## Little League Season Gets Underway Monday

When the umpire sounds off Monday evening with the familiar cry of "Play Ball", the 1961 summer Little League baseball season will be under way.

The season opener pits Star-Hurst against Associated Growers at 6 p.m. at the Little League Park north of town, and the second game of the doubleheader will see Reeve Chevrolet playing McCaslin Lumber.

The drawing for team members was completed several weeks ago, and both pee wee and intermediate teams have been working out during the past couple of weeks in preparation for the games ahead.

The regular season schedule is due to be completed by July 21, and all-star games will be scheduled shortly thereafter.

In addition to the Little League games scheduled for the summer, Friona will also have a Babe Ruth League this year. Plans were worked out for the four-team league at a meeting Monday night.

Construction of a new park, adjacent to the Little League field, is nearing completion, and present plans call for starting Babe Ruth league play as soon as possible.

The Babe Ruth League will be for youngsters in the age bracket of 13 through 16. Ages of Little League players range from 8 to 12.

Director for the summer program this year is Vernon Scott, Friona High School coach. Coaches for each team will be provided by the sponsor, as will the umpires.

Friona businesses which are sponsoring Little League teams this year are Star-Hurst, Reeve Chevrolet, Friona State Bank, Associated Growers, McCaslin Lumber, Brookfield Drilling, Friona Motors, Rockwell Lumber, Ethridge-Spring Agency, Friona Consumers, and Parmer County Pump Co.

The complete Little League schedule, after opening day, is as follows:

May 30--Ethridge-Spring vs. Parmer Co. Pump, Bank vs. Brookfield.

June 1--Friona Motors vs. Co-op, Star-Hurst vs. Reeve.

June 2--Bank vs. Growers, McCaslin vs. Brookfield.

June 5--Star-Hurst vs. Bank, Brookfield vs. Reeve.

June 6--Friona Motors vs. Parmer Co. Pump, McCaslin vs. Growers.

June 8--Rockwell vs. Ethridge-Spring, Star-Hurst vs. Brookfield.

June 9--McCaslin vs. Bank, Growers vs. Reeve.

June 12--Star-Hurst vs. McCaslin, Growers vs. Brookfield.

June 13--Rockwell vs. Parmer Co. Pump, Reeve vs. Bank.

June 15--Co-op vs. Ethridge Spring, Friona Motors vs. Rockwell.

June 16--Co-op vs. Parmer Co. Pump, Ethridge-Spring vs. Friona Motors.

June 19--Co-op vs. Rockwell.

June 20, 22, 23--Makeup games.

June 26--Star-Hurst vs. Growers, Reeve vs. McCaslin.

June 27--Ethridge-Spring vs. Parmer Co. Pump, Bank vs. Brookfield.

June 29--Friona Motors vs. Co-op, Star-Hurst vs. Reeve.

June 30--Bank vs. Growers, McCaslin vs. Brookfield.

July 3--Star-Hurst vs. Bank, Brookfield vs. Reeve.

(Continued on Page 8)

## Rodeo Draws Good Crowd

Friona's first annual Jaycee Junior Rodeo came to a close Sunday afternoon with the last of three performances, all of which had thrills and spills for more than 30 cowboys and cowgirls who competed for top honors.

Good crowds were on hand for each performance at the new arena, which was completed only shortly before the first show Friday.

Members of the Jaycees, the sponsoring organization, say the show was definitely a success, and they plan to make the rodeo an annual event.

Larry Potts of Friona was named the all-around cowboy of the rodeo. He and his partner, Dwain Ridley, nailed down second place in the ribbon roping, and the Friona cowboy competed in two other events which qualified him for the all-around trophy.

Miss Kitty Black was crowned rodeo queen Saturday morning. She was sponsored by Piggy Wiggly, and won out over three other contestants, Pat Myers, Tommy Lewellen, and Suzanne Taylor.

Lena Kebold of Clovis was the judge for the contest. She judged each of the contestants on horsemanship, personality and appearance.

Winners in each of the rodeo events were as follows: Bareback Bronc Riding--Eddie Puckett, Muleshoe, won the first go-around and Johnny Jones won the second go-around. Jones had the best average for both go-arounds, L. D. Neymeyer, Dimmitt, was second, and Puckett was third.

Bull Riding--Tony Haberer, Muleshoe, first go-around, and Pete Wishert, Muleshoe, second go-around, Eddie Puckett, best average; Wishert, second; and Mack Allison, Earth, third.

Tie-Down Calf Roping--Sam Brown, Adrian, first go-around; and Burl Mardis, Muleshoe, second go-around. Mardis also had the best average, Bob Clement, Dalhart, was second, and Brown was third.

Ribbon Roping--Donnie Shafer, Muleshoe, first go-around, and Bob Lowe, Muleshoe, second go-around. Bob Clements had the best average for both go-arounds; Larry Potts, Friona; was second; and Jerry Holmfield, Adrian, was third.

Barrell Racing--Judy Clements, Dalhart, first go-around; and Glenda Light, Amarillo, second go-around. Miss Light was awarded the trophy for the best average.

Pole Bending--Anita Bivins, Amarillo, won both go-arounds and received the trophy for the best average.

In all there were 31 trophies presented to the winners.

(Continued on Page 8)

## Burglar Takes \$200 At Friona Consumers

A burglar broke into the office of Friona Consumers sometime during the night Saturday and made off with \$200 in cash.

Entrance to the building was made by breaking the glass in a south door and unlocking the night latch. "As far as we can determine, only cash was taken," says Buddy Lloyd, Manager of the business.

The break-in was discovered Sunday afternoon about 5:30. It was investigated by Friona officers and the Parmer County Sheriff's Department.

MAKING A GOOD RIDE on one of the bulls during Sunday's rodeo performance is an unidentified cowboy. About 30 cowboys, mostly from out-of-town, participated in the three-day rodeo which was sponsored by the Friona Jaycees.

## Friona FFA Names Honorary Members

About 200 FFA members, along with their fathers and other special guests, attended the annual Friona FFA Father-Son Barbecue Friday night.

Highlight of the evening's activities was the naming of three honorary chapter members. Receiving the honor were Alton Farr, school superintendent; and Clyde Weatherly and Bill Flippin, two Friona farmers.

The three men, selected by a vote of the chapter, were made honorary members because of the outstanding contributions they each made to vocational agricultural and FFA work during the past year.

The annual feed was sponsored by Parmer County Implement Company. Employees of the firm served the meal, which included barbecue beef, beans, potato salad, apple salad, vegetable plate, cherry cobbler and ice cream.

Special music for the feed was provided by the Treble Teens, the FFA quartet which recently won first place in the Area 1 FFA talent contest. Members of the quartet are Donald Bushy, Bob Daniel, Reggie Hayes, and Earl Crow.

Joe Reeve was master of ceremonies for the program. Floyd Reeve gave the invocation and the welcome was given by Jerry Rankin.

Newman Jarrell gave the response, then the guests were recognized, and chapter officers for 1961-62 were introduced.

Bob Sanders, FFA president, received the honorary members, and the benediction was given by Tom Gee.

The field is a bit smaller than it was in the first election, but Saturday is the "big day" in the special U.S. Senate race, as Texas voters go to the polls to decide on one of the two candidates in the runoff.

Polls will open at 8 a.m. and close at 7 p.m. for all Parmer County citizens who will join in choosing either William A. "Bill" Blakley or John Tower to complete the unexpired term of Lyndon Johnson.

A light turnout, considerably smaller than the record number of voters who went to the polls in the first go-around, is expected.

County political leaders haven't been too successful in stirring up much interest in the race between the two conservative candidates, Blakley, who wears the Democratic label, and Tower, the Republican.

Through Monday, only three persons had cast absentee ballots, according to Hugh Moseley, county clerk. Absentee voting is normally a good indication of voter interest. Blakley is currently the in-

terim U. S. Senator, being appointed to the position by Governor Price Daniel after Johnson resigned to become vice-president.

In the first election, which had a field of 70 candidates, Tower polled the most votes both in the county and in the state. Blakley, who was second in the state-wide balloting, was third in Parmer County with 257 votes, behind Tower's 417 and Will Wilson's 314.

Polling places and the election officials at the eight county precincts are as follows:

Black: Community Center--Mrs. Glen Roberson, Mrs. Dick Rocky and Mrs. Ellis Tatum.

Friona: City Hall--Clyde V. Goodwine, Hoyt Smith and Mrs. Carl Fairchild.

Bovina: American Legion Hall--Tom Rhodes, A. E. "Bud" Crump, and Mrs. Earl Richards.

Rhea--Parish Hall--Melvin Sachs, Jack Patterson, and Raymond Schueler.

Lakeview--Otho Whitefield home--Otho Whitefield, Mrs. George Jones, Mrs. Russell O'Brian,

## Memorial Day Program Set

Memorial Day will be observed in Friona Tuesday with a special program by the American Legion Post 206.

The program will start at 7:30 a.m. at the Friona City Park and it will be concluded at the Friona Cemetery, according to J. P. Sims, commander of the local post.

Reason for having the service at such an early hour is so that it will not interfere with other Memorial Day plans of legion members and other Friona citizens.

Most of Friona's businesses will also join in paying tribute to the nations war dead by closing for the day.

The complete schedule of events for the American Legion Memorial Day program appears below:

### MEMORIAL DAY PROGRAM

Tuesday, May 30, 1961, 7:30 a.m.

