J. W. Happle III In Monahans Hospital

Reports Wednesday from J. W. Happle, who is ill at the Perner Hospital in Monahans, are that he was somewhat improved after being critically ill Tuesday.

Mr. and Mrs. Happle, accompanied by their daughter, Mrs. Web Townsend, left here Monday afternoon, Mr. Townsend taking them as far as Monahans where they were to catch a train for Lansing, Mich., where they were to spend a month visiting their daughter and sister, Mrs. Kurt H. DeCousser and family.

Taking suddenly ill Monday night Mr. Happle was placed in the Perner Hospital where he will remain until he is able to be brought home or to continue his journey on to Lansing.

This is the third attempt that Mr. Happle has tried to make the trip to Lansing. The early part of the summer he became ill at Austin and was forced to return home and this past week he was ready to leave on the trip when he was forced to postpone it for several days on account of not feeling well.

Mrs. Paul Steffler Sister of Herman Pauli Dies Sunday

Funeral services were held Tuesday afternoon at 4 o'clock from the St. John's Lutheran Church in San Antonio, for Mrs. Pauline Steffler, sister of Herman Pauli of this city. Rev. A. L. Wolf officiated at the service and interment was in the San Jose Cemetery under the direction of the Alamo Funeral Home.

Mrs. Steffler, who resided in San Antonio at 202 Buckingham St., passed away last Sunday afternoon in a San Antonio hospital at the age of 66.

She is survived by her husband, Paul E. Steffler; son, Edward P. Steffler; daughter, Mrs. Walter Schulze, all of San Antonio; brothers, Charles, Walter and Ernest Pauli, of Seguin, Tex., and Herman Pauli, of this city; grandchildren, Normales Steffler and Carol Ann Schulze of San Antonio.

Stolen Motorcycle Found Near Del Rio

Marvin Robertson Jr., reports the recovery of his motorcycle which was stolen from his place of business the first of the week.

Mr. Robertson had working for him at his garage a young man, by the name of Stanley V. Nogal, who decided all of a sudden to leave and took off on the motorcycle.

Abandoning the motorcycle at Castle Canyon near Del Rio, on U. S. Highway 90, the young man stole a 1930 Chevrolet pickup belonging to the Texas Gas Distributing Systems, and continued merrily on his way until he reached Brenham, Texas, where he was picked up by peace officers.

The truck was stolen Sunday from the railroad bridge over Devil's River, where employees of the gas company had gone fishing.

Sheriff Steinmetz and Chief of Police R. C. Hawkins found the motorcycle Wednesday morning after receiving a telephone call that it was hidden in the brush under a bridge on Highway 90.

IN CHARGE SUB-STATION

Corporal D. A. Cordisco of the El Paso District, through his good work, was placed in charge of the Marfa, Texas, Sub-Station, which had been an unproductive field before his arrival on July 8, 1946. During the balance of the month Corporal Cordisco signed an average of two enlistees each day, and joined the "Outstanding Recruiters" Club from his district.

OZONA LIONS TAKE SANDERSON EAGLES 40-0

The Sanderson Eagles motored to Ozona on Saturday of last week where they took on the Ozona Lions in their first football tilt of the 1946-47 football season. The Eagles came out on the short end by the score of 40 to 0.

Taking the team as a whole, Sanderson High School is being represented this year by the lightest squad in several years. Also another thing to be considered in the loss of their first game to Ozona, is the fact that only two men who played as regulars on last year's team are back with the Eagles this year.

One of the outstanding players for the Eagles was Sanchez, figuring in most of the tackles and displaying plenty of steam in breaking up the Lions plays.

Twenty six Eagles made the trip, all but three of this number, taking part in the game in order to give them some playing experience for the games that are coming up.

The Lions were far superior in the greater part of the encounter, the Eagles, making a strong bid in the final quarter on a series of passes, marching down the field to the Lions 15-yard line.

The starting lineup included: left end, Magill; left tackle, Sanchez; left guard, F. Harrell; center, Grigsby; right guard, W. Chamberlain; right tackle, Murrah; right end, Davis; left half, J. Harrell; blocking back, Dishman; full back, D. Thompson; tail back, Jessup.

