### LISTEN TO LUKE

Time was, long, long ago, when we were what is now called a teenager. It is with some degree of satisfaction that I think of my boyhood days and wonder why boys of that age were seldom led up in any kind of scandalous or serious trouble. I know that we were just as full of life as you are now. I know that where we are raised (if that is the word) there was little if any diversion of activity planned for the youth. We had to make our own means of entertainment and diversion — usually a sling-shot sufficed us to climb the hills in search of game. We made our town toys to occupy our time, both indoors and outdoors after all of our chores were done. But times have changed!

The youth problem in cities has become more serious than most of us like to imagine. The recent investigations have revealed that many cities have been plagued with sources of supply for teenagers to get anything from dope to guns. That leads to other crimes and gang activity in robbery and, finally, even murder. Yes, times have changed and the responsibilities of parents and citizens have increased to the point that action must be taken. These times have come to light in most of our cities, but Sanderson has a responsibility to a degree. We have growing children here who, like all other children, need planned activity of some kind.

That activity begins in the home. But times have changed us all where our world and scope of activities reach beyond our front yard, as was not the case years ago.

The Boy Scout program here has been active, as has the Girl Scout program. Why? Because there are enough parents of kids of those age groups who will work with their children and children of their neighbors to try to lead them in a program that is worthwhile. All of the boys of any town would be better fitted for life if they could have Scout training. It is something that goes a little beyond the work of the home, the church and the school.

Have you really given serious thought to trying to lead a troop of Scouts? Do you feel any need whatsoever in the formation of a troop?

If you think you don't know enough about Scouting, try taking over a troop. The boys will see that you learn, and learn fast.

We know of nothing that would give greater dividends for the boys today than a good wholehearted effort for the formation and continuation of a Scouting program here.

### Mothers March On Polio January 26

The members of the Evening Study Club will again lead the Mothers' March on Polio as their contribution to the local drive for funds being made by the Terrell County Chapter for Infantile Paralysis.

The drive will open at 6:15 on Thursday, January 26, the blowing of the fire siren and the ringing of church bells to herald the beginning of the calls that will be made to the homes of the town. Everyone having a contribution, whether large or small, for the March of Dimes, is requested to leave their porch light burning.

### MARCH OF DIMES TO GET PROCEEDS OF BAKE SALE

The cake and pie sale sponsored by the Legion Auxiliary Tuesday netted about \$100 to be contributed by the organization to the March of Dimes.

The sale was held at the Community Public Service Co. office and the public was very generous in their response to the cause for which it was planned.

The members of the auxiliary and their president, Mrs. S. L. Stumberg, have expressed their thanks and appreciation to everyone who helped to make the sale a success.

### 45th ANNIVERSARY OF O.E.S. OBSERVED

The forty-fifth anniversary of the local chapter of the Order of Eastern Star was observed here Tuesday evening when Mrs. Bertie Jane Easterling of Del Rio, who organized the chapter in 1911, was honored with a buffet supper at six o'clock preceding the stated meeting.

About forty attended the supper including Mrs. Frank Cochran of El Paso, Mr. and Mrs. John Burris of Brackettville, Mr. and Mrs. Clarence McDuff of Eagle Pass, Mr. and Mrs. Jack Tribble of Carrizo Springs and Mrs. Melie Mertz of Del Rio.

### Eagles Drop Game To Marfa by 48-44

The Sanderson Eagles lost their second game of the season Tuesday in Marfa when the Shorthorns won by 48-44. Sanderson has a 2-2 record as compared with a 3-3 record for Marfa.

Sanderson came out behind at the end of the first half by a score of 32-21 and was unable to overcome the lead in the second half of the game. Sanderson led the scoring in the 3rd period by 13-4. Luis Cobas was high scorer for the Eagles with 16 points netted.

In the B game, Marfa also won, but by the higher margin of 52-25. Gary Harrell led the Eagles in scoring by looping seven points.

### County School Census Nearly Completed

The taking of the annual school census for Terrell County was begun January 1 by Mrs. W. J. Ferguson and will be completed by the last of this month.

Mrs. Ferguson is making an effort to get every scholastic in the county on the census rolls. All children who will be six years old by September 1 and who will not have their eighteenth birthday until after September 1 are to be included in the census whether or not they are in school.

### THOUGHT FOR THE WEEK:

"But seek ye first the kingdom of God, and His righteousness; and all these things shall be added unto you." Matthew 6:33.

All the "things" that we count so important will come, if we will only give God His rightful place in our lives. For a happy ending put God first. H. B. Dean.

