

Vern's Views

The Friona Chiefs basketball team did not finish in the cellar last season as a story in the Friona Star stated last week. The Chiefs whipped Dalhart twice in district play to nail down fourth place.

This issue marks an end to a pleasant, eventful and very educational, though brief term for this writer as editor of the Friona Star.

I've never cared much for long greetings or farewells, but never would have guessed when I came here last October that the uncomfortable task of writing this last column would come so quickly. Only 24 issues of The Star have been published that included this column.

We have accomplished many things in the capacity of editor that we will always view with a great deal of pride. Many things have been left undone that we hoped to accomplish.

Our policy of taking stands on burning local issues has cost us respect in some quarters, and gained the same ingredient from those who think a newspaper should try to influence as well as inform and entertain.

We hadn't planned this stay with the Star to be a planning ground or launching pad into something else, but the valuable experience and training this position has forced upon this writer will certainly be valuable.

Contrary to reports that have come from certain quarters, we leave voluntarily. A business deal we had made in another section of the state appeared to offer more chances for tangible reward and intangible satisfaction. After securing this deal we resigned from The Star editorship, only to find that the deal wasn't as secure as we had believed. Therefore our plans for the future are still incomplete.

We hope to land on our feet somewhere in the newspaper industry and feel that the experience gained here during the past six months will be valuable in the search for a good place in our chosen field.

To all the Frionians who have cooperated with us in every way possible, we are extending our heartfelt thanks and appreciation. It has been a genuine pleasure being a member of this community and working with those persons who as advertisers and news sources are responsible for the success The Star has had as a business.

At this time it is impossible to say who will be editor. John Getz, former Farwell insurance man, will handle the advertising. It is likely that the new editor will have only editorial responsibility. This will be an ideal arrangement and no doubt will enable the staff to make definite improvements in both the advertising and editorial departments.

Both Dave Reynolds and myself felt a little overloaded handling both ends of the business.

So as we prepare to put the

(Continued on page 8.)

SIGNING UP FOR DUTY are these three city councilmen. Left to right are Wright Williams, Bill Nichols, and Kenneth Williams. Mayor R.L. Fleming, who administered the oath of office looks on.

ADOPT NEW WATER RATES--

New Councilmen Take Office

Three newly-elected city councilmen took the oath of office last Thursday afternoon in a special called session.

Wright and Kenneth Williams and incumbent Bill Nichols were sworn in by Mayor R.L. Fleming. The outgoing commissioners helped canvass the votes and certified that the three men had been elected.

The outgoing councilmen also adopted a motion to purchase a backhoe loader from Parmer County Implement Co. of Friona. Delivery date for the machine will be probably sometime next week.

After the new councilmen

were officially in office, discussions on the annexation situation, and warehouse situation were presented for their benefit. City manager Albert Field reported on his efforts to find land to purchase to construct a new city warehouse. None of the actions available were taken since the council felt further possibilities should be investigated.

The first official act of the new council was adopting the summer water rates which will become effective when the meters are read this month. The council made the act include water users who are out of the city also. The out of town users will continue to pay higher rates than users inside the city limits, but the out of town rate was reduced proportionately.

Lawmen Seek Check Passers

Local police and sheriff's officers were working this week on a case involving worthless checks passed in Friona and Bovina about two weeks ago.

Hurst's Department Store in Friona and Williams Mercantile Co. in Bovina were both victims of the check passing violation.

Deputy sheriff Bill Morgan said both checks were for identical amounts and bore identical names as both payer and payee. Personnel at both stores that were victimized said a colored man presented the checks. Each check was for more than \$50, and the man reportedly purchased an inexpensive item and requested the cash for the remainder of the check.

Morgan said the sheriff's department is attempting to trace both names on the checks in hopes that this will lead to the identity of the check passing individual.

P-TA Meets Tonight

The Friona Parent-Teachers Association will elect officers at the Thursday night meeting. Meeting time has been changed to 8 o'clock.

Fifth grade girls and also a group of parents will provide music for the program. Future nurses will also have a part in the program.

SECOND AT PLAINVIEW--

Land Judgers Bound For Stephenville Test

A Friona land judging team took second place in the Area Land Judging Contest at Plainview last Saturday and thereby claimed the right to advance to the state contest.

The state contest will be held this Saturday at Stephenville. Members of the team that entered the Plainview contest were Bob Sanders, Joe Reeve, Danny Smith and Lynn Baxter.

The team placed first among

the 16 teams in its district. There are 108 schools in the area.

Sanders was second high individual and Reeve was close behind in third place. The top five teams from the contest won the right to advance to the state contest. Making up the team that will compete in Stephenville will be Sanders, Reeve, Baxter and Tommy Massey. These boys are all senior vocational agriculture students.

Junior students will judge in the contest at Texas Tech April 29.

Stephenville is located in rolling broadleaf country in the Fort Worth area, and team coach J.C. Lane said judging land there will be completely different from judging on the plains and that different methods should be learned for judging land there and in this area.

While not admitting defeat before the contest, Lane nevertheless voiced concern over whether his charges can adapt to the new terrain and topography of the contest area.

In other FFA activities, instructor David McVey will take two dairy judging teams to the district contest at Nazareth next week.

Team members are expected to be Tom Gee, Larry Potts, Max Reeve, Troy Ray, Danny Carmichael, and Larry Hough. The teams will be judging Brown

Local couples attending the Texas Feed and Grain Dealers Convention in Dallas last week were Mr. and Mrs. W.E. Stringer, Friona Mr. and Mrs. Pete Braxton and Mr. and Mrs. Lloyd Prewett of Black.

Appliance Store Slates Opening

A Western Auto and Appliance Store will open in Friona next week.

The store will be located on Main Street in the building formerly occupied by Foster's Dry Goods. It will be managed and operated by Bill Bailey, a veteran of over 11 years in the retail store business.

Bailey has been attending a school in Dallas for Western

INTEREST RUNS HIGH--

Baseball Drawing Set; Season Opens May 15

The organization meeting for summer baseball leagues will be held Monday night at 8 o'clock in the American Legion Hall when sponsors will draw names of the players who will be on their teams.

American Legion planners and others who will help with the program have set May 15 as the date when they hope to begin play. It will be a busy time between now and then, since the Pony Leaguers will play at the old field north of town, which will be remodeled and will have new lights installed. John Renner, who is one of the individuals in charge of the work, said they plan to install used light poles and with enough donated materials and labor, should be able to put the park in good condition for around \$3,000.

Renner said a group of Little League mothers will also meet Monday night in the Legion hall and decide whether to apply funds raised for constructing restrooms at the Little League field to the work on the Pony League Park.

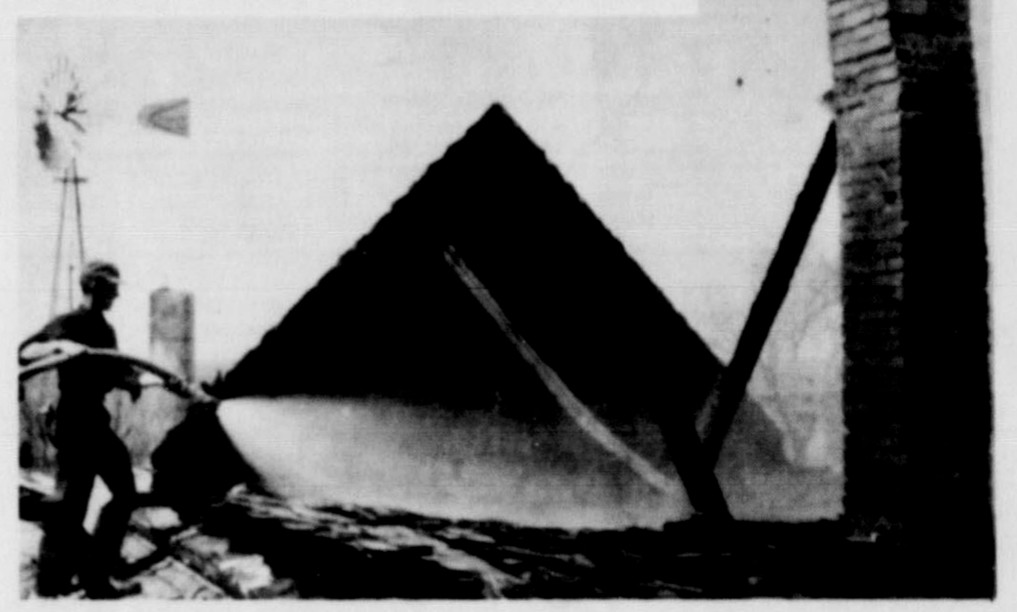

Renner said the fund contains around \$1,000.

The Pony League is designed for boys 13, 14 and 15. Renner said 223 boys had signed up to play last Monday night when the first meeting was held. This number does not include the 15 year olds.

The program will need a coordinator to replace Earl Smith, who will not be available for that duty this year. A groundskeeper is also being

sought. Renner said the baseball program will be seeking donations of labor and materials by civic groups on the new ball park. All managers, sponsors and other interested persons are urged to attend the Monday night meeting.

