NUMBER 9

RAIN IN TERRELL CO.

NEW NORTH CONCHO LAKE — New water recreation center of West Texas, with its fishing curtain raiser scheduled May 1, is the North Concho Lake, pictured in this aerial view. The lake covers an area approximately that of the city of San Angelo of a decade ago. With undesirable fish killed out and proper ratios of bass, catfish and crappie stocked, the lake is expected to be a fishing paradise for many years. Stretching diagonally across the picture is the seven-mile-long San Angelo Dam, one of the longest earth-filled dams in the world.

Northern Part of County Gets Slight Precipitation

Most all of the ranches of the county have received beneficial quantities of moisture in rains since last Thursday afternoon. Heaviest rains fell in the eastern end of the county with up to 3 inches reported on Thursday of last week and additional sums Sunday, Monday and Tuesday nights. The dry spots were northeast from the Circle Dot ranch toward Sheffield, with "very little" and "no rain" reported. The Sanderson rainfall was 2.15 inches up to Wednesday afternoon when .95 inches was reported by the Kerr Mercantile Co. gauge. One inch of rainfall was reported for Sunday; 1.4 Monday and .06 Tuesday night. Thunderheads surrounded the horizon Wednesday afternoon, the first day that was sunshiny in Sanderson since Thursday and promises of more rain to come seemed likely.

C of C Directors Display Interest In Many Projects

Many matters of community interest were discussed at the regular monthly meeting of the Terrell County Chamber of Commerce when the directors met at the court house here Monday night. Vice president Walter Downie presided in the absence of President Clyde Griffith. Travel US 90 committee reported increased interest and outlined some of the objectives of the group. The dam site committee is active and reported receiving aid from many West Texas Chambers of Commerce in stressing the need for the immediate construction of the dam in the area of the southern part of Terrell County on the Rio Grande.

Appointments Open For AF Academy

In a letter received this week from Ken Regan, 16th Congressional Representative, he announced the probability of appointments to be made to the Air Force Academy which will be activated as soon as practicable. He stated that the first class of 300 cadets will enroll in July 1955. "Initially, and for the first four years, the plan for accepting candidates will be somewhat different than the long established practice for entrance to West Point and Annapolis. The State of Texas will be allocated twelve vacancies for the first class and each member of Congress from our state will be authorized to nominate ten young men who shall be eligible to compete for enrollment. Appointments will be made from among the qualified candidates in order of merit based on competitive examinations," Regan stated.

He asked that The Times give notice of the above information so that aspirants for admission to the Academy may apply to their respective representatives in Congress for consideration. Girls vying for the title will be placed in two classes. One group will consist of girls 12 years old and under, and the second group will be made up of girls 13 through high school. Girls, or parents of girls, who may wish to enter may contact one of the above named committeemen for details and requirements. This meeting proved to be one of the most enthusiastic since the organization of the newly-formed chamber. Many new members have been received and increased interest is being shown in the county-wide endeavor.

College Students To Spend Easter Holidays At Home

Terrell County college students will take advantage of the Easter holidays to visit at home for a few days. Wednesday night, Bob Wilkinson, Joe Nessmith and Glynn Chandler of A&M College arrived home. Thursday, Kip Gatlin, Douglas Ataway and Jimmie Harrison arrived from Texas Tech. Jack Savage, Trinity University student, will arrive home Saturday morning. Jimmy Caroline and Humberto Arredondo, Texas Western College freshmen, will be home Friday. Jack Talbot, San Angelo College sophomore, will arrive home today. Beverly Thorn, Sul Ross student, will spend the Easter holidays at home.

Mr. and Mrs. J. S. Nance of Sierra Blanca visited here with relatives and friends Saturday and Sunday. Mr. Nance, accompanied by R. E. Corder, went to Sonora on business and Mrs. Nance will visit with her daughter, Mrs. Dan Murrah, and family in Carta Valley for a few days.

LISTEN TO LUKE

IT RAINED! — After hearing groans and wails for so long it is now a happy feeling to hear the rain talk by ranchers, businessmen, bankers, lawyers, preachers, housewives, in fact everybody is rejoicing over the recent rainfall.

