SANDERSON, TEXAS, FRIDAY, NOVEMBER 10, 1956

NUMBER 39

DEER SEASON SET DECEMBER 8-13

Deer season west of the Pecos this year will be the six-day period of December 8 to 13, both days inclusive.

The Trans-Pecos regulations for hunters permits two bucks only one of which may be a black-tail or mule deer. There may be two white tail deer taken West of the Pecos, or one white tail and one black tail or mule deer.

The reason for setting the season into December was to permit full benefit of the bucks, which previously had been curtailed since the season began just at the beginning of the mating season. This year, it is hoped that the animals may have a normal mating season prior to the beginning of the hunting season, thus increasing future deer herds. It is also thought that the late season, cold weather and other circumstances will permit a larger harvest of the deer.

All legal deer must have three or more prongs except in certain areas where antlerless deer may be slain with special permits and under supervision.

The bear season runs December 8 to 13 also, with a limit of one bear per season.

Javelina season is from November 1 to December 31 with a bag limit of two per season authorized.

Quail season is during the month of December with a bag limit of 10 per day and 20 possession limit under the law.

J. J. Rogers Funeral In Harper Monday

Funeral services were held in Harper Monday afternoon in the First Presbyterian Church for Joseph J. Rogers, 74, who died in a Kerrville hospital Sunday.

Mr. Rogers, a retired ranchman, had resided in Harper for 71 years. He had been ill only a short time, being stricken with a heart attack Thursday night while visiting with his son in Kerrville.

Survivors include his wife, Mrs. Lucy H. Rogers, four sons and three daughters including Mrs. W. E. Lea, Jr., and Mrs. Roy Deaton of Sanderson, and Mrs. R. H. McElroy of Alpine, eight grandchildren and three great-grandchildren.

Mrs. Lea had gone to Harper the first of the week to return her mother, who had been visiting here and with Mrs. Deaton, was at her father's bedside when death came. The Deatons were called to Kerrville Friday.

Mmes. L. M. Wooten, F. G. Grigaby, and Jack Laughlin attended the funeral services.

Visitors To Park Remains Steady

Visitors to Big Bend National Park during October totalled 5,332, approximately the same number recorded during October last year, according to Supt. George W. Miller, Travel during 1956 has reached 80,940 visitors as compared with 72,400 during the same period last year, an increase of 8,540 visitors.

Evening campfire talks presented by Rangers will continue Monday through Saturday throughout winter in the Chisos Mountains Basin. This popular evening activity for overnight guests was attended by 687 during October, Mr. Miller reported.

Big Bend National Park facilities are open throughout the year.

MRS. JOHN BELL GOES TO GUATEMALA

Mrs. John Bell left by train Sunday for New Orleans and from there went by plane Tuesday to Guatemala. Her little sister, Thelma Dee Edwards, who had been visiting with her, accompanied her on the trip to return her mother, Mrs. Jimmy Loden, and family who are residing in Guatemala.

Split Ticket Places Ike Ahead In Terrell Vote

A lighter vote than was anticipated was recorded in Terrell County's General Election Tuesday.

President Dwight D. Eisenhower and Vice President Richard M. Nixon carried the county with a slightly larger percentage of total

vote than was recorded in 1952.

Other names in the Democratic column went strongly over Republican nominees and all of the proposed amendment carried in Terrell County.

The total vote by precincts follows:

Office and Candidates	Pct. 1	Pct. 2	Pct. 3	Pct. 4

TURKEY SHOOT SLATED NOV. 25

The annual turkey shoot staged by the Sanderson Volunteer Fire Department is slated for Sunday, November 25. The time has been set for 1 o'clock.

As has been the custom for several years, there will be several types of targets for the shooters at the rifle range east of the old highway maintenance barn.

There will be a 100-yard range with the turkey's head as the target. Any size rifle may be used, but 270 or larger calibre may be used with scope. Smaller than 270 calibre must have open sights. Offhand shooting only at this target and three shots for \$2, with no more than one turkey as a target for each \$2 round fired.

There will also be a chicken shoot with \$2 for each chicken, which is won by the high score on each match. There may be as few as two shooters at \$1 each or as many as four shooters at 50c. Only 22 calibre, open sight rifles are used on this range.

There will be the same type of range for turkeys at \$10 per match with as few as two shooters, or as many as five shooters. High score target wins the turkey.

There will be a pistol shoot at the turkey's head following the 100-yard shooting.

