SANDERSON, TEXAS, FRIDAY, JUNE 21, 1963

NUMBER 20

LISTEN TO LUKE

The recent edict of the Supreme Court is, in our opinion, a step in a direction that can lead only to gloom. We speak of the forbidding of the reading of the Bible or the use of the Lord's Prayer in public school classes. We are not going to argue on the constitutionality of the matter, and its legality under the Constitution. We will leave that up to the attorneys.

We believe, however, that the intent of the whole thing, from beginning to end, has been sorely misrepresented.

We feel that the next step is for some atheist to object to the use of the national motto: "In God We Trust", and have this removed from our coins, our bills, and other national devices.

Next would be the deletion of the phrase "under God" from our Pledge of Allegiance to the Flag. Then would follow the omission of the last verse of the Star Spangled Banner, or changing it, where it says "... let this be our motto: In God Is Our Trust" — and all other such phrases that are objectionable to an atheist.

It would be only Constitutional, then, to do away with the office of chaplains of the House and Senate.

It would only seem natural that church services would be barred from television because it would be obnoxious to the atheist. ... And there is no telling what else!

If you think this is absurd, we don't. It's on the way, unless we do something to change the trend.

Our freedoms are slowly being taken away from us while we sit and watch!

The immorality of it all, it appears to us, is that we can leave our beliefs in God out of our government, out of our schools, out of our heritage, out of our every day living, and expect the blessings of that same God to be bestowed upon us according to our wishes and will.

Our forefathers, before coming to this country, invoked the aid of deity. They practiced the same in its settlement, its spread over the territory it now embraces. They asked the guidance of God in the great decisions in the formation of this nation, and gave thanks to God after its formation.

Leaders in wars have asked for deliverance under the hand of God. They have had great songs written and sung to stir spiritual men in battle.

We, as a nation, are not accustomed to leaving God out of our actions, and having the privilege denied us.

The trend seems to be to go

—Continued to Page 4

More Rain Falls Monday Morning

About 1.3-inch of rain fell in Sanderson Monday morning early, giving further aid to local and area growth. Some ranchmen to the east of Sanderson reported beneficial rains Sunday evening early and another Monday morning. More rain has fallen to the southwest of Sanderson than locally, also.

The creeks between Dryden and Sheffield ran big Monday as a result of the rains Sunday and Monday west from there.

The weather has continued cool since Monday with cloud covering most of every morning locally, burning off about midday and coming up again late in the afternoons.

A brisk wind blew in early Wednesday morning lowering the temperature considerably in the night, and the day was heavily overcast with the threat of rain both in the morning and late afternoon.

No moisture was reported Tuesday night or Wednesday in the county.

Showers fell west of Sanderson about mid-afternoon Wednesday and moved eastward to the south.

All sections of the county are said to be in the best shape in many years in both abundance and condition of forage.

Mrs. C. E. Holmby, Harlingen Teacher Dies Here Thursday

Mrs. Josephine Holmby of Harlingen died here about 2:30 a.m. last Thursday following a heart attack. With her husband, Charles E. Holmby, they were en route to San Diego, Calif., to visit their son, who was in boot training with the U.S. Navy. They were at a local motel for the night when she suffered the fatal heart attack.

A funeral coach from Harlingen returned her body to that city Friday afternoon. The son arrived here by plane from San Diego to accompany his father back to Harlingen.

Mrs. Holmby, 51, was born in Virginia, Minn., and was a school teacher in Harlingen.

Among Our Subscribers

Renewal subscriptions to the Times have come from Manuel Garcia, Gene Bleck, F. E. Cautrell and S. C. Harrell, all of Sanderson; Beatrice Alva, San Antonio; R. B. Mussey, Jr., Pecos; Bill Dunn, Comstock; Perry Dawson, San Antonio; A. W. Tesson and E. C. Derrick, El Paso; W. H. Schader, Pleasant Hill, Mo.; Austin Nance, Mrs. Jim Kerr, Willis Harrell, J. R. Harris, W. V. Munson, J. C. Wilcox, and Albert Appel, Sanderson; Andy White, Pampville; R. T. Key Sr., Blythe, Calif.; J. D. Harrison, Pasadena, Texas; Roy Haley, El Paso; Trigg Twichell, Austin; P. V. Corcoran, Sacramento, Calif.; Douglas Aitaway, Lubbock; Joe Chandler, Dryden.

Miller H. Stroup of Sanderson is a new subscriber; also Sheila Cox, Spicewood; and Arnulfo Villarreal, Suisun, Calif.

Mrs. J. D. McDaniel To Home Economics Conference

Mrs. J. D. McDaniel, high school homemaking teacher, was among 125 homemaking teachers in Area II who attended the In-Service Homemaking Teachers' conference in Odessa last week.

Mrs. McDaniel reported the conference informative and interesting, revealing the newest trends and research in nutrition and foods.

Arnulfo Villarreal has returned to Suisun, Calif., after a visit here with relatives and friends. His mother, Mrs. Manuel Villarreal, and brother, Frankie, accompanied him to California.

