

America is a land where a citizen will cross the ocean to fight for democracy—and won't cross the street to vote in a national election.
—Bill Vaughan

Have You Noticed It?

I am referring to what is happening to a lot of our traditions. They seem to be dropping by the wayside in this hectic race for survival.

The latest run in with a discarded tradition which I bumped into concerned the Thanksgiving turkey.

I can remember the times during my days on the farm when the turkey on Thanksgiving was considered a must. In fact, I have no recollection of there being a time when there was not at least one pair of turkeys around the farm.

Last week, I started looking for a turkey to try to capture an image on film which would look something like the picture on this page. Guess what I discovered.

I spent the better part of two days searching for the big birds before I got a good lead. I found that turkeys seem to have gone the way of the strawberries—into the freezer.

I finally called Mrs. Joe Lewellen who owned a couple of turkey hens—according to the best information I could gather. Sure enough, she had them, but they were molting.

But we still have her and providence to thank for the picture shown on the right. She knew that one of her neighbors had a couple of tom turkeys. She was kind enough to call Mrs. Ivie and arrange for the use of the turkeys.

While I'm at it, I must say that young Jody is not in the least bit intimidated by the big birds. He would grab the feed pan or a handful of feed and run right up to the turkeys and stick the feed under their beaks.

But back to the subject. It seems to me that we should strive to keep our traditions in better shape. I don't mean that everyone should run out and start raising a Thanksgiving turkey. I am not only referring to the turkey. By traditions, I mean to include, Santa Claus and green trees at Christmas, firecrackers on the Fourth of July, and the Easter bunny and Easter egg hunt on Easter.

I could fill the rest of this column with traditions which seem to me to be losing their high standing of a few years ago. But I won't. You know what I'm referring to. If you don't, there's no use wasting my time and yours.

In the early days of our country—back where some of our traditions were begun—other countries were able to boast of great accomplishments in their past and refer to a long and proud history.

Americans were different. They did not have a part to look at except as a part of another country. So, when Europeans said "look what we have done," Americans said "I look what we are going to do."

We are not such a young country any more and it is time to ask ourselves if we have done the things which our forefathers set out to do—what they anticipated when they said "look what we are going to do." It will take more than this newspaper to answer this question. Only you—the people—can do this.

If you think we have lived up to expectations, Thanksgiving—and every other day for that matter—is a good day to be thankful.

One of the things which we—and our ancestors—have done over the years since the country was formed is to begin several practices which I consider traditions. I must ask myself if one of the things which "we are going to do" is to let these practices fall by the wayside. I hope not.

It doesn't seem to me as if the entrance of a "New Frontier" should be any reason to drop a tradition. Sure, I've heard that there is now a marketing order on turkeys. But that doesn't keep a farmer from having a turkey on Thanksgiving—does it?—or a city resident either, for that matter. Think about it.

ANYTHING ELSE MR. TURKEY? . . . Jody Lewellen, 2-year-old son of Mr. and Mrs. Joe Lewellen, 4 miles north of Friona, offers a fist full of feed to one of the strutting tom turkeys on the Rosco Ivie farm nearby. The turkeys in the picture didn't really have anything to fear this Thanksgiving but they didn't seem to be taking any chances with strangers. Our photographer

could not get close enough for a satisfactory shot before the big turkey would stop his prancing and duck away so we took the liberty of photographically moving Jody closer to the turkey in one of the prints. The turkeys scheduled for the Thanksgiving table were in a pen nearby.

Chiefs Grab First Win Of Season

The Chieftains started their basketball season in style Friday night by trouncing Sudan 46 to 35 and by winning their first opening game in three years.

The entire Friona squad was "tremendous," but if a person had to pick a man of the hour, Gary Snead would be the logical choice. Sudan edged ahead of Friona 35 to 31 in the first of the fourth period. Snead "went wild" and began a brilliant display of controlled dribbling and driving in under the basket for lay-up shots to bring the Chieftains back into the lead where they stayed for the remainder of the game.

"Tommy Sanders and Jim Lillard could only be described as tremendous on the rebounds," Coach Vernon Scott said afterwards.

The Chieftain dressing room was a scene of pure bedlam after the game with every player "jumping for joy." The comment, "they've gone crazy," could have applied, perhaps, had it not been the first victory for the Chiefs this season.

Snead's driving plays and accurate shooting piled up 23 points and landed the high scoring spot for him. Lillard was next with 6 points.

The Chieftains will meet the Morton squad here Tuesday. Tickets that were sold for the girls' benefit game Nov. 14 will be honored for the Tuesday games.

Friona made 63 per cent of their free throws as compared with 54 per cent made by Sudan.