All shooters are asked to bring their own guns and ammunition. Shooters are also asked to leave their guns in their vehicles or on the tables provided for the purpose until ready to shoot. All guns will be left unbolts, or unlocked with an empty chamber until facing the target and ready to fire. All shooters are asked to leave ammunition out of magazines or magazines out of guns until ready to fire.

Volunteer firemen will be on hand to remind shooters of careless action on their part and the cooperation of all shooters is urged to help the firemen keep a no-accident record.

Parents of small children are urged to keep their children away from the firing line at the various ranges to help possibly prevent an accident.

The turkeys have been ordered for the shoot and the firemen promise nice sized birds for the benefit of the nimrods.

Poppies To Be Sold Armistice Day

The Legion Auxiliary will have their annual Poppy Sale on Monday, November 12, since Armistice Day, November 11, falls on Sunday this year.

Poppies will be available in several business houses and the members of the auxiliary will sell poppies on the streets.

The poppies are made by hospitalized veterans and in many instances provides them with their only source of income of a little spending money of their own. The funds derived from the sale of the poppies by the auxiliary will go toward rehabilitation and relief for veterans and their families.

The co-operation of the public will be appreciated when an auxiliary member offers a poppy for sale and the buyer may proudly wear it in his buttonhole as a silent reminder of the price that was paid by veterans of all wars, then and now, for the progress toward world peace.

Coming Events

- Thursday, Nov. 8 - Legion meeting, Evening Study Club.
- Monday - Altar Society, Presbyterian Women, Baptist W.M.U., B. of R.T. Auxiliary.
- Tuesday - Tuesday Club, Masons, Legion Auxiliary.
- Wednesday - Rotary Club, 53 Club, Bonhomie Club.
- Thursday - Lions Club, Thursday Club, Culture Club.

ALPINE BUCKS SLAUGHTER EAGLES 38-7; IRAAN BRAVES TO HOST FRIDAY NIGHT

The Alpine Bucks strongly defeated the Sanderson Eagles last Friday night in that city to the tune of 38-7. It was the seventh loss for the Eagles who are playing a very stiff season of strong competition against teams who are heavier, more experienced and deeper in reserves.

It was the second district win for the Bucks.

During the first quarter, the score looked as though Sanderson had a chance to play a fairly-even game, but the second and subsequent periods showed otherwise. The first quarter score was 13-7.

Alpine opened the scoring early in the game with a touchdown and placement kick conversion. They bounced back soon for their second score but failed to make the extra point.

In the first period David Graham broke into the secondary on a line play and went the distance - 55 yards - for the only Sanderson score. Irvin Robbins converted the extra point on a running play.

Alpine scores followed in the second quarter with 12; third period 6 and 7 in the fourth period.

Two of the Alpine TDs worked off the Statue of Liberty play.

One of the outstanding plays of the game to Eagle fans was the completion of a pass from Robbins to Kenneth Shurley near the goal line. Shurley had to go up into the air to catch the pass and snagged it behind him. Subsequent plays did not put the ball over the goal line, however, as the strong Alpine line held the Eagle attempt to score.

Sanderson topped the Bucks in first downs, gaining 11 to 7 for the opponents. The Alpine TDs made up the difference, however, and their first downs were usually for more than sufficient yardage for close measurement.

The Eagle line was effective in defensive line plays against the Bucks, but they were not able to

Carl Werneking Lease Business From M. A. Robertson

Mr. and Mrs. Marvin Robertson have leased their store and service station to Mr. and Mrs. Carl Werneking and Weldon, who took over management of the business on November 1.

The Robertsons left Wednesday for Wichita Falls to visit with her nephew and niece, Mr. and Mrs. Bobby Self, and baby for a few days. They have purchased a house trailer and, after returning to Sanderson for a few days of packing household goods, they will go to San Antonio where Mr. Robertson will have a physical check-up and possibly surgery. Their future plans depend on the outcome of his condition, a service-connected disability.

Mr. and Mrs. Werneking and their son, Weldon, will operate the business and stated that they would appreciate the patronage of local citizens.

They will continue the line of Chevron gas and oil products and will handle staple grocery items in the store.

JACK RIGGS FAMILY GOES TO SONORA ROPING

Ada Lee Riggs won a belt buckle in the children's barrel races at a roping at Sonora Sunday. Jack Riggs did not place in any of the roping events.

