SANDERSON, TEXAS, FRIDAY, APRIL 15, 1955

NUMBER 9

LISTEN TO LUKE

To keep the record straight! The more you try to explain things the cloudier and more muddled they become sometimes. This week we had a letter from the Glasscock, editor and publisher of the Alpine Avalanche, in which he attempted to explain what he said was an error in his "Special Edition" dated April 10th. Jim made a fatal error in stating that Mayor Hugh White and Chamber of Commerce President Gene Hendrix "appeared before the Commission in Austin yesterday arguing for the termination. That was the day before the decision was forthcoming. The facts were, according to Mr. Glasscock, well here we quote a portion of Jim's letter explaining...

While in Austin they (White and Hendrix) called on Bill Murray (chairman of the RR Commission, a member of the Railroad Commission. Years ago, in Cisco, White assisted Mr. Murray in the latter's Boy Scout work and the two have been friends for a long time. During the course of the conversation, Mr. White said that the people of Alpine were interested in knowing just when a decision might be made on the rail terminal, adding that he would not be presumptuous enough in asking that the decision would be. Mr. Murray replied (note this) that General Thompson and Mr. Cullman had been ill and that no decision would be forthcoming until the three commissioners could meet. Mr. White and Mr. Hendrix returned to Alpine that night and the next morning Mr. White was informed of the decision by Mr. Ray." (Frank Ray, T&NO attorney at Alpine).

The parentheses in the above paragraph are ours. We were indeed sorry to hear of the illness of Gen. Thompson and Mr. Cullman on Thursday of that week, but are glad to know that they recovered sufficiently to be able to meet and render a decision on the proposed terminal that night, so that Mr. Ray could conduct his Alpine friends the next morning.

We feel that we are now in the light of the matter and our thanks for the full clarification of the incidents as they occurred. The facts were pretty straight from the beginning, but just had to be stated up in one or two of the above points.

This column doesn't believe that the rank and file of the people of Alpine are mean or hogish or disposed to injure other communities in order to get ahead by unfair and dishonest means. But it is pretty sure that the leadership of Alpine are not manly nor just in their manipulations to take the terminal away from Sanderson and Valentine. Their folly and selfishness are bound to be apparent to the whole of West Texas.

No man, town or city can afford to earn a name for grabbing everything and leaving nothing to neighbors. Alpine will be coming up for years later on. So will Sanderson and Valentine and Fort Stockton and Marathon and Marfa. It behooves us all to live and let live.

LONG OUR SUBSCRIBERS: Renewal subscriptions to The Times have come from J. M. S. R. Coffey, L. H. Lemons, J. W. Carruthers, Jr., of Sanderson; Mrs. G. N. Evans of San Antonio; A. M. Graham of Irene, Texas.

Airlines Vans of El Paso is a subscriber to The Times.

SAYS HERE: A little common sense would prevent a lot of divorces — and quite a few marriages, too.

Mr. and Mrs. Jolly Harkins and children spent the Easter week-end in Bertram where they visited Mrs. Harkins' grandmother, Mrs. C. Barton. Mr. Harkins went to Bertram for a short visit there with his family.

DROUTH DISASTER FEED AVAILABLE

The Department of Agriculture in Washington Tuesday announced the re-opening of its emergency drouth disaster relief program in 82 Texas counties, including Terrell County.

Despite the fact that it is the middle of April, local ranchers are feeding as heavy as during the winter and welcomed the move for recent continued cold weather killed the new growth of brush on the range.

The feed program has been extended through midnight of April 29th. Ranchers are required to apply for enough feed to last through May 15. Applications will be handled through the local ASC office as heretofore, the approval of the applications resting in the hands of the F.H.A. committee.

F. M. Wood, ASC manager, has requested Terrell County ranchers to begin to make their applications as soon as possible.

Baseball Team Is Practicing For Opener April 29

The Sanderson High School baseball team has been practicing for several weeks in preparation for the season opener on April 29. The first game will be here against McCamey. The local team will play McCamey on May 4 and will be hosts to Rankin here on May 10 and go to Alpine for the final game on May 13.

The boys are working under W. H. Riley, coach, with the part-time assistance of Carlton Smith.

Fifteen uniforms were issued to the following boys: Higinio Pena, catcher; Roland McDonald and Juan Ramirez, pitchers; 1st base, Gary Harrell; 2nd base, Carroll Eggleston; 3rd base, Popo Flores; shortstop, Kenneth Stutes and outfielders Robert Salazar in center field, Dickie and Pres Escamilla and right field taken by the non-working pitcher.

Other players are Joe Borrego, Ruben Hernandez, Darrell Cox, Stanley Sullivan, Armando Ochoa, and Philip Eggleston.

The boys played two practice games with the powerful Del Rio nine and lost the first one — a night game in Del Rio, by the score of 14-2. The return game was played here Tuesday afternoon and was called because of the high wind and dust prevented a ball game after the fourth inning.

The baseball team this year is weak in experience but strong in enthusiasm and willingness to learn more of the fundamentals of the diamond sport. Harrell, Eggleston, Pena, Ramirez and Stutes are the returning mainstays from last year's team. McDonald saw little mound service and Flores was used to fill in some of the gaps last year.

THREE YOUTHS 'BIKE' TO DRYDEN FRIDAY

Last Friday morning Eddie Lee Wagner, Jerry Spurlin and Marion Wilson struck out on their bicycles for a round trip to Dryden.

They were thoughtful enough to take sandwiches along and made the trip without mishap except for some sore muscles. The round trip was 42 miles and the boys had only ridden their wheels short distances before.