'B' TEAM GAME

The Friona 'B' team also emerged victorious in their battle over the boards with the Sudan 'B' squad. After a breath-taking period of seesawing back and forth, the score showed 34 to 31 as the final buzzer sounded.

Larry Buckley made the most points with total of seven Jimmy Snead was second high scorer with six points.

The 'B' team consisted of seven freshmen, three sophomores and one junior. They are, Larry Buckley, Danny Murphree, Jimmy Snead, Milton Hargus, Jackie Clark, Dale Milner, Jerry Cass (freshmen), Gary Renner, Bob Welch, S. D. Batze (sophomores), and Dwight Bates (junior).

"We are playing the freshmen with the 'B' team to give them the benefit of additional experience. We are going to have to count on them next year," Coach Bob Adams said. "We will lose four of the five varsity starters next year."

Chamber Orders New Christmas Decorations

Friona will have new street decorations this Christmas.

The Chamber of Commerce directors ordered 25 strands of permanent type aluminum foil decorations to add color to Friona's streets at their meeting last Friday night in the Production Credit office.

The decorations will be in silver, red and green colors and will carry a five year guarantee.

The directors decided to sponsor drawings for between 20 and 30 turkeys on both Dec. 9 and 16, Martell LeVeque Chamber president, said.

Tickets for the drawing will be distributed by Friona merchants on the designated days only. Drawings will be conducted by the Friona Jaycees at 4 p.m. on the Saturdays in the City Park.

Merchants who wish to participate in the drawings and have not yet notified the chamber should call LeVeque for additional information.

A miniature train is scheduled to arrive in Friona on Dec. 2, LeVeque reported. The train is mounted on rubber wheels and will be used to furnish free rides around the park for all children "from six to sixty" that day. The train is being furnished by the Santa Fe Railroad.

The Chamber will also distribute quantities of Christmas decorations to the designated days only. Drawings will be conducted by the Friona Jaycees at 4 p.m. on the Saturdays in the City Park.

—WHAT DOES IT MEAN TO YOU?—

Thanksgiving

What is Thanksgiving?

To many people, it is just another day away from the office. To others, it is a day of feasting.

To some it is just an American Tradition.

Still others look upon it as just another day in a long year.

To the captive peoples of Europe, it is another capitalistic holiday.

And they are all right. But Thanksgiving is more.

It is the most American -- the pure American -- holiday.

It was begun by Americans, for Americans -- And it didn't start as the result of war, conflict, strife, pain, sorrow and death.

Thanksgiving was set aside by our Pilgrim fathers as a day in which they could give special thanks for the bountiful crops and game which they reaped in this country. It was a day of special meaning.

It is a day in which all farmers should remember their ancestors' intentions in beginning the tradition, compare their position with other farmers in other countries and give thanks for the blessings which they receive in this country.

The people in the cities, industries and factories should also stop and think about the meaning of Thanksgiving. They too, should give thanks for the wonderful land and bountiful crops. If there were no bountiful crops, there would be fewer cities, industries and factories for them to work in. There would be fewer jobs and more hungry people.

Everyone should be especially thankful that we, our way of life, our nation and world have been preserved for another year.

Thanksgiving was intended as a day of thanks. Let us keep it that way.

Thanks for all that we have received.

Thanksgiving Assembly Set

The first four grades of the primary school will have a Thanksgiving assembly program today at 2 p.m.

School will be dismissed at 3 p.m. Wednesday for the holiday. Farr, superintendent, announced. Classes will convene again next Monday.

Religious Survey Plans Completed

Final plans have been made for the Friona area-wide religious survey which will be conducted the first week of December.

According to Audye M. Wiley, director of the survey and chairman of the zoning committee, the area has been mapped out according to the Friona School District. Zones are planned so that two people will be responsible for 20 homes in the country or, if they choose a zone in town, there will be 30 homes in the zone.

An instruction meeting, led by Billie T. Hargrove of the Southern Baptist Home Mission Board, will be held Friday, Dec. 1, 7:30 p.m. at the First Baptist Church for all volunteer workers. Then Sunday Dec. 3 from 2 to 5 p.m. the area will be canvassed. A nursery will be provided at First Baptist Church.

For all who wish to use it, there will be a copy of the survey card printed in next week's

paper. It may be filled out and left on the door.

