## LOCAL SCHOOLS ENROLL 519 PUPILS

With the registration of the high school students Saturday and the enrollment of the pupils of the ward schools Monday, the schools of the county were ready for work Tuesday morning.

Supt. J. G. Barry reported an enrollment of 519 in the Sanderson schools Tuesday. This figure is about fifty short of the expected enrollment but will increase within the next few days, he anticipated.

There are 65 pupils in the first grade, 21 in the high first, 73 in the second, 57 in the 3rd, 71 in the fourth, 49 in the fifth and sixth, 27 in the seventh, 34 in the eighth, 33 in the ninth, 15 in the tenth, 9 in the eleventh and 16 in the twelfth.

There are also three special students enrolled in the high school.

With the resignations of Mr. and Mrs. O. H. Boulter and Mrs. Janet Buck last week, only one place on the faculty remains unfilled. Mr. and Mrs. George Davis of Chandler arrived Tuesday afternoon and he will be the principal of the elementary schools. Mrs. Davis will teach English in the seventh and eighth grades. Mesdames G. H. Luckenbach, Curtis Wise and Austin Nance have been substituting this week.

## SEALED BID WOOL SALE IN ALPINE

Johnny Williams, owner of the Sanderson Wool Commission Co. and the Big Bend Wool & Mohair Co., of Alpine, has announced a sealed bid sale for Wednesday, Sept. 14, at Alpine.

Williams said that around 700,000 pounds would be offered in this sale. It will be all 12-months wool.

Williams began contacting buyers last week asking them to the sale.

## Cancer Ranks Next To Heart Disease As Death Cause in Texas

Austin, Sept. 7 — Dr. George W. Cox, State Health Officer, in speaking of cancer, said that it ranked second as a cause of death in Texas, being exceeded only by heart disease. Last year approximately 6900 Texans died of this disease. One of the reasons so many people die of cancer is because the disease usually exists some time before it is recognized. By then it has progressed from a small local cancer to a large and dangerous one.

In the beginning cancer is not painful so many persons do not consult a doctor. Any lump, especially in the breast, should be looked upon with suspicion. Other suspicious symptoms are any sore that does not heal about the tongue, mouth or lips; sores caused by broken teeth or ill fitting dental plates should receive attention; irregular bleeding or discharge from any opening of the body is a danger signal. Persistent indigestion with loss of weight is a symptom of cancer of the stomach. With any of these signs one should go immediately to a doctor. Many times the suspicion of cancer will have been unfounded but it is much better to be safe.

It is desirable to treat all diseases in their early stages, but in no case is it more important than cancer. Periodic examinations made with cancer in mind affords the best protection against this disease. Surgery, X-ray and radium are the main weapons which are used to combat cancer.

## O. E. S. Picnic Honors Founder

Honoring the birthday of Robert Morris, the founder of the organization members of the Eastern Star Chapter and their families enjoyed a picnic on the courthouse lawn last Thursday evening. About thirty were in attendance. Mesdames W. E. Stavley, A. J. Hahn and E. P. Halley were the committee in charge of arrangements.

WILLIAM M. BOYLE, JR., Kansas City, new Chairman of the Democratic National Committee, takes gavel from the retiring Chairman, former SENATOR J. HOWARD McGRATH, who was sworn in as Attorney General the same day. Boyle predicted Democratic victory in 1950 Congressional elections, urged Democratic precinct workers to drive for heavy registration and heavy vote.

## DRYDEN NEWS

By Barbara Clark

Mrs. Damon McGilvray of the Packenham ranch moved into town for the school term.

Mr. and Mrs. B. J. Raines and baby are visiting Mrs. Raines' parents, Mr. and Mrs. Lonnie Cash, and will return to their home in Laredo Saturday.

Mrs. Robert Pavlica and son, Danny, returned home the first of the week from Flatonia where she has been visiting relatives.

Mr. and Mrs. Raymond Farley attended a barbecue on the Don Farley ranch north of Brackettville Sunday.

Mr. and Mrs. Harold Shaw of Sierra Blanca visited his parents, Mr. and Mrs. Simon Shaw over the week end.

Jimmy Merritt returned home Sunday from Big Spring where he visited relatives and looked over a business location. He expects to return to Big Spring in about ten days where he will make his home.

Bill Dunn of Pie Town, New Mexico, who is employed on the J. J. Russell ranch, visited here and in Del Rio during the past week. He returned home Wednesday by way of Big Spring where he will visit the Lee Luckie family.

Mr. and Mrs. Milton Holmes spent the past week at Riesel to be at the bedside of Mrs. Holmes' father, Hugo Hoeff, who has been ill for the past month. Mr. and Mrs. Vic Mason are staying on their ranch during their absence.