Mr. and Mrs. Riggs with Jackie Bob and Ada Lee visited with relatives in Sonora last week-end and attended the roping. Her aunt, Miss Ida Cauthorn, accompanied them home for a visit.

IT SAYS HERE:-

When some men discharge an obligation you can hear the report for hours.

penetrate the Alpine defenses to break up end runs or pass plays.

The Eagle stands were full of Sanderson fans, and probably outnumbered the Alpine fans who were out for the game. There was a chilly breeze blowing throughout the game.

Sanderson will meet the Iraan Braves Friday night in the next-to-the-last game of the season. It will be played in Iraan and will be a district contest.

Iraan has the strongest team of the two and is expected to give the Eagles a lashing. They have stacked up very well in district play.

School Attendance Law to be Enforced

The Board of Trustees of the Terrell County Common School District No. 1 has voted to enforce the State Compulsory School Attendance Law in Terrell County.

There are quite a number of school-age children living in the county and not attending local schools, according to Superintendent Matt F. Bader.

Parents are held responsible for sending their children to school, Bader stated. For failure to comply with the compulsory school attendance law, parents may be fined \$5.00 for the first offense, \$10.00 for the second offense, and \$25.00 for the third offense.

A check is being made of pupils who are living in the district and not attending school. Citizens who know of any students of school age living in the county who are not attending school, should notify the superintendent's office.

GRAND JURORS CALLED NOV. 14

The following citizens have been called for grand jury duty on Wednesday, November 14:

- G. K. Mitchell, Mrs. M. H. Goode, Jr., Wilson H. Banner, Lynn Hicks, Mrs. R. Gatlin, Milton Holmes, Manuel Barrera, Gustavo Flores, Mrs. Ray Brotherton, E. J. Hanson, Mrs. G. E. Babb, Reginald Monroe, Albert Weigand, R. G. Calzada, Troy Druse, Susano Munoz.

The grand jurors are asked to be at the courthouse at 10 a.m. on that day.

District Judge Roger Thurmond and District Attorney Douglas A. Newton are to be in Sanderson for the grand jury session.

Scouts Participate In National Project

The Boy Scouts of the community participated in the national project, "Get Out The Vote", here Tuesday.

At 3:45 a parade which formed at the north end of Persimmon Street, marched through the business district carrying placards imprinted with "Vote". The Sanderson High School band led the parade made up of all Scout organizations in uniform.

Mrs. Ben Causey, co-ordinator of the Scout program here, was with the paraders and supervised the project.

Later the Cub Scouts knocked on the doors of the homes of the community, reminding the residents that Tuesday was the day for the general election and urging each to vote.

The Explorer Scouts furnished transportation to the polling place for anyone requesting it.

THOUGHT FOR THE WEEK:-
"Walk in love... walk as children of light." Ephesians 5:2,8.

The Bible has a great deal to say about walking. Your talk will be gauged by your walk. — H. B. Dean.

Rheumatic Heart Usually Follows Throat Infection

Austin — Heart disease is still the number one killer over all other causes in the United States today, State Health Department statistics show. Despite awe-provoking advance in the cardiovascular field of medicine, the high tensions of modern living continue to reap its harvest of deaths from heart diseases.

Rheumatic heart conditions, though not high on the mortality list, nevertheless takes its toll. Rheumatic fever is responsible for 95 percent of the defective hearts in childhood.

It accounts for more than one-

 There will be a nursery for the children up to 4 years of age.

third of the crippled hearts in adult life, and according to insurance statistics chronic rheumatic heart disease accounts for five per cent of the deaths from diseases of the heart.

Rheumatic fever is no longer the threat it once was. Scientific advances of the past few years have made it possible to prevent most cases of this disease which disables so many each year.

The main target in the fight against rheumatic fever is a special kind of sore throat — called a strep throat, which is an infection caused by the streptococcal germ. Doctors know that a strep infection precedes most attacks of rheumatic fever.

Children between the ages of six and eight are the most common victims. The plan is to prevent the strep infection or to treat it adequately at the onset, thereby averting a possible attack of rheumatic fever.

This information is encouraging to all parents and especially to the child who has had rheumatic fever. The condition has a way of repeating itself and each attack increases the chances of heart damage.

To protect a child who has rheumatic fever, doctors are prescribing regular doses of such medicines as penicillin and the sulfa drug. It may be necessary for the child to take such a medicine for a long time. These medicines are available free at your city or county health departments for those who are unable to pay.

