SANDERSON, TEXAS, FRIDAY, OCTOBER 18, 1963

NUMBER 37

LISTEN TO LUKE

This week we have quite a few items of news interest for our readers, in our opinion.

Announcement is made of the building of a new post office for Sanderson. The story as released by the Post Office Department is published in other columns of The Times and it makes interesting reading. We will have more to say about that later. We don't want politics to become involved in the building of a new post office, etc.

It was odd to us that the announcement of the contract came from the PO Dept. rather than from our U.S. Senator, who usually gets the honor of breaking the news and sharing in the glory of the benevolence of our government.

The other interesting fact is the plans which are being made to operate the rock quarry on a mass-productive basis within the near future. We can see where this will possibly mean something for our country.

Another bit of news is that of the theft of the horse and saddle from a ranch north of Dryden, and some of our thoughts that follow.

Everyone in sight or hearing of western movies and television shows knows that horse stealing is a major crime in Texas, punishable by severe sentencing by juries, usually.

The story goes that to kill a man is not as bad as stealing a horse in Texas — and there is some truth in that.

There have been several instances recently in this county and in neighboring counties of the theft of one thing or another by "wetbacks" on their way back to their own country. This is a bad situation for everyone concerned.

Usually when one thinks of law enforcement he thinks only of how it affects him, directly. F. M. Wood is the sole loser in the violation in question and why should we worry about that?

If you are like me and don't own any horses, we aren't concerned with horse thieves, are we?

But we should be concerned with the proper punishment of all known violators so that fact might act as a deterrent to others — and that's the purpose of penalties under the laws.

A case at point is the recent sentencing of a rapist to 90 years in the pen. And it was stated that with good behavior, the breaks, etc., he could be paroled in 10 years.

A convicted murderer in San Antonio, accused of the "gangland" slaying of another, received a 99-year sentence. And on the basis of the above-mentioned case, this man could also be back in circulation in approximately 15 years.

We were most pleased to note this week that a group from the Teamster's Union and PASO hit "stump" when they tried to "help" the people of Del Rio of Mexican descent. We are of the opinion and would hope that those organizers would get the same kind of reception here.

We would consider it an insult to our friends to tell them that they are incapable of "taking care" of themselves and that we are going to "lead them by the hand" into a better way of life.

We also think that they are capable of thinking for themselves in political matters and don't need the "help" of other people.

In our opinion, if someone comes around in a political cloak of willingness to help us, we start looking for a way out because we think that we have a liar on our hands.

Friends who are willing to "help" stand by in readiness to help when you ask for it. Other-

Commissioners Order Election On County Hospital Bonds

Seeding Trials Are Favorable At Dryden Air Field

Seeding trials conducted at the Dryden air field in 1958 by the Rio Grande-Pecos River Soil Conservation District have shown very favorable results the past year on three test plots, according to W. O. Ray, conservation specialist with the SCD.

"In all, there were 17 plots planted. The three most successful seedings were those having a larger drainage area on either side with a ratio of approximately three acres of drainage to one acre of grass.

"Clipping studies made on these sites this year showed a production in excess of 2,000 pounds of forage per acre. Similar sites as these, without treatment, normally can be expected to produce 300 to 400 pounds per acre in good conditions.

"Two of the test plots were rootplowed before seeding with a plow having fins or kickers to push the brush roots out of the soil. The third was disced before seeding with a 12,000-pound disc. The rootplowed areas have no appreciable regrowth of brush after five years, while the disced area has had considerable regrowth.

"All three of the areas were seeded to a native grass and have excellent stands established on them.

"Livestock are completely excluded from the treated areas. Had these areas been grazed properly, and given periodic defoliation, the entire area would probably be in better condition than it presently is because range land which is grazed properly tends to improve better than that which is left completely idle.

"The most striking observation made is that in all trials grass has become established where any excess water from adjoining areas has run in. Also the effectiveness of different types of brush control is quite evident.

"The moisture conditions at the Dryden air field have been especially favorable for grass production this past spring and the results of all treatments is evident now. Anyone wishing to see the trials is invited to contact personnel at the Soil Conservation Service office."

TB Patch Test Given Children

Under the auspices of the Terrell County Tuberculosis and Health Association, 117 pupils of the first and fifth grades of the Sanderson elementary school were given the skin patch test for tuberculosis.

The testing is done to see if the children show any reaction, indicating the possible presence of the germ.

There were no reactors found. Mmes. Troy Druse, James Word, M. W. Duncan, and Clyde Higgins were in charge of the project, applying the patches on Monday and removing them on Friday. Forms had been sent by the pupils to parents previously to obtain permission for the tests to be made.

Don Stringer Joins Faculty

Don Stringer has been added to the faculty of the Sanderson High School. He is teaching English I, World History, American History, and World Geography and Economics.

He and Mrs. Stringer, former residents of Midland, are residing in the Lea duplex on West Pine Street.

The Terrell County Commissioners Court passed an order Monday for an election for approval or disapproval of a bond issue for the construction and maintenance of a hospital in Terrell County.

The order was passed after a petition asking for the election was submitted. The petition contained approximately 200 names.

The court stated that the election would be called for November 9, the date of a special election called for consideration of four proposed state constitutional amendments, if legally possible, thus possibly eliminating the expense of another special election.

