FROM TEXAS TO TOKIO

Ross Stavley arrived here from Fort Benning, Ga., on a visit with his mother, Mrs. F. Stavley, and other relatives. Ross will report back on the first of December.

Watkins, soundman section writes his mother, Clara P. Watkins, that he is along fine. He is staying somewhere in the South where he has been battling the Japs for more than two weeks. He also says the situation looks bad and that he hopes that it will prolong the war.

Letter is at hand from Sgt. C. Gutierrez, stationed at Advance Headquarters in Command in France. He says: "I have been stationed in England for some time, now in France where I work with other finance work with the United States Air Forces in Europe."

England is a very nice country and the conditions here are better than in England. There's a lot of wine to drink, and some conac and champagne. I've visited Paris and I think that it is a very beautiful city.

enjoy reading your paper very much. Often I read the "Texas to Tokio" column as if I've read a letter home. I'm sure all G. I. Sanderson in every war appreciates receiving a paper as much as I do.

before I left England I wrote Capt. Joe Kerr, Jr., Sunday after Catholic. I heard someone call me. I turned around and in front of me Capt. Kerr. So excited and glad that I forgot to salute him. In addressing him as "Kerr" I addressed him as "Kerr" I addressed him as "Kerr".

After I realized my mistake I tried to apologize, but he didn't have to. Anyway, he's both very happy to see me and had a good talk. Hence also stated that he was able to keep his practice since he had returned to France.

R. W. Weatherby, with advance unit in France, his sister, Mrs. Dick Hill, is getting along fine. It seems to rain there fifteen minutes and that getting awfully tired of it. It is ready to come home.

Jack Miller, son of Mrs. Miller of Sanderson, is in the States, arriving at 21, and is now in a hospital in Longview, Texas. Jack is in North Africa and was in Italy when he was returned to the States. Mrs. Miller returned Saturday from a visit with him at Longview.

Dishman, Jr., pharmacist first class, is here on leave from Shoemaker, for a visit with his partner John Cowan, pharmacist first class, returned to his in El Paso after visiting days here with Prince. He is stationed at Shoemaker, and will return to that station.

Seaman A. E. Murrant returned the past week-end with his parents, Mrs. Charlie Murray. He returned Monday to San Diego where he is stationed, and is attending a radio school.

Mr. and Mrs. Frank Warren returned Thursday of last week from a business trip to San Antonio.

Mr. and Mrs. E. L. Brown of Fort Stockton spent Tuesday and Wednesday of last week visiting Mr. and Mrs. W. W. Sudduth.

SIXTH WAR LOAN DRIVE TO START NEXT MONDAY

TERRELL COUNTY QUOTA IS SET AT \$90,000.00

Terrell County's quota for the Sixth War Loan has been set at \$90,000.00, of which \$40,000.00 is expected to be in Series "E" bonds, according to C. P. Peavy, county chairman. The Series "E" bonds are the type commonly bought by individuals.

Although the drive is scheduled to start Monday, all bonds sold during the first of the month will be included in the quota. Mr. Peavy has stated that the cooperation of every individual in the county will be necessary in meeting this quota, and it is hoped that it will not be necessary to make personal contacts during this drive.

Presbyterian Circle Meets In Home of Mrs. Seth Davenport

The Presbyterian circle of the Woman's Auxiliary met Monday at 3:30 P. M. in the home of Mrs. Seth Davenport.

The meeting was led by Mrs. J. H. Loehausen and opened with a song and the Lord's prayer by the group. The devotional leader was Mrs. N. E. Charlton and the topic of her discussion was "Forgiveness". Another discussion "Are Ye Willing to Forgive?" was given by Mesdames A. F. Gholson, and C. C. Mitchell. A prayer by Mrs. E. F. Pierson and a song "Break Thou The Bread of Life" by the group closed the meeting.

The hostess served hot tea and doughnuts to the following members: Mesdames Loehausen, R. S. Wilkinson, Mitchell, Charlton, Gholson, and Pierson.

Bible study will be held next Monday in the home of Mrs. N. E. Charlton at 3:30 P. M. with Mrs. J. W. Byrd as leader.

