VOLUME XLIII

LISTEN TO LUKE

Not a playbill to be seen as it is written. Sleet and fine rain slowly falls on the streets as yet no appreciable amount of moisture to do any good. Even California tourists have on instead of play suits. This section of the country has nothing to complain about the weather man — except lack of precipitation. So far winter we have had no real weather and until this week has been almost like summer. There are some who fuss about weather because there is no subject for their disapproval. Generally speaking, the most year-round climate one can hope to find. So far no frozen highways to be a hazard for traffic. Ever far south as San Antonio some of the highways were in a dan state. You are reminded this morning of the balmy, sunshine and the summer brings — especially since we were unable to complete our education on the things women wear in summer may bring a new year on women's travel — who knows?

Last week the local FFA club exhibit for the first time the results of their labors. It is showing because the class only begun with this school. From this class showing community will be able to see tangible results of the things these boys are getting. Turner, the advisor of the club, deserves a great deal of credit for his efforts in establishing this new work with the annual livestock show in Terrell County.

Each year will give the ground advantage over the students since they have such short time to prepare animals for showing. The raising of the boys are preparing poultry for the show. That phase of training that has neglected here before this was formed. The raising of the capons and fryers should be profitable as this showing demonstrate.

As Vivian Kellems is in Texas speaking to several schools throughout the state. Miss Kellems ought to go down in his along with some other great in this nation. She, in case you forgotten, is the boss of a factory which employed 40 workers. The government asked her to take money out of pay envelopes and give it to the government. She replied that money was not hers, but she asked her people to give their own taxes — which they do to the penny, and to the last

Sam sent a man to Miss Kellems' bank and calmly ordered the bank to turn over nearly a thousand dollars of her money on deposit in the bank. Now Uncle Sam a dime out of Kellems payroll — every cent had been paid individually. But the income tax gets her pay again by taking the money away from her bank account.

Kellems dared the United States to take her into criminal and prosecute her for not that money away from her people and sending it in. She never been indicted. It is out that she will not be. It is likely that the Department Justice boys saw themselves into the eyes of twelve

Bill Given House Again

Representative Ken Regan introduced recently his bill to buy privately owned lands inside the boundaries of the National Park. It will be that the state of Texas land for the park to the government. This was initiated by and accomplished when he was in the state years ago. This federal bill necessary to authorize federal funds for completion of acreage. There are several private owners and it is that these are needed to complete the highway approaches to the park and thus make it easier to meet more tourists. Regan bill passed the House last session but died in the Senate. Regan hopes to get it finally passed this time. (Continued on page two)

COLDEST WEATHER OF WINTER HERE DURING THIS WEEK

The coldest weather of the season has prevailed in Terrell County since Sunday, following several days of very mild weather.

The weather was cloudy Sunday and the temperature dropped constantly all day. A cold north wind Monday morning soon sent the temperature to about 10 above zero. The warm sunshine raised the mercury in the afternoon but it skidded to ten degrees again after nightfall.

The sun shone again Tuesday and temperatures raised considerably. No moisture accompanied the cold wave in Sanderson, but reports of ice-covered brush and trees indicated some moisture in the north and northeastern part of the county.

Light flurries of sleet began falling early Wednesday morning. The small amount of moisture in the sleet soon froze on the ground, leaving a powdery snow later Wednesday helped the moisture situation very little in this immediate area.

The major worry of the ranchmen during the current cold spell is for their lambs that are being born. With the present weather conditions, lambs which would not normally be born for several days are beginning to be born now and unless they get a stomach full of milk immediately after birth there is little chance for their survival.

Indications are that the cold weather will continue for several days due to the continuation of severely cold weather in all northern parts of the United States.

'Rivers' Featured For Cub Pack Meeting

The monthly Pack meeting of the Cub Scouts was Tuesday evening in Fellowship Hall at the Methodist Church. Due to the inclement weather, only a small group was present.

'Rivers' was the theme for the month and the program presented by the boys under the direction of the Den Mothers.

Mrs. R. C. Haley's den and Mrs. Matt Bader's den told of the Devil's River and Amazon River of Brazil.

Various types of boats were on display as Mrs. C. W. Burdett's den told of the Rio Grande River. An old wheel-driven river steamer and a Spanish galleon were featured.

The Ganges River of India was featured by Mrs. L. E. Arledge's den with Jerry Monroe locating the river on a map which he had drawn. Weldon Werneking had made a sailboat and raft with two figures to illustrate the type of craft used on the Ganges River. Monte Arledge explained the belief of the Hindus in regard to the sacredness of the river, displaying an altar beside the river where the Hindus cremate their dead. Bobby Nussbaumer, carrying an urn, further explained how the ashes of the Hindu dead are scattered on the sacred waters of the river to attest their belief in its sacred qualities.

DAUGHTER BORN TO J. M. SALAZARS

A baby daughter was born here Monday to Mr. and Mrs. Juan Martinez Salazar. She was given the name Yolanda Evangelina and weighed eight pounds. This is the first child for the couple. Salazar is a cook at the Turner Hotel.

CLAUDE HARKINS FAMILY NEW AUSTIN RESIDENTS

Mr. and Mrs. Claude E. Harkins, former Sanderson residents, have moved from Midland to Austin where he owns and operates a cleaning and pressing establishment near the University of Texas. He has moved his family to a new home which they purchased there.

Lead me a hand

JOIN MARCH OF DIMES

NEW SPEAKER SWORN IN

Secretary of State John Ben Shepperd is shown administering the oath of office to the new Speaker of the House of Representatives of the 52nd Texas Legislature, Rep. Reuben Senterfitt of San Saba. Shepperd officially opened the House of Representatives Tuesday, January 9, and presided until the unanimous election of the San Saba attorney as Speaker. Representative Senterfitt is beginning his sixth full term in the Texas House. He is the senior member of the law firm of Senterfitt, Crump and Jameson in San Saba. The Secretary of State convenes the initial session of each Legislature according to requirements of the Constitution and Texas law. Both Shepperd and Senterfitt, in opening remarks to the legislative body, termed this Legislature as one of the most important and crucial in the history of the state.