The bond issue asked by the petition is for \$142,000.00.

UNICEF To Benefit By Young People's 'Trick or Treat' Calls

On October 30, in the local observance of Halloween, the members of two Sunday School classes will participate in "trick or treats" by asking for donations to aid the United Nations Children's Fund. The youth are asking for donations for the fund as a project sponsored by the Sanderson Culture Club, under the committee leadership of Mrs. L. G. Hinkle and Mrs. Paul Hatem.

Mrs. W. G. Downie, teacher of the Pioneers, a class of the Presbyterian Church, and Mrs. J. A. Gilbreath, teacher of the Junior Class No. 2 at the Methodist Church, will take the youngsters over town from 7:00 to 8:00 for the house-to-house solicitation. The collectors will wear appropriate identification.

The Halloween program was begun in 1950 and the coins have helped to provide medicines, food, and care for millions of children in more than 100 underdeveloped countries of the world. Last year over \$2,000,000 was raised for the world's needy children by American children knocking on doors and ringing doorbells on Halloween.

Hallowe'en Carnival By Explorer Scouts To Be At Legion Hall!

The Explorer Scouts are having a Hallowe'en Carnival at the Legion Hall Thursday night, October 31.

The evening's events will begin with a parade at 5:00 o'clock. At 5:30 the shows, cake walk, rides, and attractions at the hall will be open. At a concession stand sandwiches, tamales, hot dogs, cold drinks, and coffee will be sold.

The support of the public at all of the events will be appreciated by the Explorers.

Horse, Saddle Taken From Wood Ranch

A horse, saddle, and a pair of leggings were taken from the F. M. Wood ranch north of Dryden last weekend. Wood stated that it was one of his best horses that was stolen.

Officers were able to track the animal south toward the river and efforts to intercept the rider this side of the Rio Grande failed.

Efforts are being made to locate the animal in Mexico for his return to the United States.

Mr. and Mrs. C. H. Stavley returned home Sunday night from a visit with their son, Bill Stavley, in El Paso. They also went to Tucson, Ariz., to see the Texas Western - University of Arizona football game. Young Stavley is on the Texas Western team.

Ambulance Service Is Resumed

W. V. Munson, owner and operator of the Sanderson Ambulance Service, announced this week that due to certain actions he was able to resume ambulance service for the people of this area.

He emphasized the fact that he was authorized only to operate an ambulance for the moving of injured or ill persons.

The Terrell County Commissioners Court okayed the payment of mileage only to Mr. Munson on ambulance runs for which regular fees were uncollectable.

Mr. Munson stated that he would continue to try to give the best service possible to any and all who called him and expressed his appreciation to those who had been so considerate and kind in making the service available again.

He stated that in last week's

Testing Resumes On Mitchell Well

Socony Mobil Oil Co. Inc. of Midland was preparing to resume testing through perforations between 11,630-670 feet at the No. 1 George K. Mitchell, in section 11, Block 1, of the CCSD&RGNG Survey in Terrell County. The well is known to be a Strawn gas prospect.

The flow of gas had been stopped for the installation of a blow-out preventer, according to reports.

The hole was drilled to 16,369 feet and is plugged back to 12,475. On the latest tests, it flowed gas at 2,722,000 cubic feet daily for six hours through a 3-4-inch choke.

notice, concerning the cessation of ambulance service, the figure of 7,000 miles without the loss of life or an accident was erroneous and should have been 70,000 miles.

Field Goal Beats Eagles; Conference Play Starts Friday

A field goal accounted for the difference in the score when the Van Horn Eagles played their cousins here Friday night last week in a non-conference game. Penalties and pass interceptions aided the visitors' cause to some degree, also.

Jose Vejar intercepted a Sanderson pass in the first period and ran unimpeded for 15 yards to the goal line. Lorenzo Valdez furnished the extra point on a placement kick.

Sanderson received the opening kickoff and punted after failing to make the necessary yardage in the first series of downs. Van Horn lost the ball on downs shortly thereafter and Sanderson returned the favor to Van Horn in their successive series of downs. There was a multi-exchange of the ball in the first period prior to the TD run on the interception.

The second period was a repetition of ball exchange by the two teams with no score being made and the visitors were ahead by seven points at half-time.

In the third frame, Sanderson finally got a drive going and marched doggedly goalward to the 6-yard line from where John Ed Robbins went over for Sanderson's only score. The points-after came on a pass play from Bill Adams to Ricky Felts.

Sanderson retained the 1-point margin until late in the fourth period when Van Horn got within field goal range, and Valdez, the 210-pound guard and place kicker, got the range and windage and booted the ball between the uprights for the winning margin.

Few old-timers can remember when the field goal in the late minutes of play accounted for a win on the local gridiron, and a successful field goal locally has been a rarity in the past.

David Hardgrave was put in the punting slot several times Friday night and made a good accounting of himself in that department. It was a new assignment for Hardgrave.

Backfield-in-motion penalties plagued the Sanderson team Friday night and cost some much-desired yardage that was difficult to regain.

Friday night of this week, the Eagles will go to Big Lake to play the Reagan County Owls who are rated to be among the stronger teams of the district. It will be the first conference game of the season for both teams.

