SANDERSON, TEXAS, FRIDAY, OCTOBER 4, 1963

NUMBER 35

LISTEN TO LUKE

One thing that was brought to our attention this week was the possible impact of business locally as a result of two or three occurrences locally and in this area. Work will begin soon on the construction of US 90 east of Sanderson and on US 285 northwest of Sanderson. Each of these projects or both of them could have something to do with business locally — and we would hope that its effect would not be adverse. There is likelihood, too, that work could begin on a new post office building to the tune of approximately 50-odd thousand dollars. And if the hospital proposal passes, there will be another building in the neighborhood of \$100,000. We hope that each of these projects will have a beneficial effect on our county.

We can remember in the not too distant past when the county's Chamber of Commerce caught the very devil for laying down on the job and not pushing the building of Interstate Highways over US 90 instead of letting the people on US 290 get this modern and highly-desirable highway. Now the people who live in the towns that are on the Interstate Highway routes, wish that they had never done any work toward that dubious benefit — if they did any work in getting it. As one is able to see in traveling over an Interstate Highway, the towns along the route are missing all of the business that could normally be expected from travelers. Now a service station that is adjacent to one of the exits gets about all the business that would have gone into the town and some of the towns are screaming loud and long.

And we don't blame them! If you are able to remember when the bridge on the Pecos River was washed out and there was no traffic through Sanderson of any kind, you will know what it is like in those towns now — and this is not a temporary thing that will be over when a bridge is replaced. It's from now on. Some will say that the local Chamber didn't know all of those things. People will believe what they want to believe about whatever happens. Anyway, we are thankful for the foresight of those in the US 90 Association who sat by and let US 290 "steal the thunder" and get the Interstate Highway. They grabbed hold of something they would like to turn loose if they could.

Rumors, in this little town, are kinda like rumors in most little towns — they spread like wildfire. To give a case in point, with our apologies for the use of personalities — Last Friday afternoon when a death occurred about the same time as a local boy received a gunshot wound, naturally, several people were out looking for a doctor and the ambulance. A large part of our citizens were out of pocket as many of them were on their way home from a funeral. According to W. V. Munson local ambulance operator, when he got word, it was to "come pick up the body of the boy who had died as the result of a gunshot wound."

From an area paper we clipped this: "He was given salmon by an old trapper that had been smoked and dried." Try as hard as the writers, typesetters, and the proof-readers may, one like this gets by sometimes.

QUICK SERVICE on orders for rubber stamps. The Times.

Hospital Petition Assured In Week's Contact Efforts

The petition for a bond election for a hospital for Terrell County was assured this week according to James Word, who has been working on the completion of the list of names. He reported that about 150 names would be on the petition

Ranchers, Fly Men To Meet in Alpine On Worm Program

Interested ranchers are asked to meet with screwworm eradication workers and agricultural leaders in Alpine Friday. The purpose of the meeting will be to discuss the current screwworm situation and to outline eradication plans for the future.

The meeting will be at 10:00 a. m. in the Community Center in Alpine. The meeting was prompted, it was said, by the recent buildup in screwworm infestations in the Trans-Pecos region.

Representatives of the three cooperating agencies of the eradication program — Southwest Health Research Foundation, Texas Animal Health Commission, and the U. S. Department of Agriculture — are expected to attend the meeting.

Baptists To Have Open House Sunday From 2 To 4 P.M.

The members of the First Baptist Church of Sanderson will have open house in the basement of the church Sunday afternoon from 2:00 to 4:00 o'clock.

The purpose of the tea is to issue a cordial invitation to everyone in the community to come by and greet the new pastor, Rev. Clifton Hancock, and his family. Everyone in the county is given an invitation to come by during the afternoon.

L. D. Booker Retires Monday

Monday marked the end of a 40-year railroad career for L. D. Booker, T&NO Railroad conductor.

A native of Bell County, he went to work in 1924 as brakeman and was promoted to freight conductor in 1936.

Mr. Booker has been on the same division, from Del Rio to Sanderson and return, all of the 40 years and maintained his home in Del Rio until about 10 years ago when he bought a stock farm at Quemado and started raising registered milking shorthorn Durham cattle.

Mrs. Booker taught school in Del Rio, Sanderson, and Quemado until her retirement in May.

The Bookers are parents of a son and daughter. The son, L. D. (Pete) Booker Jr., and three children live in Paducah. His wife is the former Doris Duke. The daughter, Mrs. Ray Conway and daughter, Mary Lou, live in Houston where she is a news commentator for a television station.

The fellow employees presented Mr. Booker with a gold wrist watch with an expanding band and appropriately engraved. His only plans for his retirement years are around the farm at Quemado.

Mrs. F. M. Wood Jr. went to Weatherford last week to attend funeral services for her cousin who was killed in a plane crash recently. She stopped in San Angelo en route home to visit relatives there.