Mr. and Mrs. H. B. Sorrells of Katemacy visited with Mr. and Mrs. Herbert Winston on their ranch Sunday and Monday. Mrs. Sorrells is Mrs. Winston's sister.

## Livestock Shipments Show Decrease In July This Year

Austin, Sept. 7 — Livestock shipments totaled 4,208 carloads in July, falling 19 per cent from June and 28 per cent from a year earlier, the University of Texas Bureau of Business Research reported.

All types of livestock showed declines from the previous month. Sheep shipments fell 38 per cent; hogs 17 per cent; cattle 15 per cent and calves 11 per cent.

Compared with July 1948 all types of livestock shipments showed decreases in July of this year. Movements of cattle and calves fell 31 per cent over the year. Sheep and hog shipments dropped 20 and 15 per cent, respectively.

July interstate shipments plus Fort Worth declined 20 per cent from June and 27 per cent from July of last year.

Intrastate shipments minus Fort Worth fell 14 per cent in June and 43 per cent in July 1948.

Mrs. D. E. Erod was in Marfa last week for dental work.

## MATCHED ROPING SUNDAY, SEPT. 18, BY ROPING CLUB

Arrangements were completed this week for a rodeo to be given Sunday afternoon, September 18, by the local Roping Club. The rodeo will begin at one o'clock at the roping arena east of town.

Buster Babb and Bubber Mathias of Marathon will meet Max Schneeman of Rankin and P. C. Finner of Ozona in a \$500 matched roping event. According to James Kerr, secretary-treasurer of the Roping Club, there will also be a jackpot calf roping, goat roping, barrell race and bronc riding.

Admission will be charged.

## Sanderson Students Leaving For College Coming Week

In a few days there will be a noticeable absence of young people in Sanderson as they enroll at the various colleges and universities to continue their education.

The Texas State College at Alpine with its close proximity will probably claim the greatest number of students with Frank and Jack Harrell, Clyde Griffith, Jr., Edward Wheeler, Mary Nell Higgins and Marjorie Gates planning or already enrolled at that school.

The University of Texas will probably claim the next largest group with Betty Jo Kerr enrolling for her senior year, Doris Duke and Harriet Pierson for their sophomore year, James House for the Law School of the University.

Beverly Thorn will attend Texas Western College at El Paso, Bland Gates to Baylor University, Billy Gene Hill to Texas A & M College, Ernestine Jessup to Trinity University in San Antonio; Lloyd Smith will continue his studies at the University of Texas School of Medicine in Dallas and Bill Houston is returning to Southwestern University at Georgetown, Lee Cargile is enrolled at Texas Western College.

Mrs. Doris Cooke is returning to Texas Tech for her senior year, Betty Peavy and Montie Wallace for their sophomore years and Bobby Cooke for his freshman year.

Cecelia Marquez is attending business college in Houston and Victoria Garcia is a student at the Lydia Patterson Institute in El Paso.

## CHURCH OF CHRIST HAS NEW MINISTER

Mr. and Mrs. Alton Hall of Abilene arrived here Friday and Mr. Hall began his duties as the minister of the local Church of Christ. He graduated from Abilene Christian College this summer.

The local church has been without a pastor for the past three months since Mr. and Mrs. Martelle Petty moved to Jefferson, Texas.

## Presbyterian Annual Picnic Friday

Members of the Presbyterian Church and friends had the annual picnic Friday evening on the courthouse lawn. Barbecue was served with the members furnishing the salads, cakes, etc.

About seventy-five were in attendance.

## DIMAS LOPEZ BORN HERE SATURDAY

Dimas is the name given to the baby girl born to Mr. and Mrs. Francisco Lopez on Saturday, September 3. She weighed seven pounds and is their third child.

JOSE ANGEL MARTINEZ BORN AUGUST 30 — A son, Jose Angel, was born to Mr. and Mrs. Julian Martinez, Tuesday, August 30. He weighed seven and one-half pounds. This is the seventh child for the Martinez family.

## SO WHAT? — Ring Around Sun Viewed Tuesday By Sandersonians

Sanderson residents who were outside just before noon Tuesday and had specific reason to look at the sun, saw a large, multi-colored ring around the heat-giving body. A telephone call told us of the phenomenon (?), and being by occupation inquisitive, rushed outside to attempt an investigation.

Tourists and passers-by were amazed at the sun-gazers, but few stopped to inquire of the point of interest and the reason for our gazing, causing very little source of possible information as to the cause. Residents refused, as usual, to predict the reason and outcome and no almanacs were available to reveal the cause.

Since the occurrence was Tuesday and up to Thursday nothing unusual had happened to the weather, atmosphere or climatic conditions, about all that can be said is that there was a multi-colored ring around the sun just before noon Tuesday.