SYMBOL OF FALLEN EMPIRE--The chimney at left and windmill at right are remnants of the past that stood mutely by as firemen struggled to save the old XIT ranch house in Bovina Tuesday. The men in the picture are James Taylor and Pat Kunselman, members of the Bovina Volunteer Fire Department.

NEW WING DEDICATED--

300 Attend Open House

INCLUDED IN NEW HOSPITAL WING is ample space for medical records of all patients who have ever been assigned to the hospital. Here, Betty Moorman, the records librarian, pulls one of the records from the file in the new library.

More than 300 persons were on hand Sunday afternoon for open house and a tour through the new \$50,000 hospital wing at Parmer County Community Hospital.

The new wing was financed with \$25,000 in funds which had accumulated over the past three years in the hospital building fund, and with \$30,000 that was borrowed from the insurance company which has the present note on the building.

Facilities in the new wing include 15 consultant and examination rooms for doctors, a hospital records library, bookkeeping room, two restrooms, storage for janitorial and linen supplies, and a meeting room which will be used for personnel meetings.

The meeting room can also be used for meetings of civic clubs and other groups up to 40 persons.

The Hospital Auxiliary has furnished the meeting room with new curtains. They also bought new curtains for large front window of the hospital and the doctors' examination rooms.

The new wing is the first addition to the hospital since the new hospital was built in 1956.

Personnel of the modern hospital, which serves an area from Clovis to Hereford, includes five doctors and 44 staff members.

Included on the staff are six registered nurses, 12 nurses' aides, four clinic nurses, one lab technician, one assistant lab technician, one pharmacist and an assistant pharmacist, five persons in the kitchen, three in the laundry, six office employees, three janitors and maintenance men, and one dental assistant.

Doctors on the staff at the present time are G. L. Cranfill, Paul Spring, Lee Spring, George H. Anderson Jr., Loyd Shackelford, dentist and Millard Nobles, radiologist.

Track Meet Slated Here For Today

The Junior High District 1-AA track meet is scheduled for Thursday morning at Chieftan stadium.

The meet will last most of the day and will pit the junior high teams of all district 1-AA schools against each other.

The public is invited to attend and no admission will be charged.

15 EXAMINATION ROOMS are in the new hospital wing, making it possible for the doctors to handle patients with more speed and efficiency. Checking over some of the new equipment in one of the rooms is H.E. Barnett, hospital manager.

AT AMARILLO--

Chiefs Get Fourth

Friona will send a strong delegation to the Regional Track meet in Lubbock, Friday and Saturday despite the fact that

the Chiefs finished fourth in the district 1-AA meet in Amarillo Saturday.

The Chiefs scored 84 2/3

points. Dalhart won the meet with 132 1/2. Tulla was second with 115, Canyon third, with 112, and Dimmitt trailed Friona with 34 points.

First and second-place winners in the meet qualify for the trip to Lubbock and a chance to go on to the state meet.

Jobey Claborn brought back the only Friona first place, winning the low hurdles in 20.9. Tommy Barker was second in the high hurdles.

Claborn and Floyd Reeve placed third and fourth respectively in the broad jump with leaps of 19-8 1/2 and 19-8 1/4. Tommy Sanders and Barker were in a three-way tie for fourth place in high jump.

The Chief 440 relay team in second to Dalhart's 45.5 Reeve and Claborn also finished second and third respectively in the 100-yard dash behind Harry Lewis' 10.0 Lewis runs for Tulla.

Reeve placed third in the 220, behind Lewis of Tulla and Tommy Ledbetter of Dalhart. Gary Snead's 9-6 in the pole vault was good enough for sixth place. Tommy Massey placed fifth and sixth in the shot and discus respectively. Charles Ray was fifth in the 880.

'Horns Will Defend Track Championship

Lazbuddie High School will be well represented at the Regional Track meet and Regional Interscholastic League Contest this weekend in Lubbock.

The Longhorns won the District 3-B track meet for the third year in a row. Longhorns who qualified for the Regional meet were Odis Bradshaw, 220 yard dash and broad jump; Jerry Glover, high jump and high and low hurdles; Norman Brantley, high jump; Billy Hardage, 440-yard dash; David Koelzer, pole vault; Donnie Smith, pole vault; Freddie Savage, 100 yard dash; Jimmy Seaton, high hurdles; Cooper Young, 880-yard dash; and Mike Bean, alternate in the 440-yard relay team.

The Longhorns are defending Class B champions and will be

strong again this year, with two fine relay teams carrying good times into the meet. The quarter mile team has a 45.2 to its credit. The teams are composed of R.L. Porter, Freddie Savage, Odis Bradshaw and Billy Hardage with Cooper Young alternating with Bradshaw on the mile team.

The team is coached by Bobby Crooks.

Representing Lazbuddie in the literary events will be Beverly Smith, senior girls declamation and ready writing; Patsy Morrow, and Corretta Watkins, shorthand; Cooper Young, extemporaneous speaking; Billy Hardage, alternate boys declamation, and Gayla Seaton, alternate girls extemporaneous speaking.

Rhea Farm Bureau Will Meet Friday

The Rhea Farm Bureau will meet Friday, April 14, at 8 p.m. in the Parish Hall. Bruce Parr will discuss "The New Gas Users' Association. Prentice Mills, ASC office manager, at Farwell and Joe Jones, County Agent, will

be present to explain the new Feed Grain Program.

Mr. and Mrs. Ray Martenson and Mr. and Mrs. Walter Schueler will serve refreshments. Mrs. Sue Smith, secretary and treasurer, of Rhea Farm Bureau, urges everyone to be present.

Hospital Notes

Patients admitted April 5th thru 11th.

Mrs. Robert Whitsett, Friona, medical; Elsie Cordum, Bovina, medical; W.F. Buske, Friona, surgery; Mrs. A.L. Reznik, Friona, OB; Raelyne Lindsey, Hereford, T & A; LaVelle Lillard, Friona, surgery; Arville Cooper, Friona, medical; Mrs. Ricardo Cardenas, Bovina, OB and Butch Watkins, Friona, medical.

New Homes Tour Slated Saturday

Plans have been completed for a tour of several of the newest homes in Friona Saturday of this week. Beginning at 2 p. m. guests will be registered at the home of Mr. and Mrs. Joe Talley. Tickets at \$1 each are being sold by members of the Fun and Fancy Club, sponsoring organization, or will be available at the Talley home. Other homes included in the tour are those of Mr. and Mrs. Eddie Meil, Mr. and Mrs. Douglas Connelly, Mrs. Lucy Welch, Mr. and Mrs. Herschel Johnson and Dr. and Mrs. William Beene in Friona and the country home of Ranza Boggess.

Also two newly constructed unoccupied houses belonging to Mayor Fleming will be shown to visitors.

Girl Scout Report

By VICKI MOORMAN

Girl Scout Troop 144 met Monday after school. Refreshments were served by Carolyn Kirby, Sue Rodgers, Kathy Jones, and Cindy Ingram. While refreshments were being served, Sue Smith talked to us about the trefoll and outdoor cooking badge. The flag ceremony was held and Carolyn Kirby was invested in Girl Scouts.

Present were Shirley White, Carolyn Kirby, Donna Shackelford, Becky Turner, Glenda Mingus, Sue Rodgers, Kathy Jones, Martha Martin, Cindy Ingram, Lou Cochran, Karen Agee, Brownie Cole, Vicki Moorman and leaders, Sue Smith and Louisa Wilson.

Talent Being Sought For

Carnival Contest

Entries for the Talent Show slated for the final night of the Hi-Plains Cotton Carnival, April 27-29, are being solicited from over the high plains area by the contest committee.

According to Roland Zeigler, committee chairman, all kinds of non-professional talent are being sought. There will be three divisions in the contest, those under 10 years of age, 10 through 14 years and those 15 years and older.

Entrants must provide their own accompaniment. There will be a piano and organ on the stage they may be used for the contest, Mr. Zeigler said.

Prize money will be awarded the best three acts in each division, in the amount of \$25, \$15 and \$10.

The top 26 acts entered in the contest will be selected at auditions held Saturday morning April 29 for competition that evening. Plainview entrants will be auditioned at 9:30 a.m. and out of town contestants at 10 a.m.

Individuals or groups may enter their act by sending a card or letter to the Plainview Chamber of Commerce, Box 551, Plainview, stating their name, address, age and a brief description of their act.

Mr. and Mrs. Herbert Garth visited in the home of Mr. and Mrs. Rudolph Moraw and family of Needmore Sunday.

Elsewhere \$4 Per Year

Letters to the Editor

(Editor's note: The following letter was received from The Texas Education Agency at Austin.)

Mr. W. H. Graham, Publisher
Friona Star
Friona, Texas

Dear Mr. Graham:
On behalf of the members of the Texas Association of Future Farmers of America, I would like to express appreciation to you for the excellent coverage you gave Future Farmers during FFA Week. The encouragement you have given Future Farmers means much to these young men.

Very truly yours,

E. C. Weekley,
Executive Secretary
Texas Association, FFA

Dear Editor of The Friona Star

I read with interest the article in the Friona Star, headlined "Huntley Gives Reason for Silence on Tract." One reason I was interested is because I have been a member in good standing of the Cinema Education Guild, of which you quoted Chet Huntley as stating there are no members, for at least seven years. He was also quoted in the item as having stated that Myron C. Fagan sells the tracts you referred to, for a profit.

