SANDERSON, TEXAS, FRIDAY, SEPTEMBER 11, 1964

NUMBER 32

LISTEN TO LUKE

We read in all the area papers last week, we saw on TV and we probably would have heard on radio had we listened, about the warnings given to motorists of the state. The Texas Department of Public Safety worked hard in a pre-Labor Day campaign to urge in every way they knew how for people to drive carefully over the holidays and try to avoid an accident.

Yet, there were 39 killed in Texas traffic accidents alone. This figure is the highest on Labor Day weekends in Texas and it reflects the fact that there are a bunch of people who were, to some degree, negligent in heeding the warnings that were given.

Law enforcement is the method used to try to get people to live according to the laws that are made for the protection of the people.

With reference to the above fatalities and the numerous accidents in which there were no fatalities, but the loss of limbs or other serious bodily injuries, there was, probably in more than 90 per cent of the accidents, a violation of a traffic law and certainly a violation of courtesy.

When the drivers of our state, all of them, young and old alike, realize that breaking traffic laws is not only foolish, but dangerous, then our fatality rate may decline.

If there is a tightening down of law enforcement after word of last weekend's accidents and deaths, it will be an effort on the part of the Department of Public Safety to try to protect the drivers of the state.

We imagine that each of us feels that it can't happen to us, and we become negligent or careless in our driving habits, or maybe we just don't think sometimes.

We appreciated what we saw on the football field last Friday night — a good ball game, with much enthusiasm on the part of the players, and a solid backing by the fans.

Sanderson played as a team in the piling up of lop-sided statistics, and they showed their spirit in the excellent play and

(Continued to page 4)

Religious Census To Be Sunday

A religious census will be made in the community next week under the auspices of the local Ministerial Alliance.

Workers from the Baptist, Presbyterian, and Methodist Churches and the Church of Christ will begin the canvass on Sunday afternoon, beginning at 2:00 o'clock. Follow-up calls will be made at all residences where no one is found at home Sunday.

The cooperation of everyone in the community will be appreciated by the workers in making the survey, the first in several years, and a call will be made at every house in town.

Eagle Boosters To Sell Pancakes

The Eagle Booster Club will have a pancake supper at the new homemaking building from 5:00 to 7:00 p.m. Saturday night. The site is the old band hall across the street from the high school and next to the superintendent's house.

Charges for the supper will be 50c for children and \$1.00 for adults.

Everyone in the community is cordially invited to attend the supper.

Tour of Ranches Of Area Slated Next Wednesday

The Rio Grande - Pecos River Soil Conservation District and the Kiwanis Club of Sanderson are sponsoring a field tour of several ranches of this area on Wednesday, September 16, beginning at 9:00 a.m.

All persons interested in making the tour are asked to meet at the court house at that time.

The purpose of the tour is to view the results of work done toward range improvement.

As the tour will extend until after the noon hour, a free lunch of barbecue and "trimmings" will be served.

Roy Webb Is New Minister of Church of Christ

Roy Webb arrived in Sanderson last week to begin his duties as minister of the local Church of Christ. The church has been without a minister since Willie LaFleur and family moved to Houston several months ago.

The Webbs came to Sanderson from El Paso where he had served as minister of the Church of Christ in Clint. Prior to his year of service there, the family had lived in Guadalajara, Mexico, where he had been in missionary work for a year.

The family consists of Mr. and Mrs. Webb, Sandra Jean, 15; Kurtis Roy, 12; and Sheila Joy, 8. They are residing in the parsonage adjoining the church property.

Inspection Time For Motor Vehicles

Col. Homer Garrison Jr., director of the Texas Department of Public Safety announced today that the time has arrived for Texas motorists to have their vehicles inspected again.

Garrison said September 1 marked the beginning of the 1965 vehicle inspection period as prescribed by the Public Safety Commission. As in previous years, the period will end on April 15, 1965.

"This means that between now and April 15, 1965 more than 5,200,000 Texas registered vehicles will have to be inspected at the 5,200 official inspection stations in Texas," he said.

Garrison urged motorists to have their vehicles inspected in the routine visits to garages for ordinary maintenance and repairs and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker. He further pointed out that with the ever-increasing number of vehicles registered in Texas, it is becoming ever more difficult for the motorist to get an inspection sticker without some delay.

