

THE SANDERSON TIMES

SANDERSON, TEXAS, FRIDAY, MAY 4, 1945

NUMBER 10

INTEREST IN AAA PROGRAM FOR 1945 SHOWN HERE

76 APPLICATIONS HAVE BEEN FILED IN LOCAL OFFICE

Terrell County's participation in the 1944 program of the Agricultural Conservation Program amounted to \$174,155.18. The following is a statement issued by the local office, and lists the different projects that ranchmen of this county took part in:

An excess of some \$12,318,000 was earned in the State of Texas under the 1944 Agricultural Conservation Program. Of this money \$107,820.50 was paid direct to the contractors under the Conservation Materials and Services plan for work done by them and their crews. Due to the limitation of the \$10,000.00 mark per ranch or to the limited practices carried out ranchers did not, and will not be able to collect all of the money actually earned by them. They furnished some \$3,132.08 from their own pockets to complete some of the work.

The work done in the county is listed below with the amount of money earned on each practice. The elimination practice carried out for the purpose of elimination of prickly pear and lechuguilla heads the list, with some 890.37 acres eradicated, earning \$145,272.50. The pipeline practice which was added to the program for the first time in 1944, was next with some 181,520 feet of the various sizes having been laid earning some \$25,323.50. Ranchers were fortunate enough to get 15 water wells drilled in the county with a total depth of 9,739 feet and earning \$19,586.00. Spreader dams which numbered 42, and consisting of 13,570 cubic yards of dirt, earned us \$2,029.65. Last in the group of practices carried out was header dams. There were only 3 of these, with a total yardage of 300 cubic yards, and earning \$1,800.00.

Of the 107 ranches signed up in the county 66 of them participated in 1944. This was a percentage of 61.88.

To date there has been quite a bit of interest taken in the county for the 1945 program. There have been filed some 33 applications for pipelines, two for deferred grazing, 20 for wells, 17 for eradication, and 4 for dirt work.

We should like to remind you that if you want to get in on the limited amount of money to be earned in this county for 1945 or which to some of you is the special allotment for the county you should contact this office at your very earliest convenience. There are still some of you who have not filed your 1945 Farm and Ranch sheets, and these, too, are important.

Music Students To Give Recital Thurs., May 10

Miss Myrtle Harrell, music instructor, will present Misses Mary Allen, Jeanette Cobb, and Doris Duke in a piano recital Thursday night, May 10, at eight-thirty in the high school auditorium, she announced this week.

The program will include classics by Chopin, Brahms, and Grieg and selections of modern music, as well as several piano novelties. Piano duets and trios will find place on the program also.

Everyone is cordially invited to be present at the recital.

SERVICES IN NEW CHURCH

Methodist church services are now being held in the new church building. Rev. John Klassen announced this week. All services but the night services hereafter will take place in the new First Methodist Church, he added.

Seventh War Loan Drive Starts May 14; Terrell County's Quota Set at \$95,000

C. P. Peavy, Terrell County chairman of the Seventh War Loan drive, announced this week the opening of the drive for this county to start May 14. In making the announcement Peavy said: "Terrell County's quota for the 'Mighty Seventh' is \$95,000. This includes all series of bonds, but of this total \$70,000 is in Series E bonds, a greater amount than in previous bond drives.

"Sale of Series E bonds to date amounts to \$8,268.75, leaving a total of \$61,731.25 to be met in this drive in this series in addition to the \$25,000 to be raised in other series of bonds. "This year there will be only

two War Loan drives, not three. But in those two drives the Government will have to raise almost as much money from individuals as in the three drives last year. That means bigger extra bonds in the 7th, because only by buying more can we make two take the place of three.

"With the war in the West our first and major concern, we have not yet been able to go all-out in the East. But neither has the Jap. The war to crush Japan will be bigger, tougher, and longer than most Americans expect. "The Allied Military Command has estimated that it will take years, not months.

"The single greatest obstacle to our crushing of Japan is distance. While in the battle of Europe supply ships from our bases in England had only an overnight run to make, ships in the Pacific have long-reach round trips taking up to 5 months to make. Millions of fighting men—freshly outfitted and equipped—will have to be moved from Europe halfway around the globe; and supplied day-in, day-out by hundreds of new ships now being built. More of everything will be needed. More tanks, half-tracks, jeeps and trucks. More rockets, mortars, airborne radar.

