

# THE SANDERSON TIMES

SANDERSON, TEXAS, FRIDAY, APRIL 7, 1944

NUMBER 6

FROM TEXAS  
TO TOKIO

A letter to Mrs. M. G. Northcut from her son, Pfc. H. N. Monroe, seeing service against the Japs somewhere in the South Pacific area, contains the information that they are getting along fine. He says that it sure is green there and that he wished some of that grass was at home. Also stated that he had recently seen Jack Turner and that he, too, was getting along fine.

— V —

A very interesting propaganda leaflet has been received by Miss Earline Stirman from Pvt. Zack Blair, who is doing his part in eliminating the Japs in the islands in the New Guinea area. The leaflet, which was dropped by the Japanese over the American lines in the combat area, is of bright colors and has the picture of an American girl who is pleading as she says "Please! Please come back. Don't die, it's terrible to be dead! We need each other. It would be awful if you're crippled—I wouldn't know what to do if you were." On the other side of the leaflet, under the heading "Here's All You Do!", are printed the following four steps to be taken (the Japanese hope) by the American boys who want to answer to the plea (which no American girl would make): 1) Come towards our lines waving a white flag! 2) Strap your gun over your left shoulder, muzzle down and pointed behind you. 3) show this ticket to the sentry. 4) Any number of you may surrender with this ticket."

It was signed, "Japanese Army Headquarters", and below this line in a box appeared a lot of Japanese characters which Zack failed to interpret and which we have no idea as to their meaning. The balance of the leaflet was printed in English, and the entire leaflet was three and a half by five inches.

Pvt. Blair stated that these leaflets only served to madden the American men just a little more, and that they wiped the entire island clean of the yellow men, instead of just taking the air strip as they had been ordered when they attacked.

— V —

Mr. and Mrs. Sid Harkins are in a receipt of a letter from the commanding officer of the Naval Gunners School at Purcell, Okla., which contains interesting information about Pfc. Ernest E. Harkins, U. S. Marine Corps, a brother of Mr. Harkins. "Dear Mr. and Mrs. Harkins: This is to inform you that your brother, Ernest E. Harkins, Jr., Pfc., graduated from the Naval Air Gunners School, Purcell, Oklahoma, as an honor student. His average was 3.44, which is based on the Navy grading system with 4.0 as a perfect mark.

"Ernest was one of the five highest men in his class containing approximately one hundred men. As this course consists of highly technical material, you have every reason to be proud of your brother's record."

— V —

Word this week from Pfc. Robert W. (Bud) Stirman to his mother, Mrs. W. E. Stirman, is that he is doing well at his station somewhere in the Hawaiian Islands. Says that he is working pretty hard, but that he hasn't lost any weight and is feeling fine.

— V —

In a letter to the editor from Pvt. Lazaro M. Venegas, stationed at Camp Lee, Virginia, we are informed that he is receiving his Times regularly, "and I sure enjoy reading it. Especially that from 'Texas to Tokio'. He continues with, 'I'm here in the old state of Virginia. Rains nearly every day when it is not snowing. I would like to say hello to all my friends in Sanderson.' Pvt. Venegas says at the time of writing he is at the station hospital where he has been the last 18 days. "Kind of

## AN ESTIMATED FIFTEEN MILLION MUST FILE 1944 INCOME TAX DECLARATIONS

### APRIL FIFTEENTH IS DEADLINE FOR MAKING RETURN

By April 15 this year declarations of estimated income and victory tax will be required of some 15 million Americans, the Bureau of Internal Revenue predicts.

When the federal "pay-as-go" system of income tax payment was put into effect the middle of last year, it became necessary for the Bureau of Internal Revenue to make arrangements to collect income and victory tax in quarterly "pay-as-you-go" instalments. For a large number of wage-earners and salaried persons, their instalments were taken care of by employers' deductions from pay-checks. For some wage earners and others whose income came from other sources, declarations—accompanied by instalments where taxes were due—were required. In 1944, "pay-as-you-go" is in

effect for the whole year, and withholding by employers is expected to take care of the tax obligations of most Americans.

For others—farmers and farm laborers included—tax declarations and instalment payments still are necessary. Farmers—but not farm wage-earners—may wait until December 15 to make their declarations, but if they wait, they must pay the entire amount due at that time.

The following single persons (married persons who have "separated" are considered single) must file declarations and if taxes are due, pay instalments by April 15:

1. Those who make more than \$2,700 in wages that are subject to withholding by employers.
  2. Those who make more than \$100 from sources not subject to withholding provided their total income is expected to be \$500 or more.
- The following married persons (who have not "separated") must file declarations and if taxes are due instalments by April 15:

1. Those who have a total income of more than \$3,500 in wages that are subject to withholding by employers.
2. Those who make more than \$100 from sources not subject to withholding provided that—

(a) their combined income, regardless of source, is expected to be \$1,200 or more, or (b) one individual income, regardless of source, is expected to be more than \$624.

While members of the armed forces are not exempted from filing tax declarations, the first \$1,500 of pay for each member is not taxable. This makes it unnecessary for most of them to file declarations.

Mustering out payments to discharged servicemen and cost-of-living allowances paid to civilian officers and employees of the Government stationed outside the United States are exempted from tax and are not counted in income.

Mustering out payments to discharged servicemen and cost-of-living allowances paid to civilian officers and employees of the Government stationed outside the United States are exempted from tax and are not counted in income.

Mustering out payments to discharged servicemen and cost-of-living allowances paid to civilian officers and employees of the Government stationed outside the United States are exempted from tax and are not counted in income.

Mustering out payments to discharged servicemen and cost-of-living allowances paid to civilian officers and employees of the Government stationed outside the United States are exempted from tax and are not counted in income.

### OLD AGE CHECKS BEING DISTRIBUTED THIS WEEK

The State Department of Public Welfare is distributing this week 176,685 Old Age Assistance warrants totaling \$3,751,736.40. This is 783 fewer checks than were distributed last month.

Blind aid is being distributed to 4,683 persons, which is 4 less than the previous month, at a total cost of \$114,014.00.

The welfare department added 114 families with 236 children to the Aid to Dependent Children rolls during the past month. A total of \$211,198 is being distributed this week to 9,963 dependent children families.

### Mrs. Ted Baker Is Hostess to Friday Bridge Club

Mrs. Ted Baker was hostess to members and guests of the Friday Bridge Club at her home on Friday of last week.

Mrs. Walter Grigsby was winner of high score prize, Mrs. Roger Rose won second high and Mrs. Roy Bogusch received consolation prize.

The hostess served a salad plate and iced tea to Mesdames Horace Fletcher, Bogusch, H. D. McCright, Rose, J. D. May, Grigsby, James Kerr, P. P. Courtney, S. H. Underwood, W. H. Buchanan, Jess Mullins and Conway Pickard.

