NOT MUCH ROOT GROWTH--Danny Bainum inspects some of the maize on the Bainum farm southeast of Friona and finds the roots in the fields aren't as well developed as they should be at this time of year. Due to the excessive moisture condition, the plants haven't put out enough roots to stand many days without water.

Water, Sewer Plan Gets Council OK

Members of the Friona city council okayed plans and specifications for the modernization and improvement of the city's water and sewer system to bring up the system to serve a town of double the present population at a special session Thursday.

The entire system is so designed that if the need arises in the future additions and modifications can be added to again double the capacity of the new system.

Actual cost of the total improvements will not be known until after the contractor's bids are in, but estimates have

placed the cost at over \$150,000.

Included in the revamping of the city's sewer system is the construction of a new sewer site at a location east of town on the Frio Draw.

The present plant will be abandoned as there is no room for expansion at the site, plus the fact the plant is inside the city limits.

The new site was purchased from the Santa Fe Railroad system this year following near court action by the city.

In addition to the construction of the new sewer plant, plans call for the construction of a 500,000 gallon ground storage tank for the city's water supply.

This will be built at the city property on 6th Street and Grand

Avenue.

It will be constructed of either concrete or steel, depending again upon bid prices.

In either case the new addition will bolster the city's present storage facilities by over 200 per cent.

The city's water pumps will be revamped and boosted from the present pumping capacity of around 1000 gallons per minute to 2400 gallons per minute with the addition of heavier motors.

Two chlorinating stations will be added (at present city water is not treated), one at the old pump site in the east part of town, and one at the 6th street.

At the 6th Street Station a pumping station housing booster pumps and chlorinating equipment will be constructed in a 20 x 20 concrete building.

In addition to all these improvements the city's sewer

LEVEQUE, ROBERTS CO-CHAIRMEN

Maize Days Slated For September 5-10

Friona's Annual Maize Days Celebration will be observed the week of September 5-10 with the emphasis of the affair being on the Thursday, Friday and Saturday September 8-9-10.

The Lions' Club will again sponsor rides for the young in heart through the cooperation of

the Lone Star Amusement enterprises, managed by S. B. Rhodes of Amarillo.

The rides will be set up on Sunday, with this part of the weeks' entertainment getting underway Monday, September 5.

been released by this year's chairman, Martell Leveque and Porter Roberts.

They say that generally the show will follow the pattern of former years.

One hitch has developed in the Celebration, that is that the Friona Chieftains are slated

to meet the Fort Sumner Foxes that Friday night at Fort Sumner. But--school officials will see if the game can be played in Friona.

Other than this the plans will move along with all the various committee chairmen having been named at a meeting of the Maize Days co-chairmen and members of the Friona Chamber of Commerce & Agriculture.

Other local men and women who will serve on the various committees include the following:

Carnival--Friona Lions Club
Finance--J. G. McFarland, Pudge Kendrick, Ralph Roden, J. C. Claborn.

Parade--Bill Nichols, Hollis Horton Jr.

Beard--Rose Lange
Go-Kart Race--Buddy Claborn, Jarrell Wright

Shave Permits--Friona Lions Exhibits--Johnny Wilson, Tommy Jones

Queen Contests--Deke Kendrick, Charles Allen, Marie Roden, Juanda Jarrell.

Publicity--Dave McReynolds
Bar-B-Q--Kenneth Williams, Ralph Taylor, Ralph Shirley

Pie Eating Contests--Earl Graham, Bill Raney
Horse Races--Pete Buske, Wes Long, Johnny Hand

Tractor Race--J. C. Lane, David McVey

Kid's Contests--Tom Jarboe, Baker Duggins

There will be a meeting of all committee members and directors of the show in the Community Room of the Friona State Bank at 7:30 p. m., August 8.

County Borrows \$10,000

Farmer County's Commissioners Court Monday passed a resolution authorizing the clerk to borrow \$10,000 from the First National Bank of Bovina. The money will supplement the county general fund until money is collected later this year.

The short-term loan, which carries an interest rate of 5 per cent, is due December 15 of this year.

Money has also been borrowed for the general fund in past years, due to a continued shortage of tax revenue. However, this situation should soon be alleviated by the increase in revenue which came about last year when the property valuation for the county was raised, says Hugh Moseley, county clerk.

In other business Monday, the commissioners paid bills and okayed past minutes.

MOMMA TAKES A LESSON--Momma (Judy Cummings) takes a lesson from son Scott, prior to the "Mommas" baseball game slated for this Saturday. Judy says that although she is a willing pupil, Scott didn't exactly take to teaching Mom the finer points of baseball. All proceeds of the game will go toward paying for restroom facilities to be constructed at Friona's Junior League Park.

Mommas vs Mommas Saturday At 8 P. M.

It will be mommas vs mommas at Little League Park in Friona Saturday at 8 p. m.

In an effort to supplement funds for park improvements, the mothers' organization will choose sides and play a benefit game. Spokesmen for the group anticipate attire ranging from regulation baseball suits to evening gowns. Umpire will be Mrs. Rudolph Renner but line-ups for the two teams will not be decided until Saturday.

Fathers will man the concession stand during the game. No admission will be charged, but all contributions will be accepted. "We're going to pass the bucket and we expect it to be full," say members of the mothers' club.

Primary aim of the group, organized soon after the season started, has been to raise funds to build rest rooms at the park. Carl McCaslin, Inc., had low bid on the project and details of construction are being worked out. The rooms will

have sloping floors with drains and walls that can be hosed down. Construction will begin next spring in time for the first games of the season.

Other organizations have also contributed to fund. They include Friona Home Demonstration Club, \$25; Hub HD Club, \$50; Black HD Club, \$5; and Lakeview HD Club, \$10.

The mothers' group plans to remain active during the winter and a special project this fall will be painting bleachers.

Last Swim Class To Register Sat.

All persons between ages of 16 and 60 who would like to learn to swim are asked to register with Baker Duggins in the counselor's office in the Friona High School building at 9 a. m. Saturday.

Present swim class will end Thursday.

Pioneers Honored At Rhea Church Anniversary

Rev. A. M. Lohmann of Perryville, Mo., first pastor of the Emmanuel Lutheran Church in the Rhea community, was guest speaker at a golden anniversary observance Sunday.