Landmark Being Removed

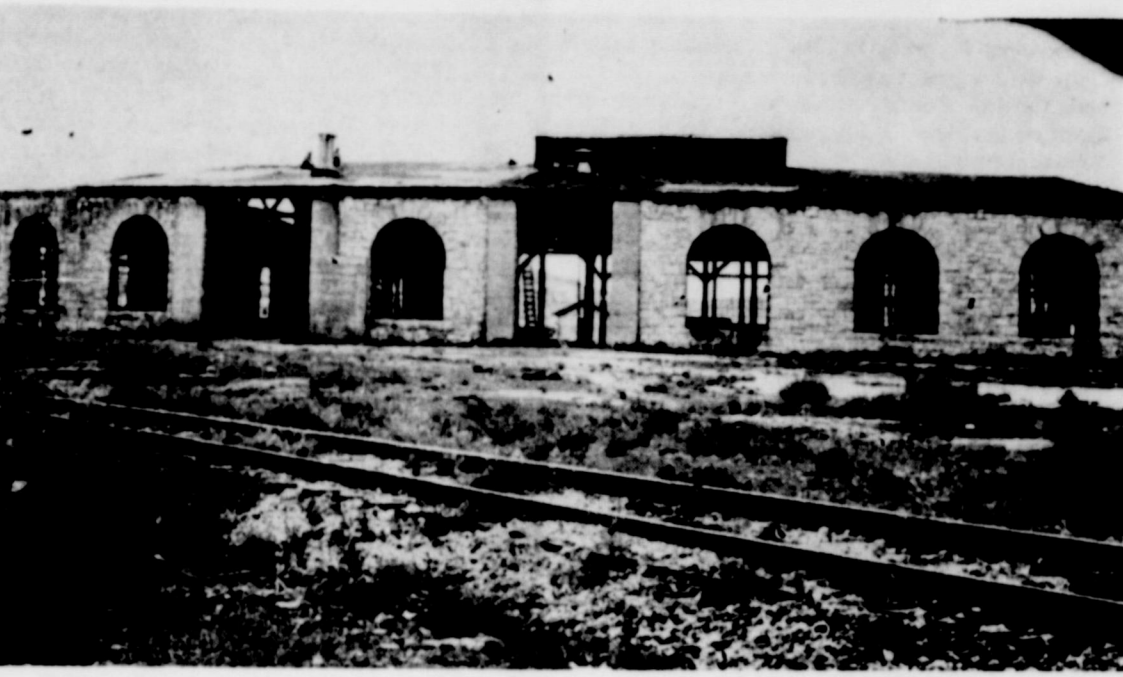

photo by J. E. Connally, Del Rio

Another of Sanderson's landmarks will soon disappear from the local scene as the march of progress continues. The old Southern Pacific Railroad's roundhouse, south of the tracks, is almost demolished, only one section of wall remaining to be torn down. The large timbers and brick are being salvaged and moved to Van Horn where they are being used in the construction of a large motel in that city by Buddy Griffin, according to reports.

All the authentic early information about the roundhouse is not available from any local source as far as is known. It was built around the turn of the century by Chinese laborers, according to reports, and was of native rock construction. Twenty stalls were available for repairmen to work on the steam engines, first coal-burning, then oil-burning, and later diesel-electric engines, the number being reduced to 18 during that time, and later to three stalls with varied remodeling jobs and changes to meet the needs of the times. The 80-

foot turn-table was lengthened to 100 to handle the larger and longer engines. It was later moved to another division when straight tracks were laid to each stall.

J. D. Tronson is now roundhouse foreman, W. J. Hawley, the night foreman, and M. J. Jonas, relief man. The work that was formerly done in the roundhouse included a complete overhaul of the steam engines, but now is limited to running repairs that are made in one pit arranged for that purpose at the site of the roundhouse.

Local Youths Place In Meet At Fort Stockton

Several athletes from Sanderson placed in track and field events at the Texas Jaycee-sponsored Junior Champ Meet Saturday in Fort Stockton. The meet, which was open to both boys and girls, had eight divisions, and around three hundred youngsters between the ages of 11 and 17 participating.

Point scorers from Sanderson included the following: Boys 14-15 200 yard relay team of John ny Vasquez, Roman Gonzales, Tommy Weigand, Robert Calzada was fourth. Weigand was also third in the 120 low hurdles and fourth in pole vault.

Boys 16-17, mile relay team of David Hardgrave, Oscar Marquez, John Cates, Johnny Benavides, placed fourth. Benavides was third in the 180 low hurdles. Billy Garza was fourth in the discus throw. Gilbert Valies was fourth in the mile run.

Andrew Riess was fourth in the baseball throw in the 12 and 13-year-old division.

Another portion of the Junior Champ Meet was the swimming and diving met, dominated in general by the host city, and was held Friday afternoon.

Friday evening, all contestants and their adult leaders, as well as Fort Stockton townspeople, were served barbecue by the Fort Stockton Jaycees, host sponsors of the meet. Following the barbecue, Bobby Morrow, Abilene Christian College and Olympics track immortal, was the featured speaker.

BIRTHS

To Mr. and Mrs. Frankie Turner was born a son, their first child, in a Fort Stockton hospital on Tuesday, June 18. His birth weight was seven pounds and three ounces and he was named Warren Kent. Mr. and Mrs. George Turner are the paternal grandparents. Mrs. Alice Turner the paternal great-grandmother and Mr. and Mrs. J. H. Denson are the maternal grandparents.

Closing Program Of VBS To Be Sunday Night

The Vacation Bible School, a joint project of the Methodist and Presbyterian Churches, opened Friday morning with 60 enrolled. Classes have been meeting in both churches.

Friday will mark the closing day of the school.

Due to conflicts, the closing program of the school was postponed from Friday to Sunday evening at 7:30 in the Methodist Church. A cordial invitation is being extended to everyone to attend.

PERSONALS . . .

Mr. and Mrs. Charles Poulter of San Angelo spent Wednesday night here with their daughter, Mrs. Paul Hatem, and family.

Mrs. Herman Couch, her son, Tommy, her sister, Mrs. Perry Johnson of Alpine, and her niece, Mrs. David Mitchell, and son are visiting in East Texas with Mrs. Mitchell's mother and relatives.

