Appeal Made For Girl Scout Funds

Mrs. Jack C. Turner

To most of us, conservation of our natural resources means preserving our forests, protecting unpolluted streams and building wildlife sanctuaries. But our greatest natural resource is our children and the conservation program for them is called "Scouting". The Girl Scouts is our town offer a program to all girls between the ages of 7 and 17. These girls learn to make their own decisions and to live by decisions they make. They learn to respect and help other people. Our Girl Scouts are learning to become wives, mothers, and citizens of tomorrow. Preserving the resources of today in order to prepare for tomorrow has always been an American goal.

Once again the time has come when the Girl Scouts of Sanderson must appeal to your generosity to help them carry on their program.

Many wonder why the Girl Scouts need money. Parents pay most of their Scout daughters' expenses, the troop leader is a volunteer, the troop meets in a rent-free space, so why do the Girl Scouts need money? Why must a portion of the money contributed be sent to the council?

It costs money to form a new troop, it costs money to recruit and train new leaders.

This year in Sanderson three new troops have been formed with an additional 20 girls. Eleven new leaders have received professional training. This professional training must come from paid personnel in the Council.

We are very proud to now have two leaders in our community who are now qualified to give this training at home. Twelve leaders and members of the Sanderson Neighborhood Association have completed their First Aid Course. Several Senior girls are now assisting the younger troops. We now have seven troops with over a hundred active members and leaders in our local organization.

Our Girl Scout camps are a vital part of Scouting and it costs money over and above the fee charged each Girl Scout to maintain and operate camps. For 1964 the Council budget called for approximately \$8000 to maintain and operate Mitre Peak and Hat A camps. This does not include insurance. These camps are available to our girls and leaders and have been used extensively by them the past three years. Troop camping provides invaluable training for these girls and we are indeed fortunate to have the camps available.

It is the right of everyone who contributes to know exactly how much and for what their money is spent. The members of the local Association and service team are your friends and will be glad to answer any questions.

May we close our plea with a quote from Helen Hayes:

"Being part of Girl Scouting is such a nice way for a little girl to start her growing years, to build a sturdy base for her future life, to be a part of an American tradition; for as she grows, America grows. You can help maintain, and what's more important, increase Scouting activities in your community by acting today. Be sure to give to Girl Scouts."

Court of Criminal Appeals criticized state courts of inquiry but declined to declare unconstitutional the law authorizing such procedures.

Issue came before the court in the appeal of Pasadena Attorney N. A. Smith who claimed his constitutional rights were violated in a court of inquiry into Pasadena city finances. Judges ordered Smith freed of contempt of court charges arising from his refusal to testify at a court of inquiry held on June 2.

Court of Criminal Appeals also ordered a new trial for Arthur Geter on marihuana charges in Harris County, citing a new U.S. Supreme Court decision that legal representation in trials is a constitutional right. Geter began serving a life term in 1952.

Supreme Court refused to review a dispute between City of Athens and Gulf States Telephone Company over phone rates. It thus left standing the lower court's decisions that the East Texas city's 1961 and 1962 rate ordinances do not permit the company a fair return on its investment. City asked higher court to review the case.

In another case the Supreme Court agreed that Connecticut General Life Insurance Company is entitled to collect \$408,661 in overpayment of occupation taxes for 1952-57 and for 1959.

It left standing the lower court findings that United Press International libeled Bruce B.

Mohs, a Madison, Wis., pilot in a story concerning a seaplane landing. Court of Civil Appeals has questioned the accuracy of most of the story. Mohs was awarded some \$7,500 in damages.

Board for State Hospitals and Special Schools cannot negotiate a new water supply contract with the City of Big Spring, according to a ruling by 53rd District Judge Herman Jones. City attempted to have the Austin court set aside a 1937 contract under which it agreed to furnish water to the Big Spring State Hospital at a cost of 10 cents per 1,000 gallons. Estimated cost of furnishing this service now is set at 32 cents per 1,000 gallons. It is expected that the city will appeal Jones' decision.

Business Climbs

Texas building permits rose to a near-record level of \$155,000,000 in September.

It was the 43rd month of the current Texas business expansion — second longest peacetime cyclical upswing since December 1854. Longest period was March 1933-May 1937.

Business index as measured by The University of Texas Bureau of Business Research was 12 per cent below all-time high of 152 per cent last July. Researchers registered an optimistic outlook for the remaining months of 1964.

Estes Judgment Entered

Atty. Gen. Waggoner Carr reports that the 108th District Court in Potter County rendered a \$547,500 summary judgment against West Texas financier Billie Sol Estes, winding up the state's suit against Estes and the Commercial Solvents Corp.

State claimed Estes and the firm combined to unlawfully injure and drive out competition in anhydrous ammonia fertilizer in the high plains area by selling below cost and through other schemes violating the anti-trust act.