A number of former members of the church attended the all day service which began at 10 a. m. All visitors were guests of members at a basket dinner in parish hall following the morning service.

Following the afternoon session a social hour concluded the day's activities.

Rev. Lohmann directed organization of the church in 1910 and delivered the dedicatory sermon that year. Charter members were C. W. C. Gallmeier, George Sachs, Charles Schroeder, Herman Reinking,

Charles Lavall, Ernst Schroeder and Conrad Droege. Officers of 1960 are Franklin Bauer, chairman; Melvin Sachs, son of one of the charter members, secretary; Carl Schlenker, treasurer; Floyd Schueler, financial secretary and Sunday School superintendent;

Robert Schueler, Chris Goetz, Raymond Schueler, board of elders; Florian Jarecki, Elmer Deyke and Chris Drager, trustees; Melvin Sachs, Eldon Garber, Gilbert Schueler, board of education; Franklin Bauer, Herbert Schueler and Florian Jarecki, stewardship board.

Some pioneer residents of the community and former members of the church who were honored guests were: Mrs. Ernst Schroeder of Fort Wayne,

Ind. and her daughter Mrs. Lora Kessler from Portland, Ore.; and Mr. and Mrs. Mart Reinking and daughter, Donna Jean of Fort Wayne. Mrs. Reinking is another daughter of Mrs. Schroeder;

Also Mr. and Mrs. Arthur Droege, son and daughter-in-law of Conrad Droege, charter member of the church; Mr. and Mrs. Roy Conrad of Hoagland, Ind., daughter and son-in-law of Charles Schroeder, also a charter member, who were accompanied by a son and daughter;

Also Mr. and Mrs. August Koeltzow and daughter, Diana of Wheatridge, Colo., daughter, son-in-law and granddaughter of Charles Gallmeier;

Also Mr. and Mrs. Bill Gallmeier and son, Edward, and his wife of Vernon, Texas; Mrs. Elsie Groeschel of Houston, wife of a former pastor; and Mr. and Mrs. Edgar Zwick and children of Fort Wayne, Ind.; Also Pastor and Mrs. R. F. (Continued on page 8)

country, from those who have seen it come from the buffalo grass to the irrigation ditch. Who could've dreamed that a short fifty years later that this country which then promised so little, could show so much.

The pioneers of Rhea were of such a group.

Hearing of the selling off of the big landholdings of the XIT they inquired, bought and moved to Texas from their homes in the Midwest.

Yes, they built a church in a spot where for 20-odd miles there wasn't a tree, or another habitant.

Today you can drive out to Rhea and when you get to the Schlenker elevator look back toward Friona and try to imagine what a sight it must've been sitting on a horse, or in a wagon and not a sign of a fence, tree or a house from then minute township of Friona to Schlenker's corner.

We have had the pleasure over the past years to visit with Mrs. Schlenker who can recall the days when on their way to town, the people in that vicinity would stop at their house for a drink of water before spurring on to town.

In this day and time of jet airplanes, fast cars (and ulcers) such things are hard to realize.

But, our entire Nation owes these people for a great Heritage, theirs was the way our country grew and prospered. They asked only for the right

Tom Pruitt's Nephew Dies

Bob Pruitt, son of Mr. and Mrs. Lynn Pruitt of Snyder, Okla., died Saturday following a tractor-car accident near Snyder. He was a nephew of Tom Pruitt of Friona. Funeral services were Wednesday.

SPAN OF 50 YEARS SERVICE--A span of over 50 years of service to the residents of the Rhea Lutheran Church is represented by the Pastor H. A. Stroebel, left, who serves the congregation now, and right the Rev. A. Lohmann, now of Missouri, who held the first church service at Rhea in 1910. Rev. Lohmann was in charge of the afternoon service at Rhea Sunday.

RHEA LUTHERAN CHURCH, 1960--The sight that greeted many of the visitors at the Rhea Church Sunday was quite different from the first glimpse they had of this same spot of ground in years past. Present church facilities have grown from a colony house and well which first sheltered and provided water, to the plant shown above. Left to right, Church sanctuary, Parish Hall, garage and parsonage. The parsonage was added in 1954.

Of Interest To
THE WOMEN

MRS. JERRY WHITE

**Linda Castleberry
Crowned GA Queen**

Linda Castleberry, daughter of Mr. and Mrs. Ray Castleberry, was crowned Queen Regent of Girls Auxiliary of First Baptist Church in ceremonies at the Church Sunday night.

Coronation was by Mrs. W. S. Crow, following a welcome by Mrs. Ray Castleberry, GA director. Special music was by Mrs. Jerry Maynard, who sang "The Love of God."

Other GA members who moved up in the organization were Jeannie Taylor, Sharon England and Jo Nell Wood, queens; Lyndia Chandler, Mary Ann Roberts and Gay Singletary, princesses; Karen Maynard, Terri Wilson, Shirley White, Becky Turner, Linda Fallwell, Judy England, Myrtle Latham, and Mary M. Sheehan, ladies-in-waiting;

Also Glenda Mingus, Becky Coffey, Glenda Latham, Paula Stout, Mary Smith, Judy Edelman, Jane Singletary and Lilla Falco, maidens.

Flower girls were Brenda Baldwin, Debbie Smith, Vicki Mingus and Carolyn Murphree while David Sanders, David Smith, Troy White and Gary Mingus were crown bearers.

Rev. Audye Wiley gave the invocation and Dr. John Freeman gave the benediction.

Following the coronation service was a reception in the church parlor.

**Glen Stevics
Have Daughter**

Mr. and Mrs. Glen Stevics are parents of a daughter born last Tuesday in Parmer County Community Hospital. She weighed 8 pounds and 2 ounces and has been named Karen Sue.

sabrina neckline and highlighted the bodice and full skirt.

She wore a head piece of net and lace embroidered with pearls and sequins to which a fingertip veil was attached. Her corsage was of white rosebuds.

Phyllis Holcomb, sister of the bride, and Patsy White, sister of the groom, served cake and punch at the reception in the McKinney home. They wore identical dresses of red organza over taffeta.

