LISTEN TO LUKE

Tragedy — not a pleasant subject to start off the column. When a small community, a handful of neighbors know and love each other and sorrow comes it affects the entire citizenship.

Sanderson and Terrell County is populated by people who can live with neighbors in all the joys of life and sorrow with them in times of sadness. This past week we have seen the most wonderful spirit of neighborliness expressed in this community when dark clouds of sorrow came to so many families in Terrell County. It is wonderful to live in a place where you can be sure that your neighbors will be there to comfort you in time of need.

Somehow there is, in every tragedy, a visible expression of the true love of friends and neighbors. Differences of opinions, religion, and of political practices, all are forgotten and a helping hand and sympathetic understanding comes to help lessen the sorrow of those most deeply hurt.

We are glad we can be a part of a community.

The Eagles went wild in the conference game last Friday night when they played Clint here. The stars had a team of scrappers that were small and were inexperienced and outclassed by the team. Near the end of the game this column was hoping those boys would at least get one touchdown. It seems a shame for a bunch of kids to come as far as they did and offer such an overwhelming defeat.

An atomic test in the proving grounds area is not what we need this time. There is a proving ground north of the 38th parallel in Korea where the results would be more easily determined and where it would do more good at the same time.

Last week this column made mention of the visits to some Texas members of our Junior Senator. What he said about his remarks could only well have been said of the entire delegation. They were sent to Washington to represent the people of Texas on what is sometimes jokingly referred to as the Democratic Party ticket. They are, in most cases, shown to the people of Texas that they are not the least manner of description, either Democrats or for the interests of Texas. Of course, they will try to get some kind of an appropriation for some worthless project for their district, that will take the old boys at home feel good and assure the future political security for the office holder.

They know that the voters will not forget that bills for a reduced appropriation have been sent back to the Senate and then passed after it has been upped to a higher figure. The voters will soon forget that when the little man in the White House says "jump" the office holder obeys — or absents himself from the voting.

In short, the people of Texas are or should certainly be — sick and tired of the bungling and small time play for votes at the expense of the taxpayers and at the cost of thousands of lives of our sons. Before another vote is cast for any officeholder it should be the voters who ask the questions of their representatives and the like. Let's have one stock question that we ask: "Are you going to support this nasty, graft-grabbing, deep-freezing, white-washing, silly-grubbing, police-actioning setup that now tries to scrap the Constitution of the United States and the freedoms guaranteed the sovereign states?" Those boys in Washington have been water boys for the administration are on a list that this column will keep handy when the next election comes around.

Before this election talk gets too hot the voters of Texas should be thinking of the proposed amendments to be voted on in November. So little interest in matters of such great importance can result in getting something Texas doesn't want.

Perry Winkle of the San Antonio Express was on hand at the Sanderson-Clint game Friday night and had quite a bit of "Football Facts" about the way he was re-

Rev. Joe Emanuel To Conduct Revival At Methodist Church

REV. JOE EMANUEL

Starting November 12, the First Methodist Church of Sanderson will have a revival meeting with Rev. Joe Emanuel of Carlsbad doing the preaching.

The public is cordially invited to attend these services. There will be two services daily, one at 7 a. m., and the other at 7.30 p. m.

"The only power that can save

an individual, the home or nation, and give meaning, beauty and purpose to life is the Christ we learn of in the Bible and can experience in our own hearts and lives," stated Rev. Olaf Hoggard, pastor of the local church. "It was the Bible that gave America its strength and endurance in these times. Regardless of how many military victories we win, unless we follow through with a moral and spiritual victory, we will ultimately be defeated. Cannons, cruisers and jet planes can only give physical protection. If we lose the war with Satan and sin here in America, no amount of armed might can save us. A young American fighting in Korea summed it up this way in a letter to his pastor: 'The closer I get to the fighting the more I realize that this, or any war, is just a delaying action until Christianity wins the real fight in the hearts of men.'"

"One isolated revival meeting may not save America, but it can present an opportunity for salvation to all the unsaved and give new zest and inspiration to every Christian," continued Rev. Hoggard. "It can tone up the entire life of a community and furnish the motive power for constructive purposeful living. Over the entire country thoughtful people are saying: 'Christ is the answer. It is either Christ or chaos.'"

