SANDERSON, TEXAS, FRIDAY, NOVEMBER 8, 1963

NUMBER 40

LISTEN TO LUKE

We got a renewal from our good friend, Judge Brian Montague of Del Rio this week and a kind note from him regarding this column. Thanks a lot, Judge.

We have a copy of a column of the Valentine, Neb. editor that is the opinion of probably every newspaper man in the country. We will not publish all of it, because it does not do anything to win friends — but like the column points out, seldom do columns do just that!

"Publishing a hometown newspaper has many compensations, but being well-liked is not one of them."

"Everyone hates the editor. An editor who takes a firm stand on controversial issues, and tries to print all the news in an unbiased manner, may be respected (in a fair-minded community) but he will never be popular."

"Ways to incur the wrath of readers are: Disagree with them on a school issue; misspell their names accidentally; give one church more space than another; refuse to print an item so old it has long since ceased to be news; decline to work at night on a rush printing job for someone who would have ordered it out of town to begin with had he not been in a hurry; suggest on the 4th or 5th statement that you would like to be paid; decline to print all the personal letters, magazine articles, poetry, and other material people bring in; get poor reproduction from a poor picture, etc, etc, etc."

"We sometimes think what really irritates readers is the crusty old editor's steadfast refusal to drop dead."

The hospital issue will be voted on Saturday and it is a vote that could have a lot of bearing on things in Terrell County for some time to come.

We don't know of any step that we have taken personally or in any organization, or as a town, where we had an iron-clad guarantee of its success. This case is no different!

We have talked to many people, big tax payers, little tax payers, no-tax payers, and all are of the same opinion — their own.

There are pros and cons on all levels, and some for and some against in every strata of life and circumstances.

Personally, we have had some doubts about the wisdom of such a step, and we have seen, also, some advantages in the possibility.

We come up with this opinion — for whatever it's worth — the possibilities seem to outweigh the disadvantages.

We heard only this week of a local couple who stated their intention of furnishing one of the rooms if the project is accepted.

We feel that such acts as this, a community-wide effort toward the ultimate success of the venture, doing what we can when and where we can, always working only for its success, it can be accomplished, it can be beneficial, and it can be worthwhile.

But only with an attitude of unselfish service on the part of lots of people.

Poppy Sales Is Slated Monday

Mrs. L. W. Welch, chairman of local Poppy Day sales Monday, announced that members of the American Legion Auxiliary and Junior Auxiliary will be selling poppies all day Monday, a tie-in with the observance of Veterans' Day.

Coffee and cake will be sold all day Monday in the Community Public Service Co. office and all proceeds of the day will go to aid the veterans in the hospitals of the nation.

Pictured aboard the SS Matsonia in Los Angeles harbor on October 9, just prior to departure for a cruise to Hawaii, are Mr. and Mrs. W. R. Stumberg.

They returned home Sunday after spending several days in El Paso with their daughter, Mrs. Richard Drake, and family en route home. They were gone for a month.

World Community Day Observed At Presbyterian Church

The women of all the churches in Sanderson were invited to the Presbyterian Church Friday afternoon to a special service in observance of World Community Day. A large crowd attended.

The program was arranged by Mrs. David Mitchell, world mission chairman of the Presbyterian Women of the Church, who gave the devotional. Mrs. E. H. Jessup, president of the WOC, extended the welcome.

Mrs. R. S. Wilkinson was the organist and accompanied Mrs. Paul Hatem who sang "The Lord's Prayer". Mrs. Cruz Marquez read the Bible passage after Mrs. Irvin Robbins had led the opening prayer. Mrs. James Word gave the dismissal prayer.

The women were invited to Fellowship Hall for the social hour. Brass appointments were on the cutwork linen-covered table where an assortment of finger sandwiches, cookies, mints, tea, and coffee were served. Yellow chrysanthemums, roses, and grapes were beautifully arranged for the centerpiece on the table and at vantage points in the hall.

Officers Warn Unlicensed Drivers

Local officers, both the sheriff's department, and highway patrol, asked The Times to issue a warning to all parents concerning their permitting their unlicensed children to drive a motorized vehicle.