Calendar of Events

Monday — Eagle Boosters.
Tuesday, October 22 — Tuesday Club
Wednesday — Bonhomie Club, Rotary Club, 51 Club
Thursday — TSTA, Lions Club, Duplicate Club.

Mr. and Mrs. Edward Kerr were in Fort Stockton Monday for her to receive medical attention.

Contract Awarded For New Post Office Building Here

Construction of the new post office building at Sanderson has been announced by Postmaster General Gronouski, with the statement that a contract has been awarded to Mr. and Mrs. Maurice Cohen, P.O. Box 7237, Station A, San Antonio, to build and lease the building to the Post Office Department for a period of 10 years, with options to renew for another 20 years.

In the news release from the

Dallas region Post Office Department, the information continues:

"The construction program of the Post Office Department is being concentrated in those areas where the need is urgent and suitable space cannot be obtained except through new construction. The new structure will contribute materially to the efforts being made by Sanderson to revitalize the local economy. Employment should be provided during the construction phase, and the completed building will help community efforts to sell Sanderson as a good place for business to grow. This cooperation between the Post Office Department and ARA (Area Redevelopment Administration) as set up by President Kennedy's federal assistance to areas of chronic unemployment, should help to implement this program. The Department's capital investment is limited substantially to postal equipment, while the building remains under private ownership, with the owner paying local real estate taxes, thereby utilizing the resources and investment funds of private enterprise for the needed postal facility at Sanderson.

"The new postal facility at Sanderson will be constructed on a site containing about 13,345 square feet — it will contain 2,814 square feet of floor space, be equipped with fluorescent lighting and air conditioning, and adequate parking and maneuvering will be provided for patron's convenience, as well as the movement of other vehicles to further improve the postal service."

Barksdale Ranch Sale Announced

Announcement was made this week of the completion of the transaction of the sale of the Roy Barksdale ranch from his heirs to Sam Higgason of Houston.

There were 24,621 acres involved and the price was \$350,000.00 according to Higgason.

Higgason plans to quarry rock for use as ledge stone and flagstone and lease out the grazing rights, he said.

He stated that plans now were for the installation of approximately \$100,000.00 worth of equipment for quarrying and preparing the rock for shipment to markets. The ledge stone will be cut to size on the site and bundled for shipment to the contractor, Higgason stated.

Present plans are for the employment of about 20 persons in the quarrying operation.

Mr. Higgason said that there was a large demand for building stone and that he expected to market 200 tons a day from the quarry east of Dryden.

Nat'l Honor Society Has Induction Of Five Members

Five high school students, all members of the junior class, were inducted into the National Honor Society at a special service in the high school auditorium last Tuesday morning.

The new members include Vicki Allen, Jack Bogusch, John Cates, Irma Galvan, and Pixie Mansfield. Recognized probationary members from the sophomore class were Carla Dunn, Suzanne Downie, Harry Harkins, Lydia Munoz, Alejandro Romo, Janie Sanchez, Jodie Kay Tronson, and Terry Whistler.

After a welcoming speech by Charles Riggs, president of the National Honor Society, Miss Janet Winn gave a short history of the society. Mrs. E. E. Farley, Miss Carol Horton, Arabella Lopez and Linda Babb lighted candles representing the four goals of the organization—scholarship, character, leadership, and service.

The members were then presented and approved by Principal A. J. Riess. Supt. H. L. Richardson presented the certificates of membership to each inductee. The program to which the parents, friends, teachers, and students had been invited, closed with the singing of the school song and a prayer of thanksgiving.

Motorists Warned Of Stopping For School Bus Stops

Motorists of Terrell County are warned of the state law which makes it mandatory for all vehicles to stop when a school bus is stopped to load or unload any school children.

The law covers all vehicles stopping whether proceeding in the same direction or opposite direction of the school bus, and waiting until after children cross a street or road, before proceeding.

It was stated that some violations of this law have been observed by the driver of the bus to Dryden and that possibly some motorists were not aware of the requirements of the law.

The safety of the children involved is the purpose of the law and all motorists are asked to observe the law so that no tragedy may result.

Mrs. S. S. Daggett, Former Resident, Is Buried Here

Mrs. Fannie F. Daggett, 86, died Sunday at her home in San Antonio. She was the widow of the late Slater S. Daggett who was a former roundhouse foreman at Sanderson.

Funeral services were held at the First Presbyterian Church here Thursday morning. Following Eastern Star rites at the graveside, interment was made in Cedar Grove Cemetery.

Survivors include three nieces and a nephew.

Mrs. Daggett had made her home with her nieces since leaving Sanderson. She was with Mrs. John L. Porter at the time of her death. She was a member of the Easthill Baptist Church in Pensacola, Fla., and had maintained her membership in the local Eastern Star Chapter.

Mrs. Willie Banner Called To Brother-in-Law's Funeral

Mr. and Mrs. Willie Banner left Saturday for Hondo after receiving word of the death of her brother-in-law, W. J. Smith, a resident of that city.

Mr. Smith, a retired master sergeant, died in the VA Hospital in Kerrville where he had been hospitalized for medical treatment for several months. His body was interred in the National Cemetery in San Antonio Tuesday afternoon.

State Capitol NEWS

By Vern Sanford
 Texas Press Association

A brand new state agency dedicated to bringing more free-spending tourists to Texas now is in operation.

