LISTEN TO LUKE

Well the political pot has started to boil. We have received word from several candidates in the U.S. Representative race that they want to know our fees for listing their names as candidates and our advertising rates. It seems that all of the candidates have gone into the race running full steam.

We have gotten enough publicity from some of those candidates to fill a large basket, but this is the first indication that we have had that any of them planned to pay for its being printed.

Newspapers are peculiar in that they have nothing to sell but space occupied by a printed word or picture. Without that there would be little revenue, indeed.

Some people sell groceries or gasoline, or rooms for night, or food, but we sell space for advertising.

It is news to us and to you and to our mutual interest to publish the names of the candidates for the various offices. But when they want to tell you something to try to influence a vote, that is advertising and we treat it as such.

We don't necessarily vote for the man that buys the most advertising space, nor do we condemn the candidate who buys none. It's all a matter of choice — with them and with us.

Local politics got off to a big start with a great amount of interest shown in the school board race coming up in April.

Several people that we know of have stated that their curiosity has been aroused and that they are going to go look at some records, and we hope that they have, or will.

There is no person here who is able to quote facts and figures — all of them — without referring to the records, so it is well that individuals go themselves and see what the records state.

We have heard rumors of the taxes assessed, the collections made, the valuations assessed, the revenue by taxes, the expenditures for this and for that. We have heard of what certain laws say about certain things, about what records state, or that thus and so was the action taken.

We have heard stories of the salaries of commissioners and fees of JPs.

The records reveal all of these facts and they are no secret — or they shouldn't be.

All of the reasons as to why the county commissioners — for example — authorized the purchase of the ambulance, and appointed a committee for its operation.

Jr. High Playoffs To Begin Feb. 15

The play-offs for the championship of the intra-mural program of basketball in the Sanderson High School, will begin at 10:00 a.m. Saturday, according to F. H. Goodyear, principal.

The second and third place winners will play for the privilege of beating out the first place winners for the trophy.

In the girls' division, the T-stars and the Thunderbirds will meet Saturday at 10:00 a.m. and the winner will meet the first-place winner, the Roadrunners at 7:00 p.m. Saturday, February 22.

At 1:30 p.m. Saturday, the Mighty Mites will play the Globetrotters for the chance to play against the Bluetrotters, boys' teams, on Saturday night, February 22, at 8:00 p.m.

There will be no admission charge for the games on February 15, but admission charges will be made for the finals on February 22, according to Mr. Goodyear.

Ernest Haass, 59, Former Resident, Dies In Alpine

Funeral services were held in the Grace Lutheran Church of Del Rio last Thursday afternoon for Ernest Haass, 59-year-old SP roadmaster, who died in an Alpine hospital Tuesday afternoon following a heart attack the preceding Friday. Graveside rites were under the direction of the Masonic Lodge and burial was made in the Masonic Cemetery.

He was born in Castroville on August 26, 1904. He was a former resident of Del Rio when he was section foreman at Devil's River for many years before moving to Sanderson and then to Alpine.

He is survived by his widow, Mrs. Lola Haass; a son, Charles E. Haass, and two grandsons of Houston; also two brothers and four sisters.

Among local residents going to the funeral services were Mr. and Mrs. J. O. Little. Mr. and Mrs. Ray Clifford and daughter; H. P. Boyd, J. F. Tronson, W. H. Savage, R. S. Wilkinson, Mrs. J. C. Halbert and Mrs. Grace Wheeler.

New Arrivals

To Mr. and Ms. Manuel Maldonado was born their second child, a son, Manuel Jr., on January 21. He was born in the Lackland AFB Hospital in San Antonio and his birth weight was five and one-half pounds.

Mr. and Mrs. Jose Rivera are the maternal grandparents and Mr. and Mrs. Jose Maldonado are the paternal grandparents.

Carlton White's Aunt Dies

Mr. and Mrs. Carlton White returned home Monday morning from Carrizo Springs where they attended funeral services Sunday afternoon for his aunt, Mrs. John White. Mrs. White, who was 95 years of age, had resided in that city for 55 years and was instrumental in helping to get a Methodist Church organized there in 1909.

Her only survivor is a son, Cecil White, of Carrizo Springs. En route home, the Whites visited in Crystal City with his aunt, Mrs. J. G. Juvenal.

Randy Richardson Has Party On 9th Birthday Anniversary

Mrs. T. L. Richardson entertained with a birthday party at her home Thursday afternoon to honor her son, Randy, on his 9th birthday.