If a child who has never had rheumatic fever gets a strep infection, immediate treatment is required because rheumatic fever usually doesn't follow when treatment is prompt and complete.

With the late fall season, strep throats are on the rise in Texas. Dr. Henry A. Hollie, commissioner of health, asks that parents watch

for these signs which may be an early warning of a strep throat condition in your child.

A sudden sore throat or pain in the throat when a child swallows; pain when you press under the angle of the jaw, swollen glands; fever, usually between 101 and 104 degrees.

Also, the child may have a headache or experience nausea, and be especially watchful if the child has been exposed to anyone who has had scarlet fever or a strep throat. Call your doctor if any of these symptoms are present.

Mrs. C. H. White received word Saturday of the birth of a daughter to her granddaughter, Mrs. Jack Crawford, and Lt. Crawford of Houston. The new arrival is the first child for the couple and she was named Lindsay Jackson. Mrs. Crawford is the former Miss Gayle McElroy and has been a frequent visitor in Sanderson.

Mr. and Mrs. Alton Wilhite of Fort Stockton announce the birth of a daughter, Rebecca Kay, on November 3 at Monahans. The Wilhites formerly resided in Sanderson when he was soil conservation technician here and she was employed at the Sanderson State Bank.

Mr. and Mrs. Jesus Limon took their seven-year-old daughter, Ofelia, to Corpus Christi Saturday for medical treatment. While there they will visit with Mrs. Limon's mother, Mrs. Ofelia Pressa.

FRANCIS MANSFIELD RECEIVES BURNS N EYES

Francis Mansfield suffered very painful burns on his eyes last week. He is resting comfortably at the home of his sister, Mrs. W. T. Frazier. It is thought that his vision will not be impaired.

Mr. Mansfield was watching H. C. Rock do some arc welding and suffered the burns before realizing that he did not have the protection of goggles or helmet as he watched the welder.

BILL J. HAINES' MOTHER DIES IN SONORA THURSDAY

Funeral services were held in Sonora last Thursday for Mrs. W. J. Haines, 64, who died at her home in that city on October 30, a victim of cancer.

Mrs. Haines was the mother of Bill J. Haines of Lebanon, Mo., a former Sanderson resident.

TOL MURRAH TO FUNERAL OF MERTZON RELATIVE

Mr. and Mrs. Tol Murrah attended funeral services in Mertzon last Wednesday for Mrs. Sam Dameron, 92, who died in San Angelo on October 29.

Mrs. Dameron was the mother-in-law of Dan Murrah of Pandale, a brother of Tol Murrah.

MRS. C. P. PEAVY ATTENDS CREDIT BUREAU SEMINAR

Mrs. C. P. Peavy attended a seminar for credit reporting personnel in Odessa last Thursday. The seminar, sponsored by the Associated Credit Bureaus of America, was in Odessa.

Mrs. Peavy is the manager of the Retail Merchants Association of Sanderson and was awarded a certificate certifying that she had successfully completed the school of instruction.

Mrs. J. G. Townsend of Taylor arrived Saturday and will be employed as nurse for Mrs. Joe Kerr, Sr. Mrs. Townsend is Mrs. Vic Littleton's mother.

Mrs. Irvin Robbins, with her daughter, Betty Jane, Irvin and Meinda Gilbreath were in Fort Stockton Saturday for work.

I have some small tracts of leases that are for sale in Terrell County, Texas, south of between Thurston and Watkins, M.K.A.T.E.R. Co. Survey, Block D-6. These tracts are all year leases, dated about February 1951, with 15 years to run 25c renewals. No promotion — want to dispose of same only.

Newest Buick Yet
 You know all that talk you've been hearing about the 1957 new car models being really new? Well, in the case of the 1957 Buicks it's true — gospel true.
 We mean these 1957 Buicks are new in the precise and literal sense. We mean new from the ground up, and from gleaming grille to sassy taillights.
 We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-padded instrument panels, new safety steering wheels, new seating, new fabrics, new colors.
 We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability—a whole new chassis of greater solidity and safety.
 We mean V8 engines new from the crankshaft up—engines that deliver an all-time high in horsepower and compression from their 364-cubic-inch displacement.
 And we mean, most of all, an advanced new Variable Pitch Dynaflo*—so instant in the starting range—so utterly smooth and so totally full-range in "Drive"—that your need for "Low" is practically eliminated.
 So come take in these low-silhouette, these boldly beautiful, these instantly obedient Buicks for 1957.
 Then you'll see why you can't blame us for being so fired up about it all—and how catching this excitement can be.
 *New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Garden Club Plans Open House During Christmas Season

R. S. Wilkinson was host for the October meeting of the Sanderson Garden Club in her home Saturday afternoon.

The open-house which the club is having during the holiday season was discussed and the date for December 12 with plans to announce later.

