## Sixth-Grade Teacher Elected This Week

Supt. C. G. Bradford announced this week that Mrs. G. A. Inmon, of Sante Fe, N. M., has been elected to teach the sixth grade in the Elementary school, and will arrive in Sanderson Saturday afternoon and will commence her teaching duties next Monday morning.

Mrs. Inmon comes to the Sanderson schools as highly recommended as a teacher. She is a graduate of the Texas State College at Denton. She has had six years experience in newspaper and literary work. She and her husband are former editors and publishers of the Ferris Texas paper. Mrs. Inmon has also been society editor of the Ferris Texas paper. Mrs. Inmon has also been society editor of the Pecos Enterprise at Pecos and for a time was with the National advertising department of the Dallas-Times Herald.

She will take the place of Mrs. Margaret Farley who has been the substitute teacher for the sixth grade since the opening of school on September 2nd.

## Survey of County Made for Proposed Library Service

Sanderson was visited last Saturday by Miss Juana Wells, Librarian of the Bexar County Free Library, San Antonio. Miss Wells interviewed a number of Sanderson citizens to obtain information for the survey of nine Trans-Pecos counties which she is conducting.

This survey is being conducted at the request of the Texas State Library and in co-operation with several individuals and organizations of this region. The purpose of the survey will be to collect and analyze data necessary to prepare a proposed program for library service for this entire region through co-operative action of the State, counties and communities. Miss Wells pointed out, also, that this is the modern way of establishing a new project, much the same way in which a new line of business surveys an area before setting up service. It is quite possible she further stated, that the survey might indicate that the idea of regional library service is impractical in this area.

Miss Wells is collecting information regarding geographical features, population, distribution and characteristics, trading areas, transportation and communication, schools, churches, service clubs, civic groups, social organizations, etc. She will also survey existing library resources required in an area of this size and type. She will collect much of her data from interviews with county judges, schools officials, religious and civic leaders.

In Sanderson she commented very favorably on the civic outlook of our County Judge, R. S. Wilkinson, and she said that the high school library under Mr. C. G. Bradford, our School Superintendent and Mrs. Isabelle Hasty, was far superior to that of many institutions of its size.

When the survey is completed it will be sent to the County for the consideration of all the citizens.

Pete Thompson, of Corpus Christi visited here for several days this week with his mother, Mrs. George Gann and with his sisters, Mr. Horace Shelton and Mrs. Frank Turner.

Mrs. Ben Martin and son spent the week-end in Sonora visiting with relatives and friends.

Mr. and Mrs. Edward Boykin of San Antonio spent the week-end with her parents, Mr. and Mrs. Ray Caldwell.

Mr. and Mrs. H. A. Mullins were Del Rio visitors last Friday.

Mrs. Winnie Dart, of San Antonio, is visiting her daughter, Mrs. J. B. Word.

## Appointed to Good Roads Amendment Campaign Committee

AUSTIN, Sept. 26—Judge R. S. Wilkinson, prominent Terrell County good roads advocate, has been chosen Chairman of the Terrell County Good Roads Amendment Campaign Committee. It was announced today by Charles E. Simons, executive vice-president of the Texas Good Roads Association.

Appearing on the ballot in the November 5th General Election as Amendment Number three the Good Roads Constitution Amendment guarantees the availability of motor vehicle registration fees and gasoline taxes exclusively for road purposes, with the exception of one-fourth of the gas tax which will continue to be allocated to the Available Free School Fund.

"His deep interest in better and more improved highways and farm-to-market roads was the primary factor in his selection to head the Terrell County campaign," Simons said.

Simons also pointed out that the Texas Safety Association, Texas Farm Bureau Federation, State Board of Education and thirty other state organizations have adopted resolutions strongly endorsing the amendment.

"With so many outstanding organizations backing the Amendment," Simons continued, "we feel that every citizen in Terrell County should be fully informed of the provisions of the measure and the benefits they will derive from it. For this reason, we have selected Judge Wilkinson to head the Terrell County committee and direct a vigorous educational campaign to point out the merits of this amendment."