#### City Park

Enter Color Guard and Firing Squad -- American Legion Post No. 206  
Chaplain's Message ... Loyde Brewer  
Invocation ... Bro. Paul Smith  
Minister, Sixth Street Church of Christ  
Music ... Frank Claborn  
Memorial Day Message ... Rev. Audye Wiley  
Pastor, Calvary Baptist Church  
Silent Prayer  
Placing of Wreath at Monument ... Mrs. Esther Haws  
Benediction ... Rev. Bill Burton  
Pastor, First Baptist Church

#### Cemetery

(Immediately after program at City Park)

Advancement of Colors ... Bro. Bill Phillips  
Memorial Day Prayer ... Pastor, Congregational Church  
Roll Call of the Dead ... Loyde Brewer  
Decoration of Graves ... Boys' and Girls' Scouts  
Salute to the Dead  
Taps ... Floyd Reeve  
Color Guard and Firing Squad Retires

A GOOD CROWD was on hand over the week end as Friona's new indoor swimming pool opened for the first time. Truett Johnson, owner of the pool, opened the doors to the public for open house Saturday and Sunday, but the formal opening is being postponed until snackbar equipment arrives, and until all the finish work is completed.

## Forty-Seven Seniors Graduate Tonight

Commencement activities at Friona School get under way tonight (Thursday) at 8 p.m. in the school auditorium when 47 seniors are scheduled to receive their high school diplomas.

Members of the graduating class will present the program, and they will receive their diplomas from Clyde Weatherly, member of the school board.

Processional and recessional will be by Janet Smith, the invocation will be given by Carroll Bennett, and Joe Ayers will give the benediction.

Robert Sanders, salutatorian of the class, will give the salutatory address, and valedictorian Kay Struve will make the valedictory address.

Presentation of the senior gift will be made by Jerry Rankin, and Kitty Black will read the class history. Two musical selections, "You'll Never Walk Alone", and "My Best To You," will be sung by the senior girls.

Baccalaureate services for the class were held Sunday night in the school auditorium. The address was by the Rev. Bill Burton, pastor of the First Baptist Church of Friona.

The 47 seniors who will receive diplomas are Dean Nazworth, Karen Bales, Kay Struve, Robert Sanders, Tommy Barker, Tommy Lewellen, Eddie Bradshaw, Nelda Douglas, Tommy Massey, Joe Reeve, Judy Fesser Taylor, Pat Myers, Charles Myers, Cella Weatherly, John Woodson, Judy Taylor, Mary Lemmond, Neil Floyd, Darla Bingham, Jerry Rankin, Suzanne Taylor.

Boyd Jones, Eleanor Dodson, Lynn Baxter, Pat Ready Webb,

Mary Jane Grubbs Clements, Lawana Towry, Larry Evans, Kitty Black, Joe Ayers, Jobey Claborn, Cynthia Caffey, Virginia Patton, Roy O'Brian, Carolyn Baxter Pipes, Carroll Bennett, Dale Cunningham, Gayle Knight, Kay McKee, Margaret Hudson, Winette Beaton, Kenneth Gaines, Cheryl Thompson, Randy Williams, Donna Blackburn, Larry Elmore and Dora Martinez Covarrubias.

#### EIGHTH GRADE

Ninety-three eighth graders will receive their diplomas during commencement exercises Friday at 8 p.m. in the school auditorium.

Karen Osborn is the valedictorian of the class, and Dennis Howell is the salutatorian.

Presentation of the students will be made by Tom B. Jarboe, grade school principal, and the presentation of diplomas will be by Alton Farr, superintendent, and Walter R. Mabry.

Processional and recessional will be played by Diana Taylor, the invocation will be given by the Rev. Bill Burton, and benediction will be by Mr. Paul Smith.

Ushers for the commencement exercises will be Bobby Horton, Larry Johnson, James Carrol Wilson, Frieda Floyd, Judy Phipps, and Janet Rushing. Class sponsors are Mrs. H. E. Barnett, Mr. Guy T. Riggs, Mr. Wayne Hodgson, and Mr. J. L. Witten.

Members of the graduating class are Darrell Anthony,

Rebecca Balls, Bette Bass, Carolyn Bayne, Keith Black, Barbara Bracken, Ronnie Brookfield, Irvin Brooks, Patricia Burton, Larry Buckley, Jerry Cass, Dixie Chirwood, Lou Christian, Jackie Clark, Darrell Collier, Don Collier, Marcus Connelly, Danny Covarrubias, Janice Cunningham, Janel Daniel, Linda Jo Davis, Sharon Dean, Bernie Deaton, Julia Jan Dennis, Elizabeth Drager, Gary Edwards.

Sheron England, Maria Esquivel, Barbara Fallwell, Charles Fields, Letha Fletcher, Charles Frye, Donna Fuks, Douglas Gaines, Janie Gaskin, Pablo Gonzales, Gary Hand, Milton Hargus, Colleen Harper, Dennis Howell, Mary Huddleston, Roy Huddleston, Shirley Hutson, Annette Jennings, Joe Bob Johnson, Nan Lillard, Barbara Lloyd.

Sheryl Long, Jose Longoria, Doyle Mabry, Natalie Marruffo, Merylene Massie, Mary Messing, Dale Milner, Dorothy Moore, Pamela Moorman, Danny Murphree, Janice Kay McBroom, Glenda McClellan, Eugene McKee, Karen Osborn, Ted Osborn, Roscoe Parr, Ruth Elaine Parson, Linda Peek, Shirley Phipps, Olivia Perez, Bobby Perkins, David Perkins, Ann Prewett, Linda Rector, Ronnie Reed, Lucy Rodriguez, George Rushing, Andy Russell, Darrell Schwab, Sheryl Sissom, Jimmy Sneed, Mike Stephens, Robert Stewart, Jackie Stowers, Carol Struve, Chris Tannahill, Jeanne Taylor Joey Taylor, John Taylor, Phillip Varner, Jan Wells, Jeaneen Wiley, Kay Lynn Williams, Mike Wilson, Virginia Lynn Wilson, and Jonelle Wood.

# Feed Grain Sign-Ups Move Fast

## BILLOWY PRINT

For that special occasion, Jean Lang creates a figure flattering fashion in a softly shirred cotton voile. It's a lovely, Italian design print with a full, full skirt and jewel-studded belt. Surest way to keep cool and comfortable. Sizes 10 to 18.

## Early Payments Now Exceed \$1 Million

Farmer County farmers haven't been wasting any time in signing up for the one-year emergency feed grain program. Through Friday night, 784 farmers had signed contracts at the ASC office in Farwell, and Prentice Mills, ASC office manager, estimated Monday that the sign-ups were about 75 per cent complete.

Activity at the Farwell office had slowed down somewhat Monday, but Mills expects about 95 per cent of the county's 1283 grain sorghum growers to have signed up for the program by the deadline, May 31.

Reason for the flurry of activity during the first two weeks of the sign-up period was in part due to an appeal clause which was added to the program just before farmers started inking their contracts.

Farmers who weren't satisfied with their individual average yields, which were established by the County ASC committee, were permitted to appeal, provided they did so by the May 15.

About 400 farmers appealed, and the average yields were adjusted upwards on an average of about 10 per cent, Mills says.

Farmers who appealed their established averages had to produce records which would show a higher grain sorghum production average.

Most of the appeals were upheld, and subsequently the average yield in the county will now be between 4,600 and 4,700 pounds, the ASC manager says. The previous county average, which had been arrived at by the Agricultural Marketing Service, was 4,267 pounds.

1320 W. 7th, Clovis

Under the new program, farmers will be given a price support of \$1.88 per hundred pounds on grain produced up to their established average yield. Their individual average yields were based on the crop history of the past two years.

Grain produced in excess of their individual average yields will have to be sold on the open market.

Of the farmers who had signed up for the program through Friday, 97 per cent indicated that they wanted advance payment for the laid-out acreage, Mills says.

No advance payments have yet been made, "because we have been too busy," Mills says, but he says that payments will probably start next week. Advance payments to the 784 farmers who had signed up by Friday will total \$1,131,000.

The advance payment will be 50 per cent of the total amount the farmer will receive for devoting the idle acreage to an approved soil conservation practice. The remaining 50 per cent will be paid after the grain sorghum crop is harvested.

## Hensley Appointed To Association Board

At the regular monthly meeting of the board of directors of First Federal Savings and Loan Association of Clovis, Thursday, May 11, E. T. Hensley Jr., a long time resident of Portales, was appointed to serve as a member of the board. Hensley is no stranger to people of this area. He is now serving and has served Curry and Roosevelt, New Mexico, counties for a number of years as district judge. First Federal now has assets totaling \$28 million.

## WITH THE COUNTY AGENT

JOE JONES

It won't be long now until THRIP will be doing damage to our young cotton. Better take a close look and keep up with what

## FOOTSAVING EDUCATION

by James E. Edwards

## Why Should My Son's Arches Suddenly Become Weak?

It has been the custom to attribute the condition to a high fever but too many of the children are uncooperative -- no fever.

Shoemen seek an answer to the question because good customers are lost when parents blame shoes for the occurrence. If a certain shoe was responsible, most of the children who wear that kind of shoes would develop the weakness. That just doesn't happen.

The most acceptable reason is that periods of weakening and strengthening should be expected because children's feet grow in spurts. Growth of a size or a size-and-a-half is usually followed by a period of slow growth or no growth at all. We believe that rapid growth causes the weakness which is overcome by exercise during the period of slow growth. That may not be the whole answer or the correct answer but it sure beats the high fever story and being told by the mother that her child has been disgustingly healthy.

