Millions of Americans for Goldwater

Will you join our Savings- Contribution Plan — Save for your future and the future of America?

This is a plan to send Senator Barry Goldwater into the 1964 Nomination Convention for President of the United States with an overwhelming campaign fund at his disposal, making it clear to every delegate that the conservative grassroots mean business.

HERE’S HOW IT WORKS:

You simply deposit your contributions to your bank or savings and loan association.

- If Goldwater is nominated, his 1964 National Campaign Headquarters gets the money.
- If Goldwater is not nominated, you keep the money. YOU CAN’T LOSE!

A copy of the Deposit Receipt will be included in your envelope when you send in your deposit. You’ll also receive a personal acknowledgment from Senator Goldwater. And you’ll get a copy of the Blonde wagon—full of national news, views, and notes.

IF YOU BELIEVE the American people should have a clear-cut choice between a Conservative and a Liberal candidate, join the grassroots movement and start your Savings-Contribution Account TODAY! MAKE THIS YOUR PERSONAL CAMPAIGN!

THE PLAN IS SIMPLE — Here’s What To Do:

- Go to your banker or to any Federal or State Savings & Loan Association.
- Deposit the amount you wish to give to the campaign fund of the Honorable Barry Goldwater of Arizona. (Perhaps you will be able to add to this weekly or monthly).
- Have a receipt made out in triplicate (use forms on this page, if you care to) making it clear that the deposit will be held in the depository of your choice until after the 1964 Presidential Candidate, at which time it will be transferred to Trustee for Millions of Americans for Goldwater. ONLY if Senator Barry Goldwater receives and accepts the nomination for the Presidency of the United States of America.
- Authorize your bank or savings institution to mail a copy of the receipt to: Millions of Americans for Goldwater, P. O. Box 1234, Amarillo, Tex. 79107

Americans for Goldwater

Only one of two things can happen:

1. If Barry Goldwater is nominated and accepts the nomination to the 1964 Presidential Candidate, your deposit, plus any interest which may accrue thereon, shall be transferred upon the 1st day of July, 1964, to the Trustee for Millions of Americans for Goldwater. These funds will immediately be deposited to the 1964 National Headquarters as designated by the Honorable Barry Goldwater.

2. If Senator Barry Goldwater does not receive and accept the nomination to the 1964 Presidential Candidate, your deposit, plus any interest which may accrue thereon, shall remain on deposit subject to your call.

If every person who wants Goldwater elected will add all that he or she can, we will surely be blessed in this undertaking and save this wonderful country for our selves and our posterity.

If Senator Goldwater receives the nomination, he will win the Presidency! Americans are ashamed of the soft and negative approach by the present administration toward world Communism. We are tired of financing our enemies and we want a balanced budget and sound fiscal policies. Mostly, we are tired of being left out of our government — we want to run our own affairs in the American way.

WON’T YOU JOIN WITH US TODAY?

If your bank or savings institution cannot participate in this plan, see the office of a participating institution in your locality.

Get behind this plan. Urge a group to place this advertisement in newspapers in your locality. MAKE THIS YOUR PERSONAL CAMPAIGN!

This office will be maintained solely by gift donations and will be operated for the purpose of tabulating all deposits made in the fifty states of the United States.

Clip out the Deposit Contracts and send to your bank or savings institution.

Purpose is to report this advertisement only in its entirety, with no additions or omissions. We are available of Millions of Americans for Goldwater, P. O. Box 1234, Amarillo, Texas 79107. For it work.

**Star Flashbacks**

**ONE YEAR AGO**

July 14, 1960 — Jack Smith, campaigning for the U.S. Senate from Arkansas, was charged with trying "to create a campaign blackout," during a Friona speech.

The Farmer County Grand Jury indicted former District attorney Ed Mathis on charges of theft, embezzlement, forgery and perjury.

and James, editor of the Star, announced his association with David Carino, new owner of the Star and Carino, Star, Inc.

