NO DANGER . . . Nate Aller, cross-country cyclist from New York, wonders if the speed limit sign on the outskirts of Friona could be kidding. Aller found his speed reduced to about zero by wind and dust, spent an afternoon in Friona while the wind died down.

Cross-Country Bicycle Rider Uncomplimentary Of Wind

Nate Aller, of Little Utica, New York, spent an unscheduled afternoon and night in Friona on his way by bicycle from his New York home to Tucson, Arizona last Friday.

Aller, who began his trip May 20, was forced to stop in Friona when the wind and sand became more than he could bear.

"That wind drives me nuts. I just can't pull against it," said the youngster, who hopes to make the track team at the

City Measures 1.3" Of Rain During Week

The City of Friona measured 1.3 inches of rain during the past week, according to official measurements by the City Hall. Tuesday night's rain measured 1.09 inches. A total of .18 inches of moisture was measured Sunday, added to .3 received on Friday.

The high for the week was 98, registered both Friday and Saturday, while the low was 57, reported both Sunday and Monday.

Following is the temperature chart for the past week:

| Date | Max. | Min. |
|--------------------|------|------|
| Tuesday, June 19 | 85 | 52 |
| Wednesday, June 20 | 91 | 59 |
| Thursday, June 21 | 97 | 63 |
| Friday, June 22 | 98 | 64 |
| Saturday, June 23 | 98 | 65 |
| Sunday, June 24 | 96 | 57 |
| Monday, June 25 | 88 | 57 |
| Tuesday, June 26 | 86 | 59 |

Star Readers Offered Free Movie Tickets

The Elk Drive In Theatre and the Friona Star are offering free movie passes to readers and subscribers of the Star.

Four tickets will be given away by the Elk Drive-In each week, to one new subscriber and three readers finding their names among Star advertisements.

The name of one subscriber will be contained on the classified page, one name will appear in the new business directory, and one elsewhere among Star advertising. The fourth winner of a free pass will be the first new subscriber to the Star each week.

Those finding their names among Star advertisements will merely have to clip them out and present them to the Elk Drive In. Names chosen for free tickets will be set off to themselves.

So, beginning this week, look for your name in the Star advertisements. You may win a free movie ticket.

University of Arizona and ultimately has as his goal the 1968 Olympics.

He says he hopes to make the 1968 Olympic team in the 3,000 meter run. Arizona has better track weather than his native New York, so he hopes

to be able to run on the track team there to gain experience.

"But it will be tough. I'll be working my way through school, and may have to go to school at night," Aller said.

The cyclist said he averaged around 75 miles per day, and had made up to 120 miles in a day. He laughed at an account in a daily newspaper of his trip which referred to it as "un-ventful so far." He emphasized that it had been anything but that.

He has spent nights under

bridges, on picnic tables, once on a floating dock, but while marooned in Friona, he chose the city jail. "Texas is the only state I've found that lets you stay in its jails," the traveller said.

Lodge Holds Family Night

The annual family night supper is scheduled by the Rebekah and Oddfellow Lodges of Friona Saturday night, June 30 at the IOOF Hall.

Members are invited to bring their family and friends, as well as a salad and dessert. A short program is scheduled after the dinner.

Prospects for 1962 cotton and maize crops were extremely bright in the area this week, as farmers received much needed rain in practically every segment of the county.

In what was the most general rain in the county this year, farmers measured all the way from .3 of an inch in some portions south of Friona, to as much as 2.75 inches in others.

Tuesday night's rain, which apparently was accompanied by little or no hail, came at just the right time for all concerned, since wheat harvest has virtually been completed.

Keith Brock, who lives seven miles southeast of Friona, said he received two and three-eighths inches at his place.

In the Rhea community, farmers received their first measurable rain in quite some time. An inch of rain fell on the Cordie Potts farm Tuesday night. This was in addition to .6 inches of moisture re-

ceived Sunday night.

Closer to town, the fall was apparently heavier. Ralph Wilson, seven miles west, received about two inches. It was reported.

South of Friona, Arthur Drake measured .9 of an inch Tuesday night. The measurements north and northeast toward Black also ranged around an inch.

Bruce Parr reported a half inch of rain a mile east of Black, with .4 also received in showers Sunday and Monday nights. This was the first rain received in that area in quite a spell, also.

In the city of Friona, the measurement Tuesday night was 1.09 inches, the largest reading of the year.

The wheat in the area has just about reached its climax. "It's about 99 per cent in," said Preach Cranfill of Continental Grain Company.

"We're still dumping some,

but we'll be all through in a couple of days," said Arthur Drake at Friona Wheat Growers.

Most of the wheat appears to be going into the government loan program. With sediments-

(Continued on page 3)

Country Club Elects New Directors, Officers

W. L. Edelman was chosen president of the board of directors of the Friona Country Club in a meeting last Wednesday at the Golden Spread.

Pudge Kendrick is the new secretary-treasurer. New directors elected are Wright Williams, Bedford Cardwell, and Kenneth Neal. Holdover directors are Edelman, Kendrick, Dr. Paul Spring and Andy Hurst.

Elected to replace J. C. Claiborn as liaison officer-manager

was Bert Shackelford. Retiring members of the board of directors are John Renner, Bill Sheehan and Charles Allen.

The board agreed to allow any cart on the course, provided it is first approved by the board.

Plans are being laid for the Friona Country Club's Pro-Am golf tournament, to be held on Monday, July 16. Club pro, Joe Colorado, is expecting a large field of golfers to take part in the tourney.

Building Permits Increase Over First Half Of 1961

Building permits issued in Friona since January 1 have increased by \$81,425 over the first six months of 1961, according to figures released this week by Jake Outland, city manager.

Through June 26, a total of 40 permits had been issued, for construction valued at \$304,875. This compares to a

total of 31 permits for the first six months of 1961, when \$223,450 worth of construction was applied for.

Every category experienced an increase with the exception of residential building, which was off slightly.

Since January 1 of this year, nine permits have been issued

for new homes, valued at \$120,000. This compared to thirteen permits for new homes worth \$179,000 for the first six months of 1961.

However, five permits for new commercial buildings have been issued, with an estimated value of \$87,500. A year ago the figure was \$13,500 on two

such permits. Outland pointed out that the figures included two projects totalling \$35,000 which had not begun work as yet.

Permits for additions to commercial buildings, hiked considerably by the addition to the Sixth Street Church of Christ, were up to \$60,000. Last year's figure was \$5,850.

Additions to residential buildings also had an increase to \$23,550 this year, compared to \$19,200 in 1961.

Speculation as to the reason for the decline in the number of new houses built varied somewhat.

Outland thought perhaps the questionable national economy, and the effects of the Billie Sol Estes involvements, might have caused some to be a bit more cautious.

Mayor Raymond Fleming, contractor, said the demand simply was not as great as previously. "It's my opinion that the business district of Friona needs to grow some to create more interest for new people to move in," he said.

Fleming pointed out that present loans were as good, if not better, than ever. Money was available, he said, with lower interest and a longer extension of payments, so it was not the loan factor.

George Taylor, on the other hand, said he thought the dry year for farming had a lot to do with the decline. "People

(Continued on page 3)

Chamber Meeting July 5 Will Discuss Holidays

All members of the Friona Chamber of Commerce and Agriculture are invited to attend a meeting Thursday, July 5, at the Friona State Bank's Community Room, beginning at 8 p. m.

The Chamber's 1962 program of work, which has been prepared, is to be discussed.

Also up for discussion is to be the policy on holiday closing of stores. All merchants are invited to attend and give their opinions.

Included in the program of work is Maize Days, the publishing of a brochure (which has just been completed), sponsoring the paving of alleys, Christmas decorations, the annual livestock show, sponsoring

of sugar beet legislation for the area, and sponsoring of industrial development.

The regular meeting date for the Chamber has been set as the third Thursday of each month, and that will be effective after the July 5 meeting. Everyone is invited to attend all meetings, and especially the one next Thursday.

Frank Spring, president of the Chamber of Commerce and Agriculture, states that the Chamber is sponsoring a program for better marking of the house addresses in the city.

House numbers are available at the City Hall at no charge, and all a resident needs to do is come by and pick up the numbers he needs for his house.

Friona Postal Receipts Show 26 Per Cent Gain

Postal receipts for the last quarter of the fiscal year which just ended were up 26 per cent over the same period a year ago, according to Mrs. Martha Clements, Friona Postmaster.

For the quarter ending June 22, the receipts this year totalled \$7,478. For the same period in 1961, the receipts were \$5,930.

Mrs. Clements, who had been in her capacity a year last week, said that there were only eight available post office boxes as of Tuesday of this week. The office installed 90 new boxes last August, bringing the capacity to 766 boxes.

"When the new boxes were installed, I thought they'd last a long time. Now they're getting scarce again," said Mrs. Clements.

She said that a few boxes would probably become available with rent due for this quarter, but added that boxes likely would be at a premium when school began and teachers requested them.

For the fiscal year which has just ended, the Friona Post Office has reported receipts of \$27,417. The receipts for the fiscal year at this time last year showed receipts of \$26,254.83. This meant an increase

of \$1,162.17 for the period just ended.

The bulk of the increase came in the first quarter of the fiscal year, June 24 to Oct. 13, 1961. Receipts for that period totalled \$9,600, as compared to \$8,574 the preceding year.

The Oct. 14 to Jan. 5 quarter showed a slight increase, with \$11,313 in receipts as to \$11,158 the previous year. The third quarter, Jan 6 to March 30, revealed a slight decline. There was \$6,417 in receipts this year, compared to \$6,831 in 1961.

THE MIDWEEK PRAYER MEETING

In 1864 two young men attending the New York Avenue Presbyterian Church in Washington had a great surprise. They went into the pastor's study during the prayer meeting to get a book, and there in the darkness they found two men, one sitting behind the other, in line with the slightly open door which led to the hall where the prayer meeting was in progress.

According to the story (as related by Leslie Parrott, in Christian Digest), there was something about those two shadowy figures that aroused the boys' curiosity, so after the service they followed them home. They saw the men turn in at the White House entrance—and a shaft of light falling on the taller of the two disclosed that it was none other than Abraham Lincoln.