Chief purpose of this proposal, it was emphasized by the Good Roads Association executive vice-president, is to assure the ultimate construction of rural mail and school bus routes, and all-weather farm-to-market roads. Also, it will insure improvement, maintenance and policing of all roads and urban traffic-ways.

## RE-ENLISTS IN ARMY

Mr. and Mrs. T. A. Short recently received a letter from their son, Billy Jo, who is stationed in Porto Rico with the U. S. Army. Billy Joe, who has been stationed there for sometime, writes that he has been recently given a promotion to Private First-Class, and that he likes that country fine.

He also stated in his letter that he had re-enlisted for another two years.

Mr. F. R. Earley has returned to her home in Sweeney, Texas, after a pleasant ten-day visit here with her parents, Mr. and Mrs. A. C. Smith.

## IN HOSPITAL

Dr. R. E. Lester left last Saturday night for the S. P. hospital in Houston where he will undergo medical treatment. He is doing fairly well according to reports from him the first of the week.

Mrs. James Hooten and children arrived Wednesday from their home in Del Rio for a visit with her sister, Miss Winnie Mansfield and with other relatives.

Mrs. Maude Sullivan spent last Friday in Eagle Pass visiting her daughters, Mesdames D. T. Southall and John C. Green Jr., and families.

Richard Drake of San Angelo, was a week-end guest of Mr. and Mrs. S. L. Stumberg at their ranch home.

Jo Beth and Charleen Chandler from the Chandler ranch on Independence visited in town last Friday with their grandmother, Mrs. Lena Stavelly.

Mr. and Mrs. Bill Goldwire and children left the first of the week for San Antonio where they are visiting with relatives and friends.

Chairman, is greeted by Mayor Tom Miller of the Capital City. Left to right, Mayor Miller, J. O. Newberry, State Campaign Director, Mr. Whitmore and Glenn Glauser of New York, USO Government Liaison.

## Ruel Adams To Head Final USO County Campaign

Mr. Ruel Adams will head the next and final USO campaign in Terrell County, Governor Coke R. Stevenson, General Chairman, announced today.

"With the capable leadership of Mr. Adams, I am sure Terrell County will succeed in raising its quota of \$450.00 in the state drive for \$800,000," Governor Stevenson said.

Headed by Colonel Carl L. Phinney of Dallas, president of the 36th Division Association and State Campaign Chairman, Texas' counties have been divided into six regions made up of 66 districts.

Mr. C. E. Paxton of Sweetwater is chairman of the West Texas region, and Mr. Paul Counts, Fort Stockton, is district chairman. These chairmen will work together in organizing and conducting the local campaign.

"There are about 125,000 Texas men still in the service, overseas, in hospitals or beginning training," said Colonel Phinney. "The combat phase of the war is finished, but the transition period presents fully as many morale problems."

"We must see to it that USC services are continued for these men who need and deserve a 'home away from home' now more than ever," the State Campaign Chairman said.

"I am sure that Terrell County headed by Mr. Adams will fulfill its quota and help Texas 'See-It-Through' 1947 with the National USO Campaign."

The drive will start the first week in October and will continue the whole month.

Mr. Adams has appointed Troy Druse to act as treasurer and those making contributions may leave same with Mr. Druse at the Sanderson State Bank or hand it personally to Mr. Adams.

There are approximately 80 boys from Terrell County who are now in service and stationed in various camps throughout the entire world. It is for these boys and the millions of others that the USO drive is put on, to help them have a home and a place where they may relax and enjoy clean entertainment.

Mrs. L. A. Placker of Rocksprings is visiting her daughters, Mesdames Ray Thompson and Johnnie Whistler and families.

Mr. and Mrs. O. D. Gray and children left the first of the week for Fort Worth where they are visiting relatives and friends.

Miss Roberta Loehausen has returned to El Paso where she has resumed her studies at the School of Mines.

Mrs. Neil Appel left last Friday for Los Angeles, Calif., where she is visiting her brother, Robert Lea and family.

## Band Instructor Conducts Assembly Program Wednesday

At the assembly program held Wednesday morning in the auditorium of the high school, Mr. Hargus, band director, was in charge of the program when a sing-song was held by the student body.