Texas Tourist Development Agency held its first meeting, discussed policy guidelines and set a timetable for selection of an agency to handle its \$200,000 advertising account. Advisory board members will meet on January 1-17 to pick the firm

which will prepare and place its tourist-luring ads.

Sworn in as advisory board members were James M. Gaines, radio-television executive of San Antonio, chairman, Bill Berger, publisher of the Hondo Anvil-Herald; John McCarty, advertising executive of Frito-Lay Inc., Dallas; G. A. (Pop) Mabry, public relations executive for Humble Oil and Refining Co., Houston; John Powell, hotel executive of Austin, and Chris Fox, El Paso banker.

Said Gov. Connally: "I hope this is the beginning of a tremendous program. . . Your work is important to the economic future of Texas."

He commented that the 1964-65 advertising budget is so small that the state will have to "ride piggy-back" on privately financed national advertising for a few

PROFITS CREATE JOBS

A study recently completed by the McGraw Hill Publishing Co. refutes the lingering notion that profits by manufacturers are made largely at the expense of workers and consumers.

The study shows that when profits rise, employment and income generally rise also. And when they fall, employment and income fall with them.

In comparing the six most profitable United States manufacturing industries with the six least profitable, the survey showed that the most profitable paid wages averaging 35 per cent higher.

Also, the five most profitable spent 40 times more money on research and development than did the five least profitable.

The lesson is plain. Any force that tends to eliminate reasonable profits, whether it is oppressive taxes, excessive wage demands, poor management, or punitive government action, hurts workers, hurts consumers, and hurts our economy.

And that's why the best step the federal government can take to spur the economy and increase employment is less spending and waste with subsequent reduction of taxes to enhance profits.

—Illinois State Journal

years. He noted that Texas is sixth in the nation in population — and some statisticians believe it soon will be third. But it's below the top 10 in tourist attraction.

In 1957, 10,400,000 tourists came to this state and spent \$531,000,000. In 1962, only 9,600,000 tourists visited Texas. They spent an estimated \$471,000,000.

A "See Texas First" campaign to get Texans to spend their vacations in Texas is being planned. The agency is stepping up its administrative activity, and will add Walt Warner, Capitol correspondent, to its staff.

Politics Booming
 First formal affair of the coming political campaign season will be an "appreciation dinner" to be held on October 19 in Austin for Sen. Ralph Yarborough. Texas' senior Senator, certain to run for another six-year term in 1964, will gather a political war chest through the dinner.

Bringing more campaign fodder to Texas will be President John F. Kennedy. He will make a two-stop trip to the Lone Star State in November. Texas Republican Chairman Peter O'Donnell, head of the Draft-Goldwater movement nationally, hopes to set up a dinner in January at which the Arizona Senator will announce his candidacy for president.

Both parties' headquarters in Austin are increasing their staffs as they get ready for what now appears to be a humdinger of a political year in 1964. Both Democrats and Republicans expect the GOP to muster more strength in 1964 than they did in 1962. Republicans are so hopeful about their chances that there is real competition for the party nomination for some of the major state-wide offices.

Democrats, with first-term men in the state's three top offices, may have strong competition in at least two of them. Don Yarborough of Houston says he will decide by December 1 whether or not he will run against Governor Connally in next May's primary.

Close friends of Congressman Jim Wright of Fort Worth predict he will be a candidate for the U.S. Senate.

State Representative Horace Houston of Dallas announced his candidacy for lieutenant governor at a GOP leadership conference here.

State Senator Franklin Spears of San Antonio is visiting newspapers and otherwise sounding out his chances for the same office — as a Democrat.

Some 300 San Antonio attor-

neys have signed a petition urging Associate Justice Jack Pope of the Fourth Court of Civil Appeals to run for the State Supreme Court.

Smith County District Attorney Bill Coats says that reports indicating House Speaker Byron Tunnell will have trouble getting re-elected in his home district (Smith and Gregg Counties) are incorrect. Says the D.A.: "The only time I hear that . . . is when I come to Austin. . . Tunnell is in good shape at home."

Four candidates for Congress are thundering along 10th District campaign trails. A special election is set for November 9. Candidates from Austin are Jake Pickle and Jack Ritter Jr., Democrats, and Jim Dobbs, Republican. The fourth, Frank B. McGehee, came all the way from

Dallas to enter the Central Texas race. McGehee claims to party connections.

Mohair Market Bought

Angora goat raisers brought their problem to the Texas Industrial Commission. They have asked Director Harry W. Clark for all the help his state agency can offer.

Goat raisers want to lure to Texas some mohair scouring, sorting, grading, and combing industries. This so their product can be turned out in finished form. But they don't know how to go about it. As far back as they can recall, they have sold raw, ungraded, sacked mohair to buyers from four eastern firms who ship it east for finishing.

D. W. (Speedy) Hicks of Bandera said the goat raisers don't know the manufacturers' requirements.

Clark said the commission is ready to lend a helping hand through research and promotion. But, he added, "I foresee real obstacles in trying to sell manufacturers before style centers are established here."

James L. Powell of Fort McKavett, president of the Texas Sheep and Goat Raisers Association; L. M. Stephens of Lometa; Howard G. Hay, Bandera; Houston Smith of Texas A&M, and Armer Earwood of Sonora will work as a committee with the Industrial Commission's staff.