After a wedding trip to Ruidoso, N. M., and other New Mexico points, Mr. and Mrs. White are at home in Lubbock. He will enroll at Texas Tech this fall.

Mrs. White is a 1959 graduate of Friona High School and attended Lubbock Christian College last year. White, a 1959 graduate of Midland High School, also attended LCC last year.

read the ceremony before a floral arrangement of white glads and greenery. Attendants were Austin White, father of the groom, and Peggy Holcomb, sister of the bride.

The bride wore a white wedding gown of silk organza over taffeta and net. Chantilly lace edged with sequins outlined the

**Unique Corsage Given
Lullaby Shower Honoree**

Tiny baby dolls formed corsages for the honoree at a pink and blue shower for Mrs. George Price of Brownfield Saturday morning. Her mother, Mrs. Kenyth Cass, and her grandmother, Mrs. L. J. Jones of Hereford, were presented identical corsages.

Hostesses for the courtesy were Mesdames Ralph Shelton, Arthur Drake and Forrest Osborn. Friends called at the Drake home and were served cold drinks, coffee and cake. Plate favors were miniature pacifiers fashioned from jelly beans and life savers. Mrs. Osborn presided at the silver coffee service and the table was centered with an arrangement of pink carnations in which was nestled a baby doll.

Attending were Mesdames

**Charles Rickerds
Adopt Baby Boy**

Mr. and Mrs. Charles Rickerds are parents of an adopted son. He was born at 3 a.m. Saturday, July 16, and was named Ricky Donald.

He is the first child for the couple.

LINDA CASTLEBERRY, holding scepter, was crowned Queen Regent of Girls Auxiliary of First Baptist Church Sunday night. Daughter of Mr. and Mrs. Ray Castleberry, she is surrounded by her court of maidens, ladies-in-waiting, princesses, queens, flower girls and crown bearers. Mrs. Castleberry is GA director and Mrs. W. S. Crow crowned Miss Castleberry.

**Daughter Born To

"I DARE YOU TO THINK TALL" was theme of the Saturday night banquet which climaxed Youth Activities Week at Friona Methodist Church.

Banquet Climaxes Activities

Approximately 100 youth participated in the special services. Sunday School classes of the church served supper each night and special features, worship, and recreation followed.

and future plans were led by Mr. and Mrs. Charles Baldwin, Mr. and Mrs. J. T. Gee, Mrs. Paul Hall and Mrs. Fay Reeve.

Rev. Wallace Kirby, pastor of the church, was worship

SILVER ANNIVERSARY--Mr. and Mrs. Joe Moyer, above, were honored with a reception on their 25th wedding anniversary Sunday afternoon in Friona club house.

Mr. And Mrs. Moyer Honored Sunday

hour speaker for the first three nights. Charles Hastings was guest speaker on Wednesday night.

Student chairmen of committees included Pam Roden, Erma Drake, Jimette McLean, Floyd Reeve, Donna Fields and Joe Ayers.

Adult leaders were Mr. and Mrs. Jean K. Anthony, Mr. and Mrs. Jack Moseley, Mrs. Hoyt Smith, Mrs. Arthur Drake, Mrs. H. K. Kendrick and Mrs. Guy Latta.

Over 100 friends called at a reception honoring Mr. and Mrs. Joe Moyer on their 25th wedding anniversary Sunday afternoon.

Hosts for the occasion in Friona club house were her mother, Mrs. Laura Thomas, and Mr. and Mrs. R. C. White, all of Hereford. They were assisted by Mesdames O. B. Moyer, Ralph Shelton, T. E. Lovett, and James Boyle.

Centerpiece on the refreshment table was a large silver ring on a base covered with white gladioli and pink roses. Set of the ring was pink rosebuds in a small basket and streamers from the bouquet encircled a miniature bride and bridegroom.

Topping the white cake decorated with pink rosebuds was a silver heart enclosing the figures "25." Mesdames Shelton and White served cake and Mrs. Dale Hart presided at the crystal punch bowl.

Piano music was played by Miss Janice Vise of Tulla and Miss Moyer. Vocal numbers were by Mrs. H. L. Outland and Miss Sharon Vise of Tulla.

Mrs. Moyer is the former Agnes Thomas Johnson. She and Mr. Moyer were married July 23, 1935, in Wheeler. Until 1946 the couple lived on a Hemphill County farm. In the spring of 1946 they moved to Farmer County. For a year they operated a service station and then moved to a farm northwest of Friona.

Out-of-town guests signing the register were Mr. and Mrs. Murry Vise of Tulla, Mr. and Mrs. Claude Barker of Canadian, Mrs. Ella Stoneman of Moorpark, Calif., Mr. and Mrs. L. H. Prater of Spearman, Mr. and Mrs. Ivy Prater and sons of Romero and Gary Chandler of Fort Leonard Wood, Mo.;

And Mr. and Mrs. George S. Price of Brownfield, Mrs. Clyde Cocanougher, Mrs. C. B. Williams, Mr. and Mrs. A. C. Thompson, Mrs. Jennie Clark, Mr. and Mrs. Joe Beyer, Mr. and Mrs. O. H. Herring, Mr. and Mrs. Ed Uselton and Susan, Sherry and Chris White, all of Hereford;

And Mr. and Mrs. Jess Walling, Mrs. Giles Williams, Mrs. Lewis Markham, Miss Erlene Markham and Mr. and Mrs. Joe Wilson, all of Bovina.

Rebekah Class Studies Job

Mrs. M. A. Black was hostess at the regular monthly meeting of the Rebekah Sunday School classes of the First Baptist Church and Calvary Baptist Church in her home Friday.

Bible study was in the book of Job. Mrs. Elmer Euler led the opening prayer. During the social hour the hostess served cake, punch and lime sherbet.

Those present were Mesdames Bill Cogdill, Elmer Euler, Charles Rauh, C. W. Dixon, Bert Chitwood, E. E. Taylor, Eva Roberson, J. M. Bradley, L. R. Dilger and Reeta Agee. Group singing of The Lord's Prayer closed the meeting.

Miss Taylor Will Host 61 Seniors

Miss Judy Taylor will be hostess to the seniors of 1961 at her home Friday night. The party is scheduled to begin at 8 and all members of the class are invited.