Some Terrell County ranchers still remain on the drought list. Some got a light sprinkle — not enough to gauge. Others got most of their water gaps torn down. But the good news is, it looks like the drought is broken and it is possible for the unjust to get their share along with the just.

Some ranchers are probing the idea of mixing the rainwater with the government corn to preserve for future use. It is talked by some that such a mixture would be at the user in a position where it would take what came his way without complaint. As a pickling method for the corn, the concoction would certainly pickle.

It will take years for this country to get out of the effects of this drought. Even with the spirits raised by the wonderful rains, we are forced to face the fact that the country suffered irreparable damage for some time to come. The land will need a chance to regain its vegetation before it can be picked to any great degree of normalcy. With so much of the cedar and brush that has been eradicated, there is not so much natural protection for some of the vegetation we would like to have.

All this will, in time, prove that we often make the mistake of thinking that we are smarter than the God who created things. We have paid pretty dearly in the past three or four years for the "smart boys" who thought they could outdo God. The land is hungry — then grow more so we could have another surplus was foolishness that dog our tracks for many years. We have learned our lesson maybe we will be given another chance. We will find that the fruitful waste brings woeful tears. Let us be thankful to the God of all good and perfect things for the wonderful rains we received.

Organizational meetings for the purpose of getting Little League back on the diamond will be held soon. If you are interested in these boys and their welfare it fail to come when you are needed by the committee. The job of getting the clubs reformed will take a little effort on the part of many if it is to be the best we hope for. There are boys in Sanderson who are ready to get started and it is time were at it. This program has its worth last year and will be even better this year with cooperation of the adults of community. Fathers of boys do not afford to fail to give some of this great work. Your boy needs your help. Attend the meeting and offer your help when you are contacted.

Some outward appearances in Sanderson, there are beautiful flowers and lawns. We should ekatdmoeSEHT have never seen more beautiful flowers than are to be seen in the Sanderson gardens. We should take more pride in the appearance of the down-town area and try to remove some of the weeds along the highway. The weeds to our town do not have

Local Students Walk Off With Total Points In District Meet

Students of the Terrell County Common School District walked off with first places in practically all of the events of the district meet in Alpine last week end and garnered the highest number of total points to cop the meet by a very wide margin.

In the sub-junior declamation event for girls, Susan Harkins won first place; Dec Gray placed first for the boys. In the grade school junior declamation events, Peggy Cooke was first for the girls and Perry Finger was first for the boys.

High school junior declamation; Maida Moore, first for girls, Philip Eggleston, first for boys. High school senior declamation; Jettie Rae Holmes, first for girls. Extemporaneous speech, Carolyn Spears, first.

High school typing; Pres Escamilla, first, Estela Flores, second. Grade school number sense; Jerry Monroe and Buck Burdett first. High school number sense; Carroll Eggleston, third. Fifth and sixth grade spelling; Susan Harkins and Joe Green first. Seventh and eighth grade spelling; Yvonne McDouald and Louise Everett first.

High school spelling; Colleen Pierson, Shirley Everett first. Story telling; Bobby Hatchel first. Picture memory; Dee Gray, Buddy Joe Hahn, Peggy Armstrong, Margarita Fuentez and Perry Finger first. In the tennis events Darrell Cox

Marfa FFA Team Tops In Alpine Judging

Marfa F. F. A. members won the sweepstakes award as best all-around judging team at the annual contests at Sul Ross College last Saturday. They gained 3,047 points topping Marathon who had 2,916. Ballinger with 2,777. Van Hora with 2,628 and Sanderson with 2,412.

The winning team took first in livestock judging and second in grass judging. Sanderson won fifth place in the wool judging event, with Odell Carruthers placing fifth in that event.

CABLE TOOLS TO TEST TO 2,700 FEET ON H. C. NOELKE RANCH

Word was received this week of a prospector to be drilled with cable tools to 2,700 feet to test the San Andres formation. The well is slated to begin at once and will be known as No. 1 H. C. Noelke.

Location will be 1,980 feet from the east line and 660 feet from the north lines of section 40, block B-2, CCSD&RGNG survey. The location will be about 2 1/2 miles south of the Terrell-Pecos County line, southwest of Sheffield.