I have never bought any tracts from the Guild, but did at one time receive several of the Impeach Warren tracts for distribution. I believe that where tracts are made available, they are offered at so much per hundred if you feed able to pay, or free if you

cannot pay. Whether such a distribution of tracts would prove profitable dollar wise would seem doubtful to me. Regarding the Los Angeles woman whom Huntley sued and got judgment for \$10,000 plus her retraction of the Communist charge--Huntley says he never attempted to collect the money, because he was only interested in clearing his name. Yet he gives as his excuse for not suing CEG the fact that he couldn't collect if he won. This excuse under the circumstances appears a little flimsy. I do not believe there is a citizen around here who would not sue anyone who, besides publicly calling him a Communist, also called him "an utter phony and consummate liar" if he thought there was a chance of clearing his name, whether he could get any money or not.

According to CEG publications, Chet Huntley was appointed Director of Radio Publicity for the United World Federalists in 1947, and there were 42 known Reds and Fellow Travellers on its board of directors. Before a joint session of the California Legislature, the UWF, with all its board of directors and officers were denounced as a subversive and Communist dominated outfit, plotting the destruction of the sovereignty of the United States.

Huntley is also listed by CEG as spokesman for the American Association for the United Nations back about the same time. He is reported to have appeared before the Los Angeles City Council and the Los Angeles County Board of Supervisors to request that the UN flag be hoisted above the United States flag on all public buildings. Fagan, CEG head, spoke against the request, stating that the proposed degradation of the US flag in favor of the UN rag was a proposal of treason, and that any individual who spoke in behalf of such a treasonous deed belongs in the category of Benedict Arnold, Pierre Laval and

Quisling. Quoting the next paragraph regarding this incident, from the CEG bulletin #80, "Face flaming with anger, Huntley sprang to his feet and launched a tirade of "hate-monger" against me (Myron Fagan, CEG)--but the boos and jeers of the audience drowned him out. Infuriated, he turned to flay the audience--and suddenly realized that that group of outraged Americans might well go beyond jeers and boos--metaphorically speaking, he saw a rope in their hands. His face turned ashen--and he fled from that room like a thief in the night." This incident, says Fagan, is documented--in the files of L. A. County Board of Supervisors.

Now to get to the personal angle, which I am sure you and others may believe exists when a letter of this type is received: I personally, enjoy Chet Huntley's newscasts. I have nothing personally against him, and wish the allegations were unfounded. It is difficult, however, for me to believe that all the witnessing to the contrary is fictitious. You are welcome to read the booklet from which the above information was taken. There is much more in detail than would be welcome in a letter to the editor.

Raymond Euler

Editor's Note--Now we are getting this thing out into the open where some valuable discussion can be done. We are glad to receive the pros and cons of the controversy, and certainly this letter contains some convincing arguments. We still contend that the main issue here is due process of law. If the CEG members can prosecute and convict Huntley and the others as communists, Americans would certainly view these actions more highly than the unproven charges made in tracts. J. V. S.)

Wrecks Total Three Last Month

The Highway Patrol investigated three rural accidents in Parmer County during the month of March, according to Sergeant R.W. Sosebee, Highway Patrol Supervisor of this area.

These wrecks accounted for a total property damage of \$2,780.

This brings the total for 1961 in this county to one killed, five injured, and a property damage of \$10,253.

"Knowing and obeying traffic laws is a must in traffic safety," the sergeant added. "If all motorists would obey

traffic laws, our accidents and fatalities would decrease sharply."

Elementary School Honor Roll

Following is the list of Friona Elementary school students who have a semester average of 90 or above.

FIRST GRADE -- Dave Buske, Eddie Bainum, Leslie Perkins, Rhonda Bauer, Deann Dickson, Andrea Hurst, Denise Frazier, Janice Milner, Alesia Ragsdale, Vickie Schueler and Lou Wahley.

Diane Day, Carolyn Martin, Deanne Schueler, Melissa Pruett and Nina Latham.

David Sides, Sally Kendrick, Phyllis Treadaway, Larry G. Sanders and Carleen Schlenker.

Kathy McLean, Sheila Struve, Troy White, Vicki Mingus, Mikey Huddlestone, Fran Dodd and Joni Cannon.

SECOND GRADE -- Mike Mills, Michael Buchanan, John Hoover, Debbie Burton, Dale Schueler, Silvia Dyke and Pamela Gilliam.

Zane McVey, Patsy McVey, Debra Wily, David Bynum, Susan Spring, Cyndee Bailey, Lana Morris, Tinker Dunn and Connie Fallwell.

Shella Awtry, Dwayne Bauer, Gary Fallwell, Steve Houston, Kathy Latham, Roger Martensen, Debra Mears, Esther Smith and Gay Welch.

Don Fortenberry, Donnie Joe Lewellen, Douglas Pierce, Darrel Schueler, Susan Floyd, Glenda Deaton, Gloria Brown, Helen Ruth Stokes and Jayn Massie.

THIRD GRADE -- Bobby Thomas, Danny Schueler, Vicki Knight, Beverly Anthony, Brenda Stout, Romalee Rector and Richard Dickson.

Changes In Store At Friona Star

Personnel changes are due soon in the editorial and advertising departments of The Friona Star.

J. Vernon Stewart, who has been editor since Oct. 15, 1960, has announced his resignation.

Roberts, Joan Villa, Angella Schilling, Linda McVey, Pamela Turner, Darla Perkins and Jack Ketcherside.

Ray Russell, Rhonda Awtry, Johnny Barker, Jane Lane, Joel Osborn and Vickie Payne.

Tentative plans are to enter business for himself or return to college to finish his work on a journalism degree.

Publisher W.H. Graham this week announced John Getz as Star advertising manager. This department had previously been handled by Stewart also. Getz has worked part-time for the paper for several years and is well-known in the community. Graham said an announcement concerning the editorship of the Star would be made "within a week or two."

ATTENDS CONFERENCE
Albert Field attended a City Manager's Conference this week in Austin. The conference began Saturday and ended Tuesday. Field returned Wednesday.

Douglas Wins Shooting Match

Approximately 150 persons attended a trophy shoot Sunday afternoon at the shooting range of Friona Gun Club.

H. A. Douglas of Muleshoe won the trophy, coming out winner in a shoot-off with Rex Blackburn of Friona.

Both men shot 24 of 25 targets in the final round to enter the shoot-off where Douglas bagged 23 to Blackburn's 21.

Qualifying for the contest with an average of above 20 targets were Pete White, Larry Fairchild, Ben Moorman, Leon Massey, H. L. Hopingarden and C. L. Lillard.

The shooting range is located east of Friona on Highway 60.

A & M Muster

Former students of Texas A&M College who live in Farmer County will gather at Leigon's Cafe in Muleshoe at 7:30 Friday to carry on a tradition that is 58 years old. They will attend the fifty-eighth anniversary Muster of A&M men.

Girl Scouts Have All Day Meeting

Girl Scout Troop 144 had an all day meeting Saturday, April 8, and spent the day at the Ralph Wilson farm. We left about 9 a.m. from the club house, went on a hike and played games until time to fix lunch.

For lunch we had Hot Cha for the main dish, apple and carrot salad, kicklers for dessert and spiced tea.

After lunch we made outdoor cook books. Then at 3:30 for a snack we had whistling oranges. Then we played more games and some girls whittled. For supper we had meat, potatoes and onions roasted on a stick, walking salad, and for dessert we had sommerses.

We returned home about 7 p.m.

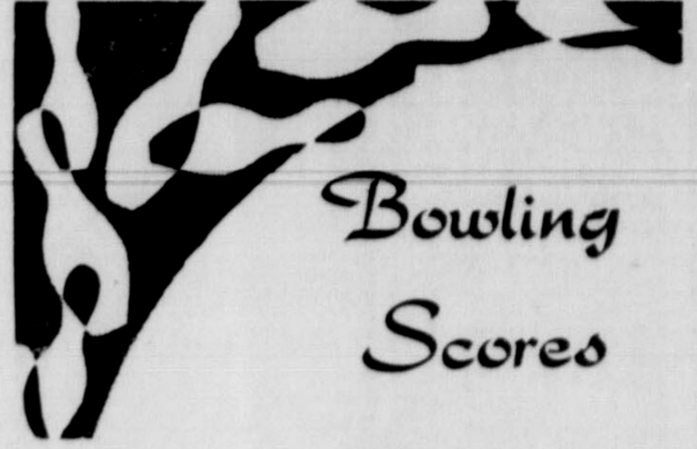

By Vicki Moorman

Tour Air Base

Alton Farr, Friona School superintendent, and 17 superintendents and principals from the Panhandle area made a tour of Sheppard Air Force Base at Wichita Falls Friday.

The invitation to make the tour was extended to the men from the Strategic Air Command of the Base to acquaint civilians with Aerospace organization.

Members of the party flew from Amarillo Air Field Thursday and returned Friday afternoon.