Mrs. T. R. Arrington discussed the arrangement of dried material which she had made and which was on the piano in the living room. Mrs. Arrington had gathered all of the materials which she used and the mechanics of the arrangement was explained.

Mrs. James Kerr's discussion was "Success With Delphinium". The hostess served apple tarts, topped with whipped cream and served nuts, with tea and coffee during the social hour.

Those present were Mrs. J. L. Bader, Roy Bogusch, H. E. W. G. Downie, J. J. Harlow and a guest, Mrs. Jim Kerr.

Place Your News To The Times

Beta Iota Chapter Meets Here Saturday

The regular meeting of Beta Iota Chapter of Delta Kappa Gamma was here Saturday afternoon at 3 o'clock in the band hall.

Members from Marfa, Fort Davis, Alpine and Marathon joined the local members for the meeting with the lady teachers of the Sanderson schools as guests. There were about 50 present.

A piano duet, "Prelude in C-Sharp Minor", by George Gershwin was played by Mrs. L. G. Hinkle and Mrs. L. D. Booker, Jr.

Mrs. Robert Gatlin was the speaker for the program, discussing "The School's Part in Uniting Women Educators of the World in Spiritual Fellowship".

During the business, announcement was made of the chapter's contribution of another honoring share to the international headquarters building in Austin, and the group voted to name it in honor of Miss Sarah Miltia Hill, a past chapter president, and a past state president of Delta Kappa Gamma.

A seasonal motif was arranged

around a cornucopia on the table for the serving of cake, tea and coffee after adjournment. Arrangements of autumn flowers were on the piano and at vantage points in the hall.

The local hostesses were Mmes. W. H. Grigsby, E. E. Farley, M. F. Bader, Robert Gatlin, and W. H. Savage.

Dessert-Bridge For Thursday Club In A. J. Hahn Home

Mrs. A. J. Hahn entertained the Thursday Bridge Club and additional guests in her home last week.

Cake, fruit salad topped with whipped cream, tea, and coffee, were on the dessert plate which was served before the card games.

The high score prize went to Mrs. John Reiningger, second high to Mrs. Clyde Griffith, and Mrs. Jack Sexton was low. Slam prizes were held by Mrs. Reiningger and Mrs. Mary Lou Kellar.

The other guests included Mesdames W. E. Stavley, M. F. Bader, G. E. Habb, O. T. Sudduth, M. H. Goode, Jr., S. H. Underwood, Roger Rose, and C. H. Stavley.

Reading Discussion For P.T.A. Meeting

The Sanderson Parent-Teacher Association met in the high school library Thursday evening in regular monthly session. Mrs. Roy Bogusch gave the invocation.

Mrs. Marvin Allen, program leader, introduced the panel which gave a discussion on reading. Mrs. E. E. Farley was the moderator for the panel composed of Mmes. Gene Nelson, Sylvan Walker, and Lawrence James with G. C. Henderson sitting in as a high school representative. The two librarians, Mrs. Farley and Mrs. Sue B. Moseley, had arranged a display of new books on tables in the hall. There was also a discussion of the various machines which are now in use to teach reading.

The attendance prize was given to Mrs. W. H. Savage's room.

Baptist W.M.U. Has Mission Study

The Baptist W.M.U. met Monday afternoon at the church for a regular monthly business session and mission study.

Mrs. H. G. Cates, president, led the opening prayer and presided during the meeting. Reports were given by the officers and standing committee chairmen.

Mrs. Roy Bogusch taught the

final chapters of the mission study book, "Japan Advances."

Prayer by Mrs. James Word dismissed ten members including Mmes. S. D. Thompson, Emmett Young, A. D. Brown, H. G. Cates, J. L. Hatchel, O. D. Gray, Roy Bogusch, H. M. Beckett, James Word and Lloyd Cowan.

COMMUNITY PUBLIC SERVICE

LIGHT POWER

First of GMC's Blue Chip Money-Makers for '57: Pound for pound, it's... the most powerful truck ever built!