Show, a crossbred lamb; and Malone Mitchell, Jr., and his fine wool lamb which was judged Reserve Champion of the Senior Show. At left above is a picture of the Stavley brothers, Bill and Hutch, with their Grand Champion lambs of the Junior F.F.A. Show and the Open Fat Lamb Show. The lamb pictured on the right, held by Hutch Stavley, is a Southdown. Above right is Charles Fletcher who had the first place Rambouillet ewe lamb and yearling in the Rambouillet division of the Breech-Sheep Show. Fletcher's two lambs were bred by J. W. Carruthers & Sons, of Sanderson, well-known Rambouillet breeders.

### Large Crowd Boosts Show Staged By Local FFA Chapter

A record crowd was on hand at Sixth Annual F.F.A. Chapter Livestock Show here Saturday afternoon to view the exhibition of fat sheep and the judging events.

A very balmy day added to the enjoyment of the crowd.

In the Open Breeding Sheep show, W. D. O'Bryant had the first place lamb ram and ewe and Mike Turk had the first place yearling ram and ewe.

In the Southdown class, Butch and Bill Stavley had the only entries in the class and took all honors.

In the Rambouillet class, Joe Causey had the first three places in ram lambs; Malone Mitchell, Jr., had the three top yearling rams.

The Rambouillet ewe lamb class was won by Charles Fletcher, with Jerry Monroe, W. D. O'Bryant and Jerry Monroe following. Fletcher also had the top yearling ewe in the Rambouillet breeding class, followed by Joe Causey.

In the fine wool division of the Junior F.F.A. Show, the first ten places went to Bill Stavley, Butch Stavley, Bobby Littleton (3rd and 4th), Bill Stavley, Bob Fisher and Eddie Lee Wagner.

The Prime lambs in this class were owned by Bobby Littleton, Bill Stavley, Eddie Wagner, Butch Stavley, Bob Fisher and Choice ratings were awarded to Bobby Keyes, G. C. Eggleston, Dale Turner, Buddy Monroe; and Good ratings to two lambs fed by Bobby Keyes.

In the Crossbred division, the first five places went to the Stavley Brothers (1st and 2nd), Bob Fisher, Bobby Littleton and Johnny Hogg; Prime classifications to Bob Littleton, Bill Stavley, Bob Fisher, Butch Stavley and Johnny Hogg; Choice to Charles Bentley, Johnny Hogg, Buddy Monroe and G. C. Eggleston with Bobby Keyes getting a Good rating on his lamb.

The Grand and Reserve Champion lambs of the Junior F.F.A. Show were owned by the Stavley Brothers, and the trophy for the champion was presented by the Sanderson State Bank.

In the open Fat Lamb Show, Butch Stavley had the Grand and Reserve Champion lambs with Bill Stavley, Malone Mitchell, Jr., Eddie Hanson and Bobby Beckett placing in that order.

In the Senior F.F.A. Show, Fine Wool division the first ten places went to Bob Beckett, Philip Eggleston, Matias Gutierrez, Malone Mitchell, Jr., Eddie Hanson, Eg-

### BIRTHS

A son, their second child, was born in a Fort Stockton hospital on Monday, January 16, to Mr. and Mrs. Marshall Cooke. The baby's birth weight was seven pounds and he was named Darrell Gifford.

Mr. and Mrs. Greene Cooke are the paternal grandparents.

### SNOW AND RAIN COVERS COUNTY TUESDAY NIGHT

A comparatively heavy snow fell in Sanderson and especially in the north part of the county Tuesday night, leaving from 4 to 5-1/2 of an inch of moisture in rain gauges in the Sanderson area and heavier snow reported north.

There were heavy clouds visible in the north at dusk Tuesday and some light showers fell before dark, changing to intermittently heavy showers around 7:30 p.m. and to sleet later that night. The country awakened to the snow-white terrain Wednesday morning.

Only sheltered places showed traces of the snow Wednesday afternoon late as bright and warm sunshine all day had melted almost all traces of the snow.

Very little run-off was noted in town and most of the moisture went into the ground.

State highway department employees were up all night Tuesday night keeping roads of the county passable.

### Motor Vehicle Tags On Sale February 1

Automobile license plates have been received for Terrell County and will go on sale February 1, according to Miss Sue Burchett, deputy in the tax assessor-collector's office.

The new tags take on a new look this year with a style which is to be made standard throughout the United States, Canada, Mexico, Puerto Rico and the District of Columbia.