Cake and punch were served after a period of games.

The guests included Tol Burk Ross Dunn, Nelson Cooke, Theresa Richardson, Chuckie Hill and Dwight Tronson.

Correction

We stated last week that M. G. Northcut had said there would be no Democratic primary in Terrell County. We should have reported him as saying there would be no Republican primary in Terrell County.

Preliminary Work Being Done At McCue Wells Site

Some preliminary work is being done at the site of the water wells recently acquired from the Lee McCue estate north of town. The electricity to operate the pumps is being run to the well sites, and testing of the wells will be done before tanks and transmission pipes are bought and installed.

Jimmy Caroline, local water district manager, said that every effort is being made to have the wells in operation before the beginning of summer weather.

World Prayer Day To Be Observed Friday Afternoon

World Day of Prayer will be observed here with a service at the Presbyterian Church Friday afternoon beginning at 4:15 p.m. Everyone in the community is invited to attend. A nursery will be provided for small children.

Mrs. W. H. Savage will lead the program. The offering will help to support 12 women's colleges in Africa and Asia; provide attractive Christian literature for women and children in Asia, Africa, and Latin-America; make possible a friendly hospitality for students coming from overseas; provide ministries of concern to migratory laborers; provide religious directors for Indian youth and assistance in transition to urban life.

Beginning in the islands of the Pacific, a stream of prayers will flow around the world on that day until it reaches the outermost islands of the Pacific. At the service here, those attending will join in prayer with Christians around the world on the World Day of Prayer.

Joe Little Reports Gains In Operations of Company

J. O. Little, local agent for special plans of insurance for transportation industry employees, announced that his company had made outstanding gains in all phases of its operations during last year.

Assets increased by \$31-million, a gain of \$454-million in insurance in force and new sales of \$562-million.

The company also has a health insurance plan.

Two More Seek School Posts

Two more candidates have entered the race for trustees of the Terrell County Independent School District, according to S. D. Harrison, secretary. They are Santiago Flores and Albert Weigand.

Flores is the distributor here for a dairy company and Weigand is the operator of a motel.

Area Residents Given More Facts About Diabetes

Diabetes is a condition in which your body does not have enough insulin to use properly the sugar you get from the food you eat. As a result, extra sugar collects in the blood. Some of it may overflow into the urine. Too much sugar in the blood as well as sugar in the urine are signs of diabetes.

Diabetes can be found and brought under control in its early stages. Although a cure for it has not been discovered, no other chronic disease can compare with diabetes in the change it offers for a normal life. Given benefits of modern medical treatment, diabetics do the same thing as non-diabetics. They can eat the same foods at the same places, perform the same work, and play the same games. But they must take some extra care of themselves.

When a diabetic takes this extra care, he will not be cured, but he will be able to live as fully as the non-diabetic.

Diabetes can be controlled through the use of insulin or other medication, proper diet, and exercise as prescribed by a physician to fit each individual diabetic's needs.

Insulin, used to bring the body's supply up to normal, cannot be taken by mouth because the digestive juices destroy it. It is, therefore, injected under the skin. There are also several kinds of drugs which are taken orally. They are not insulin tablets, but they are capable of lowering the blood sugar in some diabetics if coupled with strict control of diet and exercise.

Eating the right foods at regular times helps keep the body in good working order. A diabetic can eat almost the same foods as the other members of the family — milk, eggs, cheese, meats or fish, fruits, vegetables, bread, cereals, and fats.

Exercise in the form of work and play is important for the person with diabetes. A normal amount of regular exercise increases the ability to use food and lessens the amount of bottled insulin needed.

Early discovery and continuing medical supervision are the key to success in combating diabetes. Everyone over 35 years of age should take advantage of the screening program on February 26 and 27 at the Legion Hall from 1:00 to 3:00 p.m. and from 6:30 to 9:00 p.m. There is no charge for the test.

Cage Game Here To Benefit Local Child's Hearing

A basketball game to be played Saturday night in the local gym will benefit a local child by furnishing him with a hearing aid, according to Perry Martin publicity chairman for the local Kiwanis Club.

The game will be between members of the local Kiwanis Club and a team from Ozona and all of the proceeds will go toward buying the hearing aid for the local child, whose parents are unable to furnish him with the needed device, according to Mr. Martin.

The game will begin at 8:00 p.m. and the cooperation of the public is earnestly solicited.