"By putting every dollar over rock-bottom expenses into the purchase of War Bonds, you are delivering a body blow to wartime inflation—thus putting a lid on the cost of living and maintaining intact the purchasing power of the dollar. At the same time, too, you are insuring

Second Lieutenant Pal F. Sullivan Gets Air Medal

AN EIGHTH AIR FORCE BOMBER STATION, England—Second Lieutenant Patrick F. Sullivan of Sanderson, Tex., 25 year old Co-pilot of a B-17 Flying Fortress, has recently been awarded the Air Medal. He won the decoration for "Meritorious achievement" while participating in heavy bombardment missions in the Eight Air Force offensive against the enemy over continental Europe.

Before entering the Army Air Forces in September, 1942, he was employed by the Alamo Lumber Co. of Sanderson as a bookkeeper. Lt. Sullivan is the son of Mrs. Maude L. Sullivan of Sanderson. The airman is a graduate of Sanderson High School class of 1937.

Lt. Sullivan got his wings at Frederick Field, Okla., in June 1944. He is now a member of the 488th Bomb Group, a unit of the Third Air Division, the Division cited by the president for its England-Africa shuttle bombing of the Messerschmitt factories at Regensburg, Germany.

President Morelock Of Sul Ross to Resign

H. W. Morelock, who for the past twenty-two years has been president of Sul Ross State Teachers College at Alpine, is resigning and will retire from active service.

Mr. Morelock in making the announcement stated: "On August 31, 1945, I am turning over my academic reins to another driver. I appreciate the many courtesies shown me, the splendid cooperation of the citizens in this section with our faculty in its efforts to build a great institution of higher learning as a service medium, and I shall continue to have an abiding faith in the future of the Big Bend."

HARDGRAVE SON BORN

A son, Charles Allen, was born to Cpl. and Mrs. Allen Hardgrave Thursday, April 26, in the Lubbock Army Air Field hospital. He weighed seven pounds and eight ounces at birth. Corporal Allen, the father, is stationed at the Lubbock field.

Mrs. A. J. Horton arrived here Wednesday from her home in Quitman, Texas, for a visit with her daughter, Mrs. J. W. Downum.

PFC. BERNARDO L. FIERRO REPORTED KILLED IN GERMANY ON MARCH 19

Pfc. Bernardo Fierro, Infantry, has been reported killed in action on March 19 in Germany according to a telegram from the War Department received by his wife, Esperanza Fierro, here April 12. Ben had previously

been reported missing in action. Besides his wife, he is survived by two children, his mother Mrs. Sabino Fierro, three sisters, Tomasa, Mrs. Matias Lopez, and Mrs. Matias Gutierrez, and a brother, Pvt. Rafael Fierro Fifth Cavalry, U. S. Army.

the country and yourself against the catastrophe of a possible post-war deflation—with its depression, unemployment, misery and heartache.

"So save for your country—save for yourself. In helping your country, you are also helping yourself. Comes peace, we'll need money for education, replacements, retirement, new homes, a new start—we'll need a lot of it. There isn't a better or safer highroad to your goal than United States Savings Bonds. Let's do our share and meet our quota in the 'Mighty Seventh', and insure our future in America."

Flight Officer John D. Hardgrave With Veteran Group

AT A 12TH AAF C-47 BASE, Italy—John D. Hardgrave, son of Mr. and Mrs. Earl W. Hardgrave, Sanderson, Texas, is a member of a veteran troop carrier group of the 12th Air Force.

Flight Officer Hardgrave is a pilot. The group, commanded by Col. John Cerny of Harrison Idaho, has served overseas for more than 30 months during which time it participated in the invasions of North Africa, Sicily, Italy and Southern France. The group's work consists of transporting vitally needed supplies to the front lines by air, evacuating wounded to rear station hospitals, and also carrying airborne infantry and paratroopers to target areas. The organization was awarded the Distinguished Unit Citation for outstanding supply-by-air service in the Burma-India theatre.

Flight Officer Hardgrave attended the Abilene Christian College prior to entering the service.

Pvt. Gene Allen Scruggs Killed In Action Apr. 1

Pvt. Gene Allen Scruggs, 19 son of Mr. and Mrs. Guy A. Scruggs of Abilene, Texas, was killed in action in Germany April 1 his parents were informed April 19.

Pvt. Scruggs had been in service seven and one-half months when he was killed, landing overseas on March 15 in Belgium. He entered the service August 20, 1944, and was assigned to the Engineers.

Pvt. Scruggs was the nephew of Mr. and Mrs. R. N. Allen and Mr. and Mrs. E. W. Hardgrave, and had visited in this part of the country several times.

MRS. N. E. CHARLTON'S FATHER ILL IN DENVER, COL.

Mrs. N. E. Charlton, who has been in Pueblo, Colorado, where she was called because of the illness of her uncle, William Boatman, who passed away suddenly, received word there that her father, whose home is in Denver, was also ill. She went to Denver this week to be with him.