Mrs. Grady Wilson, mother of Marion, decided the boys would welcome a lift on the return trip, so she met them with a pick-up truck but they refused the lift and came home under their own power.

Anita Musick returned to her home in San Angelo Monday after spending the week-end here with her uncle and aunt, Mr. and Mrs. M. W. Duncan. Mrs. Duncan took her to Ozona where her parents, Mr. and Mrs. Virgil Musick and her grandmother, Mrs. T. A. Briggs, met her for the trip home. Mrs. Briggs is recuperating from a fractured breast bone recently received in a fall.

EVALUATION DATA ON POLIO VACCINE GIVEN TUESDAY

The evaluation report on the Salk polio vaccine was issued on Tuesday by the Poliomyelitis Vaccine Evaluation Center directed by Dr. Thomas Francis, Jr., at the University of Michigan.

Carefully checked records of 1,830,000 school children who participated in the nationwide field trial sponsored by the National Foundation for Infantile Paralysis last year showed the vaccinated children escaped paralytic polio attack to a very great degree and was acclaimed by the medical profession to be about 90 percent effective against the paralytic effects of the disease.

The vaccine will be offered to about 9,000,000 school children throughout the nation before the polio season begins. The National Foundation has contracted for enough vaccine for this purpose. It will be supplied to State Health Departments without charge for the product. State and local health officials will administer the program, which will be one of the largest public health projects ever undertaken in this country. Manufacturers will make available additional supplies of vaccine for purchase, to be given by physicians to others.

Children in test groups who did not receive vaccine in last year's field trials and all children in the first and second grades of public, private and parochial schools in the United States, Alaska and Hawaii, will receive vaccine free of charge and subject to the consent of the parents of children. The children were selected because of high polio incidence in their age group, and because of their accessibility at schools. Vaccine clinics will be set up in schools in most areas, but arrangements will depend on state and local situations. Since three shots are required over a five-week period, the time element underscores the need for early planning.

Health officials in cooperation with the local medical profession will be in charge of the vaccine program in each community. "All communities must make ready for this vaccine program now if we are to protect as many children as possible before the polio season begins," according to W. W. Sudduth, local chairman of the Terrell County Chapter for Infantile Paralysis. "Plans must be drawn, understood and publicly accepted. It takes approximately two to four months to manufacture and distribute vaccine. This projected vaccine program will not be another test. It will be the first use of a newly established preventative measure.

In most areas volunteers recruited by your National Foundation Chapter will be welcome and needed to do a wide variety of jobs depending upon the local situation. Health and school authorities may require assistance in conducting community information programs, distributing educational leaflets, keeping records, providing transportation for personnel and supplies, and aiding in handling the children in the clinics.

If an extra supply of the Salk vaccine is available, it will be offered to children of other ages, their parents having to buy the vaccine and pay for the shots.

Mrs. Roy Harrell and her niece, Miss Glen Davenport, returned Monday from Ozona where they had visited with Mrs. Harrell's daughter, Mrs. W. H. Chandler, and family. Miss Davenport, who had been visiting here, left Tuesday for her home in Sabinal.

Glynn Chandler and James Clark, A&M students, visited here during the Easter holidays with their parents, Mr. and Mrs. Clarence Chandler, of Sanderson and Mr. and Mrs. R. R. Clark, of Dryden.

Dust Storms Foul West Texas Skies

The advent of severe dust storms in West Texas skies did not miss the Sanderson area the first of this week. The dust came in on high winds from the west Monday night and continued all day Tuesday and Tuesday night with lighter skies Wednesday morning and practically clear that afternoon.

Reports of extremely heavy dusts to the north and west of Sanderson, roads closed in some of the northern sections of West Texas and poor visibility all over that area, missed Sanderson to a small extent because of the mountainous terrain. Dust hung heavy in the air with occasional heavy gusts of winds.

No damage was reported in this area by the wind.

Wool Men Accept Positive Policy At Ozona Meeting

Directors of the Texas Sheep and Goat Raisers' Association met the first of the week in Ozona for a called meeting to make a decision on Sect. 708 of the National Wool Act. The group voted 35 to 27 favoring the section which set up a self-help policy for wool growers of the nation.

S. L. Stumberg, J. T. Williams and Herbert Brown attended the meeting from Sanderson. Stumberg and Williams are both past presidents of the TS&GRA and Stumberg is a member of the Wool Bureau, Inc.

Stumberg strongly defended the policy as set forth in Section 708 which would provide for a ten-per-cent of wool deduction of incentive payments for use in advertising, promotion and research of wool and lambs. The funds according to Stumberg, would not be deducted, unless the referendum to be called by Secretary of Agriculture Ezra Taft Benson in July is favored by owners of two-thirds of the volume of wool or by owners of two-thirds of the sheep.

This vote would authorize the setting up of the American Sheep Council, Inc. which has been set up to administrate the advertising, promotion and research work, called for in Section 708 and it would be required to draw up proposed programs for the consideration of Secretary Benson.

CEMETERY ASSN. PLANS ANNUAL FUND DRIVE

The local Cemetery Association met in regular session Monday evening, April 4, for the purpose of electing officers and to make plans for the coming year.

Ervin Grigsby was re-elected as president; Mrs. Austin Nance re-elected vice-president and County Judge R. S. Wilkinson was re-elected secretary-treasurer.

Mr. Grigsby stated that progress had been made in the past year in the way of improvements to the cemetery ground and that the usual drive for funds for the maintenance and upkeep of the burial grounds would get underway in the next few weeks.