Standing behind them are Pastor and Mrs. Reuben Meissner of Appleton, Minn.

Recent visitors in the Frank Spring home were their nephews, Joe and Edward Bagot of Amarillo and Jay and Roger Collins of Odessa.

Mr. and Mrs. Randol Allen and daughters, Kathy and Randa, of Lubbock visited relatives and friends in Friona during the weekend.

A Tribute To Our Boy Scouts

When Lord Robert Baden-Powell, the Englishman, conceived the idea of the Boy Scouts and later our own American, Dan Beard, furthered and promoted the idea, neither, we suspect, ever dreamed what world wide fountains of youth he was putting in action. Today the Boy Scouts are the flower of young manhood in every quarter of the globe. Their deeds are legion. Their clean, manly characters shine forth from their scrubbed faces and trim uniforms they wear. How very proud we mothers and fathers of Boy Scouts should be. Their merit badges are a symbol of sincerity, eagerness to serve and pride in their organization. God bless them all, They'll be leaders tomorrow.

STRIKES OUT 12 STRAIGHT

Johnny Barker Pitches Perfect Game

Johnny Barker was on the beam Sunday afternoon when he led Friona Motors to a 14 to 0 win on a hapless Coop bunch as he struck out every man to face him and racked up the season's first "perfect" ball game.

The win came during a make-up game and young Barker was not to be denied as he turned every man away for four innings without one ever touching first base.

In a long week of baseball, due to four makeup games which had been rained out earlier, Coach Earl Smith says that the All Star teams, and their

batting averages will be released in next week's issue of The Star. The games will be played Saturday, August 8, at the Friona Junior League Park.

In this week's games Coop downed Bengor 13 to 6 last Tuesday night on the arm of Jerry Shelton. Steven Buckley was the losing pitcher.

In the second game Teddy Renner relieved Eldon Long for Hub in the fifth inning to push Hub past Friona Bank by a narrow margin of 6 to 5.

Ricky Coon was the losing pitcher.

Thursday night Friona Motors downed Ethridge Spring Agency

9 to 3 on the arm of Johnny Barker with Bob Balles chalking up the loss.

Reeve Chevrolet motored to an easy 14 to 5 win over McCaslin in the second game with Joe Aleman getting the win and Santos Esquivel the loss.

Friday night Rockwell downed Coop 9 to 1 with Larry Graves pitching for the winners and Jerry Shelton for Coop.

In another close one, Hub eased by Brookfield 8 to 7 in the second game Friday. Again Renner and Long teamed up to keep Hub in the winning column. Travis Graves was the losing pitcher.

Saturday in makeup games, Ethridge Spring downed Bengor Air Park 7 to 4 with Balles breaking into the win column while Danny Kendrick was charged with the loss.

Saturday in the second game Friona Bank downed Associated Growers 9 to 6 on the arm of Nolen Morris who teamed up with catcher Bing Bingham to tag out two men at home plate and keep Growers from sacking up the game.

Morris started the game for the Bank but was relieved by Coon in the sixth, Dennis Howell was the losing pitcher.

In the second game Sunday

afternoon Bengor Air Park downed Rockwell 7 to 3 with Buckley getting the win and Graves the loss.

In regular scheduled play Monday night Reeve Chevrolet shut out Star-Hurst 11 to 0 with Joe Aleman the winning pitcher, Scott Cummings, the loser.

Chicagoans Visit Local Relatives

Misses Helen and Marie Borchers of Chicago, Ill., sisters of Mrs. Oliver Rieken, returned home early last week after visiting in the homes of several Parmer County relatives.

In addition to being guests in the home of Mr. and Mrs. Rieken in Friona, they visited in the homes of Mr. and Mrs. Florian Jarecki and Mr. and Mrs. Eldon Garber of the Rhea community.

Mrs. Jarecki and Mrs. Garber are nieces of the Chicagoans.

Mekka Circle Has Meeting

Mekka Circle of Methodist Church WSCS met Tuesday morning in the home of Mrs. Roy Slagle.

Program leader was Mrs. Guy Latta. She was assisted by Mesdames Evelyn Anthony and Russell O'Brian. They discussed "Living by the 10 Commandments."

During the social hour coffee, cake and a fruit plate were served to those mentioned above and Mesdames Ross Ayers, Mack Balnum, Lucille Collier, Fay Reeve, Ed White, Wes Long, Bill Baxter and a guest Mrs. Wallace Kirby.

Son Born To Tom Jarboes

Mr. and Mrs. Tom Bob Jarboe became parents of a baby boy at Parmer County Community Hospital at 1 p. m. Friday. He weighed 8 pounds 7 1/4 ounces and was named Jay Lynn.

Jay Lynn has a sister, Jeanine. His grandparents are Mr. and Mrs. Mal Jarboe and Mrs. Mabel C. Laminack all of Floydada.

Allens Entertain Sunday School Class

Mr. and Mrs. Charles Allen were hosts to members of L.L.L. class of First Baptist Church at a social Friday night.

Approximately 16 persons attended and Mr. and Mrs. Claude Osborn were special guests.

Homemade ice cream and cake were served and the guests played "42."

FAMILIES VISIT ON WEST COAST

Recently returning from a 12-day visit to the west coast were Mr. and Mrs. Neal Fulks and Donna and Mr. and Mrs. Glenn Reeve Jr. and Glenda. They were joined in San Diego by Bobby Fulks who is stationed at the Naval Air Station there. They went deep sea fishing and visited points of interest around Los Angeles, Hollywood, San Francisco and Oakland before returning via Grand Canyon, Ariz.

Drive Shaft Kills Worker At Tam Anne

Remember This News Item?

Joe Martinez, 27, was killed when his jacket caught in the drive shaft of an irrigation motor near the Tam Anne Gin early Monday.

Martinez, married and the father of one child, was rushed to Dimmitt but pronounced dead on arrival.

The accident occurred on the Jack Miller farm in Castro county.

Martinez was working with Mark Linderman when the accident occurred.

Linderman said Martinez' jacket was caught by the whirling drive shaft of the motor, which was turning about 1600 rpm and Martinez was dragged into the whirling shaft.

Commenting on the death, several farmers said that the presence of a cover on the drive shaft would have possibly prevented the fatal accident.