Bill Tisdale visited during the past week-end in San Antonio with Mrs. Tisdale who is recuperating from a recent major operation.

Farm Groups To Meet At College Station Nov. 27-28

To Establish Production Goals For Coming Year

Representatives of farm groups and agencies will meet in college Station on November 27 and 28 to establish 1945 crop and livestock production goals for Texas, it has been announced by State AAA Administrator B. F. Vance.

Suggestions drawn up by the War Food Administration on the basis of prospective requirements for food and fiber from 1945 production will be presented to the meeting as a guide in fixing next year's goals, Vance said.

The State meeting has been called at the request of Food Administrator Marvin Jones who has asked each State to determine its goals in relation to national needs. The sum of the State goals will become the national goal.

WFA representatives will be present at the meeting to explain the outlook for 1945 requirements and also for such production factors as labor, fertilizer, and machinery. Government price support announcements covering each commodity also will be given.

Vance pointed out that AAA committeemen again have been given a major responsibility to work with farmers in attaining the goals. Full participation by other agencies and groups will also be needed, he said.

Leaders invited to attend the State meeting include the State AAA Committee and representatives of Texas USDA War Board and other agricultural leaders.

Mrs. Tol Murrah Entertains Wednesday Bridge Club

Mrs. Tol Murrah entertained the Wednesday Bridge Club this week, in her home which was decorated with fall flowers.

Mrs. C. P. Peavy won first prize, Mrs. Herbert Buchanan won second prize, and Mrs. S. L. Stumberg won consolation prize. The hostess served a salad plate to the following members: Mesdames Mary Lou Keller, Horace Fletcher, Buchanan, Jim Kerr, Jack Silliman, W. H. Savage, James Caroline, Stumberg, Webb Townsend, Peavy, Sam Draper, and Frank Perry from Fort Stockton.

Third Birthday Celebrated By Barbara Sudduth

Barbara Ann Sudduth celebrated her 3rd birthday Wednesday, November 15th with a party given by her mother, Mrs. W. W. Sudduth.

After the guests arrived and the gifts were opened, Barbara Ann's father showed the group a Mickey Mouse movie cartoon. Favors were marbles, horns and all-day suckers.

The birthday cake, decorated with pink icing and white candles, was served with fruit juice to the following guests: Charlotte Ann Daniel, Ann Swift, Gloria Calk, Sue Ann Stanley, Peggy Cooke, Richard Stanley, Freddie Baker, Eddie Hanson, Tommy Silliman, Jimmie Word, and Butch McElroy.

Mrs. C. E. Turner and daughter, Hazel Babb and Betty Jo Kerr spent the past week-end in Ozona visiting with relatives and friends.

Mrs. F. A. Perry, Sr. of Fort Stockton arrived Tuesday for a short visit with her daughter, Mrs. Jack Silliman and family.

SANDERSON EAGLES DEFEAT RANKIN IN NOVEMBER 11 GAME

LOCALS WILL PLAY FINAL GAME OF SEASON SATURDAY

The game played Saturday on the local field between the Eagles and the Rankin Red Devils afforded football fans entertainment for the afternoon, with the Sanderson boys defeating the visitors by a score of 20-0.

Sanderson kicked off to start the game with Prude taking the ball on the 40-yard line. On the first play Sanderson was off side and drew a penalty, and the second try brought a first down for Rankin, with two more plays bringing another first down. The

TO PLAY TOWN TEAM

The Eagles will play a town team Tuesday afternoon, Nov. 22, at 4:30 o'clock, according to announcement by Supt. Tom Holley, who stated that funds received from this game would go toward the purchase of sweaters for lettermen of this year's school team.

The charge for the game will be 25 cents for adults and 15 cents for students. A good attendance is hoped for, so that the necessary funds for the purchase of the sweaters might be increased from the revenue.

Eagles held for four downs, took the ball and made a first down in three plays. The ball was passed wide to Edwards who covered with a loss of 20 yards. Unable to gain a first down, Sanderson kicked on the fourth down. Rankin was penalized on the play which returned the ball to Sanderson for a first down. Dishman, Edwards, and Harrell carried the ball for two first downs before losing it to Rankin.