Funeral Rites Here Friday For Jack C. Turner

Funeral services were held in the First Methodist Church Friday afternoon for Jack Calvin Turner who was found dead at about 3:00 a.m. Thursday in the railroad yards at Alpine, the victim of a sudden heart attack. Rev. Clifton Hancock, pastor of the First Baptist Church, officiated at the rites and burial was in Cedar Grove Cemetery. Pallbearers were Troy Druse, W. H. Dishman, Dick Black of Sonora, Richard Haley of El Paso, M. E. Hope, and Irvin Robbins. Mr. Turner was born August 5, 1923, in Vanos, Okla., the son of Mrs. Alice Turner and the late John Turner. They came to Sanderson in 1932 and he had spent the remainder of his life here with the exception of the time spent in the U.S. Marine Corps in the South Pacific during World War II. He was married to Mrs. Mary Elizabeth Banner Monroe in Sanderson in 1947. Two children were born to the union, Bill and Elizabeth. He is also survived by Albert (Buddy) Monroe, a stepson; a sister, Mrs. Perry Dawson San Antonio; five brothers, Bailey Turner, Wilson, Okla., Dave Turner, Graham, C. E. (Chick) Turner, Pandale, Frank Turner, Arlington, Calif., and George Turner, Sanderson. Mr. Turner, owner of Cooke's Food Market, was also a T&NO brakeman, and owner of the Sunset Siesta Motel. He was on an east-bound freight train in the yards at Alpine last Thursday morning when death occurred. The crew was in the middle of a switching operation and Turner was last seen when he gave a "stop" signal to the engineer. After he failed to follow up with another signal, the crew investigated and found him lying dead beside the tracks. His body was taken to El Paso for an autopsy and later brought to Sanderson in a funeral coach. The James Funeral Home of Ozona was in charge of arrangements. He was a member of the Masonic Lodge, past worthy patron of the Eastern Star Chapter No. 136, past-president of the Sanderson Lions Club; a past member of the board of trustees of the Sanderson schools; a member of the Baptist Church, and the American Legion. Among out-of-town relatives and friends here for the funeral services were Mr. and Mrs. Jerry Bell, Mrs. Odell Brotherton, Mr. and Mrs. Perry Dawson, Eddie and Miss Jeanne Dawson, Mr. and Mrs. Herbert Conn, San Antonio; Mr. and Mrs. Bill Chamberlain and son of Langtry; Mr. and Mrs. C. E. Turner, Pandale; Mrs. Glenn Downie and Tracy and Mr. and Mrs. Dave Turner of Graham; Mr. and Mrs. Norville Tomlinson, Cody and Chris, of Fort Worth; Frank Turner, Riverside, Calif.; Mr. and Mrs. Dave Finch and Mrs. Shirley Pack, El Paso; Mr. and Mrs. J. A. Kercheville and Mr. and Mrs. Gus Kercheville, Del Rio.

Jack C. Turner

Formerly Rejected, Some Eligible Now For Social Security

Some people who were turned down when they applied for social security benefits some years ago may now be eligible for the benefits, according to H. P. Thomas, district manager of social security in Odessa. The work requirements which determine whether social security benefits are payable have been changed a number of times since the law was originally passed. As a result, some older people who were once told they did not have enough social security credit to be insured, may now be eligible for cash payments. "The work requirements in the law were reduced in 1960 and again in 1961, and these folks might have been getting checks for some time. The reason they are losing money is because they haven't filed a recent application with us. They may lose even more in the future, since an application for benefits is retroactive for no more than 12 months," Thomas pointed out. Only six quarters of coverage, one and one-half years of credit under social security, are needed by a person who reached age 65 (62 for a woman) in 1957 or before. Two and one-half years are needed for the year 1961. Those who are 65 or over and who have worked under social security should visit their social security office to ask about their social security rights. Even if they were once told that they were not eligible for benefits, they should check again just to be sure.

Schwop Bros. Low Bidder On US 285 Project

Schwop Bros. of San Antonio was the low bidder on a 19.3-mile stretch of reconstruction on US 285 starting 20 miles southeast of Fort Stockton. The low bid was \$986,970.62. The project calls for complete reconstruction of the highway on the Pecos County end.

Antelope Hunts Show Results

The antelope season which has been under way in the Trans-Pecos region for the past several days, has gotten good results, according to hunters who have been coming through. The animals have also been reported to be in excellent condition. Dove hunters have reported good, bad, and mediocre conditions, depending probably on the location of the hunt and the birds. Quail season is slated to begin on November 16 for a 45-day season. Deer hunting will begin legally on November 30 and run through December 7, an eight-day season.