Substitutes were Hill, Brown, Pauli, Cooke, Mussey, May, Harris, Newton, Smith, B. Chamberlain, Stumberg and Stirman.

The tri-captains for the Ozona game were Jimmy Davis, Weldon Chamberlain, Frank Harrell.

There were many people from Sanderson to witness the game.

H. S. Press Club Elects Officers

At an assembly meeting of the Sanderson High school student body which was held on Wednesday of last week, officers to serve on the Eagle News, official high school paper, were elected.

Miss Jeannette Cobb, senior, was elected as Editor. Willie Grigsby also a senior, was elected as assistant editor, with Mary Nell Gates, a senior, being the social editor. Other officers elected were Betty Sue Yeates as sports editor and Doris Duke as art editor, both are Junior students.

The first issue of the Eagle News came out last Friday and was a three page mimeographed edition. The edition was very newsy and was distributed free to the student body. Subscription rate for the paper will be fifteen cents a semester.

The typing of the news for the paper is being done by Mary Nell Gates and Edward Wheeler. Edward Wheeler, senior, who was elected circulation manager, reports that there are at present 82 subscribers to the paper.

This is the first year that the student body has attempted to publish a paper as in the past they have been having their news in the Times on a special page.

Mrs. C. G. Bradford is faculty of the Press Club and is directing its activities.

Miss Mavie Wilson returned Tuesday from El Paso, where she has been visiting with friends and with her sister, Mrs. Alma Stubblefield.

Mrs. Rufus Ross was in town Wednesday from her home in Dryden.

Clifton Rogers of Houston, who will preach at the Gospel Meetings which are scheduled to begin at the Church of Christ on Wednesday October 2 and continue through October 13th. Services will be held twice daily—10:00 a. m., and 8:00 p. m. Elvin Bost, former local minister, will direct the singing.

Funeral Services Held Thursday For Mrs. Juan Zepeda

From the Mexican Methodist church on Thursday of last week, funeral services were held for Mrs. Juanita Zepeda, 56, who died Tuesday about noon while enroute to a hospital in Fort Stockton.

Mrs. Zepeda, a resident of Sanderson since 1905 was a native of Rio Grande, Mexico. She had been in failing health for several months, but became ill only twenty hours before her death.

Rev. Horacia Vargas, pastor of the Mexican Methodist Church conducted the service at 4 o'clock and interment was in the Santa Rita Cemetery under the direction of the Sudduth Funeral Home.

Mrs. Zepeda is survived by her husband, Juan Zepeda; seven daughters, Mrs. Frank Arredondo, Mrs. Miguel Garcia, Mrs. Pres. Escamilla Jr., Mrs. Gustavo Flores, Mrs. Romero Gutierrez, Mrs. Frank Gonzales and Mrs. Cruz Marquez; six sons: Santiago, Ramon, Juan, Pedro, David and Samuel; all of this city. She is also survived by two sisters, Mrs. Clara Zambrano and Mrs. Fermin Cantu of Carrizo Springs as well as numerous nephews and nieces and 19 grandchildren.

Out of town relatives here for the funeral were a sister, Mrs. Fermin Cantu and two nieces, Mrs. Jose Zambrano and Miss Emma Cantu of Carrizo Springs; and two nephews Jose and Antonio Gonzales of Crystal City.

Active pallbearers were her six son-in-laws namely: Pres. Escamilla Jr., Frank Arredondo, Miguel Garcia, Romero Gutierrez, Gustavos Flores and Cruz Marquez.

MOVES TO RANCH NEAR UVALDE

Mr. and Mrs. Robert Duncan, who for the past several years, having been ranching on the Wardlaw Stumberg ranch near Longfellow, on Tuesday of this week left for their ranch near Montell, which they recently purchased.

CUTS ARM

Friday, September 13th, proved an unlucky day for Bobbie Shepard of Dryden. Bobbie had been cutting some limbs off of a tree when the knife he was using slipped, cutting his left arm. He was brought into town and taken to the office of Dr. Pate where he was given medical attention. The cut, while pretty bad, is healing nicely.