Mr. Lincoln was a very busy man, and great burdens rested upon him. If he had time to attend the midweek prayer meeting, surely every Christian has. Have you said, "I don't have time"? Perhaps you ought to say, "I don't feel my need of divine help as keenly as Mr. Lincoln did." If we really want to attend prayer meeting, we probably can. Let's ask God to search our hearts and show us if we're giving first place to some desire other than a desire for the house of the Lord.

LETTERS TO EDITOR

It is our pleasure annually, Mr. Editor, to renew our subscription to the South Plains newspapers and you will find a check for that purpose enclosed. I can't tell you how much benefit we get from the area newspapers, both in publicity value and in keeping up with the activities that make our area the greatest in the world. Thanks for your help over the past year.

Regards,
Tom Eastland,
Publication Relations Mgr.
Lubbock Chamber of Commerce.

Dear Sir:

During the past year representatives of the Department of State have visited 363 colleges and universities in all fifty states and in Puerto Rico in an effort to attract to the Department and our Foreign Service qualified young men and women. An organization can perform its assigned tasks only as well as the people who compose it, and we of the Department are always concerned that we will continue to have the opportunity of choosing our young diplomats from among young people with the best talent. We believe that our college visitation program, where we have an opportunity to talk with faculty members and students, helps us greatly in our efforts to get the best. Despite this effort, we may not be reaching many well qualified candidates who are not presently on our college and university campuses.

The annual examination, which for the past few years has been given in the late fall, has been moved forward this year and is being given on September 8 in all fifty states and territories of the United States. The closing date for the filing of applications is July 23.

The examination is open to persons who are between the ages of 21 and 31 and will have been United States citizens for nine years as of July 1, 1962. Candidates who are 20 years of age may take the examination if they have completed their junior year of college.

Persons interested in taking the written examination may obtain applications and pertinent information by writing to the Board of Examiners for the Foreign Service, Room

Something To Think About
6th. Street Church of Christ
Box 515 -- Friona, Texas

Freedom is not free, it can only be obtained at great cost, and can only be maintained by those who are willing to make the continuing payments as circumstances demand. Neither is freedom license! Freedom has never afforded man the privilege to do as he pleases at the expense of his fellowman. Freedom, in its pure form, demands of us that we have a proper regard for the rights and privileges of others, and that we submit to all rightful authority, whether it be human or divine. One of the most forceful lessons of history is this: every time men have departed from the standards of truth and right they have destroyed the very foundation of freedom. The greatest advocate of true freedom was the Son of God. He shed his blood in order that men might have freedom, and pointed out that there can be no freedom where the standards of God are held in disrespect. Furthermore, this one who made true freedom possible, tells us that any effort that is expanded to maintain our precious freedom must embrace a proper respect for divine law or else it will be in vain. Freedom cannot be bought, it cannot be obtained by coercion, nor can it be brought about by war. It is something that must be gained by a sacrificial submission to the Will of the Almighty God. When we depart from these basic truths, we cease to be a free people.

Castin'--

excerpt from the Bovina Blade. In the column written by Dolph Moten, Editor, he is mentioning the fact that he wished he had learned to spell somewhere back down the line.

Now, the reason I mention this is connected with the subject of the article--spelling. At the top of the article, in good, big, gold type is the name of the paper "NOVINA BLADE." Even in an article pointing up the need for correct spelling, a mistake was made--and in the headline.

I am not the only one who makes an occasional mistake.

Do people just naturally get careless during summer months? It seems that more people have misplaced more articles than usual recently. Shirley Johnson, daughter of the Truett Johnsons, doesn't know where her contact glasses are. If anyone has seen a small red leather case containing these lenses, she would certainly appreciate a call.

Then someone else left a pair of black rimmed bifocals at Lu-Nora's several weeks ago. These glasses have been in the show window for some time, but no one has claimed them. If you have lost your glasses or know someone else who has, these might be just what you are looking for.

Some dogs have also wandered away from their homes. Two have found their way to the I. T. Graves residence, which is 8 1/2 miles southeast of town on the farm to market road then one mile south of the end of the pavement. One is an older Dachshund and the other is a puppy of the "just plain dog" variety. Another of this same variety has been at the Floyd residence six miles west of town several weeks, and if there is anything we don't need, it is more dogs. Owners of any of these dogs may have them if they will just go get them.

In the very near future Friona's merchants will be having their annual July clearance sales. I've never been able to make any kind of sense out of shopping for winter suits, coats, shoes, hats, bags or other wearing apparel in July or August.

However, this seems to be the very thing everyone should be doing. A long time before it gets cool enough to begin wearing fall clothing all show windows are full of the latest fashions and looking at them is fun, but buying them just isn't for me.

So much has been said and written about the uselessness of worry that there isn't much left on the subject, but I ran across a little item recently that gave an apt expression of it.

WORRY

He worried about the weather, he worried about his health, he worried about his business, he worried about his wealth. She worried about the chil-

dren, she worried about her clothes, she worried about the neighbors, she worried about her woes.

They worried about their taxes, they worried about their pets, they worried about their future, they worried about their debts.

They worried, still they worried; they worried, but alas! They worried about a lot of things that did not come to pass--Kleiser.

In the newspaper business it isn't unusual for anyone to make very embarrassing mistakes and I am no exception when it comes to making errors.

This past weekend Travis and Gaye Harrell and a number of other newspaper people in the Panhandle went down Corpus Christi for the Texas Press Association convention.

Since this was Gaye's first convention, Travis was most anxious for everything to go off smoothly. Several days before the deadline for registration, Travis filled in registration blanks, signed a check for the designated amount and gave it to me for mailing.

Everything went fine up until the papers fell into my hands. The application blank very clearly stated that they were to be returned to 1716 San Antonio Street, Austin, Texas.

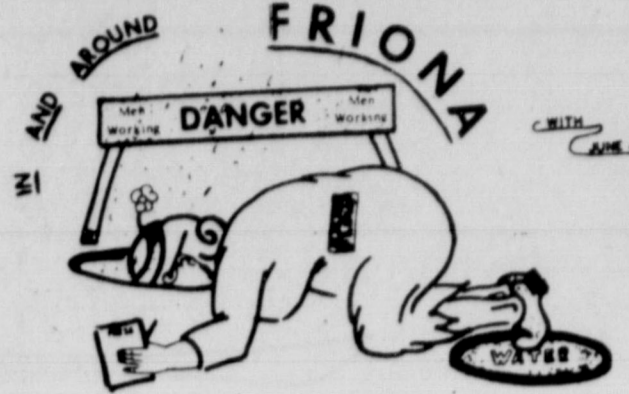

However, when I addressed the envelope I copied the wrong town and came up with Corpus Christi instead of Austin. Travis is unable to understand why he didn't have reservations, but was able to talk himself into the convention.

He didn't know until the envelope containing the check and application was returned to him that I had made the error and to say that it was embarrassing to me would be putting it mildly.

In the future he may decide to change an old saying to go like this, "When you want anything done RIGHT, do it yourself."

LATE CLASSIFIED

Crop Prospects--
tion readings high for wheat in the county, practically all of the wheat will receive the top premium of 25 cents per bushel. With about all of the crop in, it looked as if the yield this year was going to be somewhere around half what it was a year ago. The acreage was 10 per cent less, but the crop overall was poorer from a yield standpoint.

Building Permits--
just aren't as apt to purchase an expensive item when we're having a dry spell," he said. He discounted the possibility of an economic scare or lack of demand as the main reasons for the decline. "Our area is completely controlled by the weather and crop conditions. If the conditions get better, then so will the market," predicted Taylor.

The grand total (all permits) of \$304,875 compared very favorably with the six-month total for 1960, which was one of the best building years in Friona's history. That year, the building permit at the end of June was \$340,785.

OUR AMERICAN HERITAGE

THE NEWS THAT CHANGED A COUNTRY'S DESTINY...

In July of 1776, Town Criers throughout the Thirteen Colonies shouted news that was never to be forgotten: "Congress declares that these United Colonies are, and of right ought to be **FREE AND INDEPENDENT STATES**!" Our Declaration of Independence had been adopted, marking a new era of freedom for a young nation, giving it the right to life, liberty and the pursuit of happiness. Our country's freedom was not, of course, won for us by this historic document, but the Declaration of Independence was the call to arms that inspired Americans to throw off the chains of oppression and to forge a new destiny for themselves and their children. Men who were willing to "mutually pledge to each other their Lives, their Fortunes and their sacred Honor" for the cause of freedom, answered that call. Because they did, we now enjoy the greatest form of government ever devised by man. It is our way of life . . . it is our American Heritage.

AMERICAN LIBERTY — AN ADDRESS BY PATRICK HENRY

Mr. President

No man thinks more highly than I do of the patriotism, as well as abilities, of the very worthy gentlemen who have just addressed the House. But different men often see the same subject in different lights; and, therefore, I hope that it will not be thought disrespectful to those gentlemen, if, entertaining as I do, opinions of a character very opposite to theirs, I shall speak forth my sentiments freely and without reserve. This is no time for ceremony. The question before the House is one of awful moment to this country. For my own part I consider it as nothing less than a question of freedom or slavery; and in proportion to the magnitude of the subject ought to be the freedom of the debate. It is only in this way that we can hope to arrive at truth, and fulfill the great responsibility which we hold to God and our country. Should I keep back my opinions at such a time, through fear of giving offence, I should consider myself as guilty of treason towards my country, and of an act of disloyalty towards the majesty of heaven, which I revere above all earthly kings.

Mr. President, it is natural to man to indulge in the illusions of hope. We are apt to shut our eyes against a painful truth, and listen to the song of that siren, till she transforms us into beasts. Is this the part of wise men, engaged in a great and arduous struggle for liberty? Are we disposed to be of the number of those who, having eyes, see not, and having ears, hear not, the things which so nearly concern their temporal salvation? For my part, whatever anguish of spirit it may cost, I am willing to know the whole truth; to know the worst and to provide for it.