The program of standardization was begun by the American Association of Motor Vehicle Administrators with a target date for a complete change-over set for October 1, 1957.

The size of the plate this year is six by twelve inches. Texas tags will have gold lettering on a black background with the letters of alphabetical prefix side by side instead of vertical as in the past.

The numbers to be assigned to passenger car owners of Terrell County will begin at CH 1600.

The deadline for buying 1956 license plates will be March 31 and they may be put on any time after purchase, but must be on all motor vehicles in operation on April 1.

### Retail Merchants Discuss Credit At Meeting Tuesday

The Sanderson Retail Merchants Association met Tuesday night for a discussion of reporting credit rating of their individual members. Plans are being made to bring the local files up to date to give an accurate picture of the credit habits of all local consumers.

There was also a discussion on the approval of the association of a plan to investigate all collectors as to their legitimacy before issuing a card from the association which would establish their authenticity. It was felt that such a move would give the people of the town an opportunity to better appraise any collector before contributing to whatever cause for which they may be collecting funds through various means.

It was brought out that the approval or disapproval of any collector was not intended to obligate local citizens to act in any way when they were approached by the individuals, but merely a check to ascertain if such a cause actually exists and if the person is a representative of such an organization.

Stanton White, combination man for the Southwestern Bell Telephone Co., has rented the house vacated by Mr. and Mrs. James R. Kerr, and has moved his wife and three children here from Stanton, Texas.

### Terrell County Listed For Feed Program

Terrell County was among 39 counties in Texas listed as eligible for the drought aid feed program, according to Autrey Walker, Del Rio banker and drought aid committee member.

Mr. Walker telephoned The Times Monday and informed this paper that Terrell County had been added to the eligibility list and that ranchers may apply at the local ASC office to make application for the relief feed at reduced prices. Mr. Walker stated that grain only would be sold at the reduction, and that only feed for foundation stock would be available.

The program is set up for 60 days and purchases may be made only from recognized feed dealers authorized by the local ASC office.

F. M. Wood, local ASC manager, stated that forms for the applications are expected to be in his office today (Thursday) and his office will be set up to assist ranchers in making application and to expedite the assistance that is so badly needed in this area.

In a letter received Wednesday morning from Congressman J. T. Rutherford, he stated the recent action by the Department of Agriculture in placing Terrell County on the list of eligible counties for drought relief feed was because of county ranchmen's request to him for such action and is relaying the information on Secretary of Agriculture Ezra T. Benson. He said he received the same type of aid for Crane, Crockett, Midland and Pecos Counties.

### Girl Cagers Lose To Alpine Fems

The Sanderson girls' basketball teams went to Alpine last week and were roundly beaten by the host teams. The A girls lost by a score of 50-15 with Diana Duke leading in scoring for the locals by netting 10 points.

The Alpine B team also won, by a score of 39-15 with Trudy Jones making seven points for Sanderson to lead the scoring for the locals.

### Mrs. Chester Smith Opens Dining Room

Mrs. Chester Smith, who has been in charge of the Sanderson Courts Cafe for the past 15 months, has moved her business to the Clark apartments located at 212 N. Persimmon St., and opened a public dining room.

The Smiths, who have occupied the rent house north of the Masonic Hall, have also established residence at the above address.

Announcement is being made this week that Mrs. Smith will serve breakfast, dinner and supper in her dining room and will cater to tourist as well as local trade.

The meals will be served family-style or plates with short orders also available. Chicken will be featured every Sunday for dinner.

Mexican food will be available at all times.

### Girl NOT INJURED WHEN STRUCK BY CAR

Delma Diaz, the eight-year-old daughter of Mr. and Mrs. Juan Diaz of Sanderson, was unhurt Sunday morning when she was hit by a car as she attempted to cross the highway in the eastern part of town.

Driver of the car was John Taylor of Toledo, Ohio, who was accompanied by his wife. They stopped and the accident was reported to the sheriff's department. It was declared an unavoidable accident and, after an examination of the child, the doctor stated that she suffered only shock and slight bruises.

Mr. and Mrs. Taylor, paid the expenses of the doctor's call and stated that they had never had an accident of any kind in the forty years they had driven a car.

AUSTIN — Insurance firms "of all types are feeling the effect of the public's reaction over the failure of U.S. Trust & Guaranty Co. There appears to be a public wariness of insurance salesmen at the moment.

Steps are being taken to re-sell the public on the insurance business. One such move was an offer on the part of 28 legal reserve companies to "take over" the life insurance policies of defunct concerns. Thus they would protect policy holders from loss of their life insurance.