During the 45 minute period the student body also practiced several school yells for the coming game with Alpine this Friday afternoon.

Coach C. A. Etheridge also gave a report on the sale of the season football tickets.

## Monahans Men Buy Hunsaker Butane Business

The largest business transaction of many years was closed this month to climax a series of major deals involving Fort Stockton business properties when Fay Hunsaker sold her butane distributing business to three Monahans men comprising the Permian Basin Butane Company.

Total consideration of \$175,000 was involved in the transfer, which included all trucks and rolling equipment, skid tanks, storage tanks and real estate belonging to the Fay Hunsaker Butane business in Fort Stockton and other West Texas towns.

Members of the new distributing company are T. S. Stanfield, veteran oil and butane man of many years experience in the petroleum field, P. Q. Tripp and J. B. Tubb, Monahans ranchman and capitalist. Mr. Stanfield will have charge of the business, and he and Mrs. Stanfield are looking for a residence here.

The new firm plans to build an office and store building of modern design on the Main Street lots next to the Hunsaker garage property. Other real estate purchased includes bulk plants located in Sanderson, Marathon, Van Horn, Balmorhea and Odessa, and town lots in Alpine.

The Permian Basin Butane Company will continue to occupy the offices and warehouse of Mr. and Mrs. Hunsaker on Fifth Street until the first of the year, at which time the property will revert to Mr. Hunsaker for sale or lease. He sold the Phillips Petroleum distribution agency he opened here in 1938 to the Douglass-Watts Oil Company six weeks ago, retaining the Fifth Street property at that time.

Mrs. Hunsaker started the butane business here Sept. 1, 1939 to handle Phillips Petroleum Company butane in the Big Bend area, and built it into one of the largest distributorships in the United States. The new firm will retain the Phillips franchise.

The Hunsakers will continue to make Fort Stockton their home, and will divide their time between the home here and their ranch home in the Davis Mountains. Sale of butane and oil businesses will permit them to give full time to operation of their ranch and farm properties at Balmorhea. Ernest Hunsaker, Jr. is attending San Antonio Military Academy.—Ft. Stockton Pioneer.

Mr. Earl Pierson who has been the local representative for Mrs. Hunsaker for the past four and one-half years in the sales and service of Butane products, will continue to be representative here for the new company.

Mrs. Fannie Duncan returned home Monday from Los Angeles, Calif., where she has been visiting her daughter, Miss Mary and from Alpine, Calif., where she visited another daughter, Mrs. R. C. Gastil and family.

Clyde Griffith Jr., who is attending Sul Ross College at Alpine, spent last Saturday and Sunday here visiting his father, Clyde Griffith Sr.

## Terrell County To Get Shallow Wildcat Test

John T. Perkins and P. B. Tierney of Sanderson filed application with the Railroad Commission here Thursday for a permit to drill a 1,000-foot, cable tool wildcat in Terrell County, 2½ miles northwest of Sanderson.

The test will be No. 1 Lee McCue, 2,310 from the south, 72 feet from the west line of the lease in section 3-152-TCRR, on a 2,580-acre lease. It is due to start Sept. 23.

The above clipping was taken from the San Angelo Standard of its issue Friday, September 20th.

The Times had information pertaining to the drilling of this test well on the Lee McCue ranch some ten-days previous, but we were asked to withhold the information until actual operations were underway.

However this information was given to an exchange paper who announced the drilling of this well last week.

Messrs Perkins and Tierney informed a reporter of the Times the first of the week that they had moved their equipment in and that the well was spudded in on Thursday of this week.

There is another test well being put down in Terrell county on the Roy Barksdale ranch near Dryden and reports from that well are very favorable.

## Two Inches Of Rain Falls Here Last Saturday

A good rain, falling over a period of two hours fell in Sanderson last Saturday afternoon the total precipitation amounting to two inches. Wednesday night there was a slow drizzle with some moisture being put out and which helped.

The rain falling last Saturday did not extend very far and the heaviest precipitation was here in town. Scattered showers have been reported as falling over various parts of the county for the past week, with some of the ranches receiving more than others.