I have but one lamp by which my feet are guided; and that is the lamp of experience. I know of no way of judging of the future but by the past. And judging by the past, I wish to know what there has been in the conduct of the British ministry for the last ten years, to justify those hopes with which gentlemen have been pleased to solace themselves and the House? Is it that insidious smile with which our petition has been lately received? Trust it not, sir; it will prove a snare to your feet. Suffer

not yourselves to be betrayed with a kiss. Ask yourselves how this gracious reception of our petition comports with these war-like preparations which cover our waters and darken our land. Are fleets and armies necessary to a work of love and reconciliation? Have we shown ourselves so unwilling to be reconciled, that force must be called in to win back our love? Let us not deceive ourselves, sir. These are the implements of war and subjugation; the last arguments to which kings resort. I ask gentlemen, sir, what means this martial array, if its purpose be not to force us to submission? Can gentlemen assign any other possible motives for it? Has Great Britain any enemy, in this quarter of the world, to call for all this accumulation of navies and armies? No, sir, she has none. They are meant for us; they can be meant for no other. They are sent over to bind and rivet upon us those chains which the British ministry have been so long forging. And what have we to oppose to them? Shall we try argument? Sir, we have been trying that for the last ten years. Have we anything new to offer on the subject? Nothing. We have held the subject up in every light of which it is capable; but it has been all in vain. Shall we resort to entreaty and humble supplication? What terms shall we find which have not been already exhausted? Let us not, I beseech you, sir, deceive ourselves longer. Sir, we have done everything that could be done, to avert the storm which is now coming on. We have petitioned; we have remonstrated; we have supplicated; we have prostrated ourselves before the throne, and have implored its interposition to arrest the tyrannical hands of the ministry and Parliament. Our petitions have been slighted; our remonstrances have produced additional violence and insult; our supplications have been disregarded; and we have been spurned, with contempt, from the foot of the throne. In vain, after these things, may we indulge the fond hope of peace and reconciliation. There is no longer any room for hope. If we wish to be free--if we mean to preserve inviolate those inestimable privileges for which we have been so long contending--if we mean not basely to abandon the noble struggle in

which we have been so long engaged, and which we have pledged ourselves never to abandon until the glorious object of our contest shall be obtained, we must fight! I repeat it, sir, we must fight! An appeal to arms and to the God of Hosts is all that is left us!

They tell us, sir, that we are weak; unable to cope with so formidable an adversary. But when shall we be stronger? Will it be the next week, or the next year? Will it be when we are totally disarmed, and when a British guard shall be stationed in every house? Shall we gather strength by irresolution and inaction? Shall we acquire the means of effectual resistance, by lying supinely on our backs, and hugging the delusive phantom of hope, until our enemies shall have bound us hand and foot? Sir, we are not weak, if we make a proper use of the means which the God of nature hath placed in our power. Three millions of people, armed in the holy cause of liberty, and in such a country as that which we possess, are invincible by any force which our enemy can send against us. Besides, sir, we shall not fight our battles alone. There is a just God who presides over the destinies of nations; and who will raise up friends to fight our battles for us. The battle, sir, is not to the strong alone; it is to the vigilant, the active, the brave. Besides, sir, we have no election. If we were base enough to desire it, it is now too late to retire from the contest. There is no retreat, but in submission and slavery! Our chains are forged! Their clanking may be heard on the plains of Boston! The war is inevitable--and let it come! I repeat it, sir, let it come!

It is in vain, sir, to extenuate the matter. Gentlemen may cry peace, peace--but there is no peace. The war is actually begun! The next gale that sweeps from the north will bring to our ears the clash of resounding arms! Our brethren are already in the field! Why stand we here idle? What is it that gentlemen wish? What would they have? Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take; but as for me, give liberty, or give me death!

BE PROUD YOU ARE AN AMERICAN...TEACH YOUR CHILDREN TO BE PROUD OF IT, TOO!

Mr. and Mrs. R. B. McKee are announcing the engagement and approaching marriage of their daughter, Billie Rae, to Joe D. Tomgate, son of Mr. and Mrs. Jack Tomgate of Brownfield. The couple will exchange wedding vows August 5 at 4 p.m. in the Union Congregational Church. Invitations are not being mailed locally but friends are invited to the ceremonies.

Miss Williams Becomes Bride Of Frank Ready

A double ring ceremony performed recently in the Baptist Student Center at Canyon united in marriage Miss Colleen Williams, daughter of Mr. and Mrs. Oscar Williams of Covina, Calif., and Alrman 2-c Franklin E. Ready, son of Mr. and Mrs. J. P. Ready of Friona.

Rev. James Dunn read the wedding vows, and traditional nuptial selections were presented by Miss Anita Wimberly of Kress, Tex.

The bride wore a street length dress of white silk organza and Chantilly lace. Her shoulder

length veil of illusion was attached to a tiara of seed pearls and she carried bouquet of white cymbidium orchids and pink rosebuds on a white Bible.

Miss Wanda Ready, sister of the bridegroom, was maid of honor, and Mickey Ready of Lubbock was his brother's best man.

A reception was held in the home of Mr. and Mrs. Gerald Webb of Canyon immediately after the ceremony.

Mrs. Ready is a graduate of Covina High School and Mr. Ready graduated from Friona High School in 1959.

After a wedding trip to California the couple will be at home in Greenville, South Carolina where Ready is stationed in the Air Force.

Miss Hamilton On Honor Roll

Listed on the dean's honor roll for the spring semester at Eastern New Mexico University are 439 students. Named from the Friona area was Helen Ruth Hamilton, 3.286.

Released by Dr. Gail Shannon, dean of academic affairs, the list includes 23 persons who earned straight-"A" grades for the term.

To be eligible for the honor roll, a student must achieve a "B" average and be enrolled in a minimum of 12 semester hours. Under the scale used at Eastern, 4.0 is all-"A's" and 3.0 is a "B" average.

Locals

Mr. and Mrs. Virgil Lindsey and family from Porterville, Calif. visited in the home of Mrs. Ethel Adams, mother of Mrs. Lindsey, and with other relatives the past week.

Mr. and Mrs. David Moseley, accompanied by Mr. and Mrs. Marvin Lawson of Amarillo, spent several days vacationing here at Red River last week. The Lawsons are formerly of Friona.

Of Interest To THE WOMEN

Swain-White Married In Recent Ceremony

Miss Wanda Naomi Swain became the bride of Harva Ray White recently in a double ring ceremony in the home of Mr. and Mrs. F. B. Clark at 2306 56th St. in Lubbock.

Parents of the bride are Mr. and Mrs. W. G. Swain of Brownfield and the bridegroom's parents are Mr. and Mrs. W. M. White of Friona.

Chaplain, Sam E. Brian, brother-in-law of the bride, of Kelly Air Force Base in San Antonio, read the wedding vows as the couple stood before a draped picture window flanked with standing baskets of white gladioli.

Piano selections, "Always," "Tenderly" and "Bells of St. Mary" were presented by Larry Brian of San Antonio, nephew of the bride.

The bride wore a street length dress of white silk organza, designed with a portrait neckline, full skirt and three-quarter length sleeves with a white net hat and white accessories. She carried a bouquet of pink roses accented with stephanotis.

Mr. And Mrs. Ray White

Miss Gladys Swain was her sister's maid of honor. She wore an aqua dress with white accessories and carried a bouquet of white carnations and daisies.

L. R. White, Friona, brother of the bridegroom, served as best man.

A reception honored the couple in the Clark home following the ceremony. The serving table was covered with white linen and decorated with the three tiered wedding cake topped with a miniature bride and groom. Presiding were Mesdames Clark, Sam Brian and Graham Swain.

For their wedding trip to points in Colorado, the bride chose to wear a brown sheath dress with bone accessories.

Mrs. White is a graduate of Brownfield High School and Draughton's Business School in

Lubbock and was a cashier at the First National Bank in Brownfield.

The couple are making their home in Friona where Mr. White is associated with Plains Hardware.

Fellowship Group Has Social Hour

Members of the Woman's Congregational Fellowship met June 20 in the basement of the church building for a social and completion of work projects that had been started.

Plans were discussed for future programs and works to be accomplished.

Attending were guests: Mrs. Elsie Livings, California; Mrs. John Guyer, Farwell and Miss Mary Reeve, Pampa; and members: Mesdames Bert Shackelford, O. S. Lange, Floyd Reeve, Walter Loveless, Malinda Schlenker, Ray McKee, Hudson Phillips, Sr. and Carl Maurer and Miss Lola Goodwine.

Mayfields Return From Vacation

Mr. and Mrs. Howard Mayfield are back home after visiting several days in the western states. They were guests in the home of Mr. and Mrs. Keith Blackburn and Jill of Albuquerque before making a trip to California.

The Blackburns accompanied the Mayfields to Los Angeles and other points. Mrs. Blackburn is the daughter of Mr. and Mrs. Mayfield, and they are former residents of Friona.

Former Residents Note Anniversary

The Rev. and Mrs. Joe Wilson of Floydada observed their 60th wedding anniversary at a reception recently in the parlor of the Floydada First Baptist Church. Now retired, the minister served in Baptist churches in Friona, Miami, Idaho, Hale Center, O'Donnell, Sundown, Enochs and Fairview.

Attending the celebration from Friona were Mr. and Mrs. Claude Osborn, Mr. and Mrs. C. W. Dixon, Mr. and Mrs. George Baker, Mr. and Mrs. M. C. Osborn and Paige, Mrs. Mae Magness, Mrs. Ray Landrum, Mrs. Elmer Euler and Mrs. J. B. McFarland.

Sorority Girls Register Soon

The Amarillo Panhellenic Council urges all girls in the Panhandle area who are interested in going through college sorority rush this fall to register immediately with the council. They may do so by writing or calling Mrs. Harry Bryan, 2415 Juniper, Amarillo.

The Panhellenic group also announces a Coke party to be held Saturday, June 30, at the home of Mrs. A. B. Goldston, 2805 Hayden, Amarillo. Girls attending Texas Tech are invited from 1 p. m. to 1:45 p. m.; those attending the University of Texas and West Texas from 2:00 to 2:45; those attending SMU, TCU, University of Arizona and University of Denver from 3:00 to 3:45; and those attending any other schools from 4:00 to 4:45.

