

The SANDERSON TIMES

SANDERSON, TEXAS, FRIDAY, OCTOBER 3, 1958

NUMBER 34

Rains Continue To Fall Large Crowd Expected Here For Legion and Auxiliary Convention

Rains continue to fall on this area and in Sanderson and the total rainfall for September almost equaled that for the year when totals were obtained Wednesday morning.

The rainfall in Sanderson for the month of September was 6.44 inches and the total for this year up to September was 6.69 inches.

The following readings were obtained from W. E. Grigsby for the past seven days. The figures are for the 24-hour periods prior to 8 a. m. Wednesday.

Sept. 25th, .02; 26th, .11; 27th, .51; 28th, .09; 29th, .02; 30th, .40.

Heavy and almost steady showers fell all night Tuesday after about 11:00 p. m. and it was still misting and showering at noon Wednesday with heavy overcasts and signs of probable continued rains.

A norther blew in Tuesday before lunch and was blustery at time, sending chilling winds into this area. Many local residents got out space heaters or lighted furnaces to take the chill

off of the dampness in the house.

The temperature went into the 40s Wednesday morning early.

The rains Tuesday night and through the previous days have been general over this area with amounts varying widely. Some ranchmen have reported near 12 inches of moisture this month and ranging from there down to about three inches.

There has been little or no damage reported in this area from the rains.

Muddy roads and boggy pastures have prevented many of the ranchmen from going out to check moisture and effects of the rain.

All of the county has reported excellent coverage of weeds and grass as far as can be determined. Country visible from the highways is taking on lush green shades and is attractive even to the eyes of travelers and residents not in the ranching business.

The officers of the 16th district Auxiliary will begin to converge on Sanderson Friday to have all necessary arrangements in hand for the fall convention which will be in session here Saturday and Sunday.

Delegates and members from the 35 units and auxiliaries over the district will be arriving all day Saturday with some unable to get here until Sunday.

Local committees have completed arrangements for the full program of business and entertainment for the two-day meet.

Monte Goode is the 16th District Commander and Mrs. Carl M. Flack, Jr., of Odessa is the district Auxiliary president.

Registration of delegates will begin Saturday morning at 9:00 o'clock at the Sanderson High School. A smoker in the Legion Hall will be from 4 to 6 in the afternoon with a social period for Legionnaires and Auxiliary members from 7:30 to 8:30 prior to the dance in the V.F.W. Hall. Music for the dance will be by an orchestra from Del Rio and the public is invited to the semi-formal dance.

On Sunday morning the post officers of the district will congregate at the Orchid Cafe for a no-host breakfast, after which a joint assembly will be called to order in the high school auditorium.

The memorial service at 11 a. m. in the auditorium will open with D. L. Duke singing "My

Buddy" after which a memorial wreath will be placed in memory of the departed comrades.

Dr. K. T. Melugin, pastor of the First Methodist Church of Sanderson, will deliver the memorial address. The churches of the community have been asked to dismiss their congregations for participation in this memorial service.

A barbecue dinner will be served to all registered delegates at noon on the courthouse lawn.

Delegates will assemble at the Legion Hall at 2 p. m. for the afternoon business session which will last for the entire afternoon.

The program for the ladies of the Auxiliary will include a no-host luncheon at noon Saturday at the Masonic Hall with the ladies of the Eastern Star doing the catering. The Work Shop business of the Auxiliary convening at 1:30 p. m. Saturday will take up a busy afternoon of reports and planning for the work ahead.

Sunday morning the ladies will participate in the joint assembly memorial service, and the barbecue dinner before going into their business session at 2 o'clock which is expected to take up the remainder of the afternoon in the convention business.

Eagles Trim San Felipe 22-8 Here In Thriller

The Sanderson Eagles trimmed the San Felipe Mustangs by a score of 22-8 here Friday night in a real thriller. A large crowd was on hand from Del Rio and the fans of both sides had plenty of excitement during the game.

Sidney Blanks and Co. scored their first TD in the third frame on a 45-yard run. Blanks also converted the extra points on a run from scrimmage.

Blanks was the outstanding player offensively and defensively for the visitors.

The San Felipe team worked from a single-wing formation in the second half after using a T during the first half.

The Sanderson Eagles played hard and steady ball throughout the game with a seemingly determined effort for a win.

David Graham and Brucks Bader shared offensive honors for the Eagles with Graham tallying for two TDs and Bader for one score with a conversion also to his credit.

Sanderson made their scores in the second period and two scores in the fourth frames.

Graham made the first score on a 24-yard run. The conversion was no good.