Mrs. Ruby Duncan accompanied by her son, Douglas Duncan, of Midland and daughter, Mary, went to Austin Thursday where her son, Monte, who is attending the School for the Deaf, joined them for the week-end in Houston where they visited with Mrs. Duncan's daughter, Mrs. W. E. Shannon, and her daughter, Sherry. They visited with relatives in Uvalde en route home.

Mrs. Will J. Murrah attended funeral services in Houston for her grandmother, Mrs. W. H. Gibson, Saturday. Mrs. Gibson died in that city Thursday.

W. M. EDWARDS DEEDS RANCH TO ABILENE COLLEGE

The largest gift in the history of Abilene Christian College — a ranch valued at \$1,100,000 — was announced last Saturday by officials of the college.

W. M. Edwards has deeded the college his 65½-sections of ranchland in Terrell and Pecos Counties, according to a statement issued jointly by B. Sherrod of Lubbock, president of the board of trustees, and Don H. Morris, college president.

Edwards will retain a life estate in the property, however, and ACC will gain control of the land at his death.

The gifts is of 41,830.25 acres with the mineral rights on 24,000 acres.

It was stated that while there are no oil or gas wells on the ranch at the present time, gas wells are producing 2½-miles off the north-west corner of the ranch in Pecos County in what is known as the Puckett field.

Edwards, 79-year-old bachelor, said he is an admirer of the teaching program at ACC and that he believes such a program "makes good citizens."

Edwards acquired a part of the ranch a few years ago from J. C. McChell who now resides in El Paso.

Sanderson Group Places Third At Lions Zone Barbecue

The Sanderson Jazz Band, representing the local Lions Club, entered the contest at the annual zone picnic of Lions Clubs in Marathon last Wednesday evening. Marfa contestants won third place in a tie with the Sanderson group. The band consisted of Charles Matney, Diana Duke, Irvin Robbins, Peggy Cooke, Barbara Sudduth and Mrs. Doris McCullar.

First place was won by the Paisano Lions Club of Marfa representatives and second place was won by the Alpine club entrants.

About 200 Lions and their ladies attended the meeting.

Phone Building Construction Begun

The construction of the building to house the facilities for Sanderson's new dial telephone system has begun. The building will be located on the rear of the lot presently containing the telephone company building.

The installation of the dial sets and the intricate mechanism of the new building is expected to begin immediately following the completion of the new structure.

All long-distance calls originating in Sanderson will be handled in the Fort Stockton exchange with no operators locally. A telephone maintenance man will be stationed in Sanderson to handle maintenance and installation of all local phones and the central system, it is understood.

No date has been set for the completion of the new building.

TWO LOCAL MEN ON TRIP INTO UTAH

Mrs. J. A. Mansfield received word this week from her husband that he had reached his destination in Utah where he has gone on a uranium prospecting trip for three weeks. He stated that he had made the acquaintance of several prospectors from Texas. He was accompanied by his nephew, Marvin Allen.

Mrs. Maggie Banner had minor surgery in a San Antonio hospital Monday. Her daughter, Mrs. Jerry Bell, and Mr. Bell are there with her. Miss Mamie Sue Bell and Rocky Mogas, who accompanied them to San Antonio, returned home Monday.

JOINS CRUSADE — Glamorous Ava Gardner says, "Your money is urgently needed by the American Cancer Society. Send your contribution to CANCER, care of your post office, and help wipe out man's cruellest enemy."

Cancer Drive Funds Solicitation Begins Here Next Week

Terrell County's annual drive for funds for the American Cancer Society will begin next Tuesday, according to an announcement made this week by Mrs. K. H. Stutes, who is to serve as chairman of the drive.

Letters will not be mailed to residents in this drive, but everyone is requested to bring or send a contribution to Mrs. Stutes or to Jack Hayre, treasurer.

Next Monday afternoon at 4:15 Mrs. Stutes will meet with her block captains who are to make personal solicitations for funds in Sanderson. The block captains, Mmes. Ben Causey, B. E. Carr, M. F. Bader, Winnie Lacy, G. K. Mitchell and Ruel Adams, will meet at the Turner Hotel for coffee on that day.

Terrell County citizens contributed \$447.30 to the drive last year. Texas' quota this year is a million dollars and the slogan is "Give a Texan's Share."

Mrs. Stutes said that the number of cancer patients in the U. S. is mounting yearly because of an increase in population and a greater number of persons falling within the age bracket where cancer is more prevalent. Last year 230,000 Americans died of cancer — an increase of 3,000 over the previous year.

"This increase in the cancer problem and the encouraging fight against the disease is the reason for an increase in the American Cancer Society budget."

Teachers Go On Out-of-Town Trips

Several of the teachers of the Sanderson schools took advantage of the four-day holidays Easter to make out-of-town trips to visit with relatives and friends.

Mr. and Mrs. Norman Rath and Sheryl visited in Austin with relatives. Miss Bessie Moore visited relatives in Barkadale and Dialville and Mrs. Sylvan Walker visited her sister and family in Uvalde.

Mrs. Tom Parisher and Tommie Kay joined Mr. Parisher in Ozona, Mr. and Mrs. B. M. Spencer and daughter went to Nacogdoches, Mr. and Mrs. W. H. Riley and family to San Angelo; Mr. and Mrs. M. F. Bader and Brucks to San Antonio and Houston; Richard Hitzfeldt to D'Hanis; Mr. and Mrs. Charles Matney to Fort Worth and Dallas.