Commercial Solvents earlier paid \$150,000 under an agreed judgment. But it admitted no liability.

Estes is appealing the Federal Court's 15-year fraud and conspiracy sentence to U.S. Supreme Court.

Ag Opinions

Attorney General Carr has ruled that state law does not authorize a discount for the taxpayer for early payment of state ad valorem taxes, even though county ad valorem taxes have a discount feature.

Attorney General's office has also ruled that savings and loan association agents cannot appraise properties on which a loan application has been made; and that no further court action is necessary to escheat funds ordered turned over to the State Treasury by state judges.

'Community Day' To Be Observed By Churches

World Community Day will be observed by the women of the community Friday when the Presbyterian Women of the Church will be hostesses for a meeting at the church beginning at 9:30 a.m. and concluding with a social hour.

The program has been arranged by Mrs. David Mitchell and members of El Buen Pastor Church and First Methodist woman's societies and the Baptist W.M.U. will join the Women of the Presbyterian Church in presenting the program.

Rev. Bob Moon is to be guest speaker, using the subject "The Christian Family in the Community". A nursery will be provided for the small children.

when you call Grandmother

...YOU DON'T EXPECT TO REACH TIMBUKTU
 Naturally, when you call Grandmother's phone, that's the one you expect to get, and you do. But that's not as easy as it sounds.

Your call must work its way through all sorts of interconnections, wires, cables, switches and so forth until, finally, it picks the right phone out of some 83 million in the U.S.

Yet, out of all the possible chances for mistakes, your call goes where you send it . . . in town or out-of-town, to Grandmother, wherever she is. This sort of reliability is the result of service improvements that keep increasing the convenience and personal value of your telephone.

Mrs. David Weldon Deaton

wedding bells provided decorations on the mantel and were reflected in the mirror above the mantel. Miss Susi Eason of Fort Stockton, cousin of the bride, was at the bride's book to register the guests.

The reception house party consisted of Mmes. C. P. Peavy, Tol Murrah, C. E. Litton, E. J. Hanson, Austin Nance, and D. L. Duke.

The refreshment table was in the shape of a cross and covered in a white cloth with white net gathered skirt to which white satin bows and wedding bells were attached to garlands of white satin ribbons for trim and decoration. White candles in silver holders flanked the centerpiece of white mums and stock arranged in a basket with red ribbons tied to the handle. Punch was served with the bride's cake, a beautifully decorated three-tiered confection topped with a white orchid and lillies of the valley, and coffee with the bridegroom's cake, a spice cake served in squares. Alternating in serving were aunts of the bride, Mrs. O. T. Sudduth, Mrs. D. F. Sudduth of Lubbock, Mrs. F. J. Wood of Marble Falls, Mrs. Bill Unger of Big Spring, Mrs. Fleeter Eason and Mrs. Shelby Blaydes of Fort Stockton; also Mrs. Roy Deaton, aunt of the bridegroom and Mrs. C. E. Clark of Evergreen, Colo., cousin of the bride.

Betsy Blaydes, Sallie and Debbie Eason, cousins of the bride, distributed white net bags filled with red and white confetti among the guests before the departure of the bride and groom on their wedding trip. The bride wore a three-piece wool knit suit of red mixed with charcoal grey and black accessories. The couple is at home in Dallas at 4107 Cole Street, Apt. 206.

The bride, a graduate of the Sanderson High School, was graduated from Texas Tech College in 1963 with a Bachelor of Science Degree in Home Economics. She is a member of Pi Beta Phi Sorority and is employed as assistant to the director of the Dallas Historical Society.

Mr. Deaton attended Hardin-Simmons University, Abilene, and is employed with the Spencer International Press in Dallas.

Among the out-of-town relatives and friends here for the wedding were Mrs. Ira Deaton, Del Rio, grandmother of the bridegroom; Mr. and Mrs. H. A. Fieger, Hondo; Mr. and Mrs. Bill Lancaster and daughter, Susan, Balmorhea; Mrs. C. E. Joseph and Mrs. Oren Stigler, El Paso; Guy Moore and Mr. and Mrs. C. N. Word and Clifton Word, Odessa; Mr. and Mrs. Bill Unger and sons, Mark and Steve, Big Spring; Mr. and Mrs. S. H. Blaydes and children, Shelby Jr., Rod, Brownie, Seals, and Betsy; Mr. and Mrs. M. D. Brown, Mrs. Fleeter Eason and daughters, Susi, Debbie, and Sally, all of Fort Stockton; Mr. and Mrs. D. F. Sudduth, Lubbock.

W.M.U. Meets In Regular Session

The Baptist W.M.U. met in the church Monday morning in monthly business session with Mrs. T. O. Moore presiding and leading the group in reciting the W.M.U. Watchword, Psalms 7:9. After the hymn, "O Worship the King" had been sung, Mrs. George Proctor led the special prayer for the missionaries on the birthday calendar.