TICKETS REFUNDED

Due to the fact that one program scheduled in the Southern Assemblies series was cancelled and no substitution program can be booked, arrangements have been made to refund holders of season tickets to make up for the gap in the series. Mesdames C. C. Mitchell and Sid Harkins will be in the superintendent's office in the high school to make remittances from three to four o'clock on Tuesday and Wednesday afternoons of next week. The tickets must be presented in order to receive refunds.

WOOL APPRAISAL SHOWS SHRINKAGE HIGHER IN 1945

HALF MILLION POUNDS WOOL PRICED TO DATE

Wool appraisers of the Commodity Credit Corporation were in Sanderson Tuesday of this week making appraisals of the wool stored in the Sanderson Wool Commission Co. warehouse. Valuations were made for government purchase of the new spring clip, with a low of 45 cents for 12-month wool to a high of 54 cents. Eight month clip was priced at approximately 41 cents for low to 55 for high. These prices were gross.

With appraisal of approximately one-half million pounds here it was said that indications were that shrinkage was somewhat heavier than usual.

Johnny T. Williams, manager of the local warehouse, stated that the company handled approximately five and one-half million pounds of wool during 1944. He also stated that the warehouse being constructed in Alpine will be completed by the first of June. This warehouse will serve western growers in the Alpine, Valentine, Marfa and Fort Davis areas.

Felix Valles Fights in Famed "Victory" Division

WITH THE 24TH DIVISION IN THE PHILIPPINES—Pvt. Felix S. Valles, who is the husband of Mrs. Juanita C. Valles Box 340, Sanderson, Texas, has joined the veteran 21st Infantry Regiment of this famed "Victory" Division.

He has been assigned as a mortar-man.

In the 21st, Valles is surrounded by combat-wise troops of one of the Pacific's crack regiments. As part of the hard-hitting 24th Division it went through the December 7th sneak attack on Pearl Harbor; has since taken its revenge on the Japanese at Hollandia, where it spearheaded the Division's attack, and on Leyte, where it fought and won the bitter battle of Breakneck Ridge, as well as in numerous smaller operations. The regiment is a regular army unit, and rich in tradition. It was organized during the Civil War, and has vanquished the enemies of America for almost a century.

Baptist Women Organize Circle Of WMS Monday

The young women of the Baptist Church met in the home of Mrs. Clifford Spencer Monday afternoon and organized a circle of the Women's Missionary Society.

A devotional was given by Rev. Spencer, followed by a prayer and a hymn. The work and aims of the circle were discussed before the following officers were elected: circle leader, Mrs. Clifford Spencer; president, Mrs. Tommy Moore; membership vice president, Mrs. Hal Tyler; secretary-treasurer, Mrs. J. O. Little; chorister, Mrs. J. P. Moses; mission study chairman, Mrs. Wayne Routh; stewardship chairman, Mrs. J. Y. Hobson; industrial chairman, Mrs. M. A. Robertson; bible study chairman, Mrs. Clifford Spencer; and royal service program chairman, Mrs. M. L. Grimes. The circle will meet each Monday afternoon at the church.

The hostess served delicious refreshments of frosted cakes and cookies to ten members and eight children.

Mr. and Mrs. A. E. Creigh, Jr., and daughter, Margaret Lynn, were visitors here from Alpine Wednesday.

RIGHT TURN

Plain people in America are tired of regimentation. The figures show it. Late in April big-city newspapers were publishing tables of figures that grew out of a survey by the American Institute of Public Opinion, popularly called a "Gallup Poll." An article by George Gallup himself accompanied the figures I examined and they were interesting, encouraging.

Nothing but victory in war could make bigger news. Nothing short of unconditional surrender by all of America's national enemies could be more gratifying than this: Suddenly there has come a popular yearning for the days when Mr. Customer was boss, when people got paid according to what their work was worth, when they had a right to anything their money would buy.

Back to Earth

Dr. Gallup says, "there are indications today that the largest group of the American people are not now particularly interested in seeing many changes or reforms in this country after the war. In fact, a survey just completed across the nation by the Institute reveals that the majority of Americans want things to remain pretty much as they were before the war."

The head of the Institute put out a few hopeful details about individual answers to his questions. He says a good share of the minority who wish for post-war changes want to change back, back to conditions we knew years before the war. He didn't say so, but indicated clearly that the people are longing for the days of self-reliance, before the WPA, the CCC and the NYA.

Pompus Protests

People are beginning to walk around the idea of dictated social change to look at the back side of it. The gold paint is beginning to rub off those cheap theories about all citizens doing a similar amount of work and drawing about the same pay government guaranteed jobs for everybody, politically run banks and stores, regimented farmers, standardized houses, clothes and food. The sawdust is showing through.