Girls not now registered with Panhellenic may attend the "Coke" party at the appropriate time and register then.

The Amarillo Panhellenic Council serves as a clearing house of information between girls of this area and sororities at the college of their choice. Anyone wishing more information about sorority rush may contact Mrs. Bryan at the above address.

The forthcoming marriage of Miss Freida Joyce Jackson to Ronnie Cedrone, son of Mr. and Mrs. Louis J. Cedrone of Newton, Mass., is announced by her parents, Mr. and Mrs. Fred Jackson of Friona. Nuptial vows will be read July 29 at 3 p.m. at the St. Theresee Catholic Church in Friona. Friends are invited to attend.

Party Honors Mrs. H. L. May

Mrs. Hardy May was honored with a surprise party June 19 in the home of Mrs. Eugene Bandy. Assisting with hospitalities were Mrs. V. R. Wilcox and Mrs. Sterling Graham.

Mrs. May, teacher of the young married women's class of the Church of Christ, was presented with monogrammed

squares for a friendship quilt by members of her class.

Refreshments were served to the honoree and Mesdames Larry Fairchild, Burke Hand,

Thomas Mason, Rex Blackburn, Ralph Reed, Delmar Renner, Ross Miller, Charles Sutterfield, Grady Nelson, Don Littlefield and Thomas Rhodes.

Bridal Shower Fetes Mrs. Harold Bails

Mrs. Harold Bails, the former Peggy Holcomb, was feted with a miscellaneous bridal shower Tuesday in the home of Mrs. David Carson.

Assisting with hostess duties were Mesdames Eugene Bandy, J. V. Houser, Eugene Boggess, R. E. Snead Steve Struve, Bill Baxter, Ralph Price, R. L. Fleming, Lucy Welch, Oscar Baxter, Lester Dean, Johnny Hand, D. L. Carmichael, John Blackburn, Elvin Wilson and James Procter.

The serving table was laid

with a white cloth and the centerpiece was an arrangement of cherry tree branches with clusters of red cherries placed in a milk glass container. Milk glass and silver appointments completed the setting.

Assorted sweet rolls, mints, nuts and coffee were served to guests calling from 9 to 11 a.m.

Out of town guests included Mrs. Ollie Wilson and Mrs. Elton Wilson from Plainview and Mrs. Joe Mayo of Petersburg.

Double Ring Ceremony Unites Miss Bagwell-John Hamilton

Mrs. John R. Hamilton

Miss Sylvia Jaunett Bagwell and John R. Hamilton were married in a double ring ceremony June 9 at 7:30 p. m. in the First Presbyterian Church in Portales, Homer C. Aker, minister, performed the ceremony before an altar decorated with bouquets of white stock and baby's breath, flanked by potted palms.

Candles were placed at each window and were included in altar decorations. Pews for the family were marked with white ribbons and lights reflected on the altar and near the vestibule of the church.

Mr. and Mrs. Loyd L. Bagwell of Portales are the bride's parents and the bridegroom's parents are Mr. and Mrs. Harry P. Hamilton of Friona.

Miss Gillian Buchanan, associate professor in Music at Eastern New Mexico University accompanied Mr. Clyde Earnhart of Portales, who sang "Till There Was You", "True Love", and "The Wedding Prayer". She also played organ selections before the wedding and appropriate piano numbers during the reception.

Given in marriage by her father, the bride wore a dress of silk faced satin with a V front and back waistline. The neckline of Belgium lace was embroidered with heirloom pearls. Sleeves tapered to points over the hands and the full skirt was worn over hoops and fell into a wide chapel train. Her veil of silk illusion was fingertip length and attached to a crown of seed pearls. She carried a bouquet of white stock centered with baby pink roses.

Traditional wedding items worn and carried by the bride were a string of pearls, gift from the bridegroom, a gold wedding band belonging to the bride's great grandmother, the late Mrs. E. J. Cravins, for something old and borrowed; a blue garter made by an aunt, Mrs. Monroe Gilmore, Elida, N. Mex., for something new and blue; in her shoes, pennies minted in the years of the births of both bride and bridegroom.

Miss Helen Hamilton, sister of the bridegroom, was maid of honor and the matron of honor, Mrs. Jim James, was the bride's former roommate. Bridesmaids and brides-matrons were Misses Trudy Henry of Floyd, N. Mex. and Ann Barlow of Albuquerque and Mesdames Paul Gibson of Bard and Harold Powers of Arch, N. Mex.

Johnsons Have New Son

Mr. and Mrs. Dan Johnson of Pampa became parents of a new son June 22, 1962 at 9:21 p. m. The baby was named David Nels and he weighed eight pounds.

Mrs. Johnson is the former Grace Jo Moody of Friona.

Marriage Licenses

June 19 -- William Hollis Smith, and Hazel Katherin McGuire, Friona.

June 21 -- James J. McClendon, Clovis, N.M. and Dorothy Ann Ransom, Clovis, N.M.

June 23 -- Aaron K. Cousatte, Muleshoe, and Barbara Ann Burkhardt, Farwell.

June 25 -- Charles Roper, Albuquerque, N.M., and Brenda Cornell, Albuquerque, N.M.

"Words, like eggs, should be handled with care.

For eggs once broken, and words once spoken, Are mighty hard to repair."

Clarks, San Antonio; Jarrell Wright and Ardith Rolen, Friona and Graham Prewett of Black.

Flower girl, Jo Lynn Powers of Arch, was dressed similar to the bridesmaids and she wore a pink feathered carnation wristlet. She carried a white basket filled with rose petals scattering them as she walked down the aisle. Candles were lit before the ceremony by Graham Prewett and Ardith Rolen.

The refreshment table at the reception in the Fellowship Hall was laid with an off-white Quaker cloth and centered with an arrangement of carnations, stock and baby's breath, flanked by crystal candle sticks holding white tapers. The three tiered cake was separated with a pink

column divider and decorated with pink roses and topped with a miniature bride and bridegroom. Strawberry sherbert punch and pink and white molded rose mints were served with the cake. Presiding at the table were Mesdames Bob Calkins, Jarrell Wright and Don Copley.

Other members of the house party were Mrs. Carl Wood, Mrs. Bud Henry, both of Floyd; Mrs. Monroe Gilmore and Miss Vickie Gilmore of Elida, N. Mex. and Mrs. G. A. Belvins of Lubbock.

Out-of-town guests were; Mr. and Mrs. Tommy Terrell, Plainview, Tex.; Paul Gibson, Bard; James Spikos, Kermit, Tex.; Tommie Hamilton, Amarillo; Miss Norma Ring, Amarillo; G. A. Belvins, Lubbock; Mr. and Mrs. Stan Truman, Oklahoma City; William Landrigan, Bristol, Ind.; Mr. and Mrs. A. W. Copley, Muleshoe; Miss Jo Spearman, Fort Worth; Mr. and Mrs. R. R. Calkins, Schertz, Tex.; Jim Denison, Jourdan, Tex.; Jim James, Albuquerque; Mrs. E. P. Gilmore, Tucumcari; Miss Jackie Gilmore, Tucumcari and Monroe Gilmore, Elida.

Following a brief wedding trip the couple will reside in Friona until September, when they will enroll at Kansas State University to work on their master's degrees. Mrs. Hamilton will obtain her degree in Institutional

Management and Mr. Hamilton's degree will be in Agronomy. The bride will be employed as an assistant instructor in the department of Institution Management and will serve as an assistant dietitian in one of the girls residence hall food services.

Mrs. Hamilton graduated from Floyd High School and attended Eastern New Mexico University at Portales where she was a member of the Sigma Beta Chi local sorority, Euterpean Society, The Silver Key, Chi Sigma Alpha and the Home Economics Club. In 1960 she was selected as a member of Who's Who among students in American Colleges and Universities. During her senior year she attended Kansas State

University in Manhattan where she was a member of the Professional Foods Club and was selected as the 1962 Agronomy Club Sweetheart at Texas A&M College. She graduated in June with a B. S. degree in General Home Economics.

Mr. Hamilton is a 1957 graduate of Friona High School and 1962 graduate of Texas A&M at College Station, Tex. He received his B. S. degree in Agronomy in May and is a member of the Agronomy Society, Soil Conservation Society, and Soil Judging Team. He was a member of the famous Marching Aggie band for four years.

At the present time Mr. Hamilton is farming near Friona and Mrs. Hamilton is employed at Plains Publishers.

FRIONA

On The Move

Mr. and Mrs. Tommie E. Jones have moved from 908 Maple to 1407 Main.

Mr. and Mrs. Edgar Fletcher will move to 903 Maple from 110 W. 4th.

Mr. and Mrs. Eugene Schacher have moved from 406 Grand to 110 East 12th.

Mr. and Mrs. Mike Ellis are living at 804 Columbia.

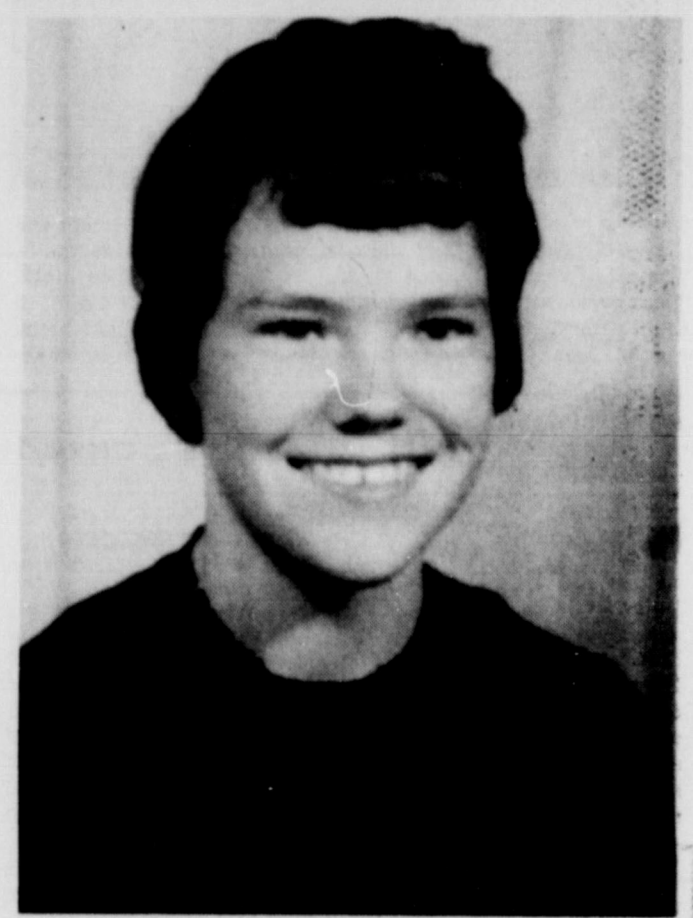

Mr. and Mrs. Harold Bails are living at 406 Grand.