Barfield passed to Bean for a first down on the first play, with a second pass netting six yards. Monroe tossed a pass which was intercepted by Edwards of Sanderson on Rankin's 26-yard line. Six plays brought three first downs, with a third netted in the next three plays. A fourth first down was made which placed the ball within a few feet of the goal line. Rankin held on the next four plays, Sanderson losing the ball to them on the one-yard line. Barfield kicked out of the hole for Rankin, and Sanderson, after three tries with no gain, returned the kick to the 20-yard line. Barfield tried for a pass which was intercepted by Edwards, but Sanderson was off-side which brought them a five-yard penalty and gave the ball back to Rankin. Garner took the ball around right end for a first down, but the ball was called back because of a penalty. Barfield passed to Garner who was stopped by Harrell for the last play in the first half.

Beginning the second half, Prude of Rankin kicked off with Harrell taking the ball on the 20-yard line and returning it to the 49. Dishman and Edwards carried the ball for a first down, and Harrell followed with another first after which four plays brought the first touchdown of the game. Dishman passed to Wells for the extra point. Talbot kicked to the 22-yard line and Garner of Rankin returned it to the 35. On the third play Garner tossed a pass which was intercepted by Wells of Sanderson. Four tries failed to net a first down and the ball went back to Rankin on the 27-yard line. Bean carried the ball for 13 yards and a first down on the first play. Three following plays brought no gain and Barfield kicked to the 25-yard line, but the ball was returned to the 50-yard line by Sanderson. Harrell ran an off-tackle play for 20 yards, followed by a second run for nine yards. Dishman followed with another nine yards and a first down. Dish-

Committeemen To Be Named At December Meeting

Attendance Is Urged By County AAA Chairman

Farmer committeemen who will have important roles in war and post-war farm problems will be named at annual AAA elections in Terrell County between December 11 and December 23. Locations and dates of the election meetings will be announced as soon as they are arranged.

Farmers will choose committeemen for the county and also the alternates. Conservation practices for 1945, production goals, and general agricultural outlook will be among the subjects discussed at the meetings.

Committeemen represent both their neighbor farmers and the executive branch of the Federal government in the work and responsibilities of the Agricultural Adjustment Agency. Their recommendations, based on personal knowledge and experience, help shape agricultural programs to fit the needs of their own localities and to meet the problems of farmers and consumers throughout the nation.

"The election will give local farmers a chance to consider the problems and the demands of the coming year," says John D. Harrison, County AAA Chairman. "A program is being arranged for full discussion of what's ahead. Every farmer should attend the meeting in his community or in the county to take part in that discussion and to vote in this election."

Tuesday Bridge Club Entertained By Mrs. Hugh Rose

Fall flowers decorated the home of Mrs. Hugh Rose when she entertained the Tuesday Bridge Club this week.

High score was won by Mrs. S. L. Stumberg, second by Mrs. W. W. Sudduth, and consolation was won by Mrs. Jim Nance.

The hostess served a salad plate to the following members: Mesdames Jim Kerr, Lee McCue, Nance, Horace Fletcher, Tol Murrah, John Harrison, Walter Grigsby, Roger Rose, Stumberg, Mary Lou Keller, Sudduth, and C. P. Peavy.

Junior Woman's Club Meets Thursday With Miss M. Lattimore

The Junior Woman's Club met Thursday evening, November 9th in the home of Miss Margaret Lattimore with Mrs. Roy Deaton as co-hostess. The club welcomed as new members Misses Mary Frances Richardson, Madge Conger, and Mrs. Henry Goldwire.

After a short business session the meeting was turned over to the program chairman Mrs. James Todd. Mary Lou Cargile gave a reading entitled "The Wedding". Miss Lattimore reviewed "Anna and the King of Siam" by Margaret Landon and Mrs. Todd discussed "The Rajah of the Soil" by William F. McDermott.

The hostesses served mince pie and coffee to the following members and guests: Misses Marion Brieger, Mary Frances Richardson, Anna Lee Allen, Madge Conger, and Mesdames Todd, Goldwire, Gay Franks, M. H. Greenwood, and H. H. Saegert.

The next meeting of the club will be held December 14th with Misses Marion Brieger and Mary Frances Richardson as hostesses.