Eaglettes Split Two With Marathon There Tuesday Night

The Sanderson High School Eaglettes went to Marathon Tuesday night and split a pair of games with the girls there.

Coach Don Carper stated that Susan Couch and Eloise Farley, two of his starting first-string guards, were unable to make the trip due to illness, but the A team won by 40-35. Pam Stavley accounted for 21 points to win high scoring honors; Linda Babb had 12 points, and Pixie Mansfield had 7.

The guards were Arabella Lopez, Carla Dunn, Irma Galvan and Bonnie Fisher.

In the B-team game, the local girls lost by 28-21.

Vicky Rogers won high-scoring honors with 11 points. Inez Villarreal had six points and Rosa Chalambaga had four. The other girls who made the trip and played were Mary Penz, Linda Louwien, Catarina Picaso, Beverly Farley, Judy Riggs, Virginia Garcia, Belia Barron, and Irene Spencer.

The girls have an open date Friday and Tuesday night of next week will meet Eldorado in Iraan.

The Eaglettes have cinched a second place standing in district competition, regardless of the outcome of the game next week.

April 15th Is Deadline for Vehicle Inspection

April 15th is the deadline for having your motor vehicle inspection certificate on your car warned Major Leo E. Gossetti, commander of the 49 county West Texas Region of the Department of Public Safety.

Captain M. R. Hammett, who heads the vehicle inspection service for this area stated, "Our records show less than one-third of the vehicles in this area have been inspected since the new inspection year began September 1, 1963, and this means several thousand vehicles must be inspected in the two months remaining."

All motor vehicles are required to display a valid inspection certificate on or before the April 15 deadline. Those who fail to comply with this law are subject to a fine of not less than \$1 and costs or more than \$200 and costs.

"May we encourage our motorists in this area to go in now and have this safety inspection made as there are sure to be long lines waiting before the deadline," Hammett said.

A & B Braves Teams Win Over Eagles

The A and B teams of the Iraan Braves basketballers won two games here Tuesday night from the Sanderson Eagles.

In the first game, Sanderson lost 54-27. The Braves jumped off to an 18-5 first period lead, with a 28-17 half-time score. During the third frame the Eagles were able to score only 1 point, but hit for nine in the last frame.

Iraan's scoring was 18-10-10-18. Iraan's height gave them control over the backboards and accounted for some of their scoring accuracy. Sanderson was unable to work the ball in close and had to depend on outside chances for baskets.

Travis Harkins hit for 12 points, Steve Harkins had six; Tommy Gray and Joe Mendez each had four; Bobby Torres hit for three, Ernie Ayres, Juan Barron, and Terry Whistler were the other players.

In the A game, accuracy and board-control also was the difference in the 27-61 loss for the Eagles. Sanderson had a 12-5 deficit at the end of the first frame, 29-38 at half-time.

John Cates and Oscar Marquez both had six; Jack Bogusch four; Rudy Arredondo had three; Harry Harkins, David Hardgrave, and Tommy Weigand each had two points. Butch Jones and Wally Welch also played.

Funeral Services Here Monday For Mrs. Stella Mussey

Funeral services were held in the First Methodist Church Monday afternoon for Mrs. R. B. Mussey Sr., who died in a Big Spring hospital Friday following a long period of failing health. Rev. John W. Byrd of Van Horn, a former pastor of the First Presbyterian Church in Sanderson, officiated at the rites and burial was made in Cedar Grove Cemetery. The body was brought to Sanderson in a funeral coach from Big Spring Monday morning and funeral directors from that city were in charge of arrangements.

Pall bearers were James Caroline, James Word, W. D. O'Bryant, Greene Cooke, J. D. Nichols, and Albert Dale of Odessa.

Mrs. Mussey had been in the state hospital for the past three and a half years. She was born in Sonora on October 10, 1895. On November 30, 1915, she was married to Reuben Mussey Sr., and they had resided in Sanderson for 50 years.

To the union was born a daughter, Mrs. Eno Prejean of Groves, and three sons, R. B. Mussey Jr., and Joe Mussey of Groves, and Dick Mussey who was killed in an airplane accident in 1945.

Survivors also include her husband; two brothers, Lawton Parker, Rodeo, N.M., and Millard Parker, Sanderson; two sisters, Mrs. John Clark, Sanderson and Mrs. C. F. Bode of Sonora; six grandchildren, John Richard and Reuben Mussey of Mineral Wells, Judith, Stephen, and Richard Prejean of Groves, and Bruce Mussey of Pecos.