F. Hernandez Dies At Home Friday Afternoon

Florencio Hernandez died at his home Friday afternoon at about 4:30, the victim of a heart attack, according to Justice of Peace J. A. Gilbreath and John W. Pate, M.D., who was visiting here and called to the home. Hernandez was at home with his wife and died after he became nauseated. Hernandez was born March 17, 1906, the son of Mr. and Mrs. Antonio Hernandez. He had lived here all of his life and had been a painter and did odd jobs on ranches and in town. He was married to Miss Eva Olivares in Sanderson on May 12, 1926. He is survived by his widow and one daughter, Miss Grace Hernandez of San Antonio. Burial was from St. James Catholic Church Sunday morning, with Rev. N. Femeinia, pastor, in charge of the services. Burial was in Santa Rita Cemetery with the Sanderson Funeral Home in charge of arrangements. Pallbearers were Willie Ochoa, Eddie Ochoa, Frank Arredondo, Felipe Silvas, Faustino Silvas, Isidoro Olivares.

Bids Are Asked On US 90 Project In Brewster County

Austin — The State Highway Department Wednesday asked contractors to submit bids by 9:00 a.m. October 16 on a construction project in Brewster County on U.S. 90. The job call for widening, grading, structures, two-course surface treatment on sections and repair of existing structures on U.S. Highway 90 in Brewster County from eight miles east of Alpine to the Pecos County line. The job will allow 225 working days for completion. H. L. Surratt of Alpine will be supervising engineer on the job.

Savings Stamps Promotion Lauded

Postmaster Ray Hodgkins said this week that he had received a letter from the national director of the U.S. Savings Bond Division, commending the local post office for its successful efforts in promoting the sale of U.S. Savings Stamps, and announcing that children buying their first stamps of the school year will be given a free certificate signed by the seven Mercury Astronauts, designating them as "junior astronauts." The certificates are available at the post office. In his endorsement of the Savings Stamps program, Hodgkins said: "Selling Savings Stamps to the public is a part of the Post Office Department's services of which we are particularly proud. The Treasury-sponsored school savings program not only promotes practical thrift but also acquaints our young people with their government and their duties and privileges as American citizens."

Calendar of Events

Saturday, October 5 — FHAers odd jobs day, Junior Duplicate Club. Sunday — Baptists' open house. Tuesday — Legion Auxiliary, Masons, Tuesday Club, National Honor Society induction service. Wednesday — Rotary Club, '51 Club. Thursday — Legion, Lions Club, Duplicate Club.

Sanderson Bows To Marfa; To Meet Brackettville There

The Sanderson Eagles drew first blood in their game against the Marfa Shorthorns last Friday night on the local gridiron. In their first series of offensive play, the Eagles marched down to the goal line and John Cates, the Eagle quarterback, carried the ball over from the 2-foot line. Billy Garza tried a placement kick for the conversion, but it was no good. Also in the first period, Ronnie Webb went over from the 5-yard line. Jimmy Calderon made the extra point for the Shorthorns. In the second quarter, Marfa had a touchdown called back on a penalty and after their fourth try to make the necessary yardage, tried a field goal which was ruled no good by the officials.

In the same period, Webb went 31 yards for a score and a pass from Calderon to Roy Pirtle for 10 yards. Calderon ran over the extra two points following one of the TDs and kicked for one point after the second score. The third and fourth periods were scoreless. Sanderson was able to contain the Marfa drives during the final two periods of the game, but were unable to move the ball to force a serious threat during the second half. Friday night of this week, the Eagles will go to Brackettville for a non-conference game. The Brackettville team is rated as a light team this year, minus presence of Tullis Shahan, a strong arm passer that gave the Eagles trouble last year.

Cold Snap Hits This Area Monday

A cold snap hit this area last weekend and plunged the mercury down in the low 50s, an unusual occurrence for this time of year, according to all oldtimers. There has been no sign of moisture in the air for many days and few people are considering the possibility unless most unusual weather is forthcoming. A warming trend is expected for all of the Southwest within the next few days. Many ranchmen have put out bucks with their ewes and report a "not bright" outlook for range conditions and chances for a good lamb crop. Usual fall rains were meager or nonexistent in September and there was no opportunity to put some moisture into the ground when it would have been very beneficial for winter feed or a good fall for the ranchers.

George Shaw Retires Monday From SP Railroad

George Shaw retired Monday after working for the Southern Pacific Railroad for 44 years. All of that time was spent on the division between Del Rio and Sanderson. Shaw stated that his hobby was hunting and that he planned to do plenty of that. Shaw retired as a conductor. The Shaw family is a railroad family, according to Shaw. He is the son of the late Mr. and Mrs. Simon Shaw Sr. and Mr. Shaw was a section foreman for many years back in the early days of the railroad in this area. One of Shaw's brothers, Willie Shaw, retired as a roadmaster at Alpine; another, Simon Shaw Jr., retired as a section foreman. Mr. and Mrs. George Shaw are the parents of a daughter, Mrs. Fred Sawyer who lives just across the street from her father. George Shaw is well known in Sanderson and his friends here wish him much happiness in his retirement years.