The survey, the largest ever taken in Friona, is sponsored

The Squaws edged ahead of Sudan's basketball team to win their season opener 52 to 50 Friday night.
 The Friona girls jumped ahead 10 points in the first quarter but were only one point ahead at the half. Sudan squeezed ahead four points in the third period and the score seasawed back and forth in the fourth quarter.
 Starting forwards were Su-Zan Harper, Linda Castle-

berry, and Pam Roden. Miss Harper was high scorer with 20 points.
 Janet Buckley was second with 19 points.
 Starting guards were Sandra Hoover, Jimette McLean, and Kay Burleson. Leading rebounder was Miss Burleson with ten recoveries.
 "Sandra Hoover received the highest grade for the overall game," Coach Baker Duggins said.
 "If we were playing for the District Championship now, we would be 20 points weaker than our opponents, but by the time we play them, we are going to be stronger than they are," Duggins commented.
 Coach Jay Wilson and thirty members of the seventh and eighth grade girls basketball teams journeyed to Muleshoe Monday evening for opening games of the season for both teams. The two teams emerged victorious by comfortable margins.
 Final score in the seventh grade contest was 19 to 10. At the end of the first quarter the Squaws were trailing the Mulettes by three points, but early in the second period of play they were able to get ahead and never lost the lead again.
 Starting forwards were Sue Rogers, Cindy Ingram and Lou Cochran. Ruby Judkins, Martha Martin and Judy Shirley started at the guard posts.
 Other members of the squad are Linda Fallwell, Lydia Buske, Kathy Jones, Betty Taylor, Diann Gibson, Glenda Mingus, Darla Howell, Brownie Cole and Shirley White.
 Sue Rogers was high scorer with eleven points. Cindy Ingram and Lou Cochran were successful in making two field goals each.
 In the first few seconds of the eighth grade game, Lenore Jackson, who was high scorer of the evening made two points for the Squaws. After losing the lead in the second quarter, the local girls were on the little end of a 13-11 score at the half.
 Starting forwards, in addition to Lenore Jackson, were Janet Rushing and Frieda Floyd. Starters at the guard posts were Sharon Houston, Willie Grace Grubbs and Lyndia Chandler.
 Others seeing action in the game were Phyllis Holcomb, Monte Sue Welch and Lorene Jackson, forwards; and Rita Collier, Janet Stevick and Arletta McClellan, guards. Sandra Beene, Sarah Ann Fallwell and Cecelia Jones complete the eighth grade roster.

Study Club Donates Anesthetic Machine

A second anesthetic machine was purchased by the Hospital Auxiliary recently.

The new, \$1,000 machine was purchased with the proceeds from the Auxiliary Rummage sale and television rentals at the hospital.

A mixture of oxygen, nitrous oxide, and cyclopropane are on the machine. It is capable of rendering a person unconscious within 30 to 60 seconds, according to hospital anesthetist, Ellnor Pipes.

"The new machine will allow us to use two machines at the

same time when they are needed," H. E. Barnett, hospital administrator, said.

"We have had a couple of close calls in the past because we did not have a second machine," Dr. Lee Cranfill added.

The machine is mounted on its own roller base and has a carbon dioxide absorption chamber to remove the impurities from the air breathed out by the patient. After the air is filtered through the chamber, it is regenerated and breathed by the patient again.

NO INSOMNIA NOW. . . Anaesthetist Ellnor Pipes demonstrates the operation of the new closed circuit, carbon dioxide absorption, anesthetic machine to Mrs. Paul Spring, president of the Hospital Auxiliary. The machine was recently purchased for the hospital with the proceeds from the Auxiliary rummage sale and hospital television rentals.

FFA Wins Two First Place Spots

Both the Junior and Senior FFA Farm Skill teams brought home a first place banner from the area competition in Plainview Saturday.

The teams used the same farm skill demonstration that was used by the Friona teams last year. They demonstrated the construction of an electric fence.