New GMC light duties with 206 h.p. and new styling advances bow to no passenger car on any point of roadability

HERE, headlining GMC's 1957 Blue Chip Money-Makers, our new light duty becomes a truly phenomenal vehicle. It has one horsepower for every 15½ pounds of its weight. You'll be bossing around engine power usually found only in trucks rated at more than four times this truck's capacity. You'll be getting flashing response to pedal demand—high-mileage efficiency from an unstraining engine—work capacity that won't drop off after a few months.

And you'll be very definitely in pocket, too. THIS light-duty engine cannot be overtaxed in normal use. So there's little chance of parts failure, no excessive wear, or repair needs due to engine strain. If money-making power is what you want, here it is! Come in and see us for all the facts.

GMC TRUCKS for '57

SANDERSON, TEXAS

State Capitol NEWS

By VERN SANFORD
Texas Press Association

Austin — Good news from Gov. Allen Shivers.

Texas' Governor reports that the state will begin the new biennium with a \$50,000,000 surplus. He also advised the Texas Research League, to whom he made the announcement, that under the same general budget now in use, a tax bill might be avoided by the upcoming legislature.

Four future needs were listed by the retiring governor, for the Legislature's consideration.

1. Full-time parole supervisors.
2. Authority to back up responsibilities placed on the governor.
3. Abolition of earmarked special funds.
4. A building for housing state archives.

Austin's biggest spotlight will, of course, be turned on the Capitol building come January. Arrival of a new Legislature will quicken the tempo of the city. Large turnovers in the summer primaries mean a horde of newcomers to both houses.

Crusade for Archives
Legislators likely will hear many pleas for a "permanent and proper home" for Texas archives.

Group after group has joined the crusade to protect the state's historical documents. Their theme is a "remote Quonset hut is no fitting place to house the original Texas Declaration of Independence and William B. Travis' famous 'victory or death' letter from the Alamo.

Besides being unhandy and unsuitable, say the crusaders, the hut is unsafe. It's the same building where Highway Department records burned two years ago. It's leaky, and some water has already seeped in and damaged some documents.

Texas State Historical Foundation is taking the lead in rallying its 1,400 members and other tradition-minded groups to seek legislative action.

Water Money Sought
Texas Water Resources Committee is working against time

to have a statewide water conservation program ready for the next Legislature.

Already approved by the committee is a proposed \$10,000,000 appropriation to buy storage space in federal reservoirs.

Three other proposals are being re-written and will be taken up at a December meeting. They are (1) an anti-pollution bill to deal with contamination of underground water supplies, (2) a constitutional amendment to set up a \$100,000,000 bond fund to finance local conservation projects and (3) an enabling bill to finance the bond revenue.

Also still being considered is a three-cent property tax with proceeds marked for water conservation. Some observers have suggested that several plans operating all at once will be needed to finance the kind of water program Texas needs. Texas League of Municipalities is backing a \$300,000,000 program.

Sam Houston Shrine
Another request of the Legislature, this one from Huntsville, will be laid before both houses in Austin, come January. Asked for will be \$82,000 to add three new wings to the Sam Houston Memorial Museum, plus a \$3,000 appropriation increase for maintenance.

Gas Pricing Formula
Atty. Gen. John Ben Shepperd has filed a "friend of the court" brief in the case of Panhandle Eastern Pipeline Co. vs The City of Detroit. He wants the U. S. Supreme Court to review a decision by the court of appeals for the District of Columbia.

Shepperd's complaint is that the appeals court decision compels the FPC to use a gas pricing formula that penalizes small producers. "The Federal Government should not have the power to fix Texas natural gas prices," Shepperd contended, "but if they assert that power, then the FPC should determine local prices on a local basis."

Christmas is White Hope
Despite a steady four-months decline, Texas merchants still think Christmas will cure the av-

erage for the year.

Opinion surveys by the University of Texas Bureau of Business Research show that "typical merchants are confident that holiday business will surpass 1955 and that satisfactory volume can be expected well into 1957."

Latest figures pointed the other way. September sales were down 12 percent from a year ago, and the year as a whole was 6 percent under 1955. Slipping significantly from last year were: automobiles, 28 percent; food stores 18 percent; furniture, 13 percent; building materials, 13 percent.

Bureau explanation in a nutshell: People bought so heavily in '55, they're having to use '56 income to pay off the installments.

