Talks to school teachers all over the country are being asked for this summer. The \$500,000. Its promoters think that will be to warm the heart of the nation and cajole a raise in teachers, to the tune of \$100 million every year to the national treasury. I believe and hope it will fail. It deserves

some teachers at least should be receiving more than they get under existing conditions of pay. I would like to see teachers, as a vocation, receive better salaries than the states by which they are employed; to which they owe a certain allegiance. Transferring such allegiance to a government bureau is a calamity. Not the movement's villainous acts is this: It would be using money needed to win victory and peace.

Why Hitler? The fact that America's makes certain distasteful necessary. To save the integrity of the United States young men are being sent to battle; they have to give up their rights, subsist on less money for subsistence, and are forced to do a lot of our enemies did first. There is no point to Nazifying public schools by placid educational syndicate to bureaucracy. National Finance Act of 1937, known as S. 637, by Albert D. Thomas and H. H. Clegg is adroitly worded. It starts right off with the provision: "No agency or officer of the United States shall exercise jurisdiction or control over any school or state educational institution with respect to which any money expended pursuant to the National Education Act of 1937 (Section Two) is used."

Further appropriations 300 million of Uncle Sam's money marks two-thirds of the money for teachers. It is the United States Commissioner of Education and authorizes apportionment of the money to the various states. It creates a commission to crack down on state and school authorities and (in Section 10) empowers him to make regulations and regulations as necessary.

A school teacher in the states would condescend back to an old fourth grade and contemplate of The Arab and His might do the schools a country 300 million dollars of good. As the story Arab permitted his head in his tent. But the camel (precedent established) peek inside also, then legs and at last entered, evicting the Arab.

Tuesday Bridge Club Members Meet at Bustin Canon Home

Entertaining at her home Tuesday afternoon Mrs. Bustin Canon was hostess to members and guests of the Tuesday Bridge Club.

Three tables were arranged for the players and at the conclusion of the series of games, prizes were awarded to Mrs. J. S. Nance for winning high score; to Mrs. C. P. Peavy for second high score, and to Mrs. Hugh Rose for consolation.

A salad plate and iced tea were served by Mrs. Cannon to the following: Mesdames Jack Deaton, Robert Duncan, Walter Grigsby, Austin Nance, Roger Rose, C. P. Peavy, Hugh Rose, J. S. Nance, C. F. Pickard, S. H. Underwood, Ted Baker and P. P. Courtney.

BROTHER DIES

John K. Hubbard, with the Border Patrol, was called to Pampa, Texas, Monday because of the death of his brother, W. M. Hubbard. He was injured in World War I and had been in ill health since that time. Funeral services were held at Miami, Texas.

COLONEL'S LADY BECOMES PRIVATE—

An Army Colonel's wife became a private in the Women's Army recently in Dallas. She is Mrs. Elizabeth Haas, shown above taking the oath as an Auxiliary in the Women's Army Auxiliary Corps. The oath is being administered by Captain George E. Bushong, WAAC enrollment officer. Observing is Mrs. Haas' husband, Lt. Colonel William R. Haas, Medical Corps of Camp Barkeley. "It's the finest place I know for her to be of service to her country during this emergency," Colonel Haas said.

EFFORTS BEING MADE TO ORGANIZE SOFT BALL TEAMS

FIELD TO BE LIT SO PLAYING MAY BE DONE AT NIGHT

Efforts are under way this week to make arrangements for the lighting of the ball park east of town so that soft ball games may be played at night. With gasoline and tire rationing, those behind the movement believe it will afford relaxation and entertainment for many and at a time when it will not interfere with duties connected with their business or work.

Present plans call for the organization of several teams so that tournaments may be played. The fire department will sponsor a team, the railroad boys are to sponsor a team, and there will be one or two teams organized from the soldier boys at Meyers Canyon, as well as a town club. It was also pointed out that efforts were to be made toward organizing a team for the ladies of the town.

Further announcements will be made as to plans and when the games will start. Ample lighting fixtures are already at hand and on additional wiring will be necessary since a power line is already run to the field.