Mrs. N. E. Charlton, Mrs. D. L. Duke and Mrs. Stherling Bell were guests.

Miss Cornelia Wilson returned Tuesday of last week from a week's visit at Snyder with her parents, Mr. and Mrs. Frank A. Wilson.

Mr. and Mrs. Ervin Grigsby are spending a few days with her parents in Sterling City.

HOLDS MEDALS

From an Eighth AAF Bomber Station in England comes the information that First Lieutenant Dilver B. Herbert, son of Mr. and Mrs. D. B. Herbert of Sanderson, has been on 25 combat missions as co-pilot and pilot of the Flying Fortress, "Veni, Vidi, Vici". For his services Lt. Herbert has been awarded the Distinguished Flying Cross and the Air Medal with three Oak Leaf Clusters. He has flown some of the toughest missions of the AAF, four times bombing the docks at Bremen, one of Germany's "flack cities". Paris is another such city, and went there to hit a German airplane parts factory. He also made one of the deepest penetrations ever flown by the AAF—the attack on the Baltic Seaport of Gdynia. Lt. Herbert arrived in New York April 3, and is expected to visit his parents here within the next few weeks.

### NOTICE TO THOSE DOING SEWING FOR RED CROSS

All persons who are making kit bags, or are doing Red Cross sewing of any kind are asked to please turn in the work at once to Mrs. Pat Baird.

This request has been made by Mrs. J. W. McKee, chairman of the Terrell County Chapter, who state that the articles are wanted so that shipment can be made.

### EASTER EGG HUNT TUESDAY FOR SUNBEAMS

Miss Ella Savage and Miss Una Lee entertained the Sunbeam Class of the Baptist Church with an Easter-egg hunt Tuesday afternoon.

On their return from the egg hunt Mrs. O. H. McAdams surprised the group with iced punch.

Miss Una Lee is in San Antonio where she is spending Easter with a sister.

Mr. and Mrs. Ervin Grigsby are spending a few days with her parents in Sterling City.

### RANCHMEN ARE WARNED FORMS MUST BE SIGNED

Ranchmen who have not signed 1944 farm plan sheets are warned by Miss Cornelia Wilson, secretary of Terrell County ACA, that these forms must be signed by Friday, April 14, if they are to participate in the program and receive payment for work done this year.

Miss Wilson advises that approximately twenty ranchmen who have been participating in the program heretofore have not signed to date. These ranchmen, as well as any others who so desire, may call any week day at the AAA office at the courthouse and sign these forms.

### ODT APPROVAL IS NEEDED TO MOVE SHEARING MACHINES

### ORDER EFFECTS CHANGES BETWEEN STATE DISTRICTS

Following a meeting Thursday of last week with officials from the regional office in Dallas, John W. Reed, manager of the ODT office in San Angelo stated that a directive requiring that all operators of sheep shearing equipment obtain approval from the Office of Defense Transportation before removing from one district to another was to be issued.

Mr. Reed stated the order was to be issued as a form of protection for ranchmen who are now just starting into this year's sheep shearing season. There at present a definite shortage of labor on West Texas ranches and there is a threat that some of the shearing crews might move out of their original districts and even outside Texas before the flocks of this part of the Southwest are shorn of their 1944 fleeces.

Authority to move from one district to another must be obtained from the manager of the district office where the operators obtained their certificate of war necessity. Under no circumstances are the operators to leave the state without first getting an order from the ODT.

Reed pointed out that in order for shearing crew operators to obtain approval from the ODT they must produce factual information that they have bonafide contracts with wool growers in other sections of the country. When such proof is established, he said, approval would be given but that in no case would an operator be allowed to move when their services were needed in the district in which they are located.

"It was necessary that this directive be issued on account of the shortage of motor vehicles, replacement parts, tires and gasoline," Reed declared.

The ODT is asking ranchmen to co-operate with the agency by notifying the office of any sheep shearers planning to leave the state before shearing is completed in Texas.

### REPRESENT SANDERSON AT P.-T. A. MEETING

Mrs. C. F. Peavy and Mrs. Hugh Rose of Sanderson represented their PTA at the 15th District of the Texas Congress of Parents and Teachers sixteenth annual session held in Fort Stockton Wednesday and Thursday of last week.

Sen. H. L. Winfield, Frank Monroe of Midland and Mrs. A. N. Dahl of Pettus, a state vice-president of the Congress were conference speakers.

Mr. and Mrs. D. M. Johnson and son, Donnie, of Tulsa, Okla., and Mrs. Florence Crane and son, Aaron Frank of Roswell, N. M., visited here Wednesday and Thursday with Mr. and Mrs. Marion Batson. Mrs. Crane is Mrs. Batson's mother and Mrs. Johnson is a sister.

### FEEDER AIRLINE TO SERVE SANDERSON IF PROPOSED ROUTES ARE ACCEPTED

#### Passengers, Mail And Express To Be Carried to Main Lines

Expansion of air transportation to the nation's smaller cities and towns, chiefly through establishment of area (feeder) airlines of the type proposed by Southwest Airways for serving Sanderson, has been recommended by Civil Aeronautics Board examiners.

Eleven recommendations in all were made public by the examiners in a report based on material presented to them at the extensive series of hearings held recently.

In expanding direct air service to the smaller communities, the examiners urged that new routes provide a combination of passenger service and air-mail express pick-up. They clearly made known their decision that these should be operated by new, independent aviation companies.

The examiners recommended

that hearings on applications authorizing use of helicopters be deferred until models suitable for commercial operations actually exist, terming them "still in the development stage." They also urged that the Civil Aeronautics Board refuse to allow surface carriers to operate air services, unless such operations are supplemental to their surface carrying activities.

Heavy stress was placed upon the need for economical operation of the new routes, "to keep the cost to the government through the compensation for the transportation of mail within reasonable limits." It suggested a maximum rate of 25 cents per mile for carrying air mail.

Southwest Airways in its testimony during the hearings, had stated that the routes proposed in its application now pending before the Board could be operated for approximately 35 cents per mile. Company officials predicted that the additional revenues from carrying passengers would make it possible to reduce a 25 cent mail compensation substantially, "within a relatively short period of time after operations are underway."

The examiners recommended that use of single-engine aircraft with a single pilot be considered satisfactory. Southwest, however, plans to use twin-engine aircraft, carrying from 10 to 12 passengers and from 800 to 1000 pounds of mail, staffed with both a pilot and a copilot.

Next step is to be scheduling of hearings by the Board on actual area airline applications. It is anticipated this will be done as soon as Board members have had an opportunity to study their examiners' report.

Southwest Airways officials reiterated their belief that their application would be one of the first to be considered, due to the transportation needs of the areas they propose to serve. Collection of data proving Sanderson's need for area airline service will begin "in the next few weeks," they stated.