Mrs. Roger Johnson and two children of Houston will leave Saturday for their home after visiting for two weeks with her parents, Mr. and Mrs. J. M. Jones, and family.

Calendar of Events

Thursday (tonight) — Legion meeting.

Saturday — Lions Club sponsored show, pancake supper by Eagle Boosters.

Sunday — Religious census. Monday — Presbyterian Women, Hat sale by WSCS, Baptist WMU, TB Association.

Tuesday — O.E.S., Hat sale. Wednesday — Rotary Club.

Wednesday Club, field tour. Thursday — Lions Club, Kiwanis Club, Culture Club.

Hospitalization Issued To Woman 106 Years Old

The Texas 65 Health Insurance Association thought it had written health insurance to the oldest citizen when two Texans 102 and 103 years old were enrolled last year. However, during the recent enrollment period a 106-year-old woman was insured.

Mrs. Dioncia Almager of Del Rio is now the oldest holder of Texas 65 health insurance. Her policy was purchased by her 69-year-old granddaughter, Mrs. Burk Rose, with whom she lives.

Deaf and almost totally blind, Mrs. Almager has been in ill health for many years though she has never been confined to a hospital. She is able to move about the house with help.

She migrated to Texas from Monclova, Coahuila, Mex., about 1875 when she was about 17 years of age, according to the granddaughter. Mrs. Rose said that the oldest entered the United States at Eagle Pass and traveled to Del Rio by covered wagon. There were only about 10 houses when she arrived.

Mrs. Almager had one child, two grandchildren and two great-grandchildren, Roger Rose and Mrs. W. J. Ferguson Jr. Her husband died when she was very young.

Contract Let For Grouting At Amistad

United States Commissioner J. F. Friedkin, International Boundary and Water Commission, United States and Mexico, announced today in El Paso the award of a \$1,780,450 contract for grouting along the rim of the proposed international Amistad Reservoir to C. H. Leavell & Co., El Paso and McNamara Corporation of California, the joint venture contractors who entered the low bid at the bid opening held at the El Paso headquarters of the United States Section on July 29. Ten bids were received ranging from \$1,780,450 to \$2,576,250. More than 30 representatives of construction contracting firms and materials suppliers were present at the bid opening.

Amistad Dam, the second major international storage dam to be constructed jointly by the United States and Mexico on the Rio Grande pursuant to the Water Treaty of 1944, is being constructed by the International Boundary and Water Commission. The total cost of the dam, exclusive of power facilities, is estimated at \$63 million. Each government will perform a part of the work, the part allocated to the United States will correspond to 56.2 per cent of the total cost of the dam and the part allocated to Mexico, 43.8 per cent of the cost of the dam. The grouting contract being let by the United States is a part of the work allocated to this country.

The grouting for which this contract was let consists of cement grout injection below the surface to seal the rock and prevent possible leakage from the reservoir along a five-mile section of the reservoir rim. This work will require 30 months for completion. It is, in effect, an extension of the foundation grouting now in progress along the axis of the dam some six miles in length, two miles of which are in the United States and four miles in Mexico, and which is to be completed this year.

Mr. and Mrs. A. E. Adlof of Three Rivers were weekend visitors with her brother-in-law and sister, Mr. and Mrs. C. G. Riggs. Mrs. Adlof was getting material for a series of articles soon to be published in the San Antonio Express concerning Sanderson and several other towns as seen from a tourist's view point.

W. C. (Bill) Cargile makes last run Monday

Monday, August 31, marked the last run for W. C. (Bill) Cargile as a Southern Pacific passenger engineer between El Paso and Sanderson.

He went to work for the railroad as a fireman on January 26, 1917, in Sanderson. In 1939 he was promoted to an engineer. After he became a passenger engineer in 1956, eight years ago, he and Mrs. Cargile moved to El Paso after selling most of the rent property and land which they owned here in the Cargile addition.

His answer to the question as to what his plans were for his retirement years, was that he would probably stay busy trying to find something to do.

Mrs. Hugo Rivera, the Cargiles' daughter, and her husband held open house at their home to honor her father Thursday and Friday afternoons from 2:00 to 5:00 p.m.