Mr. and Mrs. W. R. Turner received word this week their son, Pfc Richard Turner who is stationed with the U.S. Army in Greenland, would leave for home the last of this week, coming by plane. He will be discharged in the near future.

Mr. and Mrs. Harvey Sutton and son of San Saba visited here during the Easter holidays with their daughters, Mrs. Reg Monroe and Mrs. Jack Deaton, and their families.

B of L F & E ASKED TO NEGOTIATE FOR NEW CONTRACT

W. O. Belcher, local chairman of the Brotherhood of Locomotive Firemen and Enginemen, received notification last Thursday afternoon of the T&NO's readiness to negotiate a new contract with that body. It is understood that such contract must be agreed to by both parties prior to the planned establishment of terminal facilities which would be caused by such a move.

The brotherhood has 30 days in which to begin negotiations, according to the notice, and the negotiations between the legislative representatives of the brotherhood and carrier officials will be held in Houston on a date to be agreed upon by the two bodies.

Local citizens and members of that brotherhood as well as other brotherhoods of railway employees will be watching the outcome of the negotiations between these two bodies since they feel that it will be a criterion of future action by both parties.

Terrell County Accident Free During March

Rural accidents investigated by the Texas Highway patrol in the sixteen counties of the Pecos District involved the investigation of 76 accidents, with Terrell and Upton counties reported as accident-free.

By counties the accidents accounted for in the month of March the report shows:

Brewster, 3; Hudspeth, 6; Presidio, 2; Winkler, 7; Crane, 1; Jeff Davis, 2; Reeves, 7; Culberson, 6; Loving, 1; Terrell, 0; Ector, 13; Midland, 17; Upton, 0; El Paso, 9; Pecos, 2; and Ward, 3.

There were 2,274 persons warned for hazardous driving violations, such as speeding, defective lights, equipment violations, etc.

The violation fines assessed in the county for the month of March amounted to \$146.00. Total fines collected in the district amounted to \$16,908.20, according to the report.

Coming Events

Thursday, April 14 — Lions Club Legion.

Monday, April 18 — Altar Society, Baptist W.M.U.

Wednesday, April 20 — Closing service of Church of Christ revival; Rotary Club; Wednesday Bridge Club.

Thursday, April 21 — Lions Club; Evening Study Club.

MISS MARY LOU CARGILE NAMED TO OPERA CHORUS

Miss Mary Lou Cargile, Abilene Christian College sophomore from Sanderson, has been named to the chorus of the college's spring opera, Giuseppe Verdi's "Rigoletto."

Miss Cargile is the daughter of Mr. and Mrs. W. C. Cargile and is a 1953 graduate of the Sanderson High School.

She is a member of the ACC A Capella Chorus and the Campus Service Organization. Dates for the performance of the opera are set for April 21, 22 and 23.

Mrs. Mamie Holmes has returned to her home in Sheffield after visiting here with her daughters, Mrs. Lee Dudley, Mrs. Ruth Gosselin, and Mrs. M. G. Northcut and their families. She was here to recuperate from a recent attack of flu.

Horace Shelton of Brownwood was in Sanderson last week-end on business and visiting here with relatives.

Mrs. Dudley Ingham and children of Sheffield spent Sunday here with relatives.

Texas Press Association

AUSTIN, Texas—Easter bunny brought the golden egg! That, in an eggshell, describes developments in the Capital city over the week-end.

House members returned to Austin from the Easter holiday to discover that members of the revenue and taxation committee who remained on the job, had brought out a compromise tax bill. It promised \$45,000,000 in new money.

Chairman Stanton Stone and House Speaker Jim Lindsey regard it as their number-one project for the week.

Although the committee side-tracked Gov. Allan Shivers' single-shot bills and adopted Chairman Stone's omnibus bill, Governor Shivers said it was a workable basis for providing what is needed.

Actually the bill gives Governor Shivers more than half of his announced desires. He praised the committee and asked that the balance of his "program" be restored somewhere along the way.

Approved by the committee was the one-cent per pack tax increase on cigarettes, asked by the governor. Also included was a one-cent per gallon gasoline tax, which was held what the governor suggested. An increase in beer operators license fees was injected into the bill as a concession to strong House sentiment to include beer in the new-money scheme. A fourth tax item was diesel fuel at 2.5 cents

per gallon. Under the proposed levies, \$25,000,000 would be added to highway improvements annually, and \$20,000,000 would go into the general fund.

House Speaker Jim Lindsey took a strong stand for the compromise plan. Governor Shivers complimented him for the progress made over the long week-end.

Waiting for nearly \$60,000,000 in new money, before it can reach the governor, is the \$1,500,000 biennial appropriation now in conference committee.

Governor Shivers regretfully left the scene of action. He went with Mrs. Shivers to Chicago where she will receive treatment for an ear ailment. She had a mastoid operation last year.

Before leaving Texas, the governor stated that he felt the current 120-day session, due to end May 10, might run two weeks beyond the four-month mark. Legislators, now drawing \$25 per day, draw no pay after 120 days, unless a new session is called. Shivers has expressed his dislike for special sessions.

Charges Pile Up
Charges continued to mount against Bascom Giles, former commissioner of the general land office.

Latest were four felony theft charges placed against Giles by District Attorney Lee Proctor of Travis County. It brought the total charges to date to \$1,955,688.

Also charged on four felony theft counts was J. Paul Little, Crystal City attorney.

Giles and Little were each accused separately of theft from the state in four veterans land transactions last year in Zavalla County. The total amount involved was \$377,544.

Royal Cattle Company refunded \$28,968 to the state on one land deal.