Sgt. D. R. Attanasio who is stationed at the Cadet Center in San Antonio spent several days here this week visiting with friends.

FIREMAN'S ANNUAL TURKEY SHOOT TO BE HELD NOV. 26

PLANS CALL FOR THANKSGIVING DANCE NOV. 29

Announcement is made this week that the Annual Turkey Shoot, sponsored by the Sanderson Fire Department, is scheduled for Sunday afternoon, November 26. The shoot will be held at the same site, northeast of the old ball park on the Henshaw Estate property.

In making the announcement, it was pointed out that ample turkeys had been secured for the shoot, and both the rifle and pistol shots would be given an opportunity to display their marksmanship. The shooting will start at 2:00 o'clock.

At the same time it was announced that present plans call for a Thanksgiving dance to be staged Wednesday night, November 29. Music and other arrangements have not been made for the dance to date, but those in charge feel that music can be secured and other arrangements made.

MISS JANE MICOU AND LT. CHARLES WADE MARRIED

Their many friends in Alpine will be interested to hear of the marriage of Miss Janie Micou to Lieut. Charles E. Wade. The marriage took place Saturday night, Nov. 4 at the parsonage of the Christian church, with Rev. M. A. Buhler reading the service. Only members of the family were present.

The bride has been a resident of Alpine since childhood. She is a graduate of Alpine High school and of Sul Ross college, where she was a popular member of Sachers. She has been a teacher in the Centennial school for nine years.

Lieut. Wade has lived in Alpine since he was a small boy. He is the son of Mrs. Eliza Wade. He also is a graduate of Alpine High and of Sul Ross college. He was active in work of the Boy Scouts. He has been in military service for three and one-half years in the Q.M. Dept. with transportation, water-borne. He saw service in the St. Lo engagement in France and his ship was the first one to arrive at the OMAHA beachhead. He is in Alpine on leave and will leave Nov. 14 for duty at Camp Beall, Calif. He is ordered for overseas duty in the South Pacific.

Mrs. Wade will remain in Alpine and continue teaching here.

Lieut. and Mrs. Wade and Mrs. Eliza Wade were guests of Mr. and Mrs. Jimmy Wade for dinner at Indian Lodge Wednesday evening.

They were also honored with a surprise shower by the faculty of Centennial school, who presented to them a set of pastel pottery, with service for eight—Alpine Avalanche.

MISS BARGER RESIGNS AS DRAFT BOARD CLERK

Miss Nina Barger left Wednesday for San Angelo after serving with the Terrell County Selective Service Board since April, 1942. She will make her home in San Angelo with her mother, Mrs. C. M. Barger. Mrs. Novis McElroy assumed her duties as Selective Service clerk November 16th.

A handkerchief shower was given Miss Barger Wednesday by the courthouse employees.

Mr. and Mrs. Greene Cooke spent Saturday through Tuesday in Dallas where they took Betty for a medical check up.

POWER RESOURCE

Personal confidence is one of the world's really great power resources. When two individuals become acquainted, after they have more or less dealing with each other, confidence (or a noticeable lack of confidence) always results. This is no part of high-brow psychology. It is a practical experience that comes to every human being before he knows enough words to tell about it.

The power contained in this commonplace, human relationship is too big to calculate. How many times have you known insolvent business firms to rise above ruin and fight their way to prosperity because a banker believed personally in somebody? More than once I have seen "defeated" ball teams build victory from nothing anybody could see but the hopeful grin of a respected coach.

Of Practical Use

Nowhere in mortal experience is the power of personal trust so obvious as in a hospital. Patients get better when the doctor comes. Pain seems to lose its edge, fever actually subsides, confusion gives place to calm when the physician enters. It is a positive curative, a definite part of physical treatment. It is a thing too useful and effective to be lightly discarded.

There is a concerted movement on foot in political circles to break up this relationship between doctor and patient. It is spoken of as "instituting socialized medicine." By no means have all the details of the plan been worked out, but the early steps have been charted. It adds up to putting all doctors on the government's payroll and assigning them their patients.