**Edwards' SHOE STORE**  
FORMERLY OLIVERS  
512 MAIN  
CLOVIS, N. MEX.

is happening to your crop. THRIP will damage cotton any time after it is up. Damage shows up as wilted, deformed and blackened leaves. Silvering on the lower leaf surface is also common. Don't mistake wind damage or seedling disease for THRIP. At the same time don't figure your trouble is high winds until you have taken a good look. THRIPS hold cotton back and of course, the results is a shorter growing season. Some things you can do something about, others you can't, but you can control THRIP.

I have sent all ginners and insecticide dealers the 1961 Texas Guide for Controlling cotton insects. I also have a good supply, so you don't have to guess, get a guide and read it. This past week I visited A. L. Black, Keith Brock, Wayne Garth, Ellis Tatum, A. L. Reznik, and Jack McCracken, concerning the fertilizer demonstrations, they will conduct in 1961. These fellows along with several others, I'll be visiting soon, are going to help me establish the value of phosphate where applied in combination with nitrogen to grain sorghum and cotton here in the county. We all do a lot of guessing when we should be doing more measuring and weighing. These fellows along with some others have promised to check this out accurate, so it will not be a "I think," but rather "I know" what it did in 1961.

The use of hormone herbicides, like 2-4-D for weed control in corn or grain sorghum is a must for a few people in the county every year. Everyone is aware of the damage drift it can do to such crops as cotton, soybeans, sesame and tomatoes, but not everyone realizes the damage it may also do to their corn or grain sorghum if not applied properly.

Hormone herbicides should be applied when grain sorghum plants are 6 to 10 inches tall. Applications made earlier or

later than the 6-10 inch height may cause lodging and yield loss. In case of corn the 6-18 inches tall should be your guide, however; you can spray until it is 36 inches tall. Spray material should not be directed into the leaf roll of either corn or grain sorghum. Use the minimum amount of herbicide to get good weed control.  
Soybeans have been grown in Farmer County for years, but never have become a very popular crop with most people. The reason being low yields and low per acre income. The higher price this year and the need for something to plant may popularize them some. I believe most farmers can count on 25 to 35 bushel per acre. Hill and Lee have both done good in this county. Soybeans

require most of their moisture in August, September, and early October. If you need another crop soybeans could be your answer. Come by and we can talk about it.

## WAC SEED INC.

Box 948 Phone EM 4-1424  
Hereford, Texas

WAC 700

The above picture of WAC 700 was taken in January 1961. During the second week in March, this hybrid sorghum was harvested with a combine in the normal way. More than 65% of the grain was saved.

WAC 700 is resistant to head smut and in addition has good standing ability, and is high yielding.

In one test block near Hereford, it yielded over 9,000 lbs. per acre. In several tests in this area, WAC 700 yielded over 8,000 lbs. per acre under irrigation.

WAC 700 is 5 to 6 days later in blooming than RS 610 and is approximately 10 inches shorter in height.

WAC 750 is being released for the first time this year. It is a red seeded variety which is in the maturity range of 660. It has a good stalk and under ideal growing conditions it has exceptional high yield potential. We recommend that you try this hybrid if you are an irrigation farmer. Our tests in Mexico showed this seed to be very pure.

# THE FRIONA STAR

RICHARD HAPKE, Editor

Entered as second class mail matter July 31, 1925, at the post office in Friona, Texas, under the Act of March 31, 1897. Published each Thursday.

In Farmer County . . . . . \$3 Per Year  
Elsewhere . . . . . \$4 Per Year

## in and around FRIONA WITH JUNE

Apparently the first rodeo sponsored by the Jaycees was a success. Every performance drew a large crowd, the weather cooperated, contestants came from Dalhart, Amarillo, Adrian, Wildorado, Muleshoe, Earth, Elmitt, and Lubbock. Some fine exhibitions of calf roping, bull riding, bare-back bronc riding, barrel racing and pole bending were seen by spectators.

printed everyone from the three year olds to the grandmothers and grandfathers will have been invited to take a swim "on the house."

This week "wraps it up" school wise. Feel sure teachers, administrative staff members, custodians, students and parents will all enjoy the change.

Looks as if a senior trip to Colorado is getting to be a tradition. For the past several years most of the classes have chosen a vacation in the Rockies. Think the class of '58 went to Arkansas, but the class before that and the three since have all gone to Denver, Colorado Springs, Manitou Springs and other spots of interest in that vicinity.

Next week we should be seeing quite a few members of the college crowd up and down the street. Life in the Floyd house-hole will be made more enjoyable by having Geneva home for the summer. She attends Lubbock Christian College and will be a sophomore this fall.

When Robbie Boggess comes home from ACC at Abilene, she will be wearing an engagement ring. Her fiance, Guy Welch of Houston, is a grandson of Mrs. Nora Welch of Friona.

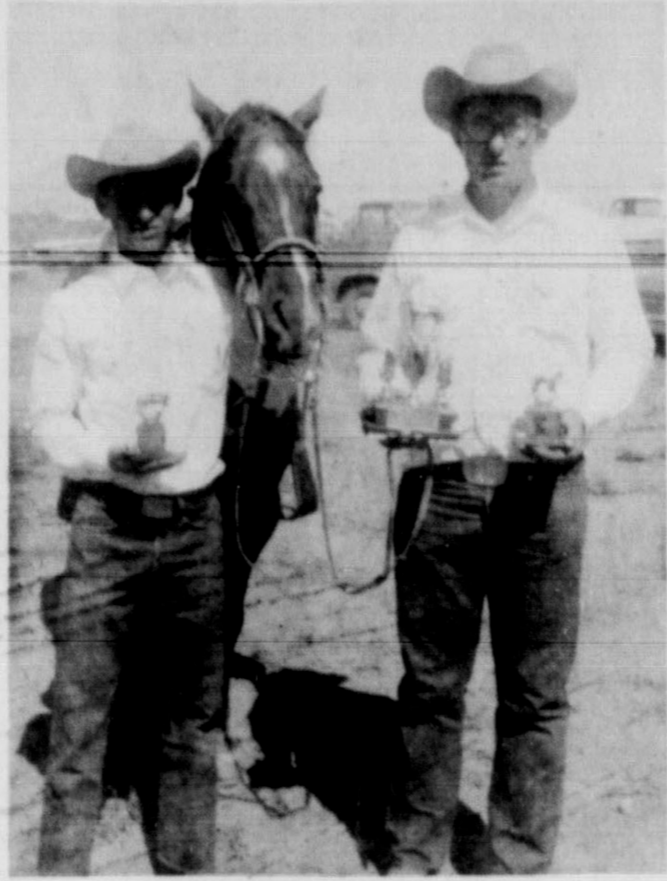

Their marriage will make things at the Nelson Welch home similar to the song "I'm My Own Grandpa." Nelson is a cousin of the groom-elect and Lorraine is Robbie's aunt.

Members of the Friona Star and Plains Publishers staffs surely do miss having Mrs. J. T. Gee on the proof reader's desk. It isn't really that Mrs.

George W Jones and Mrs. Bill Schwab don't do a good job. Most of us had learned to appreciate Lillah Gaye and enjoyed having her around.

According to the way Lillah Gaye tells it, she is resigned to becoming "just a housewife." She didn't sound a bit "resigned" when she said it or not, I'm of the opinion she is looking forward to being "just a housewife and babysitter for Robin more often."

It has been apparent to her associates that she regretted not being able to take advantage of every opportunity to keep Robin, young daughter of Mr. and Mrs. Owen Houston of Canyon.

ALL-AROUND COWBOY of the Jaycee-sponsored rodeo was Larry Potts, right. Shown with him is Dwayne Ridley, his partner in the ribbon roping event.

### Furniture Repair Shop Opens Here

Friona's newest business is The Workshop, a furniture repairing and upholstering shop, located on the east side of Friona on Highway 60. The new business is owned and operated by George Haines.

Mr. and Mrs. George Brown of Byers, Texas were weekend guests in the home of Mr. and Mrs. Matt Brown and family. George Brown is the brother of Mrs. Matt Brown.

Karl Kuhlman from Shattuck, Okla. visited with Mr. and Mrs. Bill Schwab and boys and other friends in Friona last weekend.

### Black News

By Mrs. Beryl Fish  
Mr. and Mrs. Pete Braxton spent the weekend fishing at Conchas Lake.

Mr. and Mrs. Jack Shirley of Hub spent Sunday afternoon with Mr. and Mrs. Lester Dean. Shirley is Mrs. Dean's brother.

Sunday guests of the Les Deatons were Mr. W.G. Crow, Veatrice, and Glenna, of Hereford; and Mr. and Mrs. Coon Mitchell of Portales.

Mrs. Clyde Hays and Mrs. Ellis Tatum attended the County Home Demonstration Council meeting at Farwell on Monday afternoon.

Graham Prewett and Hugh Campbell from Texas Tech visited in the Loyd Prewett home Friday and Saturday.

Miss Kearn Bales spent the day Sunday visiting in the home of Miss Brenda Deaton.

Mrs. Ellis Tatum attended the dancing recital of her granddaughter, Debbie Houlette, in Borger Friday night. Debbie came home with her and is visiting in the Tatum home.

Miss Ann Prewett was among the contestants in the Junior Rodeo in Friona, entering the barrel race.