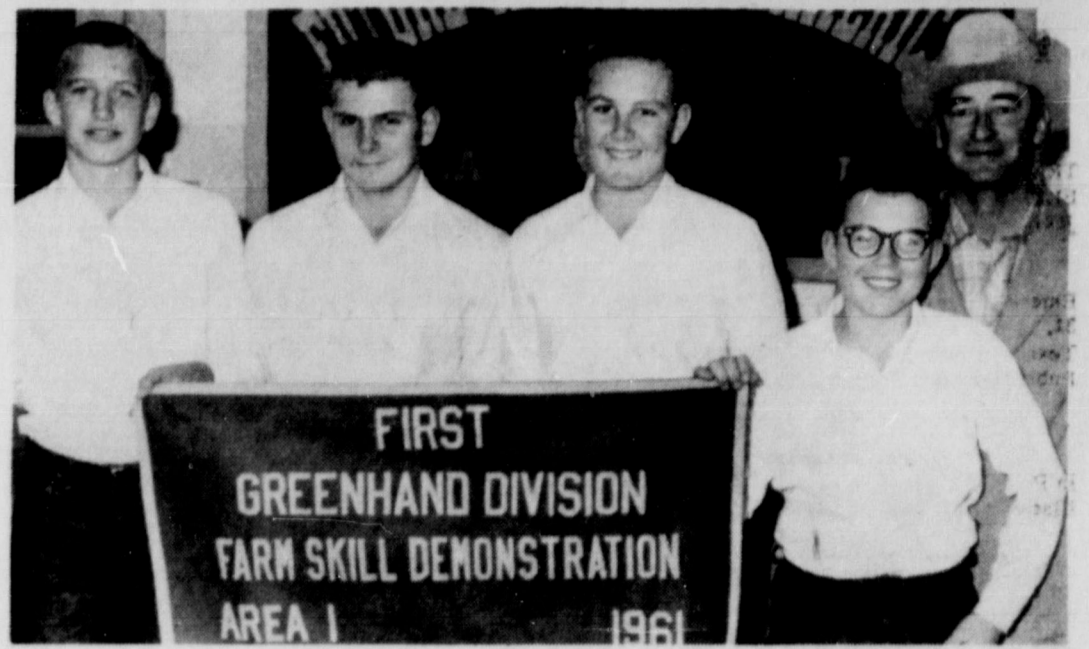

"This is the first time that both the junior and senior teams have won a first in area competition that I can recall," J. T. Gee, primary principal and past agriculture instructor, said.

The teams will pit their skills against teams from nine other teams in state competition Dec. 2. The Friona teams will represent the 98 schools in this area.

The senior team won third in state competition last year.

"I think that with a little luck, we will win a banner in the state event," David McVey, instructor said.

Mr. and Mrs. Kirby Williams of Anton visited in the home of her parents, Mr. and Mrs. Johnny Hand and Wesslie, Saturday and Sunday.

UF Campaign Aids Local Organization

The local unit of the Salvation Army will receive \$300 of the \$900 quota from the 1961 United Fund Drive this year.

The charitable organization is one of the interdenominational units which is included in the campaign and represented by a unit in Friona.

"One reason for having a unit in Friona is that the Salvation

Army receives a 25 per cent discount on bus tickets when the need arises," Frank Spring, secretary, said.

The local unit finances a week of summer camp for two boys each year in addition to other work in the area.

Some of the activities of the Friona unit during the past year include: Eight orders of groceries for a total of \$68.10; Two water bills for \$20.28; Clothing for three people for \$61.86; Six pair of shoes for \$25.21; Medicine for two persons for \$11.58; Bus ticket and phone call for \$13.10; One refrigerator for \$5; and sending two boys to camp for \$24.

A total of \$234.64 were used in assisting 23 local persons. In addition, \$65 were dispensed in helping 30 transients.

Mr. and Mrs. Luke Wilson of Plainview were guests in the home of Mrs. Ella Faye Holcomb, Peggy and Phyllis Saturday, Sunday and Monday.