BOSWORTH IS NEW NAVAL PRESS CHIEF IN SAN FRANCISCO

Captain J. W. Gates, public relations chief of the Twelfth Naval District here for the past two years, has been detached to assume new duties as commanding officer of the Naval Officers' Training unit at the University of Minnesota.

This announcement was made by Vive Admiral Greenslade, commandant of the district, who at the same time announced that Lieutenant Commander A. R. Bosworth will succeed Captain Gates in the local post.

Commander Bosworth, one time news editor of The Chronicle and a news executive on Los Angeles papers, won fame as a short story writer and novelist before he was called to active naval duty in 1940. Appointed first as public relations officer here, he later served with the Atlantic fleet and Fourth Naval District headquarters before returning to the San Francisco post. He has been press relations officer for this district for the past fourteen months.—San Francisco Chronicle.

Commander Bosworth is a son of Mrs. Betty J. Bosworth and a brother of D. O. Bosworth of Sanderson.

ATTEND CONFERENCE

O. H. McAdams, Jay Tom Holley, Mrs. M. L. Grimes, Miss Imogene Woodruff, and the Rev. and Mrs. James O. Todd went to Marfa Thursday night of last week where they attended the Worker's Conference of the Baptist Church. The conference will be held in Sanderson July 8th.

Mrs. H. B. Persch left Monday for a visit in San Antonio and Kingsville.

TERRELL COUNTY MEN REPORT FOR INDUCTION

Men who reported for induction from Terrell County Thursday morning at the induction center, El Paso, were Marshall N. Cooke, Aurelio B. Torrez, Rodolfo Villarreal, Alfonso Olivares, Francisco V. Hernandez, Ramon M. Escamilla, Felix N. Munoz, Manuel V. Alvarez, Modesto M. Galvan, and Jesus S. Vasquez.

William F. Thomas was transferred to a Dallas board for induction and Ernest E. Harkins Jr. was transferred from Hayes County to Terrell. Creencio Rios was also transferred from Bexar County to Terrell.

Bill McPhee, son of Mrs. Marion Briggs, reported to the induction center on June 14th, replacing one man in the call for last month. He is at home with his mother at present, but will report for duty Tuesday of next week.

CHARLENE CHANDLER GIVEN BIRTHDAY PARTY WEDNESDAY

Charlene Chandler, daughter of Mr. and Mrs. Joe Chandler, celebrated her fifth birthday with a party Wednesday afternoon at the home of her grandmother, Mrs. Lena Stavley.

Games were played and balloons were furnished the little guests.

Ice cream and cake were served with "noise makers" as plate favorites, to the following: W. J. Vaughan, Butch Stavley, Tommy Mansfield, Jerry Whistler, Jimmy Merrit, Sandra Jean Schwabe, Darrell Glenn Cox, Vanhance Jo Nance, Joan Carruthers, Colleen Pierson, William Doyle O'Bryant, Irvin Robbins, Butch McElroy, Della Mae Dunagan, Virginia Chandler and the honoree.

FRIDAY BRIDGE CLUB ENTERTAINED IN UNDERWOOD HOME

Mrs. S. H. Underwood entertained members of the Friday Bridge Club in her home last Friday at 3:00 o'clock. Summer flowers decorated the living room.

Winner of high score for the bridge games was Mrs. Conway Pickard. Second high winner was Mrs. W. H. Buchanan.

A lovely salad plate and iced tea was served by the hostess to Mesdames Paul Collins, Jess Mullins, Ted Baker, W. H. Buchanan, Jack Laughlin, Roy Bogusch, Hugh Rose, and Conway Pickard.

MRS. FRED SCHMIDT LEFT FRIDAY OF LAST WEEK FOR A VISIT IN SAN ANTONIO.

Mrs. Fred Schmidt left Friday of last week for a visit in San Antonio.

LOCAL POSTOFFICE TO OBSERVE NEW CLOSING HOURS

COOPERATION OF PUBLIC REQUESTED BY POSTMASTER

Postmaster Clyde Griffith has announced that beginning Monday, June 28th, the postoffice at Sanderson will be closed each day at 5:30 o'clock in the afternoon. Mr. Griffith states that this action is being taken in compliance with an authorization from the Post Office Department at Washington, D. C., and is being done to partially compensate postal employees for the extremely long hours they are compelled to work at inadequate rates of pay.