Kathy and Carol Hord of Houston are visiting with their grandparents, Mr. and Mrs. G. E. Babb. Their parents, Mr. and Mrs. Frank Hord, and their other sister will arrive this weekend for a visit.

Mr. and Mrs. John Birkhead and daughter and son, Linda and Jay, of El Paso visited here this week with Mrs. Grace Wheeler, Mrs. J. C. Halbert, and other relatives. They left Thursday for Inks Lake on a vacation, leaving their daughter here for a longer visit.

Calendar of Events

- Friday, June 21 — Rummage sale, junior rodeo opens
- Sunday — Closing program of Vacation Bible School
- Monday — Presbyterian Women, Methodist W.S.C.S., Baptist W.M.U.
- Wednesday — Rotary Club, Bonhomie Club
- Thursday — Lions Club, Duplicate Club

Large Crowd Expected For Junior Rodeo Friday

A large crowd is expected to be on hand for the junior rodeo to be staged here Friday and Saturday by the Sanderson Rodeo Club, sponsors of the event.

This is particularly a good time to have the events here, according to officials of the club, because other towns are having similar events just prior to and after the local rodeo, and they are expecting a large turn-out of contestants.

The rains over the country will also have something to do with the attendance, they feel.

Events will include contests for both boys and girls in age group divisions and local rodeo fans are urged to come out and witness the show.

The arena on the Fort Stockton highway will be the scene of all the contests which begin at 2:00 p.m. both Friday and Saturday. Rodeo headquarters will be at the Oasis Restaurant.

Daughter Training Important As Sons, Says Homemaker

by Mrs. J. D. McDaniel

What about the future of a girl? Susie will be a homemaker, but she is taking the traditional college preparatory course in high school. If she has time she may take Home Economics. John expects to be an engineer. You will encourage him to learn all he can about mathematics in high school to learn his profession.

So your son is going to be an engineer, and your daughter? — Well, naturally you expect that she will some day be happily settled in a home of her own. No one will dispute that this is the ultimate goal of most girls. But are you encouraging your daughter as well as your son to make intelligent choices from the courses offered in our high school in preparation for the life that lies ahead of her?

Perhaps you do not think of homemaking as a profession. It is one of the finest and one of the most exciting. You may be one of those mothers who says "I can teach my daughter all she needs to know about homemaking. Let her spend her time in school studying academic subjects." The fact is that most mothers do not take the time to teach their daughters the home-making skills.

Do not underestimate the importance of education for family living. The success of the American family and the future of our country depends in a large part on the preparation, the intelligent planning, and the scientific understanding that goes into the making of the homes of the future.

For the girl who is going to college, home economics is the only subject to which she is exposed in high school that admits her life as a female will differ from that of a male. She may be educated and have a career in the same field as her male counterpart but when she marries their paths separate. It is she who will bear the children and be responsible for the well-being of her family. Whether she stays home for this purpose or continues to work, she needs education in the values, techniques, and subject matter that will contribute toward making her an effective homemaker.

Home Economics is education for life as a woman — instilling in girls the love of being a woman. Many of the young women today find themselves fulfilling the job of homemaker without having had very little, if any training for the job, but have to pick it up by ear, as it were. They went to school to learn languages, literature, chemistry, or stenography. But housework, though it is so important, they have been expected to know by instinct. It is their mother's job to teach them and was not a part of their education.

What does the up-to-date homemaking class in high school have to offer this "homemaker of tomorrow"? Homemaking has become much more complicated than merely cooking and sewing. Some of the things this "homemaker of tomorrow" studies and learns in homemaking courses will be the subject of forthcoming articles.

County Accidents Property Damage Is \$1,910.00 In May

Property damage was listed as \$1,910.00 in four accident in Terrell County during May of this year, according to statistics released by the Texas Department of Public Safety for this district.

The four accidents also included two personal injuries.

The Department of Public Safety officials stated that one of the purposes of releasing the figures on personal injuries, property damage, etc., was an effort to impress upon the drivers of the state the needlessness of much loss of property, etc., to accidents.

Education and information are two effective methods of urging safe and courteous driving habits of Texans, the DPS officials state.

Projects To Be Shown At Open House June 28

There will be an open house in the high school homemaking department Friday, June 28, from 3:00 to 6:00 p.m., according to an announcement made by Mrs. J. D. McDaniel, homemaking teacher.

Projects completed this month by the homemaking classes, the adult upholstery and slipcover class and the adult sewing class will be on display.

Everyone is invited to attend. Refreshments will be served.

ZIP Code Number Is Assigned Here

Our five-digit ZIP Code is 79848. Postmaster Ray Hodgkins announced this week. "Everyone in Sanderson should use this ZIP Code on all their correspondence to speed mail deliveries and reduce the change of mis-sent mail," he said.

ZIP Code, the Post Office Department's revolutionary new system of improved mail dispatch and delivery, goes into effect nationally on July 1.

Postmaster Hodgkins stressed the importance of all citizens of Sanderson learning this town's ZIP Code and using it in their return address on all correspondence. In answering mail, he said, ZIP Codes taken from return addresses on incoming mail should be used.

"The ZIP Code is literally the last word in mail addressing," Mr. Hodgkins said. "It should follow the city and state in addresses."

He cited this example of the proper use of ZIP Code: J. R. Hodgkins Postmaster, U.S. Postoffice Sanderson, Texas, 79848

The new ZIP Code plan for the first time will permit the Post Office Department to short-cut repeated address reading.

The address on mail must often be read as many as eight or ten times by postal employees, to get it to the proper destination. Each handling slows the process of mail dispatch and adds to the opportunity of human error.