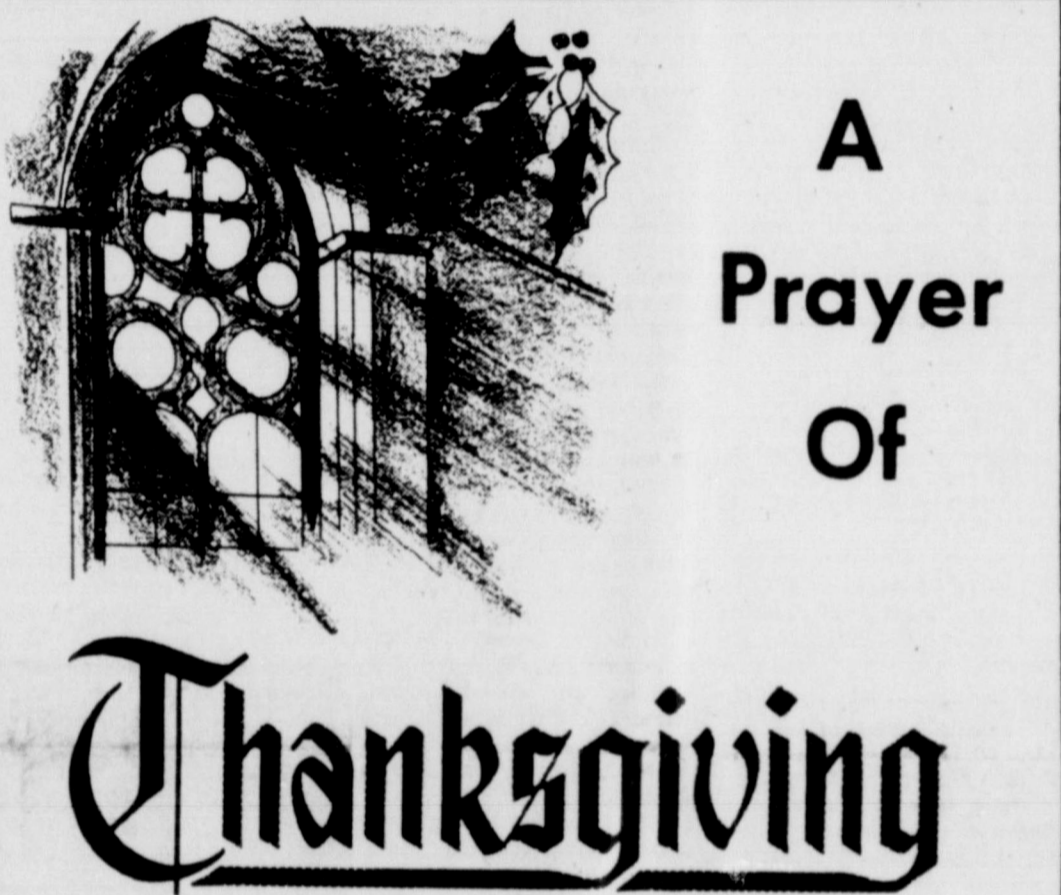

Mrs. George Anderson Sr. of Dallas is visiting with Dr. and Mrs. George Anderson through the Thanksgiving holidays. She is the mother of Dr. Anderson.

Locals

Mr. and Mrs. G. E. Reed were Sunday visitors in the home of Mr. and Mrs. John Davis of Brownfield.

Mr. and Mrs. Glen Stevick and daughter, Sally, left Friona Sunday to go to Dallas where Sally will have a heart check-up. Before returning home the Stevicks will visit relatives in Palestine.

Capt. R. N. Ginsburg, Friona, National Guard officer from Lubbock Battery attended a dinner and ceremony for the honorary retirement of General Carl L. Phinney in Austin Saturday and Sunday.

A Prayer Of

Thanksgiving

Lord God, we give Thee thanks this day.

Humbly, in our simple way,

For the gracious gifts which Thou

Hast designed so richly to endow--

For life--for every passing minute--

For this, Thy World, and all things in it!

We give Thee thanks, Dear Lord, for these--

The green beneficence of trees,

The kindness of rain, the birth

Of springtime from a barren earth

The earth that bears the bread we break

In gratitude for Thy sweet sake.

We thank Thee, Lord, for healing song,

For courage, wise and tall and strong;

For all the laughter and the tears

That mold the pattern of our years;

For truth and trust and constancy,

For faith that lets us lean on Thee!

We give Thee thanks for ears to hear,

For feet to tread Thy pathways here,

For hands to touch, and lips to sing

Thy name in every lovely thing--

For friendship with our fellowmen--

But mostly for Thy love.

Amen.

Capacity Crowd Sees PTA Show

A near capacity crowd attended the presentation of the P.T.A. sponsored Variety Show in the auditorium Monday evening.

Before close of the program, Mrs. Doyle Cummings, president of the local unit, announced that \$474.75 cash had been reported from ticket sales.

selling committee had not made final reports, so it was hoped that the \$500 goal would be reached when final tabulations were made.

Proceeds from ticket sales are to be used for purchase of a controlled reader and necessary equipment for its use in the third and fourth grades.

One of the highlights of the program was a number presented by Mr. J. T. Gee, elementary principal, and his Kitchennettes. Mr. Gee, with a rolling pin for a baton, directed

the band, whose members were elementary teachers with kitchen aprons and utensils for instruments.

His parting remark, "Now, I've done everything," brought roaring cheers from the audience.

Pete Mace, a high school teacher, presented a monologue, "The Pee Little Thrigs."

Hillbilly numbers were presented by Mrs. Raymond Cook and Mrs. Earl Hise, two feudin' and fightin' neighbors, and Truett Johnson and Bill Wooley, two buddies from Hornwallow.

Vocal selections were presented by Mrs. W. M. Beene, Mrs. Lee Witten and Rev. Bill Burton, soloists, and a quartet composed of Forrest Osborn, Herbert Day, Frank Claborn, and Wayland Ethridge.

Teams presenting comical skits were Phyllis Sanders and Gertrude Renner and Cherry Mingo and Betty Renner.

A brief demonstration in the art of ballet was given by the "Boopsie Daisies," Alton Farr, Preach Edelman, Guy Riggs, Vernon Scott, Kenneth Miller and Bob Coleman.

Latest styles in wearing apparel for the beach, on the ski run, in front of a pep squad, a formal evening appearance, on the tennis court and at home were modeled by Deon Awrey, Hollis Horton, Danny Mac Bainum, Marty Martinez, and Fred Barker Jr.

The act which generated the most sustained and loudest applause was the jazz combo, "The Dark Town Strutters." Leading the group was Pete Mace on the Coronet. Wayland Ethridge played the piano and Reggie Hays pounded the drums.