F.T.A. Organizes At High School

The Future Teachers of America met in the library Wednesday of last week to organize. Under the sponsorship of Mrs. Jess Fisher, the local charter will be renewed with the state organization. The following officers were elected: president, Ricky Felts; vice-president, Suzanne Downie; secretary, Cookie Felts; treasurer, Pam Stavley; reporter, Carla Dunn; historian, Eloise Farley; parliamentarian, Vicki Allen; song leader, David Hardgrave; and pianist, Jodie Tronson.

Herring Infant Buried Wednesday

Thomas Allen, the seven-month-old son of Mr. and Mrs. J. T. Herring, died in a Midland hospital Monday morning. The baby, a victim of influenza-meningitis, according to reports, had spent practically all of his life in Alpine and Midland hospitals. He is survived by his parents, the paternal grandparents, Mr. and Mrs. Tom Herring, and the maternal grandparents, Mr. and Mrs. Grady C. Wilson. Funeral services were held on Wednesday afternoon in the First Baptist Church with the pastor, Rev. Clifford Hancock, officiating. Burial was in Cedar Grove Cemetery.

More New Cars To Be Shown This Weekend

More new model cars will be shown this weekend by local dealers. Thursday of this week, F. M. Weigand puts his 1964 model Pontiacs on display to the public. On Friday, McKnight Motor Co. and Ferguson Motor Co. will display their new model line of Buicks — at McKnights — and Mercurys and Comets at Fergusons, respectively. McKnight Motor Co. will serve coffee and cookies and give favors to all who come by to see the new Buick line. The shows of this weekend will wind up the displays of automobiles available locally and the dealers are happy to have visitors come by and see the new features available on the 1964 model cars for driving pleasure and convenience, plus the new engineering and design features.

New Arrivals

To Mr. and Mrs. Andres Falcon was born a son, their fourth child, in a Fort Stockton hospital on Tuesday, September 17. His birth weight was eight and one-half pounds and he was named Esteben Miguel. Sheriff and Mrs. Bill C. Cooksey are the parents of a son their fourth child, born Wednesday morning in a Fort Stockton hospital. The baby weighed seven pounds. Mr. and Mrs. Giles Holmes of Sheffield, former Sanderson residents, are the parents of a daughter, weighing eight pounds and three ounces, born in an Ira hospital September 24.

Turn that they may see, and know, and consider, and understand together.—(Isa. 41:20).

To show our gratitude for the freedom that God has given us we should be thoughtful, considerate and understanding of all the people with whom we come in contact.

"Those sitting on top of the world should think of those carrying it on their shoulders."

"Bureaucrats and crabgrass have a lot in common. Give either an inch and they'll take a yard."

Personals

Capt. and Mrs. Fred Willard and son, Will, are visiting here with her parents, Mr. and Mrs. E. F. Pierson. The Willards came by plane from Coraopolis, Penn., to Houston to visit his parents before coming to Sanderson by train.

AIC and Mrs. David L. Gooding and children are visiting here with her parents, Mr. and Mrs. Clyde Whistler, and family. After three years in Madrid, Spain, the Goodings will report in two weeks to his new station at March AFB, Calif.

Mrs. Lee Grigsby went to San Antonio Friday to join several friends for the trip to Dallas to attend the annual meeting of the Grand Chapter of Texas Order of Eastern Star.

T. W. McKenzie returned home Sunday night from El Paso where he had spent his three week vacation. Mrs. McKenzie and her mother will return in another week.

Mrs. Winnie Magill of Kerrville was a weekend visitor in the home of her daughter, Mrs. Jack Harrell, and family.

Mr. and Mrs. J. W. Kreamer of Laredo spent Thursday night here with Mr. and Mrs. R. R. Clark. They were en route to Marfa on an antelope hunt.

Mr. and Mrs. R. R. Clark accompanied her brother-in-law

and sister, Mr. and Mrs. J. M. Hall, to their home in San Antonio Sunday and returned on the train Monday evening.

Mrs. Minerva Chandler of Kerrville is visiting with her son, and daughter-in-law, Mr. and Mrs. Clarence Chandler.

Mr. and Mrs. J. W. Catruthers Jr., returned home Tuesday from San Angelo leaving his mother, Mrs. J. W. Carruthers, Sr. in St. John's Hospital for further examinations and tests. They took her to San Angelo Friday.

Mrs. Herbert Brown went to Odessa Tuesday to take her daughter, Barbara, to an orthodontist. They returned Wednesday.

Mr. and Mrs. C. C. Mitchell are expected back this week after their vacation trip to Arkansas, Tennessee, Kentucky, Alabama and Mississippi.

Mrs. Marvin Wood and children arrived Tuesday for a visit with her parents, Mr. and Mrs. T. O. Moore, and Buddy. Mr. Wood is being transferred from Little Rock, Ark., to a new office in Texas.

Mmes. W. H. Savage, David Mitchell, and N. M. Mitchell are attending the annual meeting of the Presbyterian in Lubbock the first of the week.