Mrs. Mussey was a member of the Methodist Church.

dramatic beginning to a political year that opened with relative calm.

A ruckus over the would-be S. Senate candidacy of McAllen Congressman Joe Kilgore, and Governor Connally's last-minute hesitancy about running for reelection, highlighted the filing deadline spectacular.

Kilgore decided not to run against U.S. Senator Ralph Yarborough, Connally acknowledging that he had considered retirement, went ahead and filed for a second term.

Conservative Democrats boiled over the Kilgore incident, said it might result in a second Republican senator from Texas.

Jack Cox, the GOP's 1962 candidate for governor against Connally, was a surprise entry in the Republican Senate contest — at five minutes before deadline.

The Republicans fielded a complete slate for state offices (except judicial) and congressional races.

Connally ended up with opposition from liberal Don Yarborough of Houston, Mrs. Johnnie Mae Hackworth of Brenham and Rev. M. T. Banks of Beaumont, a Negro Republican candidate for Governor are Jack Crichton of Dallas and Harry Diehl of Houston.

Yarborough is opposed by Democrats John Van Cronkrite and Gordon McLendon, both of Dallas. Cox and George Bush of Houston, and Dr. Milton V. Davis and Robert Morris, both of Dallas, are the GOP Senatorial candidates.

Thirteen of Texas' 23 Congressmen escaped opposition in their own primaries, but for the first time in history there will be a Republican to deal with in every district in November.

"Instant" Hospitals
The State Health Department is keeper of some 92 storehouses of medical and treatment supplies (furnished by the federal government) which could be converted into hospitals almost instantly in the event of disaster.

Eleven more "hospitals" are expected to be added to the list this month, and a master plan calls for 450 of these facilities eventually. The State Health Department is directing the Civil Defense Emergency Hospital program, and encourages local authorities to provide the needed storage space.

Business Improves
The 1963 index of Texas business activities was up 5.4 per cent on the average month level over the previous year, according to The University of Texas Bureau of Business Research.

Amarillo, Austin, and Beaumont showed highest gains. They were followed closely by Corpus

Christi, Houston, Fort Worth, Galveston, and Waco.

No city showed a percentage decline.

Bureau predicted that 1964 will be another good year as far as personal income and business activity is concerned if the federal income tax bill now in the Senate is passed.

Short Snorts
The Texas Tourist Development Agency awarded its \$250,000 advertising contract to McCann-Erickson, Inc., Houston advertising agency.

Texas Liquor Control Board collections for December amounted to \$40,701 as the result of 509 convictions and 77 jail terms for liquor-law violations.

Texas Land Commissioner Jerry Sadler ordered a full investigation when he learned that seven oil wells on a state lease in Gregg County had been plugged without his approval.

Texas State Teachers Association president, Mrs. Elizabeth

Little of Corpus Christi, said public school teachers in the state this year will receive a salary almost \$600 below the national average; teachers group has voted to fight for a salary increase when the 59th Legislature meets.

Governor Connally authorized the removal of the three remaining Confederate widows now housed in the Confederate home for Women in Austin to a "first class" nursing home, where he said they would receive better treatment and at less expense to the state.

Banks in El Paso and Burkburnett were granted charters by the State Banking Board while application of Jacinto City State Bank was declined, and action again was postponed on bids for two new banks in Midland.

Excise taxes collected on cigarettes in Texas last month came to \$7,300,000, up from \$7,200,000 a year ago, despite U.S. Health Service warnings about evils of smoking.

Texas schools have been urged by the governor to give special emphasis to the state song, "Tex-

as Our Texas" during Public Schools' Week, March 2-6, and Texas Historical Period, March 2-April 21.

Speed, drinking and wrong-

side driving are three main factors in fatal traffic accidents, Department of Public Safety Director Homer Garrison Jr. told traffic courts conference.

E. E. Harkins Explains Views For Voters

To the Voters of Terrell County Independent School District:

Some of you might have noted in a recent Sanderson Times the announcement of my candidacy for School Trustee in the coming election which is to be held on Saturday, April 4, 1964. It is my feeling that the voters of this county are entitled to more than an announcement in the paper and a name on the ballot. I think that this is a very responsible office and much serious thought should be given before anyone scratches a name from the ballot or leaves one untouched. For that reason I wish to take this opportunity to make my feelings known to all interested parties, which should be everyone.