Yolanda Escamilla, daughter of Mr. and Mrs. Beto Escamilla, fractured her ankle in a fall at the skating rink, according to reports. She is a freshman in the Sanderson High School.

Deer Hunters Ask For Leases in County

Deer hunters of the state have been pouring requests for hunting leases in this area into the Terrell County Chamber of Commerce, as well as to individuals.

The requests are being turned over to ranchmen as they come in so that arrangements may be made directly between the two parties involved.

But the requests for hunting places far outnumber the places available, as far as can be ascertained by the information available.

Any ranchman who is selling hunting rights and who has vacancies, is asked to call The Times so that requests for hunters may be placed in the proper hands.

Mr. and Mrs. Jack Harrell and children attended the Odessa Seminole game in Seminole Friday night and visited over the weekend with his brother, J. Harrell, and family.

National Vice-Pres. Visits Chapter of B of RT Auxiliary

Mrs. Ellie Lowry of Pine Bluff, Ark., made her official visit to the Terrell Lodge Friday. Mrs. Lowry is the vice-president of District 7 of the Ladies Auxiliary to the Brotherhood of Railroad Trainmen.

Attending the meeting Friday afternoon in the Masonic Hall were Mmes. J. M. Davis, Dick Sullivan, Irvin Robbins, W. H. Savage, P. G. Harris, C. E. Litton, N. B. Bell, F. G. Grigsby, Ray Caldwell, and H. E. Ezelle.

The charter which had been draped in memory of Mrs. Nina Kelly, was undraped in a special ceremony.

After adjournment, an informal reception was held for Mrs. Lowry. The tea table was covered in a green cloth and the floral centerpiece emphasized the organization's colors of red, white, and green.

Presbyterian Circle Meets Monday

The members of Circle I of the Presbyterian Women of the Church met in the home of Mrs. E. F. Pierson Monday afternoon with the new circle chairman, Mrs. R. A. Gattin, presiding. She led the opening prayer and read a Bible passage closing with a thought pertaining to Psalms. "Take Time To Be Holy" was sung as the opening hymn. Mrs. Pierson was re-elected secretary for the circle.

Mrs. C. C. Mitchell invited everyone to the luncheon at noon Thursday at the church, to be followed by a book review.

Mrs. W. H. Savage announced the funeral services for Mrs. S. S. Daggett Thursday morning at the church.

Mrs. David Mitchell revealed plans for a "World Community Day" on Friday, November 1, with a service in the Presbyterian Church at 2:30 p.m. and the members of other churches to be invited.

Mrs. Sid Harkins led the first of the new year's programs on the Psalms, the lesson titled "A Goodly Heritage".

Mrs. Pierson served maple chiffon cake, iced tea, and coffee to 10 members including Mmes. E. E. Farley, N. M. Mitchell, Gattin, David Mitchell, Savage, J. D. Nichols, Charles Stegall, E. H. Jessup, C. C. Mitchell, Harkins, and R. E. Fred, a visitor.

Bonhomie Club Visits Garner Ranch

The members of the Bonhomie Club went to the J. Garner ranch last Wednesday morning for their regular meeting. They carried covered dishes to be added to the barbecue and other items prepared by the hostess for the meal served at noon.

Besides working on fancywork, the members took pictures, hiked, went for a jeep ride, and participated in other diversions.

They later went to Mrs. Sid Slaughter's to see her new ranch home and were served cake and punch before departing for home.

Members present were Mmes. O. J. Cresswell, Ray Caldwell, F. G. Grigsby, E. F. Pierson, B. F. Dawson, L. R. Hall, J. W. Caruthers Jr., C. I. White, and H. P. Boyd, also four guests, Mmes. Clyde Smith, Eddie McNutt, H. E. Gattin, and Slaughter.

Duplicate Club Entertained By Mrs. Underwood

The Duplicate Bridge Club was entertained in the home of Mrs. S. H. Underwood Thursday afternoon with eight members present, including Mmes. H. E. Ezelle, James Caroline, Mary Lou Kellar, Perry Martin, A. J. Riess, J. A. Mansfield, and M. W. Duncan.

Mrs. Underwood held high score, with eight and one-half points, and Mrs. Ezelle had seven points.

Refreshments of cheese cake, iced tea, and coffee were served.

Hobby Club Meets Tuesday Last Week

Mrs. Newman Billings was hostess and Mrs. Andy White co-hostess when the Hobby Club met in the club house at Pumpville last Tuesday.

Several guests were present for dinner served at noon, including Mrs. C. H. Senaubert and Messrs. E. P. Bradford, Jim Powers and Harvey Hall.

After the social hour, Mrs. Billings called the meeting to order. A box supper and entertainment were planned for Saturday, November 2. Several other projects were discussed. Two new members were welcomed in the club, Mrs. Jimmy Randle and Mrs. Pat Smith. Christmas decorations for the annual party in December will be made by the club members.

Also present were Mesdames Jim Powers and her grandchildren, Faye and Kate Walsh of Del Rio, T. H. Eastman, Harvey Hall, Bob Morris, Sid Smith and Robert Pavlica.

Mrs. Randle won the door prize.