Shower Honors Greeson Baby

Mrs. O'Neil Greeson and her infant son, Todd O'Neil, were guests of honor at a baby shower June 14 in the home of Mrs. J. W. Baxter II.

Assisting with hospitalities were Mesdames Larry Fairchild, Philip Weatherly, Kenneth McLellan and Leon Massey.

The serving table was laid with a pink cloth and centered with a small tree arrangement displaying miniature storks. White cakes decorated with blue storks and punch were served to guests from 3 to 5 p. m. About twenty-five attended.

Mr. and Mrs. Sam Hukill of Texico are announcing the engagement and approaching marriage of their daughter, Mildred Marie, to Ellis Parson, son of Mr. and Mrs. Thomas Parson of Friona. Vows will be read in the Farwell Church of Christ by Don Tarbett, minister, July 1 at 2:30 p.m. Friends and relatives are invited to attend the ceremony and the reception that will be held in the Texico Woman's Club House.

NATURE'S IRRIGATION . . . Many area fields had that "irrigated look" after Tuesday night's rain, which gave fairly general moisture to farmers throughout the area.

Women's Golf Club Organizes

The Friona Country Club's Women's Golf Association organized last Thursday, with 20 members attending. LaVon Renner was elected president of the organization, Deke Kendrick is the vice president, Betty Rector is secretary-treasurer, and reporter is Ruby Don Nunn.

Every Thursday is to be ladies day at the golf course. A covered dish luncheon is to be served by the group every

third Thursday. Thursday, June 28, the group is to serve a salad luncheon. All members are urged to bring a salad and enjoy a day of golf. Bridge and dominoes will also be available beginning at 9 a.m.

"It's much easier to talk to a garage mechanic about your car's brakes than it is to plead with a traffic cop." —Frieda J. Monger, Duluth (Minn.) Publicity.

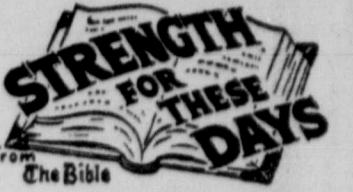

Lifesaving Awards Are Presented

Students receiving junior and senior lifesaving awards were announced this week by Baker Duggins, who instructed the course.

Those certified in the junior division included John Bill McFarland, Dickey Renner, Terry Fite, Jay Beene, Ann Ayers, and Larry Johnson. Becky Coffey and Shirley Johnson will be

certified when they reach 12 years of age.

Gary Sneed was presented a senior certificate, Ricky Hurst and Carolyn Herring missed the test, and will be certified when they pass it. Hurst was in the junior division, and Carolyn will be eligible for the senior award upon reaching her 16th birthday.

A time for every purpose. —(Eccles. 3:1).

Box Rent Is Due At P. O. Friona Residents Attend Ceremony

Box rent for the next quarter is due, with Saturday as the deadline for payment, announces Mrs. Martha Clements, Friona's Postmaster.

Mrs. Clements indicated that as of Tuesday, only about two-thirds of the patrons had paid their rent, leaving the rest to be paid in the remaining few days before the deadline.

She encouraged postal patrons to save extra book-keeping and extra trips for themselves by paying the rent for a year in advance, rather than the usual quarterly basis.

Several Friona residents attended the Masonic Cornerstone Leveling Ceremony at the new Dimmitt High School building Saturday afternoon, June 23. A supper followed in the Grade School Cafeteria, and at this time a 50 year pin was presented by Past Grand Master John T. Bean of Fort Worth to Mr. Edwin, "Goose" Ramey of Dimmitt.

This is the third 50 year pin that the Castro Lodge has presented since its organization in 1903.

Included in attendance were Mr. and Mrs. Joe Fallwell; Mr. and Mrs. V. O. Christian; Mr. and Mrs. Bev Buchanan; Mr. Hugh Moseley of Farwell; and Mr. and Mrs. O. J. Beene.

Jay and Ramey, Mrs. Beene is the daughter of "Goose" Ramey. Sixteen lodges from different areas of Texas were represented.

Weed Meeting Is Conducted

The Weed Control committee of the Parmer County Farm Bureau met Monday night at the Farm-Bureau office in Friona in their regular monthly session.

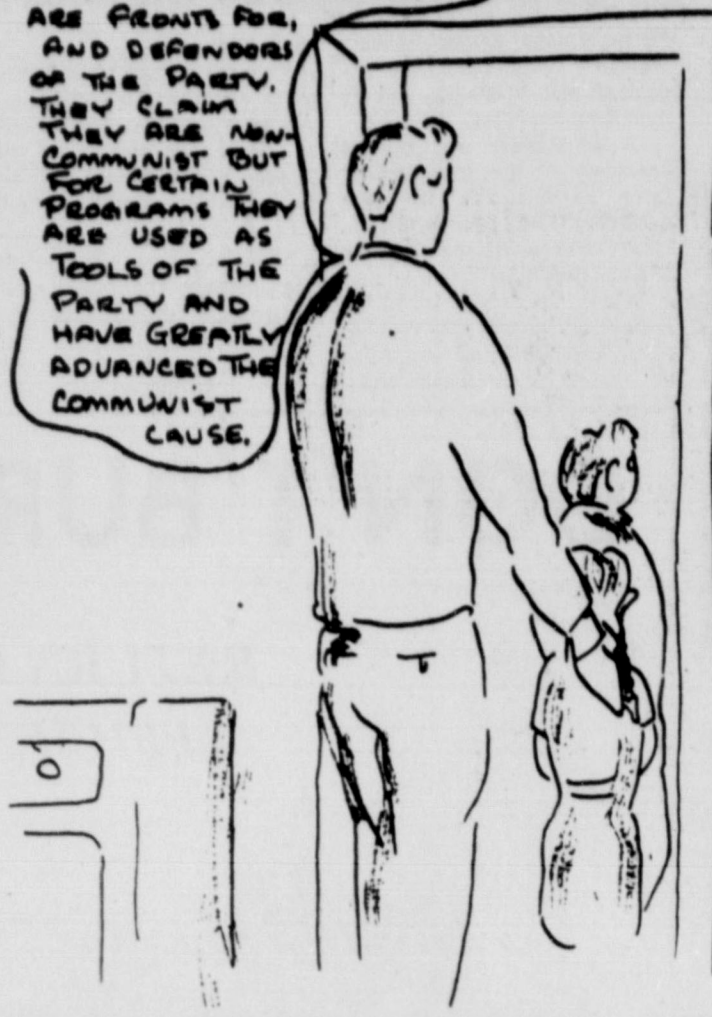

Those attending were J. T. Jones, chairman, E. C. Schilling, Herman Gerles, Roy Crawford and Raymond Euler.

"THE 'FELLOW TRAVELER' AND THE 'SYMPATHIZER' ARE FRONTS FOR, AND DEFENDERS OF THE PARTY. THEY CLAIM THEY ARE NON-COMMUNIST BUT FOR CERTAIN PROGRAMS THEY ARE USED AS TOOLS OF THE PARTY AND HAVE GREATLY ADVANCED THE COMMUNIST CAUSE."

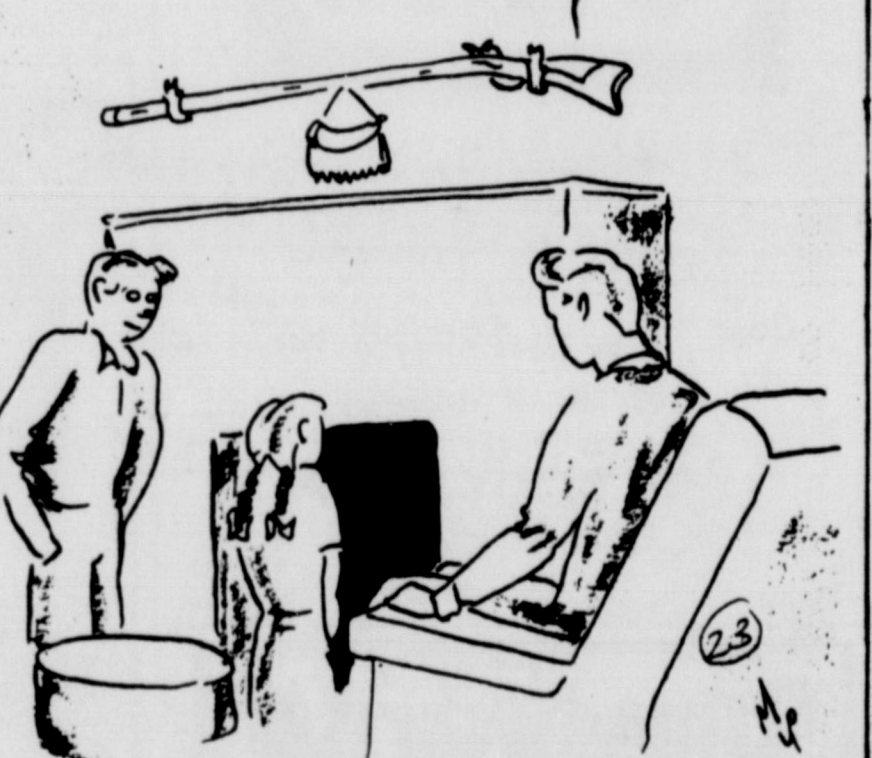

"THE 'CONCEALED PARTY MEMBER' IS THE ONE WHO DOES NOT WANT TO BE KNOWN AS A COMMUNIST TO THE PUBLIC. SOME ARE KNOWN ONLY TO THE TOP LEADERS. THESE PEOPLE ARE FOUND IN ALL OCCUPATIONS AND ARE PROBABLY MORE DANGEROUS THAN OPEN PARTY MEMBERS. ITS HARD TO LOCATE THEM AND BEING HIDDEN, THEY CAN WORK FREELY IN NON-COMMUNIST GROUPS."

