

STAR Lites

by Bill Ellis

So far, we've had 400 per cent more to cheer about from a football standpoint this season over last year.

Last season, our two favorite teams, the Friona Chiefs and the Texas Tech Red Raiders, won a combined total of one game, and lost 19 between them. To say the least, it was a long football season for yours truly.

Whereas last season at this time the Chiefs had lost three and the Raiders one, this season that has been reversed, with Friona standing at 3-0, and Tech 1-0 after its opening victory. We hope the percentage continues to rise.

Several things impressed us as we watched Tech win its first opening game since 1960 when it beat West Texas State 38-14. The Raiders were playing more defense, holding touts Washington State's passing attack to almost a walk.

Tech unveiled some exciting sophomores in its 16-7 win. The Raiders have been blessed with apparent young talent for years, but this time, it looks like it may be the real thing.

Probably the most headlined sophomore in the Southwest Conference is Donny Anderson, former Stinnett flash who was the Rattlers' powerhouse teams when Friona's Don Light coached up there.

Anderson scored Tech's only touchdown on a beautiful 45-yard pass interception runback, showing masterful broken-field poise during the gallop. He wasn't broken loose on any long runs from scrimmage, but was a consistent ground-gainer, and looks like a threat to score every time he carried the ball.

Of course, the kicking of senior H. L. Daniels cannot be minimized. Daniels should win more than one close game for the Raiders with his talented toe.

And end David Parks is truly worthy of his "All-America" billing. He catches everything thrown his way, and along with some other top wingmen should give Tech a passing attack to be reckoned with.

The following is borrowed from "Mack's Tracks" column in the Stratford Star. Dave Reynolds, former Friona Star editor, in turn borrowed it from the Dalhart Texan, and we enjoyed it; thought our readers might.

When reading this, remember that the reason most men don't get a buzz out of reading society news, in most wedding stories the groom is mentioned just to be polite. In the following account, you'll find the opposite to be true. It is reprinted with apologies to June Floyd, our able society editor, Honest, June, we know we can't do without society news.

"I'm sure that nearly every male newspaperman has had an urge to write a wedding story from the man's viewpoint. The following wedding account was written by Bob Grant, publisher of the Illinois Valley News, after expected information failed to reach him. He collaborated with the father of the bridegroom, Rev. Claude Canterbury furnished us a copy of the account from "The Douglas Budget," Douglas, Wyoming. The account is as follows:

"Leland was beautiful in a black suit of wool with matching lapel pressed down sharply against the chest. Peering out of the left breast pocket were four tips of a cleverly folded white linen handkerchief while on the left lapel quaintly held by placing the stem through an unused button hole and securing it with a small silver hat pin, was a white carnation.

"He wore a shirt of white nylon, severely plain, which was held together at the front by little buttons of plastic. Around his neck and under the shirt collar was a tie of black jersey, knotted carefully in decorative style, and held to the shirt front with a clamping device of gold plated brass. The cuffs of the shirt sleeves were closed with links of the same plated metal.

"On his left wrist he wore a mercury battery-powered watch, a Christmas gift from his father, that was held in place with a metal band. His trousers, of simple pleated design, matched the coat and were supported by a belt of black

(Continued on Page 2)

ANOTHER BUSINESS FOR FRIONA

New Super Market Will Be Built Here

Construction is to begin in the next few days on a new super market on North Main Street in Friona, Harry Brown, who operates Harry's Super Market in Dimmitt, will build a store in the 1000 block of Main in Friona, he announced.

The new store, to cost in the neighborhood of \$50,000, will be located on property owned by S. S. Prichard, including lots on which his Prichard Furniture Store has been located. Prichard will build the new store, and lease it to Brown.

When the new super market is completed, it will be the second such business built in Friona during the year. Currently nearing completion is the new Johnson Food Market at Sixth and Euclid.

Brown stated that his store is scheduled to be completed in at least sixty days. First thing on the docket is the moving of the old Prichard Furniture Store building, and the running of the foundation.

The new store will be 75 feet by 100 feet, making it the largest super market in town when completed.

"We believe in volume selling more than making a profit on single items. We will give the best prices per dollar possible," Brown stated.

James Brown, brother of the owner, and currently managing the store at Dimmitt, will move to Friona to manage the new store, it was announced. James has been in the business about 13 years.

The building will be one of the most modern in Friona when completed. It will be constructed of brick and tile masonry. The store will have a brick veneer front, and will have a five-foot permanent awning in the front. The entire lot, which measures 140 feet by 175 feet, will be paved, making parking space for at least 150 cars.

Modern Structures, Inc. of Lubbock will build the new store. Bailey Swadley, of Pritchett - Stephen Refrigeration Company, Lubbock, will design the interior of the store.

"We will merchandise only in nationally advertised brands," Brown stated. "We specialize in quality meats and farm-fresh produce," he continued.

Brown has been in the grocery business the past 15 years in the Dimmitt-Tulia area. He originally was associated with

Bob's Super Markets in Dimmitt and Tulia.

The new building will feature automatic air conditioning winter and summer. It will face the east, and will be built toward the rear of the lot, running north and south in its horizontal dimensions.

"We intend to be community-minded, and to get along with everyone. We will come to Friona to help the community as well as make a living," Brown stated.

James Brown, who will live in Friona, is married, and the Browns have four children.

DISCUSS FOOD STORE . . . S. S. Prichard, left, and Harry Brown kneel in front of a sign on Prichard's land on North Main, where Brown will operate a super market to be completed in the next 60 days. Prichard will own the building, and lease it to Brown.

CLUB ANNOUNCES

Library To Remain Open On Saturdays

Friona's infant library, under the sponsorship of the Modern Study Club, will continue to open on Saturdays from 9-11 a.m., the club announced this week.

A good selection of books have been acquired for use by adults. "If we have a good response, we will probably continue to operate the library through the summer," a

spokesman for the club said.

A recent addition to the library is an eight-volume set of crafts: "Fun with Clay; Fun with Boxes; Fun with Fabrics; Fun with Paper; Fun with Magic; Fun with Wood; Fun with String; and Fun with Puzzles."

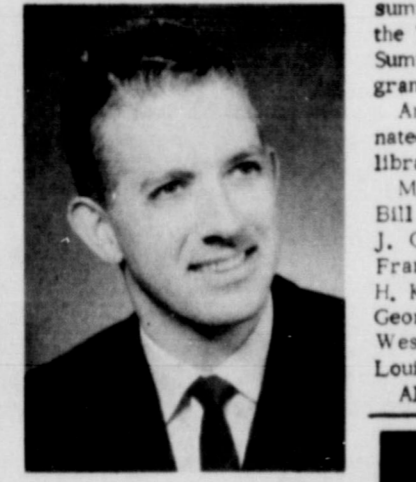

This set of books is especially suitable for pre-teens and teenagers.

The library was started by Modern Study Club the past summer, and cooperated with the Texas State Library in its Summer Reading Club program.

Among those who have donated or loaned books to the library are the following:

Mr. and Mrs. Stan Benge, Bill Sheehan, Mrs. Paul Spring, J. G. McFarland, J. T. Gee, Frank Spring, V. J. Zeman, H. K. Kendrick, Dalton Caffey, George Taylor, Estis Bass, Wesley Hardesty, Connie and Louise Whaley;

Also Richard Dixon, Dr. and

C. J. Horton

New Minister Begins Duties

C. J. Horton, former minister of College Avenue Church of Christ in Lubbock, began his duties as minister of Sixth Street Church of Christ this week. He succeeds Paul Smith, who moved to Salida, Colo. in June.

Horton, a native Texan, attended Millsaps College at Jackson, Miss, and Tulane University, New Orleans, before enrolling at David Lipscomb College in Nashville, Tenn., from which he was graduated.

He and his wife, Glenna, and daughters, Debbie 8, a third grade pupil in the local school, and Angela, 4, are at home in the minister's home at the corner of Sixth Street and Woodland Avenue.

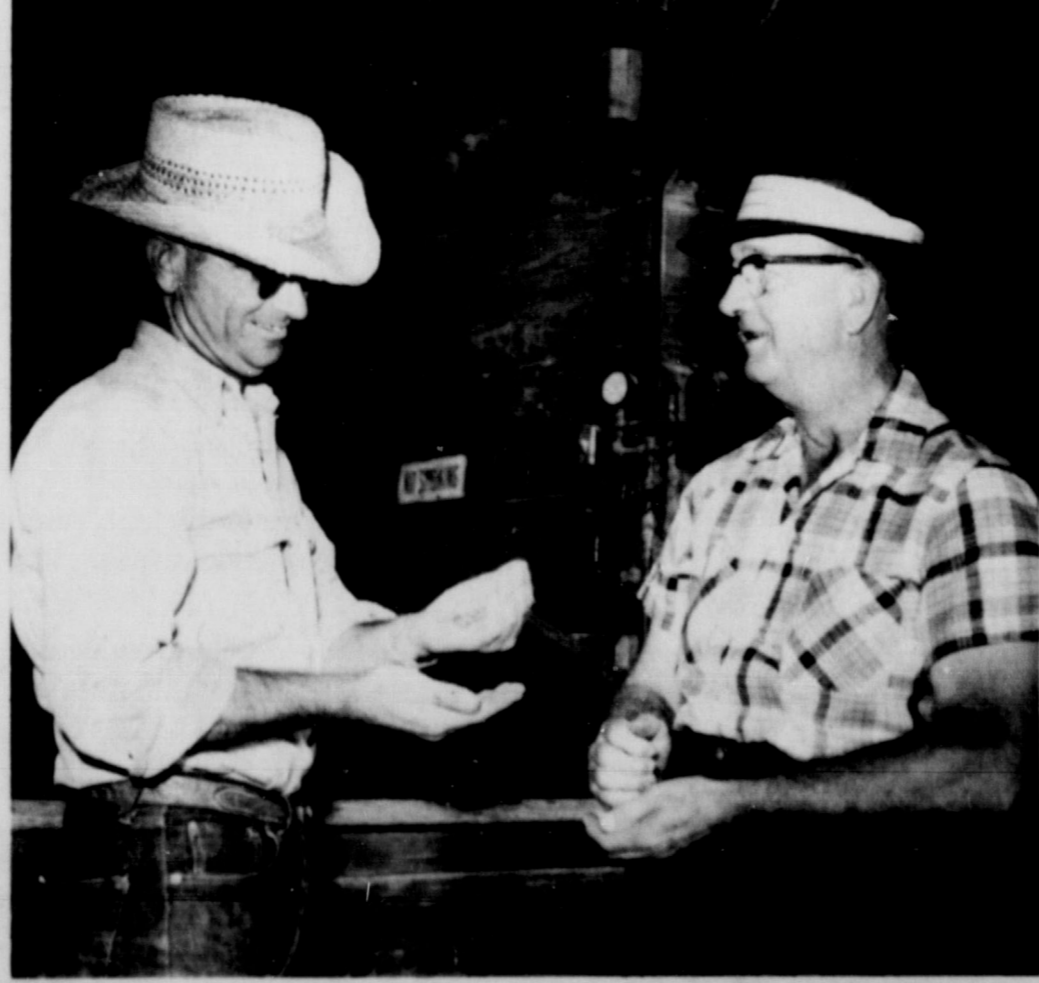

He has worked with congregations at the Elmwood Church of Christ in Dallas and Garden Oaks Church of Christ, Houston, and was associated with the College Avenue Church of Christ in Lubbock four and one half years.

Claborn Has First Grain

H. C. Claborn, who farms six miles north and two west of Friona, marketed the first load of grain sorghum in Friona last Thursday. The first load was about 10 days later this year than last.