Barbara Mace gave an interpretation of the light colored, New Orleans Negro jazz fan. Frank Claborn sang "Sentimental Journey" and assisted Mrs. Mace in creating the true atmosphere for the setting. All were made up to resemble the Negro jazz atmosphere.

Mrs. Cummings made the following statement, "We are so grateful to everyone who helped make the program the success that it was. So many people did so much that it would be impossible to enumerate all of them, but we do appreciate the cooperation we received."

Members of the executive committee voted to send Mrs. Cummings to the state convention at Houston next week and she says, "I deeply appreciate this gesture of confidence and wish to express my sincere thanks to them for sending me."

Lease of one royalty rights on one labor of Farmer County School land in Gains County to F. W. Holbrook was approved.

The Commissioners also approved the minutes for the previous meeting and agreed to cancel the penalties and interests on delinquent taxes on one acre of land which is being purchased by the Farwell Baptist Church, subject to the completion of the transaction.

Come To Church Sunday

Tradition speaks of the martyrdom of most of the Apostles, saying Matthew was killed by the sword, Thomas shot with arrows and put to death with a spear, and Peter crucified head downward. Many early Christians suffered martyrdom.

We wonder sometimes why this should be the lot of many heroes of faithmen in whom dwelt the spirit of Christ. They could not keep silent, for they had experienced the love of God. Torture and persecution could not stop them from proclaiming the good news of the redemptive power of Christ.

This long line of heroes of faith along the march of time stands as a challenge for all Christians today. There is a great need for spreading the gospel of Christ to those in the world who still live in darkness. As Christians we can be missionaries in our own spheres of life.

Banquet Honors Football Teams

Members of the Friona football teams, their dates and guests gathered in the cafeteria Saturday night to open the annual Football Banquet. Mothers of the team members served 82 at the semi-formal affair. The banquet is sponsored by the mothers and is financed with proceeds from the concession booths at the games.

Floyd Reeve served as toastmaster at the event. Mrs. John Renner delivered the welcome after the invocation by Raymond Cook, high school principal. Re-

sponses were given by Gary Sneed and Max Reeve.

Fete Mace provided the light side of the banquet with a comical discourse on "The Wide Road To Freedom," or "How To Get Rid Of Your Teachers." His varied instructions on this subject kept

the audience in stitches but he thought to add at the end of his address that he would not have given such advice if he thought the students present

would follow it. Alton Farr added to the light side with satirical comments about several of those present (perhaps untrue but much to the

enjoyment of the crowd). Mace and Miss Karen Turner provided musical entertainment.

Coach Kenneth Miller left the gathering with three thoughts to remember. "It is not how many times you are knocked down, but how many times you get up; it is better to have tried and failed than no to have tried at all; and it is not who wins or loses, but how you played the game that counts," he said.

Don't lose your life by a couple of feet.

SO MUCH TO BE THANKFUL FOR..

A hearty turkey dinner, with friends and loved ones around us -- these are the traditions of Thanksgiving. Since that first Pilgrim feast, Americans have had much to be thankful for, in their whole way of life, with its God-given abundance and hard-won freedom. As we prepare to observe Thanksgiving 1961, we join all Americans in heartfelt thanks for the great blessings bestowed upon this nation . . . and we extend to you and yours, our sincerest wishes for a happy holiday.

Mr. and Mrs. Loyd Stephens of Muleshoe announce the engagement and approaching marriage of their daughter, Karen, to Jarrell Wright, son of Mr. and Mrs. John Wright of Friona. Wedding vows will be exchanged December 31 at 3 p.m. in the West Camp Baptist Church of Muleshoe. Friends and relatives of the couple are invited to attend.

Girl Scout Troop 144 Visits Lubbock Troop

Mrs. Bob Riethmayer and Mrs. Ralph Wilson accompanied Girl Scout Troop 144 members to visit Scout Troop 100 in Lubbock Friday and Saturday.

Friday evening activities included a chili supper prepared over an indoor fireplace and a slumber party in the home of Mrs. Lloyd Harris. Entertainment was presented by Troop 100 giving a skit of "Johnny

Comes Marching Home." The group also participated in singing and doing pep yells followed with a "get acquainted" session.

Saturday morning the girls prepared breakfast and made field trips to points of interest in Lubbock. Highlight of the field trips was a visit to the Museum and Planetarium on Texas Tech campus.

A tour of the Airport terminal completed their activities. This included an inspection of a Viscount turbo-jet made in England.

Girls making the trip were Linda Fallwell, Shirley White, Becky Turner, Glenda Mingus, Martha Martin, Kathy Jones, Vicki Moorman, Lou Cochran, Carolyn Kirby and Cindy Ingram.

