

Quarter Horse Show On Tap For Saturday

Friona's Junior Chamber of Commerce will stage its third annual Quarter Horse Show Saturday at the Jaycee Arena. The halter classes will begin at 10 a.m.

Robert Zetzsch will serve as ringmaster, and Virgil Phipps is secretary of the show. Admission will be free.

"The show will be started earlier than last year, because last year several of the entrants

had to leave before the performance class started," said Phipps.

By starting at 10 a.m. with the halter classes, it can be finished by around 2 p.m. Last year, it started at 1 p.m. Following the performance class will be a cutting contest.

The Jaycee Wives will operate a concession stand most of the day. "Those who wish may eat lunch at the arena,

and stay for the performance class and cutting contest," Phipps said. The women plan to serve "Sloppy Joe" sandwiches, as well as candy, cold drinks and coffee.

Close to 100 entries are expected in the show. Going by past records, that could be a conservative estimate. Last year there were 119 entries, and in 1961, the Jaycees' first show, there were 121.

Last year, four states were represented, with entries coming from New Mexico, Oklahoma and Colorado as well as Texas. Officials hope to have entries from Kansas this year, to make it a five-state affair.

There will be 16 classes judged in the halter division. There will be six classes of stallions; those foaled in 1963, 1962, 1961, 1960, 1959 and before, and the grand champion

stallion.

Also, there will be six classes of mares: mares of 1963, 1962, 1961, 1960, 1959 and before, and the grand champion mare. Geldings will have four classes: foals of 1961-1962-1963, 1959-1960; 1958 and before, and the grand champion gelding.

Trophies will be awarded to first place winners in each class. Ribbons will be given

through sixth place.

In the performance class, contests will be held for junior reining, senior reining, western pleasure, pole bending and barrel racing.

The cutting contest will have two divisions, senior and junior. Entry fee in the cutting contest will be \$30, of which \$25 will go into the pot to be paid the winners. The champion will be 40 per cent; second

place will receive 30 per cent; third will get 20 per cent and fourth 10 per cent.

Entrance fees for the other classes will be \$5.

The club will sponsor its first Appaloosa show a week from Saturday, August 10. The same classes will be featured as in the quarter horse show, in halter, performance and cutting contests.

Walter Merrick of Crawford,

Oklahoma will judge the quarter horse show. Weldon Johnson of Snyder will judge the Appaloosa show.

Horses may be entered up until showtime for both of the shows. The Jaycees have expended \$600 to provide trophies and ribbons for the two shows.

In the Appaloosa show, Lonnie Dement will be secretary, assisted by Mrs. Robert Zetzsch.

LEE THOMPSON

County Tax Assessor Submits Resignation

Lee Thompson, a Farmer County official for 15 years, and a public servant for a quarter of a century, will retire September 1 as County Tax Assessor-Collector.

Thompson, who suffered a heart attack a year and a half ago, has been in bad health ever since.

"I've been having to rest half of the time lately. I told my doctor (Dr. Paul Spring, Friona) when I visited him last that I planned to resign, and he said that under the circumstances, this would be a wise choice for

me to make," Thompson said.

The tax assessor was in his seventh year in that capacity, being elected to his second term in 1960. His present term will have a year and four months remaining as of September 1, 1963.

Thompson served as county judge for eight years, from 1939 through 1947. He also served as a county commissioner from the Farwell precinct for six years, from 1930 through 1936. Prior to that, he served four years as deputy sheriff in Farwell.

Between his tenure as county judge and tax assessor-collec-

tor, Thompson serves as manager for Bovina Wheat Growers Incorporated, from 1947 through 1955.

He was elected county tax assessor-collector for the first time in the general election of 1956.

"I'm very grateful to my many friends in Farmer County for their support through the years. I have never been defeated in a race for public office, a record I'm very proud of," Thompson said.

His plans, other than retirement, were not disclosed.

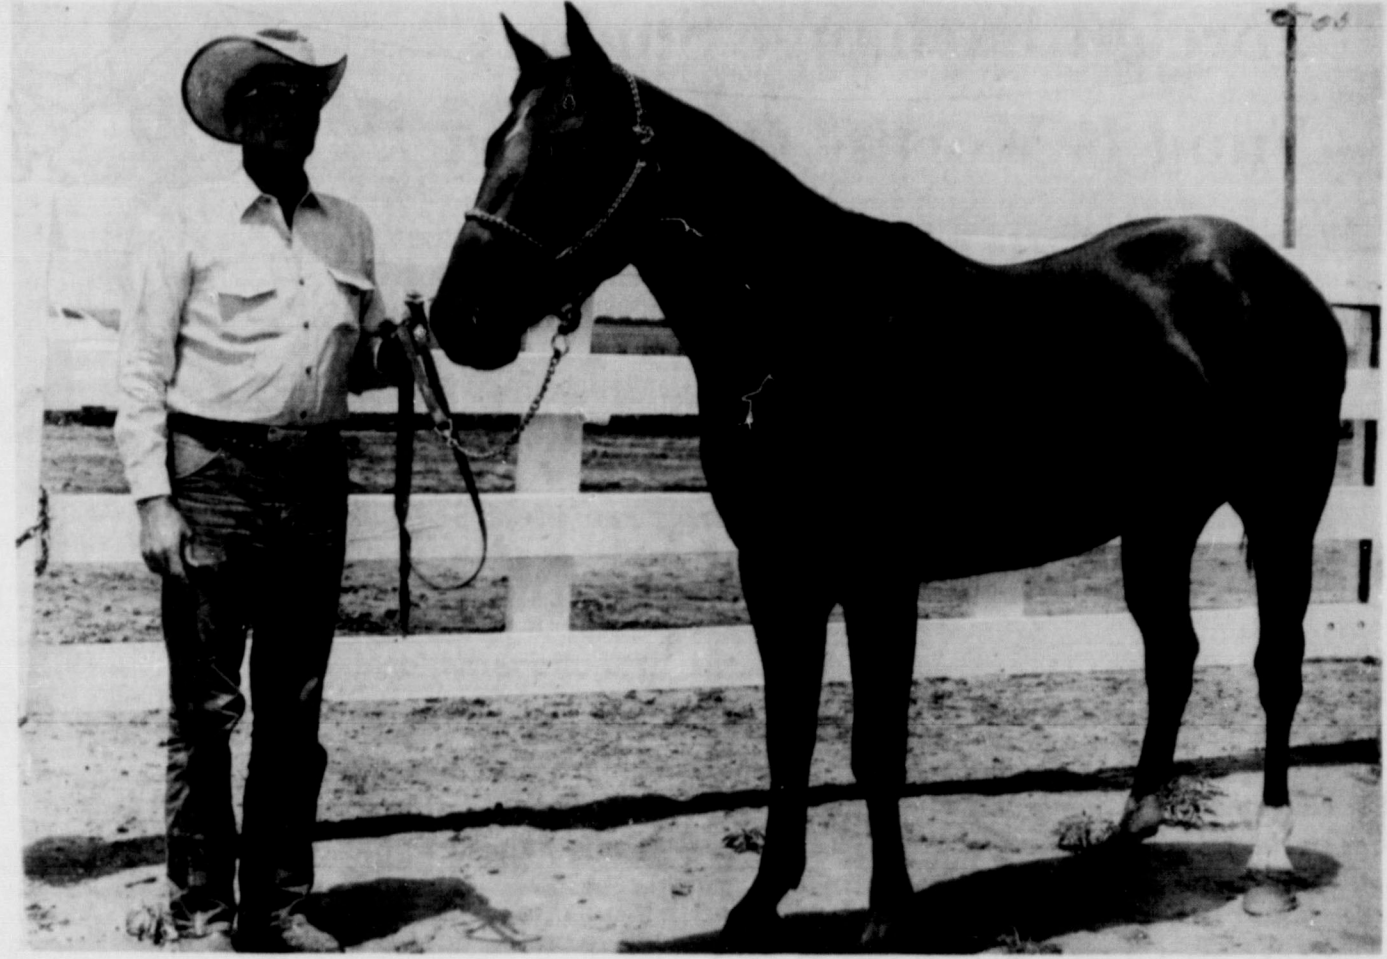

Season Tickets On Sale Today

Superintendent of Schools Alton Farr announced this week that season football tickets will go on sale today at Bi-Wize Drug in Friona for five home football games by the Friona High School Chiefs.