It's Regimentation

To Mr. Average Citizen it means that he can't choose his physician. If he gets sick or a member of his family encounters accident or ill health, he must complain to a bureau and accept the doctor picked by the bureaucrat in charge. He probably will be obliged to go somewhere and fill out a blank first. If the case calls for hospital service he will be so informed and a hospital selected for him.

Boosters for socialized medicine claim it will improve the entire nation's well-being. They say it will make doctors anxious to keep their communities well, make them zealous of disease prevention. I doubt it. Making doctors salaried government men can't help but make a lot of them lazy and indifferent. It might reasonably cost many lives and it would certainly pile administrative cost to the sky.

A Labor of Love

Professional services, by their very nature, are personal services. In large part they are confidential. A man who is not at liberty to pick his own confidants is not a free man at all. Doctors admit that they, on the average, might earn more money in fewer hours of work under socialized medicine. Nevertheless doctors oppose it and it is to their moral credit.

Doctors oppose shorter hours at better pay; why? Because in getting these "goodies" for themselves they would cause their patients to pay more, suffer more and perhaps die sooner. The physician's work would be no longer personal . . . no longer professional. In their vital and delicate services doctors would have to get along without personal confidence, the most helpful of all medicines.

Mrs. W. W. Cook visited in Houston over the week-end. She was accompanied as far as San Antonio by Mrs. J. W. Leatherwood who visited with her sister, Miss Frances Carnes and her mother Mrs. A. B. Carnes.

A NEW LAUREL FOR TEXAS' WAR RECORD

Texas-Made Tires

With well deserved pride, Texas greets leading representatives of the nation's Press, come to participate in "Texas-In-The-War" week and eager to tell all America of the tremendous contributions Texans and Texas industry have made to the war effort.

And, Texas can take particular pride that November 13th marks the dedication of the first tire ever to be built in Texas . . . at the huge new plant of The General Tire & Rubber Company at Waco.

Truly, Texas has gone all the way to meet America's immediate need for greatly increased production of military tires.

A year and a half ago, at Baytown, we began operation of the first synthetic rubber plant in Texas . . . established there to make full use of the priceless minerals found in such lavish abundance under the soil of Texas.

Since then, with the aid of willing Texas hands, we have produced

synthetic rubber in quantities beyond all estimates.

Now comes the final step. For today Texas has its own tire plant . . . from which Texas-made tires will speed to the fighting fronts . . . and where Texas will build the finished product from raw materials drawn from every corner of its own great Commonwealth.

We of General Tire are happy to reaffirm our faith in the productive capacity of Texas and to become an even closer partner in its industrial progress.

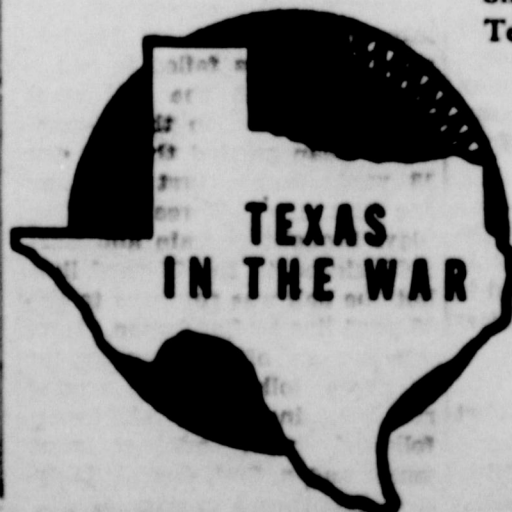

When Texas enters its tremendous peacetime future . . . this General Tire plant will be ready with Texas-made passenger car tires, truck tires and aircraft tires for all of the South and Southwest . . . thus assuring Texas that it will be the hub of supply for this area's expected expansion of transportation on rubber.

100% war production at Waco will hasten that day.

Back up the Boys! BUY ANOTHER BOND IN THE 6th WAR LOAN!

It's not over, over there—not by a long shot!

Uncle Sam can count on the fighting men to keep on fighting—and he must be able to count on you to keep on backing them, by buying extra War Bonds in the Sixth War Loan Drive, now on.

SEE WHAT YOUR EXTRA \$100 BOND WILL DO:

- It will help pay for the things our men must have—guns, planes, tanks, food.
It will help hold down the cost of living.
It will provide a nest egg for the future—the United States Government guarantees that you will get your money back.
It will show our fighting men that you are willing to do your part!