**THREE YEARS AGO**

July 24, 1962 — Members of the Friona city council approved plans and specifications for modernization and improvements in the city's water and sewer systems, at a cost of $30,000.

Construction of a new addition to the city hall was discussed.

**FIVE YEARS AGO**

July 24, 1958 — Plans for financing a labor camp in the Rhea community were discussed at a special meeting of directors of the Chamber of Commerce.

The Friona City Council heard Fred Smith, consulting engineer, outline plans for a new well for Friona. Lee McElheny, Friona's acting park manager, announced that plans and specifications for modernization and improvements in the city's water and sewer systems, at a cost of $30,000, had been approved by the city council.

Included in the plans is the construction of a new sewer line, the improvement of the existing water supply system, and the installation of a new water treatment plant.

Mr. and Mrs. O. C. Morgan moved to Friona recently from Carlsbad, N.M. He is the local agent for Lang Transit Company. The Morgans have two children, a daughter who lives in Amarillo, and a son in Carlsbad, N.M. He is the local agent for Lang Transit Company. The Morgans lived in the cavern city 16 years, where he operated a service station several years. He is a native of Childress, and she was born in Denver, although moving to Texas at an early age. Judy Koelzer Wins County 4-H Dress Revue Top Spot

Judy Koelzer of the Lashbuddle 4-H club, who was runnerup in the contest last year, placed first in the senior advanced dress division of the Parmer County 4-H Club Dress Revue last Thursday at Farwell. By winning the contest, Miss Koelzer is to represent the county in the district 4-H Dress Revue Friday in Amarillo.

Cheryl Ramage, also of Lashbuddle, entered the dress which was judged the top entry in the junior division. She will also represent the county in the district contest, although the junior division isn't judged on the district level — county winners are given an opportunity to model during the district contest.

Miss Koelzer made and modeled a beige wool sheath with matching jacket. Her accessories were of matching color. Miss Ramage, whose entry was in the simple dress division, modeled a casual cotton dress for summer wear.

Other winners in the junior division were Tina Rundell in the simple blouse division, and Cheryle Kaltwasser, who won a white ribbon.

Other winners in the junior division of the county revue were Tina Rundell (simple blouse division), and Cheryle Kaltwasser (skirt division). Katie Blackstone, last year's county champion, was runnerup this year in the senior division. She entered in the senior division against Mary Cof­fer and Janet Billingsley, who received white ribbons.

THESE FOUR GIRLS entered simple dresses in the county 4-H Club dress revue. Standing are Cheryl Ramage and Martha Cof­fer. Seated are Kathy Coker and Sheila Vaughn.

WINNERS IN the Parmer County 4-H Club Dress Revue last Thursday in the senior division included Judy Koelzer, left, who placed first, and Mary Cof­fer, right, who won a white ribbon.

SIXTEEN GIRLS entered the junior division of the Parmer County 4-H dress revue last week were Kathy Coker, Annette Blackstone and Tina Rundell.

COUNTY CHAMPIONS in the 4-H Club Dress revue are Judy Koelzer, senior division winner, and Cheryl Ramage, the junior division winner.

CASE 200 MOUNTED

EVERYTHING YOU WANT IN A ROLLER PLOW!

- UNEQUIVALENT STRENGTH - New Case 200 roller plow made from steel has weight of 61 tons, compared to 8 tons of channel iron with same weight per bar!

- ULTRA-SIMPLE DESIGN - Tubular frame permits close design minus minute brace. Pans move quickly — easy-to-adjust ship pads. Full width on curves. Separate hydraulic controls raise and lower the pans — lift it over waterways without plow turning, or need for special hoist. Simple hydraulic actuator for brake.

- NON-STOP TRASH CLEARANCE - More clearance than any comparable plows. Also, the rear end of the roller plow will no longer be clogged by trash. Also, the roller plow will not be clogged by trash.

- FITS CASE AND OTHER TRACTORS - 3 and 4-horsepower Case 200 rollers are available with Case 200 and 300 defenders. Also, with A&M Defenders 1331 and 1391.