All service windows will be closed and no postal business of any kind will be transacted after 5:30 p. m. on and after the above date. Mr. Griffith stated that it was hoped that the public would cooperate with this ruling by making arrangements to transact their postal business at an earlier hour and by refraining to ask for service after closing time.

PURCHASES OF MEAT FROM MEXICO ARE ALLOWED SHOPPERS

SEVEN POINTS PER POUND MUST BE GIVEN UP FOR ALL CUTS OF BEEF

Texan shoppers who buy meat in Mexico and bring it back across the Rio Grande were given further leeway last week by OPA, which earlier announced that meat could be brought into this country from south of the border when consumers give up seven points a pound.

In a new order received by W. C. Marshall, food rationing officer for OPA in the San Antonio district, it was announced that Mexican cuts of meat, usually different from those of the standard OPA meat tables, can be brought across the border regardless of the cut and type. Unfamiliar cuts of Mexican meat had been barred because the cuts differed from those on the official point value table.

PRESBYTERIAN AUXILIARY MEETS WITH MRS. ERVIN GRIGSBY

The Woman's Auxiliary of the Presbyterian Church held its regular monthly meeting Monday afternoon, June 14, at 3:30 o'clock in the home of Mrs. Ervin Grigsby. At this time plans for the taking of the religious census were made.

Mrs. R. S. Wilkinson conducted the Bible study on the third through the seventh chapter of Acts.

Mrs. Elton Seest led the program, "All Out Defense on the Home Front." She was assisted by Mrs. J. W. McKee.

A social hour followed the meeting during which the hostess served angel pie and iced tea to the following members and visitors: Mesdames Gay Franks, John Nichols, Elton Seest, C. L. Sims, J. W. Byrd, R. S. Wilkinson, W. C. Vaughan, J. E. Hanson, Lee McCue, J. W. McKee, Joe F. Brown, Earl Pierson, C. C. Mitchell, Helen Downie and Walter Gregory.

UNDERGOES OPERATION

Freddie Talbot Jr. underwent an operation in a Fort Stockton hospital Saturday of last week for hernia. He is doing fine.

MRS. A. B. GATES AND DAUGHTER, MARY NEIL, RETURNED HOME TUESDAY OF LAST WEEK AFTER VISITING SEVERAL WEEKS IN HOUSTON WITH RELATIVES. THEY WERE ACCOMPANIED HOME BY MRS. GATES' NEPHEW, JIMMY BUTZ.

OPA ADVISES DELAY IN RECEIVING RATION BOOK 3 NOT SERIOUS

MAILING IS HUGE TASK FOR VOLUNTEER WORKER GROUP IN DALLAS OFFICE

Do not be alarmed if you have not yet received your ration book number 3, as the huge task of mailing the books from the Dallas OPA mailing center is far from completed, District OPA Director F. M. Covert, Jr., announced Saturday.

Of 3,056,350 number 3 ration books issued to date, 1,557,489 have been mailed to Texans; 845,900 to Oklahomans; and 652,961 to Louisianans.

It is estimated that Texas will receive 6,416,266 books; Louisiana 2,339,426; and Oklahoma 2,132,380.

Mr. Covert praised the Dallas OPA volunteers for doing this work for the three states. The volunteers are racing against the July 21 deadline, he stated.

SOLDIERS JUMP FROM TRAIN SUN; ARE APPREHENDED

Pvt. Kenneth Casler and Pvt. Ellis Shaffer, from Camp Shelby, Miss., both en route to a new camp, jumped from windows of a moving train, making approximately 25 miles per hour, at Tenneson, about 25 miles east of Marathon on the Shely ranch last Sunday. They were apprehended and turned over to Deputy Sheriff Granger, who had notified the Shelys of the boys' jumping from the train. Shaffer was picked up soon after jumping from the train and Casler was picked up about 10 o'clock the next morning.

Neither one offered any resistance, but both had evidence that something had happened, for one had landed on his head, bruising it considerably, and the other landed on one foot, spraining his ankle.

Both Casler and Shaffer were transferred to Fort D. A. Russell soon after capture.—Alpine Avalanche.