Mrs. D. L. Duncan and children returned Sunday from Austin where they motored last Thursday. Mrs. Duncan's son, Douglas will attend school in Austin this year.

Veteran's Survivors Now Eligible For Social Security Pay

Many survivors of World War II veterans who have died since leaving the service will benefit from one of the provisions of the Social Security Act Amendments of 1946. Mr. George D. Clark, manager of the San Angelo Social Security Administration field office said today.

Mr. Clark explained that the new section of the act provides for the payment of monthly benefits to qualified survivors of veterans who die within three years of their discharge and whose dependents are not qualified to receive compensation or pensions from the Veteran Administration. National Service Life Insurance is not considered as compensation or a pension.

In the case of such veterans who died before the enactment of the new amendment, the measure provides for monthly benefits retroactive to the date of the veteran's death if the survivors file their benefit claims with the nearest office of the Social Security Administration before midnight February 10, 1947. Of course, monthly benefits other than retroactive are payable on claims filed at any time by qualified persons.

In cases where survivors of veterans who qualify under the new amendment already have filed claim for monthly benefits earned by the veteran under the old-age and survivors insurance program of the Social Security Administration, it is possible that the provisions of the new measure will provide greater benefits than those earned by the veteran. These survivors are included in the immediate potential beneficiaries, Mr. Clark said, and should apply to the field office of the Social Security Administration.

The same applies, Mr. Clark added, to survivors who have filed claim for lumpsum benefits under the old-age and survivors insurance program on a qualified veteran's account. The new amendment may make them eligible for monthly benefit payment, or it may increase the amount of the lump-sum benefit. In the latter case, they will receive the difference between the lump sum they received and the larger amount they are eligible for under the amendment, if they apply at the offices of the Social Security Administration.

"As in the case of all other persons qualified for social security benefits, families of deceased veterans to whom this new section of the law has immediate application should come to our office to file their benefit claims as soon as possible," Mr. Clark said.

STORES TO CLOSE

All of the Sanderson business firms will close Friday afternoon for the first football game of the season that is being played on the home field.

The stores will be closed from 3:15 until 5:15 in the afternoon so that their employees may have an opportunity to witness the game that will be played between the Sanderson Eagles and the Iraan Braves.

ATTENDING CONVENTION

Mrs. Pat Harris left last Thursday for Miami, Fla., where she will be in attendance at the convention that is being held there by the Brotherhood of Railway Trainmen and the Ladies Auxiliary. Mrs. Harris goes as a delegate from the local lodge, Terrell Lodge No. 369, Ladies Auxiliary to the B. of R. T. The convention, which started on Monday of this week will be in session one month.

HIGH SCHOOL BAND STUDENTS SHOW PROMISE

David Hargus, band instructor in the Sanderson Public schools reports that much enthusiasm is being maintained by the students who have signed up this year for instruction in band.

Mr. Hargus is working out a program now and plans to give several concerts during the year and dates for these concerts will be announced later.

Individual groups will at times make appearances before the public playing and giving entertainments for the various civic clubs and organizations.

Former Resident Killed in Plane Crash Near Lubbock

Word has been received in Sanderson of the death of W. N. (Bill) Bowden which occurred Friday, September 13.

Bowden's death was the result of a plane crash near Lubbock, when the civilian plane he was ferrying from Durant, Oklahoma, to Los Angeles for the Cleveland-Murrell Ferrying Co., of Durant, was forced down due to a heavy fog. He is a former first lieutenant in the AAF and took part in the Bikini atom bomb test. His home was in Bell, Calif.

The body was shipped to Los Angeles, Calif., where funeral services were held and interment was beside his sister, Mrs. Mabel Manning, who recently passed away.