Mrs. Sid Smith will be the hostess for the November meeting.

Mrs. Paul Hatem Is Bridge Hostess

Mrs. Paul Hatem was hostess for the '51 Bridge Club which met in her home last Wednesday afternoon.

Those present were Mmes. A. J. Hahn, O. T. Sudduth, E. J. Hanson, Vic Littleton, Mary Lou Kellar, M. W. Duncan, R. A. Hunn, and F. M. Wood.

High score prize went to Mrs. Wood, second high to Mrs. Kellar, with Mrs. Wood and Mrs. Hunn holding the slam prizes.

The hostess served fruit salad, cake, coffee, and tea.

Congressman ED FOREMAN Reports

October 13 - 19 is National Newspaper Week. In other times it might not require particular notice from the average American. But these are not ordinary times. It is vitally important that all American citizens alert themselves to the necessity for an absolutely free press.

The United States has seen the growth of a dynamic and responsible free-enterprise newspaper industry—one that has been the guardian of this nation's social conscience — one that has fought crime, prejudice, disease, governmental corruption, and every other evil that our society has faced. One that Americans have every right to be proud of and fight to protect.

From 1882 when the sedition acts were finally declared unconstitutional until the advent of the managed news policy of the Kennedy Administration, no serious attempt has been made to keep the newspapers of this country from printing all of the news. But today we see the federal government casting dangerous shadows across the future of the American free press.

In one of its first moves, the present administration embraced the managed news policy. A policy that worked effectively during the Bay of Pigs invasion, the Cuban blockade crisis, and in no telling how many other unknown situations to keep the American public in the dark.

This year the administration under the direction of the Department of Agriculture established a government controlled, government sponsored market news service over a nationwide, leased teletype network to newspapers and radio-television stations.

This is a long step beyond "managed news" — It goes further than withholding vital information, twisting facts and misquoting figures. It sets up a system whereby the government can distribute its own news as it sees fit, with one probable effect of putting long established and successfully operated commercial news services out of business. This is also the first dagger thrust into the vitals of the free press. Make no mistake about it, freedom of the press is a constitutional right that is second to none in keeping this nation free.

It is the duty of all Americans to stand up and cry out in rightful wrath at any administration which would dare set up a gov-

Political Calendar Set for 1964

With a special state constitutional amendment election coming up in November and another big election year in 1964, the following information should be of interest to all local citizens:

November 9 — date of state constitutional amendment election.

February 3, 1964 — Requests due from candidates to have names placed on ballot.

February 3 — Candidates shall pay county chairman a deposit of \$50 at time of application to have name placed on ballot.

February 10 — County executive committee meets to apportion cost of primaries.

Feb. 15 — Candidates pay assessments.

March 23 — Primary committee meets to make up ballot for first primary.

April 12 — Absentee voting begins for first primary.

April 28 — Absentee voting for first primary closes.

May 2 — First primary election.

May 2 — Date of precinct conventions.

May 9 — Date of county convention.

May 27 — Voting begins for second primary.

June 2 — Absentee balloting for second primary ends.

June 6 — Second primary election.

Nov. 3 — General election.

T.S.T.A. To Meet Thursday Night

The meeting of the T.S.T.A. will be Thursday (tonight) in the homemaking department of the Sanderson High School at 7:30.

Dr. Allen Briggs, Sul Ross College, will speak to the group on "Programming".

Russell Martin Dies in Del Rio

Russell Martin, 67, died in a Del Rio hospital Wednesday morning after a lengthy illness. Ben Martin left for Del Rio after receiving word of his brother's death. Funeral services will be at 2:00 p.m. Friday in Del Rio.

Mike Bogusch, son of Mr. and Mrs. Roy Bogusch, fractured his left arm at the wrist in a fall at the skating rink Thursday evening of last week.

ernment controlled news service. Information is distributed in Russia through the Tass News system and it is all too evident how abysmally ill informed the Russian people are. Americans must all realize that if we are to protect our freedom then we must stand up and observe this National Newspaper Week.

Sweet Sour Pork Chops Go Modern With Canned Onion Dry Soup Mix

The tantalizing aroma of pork seems to go so naturally with brisk fall air. And pork, so wonderfully versatile, takes on even more goodness when turned into a Sweet and Sour Pork Skillet.

The basic delicious secret behind this easy-to-prepare dish is canned onion dry soup mix. Full of tantalizing old-fashioned flavor, the onion dry soup mix gets the inviting sauce off to a well-seasoned start. You add the vinegar, brown sugar, soy, mustard and other seasonings, the green pepper strips and canned pineapple chunks . . . and watch your family go for this up-to-date dish with the old world flavor.

In keeping with the taste and tone of the meal, serve individual bowls of fluffy white rice, and for crunch, strips of Chinese

cabbage and celery as relish. . . cups of good hot tea go along.

Sweet Sour Pork Skillet

- 4 pork chops (about 1 pound)
- 1 can (1 1/2 ounces) onion dry soup mix
- 2 cups water
- 1/2 cup sliced green pepper
- 1/2 cup pineapple chunks
- 2 tablespoons ketchup
- 2 tablespoons vinegar
- 1 tablespoon brown sugar
- 1 teaspoon soy sauce
- 1/2 teaspoon dry mustard
- 2 tablespoons corn starch
- Cooked rice

In skillet, brown chops; remove from heat. Add soup mix; gradually stir in 1 1/2 cups water. Add remaining ingredients except cornstarch and rice. Cover; cook over low heat 45 minutes or until tender. Blend 1/2 cup water and cornstarch; gradually stir into sauce. Heat, stirring until thickened. Serve over rice. Makes 4 servings.