Meanwhile, a Travis County grand jury continued its investigation of veterans land deals.

Fear of Cataracts Past, According To Health Officer

Austin — Though cataracts are considered a rather common affliction of older people, there is no longer any reason to fear them, declared Dr. Henry A. Holte, State Health Officer. Many think that once cataracts appear they are doomed to either blindness or an ordeal of surgery which may destroy what sight is left. Such notions have no basis in fact.

An advancing cataract brings on a dimming of the vision, and, in some cases, the individual sees spots before his eyes, or sees double. If a cataract is left to develop long enough, it will appear as a faint grayness in the pupil of the eye. With complete development, the grayness will turn to dead white. Cataract is not a disease but a clouding of the lens of the eye.

Cataract can be well under way before the patient notices any visual defect. In such cases, only a physician or eye surgeon can discover the condition in time to arrest it.

Giles' trial in the first of the felony indictments against him, to be heard in San Antonio District Court, was postponed until May 25. His attorney told the court that Giles was too busy with new charges and new civil suits to go to trial.

Giles Is Defended
Stanley L. Fry, a Reeves County landowner, testified before the Senate investigating committee that Giles was a "hard trader for the state."

"Giles," said Fry, "argued and sweated over land prices and traded just as hard as if it was his own personal money."

Sen. Jimmy Phillips, chairman of the committee, asked Fry: "Did you pay Giles anything, or any employee of the board?"

"Not a dime," was the witness' answer.

Land Program's Future
Despite a "no" vote by Attorney General John Ben Sheppard, the veterans land program may be extended to veterans of World War II and Korea.

Other members of the land board Governor Shivers and Land Commissioner J. Earl Rudder — voted to urge the legislature to offer the people a constitutional amendment on the question.

Sheppard said that while he favored the philosophy of veterans land benefits, he would withhold his approval of any new program until the legislature enacts "clear and strict regulations" as to its administration.

rest the process. When the fogging moves to the center of the pupil, the individual becomes conscious of a reduction in vision. The cataract is now well on its way. Its growth may be hastened by ill health, focal infections, overwork and neglect of one's health. Another contributing factor is degenerative vision resulting from astigmatism, and neglecting to use properly fitted glasses to correct such defects. Eyestrain, conscious or unconscious, can play a major role in cataract formation.

Cataracts which are the result of some infection or injury can be prevented. Cataracts resulting from aging cannot as yet be prevented. The important thing to know about cataract is that doctors can keep it from being incapacitating. Cataracts can be removed when they first appear. They need not interfere with a person's work, or embarrass him in any way — they can be often cured. Cataracts should be treated early, before important skills are lost or unnecessary years are spent in frustration. Without fear of blindness, disfigurement or unbearable discomfort, a person can put himself in the hands of a good eye surgeon, when cataract begins to cause trouble.

The 1946 Magruder text, discussing the principle of personal liberty vs. economic security, said: "Old personal liberty" permitted you to keep all you make for "us four and no more," but the "new civil liberty" will free you from unemployment, and the pangs of want — through the assessment of higher income, inheritance and luxury taxes. This material does not appear in the 1955 edition.

Change in Spirit
The most wholesome change has been wrought in the underlying spirit of the 1955 textbook. The 1946 text, with its orientation toward world government and its failure to adequately emphasize the advantages of the private enterprise economic system, would hardly engender patriotism or inspire enthusiasm for our basic economic principles. On the other hand the 1955 edition breathes a spirit of heart-warming love of country and appreciation of our great economic system.

Here, from the opening chapter of the 1955 Magruder's American Government, is the kind of textbook writing which most of America's teachers have been searching for, and for which the parents of America can be grateful:

Profoundly We Hail!
"Ours is a nation with the highest standard of living ever known to man. Look about you; it is easy to see the material things that make it so; automobiles, skyscrapers, radios, busy factories, airplanes, mighty dams, electric lights, and fertile farms; the list is endless. But these things are only the material evidences of America's greatness.

"We are a great nation and a great people today because we

What would you think about this statement: "Socialism means the use of government to bring about equality of opportunity among citizens." Sounds like a good role for government, doesn't it? Equality of opportunity is one of the cardinal objectives of our American political and economic system. We have come nearer this goal than any other nation in history. But our system is not "Socialism." It is the opposite to Socialism; it is capitalism. To say that "Socialism means the use of government to bring about equality of opportunity among citizens" is, at best, a half truth or a slanted statement.

Yet the statement appeared in the 1946 edition of Magruder's American Government high school text book. It was one of many statements in the widely used text that provoked criticism by many parents and a number of teachers. The book's publishers, Allyn and Bacon, Inc., fairly-mindedly considered all criticisms and over a period of 10 years the book has been rewritten. The 1955 edition, while it has

What would you think about this statement: "Socialism means the use of government to bring about equality of opportunity among citizens." Sounds like a good role for government, doesn't it? Equality of opportunity is one of the cardinal objectives of our American political and economic system. We have come nearer this goal than any other nation in history. But our system is not "Socialism." It is the opposite to Socialism; it is capitalism. To say that "Socialism means the use of government to bring about equality of opportunity among citizens" is, at best, a half truth or a slanted statement.