Mr. and Mrs. Rivera are on the faculty of the El Paso schools. The Cargile's son, W. C. Jr., and wife reside in Rudy, Ark., and are also teachers.

Rodeo Club Plans Box Supper Soon

The Sanderson Rodeo Club has planned a family night and box supper for Saturday evening, September 19. A cordial invitation is being extended to everyone to bring a box and enjoy the evening's entertainment which will include games and dancing after the supper.

The auctioning of the boxes will start at 7:00 p.m. and each lady and girl attending is requested to bring a box.

M. E. Hope and D. W. Vater are a committee planning the affair and several other events to be sponsored by the Rodeo Club this fall.

Constable George Gann Back on Job After Illness

Constable George Gann is now back to work since August 12 and is recuperating from his recent illness. Gann is constable and night watchman. He expressed his appreciation for the splendid cooperation of the other officers who looked after his duties while he was sick and stated that he would try to do his best in the performance of his duties.

Miss Arabella Lopez, daughter of Mr. and Mrs. Simon Lopez, will leave Friday for El Paso where she will make her home with her brother-in-law and sister, Mr. and Mrs. Adolfo Flores, and attend Texas Western College for her freshman year. Her brother, Hector Lopez, will also be with the Flores family and attend the college for his sophomore year.

Mrs. Herbert Brown went to Odessa Thursday for her mother, Mrs. Bustin Canon, who arrived by plane after visiting in Austin for 10 days with her sister and family. She had visited in Florida with relatives for several weeks before going to Austin.

Edward Kerr was on the federal grand jury in Del Rio the first of the week.

Conservatives Here Organize

A group of Terrell County citizens with conservative political philosophies met last week to organize in an effort to work for political candidates who follow the same philosophies.

Mrs. N. Malone Mitchell Jr. served as temporary chairman for the election of officers and W. G. Downie, Terrell County ranchman, was named chairman. Mrs. Irvin Robbins, Sanderson house wife, secretary; Mrs. Felix Harrison, Pumpville area rancher's wife, treasurer; and Mrs. Mitchell, whose husband ranches northeast of Sanderson, was elected publicity chairman.

Van Howbert, a consulting geologist of Midland, spoke to the group about the work ahead for their organization. He is working this election year as the executive director of the Permian Basin Conservative Committee.

Dr. Dorothy Wyvell, also of Midland, gave the group some background for the conservative movement in politics in Texas and her opinions for the necessity for such an organization.

The group is at work obtaining a headquarters for the organization where literature of a conservative nature and concerning the campaigns of conservative candidates will be passed out.

A large quantity of the books, "A Texan Looks At Lyndon" has been ordered and they are expected to be available this week. Anyone desiring any of the books may pick them up at the James Word Service Station and all profits from the books will go to the treasurer of the local conservative organization, Mr. Word said. He added that he was distributing the books until such time as the organization was located in a headquarters and that the books would be distributed from there after that.

Area Resident Wins Publication Prize

Mrs. Estelle Carruth Work, a supervisor for Lubbock County Schools who was a resident of both Fort Stockton and Ozona, recently was awarded first prize for a published book of fiction in a writing competition conducted by the National Federation of Press Women at their convention in Richmond, Va.

The book, "Three Sides to the River", was published last fall.

Mrs. Work was a teacher and is the author of both fiction and articles on education for magazines and other publications.

She is a sister of Tommy Caruth who is the husband of the former Miss Janell Littleton.

Gutierrez, El Paso.

Marfa Scores Over Eagles In Season Opener, 7 to 0

The Marfa Shorthorns had the only score in the ball game here last Friday night and won in the opener 7-0. The Shorthorn score came in the fourth frame.

Sanderson had all of the statistics lead, but lost out in what determines the winner, the score.

Marfa's touchdown came on a long pass from Ronnie Webb to Tony Lujan, good for 64 yards. The pass itself was close to 30 yards.

Jimmy Calderon held the ball for the placement kick and Jesse Hernandez booted the ball between the uprights for the extra point.

One of the longest ball carries in the game was by John Cates on the kickoff return to open the second half when he ran about 36 yards.