"With ZIP Code, a clerk needs only to glance at the code to know immediately to what national area, state and post office the letter is destined, and to speed it on its way, cutting up to 24 hours off the time between deposit and delivery."

Mr. Hodgkins said that when ZIP Code gets in full swing, the United States will have "the most modern system of mail distribution and delivery in existence."

Relatives and Friends Here For Carlos Pena Funeral

Among out-of-town relatives and friends attending the funeral rites here for Carlos Pena last Friday morning were: Mr. and Pedro Garcia and family, Mr. and Mrs. Willie Rodriguez and family, Mr. and Mrs. Ruben Rodriguez and family, Mrs. Ramon Vasquez, Mrs. Antonio Lopez, all of Andrews; Mrs. Gloria Pena and Elizabeth of Del Rio; Mr. and Mrs. Frank Ave, Jal, N.M.; and Mrs. Frank Nave, Jal, N.M.; Mr. Austin Rodriguez and family, Fort Stockton; Mrs. Tina Fierro and family, Mrs. Manuela de la O, Higino Pena Jr., Mr. and Mrs. David Hernandez and family, Mr. and Mrs. Jose Jimenez and family, all of Alpine; Mr. and Mrs. Salvador Pena of Van Horn; Mr. and Mrs. Ascencion Pena and family, El Paso; Mr. and Mrs. Reymundo Pena of Valentine.

Retired SP Agent, C. J. Watts, Dies Saturday in Del Rio

C. J. Watts, 75-year-old retired Southern Pacific agent, died unexpectedly, apparently of a heart attack, at 1:40 p.m. Saturday at his home in Del Rio.

His daughter, Miss Floy Watts, said her father was watching a baseball game on television when he suddenly called to her that he was ill and he died in about 20 minutes.

Watts was born September 7, 1887, in McDona, Texas. He married Viola Mulcahy on Sept. 21, 1910, and the family moved to Del Rio in 1946, when he was station agent for the railroad. He retired in 1956 and was a former agent here.

Mrs. Watts died in Del Rio on July 20, 1959.

Survivors include a daughter, Miss Floy Watts, a sister, Miss Annie Trip of McDona, and six brothers.

Funeral services were held in Del Rio Monday afternoon.

6 Months in Terrell and Adjoining Counties \$1.50; Elsewhere \$1.75

By Vern Sanford

Texas Press Association
Austin — On July 1 every article of outer clothing that costs less than \$10 will go up two per cent. That is the date the extended sales tax law goes into effect. All outer clothing now exempt will become taxable.

Smart shoppers will take advantage of the last days of June to stock up on clothing for the family. Buying of schools togs may take place earlier than ever before.

Legislature made many changes in the sales tax law. Most changes affect reporting procedures of merchants. An important one, however, raises the states sales tax on automobiles from 1 1/2 to 2 per cent.

As of July 1, if you buy a new car costing \$3,000, you will pay a state tax of \$60.

If you trade an old car the salesman will deduct the trade-in amount from the total, then figure your tax on the difference. In other words, if your trade-in came to \$1,000 toward a \$3,000 car, you would pay two per cent — or \$40 — on the difference.

Layaway Plan

At the last minute Gov. John Connally signed the \$3,000,000 state budget bill. He criticized the bill for emphasizing "bricks rather than brains." But he knocked out \$12,400,000 worth of "bricks" — i.e. construction items — before he affixed his signature.

Connally said he would guard the \$12,400,000 as a "layaway plan" for higher education.

Hopes that his decision on the 1964-65 appropriations bill would decide the special session ques-

tion fell through. He said he does not want to call a special session, but will not hesitate to do so if he becomes convinced that excellence in higher education is threatened by a shortage of funds for teaching salaries, research, and libraries.

Vetoes

When the governor's deadline for signing bills arrived, he inked into law most of the 554 measures passed by the legislature.

But he vetoed a few, including:

Senate Bill 270, revising the antiquated 1856 Code of Criminal Procedure. Connally nixed the controversial code revision, after learning that the copy sent him for signature was not the one passed by the Legislature.

House Bill 769, exempting from jury service "all owners or operators of milk-producing farms where this operation is the exclusive means of earning a living." Connally said, "I believe that dairy farmers occupy an important role in our society and can serve a valuable function as jurors."

House Bill 1053, providing for election of directors of the Upper Guadalupe River Authority, rather than appointment by the governor. Connally said he vetoed this since there was a technical conflict in its legal language which might jeopardize the district.

House Bill 975, repealing the requirement that the Angleton Drainage District get approval of the Texas Water Commission before spending bond money for improvements. He said Water Commission approval would assure uniformity of improvement in all water districts.

Murray File

Income tax reports made by William J. Murray from 1946 to 1962 have been studied by Atty. Gen. Waggoner Carr. Murray resigned in April as a member of the Railroad Commission, following a conflict-of-interest charge

After noting that Murray's taxable income from oil, gas, and allied operations during those 17 years exceeded \$1,700,000. Carr stated, "This report does not raise a serious question of a conflict-of-interest between the official duties of Mr. Murray and his private interests."

Carr recommended a Legislative Council study for an improved Code of Ethics for State officials.

Such a code, co-authored by Reps. Jim Nugent of Kerrville, Bob Eckhardt of Houston and Travis Peeler of Corpus Christi, passed the House during the legislative session but was killed in the Senate.

Screwworm Progress Proven

Up to now, estimates of state and federal animal health authorities that the 1-1/2 year-old screwworm eradication program has resulted in anywhere from a 75 to 95 per cent decline in the disease have been pure guess work.