Yet the statement appeared in the 1946 edition of Magruder's American Government high school text book. It was one of many statements in the widely used text that provoked criticism by many parents and a number of teachers. The book's publishers, Allyn and Bacon, Inc., fairly-mindedly considered all criticisms and over a period of 10 years the book has been rewritten. The 1955 edition, while it has

REMEMBER... We've got that Good Old PURINA FEED If we don't have what you want, we will get it in a hurry. BORDER FEED STORE CLAYTON STUBBLEFIELD

From where I sit... by Joe Marsh Learn How to Pull Together Saw a kid go by the Clarion office on a brand-new coaster wagon yesterday—and it reminded me of when my brother and I were about forty years younger. Our folks weren't poor, but there wasn't enough to buy two wagons for Christmas. We got one between us. Dad made a rule that we each could have it for a week—but the boy with the wagon was responsible for keeping the kitchen wood-box filled. Seemed a bargain to Bud and me—at first. But soon we discovered it was no more fun playing alone than working alone. It wasn't long before we were sharing the wagon in return for sharing the chores. From where I sit, you can't enjoy a privilege yourself if you're going to deny it to others. They are some folks who want the right to enjoy their favorite beverage—but would deny me my right to an occasional glass of beer. I doubt if such people get their full "share" of happiness, though. Joe Marsh Copyright, 1955, United States Brewers Foundation

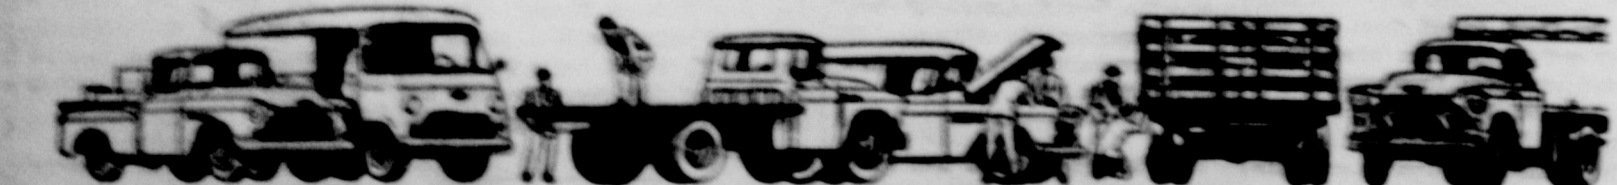

Come in and see 'em!

NEW CHEVROLET Task-Force TRUCKS

—with a whole tradition of new advantages for you! Here's what happens when America's No. 1 truck builder pulls out all the stops! Here are some of the new advances ready to work for you right now.

- Work Styling—a new approach to truck design. Two distinctively different styling treatments—one in light- and medium-duty models, knobby in heavy-duty!
- Six powerful new "high-voltage" engines! With a modern 12-volt electrical system for increased generator capacity—plus many other new advances.
- The last word in cab comfort and safety! New Sweep-Sight windshield for increased visibility. A new concealed Safety Step that stays clear of snow or mud.
- New capacity—up to 18,000 lb. G.V.W. Offered in 2-ton models! This means you can do a lot more work on heavy hauling jobs with fuel savings.
- New more durable, standard-width frames! New frames are of 34-inch width to accommodate special body installations. And they're more rigid!
- All models available with new Power Steering! New Chevrolet Power Steering cuts turning effort up to 80 per cent—cushions road shock. Optional at extra cost.
- You can have new Over-drive or Hydra-Matic! Over-drive is optional on 1½-ton models; truck Hydra-Matic on 1½-, 2- and 3-ton models at extra cost.
- Power Brakes standard on 2-ton models! This great power helper is yours at no extra cost on 2-ton models! Optional at extra cost on all other models.
- Tubular tires standard on 1½-ton models! New tubular tires give you greater protection against a blowout... diffuse more slowly when punctured!

McKNIGHT MOTOR CO. Highway 90 SANDERSON, TEXAS

TWO MILLIONTH TELEPHONE in TEXAS

SOUTHWESTERN BELL INSTALLS TWO MILLIONTH TELEPHONE in TEXAS. The two millionth Southwestern Bell telephone in Texas — installed in the office of the Governor in Austin, April, 1955.

Southwestern Bell served Texas with \$50 million in telephone property by 1940 that had grown to \$139 million; and by 1955, the company served Texas with \$650 million in telephone plant. Because telephone growth is made possible by money invested by citizens in all walks of life, the two millionth Southwestern Bell telephone in Texas is a symbol of trust and confidence in the future of the state. We are still growing and expanding with Texas — building more and better telephone equipment throughout the state... planning to meet the telephone needs of the future — whatever they may be. Yes, we're proud of our two millionth telephones in Texas. But to a greater degree, we are grateful for the friendship of the people of Texas through the years.

SOUTHWESTERN BELL TEXAS

J. O. Little Bridge Club Hostess Wednesday

J. O. Little, Jr., entertained the 51 Bridge Club in her home Wednesday afternoon. The floral decorations in the living room consisted of yellow callias and white stock and pansies. A bouquet of red stock was in the bedroom.

Region Auxiliary Business Meeting

The Legion Auxiliary met Tuesday evening in the home of Mrs. T. Frazier with six members present. Three delegates to the district convention in McComery on April 23, 24 and 25 were named — Mesdames M. W. Duncan, James R. Kerr, H. E. Ezzelle, M. F. Bader, H. E. Ezzelle, and Ward Kerr, O. T. Sudduth and J. Hahn.

