WELL DRILLING — ANYWHERE - ANY SIZE HOLE ED WAGNER DRYDEN, TEXA

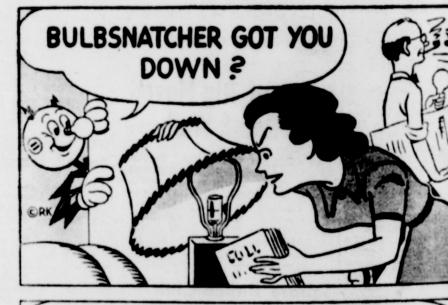

I wrote that over an article in the Clarion last week, but I didn't like doing it. After all, the man it was aimed at - Slim Henderson - is a

good friend of mine. Slim came into quite a windfall last month, and bought the old Clarke place. The deed gave him title to all the land-right down to the street. Then Slim started to take up the sidewalk to make his

lawn look better. I felt it wasn't fair to the town and said so in my article. Next morning Slim comes around and wants to know what I mean-getting folks riled against him If ornery myself, and we had quit

set-to over the whole business From where I sit, that was h ish. Once we'd cooled of ( lunch and a bottle of beer at An Tavern), Slim decided the sides should stay-for the common p and I promised next time I'd a good look at the other fell point of view before writing articles about him!

ONE of the grandest things about your Buick is the way you can ignore the season-chew your way through gravel and dust alike, splash through the wet stretches, snug and secure even on slippery pavements.

# But bear this one thought in mind...

Rough road conditions call for special attention your lubricants. Tires should be checked for coninflation - for deep, clean tread that bites on slick surface. Brakes won't stop you with a and gentle touch if the master cylinder needs fluid, or if an air-bubble has worked itself into line. These things, and more, should be checked keep your Buick at its best.