But the joint report of the Texas Animal Health Commission and the U.S. Department of Agriculture for the five-week period ending June 1 confirmed a 93 per cent decline as compared to the same weeks in 1962.

The clear comparison picture was the result of reporting cooperation on the part of livestock producers.

Animal health report showed that during the period April 28 to June 1, 1963, research workers confirmed 480 samples as screwworm infestations, and 1,281 as non-screwworm. In the same period in 1962 there were 7,013 screwworm cases confirmed, and 597 termed non-screwworm.

Program in Jeopardy?

Members of the Texas Screwworm Eradication Committee considered Governor Connally's veto of a \$300,000 appropriation for the eradication program a matter of "serious concern."

They said more than 100,000 livestock producers raised \$1,000,000 toward its \$3,000,000 goal this spring in a 30-day period on the governor's word that the state would carry its share of the \$12,000,000 program.

Committeemen said that unless the \$300,000 vetoed by Connally is restored, the entire program is in jeopardy, and possibly the loss of the huge investment producers already have made in that program.

Land Sale Posted

Land Commissioner Jerry Sadler announced the sale of several South Texas tracts of forfeited

land on which bonafide Texas veterans are invited to submit bids until 11:00 a.m. July 2.

Each eligible veteran will be allowed to purchase only one of the 13 available tracts, but he may submit bids on as many as he desires.

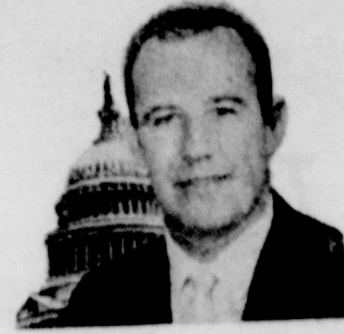

Sadler, chairman of the Veterans Land Board, said, "The board strongly recommends that each bidder personally contact all taxing agencies to satisfy himself as to the exact amount of taxes and charges due and take those into consideration in making his bid."

Further information about the land sale may be obtained by writing the Land Commissioner at the Veterans Land Board, General Land Office, Archives and Library Building, Austin, Texas.

Rummage Sale This Weekend

The rummage sale which is being held by the Legion Auxiliary, will be open again Friday afternoon from 2:00 to 5:00 p.m. and on Saturday morning from 9:00 to 11:00 a.m. The sale is in the Brown Bldg. next to the fire house.

The ladies in charge of the sale announced that lots of rummage was on hand for the sale. They are donating \$50.00 from the sale to the Sanderson Volunteer Fire Department.

Congressman ED FOREMAN Reports

"The pussyfooting of the U.S. State Department has assumed proportions that border on the unbelievable. The most outlandish acts by the tiniest of countries are viewed with the gravity of a confrontation with an atomic power. The gyrations, hand-wringing, dodging, squirming and stuttering attempts at managing the news about these events present a picture of a jello-like policy," said Rep. Ed Foreman in a news release to The Times this week.

"Latest nose-tweak to Uncle Sam was seizure by Ecuador of two U.S. tuna boats. The Ecuadorians claim 200 miles out as their territorial waters, although the three-mile limit is pretty

well accepted by most of the other nations of the world. The Ecuadorians demand a license fee from boats fishing their waters. The two U. S. vessels were stopped 13 miles offshore by four shots being fired across their bows, and taken into port by an Ecuadorian gunboat. The rest of the tuna fleet, 19 ships, followed them in," according to the release.

"Protests to the State Department have brought the usual mumbblings about "relations with Latin American nations" and general hemming and hawing about the affair. The tuna boats are being fined \$26,272 by the Ecuadorian Government. In order to avoid trouble, the State Department has let it be known that if U.S. firms will go ahead and pay the fines to bail their boats out of seizure, the Government will pay them back.

"It is difficult to imagine such an incident occurring under the regime of Teddy Roosevelt. Perhaps the next step by the administration will be to increase our foreign aid payments to Ecuador to show them we bear no grudge. We have already given them \$135,000,000 in aid."

Mr. and Mrs. Joe Kerr Jr. and family of Del Rio were visitors here last week with his brother, Edward Kerr, and family.

Sewing Class Begins

An instructive class in covering and upholstering was conducted two afternoons a week by Mrs. J. D. McDaniel, home making teacher in the Sanderson High School. The class was open to adults of the community.

Monday, Mrs. McDaniel started a class in beginners' sewing open to school girls and adults who were interested in a beginner's course. The class meets the afternoons in the Homecoming Department.

Mr. and Mrs. Gene Litton turned home Sunday from Paso where they had visited relatives and attended the Tex Oklahoma Brotherhood of Road Trainmen convention. She remained for a longer visit the home of his uncle and aunt Mr. and Mrs. Curtis Litton.

JAMES WORD MOTORS

WHATEVER HAPPENED TO THE PEOPLE THAT USED TO FILL THE PRINCESS THEATRE 2 OR 3 NITES EACH WEEK?

We believe that since November 1940 when Carlton and Elouise White remodeled the Princess, they have done an outstanding job of giving Sanderson a good show. Do you want them to continue to do so or do you want them to quit?

If you want them to continue tell them so. They are open to criticism and to suggestions. They are willing to spend some money in refurbishing the theatre, but they can not do it until they have assurance that the business people and the general public in the Sanderson area are interested in having a theatre, and supporting it with a reasonable amount of patronage.

Of course there will always be a few pictures that some of us will not like and some of us will not approve, but the Whites make an honest effort to weed out this variety. But who could find fault with a wonderful religious type picture like "Barabbas" which did less business than "What Ever Happened to Baby Jane".

So what ever happens let's tell the Whites that we appreciate their management of the Theatre for so many years, and good all around citizenship. Below is their own story of the present situation.