Mrs. H. G. Cates gave the devotional based on Genesis 3:1-10. Mrs. Proctor gave a report on the new Intercessory Prayer League and Mrs. J. C. Hancock made an appeal for some more Sunbeam

Miss Barbara Sudduth, daughter of Mr. and Mrs. W. W. Sudduth, became the bride of David Deaton Friday evening in wedding ceremony by candlelight in the First Methodist Church. Parents of the bridegroom are Jack Deaton of Sanderson and Mrs. M. P. Deaton of Abilene.

Rev. Miller H. Stroup, pastor, officiated at the double-ring ceremony with the couple kneeling on pews for the wedding prayer.

Mrs. M. D. Brown of Fort Stockton, aunt of the bride, was organist and played traditional wedding music. She also accompanied Clifton Word of Abilene, soloist, who sang "Whisper Thou Guest" and "Walk Hand in Hand".

The candles were lighted by Shelby Blaydes Jr. of Fort Stockton, cousin of the bride, and Don Deaton, brother of the bridegroom who were also ushers.

White tapers in seven-branched candelabra provided illumination in the background of the altar and on each side were white mums and stock and huckleberry leaves in white wicker baskets tied with white satin ribbons. Red pyracanthus berries were in brass altar vases.

White grapes and ivy tied with white satin ribbons and bows decorated the pews reserved for

the families.

The bride was escorted to the altar by her father who gave her in marriage. The wedding dress of white peau de soie, created by the bride, featured a bateau neckline, long petal-pointed sleeves, and a bell-shaped skirt with a chapel train. Hand-scalloped Alencon lace encrusted with seed pearls detailed the bodice and extended in a panel down the front of the skirt. Her finger-tip veil of scalloped illusion was attached to a peau de soie rose with the petals outlined in seed pearls. The bridal bouquet was of gardenias.

Miss Juree Joseph of El Paso was the maid of honor and Mrs. Frank Steelman of Houston was the matron of honor. Their identical gowns of cranberry red brocade featured A-shaped skirts, molded bodice and sweetheart neckline. For a headdress, they wore a flat bow of the brocade attached to a red veil of illusion. They carried bouquets of white chrysanthemums tipped in red.

Frederick Chapel of Abilene was the best man and Edward Cockerell of Abilene was the groomsmen.

The reception in the Legion Hall was immediately after the wedding. Branches of pyracanthus with red berries and white

leaders.

The group voted to observe the Week of Prayer for Foreign Missions from November 28 through December 6. There will be a service at the church each morning except Wednesday when there will be an evening service followed by a social hour. The mission study will be given on the fourth Monday, November 23.

Mrs. A. D. Brown led the closing prayer.

Mrs. H. L. Richardson and Mrs. O. D. Gray were also present.

ited his sister, Mrs. Harry Davis, and Mr. Davis in Killeen and reported Mrs. Davis will return to Marlin on November 19 for further treatment. They also visited in Meridian with their daughter, Mrs. Tex Martin, and their granddaughter, Georgine Martin, accompanied them home.

Mr. and Mrs. Coleman Stadler went to San Antonio Tuesday to

visit their daughter, Mrs. Jim Higgins, and family, returning home today.

Mrs. Juan Ramirez Jr. and her mother-in-law, Mrs. Juan Ramirez, have returned home after spending several months in France and Spain with Juan Ramirez Jr., who was employed by an oil company there. He is now in Algiers, Africa.

be for, there has to be something to be against. There is no positive without a negative.

Any effort of progress must be based on something to work against.

What were we doing in the cause of our independence if not expressing an against. Why did we take up arms in each strife as a nation if it were not in opposition to something.

In your vote Tuesday did you vote for without voting against? The only place we know of where there is no opposition to anything is in a dictatorship. Everyone there is "for" everything and "against" only one time.

God grant that this nation may continue to be against a lot of things, and that we as citizens will have the reasoning and the ability to recognize those things which we should oppose and oppose them.

Every reader who condemns a man for being "against", just should make a list of things you happen to be against, and you will find the list to be exactly the same length as your "for" list.

And let us be tolerant of the weaknesses of other men, which are all weaknesses of ourselves.

should you pamper a Princess?

Depends on which princess—the teenager or the telephone. All teenage princesses—so we're told—glory in a little pampering.

But the Princess® telephone is so well made and trouble free that no pampering is required. Just dust it occasionally or wipe it with a damp cloth.

That, plus a little care in handling, is all the attention any phone needs. And phones almost never need repair—but if something does go on the blink, we'll fix it promptly at no extra charge.

We think it's our job to keep right on improving your telephone service and making it of greater personal value to you.
