TO WHOM IT MAY CONCERN: The undersigned. Frank Subjett Catlin, gives notice that he has recently discovered facts which give him good reason to believe that he may have been mistaken in his belief that he was a limited partner in a limited partnership purportedly formed by Mr. Waiter E. Bauerle and Mr. A. D. Williams under the name of "Dryden Stone Quarries Ltd." Having received information that Walter E. Bauerle and A. D. Williams may have failed to comply with the Texas Statutes governing the formation of limited partnerships, Frank Sublett Catlin hereby renounces any and all interest in the profits of said business

Frank Sublett Catlin further states that Walter E. Bauerle and A. D. Williams executed a certain note for \$1,200.00 payable to the undersigned and dated February 19, 1955, and represented in said note that it entitled the undersigned to a 1 per cent interest in the profits of the business as a limited partner and that they, Waiter E. Bauerle and A. D. Williams, had formed a limited partnership with themselves as principal or general partners. Should Waiter E. Bauerle and A. D. Williams contend and prove in a court of competent jursdiction that a limited partnership has in fact been properly formed under the laws of the State of Texas, then this constitutes no-tice by the undersigned of his demand for the payment of all pastdue installments on his note for \$1,200.00, or in the alternative, should the money advanced by him be considered a contribution to capital (which is denied) this constitutes a demand for the return of his contribution of \$1,000,00 to the capital of the partnership; and this further constitutes notice of Frank Sublett Catlin's demand for dissolution of said partnership. It's the 225-h.p. Thunderbird Special V-8 you can have now in Ford!

At 6 p.m. on Saturday, February 25, a '56 Ford set out to re-write the record book at the new Ford Proving Grounds, Kingman, Ariz. Just a little over one hour later, this 225-h.p. Ford had set 30 new world marks-ranging from short runs to 100-mile performance! To you this recordbreaking performance promises the most exciting response ever delivered for so little money. Hills you've long known will disappear. Stop lights will be fast fading memories within instants after your foot nudges the throttle. And when it comes to passing, you'll pass in a wink with plenty of "whoosh" in reserve.

Thunderbird looks, too

But you get more than record-breaking performance when you drive a Ford V-8. You get the long low look of the Ford Thunderbird. It's the kind of sleek, yearsahead styling for which Ford is famous.