Farmers At Work
Widespread rain, though generally light, put farmers to work day and night. It was a chance to get winter crops in before the soil dried out again. But it wasn't soon enough, say agriculture experts, to prevent a hard winter for livestock owners.

It's pretty late in the year for enough winter grazing to be produced — herds will require heavy supplemental feeding," said a spokesman for the Texas Agricultural Extension Service. "But with additional moisture, farmers and ranchers can begin their 'come-back' next spring and summer."

Short Shorts
Frank A. Driskill is the new administrative assistant to Land Commr. Earl Rudder. Driskill, a Crockett businessman, succeeds Douglas Weitzel who went to Longview as an investigator in the district attorney's office.

Six major air-sampling stations will operate in Texas after the first of the year, reports the State Department of Health. Sites will be Dallas, Houston, Corpus Christi, San Antonio, El Paso and

Point O'Connor on the Gulf Coast. Air will be tested for sources and types of contamination.

State assistance for Austin city finances was suggested by a Travis County grand jury last week. It noted that the city furnishes

police and fire protection and other governmental services to state institutions and buildings—

all except from city taxes. Texas contributions of \$5,000 have been sent to Europe to help feed refugees in Hungary, accord-

ing to John Gillies, Texas Director of the Christian Rural Overseas Program.

Lawrence E. Ledbetter, superintendent of the Capitol building and grounds, has retired after 38 years of state service. He was

among 17 long-time employees of the Board of Control to retire the same time. A new policy that department makes retirement compulsory at the age of 70 to 82.

Your News To The Times

**T. R. ARRINGTON ATTENDS
FUNERAL IN GRAHAM**

T. R. Arrington returned home
last week from Graham where he
attended funeral services for Otha
E. Lewis on Monday.

Mr. Lewis was a brother-in-law
of Mrs. Arrington. He died in a
Dallas hospital following a short
illness.

Mr. Arrington went to Graham
with his daughter, Mrs. Russell
Walker, and family of Fort Stock-
ton.

**RHYTHM-RACKERS TO BE
ON RADIO SATURDAY**

The Rhythm-Rackers, a local
orchestra, will be heard on radio
station KFST in Fort Stockton on
Saturday afternoon from 2 to 2:30.
Frankie Turner, Dennie Mc-
Quade, Charles Holt and Weldon
Werneking make up the orchestra
group that has grown very popu-
lar here the few times they have
appeared on programs.

The boys are looking for a spon-
sor so that they may appear on
the radio station every Saturday.

Mrs. J. C. Halbert has returned
home from San Antonio where she
visited with her sister, Mrs. E. D.
Pipas, for two weeks. Mrs. C. H.
White, who accompanied her on
the trip to visit with relatives in
San Antonio and Lytle, also re-
turned home.

Wins Trophy

NEWEST AWARD in stock car
racing, The Manufacturer's Tro-
phy is presented to Dodge Presi-
dent William Newberg (left) by
Bill France, NASCAR president,
following the first annual Manu-
facturer's Trophy race at Flat
Rock, Mich., Speedway. Lee Petty,
veteran stock car racer, bested
33 other drivers in his '56 Dodge
and also won the 500-lap Late
Model Stock Car contest, pocket-
ing \$2,600.

Mr. and Mrs. Walter Pauli and
children and his father, Herman
Pauli, have gone to Fabens to re-
side.

**THE NEW Pontiac is Completely New
from Power to Personality!**

Fresh from 100,000 miles of road tests, the '57 Pontiac is on display!
Even a brief once-over of Pontiac's sleek new lines tells you that you're in at
the start of a styling revolution. And that glistening sheath conceals a carload of
engineering "firsts!"—all polished to watch-work perfection in the toughest test ever
given a new car.

This '57 Pontiac pounded the road through 100,000 miles of tests . . . through it
all Pontiac engineers refined and perfected every feature of this great car.

They made Pontiac's big, new power plant even more efficient than its predecessor,
the engine that set over fifty new world records and led all eights in miles per
gallon! They perfected the new suspension system, new controls and new Strato-
Flight Hydra-Matic* to give you the smoothest riding, easiest handling—and safest
—new car ever to hit the road!

See and drive this new '57 Pontiac before another sun sets. Sample in a single
mile all that's been proved by 100,000 miles of testing. *An extra-cost option.

AND THE FIRST CAR AT ANY PRICE WITH . . .

STAR FLIGHT BODY DESIGN—a Pontiac Exclusive—
longer and lower than ever before—the year's most dis-
tinctive new automotive styling.