The famous surveyor of public opinion grouped into three classes everybody his scouts questioned. The break-down was by education, (1) college, (2) high school and (3) grade school people. Now who, do you suppose, want the social changes? The college people—58 per cent of them. More than half the other two groups disagree but most of the cap-and-gown folk want America made over.

Fake High Brows

Revolutionists, critics of representative government, malcontents and promoters of European theories have done an amazing job in American colleges. The mystery is—How! They smoke-screened the unique prosperity of this world's most favored people and (protected by academic indifference) spotlighted the flaws of popular government and fumed about unfair competition.

Selfishness is a trait of mortal man, not a special feature of private enterprise. This fact has been proved to a lot of honest people under war-time regimentation, needless restraints, questionable rationing and discourteous petty officials. It is losing favor. How odd that we hear so much about demobilization of the armed forces and nothing at all about demobilizing bureaucracy.

LEGION AUXILIARY MEETING

The American Legion Auxiliary will meet in regular session Thursday, May 10, at 3:00 p. m. in the Courthouse. Election of officers for the coming year will be held. All members are urgently requested to attend.

ALPINE AVALANCHE—H. L. Waldrum, for the past two years principal of Alpine high school was elected superintendent of the Alpine public schools at a meeting of the board held Wednesday night. It was learned yesterday morning. He succeeds R. M. (Dick) Bankhead, who is retiring from the teaching pro-

fession after 27 years of service, seven years as superintendent here.

Mr. Waldrum came to Alpine from Clint, where he was superintendent of schools nine years. He is a graduate of Sul Ross college and has a M. A. degree from Texas university. He also has one year's work on his doctor's degree at the university.

Among the 30-odd applicants for the position, the board considered Mr. Waldrum the best qualified, it was stated. He will assume his duties as superintendent at the beginning of the Fall term.

THE OZONA STOCKMAN—Setting a record for early appraisal, a committee of appraisers for the Commodity Credit Corporation placed valuations for government purchase of the first spring clips of wool from the backs of Crockett county sheep at the Ozona Wool & Mohair Co. warehouse Friday.

An accumulation of approximately 150,000 pounds of spring 8-months fleeces and some 12-months wool were appraised.

Prices on the short wool ranged from 40 to 46 cents per pound net to the grower while that on the 12-months fleeces had a wider range of from 38 cents to 48 cents per pound net.

FORT STOCKTON PIONEER—Detailed plans covering proposed construction of 23 miles of Highway 67 over a new route west of Fort Stockton have been completed in the office of Resident Engineer George E. Kempen, Jr., in Fort Stockton, and were carried Wednesday to the division offices in Pecos for approval.

Present plans of the division call for construction of the gap on 67 as the first post-war project of the district. It is the only remaining portion of Highway 67 unpaved between Texarkana and Presidio. The new route follows 290 to a point about 11 miles west of Fort Stockton then cuts across country to the southwest to hit the present pavement starting at the Santa Fe grade crossing 29 miles southwest of town.

Plans are also being drawn for building of Highway 82 north from Fort Stockton irrigated lands loop to the Pecos River bridge 3 miles south of Grandfalls.

HUDSPETH COUNTY NEWS SIERRA BLANCA, TEXAS—Dempster Jones got a good water well on his Hudspeth county ranch last week after drilling 15 dry holes. H. H. Virdell, the driller, pumped the new well all day Saturday without lowering the water. It is 585 feet deep. Mr. Jones has ranching interests in the Ozona country.

Migratory Labor In Texas to Be More Flexible

COLLEGE STATION, May 4—Texas migratory labor, chiefly of Latin-American descent is expected to be a more flexible and efficient element in Texas agriculture during 1945 than at any time in its history.

According to D. D. Steele, assistant state farm labor supervisor, the Extension Service farm labor staff has devoted the winter and spring months to laying a solid foundation of confidence and cooperation between the more than 3,000 migratory workers and Extension county agricultural agents and staff of the State Extension farm labor office at College Station.

To acquaint the migrants with the plan and objectives of the Extension farm labor program, a group of experienced assistants who speak Spanish were assigned to 30 south Texas and Rio Grande Valley counties where the majority of these workers live. They have contacted more than 2,500 crew leaders, each having an average group of 15 workers, as the basis for spreading information about the program. In all contacts the function of county agricultural agents was explained, along with the services their offices are able to render laborers. The purpose is to accustom crew leaders and workers to seeking placements through county agricultural agents, and especially depending upon them for accurate information regarding demands for their services. Farmers in parts of the state where this labor is used most largely are cooperating in providing reception centers and suitable housing for migrants.