Drilling on Terrell County Common School land in Gaines County is continuing with good prospects, according to County Judge R. 3. Wilkinson. The school district received a \$50.51 per acre bonus check this week on 4 1/2 labors of the land which was leased to the Gulf Production Co.

This lease will bring an extra bonus of \$100.00 per acre if production is obtained, Wilkinson stated. A producer was found in an adjoining labor of the same league and drilling will be started on all sides of the producer in the near future, it was thought.

Representatives from Highway 90 Western Association from Arizona and California, as well as representatives from Mississippi on the eastern end, are expected at the regular bi-monthly meeting of the Central US 90 group in El Paso on Sunday, May 9.

At the last meeting of the central group at Fort Clark in March it was decided to meet in El Paso in order to have an opportunity of meeting the other groups and discussing the possibilities of getting Highway 90 designation all the way from Jacksonville Florida, to San Diego, California. The El Paso meeting will be in the Chamber of Commerce building, 10 San Francisco St., through the courtesy of W. W. Wilson, vice president and general manager of the El Paso chamber.

The meeting is scheduled to open at 10 a. m., MST, according to Dr. C. L. Baskett, of Del Rio, president. "Definite gains in the travel promotions on US 90 is noted," Dr. Baskett stated, "and the efforts and enthusiasm of the group are expanding." Mr. and Mrs. Jack Hayre and Tommy spent the week end in San Antonio. Mr. Hayre and Tommy returned home Sunday night and Mrs. Hayre remained for a few days to visit with her parents and other relatives.

Travel US 90 Group To Meet in El Paso

Special Music, Sermon for Baptists Sunday

Rev. Claude Bridges pastor of the local Baptist Church, will preach next Sunday on "The Resurrection of Jesus Christ." He will answer such questions as "Where does the soul go at death?" "Where is heaven?" "Does the soul sleep in the grave until the resurrection?" "Will we know one another in heaven?" These and many other questions often discussed will be scripturally answered, according to Rev. Bridges.

Last Sunday, Rev. Bridges preached on the subject "Did Christ Have to Die?" To a large and appreciative audience he answered the questions: "Did Christ become sin?" "Can sinners be saved apart from the death of Jesus?" and many other questions.

Miss Carolyn Spears, director of music in the church, and Miss Sarah Pat Grigsby, pianist, have prepared some special music with the young people's choir for Sunday.

The public is cordially invited to hear the special sermon and enjoy the special music on Easter Sunday.

IT SAYS HERE — It's bad enough to be a quitter. But it's worse to finish something you never should have started.

Drilling Continues On Terrell School Land in Gaines Co.

Drilling on Terrell County Common School land in Gaines County is continuing with good prospects, according to County Judge R. 3. Wilkinson. The school district received a \$50.51 per acre bonus check this week on 4 1/2 labors of the land which was leased to the Gulf Production Co.

This lease will bring an extra bonus of \$100.00 per acre if production is obtained, Wilkinson stated. A producer was found in an adjoining labor of the same league and drilling will be started on all sides of the producer in the near future, it was thought.

THOUGHT-STARTERS FOR CITIZENS

A businessmen friend recently said to me: "I belong to several civic and fraternal organizations, but I feel that I'm not doing all I could do for the betterment of my community. What is the most important public service task I could undertake, on my own, in my town?" That's a wonderful attitude, and the question thus posed is challenging. What IS the most important public service that a citizen could undertake? It would depend somewhat on the circumstances in the community. But here are some thought-starters.