LOCALS

Mr. and Mrs. Robert Weikel of Loraine, Ohio, visited here last week with Mr. and Mrs. Weldon Cox. They are parents of Mrs. Darrell G. Cox and had visited their daughter and son-in-law in New Orleans prior to

coming here. The Coxes took the visitors to the Sonora Caverns.

Mr. and Mrs. J. D. Kon and son and twin babies of Stillwater, Okla., were weekend visitors in the home of her grandparents, Mr. and Mrs. B. L. Van Cleave. Mrs. Florine Freeman and Mrs. Charles Martin and children of Pecos were also weekend visitors in the Van Cleave home.

Mr. and Mrs. W. D. O'Bryant spent the weekend at their farm near Brownwood.

Mr. and Mrs. B. L. Van Cleave

The many activities of fall call for more groceries, more laundry, more dry cleaning. Time is a precious item.

that's the word for flameless ELECTRIC COOKING

Once precision electric heat takes over the cooking jobs at your house, you'll find even your specialties turn out better! Surface cooking temperatures are accurately measured, just like other recipe ingredients. There's no draft of air into and out of the oven, so cakes and other baked foods rise and brown evenly. And, since electric cooking is flameless, it's as clean as electric light . . . wonderfully fast and automatic, too. See your electric range dealer soon and start cooking better . . . the modern, accurate electric way.

wise they leave you alone in your normal and decent pursuits of happiness.

Beware of people going around holding up bait in front of people.

Our comments about interstate highways and their effects on towns they went "through" were reprinted recently by our friend George Baker in The Pioneer at Fort Stockton. We hope that they were not taken by our friends there in a tone of "I told you so!"

We hope, too, that such a fate of being by-passed does not happen to our neighbor city.

Fort Stockton's existence has truly been advantageous to the people of Terrell County in many ways.

We used the illustration of the interstate highways to point out again, and in another way, the advantages we have of being on a transcontinental highway from which people may easily and with no effort drive into parking areas near any of our businesses.

We had rather have a larger number of cars stopping here

than going through, and we are sure Fort Stockton business men will strive for the same thing - with or without the interstate highway.

We have about the same feeling about an appendectomy - if you have to have it you try to reconcile the fact some way - but it's a lot better if you can get along without it.

Most knocking is done by folks who don't know how to ring the bell.

Presbyterians 'Family Night' Observed Last Saturday

Supper which was served on the patio was the main feature of "family night" observed at the Presbyterian Church Saturday evening. About 95 attended.

Rev. and Mrs. Ball Ray Moon of San Antonio and Rev. and Mrs. T. O. Perrin and daughter of Fort Stockton were guests.

Mrs. Manuel Villarreal and sons, Frankie and Manuel Jr. returned home last week from Susan, Calif., where they had visited her daughter, Mrs. Gustavo Varela, and family and with her son, Arnulfo Villarreal.

Theresa Kay Richardson
 Has Birthday Party Wednesday
 Mrs. T. L. Richardson invited a few friends to her home Wednesday morning to celebrate the fourth birthday of her daughter, Theresa Kay. A pink color scheme was noted in the decorations and refreshments of cake and punch which were served to the little guests, including Roxie Ann Harrell, Christy Burke, and Jenny Weyerts. Mrs. Johnny Weyerts and Mrs. J. F. Tronson were also among the guests.

Brucks Bader reported to Fort Eustis, Va., Wednesday to begin service in the U.S. Army as a second lieutenant, the commission which he received upon his graduation from Texas A&M College in June. He is the son of Mr. and Mrs. M. F. Bader, of Castroville, former residents.

Initiation Ceremony Last Monday For Local FHA Members

Last Monday evening the Future Homemakers of America met in the high school auditorium for formal initiation of new members. Special guests were the mothers of the girls and the high school faculty members.

On the stage was a table covered with a white cloth. On the center front was the national emblem of the organization and an arrangement of roses, the club flower.

The officers and eight guides were dressed in white, with accents of red. As each guide stated one of the purposes of F.H.A. she lighted a white candle from a burning red candle.

Refreshments were served after the initiation to those present. The new members initiated were: Vicki Allen, Patricia Dishman, Anabelia Escamilla, Yolanda Escamilla, Belia Barron, Beverly Farley, Sylvia Fierro, Ida Flores, Lucila Gaivan, Virginia Garcia, Kay Hatchel, Carol Johnson, Linda Louwien, Mirka Lopez, Pixie Mansfield, Nikki Northcut, Sylvia Olivares, Mary Pena, Vicki Rogers, Irene Spencer, Inez Villtrrel, Johnnie Winn, Cliftina Wrinkle, Nita Pinkard, and Elaine Rogers.

Methodist Laymen To Conduct Services Sunday Morning
 The First Methodist Church will observe Layman's Sunday at the 11:00 o'clock service Sunday, October 20, with L. R. Hall, charge lay leader, in charge and W. H. Goldwire, presiding.