Price of the season ticket will be reduced to \$6.25 this year, in an effort to entice more season ticket buyers. Regular reserved seat price is \$1.50 per game, so the season ticket purchaser will save \$1.25 by paying for all five games at once.

Farr said that last year's season ticket holders would have until August 15 to renew their tickets if they wished to keep the same seats, after that they would be offered for sale.

Friona's home games this season will be against Farwell, Sudan, Bovina, Morton, and Olton.

SHOW ENTRY...Bob Knight of Friona poses with his two-year-old stallion which he will enter in the Friona Junior Chamber of Commerce quarter horse show Saturday. The horse will be entered in the Stallions of 1961 division.

Lions Establish Student Loan Fund For Friona

The Friona Lions Club voted at its meeting last Thursday to set up a student loan fund to help local college students or students preparing to enter college or trade school.

"If the fund helps just one student finish his education, then it will be well worth it," stated Flake Barber, club president.

The club emphasized that the fund would not be restricted entirely to students of four-year colleges, but would be ex-

tended to include those entering trade schools or other vocational training programs.

Baker Duggins, Friona High School guidance counselor, spoke to the Lions about his views on the fund. "I think one of the main problems dealing with students who need financial help is the lack of communications between the student and the community," Duggins said.

"I think the student who is unable to do college work is the one who needs the type of assistance the Lions are willing to give. Those who can make good grades in college will find ways of financing their education," Duggins said.

The club will set up a committee to handle the loans once the program is underway, composed of the superintendent of schools, the counselor and three Lions Club members.

For its program, the club was addressed by Jim Singleton, who recently moved to Friona from Glasgow, Scotland. Singleton gave the Lions a thumbnail sketch of his homeland, and told of his impressions of Texas.

"I prefer to be called a Scotsman. Calling me an Englishman would be the same as calling you fellows Yanks or Canadians," he said.

He pointed out that while Texas was three times as big as Scotland, its population was 55 million, compared to 10 million in Texas.

Singleton explained that he made his first trip to the United States in 1937, but got only as far south as Washington. He came back in 1939, and this time took McGee's sister home with him.

All the time we've lived in Scotland, my wife has said "You've got to come back to

(Continued on Page 4)

Board Announces Five Teacher Contracts

Five new teachers' contracts were announced at the meeting of the Friona Independent School District's board of trustees last Saturday, following the annual equalization board meeting.

Those given contracts included:

Carroll Clements, Pampa, a graduate of North Texas State University, who will teach in the sixth grade. It will be the first teaching experience for Clements.

Carol Collier, also a graduate of North Texas State University, has been hired to teach Junior High School English in her first teaching assignment. A native of Athens, Texas, Miss Collier and Clements are to be married August 3.

Mr. and Mrs. Tommy Paris of Plainview will also join the faculty. Both are graduates of West Texas State University. He taught a year at a junior high school in Plainview before going into the armed forces. While stationed at Okinawa, Mrs. Paris taught kindergarten. At Friona, Paris will teach mathematics in high school, and his wife will teach in the first grade.

Betty Anderson, of Blanket, Texas, will also be a first grade teacher. She is a graduate of Howard Payne College. It will be her first teaching position.

The hiring of the five teachers leaves just one position vacant in the system at present, that of a music teacher for the fourth, fifth and sixth grades.

In other business, the board approved granting the school's milk to Seal Test Milk Company of Amarillo. Seal Test, which has been supplying milk to the Friona cafeteria for several years, had its contract extended on a bid of six cents per half pint.

During the Board of Equalization meeting, school tax assessor-collector Dan Ethridge reported that the total tax evaluation for the Friona school district this year amounted to \$13,917,183, which would produce \$264,426.38 in taxes on a \$1.90 per hundred tax rate.

The total evaluation is \$299,007 more than last year's figure of \$13,618,176. Total possible taxes will rise \$5,681.11, over last year's total of \$256,745.27.

and needs to be forwarded to the New York office of the AFS immediately.

"This is a community-wide project. Several business places, individuals, clubs and churches have helped finance the program in the past, and some have given for this year's fund, but we certainly need more help and need it now," stated Andy Hurst, president of the local AFS chapter.

Hurst stated that he felt the public as a whole should be more aware of how much this program means to the United States, pointing out that this young woman could do more good, when she returns to Turkey, than several million dollars in improving relationships between nations.

The Friona AFS chapter urges everyone to contribute to the fund, either by depositing money to the special fund at Friona State Bank, or by handing their checks directly to Hurst or Superintendent of Schools Alton Farr.

The Friona Star has agreed to publish a list of donors in next week's issue, at which time

(Continued on Page 4)

Church Team Plays Today

The Royal Ambassador baseball team of the First Baptist Church will meet the Immanuel Baptist team from Amarillo at 4 p.m. today at the Baptist Assembly grounds in the third and final game for the association championship.

The Friona team bounced back to tie the series at 1-1 by blasting Immanuel, 23-4 in a game Saturday afternoon at Reeve Field. Immanuel had won the opening game of the series, 8-1 at Amarillo last Thursday.

Friona was the regular-season champions in the Palo Duro League. Immanuel Baptist was champion of the Estacado League.

Star Games Today, Friday

The Pony League all-star game will be played at 8 p.m. today, preceded at 7:45 by presentation of awards to winning teams, and the sportsmanship trophy to the top sport in the league.

The Pee Wee League all-star contest will be held at 6 p.m. Friday, with pre-game ceremonies and awards to begin about 5:45 p.m.

Friona Gets 2.28" Rain

Rainfall in Friona last Saturday amounted to 2.28 inches, running the total for July to 3.16. The total rainfall for the year in the city now stands at 14.93, with June's 7.07 being the big month.

Temperatures for the past week were as follows:

	Max.	Min.
July 25	98	72
July 26	96	71
July 27	93	68
July 28	92	59
July 29	81	63
July 30	85	65
July 31	90	65

PCA Observes 4th Birthday

Production Credit Association in Friona is observing its fourth birthday this week. The office opened its doors in August of 1959.

The Friona office, managed by Martell LeVeque, is a division of Plainview Production Credit Association, the nation's largest association, with total farm loan volume of \$41,193,000 in 1962.

The association has offices in Castro, Swisher, Briscoe, Bailey, Lamb, Hale and Floyd counties in addition to Parmer,

Chairmen Named For Maize Days

Porter Roberts, Friona Chamber of Commerce and Agriculture manager and general chairman for the city's 1963 Maize Days celebration September 9-14, announced this week the appointment of chairmen to 15 of the chamber's 16 Maize Days committees.

Those appointed included: parade -- Charles Allen; barbecue -- Wright Williams; tractor rodeo -- Aubrey Rhodes; commercial exhibits -- Andy Hurst; queen contest -- Eva Miller; carnival rides -- Flake Barber; decorations -- Ralph Shirley; finance -- Hollis Horton; publicity -- Bill Ellis; shave permits -- Bill Sheehan; concessions -- Wesley Foster; antique display -- Bill Flip-pin; kids contest -- Tom Jarboe.

Co-chairmen were named for the Chamber of Commerce and Agriculture's luncheon. They were Alton Farr and Arley L. (Jake) Outland.

The only committee which does not as yet have a chairman is the beard-growing contest.

Other committee members

who have been named include: parade -- Steve Messenger; barbecue -- Earl Chester, Ralph Taylor, Ralph Shirley, A. L. Black; queen's contest -- Ruby Don Nunn, Marie Rodden; carnival rides -- Lion's Club members; decorations -- Fire Department members; finance -- J. C. Claborn; publicity -- Carol Ellis, June Floyd; shave permits -- Paul Yarbrough, Lions Club members; concessions -- Deon Awtry; antique display and contest -- Tommy Jones, Friona Antique Club members; kids contest -- Baker Duggins, Robert Taylor.

"The committees are beginning to function, and the Maize Days program is beginning to take shape," Roberts said. He indicated that the final three days of the celebration, Thursday, Friday and Saturday, September 12-14, would be filled with activities.

The Lone Star Amusement Company of Amarillo will again have rides, sponsored by the Lions Club. The rides will move in on Sunday, September 8, and will operate the entire week, Monday through Saturday.

EARLY BOLLS... Monty Barrett, who farms six miles south and three and one-half miles east of Bovina, displayed this cotton stalk with two bolls near the bottom last Friday. The stalk also had a couple of blooms and several squares. Barrett has 75 acres of cotton, which escaped damaging hail early in June.