Gene Chandler Named 'Most Valuable Player' at Annual Lions Football Banquet Here

About seventy Lions Club members, their wives, the football coaches, the Eagle football squad and a few invited guests were present last Thursday night when the Lions Club was host for the annual football banquet in the band house. The Homemaking Department, under the supervision of Mrs. V. E. Wattner, served the banquet.

After the group sang "America" the invocation was pronounced by S. D. Thompson, M. B. England introduced the squad and coaches who assisted in working with the Eagle football team. As a result of a vote by the team members Gene Chandler was presented the most valuable player award. The trophy, about 12 inches high, was a punter mounted on a plastic and wood base. The plate had been engraved to denote the recipient the honor and by whom presented.

Jack Savage, speaking for the team, expressed thanks to the Lions Club for the tribute paid the Eagles in honoring them with the banquet.

Following the introduction of the school board members and their wives and Mr. and Mrs. E. F. Anderson, J. A. Gilbreath, Lions Club president, introduced Mike Brumbelow, head of the athletic department of Texas Western College, who spoke to the guests. Brumbelow held the intense interest of the crowd as he related his early days in football, telling of the changes that have taken place and making the comparison of the game with life, bringing out the need for understanding, competition, fair play, the will to win, sportsmanship and the ability to lose as concerns the game of life. He mentioned briefly his views on the state of world affairs as concerns the youth of today, giving his opinions on what was in store for them and the way they could best cope with the situation as it exists today. All of the guests present expressed their thanks to Mr. Brumbelow for his words of advice and information, as well as for the entertainment afforded them by his explicit account of his first football game.

There were three months last year when no precipitation fell in Sanderson. They were March, November and December. In January 45, February 10, April 60, May 195, June 80, July 149, August 195, September 144 and October 20.

Most of the ranchmen of the area are feeding in preparation for the lambing season which has already begun or will soon begin on all ranches of the area. There are reports of fine conditions of sheep all over the county and the stockmen are making every effort to insure a healthy lamb crop as well as able to save a large percentage of the lambs that are born.

Lost Chance To Enter GI Classes Next July

Veterans have until July 25 to apply for education under the GI Bill of Rights, according to an announcement by officials of the various heads of educational institutions of the nation.

Public Law No. 346 provides that a veteran who desires to enroll must be in training under this bill before the July date and the training must be completed by July 26, 1956.

There is no time limit on application for education by disabled veterans under Public Law No. 16, but the deadline for completion of government education is the same. All veterans who are planning to enroll in an institution of learning are urged to do so immediately so that proper credentials and qualifications may be worked out before the next term begins.

COFFEE DAY NETS \$90 FOR 'DIMES'

Monday was coffee day in Sanderson for the March of Dimes. Containers were placed in all of the cafes for contributions from coffee drinkers instead of the usual nickel going to the coffee shop owner. The day's contributions came from the Club and Best cafes and Jimmie's Steak House and the Turner Hotel and netted \$90.22. Several waitresses added their tips to the coffee contributions.

To date only \$519.50 has been contributed to the March of Dimes drive in Terrell County. W. W. Sudduth, chairman of the drive has insisted that donors mail or bring their contributions to him at once before the drive is ended. While it is hoped that no local resident will have to use any of the polio funds this year, everyone realizes the wisdom of having a fund available in case it should be needed.

Honor Roll For Local Schools Announced

Supt. Matt Bader released the honor roll for the local school this week to include the following:

4th grade, Miss Sholars and Miss Kerr, teachers, "A" honor roll: Anargelia Flores, Peggy Cooke, "E" honor roll: Brucks Bader, Bonda Gail Boyd, Sammy Goodwin, Catherine Lambert, Don Little, Horacio Olivares, Buddy Roark, Linda Ann Shurley, Barbara Sudduth, Petrea Thorn, Lanora McDonnell, Amelia Esqueda, Francisco Fuentes, Pedro Hernandez, Cosme Hernandez, Federico Moreno, Maria Perez, Julian Rodriguez, Manuel Vilareal, Jimmy Zepeda.

5th grade, Mrs. Grigsby and Mr. Davis, teachers, "A" honor roll — Loyce Fay Thorn, Jessie Mae McDonald, Elena Alvarez, Evelyn Albrecht, "B" honor roll: Raul Barrera, Marina Chalabaga, Anita Flores, Rebecca Flores, Solella Garcia, Onofre Lopez, Armando Ochoa, Diana Postos, Fernando Vasquez, Beverly Whistler, Weldon Werneking, Tommy Werneking, Clotilde Pena, Glyndena Meeks, Mary Mahlon Keyes, Diana Duke, Buck Burdett, Monte Arledge, Irvin Robbins.

6th grade, Miss Lowe and Mr. Lowe, teachers, "A" honor roll — Mike Turk, "B" honor roll: Aurora Galvan, Corine Goodwin, Malone Mitchell, Maudie Moore, Dorothy Mitchell, Vivian Teenor, Terry Thorn, Jack Vincent, Jerry Whistler, Luis Cobos, Rita Pena, Ruben Martinez, Alicia Torres, Adolfo Flores.

7th grade, Mrs. Davis and Mrs. Grigsby, teachers, "A" honor roll: Vannah Jo Nance, Jo Ann Harrell, "B" honor roll: Sol Arledge, Bobby Beckett, Delis Chalabaga, Darrell Glenn Cox, Dolores Flores, Pilar Garcia, Elodia Garcia, Myrl Gilley, Natividad Martinez, Nancy Mitchell, Vivian Moore, Colleen Pierson, Stanley Sullivan, Llandra Vasquez, Carlene Werneking.