## FORD ANNOUNCES \$100,000 CAR SAFETY CONTEST

W. J. Ferguson, Jr., manager of the local Ford agency, has entered his dealership in a \$100,000 car safety contest sponsored by the Ford Division, Ford Motor Company.

Mr. Ferguson is one of 6,400 Ford dealers throughout the nation who has entered his dealership in the contest during September and October.

Seven hundred prizes totaling \$100,000 will be awarded to winners of the safety contest. The prizes are 25 new Fords including five Ford trucks; 25 \$1,000 U. S. Savings Bonds, 100 \$100 bonds, 200 \$50 bonds and 350 \$25 bonds.

The contest has the support of the National Safety Council, the Inter-Industry Highway Safety Committee and other safety organizations.

In order to participate in the contest, Mr. Ferguson pointed out, motorists must bring their car or truck, of any make, to the dealer for a safety check at absolutely no cost or obligation to the motorist.

Free checks will be made on the brakes, steering, headlights, rear and stop lights, tires, windshield wipers, muffler, glass, horn and rear view mirror.

The Ferguson Motor Co. will place an attractive safety driver reflector insignia on the car or truck inspected and motorists will be given an entry blank to participate in the contest.

The motorist must then complete in no more than 50 additional words the following statement: "All cars and trucks should be safety-checked periodically because —"

A jury of prominent persons in national safety circles will judge the winners. Only one entry per car or truck may be entered.

## EAGLES TREK TO FORT HANCOCK FOR GAME FRIDAY

The Sanderson Eagles football team left Thursday for Fort Hancock to play their first football game of the season. It will be a non-conference game with Fort Hancock, who is in the district and will meet the local eleven here later in the season in a conference game.

The Eagles have a much lighter team this year than last, but more substitutes. They have been laboring under the difficulty of not having sufficient boys out for a real scrimmage at any time during the season, but according to Coach M. B. England, seem to have perfected their plays to a fair degree of accuracy and timing. Coach England says that he is expecting a good showing from the team this year, even in the face of a pretty tough schedule. The Eagles have been working twice daily since the 15th of August, and positions were appointed as soon as possible in order to shape up the team as well as he was able.

The expected starting lineup for the Fort Hancock game will be: David Flores, left end; George Fisher, left tackle; Raul Flores, left guard; Bob Wilkinson, center; Ruben Esquada, right guard; Maglie Bustos, right tackle and Billy Chamberlain, right end.

In the backfield will be Juan Olivares, quarterback; Thomas Hill, left half; Jack Talbot, right half and Edwin Smith, fullback.

The team went to Fort Hancock in private cars.

## RAIN, HIGH WATER HITS STUMBERG RANCH SUNDAY

About three and one-half inches of rain fell in a very short time at the S. L. Stumberg ranch headquarters about Sunday. According to Stumberg, it was the highest the water has ever been at his ranch house.

Fifty bucks were caught in the high water and drowned and about 2 miles of fences at various places in his pastures were washed down, and several check dams went with the water. Stumberg added that the water was standing about 18 inches deep in his barn just south of the ranch house causing considerable loss to the hay that was stored there.

This is the first report of a flash flood for some time in this immediate area. There have been several damaging high water reports but it has been mostly from prolonged rains or from water coming down a canyon from watersheds.

## Barbecue Supper For Woodward Guests

Honoring her guests from San Antonio, Mrs. Kate Gray her mother, and her sister and niece, Mrs. Alma Sauer, and Miss Betty Sauer, Mrs. H. G. Woodward and son, John, entertained with a barbecue supper at their ranch home last Wednesday.

Big Job Ahead For State School Board

One of the most important issues to come to the voters of Texas will be that of electing men to the State Board of Education on November 8.

Twenty-one men and women elected will hold the key of success for the Gilmer-Aikin program. The first elective board has a tremendous task before them.

It behooves the voters to ponder the selection of the man or woman from their district with a view to selecting the one best qualified for the important post.

The Times has no recommendations at present other than that the one chosen should have the interest of the schools of Texas at heart. There is no good reason for electing a candidate simply because he has a string of degrees or on the basis of his having formerly taught or held a chair in some university. In some cases, we believe, it would be better to get away from the idea since there might be an inclination to revert back to the old political controlled set-up. What is needed is a man or woman who would take no political views or predetermined course with them to Austin.

Undoubtedly Texas has the framework for first-class public education. The new board can build on this framework or it can hurt the schools if it fails in this responsibility. Gilmer-Aikin sponsors believed that an elective board was what the public wanted. The Legislature approved and now the responsibility is on the voters to select members who will do the right job.