Bill Bowden was a former resident of Sanderson, being the brother of the late Mrs. O. T. Schupbach, and is an uncle of Mrs. Bill Stavely of this city and O. T. Schupbach of Los Angeles, Calif. His son, W. N., "Jubber" is now serving with the U. S. Navy and is stationed at Guadalcanal in the Marshall Islands, and was flown to Los Angeles for the funeral services. His daughter, Mrs. R. B. deBusk, the former Miss Billie Rae Bowden, lives in Mantact, Calif. His wife resides in Bell, Calif.

Rev. Clifford Spencer Addresses Students Wednesday Morning

At the assembly program held Wednesday morning in the high school auditorium, Rev. Clifford Spencer, Baptist minister addressed the student body. His talk was very interesting and entertaining, the central thought of which was leading pure clean lives.

Mr. Hargus, band director led the assembly in a few songs.

Announcements relative to the football game that is to be played Friday afternoon between the Sanderson Eagles and Iraan, were made by Coach Etheridge.

UNDERGOES OPERATION

L. S. Dickson, of Marathon and a brother to the late Mrs. Luella Lemons, is recovering from a major operation which he underwent on Thursday of last week at the P. & S. Hospital in San Antonio.

His niece, Mrs. Addie L. Boling returned home Sunday after spending the week-end with him in San Antonio.

Mr. and Mrs. Tom Parson of Alpine were Sanderson visitors Thursday with relatives and friends.

Mr. and Mrs. James Albert Mansfield spent several days in El Paso this week.

EAGLES TO APPEAR IN FIRST HOME GAME OF SEASON

The Sanderson Eagles will be hosts to the Iraan Braves in their second game of the season this afternoon at 3:30 p. m. on the field west of town.

The Braves are built around McFadden, 220 pound back who runs hard and passes for the team. Their general average, outside of this overgrown man, is about five pounds more than the Eagles.

It is hoped that Sanderson fans will turn out for this first home game of the season. With the experience gained in the Ozona game a better showing will be made by the Eagles.

Coach Etheridge, assisted by Supt. C. G. Bradford, have really put the local squad through a grind this week in preparation for the game with the Braves. Much time has been spent this week on passing in the hope that this game might be on more equal terms than the Ozona game.

Jimmy Davis was hurt in the Ozona game and will probably not be available for the next two games, due to an ankle injury. He was hurt in the second quarter of the game.

Probably starting lineup is as follows: left end, Mussey; left tackle, Sanchez; left guard, F. Harrell; center, Hill; right guard, Stirman; right tackle, May; right end, Grigsby; left half, B. Chamberlain; blocking back, Dishman; full back, Thompson; tail back; J. Harrell.

The co-captains for the Iraan game are Willie Grigsby and David Thompson.

Mrs. Edith Lane's Brother Dies In Arizona Tuesday

Word was received by Mrs. Edith Lane on Tuesday telling of the death of her brother, Robert L. Rhodes who died at 1 a. m., Tuesday in Cottonwoods, Arizona.

Mr. Rhodes had not been well but it was not thought that his condition was serious as he wrote Mrs. Lane several weeks ago that he was planning on coming to Texas to visit her.

Due to illness, Mrs. Lane was unable to attend the funeral services which were held in Cottonwood.

Mr. Rhodes is survived by his widow, seven children, two sisters and a brother. The sisters are Mrs. J. L. Barnes of Del Rio and Mrs. Edith Lane and the brother is Don Rhodes of Batesville, Mrs. Austin Nance of this city is a niece.

Bob Kerr Speaker At Rotary Club Meet

At the meeting of the Sanderson Rotary club which was held Wednesday at the Kerr Hotel, Bob Kerr gave a very interesting talk on the American Legion Convention which was recently held in Galveston.

At the meeting the Club had a visiting Rotarian, Barnhardt Levy, who is a member of the Rotary Club at Harve de Grace, Maryland.

Another visitor at the meeting was J. W. Garner, who is principal of the Elementary school here.

Mrs. Edna Myers returned Monday to her home in San Antonio following a visit here with her daughter, Mrs. John Scannell.

Mrs. Ed M. Reeves of El Paso is visiting here with her sister Mrs. E. P. Halley and with other relatives and friends.