Sweethearts Named For Band, Football Friday Night at Game

During the half time at the Sanderson-Clint game Friday night, members of the Eagle team and the Eagle band crowned representatives chosen by the respective organizations to reign as queens. The band marched onto the field escorted by the pep squad and the two organizations made a formation of a large heart with a musical note and football formation on each side of the heart and all three formations facing the spectators on the north side of the field.

Representatives from the football team went to the football formation and presented a lovely orange mums arrangement to Miss Barbara Rose, their chosen sweetheart. Representatives from the Eagle band walked to the formation of the musical note and presented a like bouquet of flowers to Miss Shirley Thompson, the band sweetheart. Both girls were joyfully honored when the band played "Let Me Call You Sweet-Heart."

Both Miss Rose, a pep squad leader, and Miss Thompson, a band member, are seniors.

MISS JOAN BYRD ELECTED TO DELTA KAPPA PHI

Miss Joan Byrd, daughter of Rev. and Mrs. John W. Byrd of Sanderson, has been honored with election to Delta Kappa Phi, oldest organization for women at Trinity University.

The initiation banquet was held Wednesday evening, October 24, at 7 o'clock in the Cavalier Room of the Menger Hotel with Miss Jean Bremer of Sinton presiding.

Delta Kappa Phi, organized in 1931 on the Waxahachie campus of Trinity University, has for its motto, fidelity, honor, and friendship.

Received in Sanderson, The Judge might have made an effort to meet at least one member of the newspaper family here if he had been so a-mind. One thing about this columnist — we would even try to be decent to a writer from even a daily paper — we ain't proud!

Next time you come to Sanderson, Judge, just tell someone you are trying to write a column and maybe he would be kind enough to see that you got it together. I could use some new ideas now and then myself. Anyway, I used to work for that sheet myself and it didn't give me the swell head.

Last time I went to San Antonio I didn't even see six people I knew — I mean who know me, as the Judge says — and they would have locked their doors if they had seen me in time.

HENRY WERNEKING DIES IN CAR WRECK, BURIED MONDAY

Funeral services were held here Monday afternoon at four o'clock from the First Baptist Church for Henry E. Werneking, 38, with Rev. Claude Bridges, pastor, officiating. Burial was made in Cedar Grove Cemetery with O. T. Sudduth, Inc., in charge of the arrangements.

Graveside services were conducted by the local Brotherhood of Railroad Trainmen.

Pall bearers were Jack Laughlin, H. E. Louwein, D. E. Elrod, W. H. Grigsby, H. W. Haisell and C. H. Stavley.

Werneking was killed instantly in a car wreck six miles west of Comstock on Highway 90 early Saturday afternoon. The 1950 Ford coupe, belong to C. J. Brown of Sanderson, and driven by Mrs. Mary Ruth Wise, turned over and hit an embankment, demolishing the car.

Born in Cego, near Waco, Texas, Werneking came to Sanderson 12 years ago from Athens, Texas, and was employed as a T&NO brakeman at the time of his death.

Survivors include his widow, Mrs. Ama Lee Lambert Werneking, and a stepson, Tommy Werneking, of Sanderson; his father, C. H. Werneking, Sr., of Athens, four brothers, Carl Werneking of Sanderson, Bill and Oscar Werneking of Athens and John Werneking of Valentine; four sisters, Mrs. S. M. Pryor, Mrs. Garvin Thompson and Mrs. Ray Thompson of Valentine.

Mrs. Wise is under treatment in a Del Rio hospital and the extent of her injuries has not been determined. She is an employee of the Rock Cafe of Sanderson.

Funeral Services In Marathon Sunday For R. A. Ansley

Funeral services were held in Marathon Sunday afternoon at the Methodist Church for R. L. Ansley, 55, who was found dead early Saturday morning, the victim of a heart attack. He was a T&NO relief pumper at Tesnus, having been on the job for five days, and had lived here for several months with Mr. and Mrs. Sterling Forth during the eighteen months that he was employed at Sanderson.

Ansley was not married. He was reared in and near Marathon, the son of M. and Mrs. S. M. Ansley, pioneer ranchers.