Claborn became a two-time winner by selling the city's first load, he also had the first load of milo in the city in 1957. He sold the grain to Continental Grain Company, which paid him a premium of \$2

(Continued on Page 2)

FIRST GRAIN . . . H. C. Claborn, left, who farms north of Friona, brought the first load of Maize to Friona for the season, and sold it to Continental Grain Company, Preach Cranfill, manager, and Claborn talk about the possibilities of the area's grain.

COWBOYS RATED TOUGH

Chief Record To Get Test At Plains Friday

The Friona Chiefs face probably their stiffest test of the young football season on Friday when they travel to Plains to meet the Cowboys. Friona will place its unbeaten (3-0) streak on the line.

"This will be our roughest test of the season. Plains has lost two games, both by narrow margins to class AA teams. We'll have an idea of how we will stack up in our tougher games on down the line after this one," stated Coach Don Light.

Plains has lost, 21-14 to Crane, and 9-0 to Post, both good class AA teams. The Cowboys beat Friona, 51-0, in a game here last season. Light pointed out that Plains had an open date last week, and this would give them more time to work up some offensive changes for Friona.

In their first two games, they have been mainly a running team. "They have passed six or eight times per game, which is more than we do, but isn't many for most teams," he commented.

The Cowboys like to run the trap plays, Light said, pointing out that against Post they ran this type play almost exclusively.

Plains lost Ronnie Hendricks, the breakaway back who almost singlehandedly beat the Chiefs in their game last year, but have some other backs who may take up the slack.

The Cowboys have a new coach this year. In recent comments, he blamed fumbles for Plains' two losses, something which Friona has been doing lately, although it hasn't as yet cost the Chieftains a game.

One regular starter will be missing from the Friona lineup this week, Tackle Dale Miller has been hospitalized this week with an "infected cartilage" in an ankle, so will miss at least one week of action.

Some lineup changes will be evident this week as a result of challenges at the first workout session this week. Joey Taylor will again start as center. George Rushing and Numan Lofman will be the guards, Mickey Wilson and Ray Braxton the tackles, and Larry Buck-

Reeve Shows New Chevys

Reeve Chevrolet Company will hold its showing of the 1964 Chevrolet line Thursday, September 26.

A new addition to the Chevrolet family is the Chevelle, and Reeve hopes to have one to show the public. Also to be shown are the regular models, including the Corvair, the Chevy II, the Corvair, the 1964 Chevrolet, and a new line of Chevrolet trucks.

Free coffee and doughnuts will be served.

READY FOR PARENTS . . . David Sanders, left, and Paulette Hughes, are busy preparing name tags for parents who will visit the school next Monday. David is the son of Mr. and Mrs. John D. Sanders, and Paulette is the daughter of Mr. and Mrs. Jimmy Hughes.

IN GRID CONTEST Robbie, Joy Osborn Sweep Top Prizes

Mr. and Mrs. Fobbie Osborn kept the top prize money in one family in the Friona Merchants' Cotton Bowl Football Contest the past week.

The Osborns were the only entrants among the 100-plus who entered the third week's contest who scored nine correct. Mrs. Osborn, the former Joy Ingram, won first place by coming the closest to the tie breaker score.

Joy's guess in the Friona-Memphis game was Friona 22-14. She missed the actual score by 11 points on the Friona side. Fobbie guessed the tie breaker at 16-14, so missed by 17 points. Both missed the Morton-Post game, picking Morton.

Six contestants came up with eight correct answers. Mack Ragsdale, who was tied for third with two other entrants last week, was in third place all alone this week. He missed the Pampa-Phillips game, picking Pampa, and the Oakland Raiders-Boston Patriot professional game, picking Oakland.

Ragsdale grabbed third-place money by missing the tie-breaker score by 14 points, closest of any of the ones who correctly picked eight games.

One of the most frequently missed games last week was the Borger-Dumas game, in which class AAA Dumas upset the AAAA state finalists.

Although there are 113 persons who have entered the contest, it is never too late, and besides, a total of \$10 is awarded for each of the weekly contests. Grand prize winner for the season, of course, receives two tickets to the Cotton Bowl game and \$55 expense money.

FIRST OF TWO P-TO To Host Parents Monday

Monday night beginning at 7:30 p.m., the Friona Elementary Schools Parent-Teachers Organization will host the first in a series of two "Back to School" nights, in which the parents will have an opportunity to get acquainted with their children's teachers, and find out about the school curriculum in general.

Monday, the third and fourth grades will be featured. Parents of third grade children should report to their children's home rooms at 7:30. They will meet until about 8:15. At this time, parents of fourth grade youngsters will report to their rooms.

The time difference was arranged so that if parents have children in more than one grade they can attend both room meetings. First and second grade children's parents will be guests on Monday, October 7, in similar meetings.

During the meeting, the teachers will go over their daily schedules, and explain the books and workbooks used in class. They will present a short summary of what they hope to teach during the year.

At the end of each session, a question and answer period will be offered. Parents who do not have to leave the early sessions to report to another room are

urged to stay and participate in the question-answer session longer.

Room mother chairmen, aided by others, will serve simple refreshments at the sessions. The committees are made up of the following:

Third grade—Mrs. Aubrey Rhodes and Mrs. Gilbert Schueler; Miss Jo Phillips and Mrs. Estis Bass; Mrs. Loyde Brewer and Mrs. David Grimsley, Mrs. David McVey and Mrs. San Benge.

Fourth grade—Mrs. Lois Miller and Mrs. Paul Hall, Mrs. James Hamilton and Mrs. Tom L. Pruitt; Mrs. Tom Bandy and Mrs. Billy Sides, Mrs. Skipper McNeal and Mrs. Eddie J. Hall.

Some of the students are making name tags for the parents who attend the get-acquainted sessions.

An organizational meeting was held by the P-TO last week, and a very good response was recorded, according to Mrs. V. J. Zeman, president of the group.

"There were 24 of a possible 27 persons at the meeting," which was highly gratifying," Mrs. Zeman said. She added that she hoped that parents would take advantage of the programs planned to introduce them to their children's teachers.

An Editorial Civil Rights Problem Belongs To Everyone

Every time you hear a news flash about more racial tensions in the South do you get the feeling that we are being laughed at by other nations, saying "Where went the 'unity' in the United States?" Well, it's no fun to be laughed at and there are probably several million people who feel the same way.

Of course, there are very few racial problems in our immediate area...so we might tend to lean back and say, "Sure hate to hear about all the race problems, but they aren't affecting us so why worry?" They may not be affecting us now, but what about in the future? It is the duty of every generation of Americans to leave our country secure for the generation to come. Every rock that is hurled and every bomb that is exploded in the South lessens our children's chances of growing up in a free nation such as we have known. This civil strife will be the downfall of our nation if not stopped soon. It is daily weakening the strength of Americans to stand together on any issue. Is it any wonder that the Communists were so willing to give up testing nuclear weapons? They see a much easier way of taking over the country...they can simply sit back and wait until the nation's stability has been so weakened by racial violence that they can just walk in and take over without a fight.

What is the answer? This: If left to time and patience the entire racial problem would work itself out of its own accord. Now to explain:

First of all, it is the natural tendency of any race to stick together. Why is it that in all the large metropolitan cities you have a China Town, a Latin Quarter, a German Settlement, and so on? There are not always ordinances or zoning laws saying the people of various nationalities must live in a certain place. They do so naturally.

Second, there is the question of inter-racial-marriage or "mongrelization of the races" as it has been lately called. It is against the laws of nature and of God for races to inter-marry. True, there are a few who do inter-marry and can find some sort of perverted happiness in doing so. But there are only about one out of every 25,000 people who would even consider such a marriage. There are a few "way-out" types in every age and every generation. Are they worth bombing churches and killing children for?

Next, consider this. The world of entertainment has been integrated in the U. S. for many, many years. The same goes for sports...no racial problems there. What about the armed forces? Negroes have been fighting for the U. S. for a good many years. So what's so very different about integrating our world of education? After giving the white man's type of education a try, some of the colored race will no doubt drift back to all-colored schools or drop out of school altogether. Those who are truly interested in getting a good education will go on to school, work hard, and end up as good a citizen as you or I.

So what's all the fuss about anyway? We can start doing something about the situation now. Write letters to the governors in the South; write letters to Martin Luther King and other negro leaders; cut out this or any other article that hits home to you and mail it to the president or your congressman or just anyone who can put your words into action. Plead with these people to be patient with one another, to dissolve their difficulties, and above all to keep our nation strong from within.

Don't forget to dissolve racial prejudices from your own home. Just forget all the "nigger" jokes you ever heard and banish that word from your vocabulary. Start your children from age one to have the same respect for the colored race that they have for their own. Do this, that your children's children can still claim a nation with freedom of choice.

Sheehan Elected To State Office

Bill Sheehan of Friona has been elected as a new director of the Texas Law Enforcement Foundation, John E. Lyle of Houston, president of the statewide citizens' group, announced this week.

He was one of 59 new directors elected by the TLEF executive committee at a recent meeting in Houston.

TLEF is a non-profit, non-political body that encourages citizens to support good law enforcement. The Foundation sponsors Law Enforcement Appreciation Week throughout the state each year with the Texas Junior Chamber of Commerce. Other TLEF projects include distribution of educational material, such as handbooks for peace officers, prosecutors and justices of the peace; publication of "Crime" magazine and a quarterly news bulletin; sponsorship of criminology libraries for peace officers.

Lions Sponsor Two Students

The Friona Lions Club has announced that it is sponsoring two college students through its student loan fund.

Roger Gee is enrolled at Trinidad Junior College, where he is taking a gunsmith course. Jerry McDonald is enrolled at Panhandle A&M College in Goodwell, Okla., as a freshman.

"We'd like the merchants who are interested to contribute to this fund," stated Lion president Flake Barber.

Directors of the program are Paul Hall, Baker Duggins, Alton Farr, Bill Sheehan and Newman Jarrell, Jr.

been our good day," he said.
On defense, the lineup will consist of Wilson and Eugene Weatherly at tackle, Dodd and Ronald Awrey at guard, Ray Braxton at end, Gee and Fenner are linebackers, Hargus and Balze are corner men, and Glen Herring, Danny Murphree or Jim Snead will round out the backfield.

First Grain --

(Continued from Page 1)
per hundred for the load.
The load tested at 58 and one-half pounds per bushel, with a moisture content of 16 per cent. Claborn's load weighed in at 8550 pounds.
Claborn's maize was irrigated, of the Amak R-10 variety, and was a fairly early planting. "I'm not sure of the date—we planted so many different times this year," he stated, Claborn has 53 acres of maize this year.
There are still just a few combines running in the Friona area. Some are beginning to move, but it will still be a few days before the harvest begins with any authority.
Warm, sunny days the past week have helped the grain mature, and if this continues, the harvest of the area's top money crop can begin in earnest.

*Annual admissions to U. S. hospitals have increased over 50 per cent in the past 15 years, and the number of hospital employees has increased by more than 75 per cent.

Boosters Will Continue Drive

The Friona Booster Club watched films of the Friona-Memphis game at its weekly meeting Monday night. About 100 members attended the meeting.
The club now has 163 paid-up members, and the membership drive is continuing, with membership tickets being issued for sale. The boosters have sold about 76 of the 11x14 pictures of the Chiefs, some of which are to be delivered.
Approval was given for the ordering of cable needed to make necessary repairs of the underground wiring from the scoreboard to the press box.

SALLY HOUGH

Sally Hough Plans October Wedding

The engagement has been announced of Miss Sally Hough, Amarillo, daughter of Mrs. Dorothy Hough, of Friona and Mr. Gordon L. Hough of Walters Oklahoma, to Mr. Jim Kohler of Boise City, Oklahoma. The bride-elect, a 1960 graduate of Friona High School, is a May graduate of Northwest Texas Hospital School of Nursing in Amarillo and is employed at Northwest Texas Hospital, Mr. Kohler, the son of Mr. and Mrs. Albert Kohler of Boise City, is engaged in ranching. Wedding vows for the couple will be read at the Friona Methodist Church at 3 p. m. Saturday, October 19th. No invitations are being mailed locally but friends are invited to attend.