8th grade, Mr. Mitchell, teacher "A" honor roll: Sarah Pat Grigsby, Nancy Jean Turner, Estela Flores, Joy Rose.

High school, "A" honor roll: Mary Lou Cargile, "B" honor roll: Humberto Arredondo, Ruby Bell, Barbara Clark, James Clark, Yndara Esqueda, Gloria Garcia, Dorothy Hill, Janell Littleton, Barbara Rose, Mary Landon Rose, Jack Savate, Peggy Wagner.

Supt. Bader announced that there was no honor roll compiled for the first three grades in school. From the fourth through the twelfth grades, a student must have made at least an "A-" in every subject in order to be on the "A" honor roll, and in order to be on the "B" honor roll, a student must have made not less than a "B-" in every subject.

OIL & GAS LEASES

One of the biggest oil and gas leases yet to be recorded in the records of Terrell County was entered in January by Ruel Adams, County and District Clerk. The lease was for 91,066.7 acres of land.

From Bassett Mineral Trust to H. R. Cullen of Houston 91,066.7 acres all in block Y in the east-central part of the county and northeast of Dryden.

Capt. and Mrs. J. J. Harkins and children of Fort Hood, Texas, spent the week end here with relatives and friends. Susan Harkins is slated to have Mrs. Sallie Dyeche, a former resident of Sanderson, for her teacher at Fort Hood.

County's First F. F. A. Show Next Thursday, February 8

A new institution for Terrell County will begin February 8 when the Terrell County Future Farmers of America hold their first Livestock Show under the supervision of their advisor and instructor, R. M. Turner. The Sanderson Lions Club is sponsoring the event.

The show will be held Thursday afternoon, February 8, on the

NEWS OF SERVICE MEN

Ben Edward Martin of the U. S. Navy has been assigned to a carrier but is receiving specialized training at Camp Moffatt, California, as an airplane mechanic.

Midshipman Don Frazor, who is stationed in California, made a 2600 mile cross-country flight to San Antonio Saturday, a routine flight, and was grounded there for several days on account of the weather.

Lt. and Mrs. Horace Shelton left Sunday for San Antonio. Lt. Shelton was called into active duty from the reserve. They expect to be stationed in San Antonio.

637 POLL TAXES PAID; CAR TAGS NOW ON SALE

With Wednesday, January 31, as the last day for paying poll taxes for the current year, Terrell County now has 637 paid polls and 43 alien polls.

Counting the exemptions, the voting strength of the county is short by several hundred as at least a thousand potential voters are expected in election year.

The sale of 1951 motor vehicle license plates commenced Thursday with tags to be on all vehicles by April 1. Tags may be purchased any time within the next sixty days and the current license receipt and certificate of title must be brought to the tax collector's office before a new tag can be issued.

FEBRUARY 2 IS GROUND HOG DAY

If you are one of those persons who bases future weather predictions on Ground Hog Day, this is to remind you that today, Friday, February 2, is Ground Hog Day.

Tradition has it that if the ground hog comes forth and sees his shadow on that day, he will return to his home in the ground and remain for six more weeks. On the other hand, if he comes out and does not see his shadow, he will remain outside and winter is supposedly over.

Since there are no ground hogs in Terrell County we will have to depend upon gophers locally for the information received normally from a source natural to the groundhog.

Interscholastic Meet To Be In Alpine

Alpine was last week selected as the site for the 1951 Interscholastic League spring meet. Supt. Matt Bader was among the school officials meeting in Alpine last week to select the site for the annual affair.

James Crawford, principal of the Alpine High School, was elected district chairman of the meet. C. W. Schofield of Sanderson will serve as chairman of the shorthand-typing division and Mrs. W. H. Savage, English teacher in the Sanderson High School of the spelling-plain writing division.

Other events scheduled for the Alpine meet will include story telling competition for the youngsters, declamation contests, playground ball and volleyball, debating, one-act plays and other activities.

Dates have been set for two week ends, March 30 and 31 and April 6 and 7.

The annual track meet will be held in Marfa, as usual, on April 7 and will be under the lights at night with the preliminaries earlier in the afternoon. High schools of the district will be represented in the track meet.

Miss Ginger Magill is in Sanderson with her mother, Mrs. Winnie Magill. Ginger was a student last semester at Sul Ross College in Alpine.

Royal typewriters, standard and portable, Allen-Wales Adding Machines, Office Supplies, at the Sanderson Times

school ground and will consist of 50 mutton lambs and 6 rams fed by the boys and several coops of chickens and 5 capons. It is also planned to have exhibits of some of the work of the homemaking class in the halls of the high school building for the public to view.

A list of the boys and their entries is as follows: Odell Carruthers, 3 mutton lambs, Glynn Chandler 6 mutton lambs, Nicky Hahn 16 broilers, Colby House 5 capons, 40 pullets and fryers, Tommy Mansfield 3 mutton lambs, David Mitchell 6 mutton lambs, Charles Staggall 6 mutton lambs, O. V. Stuhham 2 mutton lambs, Jim Turner 3 mutton lambs, Douglas Attaway pullets and fryers, Jimmy Caridine pullets and fryers, Cy Banner 3 mutton lambs, Pablo Flores pullets and fryers, Jimmy Harrison 6 rams, Don Kocian 2 mutton lambs, Manuel Maldonado pullets and fryers, Joe Nessmith, 3 mutton lambs, Marion Powers 3 mutton lambs, Gary Vashinder 3 mutton lambs, Gary Vasquez pullets and fryers, Bob Wilkinson 6 mutton lambs, Willie Wolfe 3 mutton lambs.