Survivors include three sisters, Mrs. Kallie Hurst of Midland, Mrs. Gertrude Martin of Uvalde and Mrs. Merle Vane of Winters; two brothers, Jack of El Paso and Nick of Lamesa; and a nephew, Warren Martin of Pumpville.

Mr. and Mrs. Dewey Word, Tom Page, Mrs. Addie L. Halbert and Mr. and Mrs. E. F. Pierson attended the funeral services from Sanderson.

Mrs. J. T. Dillard Killed in Car Wreck Sunday Near Baird

Funeral services were held in Clyde, Texas, Tuesday afternoon for Mrs. J. T. Dillard, a former Sanderson resident, who was instantly killed Sunday night in a car wreck near Baird, Texas. Mr. and Mrs. Dillard were returning to their home in Abilene from Cleburne when the accident occurred.

Mr. Dillard is hospitalized in Abilene with broken ribs and abrasions.

The Dillard family resided here for five years when he was a member of the Joe Oberkamp butane business and was also an undertaker.

Mr. and Mrs. O. T. Sudduth and Mr. and Mrs. W. W. Sudduth attended the funeral services.

BOY SCOUTS MAKE HIKE LAST SATURDAY

The Boy Scouts had a hike last Saturday, enjoying a swim and paper sack lunch at the end of the hike. R. P. Stewart accompanied twelve Scouts on the hike.

An overnight hike is planned for the week end of Thanksgiving with only the boys who have passed the tenderfoot test eligible to go.

Mrs. Milton Holmes Buried Monday At Riesel, Texas

Mrs. Milton S. Holmes, 45, a Dryden resident for ten years, died in a San Angelo hospital Saturday afternoon. She was stricken while eating supper Thursday evening in a cafe in that city and her condition was considered critical after she was hospitalized.

Funeral services were held in Waco Monday afternoon with Dr. A. Norman Evans, Methodist pastor, officiating and graveside services were held at Riesel with Rev. Paul Moehr, the Methodist pastor of that city, and Rev. Olaf Hoggard of Sanderson, conducting the service. Burial was made in Riesel, near Waco.

Mr. and Mrs. Holmes had acquired a new home in San Angelo and had moved to that city from Dryden two weeks prior to her death, planning to occupy their new home this week. She was a member of and an active worker in the Dryden Methodist Church.

Besides her husband, survivors include her parents, Mr. and Mrs. Hugo Hoelt of Riesel; three brothers, Ernest and Henry Hoelt of Riesel, Otto Hoelt of Waco; two sisters, Mrs. Rex Hall of Waco and Mrs. W. T. Sexton of Austin.

Among those attending the funeral services were Mr. and Mrs. E. F. Dawson, Rev. Hoggard and Mr. and Mrs. Lee Dudley of Sanderson; Mrs. Mamie Holmes and Mr. and Mrs. Tom Holmes of Sheffield; Mrs. E. R. Farley of Dryden.

Sunday Marks First Anniversary of Local Pastor's Work Here

Next Sunday marks the first anniversary of the Rev. Claude Bridges as pastor of the First Baptist Church in Sanderson. "This first year has been marked with great success in all lines. The Sunday School has shown marked progress under the leadership of Lloyd Cowan, superintendent," Rev. Bridges stated.

"The Woman's Missionary Society had a wonderful year under the leadership of Mrs. V. E. Keyes. Mrs. O. D. Gray is the new president and much interest is being shown as the ladies begin their new year's work."

"One of the greatest interests shown is in that of the midweek prayer meetings. The pastor is leading in wonderful studies of the Bible and the attendance has been most gratifying," Rev. Bridges concluded.

Rev. Bridges takes this means of thanking each and every member who has made his first year in Sanderson pleasant and as prosperous as it has been, and to urge every member of the church to be present for this, his first anniversary next Sunday. "Of course, others than members will find a hearty welcome," said Rev. Bridges. "The pastor's prayer is that God will bless our churches and all the righteous interests of our town."

Local Relatives To Brother's Funeral

Funeral services were held Saturday afternoon in Vanderpool for J. D. Ivy of Sabinal, a brother of Mrs. W. R. Turner and Mrs. W. M. Druse of Sanderson.