1. Mobilize the intelligent citizen leadership of the community to solve the local public school finance problem. It can be done. And yet this problem of school finance is chronic in 99 per cent of the school districts of America today. If all the people of any community in America were suddenly transplanted onto an island in the Pacific, the first thing they'd do would be to develop a source of food, then provide for shelter. Very soon, they'd build a church and a schoolhouse, and they would ultimately provide the kind of education they wanted their children to have. With inspired leadership and the same resourcefulness and determination it can be done in any American community today.
2. Get the citizen leadership working with the teachers toward the development of a course in American citizenship education in the high school of your community. Very few schools are teaching the youngsters about how America was founded, how the U. S. A. was created, how our private enterprise system evolved, and what makes it tick. Most teachers and most parents want these things taught — but does your school have a course that teaches them? Chances are it doesn't.
- Why doesn't the citizen leadership in each community take care of its own community welfare problems? Because some state and national politicians have persuaded the communities that they need not bother. Communities can usually solve their welfare problems themselves. That is a challenging fact.
4. One dedicated man can move a community to raise its health standards, its medical and hospital facilities to an adequate level. There are a number of examples of this fact, yet the records show that comparatively few towns and cities of America have adequate health facilities. To get them, one individual must take the lead and mobilize the citizen leadership.
5. Juvenile delinquency is a problem found to some degree in most American communities. Some of our nation's foremost leaders, including such men as J. Edgar Hoover, FBI director, contend that juvenile delinquency is a major social problem. Yet, how many communities have any organization that does more than give lip service to this problem locally? Unfortunately, not many. All that is required is constructive action in a direction that is clearly charted.
6. Lift up the per capita income of your community. How? A single civic leader can accomplish this with a little intelligent work and a lot of enthusiasm and enterprise. Any community in America has the factors necessary, or can develop the factors, for establishment of a new industry. Industry creates new wealth. And new wealth in a community lifts the

Dryden News — Mrs. R. J. Ross

Mrs. W. Y. Bengé, Jr., and Nancy and Linn of Garden City arrived Monday to spend a few days with Mr. Bengé.

Jimmy Merritt left Wednesday for San Antonio where he will have a medical check-up.

Mrs. Ruby Kiteley and son, Robert, spent last week end in Alpine and Marfa.

Miss Johnnye Lillian Chandler of Kent arrived Wednesday to spend a few days with her grandparents, Mr. and Mrs. John Williams.

Mr. and Mrs. Lewis Cash spent last week end in Alpine and Marfa visiting friends and relatives.

Robert Kiteley will leave Thursday for Houston where he will return to work as a merchant marine.

Ira Rutledge left Tuesday for Marathon where he will spend a few days with his brother, George Rutledge, and children.

Mrs. Ruby Duncan and her daughter, Mary Elaine, returned home Sunday night from Uvalde where they went for her son, Monte, who will not attend the School for Exceptional Children in Austin any more this semester. The Duncans visited her mother and other relatives in Uvalde.

per capita income. Chambers of Commerce and other organizations work at this constantly. But almost invariably it is a single individual in an organization who is largely responsible for getting the new industry, with its new payroll and its enriching production.

Our nation today needs individual local efforts more than it needs anything else on earth. The trend throughout the world is toward huge centralized government that does all things for all people. The trend is robbing us of self-reliance at the grass roots, and thus is poisoning the wellspring of freedom. What can a citizen do? A citizen can pick a community need whose fulfillment has been handed to the state or federal government and bring the responsibility back home — where it belongs. Local self-government and local self-responsibility are the essence of the free way of life.

the opportunity of seeing the beauty in the gardens of some of the homes but they do get a good look at the unsightly rubble that collects along the highway.

Charlie Riggins is chairman of the sanitation committee of the county chamber of commerce. He will work with property owners in suggesting changes that will improve the appearance and lessen the sanitation hazards if he can get your cooperation. Spraying has been suggested as a "must" within the near future, but trash and rubbish should be first cleaned up from the premises if spraying is expected to do any good.

Parking on the wrong side of US 90 or Oak Street is a traffic hazard and may be the means of a tragic accident. There are not many who practice the illegal and dangerous method of parking. If we could get the danger of such practices over to the remaining few, it is possible that they would try to get in line with the citizens who are trying to do the right thing and abide by the traffic laws of the state. It is, we believe, due to thoughtlessness rather than ignorance. Most people who have driver's licenses know that the traffic rules forbid such a thing and certainly they know that it is illegal to drive on the left side of the street, which it is necessary to do to park that way and leave after parking. They become careless and don't think of the danger. A word, kindly spoken, to a friend who carelessly does this wrong might tend to lessen the hazard in Sanderson.

MR. AND MRS. HUGH ROSE VISIT DALLAS, FORT WORTH

Mr. and Mrs. Hugh Rose returned Sunday night from a visit with her sister, Mrs. Claude Gibson, and family in Fort Worth and in Dallas with her brother, Joe Streigler, and family.