Mr. and Mrs. C. T. Stowers of Texhoma, Oklahoma, formerly of Friona, were Sunday night guests in the home of Mr. and Mrs. Charley Doak.

Of Interest To THE WOMEN

Merylene Massie Installed Rainbow Worthy Advisor

In formal ceremonies at Masonic Hall Saturday evening Merylene Massie was installed Worthy Advisor of Friona Rainbow Assembly. Installing Officers were Marca Lynn Massie, officer, Kay Coffey, marshal, Eula Akens, chaplain; Nettie Collier, recorder; and Doris Sides, musician.

Other officers installed were Rita Collier, worthy associate advisor; Mary Ann Roberts, charity; Sheryl Long, hope; Karen Osborn, faith; Sharen Awtry, drill leader and Becky

Margaret Corzine Weds Joe Ayers

In a double ring ceremony at Jefferson Street Church of Christ at Hobbs, N. Mex., at 3 p. m. August 31, Margaret LaVerne Corzine, daughter of Mr. and Mrs. J. B. Corzine, Hobbs, became the bride of Joe Ayers, son of Mr. and Mrs. Ross Ayers, Friona.

Marilyn Corzine, sister of the bride, was maid of honor. Carla Jackson was the bridesmaid and Belinda Corzine, another sister of the bride, was the flower girl. Bridal attendants wore identically designed sheath dresses of orchid satin with matching veiled hats and carried white carnations tied with orchid satin streamers. Wedding selections were by an a capella chorus. Candelighters were David Corzine, brother of the bride, and Lloyd Rhinehart Jr.

Jobey Claborn was best man, Bob Wall was groomsmen and ushers were Bob Sanders and Tommy Roberts.

The bride, given in marriage by her father, wore a formal gown of white satin and Chantilly lace featuring a lace pan-

el, which cascaded into a train. The fitted bodice was designed with long fitted sleeves which ended in points over the hands. Her veil of illusion fell from a satin circlet. Her bouquet was a cascade arrangement of white carnations centered with orchid feathered mums.

Mrs. Corzine, mother of the bride, wore a beige embroidered linen jacket dress. Mother of the groom, Mrs. Ayers, wore a blue dress with blue feathered hat and blue accessories. Ann Ayers, sister of the groom, registered guests at the reception in the hospitality room of Southwestern Public Service Co.

For her wedding trip, Mrs. Ayers wore a turquoise silk shantung suit with navy accessories and a corsage lifted from her bridal bouquet.

Mr. and Mrs. Ayers are at home at 1916A Fourteenth Street, Lubbock and are students at Texas Tech where he is a second term sophomore with a major in agricultural economics and she is a junior math major.

MERYLENE MASSIE

Coffey, love.

Also Lyndia Chandler, religion; Rhonda Fallwell, nature; Sandra Beene, immortality; Patsy Rule, fidelity; Marcia Lynn Massie, chaplain; Kara Beth Sides, musician; Karen Maynard, confidential observer; Kay Coffey, treasurer and Terri Lynn Wilson and Pam Hartwick, choir.

Miss Massie chose Love as her theme. The song was "My God and I." Scripture reading

was from I Corinthians 13, the emblem was a heart and the flower was a red carnation.

Members of the advisory board are Lillian McLellan, mother advisor; Eula Akens, chairman; Marie McKee, Bill Filippin, Olive Massie, Tommy Mercer, Gladys McVey, Merylene Massie, Nettie Collier and Betty Louise Rector.

A reception followed the installation.

Friona Girl Scout Council Convenes

The Friona Girl Scout Council met for the first time for the 1963-64 session Wednesday, Sept. 4, at Federated Club House. The meeting was directed by Mrs. W. M. Massie, the new neighborhood chairman. Mrs. Massie succeeds Mrs. Russel O'Brian, who resigned in May. Mrs. O'Brian had served as neighborhood chairman for 5 1/2 years.

At the meeting the Girl Scout troops were organized. Leaders are still lacking in first year Brownies and first year Cadettes. Anyone who would like to help with these troops should call Mrs. W. M. Massie at Farmer 3431 or Mrs. Russel O'Brian at Hub 2138.

The council elected Mrs. Billy Dean Baxter as Maize Days float chairman and Mrs. Pudge Kendrick as concession stand chairman, and Alice Whaley as secretary-treasurer for the council.

Leaders and assistants for the year are: Brownie Troop 24, Mary Joyce Renner and Louisa Wilson; first year Girl Scout Troop 238, Juanita Dickson, Deke Kendrick and Martha Mae Pruitt; second year Girl Scout Troop 268, Alice Whaley, Mamie Lou Welch and Anita Pearson.

Third year Girl Scout Troop 92 Geneva Riethmayer and Sue Rector; first year Cadette Troop 105, Lillie Mae Baxter; second year Cadette troop 358, Olive Massie and Judy Cummings.

Girls interested in senior scouting are asked to contact

Mrs. Russel O'Brian, Mrs. Herschel Johnson or Mrs. W. M. Massie.

Girl Scouts from Brownies through Seniors desiring to participate in the Maize Days parade are asked to meet in front of the elementary school building by 9:45 a. m. Friday. Girls desiring to ride on the float must be in full uniform.

All girls interested in scouting should contact leaders of troops in their age groups. The new program will go into effect this fall. Parents are expected to appreciate the new look of scouting and girls will enjoy it more for it is based on needs of the young girls making them of our country and first class members in their homes. The program will be more difficult, more challenging and more interesting to the girls.

--Alice Whaley

Third Son Born To Joel Landrums

Mr. and Mrs. Joel Landrum chose the name Jeffrey Stuart for the baby boy born to them at Farmer County Community Hospital at 6:00 a. m. Sunday, September 15. He weighed 8 lbs, 13 ozs, and has two older brothers, Brian and Ben.

Grandparents are Mr. and Mrs. M. Ray Landrum, Friona, and Mr. and Mrs. Emet Callaway, Texhoma. Great-grandparents are Mr. and Mrs. C. W. Dixon, Friona, Mr. and Mrs. J. L. Landrum, Tucumcari, Mr. and Mrs. R. J. Upchurch, Holdenville, Okla., and Mr. and Mrs. Jim Callaway, Holdenville.

Mrs. Ella Bullard, Floydada, is the great-grandmother. Mrs. Emet Callaway and Mrs. Jimmie Callaway, both of Texhoma, visited in the Landrum home last week. Brian and Ben returned with them to Texhoma for a visit.

Doaks Return

Mr. and Mrs. Charley Doak returned late last week from Eagle Nest, New Mexico, where they had spent several days fishing. They were accompanied on the fishing trip by Mr. and Mrs. Floyd Stowers. According to the Doak's report, fishing was very good.

Salad Supper Features Back To School Theme

Highlight of the Woman's Society of Christian Service salad supper at Fellowship Hall of Friona Methodist Church at 7:30 p. m. Monday was a panel discussion with a "Back To School" theme. Panel members presented problems likely to face college students and possible solutions.

Those on the panel were Deke Kendrick, a graduate of Cottey College at Nevada, Missouri and the University of Arizona at Tucson; Kay Johnson, who has attended West Texas State University at Canyon and is currently enrolled at Texas Women's University at Denton. Also Doris Barnett, a graduate of Texas Tech; Ann Rank-

in, a student at Texas Tech and graduate of Jessie Lee's School of Hair Design; Debbie Hawkins, a Texas Tech student and Sarah Spencer, a graduate of McMurry College at Abilene.

Deke Kendrick served as moderator and Ora Mae Anthony was program director. Hostesses were members of the youth committee and publicity and printing committee.

Guests, other than those on the panel, were Mesdames Herschel Johnson, A. L. Outland, Alton Farr, Earl Hawkins, Tom Bandy, Ed Clark, Mack Ragsdale, Homer Lindeman, Claude Spears, and Weldon Fairchild and Nergis Yazgan.

FHA Girls Select Chapter Sweetheart

Highlight of the Tuesday, September 10 meeting of Friona's FHA chapter was selection of George Rushing as club sweetheart for this school year.

Mothers chosen to serve on the advisory board with Mrs. J. B. Taylor, chapter mother, were Mrs. Leonard Nettles and Mrs. O. B. Moyer, senior

mothers; Mrs. Ernest Osborn and Mrs. W. M. Massie, junior mothers; Mrs. E. G. Phipps and Mrs. Glenn Floyd, sophomore mothers; and Mrs. George W. Jones and Mrs. Jack Shirley, freshmen mothers.

Talks on the subject, "What FHA Means To Me" were given by Sharon Dean, Linda Rector and Karen Osborn. Linda Rector was selected chairman of the Maize Days float committee.

Group singing of the FHA prayer song, led by Linda Outland, closed the meeting.

Mrs. Roy Slagle Hosts Circle Meet

Mrs. Roy Slagle was hostess at the Wednesday morning meeting of the Mekka Circle of Woman's Society of Christian Service of Friona Methodist Church in her home, Mrs. Andy Hurst, circle leader, had charge of the program.

Mrs. Russell McNally, program leader, directed "What it means to me to belong to the Woman's Society of Christian Service." Those taking part on the program were Mesdames David Moseley, W. M. Stewart, Billy Sides, Russell O'Brian and Kenyth Cass.

Others present were Mesdames H. R. Cocanougher, A. A. Crow, George Jones, H. C. Kendrick, Jerry London, W. C. Osborn, H. L. Outland, the hostess and two new members, Mesdames Earl Hawkins and Mack Ragsdale.

HD Club Has Guest Speaker

Dr. Loyd Shackelford, local dentist, was guest speaker on the Thursday program of Black Home Demonstration Club in the home of Mrs. Dick Rockey. His topic was "Modern Dental Care." He discussed several new discoveries in the practice of dental science during recent times.

Members were informed of many of the facts and fallacies of clinical, home and daily dental care.

Announcement was made of receipt of \$15 as top prize in the Maize Days window display contest.

Refreshments were served to the speaker, Mrs. F. W. Barnett, Mrs. Ellis Tatum, Mrs. Clyde Hays, Mrs. Bill Carthel, Mrs. Helen Fangman, Mrs. J. R. Braxton, Mrs. John Benger, Mrs. Travis Stone, Mrs. T. J. Presley, and Mrs. Harry Lookingbill by the hostess.

"CAME AT GREAT COST"
Psalm 100:4

Our citizenship and all the privileges that a free people can enjoy came at a great cost to those who have gone before us. Their blood, tears, and toil, given to form this great republic, are not matters to be taken lightly. Some say, "There is nothing for which to be thankful." What of the challenge of the future? Our country has been pressed into a place of unprecedented moral and spiritual leadership in recent years. Nations, just as individuals, grow and make the most progress when faced by difficulties and problems.

Rev. I. S. Ansley.
Pastor First Colored Baptist Church.

LLL Class Officers Installed

New officers and the teacher for the LLL Sunday School Class of the First Baptist Church were installed in a ceremony conducted by Mrs. M. C. Osborn last Thursday night.

Mrs. Charles Allen will again be the teacher for the class. Other newly elected officers are Mmes. Bill Ellis, president; Fred Kelly, vice president; Velden Carroll, secretary; Dave Allen, treasurer and benovolence; Doyce Barnett, program chairman; and M. C. Osborn and Dwan Menefee, group captains.

Mrs. Osborn, as outgoing president, conducted the installation ceremony following a salad supper in the Fellowship Hall of the Church.