Recently, I was encouraged by some of my friends to run for this office. After determining my eligibility and after having given the matter much serious thought, I have decided that, as a father of three school-age children, a husband of a teacher, and a tax payer of this county, I have more than just a casual interest in our school and that I would run for this office.

I think that, if elected, you should know what group I would represent or individuals I would represent. I would like to emphasize that I will not represent any particular group or individuals, I will give the same representation and consideration to our railroad employees, our merchants, both in Sanderson and Dryden, our people from the gas plant, our ranchers, and all others, in all matters that are of the best interest of our schools.

As you know, I have never had any previous experiences as a school trustee and I certainly do not believe that I am capable of running a school single-handedly. I do have some ideas and thoughts and I feel that they should be made known before even my closest friends could consider supporting me.

If elected, I will familiarize myself with the policies of the school that I don't already know. I will learn the duties of a trustee and never let myself go beyond those limits.

I will attend the meetings with an open mind and never let personal feelings dictate to my better judgment or influence any decisions that I might be called on to make. Any differences of opinion with other members of the board on matters that do not concern school business should not be brought to board meetings, and won't as far as I'm concerned. There is not a member on the present board nor was there a member on any board in the past nor will there ever be a member of a future board that I would not willingly work with where the well-being of the school is at stake. In other words I do not believe that our schools should be a battle ground to settle differences that do not concern school matters.

I will become acquainted with

the financial structure of the school and never confuse our needs with our wants. I would like to see our schools run as economically as possible without sacrificing the efficiency of various departments.

I will always keep in mind the needs of the school and would be opposed to any unnecessary spending. On the other hand I would be willing to take whatever steps are necessary to maintain the high standards of our schools, just so long as it could be justified.

I will not use this office as a personal gain nor will I expect preferred treatment for the members of my family or relatives.

I will arrange my business so that I will always be present at board meetings, whether it be a regular meeting or a called meeting. I will give each topic of discussion careful thought and consideration.

I will NOT vote because a friend voted a certain way but will cast my vote in the direction that would be of the best interest of our school. There will come a time where I would have to vote where it may not be a popular vote, but I think to vote would be a breach of confidence that the voters had placed in me. I would go on record as having voted even if it was a losing vote.

A lot can be settled by a compromise and I think that to come to a workable solution this must be done. I would never be in favor of a swap-out, such as, "I scratch your back if you'll scratch mine".

I will always keep in mind the purpose of our schools is to educate our children. The primary part of our education is the academic phase and should be given the most attention. I think that our other school-sponsored activities are vital and necessary to a well-rounded program and should be given as much support as financially possible. However, do not think that these activities should dictate to our school be given preference.

I have gone over briefly some of my thoughts but space will not permit me to ramble on. If I have failed to put my thoughts out to any of you I would be happy and would welcome the opportunity to discuss any matter concerning the coming election with you. It is still nearly two months from election time and there will be other candidates in the race and I'm sure that they will all wish to work toward the betterment of our schools. It will be to each individual to make up his or her mind on who they want to vote for or against. I hope that we will have a big turnout for the election and whose losses will be big enough to cause the defeat and continue to support our schools and the school board.

If you like what you have read I would appreciate your vote and your support. Think it over.

Presbyterian Church To Be Site of Prayer Services

The Week of Prayer and Self-Denial for World Missions will be observed at the Presbyterian Church next week from February 16 through Sunday, February 23. Mrs. David Mitchell is in charge of the arrangements for the services for the observance.

On Monday, there will be an all-day meeting in Fellowship Hall for a review of the book "The Christian Issues in South-east Asia".

Tuesday the Women of the Church will meet in the home of Mrs. Cliff Wilson for a prayer service from 9:30 to 10:30 a.m. On Thursday the service will be in the home of Mrs. Jolly Harkins at the same hour.

The women of the community have been given a special invitation to attend the service in the church Wednesday morning beginning at 9:30. An informal coffee in Fellowship Hall will follow the service. The speaker for the occasion will be Rev. Harold Borchert who has served as the only Christian chaplain to inmates of a Japanese prison, who is now stationed at Gifu where he organized a church with a Japanese pastor and a new church building a year ago. His evangelistic work is now centered in central Japan's mountain areas where there is a community, Shiratori, where 13,000 people had never heard of Christ. He has also served as part-time instructor at Gifu University.

The Borcherts, including his wife and three daughters, are home in Alexandria, La., until their return to Japan in August of this year.

There will be a "family night" supper at the church Wednesday evening.