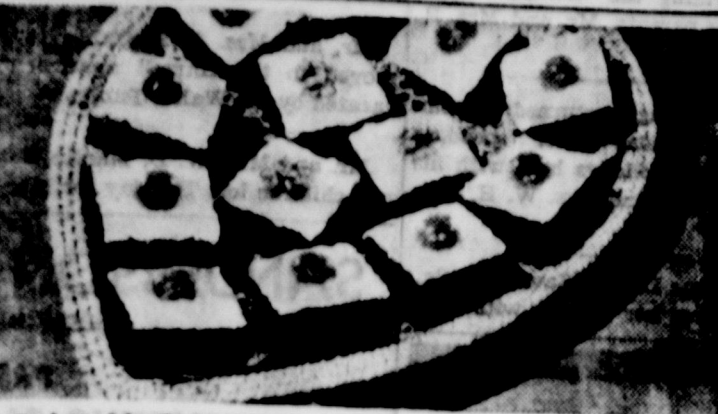

of RT Auxiliary Meets Monday

The B of RT Auxiliary met on Monday afternoon in the Masonic temple in regular monthly business session. After adjournment, the members present went to the home of Mrs. Jack Laughlin for coffee.

Bible Study Monday for Baptist W. M. U.

The Baptist W. M. U. met Monday afternoon. Rev. Claude Bridges taught the lesson on "The Seven Dispensations" taken from the Bible study book, "Rightly Dividing the Word of Truth".

Tempting Treat or Company Dessert

Delectable fudge squares—quick, easy, and so good!

These Southern Fudge Squares will win applause from youngsters, the men folk and fussy aunts alike. Made thick & thin, they're equally delicious—vary the topping to suit your fancy!

SOUTHERN FUDGE SQUARES

- 1/2 cup shortening
1/2 cup sugar
1 cup KARO Syrup, Blue Label
1 egg, beaten
1 teaspoon vanilla
1 square unsweetened chocolate, melted
1 cup sifted all-purpose flour
1/2 teaspoon salt
1 teaspoon baking soda
1/2 cup sour milk

Cream shortening, gradually add sugar and beat until light and fluffy. Add KARO, beat well. Add egg, vanilla and melted chocolate. Add sifted dry ingredients alternately with sour milk, stirring just until smooth after each addition. Pour into well-greased oblong pan (12 x 7 x 2 inches) or 2 8-inch square pans. Bake in moderate oven (375° F.) about 25 minutes.

Note: For thick cake-like squares, bake in 8-inch square cake pan in moderate oven (350° F.) about 45 minutes.

Mrs. Chester Boyd Bonhomie Club Hostess This Week

The Bonhomie Club met Wednesday afternoon in the home of Mrs. Chester Boyd with ten members present. Mrs. I. B. Ruak was welcomed as a new member.

Coffee, cold drinks, salted nuts and mints were served to the guests upon arrival.

After the period devoted to conversation and fancywork, the hostess served a congealed salad, crackers spread with cheese, iced tea and coffee.

Those present were Mesdames L. A. Wright, James Caroline, Elma Riley, A. E. Gates, E. F. Pierson, H. W. Halsell, Alfred Bendele, B. E. Carr, and F. H. Talbot.

Presbyterian Women Hear Study Talk by Mrs. C. C. Mitchell

The Presbyterian Women of the Church met in Fellowship Hall Monday afternoon with the vice-president, Mrs. E. F. Pierson, presiding.

The Lord's Prayer was recited in unison after the singing of the hymn, "Jesus Calls Us". Mrs. Pierson gave the inspirational reading, "In the Morning", based on the third Psalm.

Mrs. C. C. Mitchell led the study "Peace With God" based on Romans 5:1-11.

After the hymn "What A Friend" Mrs. Pierson gave the dismissal prayer. Members present included Mes-

Mr. and Mrs. R. V. Spears and children returned home Monday from Houston where they had visited with their daughter, Miss Carolyn Spears, who is attending the University of Houston and in Lufkin with relatives.

Mrs. Maude Carle of Hondo, is visiting here in the home of her son, Robert Carle, and family. Janet Carle who had spent several weeks with her grandmother, accompanied her home. Mr. Carle brought them to Sanderson Friday.

Mr. and Mrs. Roy Haley returned home Monday after visiting in Valentine with their son, Richard Haley, and family and in El Paso with their son, Hollis Haley, and family.

Miss Mary Landon Rose, Stephens College sophomore, spent the Easter holidays in Minneapolis with her roommate, Miss Nancy Drake.

Mr. and Mrs. F. H. Talbot and sons, Jack and Jimmy, returned home Saturday night from Hobbs, N. M., where they had visited with their son, Fred Talbot, and family.

Dr. J. W. Pate and sons, John, Bart and Mark, spent the week-end on Independence and at the Herbert Brown ranch.

Mrs. J. W. Pate returned home Monday from Dallas where she had spent a week with relatives.

Guests of Mr. and Mrs. F. M. Wood and children on the ranch last week end were Mr. and Mrs. Bill Newton and two children of Bristow, Oklahoma.

Mrs. Weyland Myers and three children of San Angelo spent last week-end on the ranch with her sister, Mrs. F. M. Wood, and family.

Mrs. Ben Causey returned home Sunday from Odessa where she had spent the week-end with her parents, Mr. and Mrs. J. E. Healy, and her two brothers.

Albert Weigand took his wife and son, Tommy, to San Antonio Monday and they went by plane from there to Enterprise, Alabama, to visit with her parents for a few weeks.

Mr. and Mrs. Carlton White left Wednesday for Houston to visit their daughter, Mrs. Frank Hovell, and family.

Mrs. John Harrison Hostess Tuesday For Bridge Party

Mrs. John Harrison entertained the Tuesday Bridge Club in the home of Mrs. Tol Murrain this week.