Those attending were Mmes. Charles Allen, Ellis, Kelly, Osborn, Dave Allen, Barnett, Sam Mears, Clyde Tims, Leon Coffey, Joe Cox, Dale Hart, and Dale Wiedner.

Weekend guests in the home of Mr. and Mrs. Jim Cocannouer were Mr. and Mrs. Floyd Crume Jr. of Farmington, New Mexico. The Crumes are former Friona residents and Mrs. Crume is the daughter of the Cocannouers.

Troop 268 Plans Monday Cookout

Girl Scout Troop 268 met Monday afternoon from 3:45 to 5:15 p.m. in the American Legion Hall. During the business session each patrol made plans for a cookout at the next regular meeting.

During the social session refreshments were served to Gloria Brown, Cindy Campbell, Jenney Cudd, Glenda Deaton, Regina Duke, Susan Floyd, Janie Hernandez, Jayn Massie, Patsy McVey, Linda Perkins and Amy Renner.

Also Nancy Scales, Ann Spears, Susie Spring, Barbara West, Gay Welch and two leaders, Alice Whaley and Anita Pearson.

—Gloria Brown, Reporter

STREET REPAIRS . . . Employees of the Texas Highway Department are caught making repairs on North Main Street in Friona, at the intersection of State Highway 214 and U. S. Highway 60. The intersection easily becomes rough, due to constant traffic and right turns onto Friona's Main Street.

Plans Made For Family Meeting

During the business meeting of Rhea Lutheran Ladies Aid at the Parish Hall at 8:30 p.m. Thursday plans were made for

the next regular Family Night meeting, which will be held October 25.

A film "A Letter To Nancy" will be shown. This organization also made plans to sponsor a scrapbook.

The meeting was opened with

the singing of a hymn. Scripture reading and prayer followed. Roll call was answered with a verse from the Bible. Pastor Binger led the last of a series of topics about Eve. Mrs. Chris Drager, hostess, served refreshments.

Claude Osborns Host Fidelis Class Party

Mr. and Mrs. Claude Osborn were hosts at a class party for members of the Fidelis Sunday School class of First Baptist Church in their home Thursday evening. Husbands of the members were special guests.

Jack Taylors Have Visitors

Weekend guests in the home of Mr. and Mrs. Jack Taylor and Patricia Dawn were Mr. and Mrs. Oscar Umland, Milwaukee, Wis. and Mr. and Mrs. Harry Taylor, Calera, Okla.

The Taylors and Umlands were here for the baptism of their granddaughter, Patricia Dawn, at Redeemer Lutheran Church Sunday morning.

Mrs. Dan Hanon of Palm Springs, Calif. was also a guest in the Taylor home. Sunday visitors were Mrs. Dorothy Hough, Mr. and Mrs. Joe Collier, Mr. and Mrs. Dick Habbinga and Robert Taylor.

tion, games were played and refreshments of home made ice cream, cake and cold drinks

WSCS Meets In Regular Session

In Fellowship Hall of Friona Methodist Church at 9 a.m. Wednesday, the regular monthly meeting of Woman's Society of Christian Service was held with Mrs. Kenyth Cass, presiding.

Several items of business were discussed and acted upon. Members of the Mekka Circle were hostesses. Mrs. Ralph Shelton presented the devotional, "Self Inspection."

Mrs. Mack Ragsdale was a special guest. Members present were Mesdames Earl Hawkins, J. W. Baxter II, Weldon Fairchild, Bill Spencer, A. S. Grubbs, Ernest Osborn, Howard Love, H. C. Kendrick, J. L. Shaffer, Mack Balmum, Guy Latua and Ralph Shelton.

Also Mesdames Billy Sides, Clyde Weatherly, George Jones, Opal Jones, Arthur Drake, E. H. Bradshaw, Bill Stewart, Roy Slagle, W. E. Osborn, Russel O'Brian, Floyd Rector, Ernest Anthony, Ed White, Andy Hurst, David Moseley, Dorothy Hough, Dick Rocky, Howard Ford, J. K. Anthony, J. H. Boyle and Kenyth Cass.

Church Women Meet Friday

The Interdenominational women are holding their regular meeting Friday at 2 p.m. at the Congregational Church.

Speaker for the meeting will be Rev. Joe Hubb Collier, who is presently conducting a series of revival meetings at the First Baptist Church.

were served. Those present, besides the host couple, were Mr. and Mrs. Charles Hough, Mrs. Velden Carroll, Mrs. Dale Williams, Mr. and Mrs. Dee Clark, Mr. and Mrs. Jarrell Wright, Mr. and Mrs. Larry Hicks and Mr. and Mrs. Leon Massey.

Circle Meets Wednesday AM.

The Maggie Hamlin Circle of Woman's Society of Christian Service of Friona Methodist Church met Wednesday morning in the home of Mrs. C. W. Weatherly.

A brief business session with Mrs. Arthur Drake presiding, preceded the program.

"The Christian Woman and her Volunteer Time" was the topic of a program presented by Mrs. Jim Shaffer, Mrs. J. T. Gee, Mrs. Opal Jones, Mrs. Ernest Anthony, Mrs. J. K. Anthony and Mrs. Clyde Fields.

A new member, Mrs. Ronnie Castleberry, was present. Special guests were Mrs. John Loehr, Mrs. Jerry Loflin and Mrs. Alton Farr. Other members present were Mesdames J. T. Gee and Arthur Drake.

Also Mesdames Clyde Fields, Dick Rocky, Jim Shaffer, Dick London, Bill Baxter, U. S. Akens, I. T. Graves, A. S. Grubbs, Weldon Fairchild, Ernest Anthony, J. K. Anthony, Opal Jones and the hostess.

Sunday dinner guests in the home of Mr. and Mrs. Jim Baxter were Mr. and Mrs. Sterling Graham, Gail and Ky, Mr. and Mrs. Don Stubbs, and Mr. and Mrs. Steven Stubbs.

Illegal Stock Promoters Jailed

Two promoters, one of them under a three-year prison sentence, were in jail Monday in a crackdown on illegal stock selling in the Texas South Plains area.

C. L. "Ducky" McCaleb was jailed in Littlefield awaiting grand jury action on a charge that he assisted in offering for sale unregistered stock in Central Equity Corporation, a nursing home holding company based at Wichita Falls, without being licensed as a securities dealer or salesman. The complaint was filed by State Securities Board Investigator Rex Aycock.

McCaleb also was indicted in Lubbock three weeks ago for violation of the Texas Securities Act in connection with sales of stock in Roka-Bed Corporation. Securities Commissioner William M. King last June issued a Cease and Desist Order prohibiting sales of the stock.

Following issuance Saturday of a District Court order for execution of a three-year prison sentence and \$1,500 fine imposed on him February 11, 1963, W. C. "Johnny" Johnson is being held in jail at Littlefield for Carson and Sherman County authorities for trial on Securities Act charges.

Johnson pleaded guilty at Littlefield to unlicensed securities selling, but Lamb County District Judge Pat Boone, Jr. postponed execution of the prison sentence and fine until January 1, 1964, under an agreement that Johnson repay \$11,500 received for the sale of securities and refrain from

further securities sales.

District Attorney Jack Young of the 154th Judicial District, which includes Lamb, Bailey and Farmer counties, warned prospective investors to investigate before buying securities from itinerant dealers. He suggested that they confer with the District Attorney's office, the State Securities Board in Austin, or the local Better Business Bureau regarding the securities offered and the salesman's credentials.

Commissioner King said that an unusually large number of cases involving questionable securities have come to his attention lately from the South Plains area. King cited the excellent cooperation the Securities Board is receiving from District Attorney Young and Lubbock County District Attorney Alton Griffin.

CARLINVILLE, ILL., ENQUIRER: "We, as Americans, should consider devoting at least a part of our spare time to improving our cultural education, by reading worthwhile books, or worthwhile literature, in an effort to increase appreciation of the better things of life. The strength of our country in years past has been the average Christian home of America, and the strong family concepts and ideals which made us a great people. These are threatened by today's over-emphasis on sex, cheap novels, cheap pictures and television programs, and the washed-out moral fiber which is continually stressed to the children of this country."

Expect great things from Chevrolet again—for '64

Today...Jet-smooth Luxury '64 CHEVROLET

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth Luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flush-and-dry rocker panels, Delco-tron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that's entirely up to you.

Take your first look at the first CHEVELLE!

CHEVELLE! by Chevrolet

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior of its Body by Fisher gives you a generous supply of passenger and luggage room. The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost). Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (This good-looking Malibu Super Sport maybe?)

Firemen Purchase New Panel By Donations

A 1964 Chevrolet panel, equipped for heavy-duty emergency work, was purchased by the Friona Volunteer Fire Department, aided by funds col-

lected during its Maize Days project.

A total of \$1725 in tickets were sold by the firemen on the old pickup which was given

away. This money, along with donations for banners which the department put on buildings, and the collections at their booth in the City Park, enabled the firemen to pay cash for the new panel.

The new truck will carry a respirator, a light plant, lights, air masks for smoke work and a two-way radio.

"We wish to thank everyone for their assistance," said Fire Chief Ralph Shirley. He pointed out that this was another piece of equipment bought without any funds whatever from taxes—strictly by donations from people in the community.

Other items which the department has purchased by making its own fund drives include a 1962 model Chevrolet truck, which is housed at Fred White Electric; all of the department's boots and helmets, and numerous items for emergency use.

Winner of the pickup in the Maize Days drawing was Jack Patterson.

NEW TRUCK . . . Fire Chief Ralph Shirley standing in front of the new Chevrolet panel truck purchased by the department.

MORE OFFICERS . . . Part of the Friona F. F. A. officers are (back) Tex Phipps and Travis Graves. In front are Dennis Howell and Glen Herring.

OFFICERS AND SWEETHEARTS . . . Part of the Friona F.F.A. officers for 1963-64 are standing. Left to right are Everett Gee, Don Collier and Gary Renner. Seated are the chapter plowgirl, Merylene Massie, and chapter sweetheart, Rose Ann Greeson.

Farm Labor Committee Appointed In County

Five Farmer County citizens, Judge Loyde Brewer, Gary Brown, Deryl Coker, Bruce Parr and Ross Ayers will serve as a county farm labor committee this fall, it was announced this week by Billy L. Lynch, manager of the Texas Employment Commission.

Four members of the committee met with Lynch last week to review the total seasonal employment needs developed by the TEC. Parr was unable to attend the meeting.

The Committee was presented with the figures of the TEC that Parmer County will be short 700 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation

of Mexican National Bracero workers.

The Committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Parmer County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78, the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling." The Committee consults with the local Office Manager to assist him in estimating the number of workers who will be needed, based on current local

conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in Post Offices in Farwell, Friona, Bovina, Larist, the County Agent's office, and in the County Courthouse.

The advancement of righteousness has always been the work of an enlightened minority.—Ruth Smeltzer

The only thing you can be sure of accomplishing are the things you do today.

Funeral services for Mrs. Minnie Frances Hamilton of Terrell, who died early Sunday, September 15, were conducted from the Anderson-Clayton Funeral Home there at 2 p.m. Monday.

Mrs. Hamilton, a daughter of the late George W. Ritchie and Martha Frances Thompson Ritchie, was born in Forney Nov. 8, 1889 and lived in Kaufman County most of her life. She had been a resident of Terrell the past 21 years and was a member of the Baptist Church. She was married to Harry P. Hamilton, Oct. 21, 1908. Survivors are her husband, four sons, Harry P. Hamilton Jr.,

Friona FFA Chapter Announces Officers

Officers for Friona High School's Future Farmers of America chapter were elected recently.