The officers stated that the violations had become numerous and frequent, according to reports and observations, and that steps would be taken to prevent their repetition unless parents did so.

The officers stated that they felt that parents should familiarize themselves with the law concerning the operation of any motorized vehicle by unlicensed operators and to assist them, in seeing that the laws were upheld.

Vote Due Saturday On Hospital Bonds, And Amendments

Terrell County residents who are qualified to vote in regular elections and on bond issues will have the privilege of exercising that right Saturday. Two ballots will be available for many voters in the county, and one ballot will be given to all qualified resident voters.

The four proposed constitutional amendments will be up for approval or disapproval to all qualified resident voters. Much publicity has been given to the proposals on a state-wide scale in an effort to enlighten the voters on the issues involved.

The proposals include the abolition of the poll tax as a requirement for voting, to raise the welfare payments to certain individuals and increase eligibility limits, authorize Jefferson County to establish retirement, disability and death compensation for appointive officers and employees; to increase the Veterans' Land Fund by \$150,000,000.

Certain other people will be qualified to vote on the issue of \$140,000 in bonds for the construction, maintenance and operation of a hospital in Terrell County.

Polls will be open at 8:00 a.m. and will close at 7:00 p.m. Voting will be at the courthouse in Sanderson, at the Dryden school, at the Sid Harkins ranch, and at the community house at the gas plant in each of the respective precincts.

The local officers extended a cordial welcome to all interested persons to drop by any time during the morning for an inspection of the buildings and to visit.

Open House At New Building For Border Patrolmen

Everyone in the community is invited to attend an open house Wednesday morning from 9:00 to 12:00 noon at the new facility for the local Border Patrol unit.

The new buildings are located on U.S. 90 just west of the Oasis Restaurant.

The local officers extended a cordial welcome to all interested persons to drop by any time during the morning for an inspection of the buildings and to visit.

Mrs. J. M. Turner Jr. Buried in Sheffield

Funeral rites were held in Alpine last Thursday for Mrs. Julia Irene Turner, 58, of Texas City who died in a hospital in that city on Sunday, October 27. Graveside services were held that afternoon in Sheffield where interment was made.

Mrs. Turner, the former Julia Irene Harper, was a former Sanderson resident, but had been residing in Texas City for about 27 years.

She is survived by her husband, J. M. (Babe) Turner Jr., son of Mrs. J. M. Turner of Alpine; three sons, J. M. Turner III, Texas City, Maj. Chas. Turner of the US Air Force in Washington, D.C., Dr. B. L. Turner of Austin; five grandchildren and two great-grandchildren; her mother of Texas City, two sisters and two brothers.

Attending the funeral services from Sanderson were Mr. and Mrs. M. G. Northcut Jr., Mrs. W. R. Turner, Mrs. Jim Turner, and Clifford, Mrs. Olin Smith, Mrs. L. H. Fletcher, Ervin Grigsby, and Tommie Turner.

Clarence Chandler Named SCD Zone 5 Supervisor

Clarence Chandler was re-elected as supervisor from zone five in the Rio Grande-Pecos River Soil Conservation District at a regular election October 31.

Chandler, who has been a supervisor for several years, will serve a five-year term.

In his supervisory capacity, he will work toward the ultimate goal of the district, which is: the use of each acre of agricultural land within its capabilities and the treatment of each acre of land in accordance with its needs for protection and improvement.

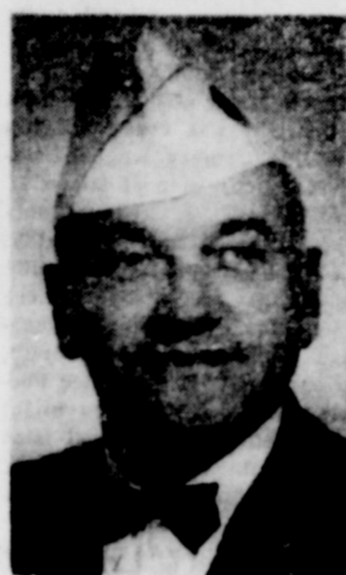

Boy Scout Re-Organization To Be Monday Night

The reorganization meeting of Boy Scouts, Troop No. 160, will be Monday night at 7:30 at the Scout House, according to Ronald Carroll and Tilden Stewart.