The premiums for the show will be: Fine wool lambs, prime, \$1.50; choice, \$1.00, good 75c. Crossbred lambs: prime, \$1.50, choice \$1.00 and good, 75c. Ram lambs, 1st \$2.00, 2nd, \$1.50, 3rd \$1.00 and 4th, 75c. Grand champion lamb prize will be \$10. Grand champion ram lamb will receive \$5. Reserve champion lamb prize, \$7.50. In the poultry class 1st prize will be \$2.50, 2nd prize, \$2.00, 3rd prize \$1.50, 4th prize \$1.00 and 5th, 6th and 7th prizes each 75c. The grand champion pen of pullets will receive \$5.00.

The show this year is expressly and solely for members of the local vocational agriculture class. It is planned next year to broaden the contest to include neighboring F. F. A. chapters and also to have local entries of calves and possibly swine and horses.

The local F. F. A. chapter was organized at the beginning of the current school year and received in charter October 2, 1950.

With the help of the Sanderson Rotary Club, which donated \$100 and the assistance and advice of C. C. Mitchell, the chapter now has a feed pen and barn on the north side of Eagle Field where some of the lambs are kept. The chapter received a donation of some chickens coops from Wilton Dishman and these are used by the boys who are raising poultry as their project.

Mr. Turner stated that none of the livestock would be offered for sale at the local show. He said that the boys planned to take 11 lambs to San Antonio and enter them in their show in February and offer the stock for sale there.

Officers in the local F. F. A. chapter include: Gene Chandler, president; Cy Banner, 1st vice president; Bob Wilkinson, 2nd vice president; Jim Turner, 3rd vice president; secretary, Marion Powers, treasurer, Jimmy Harrison, Willie Wolfe, parliamentarian, Joe Nessmith reporter, David Mitchell, sentinel and R. M. Turner, adviser, Miss Barbara Clark is the sweetheart of the organization.

The public is invited to attend the show which will begin at 4 o'clock in the afternoon. E. L. Tiner, area vocational agriculture supervisor of Sul Ross College in Alpine will judge the show.

Paisano Baptist Preachers For 1951 Meet Confirmed

Pecos, Jan. 23 — Dr. William Turner, pastor of the First Baptist Church and executive secretary of the Paisano Encampment, confirmed the preachers for the 1951 encampment today.

Dr. F. B. Thorn, a native Texan and formerly pastor of the Second Baptist Church, Houston and currently pastor of the First Baptist Church, Wichita, Kansas, will be one of the speakers. Dr. Thorn shared the preaching honors at the 1950 camp meeting with Dr. W. W. White, president of Baylor University.

The second speaker, who will share the 1951 sermon duties with Dr. Thorn, is Dr. Perry Webb, pastor of the First Baptist Church, San Antonio.

ROGER ROSE BACK FROM DEL RIO HOSPITAL

Roger Rose returned home Monday from Del Rio where he had surgery last week. Mrs. Rose went for him by car.

Mr. Rose will have to remain in bed for several days but his condition is satisfactory.

Listen to Luke

(Continued from Page One)

Jurors who would be asked to jail a little woman for not taking money (which was not hers) to be paid for taxes which had already been paid. A conviction on that case would be impossible and the Federal men probably knew it.

After a long period Miss Kellems' lawyers got the government into a civil suit asking for the return of her money. She got on the stand and told the truth. She said she knew what she was doing. She did it to get the courts to pass on the constitutionality of the entire deduction law. She was sincere and honest and straightforward about the whole matter. She won the suit and her money was repaid.

Miss Kellems has done this country a great service in her refusal to be forced into involuntary servitude as a collector for the government without pay. They could just as well instruct her to serve as a typist or whatnot without pay and the Department of Justice knows too well that it would kill their way of making deductions if the case were ever put to trial in a criminal court.

Miss Kellems had thought about this well before she took the step she did. She believes that government people are her servants — not her masters. She is so right.

The united efforts of the cafes of the town netted something over \$90 for the March of Dimes fund Monday. All of the coffee money spent in the cafes of Sanderson went to this fund. This \$90, of course, doesn't mean that 1800 cups of coffee were drunk that day because many cups of coffee set up to 25c per cup in the little jars. The waitresses of one of the cafes donated all their tips for the day to the same fund.

The generosity of the cafe owners and the coffee drinkers of the town is to be commended. Those who receive benefits from the money will be very grateful.

Reader Expresses Views on Politics

(Ed. note: The writer of the article below preferred to remain anonymous to the general public, but the name of the writer will be disclosed on demand.)

This is just John Doe getting some things off his chest. It does not make any difference what we know and think if we don't do something about it. If our Congressmen, senators and cabinet members have the intelligence they should have, then why are we in such a mess? I think one of the greatest evils of our time is the incompetent politician who gets into office and manages to stay there regardless of ways and means of doing so. Where are the common sense statesmen who can see the evils approaching us and are trying to counteract them?

It makes one sick to read about the suffering and dying of our boys in Korea and in the same paper how our pink so-called statesmen are about to sell out to Red China by seating them in U. N. and handing over Formosa. We are willing to give all to keep our freedom and liberty but not for the appeasement of Communism.

Anyone with a few brain cells knows we can't successfully fight Russia and China with our man-

power, then why not withdraw from Korea if need be with honor and enough heart left to fight them later in our own way?

Has the possibilities been fully explored of supporting in every way we can the Non-Communists of Russia and China in a civil war or rebellion against their oppressive government?

Isn't it obnoxious to read at this time of our President calling for more tax money for his socialistic political theories?

When the American past way of life has made most all other nations envious of us is being changed to please some politicians and selfish, indolent rabble rousers here and abroad isn't it time to make a change in our so-called leaders?

We sympathize with the masses of people under Communistic slavery but must hold them responsible in case of war and have to fight them. Isn't it then reasonable to expect them to hold us responsible if our government sells them down the river?

Wouldn't you like to see again a government for the people instead of a subsidizing socialistic political machine?

In closing will say that the American people knew the Japs were going to attack before they did. We knew Billy Mitchell was right. We knew the masses of Chinese were not in Manchuria on a picnic but maybe if we were in politics we could not read and understand the newspapers.