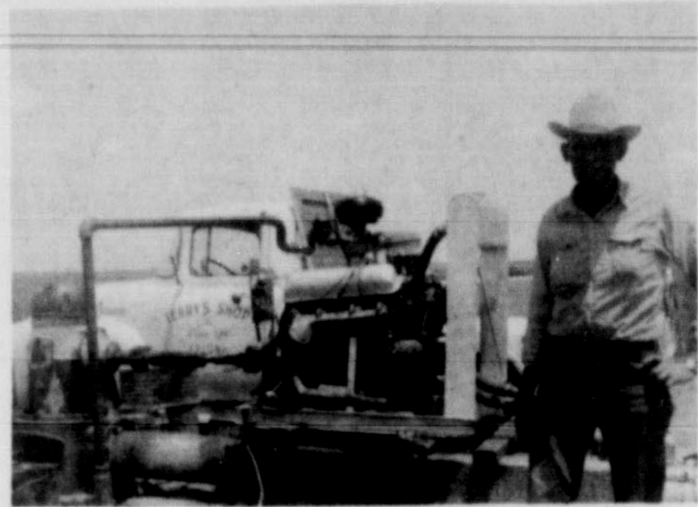

Mrs. Bill Carthel and Mrs. Ralph Price made the trip with the third grade students to Portales, where they visited Eastern New Mexico University, on Tuesday.

Little Chris Barnett is spending the week with his grandparents, Mr. and Mrs. Fern Barnett, until his parents Mr. and Mrs. Wesley Barnett, move back here from Lubbock.

Mr. and Mrs. Loyd Prewett and Ann attended the baccalaureate sermon in Hereford Sunday night. Gary Tannahill, a cousin, is among the graduates.

Mr. and Mrs. Ralph Guthrie from Lubbock, spent Sunday with the Travis Stone family.

### First Baptist Vacation Bible School Dates Set

The Vacation Bible School of the First Baptist Church will be June 5-14. There will be a Registration Day, June 3, at 2:00 p.m. Following the registration at the church, there will be a big Parade through town and portions of the residential area. The parade will then conclude at the park where

refreshments will be served. The time for the school has been set at 3:00 - 6:00 p.m. The ages are 3 through 12, and Commencement Exercises will be held Wednesday night, June 14 in the place of regular prayer services. Rev. Bill Burton, pastor, will serve as principal, and departmental leaders are: Mrs. Doyce Barnett, nursery; Mrs. O. J. Beene, beginner; Mrs. Wesley Hardesty, primary I; Mrs. Raymond Cook, primary II; Mrs. Curtis Murphree, junior I; Mrs. Bill Burton, junior II.

Teen time will be conducted for the intermediate age group (13-17) at night under the direction of Mrs. Joe Talley. Beginning time will be 7:00 p.m. They will participate in the parade June 3. The committee in charge of parade arrangements is: Charles Allen, Mrs. Wm. Beene, and Mrs. Glyn Hughes.

### Wildean Huff To Make Choir Tour

Wildean Huff, daughter of Mr. and Mrs. W.K. Huff of Friona, and a member of the 45 voice Baylor University Religious Hour Choir, will leave Waco May 27 to sing at Baptist Churches in three states. The choir will return to Waco June 5.

The choir was founded in 1945 to give greater variety and inspiration to the Baylor Wednesday evening services called the Baylor Religious Hour.

### Heart Education Theme For Study Club Program

At a recent meeting of the Progressive Study Club, Heart Education was the program theme for the evening.

Opening prayer was said by Mrs. Bill Sheehan and the answer to roll call was "Heart's Desire."

During the business meeting, committee reports and projects planned for another year was discussed.

"A Date With Your Heart" was a two part program presented by Mrs. Andy Hurst

and Mrs. Bill Nichols. "Heart Attacks--problems and challenges" was given by Mrs. Hurst, and Mrs. Nichols spoke on "New Hope for Young Hearts."

Mrs. Stanley Bengel and Mrs. Lee Cranfill were hostesses.

### Ruth Circle Hosts Family Buffet Supper

Members of the Ruth Circle of the W.S.C.S. were host for a buffet supper and an evening of Christian fellowship, Wednesday, May 17, honoring their families and friends.

Games of 42 were played following the meal.

Present were Mr. and Mrs. John Gaede, Mr. and Mrs. Dick Rockey, Mr. and Mrs. B.J. Mercer and Lisa, Mr. and Mrs. Charlie Bainum, Mr. and Mrs. Wallace Kirby and girls, Miss Viola Leonard, Mrs. Mabel Hartwell, Mrs. Tommie Parker, Mrs. Lowell Bynum and boys, Mrs. Esther Haws, Mrs. Louis Gore and Mrs. Roy Wilson.

### Dance Recital To Be Presented

Mrs. Maurine Dunn will present a recital featuring her dance students Monday, May 29, at 8 p.m. in the High School auditorium. The public is invited to attend.

Lt. J.G. Robert L. Miller visited his grandmother, Mrs. Lem Miller in the home of Mr. and Mrs. C.D. Russell Sunday, May 21, in route to San Angelo on leave prior to deployment of Naval Unit.

## Something To Think About

6th. Street Church of Christ  
Box 515 -- Friona, Texas

A little girl in Bible class was asked, "What is Faith?" She replied, "Believing what God says without asking any questions." We might not use the unique wording of this child, but it would be most difficult to express it in any clearer language. Regardless of how we would say it, accepting God without question is one of our greatest problems. Man is inclined to set himself up as authority in various subjects, and expect God to surrender to man's will. It is at this point that we encounter difficulty -- God will not run a second best to any person or anything. Romans 10:17 informs us that "faith cometh by hearing and hearing by the word of God." Therefore, in all matters of religion, if a thing cannot be found in the word of God it cannot be a matter of faith. Furthermore, "whatsoever is not of faith is sin." (Romans 6:23) Throughout the New Testament, great emphasis is placed upon the importance of putting things first. On the other hand, humanity has a dangerous habit of putting lesser important things first. When God speaks it is man's duty to obey. Some would say that this is a blind faith and inconsistent with human reason. No, my friend, faith never contradicts reason, but in many instances true faith transcends human reason. True faith asks, "WHAT will you have me to do?" but reason asks, "WHY will you have me do it?" "Believe what God says without asking questions" is wise counsel.

# come to church sunday

Meeting Life's Tasks

II Cor. 12:10 I Take Pleasure In Necessities.

Some people fail in life not because they cannot do what they want to do, but because they will not do what they have to do.

St. Paul said, I take pleasure in necessities. If so, he knew the secret of sound living with his limitations and handicaps and of accommodating himself to tedious tasks.

Quite frequently it is pointed out that religion helps a person to do what he ought to do. Would not religion mean more if we knew it as a factor in helping us to do what we have to do?

I. Religion's first law is humility in the presence of the inevitable. Freedom is only one side of experience. Compulsion is the other. Life, as a college course, is a combination of electives and basic requirements. Much unhappiness has its origin in rebellion against things which must be accepted. The self divided between lives unyielding demands and tempting desires is condemned to frustration and defeat.

II. Something is needed, however beyond supple resignation before the inevitable. To do effectively what we have to do we need a sound philosophy regarding life's compulsions. Such a philosophy is summed up in the much neglected precept of Jesus, and who-soever shall compel thee to go a mile, go with him twice.

III. Paul's motivation in the presence of necessities is expressed in the fuller text than that quoted. He says "I take pleasure in necessities for Christ's sake." Therein lies a secret which we might well make our own. Wallace H. Kirby

nized Monday at special awards assemblies at Friona Schools.

Recognized at the "best all-around" students in high school were Janet Buckley and Bob Sanders. The awards were based on courage, leadership, honor, service and scholarship.

The boy and girl who maintained the highest scholastic average in high school the past year were Kay Struve and James Perkins, and the citizenship awards went to Sharon Reeve and Tommy Roberts.

Valedictorian of the senior class was Kay Struve, who compiled a 95.8 average during her four years in high school, and salutatorian was Bob Sanders, who four-year average was 94.17.

Students recognized for outstanding achievement in individual departments of instruction were Janet Smith, English; James Perkins, science; Jerry Rankin, vocational agriculture; Beth Akens, home economics; Kitty Black, music; Floyd Reeve, boys' athletics; and Tommy Lewellen, girls' athletics.

Eleanor Dodson was presented an award for being selected to the all-state team in basketball. Perfect attendance awards for the 1960-61 school year went to Lynn Phipps, Tex Phipps, Dean Nazworth, Joe Ayers, James Perkins, Charles Ray, David Talley, Larry Hough, Kay Johnson, Willene Baxter, Linda Gibson, Gayle White, Craig Tannahill, Carol Ray, Sharon Reeve, Gayle White, Tom Gee, Max Reeve, David Talley, Linda Castleberry, Brenda Collier, Jimette McLean, Pam Roden, Jim Lillard.

James Perkins, Tommy Roberts, Tommy Sanders, Kitty Black, Gayle Knight, Kay Struve, Jerry Rankin, Bob Sanders, Virginia Patton, Susan Harper, Mary Lemmond, Myrna Bennett, Rose Ann Green, Marcia Massie, Portia McGee, Joyce Rodgers, Dianna Taylor, Mary Wilson, Mickey Wilson, Bob Welch, Lynn Phipps, Tex Phipps, Rex Nelson and Gary Renner.

**JUNIOR HIGH**  
Best all-around girl in junior

high school was Shirley Phipps and best all-around boy was Danny Murphree.

Valedictorian of the eighth grade class was Karen Osborn, who maintained a 95.66 average for the year, and salutatorian was Dennis Howell. His average was 94.33.

Other junior high awards were as follows:

**NEW MINNEAPOLIS G-VI IT'S BIG!**

A six-foot man can just look over the radiator. This is a big tractor!

**POWER TO SPARE FOR YOUR BIGGEST JOBS!**  
Steady, dependable performance has built an enviable reputation for Moline LP gas tractors. With the new LP gas burning G-VI, you get greater power with lower fuel costs plus lower maintenance and lubricating costs. The completely modern G-VI six-cylinder engine develops steady smooth power and has that famous MOLINE lugging power that comes from the high torque at low engine speed. This prevents stalling at sudden or prolonged loads.