All boys who have been Boy Scouts are asked to wear as complete a uniform as possible.

The leaders stated that plans for an overnight campout would be discussed.

Memorial Service To Be Monday

Pete E. Turner, guest speaker.

The Clarence Hallie Mulkey Post of the American Legion has planned a memorial service for Veteran's Day, November 11.

The public is invited to attend the service which will begin at 11:00 a.m. in the high school auditorium. The pupils of the junior high school and high school will be dismissed for the hour to enable them to attend the service.

The guest speaker will be Pete Turner of Midland, past commander of the American Legion, Department of Texas, who has been here on several occasions.

After the service a wreath will be placed at the War Mother's Memorial on the courthouse block.

Children Get \$100 In UNICEF Drive

Fifteen children, members of Mrs. W. G. Downie's Pioneers, a Sunday school class at the Presbyterian Church, and Mrs. J. A. Gilbreath's No. 2 junior class from the Methodist Church, participated in the drive last Wednesday evening for contributions for the United Nations Children Fund, better known as UNICEF. The project, sponsored by the Sanderson Culture Club, was considered successful with \$100 contributed as the children knocked on doors of the community.

Culture Club members also provided cars to drive the children around town.

After the collection, the children were taken to Fellowship Hall of the Methodist Church for games directed by Mrs. Gilbreath, and refreshments. Jack-o-lanterns, fall flowers, and a cornucopia filled with Halloween candy, cookies, decorated the table covered in a green cloth. Punch was also served.

Math Workshops Continue

A third in a series of math workshops was held Tuesday afternoon in the elementary school. This session "New Approach to Teaching Arithmetic in the Elementary Grades", was presented by Mmes. Malcom Bolinger, Gentry Holmes, Reid McClellan, W. J. Morris, and J. A. Wilborn, all teachers in the elementary school.

Others present were H. L. Richardson, superintendent, and Dudley Harrison, school board member.

Principal J. D. McDaniel extended his appreciation to the following persons who substituted for the teachers during the workshop: Mmes. William Burk, Gene Litton, R. E. Sheppard, T. J. Stewart, and F. M. Wood.

Travis Williams On Dean's List

Travis Williams is on the dean's list at New Mexico Military Institute for the first six weeks, according to information received this week. He has a grade point average of 3.2.

Travis is a high school senior at the school and is the son of Mr. and Mrs. J. T. Williams.

Eldorado Wins 59-19 Here; Eagles To Play Ozona There

The Eldorado Eagles worked their new-found cousins over by a 59-18 score here last Friday night in a conference football game. It was the first meeting of the two teams; and the last conference game of the season on the local gridiron.

The Eldorado scoring came as follows:

In the opening period Sanderson received the first kick off and in the first series of downs fumbled the ball and Eldorado recovered on Sanderson's 34-yard line. Then they moved from there to the 2-yard line from where Lynn Meador scored and Marvin McAngus kicked the extra point.

On the ensuing kick-off, the ball was received by Sanderson about the goal line and returned to about the 8-yard line where the ball was fumbled again. Jack Montgomery carried over from there on the next play and McAngus again kicked the extra point.

Funeral Rites For P. E. Dishman Sr.

Funeral rites were held last Thursday morning in the Presbyterian Church for P. E. Dishman, Sr. who died Tuesday in a San Antonio hospital.

Pall bearers were Troy Druse, Herman Halsell, Herbert Brown, H. A. Mullings, Ernest Harkins, and Gene Litton.

Mr. Dishman was born March 21, 1898 in Bloomington, Texas. He came to Sanderson immediately after his discharge from the U.S. Army in 1917 and on August 18, 1898, he was married in Sanderson to Miss Laura Nance. To the union were born P. E. Dishman Jr., of Ardmore, Okla.; W. H. Dishman, Sanderson, Al Dishman, of Uvalde, and R. J. Dishman of San Antonio, all of whom survive. Also surviving are eight grandchildren; a brother, Harry C. Dishman, Bryan; a sister, Mrs. Sarah Myrl Johnson, Houston and several nieces and nephews.

He was a member of the Christian Church and American Legion.

