By 1962 the first wave of the state's "war babies" — probably hundreds of thousands of them — will be seeking a college education in Texas.

Time to get ready for them is now, says the Commission on Higher Education.

Created by the Legislature in 1955, the Commission has spent some two years getting organized and gathering facts. Now, says the Commission's director, Dr. Ralph T. Green, it is ready to start making some "firm recommendations", beginning with its meeting February 10 in Denton.

Commission has the responsibility for studying the needs and problems of all 18 state-supported colleges and universities and making recommendations and appropriation requests for them to the Legislature.

Commission staff has done extensive research in areas of professors' salaries, how many students take what courses and possible need for more branches and courses in certain areas.

Several cities have been actively demanding senior colleges for their junior colleges. Commission is to have recommendations on this later.

At present, says Dr. Green, Texas' 18 colleges have 77,913 students. By 1962, he predicted, they will have some 192,000.

Statewide, the possibilities are even more overwhelming. There are some 160,000 students in the state and private colleges now, said Dr. Green, but by '62 there will be an estimated 320,000 prospective college students.

Exact figures are not possible, of course, he said, but there's no getting around it, the kids are there. It's almost frightening to foresee this tremendous volume and know, too, that the standards must be raised to meet demands for improved facilities in scientific and technical training. But with good planning we can do it, he stated.

Polio Plummet

Best news from the State Department of Health recently is the 1957 polio figure — lowest in a decade.

Total for 1957 was 734 cases.

just a little over half the 1936 total of 1,307 and less than one-fourth the peak year of 1952 with 3,984 cases.

Department officials said they expect a continued, but more gradual decline, as more people take the vaccine. Shots are not likely ever to stamp out the disease completely, they said, since the vaccine does not prevent non-paralytic polio.

Texans can garner many millions in out-of-state dollars by learning to be good hosts to the travelers of the nation.

Said Tom Taylor, manager of information and statistics for the State Highway Department.

"The tourist industry is one of the easiest in the world to promote. Every community has something to offer. But many Texans don't know enough about their own communities to give directions."

Considering the scarcity of promotion, said Taylor in a talk to the Texas Motor Transportation Association, it was surprising to note that Texas is fifth in the number of tourists. It was a \$500,000,000 industry in 1957, he said, bringing Texans more income than cotton, cattle, and wheat combined.

But Taylor noted, competition from other states is getting stiffer, and Texans will have to work harder to get out-of-staters to spend their vacations here.

School Questions To Go Out

Some 25,000 manuals are to be mailed to counties by Feb. 15 for use in a massive study of Texas public schools.

Study guides are being sent out by the Hale-Aikin Commit-

"What's the ground rules?"

tee which is to report to the next Legislature on school needs.

County leaders will distribute the 44-page study guides to the local school districts. It is hoped that answers and suggestions will be worked out in a series of group meetings in each area.

Rep. L. DeWitt Hale, vice chairman of the study committee, said local groups should feel free to add more topics of their own. Study guide has 167 questions.

If people all over the state respond with facts, ideas and suggestions, the committee will have some 42,000 replies to act as a basis for its recommendations.

Well Watered

Texas goes into the 1958 growing season with the best soil moisture conditions in years, reports the U.S. Department of Agriculture.

High plains wheat prospects are considered the best in years. Most areas have enough moisture to carry the crop well into spring.

In many areas growers now want open weather. Said USDA, "Many fields in East Texas have

turned pale as waterlogged soil prevents root aeration."

Panhandle grain farmers need sunshine to prepare for spring planting and Valley vegetable growers to harvest the winter crop.

Flu Up Again

Number of flu cases in Texas climbed in January, but was no where near the October peak.

According to State Health Department officials, estimated

number of cases at end of December was 3,411. In successive weeks totals went up to 4,301, 4,820, and 5,800.

But during the October outbreak, the total reached 40,000. Gov. Price Daniel was among the recent victims.

Short Shorts

Texans salted away \$194,382,837 more in their bank savings accounts in 1957 than the year before, according to the State Banking Commission. Increase was from \$288,703,258 to \$383,086,095, a jump of approximately 24 per cent.

Atty. Gen. Will Wilson has been asked for an opinion as to

the constitutionality of the new law prohibiting an insurance company official's making a gift to an Insurance Department employee. Opinion was asked by the district attorney of Randall County, locale of Estate Life Insurance Co. Estate's president, John L. McCarty, was recently deposed after testimony concerning a \$2,000 gift to a state employee.