Mr. Ivy was en route to Arkansas with his wife and friends when the pick up he was driving was hit by a school bus near Franklin. He was hospitalized at Marlin and Mrs. Druse went to his bedside Tuesday night. He died Friday morning.

Besides his wife, mother and father and the two sisters here, he is survived by four brothers and three other sisters.

Among those attending the funeral services from Sanderson were Mr. and Mrs. W. M. Druse, Mr. and Mrs. Troy Druse, Mrs. M. G. Northcut, Jr., and family and Mr. and Mrs. W. R. Turner and children.

Mr. and Mrs. D. F. Sudduth and daughters, Sue Ann and Kay Lynn, of Plainview arrived Tuesday for a visit with his brothers, W. W. and O. T. Sudduth, and families.

Eagles Take Clint For Easy Win; Meet Fabens There Friday

The Sanderson Eagles walked over the Clint aggregation here last Friday night by the stupendous score of 68-0. The Eagles gave their full squad plenty of action, but the Clint team was unable to curb the flight and went scoreless themselves throughout the game.

Probably what was one of the most freak occurrences on a gridiron happened at this game. The Eagles received the first kickoff and by employing the use of a wedge interference, Talbot carried

the ball 90 yards for a TD. The extra point was kicked by Wilkinson. Sanderson kicked to Clint and the ball went into the end zone and the Clint players stood and watched an Eagles cover the ball for the second touchdown. Thus two touchdowns, one by Sanderson and one by Clint netted two touchdowns for the local, Wilkinson converted the extra point for the Eagles.

The third Eagle score was on a short run by Roman Zepeda, the extra point again by Wilkinson. On a pass from Olivares to Vasquez the Eagles made their fourth score and Rosendo Silvas ran a punt return 70 yards for the fifth score. The kick was good for the extra point and the first quarter ended 34-0.

Eaglets Win From Marfa Lads 33-0; Pee Wees Lose Game

The Eaglets and peewees went to Marfa Monday for grid frays with like teams there Monday evening. The tiny-mights lost their game 19-0 and the Eaglets won their fray 33-0.

Elberto Escamilla made two long runs, one for 25 yards and one for 60 yards in the first quarter and Jose Maldonado passed to Ruben Ochoa for the third TD in the first period.

During the second period Maldonado passed again to Ochoa for 45 yards and a TD. Maldonado went through the middle of the line for about 4 yards and another score. Escamilla converted the extra point on an end run.

This was the only score of the entire game. Jimmy Talbot and Jose Maldonado were co-captains for the game.

Next Thursday, November 8, the juniors and peewees will play their last game of the season. The two teams will go to Fort Stockton to meet like teams from the Butz Elementary School. This is not the same school that played the Eagles here recently and won over the locals by such wide margins. A much better game is expected against the Butz school since the players are much more evenly matched in size and experience.

The peewees team gave a good account of themselves in Marfa Monday but were unable to come out on the top side of the score. The little lads are scrappers and have plenty of will to win and the lack of fear necessary to try and fulfill their will. They have been playing against much larger boys in most of their games this season but their fearlessness has been very noted.

H. C. England is coaching the peewees and Robert Carle is mentor for the juniors.

W. A. Davis To Be Resident Engineer For Highway Work

Word was received here last week, unofficially, that W. A. Davis, engineer with the State Highway Department office in Pecos, will be assigned to this area as resident engineer for the highway work to be done on Highway 90 and the stretch of farm-to-market road work north of Dryden.

Davis formerly was assistant engineer to A. W. Pope when he was in charge of the offices in Sanderson and moved to the Pecos office after the offices were closed here last year. Mr. and Mrs. Davis and their small daughter will move to Sanderson in the near future, it was thought, and the offices will be re-opened as soon as office space is obtained.

Mr. Davis stated last week that he will be here doing some field work prior to opening offices. It was learned that the work here would keep the engineer located in Sanderson for at least three years. Mrs. Davis formerly taught in the local system.