IT LOOKED DELICIOUS!—Mrs. Gilbert Schueler prepared this four tiered cake for Rhea Lutheran Church's Golden Anniversary. Over 200 persons registered at services Sunday.

Mrs. Hayes Coffee Honoree

Faculty members of Friona schools presented Mr. and Mrs. Luther Hayes a gift for their new home in Floydada last week. Presentation was at a coffee in the home of Mrs. Loyde Brewer Thursday morning. The hostess was assisted by Mes-

dames John Benger and Aubrey Rhodes. They served coffee, juice, cookies and coffee cake. Mr. and Mrs. Hayes have taught here for the past five years. She was a second grade teacher and he was on the high school faculty.

Missionary Has Program

First hand accounts of missionary work formed the program at the regular meeting of Fidelis Sunday School class of Baptist Church Thursday night. Mrs. L. C. Roots III who is a missionary with her husband at Bountiful, Utah, gave reports on their work. Mrs. Dale Hart presided and Mrs. Claude Osborn gave the opening prayer. Meeting was in the home of Mrs. Richard Adkins and refreshments were served by Mesdames Jim Maynard, Phillip Weatherly, Clyde Tims, Velden Carroll, and Leon Massey.

Linda Cummings Honored Tuesday

Linda Sue Cummings of New Mexico Christian Children's Home at Portales was feted with a birthday party in the Doyle Cummings home Tuesday afternoon. The 10-year-old is not related to the local family, but visits them each summer and during holidays during the year. She will be here a week. Other weekend guests in the Cummings home were Mr. and Mrs. C. A. Cassidy of Farwell and Sgt. and Mrs. John W. Pruitt of San Antonio. The Cassidys are Mrs. Cummings' parents and Mrs. Pruitt is her sister.

Mrs. Fleming Coffee Honoree

Mrs. Raymond Fleming was surprised with a coffee on her birthday last Wednesday. Hostess was Mrs. Ray Dean Fleming. Serving table was decorated with floral arrangements by Mrs. Jim Cocannouer and Mrs. Ennis Cummings. Coffee and cake were served Mesdames J. V. Houser, Ella Faye Holcomb, Hardy May, Bill Wooley, James Procter, Nelson Welch, Steve Struve, M. B. McKinney and John Blackburn. Sending gifts were Mrs. Floyd Crume Jr. of Pampa, Mrs. Don Reeve of Amarillo, Mrs. Hank Outland, Mrs. Jon Mack Roden and Mrs. David Carson.

Spending the week with Mr. and Mrs. Charles Allen are Mrs. Glenn Cunningham and daughters, Jan and Leslie, of Roswell. Mr. Cunningham is attending a music clinic at McMurry College in Abilene.

Richard Dickson is visiting his grandparents, the Everett Dicksons, on their ranch near Lovington.

The Frank Springs and J. T. Gees visited in Lubbock Sunday.

The A. L. Rezniks visited recently in Greenville, Dallas, and Ennis. They were guests of Mr. and Mrs. L. C. Johnson, at Greenville and of his parents, Mr. and Mrs. John Reznik at Ennis.

FARMING CAN KILL YOU!
It's Easy — Here's How

1. **NEGLECT YOUR MACHINERY**--Who cares if it's not in working order. It's too much trouble to keep it in shape. Guards and safety devices are for sissies.
2. **OPERATE TRACTORS CARELESSLY**--Always start and stop suddenly . . . take corners at high speeds. . . and drive as often as you can in ditches, on soft ground and tailwater . . . it's fun!
3. **IGNORE ALL TRAFFIC RULES**--Whether you are driving a car or tractor on the highway, remember the rules are for the other guy. This is a slack season for undertakers anyway.
4. **FORGET FIRE HAZARDS**--Smoke all you want in the barn, always start fires with gasoline . . . this makes life more interesting.
5. **STARTLE YOUR ANIMALS**--Sneak up behind your bull every day and hollar "BOO" when he isn't looking, it livens up the day.
6. **BE A LOUSY HOUSEKEEPER**--You can't get hurt in the house besides you are too busy to watch the water heater . . . fix old wiring . . . pick up roller skates etc.
7. **FALLING IS FUN**--Especially from the barn roof . . . ladders never slip anyway . . . to heck with safety . . . live dangerously.
8. **DISREGARD ANHYDROUS AMMONIA**--Don't bother inspecting lines on your ammonia rig, bang up the threads, don't bother with worn lines, ammonia clears the air and stimulates your breathing anyway.
9. **FIRST AID CAN WAIT**--Show everyone how tough you are . . . ignore cuts and bruises. You don't want to work the doctors and nurses.
10. **IT CAN'T HAPPEN TO YOU ANYWAY**--Only one in five farm families had a serious accident last year. Why worry when you know it will happen to someone else anyhow!

Mr. and Mrs. Bill Stephens and sons returned Sunday from a week-long trip. They toured points of interest in Colorado including Rocky Mountain National Park, Seven Falls, and Cave of the Winds.

Mrs. Roy G. Clements and Carolyn Carson drove to Junction Thursday of last week. Don Clements, who had attended a six week session of school there, returned home with them later in the week.

OFF TO NEW MEXICO--These four scouts left this week with Mr. and Mrs. L. D. Taylor and Mr. and Mrs. Allen Stewart for a week of camping near Eagle Nest, New Mexico. They planned to take two trailers and camp out during the entire visit. A total of eight scouts were planning to make the trip.

in and around FRIONA WITH JUNE

Activity around the Little League Park in the east part of town has never been more interesting than it promises to be Saturday evening. Mothers of Little Leaguers have been busy all summer and have done just about everything. They haven't taken to the field to play yet. Just wait, though. That is the very thing they are planning to do and their efforts should provide an evening of good entertainment. If you haven't already made plans for that evening, just drive out to the park and watch the fun.

After listening to several "tall tales" about the size and power of Farmer County residents, we've just about reached the conclusion that a

mosquito tale contest might be appropriate for Maize days. Of course, the first speaker never has a chance, but some of the tales we've heard have certainly been "TALL."

Most of us will agree that the mosquitoes have been BAD. Efforts are being made to control them so maybe we will not have an epidemic of any mosquito borne disease.