To date no policy holder in any legal reserve life insurance company in Texas has suffered any loss. Nevertheless the companies are feeling the pinch of the adverse publicity.

J. Ralph Wood, president of the Southwestern Life Insurance Co., was one of the executives who presented the "guarantee" proposal to the insurance commission. "We want to protect the good name of Texas insurance companies," Wood stated, "and also protect the innocent life insurance policy holders."

J. Byron Saunders, chairman of the insurance commission, said "I am happy to learn of the project. It is a most laudable step. It will help relieve much public anxiety and concern."

In other developments, the insurance commission moved to force a change in management of the John K. Wilson Mutual Aid Association of Princeton, while the state obtained court orders to shut down the American Atlas Corporation and J. A. Irvin, Inc., of Dallas.

Meanwhile investigations continue by the Texas State Senate's investigating committee concerning all details of the collapse of the U.S. Trust & Guaranty Co., whose president A. B. Shoemaker shot himself when the firm went under recently.

Sen. William S. Fly of Victoria is the new chairman of the investigating group. Fly was named to the post by Lt. Gov. Ben Ramsey after Sen. Searcy Bracewell of Houston resigned when the committee voted to go into a closed session. "To avoid improperly divulging facts for the benefit of offenders."

In the opinion of the new chairman, there is a place for both open and closed meetings. "But executive sessions should be held only under unusual and extraordinary conditions," Fly stated.

Checks unearthed in U.S. Trust files by State Auditor C. H. Cavness reveal the names of six legislators or ex-lawmakers who have received pay from the now-closed firm. But Cavness has not been able to learn who received \$50,550 in cash withdrawals, most of which were made during the time the 1955 Legislature was in session.

Another Cavness revelation was payment of \$115,499 to Kamin Advertising Agency. Cavness said it was a Houston firm which handled the Drew Pearson television program in which the news commentator told his listeners, "You can put your trust in U.S. Trust." Of the \$115,499, a total of \$95,992 was paid in 1955.

**Giles Goes to Huntsville**  
When the prison doors opened Monday morning in Huntsville, Bascom Giles was there awaiting the start of his term in the penitentiary. He left Austin alone, by car, sometime after midnight Sunday and drove to Huntsville, to turn himself in. The unexpected move on the part of the former State Land Commissioner was made to avoid any further publicity.

Clint Small, attorney for Giles

release the following statement which had been prepared by Giles just before his departure for Huntsville:

"I have to the best of my ability made amends to the state in a material way. I want to state that so far as I am aware, no other state official or employee was involved in any of the transactions for which I was convicted. I wish to thank from the bottom of my heart those friends who have been kind and sympathetic with my family and me during the past troubled year. I deeply regret the embarrassment and heartaches caused my friends and co-workers."

Several weeks ago, Giles vowed to repay all he owes. He has repaid \$80,000 to date. He is joint defendant in other civil suits totaling \$170,000. But his share of the liability has not been determined.

**Water Problems Studied**

To conserve water Railroad Commissioner Ernest O. Thompson recommends the proration of water much the same as oil now is prorated. He made his recommendation at a meeting of the Texas Water Resources Committee. At the same session members of the Brazos River Authority said that in some years as much as 600,000 tons of salt and other chlorides are washed into Possum Kingdom Reservoir. Suggested was a dam to block off a salt flat in Northwest Texas and permanently impound the flow of brine springs and the run-off from the area. This would prevent intrusion of 200,000 tons of salt a year into the Brazos reservoirs and stream

**TEXAS LEGIONNAIRES FIGHT POLIO** — State Commander Charles L. Downey inserts the first dime in the big "Join the March of Dimes" coin boards that have been placed in every Legion Hall in Texas for the 1956 polio appeal (Jan. 3-31). Mrs. Minnye Lyle, state secretary for the Legion Auxiliary, right, is head of the mammoth project. Texas Legion posts also are holding suppers, dances and parties for the benefit of the March of Dimes during January.

flow. BRA's aim is a six-dam program costing \$173,000,000.

**Varborough Honored**

Austin Attorney Ralph W. Varborough, 1954 candidate for governor, has been named to membership on the national legal committee of the Veterans of Foreign Wars. He was recommended for the appointment by Ted C. Connell of Killeen, Texas VFW Department Commander.

**Military Discharges**

More Texans were discharged from military service in 1955 than were drafted or volunteered. A total of 46,545 entered service while 54,499 were discharged. Draftees totaled 7,954, as compared with 38,591 volunteers. Nearly four out of every ten men examined were turned down.