### TO HOLD SUNRISE EASTER SERVICES SUNDAY MORNING

The Rev. James O. Todd, pastor of the Sanderson Baptist Church, has announced in an invitation printed on page four of this issue of the Times, a special sunrise Easter Service to be held Sunday morning at 7:45 o'clock. This service will be held on the hillside west of town just below the city water tank.

Rev. Todd states in his announcement that all the citizens of the community and surrounding territory are invited to be present and take part in this special service.

### Mrs. S. L. Stumberg Entertains Club In Murrach Home

Mrs. S. L. Stumberg entertained the Wednesday Bridge Club on club day this week in the home of Mrs. Tol Murrach.

High score prize was won by Mrs. Tol Murrach, second high by Mrs. James Caroline and consolation prize went to Mrs. Web Townsend.

A fruit plate and coffee were served by the hostess with Easter egg favors.

Those present were Mesdames Robert Duncan, Mary Lou Kellar, Murrach, John Harrison, Bustin Canon, Caroline, Roy Bogusch, R. C. Wilkinson, Johnny Williams, Townsend, W. H. Savage and C. P. Peavy.

Misses Billie Jo and Mickie Corder, Kathryn Nance, and Janice White, and Mrs. Novice McElroy, arrived Thursday from San Antonio to spend the Easter holidays with relatives and friends.

IS HONORED

Mr. and Mrs. T. H. McDonald have received from the Navy Department, the Purple Heart awarded to their son, Tkeo Charles McDonald, fireman first class, for military merit and for wounds received in action resulting in his death August 9, 1942. They have also received a commendation from the Governor of Texas stating that his name has been placed on the roll of the State of Texas of those who have rendered the highest service. McDonald volunteered for service with the Navy October 10, 1940.

### Protein Meal May Be Delivered In Large Quantities

#### Change In Rules Became Effective As of April First

Effective April 1 in Texas, processors are no longer required to obtain a statement from buyers approved by the county AAA Committee in order to deliver more than 500 pounds per month of protein meal to an individual. The required statement regarding the use of more than 500 pounds of protein meal monthly in mixed feeds also has been eliminated.

This situation has been effected by revocation of Director's Order No. 2 of Food Production Order 9, Revision 3, which was issued December 24, 1943. On that date, the 500-pound plus deliveries were prohibited in New Mexico and certain counties in West Texas, unless given special approval by County Agricultural Conservation Committees. On January 1, 1944 the area was extended to include Oklahoma and the entire State of Texas.

Requirements of the December order did not apply to set-aside protein meal or to soybean meal produced under contract for the Commodity Credit Corporation.

### LOOKING AHEAD

BY GEORGE S. BENSON  
President, Harding College  
Searcy, Arkansas

When a nation of free people chooses its political course in the section of State Socialism, it is something strangely fit about it. Not one comes about it a revolution. Many ignorant European toilers have been in colorful costume because what he was told an arch triumph for Government Management, learning very soon it was a yoke of endless stage.

Why do they blunder into such a course? This question puzzles many Americans. Don't Europeans know any better? Can't we see what happens to other nations nearby? To both questions the answer is "No." In many European countries the frightened class is the ruling class and it is small. Many poor who read a little can't afford a newspaper. They don't have a chance to use their brains. Craftier people fool them and rob them endlessly.

Somebody is always trying a European shell-game on the American people with rather success because the average American is equipped to get himself. Unfortunately government management has fooled some people on this side of the ocean. Americans who boost it have more about the abuses of Enterprise than about advantages of other systems. wonder how often I have heard some intelligent person say "In America, 5 per cent of people own 95 per cent of the wealth." Most people who repeat the falsehood have no idea where they first heard it. It sounds like statistics but it's plain propaganda to satisfy honest people with nothing else—anything

the Truth  
Recently the U. S. Department of Commerce gave out real figures on national income, and they ought to blot that 5-95 myth everywhere. national income is no puzzle: Everybody understands national income; that's what a man earns. Family income is sum of what everybody in family earns. Just so, national income is the grand total of all Americans earn.

1943 our national income 150 billion dollars. Two billions of this (100 billion dollar) went to working people in form of salaries and wages. Workers got 13 billion more. Corporations got eight billion more, and most of them were big corporations. Even if all corporations were big-bad-wolfs with greedy hearts, they let workers beat them to 87-1-2 per of the money last year.

Whether they have any reason or not, most advocates government management which leads eventually to government ownership) are angry corporations. They have not taught that corporations made the jobs at which work-ers earned their 100 billion dollar that the 13 billion received by farmers was sold to the families of those same

prejudiced people turn to government management as the best road leading away from socialism; if they can get other people to go with them, they are taking a one-way private Enterprise has the world's most prosperous country; state socialism has been tried. Some say it can be changed, but nothing going to the government management do not return without violence.

Marion Brieger left Wednesday for Runge where she will spend Easter with her parents.

SUBSCRIPTION PRICES (TO BE PAID IN ADVANCE)

One Year \$2.00 Six Months \$1.25

WRAP IT RIGHT

The eight annual perfect shipping campaign is in progress. National in scope, it is being conducted by shippers advisory boards during the entire month of April with the active cooperation of individual shippers, traffic organizations, chambers of commerce, carriers, the Office of Defense Transportation, War Production Board, the Department of Commerce and other government agencies.

and is goes without saying that this object is of more urgency now than ever before, because so much of our total production is keyed to the war; because of the stringencies in the matter of materials; and again because of the plain importance of avoiding waste of manpower, time, money, materials and car capacity.

The goal of perfect shipping cannot be reached unless everybody joins in the endeavor individually. Irrespective of whether you work for a shipping agency, a railroad, or are a housewife, remember this when you next prepare a package for mailing. Wrap it right!