Let us all humbly pray for Divine Guidance which we need. They will be done.

John Doe.

Mrs. W. T. Bondurant and son, Jack Downie, left Thursday for San Antonio after spending several days here with her son, W. G. Downie, and family.

Texas Venture In Education • 1876-1951 Our first state college—Texas A. and M. is now in its seventy-fifth year

Less than a generation ago grain sorghum was a tall spindling chicken-footed crop, grown on a few Texas farms. Today it is the state's second most crop, valued at \$166,000,000 a year. A \$24,000,000 plant for processing this one crop has been built at Corpus Christi. This amazing development is the result of research by plant scientists of the Texas Agricultural Experiment Station of the A. and M. System, under the leadership of R. E. (Bob) Karper, A. and M. agronomist at Lubbock. By juggling the genes within the grain sorghum seed, Karper and others have been able to pull it down to a thrifty low-growing plant with big heads at uniform height throughout the field. This made it possible to harvest the grain mechanically, completely revolutionizing the agriculture of the Texas plains area. The present day combine-type grain sorghum is being further developed for a variety of uses and is increasing rapidly in value to Texas farmers, as a result of the work of this Pennsylvania farm boy who has been engaged in agricultural research on the Texas plains since 1915.

FEDERAL BUDGET EXPENDITURES BY FUNCTION

Official Budget Bureau chart shows how Federal Government has tightened belt on non-defense spending in 1952 (fiscal year starting July 1, 1951) budget. Three-year comparison shows sharp increase in military and international expenditures directly connected with national security. Increased items in other fields generally reflect costs of mobilization controls, dispersal of federal agencies, expanded development of natural resources and productive capacity and other non-military activities connected with national defense. Despite big military expenses, 1952 budget is estimated to be only 25.8 per cent of national income for that year as compared to peak World War II budget of 1945, which spent 52.4 per cent of that year's income.

Go See It.. For an Inspiration!

You ought to go see the new Cadillac. You ought to walk all around it and look at it from every angle—and you ought to open the door and get in and sit down.

You ought to slide over behind the wheel and look out over that jewel-like dash into the exciting beyond.

And you ought to do this, whatever the car you own today—and whatever the car you expect to own.

For it will lift up your spirits and add to your faith in America's industrial enterprise and productive ingenuity.

You look at those beautiful, flowing lines—and you can't escape the conviction that America's industrial artistry in metals is unsurpassed in all the world.

You look at the fabrics that tailor the seats and cushions—and you realize that America's manufacturing genius is unapproached for bringing luxury into everyday life.

You look at the flawless execution of every structural detail—and you have the comforting feeling that America's industrial craftsmanship is in a class by itself.

But your greatest inspiration is yet to come.

You ask the price of the lowest-priced Cadillac model—and you find that it's easily within the means of hundreds of thousands of American families.

Where else, in all the world—you ask yourself—could there be such a blending of luxury and practicality?

And the answer, of course, is—"nowhere." It's strictly an American "monopoly."

Yes, here is the new standard for the automotive world. It is new in beauty, in comfort, in luxury and in performance.

So come see it soon—and come with your hopes high.

HENRY BAILEY MOTORS

Banquet Friday For Baptist Men Here

A supper which featured fried chicken was served to the men of the Baptist Church last Friday evening in the church dining room. The food was prepared and served by the members of the W. S. S.

Following the supper, the men went out to the auditorium where H. McAdams led a sing-song and Rev. Claude Bridges gave an inspirational talk. S. D. Thompson gave a brief report of the meeting of the Baptist men's brotherhood of the Pecos Valley district in Grandfalls last week. Ruel Adams was appointed chairman of a committee to ar-

range for the organization of a brotherhood here.

Twenty-four men attended the banquet.

Baptist W. M. S. Has Mission Study At Church Monday

The Baptist W. M. S. met at the church Monday afternoon for a mission study. After singing the hymn "Jesus Calls Us" Mrs. S. D. Thompson led the prayer.

Mrs. A. D. Brown, study leader, presented three chapters from the book, "A Century in Nigeria." Mrs. V. E. Keyes read a poem on Africa.

Prayer led by Mrs. A. C.

Smith for foreign missionaries closed the meeting.

Members present were Mesdames V. E. Keyes, L. M. Stanley, Hal Tyler, Claude Bridges, S. D. Thompson, A. D. Brown, O. D. Gray, A. C. Smith, Lloyd Cowan, B. E. Carr and Herbert Cates.

BRIDGE-LUNCHEON SHOWER HONORS RECENT BRIDE

Entertaining Tuesday afternoon at the home of Mrs. Tol Murray with Mrs. John Harrison as co-hostess, Mrs. George Mayfield, a recent bride, was named honoree at a surprise crystal shower.

The guests assembled at one o'clock for luncheon which was served buffet style with the guests seated at quartet tables. An arrangement of Marconi daisies was on the dining table with narcissus and arrangements of winter berries in the living room.

A series of bridge games was played by the guests with one table playing canasta. Mrs. J. W. Pate was winner of high and slam prizes; Mrs. Austin Nance won second high; Mrs. Jimmy Martin, low and Mrs. Mary Lou Kellar, slam.

Mrs. E. J. Hanson held high score in the canasta games. Late in the afternoon, pieces in the bride's chosen pattern of crystal were presented to her.

Those present were Mesdames H. E. Fletcher, S. H. Underwood, J. A. Gilbreath, James Caroline S. L. Stumberg, J. S. Nance, Ora Quigg, Jimmy Martin, J. T. Williams, H. C. Woodward, J. W. Pate, Mary Lou Kellar, Hugh Rose, Herbert Brown, Austin Nance, Russell Dyer, E. J. Hanson, Judith Streigler and G. H. Mayfield. Mrs. John Almond of Del Rio was a luncheon guest.