The new G-VI multi-speed engine and new fast-acting governor (which automatically opens the throttle wide when needed to pull the load), gives you a wide range of ground speed selection. The G-VI stands up to full-load operation in any gear at any speed day and night.

**Cotton Is King In Parmer County.**  
When You Use

**HUMI-CITE**

**What Is Humi-Cite ?**

HUMI-CITE is a natural liquid soil conditioner which creates humus and helps break down and balance the natural minerals in soil to produce healthy plants. Healthy plants are far less susceptible to insects and diseases.

Most of us know about plant chemistry--we have in years past tried many formulas, some with great success, and some with little results. We are putting our money on HUMI-CITE and believe we have the answer to our plant food needs. We firmly believe the addition of HUMI-CITE to your plants including COTTON will give the greatest results in lowering damage from diseases and insects. Plant chemistry is just common sense -- the same common sense every mother uses to try to give her family balanced meals to produce good healthy bodies. HUMI-CITE is a balancer -- a Soil Conditioner which counteracts alkali and salts to permit good germination of seeds planted in our land in Parmer County.

DIRECTIONS FOR USE: HUMI-CITE should be applied to all crops in irrigation water at the rate of 10 gallons per acre. Home-owners will be happy to know it brings marvelous results to flowers, shrubs, fruit trees and lawns. Available in small amounts for home use . . . We also have mineral water for cattle -- easily applied in regular drinking water to give cattle all the minerals needed for healthy growth.

### Intra-Squad Game Ends In Tie

An intra-squad game among Friona's grade school boys basketball players, played last Friday, ended in a 33-33 tie. Players were divided into two squads for the game, which

wound up spring basketball drills for the juniors.

Larry Buckley led the skins team with 23 points and Dale Milner was high point man for the shirts team with 15 points. George Rushing was the winner of a free throw contest which was held after the game.

Members of the skins team were Pablo Gonzales, Charles Fields, Bernie Deaton, Larry Buckley, Jim Snead, Doyle Mabry and Jerry Cass.

Members of the shirts team were George Rushing, Don Collier, Jackie Clark, Andy Russell, Danny Murphree and Dale Milner.

### WAC HYBRID SEEDS

The Newest Developments in HYBRIDS

Scott 500

Here is a short-stalked, red grain hybrid with great yield potential and wonderful stand ability. Stalk height is about 12 inches shorter than RS 610. Red Grain (darker than RS 610 grain) on very large medium-dry heads. About same maturity as TX 660 and outstanding in ability to stand and to yield. Adapted to dryland or irrigation. 110 days to mature.

Scott 450

An early grain hybrid of about the same maturity as RS 590. It is very similar to Scott 500 (above) but earliness makes this an outstanding hybrid for areas needing this factor. Red grain, large heads, high yield and shorter stalks make Scott 450 a highly desirable early grain hybrid. 95 days to mature (12 to 18 shorter than 610)

MRS. MONROE YOUNG

### Hicks-Young United In Double Ring Ceremony

Miss Sharon Hicks, daughter of Mr. and Mrs. Dave Hicks and Monroe Young, son of Mr. and Mrs. Noah Young, were married in a double ring ceremony Saturday, May 13, at 7 p.m.

The First Baptist Church was the scene of the ceremony, with Rev. Bill Burton, pastor, reading the wedding vows.

A dress of pastel blue crepe over taffeta and white accessories were chosen to be worn by the bride.

Mrs. Young is a student in Friona High School and Mr. Young, a 1959 graduate of Friona High School, is employed at Wilson's Humble station.

The couple will be at home in Friona.

### Ann Baxter Hosts Kidnap Breakfast

Ann Baxter was hostess to a Kidnap Breakfast in her home Saturday, May 20 at 7:30 a.m. honoring Suzanne Taylor and Kitty Black.

Suzanne, head twirler, and Kitty Black, drum major, are outgoing members of the Friona High School Band twirlers. They were presented disc engraved with name and rank for their charm bracelets.

A fruit plate, cinnamon twists, juice and hot chocolate was served by the hostess.

Others attending were Brenda Collier, Pam Roden and Linda Castleberry.

### Breakfast Honors Seniors and Mothers

Winette Beaton and Kay Struve and their mothers, were guests of honor at a breakfast given in the home of Mrs. Eugene Bogzess Wednesday, May 10, at 7:30 a.m.

Assisting with hostess duties were Mrs. Nelson Welch and Mrs. Harold Lillard.

Others attending were members of the Church of Christ Girl's Bible Class.

## Of Interest To THE WOMEN

HOSTESSES FOR A SHOWER HONORING Tommy Lewellen are Mrs. Jimmy Buckley, Cynthia Guinn, Sandra Hoover, Janet Buckley and Mrs. Bill Nunn, pictured at the serving table in the home of Mrs. Nunn.

### Shower Is Courtesy For Tommy Lewellen

A pre-bridal courtesy was extended Miss Tommy Lou Lewellen, bride elect of Gary Goetz, Saturday morning, May 20, in the home of Mrs. Bill Nunn, for a kitchen shower.

Hostesses were Sandra Hoover, Cynthia Guinn and Janet Buckley, assisted by Mrs. Nunn and Mrs. Jimmy Buckley.

Tommy Lou, Mrs. Tom Lewellen and Mrs. Chris Goetz were presented corsages made of white and orchid ribbons and small kitchen implements. Also each hostess wore a similar corsage.

The serving table was centered with an arrangement of asters and kitchen gadgets tied with ribbons of orchid and white, the bride elect's chosen colors.

Cream puffs, sweet rolls, mints, coffee and orange juice were served by the hostesses. A musical bridal book, a gift to Tommy Lou from her mother, was used to register the guests.

Attending were members of the Friona High School girl's basketball team. They were Kay Burleson, Joy Ingram, Betty Drake, Brenda Collier, Pam Roden, Jimette McLean, Janice Wright, Su-Zan Harper, Linda

### Mrs. Roden Complimented At Pink And Blue Shower

Complimenting Mrs. Ardith Roden, a Pink and Blue shower was given in the home of Mrs. Orval Blake, Thursday afternoon, May 11.

### HD Club Meets With Mrs. Jones

Tuesday, May 23, members of the Friona Home Demonstration Club met in the home of Mrs. Sam Jones.

Demonstrations for one dish meals were given by Mrs. L. D. Taylor and Mrs. Glenn Reeve Jr.

The hostess served deviled Tuna fish salad and crackers to Mesdames Earl Drake, J. D. Sanders, J. B. Williams, Paul Williams, Ralph Shirley, Glenn Reeve Jr., L. D. Taylor, Sam Jones, Wesley Hardesty and Kenneth McLellan.

Castleberry, Carol Ray, Mikie Welch and Eleanor Dodson. Also Mesdames J. V. Fuks, Baker Duggins, Delton Lewellen, Chris Goetz, Tom Lewellen and Joe Lewellen.

### Double Ring Ceremony Read For Miss Baker And Mr. Allen

Miss Monty Baker, daughter of Mr. and Mrs. J. C. Baker, Friona, became the bride of Edward Allen, son of Mr. and Mrs. M. E. Allen, Levelland, in the home of the groom's parents Friday, May 19 at 6 p.m. Rev. Haskell Rogers read the double ring ceremony.

For her wedding the bride chose a street length white cotton eyelet dress and white accessories. She carried a white Bible topped with a bouquet of pink feather carnations and white stock with white streamers.

A reception was held following the ceremony. The serving table was laid with a white lace cloth over pink and centered with the three-tiered wedding cake. Punch and cake were served to the guests by Mrs. Johnny Hicks.

The bride, a 1960 graduate of Friona High School, is attending South Plains Jr. College in Levelland.

The groom graduated from Levelland High School and is now employed in Levelland where the couple will make their home.

MRS. EDWARD ALLEN

### Mrs. Bob Rule Hosts Circle

Members of the Mekka Circle met Wednesday, May 10, in the home of Mrs. Bob Rule for a regular meeting.

Mrs. Guy Latta presided over the program. Mrs. Howard Ford read the prayer calendar and gave the opening and closing prayers.

A continuation of the study "Basic Christian Beliefs" was conducted by Mrs. Russel O'Brian. Participating on the program were Mrs. Newt Gore, talking on "Pollution and Purification" and Mrs. Ernest Anthony presenting "Eschatology."

Mrs. Rule served rolls and coffee to Mesdames Anthony, Mack Balnum, Bill Baxter, A. A. Crow, Arthur Drake, Ford, Gore, Latta and O'Brian.

### Mrs. Black Hosts Rebekah SS Class

Members of the Rebekah Sunday School Class of the First Baptist Church met in the home of Mrs. M.A. Black Thursday, May 18, for the monthly Bible study. Opening prayer was given by Mrs. Elmer Euler.

Refreshments were served by the hostess to Mesdames W. J. Cogdill, Bert Chitwood, Annie Scott, Eva Roberson, Charles Rauh, Elmer Euler, E.E. Taylor and J.P. Wilson.

### Bridal Shower Honors Linda Kay Brummett

The Friona Club house was the scene of a bridal shower honoring Linda Kay Brummett, bride elect of Robert K. Winzler, Saturday, May 20 from 3 to 5 p.m.

Hostesses were Mesdames Lee Renner, Glen Mings, Earl Drake, Jim McLean, J.B. Williams, John D. Sanders, Pat Fallwell, Joe Mann, J.E. Knight and Joe Johnson.