It almost seems as if Old Man Weather picks on Friona vegetable growers. Several years in a row the potatoes have been ready to harvest when the price was at its peak, but farmers were unable to harvest potatoes because of wet weather.

Think the drop in price this year has been more gradual than in other years, but it is declining.

During recent rains Jody Fallwell, young son of the Joe Fallwells, found a mud turtle. Like most boys his age, Jody wanted to take the turtle home with him. After convincing his mother that the turtle needed a home, Jody put him in the car.

When the family stopped for a brief visit with Jody's grandmother, Mrs. Pat Fallwell, the turtle was supposed to stay in the car because of his odor.

Later Jody was observed outside the door with a can of spray net. Upon being questioned about his activities, he replied, "Well, I thought if I could make him smell like a woman he could come in the house."

Our most sincere apologies this week go to Wesley Foster

and Mrs. Nora Welch. The question, "How could Foster's ad and LuNora's ad get mixed up?" can only be answered by the following statement: "Anything can happen around here and generally does sooner or later."

Any way we're sorry we goofed and hope we didn't cause anyone too much confusion. The consideration of the two parties concerned is one of the things that makes working in a newspaper office a genuine pleasure.

One of the most interesting publications we have had an opportunity to look at during the past few days is a booklet printed in connection with the observance of the Golden Anniversary of the Emmanuel Lutheran Church in the Rhea community.

Many interesting historical facts about the church were contained in the booklet. The first service of the church was conducted early in 1910. Rev. A. M. Lohmann, who was able to attend the Golden Anniversary observance, conducted the dedicatory sermon in the German language November 27 of that same year.

Under the heading "Interesting Facts" the following paragraph appeared: "Pastor A. R. Allmann served Emmanuel Church longer than any of the other pastors listed in another section of this booklet. During the worship hour he served also as organist. He peddled hard. The old organ was not mouse-proof, and the pastor's peddling frightened mother mouse that had nested in the organ and she began scouting for a safer hiding place.

When the pastor suddenly felt the mouse in the leg of his trousers, he became more frightened than the mouse and caused a great disturbance. Of all the pastors he is the only one who caused an interruption in worship on account

of a poor church mouse." Another interesting excerpt reads "It is claimed as fact that the Wright Brothers Land Company promised to give a bell for the church. The bell has not yet arrived. What happened? When will it arrive? Some of our people now say that the members failed to ask for it when the church was built in 1910. After fifty years it seems best not to look for its arrival."

This booklet contains many interesting historical facts about the Rhea community and reading it has given us a great deal of pleasure.

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 39 proposing an amendment to Article IX of the Constitution of the State of Texas by adding thereto new Sections to be known as Sections 6, 7, and 8, to provide that the Legislature may authorize the creation of Hospital Districts co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, having certain stated powers and duties and subject to certain stated limitations, providing that any enabling Acts shall not be invalid because of their anticipatory character, providing for an election, prescribing the form of ballot and providing for the necessary proclamation and publication.

SECTION 6. The Legislature may by law authorize the creation of a Hospital District co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, having the powers and duties and with the limitations presently provided in Article IX, Section 5(a), of the Constitution of Texas, as it applies to Wichita County, except that the maximum rate of tax that the said Lamar County Hospital District may be authorized to levy shall be seventy-five cents (75c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation.

SECTION 7. The Legislature may by law authorize the creation of a Hospital District co-extensive with Hidalgo County, having the powers and duties and with the limitations presently provided in Article IX, Section 5(a), of the Constitution of Texas, as it applies to Hidalgo County, except that the maximum rate of tax that the said Hidalgo County Hospital District may be authorized to levy shall be seventy-five cents (75c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation.

SECTION 8. The Legislature may by law authorize the creation of a Hospital District co-extensive with County Commissioners Precinct No. 4 of Comanche County, Texas. If such District is created, it may be authorized to levy a tax not to exceed seventy-five cents (75c) on the One Hundred Dollar (\$100) valuation of taxable property within the District; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxing voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired and not to exceed the maximum limit of seventy-five cents (75c) per One Hundred Dollar (\$100) valuation, and no election shall be required by subsequent changes in the boundaries of the Commissioners Precinct

SECTION 9. If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the District may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the District shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants of such responsibilities, liabilities, and obligations, and to maintain and operate the hospital system and the Legislature may authorize the District to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said seventy-five cent (75c) tax. The Legislature shall provide for transfer of title to property to the District.

"(b) The Legislature may by law permit the County of Comanche to render financial aid to the District by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the District (whether assumed or created by the District) and may authorize the levy of a tax not to exceed ten cents (10c) per One Hundred Dollar (\$100) valuation (in addition to other taxes permitted by this Constitution) upon all property within the County but without the County Commissioners Precinct No. 4 of Comanche County at the time such levy is made for such purposes. If such tax is authorized, the District shall by resolution assume the responsibilities, obligations, and liabilities of the County in the manner and to the extent hereinafore provided for political subdivisions having boundaries co-extensive with the District, and the County shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the County.

"(c) Should the Legislature enact enabling laws in anticipation of the amendment of this Constitution, such Acts shall not be invalid because of their anticipatory character."

SECTION 10. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the general election to be held the first Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

"AGAINST the Constitutional Amendment authorizing the Legislature to create a Hospital District co-extensive with Lamar and Hidalgo Counties, and co-extensive with County Commissioners Precinct No. 4 of Comanche County."

SECTION 11. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

In The Courts

The following cases were tried before Judge Thelma Jones during the week of July 25:
Luther Crayton--no driver's license
Jesse Sanchez--no driver's license
Elzie B. Moyer--drunk in public place.
JP COURT
(No cases were tried in Justice of Peace court this week.)