The rain Wednesday seemed to be more general from reports reaching the Times as rain reported all along the T. & N. O. Railroad from El Paso to San Antonio. A total of 35 inches fell here Wednesday night.

## MONTGOMERY IN SERIOUS CONDITION

Fred Montgomery, who was brought to his home here from a Dallas hospital several weeks ago, suffered a relapse in mid-week and his condition had shown little change for the better or worse on Wednesday and Thursday. He had made a valiant fight against paralysis following an inner change in his condition was sudden.—Ft. Stockton Pioneer.

Reports the first of the week were that Mr. Montgomery was doing better and that it was thought he would soon be out of danger. His many Sanderson friends wish for him a speedy recovery.

## BITTEN BY SNAKE

Francisco Lopez is recovering and doing nicely after being bitten by a snake at the Steve Stumberg ranch where he is employed. He was bitten on the left foot by the snake last Sunday.

Mr. and Mrs. Bert Hourne left Thursday for their home in New Orleans, La., after visiting in Sanderson for the past week with Mr. and Mrs. Charley Murray. Mr. Hourne is a brother of Mrs. Murray.

Mrs. Charlie Chandler and daughter were in town last Friday from the Chandler ranch on Independence.

UVALDE LEADER NEWS—Southwest Texas Junior College officials announce that a tentative plan, expected shortly to be verified, call for the opening of the college on September 30. Tuition and other fees are on a cost basis for the present.

Those interested in attending the college may address "The Registrar, Southwest Texas Junior College, Uvalde, Texas."

The college board waived its option to purchase the necessary Garner Field properties from the Reconstruction Finance Corporation to the City of Uvalde because of the constitutionality of the law establishing the college district is being attacked in court. The City of Uvalde last week completed the purchase from the government agency and is leasing it to the college authorities pending final outcome of the suit.

HUDSPETH COUNTY NEWS—Bob Weathersbee received from Fort Stockton 3,300 head of ewes for his Hudspeth County ranch first of this week.

The Weathersbees live in El Paso but have ranches in this county for several years. Bob's father, W. E. Weathersbee, recently sold his ranch in this county to B. W. Hutcherson & Sons of Dryden, Texas.

FT. STOCKTON PIONEER—An appraisal here Tuesday by government wool appraisers was the first of the 1946 fall season in the Southwest, and resulted in appraisals of several clips at prices up to 45.15 cents per pound, Boston grease basis.

The inspection was made at the Stockton Wool and Mohair Company. Remnants of 12-

months wool on hand also were appraised, ranging up to 50.82 Boston grease basis.

ALPINE AVALANCHE—The 27th session of Sul Ross college opened this week with the biggest long-term enrollment in the history of the school, it was reported Wednesday.

The enrollment at the end of the day Tuesday was 572. It was reported, with others still signing up for the term. Many are ex-service men. It is expected that the enrollment will reach around 650 this term, Dr. R. M. Hawkins, president, said.

The former high enrollment figure at the college for a long term was under 500, it was stated.

HEALTH NOTES—

AUSTIN, Texas, Sept. 26.—Contrary to the popular belief that pyorrhea is incurable, this is only true in the most advanced cases. Dr. Geo. W. Cox, State Health Officer, advises those persons who even suspect the presence of pyorrhea to take time by the forelock and seek an early diagnosis from their dentist to that proper treatment can be instituted while the disease is still curable.

"Early detection and proper treatment of pyorrhea represent the formula for a successful cure. This means that the dentist must have an opportunity to discover the presence of the disease at the earliest possible moment since the symptoms are often so vague that the patient is unaware of its existence," Dr. Cox said. "Regular visits to the family dentist are therefore extremely important."

The treatment of pyorrhea is not an involved procedure. In the average early case one of the main therapeutic features is the proper hygienic care of teeth

and gums as outlined by any reputable dentist. Carelessness regarding mouth hygiene is usually the basic cause for the condition.

The family dentist can usually remove the cause of the trouble, Dr. Cox said, and when this has been done, intelligent routine home-care of the mouth by the patient will effect a cure in the majority of early cases.