Bader scored from the 10 in the fourth with Felix Valles making the extra two. Graham scored from the 7 with Bader converting.

The first TD for Sanderson was set up by the recovery of a San Felipe fumble by Herman Fuentez. The second score was after a sustained drive downfield and the third score was set up by the punt return of J. T. Herring who went to the 7-yard line on a return of about 74 yards.

The Eagles will play against the Brackettville eleven here on Friday night with the starting whistle to come at 8 p. m.

The Eagles coaches, Carlton Smith and Gerald Petersen, state that the boys have been working hard this week in preparation for the game against Brackettville and added that the spectators should have their money's worth in the grid competition.

Something to Crow About . . .

ROOSTER RIDES RODS

One day last week L. G. (Polo) Calzada, who does quite a bit of trucking in these parts, left Sanderson early on a run to Junction and arrived in Sheffield, some eighty miles from here, at day-break. As he and a companion left the truck for coffee, they heard a rooster let up a good-morning crow. After looking about the truck Polo found his pet rooster perched on a two-inch bar on the tire rack underneath the trailer.

The rooster had ridden the eighty miles of fast driving and didn't lose his foothold. Polo took the bird in the cab for the balance of the trip.

Mr. and Mrs. Norman Mosier of DeKalb and Mr. and Mrs. J. B. McCord, Jr., of Coleman spent Saturday night with Mr. and Mrs. S. L. Stumberg. Mr. Mosier is the president of the Texas Cattlemen's Association.

Drilling News --

Great Western, Blue Danube, and Harwit No. 1 Chapman was reported last week end to be setting 20-inch surface casing at 31 feet. Their latest report is that operator is drilling at 48 feet.

Location is on section 64, Block Y.

Magnolia No. 1 Bassett-Goode was reported last week end at 6-280 feet preparing to set 9 5-8 inch intermediate casing. The latest report is that operator is waiting for cement to harden after setting casing.

Location is on section 228 in Block Y.

Magnolia No. 2 Banner Estate was last reported at 10,080 feet in lime and shale at location on section 30, Block 161.

Conoco Brown-Bassett No. 1 was last reported at 6,318 feet in lime on section 227, Block Y.

Texas Pacific 1-A Dunlap on the George W. Hudson survey in Block I, was last reported at 11-047 feet.

The Gulf 1 NCT-A McCue on section 9, Block R2 was reported to be drilling at 142 feet in lime. Operator started on hole last week-end.

Water Board Hires Attorneys, Appraisal To Begin Thursday

Attorneys have been hired to investigate the legality of the issues confronting action of the Terrell County Water Improvement District No. 1. The firm is Gibson, Spence, and Gibson of Fort Worth.

Action was taken at a meeting of the members of the water board last week-end.

It was stated that the attorneys were widely known over the district as bonding attorney and would be responsible to approve, for the board's consideration, all the legal aspects concerning the possible bonded indebtedness of the water district.

The water board members also received word that members of the engineering firm of Freese and Nichols would be in Sanderson Thursday (today) to begin their work here.

The engineers, it was pointed out, would make an appraisal of the present utility of the Community Public Service Co., as concerns condition and worth of all of the owners' property here connected with the water utility.

They will also make an audit of the receipts and expenditures of the company to ascertain their net profit potential if and when the water district okays the purchase of the utility.

It was announced several weeks ago that the water board had received a contract from the T&NO Railroad for the leasing of the railroad company's water wells and storage facilities for \$10 per month. The railroad company, in return, would purchase water needed for its use from the water district at 25c per 1,000 gallons.

The water district, if one is activated, would be responsible for the maintenance of the railroad's water wells, under terms set out in the lease contract.

It was pointed out that the water wells acquired from the railroad would approximately double the present out-put potential of water by the present utility owner.

The board members also pointed out that pumping expenses would be less due to the output of the wells.

The board also announced the price for engineering services in the appraisal and survey at \$650, rather than \$2,500 estimated.

Members of the water board are Greene Cooke, president; Ed Kerr, secretary; and Don Anderson, Jimmy Caroline, and M. W. Duncan, members.

Sheepmen Protest Higher Ranch Wage Requirements

Officers of the Texas Sheep & Goat Raisers Assn. Tuesday protested to the U.S. Department of Labor representatives in Washington regarding new regulations for bracero "ranchhands general." The opposition was centered mostly around wage scales for the ranch hands.

The protest was voiced after Ed McDonald, Dallas, regional labor department director, sent new regulations to all district offices of the Texas Employment Commission. Among other things the regulations called for ranchmen to provide the "ranchhands general" payment of \$110 to \$223 per month, plus room and board.