Like you the Princess Theatre has been faced with economic burdens during the past years, that have become increasingly difficult to endure. The invention of the one eyed monster — TV, the county's loss of railroad men, outside activities both business and social have taken most of you from the Princess.

Despite the imposition of drastic economies in our operation the continued increase in equipment, film, shipping and taxes to name a few, tend to overtake and surpass these economies. Unlike the majority in business, whose commodity stays with him until sold, ours is delivered one day, paid for and is gone the next, even if only a few people view it. We have tried not to increase prices, because more customers is what we need.

However it will soon be impossible for us to survive, unless you, our former customers, help us to obtain increased revenue by your attendance.

We don't think you fully realize what the Princess means to you, your children, and our town. Our hearts are in this business and we feel your children are our children. We have tried so very hard to watch over them, giving them the proper care while they are our guests.

In behalf of our survival and the continuance of the Princess Theatre, only one course is left open and that is for you to become a customer again. Try it, we will love it. Bet you will find your children will like to have you join them, and you might enjoy it.

In anticipation of your understanding and favorable reaction to this personal appeal we wish to express in advance our appreciation of your support.

Carlton and Elouise White

Terry - Carroll Wedding Plans Are Revealed

Mr. and Mrs. Weldon Ewing of Dryden announce the engagement of their daughter, Dana Terry, and Richard Carroll, son of Mr. and Mrs. N. W. Carroll, who reside on a ranch 15 miles south of Sanderson.

The wedding is planned for August 9th in Sanderson. Mrs. Manual Parada had major surgery in a Fort Stockton hospital Thursday and her condition is reported to be satisfactory.

Personals

Mr. and Mrs. R. A. Turner Jr. and Mrs. R. E. Sheppard were business visitors in Alpine Monday.

Danny Garcia, who is attending the summer session of the University of Houston, spent the weekend here with his mother, Mrs. Manuel Garcia.

Mrs. Glynn Chandler and children have returned to their home in Hobbs, N.M., accompanied by her mother-in-law, Mrs. Clarence Chandler, who will visit there for a week.

Mr. and Mrs. W. T. Attaway returned home last week after spending 10 days with their son, Douglas Attaway, and family in Lubbock.

Mr. and Mrs. Wayland Myers and three sons of Waco visited here last week with her sister, Mrs. F. M. Wood, and family.

Mr. and Mrs. Arnold Beck of Gruber visited here Sunday with his aunt, Mrs. E. F. Pierson, and Mr. Pierson.

Mr. and Mrs. J. A. Glibbreath returned home Sunday from El Paso bringing their two foster-grandchildren, Pam and Bennett Edwards, for a visit. Mrs. Glibbreath had spent almost two weeks with her daughter, Mrs. Troy Edwards, and family. Mrs. A. A. Bramwell, who had been visiting her daughter, Mrs. T. J. Stewart, and family, accompanied him to El Paso Thursday.

Mr. and Mrs. W. G. Shoemaker returned home Saturday from Houston where he had been hospitalized for a month. He took extensive medical tests there and is now wearing a neck brace. Mrs. Dorothy Cunningham of

Sheffield was a business visitor here Wednesday.

Capt. and Mrs. R. J. Chatham and daughter, Jackie, spent Tuesday night here with his uncle and aunt, Mr. and Mrs. A. H. Zuberbuehler. They were en route to San Francisco, Calif., will go from there to Tokyo, Japan, for him to serve a tour of foreign duty with the U. S. Air Force.

Gentry Holmes is employed as a brakeman for the T&NO Railroad.

Mr. and Mrs. I. J. Gibbens of Van Horn visited here Wednesday with her sister, Mrs. D. L. Duncan, and family.

Susan Couch, Carla Dunn, and Eloise Farley went to Alpine last Wednesday to attend a Presbyterian Youth Conference at Sul Ross College through June 20.

Miss Paula Hanson has gone to Boulder, Colo., to attend the

summer session of the University of Colorado. She was accompanied to Boulder by her mother, Mrs. E. J. Hanson, who flew back to Midland Monday.

Guests in the home of Mrs. J. C. Halbert and her sister, Mrs. Grace Wheeler, last week were their cousins, Mr. and Mrs. L. A. Dickson of Waco, and Mr. and

See your lighting equipment dealer soon for full information on modern outdoor lighting for your home.