Something To Think About

6th. Street Church of Christ
Box 515 -- Friona, Texas

Where there is life, there is a desire for food. Where there is spiritual life, there is a desire for spiritual food. This is undeniable, and therefore a dependable yardstick by which we can measure our relationship with God.
That person who is not "hungering and thirsting after righteousness" is not an acceptable child of God. Those of us who are more concerned about the things of this world than we are about the hereafter destroy any claim that we might otherwise have to true Christianity. Man has no greater need today than his need for Christ, yet so few are willing to acknowledge that need. But you may rest assured, dear friend, that the time will come when you and I, and all men of all ages will make that acknowledgement. Unfortunately, it will be too late for many of us, but it need not be. That's why we urge you to think about your spiritual appetite. If it is functioning properly you will become righteous. If not, you are in grave danger. The spiritual man can no more live without food than the natural man. Think about it!!!

CHURCH OF CHRIST AD FC

God has provided us with a sure way to determine our Christian faith. The Lord gave it to us in the Sermon on the Mount (Mt. 5:6) and it simply amounts to this: Hunger for the word of God is one of the first fruits of the Christian faith.

come to church sunday

"Then I went down to the potter's house, and, behold, he wrought a work on the wheels. And the vessel that he made of clay was marred in the hand of the potter, so he made it again another vessel, as seemed good to the potter to make it." (Jeremiah 18:3,4)

While as the potter's house Jeremiah took notice how he wrought his work upon the wheels, just as he pleased, with a great deal of ease, and in a little time. When a lump of clay that he designed to form into one shape either proved too stiff, or had a stone in it, or some way or other came to be marred in his hand, he presently turned it into another shape; if it will not serve for a vessel of honor, it will serve for a vessel of dishonor, just as seems good to the potter. One turn of the wheel alters the shape of a vessel. If the potter's vessel be marred for one use, it shall serve for another; those that will not be monuments of mercy shall be monuments of justice. The wheels could do nothing except as the hands of the potter worked. They were under the control of the potter.

The shaping of clay into pottery typified the molding of the characters of individuals, or nations by a master mind. Man can mar God's plan because He has so graciously granted freedom of choice, but the infinite Potter will make it again as it seems good to Him.

Mrs. Bobby Gene Mercer Honored With Shower

Mrs. Bobby Gene "Ho" Mercer, the former Margaret King, was guest of honor at a miscellaneous bridal shower in the home of Mrs. E. L. Fairchild Monday, April 10.

Assisting with hostess duties were Mesdames Tom O'Brian, J. L. Shaffer, D. T. Shirley, George Green, Jimmy Hughes, Kenneth O'Brian, H. L. Ivy, Eugene Ellis and Russel O'Brian.

The serving table was laid with a lace cloth over blue and centered with an arrangement of wedding bells and blue and white carnations. Mrs. Green and Mrs. Shirley served cake, assorted nuts and punch.

Attending and sending gifts were Mesdames Pearl Hand, Charles Rickerd, George Jones, Jim Rule, Billy John Thorn, Jake Lamb, Rex Blackburn, Larry Fairchild, Jim Roberts, Tommy Parker, Claude Heath, Roy Daniel, Ted Allen, A. W. Anthony Sr., Burke Hand, Eddie Eustace, Claude Abston, Garvin Thorn and T. A. O'Brian.

Also Mesdames Joe Johnson, C. L. Mercer, Billy Joe Mercer, A. A. Crow, C. L. Vestal, Le-

roy Burnett, Everett McBroom, Lee Spring, Paul Spring, Clyde Fields, John Hand, J. T. Gee, Lillie Taylor, E. S. White, David Grimsley, Homer Lindeman, Carl Fairchild, Joe Collier, Dorothy Hough, Tom Mason, Bert Shackelford and D. H. Nelson.

Also Mesdames L. D. Gosner, O'Neil Greeson, Folster Kector, Lloyd Chesher, Vera Day, Frank Spring, Eva Roberson, and Marie, Tommy Jones, Opal Jones and W. H. Smith of Friona.

Out of town guests attending and sending gifts were Mesdames Ina Stephenson, Leota Smith, Frank Britt and Mr. and Mrs. G. I. Clingsmith and Mickey Finch, Dimmitt; Mrs. Fred Ussey and Bob Ussey, Earh; Mrs. Esther Boomer, Springlake and Mrs. Ed Hall, Clovis.

Mr. and Mrs. Gene Watson and family of Pampa spent the weekend in the home of her parents, Mr. and Mrs. Bud Reed. They were also guests of Mr. and Mrs. Ralph Reed and Mr. and Mrs. Eugene Bandy.

David Widener of Lockney was the weekend guest of Mr. and Mrs. Ray Dean Fleming. Davis is a nephew of Mrs. Fleming.

Hicks Presents Ladies Awards

TOPS IN SINGLES--Myrtle Marot, the top singles entry in the tournament is shown receiving her award from Ed Hicks. Mrs. Marot bowls for Charles Oil Co. of Bovina.

Ed Hicks of Friona Lanes presented trophies won in the City Association's Bowling Tournament last month at an association meeting Thursday night in the Production Credit Building.

In team competition, Piggly Wiggly took the top award. Lo-Strikes and Sherly Grain were next in that order.

Betty Smith took first place in handicap all events with 1,881. Levina Brown and Chris Ivy took second and third places respectively.

Donna and Betty Smith took the doubles championship with 1306. Joy Hall and Melba Burleson scored a 1,204 for runner-up honors. Myrtle Marot's 617 was tops in singles com-

FIRST PLACE TEAM TROPHY went to the ladies who bowl for Piggly Wiggly. Left to right are Chris Ivy, Nona Pavalus, Sondra Nichols, Geneva Riethmayer and Gwen Buckley.

TOPS IN TOURNAMENT--Betty Smith, left, and Joy Hall are shown with the top trophies for handicap all events and scratch all events.

ENMU Students Present A Date With Drama

Members of the Progressive Study Club and their guests were entertained April 11 by three drama students of Eastern New Mexico University. Miss Carolyn Cantrell, a graduate student, presented two monologues by Cornelia Otis Skinner entitled "Med to Mum" and "Madam President."

Dennis Williams gave three poems "Ruth Davis," "A Table and Fable" by H.C. Monroe; "Do Not Go Gently Into That Good Night" by Dylan Thomas; Ronny Cox, the comic of the group, brought "The Hainted House" prayer.

Local Women Attend Auxiliary Meet

Mrs. Paul Spring and Mrs. Lee Cranfill attended the Women's Medical Auxiliary meeting in Amarillo Saturday. Mrs. Spring is councilwoman-elect for the Women's Auxiliary of District 3.

Wives of the doctors who were in Amarillo Saturday for the Panhandle District Medical Society meeting were entertained with a luncheon, a tour of homes, a style show and tea.

Mrs. Spring and Mrs. Cranfill were accompanied by their husbands, Dr. Paul Spring and Dr. Lee Cranfill, who attended the District Medical meeting.

Mr. and Mrs. Sam Williams and Mr. and Mrs. Bud Reed attended the South Plains Association of Oddfellows and Rebekahs at Littlefield Saturday evening.

Cotton Is King In Parmer County When You Use . . .

HUMI-CITE

WHAT IS HUMI - CITE?

HUMI-CITE is a natural liquid soil conditioner which creates humus and helps break down and balance the natural minerals in soil to produce healthy plants. Healthy plants are far less susceptible to insects and diseases.

Most of us know about plant chemistry—we have in years past tried many formulas, some with great success, and some with little results. We are putting our money on HUMI-CITE and believe we have the answer to our plant food needs. We firmly believe the addition of HUMI-CITE to your plants including COTTON will give the greatest results in lowering damage from diseases and insects. Plant chemistry is just common sense — the same common sense every mother uses to try to give her family balanced meals to produce good healthy bodies. HUMI-CITE is a balancer — a Soil Conditioner which contracts alkali and salts to permit good germination of seeds planted in our land in Parmer County.

DIRECTIONS FOR USE: HUMI-CITE should be applied to all crops in irrigation water at the rate of 10 gallons per acre. Homeowners will be happy to know it brings marvelous results to flowers, shrubs, fruit trees and lawns. Available in small amounts for home use . . . We also have mineral water for cattle — easily applied in regular drinking water to give cattle all the minerals needed for healthy growth.

THREE DIFFERENT MODELS TO FILL

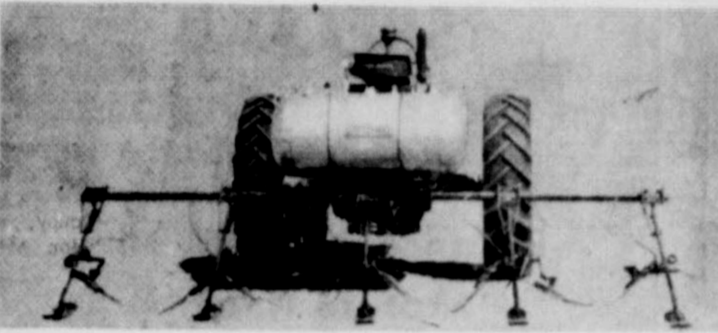

FLAME CULTIVATION

COTTON SORGHUM CORN

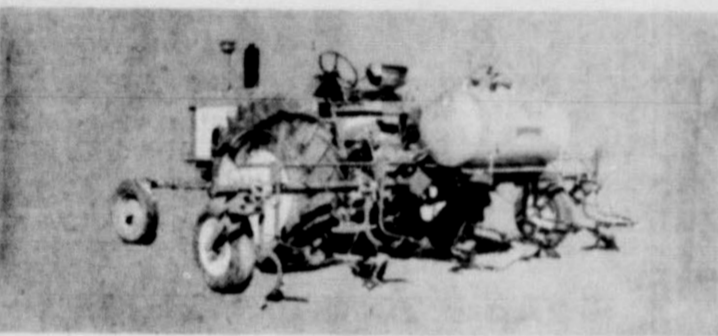

EVERY CULTIVATING NEED

THE HI-TRACK FLAME CULTIVATOR: After the crops are too tall for the standard tractor equipment, the Hi-Trac Flame Cultivator is used. This unit may be converted from a High Clearance Cultivator to a High Clearance Sprayer by installing the Gotcher Spraying Attachment.