Field assistants report contacting 2,350 workers through 50 meetings and more than 2,000 through personal interviews. Meanwhile, eight south Texas radio stations and one in New Mexico are lending cooperation by broadcasting information regarding the importance of the laborers' service in winning the war. Supplementing this, letters in English and Spanish from state Extension Director Ide P. Trotter emphasizing the services which Extension workers are prepared to render have been distributed to migrants.

Steele believes that this preliminary planning should result in more equitable and economic distribution of migratory labor this year.

Extensive Program Laid by 4-H Boys Of Bell County

COLLEGE STATION May 4—An army of 480 members of 14 Bell County boys' 4-H clubs are in the forefront of the battle to produce more food and fiber in 1945. They are carrying more than 600 club demonstrations which include hogs, dairy and beef cattle, poultry, sheep, gardens, orchards, cotton, corn and potatoes.

One of the most outstanding of the group is Gerald Bridges, 17, member of the Salado club who has gone all-out farmer. According to County Agricultural Agent W. D. Seals, Gerald has taken over the operation of the 160-acre family farm while his father is engaged in war work at Camp Hood. Revealing the worth of his 4-H training, Seals says that Gerald has become a "first class whole farm demonstrator."

Adopting a diversified program, he is cultivating this year with a tractor and one team 75 acres of oats, 34 of corn and 8 of heira, and has seven acres of hay crops. A one-acre garden along with his personal 4-H demonstration of an acre of hybrid corn make the total of his field activities. To fill out the day's work he looks after four dairy cows and 300 white leghorn hens.

Gerald's achievements tend to overshadow the individual projects of other club members but taken together they promise to contribute heavily to the year's food supplies. Already Seals says, 67 pigs, 47 beef calf and 94 poultry demonstrations are in progress in Bell County. But new demonstrations are being added at each fortnightly meeting of clubs and Seals believes that when the rolls close at the end of April the 1945 demonstration list will exceed 700 an all time high for the county.

The county agricultural agent explains that 4-H boys are leading out in practical beef calf feeding to convince ranchmen and farmers that beef cattle can be profitably finished in Bell

County. In support of relief the boys are proving demonstrations with hybrids that the better lands county are adapted to feed. More than 50 clubbers are growing corn the Seals says.

Fleas can be trained to draw chariots and throw many times their own weight.

THE EAGLE NEWS

EDITED BY STUDENTS OF THE SANDERSON HIGH SCHOOL

AT THE PRINCESS-

"SINCE YOU WENT AWAY" AT PRINCESS SUN., MON. WITH TEMPLE, BARRYMORE

"Since You Went Away," showing at the Princess Theatre Sunday and Monday, brings to the screen the soul of America. More than a tale of the home front, which is its ostensible plot, "Since You Went Away" emerges as Ben Hecht has put it, as a "song of America."

Yet the new film is by no means a "spectacle" picture. A cast of seven stars, Claudette Colbert, Joseph Cotten, Jennifer Jones, Shirley Temple, Mont Woolley, Lionel Barrymore and Robert Walker, weaves from a simple and humble story of one family in America in time of war, a powerful and moving vehicle without recourse to the usual fireworks which one finds all too often in Hollywood "epics."

Nothing is missing; the war plants and their women workers; the victory gardens; the huge soldier dances; the canteens; the short trip to the country on a week-end; the restless tide of incoming and outgoing trains bearing soldiers and civilians to every part of the nation on the business of a country at war; the smell and feeling of the seasons of the year in America; the warmth and love of a Christmas party; the joy of a snowball fight; the bustle of restaurants and bowling alleys—all these are here. It is the face of America brought finally and triumphantly to the screen.

"DOUGHGIRLS" NEW HIT AT PRINCESS WEDNESDAY, THURSDAY

Rumors keep drifting out of our nation's capital that there is in that historic city, an acute shortage of everything from men to hotel rooms. While the possibilities of male rationing have not yet been explored by Hollywood, Hollywood has decided to clear up the hotel dilemma in its hilarious new comedy hit, "The Doughgirls," showing at the Princess Theatre Wednesday and Thursday.

"The Doughgirls" is a screamingly funny hodgepodge of three nearly-married couples and their adventures in the suite of an overcrowded Washington Hotel. The screenplay is headed by an all-star cast that includes Ann Sheridan, Alexis Smith, Jack Carson and Jane Wyman.

"LAKE PLACID SERENADE" HERE TUESDAY; ICE STAR RALSTONS MAKES DEBUT

An adroit story of plausible romance on the screen at the Princess Theatre, Tuesday, "Lake Placid Serenade," serves a four-fold purpose which appears to strike home to the audience.