Marfa had one sure-touchdown pass broken up in the second period when Roman Gonzales deflected the ball out of the hands of the receiver.

The statistics for the game were as follows:

Sanderson	Marfa
325	yards rushing 80
0	yards passing 94
345	total offense 124
1	passes tried 5
0	passes complete 2
1	passes intercepted 0
13	first downs 3

SHS Classes Name Officers For Year

The classes of the Sanderson High School have elected new officers for the 1964-65 term of school. Vicki Allen is the president of the senior class; Ricky Felts, vice president; Irma Galvan, secretary; Sidney Hopkins, treasurer; Billy Garza, reporter.

Travis Harkins will head the junior class with Lydia Munoz vice-president; Suzanne Downie secretary; Carla Dunn, treasurer; and Pam Stavley as reporter.

President of the sophomore class is Beverly Farley; Ernie Ayres, vice-president; Judy Riggs is secretary.

Carlos Garza was elected president of the freshman class.

Other officers of the sophomore and freshman classes will be named Thursday of this week.

Representatives to the Student Council include: seniors, Pixie Mansfield, Irma Galvan, and Eloise Farley, with John Cates as alternate; juniors, Travis Harkins and Janie Sanchez, with Pam Stavley as alternate; sophomores, Judy Riggs and Lucila Galvan with Beverly Farley as alternate; freshmen, Raymond Welch and Steve Allen with Dawn Harrell as alternate.

Boyd Family Has Reunion

Five sons and a daughter, descendants of the late Mr. and Mrs. Bert Boyd of San Angelo, and some of their families, fathered at the Community House in Rooney Park in Fort Stockton Sunday for the annual family reunion.

Those attending were Mr. and Mrs. Jimmy Boyd with Davena and Jimmie McCamey; Mr. and Mrs. Lewis Boyd and son, Kirby Lee, of Balmorhea; Mr. and Mrs. Chester Boyd, El Paso; Mr. and Mrs. Bob Boyd, San Angelo; Mr. and Mrs. H. P. Boyd, Sanderson; Mr. and Mrs. N. L. McGann and son, Wesley Byrd, Copperas Cove; Mr. and Mrs. Irvin Coggin, and sons Mike and Monte, Odessa; Mr. and Mrs. F. J. Macon and children, Margie and Marty, Copperas Cove; Mr. and Mrs. J. C. Boyd, Midland; Mr. and Mrs. Dennis McQuade and son, Clay, Gallup, N.M.; Jan Cooper, McCamey; Sharon Ann Hill and Nelda Kay Sudduth, Sanderson; Jerry Williams, San Angelo; Gwendolyn and Leon Henry, Odessa.

Mr. and Mrs. George Escobar and children are visiting in Alice with his parents and other relatives.

Marfa received the opening kickoff and punted on the fourth down. Sanderson began play on their 41-yard line in their first offensive series and after picking up about seven yards on the first play, received a penalty for 15 yards, back to their 32. The longest Eagle run from scrimmage came on the next play when the quarterback, Tommy Weigand, ran to the Marfa 41 yard line.

The Eagles continued on down field to the 19-yard-line where they lost the ball on downs.

Marfa could not get their offensive started and lost about four yards net on the series of downs and punted to Sanderson's 37-yard line.

The Eagles bogged down on their offensive and David Hardgrave punted from his 30 to the Marfa 32 to end the first period.

There was a series of flurries ranging from about the 25-yard line of each end of the field and Marfa punted once during this period. There was also a fumble by Marfa which gave Sanderson the ball, but there was no scoring threat resulting.

In the third period, the Sanderson Eagles got off to what appeared to be a goal line march. But the Shorthorn defense tightened on their 25 and they backed the Eagles up and caused them to lose the ball on downs Marfa was forced to punt and Lujan kicked one that rolled to Sanderson's 3-yard line. The Eagles brought it out to their 25 from where they punted, and Marfa returned the punt after three downs and Sanderson had the ball on the Marfa 40 when the third frame ended.

To open the fourth quarter, Sanderson worked down to Marfa's 17 and lost the ball on downs. It was from there that Webb chucked the TD pass to Lujan.