THE TRACTOR MOUNTED unit is attached directly to the rear axle of the tractor that does not have either a 2 or 3 point hitch.

THE REAR TOOL BAR model is of special interest to those who desire to cultivate the middles in the same operation as the flaming. With this model wheel tracks are eliminated.

4H Club

By CONNIE SCHLENKER
Debbie Jarecki was hostess to the 4H club meeting in her home Wednesday, April 5.

Wanda Huddleston called the meeting to order and Vicki Vaughn led the pledge. In the absence of the secretary, Connie Schlenker read the minutes and called the roll. Members decided to call their club Rhea Girls 4H Club.

Miss Ettie Musil gave an interesting demonstration on how to mix and raise dough into cinnamon rolls. Also how to package rolls after baking.

The hostess served refreshments to Linda Estep, Vicki Vaughn, Shirley Lynn Smith, Sharon Martenson, Shirley Schueler, Wanda Huddleston, Greta Mears, Connie Schlenker, Miss Ettie Musil, Mrs. Carl Schlenker, Mrs. Florian Jarecki and guests, Tommy Lester, Pamela and Susan Jarecki.

Members absent were Carolyn Johnston, Brenda Woodruff, Sandra Patterson, Elizabeth Drager, Lindy Dean and Connie Vaughn.

CAROLYN CARSON, her mother, Mrs. Fred Carson, and Mrs. W. B. Fulgham are pictured standing in the receiving line at a bridal shower honoring Carolyn in the home of Mrs. Charles Allen.

Shower To Courtesy For Carolyn Carson

A pre-bridal courtesy was tendered Miss Carolyn Carson, bride elect of Jack Fulgham, Tuesday, April 18, in the home of Mrs. Charles Allen.

Hostesses assisting Mrs. Allen were Mesdames Ralph Smith, Jo Sharp, Hoyt Smith, Roy Miller and Claude Osborn.

Guests were invited to call from three to five p. m., and were registered by Miss Jane Fulgham.

The serving table was laid with a white linen cloth centered with an arrangement of blue daisies in an antique silver bowl.

Attending were Mesdames Sloan Osborn, Ella Faye Holcomb, George Taylor, Roy Clements, J. G. McFarland, Dan Ethridge, Frank A. Spring, Truett Johnson, Cordie Potts, Dwayne Ridley, Bill Baxter.

Miller-Russell Host April Club Meeting

Mrs. Lem Miller and Mrs. Charles Russell were hostesses for the April meeting of the Kinsley Past Matron's Club held recently.

At the business session members voted to buy an electric emblem for the Eastern Star Hall. Individual donations were made for the gift. The club treasurer paid the difference in the cost of the emblem and collections made.

Mrs. L. Brock, a Past Matron, from Bovina, was a special guest. Other guests present were Mrs. Pearl Kinsley, Mrs. Bert Chitwood and Mrs. R. W. Ginsburg.

Of Interest To THE WOMEN

LOCAL TEACHERS ATTEND WORKSHOP in Portales Saturday. Pictured left to right are Miss Jo Phillips, Mrs. Wana Brewer, Mrs. June Rhodes, Mrs. Pauline Lemmond, Mrs. Mattie Bell Ray, Mrs. Gladys McVey, Mrs. Ethel Bengner and Mrs. Jimmie Briggs. Not pictured is Mrs. Billie Dodd who also attended the workshop.

Elementary Teachers Attend Reading Workshop

Several teachers from Friona went to a Reading Workshop held at ENMU, Portales, N.

Mex. Saturday, April 15. The Workshop demonstrated the accepted modern methods of teaching reading, including the SRA (Science Research Association) mechanically controlled reader. The controlled reader helps develop speed and comprehension. At the fourth and fifth grade level the children are reading at the rate of 250 to 275 words per minute. High school seniors are reading at the rate of 500 to 700 words per minute--some even faster.

Teachers making the trip were Mrs. Ethel Bengner, Mrs. Pauline Lemmond, Mrs. Jimmie Briggs, Mrs. Mattie Bell Ray, Miss Jo Phillips, Mrs. June Rhodes, Mrs. Gladys McVey, Mrs. Wana Brewer and Mrs. Billie Dodd.

Women's Clubs To Attend Convention

Texas Federation of Women's Clubs will hold their State Convention in Midland, beginning Sunday, April 30th through May 3rd. Headquarters will be at the Scharbauer Hotel.

A full schedule is planned for each day's program. The junior members and clubs are being given special significance on Tuesday, May 2. One high light of the program will be the Vogue Fashion show that will be at the Howard Hodge Theatre.

The convention will adjourn at 9 a. m. May 3rd.

Circle Meets In McFarland Home

Wednesday, April 12, at 9 a. m. the Kolvivia Circle of the First Methodist Church met in the home of Mrs. J. G. McFarland for the regular meeting. Coffee and cake were served by the hostess.

Mrs. W. M. Stewart, vice-president, conducted the business session.

"Heritage and Horizons in Home Missions" was the study topic taught by Mrs. H. K. Kendrick. Mesdames Stewart, U. S. Akens, Clyde Fields and Wallace Kirby also participated in the program.

Others present were Mesdames C. L. Vestal Sr., George Jones, J. L. Shaffer and R. W. Ginsburg.

Mekka Circle Study Is Basic Christian Beliefs

Lesson topic of the Mekka Circle of the Methodist WSCS was "Basic Christian Beliefs," taught by Mrs. Russel O'Brien, at the regular meeting Wednesday morning, April 12, in the home of Mrs. Howard Ford.

Mrs. Guy Latta presided at the meeting, with Mrs. A. A. Crow giving the opening prayer. Mrs. New Gore read the prayer calendar.

Following the lesson, Mrs. Ed White said the closing prayer.

Mrs. Ford served coffee and bread and coffee to Mesdames Ernest Anthony, Mack Balnum, A. A. Crow, Arthur Drake, New Gore, Dorothy Hough, Guy Latta, Russel O'Brien, Roy Slagle, Billy Sides, Ed White and Bill Baxter.

Bridge Club Met Monday

Nineteen couples were present at the meeting of the Couples Bridge Club Monday evening in the Friona Club house.

Hosts were Mr. and Mrs. Frank Spring, Mr. and Mrs. Glenn Reeve Sr. and Mr. and Mrs. Bill Stewart.

Guests present were Mr. and Mrs. Bill Bailey, Dr. and Mrs. William Beene and Mr. and Mrs. Bob Coleman.

J.T. Gees Attend Convention

Mr. and Mrs. J.T. Gee attended the Annual Convention of Texas Elementary School Principals in Dallas last week.

They also visited with Mrs. J. S. Jackson of Carbon. Mrs. Jackson is the mother of Mr. Gee.

Thursday evening the Gees were dinner guests in the home of Mr. and Mrs. Dave McReynolds and family of Hurst. The McReynolds are formerly of Friona.

The Gees left Friona Tuesday and returned Sunday.

Margaret King - Bobby Mercer Wed In Double Ring Ceremony

In the home of Rev. and Mrs. Hugh F. Blaylock of Dimmitt. The bride wore a beige lace dress and beige accessories.

Mrs. George Green was the bride's matron of honor and George Green served as best man.

Margaret King, daughter of Mrs. Leota Smith of Dimmitt and J. B. Mitchell of Amarillo, and Bobby Gene "Bo" Mercer, son of Mr. and Mrs. C. L. Mercer of Route 1, Friona, were married in a double ring ceremony Thursday, March 23.

Guests attending the wedding were Mrs. Leota Smith, Mrs. Ina Stephenson, grandmother of the bride, Mr. and Mrs. C. L. Mercer, Mr. and Mrs. Billy Joe Mercer and Leesa, Mr. and Mrs. George Green, Mickey Finch and Rev. and Mrs. Hugh Blaylock.

Following a short wedding trip Mr. and Mrs. Mercer are living in the Hub community.

MRS. BOBBY GENE MERCER

Beene-Bainum Host Modern Study Club

Mrs. O. J. Beene and Mrs. Mack Bainum were hostesses to the Monday evening meeting of the Modern Study Club in the Friona Club house.

The Club Collect repeated in union opened the meeting. "Service is the rent we pay for the space we occupy," was the evening's quotation. Members answered roll call with "Conventions through the years."