A white lace cloth over lilac covered the serving table centered with an arrangement of sweet peas. Punch, cake, mints and nuts were served with Mrs. Lloyd Mings presiding at the table.

Jo Beth Brummett, sister of the bride-to-be, registered the guests.

Attending and sending gifts were Mesdames E. S. Euler, J.H. Boyle, Arthur Drake, David Smith, O.C. Rhodes, Rudolph Renner Jr., C.L. Vestal, J.P. Sims, D.G. Hand, Gary Brooks, Mack Balnum, Frank Griffith, L.P. Davis, S.E. Beaton, A.O. Drake, J.B. Buske, Floyd Brookfield, D.H. Mann and Billy Dean Baxter.

Also Mesdames Ashford Hill, Warren Brooks, Joe Boeckman, C. W. Tannahill, Charles Balnum, Ralph Smith, H.C. Wells, J.Q. Mars, W.M. Massie, Wesley Foster, Loyde Brewer,

Sam Williams, O.C. Jones, Eva Roberson, Bert Shackelford, Rudolph Renner, Joe Talley, David Moseley, G.B. Buske, Danny Balnum, R.E. Sneed and Ralph Taylor.

Also Mesdames Earl Graham, E.R. Day, N.E. Wood, Floyd Rector, Pat Busby, Raymond Euler, Joe Fallwell, Allen Stewart, Paul Fortenberry, S.T. Thornton, M.B. Buchanan, and Misses Nelda Douglas, Judy Taylor, Winette Beaton, Marie Roberson and Lola Goodwine.

### Rebekah Lodge Announcements

Mrs. John Benger presented a Mother's Day program to the Rebekah Lodge Thursday, May 11.

Saturday, May 6, Mesdames Geneva Williams, Joyce Wilkins and Juanita Reed attended a secretarial and scribe school in Perryton.

Lodge will be open this week at 7:30 because of the graduation exercises.

A memorial service is planned for the first Thursday in June.

**Poppy Day Is Saturday**

The Friona American Legion Auxiliary announces that the 1961 Poppy Day will be observed here this Saturday, May 27. Auxiliary Poppy Chairman Mrs. Carol Zetsche says the annual observance is held to honor the more than 500,000 Americans who died, and the nearly 1,000,000 Americans who were wounded in both world wars and the Korean conflict. Members of the Friona Auxiliary will be selling the poppies throughout the community all day Saturday.

DISPLAYING MEDALS WON IN A DECLAMATION contest for third graders as an outgrowth of a reading class taught by Mrs. Aubrey Rhodes are front row, Sherry Walker and Kay Riethmayer, first place winners; back row-left to right, are second place winners, Roxanne Hall and Risa Howell and third place, Dean Agee and David McFarland. Each child was required to select and memorize a poem. Preliminary contests were held in class each day with the children acting judges. After the groups had been narrowed down to sixteen they were divided into two groups for final competition. Finals were held Thursday in the auditorium. All of the third grades were guests and Mrs. Wesley Foster, special guest, served as judge.

**A MEMORIAL DAY TRIBUTE TO OUR HONORED HEROES**

Let us pause and rededicate ourselves to the cause for which these men died . . . Liberty. May it be preserved forever as the honored heritage of every American!

# County Weed Control Program is On Tap

A weed control program for all interested farmers of the area is scheduled for Monday night at 8:30 in the community room of Friona State Bank. Joe Jones, Farmer County Agent, asks that everyone interested in weed control in Farmer County, or anyone with ideas on how to rid the area of field bindweed and other noxious weeds, come out and join the discussion.

Various speakers who will appear on the program, and their topics, are as follows: J. T. Jones, chairman of the Farmer County Weed Control Committee--"Objectives of the Farmer County Weed Eradication Program."  
Archie G. Martin, supervisor, Hale County Weed Control District--"Weed Control Districts, Their Operations and Effectiveness."  
Joe Jones, county agent--"History and Accomplishments of the County Weed Control Program."  
Roy Crawford, vocational agricultural teacher at Bovina High School--"Where Vocational Agricultural Departments Fit into the County Weed Control Program."  
Ronald E. Mock, of the Santa Fe Railroad, as well as representatives of the Farmer County Commissioners Court, Bovina, Farwell and Friona city commissions, the highway department, county ASC committee, and the Soil Conservation District have been invited to report on programs of the past and their weed control programs for 1961.

## HD Agent's Notes

BY MISS ETTIE MUSIL

June is just around the corner and we shall be reading about and going to June weddings. Preparing for the big day is only one major job for the newlyweds-to-be. This is for you the couples, parents, and friends of the couples.

Ever stop to think how much money newlyweds invest in home furnishings -- especially furniture? Or how many times a costly suite or piece of furniture chosen in a hurry, turns out to be a "white elephant?" Selection of furniture reflects taste and judgment as well as a financial investment. Do be careful in your choice of furniture as it will pay dividends in savings and satisfaction.

The keynote of today's furniture is comfort, simplicity, flexibility and usefulness. If you will be moving much, your furniture should be designed to meet the changing needs of the family. And don't forget that it should be scaled to the dimensions of today's home. Large bulky furniture just won't fit a small scale room.

Newlyweds may be confused by all the possibilities and wonder where to spend and where to save on furniture. Specialists suggest spending as heavily as budget wisely on such items as a sofa bed, spring and mattress, and lounge chair. These are necessities and long term investments. Buy good permanent storage units, such as chests of drawers which can be used anywhere in the house.

Favor open stock rather than whole suites of furniture. It is often smarter to buy separate pieces that look well together, yet have a personality of their own, than to buy two or three piece sets.

Choose design carefully. Comfort is not a matter of the size and amount of upholstery, but one of clever design. Look for graceful, simple lines and good construction. You also need to consider the care and upkeep of the furniture. Will you have to be careful constantly that it does not get scratched easily especially if the family has to move often?

Furniture should be appropriate to your way of living. The furnishings should have the same general feeling so that they will be appropriate to each other in design, texture and color. Did you know that you can assemble pieces of any period in one room? You can combine light and dark finished woods, too. Just be sure to let one period and one finish dominate.

If you need any further help in choosing furniture for the bedroom and living room do let me know. We have reference training in selecting kitchen large appliances, too. Do call on me for any choice of furniture for your home.

We could mention a few words of caution on installment buying. If used wisely, credit may be very important to a young family to permit the purchase of furnishings and equipment. But it can become dangerous. The use of too much credit will lower the level of living.

**NEW ELECTRIC HOME FREEZERS AND REFRIGERATOR-FREEZERS BRING BIG SAVINGS — AND EXTRA FOOD FRESHNESS — TO SOUTHWESTERN HOMEMAKERS**

Every family can now enjoy the advantages of buying food when prices are low — or preserving home grown fruits and vegetables. The new electric home freezers or combination refrigerator-freezers make this food saving possible — save money, too. For the smaller families, the refrigerator-freezer is the answer. These combinations will provide freezer space for up to 200 pounds of food. And the real beauty of it all is that, in many of these models, you get nearly twice as much refrigerator-freezer capacity in the same amount of space that old refrigerators used. Big family or small there's a freezer for you — with big money savings.