The Dishmans moved to Bryan from Sanderson in 1950 and later to Del Rio.

Burial was in Cedar Grove Cemetery under the direction of the Lawrence James Funeral Home of Ozona.

Out-of-town relatives and friends here for the funeral included Mr. and Mrs. H. C. Dishman, Charles Dishman, Mrs. P. C. Dishman, Miss Louise Dishman, Mrs. H. E. Dishman, all of Bryan; Mrs. A. A. Johnson, Jack Johnson, Houston; Mr. and Mrs. H. W. Halsell, Mrs. H. H. Stokes, W. A. Nunn, El Paso; Mr. and Mrs. J. S. Nance, Sierra Blanca; Mrs. Col Coates, Fort Stockton; E. A. Engel, Uvalde; Mrs. Bernice Savell, Sonora.

Party Honors Gwyn Mansfield To Observe 12th Birthday

To honor her daughter, Gwyn, on her 12th birthday, Mrs. J. A. Mansfield entertained with a party in her home and then took the guests to the theatre.

Tuna sandwiches, potato chips, punch, and the birthday cake was served to the guests, including Gina Hardgrave, Elizabeth Turner, Sandra Rogers, Barbara Brown, Debbie Northcut, Carolyn Wilson, Brenda Carter, Candace Cooksey, and Marsah Monroe.

After supper, games were played with prizes going to Barbara Brown and Brenda Carter.

Pixie Mansfield, the honoree's sister, assisted in the hostess duties. Her grandparents, Mr. and Mrs. M. G. Northcut, were also present.

On the next kickoff, the ball was returned to about the 35 where another fumble occurred. The Eldoradoans worked the ball down to the 2-yard line again and McAngus ran over for the TD and kicked the extra point. The quarter ended with Sanderson owning the ball on their 44-yard line and their first down of the game.

On the opening play of the second frame, Sanderson got the ball to Eldorado 46 and two successive penalties of 15 yards put the ball on the 16 and John Ed Robbins ran over from there on the first play. The conversion of the point-after was not good.

Eldorado broke loose again when McAngus went 45 yards for a TD and the running play for the two extra points failed.

Sanderson received the next kickoff and fumbled on the third down and recovery by Eldorado put them on the march again. A pass play to the 5-yard line set up the next TD which was made by Ronnie Williams from the 2 and McAngus kicked a good one.

Following the next kickoff, Sanderson was unable to move beyond their own 20 and punted. The punt was blocked and Eldorado got the ball on Sanderson's 13. The Sanderson team held and a field goal attempt, which was good, was tried by McAngus, bringing the halftime score to 37 for Eldorado and 6 for Sanderson.

The third quarter was similar to the first quarter, minus a Sanderson score. McAngus kicked a field goal early in the third period. Later Sanderson got the ball and was pushed back from the 45 to the 20 on penalties and lost yardage. The local Eagles tried a punt on the 20 which was blocked and recovered in the end zone by Eldorado for six points. McAngus made the extra point good on a kick.

In the following series Sanderson was forced to punt again and Eldorado went from their own 35 to the goal line on four plays with Charles Nixon going over from the 9. The run effort for the PAT was no good.

Sanderson owned the ball at the end of the third period on their 45 yard line with 1st down coming up.

On the third play of the last period John Cates went 41 yards for the second Sanderson tally. The PAT try was no good. Cates had switched to a halfback position with Travis Harkins the quarterback.

The Eldorado team received the kickoff and went goalward to the 6-yard line from where Nixon went over and the extra point try failed.

The next kickoff was received by Sanderson on about the 5-yard line and they went to the 31 on two plays and Cates broke into the clear again for a 69-yard run and touchdown. The run try for two points was no good.

The Eagles will be in Iraan this week and looking for their first conference win. Iraan is also winless in conference play.

Supt. Richardson Reports On Progress Done This Year

The Terrell County Independent School District is one of the largest businesses in Terrell County, having physical assets valued at more than \$2,000,000.00 with a monthly payroll in excess of \$17,000. Like any other business there is a never-ending need for change, repair, and improvement of the physical plant, as well as the instructional program. So reads a report to the people of the county made by Supt. H. L. Richardson.