NEPHEW OF M. W. DUNCAN DIES IN FLOYDADA

Ranch Club Has Sewing and Fitting Demonstrations

The Ranch Home Demonstration Club met Tuesday morning in the home of Mrs. James Caroline with Mrs. Hinkle Boyd as co-hostess. Mrs. Caroline gave an educational talk on "Help Keep Your Husband Alive".

Miss Vera Thormann, demonstration agent, conducted the program on "Clothing Construction". She assisted several members in the fitting problems with their dresses, demonstrated putting in sleeves and zippers, and gave many helpful hints and suggestions.

At noon the hostesses added a tossed vegetable salad, a congealed salad, tea, coffee, potato chips, pickles, and Fritos to the school girl lunches which had been brought by the members.

Mrs. Lee Dudley and Mrs. Clarence Chandler brought fruit and lemon-Jello cakes for the dessert.

The clothing demonstration continued until adjournment.

Mrs. David Mitchell was welcomed as a new member. Also present were Meses. A. C. Garner, C. F. Cox, L. W. Welch, J. Garner, C. C. Mitchell, Odell Carruthers, E. H. Jessup, Lewis Hill, E. F. Pierson, J. W. Carruthers, Sr., J. D. Nichols, Lee Dudley, J. W. Byrd, N. M. Mitchell, Jack Hardgrave, Clarence Chandler, Lee Grigsby, R. A. Gatlin, H. E. Ezelle. Guests included Mrs. W. J. Baptist Ladies Plan Banquet For '58 Seniors

The Baptist W.M.U. met Monday afternoon at the church in business session, opened with a prayer by Mrs. W. C. Pearce.

Along with routine business matters, plans were made for the annual banquet honoring the seniors of the Sanderson High School. The banquet is planned for Monday, February 17.

Mrs. H. G. Cates, president, led the dismissal prayer.

Those present were Mmes. A. D. Brown, James Word, Clyde Whistler, W. C. Pearce, Lloyd Cowan, E. P. Halley, and H. G. Cates.

Garden Clubbers Discuss Planting For Yard Planning

The Sanderson Garden Club met Saturday afternoon in the home of Mrs. D. L. Duke with Mrs. L. D. Booker, Jr., as hostess. Floral decorations were arrangements of yellow jasmine.

Mrs. W. G. Downie was the speaker for the occasion, discussing "Make Your Garden Fit Your Way of Life". When she directed a landscaping clinic, each member sketched her yard and exchanged with a neighbor for constructive criticism and suggestions to be given at the next meeting.

Mrs. Booker displayed several children's party tables.

Refreshments of punch and cookies were served following adjournment.

Members present were Meses. Roy Bogusch, J. L. Whistler, J. Harkins, Ruel Adams, H. E. Ezelle, W. G. Downie, S. L. Stumberg, T. R. Arrington, J. R. Hodgkins, and W. H. Goldwire. The guests were Meses. H. G. Cates, Thurman White, Dudley Harrison, and Warren Capps and Miss Diana Duke.

Mrs. N. Armstrong Is Speaker For Beta Iota Meet

Mrs. Noble Armstrong was the guest speaker at the meeting of the Beta Iota Chapter of Delta Kappa Gamma last Saturday. The meeting was at the club house in Marathon with the Marathon members as hostesses.

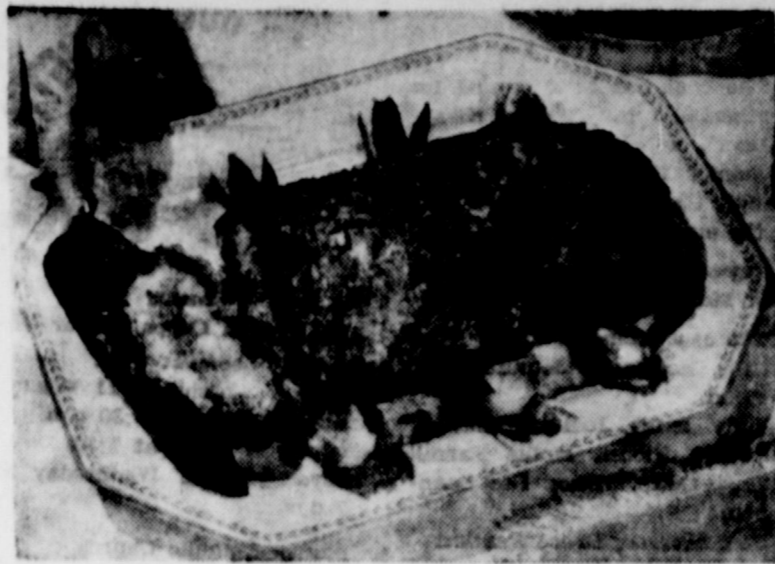

"Professional Growth Through Travel" was the theme of the program.