It is the ranchhand general which affects most West Texas ranchmen.

The Mexican consul at Eagle Pass Monday was not permitting contracting of braceros as ranchhands general for less than \$125 per month, plus room and board" according to Ernest L. Williams, executive secretary of the TS&GRA.

The Department of Labor made two ranch labor wage surveys in West Texas counties, according to TS&GRA officials. The first survey was reported as not acceptable to labor department officials, and a second was made.

It was the results of the second survey, TS&GRA officials said, which resulted in the new regulations.

Junior U.S. Senator is Put to Rest

Junior U.S. Senator is put to rest because some members of Hale-Aikin Committee have failed to reject the government's bill. It seems he only wants the jam on the shelf but this deep common sense for the poor underfed children in Texas schools makes want to get 5c per day to them. Of course we are going to hear from the PTA of school where the children are "pangs of hunger" so could send a small gift in with a country newspaper to income to alleviate those until the honored gentleman get back to Washington force the money on the state educational system.

The school children are in need, the paltry five cents will not suffice and besides I do any good if we wait congress to act on the bill. Thing must be done now.

Senator, before those pangs of horse. What will some politicians stoop to? No, Mr. Yarbor, Texas can feed her own children. We don't want it in Terrell County and we don't want the people of any other county in Texas want it.

The senator wants to do right the people he is supposed to represent why doesn't he try to do something that will be for the country and quit being out political bait.

James R. Kerr Joins Bullock In Law Practice

James R. Kerr began the practice of law in Fort Stockton this week being associated with Maurice R. Bullock of Fort Stockton.

Mr. Kerr studied law at St. Mary's University of San Antonio. He passed his bar examination in June and received his license on September 15th. He is a business administration graduate of the University of Texas.

Mr. and Mrs. Kerr and their two daughters are residing in Fort Stockton. Mrs. Kerr is the former Totsie Adams of that city and he is the son of the late Mr. and Mrs. Joe Kerr, Sr.

Antelope Hunters Passing Through

Numerous antelope hunters have passed through Sanderson Monday and Tuesday en route to antelope shooting farther west in the Big Bend area of Texas.

The season opened Wednesday morning and \$50,000 is expected to be paid to ranchmen for hunting permits for the three-day shoot.

Sixteen ranches in that area will be the site for hunting of 44 bucks and 50 doe permits.

There will be a second hunt of three days in the Marfa-and-west area when the state will permit the slaying of 352 bucks and 35 does.

The state receives \$5 for each antelope hunting permit and the rancher receives \$60 for a buck and \$40 for a doe permit. The state issues 60 per cent of the permits with the rancher issuing the other 40 percent as he sees fit.

Coming Events

Saturday and Sunday — Legion and Auxiliary fall convention.

Monday — Altar Society, Baptist W.M.U.

Tuesday — Ranch Club, '51 Club, Bonhomie Club.

Thursday — Legion, Lions, P. Y.A. Evening Study Club.

BIRTHS

A daughter, Juanita, was born here on Friday, Sept. 26, to Mr. and Mrs. Santiago Rodriguez. Her birth weight was five pounds and seven ounces and she was named Juanita.

There will be some 350 or 400 Legion and Auxiliary members here this week-end from all this area to attend the convention of the American Legion Auxiliary.

Behaves us all to put our foot forward and show our

Hardeman Opposes Amendment For Annual Sessions

State Senator Dorsey B. Hardeman opposes the proposed constitutional amendment that would set annual sessions of the legislature, annual salaries of \$7,500, plus an unlimited per diem and unlimited expenses of office for each member, and authorizing living quarters in the Capitol building for the President of the Senate and the Speaker of the House, and their respective families, and advises voters to carefully consider the proposal in view of the following:

1. It would permit continuous sessions of the legislature, which would not be good for either the members or the State.
2. It authorizes an unlimited per diem, in amount, to each member, in addition to the annual salary.
3. It authorizes unlimited "expenses of office", which might well include board and washing, transportation, publications, rent, secretarial help, clerk hire, stationery and supplies, telephone and telegraph, postage, etc., in "amount and manner as determined" by the legislature itself. (It is not unlikely that it would deal generously with itself — the only restraint being the "next election" provided there is a record vote).
4. It is wholly unnecessary from the standpoint of either results contemplated or expenses.
5. It includes a provision relating to the occupancy of living quarters in the Capitol Building, by certain officials, now determined by statute.
6. It appears to be in conflict with other provisions of the Constitution.
7. It is poorly written and, if adopted, will likely entail extensive litigation and require judicial interpretation.