President is Everett Gee, senior, son of Mr. and Mrs. Harrison Gee. Vice president is Glen Herring, junior, son of Mr. and Mrs. D. C. Herring. Tex Phipps, senior, son of Mr. and Mrs. C. M. Phipps, is secretary. Treasurer is Dennis Howell, junior, son of Mr. and

Mrs. Charles Howell. Travis Graves, sophomore, son of Mr. and Mrs. I. T. Graves, is reporter.

Sentinels are Gary Renner, senior, son of Mr. and Mrs. John Renner, and Don Collier, junior, son of Mr. and Mrs. J. L. Collier.

Chapter sweetheart is Rose Ann Greeson, daughter of Mrs. Lester Dean, and plowgirl is Merylene Massie, daughter of Mr. and Mrs. W. M. Massie.

Parmer's Bond Sales Noted

Savings Bond sales in Parmer County during the month of August totaled \$1,331 according to Frank A. Spring, Chairman of the County Savings Bonds Committee.

Savings Bond sales in Texas for the first 8 months of 1963 totaled \$99,644,534 which represents 66.2% of the state goal.

"The 1963-64 School Savings Stamp Program is again in full swing. This has been an important feature of the bond program since 1941. All children buying their first U. S. Savings Stamp this Fall—whether at school or at the post office—will receive certificates signed by the seven Mercury Astronauts, making them "Junior Astronauts." Chairman Spring announced.

Mrs. Hamilton Rites Held

Funeral services for Mrs. Minnie Frances Hamilton of Terrell, who died early Sunday, September 15, were conducted from the Anderson-Clayton Funeral Home there at 2 p.m. Monday.

Mrs. Hamilton, a daughter of the late George W. Ritchie and Martha Frances Thompson Ritchie, was born in Forney Nov. 8, 1889 and lived in Kaufman County most of her life. She had been a resident of Terrell the past 21 years and was a member of the Baptist Church. She was married to Harry P. Hamilton, Oct. 21, 1908. Survivors are her husband, four sons, Harry P. Hamilton Jr.,

Friona, Harmon Hamilton, Forney, Royal Hamilton, Hawkins, Clifford Hamilton, Grand Prairie, one daughter, Mrs. F. D. Allen, McPherson, Kans., nine grandchildren and two great-grandchildren.

Mr. and Mrs. Harry P. Hamilton Jr. attended the services. Burial was in the Hillcrest Cemetery at Forney.

Mr. and Mrs. Robert Zetzshe and children, Robert and Robin, returned late last week after spending two weeks visiting relatives and touring spots of interest in Lebanon, Tenn., Birmingham, Ala., and Chicago, Illinois.

Friona

Ph 2021

More and more new homes are being built in Friona. Some local families who plan to be moved in and settled before the first snow are the John Fred Whites, Calvin Martins and A. J. Hellmans. Apparently the Whites like the location where they have lived the past several years.

Moving shouldn't be such a problem for them, however. They will be moving next door and that should simplify matters greatly. If anyone wants some first hand advice on the subject of moving, they should contact Tom or Jane Bandy.

Last week they moved from Hollis Horton's rent house on Washington Street to their new home in the Drake addition. Think the Martins, Hellmans and Bandys are all going to be neighbors in that part of town.

David and Uldene Grimsley may be starting a new trend, which has proved popular in other areas. They have plans for a new home and are moving to a different location, but will still be living in the country. Instead of having a small yard, they will have a new home on an acre of land.

Theirs will be the first new home west of town on the south side of Farm to Market Road 1731.

By the first of next week the local churches who have not had full time ministers the past few months will all have the vacancies filled. Recently the Oxford family moved into the Assembly of God parsonage and Rev. Oxford began work as pastor of that church.

Mr. and Mrs. C. J. Horton

and daughters moved to Friona early this week from Lubbock and he has begun his duties as minister of Sixth Street Church of Christ.

Several ladies of the Union Congregational Church have been busy this week putting the parsonage in order for a new minister who will begin work with that church in the very near future.

Ray and Rosella Landrum have some cantaloupes they would like to share with anyone who enjoys eating them. At the present time they have a surplus and are inviting anyone interested in picking cantaloupes to visit them. They live about three miles southwest of town.

A coupon book from the installment loan department of The Central National Bank of San Angelo, Texas, is on my desk. I'm not sure whether someone left it in here or it was found somewhere else and brought in by an unidentified person.

In any event if the person who sent a payment to this bank on September 14 will stop by the Star office he can pick up his book before the October payment is due.

The rumors we've been hearing about Harry Brown of Dimmitt opening a super market in the building formerly occupied by Parmer County Implement didn't prove entirely false. Harry does have plans for a store here, but not in that building.

An announcement of his plans is being made elsewhere in this issue of the Star.

Hoing Your Row
How are you hoeing your row,
my boy?
Say, how are you hoeing your
row?

Do you hoe it fair?
Do you hoe it square?
Do you hoe it the best that you
know?
Do you cut out the weeds as you
ought to do?

Do you cut out the weeds as
you ought to do?
Do you plant what is beautiful
there?

For the harvest you know,
Will be just what you sow;
Are you working it on the
square?

For the world will look as you
hoe your row,
And will judge you by what
you do;

So try for first prize,
Though your courage it tries.
For the harvest depends upon
you.

Thy youth is renewed like
the eagle.—(Psalms 103:5).

If we use our time, our en-
ergies, our thoughts in con-
structive and spiritual ways
we can be eternally young.
The Christ Spirit should
never be regarded as old,
worn, dull or tired but only
as eternally young.

The Texas Safety Association
cautions drivers that some sun
shades can distort vision. Watch
for lenses which contain "air
bubbles." They distort the
wearer's vision and offer no
safeguard against infra-red
light and little protection against
ultra-violet light. Remember,
you need to see where
you're going to get there safely!

Chiefs Enjoy "Outing," Run Streak To Three

The Friona Chiefs must have had the idea that they were on a vacation after their 150-mile trip to Memphis last Friday night. At least, the Chiefs seemed to be enjoying their outing, while chalking up their third straight win of the season.

Friona breezed to a 33-14 win, running up an early 19-0 lead in the first quarter, and never being seriously challenged.

The Chiefs scored in the first two minutes of play, although having to kick off to start the game. Memphis ran three plays and were forced to punt. Mickey Wilson charged through the line, partially blocking the punt, and giving the ball to Friona at the Cyclone 30. On the first Friona play from scrimmage, fullback Everett Gee dashed 30 yards for the touchdown, and Friona led, 6-0.

For the first time this season, it was a lead that the Chiefs never gave up. In the first two games, Friona scored first, but then fell briefly behind. Memphis took over after the kickoff on their 17-yard line. The Cyclones fumbled once again, and Friona took over at the Memphis 22-yard line. It took the Chiefs just seven plays to score, with Gee again getting the TD, going over from the two, for a 12-0 lead, as the kick was a bit off once again.

Friona got its third quick break a little later, as Memphis had begun a drive into Friona territory. The Cyclones again fumbled the ball to Friona, and the Chiefs took over on their 33-yard line.

On the first down play, Gary Renner faded back and hurled a pass to S. D. Balze, who had to make a remarkable catch. Balze almost lost his balance

in the strain to make the catch, but regained his stride to cover the remaining portion of the 67 yards to the goal untouched. This time, Dodd's kick was true, and Friona led 19-0, still in the first quarter.

Early in the second quarter, it was Memphis' time to take advantage of a break. The Cyclones intercepted a Friona pass deep in Chieftain territory, and ran it back to the eight-yard line. From there, Memphis ran it across, and also ran for two extra points, to shave the lead to 19-8.

Friona, aroused by the Memphis score, drove back to regain its three-touchdown lead. Gee returned the kickoff from the 14 to the 33, he picked up 12 yards for a first down, and the Cyclones were penalized 15 yards for hitting after the tackle, moving the ball into Memphis territory.

Renner gained 18 yards on the pass-run option, putting the ball on the 26. Renner then tossed to Balze, who made another sparkling catch, diving through the air for the ball, for a first and goal on the Memphis three.

Gee picked up two yards, and with the ball on the one-yard line, quarterback Renner ran a keeper play for the six points. Dodd's kick made it 26-8, and this turned out to be the half-time score.

The teams exchanged possession of the ball several times in the third period before Friona finally drove for its final touchdown. The Chiefs recovered a fumble on their own 19-yard line, and drove the 81 yards in nine plays for the score.

Renner had the biggest gain during the drive, a 19-

yarder, putting the ball on the Memphis seven. Two plays later, Gee had his third touchdown of the evening, and Dodd's conversion made the score 33-8.

Shortly after this, Friona's second team took over, and the subs made it look like good things are in store at Friona, as they moved the ball with authority. They drove to the Memphis 10-yard line on one occasion, but lost the ball on a fumble.

Memphis scored its second

touchdown late in the game when a 61-yard pass play resulted in six points for the home team, bringing the score to 33-14, which was the way the game ended.

Although he didn't score a touchdown, Tommy Baxter ended up as the top ball-carrier for the Chiefs, with a total of 93 yards gained. His runs included gains of 12, 11, 17, 25 and 11 yards. He averaged 8.5 yards per carry.

Baxter had a touchdown called

back for the second consecutive week. He carried the ball into the end zone prior to Gee's second TD, but offsetting penalties called the play back.

The win was the third straight, and the first time for Friona to win three straight since 1958, when the Chiefs won their first four games.

The Chiefs racked up 22 first downs, their season high, and rolled up a total yardage of 408, also a high, included in the total were 95 yards passing,

the most yards gained through the air by Friona this year. The 33 points scored were also a season high, making the total for the year 87 points.

Friona gave up just 117 yards rushing, only 19 in the second half, when Memphis got only two first downs, one of these on the 61-yard pass against reserves.

WATCH OUT, EVERETT . . . Memphis' Jack Stargel looks as if he's about to apply chocking technique to Friona's Everett Gee. Maybe he should have as far as Memphis was concerned, since Gee scored three touchdowns in leading the Friona win. In the background is Friona center Ronald Awtrey.

Freshmen Lose Clovis Contest

The Friona High School freshman football team took a 24-0 loss at the hands of Gattis Junior High School team from Clovis here last week, in the opening game for the freshmen.

Friona fumbled twice inside their 10-yard line, leading to Clovis scores, and the Wild-

cats ran back a punt for another. Friona drove to the Clovis one-yard line at one point, but again lost the ball.

Bill Weatherly received a clipped knee in the contest, and may be lost to the team for the remainder of the year. The team goes to Dimmitt for its next contest October 3, at 6 p.m.

STAR Sports

THURSDAY, SEPTEMBER 26, 1961

PAGE 1, SEC. II

SIX FOR FRIONA . . . Fullback Everett Gee roars into the end zone with one of his three touchdowns against Memphis. Gee scored this one in the second half, on a right end sweep. (Star photo by Darrell Schwab).

Seventh Grade Gee Takes Over Team Blanks Gattis Scoring Leadership

The Friona seventh grade football team downed Gattis (Clovis) Junior High seventh graders, 18-0 in their first game of the season.

Scoring for Friona were end Danny Cartmel on a 20-yard pass from quarterback Mike Dukes (first quarter); Dukes on a 15-yard run (second quarter) and fullback Joe Perez, a 10-yard run (fourth quarter).

There was excellent blocking on long drives for all the scores, and defense was good for the first game, said Coach Robert Taylor.

Next outings for the seventh and eighth graders is at Hereford next Tuesday at 5:30.

By scoring three touchdowns against Memphis last week, fullback Everett Gee became the team's leading scorer, replacing halfback Milton Hargus, who did not play.

Both Gee and Hargus have scored five touchdowns, but Gee has two extra points, scored running against Sudan. Both players have scored more points than last year's leading scorer, for the entire season.

The Chiefs, who have scored

87 points in three games, have scored 21 more points than they did all last year, and 13 more than the entire season of 1961.