"AGAIN, THE 'OPEN PARTY MEMBER' MAY POSSIBLY ADMIT HE'S A COMMUNIST. HE MUST BE COMPLETELY OBEIDENT AND ACCEPT PARTY DISCIPLINE. HE IS ENROLLED AND PAYS DUES. THESE MEMBERS ARE WORKING TODAY TO PROMOTE A SOVIET AMERICA. THE TRAINED MEMBER IS WILLING TO SACRIFICE EVERYTHING FOR THIS."

"THIS MAN JUST DIDN'T GROW THIS WAY, HE HAD TO BE MADE. AFTER HE HAS FORGOTTEN HIS CREATOR AND FORSAKEN HIS HERITAGE AND JOINED THIS GODLESS BAND, HE MUST GO TO SCHOOL AGAIN. THE COMMUNIST PARTY OPERATES A VAST SCHOOL SYSTEM THAT EVENTUALLY CHANGES THIS PERSON INTO A BOLSHEVIK INTENT ON OVERTHROWING THE AMERICAN GOVERNMENT."

This Continuing Illustrated Series Is Intended To Tell The History And The Purposes Of The Communist Party, Both Abroad And In The U.S.A. By Saving These Weekly Series A Family Will Accumulate Valuable Information For Future Knowledge By Both Child And Adult.

Baptist Men To Gather For District Meeting

Dr. Warren Hultgren, pastor of the First Baptist Church, Tulsa, Oklahoma, will address an expected 1500 Baptist men from the churches of District 9 of the State Convention. Friday, July 6, at the annual Brotherhood Camp at Plains Baptist Assembly in Blanco Canyon South of Floydada. Dr. Hultgren is considered one of the leading preachers of the Southern Baptist Convention.

The Camp will begin at 6 P.M. with a conference of all church brotherhood presidents with Robert Chapman of Dallas, Associate Brotherhood Secretary of the State Convention. This will be followed by a barbecue supper at 7 o'clock, to be followed by the general assembly at 8 o'clock at which Dr. Hultgren will speak. Sing-

ing at the general assembly will be led by Beryle Lovelace, music director of the First Baptist Church, Littlefield. Lovelace will also present the special music.

The meeting will be presided over by District Attorney John B. Stapleton of Floydada who is the District 9 Brotherhood President. Dr. Franklin E. Swanner of Plainview, District Missions Secretary, and Rev. John E. Rankin, pastor of Amherst Baptist Church, Amherst, and District Royal Ambassador Leader, will both appear briefly on the program.

District 9 of the Baptist General Convention of Texas is composed of approximately 200 Baptist churches on the South Plains and in the lower Panhandle.

WHEAT BURNS . . . Friona firemen rushed to quench a blaze at the Oxxo Huff farm west of town last Friday. Due to the windy, dry day, however, much of the field, some of which had not been cut, had burned by the time the firemen arrived.

History Of Area To Make Symphonic Drama

When the symphonic drama campaign is over and funds have been raised, an attractive outdoor amphitheater will rise within the contour of a 600-foot bluff in Palo Duro Canyon.

This setting will be the home of symphonic drama where one of our country's greatest historical stories will be told—the story of the history of the Texas Panhandle.

Carl Maurer has been named

chairman of the fund drive for the city of Friona. He is also a member of the development committee.

During a ten-week summer season each year, symphonic drama will unfold in the canyon, and project the colorful era of a generation long since past.

The drama, sponsored by the Texas Panhandle Heritage Foundation, will be staged in an open air amphitheater at the foot of this magnificent cliff-side.

Paul Green, a Pulitzer prize winning playwright, and a man dedicated to the preservation of the history of the country, will write the script for this historical spectacular.

Symphonic drama has been his first love for twenty five years. His first drama, "The Lost Colony," launched in 1937, is still produced today in Mateo, North Carolina.

As people from all over Texas and other states stop to see symphonic drama in Palo Duro Canyon, they will oftentimes

be watching local talent, as students from nearby West Texas State College will have an opportunity to participate.

In addition to symphonic drama, the theater may be used for other non-profit civic and educational programs.

Marine Reserve Has Openings In Company

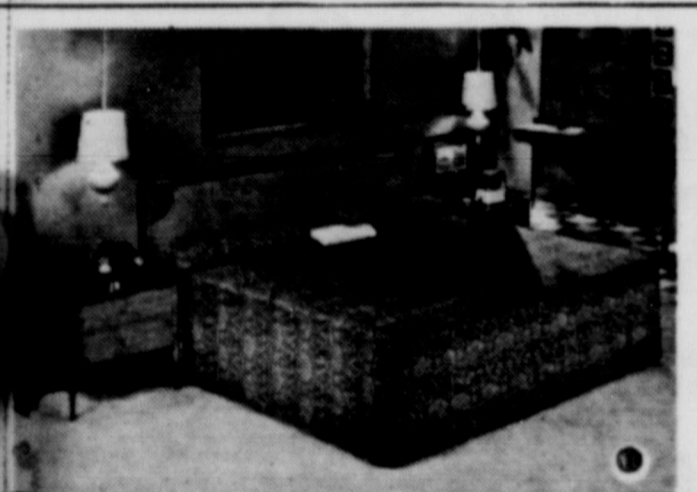

Major George A. Thernes, Commanding Officer of the 4th Anti-Tank Company, United States Corps Reserve, today announced that there are limited openings in the company for qualified young men.

Young men between 17 and 26 years of age, who are High School graduates, and can meet the stringent physical, mental, and moral qualifications may apply. Application may be made by visiting the Marine Corps Reserve Training Center at 2309 Line Avenue, Amarillo or by calling DRake 3-9425.

Major Thernes pointed out that openings may close at the

end of this month. Young men who enlist in the Ready Marine Corps Reserve will serve five years with the Organized Marine Corps Reserve. This includes active duty for a period of six months during which the Marines will be sent to "boot" training at San Diego, California and special infantry combat training at Camp Pendleton, California.

Members of the 4th Anti-Tank Company generally attend drills one or two days each month. Each year the company attends two weeks of annual field training, which is to be held at 2^o Palms, California this year.

SPACE FOR SLEEPING--The average person needs 39 inches of mattress width for proper rest, which explains the popularity of the new super-size bedding. Usually made of cotton batting and resilient springs, the mattresses are from 90 to 78 inches wide, at least 80 inches long.

It Takes Space to Sleep Well

Did you know you can get an adequate amount of sleep without getting the rest you really need? You can if you don't have sufficient space for sleeping. Two people in a standard double bed have only 27 inches of space, exactly what a baby has in his crib. Ideal for two people are the new super-sized mattresses, which are as much as 78 inches wide and 80 inches long. Most are scientifically made cotton innerspring mattresses, which give the firm, deep-rooted support your body needs for healthful, restful sleep.

Borrowing Can Be A Pleasant Experience --

SPORTS

THE PITCH . . . David Williams, pitcher for Ethridge-Spring in the Pee Wee league is about to deliver a pitch in a game recently against Aztec Drive Inn.

Friona Takes Two Wins In Irrigation League

Friona is tied with Muleshoe for third place in the Irrigation Belt League, after scoring a pair of wins during the past week.

The Friona nine plays host to

strong Graham Plow of Amarillo Thursday night, June 28 beginning at 8 p.m. In a non-league game, Saturday night, some members of the team will participate in the league all-

star game at Nazareth beginning at 8:30 p.m. Finishing out a busy weekend, Friona goes to Silverton for a league contest on Sunday. The local team scored a

come-from-behind win over Muleshoe at Reeve Field Sunday. Trailing 7-6 going into the last of the ninth, Friona came up with a pair of runs to win the hotly-contested game.

After an umpires conference, the run was allowed, and Neal Floyd singled home Scott from third to end the game.

Conrad Clark, who was the team's leading hitter with four doubles, led off the ninth with a walk. Vernon Scott got a pinch-hit single, sending Clark's runner, Cotton Renner to third. With one out, Benny Shelby lined one to left field.

Shelby had a homer in the game, his first of the year. The game left Friona and Muleshoe with identical 9-6 records, tied for third in league standings behind Umberger, which leads with a 10-2 mark, and Nazareth, which is 8-4. Friona scored a 5-4 win over Nazareth last Thursday, as Jimmy Collier pitched a commendable ball game.

Darrell Read was the winning pitcher in Sunday's game.

Pony League Race Is Tops In City Baseball Program

The race in the Friona Pony League is shaping up to be a hum-dinger, with all four teams within a game of each other. As a matter of fact, should Chester-Fleming Gin beat Hub Grain this Saturday, there would be a tie for first place involving each of the four teams.

Last week's results found Hub Grain topping Parmer County Implement, 13-10, as Eugene Weatherley got the win. Herring Implement blasted Parmer County Implement in the other game, 24-11, with S. D. Balze picking up the victory.

Things continued close in the intermediate league also, Friona Drilling and Pump bested Star-Hurst, 9-7 behind Randy Balze, to remain tied for the league lead. Brookfield Drilling grabbed half of the lead with a 9-7 win over Reeve Chevrolet. Larry Graves was the winning pitcher.

McCasin Lumber dropped out of a share of the lead by taking a pair of losses. Reeve Chevrolet beat them 10-6 behind the pitching of Jay Potts, and Star-Hurst scored its second win of the season with a 7-3

decision over the Lumbermen, as Eddie Barker was the winning hurler.