NEW TEXAN... Jim Singleton, center, a native of Scotland, has moved to Parmer County, and has his sights set on becoming a Texas farmer. Singleton is flanked by Porter McGee on the left and Flake Barber, Lions Club president, on the right. He was guest speaker for the Lions last week.

Foreign Exchange Student Fund Is Worthy Of Support

Friona residents are being asked this week for donations to a special type of fund. The American Field Service Chapter needs to raise \$1,000 to pay for the expenses in bringing the exchange student to Friona High School for 1963-64.

Readers of the Star last week were given an introduction to Miss Nergis Yazgan of Turkey, who is to be the community's exchange student for the coming year.

Andy Hurst, president of the local American Field Service chapter, has said "The public should be made more aware of how much this program means to the United States, and that this young woman could do more good, when she returns to Turkey, than millions of dollars could do in the field of international relations.

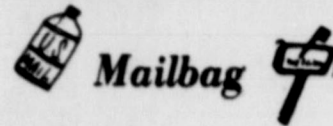

True, the program is Friona's chance to help strengthen international relations. Through the AFS, the community is able to play host to a foreign student, and by having the student in the community, to put "its best foot forward" in good will on a personal level.

Every club, organization or individual should be willing to help finance the program and assure that the new exchange student will be able to realize her ambitions in visiting America. It will be a donation results of which will be seen and heard the moment Miss Yazgan arrives in Friona, and which will keep on paying dividends for years after her departure for her homeland.

The foreign exchange student program as supervised by the American Field Service is probably doing more to strengthen America's position with foreign countries than any single government program in operation. Let's show our faith in the program by allowing the Friona AFS chapter to be a "paid up" member.

COME ON, MOMMY... SLIDE!!

Dear Bill:

As manager of the Friona Irrigation League baseball team and in behalf of the entire team I would like to thank you for the interest you have shown us. All of the write-ups and pictures meant a great deal to the team.

I also want to thank each merchant and individual who contributed time and money.

Duane Balze

Dear Editor:

I wish to thank you for the nice pictures and write up about

the 4-Hers Dress Revue. I know all the girls in the 4-H Club are proud you took so much time with them.

I believe with as much work as they put out they deserve a good showing.

Thanks again,

Mrs. Harvey Blackstone
Route 1, Friona

Dear Editor:

I would like to let you know what a good job you did for the girls 4-H dress revue. The pictures were really good.

I hope this will inspire other girls to join the 4-H.

Thank You
Lazbuddie Organization
Leader
Mrs. Roy M. Miller

Editor's note: Thank you for your kind remarks. As a matter of fact, one of the big reasons for our picture spread on the 4-H Club dress revue was to see if we could stir up a little more interest, especially among girls in the Friona area, who were conspicuous by their absence in the county revue. --B.E.

ONE YEAR AGO -- August 2, 1962: Farmer County farmers, for the first time this summer, had "enough" rain this week, as general rains blanketed the county. A few farmers received damaging hail with the rain. A total of eight inches of rain was measured northeast of Farwell.

THREE YEARS AGO -- August 4, 1960: Directors of the Farmer County Community Hospital are in the act of drawing up plans and specifications for a 3,250 square foot addition to the clinic of the hospital. The new addition is expected to cost about \$45,000 and will more than double the present clinic facilities.

Gary Bradley, halfback for Friona's football team last season, will play on the Sodbuster team during the annual City Slicker vs Sodbusters football classic in Amarillo August 20.

FIVE YEARS AGO -- July 31, 1958: Governor Price Daniel was an overwhelming favorite for Farmer County voters in the Democratic primary last Saturday, and Ralph Yarborough was a favorite in the senate race. Andy Rogers of Childress was a definite favorite in the state senate race over Karl Lovelady of Mulvane and Leroy Saul of Kress. Locally, Loyde Brewer came within 13 votes of being elected as county judge over incumbent A. D. Smith and Wesley Hardesty. Brewer and Smith will face a runoff. Bill Sheehan and Charles Allen, co-chairman of the annual Maize Days celebration, met with committee members to go over the first phase of planning for the event.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1963. SENATE JOINT RESOLUTION NO. 16 proposing an amendment to the Constitution of the State of Texas so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Sections 2 and 4 of Article VI of the Constitution of the State of Texas be amended to read, respectively, as follows: "Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this state one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that any member of the Armed Forces of the United States or dependent branches thereof, or in the military service of the United States, may vote in any election in which he or she resided at the time of entering such service so long as he or she is in the service of the Armed Forces; and provided further, that before offering to vote at an election a voter shall be registered if required by law to do so. The Legislature may authorize absentee voting. This shall take effect on December 1, 1963. Section 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and shall publish the same in the manner and for the length of time as required by the Constitution and laws of this state.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1963. SENATE JOINT RESOLUTION NO. 16 proposing an amendment to the Constitution of the State of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board... BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so the same will hereafter read as follows: "Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all the Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be a veteran of the United States Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1965, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law. "Said Veterans' Land Fund, to the extent of the moneys attributable to any lands hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, resale, or lease of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds. "All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1955, shall be credited to a special fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein. "All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period of said moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund shall be governed as elsewhere provided herein. "This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reserved to the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it deems necessary. "Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature. "This Amendment shall become effective upon its adoption." Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Saturday after the first Monday in November, 1963, at which election all ballots shall have printed thereon the following: "FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$150,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1965; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and "AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$150,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1965; such funds to be expended in accordance with instructions and requirements that may be provided by law." If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith. Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

- Sunday Night -- The Millennium -- Chapters 19-20

M-Day finally arrived for our neighbors, Parmer County Implement Company, and after watching moving operations for a few days I've reached the conclusion that moving an implement plant that has been in one location over a long period of time is probably a bigger operation than moving a family's household possessions.

Trucks, pickups and other vehicles were loaded and it looked as if all hands and the cook were drafted into helping with the project. We're going to miss J. G. McFarland and all the friendly PCIC employees, but know they are going to enjoy being in a modern up-to-date plant.

I've snooped around there some and am looking forward to attending the formal open house in the near future. The last time I looked there wasn't any planter for geraniums, but feel sure there will be one.

I've heard several rumors about future occupants of the building, but as of right now it is almost vacant.

Several farmers are taking advantage of having a few days watering done for them Saturday night and Sunday morning. It seems that at this time of year farm families keep everything in readiness for a good rain and are off to the mountains almost as soon as the wells can be cut off for a few days.

Judging from the number of people seen buying groceries in bulk quantities recently, "roughing" it must be getting more popular. Several families get together, purchase a good stock of groceries and take off for some lake.

The following item was clipped from Producer's Grain Corporation's newest issue and contains a lot of thought provoking suggestions that could be applied to any organization.

A DOZEN WAYS TO KILL YOUR CO-OP

1. Don't go to any of the meetings. With a negative attitude, you wouldn't contribute anything to the meeting anyhow.
2. If you do go, go late. Some people have an aversion to being on time. Why not join them? They won't mind one more interruption. Be sure that if you are late, stagger your entrance with the others that are late so you can cause as many interruptions as possible.
3. If the weather doesn't suit you, don't even think of going.
4. If you do attend, be sure to find fault with the officers and other members. They always like that.
5. Never accept an office. It is much easier to sit back on your laurels and criticize the others.
6. Get sore as the devil if you are not appointed to a committee. If you are appointed, don't attend any of the meetings.
7. If asked to give an opinion on something, tell the chairman you have nothing to say, or clam up altogether. Then after the meeting is over, you can really read everybody off about how it should have been done.
8. Do nothing more than is absolutely necessary to retain your membership. While others roll up their sleeves and give of their time unselfishly, you howl about how the organization is being run by a clique.
9. Hold back your patronage as long as possible. Or better still, don't patronize them at all.
10. Make no effort to get new members or encourage old ones to attend. With no members, a meeting cannot be conducted and then you won't have to think of an excuse for not going.
11. Don't be sociable within or outside the cooperative. Somebody might get the idea you are an old mushy so-and-so or that you are planning to ask somebody for a loan.
12. If you should get an idea, smother it at once.

KIM BUSKE, TIM RHODES

Scouts Return From Philmont

Two Friona Boy Scouts returned last week from New Mexico, where they spent 10 days hiking and camping at Philmont Ranch. Kim Buske and Tim Rhodes, both members of scout troop 56, reported that they received a world of camping experience during the 10-day trip.