The report continues: "Realizing the pressing need for repair and improvement, the board and administration spent considerable time to determine the needs and considering the methods of financing such expenditures. The program as eventually determined, involves a four or five stage program spread over as many years, thus enabling the accomplishment on a cash basis, and thereby saving the interest which would have accrued on a bond issue. This proposed program was briefly presented to the tax people for the railroad, the oil and gas industry, as well as the tax equalization board and was well received by them.

The 1963-64 budget was prepared and adopted accordingly and the following improvements have been accomplished to date.

1. The steam line between the junior high building and high school building has been replaced and repaired to provide adequate heat.
2. Seating has been installed in the gymnasium to provide for more comfortable seating for basketball, pep rallies, and other activities in the gym.
3. Glass backstops have been installed in the gym, making our playing area on a par with other schools in our district.
4. Storage has been provided for individual class basket racks, thus separating equipment of the physical education classes.
5. New doors have been installed in the front of the high school, replacing those which had rotted out.

6. A new walk has been constructed to the front doors of the high school from the front walk.
7. New student and teachers' desks have been provided for the junior high school.
8. Lockers have been provided for the junior high school, thus eliminating the confusion caused by storing books and materials in the classrooms.
9. The junior high school library has been moved to another room, additional shelving and tables have been moved in to make the room more attractive and serviceable.
10. The band hall has been moved to the Lamar School, providing room needed to spread the band and storage for the instruments. The marching practice does not disturb other classes as it did on the junior high grounds.
11. Wood seat boards have been installed in the area provided for the band at the football field in an effort to cut down on the wear and tear of band uniforms.
12. The football field has been renovated and resodded and additional parking facilities provided. (Most of the work having been done by the Booster Club and other volunteer help.)
13. Repairs have been made to the band uniforms and some replacements made at an approximate cost of \$1,000. This has been done by the Band Boosters at no cost to the school.

Large Crowd Sees 'Country Fair'

A large crowd attended the "Country Fair" given by the Ranch Home Demonstration Club Monday afternoon. Mrs. H. P. Boyd, the general chairman of arrangements and Mrs. E. H. Jessup, president, welcomed the visitors.

Booths were arranged in the Legion Hall for the exhibits in keeping with the theme. Several local clubs and organizations had displays pertaining to their achievements and the art work and background material of several were of high quality.

On tables arranged for display were handwork, fancywork, baked goods, canned goods, candy, ceramics, sewing, oil paintings and many other arts and crafts by local people and members of the Langtry Hobby Club.

The bar and area in the back of the hall was converted into "Ye Olde Country Kitchen" under the supervision of Mmes. H. B. Louwien, O. J. Cresswell, Ray Caldwell, W. C. Mitchell, and F. G. Grigsby. Bright red and white oilcloth was on the bar where lighted lamps, crocks, old-fashioned irons, a churn, coffeemill, and other antiques provided decorations. A large wooden bread bowl filled with colorful fruit and vegetables was a center of interest. Punch, coffee, and cookies were served.

Balloons helped to provide a "fair" atmosphere, also decorations of crepe paper streamers. A large carnucopia, autumn flowers and trailing vines, and fruit were artistically arranged on the mantel with pumpkins and a large potted ornamental pepper in the foreground.

A fortune-telling booth was open all afternoon.

A demonstration of lighting in the home with emphasis on Christmas lighting was given by Mrs. Peggy Walters, home economist.

**NEW CHEVELLE!
BY CHEVROLET**

The kind of handling ease you'd expect in a smaller car. Come on down and drive it.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

Only a car that looks as good as this could come between Chevrolet and Chevy II. Come on down and stare at it.

New Chevelle Malibu Sport Coupe

Now—Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses*!

And if that makes you think this is one frisky car, you've got the right idea. You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.

With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the

way it muffles noise and cushions bumps.

And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.

Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price! Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

Card of Thanks
 In behalf of the school administration and the Sanderson Booster Club, we would like to express our sincere appreciation to Everyone, who in any way contributed to the renovation of the football field and to providing and improving the parking facilities, especially the parking area north of the field. The convenience of the parking, I'm sure, has increased attendance at our games and the condition of the playing field has no doubt reduced the number of injuries. Thanks again for your aid and support.