An arrangement of stock and snapdragons was on the mantle in the living room and the dining table was centered with an arrangement of purple iris. In the bridge games, Mrs. Mary Lou Kellar held high score, Mrs. Bustin Canon was second high and Mrs. W. H. Stumberg was low.

The other guests were Mesdames S. H. Underwood, Bernie Kerr, Hugh Rose, W. H. Riley, Jack Riggs, H. E. Fletcher, Herbert Brown, James R. Kerr, and Tol Murrain.

The hostess served a salad plate with coffee.

CARD OF THANKS

The Junior Class of the Sanderson High School wishes to thank this means of expressing their thanks to all those who contributed in any way to the success of the Mexican supper on Saturday, April 2.

TOM MILLER AETNA LIFE INSURANCE COMPANY Del Rio - Sanderson

Mr. and Mrs. A. A. Jenschke and daughter, Carol Ann, their son-in-law and daughter, Mr. and Mrs. Pat Adcock, and son, William Patrick, all of San Antonio were Sunday guests in the home of Mrs. Jenschke's mother, Mrs. Mary Lou Kellar.

Mr. and Mrs. W. E. Grigsby visited with relatives in Sterling City last week-end.

Mrs. Warren Beaver returned to Sanderson Friday to complete this semester in the Sanderson High School and will make her home with her grandmother, Mrs. Lizzie Billings. Her mother-in-law, Mrs. Ed Courville, and son, Morris, of Kermit, were she had been visiting, brought her to Sanderson.

SANDERSON STATE BANK

MEMBER F. D. I. C.
PRESENTS INTERESTING FACTS ABOUT TEXAS

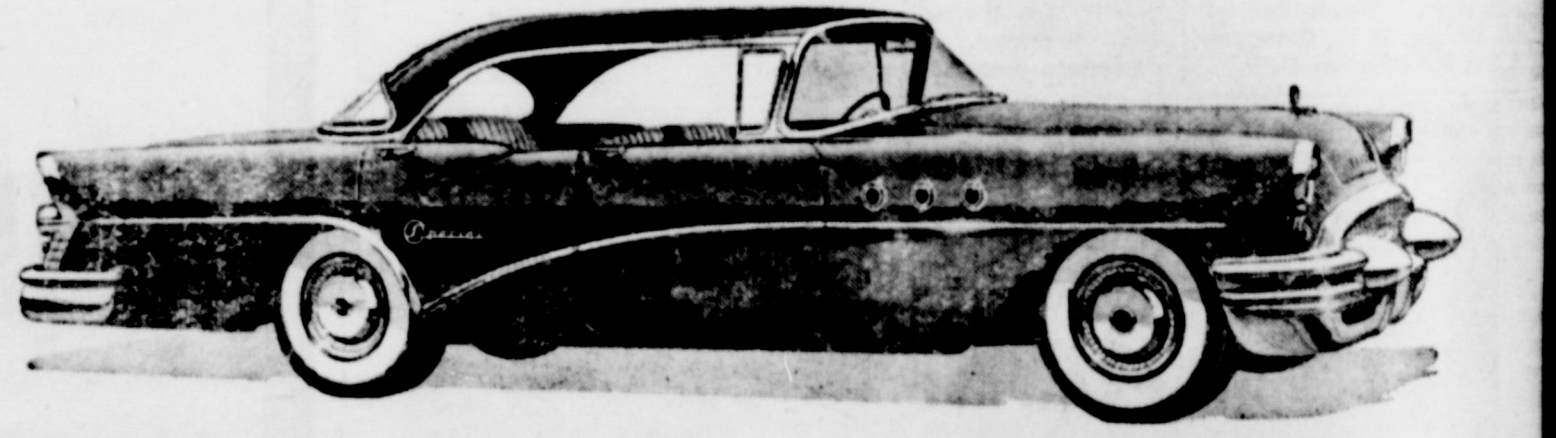

LAND OFFICE
The General Office was established by the Republic of Texas in 1836. When Texas became a member of the Union, the Land Office was retained, and Texas is today the only state with such an office. The total area of Texas at the time of its admission was approximately 237,906,000 acres, including the eastern half of present New Mexico and Part of Oklahoma, Kansas, Colorado and Wyoming. After relinquishing claim to the areas in return for ten million dollars, Texas had left a total area of 172,689,000 acres.

Get into the Swing of Spring at Buick's

Spring Fashion Festival

Starting April 1st

SURELY it's time you blossomed out in a big, bold, bright new Buick — just for the extra joy you'll feel.

And there's no better time than right now for you and the whole family to come look things over — because we're holding a Spring Fashion Festival to display the stunning new Buicks in gay new colors rich in Springtime freshness.

You'll see these sleek beauties dressed in new greens, new blues — in other strikingly vivid colors — and in ultra-smart two-tone and tri-tone combinations.

What's more, these gay new hues are available on the whole line of Buicks — Sedans,

Convertibles, Estate Wagons, Rivieras — and the newest of the new cars, the long-awaited 4-Door Riviera.

Best of all is the sheer thrill that's yours when you take to the road in any one of these '55 Buicks — for here is the spectacular new V8 power — and here is the spectacular performance of Variable Pitch Dynaflow,* which is very definitely the "must try" thrill of the year.

So — come be our guest — at our Spring Fashion Festival — and at the wheel of the "hottest" Buick in history.

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Gay Cars that lift your spirits!
Bright Colors that sing of Spring!

Smart Prices that baby your budget!

Thrill of the year is Buick

Enjoy cool, filtered air for less than you think with Buick's AIRCONDITIONER. It's a genuine Frigidaire.