FT. STOCKTON PIONEER—Further paving of city streets will hinge on the result of an election which has been called for Saturday, September 28, by the Fort Stockton city council.

Tuesday night the council ordered the election, notice of which is printed in this issue of the Pioneer, providing for an issue of \$125,000 in street improvement bonds, at a rate of interest not to exceed 3 per cent, and with final maturity in 25 years.

ALPINE AVALANCHE—The Brewster county commissioners court at its regular meeting held Monday rejected all bids submitted for enlarging and modernizing the county courthouse and deferred further action in awarding a contract until probably some time next year, it was announced this week.

The court had advertised for bids two different times—July 29 and Sept. 9. Bids offered this week were said to be approximately 73 per cent higher than the architect's estimate.

The plans called for the addition of two wings to the present building, one on the north side and one on the south, providing eight additional offices, and complete modernization of the structure.

OZONA STOCKMAN—Available funds now on hand will be put to use to reconstruct the old Methodist Church building into a courthouse annex and medical center according to action taken by the Crockett county Commissioners Court in session here this week.

Mauldin and Lovett, San Angelo architects who drew complete plans for converting the burned out building into a courthouse annex and clinic and hospital, were instructed by the court this week to complete the revamped plans for the repair of the building from ground roof so that it can be used as a courthouse annex and for any other purpose which the court may decide.

ELDORADO SUCCESS—Work on the street paving continues rapidly with the contractors and city engineer pleased with the way the work is progressing, moving ahead of schedule, and the response and cooperation with which the citizens have met the contractors' needs.

Allan L. Sanders, city engineer, states that he is very proud of the town in that they had already contracted \$9,000 worth of paving for private property owners. "This is unusual for a town of this size, and denotes a strong civic pride," Mr. Sanders stated.

INTERNATIONAL NEWS GUIDE—Close to 1,000 bales of Maverick County cotton have been shipped from Eagle Pass to Eastern markets so far this season, it was announced today by J. C. Caraway, Southern Pacific agent here.

Through Wednesday, shipments totalled 979 bales he said, compared with 756 bales last year.

are expected to pass the 1,600 mark, and may reach 2,000, Mr. Caraway said. Last year 1,236 bales were shipped from Eagle Pass.

HEALTH NOTES—

AUSTIN, Texas, Sept. 19. The State Department of Health has just issued a warning in regard to scarlet fever, as the number of cases usually increases during the fall months. The majority of deaths from this disease occur from October through February.

Scarlet fever is a very contagious and serious disease. Grown people may contract it, but children under 15 years are especially apt to have it, if exposed. It is especially dangerous for children under 5 years, and Dr. Geo. W. Cox, State Health Officer, warns mothers to "not let your children take any chances with scarlet fever. Call the doctor as soon as the first symptoms appear."

If your child has contracted scarlet fever, the first signs you may notice are that he seems tired, restless and out of sorts. Usually, there is a sore throat, chills, vomiting, or convulsions and fever. His skin is dry and hot. His tongue is furred, and, under this white covering, it is red and swollen. In ordinary cases, these early signs are followed in a day or two by a rash. Little flat red points, close together, appear first on the neck and chest and soon the rash, very red in color, spreads over most of the body.

The doctor is required by law to report the case to the local health officer. Do your part by following the quarantine instructions which the health officer will give you, since a severe or fatal case of scarlet fever may develop from contact with someone who has only a light attack. Children who have had scarlet fever, or who have been exposed, must not return to school until permission is given by the health officer and physician.

What- NO PRESSURE?

The same thing can happen to your electric service with INADEQUATE home wiring

You know what sometimes happens on hot summer days when everyone in town is watering the lawn. The water pressure drops and you get a mere trickle from the hose. The same thing happens to your electric service when too many lamps and appliances are plugged into a single wiring circuit. The pressure (voltage) drops. Your iron heats up slowly . . . your lights go dim . . . and all of your appliances

operate sluggishly, taking more time to do their jobs and wasting electricity. The remedy for this condition is adequate wiring. Install larger wire, more wiring circuits and additional outlets. Then no one circuit will become overloaded and you'll always be assured of full strength current and plenty of plug-in space for all of your lights and appliances. Adequate wiring is the key to better electrical living.