Sanderson marched to the 42-yard line after receiving the kick-off and tried their only pass of the game which was intercepted by Marfa who was forced to punt again on their fourth down. The final whistle came with Sanderson in possession around the 20-yard line in their own territory.

According to Coach Jim Spann, the staff picked Billy Garza as the Eagle player doing the outstanding effort in both offensive and defensive play last Friday night.

Friday night of this week, the Eagles will meet the Alpine Bucks in their second game, another non-conference tilt. The game will be in Alpine and will begin at 8:00 p.m.

"BUT HOW ABOUT YOU?"

NEWS NOTE: Agencies that demand information from business are opposing legislation requiring them to tell of their own activities.

ALL TAKE AND NO GIVE

"Turn About is Fair Play" and "Practice What You Preach" are axioms that seem to be given wide berths by federal regulatory agencies. This has become painfully apparent in Congressional hearings over a bill that would require governmental agencies to divulge a great deal more about their activities than they do now.

The very agencies that demand, and get, all manner of information from business and industry are putting up a stiff fight against passage of the legislation. They obviously do not believe in a two-way flow of information even though they have loaded down private business with a paper workload of huge proportions. As an example, one company of medium size had to submit more than 36,000 reports in a single year.

We believe that by enacting the legislation Congress will not only have access to the information it wants but it will also bring home to the agencies some of the problems that have to be endured by the other half—in this case the business community.

By Vern Sanford
Texas Press Association

Insurance Interest Charge Ok'ed

An effort by the Allstate Insurance Company to knock out the State Board of Insurance order requiring a minimum charge of six per cent interest on insurance premiums paid by installments has failed.

Board said it found nothing in the hearing to change its mind. It reported that abuses of Texas laws, prohibiting inducements to prospective policyholders and prohibiting discrimination between policyholders, were taking place under deferred payment plans.

"Net costs of handling premium payments financed by insurance companies at cut-rate interest, will ultimately be paid by all insureds," said Board Chairman Hunter McLean. "Those electing deferred payment plans should bear such costs..."

A spokesman for one company charged that criticism of ruling by the National Association of Independent Insurers laid the groundwork for "an attack on the Texas rating system and policy control." N.A.I.I. claimed the order discriminates against Texas policyholders, and that the board had no authority to adopt it.

Out of the Red
State government ended its 1963-64 fiscal year on August 31 with a fat general revenue fund balance of \$73,000,000.

It was the brightest year-end figure since 1949.

"It looks better than it has for a long time" beamed State Comptroller Robert S. Calvert. Five years of deficits still are fresh in his memory. One year the state

ran \$110,000,000 in the red. Calvert declined to speculate on the amount of surplus which will be available for legislative appropriation.

Governor Connally predicted earlier that the general revenue surplus may reach \$80,000,000 next year. Despite the abundance of money, the Governor said the legislature likely will have to pass a new tax bill or amend the existing rates in 1965. This because of demands for more spending in education and other areas.

Calvert noted three factors in the favorable fiscal 1964 close-out: a \$244,000,000 increase this year over 1963 in general sales tax revenues; an \$8,000,000 jump in the auto sales tax; and a \$3,000,000 in crude oil tax increase.

Comptroller's report showed state revenue collections during 1964 were more than \$1,600,000,000 compared with \$1,500,000,000 in 1963. Expenditures totaled \$1,500,000,000 compared with \$1,400,000,000 the previous year.

General economic growth of the state; the federal income tax reduction designed to prime spending; and removal of the \$10 clothing exemption from the state sales tax were seen as largely responsible for the bigger yield from that levy.

Cabinet Meetings Resumed
Governor Connally has resumed his schedule of unofficial "cabinet meetings" with top state agency heads.

He started the sessions last October, but had to discontinue them when he was wounded by the assassin who killed President Kennedy.

Last week's meeting was held in the offices of the Texas Education Agency. Emphasized was overall operations and financing of public schools. A general discussion of agency problems with the governor followed.

These sessions have a two-fold purpose: to analyze workings of departments one by one; and to familiarize the governor and the

other officials with mutual problems.

Highway Hurry Ups Asked

Citizens from San Antonio, Corpus Christi and the counties which connect them asked the State Highway Commission to "hurry up" and schedule work on a proposed Interstate Highway between the two cities so that construction will be completed by 1968.