Only one game was played in the Pee Wee League. Friona

Motors took over second place in the league by dealing Friona Consumers its fourth loss of the season, 13-7. Dgn Fortenberry was the winning pitcher.

1963 Wheat Quotas Postponed 30 Days

Acres allotment and marketing quota proclamations for the 1963 wheat crop have been postponed for another 30 days under a special resolution passed by the U. S. Congress. Prentice Mills, office manager of the Farmer County Agricultural Stabilization and Conservation County Committee, said that the new resolution permits the Secretary of Agriculture to defer until July 15 any proclamations which otherwise would be required on acreage allotments and marketing quotas for the 1963 crop. The resolution also permits any referendum on marketing quotas for 1963 wheat to be held as late as August 25, 1962. The permanent legislation which authorizes the quota-allotment programs directs that

the required proclamations be made by May 15, and that any wheat quota referendum be held not later than July 25. A previous 30-day deferment of the proclamations was authorized in mid-June.

The USDA has announced that barbecued meats prepared under Federal meat inspection will continue to be limited to products cooked by dry heat from burning hardwood or hot coals formed by burning hardwood.

ELLIS, KANSAS, REVIEW: "It's a tough world for the American businessman. Every time he comes up with something new the Russians invent it a week later, and the Japanese make it cheaper."

WITH THE COUNTY AGENT

DERYL COKER

For all practical purposes, wheat harvest is over and a great deal of farmers were disappointed in their yields. From talking with several farmers about yields, I was surprised to find yields running as low as 15 bushels per acre, and high running 50 to 60 bushel.

The continuing hot dry winds this spring blasted a great number of fields, which will bring our average yield down considerably this year.

The Southwestern Great Plains Field Station has harvested the fertilizer rates plots on the Connie O'Brian farm and these results are going to be interesting on a year like this one as compared to the last several good years. The experiment station had 16 different fertilizer rates replicated four times. This should give some very accurate results. These results will be made available to the public as soon as all calculations are figured. Many thanks to Connie O'Brian.

Already several fields of wheat straw have been burned, but it will be to your advantage not to burn this straw, for one of these days our soil will be hard to plow and irrigate because of a low organic matter content. Let's try to at least maintain our present organic matter level.

On June 29 and 30 there will be a Horse Management and Training Short Course held at Texas A & M College. The course will cover nutrient requirements, feeding and rations, disease, parasite control, care of horses, shoeing and several other items. If anyone is interested, come by the office for further information. Also, there will be a sale connected with the short course.

This is the year that the U. S. D. A. is celebrating its 100th Anniversary. Agriculture and the American Farmer have come a long way since 1862. Following is a short article that I thought would be of interest to you.

Downtown, uptown, wherever they work, businessmen and manufacturers depend on the American farmer for a lot more than food. For instance, he sup-

plies over half of all the raw materials used by American industry—wool and cotton, tobacco, wood for newspapers and rocking chairs, hides for shoes and handbags, soybeans for paints and plastics.

Industry also depends on farming for jobs and gets them—16 million nonfarm jobs in all.

As a customer, the farmer is America's biggest buyer of petroleum products. He buys enough tires annually for 6 million cars and spends a sizeable fortune every year on farm machinery. He spends a great deal more on all the things from dry cleaning to TV sets than city people buy too.

And if it weren't for his unmatched productivity (he's only seven percent of the nation's work force), industry and business would simply not have the manpower needed for them to make their vital contributions to our high standards of living, our strength as a world power.

This dependence works two ways, of course. The farmer couldn't do a single day's work without the active partnership of industry, not only in research and manufacturing, but in providing income for the millions of nonfarm workers he depends on to buy his products.

Naturally, industry and the farmer both benefit. And so do you.

Parmer HD Agent To Train Graduate

Effective July 1, Miss Celia Patton from Seminole, who is a June Home Economics graduate from the University of Texas, will begin training for Home Demonstration work with Miss Etie Musil in Parmer County.

For several years the Extension Service has had a special training program where girls who have not had any experience in Extension work can work for a period of time with a good Home Demonstration Agent before accepting a permanent position, according to an announcement from Miss Edith L. Wilson, District Agent of this area of District 1.

Thrip Infestations Have Caused Some Damage To Cotton

Although rains have greatly improved conditions for growth and fruiting of cotton in most areas, wind and hail damaged or destroyed stands on sizeable acreages in a number of counties. Replanting to cotton will likely continue through June in most localities.

Thrips infestations have increased rapidly in many fields during the past week. Heavy hatching has occurred, particularly in plantings of older cotton. Damage is apparent in many plantings, leaves showing silverying on the under surface as well as abnormal size and shape. Some loss of tiny squares has occurred where infestations are heaviest.

Cotton should be checked frequently for thrips and their damage. As plants reach the squaring stage, plants should also be checked for the presence of fleahoppers.

In Parmer County, thrips have damaged cotton to some extent, but we shouldn't have to be so concerned now, as a month ago. Farmers should continue to check for thrip, however, and heavy infestations should be treated, states County Agent Deryl Coker.

SOIL CONSERVATION DISTRICT NEWS

A new publication intended to help air travelers understand what soil and water conservation practices look like from the air has just been issued by the U. S. Soil Conservation Service. A copy of the publication, THAT LAND DOWN THERE, may be obtained from the local SCS office in Friona.

The publication consists of 16 pages well illustrated with pictures taken from the air along with some from the ground showing close-ups of what is going on "down there."

Unique patterns on the land may consist of curving bands of strip-cropping or terraces. Orchards planted on the contour and windbreaks to protect large fields in the Plains States have

THE HIGH PLAINS FARM AND HOME

Tech Swine Course Scheduled July 5-6

"The Future of Pork Production in the Southwest" will be the theme for the ninth annual Texas Tech Swine Conference to be held on the Tech campus Thursday and Friday, July 5-6. The program, sponsored by the animal husbandry department of Texas Tech, Texas Swine Breeders Assn., Texas Chester White Swine Breeders Assn., Southwestern Hampshire Swine Breeders Assn., Texas Berkshire Swine Breed-

ers Assn., West Texas Duroc Swine Breeders Assn., and the Panhandle Plains Poland China Breeders Assn., will get underway Thursday, July 5, at 8 a. m., with registration at the Tech Livestock Judging Pavillion.

Stanley Anderson, associate professor of animal husbandry at Tech, said the conference will include reports on keeping pork up-to-date, artificial insemination, the potential of specific pathogen free hogs, research conducted on Atrophic Rhinitis and Virus Pneumonia, and a panel discussion on practical swine management.

The panel will discuss and show slides on new uses of hog equipment. Panel members include Euel Limer, Lubbock; Larry Tackitt, Happy; Jack Barton, Littlefield; and Dr. J. C. Hillier, animal husbandry department, Oklahoma State University.

Speakers for the two-day

program include Dr. L. N. Hazel, animal husbandry department, Iowa State University; Dr. Wayne Moore, Texas A&M; T. D. Tanksley Jr., swine extension specialist at Texas A&M; Dale Zinn, Tech animal husbandry department; and Anderson.

Anderson said a carcass contest will be held in conjunction with the swine conference. "Anyone may enter barrows or gilts in this contest by bringing them to the pavillion by 8 a. m., July 5.

FOOTSAVING EDUCATION

by James E. Edwards

Why Do Cowboys Wear High Heels?

I have always assumed that the high heel was to provide a surer grip on the stirrup and to dig into the earth when the cowboy roped a steer. Those advantages are real, but the most important reason, supplied by a Texas Ranger, is that the high heeled shoe holds the foot in a position that allows it to slip out of the boot if the cowboy is thrown from his horse.

In language almost as colorful as he is, the Ranger told me that if a cowboy wore shoes like mine, and he was thrown from his horse he would be "drugged."

Winners Listed In Girls' 4-H Favorite Foods Show

Sixteen 4-H Club girls participated in the first Farmer County 4-H Favorite Foods Show conducted Tuesday, June 19 at 3 p.m. in the Hub Community Center. Thirty-three parents, adult leaders and 4-H members attended.

Food exhibits were set up in four food groups in senior and junior divisions. These food groups include meat, bread-cereal, vegetable-fruit, and milk.

Winners in each of these groups are Janis Billingsley

in milk, Jill Mimms in vegetable-fruit, Kathryn Gober in bread-cereal, and Cheryl Ramage in meat groups. These winners represented fourteen exhibit entries in the junior division.

Representing the senior division group were Katie Blackstone in the vegetable-fruit and Reba Lesly in the meat group. Both Katie and Reba will represent the county in the District 4-H Favorite Food Show in Canyon, Tuesday, June 26. Junior division representa-

tives in the district show will be Janis Billingsley and Jill Mimms. Alternates are Kathryn Gober and Cheryl Ramage.

All girls were presented blue, red, or white ribbons by the Home Demonstration Agent, Miss Ettie Musil. Fifty percent of the score was rated on the food exhibits and answers to questions asked by the judges. Record books were valued as the remaining fifty per cent.

Judges for the record books were Mrs. W. T. Magnus and Mrs. C. C. Christian. Exhibit judges were Mrs. Ernest Osborn, home economics teacher in Friona, and Miss Loreta Fowler, Assistant County Home Demonstration Agent of Deaf Smith County.

While the girls waited their turn to be judged they played games. This recreation training was directed by Miss Musil.

Entering the show in the Milk Group were: Janis Billingsley, Janie Watkins, Sharon Martensen, Tina Rundell, and Shelia Garner.

Participating in the vegetable-fruit groups were: Peggy Lesly, Debra Garner, Ann Blackstone, Jill Mimms, Shelia

Vaughn, and Katie Blackstone. Entering the meat group were Cynthia Phillips, Cheryl Ramage and Reba Lesly. In the

bread-cereal group were Kathryn Gober and Cheryl Kaltwasser.

Adult leaders directing the eleven foods subject matter groups since the first of the year were Mrs. Cordie Potts, Mrs. Ray Martensen, Mrs. Ralph Broyles, Mrs. U. L. Lesly, Mrs. Walter Kaltwasser, Mrs. Johnnie Rundell, Mrs. Leon Billingsley, Mrs. Lexie Branscum, Mrs. J. R. Bartlett and Mrs. C. W. Tannahill.