The book, "Hands Across the World" will be reviewed Friday afternoon at the service from 2:00 to 3:00 p.m.

The family offering for World Missions will be made at the Sunday morning service.

Although planned primarily for the Presbyterian Women of the Church, a cordial invitation is being extended to everyone to attend any or all of the services.

Wednesday Club Meets Last Week In Peavy Home

Mrs. C. P. Peavy entertained the Wednesday Bridge Club in her home last week, serving luncheon at 1:00 o'clock before the card games.

High score was held by Mrs. Bustin Canon, second high by Mrs. C. E. Litton, with Mrs. Cannon and Mrs. Dan Riggs holding the slam prizes.

Also present were Mmes. Tol Murrah, W. W. Sudduth, F. M. Wood, E. J. Hanson, R. S. Wilkinson, Jim Kerr, Web Townsend, S. L. Stumberg, and H. L. Richardson.

Mrs. C. H. Stavley Is Bridge Hostess

The Thursday Bridge Club was entertained in the home of Mrs. C. H. Stavley last week.

The guests included Mmes. G. E. Babb, W. H. Goldwire, Dan Riggs, M. W. Duncan, C. E. Litton, S. H. Underwood, Mary Lou Kellar, and Paul Hatem.

High score prize went to Mrs. Duncan, second high to Mrs. Underwood, and slam prizes to Mrs. Hatem, who was also low, and to Mrs. Babb.

Chicken salad was featured on the plate served with tea and coffee.

Baptists Study Young People Of the Bible

The Baptist W.M.U. met at the church Monday afternoon for Bible study. Mrs. T. O. Moore was the moderator for the lesson on "Young People of Destiny In the Bible", a study of Isaac, Jacob, and Esau. A roundtable discussion followed.

Mrs. O. D. Gray read the names of the missionaries on the Prayer Calendar and a session of intercessory prayer followed.

Also present were Mmes. W. E. Brown, George Proctor, C. L. Hancock, A. D. Brown, H. L. Richardson, and H. G. Cates.

Mrs. Vic Littleton Is Bridge Hostess On Wednesday

Mrs. Vic Littleton was hostess for the '51 Bridge Club at the Oasis Restaurant Wednesday afternoon.

Mrs. O. T. Sudduth won high score prize and slam with Mrs. A. J. Hahn holding the other slam prize and Mrs. H. E. Fletcher was second high.

Others present were Mmes. Robert Hunn, E. J. Hanson, Paul Hatem, and Herbert Brown.

A salad plate was served after the card games.

Valentine Motif Used In Party For Tuesday Club

Mrs. J. A. Gilbreath was hostess this week to the Tuesday Bridge Club. The Valentine motif was noted in the score pads and refreshments of cinnamon cherry cobbler, tea, and coffee.

High score in the card games went to Mrs. Bustin Canon, and second high to Mrs. H. L. Richardson, with both also holding the slam prizes.

Also present were Mmes. F. J. Barrett, Herbert Brown, John Harrison, Mary Lou Kellar, C. E. Litton, W. J. Murrah, W. A. Banner, Jack Riggs, S. H. Underwood, and Claude Gibson of Fort Worth.

Mr. and Mrs. Malcom Bolinger Jr. and children visited relatives in San Angelo last weekend.

In Texas... after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—skiing, skating, or at your case in the game room—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

Edison started it all with the electric light

TODAY, MORE THAN EVER, ELECTRICITY POWERS PROGRESS

NATIONAL ELECTRICAL WEEK FEB. 9-15, 1964

In addition to the incandescent lamp, Thomas A. Edison patented more than 300 other inventions in the fields of electric power generation and distribution. His pioneering made possible better living for all of us.

During this National Electrical Week, we join with grateful people everywhere in observing the anniversary of Edison's birth. As part of the electric industry he founded, we're proud of this great American, and of electricity's role in the progress of the communities we serve. And we're steadily expanding and modernizing our electric power facilities to provide for new homes and new businesses, and the increasing energy needs of all our customers.

Thus the better life Mr. Edison helped make possible will continue, and the power for progress will be ready when needed... tomorrow as it is today.

And a personal knowledge of facts is usually the best defense against the spread of a malicious or false rumor.

Sanderson has been blessed with a sudden increase in tourist business of late, according to the opinions of some who deal directly with tourists. This source of revenue is a valuable one to this area and one that should be developed when and where possible.

There is great likelihood that cold weather and icy conditions on roads to the north account for some of the increase, it not all of it.