AIRPLANE USED IN KILLING COYOTE ON CIRCLE DOT RANCH; DAMAGE GREAT

RANCHMEN MAKE TWO DRIVES TO KILL DEPREDATOR

The use of an airplane Wednesday in coordination with a number of drivers on the ground ended the pillaging of one coyote on the Circle Dot Ranch and nearby ranches. Damage done by the animal during the past two months in the killing of lambs on the ranchmen was estimated at approximately \$500.

A drive was made Tuesday of last week when ranchmen and several men from Sanderson gathered at the Circle Dot and rode the pasture where the killing had been done and where the animal had been seen by employees of the ranch. The coyote was jumped on this occasion but cut around and behind the drive and was lost. It was then decided to secure the services of a plane and Game Warden Ray Williams and Pilot C. B. Casparis, both of Alpine, were contacted. They arrived at the ranch at eight o'clock Wednesday morning, flying down from Alpine. Thirty men from neighboring ranches and from Sanderson were already gathered in preparation for the drive, which started soon after the plane arrived.

The men on horseback jumped the wolf at about nine o'clock but the men in the plane failed to see him. After completing the first drive Mr. Williams, who was gunner on the plane, using a shotgun loaded with buckshot, and Mr. Casparis suggested that since they were already at hand that another drive be made. The wolf was jumped again at about 12:30 and the plane, which had been flying back and forth along the line of drivers, spotted him. They took up the chase and Mr. Williams downed the animal the third shot.

Mr. Casparis and Mr. Williams have been carrying on this method of exterminating both coyotes and eagles during the past year, and have destroyed around two hundred coyotes in that time. They have also killed several hundred eagles in the same period of time.

Frank Warren, foreman of the Circle Dot, stated that some of the ranchmen believed that the mate of the wolf was still at large in the vicinity, although only one wolf had been seen at a time by riders.

AUTO OWNERS URGED TO PURCHASE STAMPS BEFORE DEADLINE

TO BE AFFIXED TO AUTOMOBILES BY FIRST DAY OF JULY

With but a few days remaining in which to purchase the 1943-44 federal auto use stamps, sales of the \$5.00 stamps are rather slow according to Postmaster Clyde Griffith. He reminded that the stamps must be purchased and affixed to all motor vehicles by July 1. Failure to have them attached to the vehicle by that date will subject the vehicle owner to a stiff penalty.

The federal law, it is pointed out, states that the stamps must be attached to the vehicle. Last year a number of local citizens were penalized for not having the stamps affixed although they had the stamps in their possession.

The stamps, costing \$5.00, are for the period from July 1, 1943 through June 30, 1944.

TOOLS NEEDED FOR PRODUCTION ARE MADE AVAILABLE

EQUIPMENT TO BE PLACED INTO RETAIL CHANNELS

Several hard-to-get farm supplies which farmers need for increased food and feed production will be available at once the USDA War Board has announced.

Under an emergency program which already has gone into effect, the War Production Board has asked manufacturers and distributors to get into retail channels without delay adequate quantities of approximately 66 items most urgently needed by farmers. Later, a program to meet long-range needs will replace the emergency program and 78 items will be available, making a total of 144 with high priority rating.

Items included in the emergency program are auger bits, batteries, kerosene and gasoline cans, various types of chains, grain scoops, hoes, harness, well casing, pliers, screw drivers and shovels.

Additional items in the long-range program include axes, bit braces, blowers and forges, bolts, and nuts, hacksaw blades and frames, jacks for farm tractors, mule shoes, horseshoe nails, pump rods and couplings.

Explaining operation of the program, B. F. Vance, chairman of the board, said the priority regulation provides that whenever a farmer orders any of the farm supplies from a dealer who has them in stock, he will sign a certificate specifying his needs. A certificate, which entitles purchase up to \$25 of any of the items on the list, may be furnished by the dealer or written out by the farmer.

Certificates which exceed the \$25 limitation must be approved by local county farm rationing committees before purchase may be made, he explained.

The new barracks for enlisted men at the Dryden Airport, the contract for which was let to the San Antonio firm of Chamberlain and Strain on February 24th of this year, were completed this past week and on Monday of this week were accepted.