Bill C. Cooksey will speak on the subject "Your Brother As Yourself", and J. A. Gilbreath will speak on the subject "Why I Believe in Christ".

Other laymen will take part in the service which is an annual observance in all Methodist Churches.

Among Our Subscribers
 New subscribers to the Times include Lowell Jessup of Barksdale, Mrs. David Wright, Jr., of Alpine, Pvt. Reid McClellan of Fort Polk, La., C. O. Walker of Ozona.

Renewals have come from Mrs. D. L. Duncan, Don Allen and Bob Allen of Sanderson; E. H. Jessup, Dryden; W. H. Nessmith, Van Horn; Giles Holmes and Nip Blackstone, Sheffield, Mrs. Geo. R. Barnes, Fort Riley, Kansas; Bud Ivy, Sealy, Texas.

Mr. and Mrs. C. F. Cox returned home Saturday from McAllen where they attended the state convention of the Soil Conservation Service. He is a supervisor of the Big Bend Soil Conservation District and also regional supervisor and went as a delegate.

Mrs. C. P. Peavy returned home Sunday from El Paso where she had been with her brother, Ed Pruett, who had major surgery. She came by Balmorhea to visit her daughter, Mrs. Thurman White, and family. She also brought Mrs. Lizzie Billings to Sanderson after she had spent a week in Balmorhea with her daughter, Mrs. Hollis Haley, and family.

Mrs. J. C. Wilcox is visiting relatives in California.

GALA BLUEBERRY PIE

Elegant looking and elegant tasting is this excellent Gala Blueberry Pie. It is a perfect ending for any celebration... formal or otherwise. Make it early - then at serving time, bring it to the table uncut. If you serve it with scoops of ice cream, prepare these ahead and freeze them... put them in a glass bowl and put this bowl into another larger bowl filled with ice cubes. Serve at table.

For the less formal dinner, try garlic-broiled chicken, baked potatoes with melted cheese... and a bright salad of sliced pickled beets, onion slices, ripe olives, garnished with sliced egg yolks, and served with a dressing. Serve plenty of iced, hot, coffee with the pie.

Gala Blueberry Pie
 1 package (3 oz.) black raspberry or black cherry flavor gelatin
 1 cup boiling water
 1 cup cold water
 1/2 teaspoon almond flavoring
 1 pint fresh cultivated blueberries
 1 baked 9-inch pie shell
 Vanilla ice cream or Sweetened whipped cream

Dissolve gelatin in boiling water. Add cold water and almond extract. Chill until slightly thickened. Fold in blueberries. Spoon into pie shell. Chill until firm. Serve with a scoop of vanilla ice cream, or whipped cream.

PERSONALS . . .

Mrs. Herbert Brown and her mother, Mrs. Bustin Canon, Mrs. Jack Turner and Mrs. Jack Riggs went to Alpine Tuesday for medical treatment.

Among those attending the law enforcement meeting at Rankin Tuesday night were Judge R. S. Wilkinson, Sheriff Bill Cooksey, Deputy Sheriff Dalton Hogg, Highway Patrolman Malcolm Bollinger, County Attorney Jack Hayre, W. H. Savage, W. C. Mitchell, Henry Scruggs, W. L. LaFleur, Game Warden Cliff Wilson.

Mr. and Mrs. Leslie Bell and daughters of Alpine spent Sunday here with his mother, Mrs. Cecile Bell, and other relatives.

Mrs. D. W. Vawter and infant daughter were brought home last Friday from an Alpine hospital where the baby was born on October 8th.

Mr. and Mrs. James Elroy Griffin of San Antonio are visiting with his sister, Mrs. Jimmy Merritt, and family at Dryden.

Mrs. Jess Fisher and Mrs. James Word visited in Stephenville last week-end with their sons, Bob Fisher and Al Word, who are freshman students at John Tarleton College.

Mr. and Mrs. Sam Draper of Del Rio were visitors here last week-end with her sister, Mrs. Tol Murrah, her brother, Hugh Rose, and their families.

Mr. and Mrs. L. G. Hinkle and son, Glen Bob, and Paul Nicolls were week-end visitors in Kermit with his parents, Mr. and Mrs. Glen O. Hinkle.

L. G. Hinkle took his mother-in-law, Mrs. Clyde Higgins, to Odessa Wednesday for her to have medical treatment.

Mrs. H. D. Price of San Antonio is visiting here with her daughter, Mrs. O. T. Sudduth, and family.

Mrs. W. J. Ferguson Jr. visited in Del Rio Monday with her mother, Mrs. Burk Rose, and her daughter, Mrs. Tom Smith, and family.

Mrs. Paul Hatem and Kim visited in San Angelo the first of the week with her parents Mr. and Mrs. Charles Poulter.

Mr. and Mrs. J. H. Denson returned home Saturday night from a 10-day visit with friends and relatives in LaMarque, Beeville and San Antonio. His mother, Mrs. Willie Mae Denson, of San Antonio accompanied them home for a visit.

J. E. Hill Jr. returned home Wednesday night from Houston where he had received medical treatment for ten days.

Ed Robbins returned home on Tuesday night from a Houston hospital where he had been receiving treatment for several days.