At the business session Mrs. Mae Magness was accepted as a new member. Mrs. Paul Hall, program chairman, gave a reminder of the Federation meeting to be held at 7:30 p. m. in the Friona Methodist Church April 25. Mrs. L. E. Dudley will be the guest speaker.

"Years of Achievement" was the program topic. Mesdames J. G. McFarland, Dan Ethridge, Wesley Foster and Mack Balnum gave a report of the trip to the Caprock District Convention in March.

Refreshments were served to twenty-three members and one guest, Mrs. Bill Bailey.

Exchange Student Talk To High Light Of Club

High light of the Friona Woman's Club meeting April 12, was a talk on Finland given by Pia Nisinen, an exchange student living in Dimmitt. A discussion period followed the report of Pia.

Mrs. C. W. Dixon presented slides of her trip to Europe, narrating as each slide was shown.

Members answered roll call with a fact about Finland. Mrs. J. F. Miller brought the devotional.

Hostesses, Mrs. Ed White and Mrs. Bert Shackelford, served refreshments to twenty-three

Mr. and Mrs. Billy Butch Jr. have returned to Friona after visiting several weeks in Bentonville, Ark., with Billy's parents, Mr. and Mrs. Bill Butch Sr. and other relatives.

Enchanted Garden

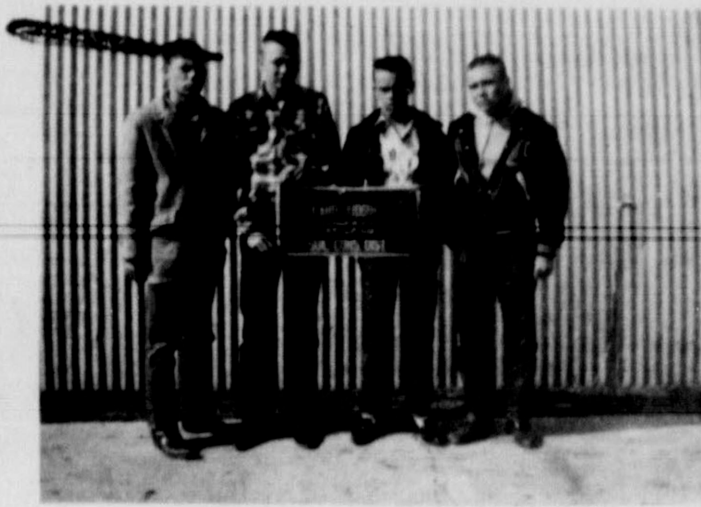

BY FIELDCREST

newest 'one look' fashions for bed and bath

Your personal world becomes an Enchanted Garden as a profusion of papery blooms in bedroom and bath. Dew-fresh flowers are strewn on screen-printed sheets and cases, blankets, matching towels and shower curtain. This happy harmony of coordinated pattern and color fashions the romantic Fieldcrest 'one look' for bed and bath. Printed Duracale sheets: twin 4.49; full 4.98; pillow case, 1.25; Matching lightweight blanket, 6.95; Printed coverlet, 13.95; Printed bath towel, 4.98; guest towel, 1.98; fingertip, .69; wash cloth, .69; bath mat, 4.98; shower curtain, 10.95; Coordinated solid color "Pussyfoot" rug, 7.95;

HIGH RANKING INDIVIDUALS—Bob Sanders, right, was high ranking individual in the land judging contest sponsored by the Parmer County Soil Conservation District. Floyd Reeve ranked second. Third and fourth place awards went to Lynn Baxter and Tommy Massey.

SECOND PLACE WINNERS—Doug Crisswell, Dale Vise, Tom Ketchum and Jerry Engelking, members of the Lazbuddie High School land judging team are pictured with the second place award in the SCS land judging contest.

FRIONA WINS FIRST—Lynn Baxter and Tommy Massey hold the first place award in the SCS sponsored land judging contest. Other team members are Floyd Reeve and Bob Sanders.

FARWELL PLACES THIRD—Third place winners in the SCS land judging contest were Max Field, Joe White and Junior Durham of Farwell High School.

Parmer County Has Top Grain Sorghum Index

In the county productivity indexes released last week by the state Agricultural Stabilization and Conservation office, Parmer County led the entire 23-county High Plains area with an average grain sorghum yield of 4,267 pounds per acre.

The average yields were released for establishing individual farm indexes under the new one-year emergency feed grains program.

It is from this average yield that community committees will figure the index for each individual farm, some of them as much as 120 per cent of the 4,267 pound average and some of them considerably below.

"It is something we can live with," said one man this week, even though the consensus of opinion among farmers was that the county average was several hundred pounds below what it actually should have been.

The averages were established by the Agricultural Marketing Service.

Second to Parmer County in the averages was Castro with a 4,088 index, and lowest on the Plains was Garza County with 885 pounds indexes for Parmer's neighboring counties were Swisher 3,998, Deaf Smith 3,920, Hale 3,724, Bailey 1,921, and Lamb 2,430.

Under the new law, a farmer who complies with the program can qualify for price supports on only the amount of grain he produces within the productivity index limits set for his farm.

Any portion of his production above the index set for his farm must be sold on the open market.

It is expected that most Parmer County farmers will comply with the new government program, which calls for at least a 20 per cent lay-out of his grain sorghum and corn acreage, grown during the past years.

"It's the only thing to do," said one county farmer, and

farmers are almost unanimous in saying that they will comply with the program.

The average individual yields for each farm are now being computed by local ASC committeemen in the county and each farmer will probably be notified of his index by the latter part of next week, says Prentice Mills, Parmer County ASC office manager.

He says that signing up for the program will start a round the first of May and the deadline for signing up will be May 31. This will give each farmer about 30 days to decide whether or not he wants to comply with the new program.

The number of acres on which grain sorghum has been grown the past two years is 239,782, according to the statistics released by the marketing service. This is about 10 per cent lower than the 276,000 acres reported by county farmers when they initially signed up for the program last month.

It is expected that many farmers who overstated their grain sorghum acreage will probably report enough correction to bring the overall total down near to the acreage listed by the marketing service.

Some farmers erroneously reported crops such as corn in

their grain sorghum base, and are already reporting corrected figures, Mills says.

Also, some of the farmers who reported grain sorghum acreage, which was planted after their cotton or wheat was hauled out last year, will want to reduce this acreage in view of the fact that they will once again plant this acreage into cotton and wheat this year.

They may find that their reported acreage was over and above what they will have room to plant after planting their allotted cotton and wheat.

When the total county acreage is allotted this year, it can't be but 5 per cent over the 239,782 acres reported by the AMS, Mills says.

The ASC manager this week made one correction on a statement he made last week at a couple of county-wide meetings on the new program.

It was first reported that farmers who had only grain sorghum acreage during the past two years would not be able to plant any corn if they complied with the program.

This has been changed, Mills says, and farmers can plant their allotted acreage to either grain sorghum or corn, no matter whether they had any acreage in the other crop or not.

SOIL CONSERVATION DISTRICT NEWS

The Parmer County Soil Conservation District held the land judging contest Tuesday of last week. This is the first year that the district has sponsored this type of contest. The four high schools of the county were the only schools participating.

Each school was allowed four men to the team; however, only the top three scores from each team were counted.

The teams met at the Hub Community Center at 1:30 p.m. and from there went to the four sites to be judged. Bob Crozier, W.C. of Friona, and Herb Bruins, soil conservationist of Here-

THE HIGH PLAINS FARM AND HOME

ford, both in the Soil Conservation Service, selected the sites. Herb Bruins served as judge.

Friona High School walked away with the top honors both as a team and individually. Lazbuddie High School took second place and Farwell High School placed third.

Individual winners were Bob Sanders of Friona, first; Floyd Reeve of Friona, second; Lynn

Baxter of Friona, third; and Tommy Massey of Friona, fourth.

In the final scoring Floyd Reeve and Lynn Baxter tied and Reeve won over Baxter by the flipping of a coin.

Plans are being made by the district to hold an invitational contest next year.

If any of you are interested in getting some quail, you still

have time to get your orders in. The quail are Bob White and cost you \$1 per pair. You can obtain order blanks from any of the following: Joe Jones, County Agent at Farwell; Al Kerby at Bovina; Bill Nichols at the Friona State Bank or Bill Liston at the Soil Conservation office in Friona.

The number of quail that you may obtain will be determined by the amount of cover available.

The Parmer County Soil Conservation District board of directors had their monthly meeting Friday, April 7, at the SCS office. The main points of discussion were (1) land judging contest (2) Soil Stewardship Week (3) essay awards (4) soil and water conservation problems and (5) slides on civil defense.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Here is something we think is vitally important to Texas and United States Citizens: There is a Senate Resolution No. 39 being promoted by some members of the Senate Foreign Relations Committee, and others. This resolution, if adopted by the Congress, would deprive the United States of her present right under the Connally Amendment to decide what cases concerning United States Citizens would be tried under the World Court.

Citizens interested in maintaining the freedom of the United States should write J.W. Fulbright, Chairman of the above committee, at the Senate Office Building, Washington 25, D.C. Remember that if the Connally amendment is repealed, U.S. cases would, at the discretion of the United Nations World Court be tried under that court. America could never have more than one judge on the court and Russia could have many because of the Communist Satellite U.N. members. Urge the committee to retain the Connally amendment!