The boys left Amarillo Saturday morning, July 13 with 44 other Scouts from the Llano Estacado Council. They arrived at Philmont Ranch, which is five miles from Cimarron, N.M., on Saturday afternoon.

Each Scout received their tentage and supplies, and were divided into three groups. Included in Tim's group were Scouts from Ardmore, Okla., Adrain, and Amarillo. Kim's group included Scouts from Amarillo, Canyon and Dalhart as well as himself.

On Sunday morning, the

Scouts left the ranch headquarters for 10 days of hiking. The groups covered from five to 10 miles per day, carrying approximately a 40-pound pack. At the start of each day, they were issued their food rations for the day.

They used dehydrated food. Two pounds of this special concentrate supplied a meal for two persons. "We had to put iodine in our drinking water because some of the creek wasn't purified," the Friona Scouts said.

The Scouts arose each day at 4 a.m. After preparing their breakfast, they would begin their day's hike to the next campsite at around 6 a.m. Each group of Scouts was divided into smaller groups for chores each day. There were groups of three or four for water, fire, cooking and cleaning up.

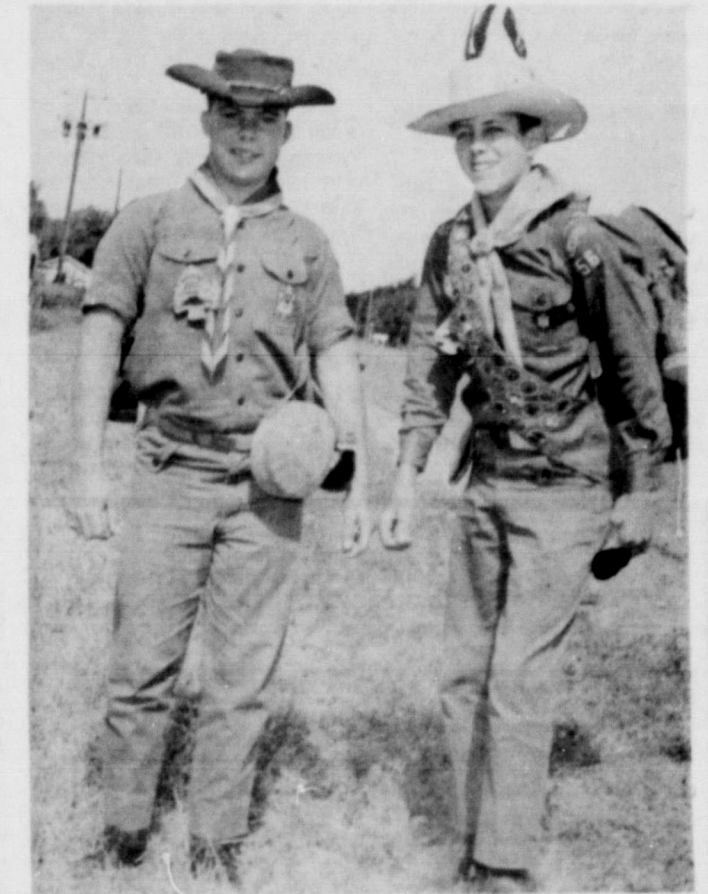

The boys saw all varieties of wild life, including a buffalo

herd, deer, bear, porcupines, squirrels, chipmunks and game birds of all kinds.

They had a chance to fish, and even panned for gold at one stream. "I got about a quarter's worth," said Tim. They were to complete requirements for their hiking merit badges last Saturday by hiking to Hereford, fulfilling the 20-mile hike requirement.

During their stay at the ranch, the Scouts hiked in the neighborhood of 45 to 50 miles. The two Friona Scouts, although in separate groups, hiked in the central and southern part of the ranch.

Scouts from all 50 states and several foreign countries visit the ranch annually. Approximately 2500 Scouts were there at the time the Friona representatives were. Busloads arrive every day at various intervals.

SCOUTS RETURN...Back from a hiking trip to Philmont Ranch are Tim Rhodes, left and Kim Buske. The two Friona Scouts didn't quit hiking, though, making a trip to Hereford to fulfill requirements for merit badges.

Williams Rites Held

Funeral services were conducted in Friona last Friday for Mrs. J. B. Williams, 50, who died last Wednesday after a long illness.

Services were conducted at the First Baptist Church. Rev. W. G. (Bill) Burton officiated. Burial was at Friona Cemetery, under the direction of Claiborn Funeral Home.

Mrs. Williams was born Christene Gladys Poole in Randlett, Oklahoma on March 14, 1913. She and Mr. Williams were married in Wheeler in 1939. The Williamses moved to Friona in 1951.

Survivors include her husband, a son, Randy, 21, and Karyl, 16, her mother, Mrs. Florence Poole, Amarillo, three sisters, Mrs. Josephine Podbreger, Grass Valley, California; Mrs. Lyl Yennie, Scottsdale, Arizona; and Miss Eileen Poole, Las Vegas, Nevada.

Four brothers also survive, William L. Poole of Las Vegas, Nevada; Walter E. and Edward Poole, both of Amarillo, and Ervie Poole, Sunray.

Girl Scout Troop Camps In Mountains

Nine Girl Scouts and three leaders spent Monday, Tuesday and Wednesday of last week at Tres Ritas. Members of Troop 358 have been selling dish cloths the past several months to earn funds for this troop trip.

They lodged in the Ennis Cummings cabin and cooked most of their meals over camp fires in the tall pine trees along the mountain streams. Tuesday they took a sightseeing trip into Taos. They visited some art galleries, the Kit Carson Museum and had a picnic lunch and barbecued chicken in Kit Carson National Park in the evening.

They also visited the Taos Indian Pueblo dwellings and stayed for the Indian dances in the evening.

Wednesday morning the troop drove to Penasco, the nearest ranger station. The ranger on duty guided the girls on a tour through the plant and explained the purpose of each article

used in maintenance of the forest. These troop members have been working on conservation badges and learned many things about conservation of wildlife, water, range land, timber, recreation areas and roads.

Those making the trip were Jan Shirley, Linda McVey, Rhonda Ruzicka, Chloe Ann Ford, Terri Sue Cummings, Kathy Renner, Diann Gilliam, Jayn Masie and a Girl Scout from California, Lillian Nan Sweeney, who was visiting Jayn Masie.

Also Mrs. Doyle Cummings, Lisa and Kirk, Mrs. David T. McVey and Mrs. W. M. Masie.

Troop members would like for anyone wishing to purchase dish rags to contact one of them. Funds will be accumulated for another trip next summer.

Weekend visitors in the home of Mr. and Mrs. W. D. Buske were Mr. and Mrs. Neff Turner, Abernathy. The Turners are Mrs. Buske's parents.

LIONS CLUB...

(Continued From Page 1)

Texas and spend some time there, telling me how it never rained, etc.," he said. "Since coming, we've seen floods of rain, and sand such as they wouldn't believe back home," Singleton added.

Speaking of our farming habits, he said "We don't see how you fellows make crops, planting four or five times. At home we plant once, and if the weather gets it, we're too mean to replant."

"You do have to come to Texas to see all these abnormal things happen. I'm quite sure anything can and will happen here," he concluded.

AFS FUND...

(Continued From Page 1)

It is hoped that Friona's name can be added to the "paid" list with the AFS in New York.

The committee became better acquainted with Miss Nergis Yazgan of Turkey through letters and pictures that she has sent to the W. M. Masie family.

Miss Yazgan will arrive in New York August 11, and will be in Friona shortly thereafter.

"Let's get behind this drive and prove that Friona is just as friendly as every Texan is advertised as being," Hurst said.

"ACQUAINTANCE WITH GOD"
Job 22:21

1. Not mere personal knowledge, but that intimacy and familiarity which exist between one friend and another. It implies a knowledge of his character and Governor of the Universe, and the God of all grace.

Supreme love to Him -- "Whom have I on earth besides Thee? And Whom in Heaven but Thee?"

2. "The means of Acquaintance with God." Enlightenment by the Spirit, faith in the sacrifice of Christ. Sin is the "separator" of God and man.

3. "The Happy Results of Acquaintance with God." Peace -- God is the God of Peace. "God shall come unto thee." That unfastens the cable and gives men the freedom of the seas. Where there is great faith, there must also be great works. The man who believes the most will do the most. His works must be like the works of his Master.