BAND BOOSTERS TO MEET TUESDAY NIGHT AT 7:30

The Band Boosters' Club will meet at the high school auditorium at 7:30 Tuesday evening. All members and interested parties are urged to be present.

During the third quarter Olivares ran 70 yards through the middle for a touchdown and the conversion attempt was good.

This was the only score in the second period.

During the third period Olivares again scored from about the 5-yard line and the kick by Wilkinson was good for the extra point.

In the fourth period Raul Flores went 38 yards for the eighth Eagles TD, then Olivares threw a pass to Joe Nesmith, good for 15 yards and the ninth score. Olivares scored on a 68-yard run for the tenth Eagles tally and the extra point was kicked by Mitchell.

In the statistics column Clint made 14 first downs to 4 for Sanderson. Sanderson made 408 yards on the ground to 290 for Clint. The Eagles attempted 8 passes, completed 7 for 158 yards. Clint tried 22 passes and completed 7 for 57 yards.

This week end the Eagles will go to Fabens for their most decisive game of the season against probably their strongest opponent. Fabens is undefeated in conference play and will be bidding as strongly as will be the Eagles for a continuation of conference games won and a chance at the district title. Fabens gained a wider margin in their score with Van Horn than did the Eagles, but as has been already stated in football circles, the Eagles were not up to par in their grid game against the Eagles. The fans and boys know that their grid game is of much superior quality than was shown that night and the boys are expected to display that superior quality when the chips are down against Fabens. The local boys have a long way to ride for the games this week and it sure is disappointing to go so far to get your ears beat down.

The conference 6-B standing is as follows:—

Team	Won	Lost	Tied
Sanderson	2	0	0
Fort Hancock	3	0	1
Fabens	3	1	0
Grandfalls	1	2	0
Van Horn	0	2	1
Clint	0	3	0

ANABELIA ESCAMILLA HONORED ON BIRTHDAY

Anabelia Escamilla, daughter of Mr. and Mrs. Raul G. Escamilla, was honored with a party Sunday afternoon in celebration of her fourth birthday.

An elephant pinata furnished the diversion for the occasion.

Punch, cake and cookies were served to fifty-two little guests.

Little plastic baskets filled with candy were given as favors.

Guests besides the children included several mothers of the little guests.

Miss Elfrida Ochoa assisted Mrs. Escamilla with the hostess duties.

LOCAL CHAPTER OF F. H. A. TO MEET

The F. H. A. area meet will be in Kermit on Saturday, November 3. The Sanderson chapter will have a part on the program, giving a short playlet on "Bad Manners in a Club Meeting." Lupo Cardenas will model her suit on which she was awarded the runner-up prize in the "Make It Yourself With Wool Contest" in Kerrville.

The girls of the local chapter this week packed and sent Christmas gifts to children in France.

AUTUMN THEME FOR GARDEN CLUB MEET SATURDAY

The seasonal motif was emphasized in the decorations, program and refreshments when the Sanderson Garden Club met Saturday afternoon at the home of Mrs. W. G. Downie.

Mrs. Duke Phillips discussed the "Fall Planting of Perennials" following a short business session when Mrs. R. M. Turner was welcomed as a new member.

Autumn leaves were arranged in a brass epergne with chrysanthemums, grapes and grass to form a centerpiece for the dining table. "Arrangement" calendars for 1952 by Helen Van Pelt were distributed to the members.

A cheese and corn and leaf topped the pumpkin pie which was served with coffee by Mrs. Downie to her guests during the social hour.

Those present were Mesdames O. T. Sudduth, Duke Phillips, J. Garner, J. J. Harkins, Jack Hinton, E. E. Farley, H. E. Ezelle, J. W. Pate, R. M. Turner, Norman Rath, C. W. Snowden, Phillips and Miss Bessie Pitts.

Dick Hamilton of Sierra Blanca visited here with friends Friday. He was en route to San Antonio to visit with his wife and her mother, Mrs. J. M. Bassett.

Brownie Scouts Have Hallowe'en Party For Birthday

To celebrate Girl Scout Birthday week and Hallowe'en, the Brownie Scouts had a party Monday afternoon at the Scout House which was decorated in Hallowe'en colors and motifs.