It Happened In Sanderson TEN YEARS AGO

This Week - Remember

APRIL 6, 1934

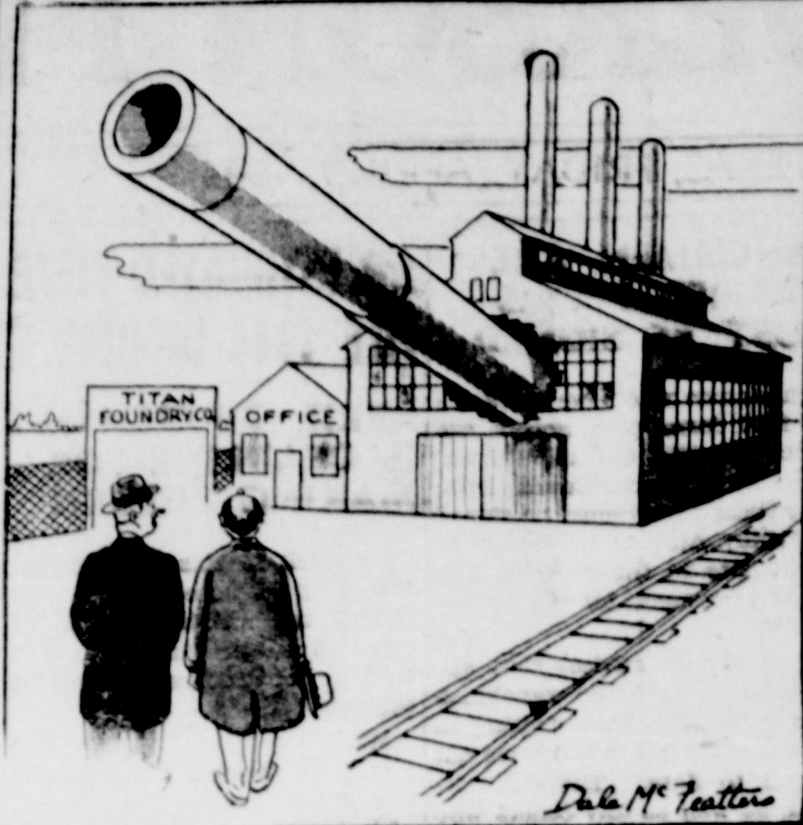

Announcement was made this week by Sgt. Richardson in charge of the U. S. airbase at Dryden, that on Friday and Saturday, May 4th and 5th a two-day rodeo will be held at the airport grounds.

Jess Haley and Charlie Turk, well known young ranchers of this county are to be in charge of the rodeo.

Mr. and Mrs. J. C. Mitchell motored to Del Rio last Friday

STRICTLY BUSINESS

by McFeatters

"It seems we misunderstood the specifications when we got this gun contract."

to spend Easter with Mr. and Mrs. Charlie Schauers.

Mr. and Mrs. C. P. Peavy and daughters motored to Marfa Sunday where Mrs. Peavy is spending this week with her parents, Mr. and Mrs. Ben Pruett.

Announcement was made this week of the marriage in Del Rio on Monday, March 26 of Miss Mary Cox and J. P. Yoas, both well known young folks of this section.

F. M. Weigand, who for the past six and one-half years has been manager at the Van Noy Interstate Lunchroom in this city, will on May first give up the management of this well known eating place.

Mr. Weigand will be with the Sanderson Motor Company, local Chevrolet dealer, of which company he is part owner.

WITH OUR NEIGHBORS

Alpine Avalanche—A survey will be started in the Big Bend within the next two or three weeks for the purpose of confirming the identification of different species of yucca and completing yield estimates. It was announced recently in a letter to Congressman R. E. Thomason from Robert M. Salter, chief of the Bureau of Plant Industry, Soils and Agricultural Engineering of the U. S. Department of Agriculture.

Wink Bulletin—The City of Wink this week mailed checks to some thirty or forty donors.

for repayment in full for all contributions made about two years ago to the Wink Airport fund.

Checks totaled \$1,863.50, and ranged in amount from \$100 down.

Donations were made by interested citizens and business firms of Wink, when the City, as sponsor of the CAA airport west of the city, needed to raise more than \$5,000 to procure lands for the port.

With the aid of these donations, Wink now holds a 50-year paid up lease on 1,000 acres, and owns in fee simple a little more than sixty acres, acquired later through purchase.

Ozona Stockman—Twenty teachers, members of the present faculty of the Ozona school system, were re-elected to their respective positions for the 1944-45 school term at a meeting of the district school board held Tuesday evening.

Four of the present faculty members were not candidates for re-election, having asked that their names not be submitted. One teacher had previously resigned, thus making a total of five vacancies at the start for next year's faculty.

Big Bend Sentinel—The number of automobiles stolen on Marfa streets recently makes it imperative that owners use more care in the handling of their vehicles.

The sheriff suggests that ignition and car doors be locked to provide double precaution against theft. Carrying of gasoline coupons in the car is unwise. The certificate of title should not be carried in the automobile as that makes proof-of-ownership easy for a thief.

Monahans News—The Monahans Green Wave Track and Field Team, piling up 59 points, took first place in the District 7-A Conference Track and Field Meet held here last Friday and Saturday. Wink took second place with 49 points and Kermit took third with 37 1/2. The locals won four of the six trophies offered, given up only the girls' volleyball and girls tennis trophies.

Fort Stockton Pioneer—This week Fort Stockton has a new family and The Pioneer family has a new member. Louis F. Leurig makes his bow as a partner and associate of George Baker in publishing Fort Stockton's newspaper. He will take over management of the Pioneer immediately, to relieve the Army's acceptance, who expects to leave in May for his World War II hitch in the armed forces.

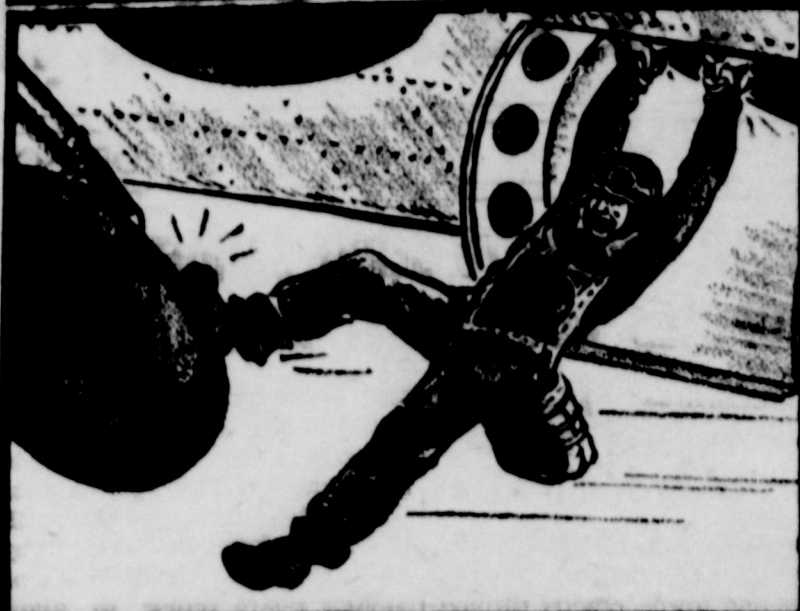

Hudspeth County News—The taking out about a car a day of Fluorspar and running the mill. The company is still short of experienced mining men.

The Clark Mining Company is erecting a mill at the old Bonanza mine a few miles west of Sierra Blanca and expect to have it in operation soon.