STRAIGHT TALK

ABOUT THE

SIXTH WAR LOAN DRIVE

AS WE MOVE closer to victory, it wouldn't be surprising if you were saying to yourself—"What's the big idea of asking for all this additional money now? Isn't the war almost over?"

No sir, it is not! Not by a long shot. Of course, for many months now you've heard mostly about the war with Germany, where our greatest effort is concentrated. That's why many people have the idea that the war's practically over.

But make no mistake about it—nothing could be farther from the truth! The Japanese war is a tremendous undertaking, and victory will come high. We'll have to fight every inch of the way.

Everything Costs More—in the Pacific War

The European war is expensive, but almost everything in the Pacific war will cost more. Take transport costs, for instance: Because of the longer distances, the same amount of freight costs 25 per cent more when shipped to the South Pacific than to Europe. And it takes twice as many cargo ships in the Pacific to support a task force of a given size because turn-around time is twice as great!

More Planes . . . Tanks . . . Ships . . . Oil

In addition, we shall need more of everything. More B-29 Superfortresses that cost \$600,000 each. More P-47 Thunderbolts that cost \$50,000 each. More M-4 Tanks, with bulldozer blades, that cost \$67,417 each. More amphibious tanks—more aircraft carriers—more supply ships—more gasoline and oil than it took for the invasion of Europe!

Care for the Sick and Wounded

And lest anyone forget, we shall need more battalion aid stations—more clearing stations—more evacuation hospitals—more convalescent hospitals—more hospital ships.

For many, many years the sick, wounded, and otherwise disabled veterans will require medical attention and care. That's the least Uncle Sam can do in appreciation of what they've done for us.

Maintenance for Millions

Did you ever stop to think how much money it costs to maintain

the 11 to 12 million men and women in our army and navy? Whether the men are actually fighting or not, they must be fed, housed, transported from one training center or battle area to another, cared for in a hundred and one different ways. That all costs money and will continue to until the last man demobilized is back in civilian clothes.

In addition, millions of dollars will be required for mustering out pay, for various benefits and services voted by Congress to help the boys get started in civilian life.

These are reasons enough why patriotic Americans will want to buy heavily during the Sixth War Loan. But here are still more—

Winning the Peace—for Your Country

If we're to win the peace as well as the war, the cost of living must be kept down and the purchasing power of money preserved. A reckless inflation that would necessarily be followed by the catastrophe of deflation—with its unemployment, bankruptcies, misery and heartache—must be prevented at all cost.

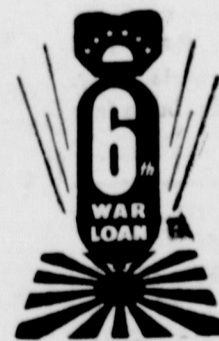

Let's make no mistake—a dangerous period lies ahead. The American people have nothing to fear, however, if they show in the future the same common sense they have shown in the past, and continue to put every penny over rock-bottom expenses into the purchase of more and more War Bonds.

Winning the Peace—for Yourself

Want another important reason? Yourself! There isn't a better or safer investment in the world today than War Bonds. In helping your country, you are also helping yourself! Never in our entire history has it been so necessary to save as right now. We'll need money, individually, for education, repairs, replacements, retirement—and we'll need a lot of it.

As you can see there are many reasons, important reasons, why our Government must have the financial support of everyone, and have it for many months to come.

Let all Americans do their part—for their own sake, for their country's.

Lehnhardt, umpire. Both of the latter were from the Marfa Army Air Field.

Both teams played up and up football, and Coach Seth Hughes of Rankin, as well as coaches Holley and Greenwood of Sanderson, should be commended on the sportsmanship displayed by their boys.

The Eagles play a return game with the Rankin boys at Rankin Saturday. This is the last game of the season for the local boys with the exception of the game with the town team Tuesday.

EAGLE NEWS—

(Continued from page 3)

This week on Tuesday and Wednesday, group pictures were made by M. K. Vahan. The band students and pep squad wore uniforms so as to look the part. Again classes were broken and the pupils were all smiles. All of these pictures will be used in our yearbook, "El Agulla."