J. W. Downum was a business visitor in San Antonio several days this week.

Announcements were received in this city Wednesday of the wedding of Miss Melburn Glass of Sterling City, Texas, and Mr. William Ervin Grigsby of this city on Sunday, June 18th, at the home of the brides' parents, Mr. and Mrs. J. L. Glass, in Sterling City.

A pretty home wedding was solemnized last Thursday morning, June 15th, in Llano, when Rev. F. V. Fatridge of the Baptist Church in that city, united in marriage Miss Hazel Hill and Mr. Malone Mitchell.

Mrs. Mary Lou Kellar has returned from a visit with rela-

tives in San Marcos and San Antonio.

William Lea left Wednesday for San Antonio where he will enter the Citizens Military Training Camp for the next six weeks.

L. H. Lemons, assistant cashier at the Sanderson State Bank, is on his vacation this week which he is spending in El Paso and in Tucson, Ariz., with relatives.

STRICTLY BUSINESS

by McFeatters

"At this point we received a letter from Leon Henderson."

Chemical Battalion is in the throes of necessary organization work that must precede the beginning of training of Americans as fighting men ready to use their training in action against an enemy of this country.

The Battalion, successor at the military post here to the 81st Chemical Battalion, is "starting from scratch" as "the man in the street" might say it. In the embryonic stage at present, the organization eventually will be a vital unit of the Chemical Warfare Service of which Major General William N. Porter is chief.

Alpine Avalanche—District Attorney Alan Fraser, who received his commission as captain in the army some time ago, has been ordered to report at Fort Custer, near Battle Creek, Mich., for initial training in military government. He expects to leave here some time next week.

Wink Bulletin—An 80,000 barrel tank full of oil, the property of Stanolind Oil & Gas Company, was struck by lightning Wednesday afternoon at 5:40 o'clock, igniting the huge storage.

The loss of oil and destruction of the tank will probably amount to between \$75,000 and \$100,000.

Ozona Stockman—Although

facilities of Ozona's airport, five miles west of town, has been at the disposal of the army air forces from the beginning of the training program and have been used frequently by cadets in training at nearby training schools, a move was launched here this week to place the field in the hands of and completely under control of the army, for its use as an auxiliary field.

Fort Stockton Pioneer—Despite the discouragement recently encountered for Trans-Pecos communities in efforts to secure a place in air transportation through refusal of the Civil Aeronautics Board to grant permanent certificates of necessity either to Braniff Air Lines or Consolidated Air Lines for a proposed San Antonio to El Paso route, there is renewed possibility that such a service may become reality through efforts of Braniff to secure temporary certificates in order to try out the route and determine the extent of support which it might receive.

AT THE PRINCESS—

"REVEILLE" FILLED WITH JIVE STARS, MUSIC, MIRTH

With one of the biggest radio personality parades in recent screen history, "Reveille With Beverly" shows Tuesday at the Princess Theatre. Ann Miller, scintillating dancing star, heads the featured cast of the new film, said to be one of the raciest radio romances ever caught on celluloid.

Others in the cast, in addition to William Wright, Dick Purcell, Adele Mara and Barbara Brown, are:

Bob Crosby and his orchestra, the "Dixieland" band of the air waves; Freddie Slack and his orchestra with vocalist Ella Mae Morse, America's favorites of the "champaign hours"; Duke Ellington and his orchestra; Count Basie and his orchestra, Frank Sinatra, the Mills Brothers, and the Radio Rogues.

The film is based upon the popular early-morning radio "jam session" of the same name, tracing its origin and its eager Army camp audiences. Miss Mil-

DEANNA DURBIN STARS IN SUNDAY-MONDAY FILM

An extraordinary motion picture is scheduled for Sunday and Monday at the Princess. It is "The Amazing Mrs. Holliday," starring Deanna Durbin.

This Mrs. Holliday, portrayed by Deanna, is a very resourceful young American girl who evacuates a group of helpless little children from the Orient in time to escape the Japanese terror. How she finds refuge in America and is forced to masquerade as a wealthy widow, provides sensational dramatic action leading up to the film's climax.