Rev. I. S. Ansley
Pastor, First Baptist Colored Church

PONY CHAMPS...Herring Implement Company won the Pony League championship with an 8-1 record. The team is shown above. Back row, left to right are Jim Johnson, coach; Tim Herring, Danny Balze, Travis Graves, Ray Brax-

ton, Jessie Shirley and Duane Balze, manager. In the front are Joe Mabry, Joe Garcia, Glenn Coggans, Randy Balze, Jimmy Broyles, Bubba Long and Johnny Broyles. Not present for the picture was Rickey Hurst.

PONY LEAGUE CHAMPS

Herring Finishes With A Bang-Wins Couple

Herring Implement Company, which had already clinched the Friona Pony League championship, finished up their schedule as though they weren't taking any chances. Herring downed Farmer County Implement, 11-1 in a makeup game Saturday, then clouted Chester-Fleming, 38-7 in the season's wildest-scoring game Monday. In the Saturday game, Danny Balze hurled a one-hitter. The losers' only hit was by Dennis Howell in the fifth inning, to help score Farmer County Implement's only run. They were helped to the run on a missed third strike by Herring's catcher, allowing the batter to

reach first. Herring scored its 11 runs on only four hits, but were assisted by nine walks. Balze scored four runs without being charged with an official time at bat. He walked three times and was hit by the pitcher a fourth time, and scored every time. Monday's game was finally halted with just two out in the top of the fifth after Herring had scored 17 runs. They apparently were gaining revenge on Chester-Fleming Gin, which was the only team in the league to defeat Herring this season. Chester-Fleming got two of the first three men out in the inning, but 17 straight runs were scored without an out, so the

game was finally called without completing the inning. Danny Balze was again the winning pitcher. In a game Tuesday night, Hub Grain topped Farmer County Implement, 17-14 in a scoring duel. Both teams scored every inning but one. Hub had five in the first and six in the third to grab a 12-5 lead. Jackie Claborn and Scott Cummings had four hits for the winners, and Howell and Reed got four for Farmer County Implement.

Piano Recital Is Tonight

Pupils of Mrs. Ladson Worley's theory and piano classes will present a summer recital Thursday evening, August 1 at 8 p.m. in the Calvary Baptist Church auditorium. This will be the last recital given by Mrs. Worley in Friona since the Worleys are moving to Stratford next week. She plans to teach privately there. Pupils participating in the recital will be: Lisa Taylor, Alan Payne, Chris Sanders, Brent Hall, John Sheehan, Cathy Horton, Nancy Martinez, Sally Kendrick, Judy Jordan, Doris Ferguson, Sheryl Worley, Kathleen Sheehan, Vicki Payne, and Mary Margaret Sheehan.

Mr. and Mrs. G. E. Reed and Mr. and Mrs. Sam Williams were Sunday visitors in the Ralph Reed home at Tatum. The Ralph Reeds are former Friona residents.

Recent visitors in the home of Mr. and Mrs. Cayson Jones and Mr. and Mrs. Glendel Jones have been Mrs. J. O. Wall, Vicki, Woody and Mike of Roswell. Mrs. Wall is the former Billie Jones.

GETS AWARD...Randy Mabry is presented the sportsmanship trophy for the Intermediate League by Friona mayor Raymond Fleming prior to the all-star game last Friday.

NORTH STARS...Members of the North Intermediate League all-star team are (back row, left to right) Sargosa Moreno, Jim Clements (coach), Johnny Barker, Jerry Hinkle (coach), Steve Buckley, Don Reeve (coach) and James Schlenker. Middle row--Wayne Schueler, Joel Osborn, Butch Watkins, Jody Fallwell. Front row--Billy Slaughter, Randall Schwab, Scott Wooley and Joe Moreno.

Barker Stars As North Intermediates Top South

Johnny Barker pitched and batted the "North" Intermediate League all-stars to a 4-0 victory over the "South" in the league's season-ender last Friday.

Barker, who led the league with a .592 batting average, showed how by getting two hits in the low-hit game. His team had eight hits in all, as he hooked up against Larry Graves in a good pitching duel. He allowed the other team just three hits, all infield scratch singles.

Both pitchers struck out four men. Graves walked one batter and Barker didn't walk a man. The South committed one error and the North played errorless ball.

Barker scored the game's first run in the bottom of the first after beating out an infield hit. James Schlenker advanced him to second, and he scored on Randall Schwab's double. The North scored another run in the fourth on Butch Watkins' single, two stolen bases and an error.

They put the game away in the bottom of the fifth. Jody Fallwell walked, Barker got his second single, Schwab singled, and Wayne Schueler was hit by a pitch to account for two runs and a 4-0 lead.

The South got two of their three hits in the third, but didn't score. Tommy Mars led off with a single, and after David McFarland struck out Graves singled, but Mars was out at third.

The only other hit off Barker was by Mike Pavalus in the fifth inning. He advanced to third, the only South base runner to get that far, but was left stranded when North first-

baseman Schwab took a hot line drive off McFarland's bat to end the inning. The South was out in order four of the six innings.

Bovina Airmen Are Reassigned

Two Bovina men in the U. S. Air Force have been reassigned to Dyess AFB, Texas, following their graduation from the United States Air Force technical training course for electronic data machine repairmen at Keesler AFB, Miss.

Airmen Second Class Jackie D. Turner and Delbert A. Hall were both trained in electronic data processing principles, computer techniques and circuit analysis and testing.

Airman Turner is the son of Mr. and Mrs. Frank O. Turner, and Airman Hall is the son of Mr. and Mrs. Graden H. Hall, all of Bovina. Both men are graduates of Bovina High School.

Matched Roping Set Sunday

The Friona Roping Club is sponsoring a matched roping contest Sunday at the Jaycee Arena, featuring Travis Nuckolls of Clovis, N.M., and Buttons Howard of Portales.

The contest will begin at 2 p.m. The ropers will be shooting for a \$1,000 purse. A three-calf jackpot roping will be held immediately following. Admission is \$1 for adults, 50 cents for children.

Friona Out Of Playoffs

For the second year in a row, Friona was forced to drop out of the Irrigation League's post-season playoffs, due to vacations and planned trips by team members, according to Duane Balze, team manager.

"They are so late getting the playoffs started, it would run almost until September. Most of the boys are beginning to be tired of the season, and it's been over two weeks since we practiced," Balze stated.

The Friona manager said that he had opposed the post-season playoffs in league meetings,

SCORES RUN...Johnny Barker crosses home plate with the first run for the North team in last week's all-star game. Waiting for the throw is South catcher Ramey Beene.

contending that by the time one team played another four times during the regular season, that should prove which was the better team.

Friona finished the regular season with an 18-2 league record, for first place in the loop.

Marriage Licenses Issued

DARCIE HODGES

The following marriage licenses have been issued by the county clerk's office in Farwell:

- July 19 -- George Lewis Haines, Friona; and Hazel Katherine Smith, Friona.
- July 21 -- Ernest Elton Huddleston, Friona, and Carol Ann Scales, Friona.
- July 22 -- William Edward Bryson, Clovis, N.M., and Loyce Suzanne Joyner, Clovis.
- July 24 -- Joby Doll Claborn, Friona, and Ruby Janet Buckley, Friona.

Youth Revival In Progress

The First Baptist Church is presently in a Youth-led Revival with Rev. Jerry Reimer of Fort Worth doing the preaching, and Darcie Hodges of Lawton, Okla., directing the music. The services are being conducted daily at 8 p.m., and will conclude Sunday night at 7:30 p.m.

Milton Hargus has been selected as Youth Pastor for the week, and Danny Murphree as Education Director. The youth have been filling the choir for all services, and enjoyed a breakfast Tuesday morning.

Fellowship periods and seminars are being conducted each night following the services. The youth of Friona (and all ages) are invited to attend these meetings.

B-J BEES WIN

Parmer County Pump Is Pee-Wee Champ

The Bees won it. Parmer County Pump's B-J Bees captured the championship of the Friona Pee Wee League with a 9-1 record. They wrapped up their schedule with a 9-3 win over second-place Ethridge-Spring Agency last Thursday, then beat Bainum Butane, 13-6 on Saturday.

Mickey Morris was the winner in both games, dividing pitching chores with Gary Pope. The two boys allowed Ethridge-Spring just two hits, and gave Bainum three.