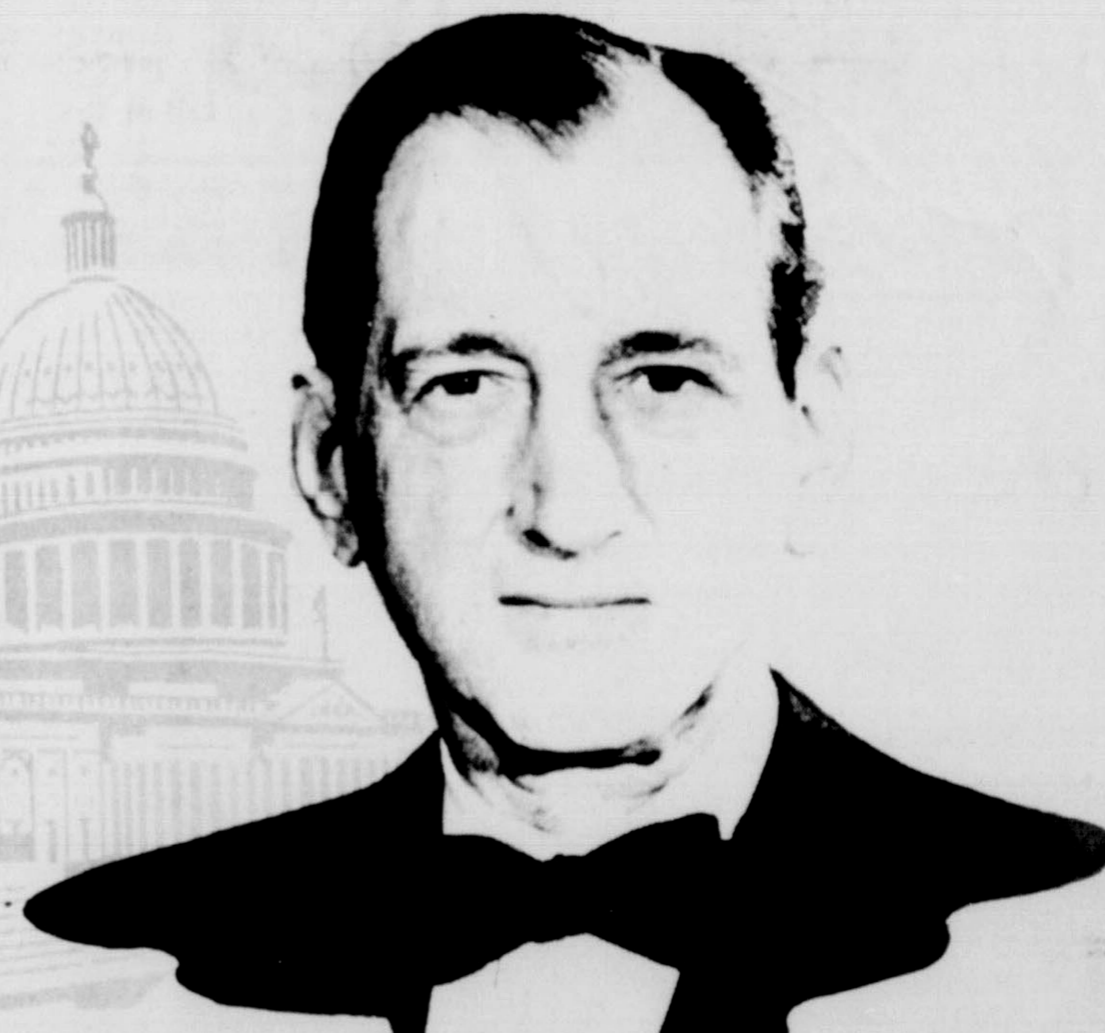

**THE BEST REFRIGERATION — ELECTRIC, OF COURSE**

**5 PLASTIC BOWL COVERS FREE!**

That's right. Public Service customers who see a freezer or refrigerator-freezer demonstration now from their Reddy Kilowatt Dealer will receive five attractive and useful bowl covers. Get them now — while they last.

# Baseball-Size Hail Causes Crop Damage

Hailstones the size of baseballs wreaked havoc with several wheat fields in the southcentral and southeast parts of Farmer County during a brief storm last Thursday afternoon.

While the hail didn't cover too large an area, where it did strike farmers felt some harsh effects.

The storm extended from an area northwest of Bovina through the Oklahoma Lane

and Clay's Corner regions on in to the Lazbuckie community. Other parts of the county missed the hail, but did receive some badly needed moisture, ranging in amounts from a trace to 1 1/2 inches.

One of the farms hardest hit by the devastating hail was that of A. W. Gober in the Oklahoma Lane area. Gober had 100 acres of wheat which was a total loss.

Damage to some other farms

in the area was equally as bad, while others were hurt only slightly.

In the area around Oklahoma Lane, hailstones were reported the size of baseballs and one stone, which was picked up shortly after the storm at the Gober farm, reportedly measured nine inches in diameter.

There was also extensive damage to houses and farm buildings, and motor vehicles which were not under cover.

Two pickups at the Oklahoma Lane Farm Supply had the windshields broken and both vehicles were badly battered by the hail.

Also, the steel roof of the farm supply store was damaged. The heavy pelleting hail loosened some of the metal sheeting and left large-size dents.

There were also some fields of young cotton in the area which received the brunt of the storm, but fortunately it is still plenty early for replanting.

It is hard to determine just how wide-spread the damage was, since the hail seemed to jump about as it carved its path through the area. Some fields received severe damage while others just a short distance away were only slightly stripped or not hurt at all.

The storm cloud started coming up out of the northwest about mid-afternoon, and hit with all its fury between 4:30 and 5 p.m.

Other storm clouds the same day, and the following day, Friday, weren't quite so turbulent. Some of them brought only welcome moisture, and others started boiling up and then drifted away before unleashing any moisture on this immediate area.

Area-wide, the storm was

not considered too much of a blow to crop prospects, and some farmers were of the opinion that the region as a whole benefited more from the moisture than it was hurt by the hail.

Some of the farms which were hit by the hail, however could hardly have received a more devastating blow.

## HD Council Meets

Mrs. Ralph Price of the Black home demonstration club was elected council THDA chairman when the county HD council met Monday in the district courtroom of the courthouse in Farwell.

Mrs. Price will attend the state convention in San Angelo on August 9 and 10 along with Mrs. Vernon Symcox of the Oklahoma Lane club and Mrs. Lewis Gore of the Northside club.

During the business meeting plans were completed for the accessory and posture training workshop to be held at the Oklahoma Lane community building on June 1 at 8 p.m. The training will be open to all girls and women in the county who are interested in learning to walk, sit, and stand properly and to apply makeup and choose proper accessories for their costumes.

KING-SIZE HAIL STONES are displayed by Alan, seven year old son of Mr. and Mrs. A.W. Gober. The stones were still quite large Monday afternoon when this picture was taken, but considerably smaller than they were when being picked up following Thursday's hail storm. They were preserved in the family refrigerator. The one at right measured nine inches in diameter when it was first picked up after the storm.

## SOIL CONSERVATION DISTRICT NEWS

No man lives wholly unto himself. The responsible man works for the well-being of his family, his loved ones, his community and country. By his actions, he seeks to earn the respect and friendship of his neighbors--and the blessings of the Lord. In thoughts expressed, he hopes to guide his children wisely and lend good counsel elsewhere as the opportunity appears.

The hallmark of civilized man is the concern he expresses for his fellow man. And this concern nurtures the spirit of responsible people at work on the land.

The way man manages his land affects his fellow men.

into the sky and may move it hundreds of miles in the form of giant dust storms. It abrades as it passes. It damages where it falls.

Rains falling on unprotected land collect and gather force as the water moves down hill seeking outlet in the rivers and oceans. As the gathering waters speed downward, they cut into the soil, leaving rills which widen and deepen into gullites. The unhindered waters dissolve the soil and become mud-laden rivulets and streams. Finally they deposit their burden of lifeless sediment over fertile bottomlands and over roads, in harbors and riverbeds, and almost always in a form and manner worse than useless.

The steward of the soil, by his care, would spare his neighbors near and far from the consequences of such waste.

The steward knows, as he conserves the soil, that other men and other families depend now and forever on the produce of an ever-fruitful land. He recognizes that the Earth is the Lord's and that it was placed here for the benefit of all His children. And so the steward serves God as he serves men everywhere.

# Time To Begin Early Cotton Insect Control

Parmer County Agent Joe Jones this week advised farmers to keep a watchful eye out for thrip on the young cotton plants, and to begin early-control measures as soon as needed.

Thrip is the insect that normally causes the most widespread damage on early cot-

ton, Jones says. Heavy infestations of thrips on cotton may delay plant maturity for a few days to a few weeks.

Thrips normally cause heaviest damage from the time a plant emerges until early squaring. That's why it is important for farmers to continually check the young plants.

The first sign of thrip damage on newly-emerged cotton is wilted, wrinkled, blackened leaves and terminal growth.

The number of thrips and time of occurrence varies from season to season, Jones says. Thrip control measures should be started as soon as damage is apparent on the seedling plants. Sprays should be applied at 7-day intervals.

Farmers who want more information on early-season insect control, and recommend sprays, can pick up brochures from the county agent or most of the cotton gins in the county. The brochures, titled "Guide for Controlling Cotton Insects," were prepared by the Texas Agricultural Extension Service.

## WITH THE COUNTY AGENT

JOE JONES

When you poison THRIP it does not mean you are against THRIP. It means you are for cotton. Let me suggest you be for cotton enough that you examine it three or four times a week and know what is happening to your crop. THRIP can begin damaging seedling cotton when it emerges and some say they are finding them on the young plant under the crust. At any rate don't wait around until you are hurt before doing

something about it. Keep in mind a day lost anytime during the growing season cannot be made up. We need every day we can get.

I have checked some 1960 plantings of N. K. 37, Bermuda the past 3 weeks and found they winter killed like we had been told it would. If you plan to do any bermuda grass planting, looks like you will have to sprig midland bermuda. Bill Liston, with the Soil Conservation Service, went over one field with me and he agreed it was no good. If you want to know more about it come by or see Bill in the S.C.S. office in Friona.

Field bindweed is in full bloom and will soon have mature seed. Let me suggest you get after it now before the seed is mature. Every seed crop just prolongs the number of years it will take to rid your land of this weed. Last week several of us looked at a few of the plots Santa Fe poisoned in 1960 and found their work to be very successful. Mr. Ronald E. Mock did the job, so congratulations to him for a fine job. He also informed us he would be back soon to do clean up work around the areas treated in 1960.

I see a lot of double row seedling of grain sorghum, so let me remind you to keep the seeding rate down when using narrow rows. Experience to date indicates 7 to 10 pounds is plenty, even with narrow rows. The narrow rows give better plant spacing when the seeding rate is kept down. If the rate is increased to much the better plant spacing is off set by the extra number of plants.

Be sure and take a close look at the water use pattern for cotton in next week's Farm & Home Section. This will show you why irrigation should begin about the first white bloom and end by August 20. Plans are to include a similar water use pattern on grain sorghum soon.

Hope to see you at the Weed Control meeting in the Community Room of the Friona State Bank, Monday night, May 29, at 8:30. The County Weed Control Program will be discussed.

### NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

We know that dryland farmers are hoping for rain soon and we join these people in prayer for that rain. The winds we have had have made critical the condition of many wheat fields that held great promise two or three weeks ago.

Secretary of Agriculture Freeman has conceded that he could probably get any kind of committee he wanted for his proposed "farm committee program." This means that he would have full power in writing whatever program he wanted to give the farmer, a power never even suggested by any previous secretary.

Because we believe it is critically important that American

farmers do something right now about their future as farmers, we are quoting the following from Facts For You, prepared by Bill Wedemeyer, director of Research & Promotion for Texas Farm Bureau:

"On April 20, the farm organizations listed below met in Washington D. C. and agreed to support the general objectives of the Agricultural Act of 1961 introduced that week by Senator Allen J. Ellender and Harold Cooley (Representative.) They signed a joint statement supporting the bill. Here are the organizations referred to: American Cotton Producers' Ass'n.; American Tung Oil Ass'n.; Grain Sorghum Producers' Ass'n.; National Ass'n. of Wheat Growers; National Corn Growers' Ass'n.; National Farm Organization; National Farmer's Union; The National Grange; and Plains Cotton Growers.