Texas Farm Bureau membership is 102.29 per cent of the same period a year ago. Why don't you join in Parmer County? Did you know that if you earned \$5,000 in 1946 you must

WAC SEED INC.

Box 948 Phone EM 4-1424 Hereford, Texas

The above picture of WAC 700 was taken in January 1961. During the second week in March, this hybrid sorghum was harvested with a combine in the normal way. More than 65% of the grain was saved.

WAC 700 is resistant to head smut and in addition has good standing ability, and is high yielding. In one test block near Hereford, it yielded over 9,000 lbs. per acre. In several tests in this area, WAC 700 yielded over 8,000 lbs. per acre under irrigation.

WAC 700 is 5 to 6 days later in blooming than RS 610 and is approximately 10 inches shorter in height.

WAC 750 is being released for the first time this year. It is a red seeded variety which is in the maturity range of 6:0. It has a good stalk and under ideal growing conditions it has exceptional high yield potential. We recommend that you try this hybrid if you are an irrigation farmer. Our tests in Mexico showed this seed to be very pure.

FRIONA MOTOR'S

Grand & Highway 60 P.O. Box 957 Friona, Texas

Ancient Landmark Razed By Fire

Fast-spreading flames devoured the roof and gutted most of the interior of one of the oldest buildings in Parmer County Tuesday afternoon.

Despite the efforts of firemen from Bovina, Friona and Hereford, the old XIX Fanch house near Bovina was all but destroyed. The ancient timbers in the historic old structure went swiftly as flames spread from the attic in one of the gables of the rambling ranch house that was the main headquarters of the huge XIX spread before the ranch started breaking up.

The house was occupied by the Earl Riley family. Most of the family's personal belongings and household items was saved from the flames.

Riley said he thought the flames started in the attic of the house, probably because of faulty electric wiring.

The house was owned by Jack McCracken.

There had been talk of beginning efforts to turn the old ranch house into a museum

filled with replicas of the cattle days in Parmer County. These hopes and plans literally went up in smoke apparently since restoring the house would be practically impossible.

Bovina volunteer firemen were unable to quell the blaze immediately and help was summoned from the neighboring towns. By the time Friona and Hereford firemen arrived, the

roof of the house had caved in, and the only work left for the firemen to do was spray water on the smoldering timbers.

Bovina firemen had held back the fire long enough for the Riley family to save their belongings.

Ironically, a fire broke out at about the same time in a pile of cottonburs at Triplett Feeding Company nearby, and Friona firemen also went to help fight that blaze. It seemed almost as if fate were bent on removing the last traces of the cattle industry from the minds of the modern-day residents.

Old-time residents of Bovina say the ranch house was about 100 years old. It was used by the ranch foreman, and had seen the area come from a desolate grassland part of the XIX empire, to the diversified agricultural economy that is present

today. After the majority of the firemen departed and only a few were left to see that the blaze didn't break out again, an elderly man who probably could well remember the days the ranch house was a center of activity in the area, stood and watched as a wench truck was used to pull down the two chimneys left standing alone when the roof caved in. As the second chimney fell with a roar, the old man slumped, turned and walked away.

STUDIO OPENS

Two Cars In Mishap

Two automobiles were damaged slightly Monday afternoon in a mishap on Friona's main street.

A 1960 Ford pickup driven by Elmer Euler was in collision with a 1955 Ford sedan driven by Charles Myers. Both vehicles were proceeding south on Main Street and police chief Ben Moorman said the sedan was attempting to change lanes when the wreck occurred.

No one was injured and property damage was estimated in the neighborhood of \$100.

Funeral Services For Mrs. Adams

Funeral services were conducted for Mrs. C Powell Adams of Lubbock Wednesday, April 19 at 10 a.m. in the Canyon Church on the Acuff Road east of Lubbock.

Mrs. Adams died Monday morning. She is survived by her husband and two young daughters, also a sister, Mrs. Billy Sides, of Friona.

Arrangements were under the direction of Franklin-Bartley Funeral Home of Lubbock.

Excess Acreage Could Be Problem

Farmers who sign up for the one-year emergency feed grains program this year may find that they have some excess acreage, other than the 20 per cent or 40 per cent land-out acreage it takes to comply with the program.

The reason for this excess may be that during the past two years a farmer may have summer fallowed some land, planted it to barley, oats or some other crop, with the intention of planting this acreage to grain sorghum this year.

With the restrictions on grain sorghum acreage that will come about under the new program, farmers, if they plan to comply with the program, will have to devote this "excess acreage" to a crop other than feed grains, says Farmer County Agent Joe Jones.

The land can be planted to anything as long as it isn't cotton, wheat, grain sorghum or corn, Jones says.

Some of the crops that farmers may want to plant this extra acreage to this year are: Soy-

beans, Castorbeans, Sesame, Sweet Sorghums for bundles or Ensilage, Sudan for pasture or seed, or Sweet sorghum for seed. They may want to establish an alfalfa crop, plant a permanent pasture grass, pinto beans, peas, or vegetables.

In case farmers should want to plant vegetables, markets should be worked out before planting.

In explaining how a farmer may have some excess acreage this year, Jones gave the following example:

Say a farmer had 600 acres of land, on which he had a 60 acre cotton allotment and a 140-acre wheat allotment. During the past two years he summer fallowed 100 acres and planted 300 acres into grain

HD Agent's Notes

BY MISS ETTIE MUSIL

You know, we have been mentioning the latest fashion news in women's dresses and accessories, and haven't breathed a word about the men's fashion forecast.

The cool, neat look is favored for spring and summer fashions for the men. Suits of worsted synthetic blends of the wash-and-wear variety are to be very popular.

If you are wondering which colors will be the best, you can't go wrong with medium hues of color. Black is returning especially in lustrous mohair suits. The blues, from faded blue denim color to dark blended casts, will replace the olive green that was so popular the last two years. But olive green itself is not out of the picture. It is seen in rain coats where it replaces the natural tones.

The vest and patterned jacket or sports suits is the newest fashion in men's wear. This would be good for the term used as "multimix suits." Reversible vests can match either the jacket or slacks. Often a second pair of pants in the jacket pattern can make the outfit wearable eight different ways.

Men should watch the size of the plaid or patterned suit, jacket, or slacks according to the size of the individual. Small plaids or solid colors may be worn by a man of large body build. Large plaids would make him appear larger than he actually is.

Solid colored shirts will not distract from the design of a plaid or patterned suit. Neckties and socks should be well chosen to blend with the colors of the suit or slacks if worn without a jacket. You may choose light colored shirts to give a lift to a dark suit or slacks.

A designed necktie, striped skirt, and plaid slacks or suit worn together may make you

sorghum.

This year his cotton and wheat acreage is the same and he decides to comply with the new feed grains program, which stipulates that the farmer lay out 20 per cent of the 300 acres of grain sorghum.

The diverted acreage, which he would have to devote to a soil conservation practice, or plant to one of the four oil seed crops, would be 60 acres, leaving 240 which he could plant to grain sorghum.

The 240 acres, plus 60 acres of cotton, 140 acres of wheat and the 60 diverted acres totals only 500 acres.

If the farmer plans to continue his normal practice of summer fallowing 100 acres, he will add 40 acres to his 60 diverted acres, and still have 60 acres on which he may want to plant one of these other crops.

tired quicker because of the design in the clothes you are wearing. There's much psychology to your moods with the colors and designs in the clothes you wear. These clothes combinations have effect on your friends with whom you are with. Can't you just imagine how any of these designed garments and accessories could be worn with solid colors? Then you will be the well-dressed man in town and have friends who are less moody, while they are with you.

Truly, a study was made recently on the psychological effects of colors, designs, fabrics, and garments for certain occasions. I have not heard the results of all the survey or test that was made.

Newest wash and wear fabrics in men's fashions for summer include seersucker, crease-holding versions in dacron-cotton blends. These fabrics come in muted plaids, stripes and checks in medium dark tones.

Now to change the subject from fashions to cleaning for spring. If you've been dreading the job of washing pillows, here is good news. They can be laundered successfully in your auto-

matic washer.

Wash two pillows at a time for a balanced load. To be sure that no feathers fly, examine ticking carefully and mend any tears or open seams. Wet pillows before placing them in the washer. Otherwise, they will float. To do this, make a two-inch opening on each end, then close it with a loose basting stitch.

This allows water to enter but prevents feathers from escaping. Place the pillow in a pan of water and knead gently until it is thoroughly soaked. Then wash in warm water for about five or six minutes. Allow the washer to complete the rinse cycle.

You can follow the same procedure in washing foam rubber pillows. But they must be washed in a pillow case with a basting stitch before soaking the pillow. Dry thoroughly, foam rubber in shade but in a breeze or by a fan. Feather pillows may be dried in dryer on warm, not hot, heat.

TE77

From a selection of both Redlan and Caprock Here's the big contender for yield records on irrigated land. You know the potential's there because TE77 is a selection from both Redlan and Caprock, long time standard favorites. Maturity is about the same as Texas 660 and R. S. 650. For big crop success on your irrigated land, plant Golden Acres TE 77. Buy your seed now.