Their daughter, Mary Landon, a freshman at Stephens College in Columbia, Mo. who was on her Spring vacation, joined her parents there for the visit and then they took her back to Columbia, spending several days there.

Mrs. Rose's mother, Mrs. Judith Streigler, accompanied them on the trip and remained in Fort Worth for a longer visit with the Gibsons.

Mrs. Willie Banner has returned home from San Antonio where she spent several weeks with her brother-in-law and sister, Mr. and Mrs. Jerry Bell. A letter from Mrs. Bell this week bore the information that Mr. Bell continues to improve.

PFC LADISLADO RODRIGUEZ IN 'OPERATION FLAG HOIST'

Marine Pfc Ladislado C. Rodriguez, son of Mr. and Mrs. Enrique Rodriguez of Sanderson landed on Iwo Jima with the 3rd Marine Division during the recent "Operation Flag Hoist."

Nine years and a month after the first landing, the Marines came through the surf and dug out a beachhead in the familiar volcanic ash, amid ruins of WWI.

Following successful completion of the mission, memorial services were held for the more than 4,000 Marines and Sailors who gave their lives in 1945 to take the island for use as an American air-base.

LOCAL LADIES GO TO RELATIVE'S FUNERAL

Funeral services were held in Vanderpool Sunday afternoon for P. H. McDonald of Sabinal who died in Sabinal Saturday morning. Death came suddenly to Mr. McDonald who had been in failing health for several years.

Attend the funeral services from Sanderson were his sisters-in-law, Mrs. W. R. Turner and Mrs. W. M. Druze, and his niece, Mrs. Weldon Blackwelder.

Mr. and Mrs. Marvin Allen have bought and are occupying the Lee Kelley home place in the south part of town.

Political Announcements —

The Times has been authorized to make the following announcements of candidacy for political offices subject to the action of the Democratic Primary to be held in July.

Names for various offices will be published in the order in which received.

By VERN SANFORD
 Texas Press Association

Most of Governor Allan Shivers' program passed through the legislative session with the greatest of ease.

There will be an increase of \$402 per year in public school teachers' pay; state employees will get a salary increase of \$120 per year; and \$10,687,500 will be spent for state buildings.

Not only did the Legislature make those appropriations, but it also passed a tax bill to raise the money.

To pay for the governor's program, the Legislature passed an increase in taxes on natural gas production, corporations and beer.

Largest amount will come from gas, the levy raised from 5.72 to 9 per cent of wellhead value, beginning next September 1. This will bring an estimated \$14-million per year. The tax will be reduced to 8 per cent the second year and 7 per cent the third.

Increased from \$1.25 to \$2 per \$1,000 of capital value was the franchise tax on corporations. This hike is expected to produce \$8.6-million per year.

Beer taxes were raised from \$1.37 to \$2 per barrel and will bring in about \$3-million more per year.

Orders went out from Department of Public Safety headquarters to start enforcement of the automobile inspection law immediately after the April 15 deadline.

Many thousands of vehicles had not been inspected as the deadline approached, and a last-minute rush was anticipated. Auto owners missing the deadline are subject to a \$200 fine.

Modified this year, the car inspection law is concerned only

with lights, brakes, horn and windshield wiper.

Mrs. Weldon Blackwelder and baby of Fort Stockton spent the week end here with her parents, Mr. and Mrs. W. R. Turner, and other relatives.

ANNUAL BAND CONCERT SET FOR SUNDAY, MAY 9

Sunday, May 9, has been set as the date for the annual Spring Concert of the Sanderson bands, according to Philip Cherry, band director. The afternoon program will feature numbers by the beginner band and junior band, as well as the high school Eagle Band. This year's graduating seniors will make their final appearance with the Eagle Band at this concert.

Mrs. C. C. Mitchell Leads Program For Presbyterian Women

Mrs. C. C. Mitchell was leader of the lesson on "Stephen, the Martyr" when the Presbyterian Women of the Church met Monday afternoon in Fellowship Hall. In the business meeting which preceded the Bible study, letters from the district and presbyterial presidents were read. Mrs. R. E. Corder announced the intensified Bible study on Ephesians for two days this week. Mrs. J. W. McKee announced that the new summer choir robes will be ready for use Sunday. The group planned to save coupons that are redeemable for cash. The group sang the hymn, "I Love Thy Kingdom, Lord" to open the meeting and Mrs. J. W. Byrd led in prayer. Mrs. McKee gave the dismissal prayer. Members present were Mmes. R. E. Corder, H. A. Smith, E. E. Farley, J. W. Byrd, C. C. Mitchell, E. J. Hanson, Sid Harkins, J. W. McKee, E. F. Pierson, W. H. Savage, R. S. Wilkinson, and Sue B. Mosley.

