KERR MERCANTILE HONORING SERVICE MEN FROM TERRELL

Beginning this week The Kerr Mercantile Company will bring a series of articles honoring the men from Terrell County who are giving their best in the service of their country. With the thought in mind that some of these boys have given the supreme sacrifice, their lives, it is felt that such a move by a firm on the home front is a very commendable one, and is one way of letting the boys over there who receive the Times know that they and their buddies are being given the respect and the consideration to which they are entitled.

The picture and the story to be run each week are of a size that will go nicely into a scrap book for those who wish to save the articles for future reference.

Word has been received here by A. A. Shelton that Lt. Horace Shelton has been missing in action over Germany since May 24. Lt. Shelton, a co-pilot of a Flying Fortress, had completed most of his twenty-five operational missions over Germany and last word received from him was that he would soon be coming home for a visit. He was awarded the Air Medal and an Oak Leaf Cluster to the medal in April, for exceptional meritorious achievement while participating in ten separate combat missions over Continental Europe. No report as to whether is is a prisoner of war has been received.

THE STATE OF TEXAS

TO: Leonard Isaacs, and the unknown heirs of Leonard Isaacs, deceased, and Sarah M. Ellison, and the unknown heirs of Sarah M. Ellison, deceased, defendants, GREETING:

You are hereby commanded to appear before the Honorable District Court of Terrell County at the Court House thereof, in Sanderson, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 10th day of July, A. D. 1944, then and there to answer plaintiffs' petition filed in said court on the 16th day of July, 1942, in this cause, numbered 1991 on the docket of said court and styled Pansy Yount. individually and as independent executrix of the estate of M. F. Yount, deceased, Mildred Yount Manion, joined by her husband, E. D. Manion, Plaintiffs, vs. Mrs. Katherine M. Gibson, individually and as independent executrix of the estate of Dr. J. A. Gibson, deceased, Joe A. Gibson, Leonard Isaacs, and the unknown heirs of Leonard Isaacs, deceased, Sarah M. Ellison, and the unknown heirs of Sarah M. Ellison, deceased, T. N. Sloan and the Stanolind Oil and Gas Company, a corporation, of which A. M. McCorkle is a Vice-President, Defendants.

A brief statement of the nature of this suit is as follows to wit:

Plaintiffs allege that they and defendants, except T. N. Sloan and the Stanolind Oil and Gas Company, are the owners in fee simple of a tract of land situated in Terrell County, Texas, and being Survey 7, Abstract 23, Certificate 327, Block 162. and patented to Lem Barton original grantee, by patent 207, Vol. 34, containing 1,231.9 acres of land; that plaintiffs are the owners of an undivided 308 acres of said land and said defendants jointly are the owners of the balance of said survey, amounting to 923.9 acres of land; that said plaintiffs and said defendants are the sole owners of said premises and that the estimated value thereof is \$6,000.00; that defendants, T. N. Sloan and the Stanolind Oil and Gas Company, of which A. M. Mc-Corkle is a Vice-President, are claiming an interest in said land by virtue of a certain oil and gas lease dated November 3, 1941, covering the entire survey, which lease was executed by the defendant. Katherine M. Gibson; that said lease, in so far as it purports to cover the interest of plaintiffs is void, and the claim of said defendants by virtue of said lease constitutes a cloud upon plaintiffs' title, and plaintiffs pray that they have judgement for the partition and division of the land and premises above described; that commissioners be appointed and a writ of partition issue, and for possession of that portion of the lands described in the suit which may be ascertained and declared to be the property of plaintiffs; that the cloud upon plaintiffs' title to such land ascertained and declared to be their property created by virtue of said oil and gas lease be quieted, and said lease declared of no further force and effect in so far as it covers the lands of the plaintiffs, as is more fully shown by plaintiffs' petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the seal of said Court, at office in Sanderson, Texas, this the 22nd day of May A. D.