NEW INTERIOR STYLING—WITH THE
"OFF-THE-SHOULDER" LOOK—a fashion "first" for
'57—perfectly color-matched with the exterior.

NEW STRATO-STREAK V-8—270 h.p. in Star Chief
and Super Chief, 252 h.p. in the Chieftain—with smoother
Strato-Flight Hydra-Matic.

CLOUD-SOFT, LEVEL-LINE RIDE—the ride sensation
of the year—a new suspension system based on a big
124- or 122-inch wheelbase.

THREE POPULAR-PRICED SERIES—
Star Chief • Super Chief • Chieftain.

"TURKEY TIME" Dessert!

WITH A WONDERFUL THANKSGIVING DINNER cleared away—there's still dessert to consider! Pumpkin Chiffon Pie—light, fluffy, elegant! And for a special touch, fold a half cup of tender, flaked coconut into the mixture before chilling, then glamorize the top with a drift of white flakes.

- COCONUT PUMPKIN CHIFFON PIE**
- | | |
|------------------------------------|--|
| 1 envelope (1 tablespoon) gelatin | 1/2 teaspoon ginger |
| 1/2 cup cold water | 1/2 teaspoon nutmeg |
| 1 1/4 cups mashed cooked pumpkin | 1/2 teaspoon cinnamon |
| 1/2 cup evaporated milk | 2 egg whites |
| 1/2 cup water | 1/2 teaspoon vanilla |
| 2 egg yolks, slightly beaten | 1 cup Baker's Angel Flake coconut (toasted if desired) |
| 1/2 cup brown sugar, firmly packed | 1 baked nine-inch pie shell |
| 1/2 teaspoon salt | 1/2 cup cream, whipped and sweetened |

Soften gelatin in cold water. Combine pumpkin, evaporated milk, water, egg yolks, 1/2 cup of the sugar, salt, and spices in top of double boiler. Cook over boiling water 10 minutes, stirring constantly. Add gelatin and stir until dissolved. Chill until slightly thickened.

Beat egg whites until foamy. Add remaining sugar gradually and continue beating until stiff. Fold in pumpkin mixture, vanilla, and 1/4 cup of the coconut. Spoon into cold pie shell. Chill until firm. Before serving, top with whipped cream and remaining coconut.

Note: 1 1/4 cups whole milk may be substituted for the 1/2 cup evaporated milk and 1/2 cup water in the above recipe. (ANS)

daughter have moved to the Clark IT IS NOT TOO LATE to enroll in our dancing classes now. New classes are being formed this

week for tap, ballet, and acrobatic dancing. See Mrs. Gene Hodgkins or phone DI 5-2267. Mr. and Mrs. H. E. Fletcher returned home Saturday from their vacation trip to San Antonio, Fort Worth and Houston.

Who says dream cars never come true?

Dynamite from Detroit

Coming! America's first production dream car— it will influence the shape of cars for years to come.

The old Detroit rule was to introduce new features gradually, to make little changes each year. Sometimes a new grille, an engine improvement, or new colors and trim.

We broke that rule. In fact, we broke all the rules. This is dynamite!

For you are not the only one who has dreamed of a totally modern car, a car that has everything you find at automobile shows, in illustrations, and in custom-built experimental cars.

Detroit has had that dream, too. And that's why the 1957 Mercury is the car that has honestly excited the most car-jaded, the most sophisticated of Detroit's automotive experts.

When you see the new 1957 Mercury, you'll see America's first full-production dream car—a car that will influence the shape of cars for years to come.

You'll see a dream car you can own and drive—a car that has far more than startling years-ahead beauty.

THE BIG M for '57 boasts dream-car features never before found outside a designer's dreambook: a Keyboard Control that makes ordinary push-button driving old-fashioned; an exclusive Floating Ride with a revolutionary new cushioning action you have to feel to believe. There are Mercury "firsts" everywhere you look. A Power-Booster Engine Fan in the Montclair series that saves horsepower other cars waste. And many more Mercury exclusives.

You'll see THE BIG M—the new Mercury for 1957—soon. You'll see it. You'll drive it. The first dream car that can be yours. The dynamite is on its way from Detroit to your dealer's—now!

STRAIGHT OUT OF TOMORROW

THE BIG M for '57 with **DREAM-CAR DESIGN**

See it at your MERCURY dealer's on November 12th