That is the year when San Antonio will produce the HemisFair; Padre Island National Seashore will be in full-scale operation and Mexico City will host the World Olympics. Nueces County Judge Noah Kennedy Jr. said "We would just like to be in a position to swap tourists with the city of San Antonio."

"Hurry-up" urgings also were heard from Valley leaders who pleaded with the Highway Commission to hasten construction of the Valley Expressway (US 83) because the current system of routing traffic on access roads is hazardous.

Lower Rio Grande Valley Chamber of Commerce vice-president Jack H. Drake of Weslaco told commissioners the Valley death rate has risen 40 per cent this year — compared to a statewide rise of 13 per cent — because of accidents on the access roads adjacent to the expressway route.

Commission immediately authorized construction of a 1.7-mile section of the expressway within the city limits of Mercedes.

Anti-Mosquito Campaign

Spurred by the spread of encephalitis, state, county, and city officials all over Texas are conducting a vast campaign against mosquitoes, according to State Health Commissioner J. E. Peavy. Although much of the war against the disease carriers is waged constantly in areas which have tax-supported districts to combat disease-bearing insects, extra measures are being taken in many places, including Houston where 75 two-man spraying crews are at work.

Dr. Peavy said that as of September 1, a total of 474 cases of

encephalitis and 19 deaths had been reported from Houston; 61 cases and five deaths in the Upper Plains region; and a smattering of suspected infections in other counties.

He said the 1964 epidemic has been the worst since 1954, when close to 1,000 cases — most in South Texas — were reported. In a "normal" year, only 50 to 75 cases develop.

Dr. Peavy said he feels that the intensive anti-mosquito campaign and the advent of cool weather will combine to beat down the disease, which is now dwindling somewhat.

Personals . . .

Haley Haynes, son of Mr. and Mrs. Bill Haynes and Bobby Hatchel, son of Mr. and Mrs. J. L. Hatchel, are in San Diego, California, for recruit training in the U.S. Navy. The young men are May graduates of the Sanderson High School.

Bill Stavley and Larry Harrell and wife have gone to El Paso for the young men to begin fall training with the Texas Miners, Texas Western College football team. They are both classified as juniors.

Mrs. T. W. Choate is employed at Spears-Duncan Drug Store.

Max Beerup of Kansas City, Mo., visited here for several

days last week with his sister, Mrs. Irvin Robbins, and family and brought his two daughters, Debbie and Kathy, to make their home with the Robbins for the school term.

Mr. and Mrs. Jim Wilborn and Howard Campbell have moved to Balmorhea. They were employed by the Texas Highway Department. Mr. and Mrs. Jack Crossman, who were residing in the Hodgkins rent house, have moved to the A. C. Garner rent house vacated by Mr. Campbell.

Mr. and Mrs. Eddie Leatherwood of Barstow were weekend visitors with her sister, Mrs. Sid Harkins, and family and with friends.

Mr. and Mrs. Virgil Franks of El Paso former residents, visited here with friends over the weekend.

Mrs. Chester Smith, who has been visiting her daughter and family in Del Rio, has returned to Sanderson and is residing in the apartments across Second Street from Cooke's Food Market.

Weekend guests in the home of Mr. and Mrs. Coleman Stadler were his brother and wife, Mr. and Mrs. W. S. Stadler, of Houston, and the men's step-mother, Mrs. Nannie Stadler of Floresville.

Jess Davis of Snyder, who formerly ranches near Dryden,

has been admitted to the sanatorium at Carlsbad for treatment and is seriously ill. Horace Shelton of Mineral Wells was a holiday visitor here with relatives and friends.

In Texas... after a swim, beer is a natural

On a hot summer day, a dip in a cool stream can be wonderfully refreshing. Equally refreshing when you're relaxing afterwards with friends is a hearty glass of beer. There's hardly another beverage around that suits what you do for fun as much as beer. Camping, hiking, or just lounging on a lawn chair—beer brings to each just the right touch of extra good living.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Texas... beer goes with fun, with relaxation

Light for Learning
SO IMPORTANT TO HIS FUTURE... NOW
Productive hours at the home study table are a vital part of a youngster's education. Better grades lead to a better college, a better job. To help make your children's homework more productive, provide proper study lighting. It not only prevents eyestrain and fatigue, but also makes learning easier because seeing is easier. Select a good table lamp with a 150-watt bulb and a diffusing bowl to prevent glare. The shade should conceal the light source from the eyes and the lamp should be tall enough to spread light evenly over the work surface. Check your children's study light now. Make sure they have light for learning.