Mrs. Vic Littleton '51 Bridge Club Hostess Wednesday

The '51 Bridge Club met in the home of Mrs. Vic Littleton Wednesday afternoon. High score prize was awarded to Mrs. J. D. Swanson, second high to Mrs. H. E. Fletcher and low to Mrs. E. J. Hanson. An Easter egg tree centered the lace covered table from which the hostess served angel food cake and ice cream. Roses decorated the party rooms. Other members present were Mmes. Edward Kerr, J. A. Gilbreath, Herbert Brown, A. J. Hahn, and Joe Kerr, Jr.

Baptist W. M. S. Has Program, Social Meet

The Baptist W. M. S. met Monday afternoon in the home of Mrs. Lloyd Cowan with Mrs. B. E. Carr as co-hostess. Mrs. W. D. Martin, Jr., led the program on the medical missions in South America, introducing the program with appropriate remarks after the group had sung the hymn, "The Great Physician." Mrs. O. D. Gray led in prayer. Mrs. James Word discussed "The Healing Ministry". Mrs. H. G. Cates told of the clinics that had been established and Mrs. Carlton Smith told of the hospitals. "The Spiritual Emphasis and Results of Missionary Efforts" was the subject for Mrs. O. D. Gray's discussion with Mrs. T. O. Moore discussing the medical missions in Paraguay. After Mrs. J. L. Blackwelder had enumerated the accomplishments of medical missions in South America, Mrs. S. D. Thompson told of the staffs and needs of the medical missions. Mrs. Cates gave the dismissal prayer. During the social hour, the toys that had been brought for the nursery department of the church were displayed. The hostesses ice cream cake roll and lime punch. The Easter motif and colors of yellow and green were featured in the refreshments and appointments. Favors were Easter baskets filled with candy eggs and an Easter rabbit. Yellow roses in beautiful arrangements were on the coffee table and radio in the living room. Other than those on the program, Mrs. Annie Nance was present.

METHODIST W. S. C. S. TO MEET MONDAY

With several workers planning to go to Crane for the Vacation Bible School instruction period on April 26, the Methodist Woman's Society of Christian Service will meet Monday, April 19, in the home of Mrs. L. G. Hinkle and Mrs. Ida Bodkin as co-hostesses. The meeting will be at 3 o'clock.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, *never* take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *new* but *gentle* relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Group Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative is good, gives gentle, comfortable, soothing relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach burnings that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail orders to Box 250, New York 10, N. Y.

Mrs. Tol Murrah Hostess Tuesday For Bridge Party

Mrs. Tol Murrah entertained the Tuesday Bridge Club in her home this week. A profusion of roses and snapdragons decorated the party rooms. After coffee had been served to the guests a table of canasta was arranged, honoring Mrs. R. R. Ellison of Marfa and Mrs. Landon Rose, visitors in the city. Playing canasta also were Mrs. E. W. McSparran and Mrs. J. W. McKee. The three tables of bridge included Mmes. A. H. Zuberbuehler, Max Wilson, E. J. Hanson Clyde Griffith, H. E. Fletcher, Bustin Canon Jack Riggs, J. A. Gilbreath, I. B. Rusk, J. E. Carter, John Reininger and Notley Scott of San Angelo. Mrs. Gilbreath was winner of high score prize; Mrs. Riggs, second high and Mrs. Carter was low. Mrs. Rose was winner of high score in canasta. The hostess served strawberry meringue tarts with tea and coffee.