If you plan to build, buy or modernize, insist on ADEQUATE WIRING

Adequate wiring simply means entrance wires large enough to bring in as much electricity as your home may need at any time . . . enough branch circuits of large enough wire to carry a full measure of electrical energy to lights and appliances . . . plus plenty of outlets and switches, conveniently located. Don't make the mistake of bottling up an obsolete wiring system inside the walls of your home.

Amateur Rodeo To Be Feature Of Dallas Fair

The first annual Southwest Amateur Championship Rodeo will be held in Dallas, Oct. 5 to 20, at the grandstand on the State Fair grounds, it has been announced, and dates run currently with those of the 61st annual State Fair of Texas.

Contestants and champions from famous cowboy reunions such as those held at Stamford, Snyder, Matador and other Texas towns, as well as the famous ones of Oklahoma will compete for the Southwest championships. Entries of more than 200 "cowhands from Oklahoma," have been made, according to Pat Hamilton, proprietor of the famous Hell's Halfacre Ranch at Fargo, Oklahoma, who will produce and direct the championship contests. Mr. Hamilton said that he expected more than 500 contestants in the championship events. Any cowboy wishing to enter the contests may do so by registering with the entry department of the Dallas Rodeo Association, Fair Park, Dallas 10, Texas.

An Indian Village will be included in the rodeo presentation, it was announced. The Indian Village will be open at all times during the day. Special presentations of Indian riding, lassoing, and other events will be included in the special features offered during the rodeo programs.

Many special events—most of which have never been seen in professional rodeos are included on the program. Among these are wild-cow milking contests, wild mare milking, a free-for-all scramble for a greased steer offering, and the regular bronc-riding, steer riding, bulldogging, calf-roping, and other events.

LIONS ROAR

A very enjoyable musical program was enjoyed on Thursday by the members of the Sanderson Lion Club when they met at the Masonic Hall for their regular weekly luncheon.

David Hargus, instructor in band in our public schools, presented eight members from his choral club. The girls sang several songs for the club with Jeanette Cobb at the piano. Mr. Hargus rendered a trombone solo.

Mr. and Mrs. Lee McSparran were visitors in El Paso several days this week.

FIVE of the nation's top boy craftsmen, each a winner in the 1946 Napoleonic coach and model car design competitions of the Fisher Body Craftsman's Guild, are pictured here with C. E. Wilson, president of General Motors. They are, first row, Roger H. Otting, 14, of Detroit, winner of a \$5,000 scholarship for his Napoleonic coach; Wilson, and Leo C. Peiffer, 17, of Cedar Rapids, Ia., who also won a \$5,000 scholarship for his coach. In the second row are Vincent J. Rauth, 19, of York, Neb., who won a \$4,000 university scholarship for his model car; Robert J. Hartlieb, Jr., 16, of Allentown, Pa., who tied with 13-year-old Virgil Max Exner, Jr., of South Bend, Ind., for junior car building honors, both receiving a \$4,000 scholarship.

Uvalde Announces Plans to Open Junior College

The "Green Light" to go ahead and rush plans for the opening of the Southwest Texas Junior College was obtained this week following the purchase of the necessary Garner Field properties by the City of Uvalde. The City of Uvalde notified Dr. Hershall LaForge, president of the college trustees, on Thursday that the final approval had been granted by government officials for the sale of the remainder of the Garner Field properties not previously owned by the City.

At a meeting of the college trustees the latter part of last month, it was voted unanimously to open the junior college on a cost basis regardless of the suits pending against the college. The trustees feel confident that the college ultimately will win the suits, basing their opinion on the result of similar suits brought against the creation of junior colleges in other sections of the state which have won their case.

Sufficient numbers of students, mostly veterans, have convinced the college trustees that the school can operate for the present on a tuition cost basis. Dr. C. C. Colvert, Junior College Specialist of the state educational department, has agreed to help set up the college. Several prospective school heads are being considered by the Southwest Texas Junior College board of trustees.