Fort Stockton Pioneer—Phillips Petroleum Company No. 1 Ada C. Price, wildcat oil test 30 miles southeast of Fort Stockton, drilled Tuesday to 15,017 feet, corrected depth, and be-

AMERICAN HEROES

BY LEFF

Hanging in mid-air from a flak hit bomber in Italy, Lt. Joseph R. Cook, Ertlon, New York, struggled to kick the nose wheel loose after its mechanism had jammed. AT THE PRINCESS-

LAUREL AND HARDY TERRIFIC IN NON-STOP LAUGH RIOT

Get set for a non-stop marathon of hula-happy fun—a rumba riot of hilarity—when Laurel and Hardy take over the screen of the Princess Theatre on Tuesday, in "The Dancing Masters."

Advance reports unanimously acclaim the new joy-packed film, in which Stan and Oliver are starred with a top-notch cast headed by lovely Trudy Marshall, as the best of the famous fun team's long list of howling hits.

The Dancing Master's provide the imitable zanies with an uninterrupted series of side-splitting sequences that exploit their sure-fire laugh tactics to the fullest.

Laurel and Hardy are cast as the co-owners of a school of

terpsichorean art," but since neither knows a sailor's hornpipe from his windpipe, cus-

tomers are scarce and paying customers even scarcer. And make matters worse, they are strong-armed into an "accident insurance" policy by a group of gangsters.

But withal, Stan and Oliver are not too burdened with their own troubles to come to the aid of Mary Harlan, one of the dancing school pupils, who having boy-friend trouble with her parents. In a typically manly gesture, they offer "front" for her sweetheart, Grant Lawrence, in demonstrating his new flame-throwing machine to Mary's father in an effort to get the latter to finance the production of the important invention.

The demonstration is a blaring success; not only do Laurel and Hardy succeed in destroying the "military objective" but also the Harlan home, as well as the flame-throwing machine itself.

Despondent over the havoc they have wrought, the boys resolve to raise the money to finance the production of another flame-thrower for Grant Hardy remembers the "insurance" policy which is supposed to (Continued to page three)

Seabees, members of a Naval Construction Battalion, completed the Guadalcanal Division of the "G. B. & T." (Guadalcanal, Bougainville & Tokyo) Railroad in three days. Photos show one of the line's gas-powered engines, a spur nearing completion, the division's first train and the "last spike" ceremony.

HELP ME GET READY FOR BUSY DAYS AHEAD

Now's the Time to Prepare Your Refrigerator for Summer Service

THE coming of warmer weather means extra duty for your electric refrigerator, so give it the care and attention it needs to operate at peak efficiency. If an open unit model, see that it is properly lubricated. Check condition of belt and door gasket. Keep unit compartment clean. And if you have reasons to suspect mechanical trouble, have your refrigerator checked over by a competent service man NOW. Repairs take longer these days, and if you wait until the rush season you may find yourself temporarily without refrigeration just when you need it most.

Follow These Tips on the Use and Care of Your Refrigerator

- Your refrigerator needs breathing space. Place it in coolest spot in the kitchen where there is plenty of air circulation below, behind and above it. If it has ventilating flue at back, see that it is not obstructed.
Check door seal by closing it on a strip of newspaper. If you can slide paper up and down, seal is imperfect. Gasket should be replaced or door latch adjusted.
Check belt on open unit model. If too loose, have it tightened. If badly worn, have it replaced.
Defrost whenever frost reaches thickness of quarter inch. Keep compartment covered and defrosting dry to retard formation of frost.
Use fast freezing space than necessary. Don't open door often.
If possible, locate refrigerator away from hot stove, direct sunlight or other heat source. This protects finish and saves operating cost.
If an open unit model, lubricate motor in accordance with manufacturer's directions. Sealed units need no oiling.
Keep unit compartment clean. Remove dust and lint from condenser coils.

Running High Jump: First, John Whistler; Second, Aubrey Harrell, Reds; Third, Frank Stavley, Blue; Fourth, Bobby Edwards, Red.

Running Broad Jump: First, J. M. Harrell, Blue; second, Bobby Edwards, Red; Third, Harvey Rogers; Fourth, Billie Joe Short, Blues.

Discus Throw: First, John Whistler; Second, Freddie Talbot, Reds; Thrd, Frank Stavley; Fourth, Allister Dishman, Blues.

Pole Vault: First, Harvey Rogers; Second, J. M. Harrell, Blues.

220 Yard Dash: First, Aubrey Harrell; Second Lowell Jessup, Reds; Third, Jimmy Merritt, Blue; Fourth, Willie Grigsby, Red.

440 Yard Run: First, Doyce Wells, Blue; Second, Don Frazor; Third, Earl Pierson; Fourth, Lowell Jessup, Reds.

1 - Mile Relay: First team, Blues, Gene Earwood, J. M. Harrell, Billie Joe Short, Allister Dishman. Second team, Reds, John Whistler, Aubrey Harrell, Charles Yeates, Don Frazor.

880 Yard Run: First, Allister Dishman, Blue; Second, Earl Pierson; Third, Weldon Chamberlain, Reds.

1 - Mile Run: First, Lowell Jessup, Red; Second, Doyce Wells, Blue; Third, Harry Brown, Red; Fourth, Billie Joe Short, Blue.

440 Yard Relay: First team, Reds; John Whistler, Aubrey Harrell, Charles Yeates, Bobby Edwards. Second team, Blues; Allister Dishman, Doyce Wells, Jay Tom Holley, Billie Joe Short.

100 Yard Dash: First, Aubrey Harrell; Second, Bobby Edwards, Reds; Third, Doyce Wells; Fourth, Harvey Rogers, Blues.

Three-Legged Race: First, Reds, Willie Grigsby, Charles Hill; Second, Blues, Molloy Winston, Jimmie Merritt.

GRADE SCHOOL TRACK

Running High Jump: First, Olivarez, Blue; David Thompson, Red; Third, Chamberlain, Blue.

440 Yard Relay: First team, Blues, Olivarez, Chamberlain, Mussey, Cardenas. Second team, Reds, David Thompson, J. D. Thompson, Cooke, Pauli.

50 Yard Dash: First, Cardenas; Olivarez, Mussey, Blues.

100 Yard Dash: First, Olivarez; Second, Cardenas; Third, Mussey, Blues.

Three - Legged Race: First, Reds, Thompson, Cooke. Second, Blues, Smith, Carter.

Running Broad Jump: First, Olivarez; Second, Cardenas; Third, Mussey, Blues.

Baseball Throw: First, Cardenas; Second, Olivarez; Third, Chamberlain, Blues.

Chinning Bar: First, Bradford, Red; Second, Mussey; Third, Olivarez; Fourth, Carter, Blues, with Third and Fourth tying.

Tennis Singles: First, Joe Mussey, Blue; Second, Robert Joe Dishman, Red.

The Reds won the high school track meet with a total of 82 points as compared to 60 points for the Blues. The Blues won in the grade school meet.