Miss Mary Duncan Is Honored At Gift-Tea Tuesday

An all-white bridal theme was noted in the decorations when Miss Mary Elaine Duncan, bride-elect of Lt. Tommy Brooks, was honored at a miscellaneous shower Tuesday afternoon in the home of Mrs. James Word.

Assisting hostesses were Mesdames Clyde Higgins, N. W. Carroll, A. D. Brown, Clarence Chandler, E. H. Jessup, and Ed Foley of Alpine.

In the receiving line with Mrs. Word were the honoree, her mother, Mrs. D. L. Duncan, and her sister, Mrs. W. E. Shannon Jr., of Houston, each wearing a purple orchid corsage.

The members of the house party wore corsages of Beauty asters.

Bride's book markers and tiny bud vases holding miniature mums were on the table with the bride's book and Sherry Shannon of Houston, niece of the bride, presided to register the guests.

A large assortment of gifts was arranged on tables in the bedrooms for display.

The tea table, covered in a white linen drawnwork cloth had an arrangement of white gladiolus and mums in a crystal bowl for the centerpiece. Cake, punch, and white mints were served. Alternating at serving were Mmes. L. G. Hinkle, Jack C. Turner, Herbert Brown, and J. T. Williams.

At noon Tuesday, Miss Duncan was named honoree at a luncheon in the home of Mrs. Herbert Brown with Mrs. Jack Turner and Mrs. J. T. Williams as co-hostesses.

An arrangement of shrimp plate decorated the dining table and the guests were seated at quartet tables.

Those attending were Mmes. Clyde Higgins, N. W. Carroll, E. H. Jessup, James Word, A. D. Brown, W. E. Shannon Jr., of Houston, Ed Foley and John Reininger of Alpine, D. L. Duncan, L. G. Hinkle, Ronnie Kight, Weldon Werneking, Jim Neal, Richard Carroll; also Misses Sherry Shannon of Houston, Joan Wood, Barbara Wilcox, Sheila Cox, and the honoree Mary Elaine Duncan.

Legion Auxiliary Has Business Meet

Mrs. Clyde Higgins presided at the regular monthly business meeting of the Legion Auxiliary in the Legion Hall Tuesday evening.

The purchase of an oblong mirror to be hung above the mantel at the hall and a full-length mirror for the ladies' rest room were authorized. A report was given by Mrs. A. C. Garner of the rummage sales which are continuing for two hours each Friday and Saturday mornings, and several volunteered to assist with the sales.

An inspection tour of the improvements made in the kitchen revealed a new stainless steel double sink with tile drainboard and splashboard, the water heater moved to the men's rest room, and a new storage cabinet being built, the top to afford a working surface. The committee arranging for the improvements were Mmes. Garner, H. E. Ezelle, and M. W. Duncan. The group voted to give a token of their appreciation for his work to H. E. Ezelle.

Mrs. Higgins named her committees for the year, the hostesses and program chairmen and the yearbooks will be available soon. Mrs. W. H. Savage told the story of the song, "The Star-Spangled Banner" written by Francis Scott Key 150 years ago, and which became the national anthem in 1931. The entire song was then sung with Mrs. Savage playing piano accompaniment.

Mrs. Higgins served cake and coffee after adjournment. Also present were Mmes. C. P. Peavy, E. E. Farley, M. E. Hope, L. H. Gilbreath, C. E. Litton, D. L. Duke, and L. W. Welch.

Mr. and Mrs. Lyn Wilson of Mercedes who were en route to Colorado on a vacation, visited with Mr. and Mrs. S. L. Stumberg last week. Mrs. Wilson is a former schoolmate of Mrs. Stumberg. Mr. Wilson is a retired railroad clerk.

Mr. and Mrs. Weldon Werneking returned home last week from their wedding trip to Acapulco, Mexico, and are residing at 305 E. Richard St.