Locals

Mrs. Otis Massey; Mr. and Mrs. V. M. Ferguson and children, Freddie and Doris; and Mr. and Mrs. Kenneth Ferguson and daughters, Jerri Sue and Sherri Lou, returned Thursday after visiting in the home of Mrs. Massey's father, George Price, at Midlothian, Texas.
Mr. and Mrs. Foy Rogers and children, Carrol Wayne, Darrell and Janie, of Willow, Okla., visited the Bill Wooleys and Glenn Floyds Monday.
Mrs. W. D. Redfearn and daughter, Betty Jane, of San Bernardino, Calif. arrived Tuesday for a visit in the home of Mrs. Redfearn's mother, Mrs. T. B. Armstrong. They are also visiting in the home of Mr. and Mrs. E. R. Day.
Guests in the home of Mrs. T. B. Armstrong Sunday were Mr. and Mrs. D. C. Hester and children, Terry and Tony, and Mr. and Mrs. E. R. Day Jr. and children, Debbie and Danny. The Hesters and Days also visited other Friona relatives and friends.
Dinner guests in the John Bengert home Monday night were Mr. and Mrs. Luther Hayes, Mr. and Mrs. J. T. Gee, and Mr. and Mrs. T. E. Lovett. The occasion was in honor of Mr. and Mrs. Hayes who are moving to Floydada this week.
Mrs. Glenn E. Reeve Sr. and Mrs. Raymond Fleming spend several days last week helping Mr. and Mrs. Don Reeve of Amarillo move into a new home.

Council-

(Continued from page 1)
and water lines will be changed in many locations to bring Friona up to specifications, and in such a way to serve double the present population.

In doing away with the present sewer site, the plans call for a 4500 foot extension of sewer lines to the new plant site. This will be of 12 inch pipe and will handle up to 7,500 population. In the event the population climbs above that mark, Red Smith, consulting engineer for the city representing Parkhill, Smith & Cooper of Lubbock, told that it "would be cheaper to parallel this line than to construct a heavier one at this time."

Smith went into detail explaining the duties of each of the individual units of the new water and sewer system.

At the new sewer site an Imhoff Tank will be constructed which is the first stage of handling the sewage, then it will move out into three settling basins which will be constructed.

After the full treatment the flow can be turned into the draw where it will be "chemically pure."

This move by the council is another step in the modernization of the city's services made possible by the passing of the \$300,000 bond issue last fall. These contracts represent \$85,000 for the sewer system plus part of the \$90,000 allocated for the water system.

Following the approval of the council the plans will be forwarded to Austin for approval by the State Health Department. Then they will put out for bid. Members present at the special meeting of the council included Mayor R. L. Fleming, Aldermen Glenn Reeve Sr., Bill Nichols, Danny Blainum and Albert Field, city manager.

Leaving Tuesday to spend a few days at their cabin at Tres

Births

The following births were recorded with Justice of Peace Thelma Jones by the Parmer County Community Hospital during the week ending July 25:

Boy, born to Mr. and Mrs. Tom Jarboe of Friona July 22 at 1:02 p. m. weighing 8 lb 7 1/4 oz.

Boy, born to Mr. and Mrs. John B. McAllister of Friona July 17 at 5:32 p. m. weighing 8 lb 6 oz.

Girl, born to Mr. and Mrs. Frances E. Swogger of Bovina on July 18, at 6:26 p. m. weighing 6 lb 6 oz.

Girl, born to Mr. and Mrs. Glen C. Stevick of Friona on July 19 at 11:27 p. m. weighing 8 lb 2 1/2 oz.

Trax-

Texas far outranked other states in cash receipts from farm marketings of cotton, rice and grain sorghum in 1959, reports Extension Economist John McHaney. Cotton brought in about a third of the total agricultural receipts.

A successful fly control program for the farm should include sanitation as well as the use of chemicals. Breeding and collecting places should be eliminated or made unattractive to flies and the use of chemicals should include starting and keeping a spray schedule going as long as it is needed. Local county extension agents can provide information on fly control programs.

FATAL ACCIDENTS ON FARMLAND AND AROUND SERVICE BUILDINGS (Excludes those in the home and off the farm)

WHAT ARE THE MAJOR CAUSES IN YOUR REGION?

Table showing major causes of accidents by geographic region: Pacific, Mountain, North-Central, Southern Plains, Lake States, Corn Belt, Delta States, North-east, Appalachian, South-east, United States 1949-57, United States 1958.

The rate of accidental deaths from work and recreational activities on farms is increasing slightly each year based on figures for 1949-57. The death rates associated with machinery, drownings, firearms, and electrical current are increasing; while those associated with animals, falls, lightning, and burns are decreasing.

WHICH AGES ARE IN YOUR FAMILY?

ACCIDENT FATALITIES AGE GROUPS (Years) UNITED STATES 1949-57 1958

All families should emphasize training in the practice of safety, but families with members in the dangerous ages should be especially alert to the needs of those ages.

- 1.78 percentage of points decrease for children under 10.
2.55 percentage points increase for youth 10 to 19.
1.05 percentage points decrease for adults 20 to 39.
1.91 percentage points increase for adults 40-69.
1.63 percentage points decrease for adults above 69.

IS YOUR STATE IN THE TOP 10 FOR ANY OF THESE CAUSES?

Table comparing states for top causes: Machinery, Drownings, Firearms, Falls, Blows, Animals, Burns, Electricity, Lightning.

Source for all tables on this page: Analysis made by Farm Economics Research Division, ARS. Base original data on fatal accidents supplied by the National Office of Vital Statistics, Public Health Service, DHEW.

Charcoal Rot Important Sorghum, Corn Disease

Dutch Quickel MONEY Now Means MONEY Later

Charcoal rot is a common disease of grain sorghum and corn in most areas. The fungus root rot causes more damage than head smut in many areas.

Abundant moisture from rain or irrigation water in the latter part of the growing season practically controls the stem rot form. Crops appear to resist the disease in their period of growth when they have high vigor.

Crops that have their seedling stages and those that mature in cool or rainy weather are not damaged seriously.

There are more than four times as many accidental deaths in farming than in manufacturing.

Accidents in the farm home kill more than 2,700 and injure nearly 400,000 farm residents each year.

Two important factors point toward higher potential profits for commercial hog producers during the months ahead.

July 24-30 National Farm Safety Week

Farm Safety Week Is Nation-Wide

OPEN POWER SHAFTS are a major threat to farm safety. Above, notice how open the shaft is between the power take-off and the shredder. Below, an implement has been attached to a tractor in a similar manner, except that the dangerous shaft is covered. Irrigation well drive shafts are similarly hazardous.