Mrs. Roy Deaton Presents Program On 'Indian Art'

The Evening Study Club met in the home of Mrs. Weldon Cox Tuesday evening with Mrs. Vic Littleton as co-hostess. Action on a number of items of business was deferred. Mrs. M. W. Duncan, president of the Culture Club, reported on the recent eighth district conference in Fort Stockton. Mrs. Roy Deaton was leader of the program on "Indian Art." From a lace-covered table centered with an Easter egg tree, the hostesses served ice cream and cookies. Roses formed beautiful floral decorations in the living room. The members present were Mmes. Jack Green, H. A. Finger, Campbell Kerr, W. W. Sudduth, Austin Nance, Roy Deaton, Dick Sullivan, J. A. Gilbreath, W. A. Davis, W. H. Grigsby, M. F. Bader and C. W. Burdett. Guests were Mrs. C. H. Stavley and Mrs. M. W. Duncan. Clarence Chandler was a business visitor in Del Rio Friday.

WEEK'S NEWS

NEW DEPUTY DEFENSE SECRETARY - Defense Secretary Charles E. Wilson, right, congratulates Navy Secretary Robert B. Anderson, named to succeed Roger M. Kyes, center, whose resignation becomes effective May 1.

WANTS COHN FIRED - If reports are true, Senator Potter of Michigan, a member of the Senate Investigating Subcommittee, is emphatic that chief counsel Roy Cohn should be fired. The Army has charged that Cohn once threatened to "wreck the Army."

NEW CONCEPT brings mobility to Air Conditioning! . . . Mary Timmesch prepares to roll her Unarco mobile air conditioner from living room to kitchen. The unique Union Asbestos and Rubber Company unit requires no heavy duty wiring, fuses or permanent installation.

MOST BEAUTIFUL PACKAGE - The winning Darathy Gray Wedgwood pattern selected by 19 top designers as the year's most beautiful package is shown by Jill Corey of NBC's "Dave Garroway" Show.

"SILK FOR SUMMER" is the cry of fashion designers. Elizabeth Taylor, who stars in Paramount's Technicolor production, "Elephant Walk," is shown wearing a striped silk print with a cow neck.

Mrs. W. F. Frazor Hostess Thursday To Bonhomie Club

Mrs. W. F. Frazor entertained the Bonhomie Club in her home last Thursday afternoon. Refreshments of lemon pie, tea and coffee were served following

a period devoted to fancywork and conversation. Those present were Mmes. F. H. Talbot, Chester Boyd, Claude Hill, James Caroline, A. B. Gates, L. A. Wright, E. F. Pierson, H. W. Hall and Charlie Rogers. Mrs. Carl Cochran and Mrs. L. H. Gilbreath were tea guests.

Mrs. W. E. Stavley Thurstday Bridge Club Hostess Last Week

Mrs. W. E. Stavley entertained the members of the Thursday Bridge Club in her home last week. The Easter theme was noted in the decorations and floral arrangements in the party rooms. At the conclusion of the card games, Mrs. Bustin Canon and Mrs. M. F. Bader held the slam prizes with Mrs. Bader winning high score and Mrs. Canon, second high. Mrs. I. B. Rusk had low score. The Easter theme was repeated in the salad which was served with tea and coffee. The guests included Mmes. A. J. Hahn, I. B. Rusk, C. H. Stavley, J. O. Little, M. F. Bader, Herbert Brown, H. E. Fletcher and Bustin Canon. Mrs. O. J. Cresswell was a tea guest.

Monthly Meet of B of RT Auxiliary

The ladies auxiliary to the Brotherhood of Railroad Trainmen met Monday afternoon in the Masonic Hall basement for regular monthly business session. After adjournment, the members went to the home of Mrs. F. G. Grigsby where Mrs. Dick Sullivan assisted her in serving pie and coffee. Those present were Mmes. H. E. Ezelle, Weldon Cox, W. F. Frazor, L. W. Welch, and Irvin Robbins. Mrs. C. H. Stavley and Mrs. Jack Laughlin were tea guests.

SMART LADY! SHE KEEPS SPARE LIGHT BULBS ON THE PANTRY SHELF!

You'll find it a smart idea, too! Keeping spare bulbs puts an end to robbing one light socket to fill another. The right-sized bulb is always handy to replace a burn-out . . . and there's no risk of eyestrain from a "borrowed" bulb that's too small. Stop in and get your assortment of spare light bulbs in the popular sight-saving sizes . . . today!