Mrs. Armstrong, a resident of Alpine, discussed travel abroad and showed films and told of a recent trip through the Far East.

Piano selections were played by Donciano Fuentes of Marathon.

Members attending from Sanderson were Meses. E. E. Farley, and Matt Bader.

Mrs. W. H. Savage spent the week-end in Alpine with her husband, who is hospitalized there for treatment following a heart attack. He continues to show steady improvement.

Roller Dinner Service

Roller Dinner Service

Knowing lots of ways to fix ground beef can add variety to meals and keep the meat bill down. This recipe is for a savory meat loaf or roll which is different and exceptionally delicious! Well-seasoned ground beef is rolled up like a jelly roll. The filling is made of cooked rice and a bit of cheese. There are mushrooms in the meat for just the right bit of exciting flavor.

- INGREDIENTS:**
 1, 3 oz. can broiled, chopped mushrooms, drained
 1 egg, beaten
 1 1/2 lbs. ground beef
 2 teaspoons salt
 1/4 teaspoon black pepper
 2 tablespoons grated onion
 1/3 cup quick cooking oats
 2 teaspoons thick meat or steak sauce
 1 1/2 cup milk
 1 1/2 cups cold cooked rice
 1/2 cup milk
 1/2 cup grated American cheese
- METHOD:** Cut the mushrooms into small pieces. Mix together the egg, beef, 2 teaspoons salt, black pepper, onions, oats, meat

sauce and the 1/2 cup milk. Mix together well. Place on a piece of waxed paper or aluminum foil. Pat out evenly until the meat is about 9 by 12 inches. Put the rice, 1/2 cup milk and cheese in a saucepan. Heat over a low heat until the milk is absorbed. Spread over the meat, leaving a margin of about 1 1/2 inches all around. Roll up, starting from side which is 9 inches. Pick up the paper or foil to help with the rolling.

Pinch ends together to keep rice stuffing in. Patch any broken places with meat from ends of the loaf. Place loaf folded side down in a greased shallow pan. Pour about 1/2 cup water around the loaf. Bake in a pre-heated 325° F. oven one hour or until the meat is done through and beginning to brown. Allow to stand about 5 minutes before cutting into slices. Serve with the pan drippings, mushroom or tomato sauce or other sauce as desired. This recipe makes about 9 servings.

FORMER RESIDENT WINS D.A.R. AWARD FOR 1958

Miss Barbara Spencer of Wink has been named winner of the Daughters of the American Revolution medal for 1958. Miss Spencer, one of three girls nominated by the senior class, was selected by the faculty as a Good Citizen.

She is the daughter of Rev. and Mrs. Clifford Spencer, former Sanderson residents. She is also a member of the Senior National Honor Society and has been a member of the Wildcat Band for three years.

Last year Miss Spencer won the scholarship award for the junior class.

Guarding Tomorrow's Freedom

How to maintain a lasting peace . . . how to preserve full employment . . . how to ward off recession . . . how to keep our high standard of living. Those are problems which continually face the Government of our country.

Tomorrow they may blaze into issues that must be solved by the factions and interests that make up our democracy. Each of these factions and interests will demand to be heard — and they will be heard.

The press of America will report and comment on what each and every party to an issue has to say. The public will know what is going on.

It is only thus that the best interests of America

can be served over and above the interests of any one faction or any limited-interest group.

This vital function can be performed only by a press that is free to write and free to publish the story of national issues, unfettered by dictation from any source.

Today's freedoms can be secured and tomorrow's freedoms guarded only by a press that owes allegiance to no ogre of tyranny bent upon shaping our destiny to suit its own ends.

If the press of America is, in a real sense, to remain the guardian of our future, we must preserve the freedom it possesses today.