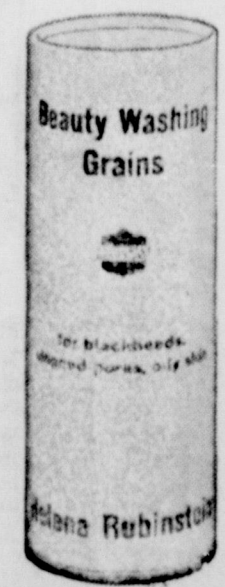

OUR NEED OF SALVATION

1. ALL are lost without faith in Christ. He that BELIEVES ON Him (Christ) is NOT CONDEMNED, but he that BELIEVES NOT is CONDEMNED ALREADY, because he HAS NOT BELIEVED IN the name of the only begotten Son of God. (John 3:18; 2 Thes. 2:12) UNBELIEF toward Jesus Christ is the CAUSE of man's LOSTNESS! UNBELIEF renders the BENEFITS of Christ fruitless and ineffectual! "THEY COULD NOT ENTER IN because of UNBELIEF." (Heb. 3:19) "BECAUSE OF UNBELIEF they were broken off." (Rom. 11:20) TO BELIEVE is to RECEIVE Christ, DEPEND upon Christ, and RELY upon Christ's Atonement FOR life and salvation. (John 1:12, Rom. 10:1-17) "THIS IS the Work of God that you BELIEVE ON Him God has sent." (John 6:29) "BY Him, ALL that BELIEVE, are JUSTIFIED from ALL things." (Acts 13:39) "Even the RIGHTEOUSNESS OF GOD which is BY FAITH of Jesus Christ UNTO ALL and UPON ALL them that BELIEVE." (Rom. 3:22, John 3:36, 5:24, 11:26) "If you BELIEVE NOT that I AM HE, you shall DIE IN your sins." (John 8:24) UNBELIEF is a REJECTION of God's love toward us in the death of Jesus Christ FOR our sins. UNBELIEF is the ROOT of all other sins. UNBELIEF treats with disdain the OVERTURES of God's mercy in His Son. (John 3:6; Mark 7:21-23; Rom. 1:18) UNBELIEF derides God's Authority, despises His laws, ridicules His Warnings, rejects His Invitations, slights His Compassion and calls God a liar when He says, "He that BELIEVES NOT shall be DAMNED." (Mark 16:16) SIN caused by UNBELIEF is utter disregard of God's will. It is REBELLION AGAINST God. An UNBELIEVING SINNER is a CRIMINAL, committing the CRIMES of sin AGAINST God, his Creator, his Redeemer, and his Preserver. (1 John 3:4) ALL men are sinners BECAUSE they have a sinful, depraved nature. SIN is a fearful, deadly DISEASE. SIN destroys both body and soul. SIN destroys personality, natural powers, personal and social relationships. (Rom. 6:23) "WAGES OF SIN IS DEATH." SIN wrecks Individuals, Homes, Churches, Communities and Nations. "ALL have sinned; ALL have gone astray; ALL have gone out of the Way; ALL are under sin; ALL have come short of the glory of God, and ALL must repent and BELIEVE ON the Lord Jesus Christ." (Acts 17:30; Luke 13: 3, 5) 2. ALL Without faith in Christ go to hell. HELL is God's Prison House for ALL UNBELIEVERS and unrepentant sinners. UNBELIEVERS are "banished from God's presence." (2 Thes. 1:9; Matt. 7:21-23) UNBELIEVERS experience "The second death." (James 1:15; Rom. 6:23; Rev. 20) UNBELIEVERS "consciously suffer" (Matt. 13:41-42; 23:33; Luke 16:22-24; Rev. 19:20) 1. God offers ALL salvation IN his Son. "God NOW COMMANDS ALL men EVERYWHERE to REPENT of their sins and to BELIEVE ON and to TRUST IN the death of His Son for their salvation. (John 3:14-16; Numbers 21:6-7; John 3:36; 6:47; Acts 16:30-31; Eph. 2:8-10; Gal. 3:26; Matt. 11:28; Rev. 3:20; "Why Will You Die?") Our church invites you to HEAR the Bible taught, and the Gospel preached and to worship the Lord every Sunday with us! IRL R. RICHARDSON, Pastor FIRST BAPTIST CHURCH

NOTICE OF INTENTION TO LEASE COUNTY SCHOOL LANDS FOR MINERAL DEVELOPMENT

TO ALL WHOM IT MAY CONCERN:

Notice is hereby given that the Commissioners' Court of Terrell County, Texas, will offer for sale to the highest and best sealed bidder for cash an oil, gas and mineral lease covering the following described land belonging to Terrell County, Texas:

Tract No. 1: (a full interest in the following described land)

BEGINNING at a point in the north line of League 307, Terrell County School Land, Gaines County, Texas, from which the N.E. corner of said League 307 bears N 75 degrees 49' E, 2640 feet;

THENCE S 14 degrees 11' E, with a west line of said 449.6 acre tract described in mineral lease recorded in Vol. 145, Page 256, Oil and Gas Records of Gaines County, Texas, 5280.0 feet to a point for the most northerly S. W. corner of said 449.6 acre tract;

THENCE S 75 degrees 49' W, 2379.3 feet to a point for the S. E. corner of a 325 acre tract;

THENCE N 14 degrees 11' W, with the east line of said 325 acre tract, 5280.0 feet to the north line of said League 307;

THENCE N 75 degrees 49' E, with the north line of League 307, 2379.3 feet to the place of be-

ginning containing 288.4 acres, more or less.

Tract No. 2: (an undivided one-half interest in the following described land)

BEGINNING at a point in League 307, Terrell County School Land, Gaines County, Texas, from which the N.E. corner of said League 307 bears N 75 degrees 49' E, 2338.9 feet, and N 14 degrees 11' W, 7694.0 feet. This beginning point being also the most southerly S.W. corner of a 449.6 acre tract described in mineral lease recorded in Vol. 145, Page 256, Oil and Gas Records of Gaines County, Texas;

THENCE N 14 degrees 11' W, with a west line of said 449.6 acre tract, 2414.0 feet to an interior corner of said 449.6 acre tract for the N.E. corner of this tract;

THENCE S 75 degrees 49' W, at 3011 feet pass the most northerly S.W. corner of said 449.6 acre tract, in all 2680.4 feet to a point for the N.W. corner of this tract;

THENCE S 14 degrees 11' E, 2414.0 feet to a point for the S.W. corner of this tract;

THENCE N 35 degrees 49' E, 2680.4 feet to the place of beginning containing 148.5 acres, more or less.

The said lease to be executed on the usual Producers 88 Revised form of Oil, Gas and Mineral Lease as attached hereto and marked Exhibit "A" (a copy of said Oil, Gas and Mineral Lease form is available for inspection in the office of the County Judge of Terrell County, Texas, at Sanderson, Texas), providing for the usual 1/8th royalties, and for a primary term of five years from the date of execution and approval, and providing for One Dollar (\$1.00) per acre annual delay rental.