**Daniel May Reveal Plans**

Not if, but when U.S. Sen. Price Daniel will announce for governor, now is the subject for political seers. Most likely date is January 21. Then Daniel, who also is co-owner of two East Texas weeklies — the Liberty Vindicator and the Cleveland Advocate — will address the Mid-Winter Convention of the Texas Press Association in Austin. A statewide gathering of some 200 newsmen would offer a golden opportunity for a campaign kickoff, some say. Congressman-at-Large Martin Dies and State Rep. Horace B. Houston Jr. have said

they would run for Daniel's seat when vacated.

**Farm Income Drops**

Texas' cash farm income for the first 11 months of 1955 dropped eight per cent below 1954. Commodities showing decreases were cotton, cottonseed, wheat, oats, flaxseed, rice, cattle, calves, hogs, wool, poultry, milk and milk products. Gains were registered by peanuts, corn, grain sorghum, sheep and lambs, mohair, eggs, fruit and vegetables.

**More Vaccine**

Because of steadily increasing supplies, Salk polio vaccine priority in Texas has been extended to persons up to 20 years of age and to pregnant women. Total polio cases in 1955 was 1,931. It was a sharp drop from the previous year's 3,037.

**Short Noerts**

John A. McCurdy has retired as executive secretary of the U. T. Ex-Students Association, after nearly 30 years of service. He has been replaced by Jack R. Maguire, public relations director of the Texas Insurance Advisory Association. Maguire's successor has not been chosen. . . . George Haddaway, publisher of Flight Magazine in Dallas, is the first chairman of the newly formed Aviation Council of Texas which will open offices soon, possibly in Austin. Birth records of the past five years indicate that over 350,000 additional students will enroll in the public schools of Texas during the next five years. There are 1,853,000 children of scholastic age this year, or an increase of 80,000 over last year.

A salad plate was served with tea and coffee. Mrs. Lena Stavley, Mrs. O. J. Crews and Mrs. F. G. Grigsby were tea guests.

**Good Beginning—Good Ending**

**THERE'S NOTHING LIKE BEING IN THE MOOD TO WHISTLE** while you work . . . or, at least, on the way to work. Regular breakfast eaters enjoy this happy sensation. And, because time is no longer an obstacle in preparing breakfast with ready-to-eat cereals, more people are experiencing this good cheer.

Among the favorites heading the cereal list is candy-coated puffed wheat. Since it's pre-sweetened, the only addition necessary is milk unless you like thick slices of delicious bananas to top it with. For those heartier appetites, an easy-to-boil egg with buttered toast and coffee will top off a perfect breakfast.

Remember though—cereals have a place of honor in other meals, too. Here's a novel dessert featuring candy-coated puffed wheat cereal, to end the day as well as start it—with zip!

**HONEY CRUNCH SUNDAE PIE**

1 1/2 cups Sugar Crisp	1 tablespoon butter
1/4 cup honey	1/2 cup shredded coconut, toasted
2 tablespoons sugar	1 quart vanilla ice cream
1/4 teaspoon salt	

Place cereal in greased bowl and set aside. Combine honey sugar, and salt in saucepan. Bring to a boil over medium heat stirring to dissolve sugar. Continue boiling until a small amount of syrup forms a firm ball in cold water (or to a temperature of 248° F.). Add butter. Pour syrup over cereal in bowl, stirring lightly to coat. Add toasted coconut, combining quickly. Press mixture gently on bottom and sides of well-greased 9-inch pie pan. Chill. Fill with vanilla ice cream, serve with fudge sauce

**Mrs. O. T. Sudduth Hostess Last Week To '51 Bridge Club**

Mrs. O. T. Sudduth entertained the '51 Bridge Club in her home last Thursday afternoon.

High score was held by Mrs. Herbert Brown, second high by Mrs. E. J. Hanson and low by Mrs. H. E. Fletcher.

Additional guests included Mesdames Jack Riggs, J. A. Gilbreath, Edward Kerr, W. W. Sudduth and J. T. Williams.

The hostess served a salad plate with tea and coffee at the conclusion of the card games.

**GIRL SCOUTS BEGIN WORK ON CONSERVATION BADGE**

The Girl Scouts of Troop 2 met Monday afternoon at the Scout House.

After roll call, the leaders discussed the Conservation Badge which the girls will begin working on this week. The girls were divided into pairs to find out about various phases of conservation and are to report to the troop as soon as they have completed their research.