Beta Iota Meets in Alpine

Three members of the local chapter of Beta Iota attended the meeting in Alpine at the Kokernot Lodge Saturday afternoon. Attending were Mimes, M. F. Bader, E. E. Farley, and W. H. Savage.

Plans for the year's work were made at the business meeting. The members of the executive board were hostesses for the social hour.

Sul Ross Exes Set Homecoming Oct. 18

Sul Ross College has set the date of Saturday, October 18, as their homecoming for all exes.

The tentative program follows: 8:30 a.m., registration at the Student Union, general assembly; 10:45 business meeting; 1:30 p.m. parade; 2:30 p.m. Sul Ross Lobos vs. Texas A&L homecoming queen to be crowned at the hall; 6:30 p.m. barbecue at Kokernot Lodge; 8 p.m. dance at Student Union.

Officers of the Sul Ross Ex-Students Association are Frank Barton, Wink, president; Gene Hendryx, vice-president; Mrs. Lamar Kay, secretary; and Tom Conner, treasurer.

All Sul Ross exes are urged to attend the homecoming.

Mr. and Mrs. K. K. Robinson have returned home from Ottine where they had visited for several days with their daughter, Fay, who is attending school there and undergoing therapy and treatment for the crippling effects of polio.

N. M. Mitchell Consigns Bulls To Progeny Test

N. M. Mitchell was one of several consignors of 68 bulls entered in the 18th annual progeny test at the Balmorhea Experiment Station last week. The test officially begins with branding and weighing-in on October 6. Also in the test are 13 steers consigned by Mitchell, Joe T. Lane of Marfa, and W. T. Posey of Fort Stockton, the steers being half-brothers to the bulls in the test. At the end of the feeding period, they will be slaughtered and checked through the Texas A&M meat laboratories.

L.-A. Methodists Go To Seminars

The Big Bend subdistrict of the Rio Grande Conference of the Methodist Church had simultaneous educational seminars for lay leaders W.S.C.S. and M.Y.F. in Fort Stockton on Sept. 28.

Groups from Marfa, Alpine, Pecos, Sanderson and Fort Stockton participated.

Among guest speakers and visitors were from El Paso, Rev. Oscar Garza, district superintendent, Mrs. Enriqueta Ibarra, W.S.C.S. conference president, and Mr. Tarango, district lay leader.

Subdistrict officers were elected for the coming year. From Sanderson, W.S.C.S. officers elected are Mrs. Manuel Garcia, vice-president, and Mrs. Noe Montez, secretary.

Miss Elizabeth Marquer was named M.Y.F. secretary.

BARBECUED CHICKEN . . . A WONDERFUL TREAT!

Take a chicken outdoors to the barbecue grill and treat the family to elegant eating. Flavored throughout with tangy sauce and accompanied by charcoal grilled corn, tossed salad and garlic bread warmed over the coals, this is one meal not soon to be forgotten.

Charcoal Grilled Barbecued Chicken

Allow time for gray ash to cover charcoal briquets, about 45 minutes. Spread coals 1/2" apart with poker or long stick. Shake off after ashes just before, and occasionally during barbecuing. Brush grill with fat to keep meat from sticking.

Brush chicken broiler pieces with Barbecue Sauce or marinade sauce while getting the fire ready. Drain off excess sauce. Set chicken on grill 6 to 8 inches from coals. If distance has to be less, watch carefully to avoid charring. Keep turning chicken every 5 minutes, basting with sauce, 30 to 60 minutes, depending on size.

Barbecue Sauce

- 1 cup tomato puree or catsup
- 1/2 cup water
- 1/2 cup lemon juice
- 1/4 cup soft butter
- 1 medium onion, finely chopped
- 1/2 tsp. paprika
- 1 tsp. Worcestershire sauce
- 1 tsp. sugar
- 1 tsp. salt
- 1/2 tsp. pepper

Charcoal Grilled Corn

Discard outer husks. Strip inner husks to end of cob; do not tear. Pull out silk. Soak in ice water 20 minutes. Drain corn on towel; give husks wet. Spread corn generously with butter. Rewrap in husks; then in double thickness of heavy duty aluminum foil. Cook in ash gray coals 10 to 15 minutes, turning once.

Tea and Shower For Bride-Elect, Mrs. Martha Athas

A tea and shower in the home of Mrs. Ray Baker Saturday afternoon honored Mrs. Martha Leader Athas who will be married Saturday to Louis Anschutz, Jr., of Giddings.