The said Commissioners' Court will meet at the Court House in Sanderson, Texas, at 10:00 o'clock A.M. on the 8th day of July, 1963, to receive and consider all bids submitted and will award said lease to the highest and best bidder, after public hearing and consideration, except that if, in the opinion of the said Commissioners' Court, the highest and best bid submitted does not represent the fair market value of said lease on all or any portion of said land, then said Court may, in its discretion, reject all bids submitted.

Witness my hand this 10th day of June, 1963.

S.R.S. WILKINSON
R. S. Wilkinson, County Judge,
Terrell County, Texas. 19-3c

NOTICE FOR BIDS

THE STATE OF TEXAS
To any Sheriff or any constable of Terrell County, Texas, Greeting:

You are commanded to cause to be published in some newspaper regularly published in Terrell County, Texas, once each week, for three consecutive weeks, notice in words and figures as follows:

TO WHOM IT MAY CONCERN:
Notice is hereby given that the Commissioners Court of Terrell County, Texas, will offer for sale and will sell to the Party submitting the bid for the highest cash bonus consideration, an oil, gas and mineral lease covering the following described lands in Gaines County, Texas, to-wit:

Labors 19, 20, 21, and 22, League 309 Terrell County School Lands;

The said lease to be executed on a lease providing a primary term of 5 years from date, 1/8 royalty, an annual delay rental of \$708.48 per year, and containing a proportionate reduction clause.

Said Commissioners Court will meet on the 8th day of July, 1963, at the Court House of Terrell County, Texas, at Sanderson, Texas, at 10:00 o'clock A.M. to receive and consider all bids submitted, and will award said lease to the party offering the highest cash bonus consideration therefor, provided that if, in the opinion of said court, none of the bids submitted represents the fair value of said lease, said Court may reject any and all bids.

All bids are to be mailed or delivered in sealed envelope to R. S. Wilkinson, County Judge, of Terrell County, Texas, whose address is Sanderson, Texas.

Given under my hand and seal of said Court, at office in Sanderson, Texas, this 10th day of June, 1963.

Ruel Adams, County Clerk and Ex-Officio Clerk of the Commissioners Court of Terrell County, Texas.

(SEAL) By Eloise White, Deputy. 19-3c

Peaches Add New Appeal To Slaw

Slaw takes on new flavor accents in "Tropical Peach Slaw." Shredded cabbage is teamed with juicy canned cling peach slices, diced grapefruit and avocado slices in a zippy salad dressing sauce. It's a gay-looking salad — colorful and certain to stimulate appetites.

Canned cling peaches lend eye and flavor appeal to numerous easy-to-make salads. And they are so simple to use straight from the can in cobblers, pies, cakes and puddings and as bright garnishes for main dishes.

TROPICAL PEACH SLAW
1 can (1 lb. 13 oz.) cling peach slices
1 avocado
Lemon juice
Salt
1 grapefruit
1 cup coarsely shredded cabbage
1/2 cup salad dressing
1 teaspoon instant minced onion
1/2 teaspoon prepared mustard
Drain peaches thoroughly. Cut avocado lengthwise into halves; remove seed and skin. Slice avocado; sprinkle with lemon juice and salt. Section grapefruit and dice. Combine with peaches and cabbage. Blend salad dressing, onion and mustard; mix with peach-cabbage mixture. Add avocado and toss lightly.
Makes 6 servings.

ter, Mr. and Mrs. Franck Lee, of Los Angeles, Calif., who are going to Europe for the summer; also his granddaughter, Mrs. Bob Straughn, and three children, Deborah, Gregory, and Amanda, of Austin.

Mr. and Mrs. John Blair of Aransas Pass spent Wednesday night here with her daughter, Mrs. Perry Martin, and family. When they left Thursday, Mrs. Martin and two boys accompanied them home and Mr. Martin will go after them next week.

Mrs. Mettie Leader and her daughter, Mrs. Carl Davis of Seminole, left Sunday for Elgin to visit Mrs. Leader's daughter, Mrs. E. R. Glover, who is ill, and her family.

Donna Kay Mathers is visiting in Marathon with her grandparents, Mr. and Mrs. Sam Mathers. Business visitors in Fort Stockton Monday were Mr. and Mrs. H. E. Fletcher and Rev. and Mrs. Miller Stroup.

ahead and do things and ask for the sanction of the mighty and His approval afterwards.

It's later than many realize. This nation is now a nation the strength of minority groups because of the fact that they it has become a nation governed by men instead of laws.

We, each of us, no longer the right to do as we please in the law. We have to answer now to men, to minority groups.

The law of men that works the benefit of only a few, instead of fitting all, is an unjust law. You, as an American citizen do not have the right under law of men, that others have der that same law. That is the equality.

And there are those who call this administration Democratic.

And there are those who think that because we approve trend of this administration's policies that we are not Democrats.

If following current administrative beliefs is being a Democrat, then I refuse to be one. And there are few people feel will now admit that it is action of Democrats and that do go along with it.

Consent of the Board of Editors of this newspaper and the Print Advertising Association on the advantages of print media.

Don't you read before you buy?

Most people generally do. Not only do they read; they cut out and show ads to their family and friends; they clip coupons for information and samples. When people see an advertisement in print, they can compare designs... features... and prices of nationally known products and services. (And people do compare before they buy.) Advertising in print is a handy thing. You

can always check back; the message is still there even if your attention is distracted. When you add it up, print advertising—the kind you read in this newspaper—makes sense. And because it measures up to the buying habits of most consumers, print makes sales.