The B-J Bees were ahead all the way against Ethridge-Spring. They scored two runs

in the second, three in the third and four in the fourth. Ethridge-Spring scored its three runs in the third inning. The winners had 11 hits, Leon Mendoza pitched for E-S.

On Saturday, the Bees pounded out 13 hits in topping Bainum. Bainum took a 2-0 lead in the top of the first. Parmer County Pump came back with five runs for a 5-2 lead. The Bees scored six more in the second for an 11-2 lead. Both teams scored twice in the third, and Bainum's final two came in the fourth. Richard Shirley and Bill Bailey hurled for Bainum.

Tommy Long pitched a one-hitter for Friona Consumers on Monday, as the Co-op topped Ethridge-Spring, 4-1 in the final game of the season. The winners scored all of their runs in the first inning. Ethridge-Spring scored its lone run in the third on an error and three walks.

Mike Noyes ruined the no-hit bid by Long with a double in the second. He advanced to third base, but didn't score. Leon Mendoza pitched for Ethridge-Spring.

B-J Bee Team Honored

Members of the B-J Bees Little League team were honored guests at an outdoor party in the home of Mr. and Mrs. W. D. Buske Saturday evening.

Those present were Gary Pope, Daniel Polk, Job Garcia, Jimmy Hamilton, Bobby Drake, Dave Buske, Troy White, Barry Bynum and Micky Morris. One member, Steve Worley, was unable to attend.

Others present besides the host couple were Mr. and Mrs. Earl Drake, Mr. and Mrs. Ray White and Shirley, Mr. and Mrs. Lowell Bynum and sons, Mr. and Mrs. Nolan Morris and family, Mr. and Mrs. Eugene Bandy and family, Mr. and Mrs. Hollis Horton and family and Mr. and Mrs. Rex Cowart.

Hollis Horton is sponsor of the team and Rex Cowart is the coach.

SOUTH STARS...The South Intermediate League all-star team was composed of (back row, left to right) Mike Pavalus, Judge Barker (coach), Charles Short, Randy Dickson and Jerry Powell (coaches), Larry Graves, Ronnie Brookfield and Weidon Dickson (coaches), Middle row--Danny Kendrick, David McFarland, Tommy Mars, Ramey Beene. Front--Ricky Davis, Billy Ross Proctor, James Peace and Richard Dickson. Not present was Bobby Daughterty.

WELCOME TO FRIONA

Travis Clements, new city of Friona night patrolman, is shown with his family, which is at home at 701 Woodland in Friona. Clements became a Friona patrolman the first of July, when Rex Cowart moved over to a deputy sheriff's position with the county. Both Clements and his wife Paula are natives of Muleshoe. He was with the police force at Clovis, N.M., the past four years. The youngster is Dennis Lynn, 10 months.

In The Courts

Cases tried before Judge Thelma Jones in corporation court for the period ending July 29 were: Gerald Edward Stephens, violation of restriction on driver's license; Donald Wayne Wilson, possession of altered driver's license; Roy Lyles, following too closely; Wyndol Charles Davies, excessive speed; James Henry Taylor, driving at a speed and in a manner to endanger lives.

JP Court

Cases tried before Judge Walter Loveless in the Friona Justice of the Peace Court, for the period ending July 30 include: W. C. Henry, undlicensed truck; Alfred Martin, speeding (80 miles per hour in a 60 mph zone); Pablo Perez, Jr., no driver's license; Linda Miller, unsafe speed; Timothy Otis Massey, speeding and failure to appear; Felix Vera, driving on wrong side of road; Howard Hagland, speeding and failure to appear; Julia F. Lockler, speeding 76 miles per hour in a 60 mph zone; Gail Wilcox, unregistered vehicle; J. W. McCarver, no driver's license; Dale Rolan, speeding (70 miles per hour in a 55 mph zone).

Carl Maurers Have Guests

Recent visitors in the home of Mr. and Mrs. Carl Maurer have been Mr. and Mrs. R. E. Cleveland and children, Anamosa, Iowa; Mrs. Hank Donnelly and children, Artesia, New Mexico, and Mr. and Mrs. Gaylord Maurer of Caracas, Venezuela. Mr. and Mrs. Carl Maurer

and Mr. and Mrs. Gaylord Maurer left early this week for a tour of Yellowstone National Park and other points of interest in Colorado, New Mexico and Arizona.

The Gaylord Maurers will spend a few days here following their return and will then go back to their South American home.

Of Interest To ★ THE WOMEN ★

Guests On Circle Program

"How a Christian Should Face the Race Problem" was the program topic at the Wednesday morning meeting of Mekka Circle of Woman's Society of Christian Service of Friona Methodist Church in the home of Mrs. Russel O'Brian Friday morning.

Mrs. Jerry London, program director, was assisted by Marcia Lynn Massie, Sheryl Long, Merylene Massie and Lynn Wilson, special guests at the meeting. The closing prayer was led by Mrs. George A. Jones.

During the social hour refreshments were served by the hostess. Others present were Mesdames Will Osborn, Joe Collier, David Moseley, James Boyle, W. M. Stewart, Roy Slagle, Wayne Stark, Hazel Kendrick, Russell McAnnally, Kenyth Cass, A. L. Outland, Billy Sides and Ralph Shelton.

Rebekah Class Has Meeting

The regular monthly business and social meeting of Rebekah Sunday School of First Baptist Church was in the home of Mrs. L. R. Dilger Thursday afternoon. Bible study was taken from the Book of Proverbs.

During the social hour refreshments were served to one guest, Mrs. Reeta Agee, and the following members: Mrs. C. W. Dixon, Mrs. Ethel Chittwood, Mrs. E. E. Taylor, Mrs. Charles Rauh, Mrs. Eva Roberson, Mrs. W. F. Cogdill and Mrs. Annie Scott.

"The Old West" Theme Of Girl Scout Day Camp

Theme of the Escarbada Neighborhood of Friona Girl Scouts 1963 day camp will be "The Old West." Plans have been made to teach pioneer methods of doing things such as making lye soap, churning butter and making sour dough biscuits.

Sessions will begin at the Ralph Wilson farm at 4 p.m. each day from Monday, August 5, through Friday, August 9 and will end at 8:30 p.m. Registration fee will be \$1.50 for each Girl Scout. All scouts will be transported from town to the Wilson farm and back each evening by leaders in cars. All girls should be at Friona Federated Club House at 3:45 each afternoon.

Parent consent blanks are being mailed to each scout by her leader. These blanks are to be signed by a parent and returned to the leader with the \$1.50 registration fee on the opening day of camp.

Other items needed by each camper are a cloth dip bag with drawing strap containing a tin cup, tin plate, spoon, fork, pocket knife and pair of cotton gloves.

A hayride to Escarbada headquarters on the last day has

Janet Buckley Weds Jobey Doll Claborn

In a double ring ceremony at Friona Methodist Church at 7:30 p.m. Saturday Janet Buckley, daughter of Mr. and Mrs. James F. Buckley, became the bride of Jobey Doll Claborn, son of Mr. and Mrs. J. C. Claborn. Wedding vows for the couple were read by M. B. McKinney, Church of Christ minister of Dimmitt, before an archway of greenery interspersed with white satin bows.

Traditional wedding marches were played by Iva Ben Parr at the organ. Miss Parr also accompanied Carolyn Herring, soloist, as she sang several selections.

Kay Bursleson was maid of honor. Bridesmaids were Carol Lowry, Denver, cousin of the bride, Carol Ray, Mikie Welch and Kay Struve.

The father of the bridegroom was best man and groomsmen were Don Davis, Colony, Okla., Joe Reeve, Joe Ayers and Ranza B. Boggess. Ushers were Larry Buckley, brother of the bride, Johnny Claborn, brother of the groom, John Walker, Clinton, Okla. and Eddie Bradshaw.

Candlelighters were Steve Buckley, brother of the bride, and Jackie Claborn, brother of the groom. Sheri Wright, Dimmitt, cousin of the bride was the flower girl and Darrel Buckley, brother of the bride, was ring bearer.

Bridal attendants wore identical dresses of rose pima mist cotton with matching satin hats, white accessories and corsages of white gladioli. Their dresses were designed with fitted bodices, draped necklines and bouffant skirts.