Receiving the guests with Mrs. Baker were the honoree and her mother, Mrs. T. L. Leader. Mrs. Athas wore a blue afternoon dress with a corsage of yellow chrysanthemums.

Miss Carlene Fletcher registered the guests in the bride's book which was on a table centered with an arrangement of pink roses and white regina corona vine. Similar arrangements from Mrs. J. W. Happle's garden were throughout the house.

A large assortment of gifts were on display in the bedroom. An arrangement of bronze chrysanthemums and shrimp plant centered the white linen-covered tea table. Inscribed in blue on three cakes iced in white and decorated in sugar-spun flowers was "Martha and Louis".

Punch, coffee, salted nuts, and mints were also served.

The hostesses were Meses. T. C. McCutchen, Helen Graham, Ben E. Martin, and Ray Baker, and Misses Carlene Fletcher and Janie Robinson. Their corsages were in purple tones tied with gold ribbon.

Baptist W.M.U. Has Mission Study

The members of the Baptist W.M.U. met Monday afternoon in the church to begin a mission study course on the book "Into A New World".

Mrs. A. D. Brown gave the introductory lesson.

Mrs. L. H. Lemons led the opening prayer after the group had sung "Lead On, O King Eternal". Mrs. H. G. Cates brought the devotional thought.

Those present were Meses. O. D. Gray, Clyde Whistler, James Word, L. H. Lemons, Doyal Strange, T. O. Moore, A. D. Brown, R. T. Keyes, Jr., and H. G. Cates; also a new member, Mrs. Charles Baker, and a guest, Mrs. Laura Wallace of San Antonio.

Wednesday Club At F. M. Wood Home For Luncheon

Mrs. F. M. Wood was hostess to the Wednesday Bridge Club for regular luncheon and card games this week. There were three tables of players.

Guests were Meses. Web Townsend, M. F. Bader, John Reininger, John T. Williams, R. S. Wilkinson, W. W. Sudduth, Herbert Brown, S. L. Stumberg, E. J. Hanson, Jim Kerr, and Carlos Dunn.

Mrs. Stumberg was high score winner with Mrs. Brown second high and Meses. Reininger and Kerr holding the slam prizes.

T.F.W.C. To Meet Oct. 7 In Monahans

The Eighth District board meeting of the Texas Federation of Women's Clubs will be in Monahans on Tuesday, October 7. Registration will begin at 9:30 a.m. in the Methodist Church.

Several workshop groups will meet during the morning session and the afternoon session will feature a question and answer period.

A large crowd is expected for the meeting which has had careful planning to provide an interesting and informative program.

Emory Cowan of Pecos was a business visitor here Saturday.

Mrs. Stella Tyra of Uvalde is visiting here with her sister, Mrs. Ernest Haas.

TELEPHONE TALK

by Randy Cooper, Manager

I want you folks to meet Jim Neighbors who recently joined our district headquarters staff in Midland. Jim's title is District Commercial Superintendent. This is a newly created job brought about by the tremendous telephone growth here in Sanderson and in other parts of the telephone company's Midland District. Fred Kester, who many of you know, retains his title of District Manager. Jim will be coming to Sanderson occasionally and is looking forward to meeting our telephone customers here.

Luxurious - But Not A Luxury

Got a telephone for your bedroom, yet? Nothing tops a bedroom telephone for real luxury living. When I'm home using ours, I like to stretch out on the bed with the phone cradled between my shoulder and my ear. I can relax and really talk that way.

There are plenty of good, practical reasons for having a bedroom phone, too. Privacy, for example. And women often say how reassuring it is to have a phone at their bedside when they're alone in the house at night. It's much nicer to be able to "reach" to answer instead of having to dash to another room.

Here in Sanderson, a bedroom extension costs only \$1.00 a month plus installation. And for a one-time charge of only \$10, you can have your choice of any of the nine beautiful color telephones. They're especially smart for bedrooms.

Easy Way To Keep in Touch

I guess at one time or another, we all remember - out of a clear sky - someone we haven't thought of in a long time. "Whatever happened to George?" we say. Or to Ruth, or to the Martin family. Usually it's someone we really mean to keep in touch with - like the couple who used to live next door, or old friends in faraway places. But with so much on our minds and so much to do, the months fly by and we never get around to it.

The quick, easy way to make up for lost time is, of course, use your telephone.

A long distance phone call is the personal, thoughtful way keeping in touch with those you care about. Try a call tonight, and you'll see what I mean.

Call by number. It's twice as fast.