By Vern Sanford Texas Press Association

Austin — Gov. John Connally spiked increasing rumors of a "near future" special legislative session on congressional redistricting and made clear that he plans to await the decision of a federal court on this touchy issue.

In a specially-called press conference, the Governor also em-

phasized his support for poll tax repeal. He said "chaos" will result at the polls if the state constitutional amendment is rejected and the Federal amendment to ban the poll tax requirement for voting in presidential and congressional elections is ratified.

Connally was in Washington this week to discuss U. S. financing of the screwworm eradication program, oil imports, forest lands around Toledo Bend Dam, the Jefferson County seawall project, and possibility of a national park in the Guadalupe Mountain Peak area.

Redistricting Suit Heard A federal court took under advisement a Republican group's suit for Texas Congressional reapportionment. Suit alleges discrimination against big cities in present representation.

Atty. Gen. Waggoner Carr argued that the U. S. Supreme Court has furnished the Legislature no real guidelines for carving out new districts.

Await Federal Action Carr told newsmen he plans to take speedy action to enforce the Texas Communist registration law after the federal government winds up its present proceedings against John W. Stanford Jr. of San Antonio.

U. S. Subversive Activities Control Board held lengthy hearings on alleged-Communist Stanford's activities at the request of U. S. Atty. Gen. Robert Kennedy.

Stanford refused to register under either the State or Federal Communist control laws. Recently he wrote President Kennedy: "The government has no business telling me what my politics should be."

Crisis Period Ahead Following a meeting of leaders in the screwworm program, Dolph Briscoe Jr. of Uvalde, predicted the eradication drive will face perhaps its most crucial test within the next 30 to 60 days.

Screwworm cases were reported in the Big Bend area, Wilson, Kinney, Medina, Bandera, Dimmit, Maverick, Edwards, Frio, Val Verde, and Zavala Counties.

Program leaders called for early drops of more sterile flies

in the areas hardest hit. Also establishment of a federal-financed "barrier" zone 200 miles deep into Mexico to block continued migrations of screwworm flies across the border.

Health Report Only 49 cases of polio had been reported to the State Health Department by mid-month.

Venereal disease is on the upswing in Texas. By September 14, a total of 21,405 cases of gonorrhea had been reported, compared to 1962's high of 20,086. Syphilis cases totaled 4,156, compared to 3,562 at this point last year.

Ogallala A vast underground water reservoir, which supplies irrigation and municipal water for all or part of 48 counties in West Texas, was the subject of a two-day hearing before the Texas Water Pollution Control Board.

Water Districts in the area from Dalhart to Odessa asked the board to outlaw the use of open, unlined salt water disposal pits by oil and gas operators. Their experts contend that the salt seeps into the underground formation, contaminating the water.

Oilmen were concerned that the Pollution Control Board might set up regulations for the