Given in marriage by her father, the bride wore a formal gown of Alencon lace and silk organza. The fitted bodice of lace was designed with long sleeves and a Sabrina neckline. The back of the skirt of silk organza fell into a train accented with a bustle. Lace appliques covered the train. Her veil of illusion fell from a tiara of seed pearls and she carried a bouquet of white orchids and stephanotis.

A reception in Fellowship Hall followed the exchange of wedding vows. Cake was served by Sandra Hoover. Cynthia Taylor served punch. They were assisted by Janet Stevick and Charlotte Nettles. Guests were registered by Mary and Martha Knight.

For a wedding trip to Colorado Mrs. Claborn wore a sheath of turquoise silk shantung with white eyelet coat accented with turquoise and iridescent patent accessories.

Mr. and Mrs. Claborn are both graduates of Friona High School. They plan to enroll at Southwestern State College at Weatherford, Okla. this fall. He will be a junior pre-medical student and she will be a freshman.

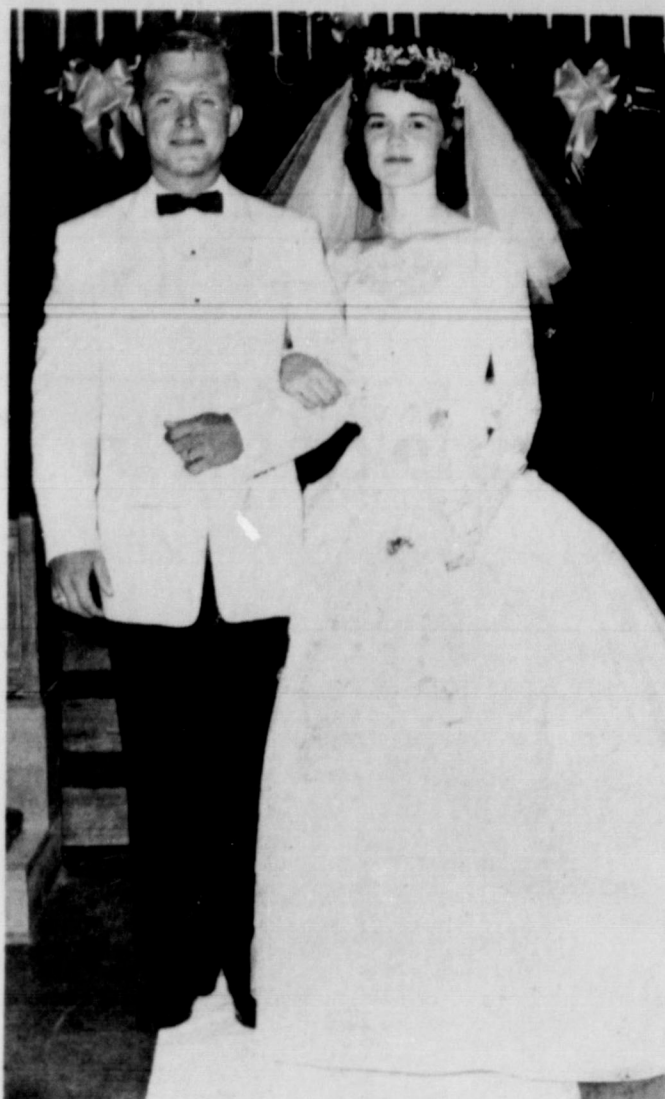

Hydes Return From Northwest

Mr. and Mrs. H. A. Hyde returned home recently after spending about three weeks visiting relatives and touring the Pacific Northwest. On July 4 they attended a family reunion at Lawton, Okla.

From Lawton they went to Wichita Falls to visit Rev. and Mrs. Haskell Bolding and family, who live in Tennessee. Their daughter, Mrs. Bolding, recently underwent surgery.

On July 9 the Hydes left Friona by train for Olympia and Tacoma, Washington to visit in the homes of Rev. and Mrs. Omer Hyde and family and Rev. and Mrs. Don Kimbrough and family. Rev. Hyde is their son and Mrs. Kimbrough is their daughter. They made trips to Seattle, Wash; British Columbia, Canada; and to the ocean at Ocean City, Wash.

The two Adair families are on their way to their homes after having toured several western states. They also visited in the home of Dr. and Mrs. John Adair at Santa Fe, City, Wash.

Mr. and Mrs. Jobey Doll Claborn (Photo by D. R. Bushnell)

Relatives Visit In Drake Homes

Mr. and Mrs. Dewey Adair of Maywood, Ill., and Mr. and Mrs. Sam Adair, Denver, have been visiting in the homes of Mrs. A. O. Drake, Mr. and Mrs. Earl Drake and sons and Mr. and Mrs. Arthur Drake and daughters.

The Adairs, who are twin brothers, are cousins of Mrs. A. O. Drake. Sunday dinner guests in the Drake home, in addition to the visitors, were Mrs. Treva Reece, Canyon, Mr. and Mrs. Amarillo and Mrs. Frances Howard, Abernathy.

Also Mr. and Mrs. Earl Drake and sons, Mr. and Mrs. Arthur Drake and daughters and Mr. and Mrs. Jerry Brown and Janna all of Friona.

Mrs. Drake accompanied the Adairs to Canyon Tuesday for a visit in the home of Mrs. Treva Reece.

The two Adair families are on their way to their homes after having toured several western states. They also visited in the home of Dr. and Mrs. John Adair at Santa Fe, City, Wash.

Manns Attend Family Reunion

Mr. and Mrs. D. P. Mann and grandson, Joe Bob Mann of Friona and Mr. and Mrs. Archie McCutchan of Bovina attended a Mann family reunion at Arrowhead Lodge on Lake Whitney July 20-21.

Others present were Mr. and Mrs. Henry Mann and Jesse Mann, Apache, Okla.; Mr. and Mrs. Roy Mann and Mr. and Mrs. Roy Farnes, Abilene, Texas; Mrs. Oscar Chenault, Fort Worth; Mr. and Mrs. Jake Mann and daughters, Oklahoma City; Alford and Mozell Wade, Anson.

Also J. B. and Liza Wade, Merkel, Texas; Alta Van Pelt, Summerville, Ga.; Frances and Gene Wade, and Mr. and Mrs. Doyle Crawford and family, Sonora, Texas; Mr. and Mrs. L. J. Sherrill DeLeon, Texas; Lee Wade, Wichita Falls and Mr. and Mrs. Jeff Farris, Richland Springs, Texas.

Shower For Abston Family

Plans are being made for a shower for the Claud Abston family in the Lakeview community. The Abston family lost all clothing and household possessions in a fire following an explosion in the family bathroom July 17.

Deborah, age 6, and her mother were hospitalized with second degree burns at the time of the accident and Deborah is still a patient at Parmer County

Community Hospital. Mrs. Abston has been released from the hospital and is convalescing at the home of a sister in Dimmitt.

Deborah, who is small for her age, wears size five clothing. Other children in the family are Jim, age 5, and Ladell, age 7. Jim wears size 4 clothing and Ladell wears size 7.

At the present time the house, which is on the C. L. Mercer farm, is being repaired. Anyone wishing to assist the family is asked to contact Mrs. Bobby Gene Mercer or Mrs. E. L. Fairchild.

NEWELLS HAVE GUEST

Lynn Newell, daughter of Mr. and Mrs. W. B. Newell of Albuquerque, is being repaired. Anyone wishing to assist the family is asked to contact Mrs. Bobby Gene Mercer or Mrs. E. L. Fairchild.

Shower For Abston Family

Plans are being made for a shower for the Claud Abston family in the Lakeview community. The Abston family lost all clothing and household possessions in a fire following an explosion in the family bathroom July 17.

Deborah, age 6, and her mother were hospitalized with second degree burns at the time of the accident and Deborah is still a patient at Parmer County Community Hospital. Mrs. Abston has been released from the hospital and is convalescing at the home of a sister in Dimmitt.

Deborah, who is small for her age, wears size five clothing. Other children in the family are Jim, age 5, and Ladell, age 7. Jim wears size 4 clothing and Ladell wears size 7.

At the present time the house, which is on the C. L. Mercer farm, is being repaired. Anyone wishing to assist the family is asked to contact Mrs. Bobby Gene Mercer or Mrs. E. L. Fairchild.

NEWELLS HAVE GUEST

Lynn Newell, daughter of Mr. and Mrs. W. B. Newell of Albuquerque, is a guest in the home of Mr. and Mrs. Carlton Newell and sons, Carl and Terry Don. She is Newell's niece and expects to be here about two weeks.