To date, the scoring has been shared by five players, as follows:

Player	TD	PAT	TP
Gee	5	2	32
Hargus	5	0	30
Dodd	1	7	13
Balze	1	0	6
Renner	1	0	6
Totals	13	9	87

Scoring by Quarters

FRIONA	27	34	14	12--87
Opponents	14	15	0	12--41

Eighth Grade Takes Victory

The Friona eighth graders took a 16-12 win over Gattis eighth graders of Clovis Tuesday, to even their record at 1-1 for the season.

Gattis scored on a pass in the first period for a 6-0 lead, and counted on another pass for a 12-0 halftime lead. The third quarter was scoreless, but Rickey Hurst ran 10 yards for Friona, and Delbert Davis carried across for the points, for a 12-8 score in the fourth. With about 35 seconds left on the clock, Davis ran 15 yards for a touchdown, and ran the points, to give Friona a 16-12 win. John Bill McFarland, Ronnie Stevick and Davis were outstanding on defense, along with Larry Graves, both defensively and offensively.

Last Thursday, Farwell defeated the local eighth graders, 26-22. Delbert Davis scored twice for the locals. Robert Saiz scored one touchdown. Farwell scored on a long run on the game's last play, to come from behind and take the victory.

Chieftain "B" Romps, 46-0

The Friona Chief "B" team trampled visiting Tucumcari, N.M., in a game last Saturday, 46-0.

The Chiefs, with several boys playing on the "B" squad who normally are on the first team, scored almost at will in racking up the first win of the season for the "B" team.

Milton Hargus scored twice for Friona on long runs. Left halfback Larry Johnson also scored twice. Lonnie Ellis, quarterback, was credited with a good game. He also scored a touchdown after moving to halfback, taking a pass from reserve quarterback Eldon Long.

"Ellis stayed out of the Memphis game on his own, so he could start the B-game here Saturday," Coach Light pointed out, and credited the sophomore signal-caller with a good game. Friona ran up a 22-0 halftime lead, and coasted from there.

FIELD ALL ALONE . . . Friona quarterback Gary Renner has the field to himself in this shot last Friday night. Renner is in the midst of a 19-yard gain, which set up the final Chieftain touchdown.

 Bill Ellis
 Editor and General Manager
 Friona Star,
 Friona, Texas

Dear Mr. Ellis:

Congratulations upon your promotion. I wish you every success with The Star. Apparently, you have worked hard and effectively this past year. I want you to know how much I appreciate the generous remarks about my part in the Maize Queen contest in the "Star Lites". The column space and general front page coverage of the celebration was gratifying. My sincerest compliments, through you, to Eva Miller and the many others who obviously worked long and well to produce an excellent show featuring such beautiful and charming young ladies. If there was criticism of the program's length, I must assume that blame.

Please let it be known that those of us at KDHN, Dimmitt, will consider it a privilege to participate in any Friona activity. I am looking forward to my next visit.

Yours very truly,
 Johnnie Linn
 "Uncle Jay"
 Manager

Dear Editor:

Since this is our first letter to the editor of our local paper, we would like to send out a few bouquets - some fresh and some withered ones.

During the social hour of our last club meeting we decided we would all like to let everyone else know how we stand on the queen contest.

We liked it very much and most of all the "no bathing suit" part. We enjoyed seeing the talent displayed by our beautiful nice young girls.

Porter Roberts did a wonderful job as overall chairman and was most cooperative.

The parade was good but we can't resist saying that if all business men went to the trouble that a few of us would have a much better one. We always enjoy seeing the kids, who are so enthusiastic, interested and cute about it all.

We all agreed that the antique club members are on their toes when it comes to putting on a good show. Their display adds a lot to Maize Days.

To us, the purpose of Maize Days isn't solely to bring money to town. It is just a few days set aside to have fun and fellowship. The main spenders, the farmers, like to relax and enjoy it after a hard summer's work of irrigating maize and other crops, so we can all live another year.

We have had a window display every year. From six to

eight women work all day getting it fixed. Thanks go to the merchants who have offered their windows and good cooperation, but we always have to ask several questions: (1) When will it have to be fixed? (2) When will it be judged? (3) Who is chairman, etc?

We have come to the conclusion that window displays mean nothing to the Chamber of Commerce and Maize Days. When Maize Days first started nearly every window on main street was decorated and many people have been heard to remark that this really made Maize Days, but there were only two this year and we must do a little bragging for we think they were two of the best and prettiest we have ever had.

Our ladies work all year on things for display. Everything in the window, canned goods, China painting articles, quilts, fancy work was made during the past year. We are proud of our club and community and want others to see what we are interested in.

In a conversation between members of the two home demonstration clubs participating this year remarks were made that indicate there will probably be more window displays next year.

We would hate to see this happen and would like to encourage the Chamber of Commerce to begin plans now for Maize Days for 1964 and appoint committees to encourage and advertise every phase of the celebration.

Black H. D. Club

Mr. Bill Ellis, Editor
 The Friona Star
 Friona, Texas

Dear Bill:

As General Chairman of the annual Friona Maize Days Celebration, I would like to take this opportunity and means to thank everyone who worked so diligently to make our celebration such a success. It would be impossible to thank each person individually because so many people worked in the background and are unknown to me. These small tasks seem unimportant at the time but are essential to the successful completion of the program.

I would like to thank, especially, the committee chairmen. It is the committee who does the working and worrying that makes the program and the committee is only as good as the chairman. I think we had some wonderful chairmen and some dedicated and hard working committees. These are the ones to whom the praise for success belongs.

I wish to thank the people for their time and cooperation. Without the people, there would actually be no need for the celebration at all. I thank the people also for their complements

on the celebration. It makes me feel awfully good to have people tell me how much they enjoyed the festivities, even if the praise did not belong to me.

Again, I say, thank you very much. I have enjoyed the whole celebration and hope to do it again some time. May God bless all of you.

Respectfully,
 Porter V. Roberts

Mr. Bill Ellis, Editor

JONES SERVING ON USS WORDEN

Charles M. Jones, machinist's mate third class, USN, son of Mr. and Mrs. William H. Jones of Friona, is serving aboard the guided missile frigate USS Worden which was commissioned at the Boston Naval Shipyard, Charlestown, Mass. Aug. 3.

The 7,000-ton Worden is the third of the Leahy class guided missile frigates which carries "Terrier" missile launchers forward and aft.

In addition to her pair of dual "Terrier" surface-to-air missile launchers, Worden carries antisubmarine rocket (ASROC) weapons, conventional three-inch anti-aircraft guns and torpedo tubes. She is equipped with a helicopter landing platform and the latest search and detection equipment for use against enemy air and underwater targets.

Many homeowners take advantage of summer weather to do repair jobs around the house. But, the Texas Safety Association says "do-it-yourselfers" can get in trouble if they don't really have the know-how or equipment to do repair work properly. If you don't know anything about electricity - don't fool with it. If you can't stop a power saw - don't start it. And, if your ladder isn't strong enough to hold you - don't get on it.

FIRST FREEZE

The later - the better. Here's record since 1894:

The following records of the latest date with temperature 32 degrees or lower in the Spring, and earliest date with temperature 32 degrees or lower in the Fall are supplied by the Weather Bureau State Climatologist, Austin.

Year	Latest Freeze	Earliest Freeze	Year	Latest Freeze	Earliest Freeze
1894	March 29	Oct. 29	1929	April 11	Oct. 23

Highlights and Sidelights From Your State Capital

AUSTIN--Finance companies which hope to operate in the State under the new Texas Regulatory Loan Act must be licensed by November 21.

The so-called "Loan-Shark" law, passed by the 58th Legislature, allows a much higher rate of interest for lenders. But it saddles them with stiff licensing requirements.

Regulatory Loan Commissioner Frank Miskell predicted that 2,000 loan offices would come under the act. Already he has received more than 2,000 letters of intention to file application for a license. And letters still are flowing in at the rate of 30 or more a day.

One reason for the big response is that many automobile financing companies want to up their interest rates, too. Question of whether they are eligible to operate under the act has not been settled. But they are

signing up just in case.

NURSING HOME INVESTIGATION--House General Investigating Committee will explore possible scandals in nursing home construction according to its chairman, Rep. Bob Fairchild of Center.

Investigation was requested by Speaker Byron Tunnell after a series of stories on substandard nursing homes for old people appeared in the Fort Worth Star-Telegram.

A separate check by the State Department of Public Safety has been ordered by Gov. John Connally.

Atty. Gen. Waggoner Carr also has promised support.

TEC ATTORNEY QUILTS--C. W. Turlington, long-time Marshall attorney, resigned as general counselor of the Texas Employment Commission.

Turlington complained that he was not consulted by commis-

sioners before they hired a new attorney for his staff.

"In order to render the best possible service to the State it is necessary for the general counsel to have a voice in the selection of his staff, regardless of the prospective employee's race or color of his skin," said Turlington.

Hannah King of Houston, the new attorney, is scheduled to start work in October. King, a Negro, is a former vice president of United Political Organizations.

Turlington, who has served five years on the commission, says he has no immediate plans for the future.

RAINMAKING AGENCY PROPOSED--Land Commissioner Jerry Sadler thinks the State should have an official rainmaking agency. He says he has discussed the subject with the Governor and hopes to soon

have a "concrete proposal to offer."

The Land Commissioner feels that his success with several cloud-seeding experiments warrants serious consideration of a rainmaking agency.

DROUGHT POSING PROBLEMS--Texas, with 53 reservoirs completed since 1950 and 12 more under construction, needs a stronger water development program says Governor Connally.

He proposes that the State harness surplus flood water for the protection of persons and property in areas which have too much water, then transport it to areas which have too little.

"We have the water resources to meet future demands. But only if they are properly developed, conserved and managed," the Governor stated.

According to the Texas Water Commission, reservoirs in the state stand at 65 per cent of capacity. That's nine per cent less than last year at this time. As of the end of August (before Hurricane Cindy) streamflow was deficient for the entire state.

OPPOSES POLL TAX REPEAL--Rep. George Hinson

of Mineola has come out swinging against repeal of the poll tax. Furthermore, he has volunteered to join any statewide organization which might develop to retain it.

Hinson said his district -- Wood, Upshur and Camp Counties -- is two-to-one against repeal. He charged that voter registration laws are not strong enough at this time to justify dumping the poll tax.

Republicans, fearful that repeal might help the voter registration drive of the Democrats, dodged the issue at their recent meeting and left the decision "up to the individual voter."

FORM VOTER EDUCATION GROUP--A new statewide political organization, stressing the need for voter education in the interest of land and mineral owners, has been formed here.

The name: Texas Land and Mineral Owners Political Education Committee.

John J. Shaw of Lovelady is temporary chairman. C. Y. Jacobs of Yoakum is co-chairman.

Group will pinpoint issues concerning members, study voting records and size up decisions of legislators and judicial officers.

LAW ENFORCERS MEET--District and county attorneys, sheriffs, judges and other law enforcement officers from over the state are meeting in Austin this week.

Occasion is the 13th annual attorney general's law enforcement conference. Attorney General Carr is in charge.

COUNTY PAY RAISE VOIDED--A pay raise for county officials in Crane County was declared unconstitutional by the attorney general.

The salary hike bill, sponsored by Rep. Gene Hendryx of Alpine and Sen. Dorsey Hardeman of San Angelo, is what is called a "population bracket" bill. It applies only to counties having between 4,600 and 4,750 persons and a minimum tax valuation of \$45,000,000.

Carr said this means Crane County only.

State constitution bans bills regulating the affairs of a single county, city, town, ward or school district.

FINAL VETERANS LAND SUIT--The last (\$200,000) State penalty suit growing out of Veterans Land Scandals is set for trial here on October 14.