Most of us balk when we see or hear any kind of list of do's and don't's regarding our daily lives. We consider our beliefs about living our personal property, and we resent outsiders telling us how to live. "It's none of their business!" we complain.

Yet consider for a moment the number of strangers whose advice we listen to each day: bankers, doctors, machinery experts, newspaper columnists, lawyers, radio announcers--the list could go on forever. We're bombarded by advice all day long from a variety of experts.

According to President Eisenhower, who proclaimed July 24-30 as National Farm Safety Week, accidents, in addition to draining our nation's financial resources, "bring death, disability, suffering and hardship to thousands of farm people annually." Safety habits, therefore, are vitally needed if

there are to be fewer deaths and injuries, less expense, grief and suffering on the farm and a prosperous national economy.

The Texas Farm and Ranch Safety Council, which is pushing a farm safety education campaign in Texas, tells us that farm life can be enjoyed by practicing safety each day. The Council asks farmers and ranchers to check their home electric and heating systems, to check and repair equipment, to keep children away from machinery and livestock. It warns against falls, resulting from hurry and unsafe ladders. The farmer or rancher is cautioned to make sure all farm equipment is operating safely and to stop machines before unclogging, oiling or adjusting them.

This is good advice, not only during Farm Safety Week, but the other 51 weeks of the year, too!

Governor Price Daniel by proclamation has designated the week of July 24-30 as Farm Safety Week in Texas. This same period has also been designated as National Farm Safety Week by the President of the United States.

In his proclamation, Governor Daniel said: "The Nation's economy is dependent upon the continued well-being and progress of our State's agricultural population. Accidents from farm work cause needless suffering, distress and loss of life each year among our rural families.

our rural residents to safety education, such worthwhile programs now being conducted can greatly reduce accidents. I urge all Texas farm families to increase their vigilance against needless accidents and further encourage interested organizations and individuals to participate in this program."

The Texas Farm and Ranch Safety Council points out that the purpose of the special week is to focus attention on the year-round need for reducing the number of farm accidents, and to cause those who can do something about the problem, to act. The farmer and his family,

safety into their everyday lives. Nationally, they add, farm accidents cost one and a quarter billion dollars annually, a sizable sum any way you take it.

The ever-tightening cost-price squeeze faced by agriculturists makes accident prevention even more important, says the Council, because a single costly accident can just about squeeze out the profits from most farm enterprises.

The Council joins Governor Daniel in urging rural residents and organizations to make safety their number one project for the months ahead.

Safety Council Speaks Out On Farm Safety

The farm pond or stock tank has become a familiar sight in Texas. These ponds are important sources of pleasure and that indispensable commodity--water.

To emphasize the seriousness of farm pond hazards, the Safety Council points to a recent nationwide tabulation of causes of farm deaths. Texas ranked sixth in the number of deaths caused by drowning. This is one "Top Ten" list, they add, that Texas should not be on.

Anyone who has a pond or tank on his land should observe, and enforce, the following safety

precautions. These measures could save a lot of grief, reminds the Safety Council.

Post safety instructions for boating, swimming and skating. Mark safe swimming areas. Place lifesaving devices such as ring buoys, ropes and long poles around swimming areas. Do not allow anyone who cannot swim to get into the water. Know accepted methods of artificial respiration. Fence ponds so that children cannot play around pond without supervision. Make sure that an adult supervises all recreation around pond.

each of several points in the field.

Control treatment should begin when bollworm eggs and 4 or 5 young worms are found per 100 terminals, or 5 percent of the small squares and bolls have been injured by small boll worms.

Dust should be applied at 10 to 15 pounds per acre at 5-day intervals. Sprays should also be applied at 5 day intervals.

FLEAHOPPERS--Examine the main-stem terminal buds of 100 cotton plants at several representative points in the field. Control treatment should begin when 15 to 35 fleahoppers (nymphs and adults) are found per 100 terminals.

Dusts and sprays are both effective in controlling this insect.

Farm Bureau Weed Committee Meets Again

Parmer County Farm Bureau Weed Committee men met Monday night in the Office in Friona to extend plans for bindweed control in the county. J. T. Jones, Chairman, of Bovina, said that he is well pleased with the extensive cooperation the committee is receiving from various groups and individuals in this important program of weed control.

Santa Fe railroad officials, State Highway Maintenance officials and County and City Officials have contributed much to the success of the program. The city and community groups have just recently been approached for assistance with this year's program, and committeemen urge that all persons cooperate with them in their efforts to eliminate spread of bindweed within their limits.

Here are the proper persons to be contacted for what ever assistance is provided: Bindweed location on railroad right of ways--See your railroad station agent and give him the approximate location of the plot; Within cities, see the mayor and report location of plots to him; State and FM Highways, report to Lloyd Killough at the highway barn in Bovina; Plots on county road right of ways should be reported to commissioner's court, or your commissioner; bindweed on farm land should be reported to the ASC Office Manager, Prentice Mills, in Farwell.

When reports are made to these various places and people, you will be instructed as to further action that you may need to take. In Friona, the Friona State Bank has agreed to furnish the sodium chlorate and work with city employees and interested townspeople in clearing up field bindweed within the city. Other cities are expected to announce methods of assistance too, according to Chmn. Jones. Attending the meeting Monday night were: J. T. Jones, Vernon Symcox, Jack Patterson, R. D. Dale, Joe Jesko, Herman Gerles, Bob Crozier, Prentice Mills, Joe Jones, Roy Crawford, and Bill Boling.

ACE REID

Drawn for Texas Farm & Ranch Safety Council

"If National Farm Safety Week doesn't git here soon there ain't gonna be none of us left to celebrate it!"

Watch For Insects

Parmer County farmers were advised this week by County Agent Joe Jones to start checking their cotton for boll worms and fleahoppers.

"I checked several fields of cotton last week and found very few harmful insects," Jones says. "But this is the time of year when the cotton bollworm usually begins showing up, so farmers should keep a close watch on the cotton for the fleahopper and boll worm," he says.

Inspection of cotton fields three times a week should give a good picture of any insect build up that might be taking place, the county agent explains.

Here's the way to check for these insects:

BOLL WORM--Examine the terminal buds (upper 3 to 4 inches of the plant) of 100 cotton plants and 100 consecutive squares and bolls at