Following a story by Mrs. J. J. Harkins, the girls threw bean bags at a skeleton. A gypsy fortune-teller provided much entertainment.

A candle centered each chocolate cup cake which was served with orange soda water to the members and two guests, Marilyn Martin and Steve Harkins. Those present were blindfolded and drew the favors from a wishing well.

There were seventeen Brownies and three adults present, Mesdames Robert Carle, J. J. Harkins and J. A. Gilbreath.

Party For Girl Scouts Of Local Troop 5

Troop 5 of the intermediate Girl Scouts enjoyed a scavenger hunt Tuesday evening. The girls who were in Hallowe'en costume and masks, were divided into two groups, the Owls and Cats, and chaperoned by Mrs. Chester Boyd and Mrs. Olaf Hoggard for the hunt.

After meeting in the back of Fellowship Hall, bobbing for apples furnished diversion until refreshments of sandwiches, hot chocolate, and popcorn balls were served. The hall was decorated with balloons in colors of orange and black and a cloth in Hallowe'en motifs covered the refreshment table.

Mrs. W. A. Banner Hostess For Bridge Friday Afternoon

The Friday Bridge Club was entertained at the home of Mrs. Herbert Brown last week with Mrs. W. A. Banner as hostess. Attractive arrangements of roses decorated the party rooms.

Cold drinks and coffee were served to the guests upon arrival. Three tables of players enjoyed

the series of games with Mrs. Roger Rose winning the high score prize, Mrs. H. E. Fletcher, second high, Mrs. P. P. Courtney low, and Mrs. I. B. Rusk, slam.

The hostess served a salad plate with coffee to Mesdames James Kerr, A. H. Zuberbueler, S. H. Underwood, Hugh Rose, Floyd Smith, I. B. Rusk, Ora Quigg, Roger Rose, Herbert Brown, H. E. Fletcher, P. P. Courtney and Bustin Canon.

The name of the club has been changed to the Thursday Bridge Club and hereafter the meetings will be on the second and fourth Thursdays of the month.

Buffet Supper For Methodist M. Y. F.

Miss Mary Landon Rose and Sarah Pat Grigsby were hostesses for a buffet supper served Sunday

evening in Fellowship Hall to the Members of the Methodist Youth Fellowship.

The group enjoyed a song-fest following the supper and the meeting closed with a worship service

led by Donna Wooten. Seventeen members were present. Mrs. Olaf Hoggard is sponsor of the organization.

Office Supplies at the Times

Mr. and Mrs. Alfred Bend have moved to the W. R. Stenberg ranch. The Kerr rent house which they vacated, is now occupied by Mr. and Mrs. T. O. Ma and children.

90% For! 10% Against

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Time to settle...

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

END THIS QUIBBLING!

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employees and the railroads.

More Than 90% of Employees Accept
Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employees—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

Less Than 10% Refuse
But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employees. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen. What makes the whole situation so hard to understand is that these 140,000 operating employees are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

What Do the Railroads Offer?
They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

What About Wages?
Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of \$3.34 an hour (\$2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour (\$1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

What About "Cost of Living" Increases?
The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employees covered by signed agreements.

What About the 40-Hour Week?
The White House Agreement calls for the establishment of the 40-hour week in principle, for employees in yard service. The employees can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

What Else Do the Union Leaders Demand?
The continued quibbling of the leaders of the three unions has to do principally with rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—run which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse.

Rules Can Be Arbitrated
The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

The Industry Pattern Is Fixed
With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employees.

Bell-Blackwelder Wedding Saturday

Mrs. Ethel Blackwelder and George E. Bell of Sanderson were married Saturday in Del Rio at the home of Mr. and Mrs. H. Jones with Mr. Jones performing the wedding ceremony. The bride's daughter, Mrs. J. Bailey Dunman, and Mr. Dunman attended the couple. Mrs. Bell wore a black suit with light blue blouse and navy accessories. Her flowers were pink carnations. Mrs. Dunman wore an orchid dress with green accessories and her flowers were yellow roses. Mr. and Mrs. Bell returned to Sanderson Monday and will make their home here for the present. She is employed as a driller on the Phillips well and she has been employed as night clerk at the Turner Hotel for several months.