## SEEING THE SENIORS

This week we present another of those gay, light-hearted seniors, Harold Eugene Thompson. Eugene, as he's known to his friends, was born on August 19, 1927, to Mr. and Mrs. S. D. Thompson, at Yoakum, Texas. Eugene has brown hair and green eyes. His ambition is to be a success in life. Playing basketball is a hobby with Eugene and we can understand why when we see him play with our Eagles.

Eugene started his education in Yoakum Grammar school and came here to finish his high school. We've really been lucky to have him, too.

For some of his favorites, Eugene says he'll take shooting pool for his pastime; chickens and dumplings hit the spot when it comes to food; when he reads, which is very seldom, he likes "North West Passage" Lana Turner is his favorite movie star as well as his "Dream Girl." In music Eugene likes "Boogie Woogie", and History for his favorite subject in school. Eugene likes football very much and he prefers the color blue. His pet peeve is people who know it all.

After graduation Eugene plans to enter the U. S. Navy, and we know he'll be a success, too.

During his years in school Eugene has done 4-H work. He really worked at it too and did a k for himself. This year he played basketball and was an outstanding player.

It's really been swell having you with us Eugene and we've enjoyed every year of it. Too bad it can't last another year or two, but as you leave us this May we here in Sanderson High want you to know that our best wishes go with you wherever you may go. Good luck, Eugene.

MISS KINKLER CALLED HOME

Last Sunday night Miss Margaret Kinkler was called home to Beeville, Texas, by the illness of her mother. Word has come that Mrs. Kinkler is much better and that Miss Kinkler will be able to resume her duties at school after the Easter holidays.

DID YOU NOTICE: : :

Freshmen girls in pigtails?  
The gifts that Pete brought back from Mexico?  
The popular pastime of taking kodak pictures?  
The number of Senior Memory Books that have appeared?  
Mrs. Persch and Mrs. Savage substituting last week?  
The great enthusiasm on the Lamar School Play-Day?  
The busy tennis courts?  
The students trying to catch up with six-weeks of over-due work?  
The Spanish II students of the Lamar Ward Friday night?

## Lamar School Notes

The contests between the Reds and Blues came to a close on Friday March 31. The final score was 62 to 52 with the Blues carrying the heavy end of the score. The Reds were victorious in most of the athletic events and the Blues were the winners in the majority of the literary events. Three points were given for first place, two points for second place, and one point for third place. The final results are listed as follows:

Letter Writing, Juniors: First, Santiago Sanchez, Blue; Second, Dionicia Villegas, Blue; Third, Consuelo Chavez, Red.

Letter Writing, Sub-Juniors: First, Enedina Perez, Red; Second, Nieves Lopez, Blue; Third, Roman Zepeda, Blue.

Spelling, Juniors: First, Santiago Sanchez, Blue; Second, Consuelo Chavez, Red; Third, Isabel Flores, Blue.

Spelling, Sub-Juniors: First, Pedro Chavez, Blue; Third, Pabla Perez, Blue.

Arithmetic, Juniors: First, Arturo Gutierrez, Blue; Second, Vicenta Perez, Blue; Third, Elias Martinez, Blue.

Basketball: First, Reds; Second, Blues.

Volleyball: First, Reds; Second, Blues.

Baseball, Boys—First Team: First, Reds; Second, Blues.

Baseball, Boys—Second Team: First, Reds; Second, Blues.

Baseball, Boys—Third Team: First, Reds; Second, Blues.

Baseball, Girls: First, Blues; Second, Reds.

Track, Relay Race: First, Red Team; Second, Blue Team.

Jumping: First, Adalberto Aguilari, Red; Second, Santiago Sanchez, Blue; Fidencio Ybarra, Blue.

Declamations, Juniors: First, Concha Valadez, Blue; Second, Irene Calzada, Red; Third, Mary Blanch Salinas, Red.

Declamations, Sub-Juniors: First, Nieves Lopez, Blue; Second, Romona Pena, Blue; Third, Humberto Arredondo, Red.

Primary: First, Red Team; Second, Blue Team.

Story Telling, Sub-Junior: First, Enedina Perez, Red; Second, Reymundo Barrera, Blue.

Story Telling, Primary: First, Pablo Flores, Blue; Second, Leanoir Gonzales, Red; Third, Juanita Valdez, Blue.

Choral Singing, Primary: First, Blues; Second, Reds.

Choral Singing, Sub-Juniors: First, Reds; Second, Blues.

Choral Singing, Juniors: First, Blues; Second, Reds.

EIGHTH GRADE PICNIC

Mrs. Harkness' eight grade English and spelling classes enjoyed an Easter Egg picnic last Saturday, April 1.

After the egg hunt everybody was ready to settle down and "eat." Coffee and punch were served with the lunches. Well-played.

Those present were: Doris Duke, Harriet Pierson, Margaret Davis, Betty Jo Beckett, Janie Louise Turner, Edgar Wells, David Thompson, Robert Joe Dishman, Joe Mussey, Bill House. Our guest was Coleen Pierson.

Those who assisted in hiding the eggs were: Ora Mae Black-welder and Carrie Marie Turner. The mothers assisting were: Mrs. D. L. Duke and Mrs. E. L. Pierson. All returned home reporting an enjoyable time.

The giraffe is by nature a silent animal, having no power of making sound.

Goldfish originated in China.

Harrell; Second, Bobby Edwards, Reds; Third, Doyce Wells; Fourth, Harvey Rogers, Blues.

Three-Legged Race: First, Reds, Willie Grigsby, Charles Hill; Second, Blues, Molloy Winston, Jimmie Merritt.

GRADE SCHOOL TRACK

Running High Jump: First, Olivarez, Blue; David Thompson, Red; Third, Chamberlain, Blue.

440 Yard Relay: First team, Blues, Olivarez, Chamberlain, Mussey, Cardenas. Second team, Reds, David Thompson, J. D. Thompson, Cooke, Pauli.

50 Yard Dash: First, Cardenas; Olivarez, Mussey, Blues.

100 Yard Dash: First, Olivarez; Second, Cardenas; Third, Mussey, Blues.

Three - Legged Race: First, Reds, Thompson, Cooke. Second, Blues, Smith, Carter.

Running Broad Jump: First, Olivarez; Second, Cardenas; Third, Mussey, Blues.

Baseball Throw: First, Cardenas; Second, Olivarez; Third, Chamberlain, Blues.

Chinning Bar: First, Bradford, Red; Second, Mussey; Third, Olivarez; Fourth, Carter, Blues, with Third and Fourth tying.

Tennis Singles: First, Joe Mussey, Blue; Second, Robert Joe Dishman, Red.