THE STATE OF TEXAS) COUNTY OF FARMER)	
Before me, the undersigned authority, on this day personally appeared Mabel Reynolds, County Treasurer of Parmer County, who being by me duly sworn, upon oath, says that the within and foregoing report is true and correct.	
Mabel Reynolds, County Treasurer.	
Sworn to and subscribed before me, this 7th day of January, 1961.	
HUGH MOSELEY, Clerk County Court, Parmer County, Texas	
(SEAL)	

Potato, Carrot Growers Get Set For Another Year

Parmer County's potato growers, somewhat encouraged following a favorable year in 1960, have just about finished planting another crop for this year.

And, just as the potato planters pull out of the field this week, the planting of another vegetable crop, carrots, will get underway in the Friona area.

Some 350 acres of carrots will be planted this year (about the same as last year) by the 12 to 15 farmers who grow for Friona Growers and Shippers.

Potato acreage in the county will be up a little from last year, with 500 acres now being planted in the Friona-Summerfield area and more than 300 acres already planted at Lariat.

Both Kenneth Neill, manager of Friona Growers and Shippers, and Buck Gregory, of Gregory Produce in Lariat, say that last year was the best year for potato growers in the county since 1956.

It wasn't nearly as good as 1955, but the average price paid for the summer spuds was from \$3.00 to \$3.25 per sack. The erratic market did drop as low as \$2.00 once but it also reached a high point of \$6.

Average yield last year was about 175 sacks per acre and the quality of the potatoes was good, making the year, everything considered, fairly profitable for the potato growers.

With the vegetable market normally as unpredictable as the weather, it's naturally impossible for the growers to make any observations as to what at this year will bring, but

Neill and Gregory say that there are some factors at the moment that make immediate prospects unfavorable.

They cite increased acreage, both in this High Plains area of Texas and in California, as being factors that may affect the market.

However, this is only one of several factors that could determine the market price, which is regulated completely by supply and demand.

The weather, and the date when the crop is ready for harvest, are conditions which have the greatest effect on the market.

When potato growers of the county plant their crop each year, they hope that it will be ready for harvest after the California harvest is completed and long before the crops are ready in the Midwestern states.

That's why the weather, both locally and in the other potato producing regions, is such an important factor.

When potatoes grown in this area do hit the market right between the harvest periods of the other two regions, and the quality and yields are both good, then it does make for an ideal situation.

Of course, this ideal situation seldom exists. Either the western potatoes are late, or the midwestern crop is early, and these situations do help to depress the market.

As for carrots, the market price for this crop is usually a little more stable, largely because the quantity grown throughout the country is only a small percentage of that of potatoes.

For the past two seasons, according to Neill, the average price on carrots has been from \$20 to \$25 per ton. This is low in comparison to what it has been in previous years, but production of the crop was still worthwhile as far as the growers were concerned.

Average yield has been eight tons per acre, which, figured on the \$25 per ton figure, would gross the grower \$200 per acre. Farmers in the Friona-Summerfield area who are growing either potatoes or carrots for the Friona Produce firm, (or both) are John Renner, A. L. Black, Bob Jones, Hardy May, Ross Miller, Roy Botkin, Earl

POTATO PLANTING is just about over in Parmer County. One of the last farms on which the potato seed was being placed into the ground this week was the J. M. Wright farm south of Summerfield. In all, there will be more than 800 acres of potatoes planted in the county this year.

WITH THE COUNTY AGENT

JOE JONES

As a whole wheat in the county is in excellent condition. We have a few greenbugs, but with warm weather they should

Lance, Bud Stenzal, Bill Stenzal, Max Wells, Harold Joe Wells, and Clyde Weatherley.

At Lariat, Gregory is the only large producer of potatoes, having 300 acres planted to the crop. This is an increase over the 210 acres Gregory planted last year.

Gregory says he doesn't know how many other farmers have planted potatoes in the Lariat area, but there have been a few

soon be out of the picture. Some wheat on stalk land is late and appears to be short on plant food, but as a whole the wheat is as good if not the best we have ever had at this time of year.

Keep in mind wheat and wind will likely require two tenths to five tenths inches of moisture a day over the next few weeks. Don't get caught short on moisture and let your crop hurt. You better plan to do a little digging in the soil to keep up with the moisture level. It normally takes about 27 to 30 inches of water to produce

The HAPPY HOMEMAKER

BY JUNE FLOYD

A few years ago homemakers would have never thought of serving corn flakes any way except in a bowl covered with sugar and milk. Then sliced fruit was added to this cereal and now there are numerous dessert recipes that call for corn flakes.

Some of them are being printed below.

Refrigerator Cheese Cake
4 cups corn flakes
1/3 cup soft butter or margarine
1/4 cup sugar
1 1/2 tablespoons unflavored gelatin
1/2 cup cold water
2 eggs, separated
1/2 teaspoon salt
1/2 cup sugar
1/2 cup milk
1 pound cottage cheese
1 teaspoon grated lemon rind
1/4 cup lemon juice
1/2 cup heavy cream

Crush corn flakes into fine crumbs. Combine with butter and sugar; mix well. Press 3/4 of crumb mixture into bottom of spring form pan. Chill.

Soften gelatin in water. Beat egg yolks slightly; stir in salt, sugar and milk. Cook over hot water or very low heat, stirring constantly until mixture thickens. Remove from heat. Stir in softened gelatin. Cool.

Press cheese through a course sieve or beat with rotary beater until creamy. Combine with lemon rind and juice. Add to gelatin mixture, mixing well. Whip cream until stiff but not dry.

Fold into cheese mixture together with whipped cream.

a good wheat crop where plenty of plant food is available. Some of this comes as rain or snow, but in most years the major part must be supplied through irrigation.

Just as we suspected Parmer County came out on top when the per acre grain sorghum yields were established. We can be proud of this because it is a fact and of course, reflects the good farming practices being followed in this county. In case some of you have forgotten, our per acre cotton lint average for the 5 years prior to 1959 was the highest of any county on the Plains with an average of 683#. If wheat averages are ever figured up you can bet we will also be near if not on top. These things don't just happen, people make them happen, so let us all strive to continue putting the best known farming practices on our farms.

In deciding when to plant cotton let the soil temperature be your guide and not the calendar. The temperature should average at least 60 degrees at an 8 inch depth over a period of 10 days prior to planting. Work done at the Lubbock station shows cotton planted after the soil warmed up to the 60 degree condition germinated and emerged in 5 to 9 days while at 55 degree it took up to 15 days. You should also consider planting on a slight ridge or near the ground level for a warmer seedbed.

The soil where the seed are placed is just a little warmer when it is not in a hole and is less likely to be covered up when rains come. Damage from wind, sand, and light blowing hail are the chief disadvantages of level or ridge planting.

Many farmers consider the advantages out weigh the disadvantages and are coming out of the hole just a little more each year. If you never have tried planting on a ridge take a good look at your neighbor who does and see how you like it.

When trying to decide just what land to divert for the feed grains program keep in mind it will make an awful good place to put wheat this fall. With this in mind you may not want to divert your poorest land as would be the first thought. The acreage in most instances should be divided among your wells just like your wheat, cotton, and grain sorghum is. The exceptions may be where you do not have a wheat allotment or have some noxious plants on ground you must clean up.

Spread in pan over crumb mixture; sprinkle with remaining crumbs. Chill until firm. Makes a 9 inch cake.

Raisin Cherryettes
4 cups corn flakes
1 cup sifted flour
1/2 teaspoon salt
3/4 cup soft butter or margarine
3/4 cup sugar
1 egg
1 teaspoon grated lemon rind
1 cup flaked coconut
3/4 cup golden or dark raisins
1/4 cup coarsely chopped candied cherries
Crush corn flakes into fine crumbs. Sift together flour and salt; mix with corn flake crumbs. Blend butter and sugar until light and fluffy. Stir in egg and lemon rind.

Add dry ingredients; mix well. Stir in coconut, raisins and cherries. Drop by teaspoonfuls onto greased baking sheets. Bake in moderate oven about 15 minutes. Yields 4 dozen cookies, about 2 inches in diameter.

Chocolate Toasties Crust
1 package (1/4 pound) sweet cooking chocolate or 1/2 package (4 squares) semi-sweet chocolate squares
3 tablespoons butter
2 1/2 cups corn flakes
Melt chocolate and butter together over hot water and blend. Remove from heat. Add cereal and mix well. Spread on bottom and sides of buttered 9 inch pie pan. Chill until firm, then add filling and freeze as directed.

For a pound cake that is different, make this German Chocolate Pound Cake
2 cups sugar
1 cup shortening
4 eggs
2 teaspoons Adams Best vanilla
2 teaspoons Adams Best butter flavor
1 cup buttermilk
3 cups sifted all-purpose flour
1/2 teaspoon soda
1 teaspoon salt
1 teaspoon German sweet chocolate

...how does your home say "HOWDY?"
Is the welcome warm and friendly -- as it is in the home you see pictured here? Or do your guests have to grope their way to the front door? If you're keeping your friends in the dark when they come to call, ask your Public Service manager to help you with a plan for outdoor lighting at your home. You won't be obligated at all. Remember, electric service is your biggest value -- and light is the friendliest -- and most economical -- way to say "howdy."