Former Land Commissioner Bascom Giles, now living in Minnesota, may be brought into court again. The defendants, B. R. Sheffield of Brady and L. V. Ruffin of Shreveport, La., want Giles to pay a share of any judgment the State might win.

WILSON REPLACES WATSON--John H. Winters, commissioner of the State Department of Public Welfare, has named Herbert C. Wilson as his assistant. Wilson replaces Weldon Watson, who left to be-

Eve Writes Letter To Friona Friends

Basel, August 31, 1963

Dear Frionians,

Howdy y'all! I would like to tell you a little about my bus trip and what I am doing now, but first of all I want to thank you so much for that wonderful year I spent in your community. I know I could not have been in a better town for my America year than in Friona. It meant so much to me and it was very hard to say "good-bye" to all of you, especially to my family of course. I had to leave June 22 to go to Amarillo, where we spent the weekend having parties (to forget our sadness about leaving a little) and getting acquainted with each other. We were twenty-seven exchange students from 20 different countries on our bus, Bus 53. Our tour started from Amarillo on Monday, June 24. Everyone in the bus was really a great kid. We had so much fun together and were all very close friends just about from the beginning. We had a girl chaperone from San Antonio, Texas and a boy chaperone from Riverside, California. They were great.

We had different bus stops in which we stayed either one day and two nights or sometimes two days and three nights. Our stops were in: Salina, Kansas; Newton, Iowa; Winnebago, Ill.; Petoskey, Mich.; Hubbard, Ohio; State College, Penn.; Ramsey, N.J.; Riestertown, Md.; Fairfax, Va.

Everyone of our bus stops was a big success. We met so many people and really found that

everywhere that wonderful hospitality for which America is famous.

Ramsey, N. J., is about 25 miles from New York City. We spent five days in Ramsey and went to New York City every day, there were so many things to see, for example the UN, Radio City, Gallery of Modern Arts, Empire State Building, Broadway, Chinatown and so many other things. I also saw West Point.

Fairfax, Va., was the stop in the Washington D.C. area, just about fifteen miles from there. In Fairfax we stayed four days. We visited Washington, met in our countries' embassies, and two of the highlights were the meeting in front of the Washington monument, where all the 2560 exchange students met at the flags of their own country. The other highlight was to meet President Kennedy. He talked to us on the White House Lawn.

From Fairfax we went to New Brunswick, N.J., where all the exchange students stayed on two college campuses. That was at the same time fabulous, a lot of fun, and sad. It was fun because we were all together and got along really well, and sad because we knew that would be the end of our wonderful year. We call this last meeting Midway and its place is kept secret until we get there (at least it should be secret, we found out before).

The students who left by boat, left directly from Midway. That also was a hard "good-bye" because we knew we probably would never see our friends from Asia, Africa, Australia, South America or where else they come from again. The last three nights in America I spent in Carle Place, Long Island. The night of July 24, I left your great country by jet and arrived the next morning after six and a half hours flight in Frankfurt, Germany. My parents came to pick me up there. Of course I was happy to see them and also my friends. It was hard though to realize that my American year was over.

I am adapting to my Swiss

school again and also to the way of life and customs here. I will have to go to school for one and a half more year until I get my diploma. School keeps me busy since three weeks. For four days I had an American girl, also an AFSer, staying with me, that gave me a chance to talk American again which brings so many wonderful memories with it.

Thank you again for everything and I hope I can say: "I'll see ya".

Remember A Friend
Eve Braunschweiger

Editor's Note: The following letter, which was received from Eve Braunschweiger, came to the Star office a few days ago. It is being printed so that her friends will have an opportunity to enjoy it.

WHY THE RUSH

Old Mr. Tightmoney wasn't stingy. He was merely economical in the management of his big farm and all his hired hands.

One morning, while repairing the curb to his underground stony, he was very unexpectedly fell in, pulling the rope in with him as he went down. Having always been a good swimmer, he had no trouble in keeping afloat; but the water was cold and he couldn't climb out. His wife was helpless, alone, and without a rope.

"John!" she yelled excitedly down to him. "I'll ring the dinner bell so's the boys can come in and pull you out."

"What time is it?" he yelled.

"Bout eleven o'clock."

"No, dang it, let 'em work on till dinner time. I'll just swim around till they come."

Western bank teller to a man at window: "Sorry, sir, but your wife beat you to the draw."

Plane Passenger: "Can't you control that child, madam? He just pulled off my toupee."

Mother, obviously relieved: "Thank goodness! For a minute I thought he'd scalped you."

Seeing a zebra for the first time, a youngster at the zoo cried, "Look, a sports model donkey."

At Home In Parmer County

By CRICKET B. TAYLOR
County HD Agent

I had the very pleasant experience this week of visiting with the Hub Home Demonstration Club for the first time. The meeting was held in the lovely spacious home of Mrs. A. L. Black. The program was a tour of Mrs. Weldon Stringers yard to see the progress in yard improvement.

In the early stage of their landscape development, flowers have been used by the Stringers to prevent the blank appearance that is common to newly planted landscape when shrubs are small. Irregular borders of cut flowers of both annual and perennials are along the fence at the rear of the house, which was a mass of color and beauty. Flower beds arranged in this manner, not only added beauty to the private area but it does not interfere with the care of the large smooth lawn when mowing. Flowers were used also in front of the newly planted euonymus japonicas at the front of the house, to fill in and add color, while shrubs are yet small.

While on the subject of flowers, perhaps you are planning to buy and plant tulips this

fall, if you are then don't delay any longer - it will be too late to get them into the ground before winter freezes begin. Spring - Flowering bulbs should be planted in late September and early October. Here are a few tips from USDA's research service.

First, remember we get what we pay for in quality. Large bulbs are generally better than small ones. Make sure the bulbs are not diseased. Don't buy them that are moldy, discolored or soft.

Buy the specific colors you want, its probably better to buy bulbs individually rather than in variety packs.

Choose either domestic or imported bulbs. They are equally good.

As to the planting - tulips grow best when they get long hours of direct sunshine and plenty of moisture. Well drained sandy soil is best. Plant on high or slightly sloping ground.

Here's a tip for early blooms. Plant specie type bulbs on a southern exposure - near wall or building. You will be the first with tulips next spring. For late spring blooms, plant bulbs in a northern exposure late in fall.

Burned out and dirty light bulbs in the laying house can cost egg producers real money due to reduced production, points out Bill Cawley, extension poultry specialist. His advice is to keep the lights burning brightly and the way to do this is to keep the bulbs clean.

THE HIGH PLAINS FARM AND HOME

Parmer Important Stop On CC Tour

Parmer County's private and commercial feeding operations -- which have undergone extraordinary growth in the past five years -- will be under the inquisitive eye of a special delegation from the West Texas Chamber of Commerce next month.

The Chamber, which spreads itself across a full half of the state, is sponsoring a tour of the livestock feeding industry in West Texas and local installations will be among the ones to be inspected.

The tour, which is expected to attract over 200 businessmen, farmers and ranchers, will pass through this area on

Tuesday, October 29. The visitors will look at both large and small operations, and area farmer-stockmen have plenty to show them in both departments.

Six busloads of Chamber men

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Civic Clubs and others interested in Citizenship can hear either or both of two young ladies from Parmer County High Schools talk about it upon request. The girls are Miss Jane Bradshaw of Farwell High School and Miss Linda Rector of Friona High School. These young ladies were among 232 other Texas High School students who attended a three day seminar on the campus of Sam Houston State Teachers College in Huntsville in August.

They were under the tutelage of such men as John Noble of Wheaton, Ill., a former prisoner in Russian slave labor camps; Cleon Skousen, former FBI agent and author of "The Naked Communist"; Dr. Harry Love of Virginia Polytechnic Institute, well-known lecturer on economics and George Benson and Dr. Clifton Ganus, Jr., who are associated with the School of American Studies at Harding College, Searcy, Arkansas. We believe you will appreciate hearing these girls talk to you.

Farm Bureau officials are expecting more interest in open forums and county conventions

Four Accidents In County In Aug.

The Texas Highway Patrol investigated four accidents on rural highways in Parmer County during the month of August, according to Sgt. W. E. Wells, Highway Patrol supervisor of this area.

These wrecks accounted for six persons injured and estimated property damage of \$2,215,00.

The rural traffic accident summary for this county from January through August of 1963 shows a total of 75 crashes resulting in two persons killed, 27 persons injured and an estimated property damage of \$41,557,00.

Now is the time to have all motor vehicles "winterized", the sergeant stated; that is to have their vehicles safety inspected at one of the approved inspection stations to determine that all parts are in top condition.

The new 1964 vehicle inspection sticker is now avail-

able. All vehicles registered in this state are required to be inspected once a year. All motorists are urged to have their vehicles safety inspected to avoid the rush later on.

The veteran patrol supervisor said, "The Vehicle Inspec-

tion Program has proved to be a valuable tool in reducing accidents in Texas."

The '64s from Ford are here:
The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

TRY TOTAL PERFORMANCE FOR A CHANGE!

FORD
Falcon - Fairlane - Ford - Thunderbird

1964 SUPER TORQUE FORD
Strongest, smoothest, steadiest car in its field--by hundreds of pounds... More steel in frame and suspensions... Unique suspension lets wheels move backward as well as up and down to flatten bumps... Distinctive new rooflines.

1964 FAIRLANE
Unique combination of family-size room, sports car feel and modest price... Optional 289-cubic-inch V-8 so lively it was adapted for famous Cobra sports car... Five engine choices, six transmission choices, eight different models.

1964 FALCON
All new except the economy that made Falcon famous... Falcon's Six still holds all-time Mobil Economy Run record for Sixes or Eights... Plushest ride ever built into a compact car... 14 models--plus 3 extra-duty wagons.

Broomcorn As Irrigated Crop Is New Venture

FOOTSAVING EDUCATION

by James E. Edwards

Foot Care For Children #6

Principle #10

Examine your child's feet daily for any redness, pressure spots or blisters. Bathe them with mild sudsy water, dry carefully with a soft towel and dust with baby powder. To help keep toenails in prime condition, massage the cuticle often with baby oil. To avoid the possibility of ingrown toenails, trim very carefully straight across and never any shorter than the flesh.

Cont'd next Week.

Orthopedic Shoes Fitted To Your Doctor's Prescription
Edwards' SHOE STORE
512 MAIN
CLOVIS, N. MEX.

Broomcorn as an irrigated crop in Parmer County is a new venture and has been tried this year for the first time by Roy Clements, Friona farmer. His first venture with the crop includes some 300 acres, 200 acres of the crop is on land owned by Clements with an additional 100 acres having been produced on land owned by Raymond Fleming, who says he is an old hand with the crop, having moved to Parmer County from neighboring Curry County where broomcorn is important. Harvest is in full swing on

the Clements farms this week. The harvest was begun last week and is due to be completed by the last of this week. Some 170 farm hands have been busy snapping the heads from the stalks. The heads are then piled on stalks which have previously been broken over and made in readiness. Heads will remain here until frost when they will be threshed and baled for shipment to the market.

Fleming estimates that the crop is making 1500 lbs. per acre and at the present time the crop can be sold on the market for \$450 per ton. Several buyers have been in the area during the past few days looking over the Clements crop. Fleming adds that the crop is one of the best and says that most farmers make the mistake of watering too often. Broom-

Broomcorn as an irrigated crop has been tried in Parmer County this year for the first time by Roy Clements of Friona. This field where harvest of the crop is in full swing has been showing a yield of 1500 lbs. per acre. The field runs adjacent to highway 60 a few miles south west of Friona.

corn is primarily a dryland crop. The Clements crop was watered one time, approximately a month ago, when the crop was just beginning to mature.

Clements was unavailable for an interview; however his wife says at this point he is well pleased with his venture with broomcorn as an irrigated crop.