COSTUME ROOM

Plans are made by the Parent-Teachers Association for a costume room for Sanderson Public schools. This room will have costumes that are donated and they also expect to buy some of the costumes which will be used from time to time by students giving plays in the auditorium. The P. T. A. however, will appreciate any costumes that anyone has to donate.

Mrs. Holley, Miss Brieger, and Mrs. Shelton were selected as the teachers in charge of the costume room.

Lamar School Notes

The new library books have begun to arrive. Three books for the elementary grades were received: "Marjorie Daw and Other Stories," by Aldrich; "Courtship of Miles Standish," Longfellow; and George Washington, Scudder. For the primary grades we received: "The Indian Book", Hopkins; "The Junior Book of Birds", Peterson; and "The Farm Twins", Perkins.

Baldemar Garza has entered the high first. He is a transfer from Ozona.

Pilar Garcia celebrated her birthday with a party Sunday, November 12 from 3 to 5 o'clock. Thirty-six children enjoyed the games and a pinata. Refreshments of cake and hot cocoa were served.

The pupils of the second grade have a terrarium. They have brought several plants to put in it.

The third grade has two new pupils, Luis Gonzales and Pilar Rubio.

New pupils in the low first grade are Epifanio Hidalgo from San Antonio and Alberto Ortega from Fort Stockton.

This week we present the life of:

GLORIA MARQUEZ

Gloria Marquez was born in Houston, Texas, July 8, 1931. Her parents are Andreas Marquez and the late Mrs. Elvira Lopez Marquez. Gloria has been in Lamar Ward school since she entered the first grade when she was six years old. She is in the seventh grade now and plans to enter Sanderson High school next year. Her favorite subjects are arithmetic and English; her favorite movie star is Betty Grable; and her favorite sports are baseball and volleyball. Her present hobby is collecting pictures of movie stars.

LAMAR WARD P. T. A. MEETS

Lamar Ward Parent-Teacher Association met in regular session Monday, November 13 at the school building. In the absence of the president, Roman Zepeda, the vice-president, Mrs. Pablo Flores, presided. The fifth grade presented a playlet entitled "We Are Americans", and Elena Calzada and Rosita Aguilar played a duet and two musical numbers on the piano. The Rev. John W. Byrd gave the discussion for the evening, "Education for Usefulness." Francisco Venegas, the treasurer, reported that there was now in the treasury the amount of \$122 for library books. The first books ordered for the library

FRIENDS—

I regret so much that the health of my parents made it necessary for me to leave my many friends in Sanderson, and the employ of Kerr Hotel after eleven and a half years. I wish to take this method of thanking all who contributed to the nice purse presented to me by friends and the management. You will always hold a deep affection in my memory.

Predatory Animals Create Problems In Texas Counties

Losses in Livestock And Poultry Show General Increase

Coyotes, wolves, foxes or other predators are causing increasing losses of farm livestock and poultry in 176 Texas counties, and their forays have become problems in 168 counties. Numerically, coyotes come first with foxes, wolves, bobcats and mountain lions in order, according to R. E. Callender, game management specialist for the A. and M. College Extension Service. Recently Callender conducted an informal canvas among county agricultural agents to determine whether losses among farm flocks and herds were mounting as a consequence of depredations of destructive wild animals. The responses disclosed that the activity of predators is widespread and have become a problem in the majority of the counties surveyed.

The canvas also disclosed that local trappers have worked in 7 of 209 counties contacted, and that 58 of 210 counties checked have the services of government trappers at this time. In addition, 4-H Club boys helped to reduce the predatory animal population by operating trap lines during the 1943-44 fur harvesting season.

The Texas Extension Service is preparing to cooperate actively this fall in controlling the predatory animal menace through an expanded program of trapping demonstrations and method demonstrations in training 4-H Club boys and local farmers and ranchmen. Callender says that these demonstrations will include the harvesting of all fur-bearing animals which represents a valuable cash crop yearly. Last season, for example, youth and adult trappers in Gillespie County marketed more than \$75,000 worth of furs. A total of 132 counties have expressed interest in such a program.

Boxers who are dull during training period usually get polished off in the ring.