It is excellent entertainment, which, ordinarily, is purpose enough for a picture. Second, it

WOMEN IN WAR

WIFE OF AN UNKNOWN SOLDIER, CAST BULLETS DURING THE WAR OF 1812

1943 WOMEN HELP THEIR COUNTRY BY SAVING USED COOKING FAT, THEIR REWARD IS CASH AND EXTRA RATION POINTS - AS WELL AS THE SATISFACTION OF PROVIDING RAW MATERIALS FOR THOUSANDS OF CIVILIAN AND MILITARY PRODUCTS!

provides a novel medium for the blond Vera Hrubá Ralstons to demonstrate her abilities as a dramatic actress and at the same time to perform her spectacular figure skating in a role which presents her as a champion on the ice.

Third, it is enhanced by a superb music score and a fourth reason for its general excellence is the fact that story and spectacle combine to open up rare opportunities for an exceptionally fine cast.

The cast stands out against a brilliant background. Robert Livingston, that handsome de-

pendable of "Brazil" and other recent hits, appears opposite Miss Ralstons as a dashing young American business man. Ponderous Eugene Palette is her genial uncle. Walter Catlett and William Frawley are in prominent roles with the talkative and lovely Vera Vague, Ruth Terry, Stephanie Bachelor, Lloyd Corrigan and others.

Why Thousands of Doctors Have Prescribed
Pertussin FOR Bad Coughs
(DUE TO COLDS)

For years—thousands upon thousands of doctors have prescribed Pertussin to promptly relieve bad coughs due to colds. Today you can get this same effective Pertussin at any drugstore.

Pertussin—a famous herbal remedy—is scientifically prepared to work internally. It acts at once not only to relieve your coughing spell, but also to loosen sticky phlegm. Pertussin is safe and mighty effective for both old and young. Inexpensive. Pleasant tasting!

Midnight Mission

Midnight or high noon, in winter's sleet or summer's sizzling sun, your electric service employees are on the job keeping war-vital electricity flowing.

With so many of their former co-workers in the service, they're being called upon to do more work with less help than ever before. So if occasionally it takes a little longer than in the past for a service call to be answered or storm damage to be repaired, remember that the manpower shortage is responsible.

Like the fighters in uniform, the men who man your electric system have an important war mission to perform—and they're doing their best to live up to their responsibilities, regardless of weather conditions or personal hardships involved.

Lemonade and gingerbread men were served to "a gang of kids"

STYLE SHOW

On May 11, at assembly the Homemaking classes of Sanderson High school will model clothing projects made in class and as home projects. The style show is in the form of a play which was written by the girls in Homemaking 1b.

SNOOPER

Sees Nothing—
Hears Nothing—
..... Tells All

We wonder who it will be this time. Francis, Doyce, Al, or Hut? Make up your mind, Kitty!

Melvin and Janie seemed to have a swell time at May's party.

Monte and Yvonne haven't been hitting it off good lately for some reason or other. What happened, kids?

Doris D., where were you and certain boy on Saturday night? You lucky girl!

Betty Jo B., we hear you have quite a crush on Dudley!!

Betty Ann, did you and a certain Junior boy have fun Saturday night?

Earl has finally decided to go with Kitty, after the way she went after him.

Is the reason why Beckett and Kitty aren't on good terms, because of Tootie?

Looks like Allister and the "blonde" aren't doing so bad, but Clara doesn't seem to mind.

Guess she has her mind on that sailor of hers.

We wonder who's going to get Doyce? Is it Kitty? Don't forget to read Snooper next week to find out.

Betty Sue, why wouldn't you go riding with a certain Soph? Robert Joe wouldn't have cared.

Harriet, what is this we hear about the love bug biting you and Fitchie?

Kitty, you and Hut were having quite a time on five mile hill trying to get Francis' car started, weren't you?

What girl was stabbed in the back by her date by getting another date for Saturday night with another girl?

Where were Al, Clara, Francis, Marilyn about 2:00 Saturday morning? Was it on a hill top?

ONE BULB EVERY 30 MONTHS

Americans replace household light bulbs on an average of once every two and one-half years because of semi-annual replacements in the kitchen and living room are more than cancelled by the little used lamps in attic and basement sockets, says the Westinghouse Lamp Division. The average life of a 60-watt incandescent bulb is 1,000 hours of burning.

There are about 100 species of fleas, of which one-third are American.

Female mosquitoes are the only ones which bite.

Checks for Safety

Perhaps the greatest advantage of a Checking Account is the fact that you need not carry large sums of money when making purchases. There is also the convenience and the prestige of writing your own checks. In addition, you have a permanent, accurate record of all financial transactions. We'll be glad to give you full information on Checking Accounts!

