q.</b> How much money should you put into War Bonds—          .....10 percent of your pay?          .....12 percent? .....15 percent?</p>  <p><b>A.</b> Every loyal American ought to be putting at least 10 percent of his pay into War Bonds. And more if he can possibly do it. War Bonds make good sense—for selfish reasons as well as patriotic ones! Put every cent you can into War Bonds—and both you and your country will benefit!</p>	<p><b>8. Q.</b> How should you buy War Bonds?</p>  <p><b>A.</b> The Pay-Roll Savings Plan is the easiest, most convenient way. All you have to do is sign a card. The rest is done for you. Money is put aside from your wages every payday. When there's enough to pay for a Bond, the Bond is issued to you automatically. Get yourself in on the Pay-Roll Savings Plan today for your full 10 percent—or more!</p>	<p><b>HERE'S WHAT YOU SHOULD DO</b>          If you are—          / Already setting aside 10 percent of your pay for War Bonds through the Pay-Roll Savings Plan—boost that 10 percent if you can.          / Working in a plant where the plan is installed but haven't signed up yet—sign up tomorrow.          / Working in a plant where the Pay-Roll Savings Plan hasn't been installed, talk to your union head, foreman, or plant manager—and see if it can't be installed right away. The local bank will be glad to help.          / Unable to get in on the Pay-Roll Savings Plan for any reason, go to your local bank. They will be glad to help you start a plan of your own.</p>

## SAVE WITH U.S. WAR BONDS EVERYBODY...EVERY PAYDAY... AT LEAST 10%

The above is one of a series of messages to be brought to you by patriotic firms who desire to give you full particulars as to why you should LEND your DOLLARS to back our sons, husbands, fathers and friends, who are willing to GIVE their LIVES so that the world might be a free place in which you and your children, and they and their children, might live in freedom rather than as slaves to ruthless dictators. Every dollar put in bonds helps them.

## New Conditions----

During the coming months, all of us will be called upon to do without things to which we have long been accustomed. Each must make sacrifices in one way or another, but all will do it cheerfully so our great nation and its cherished institutions may be preserved.

Many things will go on much as before, and, on these, we may learn to place higher value. As in the past, your local bank will be ready to serve you, and we shall endeavor to keep our service attuned to the times.

picture why there are no hands on the clock. Because, one of the cast explains, "death is timeless."

After that little explanation, things get going. They're exciting things, and, in spite of the ominous title, hilarious things. The story tells of the efforts of a private detective to locate a kidnapped man. The detective is played by Chester Morris and aiding and abetting him are Jean Parker, Rose Hobart, Dick Purcell, Astrid Allwyn, Rod Cameron and James Kirkwood.

### EDDIE ALBERT REALLY NEEDS A BODYGUARD

If anybody in Hollywood ever needed a bodyguard it's this guy Eddie Albert, co-star with blonde and beautiful Anne Shirley in "Lady Bodyguard," coming to the Princess Theatre Friday and Saturday.

Eddie's film life and his private life are so much alike that someone someday should do a picture about him. He drives directors to distraction, not because he gets in their hair, but because he always turns up missing. When they finally locate him for retakes he's likely to be anywhere from Fairbanks, Alaska, to Guatemala City.

The perambulating Albert's last escapade was a trip to Mexico (where Paramount found him when he was needed for "Lady Bodyguard") and, of all things, he was acting in a circus as chief clown.

His trick with the "big top" and sawdust lasted for two full months with Eddie doubling as an acrobat. He also sold tickets and did other odd jobs around the lot. Ask him why he did and he'll tell you he "loves circuses."

"Lady Bodyguard" has this wandering star as a test pilot for an airplane company who gets a million dollar insurance policy as a publicity stunt Anne Shirley, as a gorgeously glamorous insurance executive, has the job of guarding him against the attempts of the three beneficiaries, Maude Eburne, Edward Brophy and Raymond Walburn, to collect on the policy.

worker have a real chance. Just the same, there is a rising murmur in this country for a "planned economy," an untried something to Americans. People shout against capitalism as if it stood for oppression and exploitation. Actually capitalism is the system that permits saving and investing. It has made Americans 15 times better off than other people. Nothing nearly as good has ever been found.

It's a fact that some Capitalists are crooks, and so are some Socialists and some Anarchists, but crooks are people, and economic systems don't change them. Some systems are better

than others however, and America's best-of-all systems can be swapped for a pig in a poke.

**VACUUM CLEANER**

Beating rugs by hand is hard on you and hard on your rugs, but it's your only alternative if you allow your cleaner to become damaged beyond repair. Here are a few hints on how to keep it in A-1 operating condition:

#### TIPS ON CLEANER CARE

- Empty dust bag every time cleaner is used. Dust in bag reduces suction.
- Avoid running cleaner over pins, nails, coins and other hard objects. Pick them up by hand.
- Keep brushes free from lint, hair and threads. Clean after each use.
- If cleaner is not picking up threads, check belt to see if it is turning brush. Increase tension or replace belt if necessary.

- Be sure that brush is properly adjusted. Bristles should extend about one inch below nozzle.
- Coil cord loosely on hooks. Pulling tightly may break wires inside where cord bends over hooks.
- Disconnect cord by grasping the outlet. Do not yank cord or pull damage connections.
- Follow manufacturer's instructions for cleaning and oiling. Consult your manual if you have lost directions.