Concern regarding pyorrhea should not be based upon the misguided notion of its incurability, according to the State Health Officer, but rather that it be discovered by the dentist when still in a curable stage.

MEXICAN SUPPER

The members of the Mexican Methodist Church will serve Mexican Food on Saturday, October 5, in the parsonage of the Mexican Methodist Church. At the noon hour a dinner will be served and in the afternoon commencing at 5 o'clock supper will be served.

Proceeds from the dinner and supper will go into the building of the church.

Everyone is invited to attend the dinner and supper and their patronage will be appreciated.

Rev. Horacio Vargas, Pastor.

Going Fishing? Here's How!

To hear Willie Wells and Basil Strube arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors dry flies, Basil pooh-poohs anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods . . . #!X&\*!?!?

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right . . . which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.

Blackwelder-Dunman Wedding Rites Read Wednesday Night

Marilyn Blackwelder became the bride of J. Riley Dunman Wednesday evening at the home of her parents, Mr. and Mrs. J. R. Blackwelder. The Rev. J. W. Blackwelder, pastor of the local Methodist Church, read the wedding ceremony, in the presence of the immediate family and a few close friends.

The bride, who was given in marriage by her father, wore a blue wool crepe suit with red and white details. Her corsage was a white orchid. Her maid of honor, Miss Ora Blackwelder, wore a black crepe dress, with white details.

Miss Blackwelder, brother-in-law, attended the ceremony as best man. The home was decorated with red and white Queens and baskets of red and pink roses.

Mr. Dunman is a graduate of the Sanderson High School in the class of 1945, and while she was employed as a typewriter operator for the Western Pacific Railroad in San Antonio. For the past year he has been employed as linotype operator and bookkeeper at Sanderson Times.

The groom, who is the nephew of Miss Rosa Dunman who has been making her home in San Antonio until recently, and is residing in San Angelo, Tex., is owner and publisher of Sanderson Times, and is purchasing the Times building in the News-Herald in San Antonio.

Following the ceremony an informal reception was held at the home of Miss Ora Mae Blackwelder. The wedding was a white spun cotton affair decorated with red and white roses and on top of the table was a miniature bride and groom. Mrs. J. R. Blackwelder served the coffee and Mrs. Richard Carta the ice cream.

The couple plan to take a vacation trip to Midland, San Antonio and Del Rio. They will be in Midland on October 15. Mrs. L. S. Page, brother-in-law of the groom, will make their home in Midland.

Mrs. Lee McCue Hostess Monday To Auxiliary

The Auxiliary of the Presbyterian Church met Monday afternoon, September 23, in the home of Mrs. Lee McCue.

Mrs. Earl Pierson, president, called the meeting to order. Mrs. John Byrd led the opening prayer after which the Auxiliary members sang, "Let Love Shine In." Members answered the roll call with a Bible verse. A report from Mrs. John Byrd, secretary of Spiritual Life, "A Stone the Builders Rejected," taken from Isaiah is the book to be studied. These studies will be given, one a week, during November. We also heard a report from the Presbyterian School for Mexican girls and boys at Taft, Texas.

Mrs. N. E. Charlton led the program, "About Telling the Good News." Mrs. Walter G. Downie conducted the devotional.

The Auxiliary will meet for an all day meeting on October 29 in the home of Mrs. Earnest Jessup.

A lovely salad plate was served to the following members: Mesdames J. W. McKee, John W. Byrd, N. E. Charlton, Earnest Jessup, Walter Downie, Joe Brown, Jimmie Hanson, N. M. Mitchell, Earl Pierson, Seth Davenport, Joe Nichols, Lee McCue.—Contributed.

Mr. and Mrs. Ira Deaton arrived last Thursday from Del Rio and are visiting with their sons Jack and Roy Deaton at their ranch homes.

E. Fletcher was awarded the low score prize.

Mrs. Krauss served a salad course to Mesdames J. D. May, J. C. Green, Jack Laughlin, M. H. Goode, Jr., H. A. Finger, Mary Lou Keller, Bill Goldwire, S. H. Underwood, Conway Pickard, H. E. Fletcher, James Kerr and John T. Dyche.—Contributed.