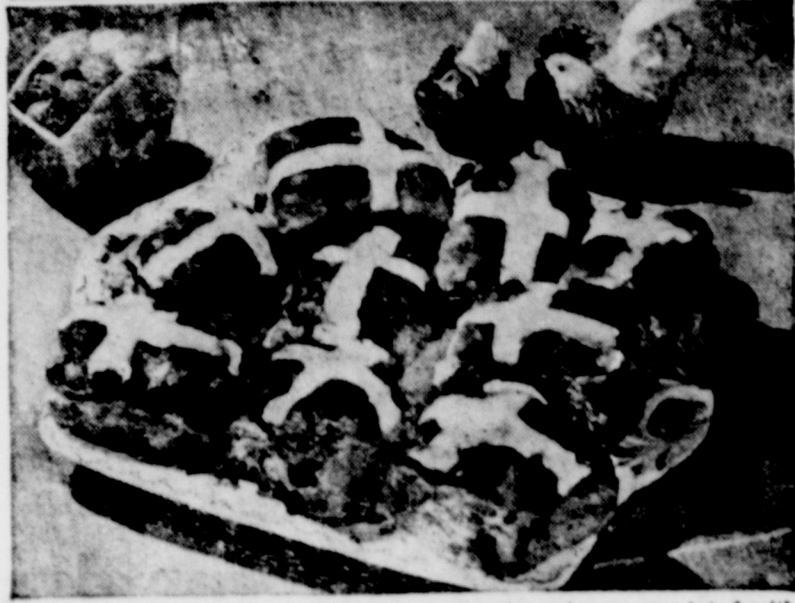

Mrs. R. G. Stegall Entertains For Friday Bridge Club Members

The members of the Friday Bridge Club were entertained at the home of Mrs. R. G. Stegall last week. Two tables were arranged for the players in the living room which was decorated with potted ivy.

The series of games began after coffee had been served to the guests and after the games Mrs. H. E. Fletcher had high score; Mrs. Roger Rose, second high; Mrs. Jack Laughlin, low and Mrs. M. H. Goode, Jr., held the slam prize.

Lemon loebx cake topped with whipped cream was served with tea and coffee by the hostess. Members present were Mesdames James Caroline, Roger Rose, J. S. Nance, S. H. Underwood, Hugh Rose, Jack Laughlin, H. E. Fletcher, and M. H. Goode, Jr.

ONE A PENNY, TWO A PENNY—

These spicy, sugar-coated hot cross buns have been associated with religious customs since 1,000 B. C., according to the American Bakers Association. Originally offered to the gods of the early civilizations, the buns were adapted by Christians and eaten on the Lenten holiday of Good Friday. Today, the hot cross buns have lost their religious significance, but are still eaten during the entire Lenten period.

Birthday Party Given For David Rusk

Mrs. I. B. Rusk honored her son, David, with a birthday party at her home Sunday afternoon, the occasion being his fourth birthday.

Games were enjoyed by the little guests. After they had assembled at the dining table to cut the birthday cake, W. T. Attaway made pictures of the group.

Individual cup cakes were served with ice cream and favors were balloons and ducks formed of candy and whistles.

Guests were Gwen and Carol Holland, Jodie Kay and Diane Tronson, Robert Roark, Vernon Thompson, Eloise Farley and the honoree. Also present were Mesdames Bill Holland, E. E. Farley, Gene Thompson and J. F. Tronson and I. B. Rusk.

Junior Womens Club Meets Thursday

The monthly meeting of the Junior Woman's Club was Thursday evening at the home of Mrs. Lee Grigsby with Miss Lavelle Milburn and Miss Jerry Sholars serving as co-hostesses.

An arrangement of white baby

mums and yellow acacia decorated the coffee table in the living room. The club year books were distributed and Mrs. Dudley Harrison reported on the club project and plans were made to carry out the project in the near future.

Pineapple nut cake and coffee were served by the hostesses to Misses Betty Jo Kerr, Pat Allen, Betty Jane Boggus, Barbara Lowe, Betty Zuehl, and Mesdames S. D. Harrison, Bobby Lee McCue, Gene Thompson and Mrs. D. E. Hill.

PIERSONS TO MIDLAND FOR WEDDING SUNDAY

Mr. and Mrs. E. F. Pierson attended the marriage of their niece, Miss Sylvia Bennett, and Clinton Vaughan of Midland Sunday. They were accompanied by their daughter Colleen.

The wedding was at three p. m. Sunday in the study of St. Anne's Catholic Church in Midland.

Mrs. C. E. Yeates and infant son returned to their home in Sheffield Sunday.

TASTE IS THE TEST

TASTE IS THE BEST TEST of quality. And your taste will tell you that Lone Star is a light, top-quality, all-grain beer. You'll like Lone Star's 3-way lightness that comes from brewing without added sugars or fattening syrups. You'll smack your lips over Lone Star's flavor... flavor made double mellow by slower, costlier double-ageing.

POPULARITY IS THE PROOF

WHEN YOU TASTE LONE STAR, you'll like Lone Star. Just like tens of thousands of other Texans, you'll want more and more of it. You'll know why 10 times as much Lone Star is now being brewed and sold as in 1940. Yes, over 11,000,000 times a month, Texans "Take a Break" for a cold Lone Star. That popularity is the proof.

the Railroads RESPECT ...

What is the TRUTH?

the Labor Unions seek to REPUDIATE this agreement!

At various states in the present dispute with the brotherhoods of railroad operating employees... the railroads agreed to arbitrate. The union leaders refused. ... the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused. ... the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated. The Agreement is given in full below.

MEMORANDUM OF AGREEMENT

Washington, D. C.
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
3. Settle rules for 40 hour week and 6 day week.
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
5. Settle following rules: Initial Terminal Delay (Conductors and Trainmen) Interdivisional Runs Pooling Caboose (Conductors and Trainmen) Reporting for Duty More than One Class of Service Switching Limits Air Hose (Conductors and Trainmen) Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, shall have one vote. The carrier representatives shall have one vote and the referee shall have one vote.