New, Elegant Tokay Cheese Dessert Dip

Desserts with an elegant appearance don't always require a lot of ingredients or preparation time. An excellent case in point is Tokay Cheese Dessert Dip.

Clusters of Flame Tokay grapes are served on dessert plates with small bowls of a dip combining cream cheese, cranberry juice cocktail and cardamom. Dip individual grapes into the mixture as a delightful finale for a hearty dinner. Pass an assortment of favorite cheeses and crackers to accompany this Continental dessert.

- TOKAY CHEESE DESSERT DIP
1 lb. Tokay grapes
1 package (3 oz.) cream cheese
1 1/2 tablespoons cranberry juice cocktail
1/4 teaspoon ground cardamom or nutmeg
Dash salt

Wash Tokays; snip into small clusters. Combine remaining ingredients and turn into small bowls. Serve as dip for grapes. Makes 4 to 6 servings.

Mrs. Jack Riggs Is Bridge Hostess

Mrs. W. J. Murrah held high score when the Tuesday Bridge Club was entertained in the home of Mrs. Jack Riggs Tuesday afternoon after meetings were discontinued for the summer.

Mrs. Eddie Hanson had second high score, Mrs. Austin Nance and Mrs. S. H. Underwood held the slam prizes.

Refreshments of ice cream sundaes, cookies, coffee and iced tea were served.

Personals

Mrs. Roy Harrell returned home last week from a visit with her daughter, Mrs. W. H. Chandler, and Mr. Chandler in Ozona. While there they visited in San Angelo and also in Eunice, N.M., with Mrs. Harrell's son, Wade Harrell, and family. Weekend guests in the home

of Mr. and Mrs. W. H. Goldwire and Mrs. H. C. Goldwire were

Listen To Luke —
 Continued from Page 1—

We feel that while fans all like to see a winner, most fans also like to see good play, team effort and sportsmanship.

Sanderson had some offensive holding penalties for 15 yards each that are not uncommon in early-year play and particularly with unseasoned players who in their excitement may be guilty of such violations. There is also a fine line that causes a block to become a hold. But there were no personal fouls against the Eagles, and there were only a few off-sides infractions.

We might add that Marfa's game was of the same calibre and their lone personal foul penalty could also have been due to the excitement of the game.

Statement of Ownership, Management and Circulation

1. Date of filing 10 September, 1964.
2. Title of Publication: The Sanderson Times.
3. Frequency of issue: weekly.
4. Location of Known Office of Publication: 120 W. Oak St., Sanderson, Terrell County, Texas, 79848.
5. Location of Headquarters or general business offices of the publishers: 129 W. Oak St., Sanderson, Terrell County, Texas, 79848.
6. Names and addresses of publisher, editor, and managing editor: J. A. Gilbreath, Sanderson, Texas.
7. Owner (if owner by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 percent or more of total amount of stock. d. Total No. of copies distributed Average No. copies each issue during preceding 12 months: 835; single issue nearest to filing date: 863.

I certify that the statements made by me above are correct and complete. /s/ J. A. Gilbreath

A dirty-type football has a way of drawing out the worst in the opposition, officials, and fans alike. And our gratitude and appreciation to the coaches for their leadership is here expressed and to the boys for their attention to the purposes of the game.

We all like to see a winner, and in our opinion a winner is the person who comes out the best man. And they can be on a losing team or a winning team.

There have been some people of late who have made the accusation that paper back books are trash, and if they had any worth in publication, they would be printed in hard-bound copies.

Now we are appreciative of the fact that there are still people who are concerned with the type of literature that is being made available to the public, but we would call this fact to their attention: We have seen every book from the Bible to The Carpetbaggers in paper back editions and they didn't change a word of any of them for those editions.

The worth of a book cannot be judged by the quality of its cover any more than can its contents.

In other columns of The Times there is information concerning the disappearance of the deficit in the state treasury and the expectation of an increased surplus next year, totalling in the millions.

This information can be found in the "State Capital News" column and the information is set in blackface type even though the subtitle is "In the Red"

In our humble opinion, the sales tax, which they say is responsible for creating the surplus in the general revenue fund, should be repealed, rather than thinking up new ways of spending the surplus.