Mrs. D. E. Esmons of Temple, Texas left Wednesday for El Paso where she will visit her parents, Mr. and Mrs. W. C. Barksdale after visiting here since last Saturday with her brother, Leonard Barksdale and family.

Know any substitutes for these? TRANSFORMERS WIRE POLES We need several carloads of each for use at once A shortage of transformers, wire, insulators, poles and pole hardware is delaying our efforts to extend electric service to new users and make needed increases in the capacity of our system. Line materials ordered many months ago are still undelivered, due to the fact that production is lagging far behind the tremendous demand. We want those who have applied for electric service to know that we, too, are on a waiting list... with many items of line material harder to get than ever before. We are stretching our limited supplies as far as they will go. We'll extend service to new users and push ahead our improvement program just as rapidly as the supply situation will permit. ### Iraan Braves Defeat Eagles By Score of 33-0

Appearing in their first home game of the season last Friday afternoon, the Sanderson Eagles met defeat when they played the Iraan Braves, the score being 33-0.

The Braves team was built around McFadden 220 pound back and Rowe, 175 pound tailback who was really a fast man and simply ran off and left the rest.

On the whole the Eagles made a much better showing in this game than they did in the game with Ozona. Their playing, had improved in many ways and the grind and heavy workout that they had been put through prior to the game showed.

Outstanding players were Davis, who was injured in the third quarter, Grigsby, W. Chamberlain and Sanchez.

Friday of this week the Eagles play their first conference game when they meet the Alpine Bucks on the local field. The game will be at 3:30.

Captains for the Alpine game will be David Thompson and Weldon Chamberlain.

On November 23, 1939, Mrs. Novis McElroy, wife of one of the Derby salesmen, had charge of a PETER PAN booth at the first Oklahoma Retail Grocers' Food Show in Oklahoma City. She suggested to our President, who was attending the show, that she rent a PETER PAN costume and wear it at the booth. Mr. Beifuss suggested

that she have one made like the one on the label and Mrs. McElroy purchased material and made the first PETER PAN girl costume.

Appearing at the show the next day in her kelly green satin costume, she took the show by storm and the PETER PAN girl idea was born.

Mrs. McElroy has been awarded the PETER PAN Girl Merit of

Honor for her suggestion—Peter Pan Promoter, August Issue.

Mrs. McElroy is the daughter of Mr. and Mrs. C. I. White of this city and a sister of Carlton White. Until recently she made Sanderson her home and is now living in Hondo with her two children, while Mr. McElroy is stationed at Kelly Field.

### A Check Meter FOR YOUR EXPENSES

The public service company provides meters which tell how much water, or gas, or electricity, you use each month.

Why not "meter" your financial expenses in the same way with a check book? Your monthly statement from the bank and your cancelled checks give you the essential records to enable you to tell whether you are getting ahead or not.

You cannot afford to guess, or to pay bills twice because you failed to get a receipt. You should not risk loss by carrying large amounts of cash on your person. Pay by check.

### SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others still looking for their niche. The new Regular Army can help you.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service equipped for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

### HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

- 1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
- 2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
- 3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
- 4. A furlough for men who need within 20 days. Full details of furlough privileges can be obtained from Recruiting Offices.
- 5. Mustering-out pay (based on length of service) to all men who are discharged to enlist or reenlist.
- 6. Option to retire at half pay the rest of your life after 20 years service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
- 7. Choice of branch of service overseas theater of those still open on 3-year enlistments.

### NEW, HIGHER PAY FOR ARMY MEN

In Addition to Food, Lodging, Clothing and Medical Care

In Addition to Column One at the Right: 20% Increase for Service Overseas. 30% Increase if Member of Flying or Glider Crews. 5% Increase in Pay for Each 3 Years of Service May Be Added.

### Here Is the Latest News about Chevrolet Deliveries

To those who eagerly await their new Chevrolets...

Everybody from factory to dealer is doing everything that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America... and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!