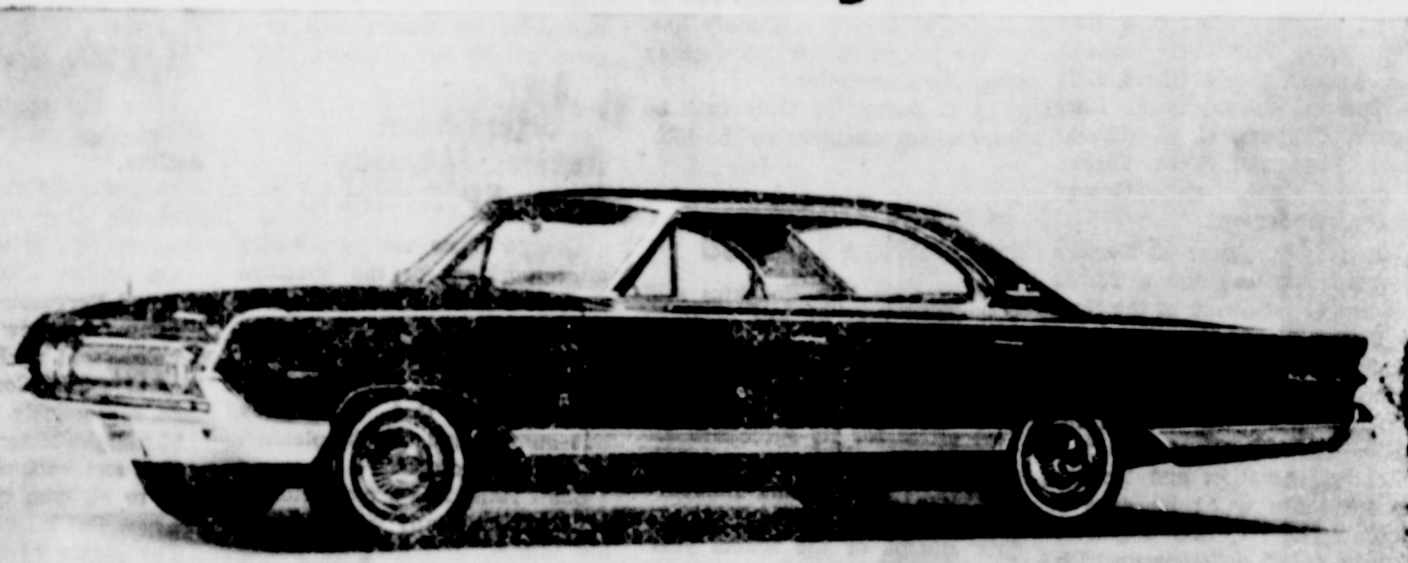

use of salt water disposal which would replace the use of water. They want supervision of their operations to remain with the Railroad Commission. Board delayed hearing November 20, to give the industry time to make suggestions for curing the problem.

1964 BUICKS on display Friday, Oct. 4th Free Coffee -- Favors McKnight Motor Co.

For '64: the price is medium... the action maximum... the car is Mercury

PARK LANE WITH RACY MARAUDER STYLING

The "action" is provided by the type of V-8 engines that have made Mercury the new performance champion of the medium-price field—demonstrated in open competition including the most recent Pikes Peak Climb. A 390 cu. in. V-8 is standard, a 427 V-8 optional. And only Mercury offers you two entirely different styling choices in one great car.

Mercury delivers more than the usual in all these ways: more performance, with the most responsive engines in its field. More leg room, head room, and entry room. More trunk space—11 suitcases big (17.1 cu. ft.). And a far greater styling choice: racy Marauder styling (above) or unique Breezeway Design (right), with the only rear window that opens for ventilation, stays clear in rain or snow. Good Lookin' Cookin'

tastes better, too, when cooked ELECTRICALLY

Most women know electric cooking is so much cleaner because it's flameless... more accurate because of the precise temperatures possible. But did you know many foods actually taste better when cooked electrically! This is true because sealed-in oven heat (no air flow needed for combustion) keeps meats from drying out, makes them juicier and avoids shrinkage. Electric range-top cooking preserves vitamins and minerals because less water is needed. Thus, foods are tastier, and more nutritious. See your dealer real soon about a flameless electric range. Latest models are now on display, and terms are convenient.

W.S.C.S. Study Led By Mrs. Ezelle

Mrs. H. E. Ezelle, chairman of missionary education, presented the current study course on India based on the book "Christian Issues in Southern Asia" by P. D. Devanandan for the Methodist Woman's Society of Christian Service Monday afternoon. The group met in Fellowship Hall.

Pictures and maps and a large selection of brass articles from India on exhibit added an interesting note to the study. Two large colorful tablecloths from India were on the tables. From one Mrs. Ezelle served curry puffs, iced tea, and coffee. Red candles in brass holders flanked an arrangement of bouganvillea in a low brass bowl.

Those present were Mes. C. F. Cox, John Neal, M. W. Duncan, W. O. Ray, W. F. Frazier, L. G. Hinkle, Clyde Higgins, J. O. Little, H. C. Goldwire, W. T. Atway, and Miss Eva Billings.

Duplicate Club Meets Thursday

Seven members of the Duplicate Bridge Club met Thursday afternoon in the home of Mrs. A. J. Riess. Mrs. H. E. Ezelle had high score with nine and one-half points.

The hostess served fruit salad, party crackers, iced tea, and coffee.

Tea, Rededication For Senior Scouts Sunday Afternoon

The Senior Girl Scouts, Troop 6, met at the Legion Hall Sunday afternoon to welcome new girls with a rededication ceremony followed by refreshments.

The program was led by Eloise Farley with Jodie Tronson giving the invocation. Suzanne Downie played the piano accompaniment for the girls to sing "America". The three parts of the promise were explained by the troop advisor, Mrs. J. A. Gilbreath.

Carla Dunn lighted candles to represent the Girl Scout Promise and each of the 10 laws. The girls repeated the promise and their pledge to the eight indispensable.

Refreshments served were pink lemonade, sandwiches, potato chips, cookies, and mixed nuts.

The refreshment table was decorated with a bouquet of red bouganvillea.

Those present were Eloise Farley, Carla Dunn, Suzanne Downie, Barbara Shoemaker, Barbara Luxton, Ada Lee Riggs, Linda Nell Babb, and Jodie Tronson. New girls present were Vickie Allen, Patricia Dishman, Judy Riggs, Carol Johnson, Linda Louwien, Nikki Northcut, and Irene Spencer.

Mrs. J. T. Williams Is Hostess For Bridge Wednesday

The Wednesday Bridge Club met at the home of Mrs. J. T. Williams this week for a bridge luncheon.

In the card games, Mrs. Bustin Canon held high score prize and Mrs. Jim Kerr was second high and each held the slam prize. Others present included Mes. F. M. Wood, Austin Nance, S. H. Underwood, R. S. Wilkinson, H. L. Richardson, Jack Riggs, Herbert Brown, J. A. Gilbreath, E. J. Hanson, and S. L. Stumberg.