Research has shown that crop rotation, deep plowing and residue management are a combination of practices which will help cut cotton root rot losses. Deep plowing is most effective when done during a period of hot, dry weather.

On The Farm In Parmer County

By DERYL COKER
County Agent

Insects have been a problem all year, and now it is leafworms and bollworms.

Nearly all fields in the area have leafworms and a good many fields have bollworms.

In some instances fields should be sprayed for bollworms using an insecticide that will kill both bollworms and leafworms.

As late as our cotton is we cannot afford to let the leafworms destroy all of the leaves, because the plant uses the leaf to take up food to mature the cotton.

If the weather remains warm we can expect bollworms populations to increase. Bollworm activity slows down when temperatures consistently drop below 60 degrees at night.

Below is the recommendations for controlling leafworms and bollworms.

Insects, Insecticides, Pound per acre of actual insecticide to be applied as spray or dust, and Remarks as follows:

Apply dust at 10-15 lb. per acre unless otherwise indicated.

- Bollworms:
 - A. Strobane-DDT 3.0-4.5 (2-1 mixture)
 - B. Endrin 0.4-0.5
 - C. Endrin/DDT 0.3-0.4+0.5, 1-0
 - D. Toxaphene-DDT 3.0-4.5 (2 to 1 mixture)
 - E. Sevin 1.6-2.4

How to Check for Bollworms

Examine the terminal buds (upper 3-4 in. of plants and 100 consecutive squares and bolls at each of several points in the field. Begin treatment when bollworm eggs and 4 or 5 young worms are found per 100 terminals or 5% of the small squares and bolls have been injured by small bollworms. Make additional applications as needed. Tobacco budworms may occur in damaging numbers late in the season. The maximum recommended dosages should be used to control this pest. DDT resistance to the bollworm and tobacco budworm occurs in several areas of the State. DDT alone may be used to control these pests where resistance does not occur.

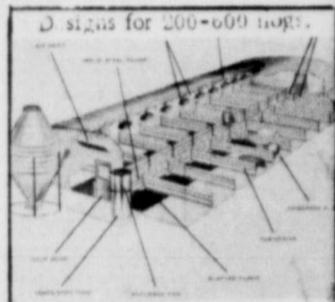

- Leafworms
 - A. Guthion 0.25
 - B. Parathion 0.125-0.25
 - C. Sevin 1.0-1.25

D. Methyl parathion 0.125-0.25
E. Toxaphene-DDT 1.5-3.0 (2-1 mixture)

Apply dusts or sprays when cotton leafworms first appear. Young worms are easier to kill than old worms.

There will be a tour for everybody interested in feeding livestock, October 28, 29, 30, 1963. The tour is sponsored by the West Texas Chamber Commerce and will cost \$57.50. This cost includes transportation, lodging for two nights, and meals but breakfast. If anyone is interested in feeding cattle this trip will certainly be worth while. You will travel all over West Texas. If you should need more information come by the office.

Officials of the screwworm eradication program are asking livestock producers to give even closer attention to worm cases in their livestock.

MR. FARMER

All signs point to the development of the irrigated High Plains as the nation's next meat-producing center. Agricultural economists agree that conditions here favor this trend and make the development of feeding a virtual historical certainty. Our enormous supply of feed grains is the main reason. We are the nation's feed producing center. But that is not the only reason. Our winters are moderate and open. We have good rail and highway transportation. We have winter pasture. We have a livestock heritage and a generation of farm men who know cattle. We are midway between big feeding areas of the Midwest and the West Coast markets that are growing apace. That gives us a geographic advantage on the markets of the future. Some time this year California will have more people than New York! The nation's economy is rising. Diets are including more and more meat. Someone will meet this huge demand. It will be the High Plains!

MAKE YOUR MOVE To FEEDING THIS FALL

Our Modern Feed Mill And Office And Warehouse Facilities At Friona

Producers of beef, pork and mutton operate in free markets and the ebb and flow of supply and demand makes some years more prosperous than others, without question. However, the long-term outlook for meat production of all types is GOOD. Year in and year out, feeders will profit in the next decade or two -- that is the judgment of nearly all farm advisors.

Cummings Farm Store suggests that you choose now to get into feeding; Not just because 1963 itself looks good, but because this area needs to accelerate its program of feeding development to keep pace with the growing demand for meat products from markets we can supply in the next few years. You can begin modestly, without enormous capital outlay. It doesn't take a push-button operation to operate efficiently. We can help you work out a plan that will result in the greatest utilization of your labor, feed, and capital. Let's talk about it NOW and get started this fall.

Cummings will store your grain in their bins at the store -- then grind, mix and deliver, in bulk, to your feeders. We will help you formulate the proper feeding program and recommend the proper sanitary measures. In short, Cummings will do the big end of the feeding chores for you - Come in to see us now.

For added profit on your pasture cattle, supplement feed in self feeders. Let us mix your grain with Purina Steer Fatena. Delivered in bulk to your pasture, in your feeders. Get extra gain and make your pasture support more cattle.

IRISH VIXEN . . . Carolyn Herring plays the role of the quick-tempered Irish vixen, Kathleen Dungannon, in "Smilin' Through." The English neighbor's bull has chased her up on this rock wall. The scene for this musical drama, painted by Mrs. Jay Sanders, is an English garden. "Smilin' Through" will be presented by the Friona Thespians October 18, 1963.

Thespians Rehearse For Annual Production

Rehearsals are in session for "Smilin' Through", to be presented by the Friona Thespians on Friday, October 18 in the Friona High School Auditorium.

The romantic musical is under the direction of Mrs. L. B. McClain. Music directors are Mrs. Troy Ray and Mrs. Roy V. Miller. The background scene for the stage was painted by Mrs. John D. Sanders.

Characters for the production will be portrayed by Bob Welch, Dennis Howell, Mary Ann Roberts, Carolyn Herring, Charles Fields, Mike Baronowski, Neel Lyles, Cheryl Neill, Karen Hughes, Lois Moyer, Tim Rhodes, Frieda Floyd, Roscoe Parr, Janet Stevick, Howard Rhodes and Monte Welch.

The romantic musical deals with a tragedy fifty years back, when a rejected suitor shoots the woman he pretends to love on the night of her wedding. As

the years pass a boy and girl of the younger generation of these families fall in love.

How the spirit of the slain girl comes "Smilin' Through" to help the young lovers makes up the main theme and is one of the thrilling highlights of this sensational comedy-drama.

It has in it all of the romance and fantasy of the pow-

erful love drama and all the glittering humor of the rollicking comedy piece. Its outstanding success in all sections of the country, as well as in New York, Chicago, and abroad, assures its success and prove that it is an outstanding stage piece of many generations.

The presentation is an annual event by the Friona Thespian Troupe.

SWPS Improvements For 1963 Listed

Construction and improvement activities in the Hereford District of the Southwestern Public Service Company have centered on three major projects recently, all of them now being in service or operation.

A new storeroom and service center for the district has

been built at 308 E. New York Street in Hereford. The new facility, with improved storage areas and faster communications to outlying regions in the district, will result in improved service for customers under both normal and emergency conditions.

Growth of the district has also led to the addition of a new three man line crew. This increase in personnel was accompanied by the purchase of another line truck.

The new crew is made up of Dale Gibson, foreman; Tony Cahill, truck driver; and Tommy Johnson, lineman. Gibson came to Hereford from Pampa. Cahill is a new employee, and Johnson has been working with the system construction department of Southwestern, operating out of Amarillo.

The Vega area of the district has benefited from the construction of a new line from the Wildorado substation to Vega. The new line, shielded for lightning protection and employing a larger conductor, provides the electric power for additional growth, electrically, at Vega, in addition to improving service in the community.

Four County Accidents Injure Six In Month

The Texas Highway Patrol investigated four accidents on rural highways in Parmer County during the month of August, according to Sgt. W. E. Wells, Highway Patrol supervisor of this area.

These wrecks accounted for six persons injured and estimated property damage of \$2,215.

The rural traffic accident summary for this county from January through August of 1963 shows a total of 75 crashes resulting in two persons killed, 27 persons injured and an estimated property damage of \$41,557.

Now is the time to have all

motor vehicles "winterized", the Sergeant stated; that is to have their vehicles safety inspected at one of the approved inspection stations to determine that all parts are in top condition.

The new 1964 vehicle inspection sticker is now available. All vehicles registered in this state are required to be inspected once a year. All motorists are urged to have their vehicles safety inspected to avoid the rush later on.

The veteran patrol supervisor said, "The Vehicle Inspection Program has proved to be a valuable tool in reducing accidents in Texas."

Buffs Host Pacific In Saturday Contest

West Texas State University meets the first of two brand new opponents Saturday night when the University of the Pacific Tigers come in to Buffalo Bowl.

Formerly known as College of Pacific, this school has turned out some of the best players in the history of West Coast football. U. of Pacific is steeped in football tradition and continually turns out top rated squads. One of the most famous men to be connected with the Tigers was Amos Alonzo Stagg who coached at the U. of Pacific from 1933 to 1949.

John Rohde is in his third year as head coach of the Tigers. He has begun a rebuilding program that will carry his teams on to bigger heights in the world of college football. Although the Tigers finished with a 5-5 record in 1962, the play of the team was sharp and showed good fundamental football. Included on last year's schedule were some tough games and the Tigers represented themselves well against all opponents. Highlights of the season were the 13-12 win over Washington State and a 26-7

victory over always tough Brigham Young.

In 1949 Coach Pohde teamed up with the most famous of all Tigers players, little Eddie LeBaron, to give University of the Pacific its only undefeated football season. During his three year career as an end, Pohde caught 81 passes from LeBaron. Eddie is still active in the National Football League with the Dallas Cowboys.

The Tigers have only 6 lettermen back from the 1962 team but are banking heavily on 14 junior college transfers of proven ability. Heading the list of returnees is left tackle Don Shackelford, 6-3, 245. Don has started every game for the Tigers since becoming a sophomore. He is rated by Rohde as the Tigers most consistent performer. Left guard Bob Scardina, right end Buck Del Nero have won two letters as starters while Terry Marshburn, RG, Ray Raffo, C, and Chris Machado at right half were starters on last year's team. These men form the backbone of the ball club and will be certain to give the Buffaloes fits on Saturday night.

Tech, UT Clash In Conference Opener

Texas Tech, with a surprise win under its belt, resumes the underdog role against the University of Texas in Austin Saturday night.

University of Texas, defending Southwest Conference champion, returns 25 lettermen from the team that trounced the Red Raiders 34-0 in Lubbock last year.

Still, there's hint of things to come for Coach J. T. King's Red Raiders. They overcame by a 16-7 score the Washington State University Cougars in Lubbock last Saturday night.

Texas Tech will have the support of a large delegation from its student body and other South Plains-Panhandle fans.

It's the official student trip, and Dean Killion's band will perform.

Following the clash in Austin the Red Raiders take up a home stand with three consecutive Southwest Conference games in Jones Stadium. The Raiders will be hosts to Texas A&M Oct. 5, Texas Christian Oct. 12, and Baylor Oct. 19. All are night games.

A crowd of 31,500 saw the opening victory.

FASHIONETTES

BRINGING UP FATHER

Vernon Green

United Press International

The assortment of beach cap styles rapidly is getting as wide as the number of bathing suit types. Even the pillbox, in high fashion colors, is new for '63 bathing beauties, reports the National Notion Association. It's flat on top with a band of waterproof flowers. Other cap styles include the aloha, with pineapple motif; the gamin, a modified shaggy boy-cut look; and the ondine, copied from the water sylph.

Numerous oriental touches showed in the spring and summer fashion collections from Paris designers. Designer Lida Ascher did pantaloons that might have stepped out of a harem, or out of the stage wardrobe of a Thai dancer. The pantaloons were in floral silk prints.