This troop was also recent guests at the local airport and were given a plane ride as a courtesy of Elvie Jennings. The girls have completed their airplane badge.

Luncheon Honors Special Guests

Special guests at a luncheon given by the T.E.L. Class Thursday were the member's husbands.

Mrs. Roy Miller, teacher, presented a lesson preceding the covered dish luncheon.

Attending were Mr. and Mrs. Paul Fortenberry, Mr. and Mrs. Jay Sanders, Mr. and Mrs. Joe Douglas, Mr. and Mrs. Ray Ladrum, Mrs. T. A. Williams, Mrs. Ross Terry, Mr. and Mrs. Roy Miller and Mr. and Mrs. Bill Burton.

Massey Plays In Bowl Game

Tommy Massey, son of Mrs. Elaine Massey of Friona, freshman at Panhandle A & M College at Goodwell, Okla., is one of the great defensive tackle players on the Aggie team this year as stated by Coach, Oscar Williams.

By edging the Central Oklahoma State Bronchos, 27-26, in Edmond last week the Aggies won their right to play in the Oklahoma All-Sports Bowl, December 9, in Oklahoma City.

The Aggies have scored a total of 319 points in 10 games.

Panhandle finished the season with an 8-2 record, losing only to Langston and Morning-side College. Langston Cowboys will be their opponent in the bowl game to be played in the Taft Stadium with a seating capacity of 25,000.

THE HIGH PLAINS FARM AND HOME

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

GRAIN GRABBERS . . . Elvis Powell tightens a final bolt on the Heaton attachments on the combine. He, like most of the Farmer County farmers will be forced to use the Heaton's to complete the harvesting of his remaining grain when the

fields dry out enough to start combining. Powell has about 30 acres two miles east of Clay's Corner yet to be cut. His yield was averaging about 6,000 pounds per acre before the snows stopped operations.

Elevators Report Grain Yields Are Best Ever

Grain sorghum harvest in Farmer County has been seriously hampered by the continuing rain and snow during the past three weeks but yields are the "best ever," according to reports from county elevators.

Estimates on how much of the grain still remains in the fields ranged from 35 per cent to 5 per cent. All the elevator spokesmen agreed that the recent snows would be credited with destroying from 10 to 25 per cent of the grain still in the fields.

As for comparing the current yield with the past year, most everyone agreed that any direct comparison would be almost impossible because of the damaging hail last year. But, production per acre was considered to be relatively higher than last year.

A breakdown of the reports from sections of the county is as follows:

FARWELL

Herb Potts at Worley Grain Co. estimates that yields are higher than last year with the average in his area near 5,500 pounds per acre. He reported that the harvesting is about 80 per cent complete in that area and that about 50 per cent of what is still in the field is down after the snows last week.

Joel Tankersley at Golden West in Texico also reported average yields of 5,500 pounds with some fields as high as 9,280. He estimated that the harvesting was about 75 per cent complete in the area.

"The majority of the yields are better than last year but there has been a lot more fertilizer, water and other chemicals added this year," Tankersley said.

BOVINA

Jim Russell at Bovina Wheatgrowers reports that the harvesting in that area is about 90 per cent complete. "The yield is slightly higher than last year, but the difference can probably be accounted for by what was knocked out by the hail last year," he added.

Norma Embry, bookkeeper at Macon Elevator, reported that the information she had indicated that yields were ranging from about 5,400 to 7,000 pounds per acre.

Joe Moore at Sherley Grain Co. also estimated that the

harvesting of grain was about 90 per cent complete in that area.

"We are having some exceptional yields this year. Some fields are running over 9,000 and there are some that are averaging 8,000 straight across," Moore said. Most is averaging about 7,000 pounds per acre.

Moore estimates that about a third of what is left in the field will be "hurt bad."

FRIONA

Harold Taylor at Friona Wheatgrowers reported that the average yield was about 7,000 with a range of from about 4,000 to 9,000 pounds per acre.

Harvesting in the Friona area was estimated to be about 80 to 85 per cent complete, although many of the farmers north of Friona have yet to begin cutting.

"A lot of the farmers have just barely started cutting," Taylor said. Gordon Hough (6 mi. North of Friona) reported that about 75 per cent of the 40 acres which he has in the field is down after the snow.

Preach Cranfill at Continental Grain estimated the yield in his area at around 6,000 pounds per acre. This is about 1,000 pounds per acre above that reported last year.

BLACK

Representatives of three Black elevators agreed that yields were considerably higher to date than those of last year.

Paul Fortenberry of Black Grain reported a high of about 9,000 with a low of around 6,000 pounds per acre.