Among Our Subscribers

New subscribers to The Times include Miss Sheila Cox of San Marcos; Rev. Clifton Hancock of Sanderson.

Renewals have come from Mrs. Leliee Fuller, Hemphill; Kip Gatlin, Phoenix, Ariz.; Mrs. Sylvan Walker, Uvalde; Mrs. B. M. Gutierrez, Reynaldo Garza Jr., G. H. Mayfield, El Paso; Mrs. C. Morgan, Beville; Lt. Raul Barrera, Killeen; Mrs. Noel James, George Adams, Leo Adams, and C. M. Turk, Dryden; T. H. Eastman, Pampa; Irvin Robbins, E. F. Pierson, G. H. Carter, Marion Batson, Mrs. Juan Ramirez, George Escobar, of Sanderson.

Mrs. Weldon Cox Sees Meteor

Mrs. Weldon Cox reported seeing the meteor that fell in New Mexico about 9:40 Monday morning. The occasion has gotten national publicity.

Mrs. Cox reported that she was driving to the home of Mrs. C. H. Stavley when she saw the object falling and at first thought it was a jet. She described the object as appearing as a trail of smoke with fire on the trailing edge.

Local People Attend

'Heritage' Talks in Alpine

The Sanderson schools were dismissed Tuesday afternoon for the teachers to go to Alpine for a West Texas American Heritage program at Sul Ross College.

More than 400 persons from 22 schools in 16 counties of the Trans-Pecos area attended.

Dr. Edward Taborsky, professor of political science at the University of Texas, was the speaker. He is a native of Prague, Czechoslovakia, a writer and a lecturer.

Mmes. C. F. Cox, M. W. Duncan, and E. H. Jessup were also among those attending.

Mrs. Billy Pearson of San Antonio arrived Thursday to visit with Mrs. W. F. Frazier. She is a sister of Mr. Frazier.

AND LOTS, LOTS MORE!

Ranch Club Meets To Make Plans For 'Country Fair'

Plans were made Tuesday at the Ranch Home Demonstration Club's monthly meeting for a "Country Fair" on Monday, November 4, to take the place of the regular meeting in November. The Fair will be at the Legion Hall and entries and exhibits may be added to the display by others besides the members and it will be open to the public. Committees were named for the project.

A demonstration on the repair and maintenance of small appliances will be given in the morning while the Fair is being set up.

December 3 was set as the date for the December meeting when the new officers will be installed at a luncheon.

Mrs. C. F. Cox gave a report on the recent Pecos County Council meeting. Mrs. H. E. Ezelle read the proposed constitutional amendments to be voted on in November. Announcement was made of the Country Fair in Fort Stockton on October 22 and exhibits were requested from local club members.

Mrs. W. J. Murrah gave some pointers to those desiring to enter the "Max: It Yourself With Wool" contest and Mrs. J. D. McDaniel, county chairman of the project, also gave further instructions.

Mrs. Cox gave the report of the nominating committee and the following officers were elected: Mrs. E. H. Jessup, president; Mrs. M. W. Duncan, vice-president; Mrs. H. E. Gatlin, secretary and treasurer; Mrs. A. C. Garner, reporter; parliamentarian, Mrs. E. F. Pierson; council delegates, Mrs. W. C. Mitchell and Mrs. C. F. Cox; recreation chairman, Mrs. H. P. Boyd; E.E.E. chairman, Mrs. H. E. Ezelle.

Hostesses for the luncheon at noon were Mes. H. B. Louwien, O. J. Cresswell, and F. G. Grigsby. Decorations in the autumn colors and motif were featured. A large basket of fruit and pumpkins was by the fire place.

An orange tree, fall flowers and dried arrangements afforded a further decorative note. Vines trailed down the center of the luncheon tables.

In the afternoon, Mrs. Willie Siler, home demonstration agent from Fort Stockton, assisted Mrs. Joyce Ottmer in the making and display of dried arrangements.

Also present were Mes. H. P. Boyd, Ray Caldwell, Greene Cooke, E. H. Jessup, J. Garner, Lee Dudley, M. W. Duncan, H. E. Gatlin, J. O. Little, E. F. Pierson, and K. H. Stutes, and Miss Eva Billings.

Luncheon guests were Mes. Ottmer, Siler, Woody Richards, Cecile Bell, C. T. Wrinkle, and Jack Laughlin.

George Proctor Move Here

George Proctor is now employed at the Eagle Lumber Co. He is a former employee of a lumber company in Junction.

The Proctors are residing in the John H. Proctor home. They have a 14-year old son, Jack, and a daughter, Miss Pam Proctor, who attends Texas Women's University, Denton.

Everybody out of the rut ...the '64 Buicks are here!

Buick Special: New longer wheelbase, safety box frame, roomier body. Still low priced.