Methodist W. S. C. S. Observing Annual Week of Prayer

Mrs. Eva Billings, spiritual life chairman, was leader of the program for Quiet Day Monday in observance of the Week of Prayer by the members of the Methodist Woman's Society of Christian Service. A service was held in the morning and again in the afternoon at the church.

Mrs. Olaf Hoggard was organist for the music during the worship service. Mrs. H. E. Szelle presented the four subjects to receive the special offering of the week and a contribution was made by the local group.

Guests of Mr. and Mrs. Sterling Forth last week end were his brother and sister-in-law, Mr. and Mrs. Dean Forth, and her father, Walter Dent, all of Del Rio.

TEA AT WORD HOME HONORS MRS. McADAMS

Mrs. O. H. McAdams, who is moving to Round Rock next week was named honoree when Mrs. James Word entertained with a tea at her home Thursday afternoon.

Beautiful floral arrangements were in evidence throughout the Word home with different seasonal blossoms and color schemes noted in every room.

In the receiving line with Mrs. Word and Mrs. McAdams were Mrs. F. W. Erwin of El Paso and Mrs. McAdams' daughter, Mrs. Frank Warren. A corsage was pinned on each guest after they were directed to the living room where Mrs. R. G. Stegall was in charge of the guest book.

A color scheme of brown and gold was noted in the dining room where gold candles flanked the huge gilded chrysanthemums that formed the centerpiece for the lace-covered tea table. An arrangement of small bronze mums was on the buffet. Tea and coffee were served from the silver service at one extremity of the table and the apple sauce cake from the other. Sandwiches, salted nuts and mints further emphasized the color scheme, also the gold napkins.

Other ladies who took alternate turns at serving included Mesdames J. C. Mitchell, James Kay, A. D. Brown, W. J. Ferguson, T. R. Arrington and George O'Neill.

Other members of the house party were Mesdames Hattie Lowrance of Fort Stockton, Gene Thompson, Clarence Chandler, W. C. Wright, C. P. Finley, Hal Tyler, Jimmy Hatchell and Misses Elizabeth Brown and Janie Turner.

Pictures were made during the tea hours from three to six when approximately one hundred and fifty guests called.

MRS. CURTIS LITTON HAS MAJOR SURGERY THURSDAY

Mrs. Curtis Litton is reported to be recovering satisfactorily from a major operation performed last Thursday in a Del Rio hospital.

The Litton girls are at Carta Valley with their grandmother and Mrs. Litton will join them there for a few weeks before returning to Sanderson after she is able to leave the hospital.

Hallow'en Party Saturday By Young Set At Spears Home

Misses Carolyn Spears and Sarah Pat Grigsby entertained a group of young people with a Hallow'en party Saturday night at the Spears home. A huge bonfire was in the yard for the hostesses to greet the guests who were immediately blindfolded and led to the garage where a red-robed figure with devil's mask executed a bit of hokus-pokus in and out of the window and down the slide, until the guests were finally ushered into the party rooms.

A gay Hallow'en scene set the stage for an evening of dancing and games for diversion. Jack-o-lanterns, serpentine, noisemakers and other Hallow'en motifs provided the decorations.

To the mystification of some of the guests and dismay of others,

two beautifully - costumed and masked ladies of the gay '90s appeared on the scene and caused much hilarious excitement.

Cookies and punch were served throughout the evening and chicken tamales were served at a late hour.

The young hostesses were as-

sisted in entertaining by their mothers, Mrs. R. V. Spears and Mrs. W. H. Grigsby, and Mr. and Mrs. Jack Turner and Mrs. M. W. Duncan. There were thirty guests.

Miss Betty Frazor returned to Fort Stockton Monday after a visit with friends in Dallas for sev-

eral days and came to Sanderson to visit with her parents, Mr. and Mrs. W. F. Frazor, returning to Fort Stockton Tuesday.

Mr. and Mrs. Robert Lochausen and children spent the week end here with his parents, Mr. and Mrs. J. H. Lochausen.

A Message of Importance

★ ★ ★ *To Every Automobile Driver* ★ ★ ★
In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1 Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2 What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3 You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4 It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5 What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.