The letter which won first prize in the Junir letter writing contest is printed below without corrections:

March 31, 1944

Mr. O. T. Sudduth  
Editor Sanderson Times  
Sanderson, Texas.  
Dear Mr. Sudduth:

I am going to tell you why Sanderson is a good place to live in. It has a printing office, water supply, electricity and many vacancies. It is a railroad center and is also a center for shipping livestock. The climate here is very comfortable both in winter and summer. The place is not very crowded and few accidents happen. It has a

good system of schools, good paved roads and a good court house. We have a picture show where we can enjoy ourselves. There are good doctors, stores, and many gasoline stations. We have many hotels and restaurants equipped with air condition We have a Tennis ground in the High School where we can play. We have a good post office, jewelry shop, officers that keep order, and a dairy from which we can get fresh milk. We have a bakery that makes our bread, drug stores that supply medicines, good employment and a good state bank. There is a bus that passes here twice a day good churches, laundries and news papers from our neighboring cities. We have good barber shops, shoe repair shops and beauty shops. All these things make Sanderson a pretty big town as well as a good place to live in. There are many good ranches around this part of the country. The country here is just lovely in spring. I hope this will interest you in our home town and come to visit us soon.

Very truly yours,  
Santiago Sanchez  
—LAMAR—

last week-end in Del Rio. We are missing Elvira and Herminia Surita from the sixth and seventh grades respectively. They come from Dryden on the bus each day.

Mrs. W. H. Savage substituted Wednesday for Mrs. Jack Hayre while the later was visiting relatives in Waelder.

Edelmira Coronado is visiting in Del Rio this week.

Ana Maria Valdez is back in the second grade after a week spent in Del Rio with her parents at the bedside of her grandfather who has been quite ill. Grandfather Valadez is-out of danger.

to pay \$10,000 for a broken arm or leg, and promptly decides to have unsuspecting Stan's limbs broken for the cause. How he pursues his scheme of getting Stan involved in an "accident," leads to the fastest-moving and most hilarious climax in which the side-splitting team of comedians have ever been seen.

ROMANTIC COMEDY RE-UNITES MACMURRAY, COLBERT

It's been a long time since Claudette Colbert and Fred MacMurray romanced on the screen, but the Paramount Stu-

dio is rectifying that by bringing them together in a hilarious comedy called "No Time for Love" showing Wednesday and Thursday at the Princess Theatre, which is all about a cave-man tunnel digger and a very arty woman photographer.

The two stars are said to be in their element in this production, as they are both comedians of consummate skill and the story gives them plenty of opportunity to display their talents. The plot tells of Miss Colbert's assignment to take pictures of sandhogs at work on an underground tunnel.

The lady is very chi-chi and definitely out of place among the hurley-burles. Much to her surprise, however, she is attracted to one of them—Fred MacMurray. He tells her in no uncertain terms that she is not his type. Claudette is annoyed but inclined to agree with him on that score. However, when inadvertently a picture of MacMurray in a fight is published

From where I sit ... by Joe Marsh

"Praise the Lord We Ain't Agoin' Fishin'"

Willie Wells was always fond of fishing. Now he writes from somewhere overseas:

"There's a song the fellers sing, goes: 'Praise the Lord, we ain't agoin' fishin'—and I guess it's so. But you know, dad, sometimes I sure wish I were back fishing for trout in Seward's Creek again."

And I guess that's the way all our soldiers feel. They're fighting a war—and they mean to fight it to a finish—till they can come home to the little pleasures that they've missed so

much—the sweet feel of a trout rod ... a pleasant glass of beer with friends ... the smell of Mom's fresh baking from the kitchen ...

From where I sit, we folks at home have an important obligation—to keep intact the little things that they look forward to ... from the trout rod waiting in the corner to the beer that's cooling in the ice box. Don't you agree?

Joe Marsh

### Cut yourself a piece of world

AFTER THE WAR, this world is really going to be something ... provided you start carving a piece for yourself right now!

There's an easy, profitable way to do it. That's by buying War Bonds. By sticking every dollar you possibly can in interest-bearing War Bonds.

Let Uncle Sam take care of this money for you. At the end of ten years he'll give you back \$4 for every \$3 you gave him to hold for you. There isn't a safer investment in the world!

In this way, when the bonds mature, you'll have security—peace of mind with which to enjoy the peace.

Most likely, you are buying Bonds. But remember—the more money you invest in them now, the more you're going to get back later! So start increasing your War Bond Savings. Start in right now!

## TEXAS TO TOKIO

(Continued from Page One)

sick". We hope that he is much improved by this time and that he has been able to get a little sunshine to offset that rain and snow.

Sgt. Troy Druse arrived Wednesday from Chanute Field, Ill., where he has been for the past two months attending an engine specialist school. He is here for 15-day furlough with his parents, Mr. and Mrs. W. M. Druse. He will report to Kelly Field at the end of his visit here.

Mrs. W. D. O'Bryant and son, William Doyle, are in El Paso this week visiting her husband, Pvt. O'Bryant, who is stationed at Fort Bliss.

Holden Murrah, Pharmacist second class, who is stationed at Hertford, N. C., arrived Tuesday for a visit with his parents, Mr. and Mrs. Rufe Murrah. He will remain with them until the latter part of next week.

W. F. Thomas, who is stationed at Waldron Field, Corpus Christi, writes his mother, Mrs. Jake Brookshire and Mr. Brookshire, that he has been promoted to seaman first class. He also says that he is fine and having a wonderful time. Says he is in the training squadron there.

Staff Sgt. Earl L. Hardgrave and Cpl. Allen W. Hardgrave, both stationed at the Lubbock Army Air Field, have been awarded the Good Conduct Medal according to information received by the Times from the public relations office at that field. This award is made to enlisted men and women for exemplary behavior, efficiency and fidelity during more than a year's service.

Mr. and Mrs. J. L. Osgood have received word from Cpl. James McDonald, stationed in England, who says that things with him are about as usual with the exception that he is now a corporal. He says, "Tell Roge, (speaking of Lt. Roger Bassett) not to get too impatient because he doesn't realize

it but over here it is not play practice or maneuvers. It's the real thing and everything is played for keeps. Will close for now and would like to see the old Sanderson Times if you have a few laying around."

Staff Sgt. Jesse B. Burleson, son of Mr. and Mrs. W. B. Burleson, has notified them that he arrived in New York Monday, April 3, from England. He has been stationed in England and has completed his 50 missions as gunner on a flying fortress. They hope that Sgt. Burleson will be able to visit them here soon.

Miss Mary Ferguson spent the past week in San Antonio visiting with Misses Imogene Black and Rena Brown. She was accompanied home by Major W. B. Carpenter, U. S. Army Air Corps. Major Carpenter will be remembered in Sanderson as Benoit Carpenter who graduated from the Sanderson High school with the class of 1934. He has returned from serving 13 months in the South Pacific.

News from Sgt. Victor G. Parada comes through a V-mail letter from his commanding officer to Victor's sister, Miss Marie J. Parada:  
Dear Miss Parada:  
It is with a great deal of pleasure that I can inform you of the fine work your brother is doing in the Army and particularly in my company.