Buick Skylark: A very personal car with a flair for action. Now in 3 models.

Buick LeSabre: Stunning new looks, new gas-saving engine. Probably 1964's best full-size value.

Buick Wildcat: Most vigorous Buick. Splendidly contemporary in taste and performance.

Our happiest problem for '64 was: how to beat a winner? According to thousands of owners, the 1963 models just about had it made in all departments. But—when your name is Buick—you just don't rest on your laurels. You keep pushing to make a great car greater.

So... the '64 Buicks are new—but new. New

engines, V-6 or V-8 (you'll like their new gas economy), new, smoother, extra-cost option, Super Turbine Transmissions (and who, but Buick, would build in an altitude compensator?). Youngest looking Fisher Bodies in town! Visit a showroom, sit in any one of the new Buicks, and practice this short easy line: "My Buick." Sounds good, doesn't it?

...above all, they're BUICKS!

S-Sgt. James Harris Attends Chemical Warfare School
 Marine S-Sgt. James R. Harris, son of Mrs. P. G. Harris Sr. of Sanderson, was graduated from the First Marine Brigade's Nuclear, Biological, and Chemical Warfare School at the Marine Corps Air Station, Kaneohe Bay, Hawaii.
 During the three-week course students become familiar with the effects of nuclear, biological, and chemical warfare, including decontamination, a session in the tear gas chamber, and a course in first aid.

W. F. Frazor Satisfactory
 W. F. Frazor is reported to be in satisfactory condition after being hospitalized in Alpine a week with a cardiac condition. He will be there two more weeks.
 Mrs. Frazor was in the hospital for several days but returned home Sunday with her son, D. R. Frazor, and family who had visited there over the weekend and were en route home to San Antonio.

Mr. and Mrs. L. H. Gilbreath returned home Monday from Fort Worth where they attended funeral services for his brother-in-law, J. V. Russell, who died suddenly last Wednesday afternoon of heart failure. He was a resident of Albuquerque, N.M.

Card of Thanks
 With grateful hearts we thank all those who did so much for us in our time of grief. The kindness and thoughtfulness shown us was deeply appreciated.
 Mrs. Eva Hernandez and Grace

John Ed Robbins Accidentally Shot Last Friday Afternoon
 John Ed Robbins received an accidental gunshot wound last Friday afternoon, according to local officers. The shot was not reported as serious, but prevented his taking part in the football game here Friday night against Marfa. He is a starter in the backfield for the Eagles.
 The officers reported that Robbins said he was at the local dump ground last Friday afternoon around 4:30 and felt a sting on his arm after hearing a "ping" of a shot. He received a flesh wound in the upper left arm by what looked like a 22-calibre bullet, according to the officers.
 Robbins is expected to be recovered to play in Bracketville this weekend.

Wilkinsons Attend Anniversary
 Judge and Mrs. R. S. Wilkinsons returned home Sunday from San Antonio where they had attended the golden wedding anniversary of her uncle, and aunt, Mr. and Mrs. C. B. Crozier.
 The celebration was in Ramada Inn.
 Mrs. Crozier was the former Miss Stella Harrell and was reared in Sanderson.

Mrs. S. H. Underwood was in a Fort Stockton hospital for three days last week for some medical tests.

Honor Society To Have Induction Service Tuesday
 The Sanderson Chapter of the National Honor Society will have the induction of new members Tuesday, October 8th, from 9:00 to 10:00 a.m. in the high school auditorium.
 The public is cordially invited to attend.

Success car, '64 edition...

The car that answers the question, "After their '63 model, what in the world will Pontiac do for '64?"

It wasn't easy, topping our super-successful '63. But we did it, with trim new styling • handsome new interiors • a smoother, quieter ride • Wide-Track

stability • 389-cu. in. Trophy V-8 power in every model • Isn't this what other cars wish they looked and acted like and don't? '64 Pontiac Pontiac

plus a whole new kind of Pontiac.

If you've been buying the same low-priced car time after time, get ready to break the habit.

What's new with Tempest for '64? Practically everything. New 215-cubic inch in-line 6 • longer, roomier body • wider Wide-Track • new smooth-riding sus-

pension • new brakes • new steering • new frame • If a car like this won't break that habit, nothing will. Check your dealer! '64 Pontiac Tempest

How much does it cost to feed a fly?

ENTOMOLOGISTS estimate that a severe infestation of horn flies costs the cattleman an average of \$3.43 per animal in lost gains... \$3.43 on every hundred head of cattle! And it's all profit, dollars you can save with CUDAHY's new BAR-FLY feeds. As cattle eat, CUDAHY's BAR-FLY passes harmlessly through the digestive system—destroys horn and face fly larvae on the ground, before they reach the fly stage, before they throw cattle off gain. Don't "feed" cattle profits to flies. Feed CUDAHY's BAR-FLY, prevent fly losses automatically!