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

**Nothing Better
than Good Food,
says Ohio Man**

If a man isn't able to eat the food he likes he's in mighty straits. Fry shape—imagine going through life without being able to enjoy a fine big platter of fried chicken and eggs. That is the way Joseph N. Dammill, 3414 E. Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots of fine food. Mr. Dammill found that taking HADACOL helped him overcome a deficiency of vitamins B₁, B₂, Niacin and Iron.

Here is Mr. Dammill's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the pain on my stomach at nights. I did not keep food on my stomach, but after the first bottle was going great. Now I eat meat and eggs, and other foods that never would stay with me. I can sleep well at nights thanks to HADACOL. I will never be without it, and can recommend it to all who suffer from the above ailments that I know because I have suffered for quite some time."

A tea is planned for the social hour to follow the study.

PERSONALS

Betty and Bobby Cooke and Monty Wallace, students at Texas Tech, left Monday for Lubbock after spending several days here with their parents.

Miss Louise Klemer returned to Sanderson Sunday from Wichita Falls where she was called when her brother-in-law was critically ill. His condition was much improved when she left. Miss Klemer visited in Odessa with Miss Wanda Bost Sunday.

R. J. Dishman is now employed as parts manager at the McKnight Motor Company, replacing M. B. Stroud, who has moved to California.

Lynn Harrell made a business trip to San Antonio last week. Mrs. Roy Harrell accompanied him to Sabinal where she visited with relatives for two days.

Miss Carolyn Wisdom of San Diego, California, arrived Sunday to spend the next few months with her sister, Mrs. J. A. Gilbreath, and family. She has enrolled in the junior class of the Sanderson High School.

Mr. and Mrs. Amos Rutledge left Tuesday on a business trip to Del Rio.

Mr. and Mrs. M. B. Stroud made a business trip to San Antonio returning Tuesday.

Mrs. Mary Lou Keller returned home Friday from San Antonio where she had spent a month with her daughter, Mrs. A. A. Jenschke and family.

PEAVY INSURANCE AGENCY

THE VOLUNTARY WAY IS THE AMERICAN WAY!

**Dangers of Rheumatic Fever Listed by
Dr. George W. Cox, State Health Officer**

Austin, January 31 — Rheumatic fever is serious because it may affect the heart, said Dr. George W. Cox, state health officer. Age is important. Rheumatic fever usually begins in childhood at about 5 or 6 although adults may have it. There is a susceptibility to the disease which causes rheumatic fever to be more common in some families than in others. The other factors which may favor its onset, combined with an individual susceptibility, are frequent chilling, damp or overcrowded living quarters, and a poor diet.

It is also known that an attack of rheumatic fever does not protect a child from future attacks as, for example, one attack of measles does. On the contrary, rheumatic fever tends to recur. Repeated attacks are more likely to damage the heart. It is not communicable as chickenpox and measles are, and there is no danger of catching it by being in contact with a child who has it.

The physician is the only one whose judgment can be relied upon in this matter, and his directions should be followed exactly, no matter how well the patient feels or how slight the attack.

Good nursing is important for rheumatic fever patients. In communities which have visiting nurse service, a visiting nurse can give help of great value to the patient and to the doctor.

The child who has had rheumatic fever, with some degree of heart damage, should not be coddled but should be led to enjoy his home and school life, just as other boys and girls do. While it is important to provide the child with healthful surroundings and to encourage him in healthful living habits, harm can be done by overemphasizing the physical handicap.

If serious heart damage exists and his activity is limited, he must learn to stay within these limits. But even children whose activities must be rigidly restricted because of a severely damaged heart can

have a wholesome interest in life and enjoy many of the pleasures of their more active associates by the intelligent planning of under-physicians. However, rheumatic children do need special help in choosing a life-work which will give them the best chance of avoiding recurrences of acute infection.

With care in choosing work and play, people with rheumatic heart disease, even many with severely damaged hearts, can live reasonably active and useful lives.

New Buick Special Is Nation's Newest Car

STYLE-LEADER and pacemaker of the 1951 Buick line is this four-door six-passenger Special, or Series 48, sedan. Representative of the entire Special Series which is completely new this year from stem to stern, this car has a new chassis, a new body, new front end, new sweeppear molding, new trim, and new fender and hood ornaments. Its re-styled fender lines flow backward through the doors in a graceful curve

which is paralleled and accentuated by the brilliant sweeppear which runs the length of the car. The unique Buick front end, entirely re-designed for 1951, is more distinctive than ever. For the first time, Buick's powerful F-263 engine is offered in the Special Series, delivering 128 horsepower with Dynaflo Drive, and 129 horsepower with Synchro-Mesh transmission. Wheelbase of this model is 121 1/2 inches.

Flower Shop Moves To New Location

The Flower Shop moved this week from the location in the Turner Hotel to the building formerly occupied by the Sanderson Bakery. The building has been redecorated with the walls painted a light green and new linoleum laid on the floor. Two large display windows are available at the new location. A large room in the back will be used for storage and a work room. Mrs. Carman Whistler, owner of the Flower Shop, stated that a large assortment of cut flowers and potted plants for all occasions will be available at all times. A large shipment of blooming potted plants arrived Wednesday. Mrs. Whistler extended an invitation to all residents of the community to visit her shop in the new location.

Ad Solicitors Should Be Identified

Supt. Matt Bader has issued an appeal to all local merchants and residents to investigate any solicitors who come to them for any advertising or contributions pertaining in any way to the schools. Students have recently solicited advertising for the school annual and for a catalogue for the FFA livestock show with the approval and consent of the school. Last week soliciting of ads from local merchants for schoolbook covers was made here by out-of-town parties without the school's knowledge or sanction. Identification and approval of any ad solicitors may be made in the superintendent's office in person or by phone, according to a statement made by Supt. Bader.