BROKEN STALKS . . . E. T. Ford checks his grain field after the heavy snows last week. His, like a good portion of the late maize in the county, has begun to fall. A spot check showed approximately 60 per cent down on the north side of the field, about one and one-half miles north of Clay's Corner, Friday. About 40 per cent of the maize over the 58 acres has fallen. Ford expects to be able to recover almost all of it if the weather will clear off soon.

estimated that the harvesting was only about 65 per cent complete in that area, but that yields were considerably higher than last year.

Lloyd Prewett at Prewett Grain said that "yields are higher than ever."

"Several farms are averaging near 7,000 and some are making 7,500 and 8,000. And it is a good grade of grain, too," he commented. Prewett reports about 30 per cent of the grain still in the field and is afraid that about 25 per cent of this will be lost because of the snow.

Tulon White of White's Elevator sets the average yield at 5,750 for his area. He reports that harvesting is about 75 per cent complete and anticipates losing about half of what is still in the field.

O. L. McMurtrey at Hub Grain figures that the average yields are running around 7,000 pounds with spots as high as 9,500.

Kenneth White at Sherley-Anderson in Larlet estimates that harvesting there is between 92 and 93 per cent complete. The average yield is a little over 5,000, he reports.

"Most of the farmers seem to think their yields were a little better than last year," White said.

FRIONA MOTORS
Grand & Highway 60 Friona, Texas

Thanksgiving Day is here once more. Are we as thankful for our material blessings as we should be? Did our forefathers wait until they had "everything in the bag" before they stopped to observe a day of thanksgiving and prayer?

It is rather difficult for most farmers in and around Friona to generate much enthusiasm about this murky weather we are having. Too many crops are still in the field and the weather man just hasn't cooperated at all during the month of November.

In spite of the weather, though, most Frionians will be enjoying the day and giving thanks for the bountiful crops. Just about everyone is going some where or having company. It would be real good if each of us would take time to list and meditate on the things we have for which to be thankful every day in the year.

Friona basketball players were really on the ball in the opening games of the season. If I'm not confused, every Friona team won the first game.

For a number of years Friona has been known over the area as a "basketball minded" town and apparently there is reason for this. At the seventh and eighth grade girls games in Muleshoe Monday evening the Friona fans outnumbered the Muleshoe fans by far.

This seemed rather odd due to the fact that many Frionians present for the games had parts in the P. T. A. sponsored Variety Show the same evening or were interested in attending the performance.

Attendance at the games is particularly difficult for some parents who have two children playing the same evening at different places. The Jack Shirleys had to make a decision to see the seventh grade game at Muleshoe or the eighth grade game at Friona. Their daughter, Judy, is a guard on the seventh grade team and son, Jesse, plays on the eighth grade team.

Coin flipping may have to be resorted to solve some such problems. Or, a staggering of games might work. In spite of all the difficulties encountered, you can generally count on a good representation from Friona wherever a basketball game is being played.

I've known for a long time that Lowell Bynum was a top notch band director, but didn't know until last night that he has a lot of other talent, too.

If he ever decides to stop directing bands, he will make a fine master of ceremonies for a radio or television station. As emcee for the variety show, he did a fine job and is to be commended.

A lot of Frionians, including the writer of this column, learned a lot about talent possessed by adults in our community that isn't used often enough.

All of the talents displayed in the Variety Show just goes to prove my conviction "If you want anything done, there is someone here who can do it. If we can just locate him or her."

Think it was a Greek myth that taught some animals recorded knowledge gained by wrinkles in their horns. This being true regarding humans, several Frionians got "new wrinkles in their horns" last week.

Mrs. Gladys McVey, one of the favorite third grade teachers of the Floyd family, passed this bit of information on to me. In reality we have eight or maybe more seasons.

On an exam Mrs. McVey asked the following question: What are the four seasons. As she graded the papers, she came upon this answer. "Duck season, deer season, bear season and fish season."

Since neither Gladys nor I knew about the variety of seasons, maybe some of the readers of this column haven't known about it before, either.

Happy Thanksgiving to all of our readers from the entire staff of the Star. Have a nice holiday weekend and remember to phone 2291 and tell us about it early next week.

A man who has work that suits him and a wife whom he loves, has squared his accounts with life.

Thanksgiving Transition

The very first Thanksgiving Day was celebrated in Plymouth Colony for quite a simple reason. Colonists and friendly Indians shared that first feast in gratitude for a bountiful harvest after a winter of great hardship.

Now, three centuries and forty years later, we are thankful for the growth of our Nation. We are thankful for its great strength which stands as a fortress of protection for free people in a world filled with tyranny and oppression.

Let us, as good Americans, express these thanks and rededicate ourselves to preserve and maintain this spirit of freedom.