These unpaid public servants will necessarily have to go to a great expense and personal sacrifice to accept the responsibility of the office. They will have to select a commissioner of education, buy text books, and handle the investment of \$150,000,000 in the permanent school fund. Governors in the past have been criticized for naming bankers to the board. Actually, investing money is its biggest task. The board duties will be more varied under the reorganization of the board, but it remains the biggest investment agency in the state.

Give thought to your choice on November 8.

### Brunch For Evening Study Club Saturday

The fall meetings of the Evening Study Club were resumed last week when members and guests were entertained at a brunch Saturday morning. The brunch was served by the ladies of the Methodist WSCS in Fellowship Hall at ten o'clock.

Trays of pink regina corona and bouquets of flowers were placed at vantage points. A map of the United States rising from a low arrangement of summer flowers which centered the speakers' table denoted the subject for the year's programs, "These United States."

New yearbooks were at each place where miniature maps of the various states were attached to the place cards.

Following the invocation by Mrs. John Scannell, Miss Doris Duke played several piano selections. Guests were introduced by Mrs. W. W. Sudduth, president.

The menu for the brunch consisted of chilled orange juice, sausage links, scrambled eggs, peach halves with mint jelly, tiny buttered biscuits, strawberry preserves and coffee.

Mrs. Sudduth introduced Mrs. Joseph Best of Wink, president of the Eighth District of Federated Clubs, who made some timely suggestions on "Building the Community for the Conservation of Youth."

Members present were Mesdames J. O. Little, Jr., John Scannell, W. H. Grigsby, W. W. Sudduth, F. T. Baker, Dick Sullivan, W. A. Davis, J. N. Kerr, Jr., Roy Deaton, H. A. Finger, J. A. Gilbreath, E. J. Hanson, Garland Immon, Vic Littleton, Wiley Cox. Guests were Mesdames Austin Nance, L. H. Gilbreath, Maude Herndon of Bastrop, Joseph Best and Henderson of Wink, Misses Betty Jo Kerr, Myrtle Harrell and Doris Duke.

### Mrs. W. J. Ferguson Hostess For Ranch HD Club Meeting

The Ranch Home Demonstration Club met at the home of Mrs. W. J. Ferguson last Thursday morning for an all-day meeting.

Mrs. N. M. Mitchell presided at the business meeting when a nominating committee to present a new slate of officers was named to include Mesdames J. D. Nichols, James Caroline and W. J. Ferguson. Announcement was made of the picnic planned for Saturday, September 10.

Mrs. J. D. Nichols was leader of the program on "Christmas Gift Suggestions." A round-table discussion of cake-making followed.

A picnic lunch was served at noon and punch and angel food cake at the conclusion of the meeting.

Members present were Mesdames N. M. Mitchell, James Caroline, Herman Couch, E. J. Hanson, O. T. Sudduth, J. D. Nichols, Bernard Kerr, a new member, and Mrs. O. H. McAdams, a guest.

## BETTER LIGHT = BETTER SIGHT

**REDDY KILOWATT TEACHER**

### A Lesson To Remember!

There is a lesson here for parents, too! No child can do his best at homework if eyestrain caused by poor light makes him drowsy and unable to concentrate. Make sure your child has plenty of good light at his study table. See that the lamp he uses for home study is equipped with bulbs totaling at least 100 watts, and that it is well shaded to eliminate glare. Better light means better grades!

**Here's Better Light for Home Study!**

Homework's quickly done with a Better Sight Table Study Lamp like this. Its wide-angle shade and extra tall standard spread light over a wide area. Its white glass diffusing bowl sifts out harmful glare. Equipped with a 150-watt bulb it provides plenty of light and the right kind of light for safer, easier seeing.

# SEE IT and you want it - PRICE IT and you'll buy!

FOLKS take a look at those bumper-guard grilles — built as a unit and proof against "locking horns" — and say "Hmmm! Nice!"

They sweep their eyes over tapering fenders, with a suggestion of jet power in their after contours — and say, "That's for me!"

They eye-measure windshields that are 48% bigger and rear windows with 56% more area — and know without being told they can see the road up closer, both fore and aft.

So they say — "That's for me — IF!"

"What does it cost me to get this handy-sized dandy with the roomiest interiors ever found on a Buick Special?"

"What do I pay for high-compression, high-pressure Fireball power from a big Buick straight-eight engine?"

"What's the tag on that swell Buick ride, with coil springing, extra-wide rims, seats between the axles and all that?"

"And what about Dynaflo Drive —

understand I can have that at extra cost — how much?"

Well, sir, the news is good. Plenty good. Because this honey's priced well under your expectations. It's a straight-eight that's priced under a lot of sixes — over the years your investment will be no more than for any other car.

So better not stop with looking. Better price it too — delivered at your door. Your Buick dealer will give you the figures, even demonstrate.

After which you'll do as others are doing — you'll get a firm order in.