Dixons Host Outdoor Supper

Mr. and Mrs. C. W. Dixon were hosts at a backyard cook-out in their backyard Saturday evening. Guests were Mr. and Mrs. C. W. Anthony and Mr. and Mrs. Fred Kuntz all of Dimmitt.

Also Mrs. Joyce Braidfoot and children, Clovis; Mr. and Mrs. Ray Landrum, Mr. and Mrs. Joe Landrum and family and Mr. and Mrs. Jim Dixon and family.

Dinner Guests

Guests in the home of Mr. and Mrs. E. S. White Sr. and Richard were Mrs. Roy Campbell, Audrey and David, Lubbock; Mrs. Robert Holder, Bobby and Eddie, Friona; Mrs. Vernie Roberts, Steve and Vicki and Mrs. Wayland Hinds, Amarillo.

Also Mr. and Mrs. John Cannon, Terry, Diann and Mark, Dumas; Raymond White, Amarillo and Mr. and Mrs. Edward S. White Jr., John and Larry.

THE HIGH PLAINS FARM AND HOME

A SUPPLEMENT TO FARMER COUNTY NEWSPAPERS

First Midge Signs Seen In County

Definite signs of sorghum midge in Farmer County have been reported by County Agent Deryl Coker.

"The midge season is now more of a threat to our county. Farmers should keep a close watch on their fields, and report any actual findings of the midge to me," said County Agent Deryl Coker.

He suggested that farmers construct a "midge detector" to satisfy themselves as to whether or not they have midge. "The small orange midge gnat is always present. By using a shoe box with a small glass vial in an opening, a farmer can soon tell if he has midge in his grain," Coker said.

He explained that the insect (Continued On Page B)

COUNTY AGENT Deryl Coker demonstrates a shoe box "midge detector" which he recommends that county farmers use to see if they have midge flies in their grain.

On The Farm In Farmer County

By DERYL COKER
County Agent

Recent results of the sorghum midge survey in the High Plains area have shown a steady population increase of the midge in certain "uncultivated" grasses. It is generally agreed among workers in this area that grain sorghum "heading out" after August 1 will be most susceptible to midge infestation.

Questions from persons interested in grain sorghum production indicate that further explanation concerning chemical control of the midge is needed.

Previous work has shown that the heaviest egg-laying by midge usually begins about the third day following sorghum head emergence from the boot. Chemical control depends upon the destruction of the adult female before egg-laying begins. Thus each sorghum head must be covered with insecticide within three days after emergence from the boot to prevent egg-laying within its spikelets.

Under ideal conditions of uniform heading, a single well-timed insecticide application should give good midge control. However, it is realized that many fields will not head uniformly and two to three applications at three to four day intervals may be necessary for effective control.

Both Endrin and Toxaphene may be applied only once each season to grain sorghum. If either of these chemicals are used for the first spraying, Sevin should be used for additional applications.

It is now time to consider plans for fertilizing wheat land to be planted this fall. Farmer County soils do vary in their ability to supply plant nutrients and the most logical starting point for determining fertilizer needs is the soil test. Our office can supply information on how to collect and mail the samples. By sampling early the report will be received in plenty of time for making the final (Continued On Page B)

County Students To Attend Seminar

Parmer County Farm Bureau is one of 77 county Farm Bureaus over the state that will send local high school students to a Citizenship Seminar to be held August 20-23 on the campus of Sam Houston State Teachers College at Huntsville, according to Harry Hamilton, president of the local Farm Bureau, and Mrs. Vernon Symcox, chairman of the Citizenship Committee. Attending from this county will be Linda Rector, granddaughter of Mr. and Mrs. Foister Rector of Friona, and Jane Bradshaw, daughter of Mr. and Mrs. Buck Bradshaw of Farwell. This is the first seminar of

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Farm Bureau President Harry Hamilton is going to Dallas for the Texas Farm Bureau Annual Leadership Institute, July 30 to August 2. We hope others are going, but don't know of them at this time. Prominent speakers on Americanism, capitalism, free enterprise and similar subjects will teach classes. Several hundred Farm Bureau people usually participate in these institutes. Wheat farmers should, we believe, be writing their congressmen urging passage of the Wheat and Feed Grain Act of 1963, (HR 6617--S-1617 and similar bills). Passage of one of these bills would eliminate the probable "punishment tactics" threatened by power hungry USDA people because of the overwhelming defeat of the shacking May 21 wheat referendum. It is necessary that protection be provided the wheat producer until government "surpluses" are properly disposed of, and removed as a threat to markets for wheat and feed grains. Your congressman will, we believe, be glad to hear from you. It is very evident that the family farm has been disappearing more rapidly as government regimentation on the farm has increased. The more corporate size operations are able to accumulate enough cash subsidies to capitalize and expand on, while the average farmer receives only enough to partially replace the necessary operating and living expenses resulting from production restrictions. Consequently, the marginal farmer either leaves the farm, or takes a job to supplement his meager income. The following is a non-partisan statement of fact: The cotton marketing season now ending has seen exports dwindle from seven million bales prior to the New Frontier, to less than three million five hundred thousand bales. Domestic consumption has fallen to just over eight million bales and "surplus" has increased by three million bales in this same period. Farm Bureau believes a change is needed; more specifically, a change that would require the administration to return to the intended administration of the program actually now in effect. There's still time to file for gas tax refund, both state and federal, even though some of your invoices may be too old for the state refund. CONSIDER THIS: The hand of the diligent shall be under tribute. Proverbs 12:24.

At Home In Parmer County

By CRICKET B. TAYLOR
 County HD Agent

"Many women never realize what a poor loser they are until they go on a diet." How true this is. We Americans are better nourished than ever before, and still we have an unnecessarily large number of nutritional problems. A wide and plentiful variety of food is available to most of us. The big question is what to choose from the many available foods. Do you have a weight problem? And should you be concerned about your weight? Both extreme underweight and extreme overweight are detriments of you and your health. Excess weight may shorten life because overweight people are poor surgical risks, show less resistance to infection, and are prone to have diabetes, high blood pressure, heart and blood vessel diseases, arthritis or strokes. Do you know that in regard to blood vessels, every five pounds of extra fat calls for three additional miles of blood vessels? The death rate for persons over 45 who are 10 to 90 pounds overweight, are eight to 116 per cent greater than persons of normal weight. On the other hand extreme underweight is just as great a handicap as excessive overweight. Underweight is apt to mean poor health, lower resistance to diseases and the vital organs. Good health really means more than freedom from pain and disease. It means individual efficiency at its peak - a being radiant with energy and enthusiasm. This is how all of us would like to live. The meals we eat, day by day, slowly but surely determines our state of nutritional health and perhaps the length of our lives. There is so much "food quackery" going around that one wonders what to believe. Recently in a Medical Conference held in Dallas, Dr. Frederick J. Store, Professor of Nutrition of the Harvard University School of Public Health spoke on "Nutritional Nonsense" and his statements were: "There is more nutrition sense than nonsense though one may wonder if this is so with the nonsense one hears today. One must have an understanding of nutrition to recognize nutritional quackery statements. How do you tell a quack? He usually promises his product is good for many, many illnesses and that you will get quick and sure results." Whether you are eating to lose weight or gain weight, you need three meals daily. Crash diets or liquid diets do not answer the weight reduction problem. A reducing diet should be well balanced to include the necessary nutrients to meet the body's needs. The selection of calories is important; they should come mainly from lean meats as beef, pork, fish, poultry, and eggs, fruits, vegetables and milk. Eat not only to add years to

MIDGE-- 4-H Club Bake Show Scheduled

(Continued From Page A) would seek the light, so that by closing up several heads of maize in the shoe box, if there were midge present, the insects would crawl into the vial in search of light. "Farmers should prepare three or four different boxes, and leave the heads in the boxes at least a week," Coker said. He added that if a danger of midge-infestation in the county should develop, he would broadcast warnings during his radio programs over station KZOL in Farwell. Parents are also invited to attend.

ALL IS WELL (OR IS IT?)

Some may wonder! When government operates 19,000 businesses, in direct competition with its taxpayers, they cannot be blamed for wondering. A case in point is the electric industry. Already over 15% of the nation's electricity is generated by the federal government. If you don't think all is well, write to your elected representative. He'll be interested in hearing your view.