The romantic side of the picture is appealing and completely believable. Edmond O'Brien has the leading masculine role opposite the star while other favorites are included in the cast. Deanna's singing voice, an amazing feature of every movie in which she has starred, is heard in five selections.

COLMAN, GARSON EXCEL IN JAMES HILTON'S HIT STORY

Ronald Colman and Greer Garson, teamed for the first time, provide haunting romance and a dramatic story in "Random Harvest," screen presentation of James Hilton's best-selling novel, which will show at the Princess Wednesday and Thursday.

Closely following the book, except that the story is told in chronological order instead of in "flashbacks", it deals with a wealthy Englishman who loses all memory of his past during the first World War. Befriended by a young actress, he starts life anew and wins note as a writer. They marry. Then, in an accident, his memory of the past comes back, but memory of the space after the war vanishes. He assumes his old identity and becomes a powerful figure in industry. The wife, realizing that she now is a stranger to him, becomes his secretary, never mentioning their marriage.

"Yes, Catherine and I had a letter this morning, too. Said he was writing you... he's very fond of you, Judge. Catherine is certainly proud of Joe and proud of the great Army he's a part of."

"She has good reason to be, Frank.

Joe is one fine fellow and the Army he's in is the best disciplined, best behaved in our history. Just last night I was reading an article that quoted a report signed by five chaplains in the very camp where Joe is now training. I remember their exact words which were "there is no liquor problem at this Post." And I understand that's true in camp after camp all over the country. And if Catherine would like to see that report, I'll drop it off at the house tomorrow."

To track the big stone, it was dislodged by means of dynamite instead of with dynamite after two attempts at it had failed.

A field crash truck, used to transport damaged airplanes, was brought here yesterday as the stone was being made to move. Half-inch cables were attached to the stone. In the loading process, the stone was pulled by the big army truck in the first loading try. A second and larger truck was successfully used in the second try. The weight of the stone was estimated at 30,000 pounds. The load was transferred to the larger truck for transportation to the site where it is to form the base of the monument in front of the chapel—Ozona Stock-

TO: Every American on a Payroll FROM: The Secretary of the Treasury

SUBJECT: The New Pay-As-You-Go Method of Collecting Your Income Tax

Starting July 1st, both your Income and Victory Tax will be collected by an entirely new and more convenient method.

Under the old system, you were obliged every March 15th to pay either the full tax for the previous year, or a quarter of that amount. Under the new system, you will keep paid up from month to month.

After July 1st, your employer is obliged by the new law to withhold every month a part of your wages and turn the money into the United States Treasury as payment on your Income and Victory Tax.

Of course, the amount that your employer withholds will depend upon your pay and your exemptions. But this is the important point: For most of us, the amount withheld over a year's period will add up to the same that we're paying now—plus or minus a few dollars.

At the end of the year, we may owe the Government a few dollars or the Government may owe us. (See the tables below.)

You may have heard 20% mentioned as the proportion of your wages that will be withheld. Actually, this is incorrect. To figure the amount that will be withheld, take your total wages and subtract your allowance for exemptions and allowance for dependents; 20% of this lesser amount is the total that will be withheld.

Now please remember this: You must claim those exemptions to take advantage of them. Before July 1st, you must file with your employer an Exemption Certificate. If you do not do this, your employer will have no choice but to deduct 20% of your full pay check.

Here is how the new tax collection method will work: Let's say you are a working man earning \$3,000 a year; that you are married, and have two children.

First of all, as a married man you are allowed a personal withholding exemption of \$1,248, plus an exemption of \$312 for each dependent (other than your wife). This makes a total exemption of \$1,872 (\$1,248 for yourself and wife, plus \$624 for your two

dependents), which is deducted from the \$3,000 you earn before your tax is computed. You are thus paying tax on \$1,128, of which your employer will withhold 20%, or \$225.60 for the year. Therefore, in your pay envelope, after July 1, you will receive about \$4.40 less each week.

In March, 1944, when you ordinarily would be faced with paying taxes on your 1943 income, you will file a return showing how much you have already paid, and how much your total tax actually amounted to. If, by that time, you have already paid more than your actual tax due, you will be given credit for the difference. If you owe more than you have paid, you will pay the difference.

Since this plan starts July 1, many wonder what happens to the tax payments they will already have made by that time—on March 15 and June 15.