If you are a member of one of these groups named above or have any influence with these organizations, you owe it to yourself and God, and country to contact them immediately and use what influence you have persuading them to remove their support from the Agricultural Act of 1961 as introduced by Senator Ellender and Representative Cooley."

(None of the above organizations have national representation through state organizations in all states. Farm Bureau, which does have nationwide representation has consistently opposed the legislation referred to.)

Consider this: "Yea, my reins shall rejoice, when thy lips speak right things." Proverbs 23:16.

The multi-million dollars lost annually by the livestock industry because of animals being bruised is an unnecessary waste. Care in working, loading, unloading and transporting livestock will protect animals from costly bruises, reminds Lloyd Bergsma, extension livestock marketing specialist.

### FOOTSAVING EDUCATION

by **James E. Edwards**

**Wouldn't The Going About In Stocking Feet (Which You Recommend) Cause An Awful Lot Of Colds?**

I don't recommend the back-to-nature footwear in homes that have cold floors. Where the floors are warm there is a very good likelihood that shoeless children will have fewer colds than well shod ones. A shoeless child (or adult) necessarily stands more erect and breathes more deeply than one whose posture is tilted by shoes. It is common knowledge that the oxygen of the air we breathe is one of the best germicides there is. The deeper we breathe, the more oxygen we supply to our blood stream and the more oxygen there is carried by the blood the fewer the germs that will multiply to cause the cold.

John Tower

THE ONLY VOICE YOU WILL HAVE FOR SENSIBLE GOVERNMENT IS YOUR VOTE - USE IT

If You Want Conservative, Sound And Sensible Government In Washington Make Your Wishes Known

**GO AND VOTE**

## SURE! RURAL ELECTRICS PAY TAXES

Deaf Smith Co. Electric Cooperative, Inc. along with almost 1,000 other rural electric systems, joins with other local businesses in paying its share of taxes each year. In fact Deaf Smith Co. Electric Cooperative, Inc., is one of this area's largest taxpayers, paying \$10,475.52 in Deaf Smith, Castro, Parmer, and Oldham counties last year. Local tax payments, such as these, represent typical additional contributions by almost 1,000 rural electric systems organized to bring electric service to people who could get electricity in no other way.

Deaf Smith Co. Electric Cooperative, Inc., made possible by a loan from the Rural Electrification Administration, now operates 2131 miles of line in 4 counties. We serve farms, country stores, schools, churches, plus irrigation, commercial and industrial--a total of 3557 member-owners. However, 150 of these member-owners are either seasonal or small consumers who often pay the \$2.50 monthly minimum--less than the actual cost of the lines and service.

Despite the difficulties involved in serving sparsely settled rural areas we already have repaid \$1,266,-432.84 in principal and interest on our REA loans of \$4,380,000.00. Like other locally owned and operated rural electric systems in the U. S., we are proud to fulfill our local, state, and federal obligations while we help build a better community and a stronger America.

**Deaf Smith County Electric Cooperative, Inc.**

Phone 9001

Friona

IN VARIOUS STAGES of production throughout the Parmer County area this week is the grain sorghum crop, which is undergoing a vast change this year. In the picture at left, one farmer is in the process of planting his seed, and at right, another farmer is already checking a good stand. Weldon Fulgham, near Friona, is the farmer who planted his maize early (on April 10) and already has a good stand from double-row planting. Some farmers have not yet signed up for the one-year emergency government program, which calls for laying out at least 20 per cent of their previous acreage, and others are postponing some planting until a later date. At any rate, farmers are well along in planting the crop for the first time under restricted acreage. Planting is estimated to be better than half complete.

# Deadline Nears For Feed Grain Sign-Up

Parmer County producers of corn and grain sorghum were reminded this week by Prentice Mills, county ASC office manager, that next Wednesday, May 31, is the final date for signing up for the one-year emergency program.

"We are more than 75 per cent through and not too busy now," Mills says.

Mills also says that his office is now ready to start making initial payments for laid-out acreage.

If a farmer has already signed an "intention to participate" in the feed grain program, he can pick up his payment, at the ASC office, Mills says.

"If there is more than one person interested in the farm, it will be best for all of them to come at the same time, if possible," Mills points out.

The ASC office manager also announced that his office will accept applications during the month of June from farmers who plan to carry out an approved conservation practice on their farms in July, August or September, and need ACP cost-sharing.

## HOW U. S. SENATOR Wm. A. BLAKLEY STANDS FISCAL RESPONSIBILITY

Senator Blakley opposes continued deficit financing and increased national debt. For sound fiscal policies, balanced budget, economy in government and controlled spending. Believes government must see that a sound dollar is maintained.

### COUNTY 4-H NEWS

By LARRY FLOWERS

Doyle Johnson called the club to order. Mike Camp gave the pledge. The minutes were read and approved. The club decided to meet during the summer. Our first meeting will be July 8th, at 7:30 p.m. As of yet we haven't decided where to meet. A committee was appointed to try and decide on where to meet.

Larry Flowers and Bruce Little gave a demonstration on "How to Prevent Bindweed," and Chemicals to Destroy It.

Joe Jones took the club to some fields that had some or a lot of bindweed.

## Parmer Included In Proposed Milk Marketing Agreement

Establishment of a federal marketing order to regulate milk handling on the High Plains will be considered at a public hearing in Lubbock, June 6, the U. S. Department of Agriculture announced today.

The hearing will be open at 10 a. m. in the Navajo Room, Caprock Hotel, Lubbock. It was called at the request of the North Texas Producers Association, Inc., and the Central West Texas Milk Producers' Association, which together represent more than two-thirds of the producers supplying the market. Additional proposals in regard to the proposed marketing order have been submitted by handlers.

The proposed marketing order would establish minimum prices which handlers distributing milk in the marketing area would be required to pay producers. It would not regulate retail prices.

The following 19 counties in Texas have been proposed for inclusion in the marketing area: Bailey, Castro, Cochran, Cottle, Crosby, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Kent, Lamb, Lubbock, Lynn, Motley, Parmer, Terry, and Yoakum. Major cities in this area are Lubbock, Plainview, Brownfield, and Levelland.

Under Federal milk marketing orders, milk is classified by the use made of it, values are assigned for milk used in each classification, and producers are paid an average price per hundredweight based on the class values and the amount of milk used in each classification.

Proposals for a marketing order in the Lubbock-Plainview area would establish two classifications: Class I would include all milk used for bottling (fluid) purposes, and Class II would include milk used for

manufacturing or livestock feed and inventories of fluid milk products, along with a shrinkage allowance.

Proposals from both cooperative associations call for a marketwide pool, under which returns from all handlers' sales of all classes of milk would be pooled and distributed at a uniform rate per hundredweight to all producers supplying the area. Both proposals include base-excess plans for fixing uniform prices during the flush production season.

After hearing evidence on the various proposals at the public hearing, USDA may recommend a marketing order for the area. Such a recommended order would be submitted to handlers and producers for exceptions. Any exceptions would be considered in framing a final order on which producers would be asked to express approval or disapproval. Approval of two-thirds of the producers voting would be required before USDA could put the marketing order into effect.

Copies of the notice of hearing may be obtained from the Hearing Clerk, Room 112, Administration Building, U. S. Department of Agriculture, Washington 25, D. C.

## County Gets Brucellosis Petition

The Texas Animal Health Commission announces the receipt of Parmer County petition for Type II Brucellosis Control.

Proclamation by the Governor No. 154 has been issued and a hearing set for July 17, 1961, at 9:30 A.M. in the office of the Texas Animal Health Commission, State Office Building, Austin, Texas.

All those in favor of or in opposition to the designation of this County as a Type II Brucellosis Control Area are invited to attend. If no opposition is presented, Parmer County will be designated as a Type II Control Area effective August 22, 1961.

As of May 16, 1961, veterinarians in Parmer County are eligible to receive free vaccine from the Animal Disease Eradication Division, Agricultural Research Service, U. S. Department of Agriculture, for use in vaccinating cattle in that County. Livestock owners should contact their veterinarians for further information concerning the vaccine.

# For the big acreages . the McCormick No. 181

**cuts swaths up to 18 feet with inside capacity to thresh out all the grain**

Custom operators . . . and big acreage growers! The McCormick 181 gives you acre and bushel-per-day capacity that enables you to do a better combining job . . . and do it faster. Here are some reasons why.

**THE NO. 181 MASTERS BIG ACREAGE** with swaths up to 18-feet. Eighteen foot platform cleans out an acre every six minutes.

**CLEAN-THRESHES HEAVY YIELDS** with a separator almost four feet wide inside. The 181 gives you a tremendous 41 square feet for famous McCormick 3-point separation . . . plus 31 square feet for exclusive opposed-action cleaning.

**KEEPS COMBINING WHEN TOUGH GOING STOPS OTHERS.** Big 80 horsepower IH engine gives sure, steady power to spare for heaviest going. Symmetrical design puts weight where you need it for best traction. Individual wheel brakes and power steering assure easiest, most precise handling.

**WIDE CHOICE OF PLATFORM SIZES** fits the 181 to your exact needs. Select from 18, 16, 14, or 12-foot cut. Windrow pickup is available for all platform sizes.

### ALSO IN STOCK

## THE COMBINE WITH THE RIGHT CAPACITY