MRS. M. L. ROBERTSON ILL IN SAN ANTONIO

Mrs. M. L. Robertson has been moved to a San Antonio hotel following medical treatment in a hospital in that city last week and is reported to be feeling fair, according to word received from her husband. She expects to remain in San Antonio for several months while undergoing treatment.

Mrs. Mildred Gann has moved into the apartment with Miss Winnie Mansfield. Office Supplies at the Times

DRYDEN NEWS

Mrs. R. J. Ross

Mr. and Mrs. W. A. Bigby and son, James, returned home Friday from Garden City where they attended funeral services for Mr. Bigby's father, J. O. Bigby, who died in a San Angelo hospital last Wednesday morning at the age of 87 years.

Mrs. Claude Baker and children and Mrs. John Perkins of Langtry visited friends here last Thursday.

Mrs. R. E. Walsh and two children were taken to a Del Rio hospital Wednesday night with a reported case of "flu". They remained there until Saturday and were able to come home but are still confined to their beds.

Mr. and Mrs. Emmitt Cain and son were in San Angelo Saturday on business.

Mrs. Eula Secrest and Miss Pearl Young of Ozona are on the Clyde Young ranch in the absence of Mrs. Clyde Young who is in San Angelo recovering from a tonsil operation.

Mr. and Mrs. Lawrence Kidwell and children of Alpine visited Mr. and Mrs. Lewis Cash Sunday.

Jimmy Merritt left for Uvalde Sunday to enter Southwest Texas Junior College after completing the first semester at Sul Ross.

Mrs. Dorothy Cunningham has been called to Saxonville, Mass., to the bedside of her mother, Mrs. Esther Carlisle. Word was received this week that she is improved and Mrs. Cunningham expects to return home the latter part of this week.

Mrs. John Williams has been in bed since Saturday with painful bruises received in a fall at the

store. Her daughter, Mrs. Melvin Chandler and baby from Balmorhea came over Tuesday to spend a few days with her.

Mrs. Harold Shaw and daughter, Charli Ann, of Sierra Blanca visited with Mr. and Mrs. Simon Shaw last week before going on to Langtry for a visit with her parents, Mr. and Mrs. Charlie Schnaubert.

WORLD DAY OF PRAYER ON FEBRUARY NINTH

World Day of Prayer will be observed Friday, February 9, at 3 o'clock at the First Methodist Church of Sanderson. All of the ladies of the community are invited to attend and participate in the service.

The ladies of the Methodist W. S. C. S. will be hostesses for the meeting. Ninety-two nations over the globe will observe World Day of Prayer, a calling together of all faiths and creeds for solemn worship, on February 9.

The Flower Shop Carman Whistler

Long-term Investment that pays daily dividends

THESE days thoughtful people turn their minds to the durability of things they purchase. But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire. That's what's so marvelous about this '51 Buick. If you picked a car just for the lift it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice.

But make note of this: That gleaming new push-bar forefront, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection.

Springs of stout spiraled steel on all four wheels let your wheels curtsy over bumps, while you ride level as a lance. But they also need no servicing, and breakage is virtually unknown.

Buick's great-powered engine is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection

that comes only from years of experience with this basic design. Dynaflo Drive gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential. The road-steady gait of a Buick assures relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you. However you check it, you'll discover this: The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy. Better see your Buick dealer—soon.

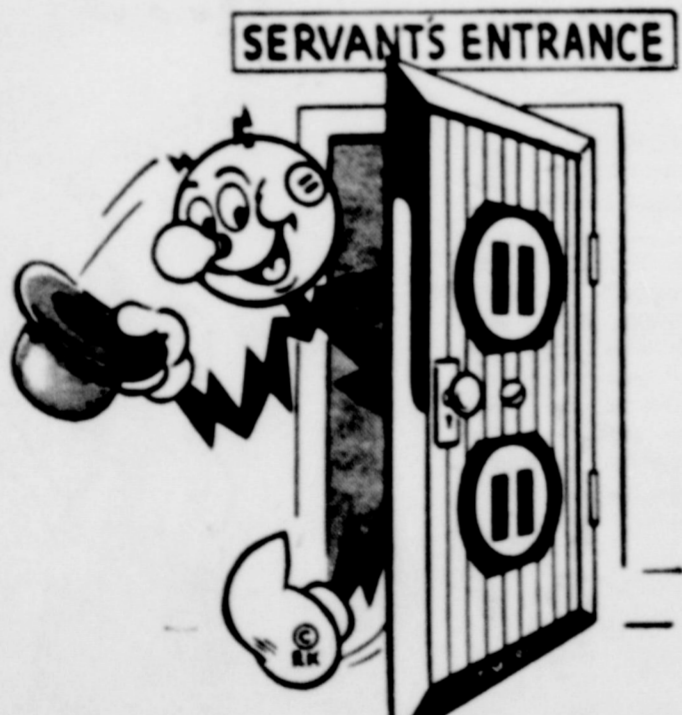

Standard equipment, accessories and trim illustrated are subject to change without notice. No other car provides all this: DYNAFLOW DRIVE • FIREBALL POWER 4-WHEEL COIL SPRING • DUAL VENTILATION PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING BODY BY FISHER

Who still works for PRE-WAR WAGES?

It's REDDY KILOWATT Your Servant of the Century

Almost everybody else has had wage increases, but not Reddy Kilowatt. He still works for his pre-war rate of pay, and the more you use him the less he costs you per hour.

We've been able to keep Reddy's wages low because folks have been using more and more electricity. The resultant increase in our revenues has, so far, offset rising operating expenses—and enabled Reddy to work for you at his pre-war rate of pay.

True, your monthly bill may be higher now because you've been adding lights and appliances all along. But if you are the average customer, the price you pay per kilowatt-hour was never lower than it is today. That's why we say ELECTRICITY IS YOUR BIGGEST BARGAIN!