BIG BULL FIGHT IN VILLA ACUNA SUNDAY, MAY 6

Ancelmo Liceaga, young matador who fought a brilliant and

We announce with pride our appointment as

AUTHORIZED

Maytag

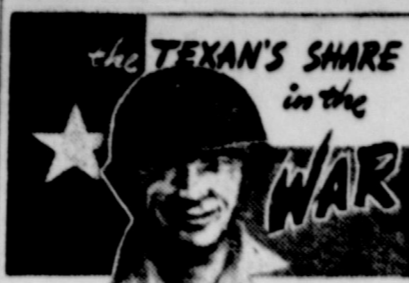

DEALER

...now ready to render expert service on that Maytag Washer of yours

WE REGARD this appointment as a bright feather in our cap... in representing Maytag, America's leading washer. We wish we could say, "Come in and pick out your new Maytag." But we can't. There won't be any new Maytags for a while yet—but when Uncle Sam says "GO" on the handsome new Maytag Post-war Models, we'll have them.

In the meantime, our job is to keep your present Maytag Washer operating at its top efficiency 'till the war is won. We have the genuine factory parts and real service experts. Come in and see us—or give us a ring.

Lambert Appliances and Repairs
 E. S. Lambert

While representatives of almost 50 United Nations are meeting in San Francisco, the real peace is being made by the men fighting abroad. Spearheaded by the "Texas Arm" . . . the famed 36th Division, American troops are fast convincing the Nazis of the virtues of peace and the penalties of war. And on the other side of the world, where tens of thousands of Texans are fighting the Japs, our "peace" program is also being enforced to the tune of roaring guns.

And wherever there is fighting, Texans continue to be in the midst of it.

The Nazis learned something of Texas ingenuity recently when a group of 32 German soldiers, heavily armed, captured Corp. Worth Modesett of Thrall and two companions. Taken to a Nazi prison camp deep in Germany, the Texas trio dug out their German dictionaries and quickly learned a few phrases of the enemy tongue. Then they convinced their captors of the futility of continuing the fight against onrushing Allied troops . . . and ended up by capturing the town and 16 German soldiers, without firing a shot.

Even in the WAC, Texans lead in one WAC platoon stationed at Advanced Allied Force Headquarters in Italy, more than half the unit's strength is made up of girls from the Lone Star state.

Among Texans in the group are Corp. Ivah Knight of Lubbock, Sgt. Eva Brown of Apple Springs, Marion McKee of Austin and Fort Worth, Corp. Edith Legg of Dallas, and Corp. Ethel Keigwin of Galveston. The girls are doing a full share of winning the war, handling telephone switch-boards, radio communications and general office work.

Deep in the heart of Germany, two fighting men from Llano, staged a reunion last week. They were Granville Smith and Amos Underwood, Texas cousins.

In a letter to relatives, in which he told of the meeting, Underwood also told of the destruction heaped upon German cities by Allied airmen.

"I have seen Cologne," he wrote, "and I have never seen such total destruction in all my eight months of battle through France, Belgium, Luxembourg and Holland."

And back home in Texas, one of the airmen who helped pound Germany into submission this week told one of the most remarkable stories of the war . . . the story of his escape from behind enemy lines after being shot down over Austria. The flyer, S-Sgt. Joe Prikryl of Taylor, walked and crawled for 48 days through enemy territory, after being injured when he parachuted from his flak-riddled plane. He is at home now for a rest, but soon will be back in the fight.

And on the home front, Texans are now organizing war chest units in all counties, in preparation for the annual drive "for our own and our allies" which will start on October 1. Field representatives of the state war chest are enrolling county chairmen, special gifts chairmen, treasurers and publicity chairmen, to direct the campaign in each county. If you are called on, accept! It is your chance to help win the war and serve our fighting men!

Mr. and Mrs. Louis Lemons are now sole owners of the Best Cafe, with the relinquishment of part ownership by Ellis Milam effective recently. Mr. Milam has taken over operation of the Buff Cafe. (adv.)

BAPTIST PROGRAM TO BE BROADCAST SUNDAY, MAY 6

The special Centennial broadcast on the Baptist Hour next Sunday morning May 6th, 7:30 CWT, will reflect a hundred years of the life and history of Southern Baptists, as announced by the Radio Committee of the Southern Baptist Convention, S. F. Lowe, Director, Atlanta, Georgia. This is the closest regular broadcast to May 8th, the One Hundredth Anniversary of the organization of the Convention.