Vic is ambitious, works hard, and can be relied upon for those duties requiring technical knowledge. He is a mighty fine soldier—never complains about Army assignments or discomforts and maintains a jovial disposition.

He is in good health, looks fine and has a pleasing personality. Again I can say you can be very proud of him.

Sgt. Laurencio C. Gutierrez of the Finance Department, recently of Turner Field, Georgia, now has an A. P. O. address.

Historical note: The ancients considered even numbers as female and odd numbers as male. We've seen some odd numbers among both the male and female.

Mr. and Mrs. A. A. Shelton and Mr. and Mrs. C. G. Bradford and son, Jimmie, are spending the week-end in San Antonio.

Sales pads at the Times.

## Examinations To Be Given For Place With State Agencies

### Application Blanks May Be Secured From State Offices

The Texas Merit System Council, serving the Texas Unemployment Compensation Commission, the United States Employment Service and the State Department of Public Welfare, is announcing competitive examinations for ten different types of positions for which qualified workers are urgently needed in these State agencies. The date for the examinations has been set for May 6; and the positions for which they are given are Claims Examiner, Junior Claims Examiner, Field Auditor, Junior Field Auditor, Claims Interviewer, Accounting Clerk, Apprentice Clerk, Junior Stenographer, Clerk-Typist, and Field Worker.

The entrance salaries range from \$1080 for Clerk-Typist to \$1920 for Claims Examiner and Field Auditor. Meritorious service may be rewarded by increases in salary and promotions in rank.

The minimum qualifying training and experience for examination for these positions varies from high school graduation with clerical or stenographic training or experience to two or more years of college work, including or supplemented by training or experience in law or accounting and auditing. In the case of the Field Worker position with the State Department of Public Welfare two years of experience in welfare work in a recognized Social Welfare Agency may be substituted for the two years of the required college work.

Persons interested in these examinations may obtain application blanks at their local United States Employment Service or State Employment Service or State Department of Public Welfare offices. All applications must be filed in the Merit System Office, 808 Tribune Building, Austin 21, Texas or postmarked by midnight of April 24.

### THIRD GRADERS ARE ENTERTAINED WITH HUNT

The third grade room of the American Ward school enjoyed an Easter egg hunt and picnic Friday of last week, given by their teacher, Mrs. A. A. Shelton. Mrs. W. H. Nessmith.

After the hunt and an hour of supervised play, delicious pink and green cup cakes were served to 18 children and to Mr. and Mrs. Roy Harrell, Mrs. Hugh Rose, Mrs. W. C. Cargile, Mrs. Thos. W. Cox, Mrs. P. P. Courtney and Mr. Nessmith.

Mr. and Mrs. Tom Holley and son, Jay Tom, left Wednesday for Pleasanton. They will also visit in San Antonio with Miss Joan Holley enroute to Pleasanton.

Mr. and Mrs. S. L. Stumberg left today for Roswell, N. M. where they will spend the Easter holidays with their son, Temple, who is attending military school there. They will return by way of San Angelo where they will attend the wedding of Mr. Stumberg's niece, Miss Elsie June Stumberg.

## Home Demonstration Club Holds Meeting At Mitchell Home

The Home Demonstration club met in the home of Mrs. Mary Mitchell, Monday April 3.

A most interesting demonstration was held on refinishing furniture, first removing the varnish or paint, cleaning and sandpapering and using the wood filler if needed and then applying the varnish paint or enamel.

Re-upholstering was also demonstrated by Miss Pauline McWilliams our new Home Demonstration agent. The ladies reupholstered a chair for Mrs. Malone Mitchell, buttons were covered for the chair bottom by the members and the chair was neatly finished in an hour's time.

Fourteen members were present for the business session of the meeting. Mrs. Ferd Monroe has been appointed delegate for the District 6 Home Demonstration Clubs to be held May 11, at Stanton, Texas.

Mrs. Malone Mitchell gave a very interesting "Educational Talk" and Mrs. Sid Harkins gave a talk on "Correct Posture."

The members present were: Mesdames Ferd Monroe, Albert Appel, Joe Brown, Sid Harkins, Malone Mitchell, Madge Goldwire, H. C. Goldwire, Jimmie Caroline, Fred Talbot, John Byrd, Gay Franks, C. P. Peavy, Mary Mitchell and Miss Pauline McWilliams, agent.

Our next meeting will be held at Mrs. Mary Mitchell's home May 1, 1944 and all club members are expected to be present.

## RATIONING

Meats, Fats—Red stamps A8, B8, C8, D8, E8, and F8 are good through May 20, G8, H8, and J8 become good March 26 and remain good through June 18. Waste Kitchen fats exchanged for two points.

## Many Deaths Result Of Fly-Born Diseases Says Health Officer

### Places of Breeding Must Be Destroyed For Proper Control

Thousands of children and adults die each year from fly-borne diseases. Typhoid fever, tuberculosis, summer complaint, cholera, and intestinal diseases frequently resulting in death follow closely in the trail of the common housefly.

"The control of the fly menace comes at the top of the list of necessary public health measures which should be applied by every city and community in the State," said Dr. Geo. W. Cox, State Health Officer. "The most effective measure for control is to prevent breeding, and about eight days are required to complete a life cycle. During her lifetime of several months, one housefly lays from 600 to 1,000 eggs. Thus, it can easily be seen that in a season which usually begins in the spring of the year, the descendants from one fly number countless of thousands."

To eliminate flies, Dr. Cox said the breeding places must be destroyed. As flies breed in filth, manure piles, garbage, and other organic filth furnish the requirements of warmth, moisture, and food necessary for the propagation of the fly. Flies should be kept from contact with food or drink or utensils in which such food and drink are prepared and served. Likewise they should be kept from access to privy vaults where they pick up the infections, which they later spread to humans by contact with the food and drink and by unwashed hands and utensils.

"See that your windows, doors and porches are screened so that the stray fly from some careless neighbor will not endanger your family. See that your grocer keeps meat, vegetables, and fruit screened from flies."

frozen fruits and vegetables will not be rationed through April 29. Lard will remain unrationed, ready-to-eat hams will be one point lower, "dry-cured" hams are to be only one point above fresh hams, and other meat point values will remain almost unchanged. Food expected to be in good supply over most of the country during the next three months are potatoes, cabbage, spinach, lettuce and other leafy greens, carrots, beets, citrus fruits, canned green and wax beans, tomatoes and other fresh vegetables, frozen vegetables, shell eggs, fluid milk, bread, flour, noodles and spaghetti. The War Food Administration says each civilian will have on the average 132 pounds of meat in 1944, or one pound more than he had on the average during the decade 1931-1940.

## Beware Coughs That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)