For a great majority of people, here is what happens. . . . Your 1942 income tax is "forgiven" (either all, or most of it). The March and June installments which you originally paid on that 1942 income tax are credited, instead, as payments on your 1943 tax. With the result that on July 1st, with the year half gone, you have already paid tax on that half-year's income. In short, you are "paying as you go."

There is one thing more. Since this pay-as-you-go method leaves you just as much of your net income as you had before, you will probably find it possible to at least maintain your present rate of buying War Bonds. Do this by all means!

Taxes alone will not bring to the Treasury nearly enough money to finance the great invasion war that lies ahead. The war needs every cent of your money that does not go for the necessities of life.

"You Do Your Job and I'll Do Mine"

The labor shortage on the farms of the United States is so acute that 3,500,000 youngsters, old men, and women will have to be recruited for emergency work in fields and processing plants. A skilled farm boy can make his greatest contribution to the war effort by producing the food that is needed for our fighting men. "Stick to your big job," says Pvt. Harvey Horton to farmer Robert Stiles, "and I'll do mine." Robert's dad, N. C. Stiles, seems to approve.

IN APPRECIATION

May we take this opportunity of expressing our sincere thanks and appreciation for the acts of kindness and words of sympathy during the illness and death of our loved one. Especially do we thank you for the beautiful floral offerings.

FRILLS REMOVED FROM WOMEN'S WEAR

A clothing conservation program adopted by WPB will affect every branch of the women's and children's outerwear industry. Manufacture of dresses is now subject to two controls square-inch limitations on the amount of material and design of the trimmings, and control of the basic silhouette to specified measurements of length, sweep, hip, hem, etc., listed in amended order L-58.

What You Buy With WAR BONDS

Before we win the final battle with Hitler's Nazis all navy men agree we must win the battle of the Atlantic; that is to free the sea lanes of the German U-boats. A year ago we were building 54 cruisers and nearly 200 destroyers or just about enough for a two ocean navy.

Now we have come to realize that this war is to the finish, "winner take all," and our Government is building a five ocean navy. That is why we are being asked to increase our subscriptions for War Bonds. That is why we must do it. U. S. Treasury Department

At sea on a submarine isn't exactly the "life of Riley." In the Battle of the Atlantic, or on the great stretches of the Pacific these sailors know the hazards of their work.

One of the spots aboard these "Pig Boats" that all crew members enjoy is the galley, or kitchen. Space limitations prevent an elaborate set-up, but cooks aboard these vessels are justly proud of the meals they prepare for their crews. Your increased purchase of War Bonds helps make submarine life as pleasant as possible. U. S. Treasury Department

IN MEMORY OF G. J. HENSHAW

WHEREAS: In loving memory we pay tribute to brother G. J. Henshaw, our own Past Patron, who has entered that divine land of endless day. We think of the things he loved; the azure blue, the gold of the harvest fields, the pure white of the lily, the ever-living green, the glowing red.

WHEREAS, we know there are no accidents in God's plan. There is a definite purpose in creation. This brief span of existence is but a preparation for something higher, something greater. The mystery of death we cannot know, and the workings of God we cannot understand.

Be it resolved, that may we, as sisters and brothers, follow the light of this radiant star until we too, shall cross the bar led by God's sustaining hand, and awaken into the glory of everlasting morning, to part no more.

Sanderson Chapter No. 136 Willora Chastain, Sec'y

Mr. and Mrs. Ervin Grigsby went to McCamey Sunday from where Mrs. Grigsby continued by bus to Sterling City for a visit with her parents, Mr. and Mrs. J. L. Glass. R. V. Raney and Fred Talbot accompanied them as far as Fort Stockton where they visited with Mrs. Raney and with Freddie Talbot, who were in a hospital there.

Mr. and Mrs. Ottis Reeves of Bonham arrived Friday for a visit with her sister, Mrs. T. R. Arrington and family.

Mr. and Mrs. O. W. Hiskett of Fort Stockton visited here Sunday with Mr. and Mrs. John K. Hubbard and family, and with Mrs. Emma Hiskett, mother of Mrs. Hubbard who is here from her home in Chickasha, Okla.