It is to be a colorful broadcast according to Mr. Lowe, with the program opening from the First Baptist Church of Augusta, Georgia, the exact spot on which the Convention was organized and brief special features of practically all the agencies and institutions of the Convention will be picked up from the eight cities in which they are located respectively, which are, Atlanta—Richmond—Louisville—Memphis—Nashville—Fort Worth—New Orleans—Dallas and Birmingham.

Scores of descendants of the members of the First Baptist Church of Augusta at the time the Convention was organized will be present in the church for the broadcast, along with a packed house of members and friends, and the special Centennial program will be continued following the broadcast.

The program may be heard in Texas over Radio Stations KGNC, Amarillo; KPRC, Houston; and WFAA, Dallas.

DAUGHTER TO BAKERS

Mr. and Mrs. F. T. Baker are the parents of a daughter born May 1 in an El Paso hospital and weighing seven pounds and one ounce.

Ernest Woodward, Lionel Duquette, and J. W. Vaughan, wool appraisers for the Commodity Credit Corporation were here Tuesday to appraise wool stored in the Sanderson Wool Commission Company warehouses. They left Wednesday for Del Rio.

Mrs. R. S. Ingram returned Thursday from El Paso where she had been receiving medical treatment for some time.

Claude Cotten, state supervisor of the Agricultural Adjustment Administration, was a business visitor here Wednesday.

★ TERRELL COUNTY HEROES ★ IN SERVICE ★

JOHN SYLVESTER WEYERTS

Was born October 3, 1913, in Alpine, Texas, the son of Mr. and Mrs. F. E. Weyerts. He attended school in Alpine, graduating there, and attending Sul Ross College for two years. He was employed by different businesses in Alpine and in Shafter before coming to Terrell County to be employed by the Kerr Mercantile Co. in Sanderson. Before John entered the service in February of 1944 at Fort Bliss, Texas, he was employed by the Alpine Lumber Company. After induction John was sent to boot camp for four weeks training and from there to nine weeks of training in a message center at Fort McClellan, Alabama. Subsequent training was received in England, where he landed after being sent overseas from New York in September of 1944. He embarked for France early in the following December and entered combat on December 25. John served with the 320th Infantry, 35th Division, in Patton's Third Army, participating in the Luxembourg struggle during December and the first of January. He was killed in action January 7, 1945, by a sniper's bullet. Pvt. Weyerts is survived by his wife, parents, and two sons and a daughter.

— THE LIFE OF A TERRELL COUNTY HERO BROUGHT EACH WEEK BY — THE KERR MERCANTILE COMPANY

TEXAS TO TOKIO—

(Continued from Page One)

to some friends back home—Larry Horgan, Bill Calk, John Oberling: "I hope you will pardon my writing all three in this way, but it just seems that I can never find time to just sit down and write letters like I used to be able to do. I received your letters some time ago, and I was awfully glad to hear from all of you. I was especially glad to hear that you fellows are still "keeping 'em rolling", but I do wish you could take off a day now and then to rest up some. And maybe slip down to Willie's for a couple of beers.

"Everything in this part of the world is going along fine. Of course, there are a few things that can't be considered, but all in all it's much better than should be expected. The bad news today of the President's death was a terrible shock to us and the whole world. He was a great man and a great leader. And I think the men out here all deeply appreciate the many things he has done in trying to end this war as quickly as possible, and also the many things he has provided for our comfort that no other country has provided for their men.

"How is everything in the old home town? Or maybe you never get to stay in long enough to find out what is going on. I had a card from Bill Lea a few days ago and he was doing fine. I haven't heard from Dick Sullivan in quite a while, but I hear indirectly that he is still doing fine. I guess Dick has had a pretty rough time for the past year and a half.

"The war situation is looking awfully good all over the world now. Maybe it won't be too long before it ends and we will be able to start all over again from where we left off.

"How are all the old gang—Skinny, Jeff Sessoms, Willis Sam, Doug Newton, Stavley

Slover, and all the rest? Tell all of them hello for me and that I'm still making out muy bueno. I kinda have hopes of getting back the last part of this year for a while. And if I do, I'll probably come down and relieve you for a trip or two. There's nothing I'd enjoy more than to be getting out tonight on a midnight drag—even if it was colder than hell.

"Fellows, I want to tell you again that I was sure glad to get your letters. But as you can see I'm not always prompt in answering them. I hope you and

your families are well. Take care of them. I hope to see you soon."

Mrs. C. P. Peavy accompanied Mr. and Mrs. Tol Murrain to Antonio Wednesday where they will receive medical treatment and they will be business ors.

Mrs. Jack R. Ward and Sharon left Saturday for Hamlin, where they will visit Ward's parents, Mr. and W. H. Harrison, and family.