Senior division winners in the 4-H Favorite Foods Show for Farmer County 4-H girls were Katie Blackstone, left, of Lazzbuddle, and Reba Lesly, Farwell.

Junior division winners in the Farmer County Favorite Foods Show last week were (l) Jill Mimms, Lazzbuddle and Janis Billingsley, Farwell.

Chitwood Attends State 4-H Council

Richard Dee Chitwood is one of the 29 top 4-H young people in the state who attended the Texas 4-H Council Workshop at Houston last week, it was announced by W. W. Grisham, Jr. and Edith Lois Wilson, district agents for this Agricultural Extension District.

The annual workshop is the only full meeting of the council, which is composed of a boy and a girl from each of the 12 agricultural extension districts in Texas, in addition to five officers. Its purpose is to promote and to coordinate statewide 4-H Club activities. The five-day meeting is being held on the campus of the University of Houston.

Officers of the council include Douglas Cowan of Sierra Blanca, chairman; Dorsey Ewing of Corpus Christi and Dick Plank of Hereford, vice chairmen; Linda Rosenkranz of Bryan, secretary-treasurer and Lanier Price of Eden information chairman.

The workshop is a part of the Texas 4-H Club Junior Leadership Training Program sponsored by United Gas in cooperation with the Texas Agricultural Extension Service.

Winners Listed In Girls' 4-H Favorite Foods Show

Sixteen 4-H Club girls participated in the first Farmer County 4-H Favorite Foods Show conducted Tuesday, June 19 at 3 p.m. in the Hub Community Center. Thirty-three parents, adult leaders and 4-H members attended.

Food exhibits were set up in four food groups in senior and junior divisions. These food groups include meat, bread-cereal, vegetable-fruit, and milk.

Winners in each of these groups are Janis Billingsley

in milk, Jill Mimms in vegetable-fruit, Kathryn Gober in bread-cereal, and Cheryl Ramage in meat groups. These winners represented fourteen exhibit entries in the junior division.

Representing the senior division group were Katie Blackstone in the vegetable-fruit and Reba Lesly in the meat group. Both Katie and Reba will represent the county in the District 4-H Favorite Food Show in Canyon, Tuesday, June 26. Junior division representa-

tives in the district show will be Janis Billingsley and Jill Mimms. Alternates are Kathryn Gober and Cheryl Ramage.

All girls were presented blue, red, or white ribbons by the Home Demonstration Agent, Miss Ettie Musil. Fifty percent of the score was rated on the food exhibits and answers to questions asked by the judges. Record books were valued as the remaining fifty per cent.

Judges for the record books were Mrs. W. T. Magness and Mrs. C. C. Christian. Exhibit judges were Mrs. Ernest Osborn, home economics teacher in Friona, and Miss Loreta Fowler, Assistant County Home Demonstration Agent of Deaf Smith County.

While the girls waited their turn to be judged they played games. This recreation training was directed by Miss Musil. Entering the show in the Milk Group were: Janis Billingsley, Janie Watkins, Sharon Martensen, Tina Rundell, and Sheila Garner.

Participating in the vegetable-fruit groups were: Peggy Lesly, Debra Garner, Ann Blackstone, Jill Mimms, Sheila

Vaughn, and Katie Blackstone. Entering the meat group were Cynthia Phillips, Cheryl Ramage and Reba Lesly. In the

bread-cereal group were Kathryn Gober and Cheryl Kaltwasser.

Adult leaders directing the eleven foods subject matter groups since the first of the year were Mrs. Cordie Potts, Mrs. Ray Martensen, Mrs. Ralph Broyles, Mrs. U. L. Lesly, Mrs. Walter Kaltwasser, Mrs. Johnnie Rundell, Mrs. Leon Billingsley, Mrs. Lexie Branscum, Mrs. J. R. Bartlett and Mrs. C. W. Tannahill.

Senior division winners in the 4-H Favorite Foods Show for Farmer County 4-H girls were Katie Blackstone, left, of Lazbuddie, and Reba Lesly, Farwell.

Junior division winners in the Farmer County Favorite Foods Show last week were (l) Jill Mimms, Lazbuddie and Janis Billingsley, Farwell.

Chitwood Attends State 4-H Council

Richard Dee Chitwood is one of the 29 top 4-H young people in the state who attended the Texas 4-H Council Workshop at Houston last week, it was announced by W. W. Grisham, Jr. and Edith Lois Wilson, district agents for this Agricultural Extension District.

The annual workshop is the only full meeting of the council, which is composed of a boy and a girl from each of the 12 agricultural extension districts in Texas, in addition to five officers. Its purpose is to promote and to coordinate statewide 4-H Club activities. The five-day meeting is being held on the campus of the University of Houston.

Officers of the council include Douglas Cowan of Sierra Blanca, chairman; Dorsey Ewing of Corpus Christi and Dick Plank of Hereford, vice chairmen; Linda Rosenkranz of Bryan, secretary-treasurer and Lanier Price of Eden information chairman.

The workshop is a part of the Texas 4-H Club Junior Leadership Training Program sponsored by United Gas in cooperation with the Texas Agricultural Extension Service.

Several strains of sunflowers from foreign countries were included in an observation test at the High Plains Research Foundation in 1961. Several strains, some from foreign countries, that seemed to be better adapted to the soil and climate will be evaluated to determine their potential as a cash crop for the area.

HD Agent's Notes

BY MISS ETTIE MUSIL

In spite of our comparing the cost of living today with that of years ago our food costs are not as high as we seem to think. Yes, there's supposed to be an extra nickel left in your pay-day dollar these days after you buy your food.

This information comes from economists of the U. S. Department of Agriculture's Economic Research Service. They report that the family food bill in the mid-forties was about 25 cents of our take home dollar. Today, they claim that we spend only 20 cents. Our incomes have gone up faster than food prices, they point out.

Ten years ago, for example, an hour's work bought 2.3 pounds of chuck roast. Today, we get 3.3 pounds. In the early postwar years, an hour of work was worth 22 eggs; today, it's worth 43 eggs.

Guess we don't know when we have it so good, as far as food prices are concerned. Our grocery bill seems high because we have so many extras on the grocery store shelves. Next time you come home from the grocery store, take time to notice all the extras in the grocery bag. You'll find laundry detergents, freezer bags or jars and jar lids, writing paper, hosiery, tee shirts, pencils, records, or a variety of drug store items.

Some of our food costs add up with convenience foods. Instant foods are the first choice of many food shoppers today. Many of our foods are packaged and ready to serve. Of course, we pay for these conveniences. Our time of preparing these foods is of more importance than the extra cost of the packaged foods.

Sometimes we pay for food value that does not reach our table. One of the easiest ways to lose food value is in the cooking process. Storage of foods

can be an investment that we sometimes lose if foods spoil before cooking.

Baking, steaming, and cooking vegetables in their skin helps retain food value. When using water, use the smallest amount possible. Begin cooking vegetables in salted water at a high heat, but lower the heat when water and vegetables begin to boil. Be sure to have the water boiling when the vegetables are added to it.

Food value is lost if vegetables are cut in small pieces or are allowed to stand in water before cooking. If water remains after cooking, use this liquid in gravies, sauces, and soups.

Avoid over-cooking. Just cook vegetables until tender. We used to cook cabbage and corn on the cob all morning, but now 8 to 12 minutes is long enough for tender foods. Then serve vegetables as soon as possible after cooking.

With so many fresh vegetables soon to be on the market and in our gardens, you may want to try different ways of preparing them. Come by or write us for the bulletin, "Vegetables" available free upon your asking.

This bulletin includes these appetizing recipes: scalloped green beans, sweet and sour green beans, swiss style green beans, and green beans with hot mustard sauce. Okra gumbo or fried okra are both delicious.

Maybe you would like to try potato fluff, potatoes napoli, potato cakes, or parmesan potato sticks. To change your squash meals try preparing stuffed party pan squash, chicken-baked squash, squash and onions, Mexican squash, squash squares in sour cream, and squash rings with peas.

All of these recipes are tried and tested.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

"A number of county Farm Bureau leaders in Texas have reported that their Congressmen have informed them that they cannot vote against the Administration's Omnibus Farm Bill without losing a large part of federal moneys spent in their district. Leaders should surely remind these Congressmen that if the United States Government is going to be run by people who are controlled by threats and/or economic favors, then the United States has already abandoned its traditional system of government." This is a quote from Bill Wedemeyer who edits Facts For You for Texas Farm Bureau.

President J. H. West of Texas Farm Bureau, in congratulating members in their successful fight against the above mentioned farm bill, now urges them to express appreciation to those representatives who had the courage to vote against it. He also urges Farm Bureau members to urge strong support to the Farm Bureau bill and get it out of the House Committee. This, he says, would be the surest way of preventing a future successful effort to ensnare farmers with the bill that was just defeated, even after many concessions made in the effort to make it acceptable.

Farm Bureau people are interested in freedom and pros-

perity for the United States farmer. Freedom, although it sounds a little old fashioned to some people, is the only thing that makes prosperity possible, so it comes first. Witness prosperity in this country in comparison to any country that has embarked upon a program of government control of farm and industry management.

"To speak of victory in the Cold War with Russia is impermissible. Such talk has a militaristic and aggressive ring. It implies an all-or-nothing approach which leaves no room for accommodation with the Soviet Union." This is the official statement of American policy filed by the State Department with a special Senate subcommittee.

It was filed in defense of censorship procedures against military leaders deemed too forceful in their anti-Communist speeches. Here is another paragraph from the same statement, filed by your State Department: "Such objects as the slavery of captive peoples in the Soviet satellite system must be avoided. Nor must such adjectives as 'brutal' be applied to the Soviet government." Does this sound like the voice of America to you?

Farm Bureau directors will meet Monday night, July 2, at about 8:30. You are welcome. CONSIDER THIS: Wilt thou set thine eyes upon that which is not? For riches certainly make themselves wings; they fly away as an eagle toward Heaven.