Courses contemplated include pre-professional courses leading to college degrees and such vocational courses as agriculture, commercial courses, home-making and others. It is expected that the fall registration date will be announced by next week. Educational disposal offices associated with surplus government properties have been con-

tracted by the school trustees for ordering necessary shop tools and machinery for the vocational courses. Already one AT-17 Cessna airplane has been purchased in this manner at a bargain price by the trustees. —Uvalde Leader News.

BREAKS ARM

Carol Bost, young daughter of Mr. and Mrs. J. H. Bost, happened to a painful accident last Sunday afternoon when she fell while skating, breaking her right arm. Late reports are that she is doing nicely.

Rev. and Mrs. John Byrd returned last Saturday from Lubbock, where they motored last Thursday taking their daughter, Virginia where she has resumed her studies at Texas Tech, where she is a sophomore.

Malcom Davis left Thursday afternoon for Houston where he will resume his studies at Rice Institute. Malcom is a senior at Rice and is majoring in Electrical engineering.

Dick Lewellen left Monday for San Antonio where he will visit for the next ten days with his family.

Mr. and Mrs. H. A. Finger and son spent the week-end in Hondo where they visited with relatives and friends.

Sul Ross Lobos Play San Angelo College Rams Friday

ALPINE, Texas, September 17.—One of the top football games of the young 1946 season will bring together the San Angelo College Rams and the Sul Ross State College Lobos, in a night game at San Angelo, September 20.

San Angelo College, though a junior college, is loaded with real football material. Many of the top high school stars of last year, along with men just out of the armed services, are included in the Rams roster.

The Sul Ross team of 30 players was selected from 59 candidates, who reported for practice August 20. Of the present Lobo squad, 20 are veterans of World War II, evidence of older and more experienced members.

Sul Ross's head mentor "Red" Pierce, who coached outstanding high school teams at Fabens and Wink, Texas, along with a great team at Bainbridge Navy last year, has been putting his charges through two stiff workouts a day in preparation for this contest.

Competition is keen among the Lobo squad, each contending for a first-string position. Already a coordinated spirit of true "team play" is evident.

So enthusiastic is the student body at Sul Ross, that the 50 piece Lobo band, under the direction of John L. Carrioco, will accompany the squad to San Angelo. The band will offer a wide variety of college and military marching music and also play various compositions of the latest "swing music," popular on all major college grids today. During the half time of the Ram-Lobo game, Drum Major Vernon Bailey of Laredo, Drum Majorette Bobbye Jim Sparks of Kermit, and Drum Majorette Betty Joyce Smith of Lamesa, will lead the band in a number of intricate drills and demonstrations.

Other games on the 1946 Sul Ross schedule are: Sept. 28, Abilene Christian College at Abilene; Oct. 5, McMurray College at Sweetwater; Oct. 11, Texas Lutheran College at Big Spring; Oct. 19, New Mexico Military Institute at Alpine; Homecoming Oct. 26, Eastern New Mexico State College at Alpine; Nov. 2, Texas A. & I. at Kingsville; November 9, New Mexico A. & M. at Las Cruces, New Mexico; November 16, National University of Mexico at Alpine; November 23, Hardin College at Alpine.

Mr. and Mrs. Jim Mitchell were in town Thursday from their ranch.

Hall of State Seeking Data On County History

DALLAS, Sept.—The Texana Reference Library in the Hall of State, Dallas, wants materials on the History of Terrell County, and officials of Dallas Historical Society are appealing to citizens of the county to help locate the needed items.

"Copies of these books and pamphlets are in the hands of pioneer citizens and their descendants," Director Herbert Gambrell said, "but they are not to be found in bookstores. Placing them in this great shrine of Texas History for the use of the public, will not only be a permanent memorial to the donors, but a genuine service to those seeking accurate information about the county."

Information regarding available county materials should be addressed to the Director, Hall of State, Fair Park, Dallas 1. Biographical directories, booklets on the histories of towns, churches, schools and other institutions, are also desired for the library, along with histories of the county itself.
